   Father, I would like to take a moment to say Thank You. Those two words are so simple, but yet, we take things for granted and forget to say them.
   Thank You for carrying us this far, but now we ask that You might share a little bit of Your strength to get us through these final days of Session with grace and dignity.
   Help us to maintain friendships that may have been strained, and give strength to those who are weary.
   With the help of Your strength and wisdom, we take the next steps to complete a long and tedious task. We thank You for Your guidance.
   AMEN.

Pledge of Allegiance to the Flag.

Senator Wiener moved that further reading of the Journal be dispensed with, and the President and Secretary be authorized to make the necessary corrections and additions.

SECOND READING AND AMENDMENT
Senate Bill No. 115.
Bill read second time.
The following amendment was proposed by the Committee on Finance:
Amendment No. 846.
“SUMMARY—Establishes provisions Provides requirements governing payment for the provision of certain services and care to patients and reports relating to those services and care. (BDR 40-192)"
"AN ACT relating to health care; requiring certain hospitals and physicians to accept certain [rates] amounts as payment in full for the provision of certain services and care to certain patients; providing an exception under certain circumstances; requiring the submission of certain reports relating to policies of health insurance and similar contractual agreements by certain third parties who issue those policies and agreements; revising provisions relating to the duties of the Director of the Office for Consumer Health Assistance; requiring the Commissioner of Insurance Administrator of the Health Division of the Department of Health and Human Services to study issues relating to policies of health insurance and similar contractual agreements; requiring the Commissioner to adopt related regulations; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing law, a hospital is required to provide emergency services and care and to admit certain patients where appropriate, regardless of the financial status of the patient. (NRS 439B.410) Existing law also requires certain major hospitals to reduce total billed charges by at least 30 percent for hospital services provided to certain patients who have no insurance or other contractual provision for the payment of the charges by a third party. (NRS 439B.260) Section 13 of this bill requires an out-of-network hospital with 100 or more beds that is not operated by a federal, state or local governmental entity to accept, under certain circumstances, as payment in full for the provision of any medical screening and emergency services and care to [certain patients a rate] stabilize a patient who arrives at the out-of-network hospital through an emergency transport an amount which does not exceed the greater of: (1) the amount that the third party negotiated with other hospitals in this State; (2) the amount calculated using the same method the third party uses to determine payments to out-of-network hospitals, without reducing the calculation for cost sharing; or (3) the amount that would be paid by Medicare. The Commissioner of Insurance may adopt regulations to interpret these provisions in a manner that is similar to the interpretation of the federal regulation establishing the amount that certain health insurance providers must pay to out-of-network hospitals for emergency services. (29 C.F.R. § 2590.715-2719A) equals 115 percent of the amount set forth in the schedule of fees and charges established by the Division of Industrial Relations of the Department of Business and Industry for costs associated with services and care provided to a patient for treatment other than treatment of a traumatic injury, and 120 percent of the amount set forth in that schedule of fees and charges for costs associated with services and care provided to the patient for treatment of a traumatic injury. Section 14 of this bill similarly requires an out-of-network physician [on the medical staff] of an out-of-network hospital with 100 or more beds to accept as payment in full for the provision of medical screening and emergency services and care, other than services and care provided] to stabilize a patient [a rate] an
amount which is similarly calculated to that in section 13. Section 15 of this bill requires an out-of-network physician on the medical staff of an in-network hospital with 100 or more beds to accept as payment in full for the provision of medical services and care, other than services and care provided to stabilize a patient, a rate which is similarly calculated to that in section 12. Sections 12-15 further provide that, if a hospital or physician, as applicable, determines that the amount prescribed pursuant to those sections is not sufficient to reimburse for the provision of services and care to a patient, the hospital or physician may negotiate a different rate with the third party and may, under certain circumstances, file a complaint and request for mediation with the Director of the Office for Consumer Health Assistance. Section 17 of this bill requires the Director to establish a procedure for filing and processing such complaints and requests for mediation. Based on the schedule of fees and charges established by the Division of Industrial Relations, a physician who provides services and care to the patient for treatment other than treatment of a traumatic injury will receive an amount equal to 115 percent of the amount set forth in that schedule of fees and charges, an anesthesiologist will receive an amount equal to 120 percent of the amount set forth in that schedule of fees and charges, and a physician who provides services and care to the patient for treatment of a traumatic injury will receive 120 percent of the amount set forth in that schedule of fees and charges. Section 14 excludes emergency room physicians from these provisions. Sections 13 and 14 allow an out-of-network hospital and an out-of-network physician to negotiate a different amount if the hospital or physician believes that the amount provided pursuant to those sections does not provide a fair and reasonable rate of return in relation to the services provided. In addition, section 13 requires that a patient be transferred to an in-network hospital within a certain period after which the third party will be responsible for the billed charges if the patient has not been transferred. Section 14.5 of this bill provides the process for submitting a dispute regarding the fair and reasonable rate of return to mediation.

Section 16 of this bill requires a third party who wishes to pay the amounts prescribed pursuant to sections 13-15 and 14 to maintain an adequate network of providers and submit certain reports to the Administrator of the Health Division of the Department of Health and Human Services and to the Legislative Committee on Health Care. Section 11 of this bill provides that the provisions of this bill apply only to certain insurers that are organized as nonprofit entities. Section 12.7 of this bill provides that the provisions of this bill do not apply to Medicaid or to the Children's Health Insurance Program.

Except as otherwise provided in this section, an out-of-network physician [on the medical staff of an out-of-network hospital] who provides services to a patient at a hospital with 100 or more beds shall accept as payment in full for the provision of any medical screening and emergency services and care provided to a patient other than services and care provided to stabilize the patient a rate in accordance with subsection 2 if:

The median must be determined by treating the amount negotiated with each in-network physician as a separate amount, even if the same amount is paid to more than one physician.

(b) The amount for the emergency services and care calculated using the same method the third party uses to determine payments to out-of-network physicians, including, without limitation, the usual, customary and reasonable amount, excluding any deductible, copayment or coinsurance paid by the patient. The amount prescribed in this paragraph must be determined without reducing the calculation for cost sharing that is applied by the third party with respect to emergency services and care provided by an out-of-network physician.

(c) The amount that would be paid by Medicare pursuant to Title XVIII of the Social Security Act, 42 U.S.C. §§ 1395 et seq., for the emergency services and care, excluding any deductible, copayment or coinsurance paid by the patient.

3. An out-of-network physician is not required to accept as payment in full the amount specified pursuant to prescribed in subsection 2 if:

not meet the standards of adequacy, as prescribed by the [Commissioner of Insurance] Administrator of the Health Division of the [Department] pursuant to section [18] 1 of this act;

(b) The third party that issued the policy of insurance or other contractual agreement which provides coverage to the patient has not submitted the quarterly reports required by section 16 of this act;

(c) When applicable, the third party which provides coverage to the patient has not, in good faith, participated in a negotiation or mediation pursuant to subsection 4; and has not documented the occurrence and outcome of any negotiation or mediation;

(d) The patient does not pay or arrange for the payment of the deductible, copayment or coinsurance that the patient would otherwise have paid for the provision of emergency services and care to an in-network physician within 30 days after the patient has received the bill from the out-of-network physician explaining the amount owed by the patient; or

(e) The third party does not pay the out-of-network physician for the services and care within 60 days after receipt of the bill or, if applicable, within 60 days after the conclusion of any negotiation, mediation, arbitration or action between the third party and the out-of-network physician.

4. If an out-of-network physician believes that the amounts prescribed in subsection 2 do not provide a fair and reasonable rate of return in relation to the emergency services and care provided by the out-of-network physician, the out-of-network physician may enter into negotiations with the third party which provides coverage to the patient to resolve the difference between the amount charged by the physician and the amount paid by the third party. If such negotiations do not result in an agreement respecting a fair and reasonable rate of return, the out-of-network physician may file a complaint with the Director of the Office for Consumer Health Assistance pursuant to NRS 223.560 and request that the Director mediate to determine the amount that must be paid for such emergency services and care, or that the Director mediate as provided in section 14.5 of this act. An out-of-network physician may not commence an action in court until the matter has been submitted to mediation pursuant to section 14.5 of this act unless the parties agree in writing to waive mediation.

5. Sec. 14.5. 1. The parties shall select the mediator from the list by alternately striking one name until the name of only one mediator remains, who will be the mediator to hear the dispute. The out-of-network hospital or the out-of-network physician, as applicable, shall strike the first name.

2. If mediation is requested, the mediator must be selected at the time the parties agree to mediation or, if the parties do not agree upon a mediator, within 5 days after the parties receive the list of potential mediators.

3. The mediator shall bring the parties together as soon as possible and, unless otherwise agreed upon by the parties, attempt to settle the dispute within 30 days after being notified of the mediator's selection as mediator. The mediator may establish the times and dates for meetings and compel the parties to attend but has no power to compel the parties to agree.

4. Each party to the mediation shall pay one-half of the cost of mediation and shall pay its own costs of preparation and presentation of its case in mediation.

5. The patient must not be required to participate in the mediation.

6. If the parties are unable to reach an agreement through mediation, the parties may agree to submit the dispute to arbitration for resolution or an action may be commenced in a court of competent jurisdiction within 30 days after the completion of the mediation. If submitted to arbitration, the decision is final and binding upon the parties and the provisions of NRS 38.206 to 38.248, inclusive, apply.

Sec. 15. Except as otherwise provided in subsections 3 and 4, an out-of-network physician on the medical staff of an in-network hospital with 100 or more beds shall accept as payment in full for the provision of medical services and care to a patient, other than services and care provided to stabilize the patient, a rate in accordance with subsection 2 if the patient has a policy of insurance or other contractual agreement with a third party that provides coverage for the provision of medical services and care by more
than one physician in this State who provides the type of services and care other than the physician who provided the services and care.

2. Except as otherwise provided in subsections 3 and 4, an out-of-network physician on the medical staff of an in-network hospital with 100 or more beds that provides to a patient described in subsection 1 medical services and care other than services and care provided to stabilize the patient shall accept as payment in full for such services and care a rate which does not exceed the greater of:

(a) The amount negotiated by the third party with in-network physicians in this State for the medical services and care provided, excluding any deductible, copayment or coinsurance paid by the patient. If there is more than one amount negotiated with in-network physicians for the medical services and care, the amount prescribed in this paragraph must be equal to the median of the amounts negotiated by the third party with all in-network physicians. The median must be determined by treating the amount negotiated with each in-network physician as a separate amount, even if the same amount is paid to more than one physician.

(b) The amount for the medical services and care calculated using the same method the third party uses to determine payments to out-of-network physicians, including, without limitation, the usual, customary and reasonable amount, excluding any deductible, copayment or coinsurance paid by the patient. The amount prescribed in this paragraph must be determined without reducing the calculation for cost sharing that is applied by the third party with respect to medical services and care provided by an out-of-network physician.

(c) The amount that would be paid by Medicare pursuant to Title XVIII of the Social Security Act, 42 U.S.C. §§ 1395 et seq., for the medical services and care, excluding any deductible, copayment or coinsurance paid by the patient.

The Commissioner of Insurance may adopt regulations that interpret the provisions of this subsection, which must be consistent with the provisions of 29 C.F.R. § 2590.715-2710A to the extent practicable.

3. An out-of-network physician is not required to accept or payment in full the amount specified pursuant to subsection 2 if:

(a) The network of the third party that issued the policy of insurance or other contractual agreement which provides coverage to the patient does not meet the standards of adequacy as determined by the Commissioner of Insurance pursuant to section 18 of this act.

(b) The third party that issued the policy of insurance or other contractual agreement which provides coverage to the patient has not submitted the quarterly reports required by section 16 of this act.

(c) The third party which provides coverage to the patient has not, in good faith, participated in a negotiation or mediation pursuant to subsection 1 and has not documented the occurrence and outcome of any negotiation or mediation.
(d) The patient has not paid the deductible, copayment or coinsurance that the patient would have paid for the provision of health care to an in-network physician; or

(e) The third party has not paid the out-of-network physician for the services and care within 60 days after receipt of the bill or, if applicable, within 60 days after the conclusion of any negotiation or mediation between the third party and the physician.

4. If an out-of-network physician believes that the amounts prescribed in subsection 2 are insufficient to compensate the physician for the medical services and care provided by the physician, the physician may enter into negotiations with the third party which provides coverage to the patient to resolve the difference between the amount charged by the physician and the amount paid by the third party. If such negotiations do not result in an agreement on the amount that will be paid for the services and care, the out-of-network physician may file a complaint with the Director of the Office for Consumer Health Assistance pursuant to NRS 223.560 and request that the Director mediate to determine the amount that must be paid for such services and care. (Deleted by amendment.)

Sec. 16. 1. If a third party which issues a policy of insurance or other contractual agreement that provides coverage for health care in this State wishes for out-of-network hospitals and out-of-network physicians to accept as payment in full the amounts prescribed in sections 13 and 14 of this act, the third party shall:

(a) Compile a list of the in-network hospitals and in-network physicians of the third party and review information concerning the in-network hospitals and in-network physicians to determine whether a person who is covered by that policy of insurance or other contractual agreement that provides coverage for health care has adequate access to health care, including, without limitation, a review of:

(i) (1) The number and types of in-network hospitals and in-network physicians, including, without limitation, emergency room physicians, anesthesiologists and specialty physicians;

(ii) (2) The location of the in-network hospitals and in-network physicians compared to the location where the persons covered by the policy of insurance or other contractual agreement that provides coverage for the provision of health care live and work;

(iii) (3) Whether a person who is covered by the policy of insurance or other contractual agreement that provides coverage for the provision of health care has access to in-network hospitals and in-network physicians without experiencing an unreasonable delay in the provision of health care;

(iv) (4) Whether the third party has an adequate number of providers of health care in its network to ensure access to medical emergency services and care, as determined by the Commissioner of Insurance.
Administrator of the Health Division of the Department pursuant to section 1 of this act; and

(5) The in-network hospitals which provide medical screenings and emergency services and care and the number and type of in-network physicians on the medical staff of who have privileges at those in-network hospitals to ensure that the third party has contracted with a sufficient number and type of physicians who are on the medical staff of at those in-network hospitals.

(b) Review the frequency with which persons covered by the policy of insurance or other contractual agreement that provides coverage for the provision of health care receive medical screenings and emergency services and care by out-of-network physicians at in-network hospitals and the rate at which those medical screening and emergency services and care are reimbursed by the third party.

(c) Ensure that persons covered by the policy of insurance or other contractual agreement that provides coverage for the provision of health care receive adequate information regarding in-network hospitals and in-network physicians and the financial impact of receiving medical screenings or emergency services and care from out-of-network hospitals and out-of-network physicians, including, without limitation, the financial impact of receiving medical screenings and emergency services and care from an out-of-network physician on the medical staff of at an in-network hospital. The information must be provided in a format that is meaningful for persons making an informed decision concerning medical medical screenings and emergency services and care and must be accessible to persons covered by the policy of insurance or other contractual agreement.

(d) Submit once each calendar quarter to the Administrator of the Health Division of the Department and the Legislative Committee on Health Care a report containing a summary of the reviews conducted pursuant to subsections 1 and 2 information collected pursuant to this subsection and the educational efforts undertaken pursuant to subsection 3 paragraph (c).

2. If an out-of-network hospital or out-of-network physician is required to accept as payment in full the amounts prescribed in section 13 and 14 of this act, as applicable, the third party which issues a policy of insurance or other contractual agreement that provides coverage for health care in this State is not entitled to any other discount from the out-of-network hospital or out-of-network physician and, except as otherwise provided in sections 13 and 14 of this act, must pay the amount provided pursuant to sections 13 and 14 of this act, as applicable, for each charge covered by those sections for care provided to the patient.

3. An out-of-network hospital or out-of-network physician which is required to accept as payment in full the amount prescribed in sections 13 and 14 of this act, as applicable, shall not collect or attempt to collect from
the patient any amount other than any deductible, copayment or coinsurance which the patient would otherwise be required to pay had the medical screening or emergency services and care been provided at an in-network hospital or by an in-network physician, as applicable.

Remarks by Senator Copening.

Senator Copening requested that her remarks be entered in the Journal.

Senate Bill No. 115 limits the amount that certain out-of-network hospitals and out-of-network physicians may charge when a patient is transported to the emergency room. Amendment No. 846 revises Senate Bill No. 115 in some significant ways to accommodate many of the concerns that were raised about the underlying bill. The amendment removes the Commissioner of Insurance. The bill requires a study of the adequacy of networks of the insurers. This amendment will require that study to be conducted by the Administrator of the Health Division and requires the Administrator to prescribe standards of adequacy.

The amendment limits the application of the bill only to insurers that are organized as nonprofit entities. This is in Section 11.

The amendment exempts Medicaid and the Children's Health Insurance Program from this bill. It provides that compensation to the out-of-network hospitals and physicians that are subject to the bill will be determined using the schedule of fees and charges established by the Division of Industrial Relations (DIR) of the Department of Business and Industry. For non-trauma care provided to the patient the hospital and physicians will be compensated at 115 percent of the amount set forth in that schedule, and for trauma care they will be compensated at 120 percent of the amount set forth in that schedule. Anesthesiologists will always receive 120 percent of the amount set forth in that schedule. These rates apply to the provision of any medical screening and emergency services and care required to stabilize the patient. This is in sections 13 and 14.

The amendment allows an out-of-network hospital or out-of-network physician to negotiate a different amount if the hospital or physician believes that the payment does not provide a fair and reasonable rate of return in relation to the services provided. In addition, if the parties cannot agree on a fair and reasonable rate, they are required to use mediation to try to resolve the dispute. This is in sections 13(4) and 14(4).

The amendment requires a patient to be transferred to an in-network hospital within a certain period, after which the third party will be responsible for the billed charges if the patient is not transferred. This is in sections 13(5) and 14(5).

The amendment exempts emergency room physicians from the provisions of the measure. This is in Section 14.
The amendment provides the process for submitting a dispute regarding the fair and reasonable rate of return to mediation. The parties are allowed to select a mediator, or if they are unable to agree on a mediator, they are authorized to request a list of seven potential mediators from the American Arbitration Association or the Federal Mediation and Conciliation Service. The mediator is selected by alternately striking one name until one mediator remains. The out-of-network hospital or out-of-network physician has the benefit of striking the first name. The mediator must attempt to settle the dispute within 30 days. Each party to the mediation is required to pay one-half of the cost of mediation. If the parties are unable to reach an arbitration for resolution or may commence and action in a court of competent jurisdiction within 30 days after the completion of the mediation. This is in Section 14.5.

The amendment requires an insurer that wants to apply the limitation on payment prescribed in the measure to maintain an adequate network of providers and submit certain reports regarding network adequacy and out-of-network services and care to the Administrator of the Health Division of the Department of Health and Human Services and to the Legislative Committee on Health Care. This is in Section 16(1). Out-of-network hospitals and out-of-network physicians are not required to accept the amount specified in the measure if the third-payer does not meet these and other specified requirements. This is in Sections 13(3) and 14(3).

The amendment provides that an insurer that pays a hospital or physician applying the provisions of this bill is not entitled to any other discount from the out-of-network hospital or out-of-network physician. This is in Section 16(2).

The amendment requires payments by the insurer to be made within 30 days after receiving the bill or after the conclusion of any negotiations or mediation. This is in Sections 13(3)(e) and 14(3)(e).

The amendment requires the patient to make payments or arrange for payments of deductibles, copayments, or coinsurance within 30 days of receipt of bill. It prohibits an out-of-network hospital or out-of-network physician from collecting from the patient any amount other than any deductible, co-payment, or coinsurance which would otherwise be required to pay had the medical screening or emergency services and care been provided at an in-network hospital or by an in-network physician. This is Section 13(3)(d) and Section 14(3)(d).

The amendment prohibits providers from collecting or attempting to collect any additional payments for the patient. This is in Section 16(3).

Senator Hardy requested that the following remarks be entered in the Journal.
SENATOR HARDY:
Thank you, Mr. President. Recognizing the Division of Industrial Relations (DIR) is referenced as to the criteria that looks at the rate setting, occasionally there is an emergency during a pregnancy and a woman may be transported to a hospital by ambulance. Does the Division of Industry, which specializes in workman's compensation, have a nexus to an emergency during a pregnancy where a woman may have to go to the emergency room?

SENATOR COPENING:
Thank you, Mr. President. We spoke with the head of DIR and they have a schedule for pregnancy, but for anything they do not have, they use the relative values for physicians.

The following amendment was proposed by the Committee on Education:
Amendment No. 876.
"SUMMARY—Revises provisions governing charter schools. (BDR 34-900)"
"AN ACT relating to education; revising provisions relating to sponsorship of charter schools; creating the State Public Charter School Authority; prescribing the membership, duties and powers of the State Public Charter School Authority; imposing certain restrictions on contracts between a charter school or proposed charter school and a contractor or educational management organization; repealing the Subcommittee on Charter Schools of the State Board of Education; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law authorizes the formation of charter schools and authorizes school districts, the State Board of Education and colleges and universities within the Nevada System of Higher Education to sponsor charter schools. (NRS 386.500-386.610) Sections 25-35.5 of this bill create the State Public Charter School Authority and prescribe the membership of the State Public Charter School Authority. Section 38 of this bill removes the authority of the State Board of Education to sponsor charter schools and authorizes the State Public Charter School Authority to sponsor charter schools. Sections 43 and 49 of this bill authorize the State Public Charter School Authority to adopt certain regulations relating to charter schools and eliminate the authority of the Department of Education and the State Board of Education to adopt certain regulations relating to charter schools. Section 2 of this bill transfers the duty to prepare an annual report of accountability information of each charter school in this State from the board of trustees of a school district to the sponsor of that charter school. Sections 59 and 60 of this bill require the Director of the State Public Charter School Authority and other persons employed by the State Public Charter School Authority to be appointed or hired, as appropriate. Section 61 of this bill requires the members of the State Public Charter School Authority to be appointed. Section 64 of this bill
transfers the sponsorship of all charter schools sponsored by the State Board of Education to the State Public Charter School Authority.

Existing administrative regulations of the Department of Education set forth certain restrictions on contracts and proposed contracts between a charter school or proposed charter school and a contractor or an educational management organization. (NAC 386.403) Section 35.7 of this bill codifies into statute the provisions of this regulation. Section 35.7 also defines educational management organization for purposes of that section.

Section 57 of this bill repeals the Subcommittee on Charter Schools of the State Board of Education.

WHEREAS, The Legislature recognizes that each child in this State should be afforded the opportunity to receive a high-quality education from the public schools of this State; and

WHEREAS, Some children perform better in different learning environments, and the educational programs in public schools should be designed to fit the individual needs of those children; and

WHEREAS, It is the intent of the Legislature to provide teachers and other educational personnel, parents, legal guardians and other persons who are interested in the system of public education in this State the opportunity to:

1. Improve the learning of pupils by creating public schools with rigorous standards for the academic achievement of pupils;
2. Close the achievement gaps between high-performing and low-performing groups of pupils;
3. Increase the opportunities for learning for all pupils;
4. Increase access to alternative educational programs for pupils who are identified as being at risk for academic failure; and
5. Encourage diverse approaches to public education and the use of innovative teaching methods that have proven effective; and

WHEREAS, The Legislature finds that the success of charter schools in this State depends upon the support of high-quality sponsors, effective charter associations and resource centers, effective educational personnel and parents and legal guardians of pupils enrolled in the charter schools; and

WHEREAS, The Legislature finds that the sponsors of successful charter schools maintain high standards for the sponsor and the charter schools they sponsor, preserve autonomy for the charter schools they sponsor and protect the interests of the pupils enrolled in the charter schools and the communities they serve; and

WHEREAS, The Legislature finds that the creation of a State Public Charter School Authority can serve as a model of the best practices in sponsoring charter schools and can foster high-quality public school choice through the charter schools it sponsors by providing pupils with an opportunity to maximize their academic potential; now, therefore,

The State Public Charter School Authority, the board of trustees, the college or the university, as applicable, shall, not later than 10 days after the approval of the application, provide written notice to the Department of the approval
and the date of the approval. If the board of trustees approves the application, the board of trustees shall be deemed the sponsor of the charter school.

   (a) The State [Board] Public Charter School Authority shall be deemed the sponsor of the charter school.
   (b) Neither the State of Nevada, the State Board, the State Public Charter School Authority nor the Department is an employer of the members of the governing body of the charter school or any of the employees of the charter school.

3. If a college or university within the Nevada System of Higher Education approves the application:
   (a) That institution shall be deemed the sponsor of the charter school.
   (b) Neither the State of Nevada, the State Board nor the Department is an employer of the members of the governing body of the charter school or any of the employees of the charter school.

4. The governing body of a charter school may request, at any time, a change in the sponsorship of the charter school to an entity that is authorized to sponsor charter schools pursuant to NRS 386.515. The State [Board Public Charter School Authority] shall adopt:
   (a) An application process for a charter school that requests a change in the sponsorship of the charter school, which must not require the applicant charter school to undergo all the requirements of an initial application to form a charter school; and
   (b) Objective criteria for the conditions under which such a request may be granted.

5. Except as otherwise provided in subsection 7, a written charter must be for a term of 6 years unless the governing body of a charter school renews its initial charter after 3 years of operation pursuant to subsection 2 of NRS 386.530. A written charter must include all conditions of operation set forth in subsection 2 of NRS 386.520 and include the kind of school, as defined in subsections 1 to 4, inclusive, of NRS 388.020 for which the charter school is authorized to operate. If the State [Board Public Charter School Authority] or a college or university within the Nevada System of Higher Education is the sponsor of the charter school, the written charter must set forth the responsibilities of the sponsor and the charter school with regard to the provision of services and programs to pupils with disabilities who are enrolled in the charter school in accordance with the Individuals with Disabilities Education Act, 20 U.S.C. §§ 1400 et seq., and NRS 388.440 to 388.520, inclusive. enrolled in grade levels other than the grade levels of pupils currently
approved for enrollment in the charter school if the expansion of grade levels
does not change the kind of school, as defined in NRS 388.020, for which the
charter school is authorized to operate. If the proposed amendment complies
with the provisions of NRS 386.500 to 386.610, inclusive, and sections 26 to
35.7, inclusive, of this act, and any other statute or regulation applicable to charter schools, the sponsor may amend the written
charter in accordance with the proposed amendment. If a charter school
wishes to expand the instruction and other educational services offered by the
charter school to pupils who are enrolled in grade levels other than the grade
levels of pupils currently approved for enrollment in the charter school and
the expansion of grade levels changes the kind of school, as defined in
NRS 388.020, for which the charter school is authorized to operate, the
governing body of the charter school must submit a new application to form
a charter school. If such an application is approved, the charter school may
continue to operate under the same governing body and an additional
governing body does not need to be selected to operate the charter school
with the expanded grade levels.

7. The State Board shall adopt objective criteria for the issuance of a written charter to an applicant who is
not prepared to commence operation on the date of issuance of the written
charter. The criteria must include, without limitation, the:

demonstrating its progress in preparing to commence operation.
A holder of such a written charter may apply for grants of money to
prepare the charter school for operation. A written charter issued pursuant to
this subsection must not be designated as a conditional charter or a
provisional charter or otherwise contain any other designation that would
indicate the charter is issued for a temporary period.

However, it may authorize a charter school to demonstrate compliance less than 30 days before the date selected.

(Deleted by amendment.)

If the board of trustees of a school district or a college or university within the Nevada System of Higher Education is the sponsor of the charter school, the governing body and the sponsor must enter into a service agreement pursuant to section 35.3 of this act before the provision of such services.

2. A charter school may use any public facility located within the school district in which the charter school is located. A charter school may use school buildings owned by the school district only upon approval of the board of trustees of the school district and during times that are not regular school hours.

3. The board of trustees of a school district may donate surplus personal property of the school district to a charter school that is located within the school district.

4. Except as otherwise provided in this subsection, upon the request of a parent or legal guardian of a pupil who is enrolled in a charter school, the board of trustees of the school district in which the pupil resides shall authorize the pupil to participate in a class that is not available to the pupil at the charter school or participate in an extracurricular activity, excluding sports, at a public school within the school district if:

(a) Space for the pupil in the class or extracurricular activity is available; and

(b) The parent or legal guardian demonstrates to the satisfaction of the board of trustees that the pupil is qualified to participate in the class or extracurricular activity.
If the board of trustees of a school district authorizes a pupil to participate in a class or extracurricular activity, excluding sports, pursuant to this subsection, the board of trustees is not required to provide transportation for the pupil to attend the class or activity. The provisions of this subsection do not apply to a pupil who is enrolled in a charter school and who desires to participate on a part-time basis in a program of distance education provided by the board of trustees of a school district pursuant to NRS 388.820 to 388.874, inclusive. Such a pupil must comply with NRS 388.858.

5. Upon the request of a parent or legal guardian of a pupil who is enrolled in a charter school, the board of trustees of the school district in which the pupil resides shall authorize the pupil to participate in sports at the public school that he or she would otherwise be required to attend within the school district, or upon approval of the board of trustees, any public school within the same zone of attendance as the charter school if:
   (a) Space is available for the pupil to participate; and
   (b) The parent or legal guardian demonstrates to the satisfaction of the board of trustees that the pupil is qualified to participate.

If the board of trustees of a school district authorizes a pupil to participate in sports pursuant to this subsection, the board of trustees is not required to provide transportation for the pupil to participate.

6. The board of trustees of a school district may revoke its approval for a pupil to participate in a class, extracurricular activity or sports at a public school pursuant to subsections 4 and 5 if the board of trustees or the public school determines that the pupil has failed to comply with applicable statutes, or applicable rules and regulations of the board of trustees, the public school or the Nevada Interscholastic Activities Association. If the board of trustees so revokes its approval, neither the board of trustees nor the public school is liable for any damages relating to the denial of services to the pupil.

Sec. 46. NRS 386.570 is hereby amended to read as follows:

386.570 1. Each pupil who is enrolled in a charter school, including, without limitation, a pupil who is enrolled in a program of special education in a charter school, must be included in the count of pupils in the school district for the purposes of apportionments and allowances from the State Distributive School Account pursuant to NRS 387.121 to 387.126, inclusive, unless the pupil is exempt from compulsory attendance pursuant to NRS 392.070. A charter school is entitled to receive its proportionate share of any other money available from federal, state or local sources that the school or the pupils who are enrolled in the school are eligible to receive. If a charter school receives special education program units directly from this State, the amount of money for special education that the school district pays to the charter school may be reduced proportionately by the amount of money the charter school received from this State for that purpose.

2. All money received by the charter school from this State or from the board of trustees of a school district must be deposited in an account with a bank, credit union or other financial institution in this State. The governing
body of a charter school may negotiate with the board of trustees of the school district and the State Board for additional money to pay for services which the governing body wishes to offer.

3. Upon completion of each school quarter, the sponsor of a charter school may request reimbursement from the governing body of the charter school. The Superintendent of Public Instruction shall pay to the sponsor of a charter school one-quarter of the yearly sponsorship fee for the administrative costs associated with sponsorship for that school quarter if the sponsor provided administrative services during that school quarter. The request must include an itemized list of those costs. Unless a delay is granted pursuant to subsection 9, upon receipt of such a request, the governing body shall pay the reimbursement to the board of trustees of the school district if the board of trustees sponsors the charter school, to the Department if the State Board sponsors the charter school or to the college or university within the Nevada System of Higher Education if that institution sponsors the charter school. If a governing body fails to pay the reimbursement pursuant to this subsection or pursuant to a plan approved by the Superintendent of Public Instruction in accordance with subsection 9, the charter school shall be deemed to have violated its written charter and the sponsor may take such action to revoke the written charter pursuant to NRS 386.535 as it deems necessary. If the board of trustees of a school district is the sponsor of a charter school, the amount of money that may be paid to the sponsor pursuant to this subsection for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

(b) For any year after the first year of operation of the charter school, 1 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

4. If the State Board or a college or university within the Nevada System of Higher Education is the sponsor of a charter school, the amount of money that may be paid to the Department or to the institution, as applicable, pursuant to subsection 3 for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

(b) For any year after the first year of operation of the charter school, 1.5 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.
which must be deducted from the quarterly apportionment to the charter school made pursuant to NRS 387.124. Except as otherwise provided in subsection 4, the yearly sponsorship fee for the sponsor of a charter school must be in an amount of money not to exceed 2 percent of the total amount of money apportioned to the charter school during the school year pursuant to NRS 387.124.

4. If the governing body of a charter school satisfies the requirements of this subsection, the governing body may submit a request to the sponsor of the charter school for approval of a sponsorship fee in an amount that is less than 2 percent but at least 1 percent of the total amount of money apportioned to the charter school during the school year pursuant to NRS 387.124. The sponsor of the charter school shall approve such a request if the sponsor determines that the charter school satisfies the requirements of this subsection. If the sponsor of the charter school approves such a request, the sponsor shall provide notice of the decision to the governing body of the charter school and the sponsor of the charter school. The sponsor of the charter school shall provide notice of the decision to the governing body of the charter school and the sponsor of the charter school. If the sponsor of the charter school denies such a request, the governing body of the charter school may appeal the decision of the sponsor to the Superintendent of Public Instruction. Upon appeal, the sponsor of the charter school and the governing body of the charter school are entitled to present evidence. The decision of the Superintendent of Public Instruction on the appeal is final and is not subject to judicial review. The governing body of a charter school may submit a request for a reduction of the sponsorship fee pursuant to this subsection if:

(a) The charter school has been operating in this State for at least 3 consecutive years and is in good financial standing;
(b) Each financial audit and each performance audit of the charter school required pursuant to NRS 386.540 contain no major notations, corrections or errors concerning the charter school for at least 3 consecutive years;
(c) The charter school has met or exceeded adequate yearly progress as determined pursuant to NRS 385.3613 or has demonstrated improvement in the achievement of pupils enrolled in the charter school, as indicated by annual measurable objectives determined by the State Board, for the majority of the years of its operation, and
(d) At least 75 percent of the pupils enrolled in the charter school who are required to take the high school proficiency examination have passed that examination, if the charter school enrolls pupils at the high school grade level.

5. The charter school satisfies the requirements of subsection 1 of NRS 386.5515; and

(b) There has been a decrease in the duties of the sponsor of the charter school that justifies a decrease in the sponsorship fee.
5. To determine the amount of money for distribution to a charter school in its first year of operation, the count of pupils who are enrolled in the charter school must initially be determined 30 days before the beginning of the school year of the school district, based on the number of pupils whose applications for enrollment have been approved by the charter school. The count of pupils who are enrolled in the charter school must be revised on the last day of the first school month of the school district in which the charter school is located for the school year, based on the actual number of pupils who are enrolled in the charter school. Pursuant to subsection 5 of NRS 387.124, the governing body of a charter school may request that the apportionments made to the charter school in its first year of operation be paid to the charter school 30 days before the apportionments are otherwise required to be made.

6. If a charter school ceases to operate as a charter school during a school year, the remaining apportionments that would have been made to the charter school pursuant to NRS 387.124 for that year must be paid on a proportionate basis to the school districts where the pupils who were enrolled in the charter school reside.

7. The governing body of a charter school may solicit and accept donations, money, grants, property, loans, personal services or other assistance for purposes relating to education from members of the general public, corporations or agencies. The governing body may comply with applicable federal laws and regulations governing the provision of federal grants for charter schools. The State [Board] Public Charter School Authority may assist a charter school that operates exclusively for the enrollment of pupils who receive special education in identifying sources of money that may be available from the Federal Government or this State for the provision of educational programs and services to such pupils.

8. If a charter school uses money received from this State to purchase real property, buildings, equipment or facilities, the governing body of the charter school shall assign a security interest in the property, buildings, equipment and facilities to the State of Nevada.

9. The governing body of a charter school may submit to the Superintendent of Public Instruction a written request to delay a quarterly payment of a reimbursement for the administrative costs that a charter school owes pursuant to this section. The written request must be in the form prescribed by the Superintendent and must include, without limitation, documentation that a financial hardship exists for the charter school and a plan for the payment of the reimbursement. The Superintendent may approve or deny the request and shall notify the governing body and the sponsor of the charter school of the approval or denial of the request.

The Department shall establish, to the extent authorized by the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g, and any regulations adopted pursuant thereto, a mechanism by which persons or entities, including, without limitation, state officers who are members of the Executive or Legislative Branch, administrators of public schools and school districts, teachers and other educational personnel, and parents and guardians, will have different types of access to the accountability information contained within the automated system to the extent that such information is necessary for the performance of a duty or to the extent that such information may be made available to the general public without posing a threat to the confidentiality of an individual pupil.

5. The Department may, to the extent authorized by the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g, and any regulations adopted pursuant thereto, enter into an agreement with the Nevada System of Higher Education to provide access to data contained within the automated system for research purposes.

Sec. 53. NRS 387.124 is hereby amended to read as follows:

387.124 Except as otherwise provided in this section and NRS 387.528:

1. On or before August 1, November 1, February 1 and May 1 of each year, the Superintendent of Public Instruction shall apportion the State Distributive School Account in the State General Fund among the several county school districts, charter schools and university schools for profoundly gifted pupils in amounts approximating one-fourth of their respective yearly apportionments less any amount set aside as a reserve. The apportionment to a school district, computed on a yearly basis, equals the difference between the basic support and the local funds available pursuant to NRS 387.1235, minus all the funds attributable to pupils who reside in the county but attend a charter school, all the funds attributable to pupils who reside in the county and are enrolled full-time or part-time in a program of distance education provided by another school district or a charter school and all the funds attributable to pupils who are enrolled in a university school for profoundly gifted pupils located in the county. No apportionment may be made to a
school district if the amount of the local funds exceeds the amount of basic support.

2. Except as otherwise provided in subsection 3, the apportionment to a charter school, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides minus the sponsorship fee prescribed by NRS 386.570 and minus all the funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school. If the apportionment per pupil to a charter school is more than the amount to be apportioned to the school district in which a pupil who is enrolled in the charter school resides, the school district in which the pupil resides shall pay the difference directly to the charter school.

3. The apportionment to a charter school that is sponsored by the State [Board Public Charter School Authority or by a college or university within the Nevada System of Higher Education, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides, minus the sponsorship fee prescribed by NRS 386.570 and minus all funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school.

4. In addition to the apportionments made pursuant to this section, an apportionment must be made to a school district or charter school that provides a program of distance education for each pupil who is enrolled part-time in the program. The amount of the apportionment must be equal to the percentage of the total time services are provided to the pupil through the program of distance education per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to subparagraph (2) of paragraph (a) of subsection 1 of NRS 387.1233 for the school district in which the pupil resides.

5. The governing body of a charter school may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the charter school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A charter school may receive all four apportionments in advance in its first year of operation.

6. The apportionment to a university school for profoundly gifted pupils, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the university school is located plus the amount of
local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the university school is located. If the apportionment per pupil to a university school for profoundly gifted pupils is more than the amount to be apportioned to the school district in which the university school is located, the school district shall pay the difference directly to the university school. The governing body of a university school for profoundly gifted pupils may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the university school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A university school for profoundly gifted pupils may receive all four apportionments in advance in its first year of operation.

7. The Superintendent of Public Instruction shall apportion, on or before August 1 of each year, the money designated as the "Nutrition State Match" pursuant to NRS 387.105 to those school districts that participate in the National School Lunch Program, 42 U.S.C. §§ 1751 et seq. The apportionment to a school district must be directly related to the district's reimbursements for the Program as compared with the total amount of reimbursements for all school districts in this State that participate in the Program.

8. If the State Controller finds that such an action is needed to maintain the balance in the State General Fund at a level sufficient to pay the other appropriations from it, the State Controller may pay out the apportionments monthly, each approximately one-twelfth of the yearly apportionment less any amount set aside as a reserve. If such action is needed, the State Controller shall submit a report to the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau documenting reasons for the action.

Senator Denis moved the adoption of the amendment.
Remarks by Senator Denis.
Senator Denis requested that his remarks be entered in the Journal.
Amendment No. 876 makes several changes to Senate Bill No. 212. The amendment provides that a request to reduce the sponsorship fee paid by a charter school to its sponsor must first be made to the sponsor. If the request is denied, the charter school may appeal to the Superintendent of Public Instruction whose decision is final.
The amendment specifies that the appointment of the charter school members of the State Charter School Authority will be made by the Charter School Association of Nevada.
The amendment specifies the State Board of Education will be responsible for adopting regulations concerning charter schools, not the State Charter School Authority.
The amendment changes from three to five, the number of years the charter school must have been operating in Nevada in good standing in order to qualify for a reduction in the fee it pays to its sponsor.
The amendment defines an educational management organization and prohibits several potential elements from being included in contracts between a charter school and a contractor or an education management organization. These provisions are currently outlined in Nevada Administrative Code (NAC) 386.403 and prohibit contract provisions that would give control of the school to the contractor or Education Management Organization (EMO).

Amendment adopted.
Bill ordered reprinted, re-engrossed and to third reading.
Senator Wiener moved that all necessary rules be suspended, that the reprinting of Senate Bill No. 212 be dispensed with, and that the Secretary be authorized to insert Amendment No. 876 adopted by the Senate, and the bill be placed on the next agenda.

MOTIONS, RESOLUTIONS AND NOTICES
Senator Leslie moved that Senate Bill No. 493 be taken from the General File and placed on the General File for the next legislative day.
Motion carried.
Senator Denis requested that the following remarks be entered in the Journal.

SENATOR DENIS:

We heard Assembly Bill No. 224 in the Education Committee and when we talk about education, one of the big concerns is that parents need to be involved. We have approved this bill before, using one-shot funding. This will create the Office of Parental Involvement and Family Engagement within the Department of Education. In so doing, the measure requires the Superintendent of Public Instruction to appoint an employee of the Department to serve as the Director of the Office and ensure that the Office has a sufficient number of personnel to carry out its duties. The duties of the Office include reviewing and evaluating programs to increase parental involvement and family engagement in the public schools; developing a list of effective practices to re-engage parents and families and provide them with the skills and resources necessary to support the academic achievement of their children; working with multiple groups to increase parental involvement and family engagement; and providing information to schools and districts on the availability of competitive grants for programs designed to increase parental involvement and family engagement, including professional development for educational personnel and training for parents.

