THE ONE HUNDRED TWELFTH DAY

CARSON CITY (Sunday) May 29, 2011

Assembly called to order at 1:41 p.m.
Mr. Speaker presiding.
Roll called.
All present.
Prayer by the Chaplain, April Mastroluca.

Good afternoon. Today I would like to read a passage from 2 Corinthians. The author Paul sends a letter to the church in Corinth to address his concerns by false teachers that Paul was not a genuine Apostle and that he was keeping money that was being collected for the poor.

In Chapter 9 Paul writes:

“Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. Each man should give what he has decided in his heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.

Now he who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your righteousness. You will be made rich in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God. This service that you perform is not only supplying the needs of God’s people but is also overflowing in many expressions of thanks to God. Because of the service by which you have proved yourselves, men will praise God for the obedience that accompanies your confession of the gospel of Christ, and for your generosity in sharing with them and with everyone else. And in their prayers for you their hearts will go out to you, because of the surpassing grace God has given you. Thanks be to God for his indescribable gift!”

Heavenly Father, we hear Your Word and it reminds us that we are here to share Your Grace that You have generously bestowed upon us with others. Please help us remember this in all that we do. We ask for Your blessing on this day and all we will accomplish. In Matthew chapter 12, Your Son Jesus tells the Pharisees that the law permits a person to do good on the Sabbath. Allow us to do our work for Your good on this Holy day. It is in Your Son’s name we pray.

AMEN.

Pledge of allegiance to the Flag.

SECOND READING AND AMENDMENT

Assembly Bill No. 332.
Bill read second time.
The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 784.

AN ACT relating to state financial administration; requiring the Economic Forum to hold at least one regular meeting during each calendar quarter; providing for a member of the Economic Forum to be considered present at a meeting of the Economic Forum if the member is participating in the meeting by telephone or video conference; amending certain reporting requirements of the Economic Forum; authorizing the Chair of the Economic Forum to limit certain deliberations of the Economic Forum; requiring the Economic Forum to hold additional meetings; authorizing the Chair of the Economic Forum to request certain information and testimony; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, the Economic Forum, a panel of economic and financial experts appointed by the Governor, the Majority Floor Leader of the Senate and the Speaker of the Assembly, provides revenue estimates and projections to the Governor and the Legislature. (NRS 353.226, 353.228)
This bill makes a number of changes to the operations of the Economic Forum. Section 1 of this bill requires the Economic Forum to hold at least one meeting during each calendar quarter rather than the current requirement of meeting as often as necessary to accomplish its statutory duties. Section 1 also requires the Chair of the Economic Forum to set the agenda for the meetings and authorize the Chair to consider a member present at a meeting for purposes of complying with the Open Meeting Law, if the member is participating in the meeting by telephone or video conference. Section 2 of this bill requires certain reports of the Economic Forum that currently must be made, respectively, on or before December 1 before each regular session of the Legislature and on or before May 1 of the following year to instead be made on or before December 3 of each even-numbered year and May 1 of each odd-numbered year. Section 2 also requires the Economic Forum to hold additional meetings, on or before June 10 of each even-numbered year and December 10 of each odd-numbered year, to consider current economic indicators and to update the status of actual State General
Fund revenue accordingly, as compared to the most recent revenue estimates made by the Economic Forum. The Economic Forum then must present the updated information to the Interim Finance Committee and must make the information available to the public on the website of the Legislature. Finally, section 2 authorizes the Chair to limit certain deliberations of the Economic Forum and to request testimony and written information from any state agency, which then must provide the testimony or information.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. [NRS 353.227 is hereby amended to read as follows:

Assembly Bill No. 515.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 786.

AN ACT relating to the promotion of livestock; creating the Fund for the Nevada Junior Livestock Show Board; making various changes to the

Legislative Counsel’s Digest:

Under existing law, money used to carry out the provisions of chapter 563 of NRS concerning the promotion of livestock is required to be provided by direct legislative appropriation from the State General Fund. (NRS 563.140) Section 7 of this bill repeals that provision, and section 2 of this bill creates the Fund for the Nevada Junior Livestock Show Board for the purpose of funding the activities of the Board. Section 5 of this bill authorizes the Board to impose an entry fee for participation in the Nevada Junior Livestock Show and the Nevada Youth Livestock and Dairy Show. Section 6 of this bill requires participants to pay such a fee if one is imposed by the Board, which must be deposited in the Fund.

Under existing law, members of the Nevada Junior Livestock Show Board are entitled to receive compensation, per diem allowances and travel expenses provided for state officers and employees generally. (NRS 563.060) Section 7 of this bill repeals that provision, and section 3 of this bill prohibits members of the Board from receiving compensation, per diem allowances and travel expenses.

Under existing law, one of the members of the Board must be a member of the staff of the State Board for Career and Technical Education. (NRS 563.030) Section 4 of this bill replaces that member with a person who is a secondary agriculture educator nominated by the agriculture education program professional at the Department of Education.

Existing law requires the Board to maintain possession and care of all property of the Nevada Junior Livestock Show, the Nevada Youth Livestock and Dairy Show and the Nevada State Horse Program and each year to conduct the Nevada Junior Livestock Show, the Nevada Youth Livestock and Dairy Show and the Nevada State Horse Program. (NRS 563.080, 563.100) Sections 5 and 6 of this bill delete the Nevada State Horse Program from those requirements.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

3. The interest and income earned on the money in the Fund, after deducting any applicable charges, must be credited to the Fund.

4. The money in the Fund must only be used for the promotion of agriculture within this State and must not be used to replace or supplant money available from other sources.

5. Any fees collected from participants of the annual Nevada Junior Livestock Show and the Nevada Youth Livestock and Dairy Show must be deposited in the Fund and expended only for the Board and for the annual Nevada Junior Livestock Show and Nevada Youth Livestock and Dairy Show.

6. The money in the Fund does not lapse to the State General Fund at the end of a fiscal year. (Deleted by amendment.)

The following amendment was proposed by the Committee on Ways and Means:
Amendment No. 782.
AN ACT relating to programs for public personnel; establishing for the next biennium the amount to be paid to the Public Employees’ Benefits Program for insurance for certain active and retired public officers and employees; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Section 1 of this bill establishes the amount of the State’s share of the costs of premiums or contributions for group insurance for active state officers and employees who participate in the Public Employees’ Benefits Program. Section 2 of this bill establishes the base amount that is used to calculate the share of the costs of premiums or contributions for group insurance under the Program that is required to be paid by the State and local governments for retired public officers and employees. Section 2 of this bill also establishes the base amount that is used to calculate the share of the cost of qualified medical expenses for individual Medicare insurance plans through the Program that is required to be paid by the State and local governments for retired public officers and employees, and provides for an increase to that base amount in Fiscal Year 2012-2013 if the Board of the Program determines that additional reserves of the Program are available for this purpose.
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. 1. For the purposes of NRS 287.044 and 287.0445, the State’s share of the cost of premiums or contributions for group insurance for each active state officer or employee who elects to participate in the Public Employees’ Benefits Program is:
   (a) For the Fiscal Year 2011-2012, $644.81 per month.
   (b) For the Fiscal Year 2012-2013, $733.64 per month.
2. If the amount of the State’s share pursuant to this section exceeds the actual premium or contribution for the plan of the Public Employees’ Benefits Program that the state officer or employee selects less any amount paid by the state officer or employee toward the premium or contribution, the balance must be credited to the Fund for the Public Employees’ Benefits Program created by NRS 287.0435, which may be used to pay a portion of the premiums or contributions for persons that are eligible to participate in the Public Employees’ Benefits Program through such a state officer or employee.

Sec. 2. 1. Except as otherwise provided in subsection 2, for the purposes of NRS 287.023 and 287.046, the base amount for the share of the cost of premiums or contributions for group insurance for each person who has retired with state service and continues to participate in the Public Employees’ Benefits Program is:

   (b) For the Fiscal Year 2012-2013, $472.64 per month.
2. For the purposes of NRS 287.023 and 287.046, the base amount for the share of the cost of qualified medical expenses for each person who has retired with state service and whose coverage is provided through the Public Employees’ Benefits Program by an individual medical plan offered pursuant to the Health Insurance for the Aged Act, 42 U.S.C. §§ 1395 et seq., for Fiscal Year 2011-2012 and Fiscal Year 2012-2013 is:
   (a) For those persons who retired before January 1, 1994, $150 per month.
   (b) For those persons who retired on or after January 1, 1994, $10 per month per year of service, excluding service purchased pursuant to NRS 1A.310 or 286.300, up to a maximum of $200 per month.
   For Fiscal Year 2012-2013, the amounts specified in paragraphs (a) and (b) may be increased by an amount based on the percentage increase in the premium for Part B of the Health Insurance for the Aged Act, 42 U.S.C. §§ 1395 et seq., between the calendar year ending on December 31, 2011, and the calendar year ending on December 31, 2012, which must be rounded to the nearest dollar. The amount of such an increase must be paid from the reserves of the Program if the Board of the Program determines that reserves in excess of the actuarially required reserves of the Program are available for this purpose.
3. No money may be paid by the State Retirees’ Health and Welfare Benefits Fund created by NRS 287.0436 on behalf of a person who is initially hired by the State on or after January 1, 2010, and who:
   (a) Has not participated in the Program on a continuous basis since his or her retirement from such employment; or
   (b) Does not have at least 15 years of service credit upon retirement, unless the person does not have at least 15 years of service credit as a result of a disability for which disability benefits are received under the Public Employees’ Retirement System or a retirement program for professional employees offered by or through the Nevada System of Higher Education, and has participated in the Program on a continuous basis since his or her retirement from such employment.

4. If the amount calculated pursuant to this section exceeds the actual premium or contribution for the plan of the Program that the retired participant selects, the balance must be credited to the Fund for the Public Employees’ Benefits Program created by NRS 287.0435.

Amendment No. 736.

SUMMARY—Clarifies the definition of "minor" for the purposes of certain criminal statutes; the crime of kidnapping in the first degree. (BDR 15-121)

AN ACT relating to crimes; clarifying the definition of "minor" for the purposes of certain criminal statutes; the crime of kidnapping in the first degree; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

On July 30, 2009, the Fourth Judicial District Court, in and for the County of Elko, held that the provisions of NRS 200.710 concerning the unlawful use of a minor in producing pornography or as a subject of sexual portrayal in a performance are unconstitutionally vague because it is unclear whether the term “minor” means a person under 16 years of age or a person under 18 years of age. (State of Nevada v. Aaron Taylor Hughes, Nev. Fourth Jud. Dist. Ct. Case No. CR FP-08-2848 (July 30, 2009))

This bill defines “minor,” as used in title 15 of NRS (Crimes and Punishments), to mean a person who is under 18 years of age, except as otherwise defined by specific statute.

Existing law establishes degrees of kidnapping and provides that kidnapping in the first degree includes certain actions performed with the intent to keep a minor away from his or her parents, guardians or any person who has lawful custody of the minor, or with the intent to hold the minor to unlawful service, or perpetrate any unlawful act upon the minor. (NRS 200.310) This bill defines the term “minor” as used in those provisions of existing law as a person who is under 18 years of age.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. [Chapter 193 of NRS is hereby amended by adding thereto a new section to read as follows:

Except as otherwise defined by specific statute, “minor” means a person who is under 18 years of age. (Deleted by amendment.)

Sec. 2. [NRS 193.010 is hereby amended to read as follows:}
Sec. 2.5. NRS 200.310 is hereby amended to read as follows:

200.310 1. A person who willfully seizes, confines, inveigles, entices, decoys, abducts, conceals, kidnaps or carries away a person by any means whatsoever with the intent to hold or detain, or who holds or detains, the person for ransom, or reward, or for the purpose of committing sexual assault, extortion or robbery upon or from the person, or for the purpose of killing the person or inflicting substantial bodily harm upon the person, or to exact from relatives, friends, or any other person any money or valuable thing for the return or disposition of the kidnapped person, and a person who leads, takes, entices, or carries away or detains any minor with the intent to keep, imprison, or confine the minor from his or her parents, guardians, or any other person having lawful custody of the minor, or with the intent to hold the minor to unlawful service, or perpetrate upon the person of the minor any unlawful act is guilty of kidnapping in the first degree which is a category A felony.

2. A person who willfully and without authority of law seizes, inveigles, takes, carries away or kidnaps another person with the intent to keep the person secretly imprisoned within the State, or for the purpose of conveying the person out of the State without authority of law, or in any manner held to service or detained against the person’s will, is guilty of kidnapping in the second degree which is a category B felony.

3. As used in this section, “minor” means a person who is under 18 years of age.

Sec. 3. This act becomes effective on July 1, 2011.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 671.

AN ACT relating to vehicles; revising provisions relating to the issuance of permits for travel on the highways of this State for certain oversize or overweight vehicles; revising provisions regarding administrative fines and penalties for certain violations of such permits; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the Department of Transportation to issue permits for travel on the highways of this State by vehicles that exceed certain limits
Sections 25, 26 and 35 of this bill require the Department of Motor Vehicles to issue permits for vehicles that exceed certain length requirements. Section 25 also authorizes the Department of Transportation to issue permits that further restrict size or weight limits in certain circumstances, and to allow reciprocity with other states regarding various vehicle permits. Section 19 of this bill authorizes the Department of Transportation to impose an administrative fine for certain violations of a permit, and sections 27 and 35 of this bill give the Department of Motor Vehicles similar authority. Section 19 also requires the Department of Transportation to issue, free of charge, a replacement for a permit that has been lost or stolen, and section 35 also authorizes the Department of Motor Vehicles to charge a fee for a similar replacement permit. Section 20 of this bill authorizes both the Department of Transportation and the Department of Motor Vehicles to impose certain penalties for repeated permit violations within 1 year. Section 32 of this bill authorizes a city, a county, the Department of Transportation and any other agency involved to charge the holder of certain permits for certain costs incurred in the travel of the permitted vehicle, such as traffic escorts, movement of various utilities to allow travel and damage done to any highway of this State.

Sections 14 and 17 of this bill provide various definitions to comport with certain federal regulations.

establish standards for the operation of such vehicles which must be
consistent with their safe operation upon the public highways and with the
provisions of 23 C.F.R. § 658.23. Such standards must include:

(a) Types and number of vehicles to be permitted in combination;
(b) Horsepower of a motortruck;
(c) Operating speeds;
(d) Braking ability; and

after obtaining a special permit, issued at the discretion of, and in
accordance with procedures established by, the Department of
Transportation, carry loads not to exceed the values set forth in the
following formula: $W = 500 \left\lfloor \frac{LN}{(N-1)} + 12N + 36 \right\rfloor$, wherein:

(a) $W$ equals the maximum load in pounds carried on any group of two or
more consecutive axles computed to the nearest 500 pounds;
(b) $L$ equals the distance in feet between the extremes of any group of two
or more consecutive axles; and
(c) $N$ equals the number of axles in the group under consideration.

The distance between axles must be measured to the nearest foot. If a
fraction is exactly one-half foot, the next largest whole number must be used.
The permits may be restricted in such manner as the Department of
Transportation or the Department of Motor Vehicles considers necessary
and may, at the option of the Department that issued the permit, be
cancelled without notice. No such permits may be issued for operation on
any highway where that operation would prevent this State from receiving federal money for highway purposes.

6. Upon approving an application for a permit to operate combinations of vehicles pursuant to subsection 5, the Department of Transportation shall withhold issuance of the permit until the applicant has furnished proof of compliance with the provisions of The Department of Motor Vehicles shall issue permits for longer combination vehicles pursuant to subsection 5 and NRS 706.531.

7. The load upon any motor vehicle operated alone, or the load upon any combination of vehicles, must not extend beyond the front or the rear of the vehicle or combination of vehicles for a distance of more than 10 feet, or a total of 10 feet both to the front or the rear, and a combination of vehicles and load thereon may not exceed a total of 75 feet without having secured a permit pursuant to subsection 4 or NRS 484D.600. The provisions of this subsection do not apply to the booms or masts of shovels, cranes or water well drilling and servicing equipment carried upon a vehicle if:
   (a) The booms or masts do not extend by a distance greater than two-thirds of the wheelbase beyond the front tires of the vehicle.
   (b) The projecting structure or attachments thereto are securely held in place to prevent dropping or swaying.
   (c) No part of the structure which extends beyond the front tires is less than 7 feet from the roadway.
   (d) The driver’s vision is not impaired by the projecting or supporting structure.

8. Lights and other warning devices which are required to be mounted on a vehicle pursuant to this chapter must not be included in determining the length of a vehicle or combination of vehicles and the load thereon.

9. This section does not apply to:
   (a) Vehicles used by a public utility for the transportation of poles;
   (b) A combination of vehicles consisting of a truck-tractor drawing a semitrailer that does not exceed 53 feet in length;
   (c) A combination of vehicles consisting of a truck-tractor drawing a semitrailer and a trailer, neither of which exceeds 28 1/2 feet in length; or
   (d) A driveaway saddle mount with full mount vehicle transporter combination that does not exceed 97 feet in length.

10. As used in this section:
    (a) “Driveaway saddle mount with full mount vehicle transporter combination” means a vehicle combination designed and specifically used to tow up to three trucks or truck-tractors, each connected by a saddle to the frame or fifth wheel of the forward vehicle of the truck-tractor in front of it.
    (b) “Motortruck” has the meaning ascribed to it in NRS 482.073.

Sec. 27. NRS 484D.620 is hereby amended to read as follows:

484D.620 I. Any person operating or moving any vehicle or equipment over any highway who violates any length size limitation in this chapter is guilty of a misdemeanor.
2. Any size violation of an oversize permit issued pursuant to this chapter is subject to an administrative fine to be administered by the Department of Motor Vehicles in the amount of $100 for each foot and fraction thereof that the size exceeds permit limits. The Department shall afford to any person so fined an opportunity for a hearing pursuant to the provisions of NRS 233B.121.

3. All administrative fines collected by the Department of Motor Vehicles pursuant to this section must be deposited with the State Treasurer to the credit of the State Highway Fund.

4. The administrative remedy provided in this section is not exclusive and is in addition to any other remedy provided by law.

The Department of Transportation with respect to highways under its jurisdiction and governing bodies of cities and counties with respect to roads under their jurisdiction may, upon application in writing, authorize the applicant to operate or move any vehicle, combination of vehicles, special mobile equipment, farm tractor, implement of husbandry or load thereon of a size or weight exceeding the legal maximum, or to use corrugations on the periphery of the movable tracks on a traction engine or tractor, the propulsive power of which is not exerted through wheels resting on the roadway but by means of a flexible band or chain, or, under emergency conditions, to operate or move a type of vehicle otherwise prohibited by law, upon any highway under the jurisdiction of the Department of Transportation or governing body granting that permit.

3. Except as otherwise provided in this section and NRS 484D.690 to 484D.725, inclusive, 484D.700, the legal maximum width of any vehicle, combination of vehicles, special mobile equipment or load thereon is:

(c) Length of 70 feet.
(d) Overhang, front or rear, from the vehicle of 10 feet.

4. If a vehicle is equipped with pneumatic tires, the maximum width from the outside of one wheel and tire to the outside of the opposite outer wheel and tire must not exceed 108 inches, and the outside width of the body of the vehicle or the load thereon must not exceed 102 inches.

5. Lights, mirrors or other devices for safety which must be mounted upon a vehicle under this chapter may extend beyond the permissible width of the vehicle to a distance not exceeding 10 inches on each side of the vehicle, but the maximum width must not exceed 126 inches.

2. Highway construction or maintenance equipment.
3. Fire apparatus.
4. Snow removal equipment.

2. A vehicle carrying a load of loosely piled agricultural products, including, without limitation, hay or leguminous plants, that are in bulk but not crated, boxed, baled or sacked, the load and any racks or other structures or devices retaining the load must not exceed 120 inches in width.

3. A farm tractor or implement of husbandry operated, towed or moved as a load on another vehicle over any highway other than an interstate highway or a controlled-access highway may travel during daylight hours only, must travel as far to the right side of the highway as is practicable, and may not:
   (a) Exceed 14 feet in width;
   (b) Travel for a distance of more than 25 miles from the point of origin; and
   (c) Exceed a speed of 30 miles per hour.

Notwithstanding any other provision of law to the contrary, a permit is not required to operate, tow or move a vehicle, farm tractor or implement of husbandry in the manner allowed by this section. If a vehicle, farm tractor or implement of husbandry is not operated, towed or moved in the manner allowed by this section, a permit for the vehicle, farm tractor or implement of husbandry must be obtained pursuant to NRS 484D.725.

Sec. 30. NRS 484D.725 is hereby amended to read as follows:

484D.725 1. Upon receipt of the necessary application in writing, the Department of Transportation shall issue a permit to operate or move a vehicle, including, without limitation, a combination of vehicles, special

   (c) Exceeds 102 inches in width;
   (d) Exceeds 10 feet of front or rear overhang; or

unless the Department of Transportation determines that the operation of the vehicle would be a safety hazard or impede the flow of traffic.

2. The Department of Transportation shall issue a permit pursuant to subsection 1 for a farm tractor or implement of husbandry at no cost to any farmer or rancher who is not engaged in a commercial enterprise.

3. As used in this section, the term “commercial enterprise” means the activity of producing goods or services for profit. The term does not include operation of a family farm as that term is defined in 7 C.F.R. § 761.2, or the vehicles and equipment used in that operation.

Sec. 32. NRS 484D.735 is hereby amended to read as follows:
484D.735 1. No vehicle operated or moved upon any public highway under the authority of a continuous or multiple trip limited time permit may exceed a maximum weight of 20,000 pounds on any single axle. 2. If, after issuance of a continuous or multiple trip limited time permit, the Department of Transportation finds that the traffic authorized by such permit has caused substantial highway distress, the permit may be revoked summarily, but the revocation does not operate to prevent a subsequent filing of a new application for another continuous or multiple trip limited time permit.
3. The Department of Transportation shall consider the recommendation of a city or county regarding whether traffic authorized by the issuance of a [continuous or multiple trip limited time] permit may cause or has caused substantial distress due to a highway under the jurisdiction of that city or county, and whether the permit should be issued or revoked.

4. The Department of Transportation and any other agencies involved, including, without limitation, the Nevada Highway Patrol, may charge the permittee for the actual costs incurred by the agency for preparation for, participation in and any documented damages caused by the traffic authorized by the permit.

Amendment No. 645.

SUMMARY—Revises provisions concerning the quarterly publication of certain financial information by certain local governments. (BDR 21-400)

AN ACT relating to local financial administration; revising provisions concerning the quarterly publication of certain financial information by an incorporated city or a county; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the clerk and council of each city incorporated under general law or charter to publish in a newspaper a quarterly statement of the city’s finances that shows the receipts and disbursements and the details of each bill that the city has paid. (NRS 268.030) Section 2 of this bill requires the publication of only the total amounts of the city’s receipts, disbursements and bills paid for the quarter but expressly provides that the receipts, bills and other documents which support each transaction that is included in the published totals are public records which are available for inspection and copying. Section 2 also requires publication of the financial statement on the Internet website of the city, if the city maintains an Internet website. Section 1 of this bill eliminates a duplicative requirement for the publication of financial information that only applies to the city clerks of cities incorporated under general law.

Under existing law, a board of county commissioners is required to publish in a newspaper a quarterly financial statement of receipts, expenditures and bills allowed. (NRS 244.225, 354.210) Sections 3 and 4 of this bill require the publication of only the total amounts of the county’s receipts, expenditures and bills allowed but expressly provides that the receipts, bills and other documents which support each transaction that is included in the published totals are public records which are available for inspection and copying. Sections 3 and 4 also require publication of the financial statement on the Internet website of the county if the county maintains an Internet website.

Section 4 of this bill requires the Committee on Local Government Finance to adopt regulations regarding the appropriate format for the financial statements posted on the Internet website of cities and counties.

Amendment No. 594.

SUMMARY—Requires the establishment of a business license to engage in contracting in certain counties and cities in this State. (BDR 20-820)
and the governing bodies of certain other incorporated cities to enter into such an agreement; revising the circumstances for obtaining a county or city business license; revising certain provisions for the issuance of a license for a food establishment; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes counties, cities and towns to issue business licenses and permits to operate a business within the limits of the county, city or town and to collect taxes on those licenses. (NRS 244.335, 266.355, 268.095, 269.170) Sections 1 and 2 of this bill require the board of county commissioners in a county whose population is 700,000 or more (currently Clark County) and the governing body of each incorporated city whose population is 150,000 or more located in such a county (currently Henderson, Las Vegas and North Las Vegas) to enter into an agreement with each other for the establishment of a business license to allow a licensed contractor to engage in the business of contracting in the county and cities if the contractor: (1) has a place of business in an unincorporated area of the county; or (2) does not have a place of business in the county. Sections 1 and 2 also require such a board of county commissioners to enter into similar agreements with the governing body of each incorporated city whose population is less than 150,000 located in the county (currently Boulder City and Mesquite) who chooses to enter into such an agreement. Sections 1 and 2 further require the board of county commissioners and governing body of each such incorporated city to establish by ordinance a system for issuing the business license which sets forth the requirements for obtaining the license and the fees for the issuance and renewal of the license.

Existing law requires an applicant for a county or city business license to sign an affidavit to affirm that he or she has complied with the business licensing provisions of this State. (NRS 244.335, 268.095) Sections 1.5 and 3 of this bill provide for an alternative procedure for an applicant to prove compliance by providing his or her entity number assigned by the Secretary of State for investigation by the city council or board of county commissioners to whom he or she is applying. Existing law also requires an applicant for a city or county business license to sign an affidavit affirming that the business maintains certain insurance requirements. (NRS 244.33505, 268.0955) Sections 1.7 and 3.5 of this bill allow an applicant to attest to his or her compliance with these provisions instead of providing a physical signature if the applicant submits his or her application electronically.

