Assembly called to order at 1:12 p.m.
Madam Speaker presiding.
Roll called.
All present except Assemblymen Horne, Pierce, and Woodbury, who were excused.
Prayer by the Chaplain, Pastor Albert Tilstra, Seventh-Day Adventist Church, Fallon, Nevada.
Keep strong our faith in the power of prayer as we unite our petitions in this sacred moment. We have asked for Your guidance in difficult decisions many times; they have not been answered in the way we had hoped. Many of the situations and relationships which we have asked You to change have remained the same.
Forgive us for thinking, therefore, that You are unwilling to help us in our dilemmas or that there is nothing You can do. Remind us, O’ God, that when we plug in an electric iron and it fails to work, we do not conclude that electricity has lost its power nor do we plead with the iron. We look at once to the wiring to find what has broken or blocked the connection with the source of power.
May we do the same with ourselves, that You can work through us to do Your will.
This we ask in the Name of the One who is all powerful.
AMEN.

Pledge of allegiance to the Flag.
Assemblyman Frierson moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.
Motion carried.

SENATOR MOISES DENIS MARILYN K. KIRKPATRICK
Senate Majority Leader Speaker of the Assembly

By Assemblywoman Kirkpatrick:
Assembly Joint Resolution No. 9—Proposing to amend the Nevada Constitution to ensure access to affordable health care in an emergency to all persons in this State.
WHEREAS, The charges for health care services rendered as a result of an emergency are often exorbitant; and
WHEREAS, Persons who are not indigent but who do not have health insurance or are underinsured are often made to pay highly inflated prices for health care services received as a result of an emergency; and
WHEREAS, Such exorbitant pricing discourages persons from seeking necessary care and can be devastating financially to those who do seek such care; and
WHEREAS, It is of the utmost importance that all persons in this State have access to affordable health care services when needed as a result of an emergency; and
WHEREAS, It is unconscionable for hospitals to charge inflated rates for health care services provided as a result of an emergency to middle and lower income persons to subsidize the lower rates paid by public and private insurers; now, therefore, be it
RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF NEVADA, JOINTLY, That a new section, designated Section 17, be added to Article 15 of the Nevada Constitution to read as follows:

Sec. 17. 1. No hospital shall deny treatment or services to a person who arrives at the emergency department of the hospital as a result of an emergency, regardless of whether the person has health insurance and regardless of the ability of the person to pay for such services.
2. All persons in this State have a right to receive emergency medical care and services at a reasonable cost, and no hospital shall charge for any treatment, service or medication or other product provided to a person who arrives at the emergency department of the hospital as a result of an emergency, whether or not the person has insurance, an amount which is greater than 200 percent of the lowest rate which the hospital has agreed to accept from a federal public insurer for the treatment, service or medication or other product.
3. The provisions of subsections 1 and 2 are self-executing. The Legislature may provide by law for a different rate than provided in subsection 2 if the Legislature determines that a different rate is appropriate and ensures that emergency medical care and services will be provided at a reasonable cost, and may further provide by law for the imposition of a penalty or fine, or both a penalty and fine, for failure to comply with this section and any additional requirements and restrictions on hospitals regarding the amount charged for any treatment, service or medication or other product provided to a person who arrives at the emergency department of a hospital as a result of an emergency.

Assemblywoman Dondero Loop moved that the resolution be referred to the Committee on Health and Human Services.
Motion carried.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Legislative Counsel’s Digest:
Under existing law, the Bureau of Services to Persons Who Are Blind or Visually Impaired of the Rehabilitation Division of the Department of Employment, Training and Rehabilitation is required to establish, where suitable, vending stands in property owned, leased or occupied by the State or any of its political subdivisions, with certain exceptions, with the consent of the state or local governmental department or agency charged with maintaining the building or property. (NRS 277A.320, 426.640, 426.670) Similar agreements for the establishment of vending stands in a privately owned building are authorized between the Bureau and the private building owner. (NRS 426.685)

Sections 1 and 2 of this bill prohibit a private building owner or governmental agency that owns or controls a building or property in or on which a vending stand is established from requiring the Bureau or the operator of the vending stand to pay any rent, fee or assessment that is based on the square footage of the portion of the building or property where the vending stand is located. An example of such a prohibited fee or assessment is a fee for the maintenance of landscaping or a common area. Sections 1 and 2 authorize such a private building owner or governmental agency to enter into an agreement with the Bureau to recover the increases in utility costs or other expenses where there is a direct, measurable and proportional increase in such costs or expenses as a result of the operation of the vending stand. Any conflicting provision in any contract or other agreement relating to such a vending stand is declared to be void. Section 3 of this bill exempts any contract or other agreement relating to a vending stand in force on the effective date of this bill between the Bureau or a licensee and the owner of a private building in which the vending stand is established from the provisions of section 2 during the current term of the contract or other agreement.

Existing law establishes the Business Enterprise Account for Persons Who Are Blind and provides that if the Account is dissolved, any money remaining in the Account reverts to the State General Fund. (NRS 426.675) Section 1.5 of this bill provides, instead, that if the Account is dissolved or the Vending Stand Program is terminated, the Administrator of the Rehabilitation Division shall, within 60 days: (1) provide an accounting of the money remaining in the Account to all licensed vending stand operators; and (2) distribute to each such operator his or her proportionate share of that money. Section 1.5 also requires the Division to adopt regulations to carry out those provisions.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 426.670 is hereby amended to read as follows:

426.670 1. The Bureau shall:
(a) Make surveys of public buildings or properties to determine their suitability as locations for vending stands to be operated by persons who are blind and advise the heads of departments or agencies charged with the maintenance of the buildings or properties of its findings.

(b) With the consent of the respective heads of departments or agencies charged with the maintenance of the buildings or properties, establish vending stands in those locations which the Bureau has determined to be suitable. **Except as otherwise provided in subsection 4, the Bureau may enter into leases, licensing agreements or other contracts or agreements therefor.**

(c) Select, train, license and assign qualified persons who are blind to manage or operate vending stands or do both.

(d) Except as otherwise provided in this paragraph, execute contracts or agreements with persons who are blind to manage or operate vending stands or do both. The agreements may concern finances, management, operation and other matters concerning the stands. The Bureau shall not execute a contract or agreement which obligates the Bureau, under any circumstances, to make payments on a loan to a person who is blind.

(e) When the Bureau deems such action appropriate, impose and collect license fees for the privilege of operating vending stands.

(f) Establish and effectuate such regulations as it may deem necessary to ensure the proper and satisfactory operation of vending stands. The regulations must provide a method for setting aside money from the revenues of vending stands and provide for the payment and collection thereof.

2. The Bureau may enter into contracts with vendors for the establishment and operation of vending stands. These contracts must include provisions for the payment of commissions to the Bureau based on revenues from the vending stands. The Bureau may assign the commissions to licensed operators for the maintenance of their incomes.

3. The Bureau may, by regulation, provide:

(a) Methods for recovering the cost of establishing vending stands.

(b) Penalties for failing to file reports or make payments required by NRS 426.630 to 426.720, inclusive, or a regulation adopted pursuant to those sections when they are due.

4. A department or agency that has care, custody and control of a public building or property in or on which a vending stand is established:

(a) Shall not require the Bureau or the operator of the vending stand to pay any rent, fee or assessment that is based on the square footage of the portion of the building or property where the vending stand is located. Such a prohibited fee or assessment includes, without limitation, a fee for the maintenance of landscaping or a common area.
(b) May enter into an agreement with the Bureau to recover the increases in utility costs or other expenses where there is a direct, measurable and proportional increase in such costs or expenses as a result of the operation of the vending stand.