The measure changes the name of the State's Advisory Council on Parental Involvement to the Advisory Council on Parental Involvement and Family Engagement and requires the new Office to work in partnership with the Advisory Council to review and evaluate the annual accountability reports and plans for improvements relating to parental involvement and family engagement. The contents of the annual accountability reports and plans for improvement are revised to include a description of the efforts made by schools and school districts to increase the involvement of parents and the engagement of families of pupils and the effectiveness of those efforts.

The Commission on Professional Standards in Education is required to work in cooperation with the Office to adopt regulations on or before December 31, 2011, prescribing course work on parental involvement.

We heard in Committee that the Washoe County School District and the Clark County School Districts have parental involvement people. The rural school districts are asking for help in being able to work with parents. If we are talking about reforms in education, then we really have to have parental involvement. The number one factor for student success is parental involvement. I urge your support.

SENATOR HARDY:

Thank you, Mr. President. It sounds like this bill is creating an office to help other offices do what they are supposed to be doing as well as encouraging parental involvement.

SENATOR DENIS:

Correct. This is going to be someone at the State level who is going to be able to help all of the districts as they implement their parental involvement standards, as well as working with the Commission on Professional Standards to work with the universities and those who teach teachers so that they can learn how to engage parents in education.

SENATOR HARDY:

Will this be using current people who are already in place, but reassigning them to this new office, giving them specific direction as to what they are doing or is this a new hire?
Senator Denis:
This is a new hire at the Department of Education. It would be one position, at this point.

The duties of
the Subcommittee include reviewing each board and commission in the State and making recommendations for improvement, consolidation, or other action; and reviewing tax abatements, exemptions and set-asides for such entities, and making recommendations for termination, modification, or other action. "SUMMARY"—Revises provisions governing certain programs that supervise children. (BDR 38-782)

"AN ACT relating to education; establishing the Interim Task Force on Out-of-School-Time Programs; requiring the Task Force to prescribe standards for out-of-school-time programs and to make certain recommendations relating to out-of-school-time programs; exempting out-of-school-time programs, out-of-school recreation programs and seasonal or temporary recreation programs from licensure and regulation as child care facilities; requiring certain out-of-school recreation programs to obtain a permit; establishing certain requirements for the operation of an out-of-school recreation program; authorizing an out-of-school-time program to report certain information to the Bureau of Services for Child Care of the Division of Child and Family Services of the Department of Health and Human Services; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law requires a child care facility to be licensed by an agency created by a city or county for the licensing of child care facilities or by the Bureau of Services for Child Care of the Division of Child and Family Services of the Department of Health and Human Services. (NRS 432A.131, 432A.141) Section 13 of this bill removes the licensure requirements for out-of-school-time programs, out-of-school recreation programs and seasonal or temporary recreation programs by excluding those terms from the definition of "child care facility."

Section 2 of this bill defines an "out-of-school-time program" as a program that operates for 10 or more hours per week, is offered on a continuing basis, provides supervision of children who are of school age and provides regularly scheduled, structured and supervised activities where learning opportunities take place during times when a child is not in school. [Section 2 of this bill exempts an out-of-school-time program from the licensing requirements for and regulation as a child care facility by excluding an out-of-school-time program from the definition of a "child care facility." Sections 6 & 8 of this bill ensure that the existing definition of "child care facility" is not changed for certain other purposes.] Section 4 of this bill defines an
"out-of-school recreation program" which is similar to an out-of-school-time program, but which is operated or sponsored by a local government in a facility which is owned, operated or leased by the local government. Section 5 of the bill defines "seasonal or temporary recreation programs" which include certain programs offered to children for a limited time or duration.

In lieu of the requirements for licensure as a child care facility, sections 6-11 of this bill provide specific requirements for out-of-school recreation programs. Section 6 requires a local government to obtain a permit to operate an out-of-school recreation program. To obtain a permit, the local government must complete an application, pay a fee and meet certain requirements. Section 7 requires a local government that operates an out-of-school recreation program to comply with certain health and safety standards and to comply with other requirements relating to the safety of participants. Section 8 provides certain requirements for the staff of an out-of-school recreation program. Section 8 also limits the number of participants in such a program and establishes certain components that must be included in the program. Section 9 requires an out-of-school recreation program to maintain certain records about participants in the program. Section 10 requires a local government that operates an out-of-school recreation program to provide copies of certain inspections of the facility where the program is conducted according to a schedule established by the Bureau. If the local government submits such records, section 10 prohibits the Bureau from conducting any additional on-site inspections of the facility. Section 11 authorizes the Bureau to adopt any regulations necessary to provide for the permits to operate an out-of-school recreation program.

Section 17 of this bill establishes the Interim Task Force on Out-of-School-Time Programs and requires the Task Force to prescribe standards for out-of-school-time programs and make certain other recommendations concerning out-of-school-time programs. Section 17 also requires the Task Force to submit a report of its recommendations to the Governor and to the Director of the Legislative Counsel Bureau for transmittal to the 77th Session of the Nevada Legislature.

Amendment No. 902.
"SUMMARY—Enacts provisions governing energy development projects. (BDR 45-872)"

"AN ACT relating to governmental administration; requiring a person who files certain applications for an energy development project to file a notice concurrently with the Department of Wildlife; requiring the Department of Wildlife to adopt regulations for the provision of information relating to wildlife based on the location of an energy development project; authorizing a developer of an energy development project to request the Director of the Office of Energy to coordinate certain discussions relating to an energy development project in certain circumstances; creating the Energy Planning and Conservation Fund; requiring the Department of Wildlife to use money from the Energy Planning and Conservation Fund for certain wildlife activities; creating the Fund for the Recovery of Costs; requiring the Department of Wildlife to use money from the Fund for the Recovery of Costs solely to provide certain information relating to wildlife based on the location of an energy development project; requiring the Director of the Office of Energy to coordinate certain discussions with interested parties relating to an energy development project in certain circumstances; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law creates the Department of Wildlife and requires the Department to administer the wildlife laws of this State. (NRS 501.331) Existing law also creates the Office of Energy within the Office of the Governor to analyze, review and study the use of energy and availability of energy in this State, as well as to coordinate activities with other agencies to administer programs related to the use of renewable energy and to conserve or reduce the demand for energy. (NRS 701.150, 701.180) This bill requires the Department of Wildlife and the Office of Energy to cooperate in acting as a resource for the Federal Government, the Public Utilities Commission of Nevada, the counties of this State and the public by compiling and providing certain information relating to certain energy development projects.
Section 5 of this bill defines an "energy development project" as any project for the generation, transmission and development of energy, whether on public or private land. Section 6 of this bill exempts from the provisions of this bill a project that has a generating capacity of less than 10 megawatts.

Section 7 of this bill requires any person who files an application with the Federal Government for a lease or easement for a right-of-way for an energy development project or an application with the Public Utilities Commission of Nevada or any county in this State relating to the construction of an energy development project to file a notice concurrently with the Department of Wildlife. The notice required by section 7 must include a description of the location, boundaries and estimated infrastructure requirements for the project and a description of the project itself and an estimate of the energy output of the project. Section 7 further requires the Department to provide a copy of the notice to the Office of Energy and requires the Department, in consultation with the Office of Energy, to adopt regulations to provide for making reasonable deposits and reimbursing the Department for providing information relating to wildlife or wildlife habitat based on the location of an energy development project. [and to allow for developers to request the Director of the Office of Energy to coordinate discussions with interested parties concerning the potential effects of energy development projects.]

Section 9 of this bill creates the Energy Planning and Conservation Fund and requires the money in the Fund to be administered by the Director of the Department of Wildlife and used by the Department in accordance with the State Wildlife Action Plan for conducting surveys of wildlife, for mapping locations of wildlife and its habitat, for conservation projects for the habitat of wildlife impacted by energy development projects and to match any federal money for a project or program for the conservation of any species of wildlife which is of critical concern. Section 9.5 of this bill creates the Fund for the Recovery of Costs and requires the money in the Fund to be administered by the Director of the Department of Wildlife and used by the Department solely to provide to the Federal Government, the Public Utilities Commission of Nevada or any person with information relating to wildlife or wildlife habitat based on the location of an energy development project or to match any federal money for a project or program for the conservation of any species of wildlife.

Section 8 of this bill requires the Department of Wildlife to compile and maintain information on all energy development projects for which notice is filed pursuant to section 7 and to prepare and submit a report detailing such projects to the Legislative Commission in even-numbered years and, in odd-numbered years, to the Director of the Legislative Counsel Bureau for transmittal to the Legislature.

Section 11 of this bill expands the duties of the Director of the Office of Energy to include coordinating discussions with interested parties concerning the potential effects of energy development projects.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 895.
"SUMMARY—Revises provisions regarding properties leased for use by the State. (BDR 27-381)"

"AN ACT relating to state buildings; requiring the Chief of the Buildings and Grounds Division of the Department of Administration to negotiate and approve any agreements to lease office rooms for use by certain state entities; requiring certain state entities to provide the Chief with an inventory of all real property used by the entity; requiring the Chief to post on an Internet website certain information regarding certain real property owned or leased by the State; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law, the Chief of the Buildings and Grounds Division of the Department of Administration is authorized to lease and equip office rooms outside of state buildings for the use of certain state officers and employees whenever sufficient space cannot be provided within state buildings. (NRS 331.110) Section 1 of this bill requires that any agreement to lease office rooms for state officers, departments, agencies, commissions or boards must be negotiated, approved and overseen by the Chief. Section 1 also requires state officers, departments, agencies, commissions and boards to provide the Chief with an inventory of all real property leased to the State that is used by the state officer, department, agency, commission or board. Section 1 further requires the Chief to post, on an Internet website, a list of all real property that is leased or owned by the State, including a brief description of the property, its use and the terms of the agreement under which the property is leased by the State, except that the information must not be posted if the Chief of the Budget Division of the Department of Administration deems the information to be confidential. Such information may be deemed confidential if the state officer or public entity that uses the property requests that the information be kept confidential to maintain public safety. If the information is deemed confidential, the Chief of the Budget Division is required to inform the Chief of the Buildings and Grounds Division. Sections 2, 3 and 4 of this bill extend the requirements of section 1 to properties leased for use by the Gaming Control Board, the Department of Public Safety and the Department of Motor Vehicles, which are currently exempted from certain requirements relating to the lease or purchase of property. Senator Roberson requested that the following remarks be entered in the Journal.

SENATOR ROBERSON:
Thank you, Mr. President. In a recurring theme of this Session, we have another bill that will result in more prisoners being released from prison early. I cannot support this. I ask you not to support it.

SENATOR PARKS:
Thank you, Mr. President. This is called aggregating of sentences. A judge will inform a prisoner when the prisoner is sentenced that, if he has multiple offenses, he will have a certain number of years he must serve for each of those offenses and that he would not be eligible for parole before a certain date. What is happening now is that, on a lesser sentence, an inmate has an opportunity to go to a parole hearing when they have barely been sentenced to prison. This creates a real problem for victims, especially if it is for a heinous crime. It keeps dragging the victims back through repeated parole hearings. That runs up a lot of money. It costs the State to have the parole hearings and the idea of the aggregated sentence has the opportunity to save the State money in incarceration fees.

Sec. 27. NRS 338.1907 is hereby amended to read as follows:
338.1907  1. A governing body may designate one or more energy retrofit coordinators for the buildings occupied by the local government.
2. If such a coordinator is designated, upon request by or consultation with an officer or employee of the local government who is responsible for the budget of a department, board, commission or other entity of the local government, the coordinator may request the approval of the governing body to advertise a request for proposals to retrofit a building, or any portion thereof, that is occupied by the department, board, commission or other entity, to make the use of energy in the building, or portion thereof, more efficient.
3. Upon approval of the governing body, the coordinator shall prepare a request for proposals for the retrofitting of one or more buildings, or any portion thereof, which includes:
(a) The name and location of the coordinator;
(b) A brief description of the requirements for the initial audit of the use of energy and the retrofitting;
(c) Where and how specifications of the requirements for the initial audit of the use of energy and the retrofitting may be obtained;
(d) The date and time not later than which proposals must be received by the coordinator; and
(e) The date and time when responses will be opened.
4. The request for proposals must be published [omitted].
(a) On the Internet website of the governing body, if the governing body maintains an Internet website, every day for not less than 7 days before the opening of bids; and

(b) In a newspaper qualified pursuant to chapter 238 of NRS that is published in the county where the public work will be performed at least once and not less than 7 days before the opening of bids.

If no qualified newspaper is published in the county where the public work will be performed, the required advertisement must be published in some qualified newspaper that is printed in the State of Nevada and has a general circulation in the county where the public work will be performed.

5. After receiving the proposals but before making a decision on the proposals, the coordinator shall consider:
   (a) The best interests of the local government;
   (b) The experience and financial stability of the persons submitting the proposals;
   (c) Whether the proposals conform with the terms of the request for proposals;
   (d) The prices of the proposals; and
   (e) Any other factor disclosed in the request for proposals.

6. The coordinator shall determine the relative weight of each factor before a request for proposals is advertised. The weight of each factor must not be disclosed before the date proposals are required to be submitted to the coordinator.

7. After reviewing the proposals, if the coordinator determines that the dollar value of the annual energy savings resulting from the retrofit will meet or exceed the total annual contract payments to be made by the local government, including any financing charges to be incurred by the local government over the life of the contract, the coordinator shall select the best proposal and request the approval of the governing body to award the contract. The request for approval must include the proposed method of financing the audit and retrofit, which may include an installment contract, a shared savings contract or any other contract for a reasonable financing arrangement. Such a contract may commit the local government to make payments beyond the fiscal year in which the contract is executed or beyond the terms of office of the governing body, or both.

8. Before approving a retrofit pursuant to this section, the governing body shall evaluate any projects that would utilize shared savings as a method of payment or any method of financing that would commit the local government to make payments beyond the fiscal year in which the contract is executed or beyond the terms of office of the governing body to ensure that:
   (a) The dollar value of the annual energy savings resulting from the retrofit will meet or exceed the total annual contract payments to be made by the local government related to the retrofit, including any financing charges to be incurred by the local government over the life of the contract; and
(b) The local government is likely to continue to occupy the building for the entire period required to recoup the cost of the retrofit in energy savings.

9. Upon approval of the governing body, the coordinator shall execute the contract and notify each officer or employee who is responsible for the budget of a department, board, commission or other entity which occupies a portion of a building that will be retrofitted of the amount of money it will be required to pay annually for its portion of the retrofit.

10. A change order to a contract executed pursuant to this section may not be approved by the local government if the cost of the change order would cause the dollar value of the annual energy savings resulting from the retrofit to be less than the total annual contract payments to be made by the local government, including financing charges to be incurred by the local government over the life of the contract, unless approval of the change order is more economically feasible than termination of the retrofit.

11. NRS 338.1385 and 338.143 do not apply to a project for which a request for proposals is advertised and the contract is awarded pursuant to the provisions of this section.

Sec. 28. NRS 496.090 is hereby amended to read as follows:

Senator Schneider moved that the Senate do not concur in the Assembly amendment to Senate Bill No. 294.

Motion carried.
Bill ordered transmitted to the Assembly.

Senate Bill No. 30.
The following Assembly amendment was read:

Amendment No. 626.
"SUMMARY—Makes various changes relating to common-interest communities. (BDR 10-477)"

"AN ACT relating to common-interest communities; providing for the electronic transfer of money to the United States Government or federal or state agencies under certain circumstances; authorizing an association to use electronic signatures to withdraw money from the operating account of the association under certain circumstances; revising provisions relating to the requirement that the executive board of an association make certain records available for review at a designated location; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law requires certain signatures for the withdrawal of money from an account of a unit-owners' association of a common-interest community. (NRS 116.31153) Section 1 of this bill allows the withdrawal of money, without the required signatures, from the operating account of an association to make an electronic transfer of money to the United States Government or a federal or state agency. Section 1 also authorizes an association to use electronic signatures to withdraw money from the operating account of the association under certain circumstances.

Existing law requires the executive board of a unit-owners' association to make certain financial records available for review at the business office of the association or some other location within the county in which the common-interest community is located. Existing law also requires the board to provide, upon request, a copy of those records to a unit's owner or the Ombudsman for Owners in Common-Interest Communities and Condominium Hotels and authorizes the board to charge a certain fee to cover the actual costs of preparing the copy. (NRS 116.31177) Section 3 of this bill repeals that provision and instead, section 2 of this bill requires the executive board of a unit-owners' association to make those records available for review at the business office of the association or a designated business location not to exceed 60 miles from the physical location of the common-interest community. Section 2 also retains the requirement that the board provide, upon request, a copy of such records to a unit's owner or the Ombudsman and the authority of the board to charge a fee to cover the actual costs of preparing such a copy.
The People of the State of Nevada, represented in Senate and Assembly, do enact as follows:

Section 1. NRS 116.31153 is hereby amended to read as follows:

116.31153 1. Money in the reserve account of an association required by paragraph (b) of subsection 2 of NRS 116.3115 may not be withdrawn without the signatures of at least two members of the executive board or the signatures of at least one member of the executive board and one officer of the association who is not a member of the executive board.

2. Except as otherwise provided in subsection 3, money in the operating account of an association may not be withdrawn without the signatures of at least one member of the executive board or one officer of the association and a member of the executive board, an officer of the association or the community manager.

3. Money in the operating account of an association may be withdrawn without the signatures required pursuant to subsection 2 to:
   (a) Transfer money to the reserve account of the association at regular intervals;
   (b) Make automatic payments for utilities;
   (c) Make an electronic transfer of money to a state agency pursuant to NRS 353.1467; or
   (d) Make an electronic transfer of money to the United States Government, or any agency thereof, pursuant to any federal law requiring transfers of money to be made by an electronic means authorized by the United States Government or the agency thereof.

4. An association may use electronic signatures to withdraw money in the operating account of the association if:
   (a) The electronic transfer of money is made pursuant to a written agreement entered into between the association and the financial institution where the operating account of the association is maintained;
   (b) The executive board has expressly authorized the electronic transfer of money; and
   (c) The association has established internal accounting controls which comply with generally accepted accounting principles to safeguard the assets of the association.

5. As used in this section, "electronic transfer of money" has the meaning ascribed to it in NRS 353.1467.

Sec. 2. NRS 116.31175 is hereby amended to read as follows:

116.31175 1. Except as otherwise provided in subsection 2, the executive board of an association shall, upon the written request of a unit's owner, make available the books, records and other papers of the
association for review at the business office of the association or a designated business location not to exceed 60 miles from the physical location of the common-interest community and during the regular working hours of the association, including, without limitation:

   (1) Is in the process of being developed for final consideration by the executive board; and

3. 4. The executive board of an association shall maintain a general record concerning each violation of the governing documents, other than a violation involving a failure to pay an assessment, for which the executive board has imposed a fine, a construction penalty or any other sanction. The general record:
(a) Must contain a general description of the nature of the violation and the type of the sanction imposed. If the sanction imposed was a fine or
construction penalty, the general record must specify the amount of the fine or construction penalty.

(b) Must not contain the name or address of the person against whom the sanction was imposed or any other personal information which may be used to identify the person or the location of the unit, if any, that is associated with the violation.

(c) Must be maintained in an organized and convenient filing system or data system that allows a unit's owner to search and review the general records concerning violations of the governing documents.

5. If the executive board refuses to allow a unit's owner to review the books, records or other papers of the association, the Ombudsman may:

(a) On behalf of the unit's owner and upon written request, review the books, records or other papers of the association during the regular working hours of the association; and

(b) If the Ombudsman is denied access to the books, records or other papers, request the Commission, or any member thereof acting on behalf of the Commission, to issue a subpoena for their production.

6. The books, records and other papers of an association must be maintained for at least 10 years. The provisions of this subsection do not apply to:

(a) The minutes of a meeting of the units' owners which must be maintained in accordance with NRS 116.3108; or

(b) The minutes of a meeting of the executive board which must be maintained in accordance with NRS 116.31083.

7. The executive board shall not require a unit's owner to pay an amount in excess of $10 per hour to review any books, records, contracts or other papers of the association pursuant to the provisions of this section.

8. If an official publication contains or will contain any mention of a candidate or ballot question, the official publication must, upon request and without charge, provide equal space to the candidate or a representative of an organization which supports the passage or defeat of the ballot question.

9. If an official publication contains or will contain the views or opinions of the association, the executive board, a community manager or an officer, employee or agent of an association concerning an issue of official interest, the official publication must, upon request and without charge, provide equal space to opposing views and opinions of a unit's owner, tenant or resident of the common-interest community.

10. The association and its officers, employees and agents are immune from criminal or civil liability for any act or omission which arises out of the publication or disclosure of any information related to any person and which occurs in the course of carrying out any duties required pursuant to subsection 8 or 7.

9. As used in this section:

(a) "Issue of official interest" includes, without limitation:
Any issue on which the executive board or the units' owners will be voting, including, without limitation, the election of members of the executive board; and

(2) The enactment or adoption of rules or regulations that will affect a common-interest community.

(b) "Official publication" means:

(3) An official bulletin board that is available to each unit's owner, which is published or maintained at the cost of an association and by an association, an executive board, a member of an executive board, a community manager or an officer, employee or agent of an association.

Senate Bill No. 150.

The following Assembly amendment was read:
Amendment No. 734.

"SUMMARY—Revises certain provisions governing liens of owners of facilities for storage. (BDR 9-907)"

"AN ACT relating to liens; revising certain provisions governing liens of owners of facilities for storage; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law generally provides that if an occupant of a storage space at a self-storage facility defaults on the payment of rent or other charges that are due to the owner of the facility pursuant to a rental agreement, the owner has a lien on the occupant's personal property contained in the storage space and is entitled to certain remedies until the lien is satisfied. (NRS 108.4753, 108.4763) In addition to being able to deny the occupant access to the storage space and remove the occupant's personal property from the storage space, an owner may also sell the occupant's personal property to satisfy the lien. (NRS 108.4763) Section 16 of this bill further authorizes an owner to dispose of certain personal property. Sections 13, 16, 17 and 19 of this bill revise various provisions relating to an owner's lien on an occupant's personal property as well as the sale to satisfy such a lien.

Existing law also authorizes an occupant to prevent the sale of his or her personal property to satisfy the lien by executing a declaration in opposition to the sale and returning the declaration to the owner. Upon receipt of the declaration in opposition to the sale, the owner may commence an action in court to enforce the lien. (NRS 108.4765, 108.478) Section 22 of this bill repeals these provisions. Section 16.5 of this bill revises the information that a declaration in opposition to the sale must contain. Section 18.5 of this bill removes the provision which authorizes an owner to commence an action in court to enforce the lien upon receipt of a declaration in opposition to the sale. Instead, the occupant is required to commence an action not later than 21 days after the owner receives the declaration in opposition to the sale or the owner may sell the property. If an action is commenced, the owner is prohibited from selling the property unless the court enters judgment in favor of the owner.

Sections 15 and 16 provide that certain notices relating to an occupant's right to use a storage space and a sale to satisfy an owner's lien on an occupant's personal property must be sent by verified mail and, if available, electronic mail.

Sec. 14. NRS 108.4755 is hereby amended to read as follows:

108.4755 1. Each rental agreement must be in writing and must contain:

(a) A provision printed in a size equal to at least 10-point type that states, "IT IS UNLAWFUL TO USE THIS STORAGE SPACE IN THIS FACILITY AS A RESIDENCE."

(b) A statement that the occupant's personal property will be subject to a claim for a lien and may be sold to satisfy that lien or disposed of if the rent or other charges described in the rental agreement remain unpaid for 14 consecutive days.

(c) A provision requiring the occupant to:

   (1) Disclose to the owner any items of protected property in the storage space.

   (2) If the occupant is subject to mandatory licensing, registration, permitting or other professional or occupational regulation by a governmental agency, board or commission and the protected property to be stored is related to the practice of that profession or occupation by the occupant, provide written notice to that agency, board or commission stating that the occupant is storing protected property at the facility, identifying the general type of protected property being stored at the facility and providing complete contact information for the facility. The occupant shall give the owner a copy of any written notice provided to such an agency, board or commission.
(3) Provide complete contact information for a secondary contact who may be contacted by the owner if the owner is unable to contact the occupant.

2. If any provision of the rental agreement provides that an owner, lessor, operator, manager or employee of the facility, or any combination thereof, is not liable, jointly or severally, for any loss or theft of personal property stored in a storage space at the facility, the provision is unenforceable unless:

3. NRS 108.473 to 108.4783, inclusive, and sections 2 to 6, inclusive, of this act do not apply and the lien for charges for storage does not attach unless the rental agreement contains a space for the occupant to provide the name and address of an alternative person to whom the notices under those sections may be sent. The occupant's failure to provide an alternative address does not affect the owner's remedies under those sections.

4. The parties may agree in the rental agreement to additional rights, obligations or remedies other than those provided by NRS 108.473 to 108.4783, inclusive, and sections 2 to 6, inclusive, of this act. (c) A statement that the occupant's right to use the storage space will terminate on a specific date unless the occupant pays the amount owed to the owner; and

(d) A statement that upon the termination of the occupant's right to occupy the storage space and after the date specified in the notice, an owner's lien pursuant to NRS 108.4753, will be imposed.

2. For the purposes of this section, "last known address" means the postal and electronic mail address, if any, provided by the occupant in the most recent rental agreement between the owner and occupant, or the postal and electronic mail address, if any, provided by the occupant in a written notice sent to the owner with a change of the occupant's address after the execution of the rental agreement.

Sec. 16. NRS 108.4763 is hereby amended to read as follows:

108.4763 1. After the notice of the lien is mailed by the owner, if the occupant fails to pay the total amount due by the date specified in the notice, the owner may:

(a) Deny the occupant access to the storage space.

(b) Enter the storage space and remove the personal property within it to a safe place.

(c) Dispose of, but may not sell, any protected property contained in the storage space in accordance with the provisions of subsection 5 if the owner has actual knowledge of such protected property. (d) If the personal property upon which the lien is claimed is a motor vehicle, boat or personal watercraft, and rent and other charges related to such property remain unpaid or unsatisfied for 60 days, have the property towed by any tow car operator subject to the jurisdiction of the Nevada Transportation Authority. If a motor vehicle, boat or personal watercraft is towed pursuant to this paragraph, the owner is not liable for any damages to such property once the tow car operator takes possession of the motor vehicle, boat or personal watercraft.

2. The owner shall send the occupant a notice of a sale to satisfy the lien by certified mail to the occupant at his or her last known address of the occupant and at the alternative address provided by the occupant in the rental agreement at least 14 days before the sale. The owner shall also send such notice to the occupant by electronic mail at the last known electronic mail address of the occupant, if any. The notice must contain:

(a) A statement that the occupant may no longer use the storage space and no longer has access to the occupant's personal property stored therein;

(b) A statement that the personal property of the occupant is subject to a lien and the amount of the lien.
(c) A statement that the personal property will be sold or disposed of to satisfy the lien on a date specified in the notice, unless the total amount of the lien is paid, or the occupant executes and returns by certified mail, the declaration in opposition to the sale; and
(d) A statement of the provisions of subsection 3.
3. The proceeds of the sale over the amount of the lien and the costs of the sale must be retained by the owner and may be reclaimed by the occupant or the occupant's authorized representative at any time up to 1 year from the date of the sale.
4. The notice of the sale must also contain a blank copy of a declaration in opposition to the sale to be executed by the occupant if the occupant wishes to do so.
5. The owner may dispose of protected property contained in the storage space by taking the following actions, in the following order of priority, until the protected property is disposed of:
(a) Contacting the occupant and returning the protected property to the occupant.
(b) Contacting the secondary contact listed by the occupant in the rental agreement and returning the protected property to the secondary contact.
(c) Contacting any appropriate state or federal authorities, including, without limitation, any appropriate governmental agency, board or commission listed by the occupant in the rental agreement pursuant to NRS 108.4755, ascertaining whether such authorities will accept the protected property and, if such authorities will accept the protected property, ensuring that the protected property is delivered to such authorities.
(d) Destroying the protected property in an appropriate manner which is authorized by law and which ensures that any confidential information contained in the protected property is completely obliterated and may not be examined or accessed by the public.

Sec. 16.5. NRS 108.4765 is hereby amended to read as follows:
108.4765  The occupant may prevent a sale of the personal property to satisfy the lien if the occupant executes a declaration in opposition to the sale under penalty of perjury and returns the declaration to the owner by certified mail. The declaration must contain the following:
1. The name, address and signature of the occupant;
2. The location of the personal property which is to be sold to satisfy a lien;
3. The date the declaration was executed by the occupant; and
4. A statement that:
(a) The occupant has received the notice of the sale to satisfy the lien;
(b) The occupant opposes the sale of the property; and
(c) The occupant understands that the owner may commence any action concerning the validity of the lien and the costs of the action must be commenced not later than 21 days after the date on
which the owner receives the declaration in opposition to the sale as required pursuant to NRS 108.477.

Sec. 17. NRS 108.477 is hereby amended to read as follows:

108.477 1. If the declaration in opposition to the lien sale executed by the occupant is not received by the date of the sale specified in the notice mailed to the occupant, the owner may sell the property.

2. The owner shall advertise the sale once a week for 2 consecutive weeks immediately preceding the sale on a publicly accessible Internet website and in a newspaper of general circulation in the judicial district where the sale is to be held. The advertisement must contain:

3. If there is no newspaper of general circulation in the judicial district where the sale is to be held, the advertisement must be posted 10 days before the sale in at least six conspicuous places near the place of the sale.

4. The sale must be conducted in a commercially reasonable manner. If five or more bidders who are unrelated to the owner are in attendance at a sale held to satisfy the lien, the sale and all proceeds from the sale are deemed to be commercially reasonable.

5. After deducting the amount of the lien and the costs of the sale, the owner shall retain any excess proceeds from the sale on the behalf of the occupant.

6. The occupant or any person authorized by the occupant or by an order of the court may claim the excess proceeds or the portion of the proceeds necessary to satisfy the person's claim at any time within 1 year after the date of the sale. After 1 year, the owner shall pay any proceeds remaining from the sale to the treasurer of the county where the sale was held for deposit in the general fund of the county.

Sec. 18. NRS 108.4773 is hereby amended to read as follows:

108.4773 1. Any person who has a security interest in the personal property perfected pursuant to NRS 104.9101 to 104.9709, inclusive, may claim the personal property which is subject to the security interest and to the lien for storage charges by paying the amount due, as specified in the preliminary notice of the lien, for the storage of the property, if no declaration in opposition to the sale to satisfy the lien has been executed and returned by the occupant to the owner.

2. Upon payment of the total amount due pursuant to this section, the owner shall deliver the personal property subject to the security interest to the person holding such interest and paying the amount of the owner's lien. The owner is not liable to any person for any action taken pursuant to this section if the owner complied with the provisions of NRS 108.473 to 108.4783, inclusive, and sections 2 to 6, inclusive, of this act.
Sec. 18.5. NRS 108.478 is hereby amended to read as follows:

1. Except as otherwise provided in subsection 2, the owner must not sell the property until at least 30 days after the date on which the owner receives the declaration in opposition to the sale.

2. If, after the action to enforce the lien, the owner obtains a judgment against the occupant for the amount of the lien, the owner may enforce the judgment by a sale of the property conducted in a commercially reasonable manner more than 10 days after the notice of the entry of judgment has been filed with the court, unless within that time the occupant pays the amount of the judgment. The occupant must file a complaint in a court of competent jurisdiction not later than 21 days after the date on which the owner receives the declaration in opposition to the sale. If such an action is commenced, the owner must not sell the property unless the court enters judgment in favor of the owner.

3. If the occupant does not commence an action within 21 days after the date on which the owner receives the declaration in opposition to the sale, or if the court enters judgment in favor of the owner, the owner may advertise the property for sale and sell the property as provided in NRS 108.477.

4. The occupant may stay the enforcement of a judgment pending an appeal by posting with the court which entered the judgment a bond in an amount equal to 1.5 times the amount of the judgment. If the occupant posts such a bond, the court may order the owner to return the personal property to the occupant.

Sec. 19. NRS 108.4783 is hereby amended to read as follows:
108.4783 Any person who purchases the personal property in good faith at a sale to satisfy the lien or a sale to enforce a judgment on a lien:

1. Does not acquire ownership of any protected property found in the storage space. The person who purchased the protected property in good faith at a sale to satisfy the lien shall, as soon as reasonably practicable, return the protected property to the occupant or, if the occupant cannot be found after reasonable diligence, to the owner, who shall dispose of the protected property in accordance with the provisions of subsection 5 of NRS 108.4763.

2. Except as otherwise provided in subsection 1, takes the property free and clear of any interests of the occupant, the rights of any party, even though the owner who conducted the sale may have failed to comply with the provisions of NRS 108.473 to 108.4783, inclusive, and sections 2 to 6, inclusive, of this act.
Sec. 20.  NRS 40.760 is hereby amended to read as follows:

40.760  1.  When a person is using a storage space at a facility for storage as a residence, the owner or the owner's agent shall serve or have served a notice in writing which directs the person to cease using the facility storage space as a residence no later than 24 hours after receiving the notice. The notice must advise the person that:
(a) NRS 108.475 requires the owner to ask the court to have the person evicted if the person has not ceased using the facility storage space as a residence within 24 hours; and
(b) The person may continue to use the facility storage space to store the person's personal property in accordance with the rental agreement.

2.  If the person does not cease using the facility storage space as a residence within 24 hours after receiving the notice to do so, the owner of the facility or the owner's agent shall apply by affidavit for summary eviction to the justice of the peace of the township wherein the facility is located. The affidavit must contain:

2.  If an owner or a person acting on his or her behalf fails to indicate the range of temperature and humidity of a facility in any advertisement that refers to it as being "climate controlled" or fails to maintain the temperature and humidity of the facility within the advertised range, the owner is guilty of a misdemeanor and is liable to the occupant for any damages that are caused
to the occupant's personal property as a result of extremes in temperature or humidity, notwithstanding any contrary provision in the rental agreement.

3. As used in this section, the terms "facility," "occupant," "owner," "personal property" and "rental agreement" have the meanings ascribed to them respectively in NRS 108.4733 to 108.4745, inclusive, and sections 2 to 5, inclusive, of this act.

Senator Wiener moved that the Senate concur in the Assembly amendment to Senate Bill No. 150.
Motion carried by a constitutional majority.
Bill ordered enrolled.
Senate Bill No. 204.
The following Assembly amendment was read:
Amendment No. 744.
"SUMMARY—Enacts certain amendments to the Uniform Common-Interest Ownership Act. (BDR 10-298)"
"AN ACT relating to common-interest communities; enacting certain amendments to the Uniform Common-Interest Ownership Act; and providing other matters properly relating thereto."
Legislative Counsel's Digest:
Existing law relating to common-interest communities is based on the Uniform Common-Interest Ownership Act (UCIOA), which was proposed by the Uniform Law Commission (ULC). (Chapter 116 of NRS) This bill enacts certain amendments to the UCIOA which have been proposed by the ULC.
Sections 2, 40 and 41 of this bill prescribe the manner in which an association must provide notice of meetings of units' owners and of the executive board and any other notice required to be given by an association other than notices relating to the foreclosure of a lien on a unit held by the association.
Section 4 of this bill authorizes the executive board or any other interested person with an interest in the common-interest community to commence an action in the district court for the termination of a common-interest community if: (1) substantially all the units in the common-interest community have been destroyed or are uninhabitable; and (2) the available methods for giving notice of a meeting of units' owners to consider termination are not likely to result in receipt of the notice.
Sections 5 and 6 of this bill reorganize and reenact certain provisions of existing law relating to the indemnification of members of executive boards and the provision of equal space to opposing views in official publications under certain circumstances. Additionally, section 6 enacts provisions providing for equal time for candidates and representatives of ballot questions on a closed-circuit television station maintained by an association.
Under existing law, the definitions applicable to laws relating to common-interest communities apply to the declarations and bylaws of associations. (NRS 116.003) Section 7 of this bill provides that those definitions apply to those declarations and bylaws.
Sections 8-16 of this bill change certain definitions set forth in existing law to conform to the language of the UCIOA.
Existing law provides that other principles of law, including, without limitation, the law of corporations and the law of unincorporated associations, supplement the existing law relating to common-interest communities. (NRS 116.1108) Section 18 of this bill provides that the laws governing other forms of organization supplement the existing law relating to common-interest communities.
Sections 20-22 of this bill adopt the language of certain amendments to the UCIOA relating to the applicability of existing law governing
common-interest communities. **Section 21 also requires certain associations containing not more than 12 units to provide each unit with a copy of any changes made to the governing documents within 30 days after such changes are made.**

Sections 24-31 of this bill adopt the language of certain amendments to the UCIOA relating to the creation, alteration and termination of common-interest communities. **Section 29 grants units' owners the right to use the common elements for the purposes for which they were intended rather than granting an easement to use the common elements for all purposes. Section 30 amends provisions relating to requirements for amending the declaration of a common-interest community and to the enforcement of certain amendments. Section 31 amends the requirements for the termination of a common-interest community.**

Sections 32-51 of this bill enact certain amendments to the UCIOA which relate to the governance of common-interest communities. **Section 32 requires an association larger than 12 units to have an executive board and allows an association to be organized as any form of organization authorized by the law of this State. Section 33 allows the executive board not to take enforcement action if it determines that: (1) the law does not support such action; (2) the violation is not so material as to be objectionable to a reasonable person or to justify expending the association's resources; or (3) it is not in the best interest of the association to pursue an enforcement action. Section 34 provides that officers of the association and members of the executive board are subject to the conflict of interest rules which govern officers and directors of nonprofit corporations organized under the law of this State. Section 34.5 provides that if an association seeks to impose and enforce a construction penalty, the association must provide notice of the maximum allowable penalty and schedule in the public offering statement or resale package.** Section 36 authorizes a declarant to end the period of declarant's control by giving notice to units' owners and recording an instrument stating that the declarant surrenders all rights to control activities of the association. Section 37 amends provisions relating to the removal of members of the executive board. **Section 38 amends provisions relating to the termination of certain contracts entered into before the election of an executive board by units' owners. Section 40 provides that the portion of a meeting of the units' owners devoted to comments by units' owners is limited to comments by units' owners regarding any matter affecting the common-interest community or the association. Section 42 amends requirements for determining whether a quorum is present at a meeting of the executive board to provide that a majority of the votes on the executive board must be present at the time a vote is taken rather than at the beginning of the meeting. Section 43 authorizes units' owners to vote by absentee ballot at a meeting of the units' owners. Section 44 provides that a unit's owner is not liable, by reason of being a unit's owner, for injuries or damage arising out of the condition or use of the common elements. Sections 45 and 59.5 of this
bill require an association to obtain crime insurance and remove the requirement that a community manager post a bond. **Section 45** also requires the association to maintain property, liability and crime insurance subject to reasonable deductibles. **Section 48** amends provisions relating to common expenses caused by a unit's owner, a tenant or an invitee of a unit's owner or tenant. **Section 49** amends provisions relating to liens for certain charges imposed by an association and authorizes a court to appoint a receiver when an association brings an action to foreclose a lien or collect assessments. **Sections 51 and 60** amend provisions relating to the books and records of an association and the inspection of such books and records by units' owners.

**Sections 52-58** of this bill enact certain amendments to the UCIOA which relate to the disclosures provided to purchasers of real estate located in a common-interest community and the warranties applicable to real estate located in a common-interest community. **Section 52** exempts the disposition of a unit restricted to nonresidential purposes from the requirement to provide a public offering statement or certificate of resale. **Section 53** amends the information required to be included in the public offering statement provided to an initial purchaser of a unit.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** Chapter 116 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 6, inclusive, of this act.

Sec. 2. 1. Except as otherwise provided in subsection 3, an association shall deliver any notice required to be given by the association under this chapter to any mailing or electronic mail address a unit's owner designates. Except as otherwise provided in subsection 3, if a unit's owner has not designated a mailing or electronic mail address to which a notice must be delivered, the association may deliver notices by:

(a) Hand delivery to each unit's owner;

(b) Hand delivery, United States mail, postage paid, or commercially reasonable delivery service to the mailing address of each unit;

(c) Electronic means, if the unit's owner has given the association an electronic mail address; or

(d) Any other method reasonably calculated to provide notice to the unit's owner.

2. The ineffectiveness of a good faith effort to deliver notice by an authorized means does not invalidate action taken at or without a meeting.

3. The provisions of this section do not apply:

(a) To a notice required to be given pursuant to NRS 116.3116 to 116.31168, inclusive; or

(b) If any other provision of this chapter specifies the manner in which a notice must be given by an association.

Sec. 3. This chapter modifies, limits and supersedes the federal Electronic Signatures in Global and National Commerce Act, 15 U.S.C. §§ 7001 et seq., but does not modify, limit or supersede
Section 101(c) of that Act, 15 U.S.C. § 7001(c), or authorize electronic delivery of any of the notices described in Section 103(b) of that Act, 15 U.S.C. § 7003(b).

Sec. 4. If substantially all the units in a common-interest community have been destroyed or are uninhabitable and the available methods for giving notice under NRS 116.3108 of a meeting of units' owners to consider termination under NRS 116.2118 will not likely result in receipt of the notice, the executive board or any other person holding an interest in the common-interest community may commence an action in the district court of the county in which the common-interest community is located seeking to terminate the common-interest community. During the pendency of the action, the court may issue whatever orders it considers appropriate, including, without limitation, an order for the appointment of a receiver. After a hearing, the court may terminate the common-interest community or reduce its size and may issue any other order the court considers to be in the best interest of the units' owners and persons holding an interest in the common-interest community.

Sec. 5. If a member of an executive board is named as a respondent or sued for liability for actions undertaken in his or her role as a member of the board, the association shall indemnify the member for his or her losses or claims, and undertake all costs of defense, unless it is proven that the member acted with willful or wanton misfeasance or with gross negligence. After such proof, the association is no longer liable for the cost of defense, and may recover costs already expended from the member of the executive board who so acted.