Existing law prohibits a city, county or other licensing authority from issuing a license for the operation of a food establishment until the owner has obtained the required permit by the health authority. (NRS 446.877) Section 3.7 of this bill authorizes the board of county commissioners or the governing body of an incorporated city to issue a

3. Upon entering into the agreement required pursuant to subsection 1, the board of county commissioners shall establish by ordinance a system for issuing such a business license that authorizes a person who is licensed as a contractor pursuant to chapter 624 of NRS to engage in the business of contracting within the county and each city that entered into the agreement pursuant to subsection 1 and in which the person intends to conduct business.

3. A board of county commissioners shall not require that a person who is licensed as a contractor pursuant to chapter 624 of NRS obtain more than one license to engage in the business of contracting or pay more than one license tax related to engaging in the business of contracting, regardless of the number of classifications or subclassifications of licensing for which the person is licensed pursuant to chapter 624 of NRS.

The lien has the same priority as a lien for general taxes. The lien must be enforced:

(a) Except as otherwise provided in subsection 2 and NRS 268.0968 and 576.128, fix, impose and collect for revenues or for regulation, or both, a license tax on all character of lawful trades, callings, industries, occupations, professions and businesses conducted within its corporate limits.

(b) Assign the proceeds of any one or more of such license taxes to the county within which the city is situated for the purpose or purposes of making the proceeds available to the county:

(1) As a pledge as additional security for the payment of any general obligation bonds issued pursuant to NRS 244A.597 to 244A.655, inclusive;

(2) For redeeming any general obligation bonds issued pursuant to NRS 244A.597 to 244A.655, inclusive;

(6) For constructing, purchasing or otherwise acquiring such recreational facilities.

(c) Pledge the proceeds of any tax imposed on the revenues from the rental of transient lodging pursuant to this section for the payment of any general or special obligations issued by the city for a purpose authorized by the laws of this State.

(d) Use the proceeds of any tax imposed pursuant to this section on the revenues from the rental of transient lodging:

(1) To pay the principal, interest or any other indebtedness on any general or special obligations issued by the city pursuant to the laws of this State;

(2) For the expense of operating or maintaining, or both, any facilities of the city; and

(3) For any other purpose for which other money of the city may be used.

2. The city council or other governing body of an incorporated city shall not require that a person who is licensed as a contractor pursuant to chapter 624 of NRS obtain more than one license to engage in the business of
contracting or pay more than one license tax related to engaging in the business of contracting, regardless of the number of classifications or subclassifications of licensing for which the person is licensed pursuant to chapter 624 of NRS.

3. The proceeds of any tax imposed pursuant to this section that are pledged for the repayment of general obligations may be treated as “pledged revenues” for the purposes of NRS 350.020.

4. The city council or other governing body of an incorporated city shall not require a person to obtain a license or pay a license tax on the sole basis that the person is a professional. As used in this subsection, “professional” means a person who:
   (a) Holds a license, certificate, registration, permit or similar type of authorization issued by a regulatory body as defined in NRS 622.060 or who is regulated pursuant to the Nevada Supreme Court Rules; and

6. No license to engage in business as a seller of tangible personal property may be granted unless the applicant for the license:
   (a) Presents written evidence that:
      (1) The Department of Taxation has issued or will issue a permit for this activity, and this evidence clearly identifies the business by name; or
      (2) Another regulatory agency of the State has issued or will issue a license required for this activity; or
   (b) Provides to the city licensing agency the entity number of the applicant assigned by the Secretary of State which the city may use to
validate that the applicant is currently in good standing with the State and has complied with the provisions of paragraph (a).

7. Any license tax levied under the provisions of this section constitutes a lien upon the real and personal property of the business upon which the tax was levied until the tax is paid. The lien has the same priority as a lien for general taxes. The lien must be enforced:

(a) By recording in the office of the county recorder, within 6 months following the date on which the tax became delinquent or was otherwise determined to be due and owing, a notice of the tax lien containing the following:

(1) The amount of tax due and the appropriate year;
(2) The name of the record owner of the property;
(3) A description of the property sufficient for identification; and
(4) A verification by the oath of any member of the board of county commissioners or the county fair and recreation board; and

(b) By an action for foreclosure against such property in the same manner as an action for foreclosure of any other lien, commenced within 2 years after the date of recording of the notice of the tax lien, and accompanied by appropriate notice to other lienholders.

8. The city council or other governing body of each incorporated city may delegate the power and authority to enforce such liens to the county fair and recreation board. If the authority is so delegated, the governing body shall revoke or suspend the license of a business upon certification by the board that the license tax has become delinquent, and shall not reinstate the license until the tax is paid. Except as otherwise provided in NRS 239.0115 and 268.0966, all information concerning license taxes levied by an ordinance authorized by this section or other information concerning the business affairs or operation of any licensee obtained as a result of the payment of those license taxes or as the result of any audit or examination of the books of the city by any authorized employee of a county fair and recreation board for any license tax levied for the purpose of NRS 244A.597 to 244A.655, inclusive, is confidential and must not be disclosed by any member, official or employee of the county fair and recreation board or the city imposing the license tax unless the disclosure is authorized by the affirmative action of a majority of the members of the appropriate county fair and recreation board. Continuing disclosure may be so authorized under an agreement with the Department of Taxation or the Secretary of State for the exchange of information concerning taxpayers.

9. The powers conferred by this section are in addition and supplemental to, and not in substitution for, and the limitations imposed by this section do not affect the powers conferred by, any other law. No part of this section repeals or affects any other law or any part thereof, it being intended that this section provide a separate method of accomplishing its objectives, and not an exclusive one.

Sec. 3.5. NRS 268.0955 is hereby amended to read as follows:
1. In an incorporated city in which a license to engage in a business is required, the city council or other governing body of the city shall not issue such a license unless the applicant for the license signs:

The following amendment was proposed by the Committee on Legislative Operations and Elections:
Amendment No. 804.
SUMMARY—Provides for redistricting of election districts in Carson City and the Cities of Henderson, Reno, and Sparks, contingent upon voter approval. Revises provisions governing elections and officers in certain cities. (BDR S-731)
AN ACT relating to Redistricting; creating, contingent upon voter approval, a sixth ward for the City of Reno; requiring, contingent upon voter approval, that the candidates for Supervisor in Carson City and for Council Member in the City of Henderson, the City of Reno and the City of Sparks be voted upon in a primary or general election only by the registered voters of the ward that a candidate seeks to represent; revising the requirements for serving as the City Attorney for the City of Sparks; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
The existing Charter of the City of Reno divides the City into five wards, each of which is represented on the City Council by a Council Member. A sixth Council Member represents the City at large. (Reno City Charter §§ 1.050, 2.010) Section 7 of this bill increases the number of wards in Reno to six, and sections 8-10 of this bill replace the office of Council Member at large with the office of Council Member to represent the newly created sixth ward.
The existing Charters of the Cities of Reno and Sparks provide that the candidates for Council Member to represent a particular ward must be voted on in a primary election only by the registered voters of that ward but in a general election, must be elected by the registered voters of the City at large. (Reno City Charter §§ 5.010, 5.020; Sparks City Charter §§ 5.010, 5.020)
Sections 9 and 10 of this bill amend the Charter of the City of Reno, and sections 11 and 12 of this bill amend the Charter of the City of Sparks, to provide that all candidates for Council Member must be elected in a general election by only the registered voters of the ward that a candidate seeks to represent. The existing Charters of Carson City and the City of Henderson provide that the candidates for Supervisor and Council Member, respectively, must be elected by the registered voters of the City at large in both a primary and a general election. (Carson City Charter §§ 2.010, 5.010, 5.020; Henderson City Charter §§ 2.010, 5.010, 5.020) Sections 1-3 of this bill amend the Charter of Carson City, and sections 4-6 of this bill amend the Charter of the City of Henderson, to provide that all candidates for Supervisor and Council Member, respectively, must be elected in a primary or general election only by the registered voters of the ward that a candidate seeks to represent.

Sections 15-18 of this bill require Carson City and the Cities of Henderson, Reno and Sparks to place on the ballot for the 2012 general election the question of whether to amend their respective charters to provide that all candidates for Supervisor or Council Member, as appropriate, must be elected in a primary or general election only by the registered voters of the ward that a candidate seeks to represent.

The existing Charter of the City of Sparks provides that all elective officers, including the City Attorney, must be: (1) residents of the City for at least 30 days before the end of the period for filing for office and for the duration of their term of office; and (2) registered voters within the City. (Sparks City Charter § 1.060) Section 10.5 of this bill revises these requirements for the City Attorney, requiring instead that the City Attorney be a resident of and registered to vote in Washoe County, rather than the City of Sparks.

Section 19 of this bill provides that the sections of this bill relating to Carson City and the Cities of Henderson and Sparks become effective only if the voters of that City approve the ballot question required by this bill. Section 19 also provides that the sections of this bill relating to the City of Reno and the City Attorney for the City of Sparks become effective on July 1, 2011. Finally, section 19 provides that the sections of this bill relating to the City of Reno expire on June 30, 2015, if the voters of that City do not approve the ballot question required by this bill.

Senate Bill No. 321.
Bill read second time.
The following amendment was proposed by the Committee on
Transportation:
Amendment No. 799.
AN ACT relating to taxicabs; requiring the Taxicab Authority to establish
a system for the use of radio frequency identification or other electronic
means in the enforcement of its allocations of taxicabs; providing for the use
of a physical security seal or an electronic security seal for a taximeter; requiring the establishment of standards for a daily trip sheet in electronic form; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, the Taxicab Authority regulates taxicabs in a county whose population is 400,000 or more (currently Clark County) and in any county that, by ordinance, has placed itself under the jurisdiction of the Taxicab Authority. (NRS 706.881) The Taxicab Authority is responsible, among other things, for determining whether conditions in a county require the establishment of a system of allocations of the number of taxicabs allowed to operate in the county. If so, the Taxicab Authority is responsible for allocating the taxicabs among the existing operators of taxicab businesses in the county. The Taxicab Authority also performs allocations if it subsequently determines that circumstances require a permanent increase in the number of taxicabs allocated. (NRS 706.8824) Similarly, the Taxicab Authority determines whether circumstances require a temporary increase in the allocations and, if so, the additional number of taxicabs to be allocated, the limits on their operations and the duration of the temporary increase. (NRS 706.88245)

The Administrator of the Taxicab Authority issues each allocated taxicab a medallion which must be affixed on the left rear fender of the taxicab. (NAC 706.450, 706.489) Section 1 of this bill requires the Taxicab Authority to establish by regulation a system for the use of radio frequency identification or other electronic means to verify and confirm compliance with any terms and conditions placed on the allocations of taxicabs made by the validity of the medallion on any taxicab located within the jurisdiction of the Taxicab Authority.

Existing law requires an operator of a taxicab business subject to the jurisdiction of the Taxicab Authority to equip each taxicab with a two-way mobile radio and to maintain central facilities for dispatching the taxicabs. The operator may maintain the facilities individually or in cooperation with other operators, but the facilities must be principally engaged in communication by radio with the taxicabs. (NRS 706.8832) Section 1.5 of this bill deletes the requirement that the mobile radio be a two-way radio and provides a definition of “communication by radio.”

Under existing law, each taxicab must be equipped with a taximeter that clearly displays the fare, the miles traveled and certain other information. After installation, the taximeter is sealed by the Administrator of the Taxicab Authority. (NRS 706.8836) Section 2 of this bill provides that the Administrator will determine the kind of seal to be used, and also specifies that the seal may include a physical security seal on each access point of the taximeter or an electronic security seal that is encrypted and protected by a password, an audited authentication and authorization mechanism. Section 2 further authorizes the Administrator to require use of the electronic security seal if the Administrator makes certain findings.
relating to the availability and cost of the sealing method and provides at least 12 months’ notice to the operators of taxicabs.

Existing law requires that an operator of a taxicab business subject to the jurisdiction of the Taxicab Authority require its drivers to fill out daily trip sheets that include information such as the time, place of origin and destination of each trip. The operator of the taxicab business is required to maintain the daily trip sheets for at least 3 years and make them available to the Administrator for inspection. (NRS 706.8844) Section 3 of this bill requires the Administrator to establish requirements for the use of an electronic version of a daily trip sheet. If an operator of a taxicab business requires its drivers to keep the daily trip sheet in electronic form, section 3 requires the operator to maintain the resulting information in a secure database and provide the Administrator with access to the information in the database.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 706 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The Taxicab Authority shall establish by regulation a system for the use of radio frequency identification or other electronic means to verify and confirm compliance with any terms and conditions placed on the allocations of taxicabs made by the Taxicab Authority pursuant to NRS 706.8824 and 706.88245; the validity of a medallion affixed to any taxicab within the jurisdiction of the Taxicab Authority.

2. As used in this section, “medallion” means the metal plate issued by the Taxicab Authority to be affixed to each taxicab allocated by the Taxicab Authority.

Sec. 1.5. NRS 706.8832 is hereby amended to read as follows:

1. A certificate holder shall have each taxicab equipped with a mobile radio and shall maintain central facilities for dispatching taxicabs at all times. The facilities:

(a) May be maintained individually or in cooperation with other certificate holders,

(b) Must be principally engaged in communication by radio with the taxicabs of the certificate holder or holders.

2. As used in this section, “communication by radio” means the transmission of writing, signs, signals, pictures, and sounds of all kinds by radio or other wireless methods, including all facilities and services incidental to such transmission, which facilities and services include, without limitation, the receipt, forwarding and delivering of communications.

Sec. 2. NRS 706.8836 is hereby amended to read as follows:

4. The Administrator shall determine the manner in which to seal or except as otherwise provided in subsection 5, a taximeter may be sealed by:

   (a) Affixing a tamper-evident physical security seal to each access point of the taximeter; or
   (b) Using an electronic security seal that is encrypted and protected by an audited authentication and authorization mechanism for each user that is accessible only by the Administrator.

5. The Administrator may require that each taximeter be sealed by an electronic security seal that is encrypted and protected by an audited authentication and authorization mechanism for each user that is accessible only by the Administrator if the Administrator:

   (a) Makes a finding that the technology for the sealing method is commercially available and will reduce the costs to the Taxicab Authority for inspecting taximeters; and
   (b) Provides notice to each certificate holder at least 12 months before requiring the use of the sealing method.

6. The Administrator may reinspect the taximeter at any reasonable time.

7. For the purposes of this section, sealing means prohibiting access to the elements of the taximeter used to calculate the items specified in subsection 2 by anyone other than the Administrator.

Sec. 3. NRS 706.8844 is hereby amended to read as follows:

706.8844  1. A certificate holder shall require the certificate holder's drivers to keep a daily trip sheet in a form to be prescribed by the Taxicab Authority, including, without limitation, in electronic form.

2. At the beginning of each period of duty the driver shall record on the driver's trip sheet:
   (a) The driver's name and the number of the taxicab;

passengers; and
(c) The odometer reading of the taxicab.
5. A certificate holder shall furnish a trip sheet form for each taxicab
operated by a driver during the driver’s period of duty and shall require the
drivers to return their completed trip sheets at the end of each period of duty.
6. A certificate holder shall retain all trip sheets of all drivers in a safe
place for a period of 3 years immediately succeeding December 31 of the
year to which they respectively pertain and shall make such manifests
available for inspection by the Administrator upon reasonable demand.
7. Any driver who maintains a trip sheet in a form less complete than that
required by subsection 1 is guilty of a misdemeanor.
8. The Administrator shall prescribe the requirements for the use of an
electronic version of a daily trip sheet. If a certificate holder requires its
drivers to keep a daily trip sheet in electronic form, the certificate holder
shall maintain the information collected from the daily trip sheet in a
secure database and provide the Administrator with access to the
information in the database at regular intervals established by the
Administrator and upon reasonable demand.

grantee of a driver’s permit to a maximum amount of $500 or suspend or
revoke the certificate or driver’s permit granted by the Taxicab Authority or
Administrator, respectively, for:

If a penalty is imposed on the grantee of a certificate pursuant to this section, the Taxicab Authority or Administrator may require the grantee to pay the costs of the proceeding, including investigative costs and attorney’s fees.

3. When a driver or certificate holder fails to appear at the time and place stated in the notice for the hearing, the Administrator shall enter a finding of default. Upon a finding of default, the Administrator may suspend or revoke the license, permit or certificate of the person who failed to appear and impose the penalties provided in this chapter. For good cause shown, the Administrator may set aside a finding of default and proceed with the hearing.

4. Any person who operates or permits a taxicab to be operated in passenger service without a certificate of public convenience and necessity issued pursuant to NRS 706.8827, is guilty of a gross misdemeanor. If a law enforcement officer witnesses a violation of this subsection, the law enforcement officer may cause the vehicle to be towed immediately from the scene.

5. The conviction of a person pursuant to subsection 1 does not bar the Taxicab Authority or Administrator from suspending or revoking any certificate, permit or license of the person convicted. The imposition of a fine or suspension or revocation of any certificate, permit or license by the Taxicab Authority or Administrator does not operate as a defense in any proceeding brought under subsection 1.

Sec. 5. This act becomes effective upon passage and approval for the purposes of adopting regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act and on July 1, 2011, for all other purposes.

Amendment No. 730.

AN ACT relating to marriage; revising provisions concerning the issuance of marriage licenses; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law provides that before two people may be joined in marriage, they must obtain a marriage license from the county clerk of any county in the State. (NRS 122.040) Section 8.5 of this bill requires the board of county commissioners in each county whose population is 100,000 or more but less than 700,000 (currently all counties other than Clark County and Washoe County) and in which a commercial wedding chapel has been in business for 5 years or more to: (1) ensure that an office where marriage licenses may be issued is open to the public for the purpose of issuing such licenses from 8 a.m. to 12 a.m. every day, including holidays; or (2) provide for the establishment of a program whereby a commercial wedding chapel that has been in business in the county for 5 years or more is authorized to issue marriage licenses during the hours when an office where marriage licenses may be issued is not open to the public. Additionally, section 8.5 authorizes the board of county commissioners in each county whose population is less than 100,000 (currently all counties other than Clark County and Washoe County) and in which a commercial wedding chapel has been in business for 5 years or more to provide for the establishment of a program whereby such a commercial wedding chapel may issue marriage licenses during the hours when an office where marriage licenses may be issued is not open to the public. Any such program that is established must authorize a commercial wedding chapel that has been in business in the county for 5 years or more to begin issuing marriage licenses upon filing a completed registration form with the county clerk, along with a performance bond in the amount of $50,000.

Section 8.5 also requires a commercial wedding chapel to refer any application for a marriage license that includes the signature of a guardian for a minor applicant to the county clerk for review and issuance of the marriage license, and provides that the persons to whom a commercial wedding chapel issues a marriage license may only be joined in marriage in the county in which the marriage license is issued. Section 8.5 further provides that a commercial wedding chapel that violates any provision relating to the issuance of marriage licenses is guilty of a misdemeanor.

Section 12 of this act provides that the sections of this bill that provide for the establishment of county programs for the issuance of marriage licenses by certain commercial wedding chapels expire by limitation in 2 years.

The following amendment was proposed by Assemblyman Horne:

Amendment No. 765.

SUMMARY—Revises provisions concerning the issuance of marriage licenses. (BDR 11-227)

AN ACT relating to marriage; revising provisions concerning the issuance of marriage licenses; providing for the establishment of county programs for the issuance of marriage licenses by certain commercial wedding chapels; removing the prospective expiration of provisions allowing a county office to deviate from the required hours of operation under certain circumstances; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law provides that before two people may be joined in marriage, they must obtain a marriage license from the county clerk of any county in the State. (NRS 122.040) Section 8.5 of this bill requires the board of county commissioners in each county whose population is less than 700,000 (currently all counties other than Clark County) and in which a commercial wedding chapel has been in business for 5 years or more to: (1) ensure that an office where marriage licenses may be issued is open to the public for the purpose of issuing such licenses from 8 a.m. to 12 a.m. every day, including holidays; or (2) provide for the establishment of a program whereby a commercial wedding chapel that has been in business in the county for 5 years or more is authorized to issue marriage licenses during the hours when an office where marriage licenses may be issued is not open to the public. Any such program that is established must authorize a commercial wedding chapel that has been in business in the county for 5 years or more to begin issuing marriage licenses upon filing a completed registration form with the county clerk, along with a performance bond in the amount of $50,000.

Section 8.5 also requires a commercial wedding chapel to refer any application for a marriage license that includes the signature of a guardian for a minor applicant to the county clerk for review and issuance of the marriage license, and provides that the persons to whom a commercial wedding chapel issues a marriage license may only be joined in marriage in the county in
which the marriage license is issued. Section 8.5 further provides that a commercial wedding chapel that violates any provision relating to the issuance of marriage licenses is guilty of a misdemeanor.

Existing law also establishes the required hours of operation for county offices, including offices where marriage licenses may be issued. (NRS 122.061, 245.040, 252.050) However, for the period between March 11, 2010, and June 30, 2011, county offices are authorized under existing law to deviate from those required hours of operation if the board of county commissioners approves the plan for the deviation submitted by the office. (Chapter 9, Statutes of Nevada 2010, 26th Special Session, p. 50) Section 9.7 of this bill makes the temporary authority to deviate from the required hours of operation permanent.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 122 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 8.5, inclusive, of this act.

2. Except as otherwise provided in subsection 3, a program established pursuant to paragraph (b) of subsection 1 must authorize each commercial wedding chapel that has been in business in the county for 5 years or more to begin issuing marriage licenses upon filing with the county clerk a completed registration form prescribed by the board of county commissioners, along with a performance bond in the amount of $50,000. Such a commercial wedding chapel shall comply with the provisions of chapter 603A of NRS in the same manner as all other data collectors to ensure the security of all personal information submitted by applicants for a marriage license.

7. The persons to whom a commercial wedding chapel issues a marriage license may not be joined in marriage in any county other than the county in which the marriage license is issued.

8. A commercial wedding chapel that violates any provision of this section is guilty of a misdemeanor.

Money for street and highway construction outside the area embraced by the plan may be distributed directly from the regional street and highway fund as provided in NRS 373.150.

2. The board or, in a county whose population is 100,000 or more, a commission, may, after the enactment of any ordinance authorized by the provisions of NRS 373.030, paragraph (d) of subsection 1 of NRS 373.065 or paragraphs (d) to (m), inclusive, of subsection 1 of NRS 373.066, issue revenue bonds and other revenue securities, on the behalf and in the name of the county or the commission, as the case may be:

Receipts of the taxes levied in NRS 365.180 and 365.190 and pursuant to the provisions of paragraphs (a) and (b) of subsection 1 of NRS 373.065 and paragraphs (a) and (b) of subsection 1 of NRS 373.066 may be used by the county for the payment of securities issued pursuant to the provisions of this chapter and may be pledged therefor. Such taxes may also be used by a commission in a county whose population is 100,000 or more for the payment of bonds or other securities issued pursuant to the provisions of this chapter and may be pledged therefor if the board of the county consents to such use. If during any period any securities payable from these tax proceeds are outstanding, the tax receipts must not be used directly for the construction, maintenance and repair of any streets, roads or other highways nor for any purchase of equipment therefor, and the receipts
of the tax levied in NRS 365.190 must not be apportioned pursuant to subsection 2 of NRS 365.560 unless, at any time the tax receipts are so apportioned, provision has been made in a timely manner for the payment of such outstanding securities as to the principal of, any prior redemption premiums due in connection with, and the interest on the securities as they become due, as provided in the securities, the ordinance, in the case of securities issued by a county, or the resolution, in the case of securities issued by a commission, authorizing their issuance and any other instrument appertaining to the securities.

7. The ordinance, in the case of securities issued by a county, or the resolution, in the case of securities issued by a commission, authorizing the issuance of any bond or other revenue security under this section must describe the purpose for which it is issued at least in general terms and may describe the purpose in detail. This section does not require the purpose so stated to be set forth in the detail in which the project approved by the commission pursuant to subsection 2 of NRS 373.140 is stated, or prevent the modification by the board or commission, as the case may be, of details as to the purpose stated in the ordinance authorizing the issuance of any bond or other security after its issuance, subject to approval by the commission of the project as so modified, if such bond or other security is issued by the county and not the commission.

8. Notwithstanding any other provision of this chapter, no commission has authority to issue bonds or other securities pursuant to this chapter unless the commission has executed an interlocal agreement with the county relating to the issuance of bonds or other securities by the commission. Any such interlocal agreement must include an acknowledgment of the authority of the commission to issue bonds and other securities and contain provisions relating to the pledge of revenues for the repayment of the bonds or other securities, the lien priority of the pledge of revenues securing the bonds or other securities, and related matters.

Sec. 3. NRS 373.160 is hereby amended to read as follows:

373.160 1. The ordinance or ordinances, or the resolution or resolutions, providing for the issuance of any bonds or other securities issued under this chapter payable from the receipts from the fuel excise taxes designated in this chapter may at the discretion of the board, or, in the case of bonds or other securities issued by a commission, the commission, in addition to covenants and other provisions authorized in the Local Government Securities Law, contain covenants or other provisions as to the pledge of and the creation of a lien upon the receipts of the taxes collected for the county pursuant to the provisions of NRS 373.030, paragraph (d) of subsection 1 of NRS 373.065 and paragraphs (d) to (m), inclusive, of subsection 1 of NRS 373.066, excluding any tax proceeds to be distributed directly under the provisions of NRS 373.150, or the proceeds of the bonds or other securities pending their application to defray the cost of the project,
or both such tax proceeds and security proceeds, to secure the payment of revenue bonds or other securities issued under this chapter.

2. If the board or, in the case of bonds or other securities issued by a commission, the commission, determines in any ordinance or resolution authorizing the issuance of any bonds or other securities under this chapter that the proceeds of the taxes levied and collected pursuant to the provisions of NRS 373.030, paragraph (d) of subsection 1 of NRS 373.065 and paragraphs (d) to (m), inclusive, of subsection 1 of NRS 373.066 are sufficient to pay all bonds and securities, including the proposed issue, from the proceeds thereof, the board or, in the case of bonds or other securities issued by a commission, the commission with the consent of the board as provided in subsection 6 of NRS 373.131, may additionally secure the payment of any bonds or other securities issued pursuant to the ordinance or resolution under this chapter by a pledge of and the creation of a lien upon not only the proceeds of any fuel tax authorized at the time of the issuance of such securities to be used for such payment in subsection 6 of NRS 373.131, but also the proceeds of any such tax thereafter authorized to be used or pledged, or used and pledged, for the payment of such securities, whether such tax be levied or collected by the county, the State of Nevada, or otherwise, or be levied in at least an equivalent value in lieu of any such tax existing at the time of the issuance of such securities or be levied in supplementation thereof.