Any provision in a lease, licensing agreement, contract or other agreement relating to a vending stand established pursuant to this section that conflicts with this subsection is void.

Sec. 1.5. NRS 426.675 is hereby amended to read as follows:

426.675 1. The Business Enterprise Account for Persons Who Are Blind is hereby created within the State General Fund and must be managed by the Administrator of the Division.

(c) Be used for:

2. Maintaining a stock of equipment, parts, accessories and merchandise used or planned for use in the Vending Stand Program; and

3. Other purposes, consistent with NRS 426.640, as may be provided by regulation.

3. Purchases made pursuant to paragraph (c) of subsection 2 are exempt from the provisions of the State Purchasing Act at the discretion of the Administrator of the Purchasing Division of the Department of Administration or his or her designated representative, but the Bureau shall:

(a) Maintain current inventory records of all equipment, parts, accessories and merchandise charged to the Business Enterprise Account for Persons Who Are Blind;

(b) Conduct a periodic physical count of all such equipment, parts, accessories and merchandise; and

(c) Reconcile the results of the periodic physical count with the inventory records and cash balance in the Account.

4. If the Business Enterprise Account for Persons Who Are Blind is dissolved or the Vending Stand Program is terminated, the Administrator of the Division shall, within 60 days after the dissolution or termination:

(a) Provide an accounting of the money remaining in the Account to all licensed vending stand operators; and
(b) Distribute any money remaining in the Account to each such operator in the same proportion as the money deposited in the Account and attributable to that operator bears to all the money remaining in the Account.

The Division shall, in consultation with the Nevada Committee of Blind Vendors or its successor organization, adopt regulations to carry out the provisions of this subsection.

5. Money from any source which may lawfully be used for the Vending Stand Program may be transferred or deposited by the Bureau to the Business Enterprise Account for Persons Who Are Blind.

6. The interest and income earned on the money in the Business Enterprise Account for Persons Who Are Blind, after deducting any applicable charges, must be credited to the Account.

Sec. 2. NRS 426.685 is hereby amended to read as follows:

426.685 1. The Bureau may establish vending stands in privately owned buildings, if the building owner in each instance consents and enters into a contract or other agreement approved by the Bureau.

2. The owner of a building in which a vending stand is established pursuant to subsection 1:

(a) Shall not require the Bureau or the operator of the vending stand to pay any rent, fee or assessment that is based on the square footage of the portion of the building or property where the vending stand is located. Such a prohibited fee or assessment includes, without limitation, a fee for the maintenance of landscaping or a common area.

(b) May enter into an agreement with the Bureau to recover the increases in utility costs or other expenses where there is a direct, measurable and proportional increase in such costs or expenses as a result of the operation of the vending stand.

Any provision in a contract or other agreement relating to a vending stand established pursuant to subsection 1 that conflicts with this subsection is void.

Sec. 3. 1. The provisions of NRS 426.670, as amended by section 1 of this act, apply to any contract or other agreement relating to a vending stand entered into before, on or after the effective date of this act.

2. The provisions of NRS 426.685, as amended by section 2 of this act, do not apply to any contract or other agreement relating to a vending stand entered into before the effective date of this act during the current term of the contract or other agreement, but do apply to any extension or renewal of such a contract or other agreement and to any contract or other agreement entered into on or after the effective date of this act.

Senate Bill No. 72.
Bill read second time.

The following amendment was proposed by the Committee on Natural Resources, Agriculture, and Mining:
Amendment No. 688.

AN ACT relating to cruelty to animals; prohibiting a person from intentionally engaging in horse tripping for sport, entertainment, competition or practice or from knowingly organizing, sponsoring, promoting, overseeing, conducting or receiving any money or other compensation for a charreada or rodeo that includes horse tripping; authorizing a charreada or rodeo to include a horse roping event under certain circumstances; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law prohibits a person from engaging in cruelty to animals and provides criminal penalties for a person who engages in that activity, including making a third and any subsequent offense within the immediately preceding 7 years a category C felony. (NRS 574.100)

Section 1 of this bill defines “horse tripping” as the roping of the legs of, or otherwise using, a wire, pole, stick, rope or other object to intentionally trip or intentionally cause a horse or other animal of the equine species to fall.

Section 1.5 of this bill prohibits a person from: (1) engaging in horse tripping for sport, entertainment, competition or practice; or (2) knowingly organizing, sponsoring, promoting, overseeing, conducting or receiving admission money for any other compensation for parking or for the admission to or attendance at a charreada or rodeo that includes horse tripping. Section 1.5 also prohibits a person from knowingly organizing, sponsoring, promoting, overseeing, conducting or receiving money or any other compensation for parking or for the admission to or attendance at a charreada or rodeo that includes a horse roping event in which a horse or other animal of the equine species is caught by the legs and then released unless the person first obtains a permit from the local government where the horse tripping event is conducted.

Sections 4 and 5 of this bill require each board of county commissioners and city council to enact an ordinance setting forth the manner in which a person may apply for the issuance of the permit. This bill imposes a criminal penalty against a person who is guilty of committing horse tripping, and provides an exception for
animal.

Sec. 3. NRS 244.335 is hereby amended to read as follows:

The county license boards may fix, impose and collect license taxes for revenue or for regulation, or for both revenue and regulation, on such employment and businesses.

3. A board of county commissioners shall not require that a person who is licensed as a contractor pursuant to chapter 624 of NRS obtain more than one license to engage in the business of contracting or pay more than one license tax related to engaging in the business of contracting, regardless of the number of classifications or subclassifications of licensing for which the person is licensed pursuant to chapter 624 of NRS.

the license of a business upon certification by the county fair and recreation board that the license tax has become delinquent, and shall not reinstate the license until the tax is paid. Except as otherwise provided in NRS 239.0115 and 244.3357, all information concerning license taxes levied by an ordinance authorized by this section or other information concerning the business affairs or operation of any licensee obtained as a result of the payment of such license taxes or as the result of any audit or examination of the books by any authorized employee of a county fair and recreation board of the county for any license tax levied for the purpose of NRS 244A.597 to 244A.655, inclusive, is confidential and must not be disclosed by any member, officer or employee of the county fair and recreation board or the county imposing the license tax unless the disclosure is authorized by the affirmative action of a majority of the members of the appropriate county fair and recreation board. Continuing disclosure may be so authorized under an agreement with the Department of Taxation or Secretary of State for the exchange of information concerning taxpayers.

Except as otherwise provided in this subsection, a board of county commissioners may by ordinance provide that the violation of a particular ordinance enacted pursuant to this section imposes a civil liability to the county in an amount not to exceed $500, instead of a criminal penalty. An ordinance enacted pursuant to this section that creates an offense relating to bites of animals, vicious or dangerous animals, horse tripping or cruelty to animals must impose a criminal penalty for the offense. As used in this
subsection, “horse tripping” does not include tripping a horse to provide medical or other health care for the horse.

4. Each board of county commissioners shall enact an ordinance setting forth the manner in which a person may apply for the issuance of a permit specified in subparagraph (2) of paragraph (b) of subsection 5 of NRS 574.100. Notwithstanding any contrary ordinance of the city which regulates or prohibits the catching of a horse or other animal of the equine species by the legs and then releasing it, and if the applicant has otherwise complied with all other applicable ordinances of the city, the city council shall issue the permit to the applicant upon the submission of a completed application and the payment of the fee, if any.

Sec. 6. NRS 266.355 is hereby amended to read as follows:

266.355

1. Except as otherwise provided in subsections 3, 4 and 5, the city council may:

(a) Except as otherwise provided in NRS 266.325, 268.0881 to 268.0888, inclusive, 598D.150 and 640C.100, regulate all businesses, trades and professions.