Sec. 6. 1. If an official publication contains any mention of a candidate or ballot question, the official publication must, upon request and under the same terms and conditions, provide equal space to all candidates or to a representative of an organization which supports the passage or defeat of the ballot question.

2. If an official publication contains the views or opinions of the association, the executive board, a community manager or an officer, employee or agent of an association concerning an issue of official interest, the official publication must, upon request and under the same terms and conditions, provide equal space to opposing views and opinions of a unit's owner of the common-interest community.

3. If an association has a closed-circuit television station and that station interviews, or provides time to, a candidate or a representative of an organization which supports the passage or defeat of a ballot question, the closed-circuit television station must, under the same terms and conditions, allow equal time for all candidates or a representative of an opposing view to the ballot question.

4. The association and its officers, employees and agents are immune from criminal or civil liability for any act or omission which arises out of the publication or disclosure of any information related to any person and
which occurs in the course of carrying out any duties required pursuant to subsection 1, 2 or 3.

5. As used in this section:
   (a) "Issue of official interest" means:
      (1) Any issue on which the executive board or the units' owners will be voting, including, without limitation, elections; and
      (2) The enactment or adoption of rules or regulations that will affect the common-interest community.
   (b) "Official publication" means:
      (1) An official website;
      (2) An official newsletter or other similar publication that is circulated to each unit's owner; or
      (3) An official bulletin board that is available to each unit's owner.

4. Use easements through the common elements for the purpose of making improvements within the common-interest community or within real estate which may be added to the common-interest community (NRS 116.2116);
5. Make the common-interest community subject to a master association (NRS 116.212);
6. Merge or consolidate a common-interest community with another common-interest community of the same form of ownership (NRS 116.2121); or
7. Appoint or remove any officer of the association or any master association or any member of an executive board during any period of declarant's control (NRS 116.31032).

Sec. 16. NRS 116.095 is hereby amended to read as follows:
116.095 "Unit's owner" means a declarant or other person who owns a unit, or a lessee of a unit in a leasehold common-interest community whose lease expires simultaneously with any lease the expiration or termination of which will remove the unit from the common-interest community, but does not include a person having an interest in a unit solely as security for an obligation. In a condominium or planned community, the declarant is the owner of any unit created by the declaration until that unit is conveyed to another person. In a cooperative, the declarant is treated as the owner of any unit to which allocated interests have been allocated until that unit has been conveyed to another person.

Sec. 17. NRS 116.1104 is hereby amended to read as follows:
116.1104 Except as expressly provided in this chapter, its provisions may not be varied by agreement, and rights conferred by it may not be waived. Except as otherwise provided in paragraph (b) of subsection 2 of NRS 116.12075, a declarant may not act under a power of attorney, or use any other device, to evade the limitations or prohibitions of this chapter or the declaration.

Sec. 18. NRS 116.1108 is hereby amended to read as follows:
116.1108 The principles of law and equity, including the law of corporations and any other form of organization authorized by law of this State, the law of unincorporated associations, the law of real property, and the law relative to capacity to contract, principal and agent, eminent domain, estoppel, fraud, misrepresentation, duress, coercion, mistake, receivership, substantial performance, or other validating or invalidating
cause supplement the provisions of this chapter, except to the extent inconsistent with this chapter.

Sec. 19. NRS 116.1114 is hereby amended to read as follows:

116.1114 (1) The remedies provided by this chapter must be liberally administered to the end that the aggrieved party is put in as good a position as if the other party had fully performed. Consequential, special or punitive damages may not be awarded except as specifically provided in this chapter or by other rule of law.

(2) Any right or obligation declared by this chapter is enforceable by judicial proceeding.

Sec. 20. NRS 116.1201 is hereby amended to read as follows:

116.1201 1. Except as otherwise provided in this section and NRS 116.1203, this chapter applies to all common-interest communities created within this State.

2. This chapter does not apply to:
(a) A limited-purpose association, except that a limited-purpose association:
(1) Shall pay the fees required pursuant to NRS 116.31155, except that if the limited-purpose association is created for a rural agricultural residential common-interest community, the limited-purpose association is not required to pay the fee unless the association intends to use the services of the Ombudsman;
(2) Shall register with the Ombudsman pursuant to NRS 116.31158;
(3) Shall comply with the provisions of:
(I) NRS 116.31038;
(II) NRS 116.31083 and 116.31152, unless the limited-purpose association is created for a rural agricultural residential common-interest community;
(III) NRS 116.31073, if the limited-purpose association is created for maintaining the landscape of the common elements of the common-interest community; and
(IV) NRS 116.31075, if the limited-purpose association is created for a rural agricultural residential common-interest community;
(4) Shall comply with the provisions of NRS 116.4101 to 116.412, inclusive, as required by the regulations adopted by the Commission pursuant to paragraph (b) of subsection 5; and
(5) Shall not enforce any restrictions concerning the use of units by the units' owners, unless the limited-purpose association is created for a rural agricultural residential common-interest community.
(b) A planned community in which all units are restricted exclusively to nonresidential use unless the declaration provides that this chapter or a part of this chapter does apply to that planned community pursuant to NRS 116.12075. This chapter applies to a planned community containing both units that are restricted exclusively to nonresidential use and other units that are not so restricted only if the declaration so provides or if the real
estate comprising the units that may be used for residential purposes would be a planned community in the absence of the units that may not be used for residential purposes.

(c) Common-interest communities or units located outside of this State, but not the provisions of NRS 116.4102 to 116.4108, and 116.4103, and, to the extent applicable, NRS 116.41035 to 116.4107, inclusive, apply to all contracts for the disposition of a unit in that common-interest community signed in this State by any party unless exempt under subsection 2 of NRS 116.4101.

(d) A common-interest community that was created before January 1, 1992, is located in a county whose population is less than 50,000, and has less than 50 percent of the units within the community put to residential use, unless a majority of the units' owners otherwise elect in writing.

(e) Except as otherwise provided in this chapter, time shares governed by the provisions of chapter 119A of NRS.

3. The provisions of this chapter do not:

(a) Prohibit a common-interest community created before January 1, 1992, from providing for separate classes of voting for the units' owners;

(b) Require a common-interest community created before January 1, 1992, to comply with the provisions of NRS 116.2101 to 116.2122, inclusive;

(c) Invalidate any assessments that were imposed on or before October 1, 1999, by a common-interest community created before January 1, 1992;

(d) Except as otherwise provided in subsection 8 of NRS 116.31105, prohibit a common-interest community created before January 1, 1992, or a common-interest community described in NRS 116.31105 from providing for a representative form of government, except that, in the election or removal of a member of the executive board, the voting rights of the units' owners may not be exercised by delegates or representatives;

(e) Prohibit a master association which governs a time-share plan created pursuant to chapter 119A of NRS from providing for a representative form of government for the time-share plan; or

(f) Prohibit a master association which governs a planned community containing both units that are restricted exclusively to nonresidential use and other units that are not so restricted and which is exempt from the provisions of this chapter pursuant to paragraph (b) of subsection 2 from providing for a representative form of government.

4. The provisions of chapters 117 and 278A of NRS do not apply to common-interest communities.

5. The Commission shall establish, by regulation:

(a) The criteria for determining whether an association, a limited-purpose association or a common-interest community satisfies the requirements for an exemption or limited exemption from any provision of this chapter; and
(b) The extent to which a limited-purpose association must comply with the provisions of NRS 116.4101 to 116.412, inclusive.

6. As used in this section, "limited-purpose association" means an association that:
(a) Is created for the limited purpose of maintaining:
   (1) The landscape of the common elements of a common-interest community;
   (2) Facilities for flood control; or
   (3) A rural agricultural residential common-interest community; and
(b) Is not authorized by its governing documents to enforce any restrictions concerning the use of units by units' owners, unless the limited-purpose association is created for a rural agricultural residential common-interest community.

Sec. 21. NRS 116.1203 is hereby amended to read as follows:
116.1203 1. Except as otherwise provided in subsection 2,
subsections 2 and 3, if a planned community contains no more than 12 units and is not subject to any developmental rights, it is subject only to NRS 116.1106 and 116.1107 unless the declaration provides that this entire chapter is applicable.
2. The provisions of NRS 116.12065 and the definitions set forth in NRS 116.005 to 116.095, inclusive, to the extent that the definitions are necessary to construe any of those provisions, apply to a residential planned community containing more than 6 units.
3. Except for NRS 116.3104, 116.31043, 116.31046 and 116.31138, the provisions of NRS 116.3101 to 116.350, inclusive, and sections 5 and 6 of this act and the definitions set forth in NRS 116.005 to 116.095, inclusive, to the extent that such definitions are necessary in construing any of those provisions, apply to a residential planned community containing more than 6 units.

Sec. 22. NRS 116.1206 is hereby amended to read as follows:
116.1206 1. Any provision contained in a declaration, bylaw or other governing document of a common-interest community that violates the provisions of this chapter:
(a) Shall be deemed to conform with those provisions by operation of law, and any such declaration, bylaw or other governing document is not required to be amended to conform to those provisions.
(b) Is superseded by the provisions of this chapter, regardless of whether the provision contained in the declaration, bylaw or other governing document became effective before the enactment of the provision of this chapter that is being violated.
2. In the case of amendments to the declaration, bylaws or plats of any common-interest community created before January 1, 1992:
(a) If the result accomplished by the amendment was permitted by law before January 1, 1992, the amendment may be made either in accordance
with that law, in which case that law applies to that amendment, or it may be made under this chapter; and

(b) If the result accomplished by the amendment is permitted by this chapter, and was not permitted by law before January 1, 1992, the amendment may be made under this chapter.

3. An amendment to the declaration, bylaws or plats authorized by this section to be made under this chapter must be adopted in conformity with the applicable provisions of chapter 117 or 278A of NRS and, except as otherwise provided in subsection 8 of NRS 116.2117, with the procedures and requirements specified by those instruments. If an amendment grants to a person any rights, powers or privileges permitted by this chapter, all any correlative obligations, liabilities and restrictions in this chapter also apply to that applies to the person.

Sec. 23. NRS 116.12075 is hereby amended to read as follows:

116.12075 1. The provisions of this chapter do not apply to a nonresidential condominium except to the extent that the declaration for the nonresidential condominium provides that:

(a) This entire chapter applies to the condominium;
(b) Only the provisions of NRS 116.001 to 116.2122, inclusive, and 116.3116 to 116.31168, inclusive, apply to the condominium; or
(c) Only the provisions of NRS 116.3116 to 116.31168, inclusive, apply to the condominium.

2. If this entire chapter applies to a nonresidential condominium, the declaration may also require, subject to NRS 116.1112, that:

(a) Notwithstanding NRS 116.3105, any management, maintenance operations or employment contract, lease of recreational or parking areas or facilities and any other contract or lease between the association and a declarant or an affiliate of a declarant continues in force after the declarant turns over control of the association; and
(b) Notwithstanding NRS 116.1104 and subsection 3 of NRS 116.311, purchasers of units must execute proxies, powers of attorney or similar devices in favor of the declarant regarding particular matters enumerated in those instruments.

Sec. 24. NRS 116.2103 is hereby amended to read as follows:

116.2103 1. The inclusion in a governing document of an association of a provision that violates any provision of this chapter does not render any other provisions of the governing document invalid or otherwise unenforceable if the other provisions can be given effect in accordance with their original intent and the provisions of this chapter.

2. The rule against perpetuities and NRS 111.103 to 111.1039, inclusive, do not apply to defeat any provision of the declaration, bylaws, rules or regulations adopted pursuant to NRS 116.3102.
3. **If a conflict exists** between the provisions of the declaration and the bylaws, the declaration prevails except to the extent the declaration is inconsistent with this chapter.

4. **Title to a unit and common elements is not rendered unmarketable or otherwise affected by reason of an insubstantial failure of the declaration to comply with this chapter. Whether a substantial failure impairs marketability is not affected by this chapter.**

Sec. 25. NRS 116.2105 is hereby amended to read as follows:

116.2105  1. The declaration must contain:

(a) The names of the common-interest community and the association and a statement that the common-interest community is either a condominium, cooperative or planned community;

(b) The name of every county in which any part of the common-interest community is situated;

(c) A **legally** sufficient description of the real estate included in the common-interest community;

(d) A statement of the maximum number of units that the declarant reserves the right to create;

(e) In a condominium or planned community, a description of the boundaries of each unit created by the declaration, including the unit's identifying number or, in a cooperative, a description, which may be by plats, of each unit created by the declaration, including the unit's identifying number, its size or number of rooms, and its location within a building if it is within a building containing more than one unit;

(f) A description of any limited common elements, other than those specified in subsections 2 and 4 of NRS 116.2102, as provided in paragraph (g) of subsection 2 of NRS 116.2109 and, in a planned community, any real estate that is or must become common elements;

(g) A description of any real estate, except real estate subject to developmental rights, that may be allocated subsequently as limited common elements, other than limited common elements specified in subsections 2 and 4 of NRS 116.2102, together with a statement that they may be so allocated;

(h) A description of any developmental rights and other special declarant's rights reserved by the declarant, together with a legally sufficient description of the real estate to which each of those rights applies, and a time **limit** within which each of those rights must be exercised;

(i) If any developmental right may be exercised with respect to different parcels of real estate at different times, a statement to that effect together with:

(1) Either a statement fixing the boundaries of those portions and regulating the order in which those portions may be subjected to the exercise of each developmental right or a statement that no assurances are made in those regards; and

(2) A statement whether, if any developmental right is exercised in any portion of the real estate subject to that developmental right, that
developmental right must be exercised in all or in any other portion of the remainder of that real estate;

(j) Any other conditions or limitations under which the rights described in paragraph (h) may be exercised or will lapse;

(k) An allocation to each unit of the allocated interests in the manner described in NRS 116.2107;

(l) Any restrictions:
   (1) On use, occupancy and alienation of the units; and
   (2) On the amount for which a unit may be sold or on the amount that may be received by a unit's owner on sale, condemnation or casualty to the unit or to the common-interest community, or on termination of the common-interest community;

(m) The file number and book or other information to show where easements and licenses are recorded appurtenant to or included in the common-interest community or to which any portion of the common-interest community is or may become subject by virtue of a reservation in the declaration; and

2. The declaration may contain any other matters the declarant considers appropriate.

Sec. 26. NRS 116.2106 is hereby amended to read as follows:

116.2106 1. Any lease the expiration or termination of which may terminate the common-interest community or reduce its size must be recorded. Every lessor of those leases in a condominium or planned community shall sign the declaration. The declaration must state:

(a) The recording data where the lease is or a statement of where the recorded lease may be inspected;

(b) The date on which the lease is scheduled to expire;

(c) A legally sufficient description of the real estate subject to the lease;

(d) Any right of the units' owners to redeem the reversion and the manner whereby those rights may be exercised, or a statement that they do not have those rights;

(e) Any right of the units' owners to remove any improvements within a reasonable time after the expiration or termination of the lease, or a statement that they do not have those rights; and

(f) Any rights of the units' owners to renew the lease and the conditions of any renewal, or a statement that they do not have those rights.

2. After the declaration for a leasehold condominium or leasehold planned community is recorded, neither the lessor nor the lessor's successor in interest may terminate the leasehold interest of a unit's owner who makes timely payment of his or her share of the rent and otherwise complies with all covenants which, if violated, would entitle the lessor to terminate the lease. The leasehold interest of a unit's owner in a condominium or planned community is recorded, either the lessor nor the lessor's successor in interest may terminate the leasehold interest of a unit's owner who makes timely payment of his or her share of the rent and otherwise complies with all covenants which, if violated, would entitle the lessor to terminate the lease. The leasehold interest of a unit's owner in a condominium or planned community is recorded, either the lessor nor the lessor's successor in interest may terminate the leasehold interest of a unit's owner who makes timely payment of his or her share of the rent and otherwise complies with all covenants which, if violated, would entitle the lessor to terminate the lease.
community is not affected by failure of any other person to pay rent or fulfill any other covenant.

3. Acquisition of the leasehold interest of any unit's owner by the owner of the reversion or remainder does not merge the leasehold and freehold interests unless the leasehold interests of all units' owners subject to that reversion or remainder are acquired.

4. If the expiration or termination of a lease decreases the number of units in a common-interest community, the allocated interests must be reallocated in accordance with subsection 1 of NRS 116.1107 as if those units had been taken by eminent domain. Reallocations must be confirmed by an amendment to the declaration prepared, executed and recorded by the association.

Sec. 27. NRS 116.2107 is hereby amended to read as follows:

116.2107  1. The declaration must allocate to each unit:
(a) In a condominium, a fraction or percentage of undivided interests in the common elements and in the common expenses of the association, and a portion of the votes in the association;
(b) In a cooperative, a proportionate ownership in the association, a fraction or percentage of the common expenses of the association and a portion of the votes in the association; and
(c) In a planned community, a fraction or percentage of the common expenses of the association and a portion of the votes in the association.

2. The declaration must state the formulas used to establish allocations of interests. Those allocations may not discriminate in favor of units owned by the declarant or an affiliate of the declarant.

3. If units may be added to or withdrawn from the common-interest community, the declaration must state the formulas to be used to reallocate the allocated interests among all units included in the common-interest community after the addition or withdrawal.

4. The declaration may provide:
(a) That different allocations of votes are made to the units on particular matters specified in the declaration;
(b) For cumulative voting only for the purpose of electing members of the executive board; and
(c) For class voting on specified issues affecting the class if necessary to protect valid interests of the class.

Except as otherwise provided in NRS 116.31032, a declarant may not utilize cumulative or class voting for the purpose of evading any limitation imposed on declarants by this chapter nor may units constitute a class because they are owned by a declarant.

5. Except for minor variations because of rounding, the sum of the liabilities for common expenses and, in a condominium, the sum of the undivided interests in the common elements allocated at any time to all the units must each equal one if stated as a fraction or 100 percent if stated as a
percentage. In the event of discrepancy between an allocated interest and the result derived from application of the pertinent formula, the allocated interest prevails.

6. In a condominium, the common elements are not subject to partition, and any purported conveyance, encumbrance, judicial sale or other voluntary or involuntary transfer of an undivided interest in the common elements made without the unit to which that interest is allocated is void.

7. In a cooperative, any purported conveyance, encumbrance, judicial sale or other voluntary or involuntary transfer of an ownership interest in the association made without the possessory interest in the unit to which that interest is related is void.

Sec. 28. NRS 116.2113 is hereby amended to read as follows:
116.2113  1. If the declaration expressly so permits, a unit may be subdivided into two or more units. Subject to other provisions of law other than this chapter, upon application of the unit's owner to subdivide a unit, the association shall prepare, execute and record an amendment to the declaration, including, in a condominium or planned community, the plats, subdividing that unit.

2. The amendment to the declaration must be executed by the owner of the unit to be subdivided, assign an identifying number to each unit created, and reallocate the allocated interests formerly allocated to the subdivided unit or on any other basis the declaration requires.

Sec. 29. NRS 116.2116 is hereby amended to read as follows:
116.2116  1. Subject to the provisions of the declaration, a declarant has an easement through the common elements as may be reasonably necessary to discharge the declarant's obligations or exercise special declarant's rights, whether arising under this chapter or reserved in the declaration.

2. In a planned community, subject to the provisions of paragraph (f) of subsection 1 of NRS 116.3102 and NRS 116.3112, the units' owners have an easement:
   (a) In the common elements for purposes of access to their units; and
   (b) To use the common elements that are not limited common elements and all real estate that must become common elements for the purposes for which they were intended.

4. Unless the terms of an easement in favor of an association prohibit a residential use of a servient estate, if the owner of the servient estate has obtained all necessary approvals required by law or any covenant, condition or restriction on the property, the owner may use such property in any manner authorized by law without obtaining any additional approval
from the association. Nothing in this subsection authorizes an owner of a servient estate to impede the lawful and contractual use of the easement.

4. The provisions of subsection 4 do not abrogate any easement, restrictive covenant, decision of a court, agreement of a party or any contract, governing document or declaration of covenants, conditions and restrictions, or any other decision, rule or regulation that a local governing body or other entity that makes decisions concerning land use or planning is authorized to make or enact that exists before October 1, 1999, including, without limitation, a zoning ordinance, permit or approval process or any other requirement of a local government or other entity that makes decisions concerning land use or planning.

Sec. 30. NRS 116.2117 is hereby amended to read as follows:

116.2117 1. Except as otherwise provided in NRS 116.21175, and except in cases of amendments that may be executed by a declarant under subsection 5 of NRS 116.2109 or NRS 116.211, or by the association under NRS 116.1107, 116.2106, subsection 3 of NRS 116.2108, subsection 1 of NRS 116.2112 or NRS 116.2113, or by certain units' owners under subsection 2 of NRS 116.2108, subsection 1 of NRS 116.2112, subsection 2 of NRS 116.2113 or subsection 2 of NRS 116.2118, and except as otherwise limited by subsections 4, 7 and 8, the declaration, including any plats, may be amended only by vote or agreement of units' owners of units to which at least a majority of the votes in the association are allocated, or any larger majority unless the declaration specifies a different percentage for all amendments or for specified subjects of amendment. If the declaration requires the approval of another person as a condition of its effectiveness, the amendment is not valid without that approval.

2. No action to challenge the validity of an amendment adopted by the association pursuant to this section may be brought more than 1 year after the amendment is recorded.

3. Every amendment to the declaration must be recorded in every county in which any portion of the common-interest community is located and is effective only upon recordation. An amendment, except an amendment pursuant to NRS 116.2112, must be indexed in the grantee's index in the name of the common-interest community and the association and in the grantor's index in the name of the parties executing the amendment.

4. Except to the extent expressly permitted or required by other provisions of this chapter, no amendment may change the boundaries of any unit or change the uses to which any unit is restricted, in the absence of unanimous consent of the only those units' owners whose units are affected and the consent of a majority of the owners of the remaining units.

5. Amendments to the declaration required by this chapter to be recorded by the association must be prepared, executed, recorded and certified on
behalf of the association by any officer of the association designated for that purpose or, in the absence of designation, by the president of the association.

6. An amendment to the declaration which prohibits or materially restricts the permitted uses of a unit or the number or other qualifications of persons who may occupy units may not be enforced against a unit's owner who was the owner of the unit on the date of the recordation of the amendment as long as the unit's owner remains the owner of that unit.

7. A provision in the declaration creating special declarant's rights that have not expired may not be amended without the consent of the declarant.

8. If any provision of this chapter or of the declaration requires the consent of a holder of a security interest in a unit, or an insurer or guarantor of such interest, as a condition to the effectiveness of an amendment to the declaration, that consent is deemed granted if:
   (a) The holder, insurer or guarantor has not requested, in writing, notice of any proposed amendment; or
   (b) Notice of any proposed amendment is required or has been requested and a written refusal to consent is not received by the association within 60 days after the association delivers notice of the proposed amendment to the holder, insurer or guarantor, by certified mail, return receipt requested, to the address for notice provided by the holder, insurer or guarantor in a prior written request for notice.

Sec. 31. NRS 116.2118 is hereby amended to read as follows:

116.2118  1. Except in the case of a taking of all the units by eminent domain, in the case of foreclosure against an entire cooperative of a security interest that has priority over the declaration, or in the circumstances described in section 4 of this act, a common-interest community may be terminated only by agreement of units' owners to whom at least 80 percent of the votes in the association are allocated, or any larger percentage the declaration specifies, and with any other approvals required by the declaration. The declaration may specify a smaller percentage only if all of the units are restricted exclusively to nonresidential uses.

2. An agreement to terminate must be evidenced by the execution of an agreement to terminate, or ratifications thereof, in the same manner as a deed, by the requisite number of units' owners. The agreement must specify a date after which the agreement will be void unless it is recorded before that date. An agreement to terminate and all ratifications thereof must be recorded in every county in which a portion of the common-interest community is situated and is effective only upon recordation.

3. In the case of a condominium or planned community containing only units having horizontal boundaries described in the declaration, an agreement to terminate may provide that all of the common elements and units of the common-interest community must be sold following termination. If, pursuant to the agreement, any real estate in the common-interest community is to be
sold following termination, the agreement must set forth the minimum terms of the sale.

4. In the case of a condominium or planned community containing any units not having horizontal boundaries described in the declaration, an agreement to terminate may provide for sale of the common elements, but it may not require that the units be sold following termination, unless the declaration as originally recorded provided otherwise or all the units' owners consent to the sale.

5. The association, on behalf of the units' owners, may contract for the sale of real estate in a common-interest community, but the contract is not binding on the units' owners until approved pursuant to subsections 1 and 2. If any real estate is to be sold following termination, title to that real estate, upon termination, vests in the association as trustee for the holders of all interests in the units. Thereafter, the association has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds thereof distributed, the association continues in existence with all powers it had before termination. Proceeds of the sale must be distributed to units' owners and lienholders as their interests may appear, in accordance with NRS 116.21183 and 116.21185. Unless otherwise specified in the agreement to terminate, as long as the association holds title to the real estate, each unit's owner and his or her successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted the unit. During the period of that occupancy, each unit's owner and his or her successors in interest remain liable for all assessments and other obligations imposed on units' owners by this chapter or the declaration.

6. In a condominium or planned community, if the real estate constituting the common-interest community is not to be sold following termination, title to the common elements and, in a common-interest community containing only units having horizontal boundaries described in the declaration, title to all the real estate in the common-interest community, vests in the units' owners upon termination as tenants in common in proportion to their respective interests as provided in NRS 116.21185, and liens on the units shift accordingly. While the tenancy in common exists, each unit's owner and his or her successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted the unit.

7. Following termination of the common-interest community, the proceeds of the sale of real estate, together with the assets of the association, are held by the association as trustee for units' owners and holders of liens on the units as their interests may appear.

Sec. 32. NRS 116.3101 is hereby amended to read as follows:

116.3101  1. A unit-owners' association must be organized no later than the date the first unit in the common-interest community is conveyed.

2. The membership of the association at all times consists exclusively of all units' owners or, following termination of the common-interest
community, of all owners of former units entitled to distributions of proceeds under NRS 116.2118, 116.21183 and 116.21185, or their heirs, successors or assigns.

3. **Except for a residential planned community containing not more than 12 units, the association must have an executive board.**

4. The association must:
   (a) Be organized as a profit or nonprofit corporation, association, limited-liability company, trust, or partnership or any other form of organization authorized by the law of this State;

Sec. 35. NRS 116.31031 is hereby amended to read as follows:

116.31031 1. Except as otherwise provided in this section, if a unit's owner or a tenant or an invitee of a unit's owner or a tenant violates any provision of the governing documents of an association, the executive board may, if the governing documents so provide:
   (a) Prohibit, for a reasonable time, the unit's owner or the tenant or the invitee of the unit's owner or the tenant from:
      (1) Voting on matters related to the common-interest community.

   (b) Impose a fine against the unit's owner or the tenant or the invitee of the unit's owner or the tenant for each violation, except that:

   ➔ If the violation poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community, the amount of the fine must be commensurate
with the severity of the violation and must be determined by the executive board in accordance with the governing documents. If the violation does not pose an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents, but the amount of the fine must not exceed $100 for each violation or a total amount of $1,000, whichever is less. The limitations on the amount of the fine do not apply to any charges or costs that may be collected by the association pursuant to this section if the fine becomes past due.

2. The executive board may not impose a fine pursuant to subsection 1 against a unit's owner for a violation of any provision of the governing documents of an association committed by an invitee of the unit's owner or the tenant unless the unit's owner:
   (a) Participated in or authorized the violation;

4. The executive board may not impose a fine pursuant to subsection 1 unless:
   (a) Not less than 30 days before the violation, the unit's owner and, if different, the person against whom the fine will be imposed had been provided with written notice of the applicable provisions of the governing documents that form the basis of the violation; and
   (b) Within a reasonable time after the discovery of the violation, the unit's owner and, if different, the person against whom the fine will be imposed has been provided with:
      (1) Written notice specifying the details of the violation, the amount of the fine, and the date, time and location for a hearing on the violation; and
      (2) A reasonable opportunity to contest the violation at the hearing.

For the purposes of this subsection, a unit's owner shall not be deemed to have received written notice unless written notice is mailed to the address of the unit and, if different, to a mailing address specified by the unit's owner.

5. The executive board must schedule the date, time and location for the hearing on the violation so that the unit's owner and, if different, the person against whom the fine will be imposed is provided with a reasonable opportunity to prepare for the hearing and to be present at the hearing.
6. The executive board must hold a hearing before it may impose the fine, unless the fine is paid before the hearing or unless the unit's owner and, if different, the person against whom the fine will be imposed:
   (a) Executes a written waiver of the right to the hearing; or
   (b) Fails to appear at the hearing after being provided with proper notice of the hearing.

7. If a fine is imposed pursuant to subsection 1 and the violation is not cured within 14 days, or within any longer period that may be established by the executive board, the violation shall be deemed a continuing violation. Thereafter, the executive board may impose an additional fine for the violation for each 7-day period or portion thereof that the violation is not cured. Any additional fine may be imposed without notice and an opportunity to be heard.

8. If the governing documents so provide, the executive board may appoint a committee, with not less than three members, to conduct hearings on violations and to impose fines pursuant to this section. While acting on behalf of the executive board for those limited purposes, the committee and its members are entitled to all privileges and immunities and are subject to all duties and requirements of the executive board and its members.

9. A member of the executive board shall not participate in any hearing or cast any vote relating to a fine imposed pursuant to subsection 1 if the member has not paid all assessments which are due to the association by the member. If a member of the executive board:
   (a) Participates in a hearing in violation of this subsection, any action taken at the hearing is void.
   (b) Casts a vote in violation of this subsection, the vote is void.

10. The provisions of this section establish the minimum procedural requirements that the executive board must follow before it may impose a fine. The provisions of this section do not preempt any provisions of the governing documents that provide greater procedural protections.

11. Any past due fine must not bear interest, but may include any costs incurred by the association during a civil action to enforce the payment of the past due fine.

12. If requested by a person upon whom a fine was imposed, not later than 60 days after receiving any payment of a fine, an association shall provide to the person upon whom the fine was imposed a statement of the remaining balance owed.

Sec. 36. NRS 116.31032 is hereby amended to read as follows:
116.31032 1. Except as otherwise provided in this section, the declaration may provide for a period of declarant's control of the association, during which a declarant, or persons designated by a declarant, may appoint and remove the officers of the association and members of the executive board. A declarant may voluntarily surrender the right to appoint and remove officers and members of the executive board before termination of that period and, in that event, the declarant may require, for the duration
of the period of declarant’s control, that specified actions of the association or executive board, as described in a recorded instrument executed by the declarant, be approved by the declarant before they become effective. Regardless of the period provided in the declaration, a period of declarant's control terminates no later than the earliest of:
   (a) Sixty days after conveyance of 75 percent of the units that may be created to units' owners other than a declarant or, if the association exercises powers over a common-interest community pursuant to this chapter and a time-share plan pursuant to chapter 119A of NRS, 120 days after conveyance of 80 percent of the units that may be created to units' owners other than a declarant;
   (b) Five years after all declarants have ceased to offer units for sale in the ordinary course of business;
   (c) Five years after any right to add new units was last exercised, whichever occurs earlier; or
   (d) The day the declarant, after giving notice to units' owners, records an instrument voluntarily surrendering all rights to control activities of the association.

2. A declarant may voluntarily surrender the right to appoint and remove officers and members of the executive board before termination of that period, but in that event the declarant may require, for the duration of the period of declarant's control, that specified actions of the association or executive board, as described in a recorded instrument executed by the declarant, be approved by the declarant before they become effective.

3. Not later than 60 days after conveyance of 25 percent of the units that may be created to units' owners other than a declarant, at least one member and not less than 25 percent of the members of the executive board must be elected by units' owners other than the declarant. Not later than 60 days after conveyance of 50 percent of the units that may be created to units' owners other than a declarant, not less than one-third of the members of the executive board must be elected by units' owners other than the declarant.

3. If a member of an executive board is named as a respondent or sued for liability for actions undertaken in his or her role as a member of the board, the association shall indemnify the member for his or her losses or claims, and undertake all costs of defense, unless it is proven that the member acted with willful or wanton misfeasance or with gross negligence. After such proof, the association is no longer liable for the cost of defense, and may recover costs already expended from the member of the executive board who so acted. Members of the executive board are not personally liable to the victims of crimes occurring on the property. Punitive damages may not be recovered against:
   (a) The association;
   (b) The members of the executive board for acts or omissions that occur in their official capacity as members of the executive board; or

6. The secretary or other officer specified in the bylaws shall cause minutes to be recorded or otherwise taken at each meeting of the units' owners. Not more than 30 days after each such meeting, the secretary or other officer specified in the bylaws shall cause the minutes or a summary of the minutes of the meeting to be made available to the units' owners. Except as otherwise provided in this subsection, a copy of the minutes or a summary of the minutes must be provided to any unit's owner upon request, in electronic format at no charge to the unit's owner or, if the association is unable to provide the copy or summary in electronic format, in paper format at a cost not to exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter.

7. Except as otherwise provided in subsection 8, the minutes of each meeting of the units' owners must include:
   (a) The date, time and place of the meeting;
   (b) The substance of all matters proposed, discussed or decided at the meeting; and
   (c) The substance of remarks made by any unit's owner at the meeting if the unit's owner requests that the minutes reflect his or her remarks or, if the unit's owner has prepared written remarks, a copy of his or her prepared remarks if the unit's owner submits a copy for inclusion.
7. The executive board may establish reasonable limitations on materials, remarks or other information to be included in the minutes of a meeting of the units' owners.

8. The association shall maintain the minutes of each meeting of the units' owners until the common-interest community is terminated.

9. A unit's owner may record on audiotape or any other means of sound reproduction a meeting of the units' owners if the unit's owner, before recording the meeting, provides notice of his or her intent to record the meeting to the other units' owners who are in attendance at the meeting.

10. The units' owners may approve, at the annual meeting of the units' owners, the minutes of the prior annual meeting of the units' owners and the minutes of any prior special meetings of the units' owners. A quorum is not required to be present when the units' owners approve the minutes.

11. As used in this section, "emergency" means any occurrence or combination of occurrences that:
   (a) Could not have been reasonably foreseen;
   (b) Affects the health, welfare and safety of the units' owners or residents of the common-interest community;
   (c) Requires the immediate attention of, and possible action by, the executive board; and
   (d) Makes it impracticable to comply with the provisions of subsection 3 or 4.

Sec. 41. NRS 116.31083 is hereby amended to read as follows:

116.31083 1. A meeting of the executive board must be held at least once every quarter, and not less than once every 100 days and must be held at a time other than during standard business hours at least twice annually.

2. Except in an emergency or unless the bylaws of an association require a longer period of notice, the secretary or other officer specified in the bylaws of the association shall, not less than 10 days before the date of a meeting of the executive board, cause notice of the meeting to be given to the units' owners. Such notice must be:
   (a) Sent prepaid by United States mail to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit's owner;
   (b) Published in a newsletter or other similar publication that is circulated to each unit's owner. 3. In an emergency, the secretary or other officer specified in the bylaws of the association shall, if practicable, cause notice of the meeting to be sent prepaid by United States mail to the mailing address of each unit within the common-interest community. If delivery of the notice in this manner is
impracticable, the notice must be hand-delivered to each unit within the common-interest community or posted in a prominent place or places within the common elements of the association.

4. The notice of a meeting of the executive board must state the time and place of the meeting and include a copy of the agenda for the meeting or the date on which and the locations where copies of the agenda may be conveniently obtained by the units' owners. The notice must include notification of the right of a unit's owner to:
   (a) Have a copy of the audio recording, the minutes or a summary of the minutes of the meeting provided to the unit's owner upon request, in electronic format at no charge to the unit's owner or, if the association is unable to provide the copy or summary in electronic format, in paper format at a cost not to exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter.
   (b) Speak to the association or executive board, unless the executive board is meeting in executive session.

5. The agenda of the meeting of the executive board must comply with the provisions of subsection 4 of NRS 116.3108. A period required to be devoted to comments by the units' owners and discussion of those comments must be scheduled for both the beginning and the end of each meeting. During the period devoted to comments by the units' owners and discussion of those comments at the beginning of each meeting, comments by the units' owners and discussion of those comments must be limited to items listed on the agenda. In an emergency, the executive board may take action on an item which is not listed on the agenda as an item on which action may be taken.

6. At least once every quarter, and not less than once every 100 days, unless the declaration or bylaws of the association impose more stringent standards, the executive board shall review, at a minimum, the following financial information at one of its meetings:
   (a) A current year-to-date financial statement of the association;
   (b) A current year-to-date schedule of revenues and expenses for the operating account and the reserve account, compared to the budget for those accounts;
   (c) A current reconciliation of the operating account of the association;
   (d) A current reconciliation of the reserve account of the association;
   (e) The latest account statements prepared by the financial institutions in which the accounts of the association are maintained; and
   (f) The current status of any civil action or claim submitted to arbitration or mediation in which the association is a party.

7. The secretary or other officer specified in the bylaws shall cause each meeting of the executive board to be audio recorded and the minutes to be recorded or otherwise taken at each meeting of the executive board, but if the executive board is meeting in executive session, the meeting must not be audio recorded. Not more than 30 days after each such meeting, the secretary or other officer specified in the bylaws shall cause the audio recording of the
meeting, the minutes of the meeting and a summary of the minutes of the meeting to be made available to the units' owners. Except as otherwise provided in this subsection, a copy of the audio recording, the minutes or a summary of the minutes must be provided to any unit's owner upon request, in electronic format at no charge to the unit's owner or, if the association is unable to provide the copy or summary in electronic format, in paper format at a cost not to exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter.

8. Except as otherwise provided in subsection 9 and NRS 116.31085, the minutes of each meeting of the executive board must include:
   (a) The date, time and place of the meeting;
   (b) Those members of the executive board who were present and those members who were absent at the meeting;
   (c) The substance of all matters proposed, discussed or decided at the meeting;
   (d) A record of each member's vote on any matter decided by vote at the meeting; and
   (e) The substance of remarks made by any unit's owner who addresses the executive board at the meeting if the unit's owner requests that the minutes reflect his or her remarks or, if the unit's owner has prepared written remarks, a copy of his or her prepared remarks if the unit's owner submits a copy for inclusion.

9. The executive board may establish reasonable limitations on materials, remarks or other information to be included in the minutes of its meetings.

10. The association shall maintain the minutes of each meeting of the executive board until the common-interest community is terminated.

11. A unit's owner may record on audiotape or any other means of sound reproduction a meeting of the executive board, unless the executive board is meeting in executive session, if the unit's owner, before recording the meeting, provides notice of his or her intent to record the meeting to the members of the executive board and the other units' owners who are in attendance at the meeting.

12. As used in this section, "emergency" means any occurrence or combination of occurrences that:
   (a) Could not have been reasonably foreseen;
   (b) Affects the health, welfare and safety of the units' owners or residents of the common-interest community;
   (c) Requires the immediate attention of, and possible action by, the executive board; and
   (d) Makes it impracticable to comply with the provisions of subsection 2 or 5.

Sec. 42. NRS 116.3109 is hereby amended to read as follows:

116.3109 1. Except as otherwise provided in this section and NRS 116.31034, and except when the governing documents provide otherwise, a quorum is present throughout any meeting of the [association if
the number of members of units' owners if persons entitled to cast 20 percent of the votes in the association [who are]:

(a) Are present in person [or];

(b) Are present by proxy at the beginning of the meeting equals or exceeds 20 percent of the total number of voting members of the association;

(c) Have cast absentee ballots in accordance with paragraph (d) of subsection 2 of NRS 116.311; or

(d) Are present by any combination of paragraphs (a), (b) and (c).

2. If the governing documents of an association contain a quorum requirement for a meeting of the association that is greater than the 20 percent required by subsection 1 and, after proper notice has been given for a meeting, the members of the association who are present in person or by proxy at the meeting are unable to hold the meeting because a quorum is not present at the beginning of the meeting, the members who are present in person at the meeting may adjourn the meeting to a time that is not less than 48 hours or more than 30 days from the date of the meeting. At the subsequent meeting:

(a) A quorum shall be deemed to be present if the number of members of the association who are present in person or by proxy at the beginning of the subsequent meeting equals or exceeds 20 percent of the total number of voting members of the association; and

(b) If such a quorum is deemed to be present but the actual number of members who are present in person or by proxy at the beginning of the subsequent meeting is less than the number of members who are required for a quorum under the governing documents, the members who are present in person or by proxy at the subsequent meeting may take action only on those matters that were included as items on the agenda of the original meeting. The provisions of this subsection do not change the actual number of votes that are required under the governing documents for taking action on any particular matter.

3. Unless the governing documents specify a larger percentage, number, a quorum of the executive board is deemed present throughout any, for purposes of determining the validity of any action taken at a meeting of the executive board only if [persons] individuals entitled to cast 50 percent a majority of the votes on that board are present at the beginning of the meeting, time a vote regarding that action is taken. If a quorum is present when a vote is taken, the affirmative vote of a majority of the members present is the act of the executive board unless a greater vote is required by the declaration or bylaws.

4. Meetings of the association must be conducted in accordance with the most recent edition of Robert's Rules of Order Newly Revised, unless the bylaws or a resolution of the executive board adopted before the meeting provide otherwise.
Sec. 43. NRS 116.311 is hereby amended to read as follows:

116.311 1. Unless prohibited or limited by the declaration or bylaws and except as otherwise provided in this section, units' owners may vote at a meeting in person, by absentee ballot pursuant to paragraph (d) of subsection 2, by a proxy pursuant to subsections 3 to 8, inclusive, or, when a vote is conducted without a meeting, by electronic or paper ballot pursuant to subsection 9.

2. At a meeting of units' owners, the following requirements apply:

(a) Units' owners who are present in person may vote by voice vote, show of hands, standing or any other method for determining the votes of units' owners, as designated by the person presiding at the meeting.

(b) If only one of several owners of a unit is present at a meeting of the association, that owner is entitled to cast all the votes allocated to that unit. If more than one of the owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the owners cast the votes allocated to the unit without protest being made promptly to the person presiding over the meeting by any of the other owners of the unit.

(c) Unless a greater number or fraction of the votes in the association is required by this chapter or the declaration, a majority of the votes cast determines the outcome of any action of the association.