3. The pledges and liens authorized by subsections 1 and 2 extend to the proceeds of any tax collected for use by the county on any fuel so long as any bonds or other securities issued under this chapter remain outstanding and are not limited to any type or types of fuel in use when the bonds or other securities are issued.

Sec. 4. NRS 373.190 is hereby amended to read as follows:

373.190 The board, or a commission authorized to issue bonds or other securities pursuant to subsection 2 of NRS 373.131, is authorized to sell such bonds or other securities from time to time at public or private sale as the board or the commission, as the case may be, may determine.

Sec. 5. NRS 377A.090 is hereby amended to read as follows:

377A.090 1. Money for the payment of the cost of establishing and maintaining a public transit system, for the construction, maintenance and repair of public roads, for the improvement of air quality or for any combination of those purposes may be obtained by the issuance of bonds and other securities as provided in subsection 2 or 3 or, subject to any pledges, liens and other contractual limitations made pursuant to this chapter, may be obtained by direct distribution from the public transit fund, or may be obtained both by the issuance of such securities and by such direct distribution as the board or, in the case of securities issued by a regional transportation commission, the regional transportation commission, may determine.
2. The board may, after the enactment of an ordinance authorized by paragraph (a) of subsection 1 of NRS 377A.020, from time to time issue bonds and other securities, which are general or special obligations of the county and which may be secured as to principal and interest by a pledge authorized by this chapter of the receipts from the tax imposed by that ordinance.

3. A regional transportation commission authorized to issue bonds or other securities pursuant to subsection 2 of NRS 373.131 may, after the enactment by a board of county commissioners of an ordinance authorized by paragraph (a) of subsection 1 of NRS 377A.020, from time to time issue bonds and other securities, which are special obligations of the regional transportation commission and which may be secured as to principal and interest by a pledge authorized by this chapter of the receipts from the tax imposed by that ordinance.

4. Notwithstanding any other provision of this chapter, no regional transportation commission may issue bonds or other securities pursuant to this chapter unless the regional transportation commission has executed an interlocal agreement with the county relating to the issuance of bonds or other securities by the regional transportation commission. Any such interlocal agreement must include an acknowledgment of the authority of the regional transportation commission to issue bonds or other securities and contain provisions relating to the pledge of revenues for the repayment of the bonds or other securities, the lien priority of the pledge of revenues securing the bonds or other securities, and related matters.

5. The ordinance or resolution authorizing the issuance of any bond or other security must describe the purpose for which it is issued.

Sec. 6. NRS 377A.100 is hereby amended to read as follows:

377A.100 1. Each ordinance or resolution providing for the issuance of any bond or security issued under this chapter payable from the receipts of the tax imposed pursuant to paragraph (b) of subsection 1 of NRS 377A.030 may, in addition to covenants and other provisions authorized in the Local Government Securities Law, contain a covenant or other provision to pledge and create a lien upon the receipts of the tax or upon the proceeds of any bond or security pending their application to defray the cost of establishing or operating a public transit system, constructing, maintaining or repairing public roads or improving air quality, or both tax proceeds and security proceeds, to secure the payment of any bond or security issued under this chapter.

2. Each ordinance providing for the issuance of any bond or security issued under this chapter payable from the receipts of the tax imposed pursuant to paragraph (d) of subsection 1 of NRS 377A.030 may, in addition to covenants and other provisions authorized in the Local Government Securities Law, contain a covenant or other provision to pledge and create a lien upon:

(a) The receipts of the tax;
The proceeds of any bond or security pending their application to defray the cost of acquiring, developing, constructing, equipping, operating, maintaining, improving and managing libraries, parks, recreational programs and facilities, and facilities and services for senior citizens, and for preserving and protecting agriculture, or for any combination of those purposes; or

(c) Both tax proceeds and security proceeds,

to secure the payment of any bond or security issued under this chapter.

The provisions of this subsection do not authorize the board of county commissioners of a county to obtain money to acquire, develop, construct, equip, operate, maintain, improve and manage recreational programs by the issuance of bonds.

3. Any money pledged to the payment of bonds or other securities pursuant to subsection 1 or 2 may be treated as pledged revenues of the project for the purposes of subsection 3 of NRS 350.020.

Sec. 7. NRS 377A.110 is hereby amended to read as follows:

377A.110 1. Subject to the provisions of subsection 2, the board may gradually reduce the amount of any tax imposed pursuant to this chapter for a public transit system, for the construction, maintenance and repair of public roads, for the improvement of air quality or for any combination of those purposes as revenue from the operation of those projects permits. The date on which any reduction in the tax becomes effective must be the first day of the first calendar quarter that begins at least 120 days after the effective date of the ordinance reducing the amount of tax imposed.

2. No such taxing ordinance may be repealed or amended or otherwise directly or indirectly modified in such a manner as to impair any outstanding bonds issued under this chapter, or other obligations incurred under this chapter, until all obligations, for which revenues from the ordinance have been pledged or otherwise made payable from such revenues pursuant to this chapter, have been discharged in full, but the board may at any time dissolve the regional transportation commission as provided in NRS 373.120 and provide that no further obligations be incurred thereafter.

Sec. 8. NRS 377B.100 is hereby amended to read as follows:

377B.100 1. The board of county commissioners of any county may by ordinance, but not as in a case of emergency, impose a tax for infrastructure pursuant to this section and NRS 377B.110.

2. An ordinance enacted pursuant to this chapter may not become effective before a question concerning the imposition of the tax is approved by a two-thirds majority of the members of the board of county commissioners. Any proposal to increase the rate of the tax or change the previously approved uses for the proceeds of the tax must be approved by a two-thirds majority of the members of the board of county commissioners. The board of county commissioners shall not change a previously approved use for the proceeds of the tax to a use that is not authorized for that county pursuant to NRS 377B.160.
3. An ordinance enacted pursuant to this section must:
   (a) Specify the date on which the tax must first be imposed or on which an increase in the rate of the tax becomes effective, which must occur on the first day of the first month of the next calendar quarter that is at least 120 days after the date on which a two-thirds majority of the board of county commissioners approved the question.
   (b) In a county whose population is 400,000 or more, provide for the cessation of the tax not later than:
       (1) The last day of the month in which the Department determines that the total sum collected since the tax was first imposed, exclusive of any penalties and interest, exceeds $2.3 billion; or
       (2) June 30, 2025,
       whichever occurs earlier.

4. Notwithstanding the provisions of an ordinance described in subsection 3, in a county whose population is 400,000 or more, the tax may continue to be imposed after the date set forth in the ordinance for the cessation of the tax if the board of county commissioners determines by an affirmative vote of at least two-thirds of its members that the cessation of the tax is not advisable.

5. The board of county commissioners in a county whose population is 400,000 or more and in which a water authority exists shall review the necessity for the continued imposition of the tax authorized pursuant to this chapter at least once every 10 years.

6. Before enacting an ordinance pursuant to this chapter, the board of county commissioners shall hold a public hearing regarding the imposition of a tax for infrastructure. In a county whose population is 400,000 or more and in which a water authority exists, the water authority shall also hold a public hearing regarding the tax for infrastructure. Notice of the time and place of each hearing must be:
   (a) Published in a newspaper of general circulation in the county at least once a week for the 2 consecutive weeks immediately preceding the date of the hearing. Such notice must be a display advertisement of not less than 3 inches by 5 inches.
   (b) Posted at the building in which the meeting is to be held and at not less than three other separate, prominent places within the county at least 2 weeks before the date of the hearing.

7. Before enacting an ordinance pursuant to this chapter, the board of county commissioners of a county whose population is less than 400,000 or a county whose population is 400,000 or more and in which no water authority exists, shall develop a plan for the expenditure of the proceeds of a tax imposed pursuant to this chapter for the purposes set forth in NRS 377B.160. The plan may include a regional project for which two or more such counties have entered into an interlocal agreement to expend jointly all or a portion of the proceeds of a tax imposed in each county pursuant to this chapter. Such a plan must include, without limitation, the date on which the
plan expires, a description of each proposed project, the method of financing each project and the costs related to each project. Before adopting a plan pursuant to this subsection, the board of county commissioners of a county in which a regional planning commission has been established pursuant to NRS 278.0262 shall transmit to the regional planning commission a list of the proposed projects for which a tax for infrastructure may be imposed. The regional planning commission shall hold a public hearing at which it shall rank each project in relative priority. The regional planning commission shall transmit its rankings to the board of county commissioners. The recommendations of the regional planning commission regarding the priority of the proposed projects are not binding on the board of county commissioners. The board of county commissioners shall hold at least one public hearing on the plan. Notice of the time and place of the hearing must be provided in the manner set forth in subsection 6. The plan must be approved by the board of county commissioners at a public hearing. Subject to the provisions of subsection 7 of NRS 377B.100, on or before the date on which a plan expires, the board of county commissioners shall determine whether a necessity exists for the continued imposition of the tax. If the board determines that such a necessity does not exist, the board shall repeal the ordinance that enacted the tax. If the board of county commissioners determines that the tax must be continued for a purpose set forth in NRS 377B.160, the board shall adopt, in the manner prescribed in this subsection, a new plan for the expenditure of the proceeds of the tax for such a purpose.

The infrastructure fund must be accounted for as a separate fund and not as a part of any other fund. The money for each project included in the plan adopted pursuant to subsection 7 of NRS 377B.100 must be accounted for separately in the fund.

2. In a county whose population is 400,000 or more and in which a water authority exists, the water authority shall deposit the money received from the State Controller pursuant to NRS 377B.130 in a separate account of the water authority to be known as the infrastructure fund. This fund must be accounted for as a separate fund and not as part of any other fund of the water authority.

Sec. 8.7. NRS 377B.160 is hereby amended to read as follows:

Assembly Bill No. 171.
Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 787.

AN ACT relating to education; revising provisions governing the membership of a committee to form a charter school and the governing body of a charter school; revising provisions for the process of review of an application to form a charter school; authorizing the governing body of a charter school to set a salary for the attendance of its members at meetings of the governing body; revising the requirements for a charter school to be eligible for an exemption from annual performance audits and to receive certain money for facilities; revising provisions governing the employment of licensed employees by a charter school; revising various other provisions governing charter schools; repealing the Subcommittee on Charter Schools; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 1 of this bill revises the membership of a committee to form a charter school and revises the process for review of an application to form a charter school by the Department of Education.

Section 2 of this bill revises the procedure for the review of an application to form a charter school if the proposed sponsor is the State Board of Education.

Section 3 of this bill provides that if the sponsor of a charter school denies a request for an amendment of a written charter of the charter school, the sponsor must provide written notice to the governing body which sets forth the reasons for the denial.

Section 3.5 of this bill provides that the sponsor of a charter school may revoke the written charter before the expiration of the charter if the sponsor determines that the charter school failed to comply with the material terms and conditions of the written charter.
Section 5 of this bill authorizes the Department to request certain information from a charter school, regardless of whether that information is required by specific statute, and provides that if the Department requests such information, the Department shall include in the request a mechanism by which the Department will pay or reimburse the charter school for the requested information, if the provision of the information will incur any costs for the charter school.

Section 6 of this bill revises the membership of the governing body of a charter school and authorizes the governing body, upon a majority vote of members, to set a salary for the attendance of its members at meetings of the governing body, not to exceed $80 per meeting per month.

Existing law prescribes the requirement for a charter school to be exempt from an annual performance audit and undergo a performance audit every 3 years and to be eligible for available money from legislative appropriations or otherwise for facilities. A charter school is eligible if at least 75 percent of the pupils enrolled in the charter school who are required to take the high school proficiency examination have passed that examination. (NRS 386.5515) Section 7 of this bill revises this eligibility requirement to require that at least 75 percent of the pupils enrolled in the charter school in grade 12 in the immediately preceding school year who have satisfied the course work requirements for graduation have passed the high school proficiency examination.

Existing law provides that the pupils enrolled in charter schools must be included in the count of pupils for purposes of the apportionments and allowances from the State Distributive School Account and provides for the reimbursement of administrative costs to the sponsor of a charter school. (NRS 386.570) Section 9 of this bill requires the State Board to prescribe a process which ensures that all charter schools, regardless of the sponsor, have information of all sources of funding for the public schools provided through the Department. [Section 9 also changes the percentage of administrative costs that the State Board or a college or university may receive for sponsorship after the first year of operation of a charter school from 1.5 percent to 1 percent.]

Existing law requires a school district to grant a leave of absence to an employee of the school district, not to exceed 3 years, to accept employment with a charter school sponsored by the school district. The school district is required to grant such an employee’s request to return to his or her former teaching position or a comparable teaching position within the school district after the approved leave of absence is complete. (NRS 386.595) Section 9.7 of this bill removes the provision which specifies that the school district which is the sponsor of the charter school shall grant a leave of absence, so that a school district, regardless of sponsor, shall grant such a leave of absence for its licensed employees. Section 9.7 also removes the provision which provides that the employee may return to his or her former teaching position and instead authorizes the employee to return to a comparable
teaching position. Section 9.7 further requires that upon the request of a
governing body of a charter school, the board of trustees of a school district,
with the permission of the licensed employee who is seeking employment
with the charter school, transmit to the governing body a copy of the
employment record of the employee that is maintained by the school district.
Section 9.7 also requires that upon request of the board of trustees of a
school district, the governing body of a charter school, with the permission of
the licensed employee who is granted a leave of absence from the school
district, transmit to the school district a copy of the employment record of the
employee maintained by the charter school. Finally, section 9.7 authorizes
the school district to conduct an investigation of any misconduct of the
licensed employee who was granted a leave of absence for employment with
a charter school and who requests to return to employment with the school
district.

Under existing law, a parent may homeschool a child if the parent submits
to the superintendent of schools of the school district in which the child
resides a notice of intent to homeschool the child. (NRS 392.700) Section 10
of this bill requires a charter school, to the extent practicable, to notify the
school district in which the child resides if the child who is or was
homeschooled enrolls in the charter school and provides that the child may
be counted for the purposes of the calculation of basic support whether or not
the charter school provides the notice.

Section 11 of this bill repeals the Subcommittee on Charter Schools.

Sec. 2. NRS 386.525 is hereby amended to read as follows:
386.525 1. Upon determination by the Department that an application is substantially complete and compliant, a committee to form a charter school may submit the application to the board of trustees of the school district in which the proposed charter school will be located, a college or university within the Nevada System of Higher Education or [directly to the Subcommittee on Charter Schools.] the State Board. If the board of trustees of a school district, a college or a university, as applicable, receives an application to form a charter school, the board of trustees or the institution, as applicable, shall consider the application at a meeting that must be held not later than 45 days after the receipt of the application, or a period mutually agreed upon by the committee to form the charter school and the board of trustees of the school district or the institution, as applicable, and ensure that notice of the meeting has been provided pursuant to chapter 241 of NRS. The board of trustees, the college, the university or the [Subcommittee on Charter Schools.] State Board, as applicable, shall review an application to determine whether the application:
   (a) Complies with NRS 386.500 to 386.610, inclusive, and the regulations applicable to charter schools; and
   (b) Is complete in accordance with the regulations of the Department.
2. The Department shall assist the board of trustees of a school district, the college or the university, as applicable, in the review of an application. The board of trustees, the college or the university, as applicable, may approve an application if it satisfies the requirements of paragraphs (a) and (b) of subsection 1. The board of trustees, the college or the university, as applicable, shall provide written notice to the applicant of its approval or denial of the application.
3. If the board of trustees, the college or the university, as applicable, denies an application, it shall include in the written notice the reasons for the denial and the deficiencies in the application. The applicant must be granted 30 days after receipt of the written notice to correct any deficiencies identified in the written notice and resubmit the application.
4. If the board of trustees, the college or the university, as applicable, denies an application after it has been resubmitted pursuant to subsection 3, the applicant may submit a written request to the State Board for sponsorship by the State Board created pursuant to NRS 386.507 not more than 30 days after receipt of the written notice of denial. Any request that is submitted pursuant to this subsection must be accompanied by the application to form the charter school.

5. If the State Board receives an application pursuant to subsection 1 or 4, it shall hold a meeting to consider the application. The meeting must be held not later than 45 days after receipt of the application. Notice of the meeting must be posted in accordance with chapter 241 of NRS. The State Board shall review the application in accordance with the factors set forth in paragraphs (a) and (b) of subsection 1. The State Board may approve an application if it satisfies the requirements of paragraphs (a) and (b) of subsection 1.

6. The State Board shall transmit the application and the recommendation of the Subcommittee to the State Board. Not more than 14 days after the date of the meeting of the Subcommittee pursuant to subsection 5, the State Board shall hold a meeting to consider the recommendation of the Subcommittee. Notice of the meeting must be posted in accordance with chapter 241 of NRS. The State Board shall review the application in accordance with the factors set forth in paragraphs (a) and (b) of subsection 1. The State Board may approve an application if it satisfies the requirements of paragraphs (a) and (b) of subsection 1.

7. If the State Board denies or fails to act upon an application, the denial or failure to act must be based upon a finding that the applicant failed to adequately address objective criteria established by regulation of the Department or the State Board. The State Board shall include in the written notice the reasons for the denial or the failure to act and the deficiencies in the application. The staff designated by the Department shall meet with the applicant to confer on the method to correct the identified deficiencies. The applicant must be granted 30 days after receipt of the written notice to correct any deficiencies identified in the written notice and resubmit the application.

8. If the State Board denies an application after it has been resubmitted pursuant to subsection 7, the applicant may, not more than 30 days after the receipt of the written notice from the State Board, appeal the final determination to the district court of the county in which the proposed charter school will be located.

9. On or before January 1 of each odd-numbered year, the Superintendent of Public Instruction shall submit a written report to the
Director of the Legislative Counsel Bureau for transmission to the next regular session of the Legislature. The report must include:

(a) A list of each application to form a charter school that was submitted to the board of trustees of a school district, the State Board, a college or a university during the immediately preceding biennium;
(b) The educational focus of each charter school for which an application was submitted;
(c) The current status of the application; and
(d) If the application was denied, the reasons for the denial.

Sec. 3. NRS 386.527 is hereby amended to read as follows:

386.527  1. If the State Board, the board of trustees of a school district or a college or university within the Nevada System of Higher Education approves an application to form a charter school, it shall grant a written charter to the applicant. The State Board, the board of trustees, the college or the university, as applicable, shall, not later than 10 days after the approval of the application, provide written notice to the Department of the approval and the date of the approval. If the board of trustees approves the application, the board of trustees shall be deemed the sponsor of the charter school.

2. If the State Board approves the application:
   (a) The State Board shall be deemed the sponsor of the charter school.
   (b) Neither the State of Nevada, the State Board nor the Department is an employer of the members of the governing body of the charter school or any of the employees of the charter school.

3. If a college or university within the Nevada System of Higher Education approves the application:
   (a) That institution shall be deemed the sponsor of the charter school.
   (b) Neither the State of Nevada, the State Board nor the Department is an employer of the members of the governing body of the charter school or any of the employees of the charter school.

4. The governing body of a charter school may request, at any time, a change in the sponsorship of the charter school to an entity that is authorized to sponsor charter schools pursuant to NRS 386.515. The State Board shall adopt:
   (a) An application process for a charter school that requests a change in the sponsorship of the charter school, which must not require the applicant to undergo the requirements of an initial application to form a charter school; and
   (b) Objective criteria for the conditions under which such a request may be granted.

5. Except as otherwise provided in subsection 7, a written charter must be for a term of 6 years unless the governing body of a charter school renews its initial charter after 3 years of operation pursuant to subsection 2 of NRS 386.530. A written charter must include all conditions of operation set forth in subsection 4 of NRS 386.520 and include the kind of school, as defined in subsections 1 to 4, inclusive, of NRS 388.020 for which the
charter school is authorized to operate. If the State Board or a college or university within the Nevada System of Higher Education is the sponsor of the charter school, the written charter must set forth the responsibilities of the sponsor and the charter school with regard to the provision of services and programs to pupils with disabilities who are enrolled in the charter school in accordance with the Individuals with Disabilities Education Act, 20 U.S.C. §§ 1400 et seq., and NRS 388.440 to 388.520, inclusive. As a condition of the issuance of a written charter pursuant to this subsection, the charter school must agree to comply with all conditions of operation set forth in NRS 386.550.

6. The governing body of a charter school may submit to the sponsor of the charter school a written request for an amendment of the written charter of the charter school. Such an amendment may include, without limitation, the expansion of instruction and other educational services to pupils who are enrolled in grade levels other than the grade levels of pupils currently approved for enrollment in the charter school. If the expansion of grade levels does not change the kind of school, as defined in NRS 388.020, for which the charter school is authorized to operate. If the proposed amendment complies with the provisions of this section, NRS 386.500 to 386.610, inclusive, and any other statute or regulation applicable to charter schools, the sponsor may amend the written charter in accordance with the proposed amendment. If a charter school wishes to expand the instruction and other educational services offered by the charter school to pupils who are enrolled in grade levels other than the grade levels of pupils currently approved for enrollment in the charter school and the expansion of grade levels changes the kind of school, as defined in NRS 388.020, for which the charter school is authorized to operate, the governing body of the charter school must submit a new application to form a charter school. If such an application is approved, the charter school may continue to operate under the same governing body and an additional governing body does not need to be selected to operate the charter school with the expanded grade levels. If the sponsor denies the request for an amendment, the sponsor shall provide written notice to the governing body of the charter school setting forth the reasons for the denial.

7. The State Board shall adopt objective criteria for the issuance of a written charter to an applicant who is not prepared to commence operation on the date of issuance of the written charter. The criteria must include, without limitation, the:
   (a) Period for which such a written charter is valid; and
   (b) Timelines by which the applicant must satisfy certain requirements demonstrating its progress in preparing to commence operation.
   A holder of such a written charter may apply for grants of money to prepare the charter school for operation. A written charter issued pursuant to this subsection must not be designated as a conditional charter or a
provisional charter or otherwise contain any other designation that would indicate the charter is issued for a temporary period.

8. The holder of a written charter that is issued pursuant to subsection 7 shall not commence operation of the charter school and is not eligible to receive apportionments pursuant to NRS 387.124 until the sponsor has determined that the requirements adopted by the State Board pursuant to subsection 7 have been satisfied and that the facility the charter school will occupy has been inspected and meets the requirements of any applicable building codes, codes for the prevention of fire, and codes pertaining to safety, health and sanitation. Except as otherwise provided in this subsection, the sponsor shall make such a determination 30 days before the first day of school for the:

(a) Schools of the school district in which the charter school is located that operate on a traditional school schedule and not a year-round school schedule; or

(b) Charter school, whichever date the sponsor selects. The sponsor shall not require a charter school to demonstrate compliance with the requirements of this subsection more than 30 days before the date selected. However, it may authorize a charter school to demonstrate compliance less than 30 days before the date selected.

Sec. 3.5. NRS 386.535 is hereby amended to read as follows:

386.535 1. The sponsor of a charter school may revoke the written charter of the charter school before the expiration of the charter if the sponsor determines that:

(a) The charter school, its officers or its employees have failed to comply with:

(1) The material terms and conditions of the written charter;

(2) Generally accepted standards of accounting and fiscal management; or

(3) The provisions of NRS 386.500 to 386.610, inclusive, or any other statute or regulation applicable to charter schools;

(b) The charter school has filed for a voluntary petition of bankruptcy, is adjudicated bankrupt or insolvent, or is otherwise financially impaired such that the charter school cannot continue to operate; or

(c) There is reasonable cause to believe that revocation is necessary to protect the health and safety of the pupils who are enrolled in the charter school or persons who are employed by the charter school from jeopardy, or to prevent damage to or loss of the property of the school district or the community in which the charter school is located.

2. Before the sponsor revokes a written charter, the sponsor shall provide written notice of its intention to the governing body of the charter school. The written notice must:

(a) Include a statement of the deficiencies or reasons upon which the action of the sponsor is based;
(b) Except as otherwise provided in subsection 4, prescribe a period, not less than 30 days, during which the charter school may correct the deficiencies, including, without limitation, the date on which the period to correct the deficiencies begins and the date on which that period ends;

(c) Prescribe the date on which the sponsor will make a determination regarding whether the charter school has corrected the deficiencies, which determination may be made during the public hearing held pursuant to subsection 3; and

(d) Prescribe the date on which the sponsor will hold a public hearing to consider whether to revoke the charter.

3. Except as otherwise provided in subsection 4, not more than 90 days after the notice is provided pursuant to subsection 2, the sponsor shall hold a public hearing to make a determination regarding whether to revoke the written charter. If the charter school corrects the deficiencies to the satisfaction of the sponsor within the time prescribed in paragraph (b) of subsection 2, the sponsor shall not revoke the written charter of the charter school. The sponsor may not include in a written notice pursuant to subsection 2 any deficiency which was included in a previous written notice and which was corrected by the charter school, unless the deficiency recurred after being corrected.

4. The sponsor of a charter school and the governing body of the charter school may enter into a written agreement that prescribes different time periods than those set forth in subsections 2 and 3.

Sec. 4. NRS 386.540 is hereby amended to read as follows:

386.540 1. The Department shall adopt regulations that prescribe:

(a) The process for submission of an application by the board of trustees of a school district to the Department for authorization to sponsor charter schools and the contents of the application;

(e) The process for submission of an amendment of a written charter pursuant to NRS 386.527 and the contents of the application.
2. The Department may adopt regulations as it determines are necessary to carry out the provisions of NRS 386.500 to 386.610, inclusive, including, without limitation, regulations that prescribe the:
   (a) Procedures for accounting and budgeting;
   (b) Requirements for performance audits and financial audits of charter schools on an annual basis for charter schools that do not satisfy the requirements of subsection 1 of NRS 386.5515; and
   (c) Requirements for performance audits every 3 years and financial audits on an annual basis for charter schools that satisfy the requirements of subsection 1 of NRS 386.5515.

