AN ACT relating to employment; authorizing the imposition of an administrative penalty against an employer who misclassifies an employee as an independent contractor or otherwise fails to properly classify a person as an employee of the employer under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Under existing law, the Labor Commissioner is required to enforce the labor
2 laws and regulations of the State of Nevada. In carrying out that requirement, the
3 Labor Commissioner may take any appropriate action against a person who violates
4 those laws or regulations. Before enforcing an administrative penalty against the
5 person, the Labor Commissioner is required to provide the person with notice and
6 an opportunity for a hearing. (NRS 607.160) **Section 1** of this bill confers upon the
7 Labor Commissioner the authority to impose an administrative penalty against an
8 employer who misclassifies an employee as an independent contractor or otherwise
9 fails to properly classify a person as an employee of the employer. **Section 1** sets
10 forth the required amount of any administrative penalty imposed by the Labor
11 Commissioner against the employer and, if the violation is a third or subsequent
12 offense, requires the Secretary of State to revoke or suspend the state business
13 license of the employer for not more than 3 years as determined by the Labor
14 Commissioner. **Section 1** also authorizes the Labor Commissioner to impose the
15 administrative penalty against the employer if the employer fails to prove to the
16 satisfaction of the Labor Commissioner that the employee is not misclassified as an
17 independent contractor or the employer did not otherwise fail to properly classify
18 the person as an employee of the employer.

19 Under existing law, an employer is required to post a notice upon his or her
20 premises identifying the employer’s industrial insurer and setting forth certain other

21 information concerning the employer. (NRS 616A.490) **Section 2** of this bill
22 requires the employer to include in the notice the definitions of the terms
23 “employee” and “independent contractor.”

24 **Section 3** of this bill subjects a person to liability in a civil action brought by
25 the Attorney General if the person advises an employer or an employee, officer or
26 agent of an employer to misrepresent the classification of an employee of the
27 employer. **Section 3** also subjects the person to liability for an amount that is equal
28 to three times the total amount of any reasonable expenses incurred by the State in
29 enforcing the provisions of that section against the person.