(d) Subject to subsection 1, a unit's owner may vote by absentee ballot without being present at the meeting. The association promptly shall deliver an absentee ballot to an owner who requests it if the request is made at least 3 days before the scheduled meeting. Votes cast by absentee ballot must be included in the tally of a vote taken at that meeting.

(e) When a unit's owner votes by absentee ballot, the association must be able to verify that the ballot is cast by the unit's owner having the right to do so.

3. Except as otherwise provided in this section, votes allocated to a unit may be cast pursuant to a proxy executed by a unit's owner. A unit's owner may give a proxy only to a member of his or her immediate family, a tenant of the unit's owner who resides in the common-interest community, another unit's owner who resides in the common-interest community, or a delegate or representative when authorized pursuant to NRS 116.31105. If a unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through an executed proxy. A unit's owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the person presiding over a meeting of the association.

4. Before a vote may be cast pursuant to a proxy:

(a) The proxy must be dated.

(b) The proxy must not purport to be revocable without notice.
(c) The proxy must designate the meeting for which it is executed, and such a designation includes any recessed session of that meeting.

(d) The proxy must designate each specific item on the agenda of the meeting for which the unit's owner has executed the proxy, except that the unit's owner may execute the proxy without designating any specific items on the agenda of the meeting if the proxy is to be used solely for determining whether a quorum is present for the meeting. If the proxy designates one or more specific items on the agenda of the meeting for which the unit's owner has executed the proxy, the proxy must indicate, for each specific item designated in the proxy, whether the holder of the proxy must cast a vote in the affirmative or the negative on behalf of the unit's owner. If the proxy does not indicate whether the holder of the proxy must cast a vote in the affirmative or the negative for a particular item on the agenda of the meeting, the proxy must be treated, with regard to that particular item, as if the unit's owner were present but not voting on that particular item.

(e) The holder of the proxy must disclose at the beginning of the meeting for which the proxy is executed and any recessed session of that meeting the number of proxies pursuant to which the holder will be casting votes.

5. A proxy terminates immediately after the conclusion of the meeting, and any recessed sessions of the meeting, for which it is executed.

6. Except as otherwise provided in this subsection, a vote may not be cast pursuant to a proxy for the election or removal of a member of the executive board of an association. A vote may be cast pursuant to a proxy for the election or removal of a member of the executive board of a master association which governs a time-share plan created pursuant to chapter 119A of NRS if the proxy is exercised through a delegate or representative authorized pursuant to NRS 116.31105.

7. The holder of a proxy may not cast a vote on behalf of the unit's owner who executed the proxy in a manner that is contrary to the proxy.

8. A proxy is void if the proxy or the holder of the proxy violates any provision of subsections 3 to 7, inclusive.

9. Unless prohibited or limited by the declaration or bylaws, an association may conduct a vote without a meeting. Except as otherwise provided in NRS 116.31034 and 116.31036, if an association conducts a vote without a meeting, the following requirements apply:

(a) The association shall notify the units' owners that the vote will be taken by ballot.

(b) The association shall deliver a paper or electronic ballot to every unit's owner entitled to vote on the matter.

(c) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(d) When the association delivers the ballots, it shall also:

(1) Indicate the number of responses needed to meet the quorum requirements;
(2) State the percentage of votes necessary to approve each matter other than election of directors;

(3) Specify the time and date by which a ballot must be delivered to the association to be counted, which time and date may not be fewer than 3 days after the date the association delivers the ballot; and

(4) Describe the time, date and manner by which units' owners wishing to deliver information to all units' owners regarding the subject of the vote may do so.

(e) Except as otherwise provided in the declaration or bylaws, a ballot is not revoked after delivery to the association by death or disability of or attempted revocation by the person who cast that vote.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

10. If the declaration requires that votes on specified matters affecting the common-interest community must be cast by the lessees of leased units rather than the units' owners who have leased the units:

(a) [The provisions of subsections 1 to 7, inclusive, apply] This section applies to the lessees as if they were the units' owners;

(b) The units' owners who have leased their units to the lessees may not cast votes on those specified matters;

(c) The lessees are entitled to notice of meetings, access to records and other rights respecting those matters as if they were the units' owners; and

(d) The units' owners must be given notice, in the manner provided in NRS 116.3108, of all meetings at which the lessees are entitled to vote.

11. If any votes are allocated to a unit that is owned by the association, those votes may not be cast, by proxy or otherwise, for any purpose.

Sec. 44. NRS 116.3111 is hereby amended to read as follows:

116.3111 1. A unit's owner is not liable, solely by reason of being a unit's owner, for an injury or damage arising out of the condition or use of the common elements. Neither the association nor any unit's owner except the declarant is liable for that declarant's torts in connection with any part of the common-interest community which that declarant has the responsibility to maintain. [Otherwise, an]

2. An action alleging a wrong done by the association [must be brought], including, without limitation, an action arising out of the condition or use of the common elements, may be maintained only against the association and not against any unit's owner. If the wrong occurred during any period of declarant's control and the association gives the declarant reasonable notice of and an opportunity to defend against the action, the declarant who then controlled the association is liable to the association or to any unit's owner for all tort losses not covered by insurance suffered by the association or that unit's owner, and all costs that the association would not have incurred but for a breach of contract or other wrongful act or omission. Whenever the
declarant is liable to the association under this section, the declarant is also liable for all expenses of litigation, including reasonable attorney's fees, incurred by the association. [Any]

3. Except as otherwise provided in subsection 4 of NRS 116.4116 with respect to warranty claims, any statute of limitation affecting the association's right of action against a declarant under this section is tolled until the period of declarant's control terminates. A unit's owner is not precluded from maintaining an action contemplated by this section because he or she is a unit's owner or a member or officer of the association. Lien resulting from judgments against the association are governed by NRS 116.3117.

Sec. 45. NRS 116.3113 is hereby amended to read as follows:

116.3113 1. Commencing not later than the time of the first conveyance of a unit to a person other than a declarant, the association shall maintain, to the extent reasonably available, both of the following: and subject to reasonable deductibles:

(a) Property insurance on the common elements and, in a planned community, also on property that must become common elements, insuring against all risks of direct physical loss commonly insured against for all or, in the case of a converted building, against fire and extended coverage perils. The total amount of insurance, after application of any deductibles, must be not less than 80 percent of the actual cash value of the insured property at the time the insurance is purchased and at each renewal date, exclusive of land, excavations, foundations and other items normally excluded from property policies;

(b) Commercial general liability insurance, including insurance for medical payments, in an amount determined by the executive board but not less than any amount specified in the declaration, covering all occurrences commonly insured against for death, bodily injury and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements and, in cooperatives, also of all units; and

(c) Crime insurance which includes coverage for dishonest acts by members of the executive board and the officers, employees, agents, directors and volunteers of the association and which extends coverage to any business entity that acts as the community manager of the association and the employees of that entity. Such insurance may not contain a conviction requirement, and the minimum amount of the policy must be not less than an amount equal to 3 months of aggregate assessments on all units plus reserve funds or $5,000,000, whichever is less.

2. In the case of a building that contains units having horizontal boundaries described in the declaration, or vertical boundaries that comprise common walls between units, the insurance maintained under paragraph (a) of subsection 1, to the extent
reasonably available, must include the units, but need not include improvements and betterments installed by units' owners.

3. If the insurance described in subsections 1 and 2 is not reasonably available, the association promptly shall cause notice of that fact to be [hand delivered or sent prepaid by United States mail] given to all units' owners. The declaration may require the association to carry any other insurance, and the association [in any event] may carry any other insurance it considers appropriate to protect the association or the units' owners.

4. An insurance policy issued to the association does not prevent a unit's owner from obtaining insurance for the unit's owner's own benefit.

Sec. 46. NRS 116.31133 is hereby amended to read as follows:

116.31133  1. Insurance policies carried pursuant to NRS 116.3113 must provide [to the extent reasonably available] that:

(a) Each unit's owner is an insured person under the policy with respect to liability arising out of the unit's owner's interest in the common elements or membership in the association;

(b) The insurer waives its right to subrogation under the policy against any unit's owner or member of his or her household;

(c) No act or omission by any unit's owner, unless acting within the scope of his or her authority on behalf of the association, voids the policy or is a condition to recovery under the policy; and

(d) If, at the time of a loss under the policy, there is other insurance in the name of a unit's owner covering the same risk covered by the policy, the association's policy provides primary insurance.

2. Any loss covered by the property policy under subsections 1 and 2 of NRS 116.3113 must be adjusted with the association, but the proceeds for that loss are payable to any insurance trustee designated for that purpose, or otherwise to the association, and not to any holder of a security interest. The insurance trustee or the association shall hold any proceeds in trust for the association, units' owners and lienholders as their interests may appear. Subject to the provisions of NRS 116.31135, the proceeds must be disbursed first for the repair or restoration of the damaged property, and the association, units' owners, and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or restored, or the common-interest community is terminated.

3. An insurer that has issued an insurance policy under this section shall issue certificates or memoranda of insurance to the association and, upon written request, to any unit's owner or holder of a security interest. The insurer issuing the policy may not cancel or refuse to renew it until 30 days after notice of the proposed cancellation or nonrenewal has been mailed to the association, each unit's owner and each holder of a security interest to whom a certificate or memorandum of insurance has been issued at their respective last known addresses.
Sec. 47. NRS 116.31135 is hereby amended to read as follows:

116.31135 1. Any portion of the common-interest community for which insurance is required under NRS 116.3113 which is damaged or destroyed must be repaired or replaced promptly by the association unless:
(a) The common-interest community is terminated, in which case NRS 116.2118, 116.21183 and 116.21185 apply;
(b) Repair or replacement would be illegal under any state or local statute or ordinance governing health or safety; or
(c) Eighty percent of the units' owners, including every owner of a unit or assigned limited common element that will not be rebuilt, vote not to rebuild.

2. The cost of repair or replacement in excess of insurance proceeds, deductibles, and reserves is a common expense.

(a) If the entire common-interest community is not repaired or replaced:

(b) The insurance proceeds attributable to the damaged common elements must be used to restore the damaged area to a condition compatible with the remainder of the common-interest community;

(c) Except to the extent that other persons will be distributees (subparagraph 2 of paragraph (l) of subsection 1 of NRS 116.2105):

(i) The insurance proceeds attributable to units and limited common elements that are not rebuilt must be distributed to the owners of those units and the owners of the units to which those limited common elements were allocated, or to lienholders, as their interests may appear; and

(ii) The remainder of the proceeds must be distributed to all the units' owners or lienholders, as their interests may appear, as follows:

(I) In a condominium, in proportion to the interests of all the units in the common elements; and

(II) In a cooperative or planned community, in proportion to the liabilities of all the units for common expenses.

3. If the units' owners vote not to rebuild any unit, that unit's allocated interests are automatically reallocated upon the vote as if the unit had been condemned under subsection 1 of NRS 116.1107, and the association promptly shall prepare, execute and record an amendment to the declaration reflecting the reallocations.

Sec. 48. NRS 116.3115 is hereby amended to read as follows:

116.3115 1. Until the association makes an assessment for common expenses, the declarant shall pay all common expenses. After an assessment has been made by the association, assessments must be made at least annually, based on a budget adopted at least annually by the association in accordance with the requirements set forth in NRS 116.31151. Unless the declaration imposes more stringent standards, the budget must include a budget for the daily operation of the association and a budget for the reserves required by paragraph (b) of subsection 2.
2. Except for assessments under subsections 4 to 7, inclusive, or as otherwise provided in this chapter:
   (a) All common expenses, including the reserves, must be assessed against all the units in accordance with the allocations set forth in the declaration pursuant to subsections 1 and 2 of NRS 116.2107.
   (b) The association shall establish adequate reserves, funded on a reasonable basis, for the repair, replacement and restoration of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore. The reserves may be used only for those purposes, including, without limitation, repairing, replacing and restoring roofs, roads and sidewalks, and must not be used for daily maintenance. The association may comply with the provisions of this paragraph through a funding plan that is designed to allocate the costs for the repair, replacement and restoration of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore over a period of years if the funding plan is designed in an actuarially sound manner which will ensure that sufficient money is available when the repair, replacement and restoration of the major components of the common elements or any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore are necessary. Notwithstanding any provision of the governing documents to the contrary, to establish adequate reserves pursuant to this paragraph, including, without limitation, to establish or carry out a funding plan, the executive board may, without seeking or obtaining the approval of the units' owners, impose any necessary and reasonable assessments against the units in the common-interest community. Any such assessments imposed by the executive board must be based on the study of the reserves of the association conducted pursuant to NRS 116.31152.

3. Any assessment for common expenses or installment thereof that is 60 days or more past due bears interest at a rate equal to the prime rate at the largest bank in Nevada as ascertained by the Commissioner of Financial Institutions on January 1 or July 1, as the case may be, immediately preceding the date the assessment becomes past due, plus 2 percent. The rate must be adjusted accordingly on each January 1 and July 1 thereafter until the balance is satisfied.

4. Except as otherwise provided in the governing documents:
   (a) Any common expense associated with the maintenance, repair, restoration or replacement of a limited common element must be assessed against the units to which that limited common element is assigned, equally, or in any other proportion the declaration provides;
   (b) Any common expense or portion thereof benefiting fewer than all of the units or their owners may be assessed exclusively against the units or units' owners benefited; and
(c) The costs of insurance must be assessed in proportion to risk and the costs of utilities must be assessed in proportion to usage.

5. Assessments to pay a judgment against the association may be made only against the units in the common-interest community at the time the judgment was entered, in proportion to their liabilities for common expenses.

6. If damage to a unit or other part of the common-interest community, or if any other common expense is caused by the willful misconduct or gross negligence of any unit's owner, tenant or invitee of a unit's owner or tenant, the association may assess that expense exclusively against his or her unit, even if the association maintains insurance with respect to that damage or common expense, unless the damage or other common expense is caused by a vehicle and is committed by a person who is delivering goods to, or performing services for, the unit's owner, tenant or invitee of the unit's owner or tenant.

7. The association of a common-interest community created before January 1, 1992, is not required to make an assessment against a vacant lot located within the community that is owned by the declarant.

8. If liabilities for common expenses are reallocated, assessments for common expenses and any installment thereof not yet due must be recalculated in accordance with the reallocated liabilities.

9. The association shall provide written notice to each unit's owner of a meeting at which an assessment for a capital improvement is to be considered or action is to be taken on such an assessment at least 21 calendar days before the date of the meeting.

Sec. 49. NRS 116.3116 is hereby amended to read as follows:

116.3116 1. The association has a statutory lien on a unit for any construction penalty that is imposed against the unit's owner pursuant to NRS 116.310305, any assessment levied against that unit or any fines imposed against the unit's owner from the time the construction penalty, assessment or fine becomes due. Unless the declaration otherwise provides, any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive, of subsection 1 of NRS 116.3102, are enforceable in the same manner as unpaid assessments under this section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

2. A lien under this section is prior to all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recitation of the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes or takes subject to;

(b) except as otherwise provided in subsection 3, of any first security interest on the unit recorded before the date on which the assessment sought
to be enforced became delinquent or, in a cooperative, the first security interest encumbering only the unit's owner's interest and perfected before the date on which the assessment sought to be enforced became delinquent; and

c) Liens for real estate taxes and other governmental assessments or charges against the unit or cooperative.

The lien under this section is also prior to all security interests described in paragraph (b) to the extent of any charges incurred by the association on a unit pursuant to NRS 116.310312 and to the extent of the assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 which would have become due in the absence of acceleration during the 9 months immediately preceding institution of an action to enforce the lien, unless federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien. If federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior to all security interests described in paragraph (b) must be determined in accordance with those federal regulations, except that notwithstanding the provisions of the federal regulations, the period of priority for the lien must not be less than the 6 months immediately preceding institution of an action to enforce the lien. This subsection does not affect the priority of mechanics' or materialmen's liens, or the priority of liens for other assessments made by the association.

3. Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority.

4. Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required.

5. A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within 3 years after the full amount of the assessments becomes due.

6. This section does not prohibit actions against units' owners to recover sums for which subsection 1 creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

7. A judgment or decree in any action brought under this section must include costs and reasonable attorney's fees for the prevailing party.

8. The association, upon written request, shall furnish to a unit's owner a statement setting forth the amount of unpaid assessments against the unit. If the interest of the unit's owner is real estate or if a lien for the unpaid assessments may be foreclosed under NRS 116.31162 to 116.31168, inclusive, the statement must be in recordable form. The statement must be
furnished within 10 business days after receipt of the request and is binding on the association, the executive board and every unit's owner.

9. In a cooperative, upon nonpayment of an assessment on a unit, the unit's owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and:
   (a) In a cooperative where the owner's interest in a unit is real estate under NRS 116.1105, the association's lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.
   (b) In a cooperative where the owner's interest in a unit is personal property under NRS 116.1105, the association's lien:
      (1) May be foreclosed as a security interest under NRS 104.9101 to 104.9709, inclusive; or
      (2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

10. In an action by an association to collect assessments or to foreclose a lien created under this section, the court may appoint a receiver to collect all rents or other income from the unit alleged to be due and owing to a unit's owner before commencement or during pendency of the action. The receivership is governed by chapter 32 of NRS. The court may order the receiver to pay any sums held by the receiver to the association during pendency of the action to the extent of the association's common expense assessments based on a periodic budget adopted by the association pursuant to NRS 116.3115.

Sec. 50. NRS 116.3117 is hereby amended to read as follows:

116.3117 1. In a condominium or planned community:
   (a) Except as otherwise provided in paragraph (b), a judgment for money against the association, if a copy of the docket or an abstract or copy of the judgment is recorded, is not a lien on the common elements, but is a lien in favor of the judgment lienholder against all of the other real property of the association and all of the units in the common-interest community at the time the judgment was entered. No other property of a unit's owner is subject to the claims of creditors of the association.
   (b) If the association has granted a security interest in the common elements to a creditor of the association pursuant to NRS 116.3112, the holder of that security interest shall exercise its right against the common elements before its judgment lien on any unit may be enforced.
   (c) Whether perfected before or after the creation of the common-interest community, if a lien, other than a deed of trust or mortgage, including a judgment lien or lien attributable to work performed or materials supplied before creation of the common-interest community, becomes effective against two or more units, the owner of an affected unit may pay to the lienholder the amount of the lien attributable to his or her unit, and the lienholder, upon receipt of payment, promptly shall deliver a release of the lien covering that unit. The amount of the payment must be proportionate to the ratio which that owner's liability for common expenses bears to the
liabilities for common expenses of all owners whose units are subject to the lien. After payment, the association may not assess or have a lien against that owner's unit for any portion of the common expenses incurred in connection with that lien.

(d) A judgment against the association must be indexed in the name of the common-interest community and the association and, when so indexed, is notice of the lien against the units.

2. In a cooperative:

(a) If the association receives notice of an impending foreclosure on all or any portion of the association's real estate, the association shall promptly transmit a copy of that notice to each owner of a unit located within the real estate to be foreclosed. Failure of the association to transmit the notice does not affect the validity of the foreclosure.

(b) Whether or not an owner's unit is subject to the claims of the association's creditors, no other property of an owner is subject to those claims.

Sec. 51. NRS 116.31175 is hereby amended to read as follows:

Such records must be provided in electronic format at no charge to the unit's owner or, if the association is unable to provide the records in electronic format, the executive board may charge a fee to cover the actual costs of preparing a copy, but the fee may not exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter.

3. If the executive board fails to provide a copy of any of the records pursuant to subsection 2 within 21 days, the executive board must pay a penalty of $25 for each day the executive board fails to provide the records.

4. The provisions of this subsection do not apply to:

(1) Is in the process of being developed for final consideration by the executive board; and

(2) Has not been placed on an agenda for final approval by the executive board.

3. The executive board of an association shall maintain a general record concerning each violation of the governing documents, other than a violation involving a failure to pay an assessment, for which the executive board has imposed a fine, a construction penalty or any other sanction. The general record:

(a) Must contain a general description of the nature of the violation and the type of the sanction imposed. If the sanction imposed was a fine or construction penalty, the general record must specify the amount of the fine or construction penalty.

(b) Must not contain the name or address of the person against whom the sanction was imposed or any other personal information which may be used to identify the person or the location of the unit, if any, that is associated with the violation.

(c) Must be maintained in an organized and convenient filing system or data system that allows a unit's owner to search and review the general records concerning violations of the governing documents.

If the executive board refuses to allow a unit's owner to review the books, records or other papers of the association, the Ombudsman may:

(a) On behalf of the unit's owner and upon written request, review the books, records or other papers of the association during the regular working hours of the association; and

(b) If the Ombudsman is denied access to the books, records or other papers, request the Commission, or any member thereof acting on behalf of the Commission, to issue a subpoena for their production.

The books, records and other papers of an association must be maintained for at least 10 years. The provisions of this subsection do not apply to:

(a) The minutes of a meeting of the units' owners which must be maintained in accordance with NRS 116.3108; or
(b) The minutes of a meeting of the executive board which must be maintained in accordance with NRS 116.31083.

Section 6. The executive board shall not require a unit's owner to pay an amount in excess of $10 per hour to review any books, records, contracts or other papers of the association pursuant to the provisions of this section.

6. If an official publication contains or will contain any mention of a candidate or ballot question, the official publication must, upon request and without charge, provide equal space to the candidate or a representative of an organization which supports the passage or defeat of the ballot question.

7. If an official publication contains or will contain the views or opinions of the association, the executive board, a community manager or an officer, employee or agent of an association concerning an issue of official interest, the official publication must, upon request and without charge, provide equal space to opposing views and opinions of a unit's owner, tenant or resident of the common-interest community.

8. The association and its officers, employees and agents are immune from criminal or civil liability for any act or omission which arises out of the publication or disclosure of any information related to any person and which occurs in the course of carrying out any duties required pursuant to subsection 6 or 7.

9. As used in this section:

(a) "Issue of official interest" includes, without limitation:

(1) Any issue on which the executive board or the units' owners will be voting, including, without limitation, the election of members of the executive board; and

With respect to a unit that may be occupied for residential use, an agreement to reduce the period of limitation must be evidenced by a separate instrument executed by the purchaser.

2. Subject to subsection 3, a cause of action for breach of warranty of quality, regardless of the purchaser's lack of knowledge of the breach, accrues:

Only members of the executive board elected by units' owners other than the declarant and other persons appointed by those independent members may serve on the committee, and the committee's decision must be free of any control by the declarant or any member of the executive board or officer appointed by the declarant. All costs reasonably incurred by the committee, including attorney's fees, are common expenses, and must be added to the budget annually adopted by the association in accordance with the requirements of NRS 116.31151. Motion carried by a constitutional majority. Bill ordered enrolled.

Senate Bill No. 254.

The following Assembly amendment was read:
Amendment No. 742.
"SUMMARY—Revises provisions relating to common-interest communities. (BDR 10-264)"
"AN ACT relating to common-interest communities; revising procedures for alternative dispute resolution of certain claims relating to common-interest communities; revising provisions governing the review of certain books, papers and records of an association; revising provisions governing the confidentiality of certain documents and information obtained by the Real Estate Division of the Department of Business and Industry; revising the penalties for filing frivolous, false or fraudulent claims; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Sections 1, 2 and 6-21 of this bill revise the procedures for: (1) the alternative dispute resolution of civil actions which relate to any governing documents or covenants, conditions or restrictions applicable to residential property; and (2) administrative proceedings which relate to a violation of existing law governing common-interest communities and condominium hotels. Sections 10 and 18 require a person to include in a written claim filed with the Real Estate Division of the Department of Business and Industry all claims which: (1) allege a violation of the governing documents or covenants, conditions or restrictions; and (2) allege a violation of existing law governing common-interest communities and condominium hotels. Under sections 1 and 15, the Ombudsman for Owners in Common-Interest
Communities and Condominium Hotels must refer all claims to a mediator, and the Commission for Common-Interest Communities and Condominium Hotels shall adopt regulations establishing the maximum amount, not to exceed $500, of the fees and costs of the mediation and governing the manner in which such fees and costs are paid. If the mediation does not result in a settlement of the claim, sections 1 and 15 require the mediator to refer the claim: (1) to arbitration if the claim relates to the governing documents or covenants, conditions or restrictions applicable to the property; and (2) to the Division if the claim relates to a violation of a provision of existing law governing common-interest communities. If the claim is referred to an arbitrator, the arbitration is conducted in accordance with: (1) the rules of the American Arbitration Association or other comparable rules for speedy arbitration approved by the Division or the Commission; and (2) existing law governing the arbitration of such claims. If the claim is referred to the Division, section 11 requires the Division to determine whether good cause exists to proceed with a hearing on the alleged violation and, if good cause exists, to refer the claim to the Ombudsman or file a complaint with the Commission. If the claim is referred to the Ombudsman, the parties do not resolve the alleged violation with the assistance of the Ombudsman and the Division, after investigation, makes certain findings, the Administrator of the Division must file a formal complaint with the Commission.

Sections 5, 10 and 18 of this bill revise the penalties which may be imposed against a person who files with the Division a frivolous, false or fraudulent claim or response and provide for penalties against a person who files a claim with the Division for the purpose of delay or harassment.

Existing law authorizes an association of a common-interest community to foreclose a lien by sale of a unit and prescribes the procedures for such a foreclosure. (NRS 116.31162-116.31168) Section 3.5 of this bill revises provisions governing foreclosures by prohibiting an association from foreclosing a lien by sale during the pendency of any mediation or arbitration if the issue in dispute is the basis for the foreclosure.

Section 4 of this bill provides that, unless and until a complaint is filed by the Real Estate Administrator, the executive board is not required to make available certain confidential documents and information relating to certain claims filed with the Division.

Senator Wiener moved that the Senate concur in the Assembly amendment to Senate Bill No. 254.
Motion carried by a constitutional majority.
Bill ordered enrolled.

Senate Bill No. 307.
The following Assembly amendment was read:
Amendment No. 741.
"SUMMARY—Revises provisions relating to the exercise of the power of sale under a deed of trust concerning owner-occupied property. (BDR 9-958)"
"AN ACT relating to real property; revising provisions governing the exercise of the power of sale under a deed of trust concerning owner-occupied property; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law, the trustee under a deed of trust concerning owner-occupied housing has the power to sell the property to which the deed of trust applies, subject to certain restrictions. (NRS 107.080, 107.085, 107.086) Existing law prohibits the exercise of the trustee's power of sale concerning owner-occupied property unless the trustee records in the office of the county recorder a certificate issued by the entity designated as the Mediation Administrator for the foreclosure mediation program which indicates that foreclosure mediation is not required or has been completed. (NRS 107.086)

This bill establishes additional restrictions on the trustee's power of sale with respect to owner-occupied housing which are based on Maryland law and which require an analysis of the eligibility of the grantor or person who holds the title of record for a loan modification or other loss mitigation alternative. Section 1 of this bill provides that, not later than 30 days before the notice of default and election to sell is recorded in the office of the county recorder of the county in which the property is located, the beneficiary of the deed of trust must mail to the grantor or the person who holds title of record an application for a loan modification program or other loss mitigation alternative. If the application is returned to the beneficiary within 30 days after the date on which it is received by the grantor or person who holds title of record: (1) the beneficiary must forward it to the person responsible for analyzing the eligibility of the grantor or the person who holds title of record for a loan modification or other loss mitigation alternative, (2) that person must complete an analysis of the application, and (3) the trustee may not exercise the power of sale unless the beneficiary has mailed to the grantor or the person who holds title of record an affidavit certifying that an analysis of the application was completed. If the grantor or person who holds title of
record returns a loss mitigation application within the required time period and requests foreclosure mediation in accordance with existing law: (1) under section 1, the analysis of the application must be completed before the mediation is conducted; and (2) under section 1.7 of this bill, the beneficiary of the deed of trust must bring to the mediation certain information related to the loss mitigation application. Section 1 further provides that if the grantor or the person who holds title of record does not return the loss mitigation application within 30 days after receipt of the application: (1) the beneficiary shall mail an affidavit to the grantor or person who holds title of record attesting to that fact; and (2) the trustee may exercise the power of sale in accordance with existing law.

Existing law provides that if certain provisions of existing law governing the exercise of the trustee's power of sale are not followed, a court of competent jurisdiction may void the sale. (NRS 107.080) Section 1.3 of this bill authorizes a court of competent jurisdiction to void a sale made pursuant to the exercise of the trustee's power of sale if the beneficiary of the deed of trust does not comply with the provisions of this bill. One such restriction: (1) requires the trustee under the deed of trust to include a form to request mediation with the notice of default and election to sell which is mailed to the grantor of the deed of trust or the person who holds title of record; and (2) authorizes the grantor of the deed of trust or the person who holds the title of record to request mediation under rules adopted by the Supreme Court. (NRS 107.086) Section 1.7 of this bill requires the notice of default and election to sell that is mailed to the grantor or the person who holds the title of record to include a notice provided by the entity designated to administer the Foreclosure Mediation Program which states that the grantor or the person who holds the title of record has a right to seek foreclosure mediation in the Foreclosure Mediation Program.

Under existing law, another restriction on the exercise of the trustee's power of sale prohibits the trustee from exercising the power of sale unless, not later than 60 days before the date of the sale, the trustee causes a notice to be served on the grantor or the person who holds the title of record which contains the telephone numbers of certain agencies which may provide assistance to the grantor or the person who holds the title of record. (NRS 107.085) Section 1.5 of this bill amends this notice to include: (1) a statement that the person receiving the notice may have a right to participate in the State of Nevada Foreclosure Mediation Program if the time to request mediation has not expired; (2) the telephone number of the State of Nevada Foreclosure Mediation Program; and (3) the telephone number of the Division of Mortgage Lending of the Department of Business and Industry.

Legislative Counsel's Digest:

Existing law provides that before two people may be joined in marriage, they must obtain a marriage license from the county clerk of any county in the State. Additionally, section 8.5 authorizes the board of county commissioners in each county whose population is less than 100,000 (currently all counties other than Clark County and Washoe County) and in which a commercial wedding chapel has been in business for 5 years or more to provide for the establishment of a program whereby such a commercial wedding chapel may issue marriage licenses during the hours when an office where marriage licenses may be issued is not open to the public. Any such program that is established must authorize a commercial wedding chapel that has been in business in the county for 5 years or more to begin issuing marriage licenses upon filing a
completed registration form with the county clerk, along with a performance bond in the amount of $50,000.

Section 8.5 also requires a commercial wedding chapel to refer any application for a marriage license that includes the signature of a guardian for a minor applicant to the county clerk for review and issuance of the marriage license, and provides that the persons to whom a commercial wedding chapel issues a marriage license may only be joined in marriage in the county in which the marriage license is issued. Section 8.5 further provides that a commercial wedding chapel that violates any provision relating to the issuance of marriage licenses is guilty of a misdemeanor.

Section 12 of this act provides that the sections of this bill that provide for the establishment of county programs for the issuance of marriage licenses by certain commercial wedding chapels expire by limitation in 2 years.

Amendment No. 765.

"SUMMARY—Revises provisions concerning the issuance of marriage licenses. (BDR 11-227)"

"AN ACT relating to marriage; revising provisions concerning the issuance of marriage licenses; counties; providing for the establishment of county programs for the issuance of marriage licenses by certain commercial wedding chapels; removing the prospective expiration of provisions allowing a county office to deviate from the required hours of operation under certain circumstances; providing a penalty; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law provides that before two people may be joined in marriage, they must obtain a marriage license from the county clerk of any county in the State. (NRS 122.040) Section 8.5 of this bill requires the board of county commissioners in each county whose population is less than 700,000 (currently all counties other than Clark County) and in which a commercial wedding chapel has been in business for 5 years or more to: (1) ensure that an office where marriage licenses may be issued is open to the public for the purpose of issuing such licenses from 8 a.m. to 12 a.m. every day, including holidays; or (2) provide for the establishment of a program whereby a commercial wedding chapel that has been in business in the county for 5 years or more is authorized to issue marriage licenses during the hours when an office where marriage licenses may be issued is not open to the public. Any such program that is established must authorize a commercial wedding chapel that has been in business in the county for 5 years or more to begin issuing marriage licenses upon filing a completed registration form with the county clerk, along with a performance bond in the amount of $50,000.

Section 8.5 also requires a commercial wedding chapel to refer any application for a marriage license that includes the signature of a guardian for a minor applicant to the county clerk for review and issuance of the marriage license, and provides that the persons to whom a commercial wedding chapel issues a marriage license may only be joined in marriage in the county in which the marriage license is issued. Section 8.5 further provides that a commercial wedding chapel that violates any provision relating to the issuance of marriage licenses is guilty of a misdemeanor.

Existing law also establishes the required hours of operation for county offices, including offices where marriage licenses may be issued. (NRS 122.061, 245.040, 252.050) However, for the period between March 11, 2010, and June 30, 2011, county offices are authorized under existing law to deviate from those required hours of operation if the board of county commissioners approves the plan for the deviation submitted by the office. (Chapter 9, Statutes of Nevada 2010, 26th Special Session, p. 50) Section 9.7 of this bill makes the temporary authority to deviate from the required hours of operation permanent.

   (b) Provide for the establishment of a program whereby a commercial wedding chapel that has been in business in the county for 5 years or more is authorized to issue marriage licenses to qualified applicants during the hours when an office where marriage licenses may be issued pursuant to paragraph (a) is not open to the public.

"SUMMARY—Revises provisions relating to the information which must be provided by a unit's owner in a resale transaction. (BDR 10-1126)"

"AN ACT relating to common-interest communities; revising provisions relating to the information which must be provided by a unit's owner in a resale transaction; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

This bill revises provisions relating to the information which must be provided in a resale package by a unit's owner for the benefit of a purchaser in a resale transaction.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 116.4109 is hereby amended to read as follows:

116.4109 1. Except in the case of a sale in which delivery of a public offering statement is required, or unless exempt under subsection 2 of NRS 116.4101, a unit's owner or his or her authorized agent shall, at the expense of the unit's owner, furnish to a purchaser a resale package containing all of the following:

(a) A copy of the declaration, other than any plats, the bylaws, the rules or regulations of the association and the information statement required by NRS 116.41095.

(b) A statement from the association setting forth the amount of the monthly assessment for common expenses and any unpaid obligation of any kind, including, without limitation, management fees, transfer fees, fines, penalties, interest, collection costs, foreclosure fees and attorney's fees currently due from the selling unit's owner. The statement remains effective for the period specified in the statement, which must not be less than 15 working days from the date of delivery by the association to the unit's owner or his or her agent. If the association becomes aware of an error in the statement during the period in which the statement is effective but before the consummation of the resale, the association must deliver a replacement statement to the unit's owner or his or her agent and obtain an acknowledgment in writing by the unit's owner or his or her agent before that consummation. Unless the unit's owner or his or her agent receives a
replacement statement, the unit's owner or his or her agent may rely upon the accuracy of the information set forth in a statement provided by the association for the resale.

(c) A copy of the current operating budget of the association and current year-to-date financial statement for the association, which must include a summary of the reserves of the association required by NRS 116.31152 and which must include, without limitation, a summary of the information described in paragraphs (a) to (e), inclusive, of subsection 3 of NRS 116.31152.

(d) A statement of any unsatisfied judgments or pending legal actions against the association and the status of any pending legal actions relating to the common-interest community of which the unit's owner has actual knowledge.

(e) A statement of any transfer fees, transaction fees or any other fees associated with the resale of a unit.

(f) In addition to any other document, a statement describing all current and expected fees or charges for each unit, including, without limitation, association fees, fines, assessments, late charges or penalties, interest rates on delinquent assessments, additional costs for collecting past due fines and charges for opening or closing any file for each unit.

2. The purchaser may, by written notice, cancel the contract of purchase until midnight of the fifth calendar day following the date of receipt of the resale package described in subsection 1, and the contract for purchase must contain a provision to that effect. If the purchaser elects to cancel a contract pursuant to this subsection, the purchaser must hand deliver the notice of cancellation to the unit's owner or his or her authorized agent or mail the notice of cancellation by prepaid United States mail to the unit's owner or his or her authorized agent. Cancellation is without penalty, and all payments made by the purchaser before cancellation must be refunded promptly. If the purchaser has accepted a conveyance of the unit, the purchaser is not entitled to:

(a) Cancel the contract pursuant to this subsection; or

(b) Damages, rescission or other relief based solely on the ground that the unit's owner or his or her authorized agent failed to furnish the resale package, or any portion thereof, as required by this section.

3. Within 10 days after receipt of a written request by a unit's owner or his or her authorized agent, the association shall furnish all of the following to the unit's owner or his or her authorized agent for inclusion in the resale package:

(a) Copies of the documents required pursuant to paragraphs (a) and (c) of subsection 1; and

(b) A certificate containing the information necessary to enable the unit's owner to comply with paragraphs (b), (d) and (e) of subsection 1.

4. If the association furnishes the documents and certificate pursuant to subsection 3:
(a) The unit's owner or his or her authorized agent shall include the
documents and certificate in the resale package provided to the purchaser,
and neither the unit's owner nor his or her authorized agent is liable to the
purchaser for any erroneous information provided by the association and
included in the documents and certificate.

(b) The association may charge the unit's owner a reasonable fee to cover
the cost of preparing the certificate furnished pursuant to subsection 3. Such
a fee must be based on the actual cost the association incurs to fulfill the
requirements of this section in preparing the certificate. The Commission
shall adopt regulations establishing the maximum amount of the fee that an
association may charge for preparing the certificate.

(c) The association may charge the unit's owner a reasonable fee, not to exceed 25 cents per page, to cover the cost of copying the other documents
furnished pursuant to subsection 3.

(d) Except for the fees allowed pursuant to paragraphs (b) and (c), the
association may not charge the unit's owner any other fees for preparing or
furnishing the documents and certificate pursuant to subsection 3.

5. Neither a purchaser nor the purchaser's interest in a unit is liable for
any unpaid assessment or fee greater than the amount set forth in the
documents and certificate prepared by the association. If the association fails
to furnish the documents and certificate within the 10 days allowed by this
section, the purchased purchaser is not liable for the delinquent assessment.

6. Upon the request of a unit's owner or his or her authorized agent, or
upon the request of a purchaser to whom the unit's owner has provided a
resale package pursuant to this section or his or her authorized agent, the
association shall make the entire study of the reserves of the association
which is required by NRS 116.31152 reasonably available for the unit's
owner, purchaser or authorized agent to inspect, examine, photocopy and
audit. The study must be made available at the business office of the
association or some other suitable location within the county where the
common-interest community is situated or, if it is situated in more than one
county, within one of those counties.

Amendment No. 881.
"SUMMARY—Makes various changes concerning public health.
(BDR 54-837)"
"AN ACT relating to public health; revising provisions governing access
to certain medical records; requiring a physician or an osteopathic physician
who performs an autopsy to submit a written report of the findings of the
autopsy to the Board of Medical Examiners or the State Board of Osteopathic Medicine in certain circumstances; revising provisions governing the submission of certain reports concerning surgeries requiring conscious sedation, deep sedation or general anesthesia; revising provisions governing reports to the Board of Medical Examiners and the State Board of Osteopathic Medicine of a change in the privileges of certain providers of health care; revising provisions governing the standard of proof in any disciplinary hearing before the Board of Medical Examiners; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Section 1 of this bill provides that if the health care records of a patient are located within this State, a provider of health care must make the records available for physical inspection within 5 working days after they are requested.

Section 2 of this bill requires a physician who performs an autopsy and who determines that the death of the decedent is the result of an overdose of a controlled substance or dangerous drug to submit a written report of such findings to the Board of Medical Examiners. Section 2 also requires the Board, upon receipt of such a report, to investigate the death of the decedent to determine whether the conduct of any physician contributed to the death. Section 18 of this bill imposes similar requirements concerning an autopsy performed by an osteopathic physician.

Existing law requires any hospital, clinic or other medical facility or medical society to report to the Board of Medical Examiners any change in the privileges of a physician, perfusionist, physician assistant or practitioner of respiratory care while the person is under investigation and the outcome of any disciplinary action taken within 30 days after the change in privileges is made or disciplinary action is taken. A hospital, clinic or other medical facility or medical society is also required to report such information to the State Board of Osteopathic Medicine concerning a change in the privileges of an osteopathic physician who is under investigation. (NRS 630.307, 633.533)

Section 8 of this bill requires that such a report concerning a change in the privileges of a physician, perfusionist, physician assistant or practitioner of respiratory care be made within 5 days after the change in privileges is made if the change in privileges is based on an investigation of the mental, medical or psychological competency of the person or suspected or alleged substance abuse by the person. Section 21 of this bill imposes similar reporting requirements concerning a change in the privileges of a physician assistant who is under investigation and a change in the privileges of an osteopathic physician or physician assistant if the change in privileges is based on an investigation of the mental, medical or psychological competency of the osteopathic physician or physician assistant or suspected or alleged substance abuse by the osteopathic physician or physician assistant.
Section 10 of this bill provides that in any disciplinary hearing before the Board of Medical Examiners, a finding of the Board must be supported by a preponderance of the evidence. Existing law requires persons who are licensed to practice medicine by the Board of Medical Examiners and persons who are licensed to practice osteopathic medicine by the State Board of Osteopathic Medicine to make certain reports concerning surgeries requiring conscious sedation, deep sedation or general anesthesia performed by the holder of the license and the occurrence of any sentinel events arising from those surgeries. Persons who are licensed to practice medicine are required to submit the reports to the Board of Medical Examiners and persons who are licensed to practice osteopathic medicine are required to submit the reports to the State Board of Osteopathic Medicine. The boards are required to submit the reports to the Health Division of the Department of Health and Human Services which then reviews the reports. (NRS 449.447, 630.30665, 633.524) Section 7.5 of this bill revises these reporting requirements as they pertain to a physician and requires a physician to report the occurrence of any sentinel event arising from a surgery requiring conscious sedation, deep sedation or general anesthesia within 14 days after the occurrence of the sentinel event. Section 20 of this bill imposes a similar reporting requirement on an osteopathic physician.

(a) At a medical facility as that term is defined in NRS 449.0151; or

(b) Outside of this State.