The following amendment was proposed by the Committee on Health and Human Services:
Amendment No. 666.

AN ACT relating to child welfare; requiring an agency which provides child welfare services to obtain and examine the credit report for certain children in its custody; requiring the agency to report each potential instance of identity theft or other crime to the Attorney General and make a diligent effort to resolve any inaccuracy in the report; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law requires an agency which provides child welfare services to provide maintenance and special services to children who are placed in the custody of the agency. (NRS 432.020) This bill requires an agency which
provides child welfare services to obtain and examine the credit report of certain children placed into its custody when each child reaches the age of 16 years or, if a child has reached the age of 16 years before being placed into the custody of the agency, upon within 90 days after placement of the child, and at least once annually thereafter to identify any inaccuracies in the credit report. This bill requires the agency, before obtaining the credit report, to inform each child of this requirement to obtain and examine his or her credit report and to explain to the child how inaccuracies on his or her credit report may be resolved and what financial impact an inaccuracy may have if left unresolved. If the agency finds any inaccuracies, this bill requires the agency to report any information which indicates that a potential instance of identity theft or other crime may have occurred to the Attorney General and to continue to make a diligent effort to resolve each inaccuracy until all inaccuracies have been corrected or the child leaves the custody of the agency. If the child leaves the custody of the agency, this bill requires the agency to notify the child or the person responsible for the welfare of the child of any remaining inaccuracies, how the inaccuracies may be resolved and any community services that may be available to assist in resolving the inaccuracies. This bill authorizes the Attorney General to investigate any such reports and prosecute the persons responsible for any identity theft identified in the investigation.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 432 of NRS is hereby amended by adding thereto a new section to read as follows:

   (a) Inform the child of the requirement to request and examine a copy of any credit report that may exist for the child;

2. An agency which provides child welfare services shall request and examine a copy of any credit report that may exist for each child who remains in the custody of the agency which provides child welfare services for 60 or more consecutive days:
   (a) When the child reaches the age of 16 years, and then at least once annually thereafter as required pursuant to 42 U.S.C. § 675(5)(I); or

3. An agency which provides child welfare services shall determine from the examination of a credit report pursuant to this section whether the credit report contains inaccurate information and whether the credit report indicates that identity theft or any other crime has been committed against the child.

4. If the agency which provides child welfare services determines that an inaccuracy exists in the credit report of a child, the agency which provides child welfare services must:
   (a) Report any information which may indicate identity theft or other crime to the Attorney General;
   (b) Make a diligent effort to resolve the inaccuracy as soon as practicable; and
   (c) Continue to make diligent efforts to resolve the inaccuracy if it remains unresolved after the child has left the custody of the agency which provides child welfare services until the inaccuracy is corrected.

4. Notify the child or, if the child has not attained the age of majority, the person responsible for the child’s welfare:
   (1) That an inaccuracy exists in the credit report of the child;
   (2) Of the manner in which to correct the inaccuracy; and
   (3) Of any services that may be available in the community to provide assistance in correcting the inaccuracy.

5. An agency which provides child welfare services may, upon consent of a child who remains under the jurisdiction of a court pursuant to NRS 432B.594, continue to request and examine a credit report of the child and provide assistance to the child if an inaccuracy is discovered.

AN ACT relating to the administration of justice; restricting the use of solitary confinement and corrective room restriction on children who are in confinement in a state, local or regional facility for the detention of children; requiring the Advisory Commission on the Administration of Justice to conduct a study concerning detention and incarceration; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Sections 1 and 2 of this bill prohibit the use of solitary confinement on a child who is detained in a state, local or regional facility for the detention of children. Sections 1 and 2 of this bill authorize the use of corrective room restriction on a child who is detained in a state, local or regional facility for the detention of children only if all other less-restrictive options have been exhausted and only to: (1) modify the negative behavior of the child; (2) hold the child accountable for a violation of a rule of the facility; or (3) ensure the safety of the child, the staff or others or to ensure the security of the facility. Sections 1 and 2 also: (1) specify certain actions that must be taken with respect to a child subjected to corrective room restriction; and (2) provide that if a child is subjected to corrective room restriction, the period of corrective room restriction must be the minimum time required to address the negative behavior, rule violation or threat; and (3) provide that a child must not be subjected to corrective room restriction for more than 72 consecutive hours.

Senate Bill No. 179.
Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 731.

AN ACT relating to public safety; enhancing the penalty for certain traffic violations which occur in school zones or school crossing zones; authorizing certain governing bodies and the Department of Transportation to designate pedestrian safety zones in certain circumstances; providing for enhanced penalties for certain traffic violations in pedestrian safety zones; revising provisions relating to pedestrians and crosswalks; authorizing the imposition by a court of mandatory attendance in a pedestrian, bicycle and traffic safety course for the driver of a vehicle found guilty of certain traffic violations; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Under existing law, a driver who is convicted of a violation of a speed limit or of certain other traffic violations is subject to a doubling of the penalty if the violation occurs in a highway construction zone when workers are present. (NRS 484B.130) Existing law also provides that certain maximum speeds are in effect in school zones and school crossing zones at certain times. (NRS 484B.363) Sections 2 and 24 of this bill provide that a driver is subject to a doubling of the penalty for a violation of a speed limit or of certain other traffic violations if the violation occurs in a school zone or a school crossing zone at a time when the statutory speed limits for such zones are in effect. Section 24 also makes it unlawful for a driver to make a U-turn or pass another vehicle in a school zone or a school crossing zone when the school speed limit is in effect. Finally, section 24 requires that the sign posted to mark the beginning of each school zone and school crossing zone
newly include a designation that fines may be higher when the speed limit is in effect.

Section 1 of this bill authorizes the governing body of a local government or the Department of Transportation to designate pedestrian safety zones on a highway if certain findings are made. Section 1 also provides that a person who is convicted of a violation of a speed limit or of certain other violations is subject to a doubling of the penalty if the violation occurs in a pedestrian safety zone. Sections 3-13, 17, 18, 20-22, 25-28 and 30-32 of this bill make conforming changes to indicate the possibility of the enhanced penalty.

Existing law requires the driver of a vehicle to yield the right-of-way to a pedestrian in a crosswalk under certain circumstances when the pedestrian is on the half of the highway upon which the vehicle is traveling, and when a pedestrian is lawfully in a crosswalk or intersection that is controlled by traffic lights. (NRS 484B.283, 484B.307) Section 15 of this bill requires a driver to stop for such a pedestrian, specifies that the requirement applies to both marked and unmarked crosswalks, expands the requirement to when a pedestrian is within one lane of the half of the highway upon which the vehicle is traveling and defines the term “half of the highway” to mean the entire width of all the traffic lanes which convey traffic in the same direction, including any paved shoulder. Section 15 also authorizes a court, upon the conviction of the driver of a motor vehicle for violating certain crosswalk requirements, to order the driver to attend a course of pedestrian, bicycle and traffic safety and to lower the amount of any fine imposed if the person attends such a course. Section 15 further provides that a person who resides more than 50 miles from the nearest location where such a course is offered may be exempted from attending the course. Section 19 of this bill requires a driver to stop for a pedestrian who is lawfully in a crosswalk or an intersection that is controlled by traffic lights.