Sec. 5. NRS 386.545 is hereby amended to read as follows:

   (b) Provide access to school buses for use by the charter school for field trips. The school district may charge a reasonable fee for the use of the school buses.
   (c) If the school district offers summer school or Internet-based credit recovery classes, allow the pupils enrolled in the charter school to participate if space is available. The school district shall apply the same fees, if any, for participation of the pupils enrolled in the charter school as it applies to pupils enrolled in the school district.

4. The Department shall provide appropriate information, education and training for charter schools and the governing bodies of charter schools concerning the applicable provisions of title 34 of NRS and other laws and regulations that affect charter schools and the governing bodies of charter schools.
5. If the Department prescribes a process for charter schools to report certain information, the Department may request the identified information regardless if that information is required to be submitted by charter schools pursuant to a specific statute. Upon such a request, a charter school shall provide the information if the Department includes a detailed description of the requested information and the mechanism by which the Department will pay or reimburse the charter school for the requested information, if the provision of the information will incur any costs for the charter school.

Sec. 6. NRS 386.549 is hereby amended to read as follows:

(3) Law; or
(4) Human resources.

2. In addition to the members who serve pursuant to subsection 1, the governing body of a charter school may include, without limitation, parents and representatives of nonprofit organizations and businesses. Not more than two persons who serve on the governing body may represent the same organization or business or otherwise represent the interests of the same organization or business. A majority of the members of the governing body must reside in this State. If the membership of the governing body changes, the governing body shall provide written notice to the sponsor of the charter school within 10 working days after such change.

3. A person may serve on the governing body only if the person submits an affidavit to the Department indicating that the person:
(a) Has not been convicted of a felony relating to serving on the governing body of a charter school or any offense involving moral turpitude.

(b) Has read and understands material concerning the roles and responsibilities of members of governing bodies of charter schools and other material designed to assist the governing bodies of charter schools, if such material is provided to the person by the Department.

4. The governing body of a charter school is a public body. It is hereby given such reasonable and necessary powers, not conflicting with the Constitution and the laws of the State of Nevada, as may be requisite to attain the ends for which the charter school is established and to promote the welfare of pupils who are enrolled in the charter school.

5. The governing body of a charter school shall, during each calendar quarter, hold at least one regularly scheduled public meeting in the county in which the charter school is located. Upon an affirmative vote of a majority of the membership of the governing body, each member is entitled to receive a salary of not more than $80 for attendance at each meeting, as fixed by the governing body, not to exceed payment for more than one meeting per month.

6. As used in subsection 1, “teacher” means a person who:

(a) Holds a current license to teach issued pursuant to chapter 391 of NRS or who previously held such a license and is retired, as long as his or her license was held in good standing; and

The term does not include a person who is employed as a substitute teacher.

Sec. 7. NRS 386.5515 is hereby amended to read as follows:

386.5515 1. To the extent money is available from legislative appropriation or otherwise, a charter school may apply to the Department for money for facilities if:

(a) The charter school has been operating in this State for at least 5 consecutive years and is in good financial standing;

(b) Each financial audit and each performance audit of the charter school required by the Department contains no major notations, corrections or errors concerning the charter school for at least 5 consecutive years;

(c) The charter school has met or exceeded adequate yearly progress as determined pursuant to NRS 385.3613 or has demonstrated improvement in the achievement of pupils enrolled in the charter school, as indicated by annual measurable objectives determined by the State Board, for the majority of the years of its operation;

the high school proficiency examination, if the charter school enrolls pupils at a high school grade level.

2. A charter school that satisfies the requirements of subsection 1 shall submit to a performance audit as required by the Department one time every 3 years. The sponsor of the charter school and the Department shall not request a performance audit of the charter school more frequently than every 3 years without reasonable evidence of noncompliance in achieving the educational goals and objectives of the charter school based upon the annual report submitted to the State Board pursuant to NRS 386.610. If the charter school no longer satisfies the requirements of subsection 1 or if reasonable evidence of noncompliance in achieving the educational goals and objectives of the charter school exists based upon the annual report, the charter school shall, upon written notice from the sponsor, submit to an annual performance audit. Notwithstanding the provisions of paragraph (b) of subsection 1, such a charter school:

(a) May, after undergoing the annual performance audit, reapply to the sponsor to determine whether the charter school satisfies the requirements of paragraphs (a), (c), (d) and (e) of subsection 1.

(b) Is not eligible for any available money pursuant to subsection 1 until the sponsor determines that the charter school satisfies the requirements of that subsection.

3. A charter school that does not satisfy the requirements of subsection 1 shall submit a quarterly report of the financial status of the charter school if requested by the sponsor of the charter school.

Sec. 8. NRS 386.560 is hereby amended to read as follows:

386.560  1. The governing body of a charter school may contract with the board of trustees of the school district in which the charter school is located or in which a pupil enrolled in the charter school resides or the Nevada System of Higher Education for the provision of facilities to operate the charter school or to perform any service relating to the operation of the charter school, including, without limitation, transportation, the provision of health services for the pupils who are enrolled in the charter school and the provision of school police officers.

2. A charter school may use any public facility located within the school district in which the charter school is located. A charter school may use school buildings owned by the school district only upon approval of the board of trustees of the school district and during times that are not regular school hours.

3. The board of trustees of a school district may donate surplus personal property of the school district to a charter school that is located within the school district.

4. Except as otherwise provided in this subsection, upon the request of a parent or legal guardian of a pupil who is enrolled in a charter school, the board of trustees of the school district in which the pupil resides shall authorize the pupil to participate in a class that is not available to the pupil at
the charter school or participate in an extracurricular activity, including sports, at a public school within the school district if:

(a) Space for the pupil in the class or extracurricular activity is available; and

(b) The parent or legal guardian demonstrates to the satisfaction of the board of trustees that the pupil is qualified to participate in the class or extracurricular activity.

If the board of trustees of a school district authorizes a pupil to participate in a class or extracurricular activity, including sports, pursuant to this subsection, the board of trustees is not required to provide transportation for the pupil to attend the class or activity. The provisions of this subsection do not apply to a pupil who is enrolled in a charter school and who desires to participate on a part-time basis in a program of distance education provided by the board of trustees of a school district pursuant to NRS 388.820 to 388.874, inclusive. Such a pupil must comply with NRS 388.858.

5. Upon the request of a parent or legal guardian of a pupil who is enrolled in a charter school, the board of trustees of the school district in which the pupil resides shall authorize the pupil to participate in sports at the public school that he or she would otherwise be required to attend within the school district, or upon approval of the board of trustees, any public school within the same zone of attendance as the charter school if:

(a) Space is available for the pupil to participate; and

(b) The parent or legal guardian demonstrates to the satisfaction of the board of trustees that the pupil is qualified to participate.

If the board of trustees of a school district authorizes a pupil to participate in sports pursuant to this subsection, the board of trustees is not required to provide transportation for the pupil to participate.

6. The board of trustees of a school district may revoke its approval for a pupil to participate in a class, extracurricular activity or sports at a public school pursuant to subsection 4 if the board of trustees or the public school determines that the pupil has failed to comply with applicable statutes, or applicable rules and regulations of the board of trustees, the public school or the Nevada Interscholastic Activities Association. If the board of trustees so revokes its approval, neither the board of trustees nor the public school is liable for any damages relating to the denial of services to the pupil.

Sec. 9. NRS 386.570 is hereby amended to read as follows:

386.570  1. Each pupil who is enrolled in a charter school, including, without limitation, a pupil who is enrolled in a program of special education in a charter school, must be included in the count of pupils in the school district for the purposes of apportionments and allowances from the State Distributive School Account pursuant to NRS 387.121 to 387.126, inclusive, unless the pupil is exempt from compulsory attendance pursuant to NRS 392.070. A charter school is entitled to receive its proportionate share of any other money available from federal, state or local sources that the school or
the pupils who are enrolled in the school are eligible to receive. If a charter school receives special education program units directly from this State, the amount of money for special education that the school district pays to the charter school may be reduced proportionately by the amount of money the charter school received from this State for that purpose. The State Board shall prescribe a process which ensures that all charter schools, regardless of the sponsor, have information about all sources of funding for the public schools provided through the Department, including local funds pursuant to NRS 387.1235.

2. All money received by the charter school from this State or from the board of trustees of a school district must be deposited in an account with a bank, credit union or other financial institution in this State. The governing body of a charter school may negotiate with the board of trustees of the school district and the State Board for additional money to pay for services which the governing body wishes to offer.

3. Upon completion of each school quarter, the sponsor of a charter school may request reimbursement from the governing body of the charter school for the administrative costs associated with sponsorship for that school quarter if the sponsor provided administrative services during that school quarter. The request must include an itemized list of those costs. Unless a delay is granted pursuant to subsection 9, upon receipt of such a request, the governing body shall pay the reimbursement to the board of trustees of the school district if the board of trustees sponsors the charter school, to the Department if the State Board sponsors the charter school or to the college or university within the Nevada System of Higher Education if that institution sponsors the charter school. If a governing body fails to pay the reimbursement pursuant to this subsection or pursuant to a plan approved by the Superintendent of Public Instruction in accordance with subsection 9, the charter school shall be deemed to have violated its written charter and the sponsor may take such action to revoke the written charter pursuant to NRS 386.535 as it deems necessary. If the board of trustees of a school district is the sponsor of a charter school, the amount of money that may be paid to the sponsor pursuant to this subsection for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

(b) For any year after the first year of operation of the charter school, 1 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

4. If the State Board or a college or university within the Nevada System of Higher Education is the sponsor of a charter school, the amount of money that may be paid to the Department or to the institution, as applicable,
pursuant to subsection 3 for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

(b) For any year after the first year of operation of the charter school, 1.5 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

5. To determine the amount of money for distribution to a charter school in its first year of operation, the count of pupils who are enrolled in the charter school must initially be determined 30 days before the beginning of the school year of the school district, based on the number of pupils whose applications for enrollment have been approved by the charter school. The count of pupils who are enrolled in the charter school must be revised on the last day of the first school month of the school district in which the charter school is located for the school year, based on the actual number of pupils who are enrolled in the charter school. Pursuant to subsection 5 of NRS 387.124, the governing body of a charter school may request that the apportionments made to the charter school in its first year of operation be paid to the charter school 30 days before the apportionments are otherwise required to be made.

6. If a charter school ceases to operate as a charter school during a school year, the remaining apportionments that would have been made to the charter school pursuant to NRS 387.124 for that year must be paid on a proportionate basis to the school districts where the pupils who were enrolled in the charter school reside.

7. The governing body of a charter school may solicit and accept donations, money, grants, property, loans, personal services or other assistance for purposes relating to education from members of the general public, corporations or agencies. The governing body may comply with applicable federal laws and regulations governing the provision of federal grants for charter schools. The State Board may assist a charter school that operates exclusively for the enrollment of pupils who receive special education in identifying sources of money that may be available from the Federal Government or this State for the provision of educational programs and services to such pupils.

8. If a charter school uses money received from this State to purchase real property, buildings, equipment or facilities, the governing body of the charter school shall assign a security interest in the property, buildings, equipment and facilities to the State of Nevada.

9. The governing body of a charter school may submit to the Superintendent of Public Instruction a written request to delay a quarterly payment of a reimbursement for the administrative costs that a charter school
owes pursuant to this section. The written request must be in the form prescribed by the Superintendent and must include, without limitation, documentation that a financial hardship exists for the charter school and a plan for the payment of the reimbursement. The Superintendent may approve or deny the request and shall notify the governing body and the sponsor of the charter school of the approval or denial of the request.

Sec. 9.5. NRS 386.590 is hereby amended to read as follows:

386.590 1. Except as otherwise provided in this subsection, at least 70 percent of the teachers who provide instruction at a charter school must be licensed teachers. If a charter school is a vocational school, the charter school shall, to the extent practicable, ensure that at least 70 percent of the teachers who provide instruction at the school are licensed teachers, but in no event may more than 50 percent of the teachers who provide instruction at the school be unlicensed teachers.

2. A governing body of a charter school shall employ:

(a) If the charter school offers instruction in kindergarten or grade 1, 2, 3, 4, 5, 6, 7 or 8, a licensed teacher to teach pupils who are enrolled in those grades. If required by subsection 3 or 4, such a teacher must possess the qualifications required by 20 U.S.C. § 6319(a).

(b) If the charter school offers instruction in grade 9, 10, 11 or 12, a licensed teacher to teach pupils who are enrolled in those grades for the subjects set forth in subsection 4. If required by subsection 3 or 4, such a teacher must possess the qualifications required by 20 U.S.C. § 6319(a).

(c) In addition to the requirements of paragraphs (a) and (b):

(1) If a charter school specializes in arts and humanities, physical education or health education, a licensed teacher to teach those courses of study.

(2) If a charter school specializes in the construction industry or other building industry, licensed teachers to teach courses of study relating to the industry if those teachers are employed full-time.

(3) If a charter school specializes in the construction industry or other building industry and the school offers courses of study in computer education, technology or business, licensed teachers to teach those courses of study if those teachers are employed full-time.

3. A person who is initially hired by the governing body of a charter school on or after January 8, 2002, to teach in a program supported with money from Title I must possess the qualifications required by 20 U.S.C. § 6319(a). For the purposes of this subsection, a person is not “initially hired” if the person has been employed as a teacher by another school district or charter school in this State without an interruption in employment before the date of hire by his or her current employer.

4. A teacher who is employed by a charter school, regardless of the date of hire, must, on or before July 1, 2006, possess the qualifications required by 20 U.S.C. § 6319(a) if the teacher teaches one or more of the following subjects:
(a) English, reading or language arts;
(b) Mathematics;
(c) Science;
(d) Foreign language;
(e) Civics or government;
(f) Economics;
(g) Geography;
(h) History; or
(i) The arts.

5. Except as otherwise provided in NRS 386.588, a charter school may employ a person who is not licensed pursuant to the provisions of chapter 391 of NRS to teach a course of study for which a licensed teacher is not required pursuant to subsections 2, 3 and 4 if the person has:
   (a) A degree, a license or a certificate in the field for which the person is employed to teach at the charter school; and
   (b) At least 2 years of experience in that field.

6. Except as otherwise provided in NRS 386.588, a charter school shall employ such administrators for the school as it deems necessary. A person employed as an administrator must possess:
   (a) A valid teacher’s license issued pursuant to chapter 391 of NRS with an administrative endorsement;
   (b) A master’s degree in school administration, public administration or business administration; or
   (c) At least 5 years of experience in school administration, public administration or business administration and a baccalaureate degree.

7. Except as otherwise provided in subsection 8, the portion of the salary or other compensation of an administrator employed by a charter school that is derived from public funds must not exceed the salary or other compensation, as applicable, of the highest paid administrator in a comparable position in the school district in which the charter school is located. For purposes of determining the salary or other compensation of the highest paid administrator in a comparable position in the school district, the salary or other compensation of the superintendent of schools of that school district must not be included in the determination.

8. If the salary or other compensation paid to an administrator employed by a charter school from public funds exceeds the maximum amount prescribed in subsection 7, the sponsor of the charter school shall conduct an audit of the salary or compensation. The audit must include, without limitation, a review of the reasons set forth by the governing body of the charter school for the salary or other compensation and the interests of the public in using public funds to pay that salary or compensation. If the sponsor determines that the payment of the salary or other compensation from public funds is justified, the sponsor shall provide written documentation of its determination to the governing body of the charter school and to the Department. If the sponsor determines that the payment of
the salary or other compensation from public funds is not justified, the governing body of the charter school shall reduce the salary or compensation paid to the administrator from public funds to an amount not to exceed the maximum amount prescribed in subsection 7.

9. A charter school shall not employ a person pursuant to this section if the person’s license to teach or provide other educational services has been revoked or suspended in this State or another state.

10. On or before November 15 of each year, a charter school shall submit to the Department, in a format prescribed by the Superintendent of Public Instruction, the following information for each person who is licensed pursuant to chapter 391 of NRS and who is employed by the governing body on October 1 of that year:

(a) The amount of salary or compensation of the licensed person, including, without limitation, verification of compliance with subsection 7, if applicable to that person; and

(b) The designated assignment, as that term is defined by the Department, of the licensed person.

Sec. 9.7. NRS 386.595 is hereby amended to read as follows:

386.595 1. All employees of a charter school shall be deemed public employees.

2. The governing body of a charter school may make all decisions concerning the terms and conditions of employment with the charter school and any other matter relating to employment with the charter school. In addition, the governing body may make all employment decisions with regard to its employees pursuant to NRS 391.311 to 391.3197, inclusive, unless a collective bargaining agreement entered into by the governing body pursuant to chapter 288 of NRS contains separate provisions relating to the discipline of licensed employees of a school.

3. Upon the request of the governing body of a charter school, the board of trustees of a school district shall, with the permission of the licensed employee who is seeking employment with the charter school, transmit to the governing body a copy of the employment record of the employee that is maintained by the school district. The employment record must include, without limitation, each evaluation of the licensed employee conducted by the school district and any disciplinary action taken by the school district against the licensed employee.

4. Except as otherwise provided in this subsection, if the written charter of a charter school is revoked or if a charter school ceases to operate as a charter school, the licensed employees of the charter school must be reassigned to employment within the school district in accordance with the applicable collective bargaining agreement. A school district is not required to reassign a licensed employee of a charter school pursuant to this subsection if the employee:

(a) Was not granted a leave of absence by the school district to accept employment at the charter school pursuant to subsection 4; or

5;
(b) Was granted a leave of absence by the school district and did not submit a written request to return to employment with the school district in accordance with subsection 4.

(c) Does not comply with or is otherwise not eligible to return to employment pursuant to subsection 6, including, without limitation, the refusal of the licensed employee to allow the school district to obtain the employment record of the employee that is maintained by the charter school.

5. The board of trustees of a school district shall grant a leave of absence, not to exceed 3 years, to any licensed employee who is employed by the board of trustees who requests such a leave of absence to accept employment with a charter school. After the first school year in which the employee is on a leave of absence, the employee may return to a comparable teaching position with the board of trustees. After the third school year, a licensed employee shall either submit a written request to return to a comparable teaching position or resign from the position for which the employee’s leave was granted. The board of trustees shall grant a written request to return to a comparable position pursuant to this subsection even if the return of the licensed employee requires the board of trustees to reduce the existing workforce of the school district. The board of trustees is not required to accept the return of the licensed employee if the employee does not comply with or is otherwise not eligible to return to employment pursuant to subsection 6, including, without limitation, the refusal of the licensed employee to allow the school district to obtain the employment record of the employee that is maintained by the charter school. The board of trustees may require that a request to return to a comparable teaching position submitted pursuant to this subsection be submitted at least 90 days before the employee would otherwise be required to report to duty.

6. Upon the request of the board of trustees of a school district, the governing body of a charter school shall, with the permission of the licensed employee who is granted a leave of absence from the school district pursuant to this section, transmit to the school district a copy of the employment record of the employee that is maintained by the charter school before the return of the employee to employment with the school district pursuant to subsection 4 or 5. The employment record must include, without limitation, each evaluation of the licensed employee conducted by the charter school and any disciplinary action taken by the charter school against the licensed employee. Before the return of the licensed employee, the board of trustees of the school district may conduct an investigation into any misconduct of the licensed employee during the leave of absence from the school district and take any appropriate
disciplinary action as to the status of the person as an employee of the school district, including, without limitation:

(a) The dismissal of the employee from employment with the school district; or

(b) Upon the employee’s return to employment with the school district, documentation of the disciplinary action taken against the employee into the employment record of the employee that is maintained by the school district.

7. If a school district conducts an investigation pursuant to subsection 6:

(a) The licensed employee is not entitled to return to employment with the school district until the investigation is complete; and

(b) The investigation must be conducted within a reasonable time.

8. A licensed employee who is on a leave of absence from a school district pursuant to this section:

(a) Shall contribute to and be eligible for all benefits for which the employee would otherwise be entitled, including, without limitation, participation in the Public Employees’ Retirement System and accrual of time for the purposes of leave and retirement.

(b) Continues, while the employee is on leave, to be covered by the collective bargaining agreement of the school district only with respect to any matter relating to his or her status or employment with the district.

The time during which such an employee is on a leave of absence and employed in a charter school does not count toward the acquisition of permanent status with the school district.

9. Upon the return of a teacher to employment in the school district, the teacher is entitled to the same level of retirement, salary and any other benefits to which the teacher would otherwise be entitled if the teacher had not taken a leave of absence to teach in a charter school.

10. An employee of a charter school who is not on a leave of absence from a school district is eligible for all benefits for which the employee would be eligible for employment in a public school, including, without limitation, participation in the Public Employees’ Retirement System.

11. For all employees of a charter school:

(a) The compensation that a teacher or other school employee would have received if he or she were employed by the school district must be used to determine the appropriate levels of contribution required of the employee and employer for purposes of the Public Employees’ Retirement System.

(b) The compensation that is paid to a teacher or other school employee that exceeds the compensation that the employee would have received if he or she were employed by the school district must not be included for the purposes of calculating future retirement benefits of the employee.

12. If the board of trustees of a school district in which a charter school is located manages a plan of group insurance for its employees, the
governing body of the charter school may negotiate with the board of trustees to participate in the same plan of group insurance that the board of trustees offers to its employees. If the employees of the charter school participate in the plan of group insurance managed by the board of trustees, the governing body of the charter school shall:

(a) Ensure that the premiums for that insurance are paid to the board of trustees; and

(b) Provide, upon the request of the board of trustees, all information that is necessary for the board of trustees to provide the group insurance to the employees of the charter school.

Sec. 10. NRS 392.700 is hereby amended to read as follows:

392.700 1. If the parent of a child who is subject to compulsory attendance wishes to homeschool the child, the parent must file with the superintendent of schools of the school district in which the child resides a written notice of intent to homeschool the child. The Department shall develop a standard form for the notice of intent to homeschool. The form must not require any information or assurances that are not otherwise required by this section or other specific statute. The board of trustees of each school district shall, in a timely manner, make only the form developed by the Department available to parents who wish to homeschool their child.

2. The notice of intent to homeschool must be filed before beginning to homeschool the child or:

(a) Not later than 10 days after the child has been formally withdrawn from enrollment in public school; or

(b) Not later than 30 days after establishing residency in this State.

3. The purpose of the notice of intent to homeschool is to inform the school district in which the child resides that the child is exempt from the requirement of compulsory attendance.

Assembly Bill No. 432.
Bill read third time.
The following amendment was proposed by the Committee on Ways and Means:
Amendment No. 788.
AN ACT relating to energy auditors; establishing the qualifications for an energy auditor; providing for the licensure of energy auditors by the Real Estate Division of the Department of Business and Industry; establishing the requirements with which an energy auditor must comply when conducting an energy audit; repealing provisions that require the Nevada Energy Commissioner to establish a program for evaluating the energy consumption of residential property in this State; making an appropriation; providing penalties; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law requires the Nevada Energy Commissioner to establish a program for evaluating energy consumption in residential property in this State and requires a seller to provide a copy of this evaluation to a purchaser of his or her property. (NRS 113.115, 701.250) This bill repeals those provisions. Instead, section 5 of this bill provides for the licensure of energy auditors by the Real Estate Division of the Department of Business and Industry and establishes the training and qualifications an energy auditor must have to be licensed to conduct energy audits in this State. Section 6 of this bill establishes the requirements for conducting an energy audit, limited energy audit or energy assessment, including, without limitation, the elements of the home which must be evaluated, the software and tools the energy auditor must use and the report the energy auditor must provide to the homeowner and the United States Department of Energy.
Sections 7-28 of this bill are technical amendments required to carry out the administration of the licensure of the energy auditors, including making the provision of energy audits without a license a misdemeanor. In addition, section 28 makes it a category E felony to attempt to obtain a license as an energy auditor through intentional misrepresentation, deceit or fraud. Section 30.5 of this bill makes an appropriation to the Real Estate Division for personnel and other costs associated with licensing energy auditors.

Amendment No. 823.

SUMMARY—Revises provisions governing the State Board of Podiatry; health care providers. (BDR 54-502)

AN ACT relating to podiatry; health care providers; requiring each person licensed by the State Board of Podiatry to maintain a permanent mailing address with the Board; requiring each licensee to provide the Board with written notification of any change in his or her permanent address; requiring the Board to impose a fine if a licensee fails to notify the Board of a change in his or her permanent address; requiring a licensee who closes his or her office in this State to notify the Board of the location and custodian of the medical records of the patients of the licensee for a certain period; codifying in statutory form the requirement in administrative regulation that an applicant for a license issued by the Board submit to a criminal background check; revising provisions governing the qualifications for obtaining a license to practice dental hygiene; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law authorizes the State Board of Podiatry to license and regulate the conduct of podiatrists and podiatry hygienists. (NRS 635.050-635.180) Section 2 of this bill requires a licensee to maintain a permanent mailing address with the Board and notify the Board in writing of any change in the licensee’s permanent address. Section 2 also requires the Board to impose a fine against any licensee who fails to notify the Board of a change in his or her permanent address. Additionally, section 2 requires a licensee who changes the location of his or her office to notify the Board of the new location and requires a licensee who closes his or her office to notify the Board of the closure within 14 days after closing the office. Section 2 further requires a licensee who closes his or her office to keep the Board apprised of the location and custodian of the medical records of the licensee’s patients for a minimum of 5 years.

Existing regulation requires each applicant for licensure by the Board to submit to the Board a complete set of fingerprints and written permission authorizing the Board to submit the fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its report. (NAC 635.023) Section 3 of this bill codifies in statute this existing requirement in regulation. Section 4 of this bill provides that a licensee is subject to disciplinary action if he or she fails to notify the Board in writing of a change in permanent mailing address in the manner required by section 2 of this bill. Section 4.5 of this bill revises provisions governing the qualifications for obtaining a license to practice dental hygiene by providing that an applicant may satisfy the clinical examination requirement for licensure if he or she presents evidence to the Board of Dental Examiners of Nevada that the applicant has, within the 5 years immediately preceding the date of the application, passed a clinical examination approved by the Board and the American Board of Dental Examiners.