2. In addition to the report required pursuant to subsection 1, the Board shall require each holder of a license to practice osteopathic medicine to submit a report annually to the Board concerning the occurrence of any sentinel event arising from any surgery described in subsection 1. The report must be submitted in the manner prescribed by the Board which must be substantially similar to the manner prescribed by the State Board of Health for reporting information pursuant to NRS 439.835.

6. Except as otherwise provided in NRS 239.0115, a report received pursuant to subsection 1, 2 or 4 is confidential, not subject to subpoena or discovery, and not subject to inspection by the general public.

7. The provisions of this section do not apply to surgical care requiring only the administration of oral medication to a patient to relieve the patient's anxiety or pain, if the medication is not given in a dosage that is sufficient to induce in a patient a controlled state of depressed consciousness or unconsciousness similar to general anesthesia, deep sedation or conscious sedation.

8. In addition to any other remedy or penalty, if a holder of a license to practice osteopathic medicine fails to submit a report or knowingly files false information in a report submitted pursuant to this section, the Board may, after providing the holder of a license to practice osteopathic medicine with notice and opportunity for a hearing, impose against the holder of a license an administrative penalty for each such violation. The Board shall establish by regulation a sliding scale based on the severity of the violation to determine the amount of the administrative penalty to be imposed against the holder of the license to practice osteopathic medicine. The regulations must include standards for determining the severity of the violation and may provide for a more severe penalty for multiple violations.

9. As used in this section:
   (a) "Conscious sedation" has the meaning ascribed to it in NRS 449.436.
   (b) "Deep sedation" has the meaning ascribed to it in NRS 449.437.

633.533  1. Except as otherwise provided in subsection 2, any person may file with the Board a complaint against an osteopathic physician or physician assistant on a form provided by the Board. The form may be submitted in writing or electronically.    2. Any licensee, medical school or medical facility that becomes aware that a person practicing osteopathic medicine in this State has, is or is about to become engaged in conduct which constitutes grounds for initiating disciplinary action shall file a written complaint with the Board within 30 days after becoming aware of the conduct.

   3. Except as otherwise provided in subsection 4, any hospital, clinic or other medical facility licensed in this State, or medical society, shall report to the Board any change in the privileges of an osteopathic physician or physician assistant to practice osteopathic medicine while the osteopathic physician or physician assistant is under investigation and the outcome of any disciplinary action taken by that facility or society against the osteopathic physician or physician assistant concerning the care of a patient or the competency of the osteopathic physician or physician assistant within 30 days after the change in privileges is made or disciplinary action is taken.

   4. A hospital, clinic or other medical facility licensed in this State, or medical society, shall report to the Board within 5 days after a change in the privileges of an osteopathic physician or physician assistant that is based on:

      (a) An investigation of the mental, medical or psychological competency of the osteopathic physician or physician assistant; or

      (b) Suspected or alleged substance abuse in any form by the osteopathic physician or physician assistant.

   5. If the administrative fine is not paid
when due, the fine must be recovered in a civil action brought by the Attorney General on behalf of the Division.

4. The clerk of every court shall report to the Board any finding, judgment or other determination of the court that an osteopathic physician or physician assistant:

Senate Bill No. 36.

The following Assembly amendment was read:
Amendment No. 823.
"SUMMARY—Revises provisions governing [the State Board of Podiatry; health care providers. (BDR 54-502)]"

"AN ACT relating to [podiatry; health care providers] requiring each person licensed by the State Board of Podiatry to maintain a permanent mailing address with the Board; requiring each licensee to provide the Board with written notification of any change in his or her permanent address; requiring the Board to impose a fine if a licensee fails to notify the Board of a change in his or her permanent address; requiring a licensee who closes his or her office in this State to notify the Board of the location and custodian of the medical records of the patients of the licensee for a certain period; codifying in statutory form the requirement in administrative regulation that an applicant for a license issued by the Board submit to a criminal background check; revising provisions governing the qualifications for obtaining a license to practice dental hygiene; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law authorizes the State Board of Podiatry to license and regulate the conduct of podiatrists and podiatry hygienists. (NRS 635.050-635.180)

Section 2 of this bill requires a licensee to maintain a permanent mailing address with the Board and notify the Board in writing of any change in the licensee's permanent address. Section 2 also requires the Board to impose a fine against any licensee who fails to notify the Board of a change in his or her permanent address. Additionally, section 2 requires a licensee who changes the location of his or her office to notify the Board of the new location and requires a licensee who closes his or her office to notify the Board of the closure within 14 days after closing the office. Section 2 further requires a licensee who closes his or her office to keep the Board apprised of the location and custodian of the medical records of the licensee's patients for a minimum of 5 years.

Existing regulation requires each applicant for licensure by the Board to submit to the Board a complete set of fingerprints and written permission authorizing the Board to submit the fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its report. (NAC 635.023) Section 3 of this bill codifies in statute this existing requirement in regulation.

Section 4 of this bill provides that a licensee is subject to disciplinary action if he or she fails to notify the Board in writing of a change in permanent mailing address in the manner required by section 2 of this bill.

Section 4.5 of this bill revises provisions governing the qualifications for obtaining a license to practice dental hygiene by providing that an applicant may satisfy the clinical examination requirement for licensure if he or she presents evidence to the Board of Dental Examiners of Nevada that the applicant has, within the 5 years immediately preceding
the date of the application, passed a clinical examination approved by
the Board and the American Board of Dental Examiners.

Legislative Counsel's Digest:
Section 1 of this bill removes the requirement that a resident producer of insurance maintain a place of business in this State which is accessible to the public and where he or she principally conducts transactions. Section 1 also removes the requirement that the license of a producer of insurance be conspicuously displayed in the place of business and instead requires only that the license be made available for public inspection upon request.

Section 2 of this bill amends provisions governing the Nevada Insurance Code (title 57 of NRS) to provide that any certificate of insurance issued regarding a contract or policy of property or casualty insurance, other than a group master policy, which is delivered or issued for delivery in this State:

A producer of insurance may submit a request for a renewal of his or her license within 30 days after the date specified on the license for the renewal if the producer of insurance otherwise complies with the provisions of this subsection and pays, in addition to any fee paid pursuant to this subsection, a penalty of 50 percent of all applicable renewal fees, except for any fee required pursuant to NRS 680C.110. A license as a producer of insurance expires if the Commissioner receives a request for a renewal of the license more than 30 days after the date specified on the license for the renewal. A fee paid pursuant to this subsection is nonrefundable.

A resident producer of insurance shall maintain a place of business in this State which is accessible to the public and where the resident producer of insurance principally conducts transactions under his or her license. The place of business may be in his or her residence. The license must be conspicuously displayed in an area of the place of business which is open to the public, made available for public inspection upon request.
6. A licensee shall inform the Commissioner of each change of location from which the licensee conducts business as a producer of insurance and each change of business or residence address, in writing or by other means acceptable to the Commissioner, within 30 days after the change. The mailing of a letter by certified mail, return receipt requested, addressed to the licensee at his or her last mailing address appearing on the records of the Division, and the return of the letter undelivered, constitutes a diligent effort by the Commissioner.

Sec. 2. Chapter 687B of NRS is hereby amended by adding thereto a new section to read as follows:

"SUMMARY—Revises provisions governing certain trust companies.

(See 55-629)"

"AN ACT relating to trust companies; revising provisions governing the management of a trust by a family trust company or licensed family trust company; specifying the applicability of the Uniform Prudent Investor Act to a trust managed by a family trust company or licensed family trust company; authorizing a family trust company or licensed family trust company to engage in certain transactions involving the assets of the trust or take certain actions if the transaction or action is in the interest of the beneficiaries and complies with certain other requirements; authorizing a family trust company or licensed family trust company and an interested person to enter into a nonjudicial settlement agreement to resolve any matter related to the management, administration or interpretation of a trust; requiring a family trust company and licensed family trust company to provide an annual report or certain information in lieu of an annual report to certain persons concerning the management of a trust; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law requires a trust company that has been appointed as the fiduciary of a trust to invest and manage the assets of the trust according to the Uniform Prudent Investor Act. (NRS 164.700-164.775) The prudent investor rule requires, among other things, that a fiduciary of a trust diversify the assets of the trust through various investments. (NRS 164.750) Existing law places further restrictions on the types of transactions that a trust company may engage in with the assets of a trust for which it is a fiduciary. (NRS 669A.220) Section 15 of this bill provides an exception to the provisions of the Uniform Prudent Investor Act as it applies to the management of a trust by a family trust company or licensed family trust company. Section 7 of this bill authorizes a family trust company or licensed family trust company to engage in activities and transactions involving the assets of a trust, including the acquisition of concentrated holdings of stocks, bonds, securities or other assets, which might otherwise be prohibited by the Uniform Prudent Investor Act. Section 7 requires that such transactions or actions by a family trust company or licensed family trust company be for a
fair price, if applicable, be in the interest of the beneficiaries and comply with the terms of the trust, a written consent agreement, a court order or a notice of proposed action. Furthermore, the transactions authorized by section 7 are not prohibited by a conflict of interest between the parties to the transaction.

Section 8 of this bill authorizes a family trust company or licensed family trust company and an interested person to enter into a nonjudicial settlement agreement with respect to any matter related to the management, administration or interpretation of a trust. Section 8 also authorizes a family trust company or licensed family trust company or an interested person to petition a court to approve a nonjudicial settlement agreement or to make certain other determinations related to the nonjudicial settlement agreement. Section 9 of this bill requires a family trust company or licensed family trust company that intends to execute a nonjudicial settlement agreement to meet certain notice requirements before executing the nonjudicial settlement agreement and also requires an interested person who receives such notice to object within a certain period to preserve the right to bring certain actions relating to the nonjudicial settlement agreement. Section 9 also authorizes a family trust company or licensed family trust company or an interested person who timely objects to petition the court to approve, disapprove, enforce or modify the nonjudicial settlement agreement. Section 10 of this bill authorizes a family trust company or licensed family trust company to refrain from taking an action that is authorized by a nonjudicial settlement agreement under certain circumstances.

Section 11 of this bill requires a family trust company and licensed family trust company to provide annual reports to certain persons outlining any transactions taken by the family trust company or licensed family trust company while acting as the fiduciary of a trust and further authorizes the trust company to provide an interested person with certain other information in lieu of an annual report.

Additionally, a tax is assessed on the premiums charged for surplus lines
coverages. (NRS 685A175, 685A.180) On July 21, 2010, the Dodd-Frank

participate in a multi-state agreement to allocate premium tax proceeds for
nonadmitted insurance on multi-state risks amongst the states and prohibits
any state other than the insured's home state from collecting premium taxes

An insurer may appoint a producer to act as agent for all or some insurers within its holding company or group by filing a single notice of appointment. A notice of appointment may include several agents.

4. An insurer shall pay an appointment fee and remit an annual renewal fee for each producer of insurance appointed as its agent. A payment or remittance may include fees for several agents.

5. A broker shall not place insurance, other than life insurance, health insurance, annuity contracts or coverage written pursuant to the [Surplus Lines] Nonadmitted Insurance Law set forth in chapter 685A of NRS, that covers property or risks within this state unless the broker does so with a licensed agent of an authorized insurer.

2. The amounts set forth in subparagraphs (1), (2) and (4) of paragraph (c) of subsection 1 must be adjusted on or before January 1, 2015, and every 5 years thereafter to reflect inflation, as measured by the average percentage of increase or decrease in the Consumer Price Index for All Urban Consumers of the United States Department of Labor, Bureau of Labor Statistics for the preceding 5 years. The Commissioner shall determine the amount of the increase or decrease required by this subsection and establish the adjusted amounts to take effect on January 1 of that year.

Sec. 13. "Principal place of business" means, for the purpose of determining the home state of the insured:
   1. The state where the insured maintains its headquarters and where the insured’s high-level officers direct, control and coordinate its business activities;
   2. If the insured’s high-level officers direct, control and coordinate its business activities in more than one state, the state in which the greatest percentage of the insured’s taxable premium for that insurance contract is allocated; or
   3. If the insured’s high-level officers direct, control and coordinate its business activities outside of any state, the state to which the greatest percentage of the insured’s taxable premium for that insurance contract is allocated.

Sec. 14. "Principal residence" means, for the purpose of determining the home state of the insured:
   1. The state where the insured resides for the greatest number of days during a calendar year; or
   2. If the insured’s principal residence is located outside of any state, the state to which the greatest percentage of the insured’s taxable premium for that insurance contract is allocated.
Sec. 15. "Surplus lines insurance" means insurance procured by an insured through a broker with a nonadmitted insurer eligible to accept such insurance.

Sec. 16. Except as otherwise provided in NRS 685A.020, this chapter applies to nonadmitted insurance.

Sec. 17. 1. The Commissioner may, with the approval of the State Board of Examiners, on behalf of the State enter into the Nonadmitted Insurance Multi-State Agreement or any other a multi-state agreement to preserve the ability of this State to collect premium tax on multi-state risks.

2. If, within 18 months after the Commissioner enters into a multi-state agreement pursuant to subsection 1, the Commissioner shall:
   (a) Adopt the agreement by regulation as soon as is practicable after entering into the agreement; and
   (b) Conducts a hearing pursuant to the provisions of chapter 233B of NRS concerning participation in the multi-state agreement, the Commissioner shall submit to the State Board of Examiners and to the Director of the Legislative Counsel Bureau for transmittal to the Legislature a report stating that concerning the findings of the Commissioner has entered into such an agreement and including the contents of the agreement pursuant to the hearing.

3. The State Board of Examiners shall review and may accept the findings of the Commissioner. If the Commissioner finds and the State Board of Examiners accepts that because of the effect of the multi-state agreement on the gross receipt of premiums collected in this State:
   (a) It is in the best interest of the State to continue to participate in the multi-state agreement, the State Board of Examiners may approve the State's continued participation in the multi-state agreement.
   (b) It is not in the best interest of the State to continue to participate in the multi-state agreement, the State Board of Examiners may approve the State's withdrawal from the multi-state agreement.

Sec. 18. The Commissioner may adopt regulations as necessary:

1. To effectuate the Nonadmitted Insurance Multi-State Agreement or any other multi-state agreement for the purposes of complying with federal law, facilitating the collection, allocation and disbursement of premium taxes attributable to the placement of nonadmitted insurance, providing for a uniform method of allocation and reporting among nonadmitted insurance risk classifications and sharing information among states relating to nonadmitted insurance premium taxes.

2. For participation in the clearinghouse established through the Nonadmitted Insurance Multi-State Agreement or any other such multi-state agreement for the purposes of collecting and disbursement to states any funds collected as the home state and applicable to properties, risks or exposures located or to be performed outside of this State. To the extent that a portion of the property, risks or exposures are located or to be performed in a state
that has failed to enter the Nonadmitted Insurance Multi-State Agreement or any other such multi-state agreement, the net premium tax collected must be retained by this State.

3. For adoption of the allocation schedule established through the Nonadmitted Insurance Multi-State Agreement or any other such multi-state agreement for the purpose of allocating risk and computing the tax due on the portion of the premium attributable to each risk classification and to each state where properties, risks or exposures are located.

4. To ensure compliance with federal law relating to nonadmitted insurance.

5. For the administration of and compliance with the Nonadmitted Insurance Multi-State Agreement or any other such multi-state agreement, including, without limitation, the Nonadmitted and Reinsurance Reform Act, 15 U.S.C. §§ 8201, et seq.

Sec. 19. NRS 685A.010 is hereby amended to read as follows:

685A.010 This chapter constitutes and may be cited as the Surplus Lines Nonadmitted Insurance Law.

Sec. 20. NRS 685A.020 is hereby amended to read as follows:

685A.020 The Surplus Lines Nonadmitted Insurance Law shall not apply to reinsurance, or to the following insurances when placed by General lines agents or general lines brokers or surplus lines brokers licensed as such by this state or when procured directly by an insured from a nonadmitted insurer:
1. Wet marine and transportation insurance;
2. Insurance of subjects located, resident or to be performed wholly outside of this state, or on vehicles or aircraft owned and principally garaged outside this state;
3. Insurance of property and operations of railroads engaged in interstate commerce;
4. Insurance of aircraft of common carriers, or cargo of such aircraft, or against liability, other than employer's liability, arising out of the ownership, maintenance or use of such aircraft; or
5. Insurance of automobile bodily injury and property damage liability risks when written in Mexican insurers and covering in Mexico and not in the United States of America.

Sec. 21. NRS 685A.030 is hereby amended to read as follows:

685A.030 As used in this chapter:
1. Unless the context otherwise requires, "broker" means a surplus lines broker duly licensed as such under this chapter.
2. To "export" means to place in an unauthorized insurer under this chapter insurance covering a subject of insurance resident, located or to be performed in Nevada, the words and terms defined in sections 5 to 15, inclusive, of this act have the meanings ascribed to them in those sections.
Sec. 22. NRS 685A.040 is hereby amended to read as follows:

685A.040 If this State is the insured's home state and certain insurance coverages cannot be procured from authorized insurers, such coverages, designated in this chapter as "surplus lines," nonadmitted insurance, may be procured from unauthorized insurers, subject to the following conditions:

1. The insurance must be procured through a surplus lines broker licensed as such under this chapter or procured by an insurer authorized to engage in the business of insurance in this State, after diligent effort has been made to do so.

2. Except as otherwise provided in subsection 5, the full amount of insurance required must not be procurable from an insurer authorized to engage in the business of insurance in this State, after diligent effort has been made to do so.

3. The insurance must not be so exported for the purpose of procuring it at a premium rate lower than would be accepted by any authorized insurer; difference in rates alone will not support the export of the insurance if any authorized insurer is able and willing to carry the risk.

4. Differences, bearing directly upon the cost of insurance, in the terms of policies which otherwise provide substantially the same coverage will not support the export of the insurance.

5. A broker is not required to make a diligent effort to determine whether the full amount or type of insurance can be obtained from admitted insurers when the broker is seeking to procure or place nonadmitted insurance for an exempt commercial purchaser if:

(a) The broker procuring or placing the nonadmitted insurance has disclosed to the exempt commercial purchaser that such insurance may or may not be available from the admitted market that may provide greater protection with more regulatory oversight; and

(b) The exempt commercial purchaser has subsequently requested in writing for the broker to procure or place such insurance from a nonadmitted insurer.

Sec. 23. NRS 685A.050 is hereby amended to read as follows:

685A.050 1. At the time of effecting any surplus lines insurance for which this State is the home state, the broker shall execute an affidavit, within 90 days after such insurance is so effected, submit a report, in the form prescribed or accepted by the Commissioner, setting forth facts from which it can be determined whether such insurance is eligible for export under NRS 685A.040.

2. The broker shall keep in his or her office the report prepared pursuant to subsection 1 along with the report of coverage and any other information the Commissioner requires, within 90 days after the insurance is so effected, as required under regulations adopted pursuant to NRS 685A.210.

3. The report prepared pursuant to subsection 1 must not be removed from the office of the broker and must be open to examination by the
Commissioner or a representative of the Commissioner at all times within 5 years after issuance of the coverage to which it relates.

Sec. 24. NRS 685A.060 is hereby amended to read as follows:

685A.060 1. The Commissioner may by order declare eligible for export generally and without compliance with subsections 2, 3 and 4 of NRS 685A.040 and NRS 685A.050, any class or classes of insurance coverage or risk for which the Commissioner finds that there is not a reasonable or adequate market among authorized insurers either as to acceptance of the risk, contract terms, or premium or premium rate. Any such order shall continue in effect during the existence of the conditions upon which predicated, but subject to earlier termination by the Commissioner.

2. **For surplus lines insurance, the** broker shall file with or as directed by the Commissioner a memorandum as to each such coverage placed by the broker in an unauthorized insurer, in such form and context as the Commissioner may reasonably require for the identification of the coverage and determination of the tax payable to the State relative thereto.

3. The broker, or a licensed Nevada agent of the authorized insurer or a general lines broker, may also place with authorized insurers any insurance coverage made eligible for export generally under subsection 1, and without regard to rate or form filings which may otherwise be applicable to the authorized insurer. As to coverages so placed in an authorized insurer the premium tax thereon shall be reported and paid by the insurer as required generally under chapter 680B of NRS.

Sec. 25. NRS 685A.070 is hereby amended to read as follows:

685A.070 1. A broker shall not knowingly place surplus lines insurance with an insurer which is unsound financially or ineligible pursuant to this section.

2. **Except** With respect to nonadmitted insurance for insureds for which this State is the home state, except as otherwise provided in this section, an insurer is not eligible to accept surplus lines or independently procured risks pursuant to this chapter unless it has capital and surplus as to policyholders or its equivalent in an amount of not less than $15,000,000 (and, if, or the minimum capital and surplus requirements pursuant to NRS 680A.120, whichever is greater.

3. The requirements of subsection 2 may be satisfied by an insurer possessing less than the minimum capital and surplus upon an affirmative finding of acceptability by the Commissioner. The finding must be based upon such factors as quality of management, capital and surplus of any parent company, company underwriting profit and investment income trends, market availability and company record and reputation within the industry. The Commissioner shall not make an affirmative finding of acceptability when the nonadmitted insurer's capital and surplus is less than $4,500,000.

4. A broker shall not place surplus lines insurance with an alien insurer, unless the alien insurer is listed on the Quarterly Listing of Alien...
Insurers maintained by the International Insurers Department of the National Association of Insurance Commissioners or, if the alien insurer is not listed on the Quarterly Listing of Alien Insurers, it has and maintains in a bank or trust company which is a member of the United States Federal Reserve System a trust fund established pursuant to terms that are reasonably adequate to protect all of its policyholders in the United States. Such a trust fund must not have an expiration date which is at any time less than 5 years in the future, on a continuing basis. In the case of:

(a) A single alien insurer, such a trust fund must not be less than the greater of $5,400,000 or 30 percent of the gross liabilities of the alien insurer for surplus lines in the United States, excluding any liabilities for aviation, wet marine and transportation insurance, not to exceed $60,000,000, to be determined annually on the basis of accounting practices and procedures that are substantially equivalent to the accounting practices and procedures applicable in this State as of December 31 of the year immediately preceding the date of the determination where:

(1) The liabilities are maintained in an irrevocable trust account in a qualified financial institution in the United States, on behalf of policyholders in the United States, consisting of cash, securities, letters of credit or any other investments of substantially the same character and quality as investments that are eligible investments pursuant to chapter 682A of NRS for the capital and statutory reserves of admitted insurers to write like kinds of insurance in this State. The trust fund, which must be included in any calculation of capital and surplus or its equivalent, must comply with the requirements set forth in the Standard Trust Agreement required for listing with the International Insurers Department of the National Association of Insurance Commissioners;

(2) The alien insurer may request approval by the Commissioner to use the trust fund to pay any valid claim against a surplus line if the balance of the trust fund is not, during any period, less than $5,400,000 or 30 percent of the alien insurer's current gross liabilities for surplus lines in the United States, excluding any liabilities for aviation, wet marine and transportation insurance; and

(3) In calculating the amount of the trust fund required by this subsection, credit must be given for any deposits for any surplus lines that are separately required and maintained within a state or territory of the United States, not to exceed the amount of the alien insurer's loss and loss adjustment reserves maintained in that state or territory.

(b) A group of insurers which includes individual unincorporated insurers, such a trust fund must not be less than $100,000,000.

(c) A group of incorporated insurers under common administration, such a trust fund must not be less than $100,000,000. Each insurer within the group must individually maintain capital and surplus of not less than $25,000,000. The group of incorporated insurers must:

If an insurance exchange maintains money for the protection of all policyholders, each syndicate shall maintain minimum capital and surplus of not less than $15,000,000 and must qualify separately to be eligible for the acceptance of surplus lines risks pursuant to this chapter.

The Commissioner may require larger trust funds or surplus as to policyholders than those set forth in this section if, in the judgment of the Commissioner, the volume of business being transacted or proposed to be transacted warrants larger amounts.

3. An insurer is not eligible to write surplus lines of insurance unless it has established a reputation for financial integrity and satisfactory practices in underwriting and handling claims. In addition, a

5. A foreign insurer must be authorized in the state of its domicile to write the kinds of insurance which it intends to write in Nevada.

4. The Commissioner may from time to time compile or approve a list of all surplus lines insurers deemed by the Commissioner to be eligible currently, and may mail a copy of the list to each broker at his or her office last of record with the Commissioner. To be placed on the list, a surplus lines insurer must file an application with the Commissioner. The application must be accompanied by a nonrefundable fee of $2,450 and, in addition to any other fee or charge, all applicable fees required pursuant to NRS 680C.110. To remain on the list, a surplus lines insurer must pay, in addition to any other fee or charge, all applicable fees required pursuant to NRS 680C.110. This subsection does not require the Commissioner to determine the actual financial condition or claims practices of any unauthorized insurer. The status of eligibility, if granted by the Commissioner, indicates only that the insurer appears to be sound financially and to have satisfactory claims practices, and that the Commissioner has no credible evidence to the contrary. While any such list is in effect, the broker shall restrict to the insurers so listed all surplus lines business placed by the broker.

Amendment No. 716.
"SUMMARY—Revises provisions relating to financial institutions. (BDR 55-1107)"

"AN ACT relating to financial institutions; prohibiting a banking or other financial institution from unreasonably delaying a response to an offer for a short sale in lieu of a foreclosure sale on real property secured by a residential mortgage loan; prohibiting a banking or other financial institution from obtaining a deficiency judgment in certain circumstances; providing a penalty; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law, a judgment creditor or a beneficiary of a deed of trust may obtain, after a hearing, a deficiency judgment after a foreclosure sale or trustee's sale if it appears from the sheriff's return or the recital of consideration in the trustee's deed that there is a deficiency of the proceeds of the sale and a balance remaining due the judgment creditor or beneficiary of the deed of trust. For an obligation secured by a mortgage or deed of trust on or after October 1, 2009, a court may not award a deficiency judgment to the judgment creditor or the beneficiary of the deed of trust if: (1) the creditor or beneficiary is a financial institution; (2) the real property is a single-family dwelling and the debtor or grantor was the owner of the property; (3) the debtor or grantor used the loan to purchase the property; (4) the debtor or grantor occupied the property continuously after obtaining the loan; and (5) the debtor or grantor did not refinance the loan. (NRS 40.455) Section 3 of this bill prohibits a court from awarding a deficiency judgment to the judgment creditor or the beneficiary of the deed of trust if: (1) the creditor or beneficiary is a banking or other financial institution; (2) the real property is a single-family dwelling and the debtor or grantor was the owner of the property; (3) the debtor or grantor used the loan to purchase the property; (4) the debtor or grantor occupied the property continuously after obtaining the loan; (5) the debtor or grantor and the banking or other financial institution entered into an agreement, commonly known as a short sale, to sell the real property to a third party for less than the indebtedness; and (6) the agreement does not state the amount of money still owed by the debtor or grantor or does not authorize the banking or other financial institution to recover that money, and contains a statement that the banking or other financial institution has waived its right to recover the amount owed. Section 3 of this bill prohibits a banking or other financial institution or its officers, managers or employees from unreasonably delaying its response to an offer for a short sale in lieu of a foreclosure sale on real property secured by a residential mortgage loan.
Under existing law, a violation of section 3 constitutes a misdemeanor and, in addition to any criminal penalty, is punishable by an administrative fine of not more than $10,000. (NRS 668.112, 668.115)

Sec. 3.5. Chapter 40 of NRS is hereby amended by adding thereto a new section to read as follows:

Senate Bill No. 32.
The following Assembly amendment was read:
Amendment No. 665.
"SUMMARY—Makes various changes relating to equalization of property valuations. (BDR 32-433)"
"AN ACT relating to the equalization of property valuations; extending under certain circumstances the deadline for appeals to county boards of equalization; extending certain deadlines for the State Board of Equalization to conclude the business of equalization; requiring the State Board to post a schedule of certain meetings on the Internet website of the Department of Taxation; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
A taxpayer who desires to appeal the valuation of his or her property to a county board of equalization must file the appeal on or before January 15. (NRS 361.340) Section 1 of this bill extends that deadline to the next business day if January 15 falls on a Saturday, Sunday or legal holiday.

The State Board of Equalization hears appeals from the actions of the county boards of equalization and is required to equalize property valuations in the State by reviewing the tax rolls of the various counties and raising or lowering assessed property values, if appropriate, to ensure a uniform and equal rate of assessment and taxation in this State. (NRS 361.395, 361.400) Existing law requires the State Board to conclude the business of equalization on or before April 15 on cases that in its opinion have a substantial effect on tax revenues, while cases having a less substantive effect on tax revenues may be heard at additional meetings before October 1. (NRS 361.380) Section 3 of this bill instead requires that if a proposed equalization affects local governmental entities in more than one county and is likely to have a substantial effect on tax revenues, the State Board must notify each affected local governmental entity of the proposed equalization on or before April 30. In addition, sections 2 and 3 of this bill extend the deadline for cases which have a less substantive effect, or those arising from decisions made in individual cases, to November 1. Section 3 also requires the State Board to post a schedule of its meetings concerning such equalization on the Department of Taxation's Internet website and removes the requirement that the State Board publish notice of meetings to be held in locations other than Carson City in a newspaper in the county where the meetings are to be held.
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 361.340 is hereby amended to read as follows:

361.340 1. Except as otherwise provided in subsection 2, the board of
equalization of each county consists of:
   (a) Five members, only two of whom may be elected public officers, in
       counties having a population of 15,000 or more; and
   (b) Three members, only one of whom may be an elected public officer, in
       counties having a population of less than 15,000.

   2. The board of county commissioners may by resolution provide for an
       additional panel of like composition to be added to the board of equalization
       to serve for a designated fiscal year. The board of county commissioners may
       also appoint alternate members to either panel.

   3. A district attorney, county treasurer or county assessor or any of their
       deputies or employees may not be appointed to the county board of
       equalization.

   4. The chair of the board of county commissioners shall nominate
       persons to serve on the county board of equalization who are sufficiently
       experienced in business generally to be able to bring knowledge and sound
       judgment to the deliberations of the board or who are elected public officers.
       The nominees must be appointed upon a majority vote of the board of county
       commissioners. The chair of the board of county commissioners shall
       designate one of the appointees to serve as chair of the county board of
       equalization.

   5. Except as otherwise provided in this subsection, the term of each
       member is 4 years and any vacancy must be filled by appointment for the
       unexpired term. The term of any elected public officer expires upon the
       expiration of the term of his or her elected office.

   6. The county clerk or his or her designated deputy is the clerk of each
       panel of the county board of equalization.

   7. Any member of the county board of equalization may be removed by
       the board of county commissioners if, in its opinion, the member is guilty of
       malfeasance in office or neglect of duty.

   8. The members of the county board of equalization are entitled to
       receive per diem allowance and travel expenses as provided for state officers
       and employees. The board of county commissioners of any county may by
       resolution provide for compensation to members of the board of equalization
       in its county who are not elected public officers as it deems adequate for time
       actually spent on the work of the board of equalization. In no event may the
       rate of compensation established by a board of county commissioners exceed
       $125 per day.

   9. A majority of the members of the county board of equalization
       constitutes a quorum, and a majority of the board determines the action of the
       board.
10. A county board of equalization shall comply with any applicable regulation adopted by the Nevada Tax Commission.

11. The county board of equalization of each county shall hold such number of meetings as may be necessary to care for the business of equalization presented to it. Every appeal to the county board of equalization must be filed not later than January 15. If January 15 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day. Each county board shall cause to be published, in a newspaper of general circulation published in that county, a schedule of dates, times and places of the board meetings at least 5 days before the first meeting. The county board of equalization shall conclude the business of equalization on or before the last day of February of each year except as to matters remanded by the State Board of Equalization. The State Board of Equalization may establish procedures for the county boards, including setting the period for hearing appeals and for setting aside time to allow the county board to review and make final determinations. The district attorney or his or her deputy shall be present at all meetings of the county board of equalization to explain the law and the board's authority.

12. The county assessor or his or her deputy shall attend all meetings of each panel of the county board of equalization.

Sec. 2. NRS 361.360 is hereby amended to read as follows:

361.360 1. Any taxpayer aggrieved at the action of the county board of equalization in equalizing, or failing to equalize, the value of his or her property, or property of others, or a county assessor, may file an appeal with the State Board of Equalization or on before March 10 and present to the State Board of Equalization the matters complained of at one of its sessions. If March 10 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day.

2. All such appeals must be presented upon the same facts and evidence as were submitted to the county board of equalization in the first instance, unless there is discovered new evidence pertaining to the matter which could not, by due diligence, have been discovered before the final adjournment of the county board of equalization. The new evidence must be submitted in writing to the State Board of Equalization and served upon the county assessor not less than 7 days before the hearing.

3. Any taxpayer whose real or personal property placed on the unsecured tax roll was assessed after December 15 but before or on the following April 30 may likewise protest to the State Board of Equalization. Every such appeal must be filed on or before May 15. If May 15 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day. A meeting must be held before May 31 to hear those protests that in the opinion of the State Board of Equalization may have a substantial effect on tax revenues. One or more meetings may be held at any time and place in the State before November 1 to hear all other protests.
4. The State Board of Equalization may not reduce the assessment of the county assessor if:
   (a) The appeal involves an assessment on property which the taxpayer has refused or, without good cause, has neglected to include in the list required of the taxpayer pursuant to NRS 361.265 or if the taxpayer has refused or, without good cause, has neglected to provide the list to the county assessor; or
   (b) The taxpayer has, without good cause, refused entry to the assessor for the purpose of conducting the physical examination authorized by NRS 361.260.

5. Any change made in an assessment appealed to the State Board of Equalization is effective only for the fiscal year for which the assessment was made. The county assessor shall review each such change and maintain or remove the change as circumstances warrant for the next fiscal year.

6. If the State Board of Equalization determines that the record of a case on appeal from the county board of equalization is inadequate because of an act or omission of the county assessor, the district attorney or the county board of equalization, the State Board of Equalization may remand the case to the county board of equalization with directions to develop an adequate record within 30 days after the remand. The directions must indicate specifically the inadequacies to be remedied. If the State Board of Equalization determines that the record returned from the county board of equalization after remand is still inadequate, the State Board of Equalization may hold a hearing anew on the appellant's complaint or it may, if necessary, contract with an appropriate person to hear the matter, develop an adequate record in the case and submit recommendations to the State Board. The cost of the contract and all costs, including attorney's fees, to the State or the appellant necessary to remedy the inadequate record on appeal are a charge against the county.

Sec. 3. NRS 361.380 is hereby amended to read as follows:

361.380 1. Except as otherwise provided in subsection 3, annually, the State Board of Equalization shall convene on the fourth Monday in March in Carson City, Nevada, and shall hold such number of meetings as may be necessary to care for the business of equalization presented to it. If a proposed equalization affects local governmental entities in more than one county and the equalization, in the opinion of the State Board of Equalization, is likely to have a substantial effect on tax revenues, the State Board of Equalization shall notify each affected local governmental entity of the proposed equalization on or before April 15. Cases having less than a substantial effect on tax revenues may be heard at additional meetings which may be held at any time and place in the state before October 1.

2. The publication in the statutes of the foregoing time, place and purpose of each regular session of the State Board of Equalization is notice
of such sessions, or if it so elects, the State Board of Equalization may cause published notices of such regular sessions to be made in the press, or may notify parties in interest by letter or otherwise.

3. The State Board of Equalization may designate some place other than Carson City, Nevada, for any of the meetings specified in subsection 1. If such other place is so designated, notice thereof must be given by publication of a notice once a week for 2 consecutive weeks in some newspaper of general circulation in the county in which such meeting or meetings are to be held. In addition to any other notice required by law, the State Board of Equalization must also post a schedule of each such meeting on the Internet website maintained by the Department.

Sec. 4. NRS 361.405 is hereby amended to read as follows:

361.405 1. The Secretary of the State Board of Equalization forthwith shall certify any change made by the Board in the assessed valuation of any property in whole or in part to the county auditor of the county where the property is assessed, and whenever the valuation of any property is raised, the Secretary of the State Board of Equalization shall forward by certified mail to the property owner or owners affected, notice of the increased valuation.

2. As soon as changes resulting from cases having a substantial effect on tax revenues have been certified to the county auditor by the Secretary of the State Board of Equalization, the county auditor shall:
   (a) Enter all such changes and the value of any construction work in progress and net proceeds of minerals which were certified to him or her by the Department, on the assessment roll before the delivery thereof to the tax receiver.
   (b) Add up the valuations and enter the total valuation of each kind of property and the total valuation of all property on the assessment roll.
   (c) Certify the results to the board of county commissioners and the Department on or before April 15 of each year.

3. The board of county commissioners shall not levy a tax on the net proceeds of minerals added to the assessed valuation pursuant to paragraph (a) of subsection 2, but, except as otherwise provided by specific statute, the net proceeds of minerals must be included in the assessed valuation of the taxable property of the county and all local governments in the county for the determination of the rate of tax and all other purposes for which assessed valuation is used.

4. As soon as changes resulting from cases having less than a substantial effect on tax revenue have been certified to the county tax receiver by the Secretary of the State Board of Equalization, the county tax receiver shall adjust the assessment roll or the tax statement or make a tax refund, as directed by the State Board of Equalization.

Sec. 5. This act becomes effective upon passage and approval.
Senator Leslie moved that the Senate concur in the Assembly amendment to Senate Bill No. 32.

Motion carried by a constitutional majority.

Bill ordered enrolled.

Senate Bill No. 34.

The following Assembly amendments were read:

Amendment No. 666.

"SUMMARY—Makes various changes regarding the administration of sales and use taxes. (BDR 32-432)"

"AN ACT relating to taxation; revising the provisions governing the administration of sales and use taxes to ensure continued compliance with the Streamlined Sales and Use Tax Agreement, apply the taxes to retailers whose activities have a sufficient nexus with this State and provide for the rebuttal of certain presumptions regarding the application of use taxes to property delivered outside of or brought into this State; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law provides for the administration of sales and use taxes in this State pursuant to the Simplified Sales and Use Tax Administration Act, the Sales and Use Tax Act and the Local School Support Tax Law. (Chapters 360B, 372 and 374 of NRS) Under existing law, the Legislature has found and declared that this State should enter into an interstate agreement to simplify and modernize sales and use tax administration to reduce the burden of tax compliance for all sellers and types of commerce. (NRS 360B.020) Existing law requires the Nevada Tax Commission to enter into the Streamlined Sales and Use Tax Agreement and take all other actions reasonably required to implement the provisions of the Agreement. (NRS 360B.110)

This bill carries out various requirements of the Streamlined Sales and Use Tax Agreement. Sections 2 and 26 of this bill replace superseded requirements for purchases of direct mail with new requirements regarding the sourcing of those transactions to various jurisdictions and the respective responsibilities of sellers and purchasers for the collection, reporting and payment of the applicable taxes. Section 3 of this bill sets forth a new requirement regarding the registration of certain sellers who anticipate making no sales into certain states. Sections 3, 14 and 23 of this bill carry out a new requirement to allow the electronic filing of simplified tax returns. Sections 4 and 7 of this bill carry out a recent amendment to the Agreement governing the taxation of delivery charges. Section 4.5 of this bill carries out a recent amendment to the Agreement regarding the due dates for tax returns and payments. Sections 13 and 22 of this bill set forth new requirements regarding the liability of a seller for accepting certain certificates of exemption which indicate that the claimed exemption is not available. Sections 5 and 6 of this bill delete certain provisions of the Agreement that
do not apply in this State. **Sections 9, 10, 18 and 19** of this bill delete a requirement for good faith which is not allowed by the Agreement.

Under existing law, the Commerce Clause of the United States Constitution prohibits a state from requiring a retailer to collect sales and use taxes unless the activities of the retailer have a substantial nexus with the taxing state. *(Quill Corp. v. North Dakota, 504 U.S. 298, 112 S.Ct. 1904 (1992))* **Sections 8 and 17** of this bill apply the sales and use taxes imposed in this State to every retailer whose activities have such a nexus.

Existing law creates various presumptions regarding the application of the use taxes imposed in this State to property which is delivered outside of this State to a purchaser or brought into this State by a purchaser. (NRS 372.250, 372.255, 372.258, 374.255, 374.260, 374.263) **Sections 11, 12, 20, 21 and 26** of this bill revise that law to specify the methods for controverting a presumption that those taxes apply.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** NRS 360.299 is hereby amended to read as follows:

360.299 1. In determining the amount of:

(a) Sales tax due on a sale at retail, the rate of tax used must be the sum of the rates of all taxes imposed upon sales at retail in:

1. The county determined pursuant to the provisions of NRS 360B.350 to 360B.375, inclusive **or section 2 of this act**; or

2. If those provisions do not apply to the sale, the county in which the property is or will be delivered to the purchaser or the agent or designee of the purchaser.

(b) Use tax due on the purchase of tangible personal property for use, storage or other consumption in this state, the rate of tax used must be the sum of the rates of all taxes imposed upon the use, storage or other consumption of property in:

1. The county determined pursuant to the provisions of NRS 360B.350 to 360B.375, inclusive **or section 2 of this act**; or

2. If those provisions do not apply to the purchase, the county in which the property is first used, stored or consumed.

2. In determining the amount of taxes due pursuant to subsection 1:

(a) The amount due must be computed to the third decimal place and rounded to a whole cent using a method that rounds up to the next cent if the numeral in the third decimal place is greater than 4.

(b) A retailer may compute the amount due on a transaction on the basis of each item involved in the transaction or a single invoice for the entire transaction.

3. On or before January 1 of each year, the Department shall transmit to each retailer to whom a permit has been issued a notice which contains the provisions of subsections 1 and 2 and NRS 372.365.