Existing law requires a pedestrian to yield the right-of-way to vehicles when the pedestrian is crossing a highway outside of a marked or unmarked crosswalk, and when crossing a highway at a point where a pedestrian tunnel or overhead pedestrian crossing has been provided. Existing law also prohibits a pedestrian from crossing a highway outside of a marked crosswalk when the pedestrian is between adjacent intersections at which traffic-control devices are in operation. (NRS 484B.287) Section 16 of this bill eliminates the requirement for a pedestrian to yield the right-of-way to vehicles when crossing where a pedestrian tunnel or overhead pedestrian crossing has been provided. Section 16 also revises the prohibition on a pedestrian crossing outside of a marked crosswalk between adjacent intersections to forbid a pedestrian from crossing outside of a marked or unmarked crosswalk if the pedestrian is within 250 feet of a marked or unmarked crosswalk, unless the pedestrian is crossing certain streets in a

...
Section 16 also requires a pedestrian to cross a highway at a right angle to the edge of the highway or, when a right angle is not possible or practicable, by the shortest route to the opposite side.

Existing law provides that driving a vehicle in willful or wanton disregard of the safety of persons or property constitutes reckless driving, and provides for the imposition of certain fines and terms of imprisonment on a driver who is found guilty of reckless driving. (NRS 484B.652) Section 20 of this bill authorizes a court to order a driver found guilty of reckless driving under certain circumstances to, in addition to the required fine or term of imprisonment, attend a course of pedestrian, bicycle and traffic safety if the reckless driving involved the safety of pedestrians or persons riding bicycles. Section 29 further provides that a person who resides more than 50 miles from the nearest location where such a course is offered may be exempted from attending the course.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 484B of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in subsections 2 and 4, a person who is convicted of a violation of a speed limit, or of NRS 484B.150, 484B.163, 484B.165, 484B.200 to 484B.217, inclusive, 484B.223, 484B.227, 484B.280, 484B.283, 484B.287, 484B.300, 484B.303, 484B.307, 484B.317, 484B.320, 484B.327, 484B.403, 484B.600, 484B.603, 484B.630, 484B.650, 484B.653, 484B.657, 484C.110 or 484C.120, that occurred in an area designated as a pedestrian safety zone shall be punished by imprisonment or by a fine, or both, for a term or an amount equal to and in addition to the term of imprisonment or amount of the fine, or both, that the court imposes for the primary offense. Any term of imprisonment imposed pursuant to this subsection runs consecutively with the sentence prescribed by the court for the crime. This subsection does not create a separate offense, but provides an additional penalty for the primary offense, whose imposition is contingent upon the finding of the prescribed fact.

2. The additional penalty imposed pursuant to subsection 1 must not exceed a total of $1,000, 6 months of imprisonment or 120 hours of community service.

3. A governmental entity that designates a pedestrian safety zone shall cause to be erected:

(a) A sign located before the beginning of the zone which provides notice that higher fines may apply in pedestrian safety zones;
(b) A sign to mark the beginning of the pedestrian safety zone; and
(c) A sign to mark the end of the pedestrian safety zone.
4. A person who would otherwise be subject to an additional penalty pursuant to this section is not relieved of any criminal liability because signs are not erected as required by subsection 3 if the violation results in injury to any pedestrian in the pedestrian safety zone.

5. The governing body of a local government or the Department of Transportation may designate a pedestrian safety zone on a highway if the governing body or the Department of Transportation:

(a) Makes findings as to the necessity and appropriateness of a pedestrian safety zone, including, without limitation, circumstances on or near a highway which make an area of the highway dangerous for pedestrians; and

(b) Complies with the requirements of subsection 3 and NRS 484A.430 and 484A.440.

interfering with the safe operation of any vehicle approaching from the
opposite direction or any vehicle overtaken.
2. A vehicle must not be driven to the left side of the highway at any
time:
(a) When approaching the crest of a grade or upon a curve in the highway
where the driver’s view is obstructed within such distance as to create a

3. If a highway has been designed to provide a single center lane to be used only for turning by traffic moving in both directions, the following rules apply:

(a) A vehicle may be driven in the center turn lane only for the purpose of making a left-hand turn onto or from the highway.

(b) A vehicle must not travel more than 200 feet in a center turn lane before making a left-hand turn from the highway.

(b) A pedestrian shall not suddenly leave a curb or other place of safety and walk or run into the path of a vehicle which is so close that it is impossible for the driver to *yield,* *stop.*

(c) Whenever a vehicle is stopped at a marked crosswalk or at an unmarked crosswalk, *at an intersection,* the driver of any other vehicle approaching from the rear shall not overtake and pass the stopped vehicle until the driver has determined that the vehicle being overtaken was not stopped for the purpose of permitting a pedestrian to cross the highway.

(d) Whenever signals exhibiting the words “Walk” or “Don’t Walk” *or symbols indicating “Walk” or “Don’t Walk*” are in place, such signals indicate as follows:

1. While the “Walk” indication is illuminated, pedestrians facing the signal may proceed across the highway in the direction of the signal and must be given the right-of-way by the drivers of all vehicles.

2. While the “Don’t Walk” indication is illuminated, either steady or flashing, a pedestrian shall not start to cross the highway in the direction of the signal, but any pedestrian who has partially completed the crossing during the “Walk” indication shall proceed to a sidewalk, or to a safety zone if one is provided.

No provision of chapters 484A to 484E, inclusive, of NRS for which such devices are required may be enforced against an alleged violator if at the time and place of the alleged violation the device is not in proper position and sufficiently legible to be seen by an ordinarily observant person. Whenever a particular provision of chapters 484A to 484E, inclusive, of NRS does not state that such devices are required, the provision is effective even though no devices are erected or in place.

3. Whenever devices are placed in position approximately conforming to the requirements of chapters 484A to 484E, inclusive, of NRS, such devices are presumed to have been so placed by the official act or direction of a public authority, unless the contrary is established by competent evidence.

4. Any device placed pursuant to the provisions of chapters 484A to 484E, inclusive, of NRS and purporting to conform to the lawful requirements pertaining to such devices is presumed to comply with the requirements of chapters 484A to 484E, inclusive, of NRS unless the contrary is established by competent evidence.

5. A person who violates any provision of subsection 1 may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 18. NRS 484B.303 is hereby amended to read as follows:

2. A person who violates any provision of this section may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 19. NRS 484B.307 is hereby amended to read as follows:

484B.307 1. Whenever traffic is controlled by official traffic-control devices exhibiting different colored lights, or colored lighted arrows,
successively one at a time or in combination as declared in the manual and specifications adopted by the Department of Transportation, only the colors green, yellow and red may be used, except for special pedestrian-control devices carrying a word or symbol legend as provided in NRS 484B.283. The lights, arrows and combinations thereof indicate and apply to drivers of vehicles and pedestrians as provided in this section.

2. When the signal is circular green alone:
   (a) Vehicular traffic facing the signal may proceed straight through or turn right or left unless another device at the place prohibits either or both such turns. Such vehicular traffic, including vehicles turning right or left, must yield the right-of-way to other vehicles and stop for pedestrians lawfully within the intersection or an adjacent crosswalk at the time the signal is exhibited.
   (b) Pedestrians facing such a signal may proceed across the highway within any marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

3. Where the signal is circular green with a green turn arrow:
   (a) Vehicular traffic facing the signal may proceed to make the movement indicated by the green turn arrow or such other movement as is permitted by the circular green signal, but the traffic must yield the right-of-way to other vehicles and stop for pedestrians lawfully within an adjacent crosswalk and yield the right-of-way to other traffic lawfully using the intersection at the time the signal is exhibited. Drivers turning in the direction of the arrow when displayed with the circular green are thereby advised that so long as a turn arrow is illuminated, oncoming or opposing traffic simultaneously faces a steady red signal.
   (b) Pedestrians facing such a signal may proceed across the highway within any marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

4. Where the signal is a green turn arrow alone:
   (a) Vehicular traffic facing the signal may proceed only in the direction indicated by the arrow signal so long as the arrow is illuminated, but the traffic must yield the right-of-way to other vehicles and stop for pedestrians lawfully within the adjacent crosswalk and yield the right-of-way to other traffic lawfully using the intersection.
   (b) Pedestrians facing such a signal shall not enter the highway until permitted to proceed by another device as provided in NRS 484B.283.