Assembly Bill No. 17.
The following Senate amendment was read:
Amendment No. 592.

SUMMARY—Revises provisions concerning the judicial review of decisions of the Public Utilities Commission of Nevada. (BDR 18-455)

AN ACT relating to administrative procedure; exempting the judicial review of decisions of the Public Utilities Commission of Nevada from the requirements of the Nevada Administrative Procedure Act; revising provisions governing the procedure for the judicial review of decisions of the Commission; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law provides that the provisions of chapter 703 of NRS that relate to the judicial review of decisions of the Public Utilities Commission of Nevada prevail over the general provisions of the Nevada Administrative Procedure Act, which is contained in chapter 233B of NRS. (NRS 233B.039)

Section 1 of this bill removes that existing provision and instead provides that the provisions of the Nevada Administrative Procedure Act do not apply to the judicial review of decisions of the Commission.

Existing law also sets forth provisions relating to the procedure for the judicial review of decisions of the Commission. (NRS 703.373) Section 1.7 of this bill revises various provisions relating to that procedure and: (1) requires a party seeking judicial review to exhaust all administrative
remedies before the party is entitled to seek judicial review of a final
decision of the Commission; (2) specifies certain periods in which certain
documents must be filed with the court and served upon the parties
involved in the judicial review; and (3) provides that a final decision of
the Commission is deemed reasonable and lawful until reversed or set
aside in whole or in part by the court.

If a complaint is made pursuant to NRS 703.310 by a customer or by a political subdivision of the State or municipal organization, the complainant is not liable for any costs. Otherwise, if there are several applicants or parties to any hearing, the Commission may apportion the costs among them in its discretion.
2. If a petition is served upon the Commission as provided in NRS 703.373 for the bringing of an action against the Commission, before the action is reached for trial, the Commission shall file a certified copy of all proceedings and testimony taken with the clerk of the court in which the action is pending.

Copies of the petition for judicial review must be served upon the Commission and all other parties of record.

4. The Commission shall participate in the judicial review. Any party of record desiring to participate in the judicial review must file a statement of intent to participate in the petition for judicial review and serve the statement upon the Commission and every party within 15 days after service of the petition for judicial review.

Amendment No. 707.
SUMMARY—Revises provisions concerning the imposition of certain reasonable restrictions or requirements relating to systems for obtaining wind and solar energy. (BDR 22-592)

AN ACT relating to energy; revising provisions concerning the imposition of certain reasonable restrictions or requirements relating to systems for obtaining wind and solar energy; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, the governing body of a city or county: (1) may enact zoning regulations and restrictions to promote the health, safety, morals or general welfare of the community; (2) is prohibited from adopting an ordinance or taking any other action which unreasonably prohibits or restricts an owner of real property from using a system for obtaining wind energy on his or her property; and (3) may impose a reasonable restriction on the use of a system for obtaining wind energy which is related to the height, noise or safety of the system; and (4) is required to authorize the use of a system which uses solar or wind energy to reduce energy costs for a structure if the system and structure comply with all applicable building codes and zoning ordinances. (NRS 278.020, 278.02077, 278.0208, 278.580) The governing body of a city or county unreasonably prohibits or restricts the use of a system for obtaining solar or wind energy if the governing body imposes restrictions that significantly decrease the efficiency or performance of the solar or wind energy system unless the restriction provides for the use of a comparable alternative system. (NRS 278.02072, 278.0208) Section 1 of this bill provides that, in addition to reasonable restrictions relating to height, noise or safety, reasonable restrictions on the use of a system for obtaining wind energy may include restrictions relating to setback, location and finish. Section 2 of this bill authorizes a governing body to require that a special use permit or conditional permit be obtained for a system for obtaining solar energy proposed to be installed or constructed within the boundaries of an incorporated city or town on nonresidential property that is adjacent to residential property. This bill also deletes provisions which provide that the governing body of a city or county unreasonably prohibits or restricts the use of a system for obtaining wind energy if the governing body imposes restrictions that significantly decrease the efficiency or performance of the wind energy system unless the restriction provides for the use of a comparable alternative system.

WHEREAS, Nevada has significant amounts of wind resources available for use in the production of clean, renewable sources of energy; and

WHEREAS, It has been a stated goal of the Nevada Legislature to encourage the availability of these wind resources for use by the residents of this State; and

WHEREAS, Local governments have traditionally been authorized to enact zoning and land use regulations and restrictions to promote the health, safety, morals and general welfare of their communities; and
WHEREAS, It is the intent of the Nevada Legislature to encourage local governments to balance the use of clean, renewable sources of energy with promotion of the health, safety, morals and general welfare of their communities; now, therefore

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 278.02077 is hereby amended to read as follows:

278.02077 1. Except as otherwise provided in subsection 2:
(a) A governing body shall not adopt an ordinance, regulation or plan or take any other action that prohibits or unreasonably restricts the owner of real property from using a system for obtaining wind energy on his or her property.
(b) Any covenant, restriction or condition contained in a deed, contract or other legal instrument which affects the transfer or sale of, or any other interest in, real property and which prohibits or unreasonably restricts the owner of the property from using a system for obtaining wind energy on his or her property is void and unenforceable.
2. The provisions of subsection 1 do not prohibit a reasonable restriction or requirement:
(a) Imposed pursuant to a determination by the Federal Aviation Administration that the installation of the system for obtaining wind energy would create a hazard to air navigation; or
(b) Relating to the finish, height, location, noise or safety or setback of a system for obtaining wind energy.

Sec. 2. NRS 278.0208 is hereby amended to read as follows:

278.0208 1. Except as otherwise provided in subsection 2:
(a) A governing body shall not adopt an ordinance, regulation or plan or take any other action that prohibits or unreasonably restricts or has the effect of prohibiting or unreasonably restricting the owner of real property from using a system for obtaining solar energy on his or her property.

2. (b) Any covenant, restriction or condition contained in a deed, contract or other legal instrument which affects the transfer or sale of, or any other interest in, real property and which prohibits or unreasonably restricts or has the effect of prohibiting or unreasonably restricting the owner of the property from using a system for obtaining solar energy on his or her property is void and unenforceable.
2. A governing body may require that a special use permit or conditional permit be obtained in the manner provided in NRS 278.315 for the construction or installation of a system for obtaining solar energy within the boundaries of an incorporated city or town on nonresidential property that is adjacent to residential property. As used in this subsection, "nonresidential property" means all real property other than residential property and includes, without limitation, real property owned by a governmental entity.

3. For the purposes of this section, the following shall be deemed to be unreasonable restrictions:

(a) The placing of a restriction or requirement on the use of a system for obtaining solar energy which decreases the efficiency or performance of the system by more than 10 percent of the amount that was originally specified for the system, as determined by the Director of the Office of Energy, and which does not allow for the use of an alternative system at a substantially comparable cost and with substantially comparable efficiency and performance.

(b) The prohibition of a system for obtaining solar energy that uses components painted with black solar glazing.

Amendment No. 735.

SUMMARY—[Expands the circumstances pursuant to which a court is authorized to issue] Establishes procedures for the Children's Advocate or his or her designee to obtain certain warrants. (BDR 11-289) 38-289

AN ACT relating to children; [expanding the circumstances pursuant to which a court is authorized to issue] establishing procedures for the Children's Advocate or his or her designee to obtain, under certain circumstances, a warrant to take physical custody of a missing child [wh]o was allegedly abducted; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law as set forth in the Uniform Child Custody Jurisdiction and Enforcement Act (chapter 125A of NRS) authorizes a court in a proceeding to enforce a child custody determination to issue a warrant to take physical custody of a child in an emergency situation if the court finds that the child is immediately likely to suffer serious physical harm or to be removed from this State. Before issuing the warrant, the court is required to hold a hearing at which the party alleging the need for the warrant is present but not the party who has physical custody of the child. (NRS 125A.525) The Uniform Child Custody Jurisdiction and Enforcement Act also authorizes a court in this State, to enforce a child custody determination issued by a court in another state, to issue an order to take physical custody of a child in a nonemergency situation after holding a hearing at which both parties, the petitioner and the respondent, are given an opportunity to be heard. (NRS 125A.495)

Existing law as set forth in the Uniform Child Abduction Prevention Act (chapter 125D of NRS) authorizes a court, pursuant to a petition filed either before or after a child custody determination has been made, to issue a warrant to take physical custody of a child in an emergency situation if the court finds that there is a credible risk that the child is imminently likely to be wrongfully removed. The court may issue the warrant without providing
prior notice and an opportunity to be heard to the party who has physical custody of the child. (NRS 125D.200)

Existing law also authorizes the court in divorce or other dissolution of marriage proceedings to enter an order allowing a party, under certain circumstances and with the assistance of a law enforcement agency, to obtain physical custody of a child from the party having physical custody of the child if the court finds that it would be in the best interest of the child to do so. (NRS 125.470) Section 1 of this bill deletes this provision regarding divorce and other dissolution of marriage proceedings, and section 2 of this bill sets forth a new procedure.

Section 2 expands the circumstances in which a court is authorized to issue a warrant to take physical custody of a child. Specifically, section 2 authorizes a court, upon a petition submitted during a proceeding to establish custody of a child or to enforce or modify a child custody determination, to issue a warrant to take physical custody of the child where there is probable cause to believe that the child has been abducted. If the court determines that the child has been abducted and that an emergency situation exists, including, without limitation, a situation in which the child is in imminent danger of being removed from this State or in imminent danger of serious physical harm, the court is authorized to issue a warrant. Before issuing the warrant in an emergency situation, the court must hold a hearing at which the party alleging the need for the warrant is present but not the party alleged to have committed the act of abduction. If the court determines that the situation is not an emergency situation, before issuing the warrant, the court must hold a hearing at which both parties, the party alleging the need for the warrant and the party alleged to have committed the act of abduction, are given an opportunity to be heard.

Finally, existing law establishes the Office of Advocate for Missing or Exploited Children within the Office of the Attorney General and requires the Children’s Advocate to carry out various duties relating to missing or exploited children in this State. (NRS 432.157) Section 2 of this bill authorizes the Children’s Advocate or his or her designee, under certain circumstances, to apply to a court for a warrant to take physical custody of a missing child where there is probable cause to believe that the child has been abducted. Further, section 2 establishes the procedures for issuing such a warrant. Section 2 also defines the term “abduction” to include kidnapping, aiding and abetting kidnapping and the willful detaining, concealing or removing of a child from a person having lawful custody or a right of visitation of the child by a person who has a limited right of custody to the child by operation of law or pursuant to a court order, judgment or decree or who has no right of custody to the child.

Section 2 differs from the similar provisions of the Uniform Child Custody Jurisdiction and Enforcement Act and the Uniform Child Abduction Prevention Act in various ways, including, without limitation, with regard to the types of cases to which it applies. For example, section 2 applies to: (1) a
broader category of emergency situations; (2) emergency situations which occur before a child custody determination has been made and in which the child is in imminent danger of serious physical harm; (3) nonemergency situations for child custody determinations that are issued by courts in this State; and (4) children who are willfully detained or concealed from persons having lawful custody or a right of visitation of the child, in addition to children who are removed from such persons.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 125.470 is hereby amended to read as follows:

125.470 1. If, during any proceeding brought under this chapter, either before or after the entry of a final order concerning the custody of a minor child, it appears to the court that any minor child of either party has been, or is likely to be, taken or removed out of this State or concealed within this State, the court shall forthwith order such child to be produced before it and make such disposition of the child’s custody as appears most advantageous to and in the best interest of the child and most likely to assure to him or her the benefit of the final order or the modification or termination of the final order to be made in his or her behalf.

2. If, during any proceeding brought under this chapter, either before or after the entry of a final order concerning the custody of a minor child, the court finds that it would be in the best interest of the minor child, the court may enter an order providing that a party may, with the assistance of the appropriate law enforcement agency, obtain physical custody of the child from the party having physical custody of the child. The order must provide that if the party obtains physical custody of the child, the child must be produced before the court as soon as practicable to allow the court to make such disposition of the child’s custody as appears most advantageous to and in the best interest of the child and most likely to assure to him or her the benefit of the final order or the modification or termination of the final order to be made in his or her behalf.

3. If the court enters an order pursuant to subsection 2 providing that a party may obtain physical custody of a child, the court shall order that party to give the party having physical custody of the child notice at least 24 hours before the time at which he or she intends to obtain physical custody of the child, unless the court deems that requiring the notice would likely defeat the purpose of the order.

4. All orders for a party to appear with a child issued pursuant to this section may be enforced by issuing a warrant of arrest against that party to secure his or her appearance with the child.

Sec. 2. Chapter 125C 432 of NRS is hereby amended by adding thereto a new section to read as follows:
If, during any proceeding to establish custody of a child or enforce or modify a child custody determination, brought pursuant to this chapter or chapter 125 or 125A of NRS, it appears to the court upon a petition submitted by an aggrieved party or any other person having knowledge of the relevant facts:

1. The Children’s Advocate or his or her designee may apply to the court for a warrant to take physical custody of a missing child if, during an investigation of the missing child, it appears that there is probable cause to believe that:

   (b) The act of abduction was not committed without just cause, the court may issue a warrant to take physical custody of the child. A copy of a petition submitted pursuant to this subsection must be served upon the Children’s Advocate appointed pursuant to NRS 432.157 before any hearing is held by the court pursuant to this section.

2. In filing the application for a warrant, the Children’s Advocate and his or her designee acts on behalf of the court and not on behalf of any party.

(h) A declaration made under oath and penalty of perjury that every factual representation made in the application is true and correct to the best of the knowledge of the applicant.

4. The court may, in its discretion, supplement the allegations made in the application with the sworn testimony of the petitioner at a hearing before the court. Any such testimony must be recorded and preserved in the records of the court.

5. If an application is filed pursuant to this section:

(a) The Children’s Advocate or his or her designee may not be assessed a filing fee for the application; and

7. If the court determines that exigent circumstances exist in relation to the issuance of the warrant, including, without limitation, that the child is in imminent danger of being removed from this State or in imminent danger of serious physical harm, the court may issue the warrant described in subsection 6 after an ex parte hearing. If the court issues the warrant after an ex parte hearing:

(a) The court shall afford the custodial parent, the person alleged to have committed the act of abduction and, if different, the
person alleged to have possession of the child an opportunity to be heard at the earliest possible time after the warrant is executed, but not later than the next judicial day. 48 hours after the warrant is executed unless a hearing on that date is impossible. If a hearing on the next judicial day is impossible, the court shall hold the hearing on the first judicial day possible.

(b) Shall provide, or cause the petitioner to provide, the Children’s Advocate or his or her designee shall provide notice of the hearing to be held pursuant to paragraph (a) to the custodial parent, the person alleged to have committed the act of abduction and all other interested parties, if different, the person alleged to have possession of the child.

(b) Finds by a preponderance of the evidence that the act of abduction of the child was committed for the protection of the child or the person who allegedly abducted the child as described in subsection 1, the court shall:

Amendment No. 593.

SUMMARY— Authorizes redevelopment agencies to expend money to improve schools. Makes various changes relating to development.

BDR 22-579

AN ACT relating to community redevelopment; development; revising provisions relating to the preservation of historic neighborhoods in certain regional plans; authorizing redevelopment agencies to expend money, subject to certain limitations, to improve educational facilities located within certain cities or counties; requiring redevelopment agencies to file reports with their respective governing bodies and the Director of the Legislative Counsel Bureau; requiring certain
redevelopment agencies to set aside certain revenue from property taxes for an additional purpose; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 1 of this bill removes the specific requirement of addressing the preservation of historic neighborhoods in the regional plan of a county whose population is 100,000 or more but less than 400,000 (currently Washoe County).

Section 2 of this bill requires a redevelopment agency to submit, upon adoption of a redevelopment plan for a redevelopment area, an initial report containing certain specified information regarding each redevelopment area to the legislative body of the community and to the Nevada Legislature. Each agency is also required to submit an annual report containing information for the redevelopment area for the previous fiscal year, including with respect to areas in existence on July 1, 2011. Section 7 of this bill provides for the submission of an initial report for each redevelopment area for which a redevelopment plan has been adopted before July 1, 2011.

Existing law authorizes the legislative body of a community, having recognized the need for a redevelopment agency to function in the community, to establish a redevelopment revolving fund. (NRS 279.386, 279.392, 279.396, 279.410, 279.620) Existing law also specifies the manner in which, and the permissible purposes for which, money may be expended from the redevelopment revolving fund. (NRS 279.628) This Section 5 of this bill expands the permissible purposes for which money may be expended from a redevelopment revolving fund to include use by a redevelopment agency for the improvement, with certain limitations, of educational facilities in a city or county with a redevelopment area within its boundaries.

Section 6 of this bill requires the redevelopment agency of a city whose population is 300,000 or more (currently the City of Las Vegas) that receives certain revenue from taxes to set aside a portion of those revenues received on or after October 1, 2011, to be used to increase, improve and preserve, in addition to the number of dwelling units in the community for low-income households, the number of educational facilities within the redevelopment area.

Senate Bill No. 204. Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 744.

AN ACT relating to common-interest communities; enacting certain amendments to the Uniform Common-Interest Ownership Act; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law relating to common-interest communities is based on the Uniform Common-Interest Ownership Act (UCIOA), which was proposed by the Uniform Law Commission (ULC). (Chapter 116 of NRS) This bill enacts certain amendments to the UCIOA which have been proposed by the ULC.

Sections 2, 40 and 41 of this bill prescribe the manner in which an association must provide notice of meetings of units’ owners and of the executive board and any other notice required to be given by an association other than notices relating to the foreclosure of a lien on a unit held by the association.

Section 4 of this bill authorizes the executive board or any other person with an interest in the common-interest community to commence an action in the district court for the termination of a common-interest community if: (1) substantially all the units in the common-interest community have been destroyed or are uninhabitable; and (2) the available methods for giving notice of a meeting of units’ owners to consider termination are not likely to result in receipt of the notice.

Sections 5 and 6 of this bill reorganize and reenact certain provisions of existing law relating to the indemnification of members of executive boards and the provision of equal space to opposing views in official publications under certain circumstances. Additionally, section 6 enacts provisions
providing for equal time for candidates and representatives of ballot questions on a closed-circuit television station maintained by an association.

Under existing law, the definitions applicable to laws relating to common-interest communities apply to the declarations and bylaws of associations. (NRS 116.003) Section 7 of this bill (provides) clarifies that those definitions no longer apply to those declarations and bylaws.

Sections 8-16 of this bill change certain definitions set forth in existing law to conform to the language of the UCIOA.

Existing law provides that other principles of law, including, without limitation, the law of corporations and the law of unincorporated associations, supplement the existing law relating to common-interest communities. (NRS 116.1108) Section 18 of this bill provides that the laws governing other forms of organization supplement the existing law relating to common-interest communities.

Sections 20-22 of this bill adopt the language of certain amendments to the UCIOA relating to the applicability of existing law governing common-interest communities. Section 21 also requires certain associations containing not more than 12 units to provide each unit with a copy of any changes made to the governing documents within 30 days after such changes are made.

Sections 24-31 of this bill adopt the language of certain amendments to the UCIOA relating to the creation, alteration and termination of common-interest communities. Section 29 grants units’ owners the right to use the common elements for the purposes for which they were intended rather than granting an easement to use the common elements for all purposes. Section 30 amends provisions relating to requirements for amending the declaration of a common-interest community and to the enforcement of certain amendments. Section 31 amends the requirements for the termination of a common-interest community.

Sections 32-51 of this bill enact certain amendments to the UCIOA which relate to the governance of common-interest communities. Section 32 requires an association larger than 12 units to have an executive board and allows an association to be organized as any form of organization authorized by the law of this State. Section 33 allows the executive board not to take enforcement action if it determines that: (1) the law does not support such action; (2) the violation is not so material as to be objectionable to a reasonable person or to justify expending the association’s resources; or (3) it is not in the best interest of the association to pursue an enforcement action. Section 34 provides that officers of the association and members of the executive board are subject to the conflict of interest rules which govern officers and directors of nonprofit corporations organized under the law of this State. Section 34.5 provides that if an association seeks to impose and enforce a construction penalty, the association must provide notice of the maximum allowable penalty and schedule in the public offering statement or resale package. Section 36 authorizes a declarant to end the
period of declarant’s control by giving notice to units’ owners and recording an instrument stating that the declarant surrenders all rights to control activities of the association. **Section 37** amends provisions relating to the removal of members of the executive board. **Section 38** amends provisions relating to the termination of certain contracts entered into before the election of an executive board by units’ owners. **Section 40** provides that the portion of a meeting of the units’ owners devoted to comments by units’ owners is limited to comments by units’ owners regarding any matter affecting the common-interest community or the association. **Section 42** amends requirements for determining whether a quorum is present at a meeting of the executive board to provide that a majority of the votes on the executive board must be present at the time a vote is taken rather than at the beginning of the meeting. **Section 43** authorizes units’ owners to vote by absentee ballot at a meeting of the units’ owners. **Section 44** provides that a unit’s owner is not liable, by reason of being a unit’s owner, for injuries or damage arising out of the condition or use of the common elements. **Sections 45 and 59.5** of this bill require an association to obtain crime insurance and remove the requirement that a community manager post a bond. **Section 45** also requires the association to maintain property, liability and crime insurance subject to reasonable deductibles. **Section 48** amends provisions relating to common expenses caused by a unit’s owner, a tenant or an invitee of a unit’s owner or tenant. **Section 49** amends provisions relating to liens for certain charges imposed by an association and authorizes a court to appoint a receiver when an association brings an action to foreclose a lien or collect assessments. **Sections 51 and 60** amend provisions relating to the books and records of an association and the inspection of such books and records by units’ owners.

**Sections 52-58** of this bill enact certain amendments to the UCIOA which relate to the disclosures provided to purchasers of real estate located in a common-interest community and the warranties applicable to real estate located in a common-interest community. **Section 52** exempts the disposition of a unit restricted to nonresidential purposes from the requirement to provide a public offering statement or certificate of resale. **Section 53** amends the information required to be included in the public offering statement provided to an initial purchaser of a unit.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** Chapter 116 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 6, inclusive, of this act.

**Sec. 2.** 1. **Except as otherwise provided in subsection 3,** an association shall deliver any notice required to be given by the association under this chapter to any mailing or electronic mail address a unit’s owner designates. Except as otherwise provided in subsection 3, if a unit’s owner has not designated a mailing or electronic mail address to which a notice must be delivered, the association may deliver notices by:
(a) Hand delivery to each unit’s owner;
(b) Hand delivery, United States mail, postage paid, or commercially reasonable delivery service to the mailing address of each unit;
(c) Electronic means, if the unit’s owner has given the association an electronic mail address; or
(d) Any other method reasonably calculated to provide notice to the unit’s owner.

2. The ineffectiveness of a good faith effort to deliver notice by an authorized means does not invalidate action taken at or without a meeting.

3. The provisions of this section do not apply:
(a) To a notice required to be given pursuant to NRS 116.3116 to 116.31168, inclusive; or
(b) If any other provision of this chapter specifies the manner in which a notice must be given by an association.

Sec. 3. This chapter modifies, limits and supersedes the federal Electronic Signatures in Global and National Commerce Act, 15 U.S.C. §§ 7001 et seq., but does not modify, limit or supersede Section 101(c) of that Act, 15 U.S.C. § 7001(c), or authorize electronic delivery of any of the notices described in Section 103(b) of that Act, 15 U.S.C. § 7003(b).

Sec. 4. If substantially all the units in a common-interest community have been destroyed or are uninhabitable and the available methods for giving notice under NRS 116.3108 of a meeting of units’ owners to consider termination under NRS 116.2118 will not likely result in receipt of the notice, the executive board or any other interested person holding an interest in the common-interest community may commence an action in the district court of the county in which the common-interest community is located seeking to terminate the common-interest community. During the pendency of the action, the court may issue whatever orders it considers appropriate, including, without limitation, an order for the appointment of a receiver. After a hearing, the court may terminate the common-interest community or reduce its size and may issue any other order the court considers to be in the best interest of the units’ owners and persons holding an interest in the common-interest community.

Sec. 5. If a member of an executive board is named as a respondent or sued for liability for actions undertaken in his or her role as a member of the board, the association shall indemnify the member for his or her losses or claims, and undertake all costs of defense, unless it is proven that the member acted with willful or wanton misfeasance or with gross negligence. After such proof, the association is no longer liable for the cost of defense, and may recover costs already expended from the member of the executive board who so acted.

Sec. 6. 1. If an official publication contains any mention of a candidate or ballot question, the official publication must, upon request and under the same terms and conditions, provide equal space to all
candidates or to a representative of an organization which supports the passage or defeat of the ballot question.

2. If an official publication contains the views or opinions of the association, the executive board, a community manager or an officer, employee or agent of an association concerning an issue of official interest, the official publication must, upon request and under the same terms and conditions, provide equal space to opposing views and opinions of a unit’s owner of the common-interest community.

3. If an association has a closed-circuit television station and that station interviews, or provides time to, a candidate or a representative of an organization which supports the passage or defeat of a ballot question, the closed-circuit television station must, under the same terms and conditions, allow equal time for all candidates or a representative of an opposing view to the ballot question.

4. The association and its officers, employees and agents are immune from criminal or civil liability for any act or omission which arises out of the publication or disclosure of any information related to any person and which occurs in the course of carrying out any duties required pursuant to subsection 1, 2 or 3.

5. As used in this section:
   (a) “Issue of official interest” means:
      (1) Any issue on which the executive board or the units’ owners will be voting, including, without limitation, elections; and
      (2) The enactment or adoption of rules or regulations that will affect the common-interest community.
   (b) “Official publication” means:
      (1) An official website;
      (2) An official newsletter or other similar publication that is circulated to each unit’s owner; or
      (3) An official bulletin board that is available to each unit’s owner.