Sec. 2. Chapter 360B of NRS is hereby amended by adding thereto a new section to read as follows:
1. Notwithstanding the provisions of NRS 360B.350 to 360B.375, inclusive:
   (a) A purchaser of advertising and promotional direct mail may provide the seller with:
       (1) Documentation of the direct pay permit of the purchaser issued pursuant NRS 360B.260;
       (2) A certificate or written statement, in a form approved by the Department in accordance with the provisions of the Agreement, claiming the direct mail; or
       (3) An informational statement of the jurisdictions to which the advertising and promotional direct mail is to be delivered to recipients.
   (b) If the purchaser provides the documentation, certificate or statement pursuant to subparagraph (1) or (2) of paragraph (a), the sale shall be deemed to take place in the jurisdictions to which the advertising and promotional direct mail is to be delivered to recipients and:
       (1) If the seller does not maintain a place of business in this State:
           (I) The purchaser shall report and pay any applicable sales or use taxes due; and
           (II) The seller, in the absence of bad faith, is relieved of all obligations to collect, pay or remit any sales or use taxes applicable to any transaction involving the advertising and promotional direct mail to which the documentation, certificate or statement applies; or
       (2) If the seller maintains a place of business in this State:
           (I) The seller shall collect and remit any applicable sales or use taxes due in this State;
           (II) The purchaser shall report and pay any applicable sales or use taxes due in any other state; and
           (III) The seller, in the absence of bad faith, is relieved of all obligations to collect, pay or remit any sales or use taxes applicable to any transaction involving the advertising and promotional direct mail to which the documentation, certificate or statement applies which are due in any other state.
   (c) If the purchaser provides the informational statement pursuant to subparagraph (3) of paragraph (a):
       (1) The sale shall be deemed to take place in the jurisdictions to which the advertising and promotional direct mail is to be delivered;
       (2) The seller shall collect and remit any applicable sales or use taxes due to those jurisdictions; and
       (3) If the seller complies with subparagraph (2) in accordance with the delivery information provided by the purchaser, the seller, in the absence of bad faith, is relieved of any further obligation to collect any additional sales or use taxes on the sale.
   (d) If the purchaser does not provide the seller with any of the items listed in paragraph (a), the sale shall be deemed to take place at the location described in subsection 5 of NRS 360B.360. The state to which the
advertising and promotional direct mail is delivered may disallow credit for any sales or use taxes paid in accordance with this paragraph.

2. Notwithstanding the provisions of NRS 360B.350 to 360B.375, inclusive:
   (a) Except as otherwise provided in this subsection, the sale of other direct mail shall be deemed to take place at the location described in subsection 3 of NRS 360B.360.
   (b) A purchaser of other direct mail may provide the seller with:
       (1) Documentation of the direct pay permit of the purchaser issued pursuant NRS 360B.260; or
       (2) A certificate or written statement, in a form approved by the Department in accordance with the provisions of the Agreement, claiming the direct mail.
   (c) If the purchaser provides the documentation, certificate or statement pursuant to paragraph (b), the sale shall be deemed to take place in the jurisdictions to which the other direct mail is to be delivered to the recipients and:
       (1) If the seller does not maintain a place of business in this State:
           (I) The purchaser shall report and pay any applicable sales or use taxes due; and
           (II) The seller, in the absence of bad faith, is relieved of all obligations to collect, pay or remit any sales or use taxes applicable to any transaction involving the other direct mail to which the documentation, certificate or statement applies; or
       (2) If the seller maintains a place of business in this State:
           (I) The seller shall collect and remit any applicable sales or use taxes due in this State;
           (II) The purchaser shall report and pay any applicable sales or use taxes due in any other state; and
           (III) The seller, in the absence of bad faith, is relieved of all obligations to collect, pay or remit any sales or use taxes applicable to any transaction involving the other direct mail to which the documentation, certificate or statement applies which are due in any other state.

3. This section does not apply to any transaction that includes the development of billing information or the provision of any data processing service that is more than incidental, regardless of whether any advertising and promotional direct mail is included in the same mailing.

4. If a transaction is a bundled transaction, as defined by a regulation of the Department in accordance with the provisions of the Agreement, that includes advertising and promotional direct mail, this section applies only if the primary purpose of the transaction is the sale of products that meet the definition set forth in paragraph (a) of subsection 6.

5. The provisions of this section do not limit any purchaser's:
   (a) Liability for any sales or use taxes to any states to which the direct mail is delivered;
(b) Rights under local, state, federal or constitutional law, to a credit for sales or use taxes due and paid to other jurisdictions; or
(c) Right to a refund of any sales or use taxes overpaid to any jurisdiction.

6. As used in this section:
   (a) "Advertising and promotional direct mail" means direct mail, the primary purpose of which is to attract public attention to a product, person, business or organization, or to attempt to sell, popularize or secure financial support for a product, person, business or organization. As used in this paragraph, "product" means tangible personal property, a product transferred electronically or a service.
   (b) "Direct mail" means printed material delivered or distributed by the United States Postal Service or another delivery service to a mass audience or to addresses contained on a mailing list provided by a purchaser or at the direction of a purchaser when the cost of the items purchased is not billed directly to the recipients. The term includes tangible personal property supplied directly or indirectly by the purchaser to the seller of the direct mail for inclusion in the package containing the printed material. The term does not include multiple items of printed material delivered to a single address.
   (c) "Other direct mail" means any direct mail that is not advertising and promotional direct mail, regardless of whether any advertising and promotional direct mail is included in the same mailing. The term:
      (1) Includes, but is not limited to:
         (I) Transactional direct mail that contains personal information specific to the addressee, including, but not limited to, invoices, bills, statements of account and payroll advices;
         (II) Any legally required mailings, including, but not limited to, privacy notices, tax reports and stockholder reports; and
         (III) Other nonpromotional direct mail delivered to existing or former shareholders, customers, employees or agents, including, but not limited to, newsletters and informational pieces; and
      (2) Does not include the development of billing information or the provision of any data processing service that is more than incidental.

Sec. 3. NRS 360B.200 is hereby amended to read as follows:

360B.200 1. The Department shall, in cooperation with any other states that are members of the Agreement, establish and maintain a central, electronic registration system that allows a seller to register to collect and remit the sales and use taxes imposed in this State and in the other states that are members of the Agreement.
2. A seller who registers pursuant to this section agrees to collect and remit sales and use taxes in accordance with the provisions of this chapter, the regulations of the Department and the applicable law of each state that is a member of the Agreement, including any state that becomes a member of the Agreement after the registration of the seller pursuant to this section. The
cancellation or revocation of the registration of a seller pursuant to this section, the withdrawal of a state from the Agreement or the revocation of the Agreement does not relieve a seller from liability pursuant to this subsection to remit any taxes previously or subsequently collected on behalf of a state.

3. When registering pursuant to this section, a seller may:
   (a) Elect to use a certified service provider as its agent to perform all the functions of the seller relating to sales and use taxes, other than the obligation of the seller to remit the taxes on its own purchases;
   (b) Elect to use a certified automated system to calculate the amount of sales or use taxes due on its sales transactions;
   (c) Under such conditions as the Department deems appropriate in accordance with the Agreement, elect to use its own proprietary automated system to calculate the amount of sales or use taxes due on its sales transactions; or
   (d) Elect to use any other method authorized by the Department for performing the functions of the seller relating to sales and use taxes.

4. A seller who registers pursuant to this section and does not make the election allowed pursuant to paragraph (a) of subsection 3 may elect to be registered in any state that:
   (a) Is a member of the Agreement at the time of that registration, as a seller who anticipates making no sales into that state if the seller has not had any sales into that state for the preceding 12 months; and
   (b) Becomes a member of the Agreement after that registration, as a seller who anticipates making no sales into that state.

5. A seller who registers pursuant to this section agrees to submit its sales and use tax returns, and to remit any sales and use taxes due, to the Department at such times and in such a manner and format as the Department prescribes by regulation. Those regulations must:
   (a) Require from each seller who registers pursuant to this section:
      (1) Only one single tax return for each taxing period for all the sales and use taxes collected on behalf of this State and each local government in this State; and
      (2) Only one remittance of taxes for each tax return, except that the Department may require additional remittances of taxes if the seller:
         (I) Collects more than $30,000 in sales and use taxes on behalf of this State and the local governments in this State during the preceding calendar year;
         (II) Is allowed to determine the amount of any additional remittance by a method of calculation instead of by the actual amount collected; and
         (III) Is not required to file any tax returns in addition to those otherwise required in accordance with this subsection.
   (b) Allow any seller who registers pursuant to this section, and makes an election pursuant to paragraph (a), (b) or (c) of subsection 3, to submit tax returns electronically in a simplified format that does not include any more data fields than are permitted in accordance with the Agreement.
(c) Allow any seller who registers pursuant to this section, does not maintain a place of business in this State and has not made an election pursuant to paragraph (a), (b) or (c) of subsection 3, to file tax returns at a frequency that does not exceed once per year unless the seller accumulates more than $1,000 in the collection of sales and use taxes on behalf of this State and the local governments in this State.

(d) Provide an alternative method for a seller who registers pursuant to this section to make tax payments the same day as the seller intends if an electronic transfer of money fails.

(e) Require any data that accompanies the remittance of a tax payment by or on behalf of a seller who registers pursuant to this section to be formatted using uniform codes for the type of tax and payment in accordance with the Agreement.

Sec. 4. NRS 360B.290 is hereby amended to read as follows:

360B.290 Any invoice, billing or other document given to a purchaser that indicates the sales price for which tangible personal property is sold must:

1. May state separately any amount received by the seller for:
   Any transportation, shipping or postage charges for the delivery of the property to a location designated by the purchaser; and

2. Must state separately any amount received by the seller for:
   (a) Any installation charges for the property;
   (b) Any credit for any trade-in which is specifically exempted from the sales price of the property pursuant to chapter 372 or 374 of NRS;
   (c) Any interest, financing and carrying charges from credit extended on the sale; and
   (d) Any taxes legally imposed directly on the consumer.

Sec. 4.5. NRS 360B.300 is hereby amended to read as follows:

   (a) A Saturday, Sunday or legal holiday, the tax may be paid on the next succeeding business day; or
   (b) A day on which a Federal Reserve bank is closed and, as a result of that closure, the taxpayer is not able to remit the tax electronically in accordance with the regulations adopted by the Department pursuant to NRS 360.092, the tax may be paid on the next succeeding day on which the Federal Reserve bank is open.

2. If any sales or use tax return is:
   (a) Due on a Saturday, Sunday or legal holiday, the return may be filed on the next succeeding business day; or
(b) Required to be filed in conjunction with a remittance of the tax and paragraph (b) of subsection 1 applies to that remittance, the return may be filed on the same day as the tax may be paid in accordance with that paragraph.

Sec. 5. NRS 360B.350 is hereby amended to read as follows:

360B.350 As used in NRS 360B.350 to 360B.375, inclusive:
1. "Receive" means taking possession of [or making the first use of] tangible personal property. The term does not include possession by a shipping company on behalf of a purchaser.
2. "Transportation equipment" means:
   (a) Locomotives and railcars used for the carriage of persons or property in interstate commerce.
   (b) Trucks and truck-tractors having a manufacturer's gross vehicle weight rating of more than 10,000 pounds, and trailers, semitrailers and passenger buses that are:

   (d) Containers designed for use on and component parts attached or secured to any of the items described in paragraph (a), (b) or (c).

Sec. 5.5. NRS 360B.355 is hereby amended to read as follows:

360B.355 1. Except as otherwise provided in this section and section 2 of this act, for the purpose of determining the liability of a seller for sales and use taxes, a retail sale shall be deemed to take place at the location determined pursuant to NRS 360B.350 to 360B.375, inclusive.
2. NRS 360B.350 to 360B.375, inclusive, do not:
   (a) Affect any liability of a purchaser or lessee for a use tax.
   (b) Apply to:
      (1) The retail sale or transfer of watercraft, modular homes, manufactured homes or mobile homes.
      (2) The retail sale, other than the lease or rental, of motor vehicles, trailers, semitrailers or aircraft that do not constitute transportation equipment.

Sec. 6. NRS 360B.360 is hereby amended to read as follows:

360B.360  Except as otherwise provided in NRS 360B.350 to 360B.375, inclusive, the retail sale, excluding the lease or rental, of tangible personal property shall be deemed to take place:
1. If the property is received by the purchaser at a place of business of the seller, at that place of business.
2. If the property is not received by the purchaser at a place of business of the seller:
   (a) At the location indicated to the seller pursuant to any instructions provided for the delivery of the property to the purchaser or to another recipient who is designated by the purchaser as his or her donee; or
   (b) If no such instructions are provided and if known by the seller, at the location where the purchaser or another recipient who is designated by the purchaser as his or her donee, receives the property.
3. If subsections 1 and 2 do not apply, at the address of the purchaser indicated in the business records of the seller that are maintained in the ordinary course of the seller's business, unless the use of that address would constitute bad faith.
4. If subsections 1, 2 and 3 do not apply, at the address of the purchaser obtained during the consummation of the sale, including, if no other address is available, the address of the purchaser's instrument of payment, unless the use of an address pursuant to this subsection would constitute bad faith.
5. In all other circumstances, at the address from which the property was shipped. [or, if it was delivered electronically, at the address from which it was first available for transmission by the seller.]

Sec. 7. NRS 360B.480 is hereby amended to read as follows:
360B.480 1. "Sales price" means the total amount of consideration, including cash, credit, property and services, for which personal property is sold, leased or rented, valued in money, whether received in money or otherwise, and without any deduction for:
   (a) The seller's cost of the property sold;

   (c) Any charges by the seller for any services necessary to complete the sale, including any delivery charges which are not stated separately pursuant to subsection 1 of NRS 360B.290 and excluding any installation charges which are stated separately pursuant to subsection 2 of NRS 360B.290; and
   (d) Except as otherwise provided in subsection 2, any credit for any trade-in.
2. The term does not include:
   (a) Any delivery charges which are stated separately pursuant to subsection 1 of NRS 360B.290;
   (b) Any installation charges which are stated separately pursuant to subsection 2 of NRS 360B.290;
   (c) Any credit for any trade-in which is:
      (1) Specifically exempted from the sales price pursuant to chapter 372 or 374 of NRS; and
      (2) Stated separately pursuant to subsection 2 of NRS 360B.290;
(d) Any discounts, including those in the form of cash, term or coupons that are not reimbursed by a third party, which are allowed by a seller and taken by the purchaser on a sale;

(f) Any taxes legally imposed directly on the consumer which are stated separately pursuant to subsection 2 of NRS 360B.290.

3. The term includes consideration received by a seller from a third party if:

(a) The seller actually receives consideration from a person other than the purchaser and the consideration is directly related to a price reduction or discount on the sale;

(b) The seller has an obligation to pass the price reduction or discount through to the purchaser;

(c) The amount of the consideration attributable to the sale is fixed and determinable by the seller at the time of the sale of the item to the purchaser; and

(d) Any of the following criteria is satisfied:

1. The purchaser presents a coupon, certificate or other documentation to the seller to claim a price reduction or discount, and the coupon, certificate or other documentation is authorized, distributed or granted by a third party with the understanding that the third party will reimburse any seller to whom the coupon, certificate or other documentation is presented.

2. The purchaser identifies himself or herself to the seller as a member of a group or organization entitled to a price reduction or discount. For the purposes of this subparagraph, a preferred customer card that is available to any patron does not constitute membership in such a group.

3. The price reduction or discount is identified as a third-party price reduction or discount on the invoice received by the purchaser or on a coupon, certificate or other documentation presented by the purchaser.

Sec. 8. Chapter 372 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The provisions of this chapter relating to:

(a) The imposition, collection and remittance of the sales tax apply to every retailer whose activities have a sufficient nexus with this State to satisfy the requirements of the United States Constitution.

(b) The collection and remittance of the use tax apply to every retailer whose activities have a sufficient nexus with this State to satisfy the requirements of the United States Constitution.

2. In administering the provisions of this chapter, the Department shall construe the terms "seller," "retailer" and "retailer maintaining a place of business in this State" in accordance with the provisions of subsection 1.
Sec. 9. NRS 372.155 is hereby amended to read as follows:

372.155 1. For the purpose of the proper administration of this chapter and to prevent evasion of the sales tax, it is presumed that all gross receipts are subject to the tax until the contrary is established. The burden of proving that a sale of tangible personal property is not a sale at retail is upon the person who makes the sale unless the person takes [in good faith] from the purchaser a certificate to the effect that the property is purchased for resale and the purchaser:

(a) Is engaged in the business of selling tangible personal property;
(b) Is registered pursuant to NRS 360B.200 or holds a permit issued pursuant to NRS 372.135; and
(c) At the time of purchasing the property, intends to sell it in the regular course of business or is unable to ascertain at the time of purchase whether the property will be sold or will be used for some other purpose.

2. If a sale of tangible personal property is transacted by drop shipment, the third-party vendor is relieved of the burden of proving that the sale is not a sale at retail if:

(a) The third-party vendor:
   (1) Takes [in good faith] from his or her customer a certificate to the effect that the property is purchased for resale; or
   (2) Obtains any other evidence acceptable to the Department that the property is purchased for resale; and
(b) His or her customer:
   (1) Is engaged in the business of selling tangible personal property; and
   (2) Is selling the property in the regular course of business.

Sec. 10. NRS 372.225 is hereby amended to read as follows:

372.225 1. For the purpose of the proper administration of this chapter and to prevent evasion of the use tax and the duty to collect the use tax, it is presumed that tangible personal property sold by any person for delivery in this State is sold for storage, use or other consumption in this State until the contrary is established. The burden of proving the contrary is upon the person who makes the sale unless the person takes [in good faith] from the purchaser a certificate to the effect that the property is purchased for resale and the purchaser:

(a) Is engaged in the business of selling tangible personal property;
(b) Is registered pursuant to NRS 360B.200 or holds a permit issued pursuant to NRS 372.135; and
(c) At the time of purchasing the property, intends to sell it in the regular course of business or is unable to ascertain at the time of purchase whether the property will be sold or will be used for some other purpose.

2. If a sale of tangible personal property is transacted by drop shipment, the third-party vendor is relieved of the burden of proving that the property is sold for storage, use or other consumption in this State if:

(a) The third-party vendor:
(1) Takes [in good faith] from his or her customer a certificate to the effect that the property is purchased for resale; or
(2) Obtains any other evidence acceptable to the Department that the property is purchased for resale; and
(b) His or her customer:
   (1) Is engaged in the business of selling tangible personal property; and
   (2) Is selling the property in the regular course of business.

Sec. 11. NRS 372.250 is hereby amended to read as follows:
372.250 1. It is presumed that tangible personal property shipped or brought to this State by the purchaser on or after July 1, 1979, was purchased from a retailer on or after July 1, 1979, for storage, use or other consumption in this State.
2. This presumption may be controverted by the vendor or purchaser by evidence showing that the property was stored or used:
   (a) Exclusively outside of this State during the initial 30 days after its purchase; and
   (b) Outside of this State for a majority of the time during the initial 12 months after its purchase.

Sec. 12. NRS 372.255 is hereby amended to read as follows:
372.255 1. Except as otherwise provided in NRS 372.258, on and after July 1, 1979, it is presumed that tangible personal property delivered outside this State to a purchaser known by the retailer to be a resident of this State was purchased from a retailer for storage, use or other consumption in this State and stored, used or otherwise consumed in this State.
2. This presumption may be controverted by:
   (a) The vendor by a written statement in writing, signed by the purchaser or his or her authorized representative, and retained by the vendor, that the property was purchased for use at a designated point or points outside this State;
   (b) Other evidence satisfactory to the Department that the property was not purchased for storage, use or other consumption in this State, if the statement is:
      (1) Signed by the purchaser or his or her authorized representative; and
      (2) Taken and retained by the vendor; or
   (b) The vendor or purchaser by evidence showing that the property was stored or used:
      (1) Exclusively outside of this State during the initial 30 days after its purchase; and
      (2) Outside of this State for a majority of the time during the initial 12 months after its purchase.

Sec. 13. NRS 372.347 is hereby amended to read as follows:
372.347 1. If a purchaser wishes to claim an exemption from the taxes imposed by this chapter, the retailer shall obtain such [identifying]
information from the purchaser [at the time of sale] as is required by the Department.

2. The Department shall, to the extent feasible, establish an electronic system for submitting a request for an exemption. A purchaser is not required to provide a signature to claim an exemption if the request is submitted electronically.

3. The Department may establish a system whereby a purchaser who is exempt from the payment of the taxes imposed by this chapter is issued an identification number that can be presented to the retailer at the time of sale.

4. A retailer shall maintain such records of exempt transactions as are required by the Department and provide those records to the Department upon request.

5. Except as otherwise provided in this subsection, a retailer who complies with the provisions of this section is not liable for the payment of any tax imposed by this chapter if the purchaser improperly claims an exemption. If the purchaser improperly claims an exemption, the purchaser is liable for the payment of the tax. The provisions of this subsection do not apply if the retailer [fraudulently]:
   (a) Fraudulently fails to collect the tax [or solicits]
   (b) Solicits a purchaser to participate in an unlawful claim of an exemption [fraudulently]; or
   (c) Accepts a certificate of exemption from a purchaser who claims an entity-based exemption, the subject of the transaction sought to be covered by the certificate is actually received by the purchaser at a location operated by the seller, and the Department provides, and posts on a website or other Internet site that is operated or administered by or on behalf of the Department, a certificate of exemption which clearly and affirmatively indicates that the claimed exemption is not available.

6. As used in this section ["retailer"]:
   (a) "Entity-based exemption" means an exemption based on who purchases the product or who sells the product, and which is not available to all.
   (b) "Retailer" includes a certified service provider, as that term is defined in NRS 360B.060, acting on behalf of a retailer who is registered pursuant to NRS 360B.200.

Sec. 14. NRS 372.360 is hereby amended to read as follows:

372.360 Except as otherwise required by the Department pursuant to NRS 360B.200:

1. On or before the last day of the month following each reporting period, a return for the preceding period must be filed with the Department in such form and manner as the Department may prescribe. Any return required to be filed by this section must be combined with any return required to be filed pursuant to the provisions of chapter 374 of NRS.

2. For purposes of:
   (a) The sales tax, a return must be filed by each seller.

374.160 1. For the purpose of the proper administration of this chapter and to prevent evasion of the sales tax it is presumed that all gross receipts are subject to the tax until the contrary is established. The burden of proving that a sale of tangible personal property is not a sale at retail is upon the person who makes the sale unless the person takes [in good faith] from the purchaser a certificate to the effect that the property is purchased for resale and the purchaser:

(a) Is engaged in the business of selling tangible personal property;
(b) Is registered pursuant to NRS 360B.200 or holds a permit issued pursuant to NRS 374.140; and
(c) At the time of purchasing the property, intends to sell it in the regular course of business or is unable to ascertain at the time of purchase whether the property will be sold or will be used for some other purpose.

374.230 1. For the purpose of the proper administration of this chapter and to prevent evasion of the use tax and the duty to collect the use tax, it is presumed that tangible personal property sold by any person for delivery in a county is sold for storage, use or other consumption in the county until the contrary is established. The burden of proving the contrary is upon the person who makes the sale unless the person takes [in good faith] from the purchaser a certificate to the effect that the property is purchased for resale and the purchaser:
   (a) Is engaged in the business of selling tangible personal property;
   (b) Is registered pursuant to NRS 360B.200 or holds a permit issued pursuant to NRS 374.140; and
   (c) At the time of purchasing the property, intends to sell it in the regular course of business or is unable to ascertain at the time of purchase whether the property will be sold or will be used for some other purpose.

2. If a sale of tangible personal property is transacted by drop shipment, the third-party vendor is relieved of the burden of proving that the property is sold for storage, use or other consumption in this State if:
   (a) The third-party vendor:
      (1) Takes [in good faith] from his or her customer a certificate to the effect that the property is purchased for resale; or
      (2) Obtains any other evidence acceptable to the Department that the property is purchased for resale; and
   (b) His or her customer:
      (1) Is engaged in the business of selling tangible personal property; and

2. This presumption may be controverted by the vendor or purchaser by evidence showing that the property was stored or used:
   (a) Exclusively outside of a county during the initial 30 days after its purchase; and
   (b) Outside of a county for a majority of the time during the initial 12 months after its purchase.

Sec. 21. NRS 374.260 is hereby amended to read as follows:

374.260 1. 2. The Department shall, to the extent feasible, establish an electronic system for submitting a request for an exemption. A purchaser is not required to provide a signature to claim an exemption if the request is submitted electronically.

3. The Department may establish a system whereby a purchaser who is exempt from the payment of the taxes imposed by this chapter is issued an identification number that can be presented to the retailer at the time of sale.
4. A retailer shall maintain such records of exempt transactions as are required by the Department and provide those records to the Department upon request.

5. Except as otherwise provided in this subsection, a retailer who complies with the provisions of this section is not liable for the payment of any tax imposed by this chapter if the purchaser improperly claims an exemption. 6. As used in this section, “retailer”:
   (a) "Entity-based exemption" means an exemption based on who purchases the product or who sells the product, and which is not available to all.
   (b) "Retailer" includes a certified service provider, as that term is defined in NRS 360B.060, acting on behalf of a retailer who is registered pursuant to NRS 360B.200.

TEXT OF REPEALED SECTIONS

360B.280  Purchases of direct mail.

1. A purchaser of direct mail must provide to the seller at the time of the purchase:

   (a) If the seller does not maintain a place of business in this State:

       (2) An informational statement of the jurisdictions to which the direct mail will be delivered to recipients; or

(b) Is used continuously in interstate or foreign commerce, but not exclusively in this State, for at least 12 months after the date that the property was first used pursuant to paragraph (a).

Amendment No. 825.
"SUMMARY—Makes various changes regarding the administration of sales and use taxes. (BDR 32-432)"
"AN ACT relating to taxation; revising the provisions governing the administration of sales and use taxes to ensure continued compliance with the Streamlined Sales and Use Tax Agreement and to apply the taxes to retailers whose activities have a sufficient nexus with this State; and provide for the rebuttal of certain presumptions regarding the application of use taxes to property delivered outside of or brought into this State; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law provides for the administration of sales and use taxes in this State pursuant to the Simplified Sales and Use Tax Administration Act, the Sales and Use Tax Act and the Local School Support Tax Law. (Chapters 360B, 372 and 374 of NRS) Under existing law, the Legislature has found and declared that this State should enter into an interstate agreement to simplify and modernize sales and use tax administration to reduce the burden of tax compliance for all sellers and types of commerce. (NRS 360B.020) Existing law requires the Nevada Tax Commission to enter into the Streamlined Sales and Use Tax Agreement and take all other actions
reasonably required to implement the provisions of the Agreement. (NRS 360B.110)

This bill carries out various requirements of the Streamlined Sales and Use Tax Agreement. Sections 2 and 26 of this bill replace superseded requirements for purchases of direct mail with new requirements regarding the sourcing of those transactions to various jurisdictions and the respective responsibilities of sellers and purchasers for the collection, reporting and payment of the applicable taxes. Section 3 of this bill sets forth a new requirement regarding the registration of certain sellers who anticipate making no sales into certain states. Sections 3, 14 and 23 of this bill carry out a new requirement to allow the electronic filing of simplified tax returns.

Sections 4 and 7 of this bill carry out a recent amendment to the Agreement governing the taxation of delivery charges. Section 4.5 of this bill carries out a recent amendment to the Agreement regarding the due dates for tax returns and payments. Sections 13 and 22 of this bill set forth new requirements regarding the liability of a seller for accepting certain certificates of exemption which indicate that the claimed exemption is not available. Sections 5 and 6 of this bill delete certain provisions of the Agreement that do not apply in this State. Sections 9, 10, 18 and 19 of this bill delete a requirement for good faith which is not allowed by the Agreement.

Under existing law, the Commerce Clause of the United States Constitution prohibits a state from requiring a retailer to collect sales and use taxes unless the activities of the retailer have a substantial nexus with the taxing state. (Quill Corp. v. North Dakota, 504 U.S. 298, 112 S.Ct. 1904 (1992)) Sections 8 and 17 of this bill apply the sales and use taxes imposed in this State to every retailer whose activities have such a nexus.

Existing law creates various presumptions regarding the application of the use taxes imposed in this State to property which is delivered outside of this State to a purchaser or brought into this State by a purchaser. (NRS 372.250, 372.255, 372.258, 374.255, 374.260, 374.263) Sections 11, 12, 20, 21 and 26 of this bill revise that law to specify the methods for controverting a presumption that those taxes apply.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

   (b) A retailer may compute the amount due on a transaction on the basis of each item involved in the transaction or a single invoice for the entire transaction.

3. On or before January 1 of each year, the Department shall transmit to each retailer to whom a permit has been issued a notice which contains the provisions of subsections 1 and 2 and NRS 372.365.

(II) The purchaser shall report and pay any applicable sales or use taxes due in any other state; and

(III) The seller, in the absence of bad faith, is relieved of all obligations to collect, pay or remit any sales or use taxes applicable to any transaction involving the other direct mail to which the documentation, certificate or statement applies which are due in any other state.

3. This section does not apply to any transaction that includes the development of billing information or the provision of any data processing service that is more than incidental, regardless of whether any advertising and promotional direct mail is included in the same mailing.

4. If a transaction is a bundled transaction, as defined by a regulation of the Department in accordance with the provisions of the Agreement, that includes advertising and promotional direct mail, this section applies only if the primary purpose of the transaction is the sale of products that meet the definition set forth in paragraph (a) of subsection 6.

5. The provisions of this section do not limit any purchaser’s:
   (a) Liability for any sales or use taxes to any states to which the direct mail is delivered;
   (b) Rights under local, state, federal or constitutional law, to a credit for sales or use taxes due and paid to other jurisdictions; or
   (c) Right to a refund of any sales or use taxes overpaid to any jurisdiction.

6. As used in this section:
   (a) "Advertising and promotional direct mail" means direct mail, the primary purpose of which is to attract public attention to a product, person, business or organization, or to attempt to sell, popularize or secure financial support for a product, person, business or organization. As used in this paragraph, "product" means tangible personal property, a product transferred electronically or a service.

   (b) "Direct mail" means printed material delivered or distributed by the United States Postal Service or another delivery service to a mass audience or to addresses contained on a mailing list provided by a purchaser or at the direction of a purchaser when the cost of the items purchased is not billed directly to the recipients. The term includes tangible personal property supplied directly or indirectly by the purchaser to the seller of the direct mail for inclusion in the package containing the printed material. The term does not include multiple items of printed material delivered to a single address.

   (c) "Other direct mail" means any direct mail that is not advertising and promotional direct mail, regardless of whether any advertising and promotional direct mail is included in the same mailing. The term:
      (I) Includes, but is not limited to:
         (I) Transactional direct mail that contains personal information specific to the addressee, including, but not limited to, invoices, bills, statements of account and payroll advices;
(II) Any legally required mailings, including, but not limited to, privacy notices, tax reports and stockholder reports; and
(III) Other nonpromotional direct mail delivered to existing or former shareholders, customers, employees or agents, including, but not limited to, newsletters and informational pieces; and
(2) Does not include the development of billing information or the provision of any data processing service that is more than incidental.

Sec. 3. NRS 360B.200 is hereby amended to read as follows:

360B.200 1. The Department shall, in cooperation with any other states that are members of the Agreement, establish and maintain a central, electronic registration system that allows a seller to register to collect and remit the sales and use taxes imposed in this State and in the other states that are members of the Agreement.

2. A seller who registers pursuant to this section agrees to collect and remit sales and use taxes in accordance with the provisions of this chapter, the regulations of the Department and the applicable law of each state that is a member of the Agreement, including any state that becomes a member of the Agreement after the registration of the seller pursuant to this section. The cancellation or revocation of the registration of a seller pursuant to this section, the withdrawal of a state from the Agreement or the revocation of the Agreement does not relieve a seller from liability pursuant to this subsection to remit any taxes previously or subsequently collected on behalf of a state.

3. When registering pursuant to this section, a seller may:
   (a) Elect to use a certified service provider as its agent to perform all the functions of the seller relating to sales and use taxes, other than the obligation of the seller to remit the taxes on its own purchases;
   (b) Elect to use a certified automated system to calculate the amount of sales or use taxes due on its sales transactions;
   (c) Under such conditions as the Department deems appropriate in accordance with the Agreement, elect to use its own proprietary automated system to calculate the amount of sales or use taxes due on its sales transactions; or
   (d) Elect to use any other method authorized by the Department for performing the functions of the seller relating to sales and use taxes.

4. A seller who registers pursuant to this section and does not make the election allowed pursuant to paragraph (a) of subsection 3 may elect to be registered in any state that:
   (a) Is a member of the Agreement at the time of that registration, as a seller who anticipates making no sales into that state if the seller has not had any sales into that state for the preceding 12 months; and
   (b) Becomes a member of the Agreement after that registration, as a seller who anticipates making no sales into that state.

5. A seller who registers pursuant to this section agrees to submit its sales and use tax returns, and to remit any sales and use taxes due, to the
Department at such times and in such a manner and format as the Department prescribes by regulation. Those regulations must:

(a) Require from each seller who registers pursuant to this section:

(1) Only one single tax return for each taxing period for all the sales and use taxes collected on behalf of this State and each local government in this State; and

(2) Only one remittance of taxes for each tax return, except that the Department may require additional remittances of taxes if the seller:

(I) Collects more than $30,000 in sales and use taxes on behalf of this State and the local governments in this State during the preceding calendar year;

(II) Is allowed to determine the amount of any additional remittance by a method of calculation instead of by the actual amount collected; and

(III) Is not required to file any tax returns in addition to those otherwise required in accordance with this subsection.

(b) Allow any seller who registers pursuant to this section to submit tax returns electronically in a simplified format that does not include any more data fields than are permitted in accordance with the Agreement.

(c) Allow any seller who registers pursuant to this section, does not maintain a place of business in this State and has not made an election pursuant to paragraph (a), (b) or (c) of subsection 3, to file tax returns at a frequency that does not exceed once per year unless the seller accumulates more than $1,000 in the collection of sales and use taxes on behalf of this State and the local governments in this State.

(d) Provide an alternative method for a seller who registers pursuant to this section to make tax payments the same day as the seller intends if an electronic transfer of money fails.

(e) Require any data that accompanies the remittance of a tax payment by or on behalf of a seller who registers pursuant to this section to be formatted using uniform codes for the type of tax and payment in accordance with the Agreement.

§ 6. The registration of a seller and the collection and remission of sales and use taxes pursuant to this section may not be considered as a factor in determining whether a seller has a nexus with this State for the purposes of determining the liability of the seller to pay any tax imposed by this State.

Sec. 4. NRS 360B.290 is hereby amended to read as follows:

360B.290 Any invoice, billing or other document given to a purchaser that indicates the sales price for which tangible personal property is sold must:

1. May state separately any amount received by the seller for:

   Any transportation, shipping or postage charges for the delivery of the property to a location designated by the purchaser; and

2. Must state separately any amount received by the seller for:

   (a) Any installation charges for the property;
Any credit for any trade-in which is specifically exempted from the sales price of the property pursuant to chapter 372 or 374 of NRS; 
(c) Any interest, financing and carrying charges from credit extended on the sale; and

   (b) A day on which a Federal Reserve bank is closed and, as a result of that closure, the taxpayer is not able to remit the tax electronically in accordance with the regulations adopted by the Department pursuant to NRS 360.092, the tax may be paid on the next succeeding day on which the Federal Reserve bank is open.

2. If any sales or use tax return is:
   (a) Due on a Saturday, Sunday or legal holiday, the return may be filed on the next succeeding business day; or 
   (b) Required to be filed in conjunction with a remittance of the tax and paragraph (b) of subsection 1 applies to that remittance, the return may be filed on the same day as the tax may be paid in accordance with that paragraph.

Sec. 5. NRS 360B.350 is hereby amended to read as follows:

360B.350 As used in NRS 360B.350 to 360B.375, inclusive:
1. "Receive" means taking possession of tangible personal property, whichever occurs first. The term does not include possession by a shipping company on behalf of a purchaser.
2. "Transportation equipment" means:
   (a) Locomotives and railcars used for the carriage of persons or property in interstate commerce.
   (b) Trucks and truck-tractors having a manufacturer's gross vehicle weight rating of more than 10,000 pounds, and trailers, semitrailers and passenger buses that are:

   (d) Containers designed for use on and component parts attached or secured to any of the items described in paragraph (a), (b) or (c).
Sec. 5.5. NRS 360B.355 is hereby amended to read as follows:

360B.355 1. Except as otherwise provided in this section and section 2 of this act, for the purpose of determining the liability of a seller for sales and use taxes, a retail sale shall be deemed to take place at the location determined pursuant to NRS 360B.350 to 360B.375, inclusive.

2. NRS 360B.350 to 360B.375, inclusive, do not:
   (a) Affect any liability of a purchaser or lessee for a use tax.
   (b) Apply to:
       (1) The retail sale or transfer of watercraft, modular homes, manufactured homes or mobile homes.
       (2) The retail sale, other than the lease or rental, of motor vehicles, trailers, semitrailers or aircraft that do not constitute transportation equipment.

Sec. 6. NRS 360B.360 is hereby amended to read as follows:

360B.360 Except as otherwise provided in NRS 360B.350 to 360B.375, inclusive, the retail sale, excluding the lease or rental, of tangible personal property shall be deemed to take place:

1. If the property is received by the purchaser at a place of business of the seller, at that place of business.

2. If the property is not received by the purchaser at a place of business of the seller:
   (a) At the location indicated to the seller pursuant to any instructions provided for the delivery of the property to the purchaser or to another recipient who is designated by the purchaser as his or her donee; or
   (b) If no such instructions are provided and if known by the seller, at the location where the purchaser or another recipient who is designated by the purchaser as his or her donee, receives the property.

3. If subsections 1 and 2 do not apply, at the address of the purchaser indicated in the business records of the seller that are maintained in the ordinary course of the seller's business, unless the use of that address would constitute bad faith.

4. If subsections 1, 2 and 3 do not apply, at the address of the purchaser obtained during the consummation of the sale, including, if no other address is available, the address of the purchaser's instrument of payment, unless the use of an address pursuant to this subsection would constitute bad faith.

5. In all other circumstances, at the address from which the property was shipped or, if it was delivered electronically, at the address from which it was first available for transmission by the seller.

Sec. 7. NRS 360B.480 is hereby amended to read as follows:

360B.480 1. "Sales price" means the total amount of consideration, including cash, credit, property and services, for which personal property is sold, leased or rented, valued in money, whether received in money or otherwise, and without any deduction for:
   (a) The seller's cost of the property sold;
(b) The cost of materials used, labor or service cost, interest, losses, all costs of transportation to the seller, all taxes imposed on the seller, and any other expense of the seller;

(c) Any charges by the seller for any services necessary to complete the sale, including any delivery charges which are not stated separately pursuant to subsection 1 of NRS 360B.290 and excluding any installation charges which are stated separately pursuant to subsection 2 of NRS 360B.290; and

(d) Except as otherwise provided in subsection 2, any credit for any trade-in.

2. The term does not include:

(c) Any credit for any trade-in which is:

(1) Specifically exempted from the sales price pursuant to chapter 372 or 374 of NRS; and

(2) Stated separately pursuant to subsection 2 of NRS 360B.290;

(d) Any discounts, including those in the form of cash, term or coupons that are not reimbursed by a third party, which are allowed by a seller and taken by the purchaser on a sale;

(f) Any taxes legally imposed directly on the consumer which are stated separately pursuant to subsection 2 of NRS 360B.290.

3. The term includes consideration received by a seller from a third party if:

(a) The seller actually receives consideration from a person other than the purchaser and the consideration is directly related to a price reduction or discount on the sale;

(b) The seller has an obligation to pass the price reduction or discount through to the purchaser;

(c) The amount of the consideration attributable to the sale is fixed and determinable by the seller at the time of the sale of the item to the purchaser; and

(d) Any of the following criteria is satisfied:

purposes of this subparagraph, a preferred customer card that is available to
any patron does not constitute membership in such a group.

(3) The price reduction or discount is identified as a third-party price
reduction or discount on the invoice received by the purchaser or on a
coupon, certificate or other documentation presented by the purchaser.

**Sec. 8.** Chapter 372 of NRS is hereby amended by adding thereto a new
section to read as follows:

1. The provisions of this chapter relating to:
   
   (a) The imposition, collection and remittance of the sales tax apply to

satisfy the requirements of the United States Constitution.

   (b) The collection and remittance of the use tax apply to every retailer
whose activities have a sufficient nexus with this State to satisfy the
requirements of the United States Constitution.

2. In administering the provisions of this chapter, the Department shall
construe the terms "seller," "retailer" and "retailer maintaining a place of
business in this State" in accordance with the provisions of subsection 1.

**Sec. 9.** NRS 372.155 is hereby amended to read as follows:

372.155 1. For the purpose of the proper administration of this chapter
and to prevent evasion of the sales tax, it is presumed that all gross receipts
are subject to the tax until the contrary is established. The burden of proving
that a sale of tangible personal property is not a sale at retail is upon the
person who makes the sale unless the person takes [in good faith] from the
purchaser a certificate to the effect that the property is purchased for resale
and the purchaser:

   (a) Is engaged in the business of selling tangible personal property;

   (b) Is registered pursuant to NRS 360B.200 or holds a permit issued
pursuant to NRS 372.135; and

   (c) At the time of purchasing the property, intends to sell it in the regular
course of business or is unable to ascertain at the time of purchase whether
the property will be sold or will be used for some other purpose.

2. If a sale of tangible personal property is transacted by drop shipment,
the third-party vendor is relieved of the burden of proving that the sale is not
a sale at retail if:

   (a) The third-party vendor:

      (1) Takes [in good faith] from his or her customer a certificate to the
effect that the property is purchased for resale; or

      (2) Obtains any other evidence acceptable to the Department that the
property is purchased for resale; and

   (b) His or her customer:

      (1) Is engaged in the business of selling tangible personal property; and

      (2) Is selling the property in the regular course of business.

**Sec. 10.** NRS 372.225 is hereby amended to read as follows:

372.225 1. For the purpose of the proper administration of this chapter
and to prevent evasion of the use tax and the duty to collect the use tax, it is
presumed that tangible personal property sold by any person for delivery in this State is sold for storage, use or other consumption in this State until the contrary is established. The burden of proving the contrary is upon the person who makes the sale unless the person takes [in good faith] from the purchaser a certificate to the effect that the property is purchased for resale and the purchaser:

(a) Is engaged in the business of selling tangible personal property;
(b) Is registered pursuant to NRS 360B.200 or holds a permit issued pursuant to NRS 372.135; and
(c) At the time of purchasing the property, intends to sell it in the regular course of business or is unable to ascertain at the time of purchase whether the property will be sold or will be used for some other purpose.