5. Where the signal is a green straight-through arrow alone:
   (a) Vehicular traffic facing the signal may proceed straight through, but must not turn right or left. Such vehicular traffic must yield the right-of-way to other vehicles and stop for pedestrians lawfully within the intersection or an adjacent crosswalk at the time the signal is exhibited.
(b) Pedestrians facing such a signal may proceed across the highway within the appropriate marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

6. Where the signal is a steady yellow signal alone:
(a) Vehicular traffic facing the signal is thereby warned that the related green movement is being terminated or that a steady red indication will be exhibited immediately thereafter, and such vehicular traffic must not enter the intersection when the red signal is exhibited.
(b) Pedestrians facing such a signal, unless otherwise directed by another device as provided in NRS 484B.283, are thereby advised that there is insufficient time to cross the highway.

7. Where the signal is a flashing yellow turn arrow, displayed alone or in combination with another signal:
(a) Vehicular traffic facing the signal is permitted to cautiously enter the intersection only to make the movement indicated by the arrow signal, or other such movement as is permitted by other signal indications displayed at the same time. Such vehicular traffic must stop for pedestrians lawfully within the intersection or an adjacent crosswalk and yield the right-of-way to other traffic lawfully within the intersection.
(b) Pedestrians facing such a signal, unless otherwise directed by another device as provided in NRS 484B.283, are thereby advised that there may be insufficient time to cross the highway, but may proceed across the highway within the appropriate marked or unmarked crosswalk.

8. Where the signal is a steady red signal alone:
(a) Vehicular traffic facing the signal must stop before entering the crosswalk on the nearest side of the intersection where the sign or pavement marking indicates where the stop must be made, or in the absence of any such crosswalk, sign or marking, then before entering the intersection, and, except as provided in paragraph (c), must remain stopped or standing until the green signal is shown.
(b) Pedestrians facing such a signal shall not enter the highway, unless permitted to proceed by another device as provided in NRS 484B.283.
(c) After complying with the requirement to stop, vehicular traffic facing such a signal and situated on the extreme right of the highway may proceed into the intersection for a right turn only when the intersecting highway is two-directional or one-way to the right, or vehicular traffic facing such a signal and situated on the extreme left of a one-way highway may proceed into the intersection for a left turn only when the intersecting highway is one-way to the left, but must yield the right-of-way to pedestrians and other traffic proceeding as directed by the signal at the intersection.
(d) Vehicular traffic facing the signal may not proceed on or through any private or public property to enter the intersecting street where traffic is not facing a red signal to avoid the red signal.

9. Where the signal is a steady red with a green turn arrow:
   (a) Vehicular traffic facing the signal may enter the intersection only to make the movement indicated by the green turn arrow, but must stop for pedestrians lawfully within an adjacent crosswalk and yield the right-of-way to other traffic lawfully using the intersection. Drivers turning in the direction of the arrow are thereby advised that so long as the turn arrow is illuminated, oncoming or opposing traffic simultaneously faces a steady red signal.
   (b) Pedestrians facing such a signal shall not enter the highway, unless permitted to proceed by another device as provided in NRS 484B.283.

10. If a signal is erected and maintained at a place other than an intersection, the provisions of this section are applicable except as to those provisions which by their nature can have no application. Any stop required must be made at a sign or pavement marking indicating where the stop must be made, but in the absence of any such device the stop must be made at the signal.

11. Whenever signals are placed over the individual lanes of a highway, the signals indicate, and apply to drivers of vehicles, as follows:
   (a) A downward-pointing green arrow means that a driver facing the signal may drive in any lane over which the green signal is shown.
   (b) A red “X” symbol means a driver facing the signal must not enter or drive in any lane over which the red signal is shown.

12. A local authority shall not adopt an ordinance or regulation or take any other action that prohibits vehicular traffic from crossing an intersection when:
   (a) The red signal is exhibited; and
   (b) The vehicular traffic in question had already completely entered the intersection before the red signal was exhibited. For the purposes of this paragraph, a vehicle shall be considered to have “completely entered” an intersection when all portions of the vehicle have crossed the limit line or other point of demarcation behind which vehicular traffic must stop when a red signal is displayed.

13. A person who violates any provision of this section may be subject to the additional penalty set forth in section 1 of this act.

Sec. 20. NRS 484B.317 is hereby amended to read as follows:
484B.317 1. A person shall not, without lawful authority, attempt to or alter, deface, injure, knock down or remove any official traffic-control device or any railroad sign or signal or any inscription, shield or insignie thereon, or any other part thereof.

(b) A person shall not operate any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal.

2. Except as otherwise provided in this subsection, a person shall not in this State sell or offer for sale any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal. (b) May, without a warrant, seize and take possession of a vehicle equipped with any device or mechanism that is capable of interfering with or altering the signal of a traffic-control signal, including, without limitation, a mobile transmitter, if the device or mechanism cannot be removed from the motor vehicle by the police officer, and may cause the vehicle to be towed and impounded until:

(1) The device or mechanism is removed from the vehicle; and

(2) The owner claims the vehicle by paying the cost of the towing and impoundment.

4. Neither the police officer nor the governmental entity which employs the officer is civilly liable for any damage to a vehicle seized pursuant to the provisions of paragraph (b) of subsection 3 that occurs after the vehicle is seized but before the towing process begins.

5. Except as otherwise provided in subsection 9, the presence of any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal in or on a vehicle on the highways of this State constitutes prima facie evidence of a violation of this section. The State need not prove that the
device or mechanism in question was in an operative condition or being operated.

6. A person who violates the provisions of subsection 1 or 2 is guilty of a misdemeanor.

7. A person who violates any provision of subsection 1 or 2 may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

8. A provider of mass transit shall not operate or cause to be operated a signal prioritization device in such a manner as to impede or interfere with the use by response agencies of signal preemption devices.

9. The provisions of this section do not:
   (a) Except as otherwise provided in subsection 8, prohibit a provider of mass transit from acquiring, possessing or operating a signal prioritization device.
   (b) Prohibit a response agency from acquiring, possessing or operating a signal preemption device or a signal prioritization device, or both.

10. As used in this section:
    (a) "Mobile transmitter" means a device or mechanism that is:
        (1) Portable, installed within a vehicle or capable of being installed within a vehicle; and
        (2) Designed to affect or alter, through the emission or transmission of sound, infrared light, strobe light or any other audible, visual or electronic method, the normal operation of a traffic-control signal.
    (b) "Provider of mass transit" means a governmental entity or a contractor of a governmental entity which operates, in whole or in part:

        (1) Provides ambulance service; or
        (2) Provides intermediate or advanced medical care to sick or injured persons at the scene of an emergency or while transporting those persons to a medical facility.
    (d) "Signal preemption device" means a mobile transmitter that, when activated and when a vehicle equipped with such a device approaches an intersection controlled by a traffic-control signal, causes:
(1) The signal, in the direction of travel of the vehicle, to remain green if the signal is already displaying a green light;
(2) The signal, in the direction of travel of the vehicle, to change from red to green if the signal is displaying a red light;
(3) The signal, in other directions of travel, to remain red or change to red, as applicable, to prevent other vehicles from entering the intersection; and
(4) The applicable functions described in subparagraphs (1), (2) and (3) to continue until such time as the vehicle equipped with the device is clear of the intersection.