2. This chapter does not apply to:
(a) A limited-purpose association, except that a limited-purpose association:
(1) Shall pay the fees required pursuant to NRS 116.31155, except that if the limited-purpose association is created for a rural agricultural residential common-interest community, the limited-purpose association is not required to pay the fee unless the association intends to use the services of the Ombudsman;

(b) A planned community in which all units are restricted exclusively to nonresidential use unless the declaration provides that this chapter or a part of this chapter does apply to that planned community pursuant to NRS 116.12075. This chapter applies to a planned community containing both units that are restricted exclusively to nonresidential use and other units that are not so restricted only if the declaration so provides or if the real estate comprising the units that may be used for residential purposes would be a planned community in the absence of the units that may not be used for residential purposes.

(c) Common-interest communities or units located outside of this State, but the provisions of NRS 116.4102 to 116.4108, inclusive, apply to all contracts for the disposition of a unit in that common-interest community signed in this State by any party unless exempt under subsection 2 of NRS 116.4101.

(d) A common-interest community that was created before January 1, 1992, is located in a county whose population is less than 50,000, and has less than 50 percent of the units within the community put to residential use, unless a majority of the units’ owners otherwise elect in writing.

(c) Invalidate any assessments that were imposed on or before October 1, 1999, by a common-interest community created before January 1, 1992;

(d) Except as otherwise provided in subsection 8 of NRS 116.31105, prohibit a common-interest community created before January 1, 1992, or a common-interest community described in NRS 116.31105 from providing for a representative form of government, except that, in the election or removal of a member of the executive board, the voting rights of the units’ owners may not be exercised by delegates or representatives;
(e) Prohibit a master association which governs a time-share plan created pursuant to chapter 119A of NRS from providing for a representative form of government for the time-share plan; or
(f) Prohibit a master association which governs a planned community containing both units that are restricted exclusively to nonresidential use and other units that are not so restricted and which is exempt from the provisions of this chapter pursuant to paragraph (b) of subsection 2 from providing for a representative form of government.

4. The provisions of chapters 117 and 278A of NRS do not apply to common-interest communities.

       (3) A rural agricultural residential common-interest community; and
   (b) Is not authorized by its governing documents to enforce any restrictions concerning the use of units by units’ owners, unless the limited-purpose association is created for a rural agricultural residential common-interest community.

Sec. 21. NRS 116.1203 is hereby amended to read as follows:
116.1203 1. Except as otherwise provided in subsections 2 and 3, if a planned community contains no more than 12 units and is not subject to any developmental rights, it is subject only to NRS 116.1106 and 116.1107 unless the declaration provides that this entire chapter is applicable.
2. The provisions of NRS 116.12065 and the definitions set forth in NRS 116.005 to 116.095, inclusive, to the extent that the definitions are necessary to construe any of those provisions, apply to a residential planned community containing more than 6 units.
3. Except for NRS 116.3104, 116.31043, 116.31046 and 116.31138, the provisions of NRS 116.3101 to 116.350, inclusive, and sections 5 and 6 of this act and the definitions set forth in NRS 116.005 to 116.095, inclusive, to the extent that such definitions are necessary in construing any of those provisions, apply to a residential planned community containing more than 6 units.

Sec. 22. NRS 116.1206 is hereby amended to read as follows:
116.1206 1. Any provision contained in a declaration, bylaw or other governing document of a common-interest community that violates the provisions of this chapter:
   (a) Shall be deemed to conform with those provisions by operation of law, and any such declaration, bylaw or other governing document is not required to be amended to conform to those provisions.
   (b) Is superseded by the provisions of this chapter, regardless of whether the provision contained in the declaration, bylaw or other governing document became effective before the enactment of the provision of this chapter that is being violated.

2. In the case of amendments to the declaration, bylaws or plats of any common-interest community created before January 1, 1992:
   (a) If the result accomplished by the amendment was permitted by law before January 1, 1992, the amendment may be made either in accordance with that law, in which case that law applies to that amendment, or it may be made under this chapter; and
   (b) If the result accomplished by the amendment is permitted by this chapter, and was not permitted by law before January 1, 1992, the amendment may be made under this chapter.

3. An amendment to the declaration, bylaws or plats authorized by this section to be made under this chapter must be adopted in conformity with the applicable provisions of chapter 117 or 278A of NRS and, except as otherwise provided in subsection 8 of NRS 116.2117, with the procedures and requirements specified by those instruments. If an amendment grants to any person any rights, powers or privileges permitted by this chapter, all correlative obligations, liabilities and restrictions in this chapter also apply to that person.

Sec. 23. NRS 116.12075 is hereby amended to read as follows:
116.12075 1. The provisions of this chapter do not apply to a nonresidential condominium except to the extent that the declaration for the nonresidential condominium provides that:
   (a) This entire chapter applies to the condominium;
   (b) Only the provisions of NRS 116.001 to 116.2122, inclusive, and 116.3116 to 116.31168, inclusive, apply to the condominium; or
   (c) Only the provisions of NRS 116.3116 to 116.31168, inclusive, apply to the condominium.

2. If this entire chapter applies to a nonresidential condominium, the declaration may also require, subject to NRS 116.1112, that:
   (a) Notwithstanding NRS 116.3105, any management, maintenance operations or employment contract, lease of recreational or parking areas or facilities and any other contract or lease between the association and a declarant or an affiliate of a declarant continues in force after the declarant turns over control of the association; and
(b) Notwithstanding NRS 116.1104 and subsections 2 and 3 of NRS 116.311, purchasers of units must execute proxies, powers of attorney or similar devices in favor of the declarant regarding particular matters enumerated in those instruments.

Sec. 24. NRS 116.2103 is hereby amended to read as follows:

116.2103 1. The inclusion in a governing document of an association of a provision that violates any provision of this chapter does not render any other provisions of the governing document invalid or otherwise unenforceable if the other provisions can be given effect in accordance with their original intent and the provisions of this chapter.

2. The rule against perpetuities and NRS 111.103 to 111.1039, inclusive, do not apply to defeat any provision of the declaration, bylaws, rules or regulations adopted pursuant to NRS 116.3102.

3. If a conflict exists between the provisions of the declaration and the bylaws, the declaration prevails except to the extent the declaration is inconsistent with this chapter.

4. Title to a unit and common elements is not rendered unmarketable or otherwise affected by reason of an insubstantial failure of the declaration to comply with this chapter. Whether a substantial failure impairs marketability is not affected by this chapter.

Sec. 25. NRS 116.2105 is hereby amended to read as follows:

116.2105 1. The declaration must contain:

(a) The names of the common-interest community and the association and a statement that the common-interest community is either a condominium, cooperative or planned community;

(b) The name of every county in which any part of the common-interest community is situated;

(c) A legally sufficient description of the real estate included in the common-interest community;

(d) A statement of the maximum number of units that the declarant reserves the right to create;

(e) In a condominium or planned community, a description of the boundaries of each unit created by the declaration, including the unit’s identifying number or, in a cooperative, a description, which may be by plats, of each unit created by the declaration, including the unit’s identifying number, its size or number of rooms, and its location within a building if it is within a building containing more than one unit;

(f) A description of any limited common elements, other than those specified in subsections 2 and 4 of NRS 116.2102, as provided in paragraph (g) of subsection 2 of NRS 116.2109 and, in a planned community, any real estate that is or must become common elements;

(g) A description of any real estate, except real estate subject to developmental rights, that may be allocated subsequently as limited common elements, other than limited common elements specified in subsections 2 and 4 of NRS 116.2102, together with a statement that they may be so allocated;
(h) A description of any developmental rights and other special
declarant’s rights reserved by the declarant, together with a legally sufficient
description of the real estate to which each of those rights applies, and a time
limit within which each of those rights must be exercised;

(i) If any developmental right may be exercised with respect to different
parcels of real estate at different times, a statement to that effect together
with:

(1) Either a statement fixing the boundaries of those portions and
regulating the order in which those portions may be subjected to the exercise
of each developmental right or a statement that no assurances are made in
those regards; and

(2) A statement whether, if any developmental right is exercised in any
portion of the real estate subject to that developmental right, that
developmental right must be exercised in all or in any other portion of the
remainder of that real estate;

(j) Any other conditions or limitations under which the rights described in
paragraph (h) may be exercised or will lapse;

(k) An allocation to each unit of the allocated interests in the manner
described in NRS 116.2107;

(l) Any restrictions:

(1) On use, occupancy and alienation of the units; and

(2) On the amount for which a unit may be sold or on the amount that
may be received by a unit’s owner on sale, condemnation or casualty to the
unit or to the common-interest community, or on termination of the common-
interest community;

(m) The file number and book or other information to show where the lease is
recorded or a statement of where the recorded lease may be inspected;

(n) All matters required by NRS 116.2106 to 116.2109, inclusive,

2. The declaration may contain any other matters the declarant considers
appropriate.

Sec. 26. NRS 116.2106 is hereby amended to read as follows:
116.2106 1. Any lease the expiration or termination of which may
terminate the common-interest community or reduce its size must be
recorded. Every lessor of those leases in a condominium or planned
community shall sign the declaration. The declaration must state:

(a) The recording data or a statement of where the recorded lease may be inspected;

(b) The date on which the lease is scheduled to expire;

(c) A legally sufficient description of the real estate subject to the lease;
(d) Any right of the units’ owners to redeem the reversion and the manner whereby those rights may be exercised, or a statement that they do not have those rights;
(e) Any right of the units’ owners to remove any improvements within a reasonable time after the expiration or termination of the lease, or a statement that they do not have those rights; and
(f) Any rights of the units’ owners to renew the lease and the conditions of any renewal, or a statement that they do not have those rights.

2. After the declaration for a leasehold condominium or leasehold planned community is recorded, neither the lessor nor the lessor’s successor in interest may terminate the leasehold interest of a unit’s owner who makes timely payment of his or her share of the rent and otherwise complies with all covenants which, if violated, would entitle the lessor to terminate the lease. The leasehold interest of a unit’s owner in a condominium or planned community is not affected by failure of any other person to pay rent or fulfill any other covenant.

3. Acquisition of the leasehold interest of any unit’s owner by the owner of the reversion or remainder does not merge the leasehold and freehold interests unless the leasehold interests of all units’ owners subject to that reversion or remainder are acquired.

4. If the expiration or termination of a lease decreases the number of units in a common-interest community, the allocated interests must be reallocated in accordance with subsection 1 of NRS 116.1107 as if those units had been taken by eminent domain. Reallocations must be confirmed by an amendment to the declaration prepared, executed and recorded by the association.

Sec. 27. NRS 116.2107 is hereby amended to read as follows:

116.2107 1. The declaration must allocate to each unit:
(a) In a condominium, a fraction or percentage of undivided interests in the common elements and in the common expenses of the association, (NRS 116.3115) and a portion of the votes in the association;
(b) In a cooperative, a proportionate ownership in the association, a fraction or percentage of the common expenses of the association (NRS 116.3115) and a portion of the votes in the association; and
(c) In a planned community, a fraction or percentage of the common expenses of the association (NRS 116.3115) and a portion of the votes in the association.

2. The declaration must state the formulas used to establish allocations of interests. Those allocations may not discriminate in favor of units owned by the declarant or an affiliate of the declarant.

3. If units may be added to or withdrawn from the common-interest community, the declaration must state the formulas to be used to reallocate the allocated interests among all units included in the common-interest community after the addition or withdrawal.

4. The declaration may provide:
(a) That different allocations of votes are made to the units on particular matters specified in the declaration;
(b) For cumulative voting only for the purpose of electing members of the executive board; and
(c) For class voting on specified issues affecting the class if necessary to protect valid interests of the class.

Except as otherwise provided in NRS 116.31032, a declarant may not utilize cumulative or class voting for the purpose of evading any limitation imposed on declarants by this chapter nor may units constitute a class because they are owned by a declarant.

5. Except for minor variations because of rounding, the sum of the liabilities for common expenses and, in a condominium, the sum of the undivided interests in the common elements allocated at any time to all the units must each equal one if stated as a fraction or 100 percent if stated as a percentage. In the event of discrepancy between an allocated interest and the result derived from application of the pertinent formula, the allocated interest prevails.

6. In a condominium, the common elements are not subject to partition, and any purported conveyance, encumbrance, judicial sale or other voluntary or involuntary transfer of an undivided interest in the common elements made without the unit to which that interest is allocated is void.

7. In a cooperative, any purported conveyance, encumbrance, judicial sale or other voluntary or involuntary transfer of an ownership interest in the association made without the possessory interest in the unit to which that interest is related is void.

Sec. 28. NRS 116.2113 is hereby amended to read as follows:

116.2113 1. If the declaration expressly so permits, a unit may be subdivided into two or more units. Subject to the provisions of the declaration and other provisions of law other than this chapter, upon application of the unit’s owner to subdivide a unit, the association shall prepare, execute and record an amendment to the declaration, including, in a condominium or planned community, the plats, subdividing that unit.

2. The amendment to the declaration must be executed by the owner of the unit to be subdivided, assign an identifying number to each unit created, and reallocate the allocated interests formerly allocated to the subdivided unit to the new units in any reasonable manner prescribed by the owner of the subdivided unit or on any other basis the declaration requires.

Sec. 29. NRS 116.2116 is hereby amended to read as follows:

116.2116 1. Subject to the provisions of the declaration, a declarant has an easement through the common elements as may be reasonably necessary to discharge the declarant’s obligations or exercise special declarant’s rights, whether arising under this chapter or reserved in the declaration.
2. In a planned community, subject to the provisions of subsection 1 of NRS 116.3102 and NRS 116.3112, the units’ owners have an easement:

(a) In the common elements for purposes of access to their units; and

(b) To:

3. Subject to the declaration and any rules adopted by the association, the units’ owners have a right to use the common elements that are not limited common elements and all real estate that must become common elements (paragraph (f) of subsection 1 of NRS 116.2105) for all other purposes for which they were intended.

4. Unless the terms of an easement in favor of an association prohibit a residential use of a servient estate, if the owner of the servient estate has obtained all necessary approvals required by law or any covenant, condition or restriction on the property, the owner may use such property in any manner authorized by law without obtaining any additional approval from the association. Nothing in this subsection authorizes an owner of a servient estate to impede the lawful and contractual use of the easement.

5. The provisions of subsection 4 do not abrogate any easement, restrictive covenant, decision of a court, agreement of a party or any contract, governing document or declaration of covenants, conditions and restrictions, or any other decision, rule or regulation that a local governing body or other entity that makes decisions concerning land use or planning is authorized to make or enact that exists before October 1, 1999, including, without limitation, a zoning ordinance, permit or approval process or any other requirement of a local government or other entity that makes decisions concerning land use or planning.

Sec. 30. NRS 116.2117 is hereby amended to read as follows:

116.2117 1. Except as otherwise provided in NRS 116.21175, and except in cases of amendments that may be executed by a declarant under subsection 5 of NRS 116.2109 or NRS 116.211, or by the association under NRS 116.1107, 116.2106, subsection 3 of NRS 116.2108, subsection 1 of NRS 116.2112 or NRS 116.2113, or by certain units’ owners under subsection 2 of NRS 116.2108, subsection 1 of NRS 116.2112, subsection 2 of NRS 116.2113 or subsection 2 of NRS 116.2118, and except as otherwise limited by subsections 4, 7 and 8, the declaration, including any plats, may be amended only by vote or agreement of units’ owners of units to which at least a majority of the votes in the association are allocated, or any larger majority unless the declaration specifies. The declaration may specify a smaller number only if all of the units are restricted exclusively to nonresidential use. A different percentage for all amendments or for specified subjects of amendment, if the declaration requires the approval of another person as a condition of its effectiveness, the amendment is not valid without that approval.
2. No action to challenge the validity of an amendment adopted by the association pursuant to this section may be brought more than 1 year after the amendment is recorded.

3. Every amendment to the declaration must be recorded in every county in which any portion of the common-interest community is located and is effective only upon recordation. An amendment, except an amendment pursuant to NRS 116.2112, must be indexed in the grantee’s index in the name of the common-interest community and the association and in the grantor’s index in the name of the parties executing the amendment.

4. Except to the extent expressly permitted or required by other provisions of this chapter, no amendment may change the boundaries of any unit, change the allocated interests of a unit, or change the uses to which any unit is restricted, in the absence of unanimous consent of only those units’ owners whose units are affected and the consent of a majority of the owners of the remaining units.

5. Amendments to the declaration required by this chapter to be recorded by the association must be prepared, executed, recorded and certified on behalf of the association by any officer of the association designated for that purpose or, in the absence of designation, by the president of the association.

6. An amendment to the declaration which prohibits or materially restricts the permitted uses of a unit or the number or other qualifications of persons who may occupy units may not be enforced against a unit’s owner who was the owner of the unit on the date of the recordation of the amendment as long as the unit’s owner remains the owner of that unit.

7. A provision in the declaration creating special declarant’s rights that have not expired may not be amended without the consent of the declarant.

8. If any provision of this chapter or of the declaration requires the consent of a holder of a security interest in a unit, or an insurer or guarantor of such interest, as a condition to the effectiveness of an amendment to the declaration, that consent is deemed granted if:

   (a) The holder, insurer or guarantor has not requested, in writing, notice of any proposed amendment; or
   
   (b) Notice of any proposed amendment is required or has been requested and a written refusal to consent is not received by the association within 60 days after the association delivers notice of the proposed amendment to the holder, insurer or guarantor, by certified mail, return receipt requested, to the address for notice provided by the holder, insurer or guarantor in a prior written request for notice.

Sec. 31. NRS 116.2118 is hereby amended to read as follows:

116.2118 1. Except in the case of a taking of all the units by eminent domain, in the case of foreclosure against an entire cooperative of a security interest that has priority over the declaration, or in the circumstances described in section 4 of this act, a common-interest community may be terminated only by agreement of units’ owners to whom
at least 80 percent of the votes in the association are allocated, or any larger percentage the declaration specifies \footnote{4}, and with any other approvals required by the declaration. The declaration may specify a smaller percentage only if all of the units are restricted exclusively to nonresidential uses.

2. An agreement to terminate must be evidenced by the execution of an agreement to terminate, or ratifications thereof, in the same manner as a deed, by the requisite number of units’ owners. The agreement must specify a date after which the agreement will be void unless it is recorded before that date. An agreement to terminate and all ratifications thereof must be recorded in every county in which a portion of the common-interest community is situated and is effective only upon recordation.

3. In the case of a condominium or planned community containing only units having horizontal boundaries described in the declaration, an agreement to terminate may provide that all of the common elements and units of the common-interest community must be sold following termination. If, pursuant to the agreement, any real estate in the common-interest community is to be sold following termination, the agreement must set forth the minimum terms of the sale.

4. In the case of a condominium or planned community containing any units not having horizontal boundaries described in the declaration, an agreement to terminate may provide for sale of the common elements, but it may not require that the units be sold following termination, unless the declaration as originally recorded provided otherwise or all the units’ owners consent to the sale.

5. The association, on behalf of the units’ owners, may contract for the sale of real estate in a common-interest community, but the contract is not binding on the units’ owners until approved pursuant to subsections 1 and 2. If any real estate is to be sold following termination, title to that real estate, upon termination, vests in the association as trustee for the holders of all interests in the units. Thereafter, the association has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds thereof distributed, the association continues in existence with all powers it had before termination. Proceeds of the sale must be distributed to units’ owners and lienholders as their interests may appear, in accordance with NRS 116.21183 and 116.21185. Unless otherwise specified in the agreement to terminate, as long as the association holds title to the real estate, each unit’s owner and his or her successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted the unit. During the period of that occupancy, each unit’s owner and his or her successors in interest remain liable for all assessments and other obligations imposed on units’ owners by this chapter or the declaration.

6. In a condominium or planned community, if the real estate constituting the common-interest community is not to be sold following termination, title to the common elements and, in a common-interest
community containing only units having horizontal boundaries described in
the declaration, title to all the real estate in the common-interest community,
vests in the units’ owners upon termination as tenants in common in
proportion to their respective interests as provided in NRS 116.21185, and
liens on the units shift accordingly. While the tenancy in common exists,
each unit’s owner and his or her successors in interest have an exclusive right
to occupancy of the portion of the real estate that formerly constituted the
unit.

7. Following termination of the common-interest community, the
proceeds of a sale of real estate, together with the assets of the
association, are held by the association as trustee for units’ owners and
holders of liens on the units as their interests may appear.

Sec. 32. NRS 116.3101 is hereby amended to read as follows:

116.3101 1. A unit-owners’ association must be organized no later than
the date the first unit in the common-interest community is conveyed.
2. The membership of the association at all times consists exclusively of
all units’ owners or, following termination of the common-interest
community, of all owners of former units entitled to distributions of proceeds
under NRS 116.2118, 116.21183 and 116.21185, or their heirs, successors or
assigns.
3. Except for a residential planned community containing not
more than 12 units, the association must have an executive board.
4. The association must:
(a) Be organized as a profit or nonprofit corporation, association, limited-
liability company, trust, partnership or any other form of
organization authorized by the law of this State;
(b) Include in its articles of incorporation, articles of association, articles
of organization, certificate of registration, certificate of limited partnership,
certificate of trust or other documents of organization, or any amendment
thereof, that the purpose of the corporation, association, limited-liability
company, trust or partnership is to operate as an association pursuant to this
chapter;
(c) Contain in its name the words “common-interest community,”
“community association,” “master association,” “homeowners’ association”
or “unit-owners’ association”; and
(d) Comply with the applicable provisions of chapters 78, 81, 82, 86, 87,
87A, 88 and 88A of NRS when filing with the Secretary of State its articles
of incorporation, articles of association, articles of organization, certificate of
registration, certificate of limited partnership, certificate of trust or other
documents of organization, or any amendment thereof.

Sec. 33. NRS 116.3102 is hereby amended to read as follows:

116.3102 1. Except as otherwise provided in this chapter, and subject to the provisions of the declaration, the association may do any or all of the following:
(a) Shall adopt and, except as otherwise provided in the bylaws, may amend bylaws and may adopt and amend rules and regulations.

(b) Shall adopt and may amend budgets for revenues, expenditures and reserves and, in accordance with the requirements set forth in NRS 116.31151, may collect assessments for common expenses from the units’ owners and may invest funds of the association in accordance with the requirements set forth in NRS 116.311395.

(c) May hire and discharge managing agents and other employees, agents and independent contractors.

(d) May institute, defend or intervene in litigation or in arbitration, mediation or administrative proceedings in its own name on behalf of itself or two or more units’ owners on matters affecting the common-interest community.

(e) May make contracts and incur liabilities. Any contract between the association and a private entity for the furnishing of goods or services must not include a provision granting the private entity the right of first refusal with respect to extension or renewal of the contract.

(f) May regulate the use, maintenance, repair, replacement and modification of common elements.

(g) May cause additional improvements to be made as a part of the common elements.

(h) May acquire, hold, encumber and convey in its own name any right, title or interest to real estate or personal property, but:

   (1) Common elements in a condominium or planned community may be conveyed or subjected to a security interest only pursuant to NRS 116.3112; and

   (2) Part of a cooperative may be conveyed, or all or part of a cooperative may be subjected to a security interest, only pursuant to NRS 116.3112.

(i) May grant easements, leases, licenses and concessions through or over the common elements.

(j) May impose and receive any payments, fees or charges for the use, rental or operation of the common elements, other than limited common elements described in subsections 2 and 4 of NRS 116.2102, and for services provided to the units’ owners, including, without limitation, any services provided pursuant to NRS 116.310312.

(k) May impose charges for late payment of assessments pursuant to NRS 116.3115.

(l) May impose construction penalties when authorized pursuant to NRS 116.310305.

(m) May impose reasonable fines for violations of the governing documents of the association only if the association complies with the requirements set forth in NRS 116.31031.

(n) May impose reasonable charges for the preparation and recordation of any amendments to the declaration or any statements of
unpaid assessments, and impose reasonable fees, not to exceed the amounts authorized by NRS 116.4109, for preparing and furnishing the documents and certificate required by that section.

(o) May provide for the indemnification of its officers and executive board and maintain directors and officers liability insurance.

(p) May assign its right to future income, including the right to receive assessments for common expenses, but only to the extent the declaration expressly so provides.

(q) May exercise any other powers conferred by the declaration or bylaws.

(r) May exercise all other powers that may be exercised in this State by legal entities of the same type as the association.

(s) May direct the removal of vehicles improperly parked on property owned or leased by the association, as authorized pursuant to NRS 487.038, or improperly parked on any road, street, alley or other thoroughfare within the common-interest community in violation of the governing documents. In addition to complying with the requirements of NRS 487.038 and any requirements in the governing documents, if a vehicle is improperly parked as described in this paragraph, the association must post written notice in a conspicuous place on the vehicle or provide oral or written notice to the owner or operator of the vehicle at least 48 hours before the association may direct the removal of the vehicle, unless the vehicle:

(1) Is blocking a fire hydrant, fire lane or parking space designated for the handicapped; or

(2) Poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units’ owners or residents of the common-interest community.

(t) May exercise any other powers necessary and proper for the governance and operation of the association.

2. The declaration may not limit the power of the association to deal with the declarant which are if the limit is more restrictive than the imposed on the power of the association to deal with other persons.

3. The executive board may determine whether to take enforcement action by exercising the association’s power to impose sanctions or commence an action for a violation of the declaration, bylaws or rules, including whether to compromise any claim for unpaid assessments or other claim made by or against it. The executive board does not have a duty to take enforcement action if it determines that, under the facts and circumstances presented:

(a) The association’s legal position does not justify taking any or further enforcement action;

(b) The covenant, restriction or rule being enforced is, or is likely to be construed as, inconsistent with current law;
(c) Although a violation may exist or may have occurred, it is not so material as to be objectionable to a reasonable person or to justify expending the association’s resources; or
(d) It is not in the association’s best interests to pursue an enforcement action.
4. The executive board’s decision under subsection 3 not to pursue enforcement under one set of circumstances does not prevent the executive board from taking enforcement action under another set of circumstances, but the executive board may not be arbitrary or capricious in taking enforcement action.
5. Notwithstanding any provision of this chapter or the governing documents to the contrary, an association may not impose any assessment pursuant to this chapter or the governing documents on the owner of any property in the common-interest community that is exempt from taxation pursuant to NRS 361.125. For the purposes of this subsection, “assessment” does not include any charge for any utility services, including, without limitation, telecommunications, broadband communications, cable television, electricity, natural gas, sewer services, garbage collection, water or for any other service which is delivered to and used or consumed directly by the property in the common-interest community that is exempt from taxation pursuant to NRS 361.125.