2. If a sale of tangible personal property is transacted by drop shipment, the third-party vendor is relieved of the burden of proving that the property is sold for storage, use or other consumption in this State if:

(a) The third-party vendor:
   (1) Takes [in good faith] from his or her customer a certificate to the effect that the property is purchased for resale; or
   (2) Obtains any other evidence acceptable to the Department that the property is purchased for resale; and
(b) His or her customer:
   (1) Is engaged in the business of selling tangible personal property; and
   (2) Is selling the property in the regular course of business.

Sec. 11. NRS 372.250 is hereby amended to read as follows:

372.250 1. It is presumed that tangible personal property shipped or brought to this State by the purchaser on or after July 1, 1979, was purchased from a retailer on or after July 1, 1979, for storage, use or other consumption in this State.

2. This presumption may be controverted by the vendor or purchaser by evidence showing that the property was stored or used:
   (a) Exclusively outside of this State during the initial 30 days after its purchase; and
   (b) Outside of this State for a majority of the time during the initial 12 months after its purchase.

Sec. 12. NRS 372.255 is hereby amended to read as follows:

372.255 1. Except as otherwise provided in NRS 372.258, on or after July 1, 1979, it is presumed that tangible personal property delivered outside this State to a purchaser known by the retailer to be a resident of this State was purchased from a retailer for storage, use or other consumption in this State and stored, used or otherwise consumed in this State.

2. This presumption may be controverted by:
   (a) [A] The vendor by a written statement [in writing, signed by the purchaser or his or her authorized representative, and retained by the vendor,] that the property was purchased for use at a designated point or points outside this State. []
(b) Other evidence satisfactory to the Department that the property was not purchased for storage, use or other consumption in this State if the statement is:

(1) Signed by the purchaser or his or her authorized representative; and
(2) Taken and retained by the vendor in good faith.

(b) The vendor or purchaser by evidence showing that the property was stored or used:

(1) Exclusively outside of this State during the initial 30 days after its purchase; and

Sec. 13. NRS 372.347 is hereby amended to read as follows:

372.347 1. If a purchaser wishes to claim an exemption from the taxes imposed by this chapter, the retailer shall obtain such identifying information from the purchaser at the time of sale as is required by the Department.

2. The Department shall, to the extent feasible, establish an electronic system for submitting a request for an exemption. A purchaser is not required to provide a signature to claim an exemption if the request is submitted electronically.

3. The Department may establish a system whereby a purchaser who is exempt from the payment of the taxes imposed by this chapter is issued an identification number that can be presented to the retailer at the time of sale.

4. A retailer shall maintain such records of exempt transactions as are required by the Department and provide those records to the Department upon request.

5. Except as otherwise provided in this subsection, a retailer who complies with the provisions of this section is not liable for the payment of any tax imposed by this chapter if the purchaser improperly claims an exemption. If the purchaser improperly claims an exemption, the purchaser is liable for the payment of the tax. The provisions of this subsection do not apply if the retailer:

(a) Fraudulently fails to collect the tax or solicits;

(b) Solicits a purchaser to participate in an unlawful claim of an exemption; or

(c) Accepts a certificate of exemption from a purchaser who claims an entity-based exemption, the subject of the transaction sought to be covered by the certificate is actually received by the purchaser at a location operated by the seller, and the Department provides, and posts on a website or other Internet site that is operated or administered by or on behalf of the Department, a certificate of exemption which clearly and affirmatively indicates that the claimed exemption is not available.

6. As used in this section...
(a) "Entity-based exemption" means an exemption based on who purchases the product or who sells the product, and which is not available to all.

(b) "Retailer" includes a certified service provider, as that term is defined in NRS 360B.060, acting on behalf of a retailer who is registered pursuant to NRS 360B.200.

Sec. 14. NRS 372.360 is hereby amended to read as follows:

372.360 Except as otherwise required by the Department pursuant to NRS 360B.200:

1. On or before the last day of the month following each reporting period, a return for the preceding period must be filed with the Department in such form and manner as the Department may prescribe. Any return required to be filed by this section must be combined with any return required to be filed pursuant to the provisions of chapter 374 of NRS.

2. For purposes of:
   (a) The sales tax, a return must be filed by each seller.
   (b) The use tax, a return must be filed by each retailer maintaining a place of business in the State and by each person purchasing tangible personal property, the storage, use or other consumption of which is subject to the use tax, who has not paid the use tax due.

3. Unless filed electronically, returns must be signed by the person required to file the return or by his or her authorized agent but need not be verified by oath.

Sec. 15. NRS 372.365 is hereby amended to read as follows:

372.365 1. Except as otherwise required by the Department pursuant to NRS 360B.200 or provided in NRS 360B.350 to 360B.375, inclusive or section 2 of this act:

   (3) If the property was:
(I) Brought into this State by the purchaser or his or her agent or designee, the sale pertains to the county in this State in which the property is or will be first used, stored or otherwise consumed.

(II) Not brought into this State by the purchaser or his or her agent or designee, the sale pertains to the county in this State in which the property was delivered to the purchaser or his or her agent or designee.

2. In case of a return filed by a purchaser, the return must show the total sales price of the property purchased by him or her, the storage, use or consumption of which became subject to the use tax during the preceding reporting period and indicate the county in this State in which the property was first used, stored or consumed.

3. The return must also show the amount of the taxes for the period covered by the return and such other information as the Department deems necessary for the proper administration of this chapter.

4. Except as otherwise provided in subsection 5, upon determining that a retailer has filed a return which contains one or more violations of the provisions of this section, the Department shall:
   (a) For the first return of any retailer which contains one or more violations, issue a letter of warning to the retailer which provides an explanation of the violation or violations contained in the return.
   (b) For the first or second return, other than a return described in paragraph (a), in any calendar year which contains one or more violations, assess a penalty equal to the amount of the tax which was not reported or was reported for the wrong county or $1,000, whichever is less.
   (c) For the third and each subsequent return in any calendar year which contains one or more violations, assess a penalty of three times the amount of the tax which was not reported or was reported for the wrong county or $3,000, whichever is less.

5. For the purposes of subsection 4, if the first violation of this section by any retailer was determined by the Department through an audit which covered more than one return of the retailer, the Department shall treat all returns which were determined through the same audit to contain a violation or violations in the manner provided in paragraph (a) of subsection 4.

Sec. 16. NRS 372.375 is hereby amended to read as follows:

1. Except as otherwise authorized or required by the Department pursuant to NRS 360B.200, the person required to file a return shall deliver the return together with a remittance of the amount of the tax due to the Department.

2. The Department shall provide for the acceptance of credit cards, debit cards or electronic transfers of money for the payment of the tax due in the manner prescribed pursuant to NRS 360.092.

Sec. 17. Chapter 374 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The provisions of this chapter relating to:
(a) The imposition, collection and remittance of the sales tax apply to every retailer whose activities have a sufficient nexus with a county to satisfy the requirements of the United States Constitution.

(b) The collection and remittance of the use tax apply to every retailer whose activities have a sufficient nexus with a county to satisfy the requirements of the United States Constitution.

2. In administering the provisions of this chapter, the Department shall construe the terms "seller," "retailer" and "retailer maintaining a place of business in a county" in accordance with the provisions of subsection 1.

7. The ordinance, in the case of securities issued by a county, or the resolution, in the case of securities issued by a commission, authorizing the issuance of any bond or other revenue security under this section must
describe the purpose for which it is issued at least in general terms and may

or other security after its issuance, subject to approval by the commission of
the project as so modified \[1\], if such bond or other security is issued by the
county and not the commission.

8. Notwithstanding any other provision of this chapter, no commission
has authority to issue bonds or other securities pursuant to this chapter
unless the commission has executed an interlocal agreement with the
county relating to the issuance of bonds or other securities by the
commission. Any such interlocal agreement must include an
acknowledgment of the authority of the commission to issue bonds and
other securities and contain provisions relating to the pledge of revenues
for the repayment of the bonds or other securities, the lien priority of the
pledge of revenues securing the bonds or other securities, and related
matters.

Sec. 3. NRS 373.160 is hereby amended to read as follows:

373.160 1. The ordinance or ordinances, or the resolution or

commission, the commission, determines in any ordinance or resolution
authorizing the issuance of any bonds or other securities under this chapter

provided in subsection 6 of NRS 373.131, may additionally secure the
payment of any bonds or other securities issued pursuant to the ordinance or resolution under this chapter by a pledge of and the creation of a lien upon not only the proceeds of any fuel tax authorized at the time of the issuance of such securities to be used for such payment in subsection 6 of NRS 373.131, but also the proceeds of any such tax thereafter authorized to be used or pledged, or used and pledged, for the payment of such securities, whether such tax be levied or collected by the county, the State of Nevada, or otherwise, or be levied in at least an equivalent value in lieu of any such tax existing at the time of the issuance of such securities or be levied in supplementation thereof.

3. The pledges and liens authorized by subsections 1 and 2 extend to the proceeds of any tax collected for use by the county on any fuel so long as any bonds or other securities issued under this chapter remain outstanding and are not limited to any type or types of fuel in use when the bonds or other securities are issued.

Any such interlocal agreement must include an acknowledgment of the authority of the regional transportation commission to issue bonds or other securities and contain provisions relating to the pledge of revenues for the repayment of the bonds or other securities, the lien priority of the pledge of revenues securing the bonds or other securities, and related matters.

5. The ordinance or resolution authorizing the issuance of any bond or other security must describe the purpose for which it is issued.

Sec. 6. NRS 377A.100 is hereby amended to read as follows:

377A.100 1. Each ordinance or resolution providing for the issuance of any bond or security issued under this chapter payable from the receipts of the tax imposed pursuant to paragraph (b) of subsection 1 of NRS 377A.030 may, in addition to covenants and other provisions authorized in the Local Government Securities Law, contain a covenant or other provision to pledge and create a lien upon the receipts of the tax or upon the proceeds of any bond or security pending their application to defray the cost of establishing or operating a public transit system, constructing, maintaining or repairing public roads or improving air quality, or both tax proceeds and security proceeds, to secure the payment of any bond or security issued under this chapter.

2. Each ordinance providing for the issuance of any bond or security issued under this chapter payable from the receipts of the tax imposed pursuant to paragraph (d) of subsection 1 of NRS 377A.030 may, in addition to covenants and other provisions authorized in the Local Government Securities Law, contain a covenant or other provision to pledge and create a lien upon:

(a) The receipts of the tax;
(b) The proceeds of any bond or security pending their application to defray the cost of acquiring, developing, constructing, equipping, operating, maintaining, improving and managing libraries, parks, recreational programs and facilities, and facilities and services for senior citizens, and for preserving and protecting agriculture, or for any combination of those purposes; or
(c) Both tax proceeds and security proceeds,

The provisions of this subsection do not authorize the board of county commissioners of a county to obtain money to acquire, develop, construct, equip, operate, maintain, improve and manage recreational programs by the issuance of bonds.
3. Any money pledged to the payment of bonds or other securities pursuant to subsection 1 or 2 may be treated as pledged revenues of the project for the purposes of subsection 3 of NRS 350.020.

Sec. 7. NRS 377A.110 is hereby amended to read as follows:

377A.110  1. Subject to the provisions of subsection 2, the board may gradually reduce the amount of any tax imposed pursuant to this chapter for a public transit system, for the construction, maintenance and repair of public roads, for the improvement of air quality or for any combination of those purposes as revenue from the operation of those projects permits. The date on which any reduction in the tax becomes effective must be the first day of the first calendar quarter that begins at least 120 days after the effective date of the ordinance reducing the amount of tax imposed.

2. No such taxing ordinance may be repealed or amended or otherwise directly or indirectly modified in such a manner as to impair any outstanding bonds issued under this chapter, or other obligations incurred under this chapter, until all obligations, for which revenues from the ordinance have been pledged or otherwise made payable from such revenues pursuant to this chapter, have been discharged in full, but the board may at any time dissolve the regional transportation commission as provided in NRS 373.120 and provide that no further obligations be incurred thereafter.

Sec. 8. NRS 377B.100 is hereby amended to read as follows:

377B.100  1. The board of county commissioners of any county may by ordinance, but not as in a case of emergency, impose a tax for infrastructure pursuant to this section and NRS 377B.110.

2. An ordinance enacted pursuant to this chapter may not become effective before a question concerning the imposition of the tax is approved by a two-thirds majority of the members of the board of county commissioners. Any proposal to increase the rate of the tax or change the previously approved uses for the proceeds of the tax must be approved by a two-thirds majority of the members of the board of county commissioners. The board of county commissioners shall not change a previously approved use for the proceeds of the tax to a use that is not authorized for that county pursuant to NRS 377B.160.

3. An ordinance enacted pursuant to this section must:

   (a) Specify [specify] the date on which the tax must first be imposed or on which an increase in the rate of the tax becomes effective, which must occur on the first day of the first month of the next calendar quarter that is at least 120 days after the date on which a two-thirds majority of the board of county commissioners approved the question.

   (b) In a county whose population is 400,000 or more, provide for the cessation of the tax not later than:

      (1) The last day of the month in which the Department determines that the total sum collected since the tax was first imposed, exclusive of any penalties and interest, exceeds $2.3 billion; or

      (2) June 30, 2025.
whichever occurs earlier.

4. Notwithstanding the provisions of an ordinance described in subsection 3, in a county whose population is 400,000 or more, the tax may continue to be imposed after the date set forth in the ordinance for the cessation of the tax if the board of county commissioners determines by an affirmative vote of at least two-thirds of its members that the cessation of the tax is not advisable.

5. The board of county commissioners in a county whose population is 400,000 or more and in which a water authority exists shall review the necessity for the continued imposition of the tax authorized pursuant to this chapter at least once every 10 years.

6. Before enacting an ordinance pursuant to this chapter, the board of county commissioners shall hold a public hearing regarding the imposition of a tax for infrastructure. In a county whose population is 400,000 or more and in which a water authority exists, the water authority shall also hold a public hearing regarding the tax for infrastructure. Notice of the time and place of each hearing must be:

   (a) Published in a newspaper of general circulation in the county at least once a week for the 2 consecutive weeks immediately preceding the date of the hearing. Such notice must be a display advertisement of not less than 3 inches by 5 inches.

   (b) Posted at the building in which the meeting is to be held and at not less than three other separate, prominent places within the county at least 2 weeks before the date of the hearing.

7. Before enacting an ordinance pursuant to this chapter, the board of county commissioners of a county whose population is less than 400,000 or a county whose population is 400,000 or more and in which no water authority exists, shall develop a plan for the expenditure of the proceeds of a tax imposed pursuant to this chapter for the purposes set forth in NRS 377B.160. The plan may include a regional project for which two or more such counties have entered into an interlocal agreement to expend jointly all or a portion of the proceeds of a tax imposed in each county pursuant to this chapter. Such a plan must include, without limitation, the date on which the plan expires, a description of each proposed project, the method of financing each project and the costs related to each project. Before adopting a plan pursuant to this subsection, the board of county commissioners of a county in which a regional planning commission has been established pursuant to NRS 278.0262 shall transmit to the regional planning commission a list of the proposed projects for which a tax for infrastructure may be imposed. The regional planning commission shall hold a public hearing at which it shall rank each project in relative priority. The regional planning commission shall transmit its rankings to the board of county commissioners. The recommendations of the regional planning commission regarding the priority of the proposed projects are not binding on the board of county commissioners. The board of county commissioners shall
hold at least one public hearing on the plan. Notice of the time and place of
the hearing must be provided in the manner set forth in subsection 6. The
plan must be approved by the board of county commissioners at a public
hearing. Subject to the provisions of subsection 8, on or before the date
on which a plan expires, the board of county commissioners shall determine
whether a necessity exists for the continued imposition of the tax. If the
board determines that such a necessity does not exist, the board shall repeal
the ordinance that enacted the tax. If the board of county commissioners
determines that the tax must be continued for a purpose set forth in
NRS 377B.160, the board shall adopt, in the manner prescribed in this
subsection, a new plan for the expenditure of the proceeds of the tax for such
a purpose.

8. No ordinance imposing a tax which is enacted pursuant to this
chapter may be repealed or amended or otherwise directly or indirectly
modified in such a manner as to impair any outstanding bonds or other
obligations which are payable from or secured by a pledge of a tax enacted
pursuant to this chapter until those bonds or other obligations have been
discharged in full.

Sec. 8.3. NRS 377B.150 is hereby amended to read as follows:

1. In a county whose population is less than 400,000 or a
   county whose population is 400,000 or more and in which no water authority
   exists, the county treasurer shall deposit the money received from the State
   Controller pursuant to NRS 377B.130 in the county treasury for credit to a
   fund to be known as the infrastructure fund. The infrastructure fund must be
   accounted for as a separate fund and not as a part of any other fund. The
   money for each project included in the plan adopted pursuant to
   subsection 6 of NRS 377B.100 must be accounted for separately in the
   fund.

2. In a county whose population is 400,000 or more and in which a water
   authority exists, the water authority shall deposit the money received from
   the State Controller pursuant to NRS 377B.130 in a separate account of the
   water authority to be known as the infrastructure fund. This fund must be
   accounted for as a separate fund and not as part of any other fund of the
   water authority.

Sec. 8.7. NRS 377B.160 is hereby amended to read as follows:

(a) The acquisition, establishment, construction, improvement or equipping of water and wastewater facilities;
(b) The payment of principal and interest on notes, bonds or other securities issued to provide money for the cost of projects described in paragraph (a); or
(c) Any combination of those purposes.

The board of county commissioners may only expend money from the infrastructure fund pursuant to this subsection in the manner set forth in the plan adopted pursuant to subsection 67 of NRS 377B.100.

2. In a county whose population is 100,000 or more but less than 400,000, must only be expended by the board of county commissioners in the manner set forth in the plan adopted pursuant to subsection 67 of NRS 377B.100 for:

(b) The payment of principal and interest on notes, bonds or other securities issued to provide money for the cost of projects described in paragraph (a);
(c) The ongoing expenses of operation and maintenance of projects described in subparagraph (1) of paragraph (a), if such projects were included in a plan adopted by the board of county commissioners pursuant to subsection 67 of NRS 377B.100 before January 1, 2003;
(d) Any program to provide financial assistance to owners of public and private property in areas likely to be flooded in order to make such property resistant to flood damage that is established pursuant to NRS 244.3653; or

Sec. 9. NRS 377B.190 is hereby amended to read as follows:

377B.190  1. Money for the payment of the cost of one or more projects for which the board of county commissioners has imposed all or a portion of the tax authorized pursuant to this chapter may be obtained by the issuance of bonds and other securities as provided in this section, or, subject to any pledges, liens and other contractual limitations made pursuant to this chapter, may be obtained by direct distribution from the infrastructure fund, or may be obtained both by the issuance of such securities and by such direct distribution as determined by the board of county commissioners or, in a county whose population is 400,000 or more and in which a water authority exists, by the water authority.

2. 2. The maturity of any bond refunded may not be extended beyond 25 years, or beyond 1 year next following the date of the last outstanding maturity, whichever limitation is later, nor may any interest on any bond refunded be increased to any rate which exceeds the limit provided in NRS 350.2011.

Senator Schneider moved that the Senate concur in the Assembly amendment to Senate Bill No. 19. 
Motion carried by a constitutional majority. 
Bill ordered enrolled.

Senate Bill No. 140.
The following Assembly amendments were read:
Amendment No. 670.
“SUMMARY—Prohibits the use of a cellular telephone or other handheld wireless communications device while operating a motor vehicle in certain circumstances. (BDR 43-45)”

“AN ACT relating to traffic laws; prohibiting a person from using a cellular telephone or other handheld wireless communications device while operating a motor vehicle in certain circumstances; providing penalties; and providing other matters properly relating thereto.”

Legislative Counsel's Digest:
Under existing traffic laws of this State, it is a crime to engage in various activities while operating a motor vehicle or to operate a motor vehicle in a reckless or unsafe manner. (Chapters 484A-484E of NRS) **Section 1** of this bill makes it a crime for a person to manually type or enter text into a cellular telephone or other similar device, or to send or read data using any such device, while operating a motor vehicle. **Section 1** further prohibits a person from using such a device for voice communications unless the device is used with an accessory which allows the person to communicate without using his or her hands, with certain limited exceptions. **Section 1** provides an exception to the prohibitions when the cellular telephone or other device is used by certain emergency and law enforcement personnel and persons designated by a sheriff or chief of police or the Director of the Department of Public Safety who are acting within the course and scope of their employment. Additional exceptions apply if: (1) the person is using the cellular telephone or other device to report or request assistance relating to a medical emergency, a safety hazard or criminal activity; (2) the person is responding to a situation requiring immediate action and stopping the vehicle would be inadvisable, impractical or dangerous; [see] (3) the person is a licensed amateur radio operator providing communications services in connection with a disaster or emergency, participating in a drill, test, or other exercise in preparation for a disaster or emergency or otherwise communicating public information; or (4) the person is an employee or contractor of a public utility and is responding to an emergency dispatch. A violation of the provisions added by **section 1** is a misdemeanor and punishable by a fine of $50 for a first offense within the immediately preceding 7 years, $100 for a second offense within the immediately preceding 7 years and $250 for a third or subsequent offense within the immediately preceding 7 years. However, **section 4** of this bill provides that until January 1, 2012, a law enforcement officer must not issue a citation to a
person for violating section 1 but must give the person a verbal or written warning. Section 1 further provides that a first offense will not be treated as a moving traffic violation. Additionally, if a person is convicted of a third or subsequent offense, in addition to the fine, the driver's license of the person will be suspended for 6 months. Section 2 of this bill makes the enhanced penalty for certain traffic violations that occur in a temporary traffic control zone applicable to violations of these new crimes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 484B of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in this section, a person shall not, while operating a motor vehicle on a highway in this State:

   1. The person using the device has a license to operate the device, if required; and

shall be punished by imprisonment or by a fine, or both, for a term or an amount equal to and in addition to the term of imprisonment or amount of the fine, or both, that the court imposes for the primary offense. Any term of imprisonment imposed pursuant to this subsection runs consecutively with the sentence prescribed by the court for the crime. This subsection does not create a separate offense, but provides an additional penalty for the primary offense, whose imposition is contingent upon the finding of the prescribed fact.

5. The requirements of subsection 3 do not apply to an area designated as a temporary traffic control zone:

(a) Pursuant to an emergency which results from a natural or other disaster and which threatens the health, safety or welfare of the public; or
(b) On a public highway where the posted speed limit is 25 miles per hour or less and that provides access to or is appurtenant to a residential area.

6. A person who would otherwise be subject to an additional penalty pursuant to this section is not subject to an additional penalty if the violation occurred in a temporary traffic control zone for which signs are not erected pursuant to subsection 5, unless the violation results in injury to any person performing highway construction or maintenance or other work in the temporary traffic control zone or in damage to property in an amount equal to $1,000 or more.

Sec. 3. NRS 707.375 is hereby amended to read as follows:

Amendment No. 809.

"SUMMARY—Prohibits the use of a cellular telephone or other handheld wireless communications device while operating a motor vehicle in certain circumstances. (BDR 43-45)"

"AN ACT relating to traffic laws; prohibiting a person from using a cellular telephone or other handheld wireless communications device while operating a motor vehicle in certain circumstances; providing penalties; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing traffic laws of this State, it is a crime to engage in various activities while operating a motor vehicle or to operate a motor vehicle in a reckless or unsafe manner. (Chapters 484A-484E of NRS) Section 1 of this bill makes it a crime for a person to manually type or enter text into a cellular telephone or other similar device, or to send or read data using any such device, while operating a motor vehicle. Section 1 further prohibits a person from using such a device for voice communications unless the device is used with an accessory which allows the person to communicate without using his or her hands, with certain limited exceptions. Section 1 provides an exception to the prohibitions when the cellular telephone or other device is
used by certain emergency and law enforcement personnel and persons designated by a sheriff or chief of police or the Director of the Department of Public Safety who are acting within the course and scope of their employment. Additional exceptions apply if: (1) the person is using the cellular telephone or other device to report or request assistance relating to a medical emergency, a safety hazard or criminal activity; (2) the person is responding to a situation requiring immediate action and stopping the vehicle would be inadvisable, impractical or dangerous; and (3) the person is a licensed amateur radio operator providing communications services in connection with a disaster or emergency, participating in a drill, test, or other exercise in preparation for a disaster or emergency or otherwise communicating public information; or (4) the person is an employee or contractor of a public utility and is responding to an emergency dispatch. A violation of the provisions added by section 1 is a misdemeanor and punishable by a fine of $50 for a first offense within the immediately preceding 7 years, $100 for a second offense within the immediately preceding 7 years and $250 for a third or subsequent offense within the immediately preceding 7 years. However, section 4 of this bill provides that until January 1, 2012, a law enforcement officer must not issue a citation to a person for violating section 1 but must give the person a verbal or written warning. Section 1 further provides that a first offense will not be treated as a moving traffic violation. Additionally, if a person is convicted of a third or subsequent offense, in addition to the fine, the driver's license of the person will be suspended for 6 months. Section 2 of this bill makes the enhanced penalty for certain traffic violations that occur in a temporary traffic control zone applicable to violations of these new crimes.

The following Assembly amendment was read:

Amendment No. 627.  "SUMMARY—Urges Congress to enact legislation to require the Secretary of the Interior to convey ownership of certain land to the State of Nevada to help fund education. (BDR R-90)"

SENATE JOINT RESOLUTION—Urging Congress to enact legislation requiring the Secretary of the Interior to convey ownership of certain land to the State of Nevada to help fund education in Nevada.
WHEREAS, The State of Nevada and other western states face unique challenges in providing the best education to their residents due to vast acreages of untaxable federal lands within their borders; and

WHEREAS, Early in Nevada's history, the Congress of the United States recognized the importance of supporting public education in Nevada and established school trust lands in Nevada to help fund education in the State; and

WHEREAS, When the Territory of Nevada was admitted to statehood, the Federal Government provided Nevada with two sections of land in each township for the benefit of common schools, which amounted to 3.9 million acres, while other territories that were subsequently admitted to statehood received four sections of land in each township for the benefit of common schools; and

WHEREAS, The land originally granted by the Federal Government to Nevada for common schools was not providing sufficient revenue for education because the land included large sections that were undesirable or difficult to survey; and

WHEREAS, In 1880, it was necessary for Nevada to agree to exchange its 3.9 million acres for only 2 million acres of its own selection, as Nevada had an immediate need for public school revenues; and

WHEREAS, The disproportionately small amount of land received from the Federal Government for the benefit of common schools contributes only a small amount of revenue for the schools in Nevada in comparison to other states and places an excessive burden on the financial resources of each county in Nevada; and

WHEREAS, In Nevada, approximately 87 percent of the land, which amounts to approximately 61 million acres, is held by the Federal Government; and

WHEREAS, In 15 of the 17 counties in Nevada, more than 50 percent of the land is held by the Federal Government, and in 4 of the 17 counties, more than 90 percent of the land is held by the Federal Government; and

WHEREAS, The ownership of such an extensive amount of the land in Nevada by the Federal Government has an adverse effect on the ability of the school districts in Nevada to provide quality education for the residents of Nevada; and

WHEREAS, Nevada and the other western states are falling behind in education funding as measured by the growth of expenditures per pupil; and

WHEREAS, The difficulty experienced by Nevada and the other western states in providing a quality education to their residents is exacerbated by projections that enrollment in public schools from 2007 to 2019 is expected to increase by approximately 34 percent in Nevada and the other western states, but increase by less than 1 percent in the remaining states in the United States; now, therefore, be it

RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF NEVADA, JOINTLY, That the members of the 76th Session of the Nevada
Legislature urge Congress and the Nevada Congressional Delegation to enact legislation requiring the Secretary of the Interior to convey ownership of federal land located in Nevada from the Federal Government to Nevada to help fund education for the residents of Nevada and to put the education system of Nevada in parity with that of the other states in the United States; and be it further
RESOLVED, That the Secretary of the Senate prepare and transmit a copy of this resolution to the President of the United States, the Vice President of the United States as the presiding officer of the Senate, the Speaker of the House of Representatives and each member of the Nevada Congressional Delegation; and be it further
RESOLVED, That this resolution becomes effective upon passage.

Senator Horsford requested that his remarks be entered in the Journal.

Senate Bill No. 503, together with the General Appropriations Act, the school funding bill, and the capital improvement projects bill for the 2011-2013 biennium, constitute the major budget bills for the ongoing operation of state government for the next two fiscal years and reflect the culmination of a considerable amount of work by the Senate Committee on Finance and the Assembly Committee on Ways and Means.

Senate Bill No. 503 represents authority for agencies to collect and expend monies other than State General Funds and includes federal funds, gifts, grants, interagency transfers, service fees and other funds. The total authorized funding recommended for approval by the Legislature for ongoing operations is approximately $11.07 billion for the 2011-2013 biennium, which includes approximately $659 million in Highway Fund appropriations.

The Senate Committee on Finance and the Assembly Committee on Ways and Means met independently and jointly and made numerous changes to the Governor's recommended budget. The money committees worked diligently to mitigate the impact of budget reductions and to ensure essential services provided by the State remain intact.

This bill includes funding for elected officials. It includes funding for the Secretary of State, the State Office of Energy and the Judicial Branch. It includes funding for finance and administration including the Department of Administration. Under the Department of Education, funding for public schools was considered separately in the school funding bill, which is in the Assembly and will come later. That includes funding for basic support, class-size reduction, full-day kindergarten, teacher and administrator training and other programs. We will consider that bill later.

This bill includes the Nevada System of Higher Education. When closing the budgets of the Nevada System of Higher Education (NSHE), the money committees approved revenue from all sources totaling $1.4 billion for the 2011-2013 biennium. Of the total approved revenues, non-General Fund revenues total $456.6 million or 32.6 percent and include student registration fees, non-resident tuition, student application fees, federal revenues and operating capital investment income. Additionally, the money committees supported the NSHE's plan to annually generate an additional $43.3 million in non-General Fund revenues of which $21.3 million could
be generated through a potential 13 percent registration fee surcharge and $22.2 million generated through NSHE identified sources.

The money committees concurred with NSHE and the Governor to not use the traditional, three-year weighted average enrollment projection methodology for the 2011-2013 biennium and used the NSHE's FY 2011 preliminary actual enrollments of 69,023 student full-time equivalents (SFTE) as the basis for projecting FY 2012 and FY 2013 enrollments. Additionally, the money committees concurred with NSHE's and the Governor's recommendation and approved suspending the use of the funding formula for the calculation and distribution of available General Fund appropriations to the NSHE operating budgets.

This bill also includes funding for the commerce and industry area of the budget including the Department of Business and Industry. It includes funding for Human Services within the Director's Office, the Division of Aging and Disability Services, the Division of Health Care Financing and Policy, the Health Division, the State Health Division, the Division of Welfare and Supportive Services, the Division of Mental Health and Developmental Services, and the Division of Child and Family Services, all-inclusive.

This bill also includes funding for the Department of Employment, Training and Rehabilitation and the Department of Public Safety. The Infrastructure Budget includes funding for the Department of Conservation and Natural Resources and the Department of Transportation.

Special purpose agencies include funding for Public Employees' Benefits Program and the Office of Veterans' Services.

Senate Bill No. 504 provides for the implementation of the 2011 Capital Improvement Program as approved by the money committees. The bill includes funding in the amount of approximately $53.2 million. The program will be funded primarily through the issuance of $27.1 million in general obligation bonds. Senate Bill No. 504 also authorizes the utilization of $2.6 million in federal funds for projects for the Office of the Military and approximately $14.3 million in excess funding reallocated to the 2011 Capital Improvement Program from the State's Capital Improvement Programs approved in 2007 and 2009. Additionally, the bill appropriates $2.4 million in State Highway Funds for projects for the Department of Motor Vehicles and the Department of Administration.

Senate Bill No. 505, the Pay Bill, establishes the maximum allowable salaries for employees in the unclassified and classified-medical service. The bill requires that the salary of each employee in all Departments of State Government be reduced by 2.5 percent. The bill provides for 48 hours of unpaid furlough leave each year for full-time employees of all branches of State government. The bill holds employees subject to furloughs harmless in the accumulation of retirement service credit for time taken as furlough leave. The bill also provides an exception to the requirement of furlough leave for employees identified by their employing agency as critical in the protection of public health, safety, and welfare, with approval of the appropriate governing body. In lieu of furlough leave, these exempt employees will incur a 2.3 percent reduction in pay on top of what is required by all employees.
The bill makes appropriations from the General Fund and Highway Fund to provide for the difference in funding approved for the departments, commissions and agencies of the State and the actual salaries net of requirements for unpaid furlough leave.
The bill provides for the Department of Health and Human Services and the Department of Corrections to adopt a plan to authorize additional callback pay for unclassified medical positions and pharmacists to perform on-call responsibilities to ensure 24-hour coverage in psychiatric facilities. The bill also authorizes the Gaming Control Board to continue the credential pay plan, which provides up to $5,000 annually for unclassified Gaming employees who possess a current Nevada certified public accountant certificate, a license to practice law, or are in a qualifying position as electronic laboratory engineer and possess a Bachelor of Science or higher degree in engineering, electronic engineering, or computer science.
This act becomes effective on July 1, 2011.

SECOND READING AND AMENDMENT
Senate Bill No. 11.
Bill read second time.
The following amendment was proposed by the Committee on Finance:
Amendment No. 907.
"SUMMARY—[Revises the Nevada Plan for School Finance for funding school districts, charter schools and university schools for profoundly gifted pupils.] Directs the Legislative Commission to appoint a committee to conduct an interim study concerning the development of a new method for funding public schools. (BDR 34-304)"

"AN ACT relating to public school finance; [revising the Nevada Plan for School Finance for funding school districts, charter schools and university schools for profoundly gifted pupils to include the establishment of weighted values for certain categories of pupils; requiring the establishment of weighted values for certain smaller school districts and schools; revising the manner by which apportionments are calculated to add the applicable weighted values to the basic support guarantee per pupil; requiring the establishment of a separate basic support guarantee for certain schools that offer a program of distance education; removing the establishment of special education program units;] directing the Legislative Commission to appoint a committee to conduct an interim study concerning the development of a new method for funding public schools in this State; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law, the Nevada Plan for School Finance provides for the financial support of the school districts, charter schools and university schools for profoundly gifted pupils. The formula in the Nevada Plan is expressed as: State financial aid to school districts equals the difference between school district basic support guarantee and local available funds produced by mandatory taxes minus all the local funds attributable to pupils who reside in the county but attend a charter school or a university school for profoundly gifted pupils. (NRS 387.121) [Section 4 of this bill revises the manner in which the formula is expressed to include a weighted value for certain categories of pupils and for certain smaller school districts and schools and requires those weighted values to be added to the school district basic support guarantee per pupil.
Section 6 of this bill requires that in addition to the establishment of the basic support guarantee per pupil, the Legislature shall establish a weighted value for each of the following categories of pupils: (1) pupils with disabilities; (2) gifted and talented pupils; (3) pupils enrolled in career and technical education; (4) English language learners; (5) pupils who are eligible to receive free or reduced-price meals; (6) pupils who are homeless; (7) pupils who are transient; and (8) pupils who are in foster care. In addition, section 6 requires that weighted values be established for certain smaller school districts and schools. Section 6 also requires the Legislature to establish a separate basic support guarantee per pupil for certain schools which enroll pupils full-time and which offer at least 75 percent of the courses through a program of distance education. Section 6 further prescribes that the apportionments to the school districts, charter schools and university schools for profoundly gifted pupils must be determined by adding the basic support guarantee per pupil to the weighted values for the categories of pupils and multiplying that sum by the number of pupils reported in each category, plus any applicable weighted values for certain smaller schools and school districts.

Section 7 of this bill removes the establishment of special education program units for the funding of the provision of educational programs and services for pupils with disabilities and gifted and talented pupils.

Section 8 of this bill revises the count of pupils for apportionment purposes to include a disaggregated count of the categories of pupils identified in section 6.

Sections 2, 14 and 17 of this bill revise the information which must be included in the annual report of a charter school, school district and university school for profoundly gifted pupils to include the costs of providing programs of instruction to the categories of pupils identified in section 6, if the enrollment of the charter school, school district or university school for profoundly gifted pupil includes such pupils.

Section 19 of this bill requires the Department of Education to establish an advisory group to develop a formula for establishing weighted values and the manner in which the weighted values will be calculated for implementation beginning with the 2013-2014 school year. Section 22 of this bill directs the Legislative Commission to appoint a committee to conduct an interim study concerning the development of a new method for funding public schools in Nevada.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. [NRS 386.570 is hereby amended to read as follows:

386.570 1. Each pupil who is enrolled in a charter school, including, without limitation, a pupil who is enrolled in a program of special education in a charter school, must be included in the count of pupils in the school district for the purposes of apportionments and allowances from the State Distributive School Account pursuant to NRS 387.121 to 387.126, inclusive,
unless the pupil is exempt from compulsory attendance pursuant to NRS 392.070. A charter school is entitled to receive its proportionate share of any other money available from federal, state or local sources that the school or the pupils who are enrolled in the school are eligible to receive. If a charter school receives special education program units directly from this State, the amount of money for special education that the school district pays to the charter school may be reduced proportionately by the amount of money the charter school received from this State for that purpose.

2. All money received by the charter school from this State or from the board of trustees of a school district must be deposited in an account with a bank, credit union or other financial institution in this State. The governing body of a charter school may negotiate with the board of trustees of the school district and the State Board for additional money to pay for services which the governing body wishes to offer.

3. Upon completion of each school quarter, the sponsor of a charter school may request reimbursement from the governing body of the charter school for the administrative costs associated with sponsorship for that school quarter if the sponsor provided administrative services during that school quarter. The request must include an itemized list of those costs. Unless a delay is granted pursuant to subsection 9, upon receipt of such a request, the governing body shall pay the reimbursement to the board of trustees of the school district if the board of trustees sponsors the charter school, to the Department if the State Board sponsors the charter school or to the college or university within the Nevada System of Higher Education if that institution sponsors the charter school. If a governing body fails to pay the reimbursement pursuant to this subsection or pursuant to a plan approved by the Superintendent of Public Instruction in accordance with subsection 9, the charter school shall be deemed to have violated its written charter and the sponsor may take such action to revoke the written charter pursuant to NRS 386.535 as it deems necessary. If the board of trustees of a school district is the sponsor of a charter school, the amount of money that may be paid to the sponsor pursuant to this subsection for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

(b) For any year after the first year of operation of the charter school, 1 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

4. If the State Board or a college or university within the Nevada System of Higher Education is the sponsor of a charter school, the amount of money that may be paid to the Department or to the institution, as applicable,
pursuant to subsection 3 for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

(b) For any year after the first year of operation of the charter school, 1.5 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

5. To determine the amount of money for distribution to a charter school in its first year of operation, the count of pupils who are enrolled in the charter school must initially be determined 30 days before the beginning of the school year of the school district, based on the number of pupils whose applications for enrollment have been approved by the charter school. The count of pupils who are enrolled in the charter school must be revised on the last day of the first school month of the school district in which the charter school is located for the school year, based on the actual number of pupils who are enrolled in the charter school. Pursuant to subsection 5 of NRS 387.124, the governing body of a charter school may request that the apportionments made to the charter school in its first year of operation be paid to the charter school 30 days before the apportionments are otherwise required to be made.

6. If a charter school ceases to operate as a charter school during a school year, the remaining apportionments that would have been made to the charter school pursuant to NRS 387.124 for that year must be paid on a proportionate basis to the school districts where the pupils who were enrolled in the charter school reside.

7. The governing body of a charter school may solicit and accept donations, money, grants, property, loans, personal services or other assistance for purposes relating to education from members of the general public, corporations or agencies. The governing body may comply with applicable federal laws and regulations governing the provision of federal grants for charter schools. The State Board may assist a charter school that operates exclusively for the enrollment of pupils who receive special education in identifying sources of money that may be available from the Federal Government or this State for the provision of educational programs and services to such pupils.

8. If a charter school uses money received from this State to purchase real property, buildings, equipment or facilities, the governing body of the charter school shall assign a security interest in the property, buildings, equipment and facilities to the State of Nevada.

9. The governing body of a charter school may submit to the Superintendent of Public Instruction a written request to delay a quarterly payment of a reimbursement for the administrative costs that a charter school
owes pursuant to this section. The written request must be in the form prescribed by the Superintendent and must include, without limitation, documentation that a financial hardship exists for the charter school and a plan for the payment of the reimbursement. The Superintendent may approve or deny the request and shall notify the governing body and the sponsor of the charter school of the approval or denial of the request. (Deleted by amendment.)

Sec. 2. [NRS 386.600 is hereby amended to read as follows:

386.600 1. On or before November 15 of each year, the governing body of each charter school shall submit to the sponsor of the charter school, the Superintendent of Public Instruction and the Director of the Legislative Counsel Bureau for transmission to the Majority Leader of the Senate and the Speaker of the Assembly a report that includes:

(a) A written description of the progress of the charter school in achieving the mission and goals of the charter school set forth in its application.

(b) For each fund maintained by the charter school, including, without limitation, the general fund of the charter school and any special revenue fund which receives state money, the total number and salaries of licensed and nonlicensed persons whose salaries are paid from the fund and who are employed by the governing body in full-time positions or in part-time positions added together to represent full-time positions. Information must be provided for the current school year based upon the final budget of the charter school, including any amendments and augmentations thereto, and for the preceding school year. An employee must be categorized as filling an instructional, administrative, instructional support or other position.

(c) The actual expenditures of the charter school in the fiscal year immediately preceding the report.

(d) The proposed expenditures of the charter school for the current fiscal year.

(e) The salary schedule for licensed employees and nonlicensed teachers in the current school year and a statement of whether salary negotiations for the current school year have been completed. If salary negotiations have not been completed at the time the salary schedule is submitted, the governing body shall submit a supplemental report to the Superintendent of Public Instruction upon completion of negotiations.