(e) "Signal prioritization device" means a mobile transmitter that, when activated and when a vehicle equipped with such a device approaches an intersection controlled by a traffic-control signal, causes:
(1) The signal, in the direction of travel of the vehicle, to display a green light a few seconds sooner than the green light would otherwise be displayed;
(2) The signal, in the direction of travel of the vehicle, to display a green light for a few seconds longer than the green light would otherwise be displayed; or
(3) The functions described in both subparagraphs (1) and (2).

(f) "Traffic-control signal" means a traffic-control signal, as defined in NRS 484A.290, which is capable of receiving and responding to an emission or transmission from a mobile transmitter.

Sec. 22. NRS 484B.327 is hereby amended to read as follows:
484B.327 1. It is unlawful for any person to remove any barrier or sign stating that a highway is closed to traffic.
2. It is unlawful to pass over a highway that is marked, signed or barricaded to indicate that it is closed to traffic. A person who violates any provision of this subsection may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 23. NRS 484B.330 is hereby amended to read as follows:
484B.330 1. It is unlawful for a driver of a vehicle to fail or refuse to comply with any signal of an authorized flagger serving in a traffic control capacity in a clearly marked area of highway construction or maintenance or any other area which has been designated as a temporary traffic control zone.
2. A district attorney shall prosecute all violations of subsection 1 which occur in his or her jurisdiction and which result in injury to any person performing highway construction or maintenance or performing other work within an area designated as a temporary traffic control zone unless the district attorney has good cause for not prosecuting the violation. In addition to any other penalty, if a driver violates any provision of subsection 1 and the violation results in injury to any person performing highway construction or
maintenance or performing other work within an area designated as a temporary traffic control zone, or in damage to property in an amount of not less than $1,000, the driver shall be punished by a fine of not less than $1,000 or more than $2,000, and ordered to perform 120 hours of community service.

3. A person who violates any provision of subsection 1 may be subject to the additional penalty set forth in subsection 1 of NRS 484B.130.

4. As used in this section, “authorized flagger serving in a traffic control capacity” means:

(b) An employee of any other governmental entity or of a contractor performing highway construction or maintenance or performing other work within an area designated as a temporary traffic control zone for the governmental entity while the employee is carrying out the duties of his or her employment; or

(c) Any other person employed by a private entity performing highway construction or maintenance or performing other work within an area designated as a temporary traffic control zone while the person is carrying out the duties of his or her employment if the person has satisfactorily completed training as a flagger approved or recognized by the Department of Transportation.

Sec. 24. NRS 484B.363 is hereby amended to read as follows:

484B.363 1. A person shall not drive a motor vehicle at a speed in excess of 15 miles per hour in an area designated as a school zone except:

(a) On a day on which school is not in session;

(b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;

(c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or

(d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone indicates that the speed limit is not in effect.

2. A person shall not drive a motor vehicle at a speed in excess of 25 miles per hour in an area designated as a school crossing zone except:

(a) On a day on which school is not in session;
(b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;
(c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or
(d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone indicates that the speed limit is not in effect.

3. The driver of a vehicle shall not make a U-turn in an area designated as a school zone or school crossing zone except:
   (a) On a day on which school is not in session;
   (b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;
   (c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or
   (d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone indicates that the speed limit is not in effect.

5. The governing body of a local government or the Department of Transportation shall designate school zones and school crossing zones. An area must not be designated as a school zone if imposing a speed limit of 15 miles per hour would be unsafe because of higher speed limits in adjoining areas.

6. Each such governing body and the Department of Transportation shall provide signs to mark the beginning and end of each school zone and
school crossing zone which it respectively designates. Each sign marking the
beginning of such a zone must include:
(a) A designation of the hours when the speed limit is in effect or that the
speed limit is in effect when children are present;
(b) A statement which satisfies the requirements of NRS 484A.430 and
provides notice that higher fines may apply in school zones.
7. With respect to each school zone and school crossing zone in a school
district, the superintendent of the school district or his or her designee, in
conjunction with the Department of Transportation and the governing body
of the local government that designated the school zone or school crossing
zone and after consulting with the principal of the school and the agency that
is responsible for enforcing the speed limit in the zone, shall determine the
times when the speed limit is in effect.
8. A person who violates any provision of subsections 1 to 4, inclusive,
may be subject to any additional penalty set forth in
NRS 484B.130 or section 1 of this act.
9. If, while violating any provision of subsections 1 to 4, inclusive,
the driver of a motor vehicle is the proximate cause of a
collision with a pedestrian or a person riding a bicycle, the driver is subject to
the additional penalty set forth in subsection 4 of NRS 484B.653.
10. As used in this section, “speed limit beacon” means a device
which is used in conjunction with a sign and equipped with two or more
yellow lights that flash alternately to indicate when the speed limit in a
school zone or school crossing zone is in effect.
Sec. 25. NRS 484B.403 is hereby amended to read as follows:
484B.403  1. A U-turn may be made on any road where the turn can be
made with safety, except as prohibited by this section and by the provisions
of NRS 484B.227, 484B.363 and 484B.407.
2. If an official traffic-control device indicates that a U-turn is prohibited,
the driver shall obey the directions of the device.
3. The driver of a vehicle shall not make a U-turn in a business district,
except at an intersection or on a divided highway where an appropriate
opening or crossing place exists.
4. Notwithstanding the foregoing provisions of this section, local
authorities and the Department of Transportation may prohibit U-turns at any
location within their respective jurisdictions.

   (c) A rate of speed greater than that posted by a public authority for the particular portion of highway being traversed.
   (d) In any event, a rate of speed greater than 75 miles per hour.
  2.  If, while violating any provision of subsection 1, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian or a person riding a bicycle, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.

Sec. 27.  NRS 484B.603 is hereby amended to read as follows:
484B.603  1.  The fact that the speed of a vehicle is lower than the prescribed limits does not relieve a driver from the duty to decrease speed when approaching and crossing an intersection, when approaching and going around a curve, when approaching a hill crest, when traveling upon any narrow or winding highway, or when special hazards exist or may exist with respect to pedestrians or other traffic, or by reason of weather or other highway conditions, and speed must be decreased as may be necessary to avoid colliding with any person, vehicle or other conveyance on or entering a highway in compliance with legal requirements and the duty of all persons to use due care.
  2.  Any person who fails to use due care as required by subsection 1 may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

(b) For a second or subsequent offense within 2 years, the court shall issue an order revoking the driver’s license of the driver for a period of 1 year.

5. To determine whether the provisions of paragraph (a) or (b) of subsection 4 apply to one or more offenses of aggressive driving, the court shall use the date on which each offense of aggressive driving was committed.

6. If the driver is already the subject of any other order suspending or revoking his or her driver’s license, the court shall order the additional period
of suspension or revocation, as appropriate, to apply consecutively with the previous order.

7. If the court issues an order suspending or revoking the driver’s license of the driver pursuant to this section, the court shall require the driver to surrender to the court all driver’s licenses then held by the driver. The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 745.