Sec. 34. NRS 116.3103 is hereby amended to read as follows:
116.3103 1. Except as otherwise provided in the declaration, the bylaws, this section or other provisions of this chapter, the executive board [may act in all instances] acts on behalf of the association. In the performance of their duties, the officers and members of the executive board are fiduciaries and shall act on an informed basis, in good faith and in the honest belief that their actions are in the best interest of the association. [The] Officers and members of the executive board [are]:
(a) Are required to exercise the ordinary and reasonable care of officers and directors of a nonprofit corporation, subject to the business-judgment rule [a]; and
(b) Are subject to conflict of interest rules governing the officers and directors of a nonprofit corporation organized under the law of this State.
2. The executive board may not act [on behalf of the association] to [amend]:
(a) Amend the declaration [a]; [to terminate] [except as otherwise provided in NRS 116.2117.]
(b) Terminate the common-interest community [a]; [or to elect] [c]
(c) Elect members of the executive board [or determine their]; but unless the governing documents provide that a vacancy on the executive board must be filled by a vote of the membership of the association, the executive board may fill vacancies in its membership for the unexpired portion of any term or until the next regularly scheduled election of executive board members, whichever is earlier. Any executive board member elected to a
previously vacant position which was temporarily filled by board
appointment may only be elected to fulfill the remainder of the unexpired
portion of the term.

(d) Determine the qualifications, powers, [and] duties or terms of office,
but the executive board may fill vacancies in its membership for the
unexpired portion of any term unless the governing documents provide that a
vacancy on the executive board must be filled by a vote of the membership of
members of the executive board.

3. The executive board shall adopt budgets as provided in NRS
116.31151.

Sec. 34.5. NRS 116.310305 is hereby amended to read as follows:
116.310305 1. A unit’s owner shall adhere to a schedule required by
the association for:
   (a) The completion of the design of a unit or the design of an
improvement to a unit;
   (b) The commencement of the construction of a unit or the construction of
an improvement to a unit;
   (c) The completion of the construction of a unit or the construction of an
improvement to the unit; or
   (d) The issuance of a permit which is necessary for the occupancy of a
unit or for the use of an improvement to a unit.

2. The association may impose and enforce a construction penalty
against a unit’s owner who fails to adhere to a schedule as required pursuant
to subsection 1 if:
   (a) The [maximum amount of the] right to assess and collect a
construction penalty [and the schedule are] is set forth in:
      (1) The declaration;
      (2) Another document related to the common-interest community that is
recorded before the date on which the unit’s owner acquired title to the unit;
or
      (3) A contract between the unit’s owner and the association; [and]
   (b) The association has included notice of the maximum amount of the
construction penalty and schedule as part of any public offering statement
or resale package required by this chapter; and
   (c) The unit’s owner receives notice of the alleged violation which
informs the unit’s owner that he or she has a right to a hearing on the alleged
violation.

3. For the purposes of this chapter, a construction penalty is not a fine.

Sec. 35. NRS 116.31031 is hereby amended to read as follows:
116.31031 1. Except as otherwise provided in this section, if a unit’s
owner or a tenant or an invitee of a unit’s owner or a tenant violates any
provision of the governing documents of an association, the executive board
may, if the governing documents so provide:
   (a) Prohibit, for a reasonable time, the unit’s owner or the tenant or the
invitee of the unit’s owner or the tenant from:
(1) Voting on matters related to the common-interest community.

(2) Using the common elements. The provisions of this subparagraph do not prohibit the unit’s owner or the tenant or the invitee of the unit’s owner or the tenant from using any vehicular or pedestrian ingress or egress to go to or from the unit, including any area used for parking.

(b) Impose a fine against the unit’s owner or the tenant or the invitee of the unit’s owner or the tenant for each violation, except that:

(1) A fine may not be imposed for a violation that is the subject of a construction penalty pursuant to NRS 116.310305; and

(2) A fine may not be imposed against a unit’s owner or a tenant or invitee of a unit’s owner or a tenant for a violation of the governing documents which involves a vehicle and which is committed by a person who is delivering goods to, or performing services for, the unit’s owner or tenant or invitee of the unit’s owner or the tenant.

- If the violation poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units’ owners or residents of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents. If the violation does not pose an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units’ owners or residents of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents, but the amount of the fine must not exceed $100 for each violation or a total amount of $1,000, whichever is less. The limitations on the amount of the fine do not apply to any charges or costs that may be collected by the association pursuant to this section if the fine becomes past due.

2. The executive board may not impose a fine pursuant to subsection 1 against a unit’s owner for a violation of any provision of the governing documents of an association committed by an invitee of the unit’s owner or the tenant unless the unit’s owner:

(a) Participated in or authorized the violation;
(b) Had prior notice of the violation; or
(c) Had an opportunity to stop the violation and failed to do so.

3. **If the association adopts a policy imposing fines for any violations of the governing documents of the association, the secretary or other officer specified in the bylaws shall prepare and cause to be hand-delivered or sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit’s owner, a schedule of the fines that may be imposed for those violations.**

4. The executive board may not impose a fine pursuant to subsection 1 unless:

(a) Not less than 30 days before the violation, the unit’s owner and, if different, the person against whom the fine will be imposed had been
provided with written notice of the applicable provisions of the governing documents that form the basis of the violation; and

(b) Within a reasonable time after the discovery of the violation, the unit’s owner and, if different, the person against whom the fine will be imposed has been provided with:

(1) Written notice specifying the details of the violation, the amount of the fine, and the date, time and location for a hearing on the violation; and

(2) A reasonable opportunity to contest the violation at the hearing.

For the purposes of this subsection, a unit’s owner shall not be deemed to have received written notice unless written notice is mailed to the address of the unit and, if different, to a mailing address specified by the unit’s owner.

5. The executive board must schedule the date, time and location for the hearing on the violation so that the unit’s owner and, if different, the person against whom the fine will be imposed is provided with a reasonable opportunity to prepare for the hearing and to be present at the hearing.

6. The executive board must hold a hearing before it may impose the fine, unless the fine is paid before the hearing or unless the unit’s owner and, if different, the person against whom the fine will be imposed:

(a) Executes a written waiver of the right to the hearing; or

(b) Fails to appear at the hearing after being provided with proper notice of the hearing.

7. If a fine is imposed pursuant to subsection 1 and the violation is not cured within 14 days, or within any longer period that may be established by the executive board, the violation shall be deemed a continuing violation. Thereafter, the executive board may impose an additional fine for the violation for each 7-day period or portion thereof that the violation is not cured. Any additional fine may be imposed without notice and an opportunity to be heard.

8. If the governing documents so provide, the executive board may appoint a committee, with not less than three members, to conduct hearings on violations and to impose fines pursuant to this section. While acting on behalf of the executive board for those limited purposes, the committee and its members are entitled to all privileges and immunities and are subject to all duties and requirements of the executive board and its members.

9. A member of the executive board shall not participate in any hearing or cast any vote relating to a fine imposed pursuant to subsection 1 if the member has not paid all assessments which are due to the association by the member. If a member of the executive board:

(a) Participates in a hearing in violation of this subsection, any action taken at the hearing is void.

(b) Casts a vote in violation of this subsection, the vote is void.

10. The provisions of this section establish the minimum procedural requirements that the executive board must follow before it may impose a fine. The provisions of this section do not preempt any provisions of the governing documents that provide greater procedural protections.
11. Any past due fine must not bear interest, but may include any costs incurred by the association during a civil action to enforce the payment of the past due fine.

12. If requested by a person upon whom a fine was imposed, not later than 60 days after receiving any payment of a fine, an association shall provide to the person upon whom the fine was imposed a statement of the remaining balance owed.

Sec. 36. NRS 116.31032 is hereby amended to read as follows:

NRS 116.31032 1. Except as otherwise provided in this section, the declaration may provide for a period of declarant’s control of the association, during which a declarant, or persons designated by a declarant, may appoint and remove the officers of the association and members of the executive board. A declarant may voluntarily surrender the right to appoint and remove officers and members of the executive board before termination of that period and, in that event, the declarant may require, for the duration of the period of declarant’s control, that specified actions of the association or executive board, as described in a recorded instrument executed by the declarant, be approved by the declarant before they become effective. Regardless of the period provided in the declaration, a period of declarant’s control terminates no later than the earliest of:

(a) Sixty days after conveyance of 75 percent of the units that may be created to units’ owners other than a declarant, or, if the association exercises powers over a common-interest community pursuant to this chapter and a time-share plan pursuant to chapter 119A of NRS, 120 days after conveyance of 80 percent of the units that may be created to units’ owners other than a declarant;

(b) Five years after all declarants have ceased to offer units for sale in the ordinary course of business;

(c) Five years after any right to add new units was last exercised, whichever occurs earlier; or

(d) The day the declarant, after giving notice to units’ owners, records an instrument voluntarily surrendering all rights to control activities of the association.

2. A declarant may voluntarily surrender the right to appoint and remove officers and members of the executive board before termination of that period, but in that event the declarant may require, for the duration of the period of declarant’s control, that specified actions of the association or executive board, as described in a recorded instrument executed by the declarant, be approved by the declarant before they become effective.

3. Not later than 60 days after conveyance of 25 percent of the units that may be created to units’ owners other than a declarant, at least one member and not less than 25 percent of the members of the executive board must be elected by units’ owners other than the declarant. Not later than 60 days after conveyance of 50 percent of the units that may be created to units’ owners other than a declarant, not less than one-third of the
members of the executive board must be elected by units’ owners other than the declarant.

Sec. 37. NRS 116.31036 is hereby amended to read as follows:

116.31036 1. Notwithstanding any provision of the declaration or bylaws to the contrary, any member of the executive board, other than a member appointed by the declarant, may be removed from the executive board, with or without cause, if at a removal election held pursuant to this section:

(a) the number of votes cast in favor of removal constitutes:
   (a) at least 35 percent of the total number of voting members of the association; and
   (b) at least a majority of all votes cast in that removal election.

2. A removal election may be called by units’ owners constituting at least 10 percent, or any lower percentage specified in the bylaws, of the total number of voting members of the association. To call a removal election, the units’ owners must submit a written petition which is signed by the required percentage of the total number of voting members of the association pursuant to this subsection and which is mailed, return receipt requested, or served by a process server to the executive board or the community manager for the association. If a removal election is called pursuant to this subsection and:

   (a) the voting rights of the units’ owners will be exercised through the use of secret written ballots pursuant to this section:

      (1) the secret written ballots for the removal election must be sent in the manner required by this section not less than 15 days or more than 60 days after the date on which the petition is received; and
      (2) the executive board shall set the date for the meeting to open and count the secret written ballots so that the meeting is held not more than 15 days after the deadline for returning the secret written ballots and not later than 90 days after the date on which the petition was received.

   (b) the voting rights of the owners of time shares will be exercised by delegates or representatives as set forth in NRS 116.31105, the executive board shall set the date for the removal election so that the removal election is held not less than 15 days or more than 90 days after the date on which the petition is received.

   The association shall not adopt any rule or regulation which prevents or unreasonably interferes with the collection of the required percentage of signatures for a petition pursuant to this subsection.

3. Except as otherwise provided in NRS 116.31105, the removal of any member of the executive board must be conducted by secret written ballot in the following manner:

   (a) The secretary or other officer specified in the bylaws of the association shall cause a secret ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the common-interest
community or to any other mailing address designated in writing by the unit’s owner.

(b) Each unit’s owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit’s owner to return the secret written ballot to the association.

c) Only the secret written ballots that are returned to the association may be counted to determine the outcome.

d) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

e) The incumbent members of the executive board, including, without limitation, the member who is subject to the removal, may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

3. If a member of an executive board is named as a respondent or sued for liability for actions undertaken in his or her role as a member of the board, the association shall indemnify the member for his or her losses or claims, and undertake all costs of defense, unless it is proven that the member acted with willful or wanton misfeasance or with gross negligence. After such proof, the association is no longer liable for the cost of defense, and may recover costs already expended from the member of the executive board who so acted. Members of the executive board are not personally liable to the victims of crimes occurring on the property. Punitive damages may not be recovered against:

(a) The association;

(b) The members of the executive board for acts or omissions that occur in their official capacity as members of the executive board; or

(e) The officers of the association for acts or omissions that occur in their capacity as officers of the association.

4. The provisions of this section do not prohibit the Commission from taking any disciplinary action against a member of an executive board pursuant to NRS 116.745 to 116.795, inclusive.

Sec. 38. NRS 116.3105 is hereby amended to read as follows:

3. This section does not apply to any:

(b) A proprietary lease.

   (d) Makes it impracticable to comply with the provisions of subsection 2 or 5.

Sec. 42. NRS 116.3109 is hereby amended to read as follows:

116.3109 1. Except as otherwise provided in this section and NRS 116.31034, and except when the governing documents provide otherwise, a quorum is present throughout any meeting of the association if the number of members of the units’ owners if persons entitled to cast 20 percent of the votes in the association who are:
   (a) Are present in person or
   (b) Are present by proxy at the beginning of the meeting equals or exceeds 20 percent of the total number of voting members of the association;
   (c) Have cast absentee ballots in accordance with paragraph (d) of subsection 2 of NRS 116.311; or
   (d) Are present by any combination of paragraphs (a), (b) and (c).

At the subsequent meeting:
   (a) A quorum shall be deemed to be present if the number of members of the association who are present in person or by proxy at the beginning of the subsequent meeting equals or exceeds 20 percent of the total number of voting members of the association; and
   (b) If such a quorum is deemed to be present but the actual number of members who are present in person or by proxy at the beginning of the subsequent meeting is less than the number of members who are required for a quorum under the governing documents, the members who are present in person or by proxy at the subsequent meeting may take action only on those matters that were included as items on the agenda of the original meeting.
The provisions of this subsection do not change the actual number of votes that are required under the governing documents for taking action on any particular matter.

3. Unless the governing documents specify a larger number, a quorum of the executive board is deemed present throughout any meeting of the executive board only if individuals entitled to cast a majority of the votes on that board are present at the time a vote regarding that action is taken. If a quorum is present when a vote is taken, the affirmative vote of a majority of the members present is the act of the executive board unless a greater vote is required by the declaration or bylaws.

4. Meetings of the association must be conducted in accordance with the most recent edition of Robert’s Rules of Order Newly Revised, unless the bylaws or a resolution of the executive board adopted before the meeting provide otherwise.

Sec. 43. NRS 116.311 is hereby amended to read as follows:

116.311 1. Unless prohibited or limited by the declaration or bylaws and except as otherwise provided in this section, units’ owners may vote at a meeting in person, by absentee ballot pursuant to paragraph (d) of subsection 2, by a proxy pursuant to subsections 3 to 8, inclusive, or, when a vote is conducted without a meeting, by electronic or paper ballot pursuant to subsection 9.

2. At a meeting of units’ owners, the following requirements apply:

(a) Units’ owners who are present in person may vote by voice vote, show of hands, standing or any other method for determining the votes of units’ owners, as designated by the person presiding at the meeting.

(b) If only one of several owners of a unit is present, that owner is entitled to cast all the votes allocated to that unit. If more than one of the owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the owners cast the votes allocated to the unit without protest being made promptly to the person presiding over the meeting by any of the other owners of the unit.

(c) Unless a greater number or fraction of the votes in the association is required by this chapter or the declaration, a majority of the votes cast determines the outcome of any action of the association.

(d) Subject to subsection 1, a unit’s owner may vote by absentee ballot without being present at the meeting. The association promptly shall deliver an absentee ballot to an owner who requests it if the request is made at least 3 days before the scheduled meeting. Votes cast by absentee ballot must be included in the tally of a vote taken at that meeting.
(e) When a unit’s owner votes by absentee ballot, the association must be able to verify that the ballot is cast by the unit’s owner having the right to do so.

3. Except as otherwise provided in this section, votes allocated to a unit may be cast pursuant to a proxy executed by a unit’s owner. A unit’s owner may give a proxy only to a member of his or her immediate family, a tenant of the unit’s owner who resides in the common-interest community, another unit’s owner who resides in the common-interest community, or a delegate or representative when authorized pursuant to NRS 116.31105. If a unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through an executed proxy. A unit’s owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the person presiding over a meeting of the association.

4. Before a vote may be cast pursuant to a proxy:
   (a) The proxy must be dated.
   (b) The proxy must not purport to be revocable without notice.
   (c) The proxy must designate the meeting for which it is executed, and such a designation includes any recessed session of that meeting.
   (d) The proxy must designate each specific item on the agenda of the meeting for which the unit’s owner has executed the proxy, except that the unit’s owner may execute the proxy without designating any specific items on the agenda of the meeting if the proxy is to be used solely for determining whether a quorum is present for the meeting. If the proxy designates one or more specific items on the agenda of the meeting for which the unit’s owner has executed the proxy, the proxy must indicate, for each specific item designated in the proxy, whether the holder of the proxy must cast a vote in the affirmative or the negative on behalf of the unit’s owner. If the proxy does not indicate whether the holder of the proxy must cast a vote in the affirmative or the negative for a particular item on the agenda of the meeting, the proxy must be treated, with regard to that particular item, as if the unit’s owner were present but not voting on that particular item.
   (e) The holder of the proxy must disclose at the beginning of the meeting for which the proxy is executed and any recessed session of that meeting the number of proxies pursuant to which the holder will be casting votes.

5. A proxy terminates immediately after the conclusion of the meeting, and any recessed sessions of the meeting, for which it is executed.

6. Except as otherwise provided in this subsection, a vote may not be cast pursuant to a proxy for the election or removal of a member of the executive board of an association. A vote may be cast pursuant to a proxy for the election or removal of a member of the executive board of a master association which governs a time-share plan created pursuant to chapter 119A of NRS if the proxy is exercised through a delegate or representative authorized pursuant to NRS 116.31105.
7. The holder of a proxy may not cast a vote on behalf of the unit’s owner who executed the proxy in a manner that is contrary to the proxy.

8. A proxy is void if the proxy or the holder of the proxy violates any provision of subsections 3 to 7, inclusive.

9. Unless prohibited or limited by the declaration or bylaws, an association may conduct a vote without a meeting. Except as otherwise provided in NRS 116.31034 and 116.31036, if an association conducts a vote without a meeting, the following requirements apply:

(a) The association shall notify the units’ owners that the vote will be taken by ballot. 
(b) The association shall deliver a paper or electronic ballot to every unit’s owner entitled to vote on the matter. 
(c) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action. 
(d) When the association delivers the ballots, it shall also:
   (1) Indicate the number of responses needed to meet the quorum requirements; 
   (2) State the percentage of votes necessary to approve each matter other than election of directors; 
   (3) Specify the time and date by which a ballot must be delivered to the association to be counted, which time and date may not be fewer than 3 days after the date the association delivers the ballot; and 
   (4) Describe the time, date and manner by which units’ owners wishing to deliver information to all units’ owners regarding the subject of the vote may do so. 
(e) Except as otherwise provided in the declaration or bylaws, a ballot is not revoked after delivery to the association by death or disability of or attempted revocation by the person who cast that vote. 
(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action. 

10. If the declaration requires that votes on specified matters affecting the common-interest community must be cast by the lessees of leased units rather than the units’ owners who have leased the units:

(a) The provisions of subsections 1 to 7, inclusive, apply. This section applies to the lessees as if they were the units’ owners; 
(b) The units’ owners who have leased their units to the lessees may not cast votes on those specified matters; 
(c) The lessees are entitled to notice of meetings, access to records and other rights respecting those matters as if they were the units’ owners; and 
(d) The units’ owners must be given notice, in the manner provided in NRS 116.3108, of all meetings at which the lessees are entitled to vote. 

11. If any votes are allocated to a unit that is owned by the association, those votes may not be cast, by proxy or otherwise, for any purpose.
Sec. 44. NRS 116.3111 is hereby amended to read as follows:

116.3111 1. A unit’s owner is not liable, solely by reason of being a unit’s owner, for an injury or damage arising out of the condition or use of the common elements. Neither the association nor any unit’s owner except the declarant is liable for that declarant’s torts in connection with any part of the common-interest community which that declarant has the responsibility to maintain. [Otherwise, an]

2. An action alleging a wrong done by the association [must be brought], including, without limitation, an action arising out of the condition or use of the common elements, may be maintained only against the association and not against any unit’s owner. If the wrong occurred during any period of declarant’s control and the association gives the declarant reasonable notice of and an opportunity to defend against the action, the declarant who then controlled the association is liable to the association or to any unit’s owner for all tort losses not covered by insurance suffered by the association or that unit’s owner, and all costs that the association would not have incurred but for a breach of contract or other wrongful act or omission. Whenever the declarant is liable to the association under this section, the declarant is also liable for all expenses of litigation, including reasonable attorney’s fees, incurred by the association. [Any]

3. Except as otherwise provided in subsection 4 of NRS 116.4116 with respect to warranty claims, any statute of limitation affecting the association’s right of action against a declarant under this section is tolled until the period of declarant’s control terminates. A unit’s owner is not precluded from maintaining an action contemplated by this section because he or she is a unit’s owner or a member or officer of the association. Liens resulting from judgments against the association are governed by NRS 116.3117.

Sec. 45. NRS 116.3113 is hereby amended to read as follows:

116.3113 1. Commencing not later than the time of the first conveyance of a unit to a person other than a declarant, the association shall maintain, to the extent reasonably available [ both of the following] and subject to reasonable deductibles:

   (a) Property insurance on the common elements and, in a planned community, also on property that must become common elements, insuring against [all] risks of direct physical loss commonly insured against [or, in the case of a converted building, against fire and extended coverage perils. The total amount of] , which insurance, after application of any deductibles, must be not less than 80 percent of the actual cash value of the insured property at the time the insurance is purchased and at each renewal date, exclusive of land, excavations, foundations and other items normally excluded from property policies ; [ ]

   (b) [Liability] Commercial general liability insurance, including insurance for medical payments, in an amount determined by the executive board but not less than any amount specified in the declaration, covering all
occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements and, in cooperatives, also of all units; and

(c) Crime insurance which includes coverage for dishonest acts by members of the executive board and the officers, employees, agents, directors and volunteers of the association and which extends coverage to any business entity that acts as the community manager of the association and the employees of that entity. Such insurance may not contain a conviction requirement, and the minimum amount of the policy must be not less than an amount equal to 3 months of aggregate assessments on all units plus reserve funds or $5,000,000, whichever is less.

2. In the case of a building that is part of a cooperative or that contains units having horizontal boundaries described in the declaration, or vertical boundaries that comprise common walls between units, the insurance maintained under paragraph (a) of subsection 1, to the extent reasonably available, must include the units, but need not include improvements and betterments installed by units’ owners.

3. If the insurance described in subsections 1 and 2 is not reasonably available, the association promptly shall cause notice of that fact to be hand-delivered or sent prepaid by United States mail to all units’ owners. The declaration may require the association to carry any other insurance, and the association may carry any other insurance it considers appropriate to protect the association or the units’ owners.

4. An insurance policy issued to the association does not prevent a unit’s owner from obtaining insurance for the unit’s owner’s own benefit.

Sec. 46. NRS 116.31133 is hereby amended to read as follows:

116.31133 1. Insurance policies carried pursuant to NRS 116.3113 must provide that:

(a) Each unit’s owner is an insured person under the policy with respect to liability arising out of the unit’s owner’s interest in the common elements or membership in the association;

(b) The insurer waives its right to subrogation under the policy against any unit’s owner or member of his or her household;

(c) No act or omission by any unit’s owner, unless acting within the scope of his or her authority on behalf of the association, voids the policy or is a condition to recovery under the policy; and

(d) If, at the time of a loss under the policy, there is other insurance in the name of a unit’s owner covering the same risk covered by the policy, the association’s policy provides primary insurance.

2. Any loss covered by the property policy under subsections 1 and 2 of NRS 116.3113 must be adjusted with the association, but the proceeds for that loss are payable to any insurance trustee designated for that purpose, or otherwise to the association, and not to any holder of a security interest. The insurance trustee or the association shall hold any proceeds in
trust for the association, units’ owners and lienholders as their interests may appear. Subject to the provisions of NRS 116.31135, the proceeds must be disbursed first for the repair or restoration of the damaged property, and the association, units’ owners, and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or restored, or the common-interest community is terminated.

3. An insurer that has issued an insurance policy under this section shall issue certificates or memoranda of insurance to the association and, upon written request, to any unit’s owner or holder of a security interest. The insurer issuing the policy may not cancel or refuse to renew it until 30 days after notice of the proposed cancellation or nonrenewal has been mailed to the association, each unit’s owner, and each holder of a security interest to whom a certificate or memorandum of insurance has been issued at their respective last known addresses.

Sec. 47. NRS 116.31135 is hereby amended to read as follows:

116.31135 1. Any portion of the common-interest community for which insurance is required under NRS 116.3113 which is damaged or destroyed must be repaired or replaced promptly by the association unless:

(a) The common-interest community is terminated, in which case NRS 116.2118, 116.21183 and 116.21185 apply;

(b) Repair or replacement would be illegal under any state or local statute or ordinance governing health or safety; or

(c) Eighty percent of the units’ owners, including every owner of a unit or assigned limited common element that will not be rebuilt, vote not to rebuild.