(f) The number of employees eligible for health insurance within the charter school for the current and preceding fiscal years and the amount paid for health insurance for each such employee during those years.

(g) The rates for fringe benefits, excluding health insurance, paid by the charter school for its licensed employees in the preceding and current fiscal years.

(h) The amount paid for extra duties, supervision of extracurricular activities and supplemental pay and the number of employees receiving that pay in the preceding and current fiscal years.
(i) If the enrollment of the charter school includes pupils from one or more categories identified in subsection 1 of NRS 387.122, the costs of the charter school to provide programs of instruction for each such category of pupils.

2. On or before November 25 of each year, the Superintendent of Public Instruction shall submit to the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau, in a format approved by the Director of the Department of Administration, a compilation of the reports made by each governing body pursuant to subsection 1.

3. The Superintendent of Public Instruction shall, in the compilation required by subsection 2, reconcile the revenues and expenditures of the charter schools with the apportionment received by those schools from the State Distributive School Account for the preceding year.

Sec. 3. [NRS 387.047 is hereby amended to read as follows:

387.047 1. Except as otherwise provided in this section, each school district and charter school shall separately account for all money received for the instruction of and the provision of related services to pupils with disabilities, gifted and talented pupils and pupils who receive early intervening services described by NRS 388.520.

2. The separate accounting must include:
   (a) The amount of money provided to the school district or charter school for pupils enrolled in special education;
   (b) Transfers of money from the general fund of the school district or charter school needed to balance the special revenue fund;
   (c) The cost of:
      (1) Instruction provided by licensed special education teachers and supporting staff;
      (2) Related services, including, but not limited to, services provided by psychologists, therapists and health-related personnel;
      (3) Transportation of the pupils with disabilities and gifted and talented pupils to and from school;
      (4) The direct supervision of educational and supporting programs; and
      (5) The supplies and equipment needed for providing special education;
   (d) The amount of money, if any, expended by the school district or charter school for early intervening services provided pursuant to subsection 2 of NRS 388.450.

3. Money received from federal sources must be:
   (a) Accounted for separately; and
   (b) Excluded from the accounting required pursuant to this section.

(Deleted by amendment.)

Sec. 4. [NRS 387.121 is hereby amended to read as follows:

387.121 The Legislature declares that the proper objective of state financial aid to public education is to ensure each Nevada child a reasonably
equal educational opportunity. Recognizing wide local variations in wealth and costs per pupil, this State should supplement local financial ability to whatever extent necessary in each school district to provide programs of instruction in both compulsory and elective subjects that offer full opportunity for every Nevada child to receive the benefit of the purposes for which public schools are maintained. The Legislature further declares that the cost of providing instruction to the categories of pupils identified in subsection 4 of NRS 387.122 is dependent upon the educational services that are required to address the specific needs of those pupils. Therefore, the quintessence of the State's financial obligation for such programs can be expressed in a formula partially on a per pupil basis, partially on weighted values and partially on a per program basis as: State financial aid to school districts equals the difference between school district basic support guarantee plus the weighted values established pursuant to subsection 4 of NRS 387.122 and any applicable weighted value established pursuant to subsection 5 of NRS 387.122, and local available funds produced by mandatory taxes minus all the local funds attributable to pupils who reside in the county but attend a charter school or a university school for profoundly gifted pupils. This formula is designated the Nevada Plan. (Deleted by amendment.)

Sec. 5. NRS 387.1211 is hereby amended to read as follows:

387.1211 As used in NRS 387.121 to 387.126, inclusive:
1. "Average daily attendance" means the total number of pupils attending a particular school each day during a period of reporting divided by the number of days school is in session during that period.
2. "Enrollment" means the count of pupils enrolled in and scheduled to attend programs of instruction of a school district, charter school or university school for profoundly gifted pupils at a specified time during the school year.
3. "Special education program unit" means an organized unit of special education and related services which includes full-time services of persons licensed by the Superintendent of Public Instruction or other appropriate licensing body, providing a program of instruction in accordance with minimum standards prescribed by the State Board. "Weighted value" means the dollar amount established by law for the costs, above basic support, of providing programs of instruction for each category of pupils identified in subsection 4 of NRS 387.122 and for certain smaller school districts or smaller schools as described in subsection 5 of NRS 387.122. (Deleted by amendment.)

Sec. 6. NRS 387.122 is hereby amended to read as follows:

387.122 For making the apportionments of the State Distributive School Account in the State General Fund required by the provisions of this title, the basic support guarantee per pupil for each school district and the weighted value for
each category of pupils identified in subsection 4 and the weighted values pursuant to subsection 5 are established by law for each school year.

2. The Legislature shall establish a separate basic support guarantee per pupil by law for each school year for pupils who are enrolled full-time in a school which offers at least 75 percent of its courses through a program of distance education pursuant to NRS 388.820 to 388.874, inclusive, and which does not require the pupils enrolled in the school to be physically in attendance at the school to meet with a teacher at least once per week.

3. The apportionment to a school district must be determined by adding the basic support guarantee per pupil to the weighted value for each category of pupils identified in subsection 4 that are enrolled in the school district and multiplying that sum by the number of pupils reported in each such category, plus any applicable weighted values established pursuant to subsection 5. The apportionment to a charter school or university school for profoundly gifted pupils must be determined by adding the basic support guarantee per pupil to the weighted value for each category of pupils identified in subsection 4 that are enrolled in the charter school or university school and multiplying that sum by the number of pupils reported in each such category. A pupil must not be reported in more than one category regardless of whether the status of the pupil qualifies him or her for more than one category.

4. A weighted value must be established by law for each school year for each of the following categories:
   (a) Pupils with disabilities;
   (b) Gifted and talented pupils;
   (c) Pupils enrolled in career and technical education;
   (d) English language learners;
   (e) Pupils who are eligible to receive free or reduced-priced meals;
   (f) Pupils who are homeless;
   (g) Pupils who are transient; and
   (h) Pupils in foster care.

5. In addition to the weighted values established pursuant to subsection 4, a weighted value must be established by law for each school year for:
   (a) A school district with an enrollment of 10,000 or fewer pupils.
   (b) A school with an enrollment of 200 or fewer pupils if the school is part of a school district with an enrollment of more than 10,000 pupils.

6. A school district, charter school or university school for profoundly gifted pupils shall designate the category in which a pupil is reported if the status of the pupil qualifies him or her for more than one category. (Deleted by amendment.)

Sec. 7. [NRS 387.1221 is hereby amended to read as follows:]

387.1221 1. The basic support guarantee for any special education program unit maintained and operated during a period of less than 9 school months is in the same proportion to the amount established by law for that
school year as the period during which the program unit actually was maintained and operated is to 9 school months.

2. Any unused allocations for special education program units may be reallocated to other school districts, charter schools or university schools for profoundly gifted pupils by the Superintendent of Public Instruction. In such a reallocation, first priority must be given to special education programs with statewide implications, and second priority must be given to special education programs maintained and operated within counties whose allocation is less than or equal to the amount provided by law. If there are more unused allocations than necessary to cover programs of first and second priority but not enough to cover all remaining special education programs eligible for payment from reallocations, then payment for the remaining programs must be prorated. If there are more unused allocations than necessary to cover programs of first priority but not enough to cover all programs of second priority, then payment for programs of second priority must be prorated. If unused allocations are not enough to cover all programs of first priority, then payment for programs of first priority must be prorated.

3. A school district, a charter school or a university school for profoundly gifted pupils may, after receiving the approval of the Superintendent of Public Instruction, contract with any person, state agency or legal entity to provide a special education program unit for pupils of the district pursuant to NRS 388.440 to 388.520, inclusive.

4. A school district in a county whose population is less than 400,000, a charter school or a university school for profoundly gifted pupils that receives an allocation for special education program units apportionment which includes a weighted value for the provision of special education to pupils with disabilities may use not more than 15 percent of its apportionment which represents that category of pupils to provide early intervening services. (Deleted by amendment.)

Sec. 8. NRS 387.123 is hereby amended to read as follows:

387.123 1. The count of pupils for apportionment purposes includes all pupils who are enrolled in programs of instruction of the school district, including, without limitation, a program of distance education provided by the school district, pupils who reside in the county in which the school district is located and are enrolled in any charter school, including, without limitation, a program of distance education provided by a charter school, and pupils who are enrolled in a university school for profoundly gifted pupils located in the county, for:

(a) Pupils in the kindergarten department.
(b) Pupils in grades 1 to 12, inclusive, reported in the aggregate and disaggregated by each of the following categories:
   (1) Pupils with disabilities,
   (2) Gifted and talented pupils,
   (3) Pupils enrolled in career and technical education,
   (4) English language learners.
(5) Pupils who are eligible to receive free or reduced-priced meals.

(c) Pupils not included under paragraph (a) or (b) who are receiving special education pursuant to the provisions of NRS 388.440 to 388.520, inclusive.
(d) Pupils who reside in the county and are enrolled part-time in a program of distance education provided pursuant to NRS 388.820 to 388.874, inclusive.
(e) Children detained in facilities for the detention of children, alternative programs and juvenile forestry camps receiving instruction pursuant to the provisions of NRS 388.550, 388.560 and 388.570.
(f) Pupils who are enrolled in classes pursuant to subsection 4 of NRS 386.560 and pupils who are enrolled in classes pursuant to subsection 5 of NRS 386.580.
(g) Pupils who are enrolled in classes pursuant to subsection 3 of NRS 392.070.
(h) Pupils who are enrolled in classes and taking courses necessary to receive a high school diploma, excluding those pupils who are included in paragraphs (d), (f) and (g).

2. The State Board shall establish uniform regulations for counting enrollment and calculating the average daily attendance of pupils. In establishing such regulations for the public schools, the State Board:
   (a) Shall divide the school year into 10 school months, each containing 20 or fewer school days, or its equivalent for those public schools operating under an alternative schedule authorized pursuant to NRS 388.090.
   (b) May divide the pupils in grades 1 to 12, inclusive, into categories composed respectively of those enrolled in elementary schools and those enrolled in secondary schools.
   (c) Shall prohibit the counting of any pupil specified in subsection 1 more than once.

3. Except as otherwise provided in subsection 4 and NRS 388.700, the State Board shall establish by regulation the maximum pupil-teacher ratio in each grade, and for each subject matter wherever different subjects are taught in separate classes, for each school district of this State which is consistent with:
   (a) The maintenance of an acceptable standard of instruction;
   (b) The conditions prevailing in the school district with respect to the number and distribution of pupils in each grade; and
   (c) Methods of instruction used, which may include educational television, team teaching or new teaching systems or techniques.
   ➡️ If the Superintendent of Public Instruction finds that any school district is maintaining one or more classes whose pupil-teacher ratio exceeds the applicable maximum, and unless the Superintendent finds that the board of
trustees of the school district has made every reasonable effort in good faith to comply with the applicable standard, the Superintendent shall, with the approval of the State Board, reduce the count of pupils for apportionment purposes by the percentage which the number of pupils attending those classes is of the total number of pupils in the district, and the State Board may direct the Superintendent to withhold the quarterly apportionment entirely.

4. The provisions of subsection 3 do not apply to a charter school, a university school for profoundly gifted pupils or a program of distance education provided pursuant to NRS 388.820 to 388.874, inclusive.

(Deleted by amendment.)

Sec. 9. [NRS 387.1233 is hereby amended to read as follows:

387.1233 1. Except as otherwise provided in subsection 2 of this section, basic support of each school district must be computed by:

(a) Multiplying the basic support guarantee per pupil established for that school district for that school year pursuant to subsection 1 of NRS 387.122 by the sum of:

1. Six-tenths the count of pupils enrolled in the kindergarten department on the last day of the first school month of the school district for the school year, including, without limitation, the count of pupils who reside in the county and are enrolled in any charter school on the last day of the first school month of the school district for the school year.

2. The count of pupils enrolled in grades 1 to 12, inclusive, on the last day of the first school month of the school district for the school year, including, without limitation, the count of pupils who reside in the county and are enrolled in any charter school on the last day of the first school month of the school district for the school year and the count of pupils who are enrolled in a university school for profoundly gifted pupils located in the county.

(c) Except for a program of distance education for which a separate basic support guarantee per pupil is established pursuant to subsection 2 of NRS 387.122, the count of pupils not included under subparagraph (1) or (2) who are enrolled full-time in a program of distance education provided by that school district or a charter school located within that school district on the last day of the first school month of the school district for the school year.

(d) The count of pupils who reside in the county and are enrolled:

(I) In a public school of the school district and are concurrently enrolled part-time in a program of distance education provided by another school district or a charter school on the last day of the first school month of the school district for the school year, expressed as a percentage of the total time services are provided to those pupils per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to subparagraph (2).

(II) Paragraph (b).}
In a charter school and are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school on the last day of the first school month of the school district for the school year, expressed as a percentage of the total time services are provided to those pupils per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to [paragraph (2)].

The count of pupils not included under [paragraph (1), (2), (3) or (4)] paragraph (a), (b), (c) or (d), who are receiving special education pursuant to the provisions of NRS 388.440 to 388.520, inclusive, on the last day of the first school month of the school district for the school year, excluding the count of pupils who have not attained the age of 5 years and who are receiving special education pursuant to subsection 1 of NRS 388.490 on that day.

Six-tenths the count of pupils who have not attained the age of 5 years and who are receiving special education pursuant to subsection 1 of NRS 388.490 on the last day of the first school month of the school district for the school year.

The count of children detained in facilities for the detention of children, alternative programs and juvenile forestry camps receiving instruction pursuant to the provisions of NRS 388.550, 388.560 and 388.570 on the last day of the first school month of the school district for the school year.

The count of pupils who are enrolled in classes for at least one semester pursuant to subsection 4 of NRS 386.560, subsection 5 of NRS 386.580 or subsection 3 of NRS 392.070, expressed as a percentage of the total time services are provided to those pupils per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to [paragraph (2)].

(b) Multiplying the number of special education program units maintained and operated by the amount per program established for that school year.

c) Adding the amounts computed in paragraphs (a) and (b).

2. If a school enrolls pupils full-time and offers at least 75 percent of its courses through a program of distance education and the school does not require the pupils to be physically in attendance at the school to meet with a teacher at least once per week, the basic support for that school must be computed by multiplying the basic support guarantee per pupil established pursuant to subsection 2 of NRS 387.122 by the count of pupils enrolled in the program of distance education.

If the enrollment of pupils in a school district or a charter school that is located within the school district on the last day of the first school month of the school district for the school year is less than or equal to 95 percent of the enrollment of pupils in the same school district or charter school on the
last day of the first school month of the school district for the immediately preceding school year, the largest number from among the immediately preceding 2 school years must be used for purposes of apportioning money from the State Distributive School Account to that school district or charter school pursuant to NRS 387.124.

If the enrollment of pupils in a school district or a charter school that is located within the school district on the last day of the first school month of the school district for the school year is more than 95 percent of the enrollment of pupils in the same school district or charter school on the last day of the first school month of the school district for the immediately preceding school year, the larger enrollment number from the current year or the immediately preceding school year must be used for purposes of apportioning money from the State Distributive School Account to that school district or charter school pursuant to NRS 387.124.

Pupils who are excused from attendance at examinations or have completed their work in accordance with the rules of the board of trustees must be credited with attendance during that period.

Pupils who are incarcerated in a facility or institution operated by the Department of Corrections must not be counted for the purpose of computing basic support pursuant to this section. The average daily attendance for such pupils must be reported to the Department of Education.

Pupils who are enrolled in courses which are approved by the Department as meeting the requirements for an adult to earn a high school diploma must not be counted for the purpose of computing basic support pursuant to this section. (Deleted by amendment.)

Sec. 10. [NRS 387.124 is hereby amended to read as follows:

387.124 Except as otherwise provided in this section and NRS 387.528:

1. On or before August 1, November 1, February 1 and May 1 of each year, the Superintendent of Public Instruction shall apportion the State Distributive School Account in the State General Fund among the several county school districts, charter schools and university schools for profoundly gifted pupils in amounts approximating one-fourth of their respective yearly apportionments less any amount set aside as a reserve. The apportionment to a school district, computed on a yearly basis, equals the difference between the basic support per pupil established pursuant to NRS 387.122, including the basic support per pupil established pursuant to subsection 2 of NRS 387.122, if applicable, plus the weighted values established pursuant to subsections 4 and 5 of NRS 387.122 applicable for that school district, and the local funds available pursuant to NRS 387.1235, minus all the funds attributable to pupils who reside in the county but attend a charter school, all the funds attributable to pupils who reside in the county and are enrolled full-time or part-time in a program of distance education provided by another school district or a charter school and all the funds attributable to pupils who are enrolled in a university school for profoundly gifted pupils located in the
county. No apportionment may be made to a school district if the amount of the local funds exceeds the amount of basic support.

2. Except as otherwise provided in subsection 3, the apportionment to a charter school, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides or, if applicable, the basic support per pupil established pursuant to subsection 2 of NRS 387.122, plus the weighted values established pursuant to subsection 4 of NRS 387.122 applicable for that charter school and plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides minus all the funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school. If the apportionment per pupil to a charter school is more than the amount to be apportioned to the school district in which a pupil who is enrolled in the charter school resides, the school district in which the pupil resides shall pay the difference directly to the charter school.

3. The apportionment to a charter school that is sponsored by the State Board or by a college or university within the Nevada System of Higher Education, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides or, if applicable, the basic support per pupil established pursuant to subsection 2 of NRS 387.122, plus the weighted values established pursuant to subsection 4 of NRS 387.122 applicable for that charter school and plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides, minus all funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school.

4. In addition to the apportionments made pursuant to this section, an apportionment must be made to a school district or charter school that provides a program of distance education for each pupil who is enrolled part-time in the program. The amount of the apportionment must be equal to the percentage of the total time services are provided to the pupil through the program of distance education per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to subparagraph (2) of paragraph (a) of subsection 1 of NRS 387.1233 for the school district in which the pupil resides.

5. The governing body of a charter school may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the charter school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A
charter school may receive all four apportionments in advance in its first year of operation.

6. The apportionment to a university school for profoundly gifted pupils, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the university school is located, or if applicable, the basic support per pupil established pursuant to subsection 2 of NRS 387.122, plus the weighted values established pursuant to subsection 4 of NRS 387.122 applicable for that university school and plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the university school is located. If the apportionment per pupil to a university school for profoundly gifted pupils is more than the amount to be apportioned to the school district in which the university school is located, the school district shall pay the difference directly to the university school. The governing body of a university school for profoundly gifted pupils may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the university school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A university school for profoundly gifted pupils may receive all four apportionments in advance in its first year of operation.

7. The Superintendent of Public Instruction shall apportion, on or before August 1 of each year, the money designated as the "Nutrition State Match" pursuant to NRS 387.105 to those school districts that participate in the National School Lunch Program, 42 U.S.C. §§ 1751 et seq. The apportionment to a school district must be directly related to the district's reimbursements for the Program as compared with the total amount of reimbursements for all school districts in this State that participate in the Program.

8. If the State Controller finds that such an action is needed to maintain the balance in the State General Fund at a level sufficient to pay the other appropriations from it, the State Controller may pay out the apportionments monthly, each approximately one-twelfth of the yearly apportionment less any amount set aside as a reserve. If such action is needed, the State Controller shall submit a report to the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau documenting reasons for the action. [Deleted by amendment.]

Sec. 11. [NRS 387.1243 is hereby amended to read as follows:

387.1243  1. The first apportionment based on an estimated number of pupils and special education program units and succeeding apportionments are subject to adjustment from time to time as the need therefor may appear.

2. The apportionments to a school district may be adjusted during a fiscal year by the Department of Education, upon approval by the State Board of Examiners and the Interim Finance Committee, if the Department of
Taxation and the county assessor in the county in which the school district is located certify to the Department of Education that the school district will not receive the tax levied pursuant to subsection 1 of NRS 387.195 on property of the Federal Government located within the county if:

(a) The leasehold interest, possessory interest, beneficial interest or beneficial use of the property is subject to taxation pursuant to NRS 361.157 and 361.159 and one or more lessees or users of the property are delinquent in paying the tax; and

(b) The total amount of tax owed but not paid for the fiscal year by any such lessees and users is at least 5 percent of the proceeds that the school district would have received from the tax levied pursuant to subsection 1 of NRS 387.195.

If a lessee or user pays the tax owed after the school district's apportionment has been increased in accordance with the provisions of this subsection to compensate for the tax owed, the school district shall repay to the State Distributive School Account in the State General Fund an amount equal to the tax received from the lessee or user for the year in which the school district received an increased apportionment, not to exceed the increase in apportionments made to the school district pursuant to this subsection.

3. On or before August 1 of each year, the board of trustees of a school district shall provide to the Department, in a format prescribed by the Department, the count of pupils calculated pursuant to paragraph (b) of subsection 1 of NRS 387.123 who completed at least one semester during the immediately preceding school year. The count of pupils submitted to the Department must be included in the final adjustment computed pursuant to subsection 4.

4. A final adjustment for each school district, charter school and university school for profoundly gifted pupils must be computed as soon as practicable following the close of the school year, but not later than August 25. The final computation must be based upon the actual counts of pupils required to be made for the computation of basic support and the limits upon the support of special education programs, except that for any year when the total enrollment of pupils and children in a school district, a charter school located within the school district or a university school for profoundly gifted pupils located within the school district described in paragraphs (a), (b), (c) and (e) of subsection 1 of NRS 387.123 is greater on the last day of any school month of the school district after the second school month of the school district and the increase in enrollment shows at least:

(a) A 3-percent gain, basic support as computed from first-month enrollment for the school district, charter school or university school for profoundly gifted pupils must be increased by 2 percent.

(b) A 6-percent gain, basic support as computed from first-month enrollment for the school district, charter school or university school for profoundly gifted pupils must be increased by an additional 2 percent.
5. If the final computation of apportionment for any school district, charter school or university school for profoundly gifted pupils exceeds the actual amount paid to the school district, charter school or university school for profoundly gifted pupils during the school year, the additional amount due must be paid before September 1. If the final computation of apportionment for any school district, charter school or university school for profoundly gifted pupils is less than the actual amount paid to the school district, charter school or university school for profoundly gifted pupils during the school year, the difference must be repaid to the State Distributive School Account in the State General Fund by the school district, charter school or university school for profoundly gifted pupils before September 25.\textbf{(Deleted by amendment.)}

\textbf{Sec. 12.  }[NRS 387.206 is hereby amended to read as follows:]

\begin{enumerate}
\item On or before July 1 of each year, the Department, in consultation with the Budget Division of the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau, shall determine the combined minimum amount of money required to be expended during that fiscal year for textbooks, instructional supplies, instructional software and instructional hardware by all school districts, charter schools and university schools for profoundly gifted pupils. The amount must be determined by increasing the amount that was established for the Fiscal Year 2004-2005 by the percentage of the change in enrollment between Fiscal Year 2004-2005 and the fiscal year for which the amount is being established, plus any inflationary adjustment approved by the Legislature after Fiscal Year 2004-2005.

\item The Department, in consultation with the Budget Division of the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau, shall develop or revise, as applicable, a formula for determining the minimum amount of money that each school district, charter school and university school for profoundly gifted pupils is required to expend each fiscal year for textbooks, instructional supplies, instructional software and instructional hardware. The sum of all of the minimum amounts determined pursuant to this subsection must be equal to the combined minimum amount determined pursuant to subsection 1. The formula must be used only to develop expenditure requirements and must not be used to alter the distribution of money for basic support and the weighted values established pursuant to NRS 387.122 to school districts, charter schools or university schools for profoundly gifted pupils.

\item Upon approval of the formula pursuant to subsection 2, the Department shall provide written notice to each school district, charter school and university school for profoundly gifted pupils within the first 30 days of each fiscal year that sets forth the required minimum combined amount of money that the school district, charter school and university school for profoundly gifted pupils must expend for textbooks, instructional supplies, instructional software and instructional hardware for that fiscal year. If a
school district, charter school or university school for profoundly gifted pupils is granted a waiver pursuant to NRS 387.2065, the Department shall provide written notice to the school district, charter school or university school within 30 days after the Interim Finance Committee grants the waiver setting forth the revised amount of money that the school district, charter school or university school must expend for textbooks, instructional supplies, instructional software and instructional hardware for the fiscal year.

4. On or before January 1 of each year, the Department shall determine whether each school district, charter school and university school for profoundly gifted pupils has expended, during the immediately preceding fiscal year, the required minimum amount of money set forth in the notice or the revised notice, as applicable, provided pursuant to subsection 3. In making this determination, the Department shall use the report submitted by:
   (a) The school district pursuant to NRS 387.303.
   (b) The charter school pursuant to NRS 386.600.
   (c) The university school for profoundly gifted pupils pursuant to NRS 392A.073.

5. Except as otherwise provided in subsection 6, if the Department determines that a school district, charter school or university school for profoundly gifted pupils, as applicable, has not expended the required minimum amount of money set forth in the notice or the revised notice, as applicable, provided pursuant to subsection 3, a reduction must be made from the basic support and weighted value allocation otherwise payable to that school district, charter school or university school for profoundly gifted pupils, as applicable, in an amount that is equal to the difference between the actual combined expenditure for textbooks, instructional supplies, instructional software and instructional hardware and the minimum required combined expenditure set forth in the notice or the revised notice, as applicable, provided pursuant to subsection 3. A reduction in the amount of the basic support and weighted value allocation pursuant to this subsection:
   (a) Does not reduce the amount that the school district, charter school or university school for profoundly gifted pupils, as applicable, is required to expend on textbooks, instructional supplies, instructional software and instructional hardware in the current fiscal year; and
   (b) Must not exceed the amount of basic support and the amount for the weighted values that was provided to the school district, charter school or university school for profoundly gifted pupils, as applicable, for the fiscal year in which the minimum expenditure amount was not satisfied.

6. If the actual enrollment of pupils in a school district, charter school or university school for profoundly gifted pupils is less than the enrollment included in the projections used in the biennial budget of the school district submitted pursuant to NRS 387.303, the budget of the charter school submitted pursuant to NRS 386.600 or the report of the university school for profoundly gifted pupils submitted pursuant to NRS 392A.073, as applicable, the required expenditure for textbooks, instructional supplies, instructional
software and instructional hardware pursuant to this section must be reduced proportionately. [Deleted by amendment.]

Sec. 13. [NRS 387.2065 is hereby amended to read as follows:

387.2065 1. The board of trustees of a school district, the governing body of a charter school or the governing body of a university school for profoundly gifted pupils that experiences an economic hardship may submit a written request to the Department on a form prescribed by the Department for a waiver of all or a portion of the amount of money the school district, charter school or university school is required to expend for textbooks, instructional supplies, instructional software and instructional hardware pursuant to NRS 387.206 for the fiscal year.

2. Upon receipt of a written request pursuant to subsection 1, the Department shall consider the request and determine whether an economic hardship exists for the school district, charter school or university school for profoundly gifted pupils. The Department may request additional information from the applicant in making the determination. If the Department determines that an economic hardship exists for the applicant, the Department shall forward the request to the Interim Finance Committee and the State Board of Examiners, including the basis for its determination and any recommendations of the Department for the amount of a waiver.

3. Upon receipt of a written request from the Department pursuant to subsection 2, the State Board of Examiners shall consider the request and determine whether an economic hardship exists for the school district, charter school or university school for profoundly gifted pupils. If the State Board of Examiners determines that an economic hardship exists, it shall determine whether the hardship justifies a waiver of all or a portion of the expenditure requirements established for that school district, charter school or university school for the fiscal year pursuant to NRS 387.206. The State Board of Examiners may request additional information from the applicant in making the determination. If the State Board of Examiners determines that an economic hardship exists for the applicant and that a waiver from all or a portion of the expenditure requirements is justified, the State Board of Examiners shall forward the request to the Interim Finance Committee, including the basis for its determination and its recommendation for the amount of the waiver. The Interim Finance Committee is not bound to follow the recommendations of the State Board of Examiners.

4. Upon receipt of a written request from the State Board of Examiners pursuant to subsection 3, the Interim Finance Committee shall consider the request and determine whether an economic hardship exists for the school district, charter school or university school for profoundly gifted pupils. If the Interim Finance Committee determines that an economic hardship exists, it shall determine whether the hardship justifies a waiver of all or a portion of the expenditure requirements established for that school district, charter school or university school for the fiscal year pursuant to NRS 387.206. The Interim Finance Committee may request additional information from the
applicant in making the determination. If the Interim Finance Committee grants a waiver, the Committee shall by resolution set forth the:

(a) Grounds for its determination;
(b) Amount of the waiver; and
(c) Period for which the waiver is effective.

5. The board of trustees of a school district, the governing body of a charter school or the governing body of a university school for profoundly gifted pupils that is granted a waiver by the Interim Finance Committee pursuant to this section shall, upon expiration of the period for which the waiver is granted, provide a written accounting to the Interim Finance Committee and the Department that includes a:

(a) Reconciliation of the revenue and expenditures with the projections of revenue and expenditures that were used to determine whether an economic hardship existed for the school district, charter school or university school; and

(b) Description of how the money from the waiver was used.

6. If the Interim Finance Committee grants a waiver pursuant to this section and subsequently the economic hardship to the school district, charter school or university school for profoundly gifted pupils is mitigated because the actual revenue attributable to the school district, charter school or university school exceeds projections or the actual expenses incurred by the school district, charter school or university school are less than anticipated:

(a) The amount of the waiver must be reduced accordingly by the school district, charter school or university school; and

(b) The amount of money the school district, charter school or university school is required to expend for textbooks, instructional supplies, instructional software and instructional hardware in the next fiscal year, as determined pursuant to subsection 1 of NRS 387.206, must be adjusted accordingly.

7. If a school district, charter school or university school for profoundly gifted pupils is granted a waiver pursuant to this section, the money that would have otherwise been expended by the school district, charter school or university school for profoundly gifted pupils to meet the requirements of NRS 387.206 for the fiscal year:

(a) May not be considered as financial ability to pay for the purposes of negotiation or arbitration regarding salaries and benefits.

(b) Must not be used to settle or arbitrate disputes or negotiate settlements between an organization that represents licensed employees of the school district, charter school or university school and the school district, charter school or university school.

(c) Must not be used to adjust the schedules of salaries and benefits of the employees of the school district, charter school or university school.

8. For purposes of this section, an economic hardship exists for a school district, charter school or university school for profoundly gifted pupils if:
(a) Projections of revenue do not meet or exceed the revenue anticipated at the time the basic support guarantees and the weighted values are established for the fiscal year pursuant to NRS 387.122; or
(b) The school district, charter school or university school for profoundly gifted pupils incurs unforeseen expenses, including, without limitation, expenses related to a natural disaster.] *(Deleted by amendment.)*

(f) The number of employees eligible for health insurance within the school district for the current and preceding fiscal years and the amount paid for health insurance for each such employee during those years.
(g) The rates for fringe benefits, excluding health insurance, paid by the school district for its licensed employees in the preceding and current fiscal years.

(h) The amount paid for extra duties, supervision of extracurricular activities and supplemental pay and the number of employees receiving that pay in the preceding and current fiscal years.

3. In preparing the agency biennial budget request for the State Distributive School Account for submission to the Department of Administration, the Superintendent of Public Instruction:

   (a) Shall compile the information from the most recent compilation of reports submitted pursuant to subsection 2;

   (b) May increase the line items of expenditures or revenues based on merit salary increases and cost of living adjustments or inflation, as deemed credible and reliable based upon published indexes and research relevant to the specific line item of expenditure or revenue;

   (d) May consider the cost of enhancements to existing programs or the projected cost of proposed new educational programs, regardless of whether those enhancements or new programs are included in the per pupil basic support guarantee or the weighted values established for the categories of pupils identified in NRS 387.122 for inclusion in the biennial budget request to the Department of Administration; and

   (e) Shall obtain approval from the State Board for any inflationary increase, enhancement to an existing program or addition of a new program included in the agency biennial budget request.

4. The Superintendent of Public Instruction shall, in the compilation required by subsection 2, reconcile the revenues of the school districts with the apportionment received by those districts from the State Distributive School Account for the preceding year.

Sec. 15. [NRS 388.450 is hereby amended to read as follows:

388.450  1. The Legislature declares that the basic support guarantee for each special education program unit established by law for each school year establishes financial resources sufficient to ensure a reasonably equal educational opportunity to pupils with disabilities and gifted and talented pupils residing in Nevada.

2. Subject to the provisions of NRS 388.440 to 388.520, inclusive, the board of trustees of each school district shall make such special provisions as may be necessary for the education of pupils with disabilities and gifted and talented pupils.

3. The board of trustees of a school district in a county whose population is less than 400,000 may provide early intervening services.  Sec. 21. The Legislature hereby finds and declares that:

   2. By considering and adopting the Nevada Plan, the Legislature recognized that changing circumstances and changes in the student population in this State would necessitate changes to the Nevada Plan;
   3. In 2011, this State and its public schools face remarkably different conditions than in 1967;
   4. Nevada is home to both one of the largest school districts in the nation and one of the smallest school districts in the nation;
   5. The educational needs and demographic characteristics of students in the public schools vary widely and disparate impacts affect the ability of each student to have a quality education;
   6. The fundamental purpose of this State’s public education system is to ensure an equal opportunity for each student to have a quality education;
   7. The needs and characteristics of each student have a direct influence on the ability of that student to take advantage of an opportunity for a quality education;
   8. Recent education reforms, including the adoption of common core standards, the advancement of empowerment schools and charter schools, the creation of the Teachers and Leaders Council of Nevada and other important advancements in the public education system will enhance the ability of public schools to meet the needs of individual students;
9. Such reforms are specifically designed to improve and advance the purpose of this State's public education system and to help prepare students for higher education and for careers;

10. The success of these reforms depends on a funding method that effectively meets the variety of individual student needs and characteristics inherent in an ever-growing and increasingly diverse student body;

11. Recent economic problems in this State have illustrated the necessity of using every public dollar to its maximum benefit;

12. Many other states use funding systems based on individual student needs and characteristics to advance their goals regarding student achievement; and

13. A new method for funding public schools in this State is necessary to continue to improve and advance the purpose of this State's public education system.

Sec. 22. 1. The Legislative Commission shall appoint a committee to conduct an interim study concerning the development of a new method for funding public schools in this State.

2. The committee must be composed of six Legislators as follows:

   (b) Three members appointed by the Speaker of the Assembly, at least one of whom must be appointed from the membership of the Assembly Standing Committee on Education during the 76th Session of the Nevada Legislature.

3. The committee shall consult with and solicit input from individuals and organizations with expertise in matters relevant to the purpose of developing a new method for funding public schools in this State.

4. Any such method proposed by the committee must:
   (a) Be consistent with the constitutional responsibility of the Legislature to provide for a uniform system of common schools; and
   (b) Account for, and be based on, differences in the needs and characteristics of individual students.

5. The committee shall submit a report on its findings, including, without limitation, any proposed methods for funding public schools in this State and any recommendations for legislation, to the 77th Session of the Nevada Legislature.

6. The committee shall carry out the duties of this section only to the extent that money is available to do so from sources including, without limitation, gifts, grants and donations.

Amendment No. 914.

"SUMMARY—Makes various changes to provisions governing children who are placed with someone other than a parent. (BDR 38-909)"

"AN ACT relating to child welfare; requiring a school district providing for elementary schools to develop an individualized academic plan for foster children enrolled in elementary schools to assist such children in achieving academic success; requiring the licensee of a foster home to obtain a written explanation of the need for and effect of any prescription medication provided to a foster child; requiring the Department of Corrections to allow a prisoner who has a child that has been placed in foster care to maintain contact with the child in certain circumstances; requiring the State Board of Parole Commissioners to include a plan for reunification with a child who is in foster care as a condition of parole for certain prisoners; providing for the use of telecommunications devices by prisoners for that purpose; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Section 2 of this bill requires a licensee of a foster home who enrolls a foster child in school to request the school district to develop an individualized plan of instruction for the child. Existing law requires an academic plan for pupils in middle school or junior high school and a 4-year academic plan for pupils in ninth grade. (NRS 388.165, 388.205)

Section 8 of this bill requires the board of trustees of each school district to develop such a plan for each foster child who has been placed in foster care, and for each foster child enrolled in the elementary school whom the school district is informed is enrolled in the school. The academic plan must be reviewed at least annually, and a new plan must be developed for any pupil who transfers to an elementary school whom the school is informed is a foster child. The academic plan must be developed with the goal of the child achieving academic success through high school. Section 8 further requires the school district to review..."
the plan at least twice each academic year and provide to the licensee a
written report concerning the academic progress of the child and any
revisions that have been made to the plan.† Section 2 of this bill requires
the Division of Child and Family Services of the Department of Health
and Human Services to ensure that a school district is informed when a
foster child is enrolled in a school in the school district so that an
academic plan may be developed for the foster child. Section 5 of this bill
requires that a copy of the academic plan [and any written reports to]
be submitted to the court with jurisdiction over the child during the biennial
review of the placement of the child.

Section 3 of this bill requires a licensee of a foster home to obtain a
written explanation from a medical professional who provides a prescription
for medication for a foster child. The explanation must include the need for
the medication and the effect of the medication on the child. Section 5
requires that a copy of any such explanations be submitted to the court
with jurisdiction over the child during the biennial review of the
placement of the child.
† Section 4 of this bill establishes the order of priority for placing a child
who is taken into protective custody and allows a child to be placed with a
fictive kin, which is a person who is not related to the child but with whom
the child has a significant relationship. Section 4 also specifies that in making
such a placement, siblings must be placed together whenever possible.

Section 6 of this bill requires the Department of Corrections to allow a
prisoner whose child has been placed with someone other than a parent to
maintain contact with the child if the child is willing [and allowed] to
maintain such contact, and the contact is not prohibited by law, by
order of the court or by regulations of the Department. The Department
is further required to maintain equipment to allow such a prisoner to
videoconference with the child.† Section 7 of this bill requires the State
Board of Parole Commissioners to determine before a prisoner is released on
parole whether the prisoner has a minor child who has been placed with
someone other than a parent with whom the prisoner may reunite. If such a
child is willing and allowed to participate in a plan for reunification, the
Board is required to include such a plan in the conditions for parole of the
prisoner.† If such equipment is available. Section 6.3 of this bill authorizes
a prisoner to use approved telecommunications devices subject to any
limitations to engage in such communications with his or her child.
Section 6.7 allows communications by a prisoner using
telecommunications devices to be intercepted in certain circumstances.

2. An agency acting as the custodian of the child shall, before any hearing for review of the placement of a child, submit a report to the court, or to the panel if it has been designated to review the matter, which includes:

The Child Nutrition Act enacted in 1966 established the School Breakfast Program which provides grants to the states to establish school breakfast programs in public schools. (42 U.S.C. §§ 1771 et. seq.) Federal regulations provide that a public school may elect to operate a school breakfast program pursuant to one of three alternative Provisions and prescribe the requirements by which a public school may operate the program pursuant to one of those Provisions. (7 C.F.R. § 245.9) If a school provides a school breakfast program pursuant to Provision 2 of the federal regulations, the school serves those meals free of charge to all pupils enrolled in the school. Under existing law, the boards of trustees of school districts and the governing bodies of charter schools are authorized to operate or provide for the operation of programs of nutrition in the public schools under their jurisdiction. (NRS 387.090) Section 1 of this bill requires the implementation of a school breakfast program to provide breakfast to pupils enrolled in each public school, including a charter school, that is eligible to operate a program of nutrition in accordance with the requirements of Provision 2 set forth in the federal regulations and as authorized by the Department of Education. Section 1 also requires the Department, on a biennial basis, to prepare a written report on the school breakfast program for each public school in this State and requires the board of trustees of each school district, on a biennial basis, to submit to the Department a report containing certain information concerning nutrition programs. "AN ACT relating to aquatic species; prohibiting a person from introducing certain aquatic species into the waters of this State; providing for the inspection of vessels for aquatic invasive species; requiring vessels to be inspected for the presence of aquatic invasive species before being operated on the waters of this State; requiring decontamination of any vessels where an aquatic invasive species is present; authorizing the impoundment or quarantine of certain vessels; requiring an aquatic invasive species fee to be paid by all operators of vessels; providing a civil penalty; providing penalties; and providing other matters properly relating thereto."

\textbf{Legislative Counsel's Digest:}

Existing law makes it a misdemeanor for any person to introduce any aquatic life into this State without the permission of the Department of Wildlife. Existing law also authorizes the Board of Wildlife Commissioners to prohibit the importation, transportation or possession of any species of wildlife that the Commission deems detrimental to the wildlife or the habitat of the wildlife in this State. (NRS 503.597) \textbf{Section 2} of this bill makes it a misdemeanor for a first offense and a category E felony for any subsequent offense to knowingly or intentionally introduce any aquatic species which
may be detrimental to the aquatic resources, aquatic species or water resources of this State. Section 2 also provides for an additional civil penalty of not less than $25,000 and not more than $250,000 for anyone convicted of such introduction.

Section 4 of this bill authorizes the Department to set up inspection stations for vessels operating on the waters of this State to inspect such vessels for aquatic invasive species and prohibits any person from operating a vessel without first complying with the inspection program. Section 4 also prohibits any person operating a vessel from leaving an impaired body of water and entering another body of water in this State without first having the vessel decontaminated. In addition, section 4 allows a peace officer to inspect a vessel at any point if the peace officer has a reasonable belief based on articulable facts that an aquatic invasive species may be present on the vessel. Finally, if a person refuses to comply with a peace officer or the requirements of an inspection station, section 4 allows the person's vessel to be impounded or quarantined. Section 5 of this bill authorizes a peace officer to keep a vessel in impound or quarantine until it has been decontaminated or shown to be in compliance with the requirements of the Department.

Section 6 of this bill requires the Commission to establish an annual aquatic invasive species fee which must not exceed $10 for a motorboat owned or operated by a resident of this State and $5 for any other vessel owned or operated by a resident of this State. The fee must be $20 for a motorboat owned or operated by a nonresident of this State and $10 for any other vessel owned or operated by a nonresident of this State.