AN ACT relating to professional licensing boards; revising provisions relating to the disclosure of certain information by certain licensing boards; requiring the Board of Medical Examiners to adopt regulations governing the possession and administration of botulinum toxin, commonly known as Botox; revising provisions relating to the reporting of certain information by certain licensing boards to law enforcement agencies; requiring, to the extent feasible, certain licensing boards to communicate or cooperate with or provide documents or other information to another licensing board or agency or a law enforcement agency that is investigating a person; providing for the filing of anonymous complaints with certain licensing boards; authorizing
members and agents of certain licensing boards to enter certain premises to enforce provisions governing professions regulated by the respective boards; revising provisions relating to schools of cosmetology; providing for the forfeiture of certain personal property used in the commission of the unlicensed practice of certain professions; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law establishes various licensing boards to regulate persons who practice medicine, perfusion or respiratory care, homeopathic medicine, dentistry or dental hygiene, nursing, osteopathic medicine, chiropractic, Oriental medicine, podiatry, optometry, audiology, speech pathology, pharmacy, physical therapy, occupational therapy and cosmetology, and persons who practice as dispensing opticians, hearing aid specialists or administrators of facilities for long-term care. (Title 54 of NRS) This bill amends various provisions of NRS to ensure that these professions are similarly regulated.

Sections 2, 7, 13, 18, 25, 30, 35, 43, 49, 62, 69, 76, 86, 91.5 and 106 of this bill authorize a member or any agent of the various licensing boards to: (1) enter any premises in this State where a person who holds a license, certificate or permit issued by that board practices his or her profession pursuant to the license, certificate or permit and inspect the premises to determine whether any violation of existing law governing the profession has occurred; and (2) enter, with the cooperation of the appropriate law enforcement agency, any other premises in this State where there is probable cause to believe that a person is engaging in acts for which the person is required to obtain from the board a license, certificate or permit without having done so to determine whether the person holds the appropriate license, certificate or permit issued by that board.

Sections 9, 15, 21, 31, 37, 42, 51, 64, 71, 78, 88, 91, 97 and 108 of this bill provide for the filing of anonymous complaints concerning certain professions with the appropriate board.

Sections 3, 8, 14, 20.3, 20.7, 22, 26, 29, 36, 41, 47, 63, 70, 77, 85, 93, 99 and 105 of this bill require each of these various licensing boards, unless the board determines that extenuating circumstances exist, to forward to the appropriate law enforcement agency any substantiated information submitted to the board concerning a person who, without the appropriate license, certificate or permit, engages in or offers to engage in activity for which a license, certificate or permit is required in this State. Sections 5, 10, 16, 23, 27, 32, 38, 44, 48, 60.7, 65, 72, 80, 87, 94, 101 and 108 of this bill require, to the extent feasible, each of the boards to communicate or cooperate with or provide documents or any other information to another
licensing board or any other agency that is investigating a person, including a law enforcement agency.

Sections 6, 11, 17, 22, 28, 33, 39, 45, 50, 66, 73, 79, 81-84, 89 and 95 of this bill revise existing criminal penalties for the unlicensed practice of certain professions and authorize various licensing boards to impose administrative fines against, issue citations to, and issue and serve orders to cease and desist on persons who engage in the unlicensed practice of certain professions, or both. Section 110 of this bill provides for the forfeiture of all personal property used by certain persons to engage in the unlicensed practice of certain professions.

Sections 98 and 107 of this bill require the State Board of Cosmetology and the Board of Examiners for Long-Term Care Administrators, respectively, to refer complaints concerning matters within the jurisdiction of certain other licensing boards to the other licensing boards.

Existing law provides that notwithstanding any other provision requiring disclosure of information to the public pursuant to any proceeding by a state agency, board or commission with the authority to regulate certain occupations or professions, personal medical information or records of a patient are not required to be disclosed under certain circumstances. (NRS 622.310) Section 1 of this bill extends this protection from disclosure to any personal identifying information of a person alleged to have been injured by any act of another person for which a license, certificate or permit is required to be issued by a licensing board, and specifically requires such information to be kept confidential by the licensing board in whose possession the information is held.

Section 3.5 of this bill requires the Board of Medical Examiners to adopt regulations governing the possession and administration of botulinum toxin, commonly known as Botox, by a medical assistant or any other person.

Section 60.3 of this bill authorizes the Board of Dispensing Opticians to investigate the actions of any licensee of the Board that may constitute grounds for certain disciplinary actions.

Section 98.5 of this bill requires the State Board of Cosmetology to take such actions as it determines are reasonable to enable schools of cosmetology to receive certain federal money. Section 100.5 of this bill revises provisions governing the licensing of schools of cosmetology.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 622.310 is hereby amended to read as follows:

Sec. 2. Any member or agent of the Board may:

1. Enter any premises in this State where a person who holds a license issued pursuant to the provisions of this chapter practices medicine, perfusion or respiratory care and inspect it to determine whether a violation of any provision of this chapter has occurred, including, without limitation, an inspection to determine whether any person at the premises is practicing medicine, perfusion or respiratory care without the appropriate license issued pursuant to the provisions of this chapter; and

2. With the cooperation of the appropriate law enforcement agency, enter any other premises in this State where there is probable cause to believe that medicine, perfusion or respiratory care is being practiced without the appropriate license issued pursuant to the provisions of this chapter and inspect it to determine whether any person at the premises is practicing medicine, perfusion or respiratory care without the appropriate license issued pursuant to the provisions of this chapter.

Sec. 3. Unless the Board determines that extenuating circumstances exist, the Board shall forward to the appropriate law enforcement agency any substantiated information submitted to the Board concerning a person who practices or offers to practice medicine, perfusion or respiratory care without the appropriate license issued pursuant to the provisions of this chapter.

The form may be submitted in writing or electronically. If a complaint is submitted anonymously, the Board may accept the complaint but may refuse to consider the complaint if the lack of the identity of the complainant makes processing the complaint impossible or unfair to the person who is the subject of the complaint. If the Board determines that the person who is the subject of the complaint does not hold a license issued by the Board or any other licensing board, the Board shall determine whether the person who is the subject of the complaint has engaged in the practice of medicine, perfusion or respiratory care. If the Board determines that the person:
   (a) Has engaged in the practice of medicine, perfusion or respiratory care, the Board may proceed with any investigation of, or action or disciplinary proceeding against, the person; or
   (b) Has not engaged in the practice of medicine, perfusion or respiratory care, the Board shall refer the complaint to the licensing board that the Board determines is appropriate to consider the complaint.
2. Any licensee, medical school or medical facility that becomes aware that a person practicing medicine, perfusion or respiratory care in this State has, is or is about to become engaged in conduct which constitutes grounds for initiating disciplinary action shall file a written complaint with the Board within 30 days after becoming aware of the conduct.
3. Except as otherwise provided in subsection 4, any hospital, clinic or other medical facility licensed in this State, or medical society, shall report to the Board any change in the privileges of a physician, perfusionist, physician assistant or practitioner of respiratory care to practice while the physician, perfusionist, physician assistant or practitioner of respiratory care is under investigation and the outcome of any disciplinary action taken by that facility or society against the physician, perfusionist, physician assistant or practitioner of respiratory care concerning the care of a patient or the competency of the physician, perfusionist, physician assistant or practitioner of respiratory care within 30 days after the change in privileges is made or disciplinary action is taken.
4. A hospital, clinic or other medical facility licensed in this State, or medical society, shall report to the Board within 5 days after a change in the

If, after a hearing, the Health Division determines that any such facility or society failed to comply with the requirements of this subsection, the Division may impose an administrative fine of not more than $10,000 against the facility or society for each such failure to report. If the administrative fine is not paid when due, the fine must be recovered in a civil action brought by the Attorney General on behalf of the Division.

8. The Board shall retain all complaints filed with the Board pursuant to this section for at least 10 years, including, without limitation, any complaints not acted upon.