2. The cost of repair or replacement in excess of insurance proceeds, deductibles and reserves is a common expense.

If the entire common-interest community is not repaired or replaced:

(a) The insurance proceeds attributable to the damaged common elements must be used to restore the damaged area to a condition compatible with the remainder of the common-interest community;

(b) Except to the extent that other persons will be distributees (subparagraph 2 of paragraph (l) of subsection 1 of NRS 116.2105):

(1) The insurance proceeds attributable to units and limited common elements that are not rebuilt must be distributed to the owners of those units and the owners of the units to which those limited common elements were allocated, or to lienholders, as their interests may appear; and

(2) The remainder of the proceeds must be distributed to all the units’ owners or lienholders, as their interests may appear, as follows:

(I) In a condominium, in proportion to the interests of all the units in the common elements; and

(II) In a cooperative or planned community, in proportion to the liabilities of all the units for common expenses.
3. If the units’ owners vote not to rebuild any unit, that unit’s allocated interests are automatically reallocated upon the vote as if the unit had been condemned under subsection 1 of NRS 116.1107, and the association promptly shall prepare, execute and record an amendment to the declaration reflecting the reallocations.

Sec. 48. NRS 116.3115 is hereby amended to read as follows:

116.3115 1. Until the association makes an assessment for common expenses, the declarant shall pay all common expenses. After an assessment has been made by the association, assessments must be made at least annually, based on a budget adopted at least annually by the association in accordance with the requirements set forth in NRS 116.31151. Unless the declaration imposes more stringent standards, the budget must include a budget for the daily operation of the association and a budget for the reserves required by paragraph (b) of subsection 2.

2. Except for assessments under subsections 4 to 7, inclusive [4], or as otherwise provided in this chapter:
   (a) All common expenses, including the reserves, must be assessed against all the units in accordance with the allocations set forth in the declaration pursuant to subsections 1 and 2 of NRS 116.2107.
   (b) The association shall establish adequate reserves, funded on a reasonable basis, for the repair, replacement and restoration of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore. The reserves may be used only for those purposes, including, without limitation, repairing, replacing and restoring roofs, roads and sidewalks, and must not be used for daily maintenance. The association may comply with the provisions of this paragraph through a funding plan that is designed to allocate the costs for the repair, replacement and restoration of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore over a period of years if the funding plan is designed in an actuarially sound manner which will ensure that sufficient money is available when the repair, replacement and restoration of the major components of the common elements or any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore are necessary. Notwithstanding any provision of the governing documents to the contrary, to establish adequate reserves pursuant to this paragraph, including, without limitation, to establish or carry out a funding plan, the executive board may, without seeking or obtaining the approval of the units’ owners, impose any necessary and reasonable assessments against the units in the common-interest community. Any such assessments imposed by the executive board must be based on the study of the reserves of the association conducted pursuant to NRS 116.31152.

3. Any assessment for common expenses or installment thereof that is 60 days or more past due bears interest at a rate equal to the prime rate at the
largest bank in Nevada as ascertained by the Commissioner of Financial Institutions on January 1 or July 1, as the case may be, immediately preceding the date the assessment becomes past due, plus 2 percent. The rate must be adjusted accordingly on each January 1 and July 1 thereafter until the balance is satisfied.

4. Except as otherwise provided in the governing documents:
   (a) Any common expense associated with the maintenance, repair, restoration or replacement of a limited common element must be assessed against the units to which that limited common element is assigned, equally, or in any other proportion the declaration provides;
   (b) Any common expense [or portion thereof] benefiting fewer than all of the units [or their owners may] be assessed exclusively against the units [or units' owners benefited]; and
   (c) The costs of insurance must be assessed in proportion to risk and the costs of utilities must be assessed in proportion to usage.

5. Assessments to pay a judgment against the association may be made only against the units in the common-interest community at the time the judgment was entered, in proportion to their liabilities for common expenses.

6. If damage to a unit or other part of the common-interest community, or if any other common expense is caused by the willful misconduct or gross negligence of any unit's owner, tenant or invitee of a unit's owner or tenant, the association may assess that expense exclusively against his or her unit [ ], even if the association maintains insurance with respect to that damage or common expense, unless the damage or other common expense is caused by a vehicle and is committed by a person who is delivering goods to, or performing services for, the unit's owner, tenant or invitee of the unit's owner or tenant.

7. The association of a common-interest community created before January 1, 1992, is not required to make an assessment against a vacant lot located within the community that is owned by the declarant.

8. If liabilities for common expenses are reallocated, assessments for common expenses and any installment thereof not yet due must be recalculated in accordance with the reallocated liabilities.

9. The association shall provide written notice to each unit’s owner of a meeting at which an assessment for a capital improvement is to be considered or action is to be taken on such an assessment at least 21 calendar days before the date of the meeting.

Sec. 49. NRS 116.3116 is hereby amended to read as follows:

116.3116 1. The association has a [statutory] lien on a unit for any construction penalty that is imposed against the unit’s owner pursuant to NRS 116.310305, any assessment levied against [attributable to] that unit or any fines imposed against the unit’s owner from the time the construction penalty, assessment or fine becomes due. Unless the declaration otherwise provides, [reasonable attorney’s fees and costs,] any penalties, [other] fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to
(n), inclusive, of subsection 1 of NRS 116.3102 and any other sums due to the association under the declaration, this chapter, or as a result of an administrative, arbitration, mediation or judicial decision are enforceable in the same manner as unpaid assessments under this section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

2. A lien under this section is prior to all other liens and encumbrances on a unit except:
   (a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes or takes subject to;
   (b) Except as otherwise provided in subsection 3, any first security interest on the unit recorded before the date on which the assessment sought to be enforced became delinquent or, in a cooperative, the first security interest encumbering only the unit’s owner’s interest and perfected before the date on which the assessment sought to be enforced became delinquent; and
   (c) Liens for real estate taxes and other governmental assessments or charges against the unit or cooperative.

The lien under this section is also prior to all security interests described in paragraph (b) of subsection 2 to the extent of any charges incurred by the association on a unit pursuant to NRS 116.310312 and to the extent of the assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 which would have become due in the absence of acceleration during the 9 months immediately preceding institution of an action to enforce the lien, unless federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien. If federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior to all security interests described in paragraph (b) of subsection 2 must be determined in accordance with those federal regulations, except that notwithstanding the provisions of the federal regulations, the period of priority for the lien must not be less than the 6 months immediately preceding institution of an action to enforce the lien. This subsection does not affect the priority of mechanics’ or materialmen’s liens, or the priority of liens for other assessments made by the association.

3. Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority.

4. Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required.
5. A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within 3 years after the full amount of the assessments becomes due.

6. This section does not prohibit actions to recover sums for which subsection 1 creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

7. A judgment or decree in any action brought under this section must include costs and reasonable attorney’s fees for the prevailing party.

8. The association, upon written request, shall furnish to a unit’s owner a statement setting forth the amount of unpaid assessments against the unit. If the interest of the unit’s owner is real estate or if a lien for the unpaid assessments may be foreclosed under NRS 116.31162 to 116.31168, inclusive, the statement must be in recordable form. The statement must be furnished within 10 business days after receipt of the request and is binding on the association, the executive board and every unit’s owner.

9. In a cooperative, upon nonpayment of an assessment on a unit, the unit’s owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and:
   (a) In a cooperative where the owner’s interest in a unit is real estate under NRS 116.1105, the association’s lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.
   (b) In a cooperative where the owner’s interest in a unit is personal property under NRS 116.1105, the association’s lien:
      (1) May be foreclosed as a security interest under NRS 104.9101 to 104.9709, inclusive; or
      (2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

10. In an action by an association to collect assessments or to foreclose a lien created under this section, the court may appoint a receiver to collect all rents or other income from the unit alleged to be due and owing to a unit’s owner before commencement or during pendency of the action. The receivership is governed by chapter 32 of NRS. The court may order the receiver to pay any sums held by the receiver to the association during pendency of the action to the extent of the association’s common expense assessments based on a periodic budget adopted by the association pursuant to NRS 116.3115.

Sec. 50. NRS 116.3117 is hereby amended to read as follows:

116.3117 1. In a condominium or planned community:
   (a) Except as otherwise provided in paragraph (b), a judgment for money against the association, if a copy of the docket or an abstract or copy of the judgment is recorded, is not a lien on the common elements, but is a lien in favor of the judgment lienholder against all of the other real property of the association and all of the units in the common-interest community at the time the judgment was entered. No other property of a unit’s owner is subject to the claims of creditors of the association.
(b) If the association has granted a security interest in the common elements to a creditor of the association pursuant to NRS 116.3112, the holder of that security interest shall exercise its right against the common elements before its judgment lien on any unit may be enforced.

(c) Whether perfected before or after the creation of the common-interest community, if a lien, other than a deed of trust or mortgage, including a judgment lien or lien attributable to work performed or materials supplied before creation of the common-interest community, becomes effective against two or more units, the owner of an affected unit may pay to the lienholder the amount of the lien attributable to his or her unit, and the lienholder, upon receipt of payment, promptly shall deliver a release of the lien covering that unit. The amount of the payment must be proportionate to the ratio which that owner’s liability for common expenses bears to the liabilities for common expenses of all owners whose units are subject to the lien. After payment, the association may not assess or have a lien against that owner’s unit for any portion of the common expenses incurred in connection with that lien.

(d) A judgment against the association must be indexed in the name of the common-interest community and the association and, when so indexed, is notice of the lien against the units.

2. In a cooperative:

(a) If the association receives notice of an impending foreclosure on all or any portion of the association’s real estate, the association shall promptly transmit a copy of that notice to each owner of a unit located within the real estate to be foreclosed. Failure of the association to transmit the notice does not affect the validity of the foreclosure.

(b) Whether for or not an owner’s unit is subject to the claims of the association’s creditors, no other property of an owner is subject to those claims.

Sec. 51. NRS 116.31175 is hereby amended to read as follows:

116.31175 1. Except as otherwise provided in this subsection, the executive board of an association shall, upon the written request of a unit’s owner, make available the books, records and other papers of the association for review at the business office of the association or a designated business location not to exceed 60 miles from the physical location of the common-interest community and during the regular working hours of the association, including, without limitation:

(a) The financial statement of the association;

(b) The budgets of the association required to be prepared pursuant to NRS 116.31151;

(c) The study of the reserves of the association required to be conducted pursuant to NRS 116.31152; and

(d) All contracts to which the association is a party and all records filed with a court relating to a civil or criminal action to which the association is a party.
2. The executive board shall provide a copy of any of the records described in paragraphs (a), (b) and (c) of subsection 1 to a unit’s owner or the Ombudsman within 21 days after receiving a written request therefor. Such records must be provided in electronic format at no charge to the unit’s owner or, if the association is unable to provide the records in electronic format, the executive board may charge a fee to cover the actual costs of preparing a copy, but the fee may not exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter.

3. If the executive board fails to provide a copy of any of the records pursuant to subsection 2 within 21 days, the executive board must pay a penalty of $25 for each day the executive board fails to provide the records.

4. The provisions of subsection 1 do not apply to:
   (a) The personnel records of the employees of the association, except for those records relating to the number of hours worked and the salaries and benefits of those employees;
   (b) The records of the association relating to another unit’s owner, including, without limitation, any architectural plan or specification submitted by a unit’s owner to the association during an approval process required by the governing documents, except for those records described in subsection 2;
   (c) Any document, including, without limitation, minutes of an executive board meeting, a reserve study and a budget, if the document:
      (1) Is in the process of being developed for final consideration by the executive board; and
      (2) Has not been placed on an agenda for final approval by the executive board.

5. The executive board of an association shall maintain a general record concerning each violation of the governing documents, other than a violation involving a failure to pay an assessment, for which the executive board has imposed a fine, a construction penalty or any other sanction. The general record:
   (a) Must contain a general description of the nature of the violation and the type of the sanction imposed. If the sanction imposed was a fine or construction penalty, the general record must specify the amount of the fine or construction penalty.
   (b) Must not contain the name or address of the person against whom the sanction was imposed or any other personal information which may be used to identify the person or the location of the unit, if any, that is associated with the violation.
   (c) Must be maintained in an organized and convenient filing system or data system that allows a unit’s owner to search and review the general records concerning violations of the governing documents.

6. If the executive board refuses to allow a unit’s owner to review the books, records or other papers of the association, the Ombudsman may:
(a) On behalf of the unit’s owner and upon written request, review the books, records or other papers of the association during the regular working hours of the association; and

(b) If the Ombudsman is denied access to the books, records or other papers, request the Commission, or any member thereof acting on behalf of the Commission, to issue a subpoena for their production.

7. The books, records and other papers of an association must be maintained for at least 10 years. The provisions of this subsection do not apply to:

(a) The minutes of a meeting of the units’ owners which must be maintained in accordance with NRS 116.3108; or

(b) The minutes of a meeting of the executive board which must be maintained in accordance with NRS 116.31083.

8. The executive board shall not require a unit’s owner to pay an amount in excess of $10 per hour to review any books, records, contracts or other papers of the association pursuant to the provisions of this section.

6. If an official publication contains or will contain any mention of a candidate or ballot question, the official publication must, upon request and without charge, provide equal space to the candidate or a representative of an organization which supports the passage or defeat of the ballot question.

7. 116.4116 1. [A] Unless a period of limitation is tolled under NRS 116.3111 or affected by subsection 4, a judicial proceeding for breach of any obligation arising under NRS 116.4113 or 116.4114 must be commenced within 6 years after the cause of action accrues, but the parties may agree to reduce the period of limitation to not less than 2 years. With respect to a unit that may be occupied for residential use, an agreement to reduce the period of limitation must be evidenced by a separate instrument executed by the purchaser.

2. Subject to subsection 3, a cause of action for breach of warranty of quality, regardless of the purchaser’s lack of knowledge of the breach, accrues:

4. During the period of declarant control, the association may authorize an independent committee of the executive board to evaluate and
enforce any warranty claims involving the common elements, and to 
address those claims. Only members of the executive board 
elected by units’ owners other than the declarant and other persons 
appointed by those independent members may serve on the committee, and 
the committee’s decision must be free of any control by the declarant or

If the committee is so created, the period of limitation for a warranty claim 
considered by the committee begins to run from the date of the first

of all governmental programs and services provided; review certain boards
and commissions in this State to determine the need for the
termination, consolidation, modification or continuation of those boards
and commissions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 2 of this bill creates the Nevada Sunset Commission and sets forth
the details regarding the members of the Commission, who are appointed by
seven different appointing authorities. Section 5 of this bill sets forth the
duties of the Commission which include, without limitation, reviewing and
evaluating all governmental programs and services in this State for necessity
and efficacy, and for duplication by other programs and services offered by
the Federal Government, this State or local governments in this State. Section
4 of this bill requires the Commission to meet at least bimonthly and to
annually report its findings and recommendations to the Governor and the
Legislature. Section 6 of this bill authorizes the Commission, with limited
exception, to apply for and receive gifts, grants, contributions or other money
to carry out its duties.

Existing law sets forth various requirements for serving on boards,
commissions and similar bodies, including residency requirements, the
procedure for filling vacancies and the qualifications and length of terms
for members. (NRS 232A.020) Section 1 of this bill prohibits the
Governor from appointing a person to a board, commission or similar
body if the person is a member of another board, commission or similar
body.

Existing law establishes the Legislative Commission and provides for
its powers and duties, which consist of, in part, investigating and
inquiring into subjects upon which the Legislature may act by the
enactment or amendment of statutes, governmental problems, important
issues of public policy or questions of statewide interest. (NRS 218E.150,
218E.175) Existing law also provides for certain standing subcommittees
of the Legislative Commission to carry out ongoing duties, such as the
Audit Subcommittee and the Budget Subcommittee. (NRS 218E.240,
218E.255) Finally, existing law requires the Legislative Commission to
conduct reviews of existing agencies to determine whether each agency
should be terminated, consolidated with another agency or continued.
(NRS 232B.010-232B.100)

Section 8 of this bill creates the Sunset Subcommittee of the
Legislative Commission and sets forth its membership. Section 9 of this
bill specifies the Sunset Subcommittee’s primary duties, which are: (1) to
conduct reviews of all boards and commissions in this State which are
not provided for in the Nevada Constitution or established by an
executive order of the Governor and determine whether each board or
commission should be terminated, modified, consolidated with another
agency or continued; (2) to make recommendations for improving the
boards or commissions which are to be modified, consolidated or
continued; and (3) to determine whether any tax exemptions, abatements or money set aside for a board or commission should be terminated, modified or continued. Section 9 also requires the Sunset Subcommittee to assess each board or commission reviewed for the cost of conducting the review.

Section 10 of this bill requires each board and commission to submit certain information about itself and how it operates to the Sunset Subcommittee and authorizes the Sunset Subcommittee to direct the Legislative Counsel Bureau to assist the Sunset Subcommittee in investigating, reviewing and analyzing the information submitted. Section 11 of this bill requires the Sunset Subcommittee to hold public hearings to receive commentary on whether a board or commission should be terminated, modified, consolidated or continued. Section 12 of this bill requires the Sunset Subcommittee to make recommendations for direct legislative action to carry out its recommendations regarding the termination, modification, consolidation or continuation of a board or commission.

Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 742.

AN ACT relating to common-interest communities; revising procedures for alternative dispute resolution of certain claims relating to common-interest communities; revising provisions governing the review of certain books, papers and records of an association; revising provisions governing the confidentiality of certain documents and information obtained by the Real Estate Division of the Department of Business and Industry; revising the penalties for filing frivolous, false or fraudulent claims; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Sections 1, 2 and 6-21 of this bill revise the procedures for: (1) the alternative dispute resolution of civil actions which relate to any governing documents or covenants, conditions or restrictions applicable to residential property; and (2) administrative proceedings which relate to a violation of existing law governing common-interest communities and condominium hotels. Sections 10 and 18 require a person to include in a written claim filed with the Real Estate Division of the Department of Business and Industry all claims which: (1) allege a violation of the governing documents or covenants, conditions or restrictions; and (2) allege a violation of existing law governing common-interest communities and condominium hotels. Under sections 1 and 15, the Ombudsman for Owners in Common-Interest Communities and Condominium Hotels must refer all claims to a mediator, and the Commission for Common-Interest Communities and Condominium Hotels shall adopt regulations establishing the maximum amount, not to exceed $500, of the fees and costs of the mediation and governing the manner in which such fees and costs are paid. If the mediation does not result in a settlement of the claim, sections 1 and 15 require the mediator to refer the claim: (1) to arbitration if the claim relates to the governing documents or covenants, conditions or restrictions applicable to the property; and (2) to the Division if the claim relates to a violation of a provision of existing law governing common-interest communities. If the claim is referred to an arbitrator, the arbitration is conducted in accordance with: (1) the rules of the American Arbitration Association or other comparable rules for speedy arbitration approved by the Division or the Commission; and (2) existing law governing the arbitration of such claims. If the claim is referred to the Division, section 11 requires the Division to determine whether good cause exists to proceed with a hearing on the alleged violation and, if good cause exists, to refer the claim to the Ombudsman or file a complaint with the Commission. If the claim is referred to the Ombudsman, the parties do not resolve the alleged violation with the assistance of the Ombudsman and the Division, after investigation, makes certain findings, the Administrator of the Division must file a formal complaint with the Commission.

Sections 5, 10 and 18 of this bill revise the penalties which may be imposed against a person who files with the Division a frivolous, false or
fraudulent claim or response and provide for penalties against a person who files a claim with the Division for the purpose of delay or harassment.

Existing law authorizes an association of a common-interest community to foreclose a lien by sale of a unit and prescribes the procedures for such a foreclosure. (NRS 116.31162-116.31168) Section 3.5 of this bill revises provisions governing foreclosures by prohibiting an association from foreclosing a lien by sale during the pendency of any mediation or arbitration if the issue in dispute is the basis for the foreclosure.

Section 4 of this bill provides that, unless and until a complaint is filed by the Real Estate Administrator, the executive board is not required to make available certain confidential documents and information relating to certain claims filed with the Division.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 741.

AN ACT relating to real property; revising provisions governing the exercise of the power of sale under a deed of trust concerning owner-occupied property; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, the trustee under a deed of trust concerning owner-occupied housing has the power to sell the property to which the deed of trust applies, subject to certain restrictions. (NRS 107.080, 107.085, 107.086) [Existing law prohibits the exercise of the trustee’s power of sale concerning owner-occupied property unless the trustee records in the office of the county recorder a certificate issued by the entity designated as the Mediation
This bill establishes additional restrictions on the trustee’s power of sale with respect to owner-occupied housing which are based on Maryland law and which require an analysis of the eligibility of the grantor or person who holds the title of record for a loan modification or other loss mitigation alternative. Section 1 of this bill provides that, not later than 30 days before the notice of default and election to sell is recorded in the office of the county recorder of the county in which the property is located, the beneficiary of the deed of trust must mail to the grantor or the person who holds title of record an application for a loan modification program or other loss mitigation alternative. If the application is returned to the beneficiary within 30 days after the date on which it is received by the grantor or person who holds title of record: (1) the beneficiary must forward it to the person responsible for analyzing the eligibility of the grantor or the person who holds title of record for a loan modification or other loss mitigation alternative; (2) that person must complete an analysis of the application; and (3) the trustee may not exercise the power of sale unless the beneficiary has mailed to the grantor or the person who holds title of record an affidavit certifying that an analysis of the application was completed. If the grantor or person who holds title of record returns a loss mitigation application within the required time period and requests foreclosure mediation in accordance with existing law: (1) under section 1, the analysis of the application must be completed before the mediation is conducted; and (2) under section 1.7 of this bill, the beneficiary of the deed of trust must bring to the mediation certain information related to the loss mitigation application. Section 1 further provides that if the grantor or the person who holds title of record does not return the loss mitigation application within 30 days after receipt of the application: (1) the beneficiary shall mail an affidavit to the grantor or person who holds title of record attesting to that fact; and (2) the trustee may exercise the power of sale in accordance with existing law.

Existing law provides that if certain provisions of existing law governing the exercise of the trustee’s power of sale are not followed, a court of competent jurisdiction may void the sale. (NRS 107.080) Section 1.3 of this bill authorizes a court of competent jurisdiction to void a sale made pursuant to the exercise of the trustee’s power of sale if the beneficiary of the deed of trust does not comply with the provisions of this bill. One such restriction: (1) requires the trustee under the deed of trust to include a form to request mediation with the notice of default and election to sell which is mailed to the grantor of the deed of trust or the person who holds title of record; and (2) authorizes the grantor of the deed of trust or the person who holds the title of record to request mediation under rules adopted by the Supreme Court. (NRS 107.086) Section 1.7 of this bill requires the notice of default and election to sell that is mailed to the grantor or the person who holds the title of record to include a notice provided by the
entity designated to administer the Foreclosure Mediation Program which states that the grantor or the person who holds the title of record has a right to seek foreclosure mediation in the Foreclosure Mediation Program.

Under existing law, another restriction on the exercise of the trustee’s power of sale prohibits the trustee from exercising the power of sale unless, not later than 60 days before the date of the sale, the trustee causes a notice to be served on the grantor or the person who holds the title of record which contains the telephone numbers of certain agencies which may provide assistance to the grantor or the person who holds the title of record. (NRS 107.085) Section 1.5 of this bill amends this notice to include: (1) a statement that the person receiving the notice may have a right to participate in the State of Nevada Foreclosure Mediation Program if the time to request mediation has not expired; (2) the telephone number of the State of Nevada Foreclosure Mediation Program; and (3) the telephone number of the Division of Mortgage Lending of the Department of Business and Industry.

The following amendment was proposed by Assemblyman Atkinson:
Amendment No. 809.
AN ACT relating to traffic laws; prohibiting a person from using a cellular telephone or other handheld wireless communications device while operating a motor vehicle in certain circumstances; providing penalties; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Under existing traffic laws of this State, it is a crime to engage in various activities while operating a motor vehicle or to operate a motor vehicle in a reckless or unsafe manner. (Chapters 484A-484E of NRS) Section 1 of this bill makes it a crime for a person to manually type or enter text into a cellular telephone or other similar device, or to send or read data using any such device, while operating a motor vehicle. Section 1 further prohibits a person from using such a device for voice communications unless the device is used with an accessory which allows the person to communicate without using his or her hands, with certain limited exceptions. Section 1 provides an exception to the prohibitions when the cellular telephone or other device is used by certain emergency and law enforcement personnel and persons designated by a sheriff or chief of police or the Director of the Department of Public Safety who are acting within the course and scope of their employment. Additional exceptions apply if: (1) the person is using the
cellular telephone or other device to report or request assistance relating to a medical emergency, a safety hazard or criminal activity; (2) the person is responding to a situation requiring immediate action and stopping the vehicle would be inadvisable, impractical or dangerous; (3) the person is a licensed amateur radio operator providing communications services in connection with a disaster or emergency, participating in a drill, test, or other exercise in preparation for a disaster or emergency or otherwise communicating public information; or (4) the person is an employee or contractor of a public utility and is responding to an emergency dispatch. A violation of the provisions added by section 1 is a misdemeanor and punishable by a fine of $50 for a first offense within the immediately preceding 7 years, $100 for a second offense within the immediately preceding 7 years and $250 for a third or subsequent offense within the immediately preceding 7 years. However, section 4 of this bill provides that until January 1, 2012, a law enforcement officer must not issue a citation to a person for violating section 1 but must give the person a verbal or written warning. Section 1 further provides that a first offense will not be treated as a moving traffic violation. Additionally, if a person is convicted of a third or subsequent offense, in addition to the fine, the driver’s license of the person will be suspended for 6 months. Section 2 of this bill makes the enhanced penalty for certain traffic violations that occur in a temporary traffic control zone applicable to violations of these new crimes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 484B of NRS is hereby amended by adding thereto a new section to read as follows:

(1) That has been provided by the public utility; and
(2) While responding to a dispatch by the public utility to respond to an emergency, including, without limitation, a response to a power outage or an interruption in utility service.

4. A person who violates any provision of subsection 1 is guilty of a misdemeanor and:

(a) For the first offense within the immediately preceding 7 years, shall pay a fine of $50.

(b) For the second offense within the immediately preceding 7 years, shall pay a fine of $100.