9. As used in this section, “licensing board” has the meaning ascribed to it in section 98 of this act.

Sec. 5. NRS 630.336 is hereby amended to read as follows:

630.336 1. Any deliberations conducted or vote taken by the Board or any investigative committee of the Board regarding its ordering of a physician, perfusionist, physician assistant or practitioner of respiratory care to undergo a physical or mental examination or any other examination

Amendment No. 732.

AN ACT relating to driving under the influence; providing for the imposition and collection of a fee for the provision of specialty court programs following a conviction for a misdemeanor offense of driving a vehicle under the influence; [or a lesser included offense]; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill requires a court to impose a fee of $500, in addition to any other administrative assessment, penalty or fine imposed, if a person pleads guilty, guilty but mentally ill or nolo contendere to, or is found guilty of, a charge of driving under the influence of intoxicating liquor or a controlled substance that is punishable as a misdemeanor; [or a lesser included offense]. Amendment No. 780.

AN ACT relating to public servants; revising provisions relating to public officers and employees; revising provisions relating to statements of financial disclosure; revising provisions relating to ethics in government and the enforcement of such provisions; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

This bill makes various changes to provisions relating to public officers and employees, ethics in government and the administration of the Nevada Ethics in Government Law by the Commission on Ethics. (Chapter 281 of NRS)

Existing law requires certain candidates for public office and certain public officers to file annual statements of financial disclosure with the Secretary of State. (NRS 281.558-281.581) Sections 2-9 of this bill define certain terms relating to the statements of financial disclosure.

Sections 11-13, 42 and 49-55 of this bill revise provisions prohibiting public officers and employees from being interested in or benefiting from governmental contracts and clarify certain procedures for voiding governmental contracts or other actions which violate ethics laws.

Sections 18-24 and 30-32 of this bill enact and revise various definitions in the Nevada Ethics in Government Law. Section 19 revises and makes applicable throughout the Ethics Law the existing definition of “commitment in a private capacity to the interests of others” in NRS 281A.420.

Section 23 defines “pecuniary interest” for the Ethics Law, and sections 40 and 42, 40.3 and 41 of this bill require proof of a significant personal or pecuniary interest in defining various types of unethical conduct, ethical conflicts, so that a de minimis or insignificant personal
or pecuniary interest does not create a conflict of interest, require disqualification or abstention, or provide just or sufficient cause for an ethics investigation or violation. (NRS 281A.400, 281A.420)

Section 25 of this bill enacts provisions for computing periods of time prescribed or allowed under the Ethics Law. (Sections 26 and 40 of this bill move and revise certain existing provisions from NRS 281A.410 requiring certain public officers to file disclosures if they have represented or counseled a private person for compensation before certain agencies.)

Section 27 of this bill authorizes the Commission (on Ethics) to apply for and accept grants, contributions, services and money for the purposes of carrying out the Ethics Law.

Section 27.3 of this bill requires the Commission, when disposing of a request for an opinion by stipulation, agreed settlement or consent order, to treat comparable situations in a comparable manner and ensure that the disposition of a request for an opinion bears a reasonable relationship to the severity of the violation or alleged violation of the Ethics Law. Section 27.5 of this bill requires the Commission to consider various aggravating and mitigating factors when determining the amount of any civil penalty imposed for a willful violation of the Ethics Law.

Sections 33-37 of this bill make various changes concerning the operation of the Commission (on Ethics) and the duties of the Executive Director of the Commission and the Commission Counsel. Those changes include: (1) adjusting the eligibility requirements for certain members of the Commission; (2) requiring the Chair of the Commission to designate a qualified person to perform the duties of the Executive Director if the Executive Director is disqualified or unable to act on a particular matter; and (3) revising the administration of the assessments paid by cities and counties in semiannual installments to the Commission (and expanding the Commission’s authority to adopt regulations to carry out the Ethics Law). (NRS 281A.200, 281A.240, 281A.260, 281A.270, 281A.290)

Section 38 of this bill directs public officers and employees who request the issuance of a subpoena on their behalf in ethics proceedings to serve the subpoena in the manner provided in the Nevada Rules of Civil Procedure and to pay the costs of such service. (NRS 281A.300)

Sections 40.3-44 of this bill make various changes to provisions in the Ethics Law, including provisions relating to conflicts of interests for public officers and employees, disclosures and abstentions, the rendering of opinions and conduct of investigations by the Commission (on Ethics) and the duties of specialized and local ethics committees. (NRS 281A.400, 281A.410, 281A.420, 281A.440, 281A.470)
Section 39 revises provisions proscribing various types of unethical conduct.

Section 40 revises restrictions on various public officers and employees representing or counseling private persons for compensation before certain agencies, and moves and revises the existing “cooling off” provisions from NRS 281A.550 prohibiting various public officers and employees from accepting compensation from certain persons or entities for a specified period after leaving public service.

Section 45 of this bill revises the “safe harbor” provision of the Ethics Law to provide that a public officer or employee does not commit a willful violation if the public officer or employee: (1) relied in good faith upon the advice of the legal counsel retained by his or her public body, agency or employer; and (2) his or her action was not contrary to a prior published opinion issued by the Commission. (NRS 281A.480)

Section 46 of this bill provides new requirements relating to informing, educating and instructing public officers and employees concerning the statutory ethical standards and the duties of public officers and employees under the Ethics Law. (NRS 281A.500)

Section 48 of this bill authorizes the Commission on Ethics to request the drafting of 2 legislative measures for each regular session of the Legislature.

281A.400. A code of ethical standards is hereby established to govern the conduct of public officers and employees:

   (a) The public officer or employee,

281A.400 A code of ethical standards is hereby established to govern the conduct of public officers and employees:

1. A public officer or employee shall not seek or accept any gift, service, favor, employment, engagement, emolument or economic opportunity which would tend improperly to influence a reasonable person in the public officer’s or employee’s position to depart from the faithful and impartial discharge of the public officer’s or employee’s public duties.

6. A public officer or employee shall not suppress any governmental report or other official document because it might tend to affect unfavorably the public officer’s or employee’s significant pecuniary interest of the public officer or employee.
7. Except for State Legislators who are subject to the restrictions set forth in subsection 8, a public officer or employee shall not use governmental time, property, equipment or other facility to benefit a significant personal or financial pecuniary interest of the public officer or employee. This subsection does not prohibit:
   (a) A limited use of governmental property, equipment or other facility for personal purposes if:
       (1) The public officer or employee who is responsible for and has authority to authorize the use of such property, equipment or other facility has established a policy allowing the use or the use is necessary as a result of emergency circumstances;

       (4) The use does not create the appearance of impropriety;
   (b) The use of mailing lists, computer data or other information lawfully obtained from a governmental agency which is available to members of the general public for nongovernmental purposes; or

8. A State Legislator shall not:
   (a) Use governmental time, property, equipment or other facility for a nongovernmental purpose or for the private benefit of the State Legislator or any other person. This paragraph does not prohibit:
       (1) A limited use of state property and resources for personal purposes if:
           (I) The use does not interfere with the performance of the State Legislator’s public duties;

Sec. 40.5. NRS 281A.410 is hereby amended to read as follows:

281A.410 In addition to the requirements of the code of ethical standards:

1. If a public officer or employee serves in a state agency of the Executive Department or an agency of any county, city or other political subdivision, the public officer or employee:
   (a) Shall not accept compensation from any private person to represent or counsel the private person on any issue pending before the agency in which that public officer or employee serves, if the agency makes decisions; and
   (b) If the public officer or employee leaves the service of the agency, shall not, for 1 year after leaving the service of the agency, represent or counsel for compensation a private person upon any issue which was under consideration by the agency during the public officer’s or employee’s service. As used in this paragraph, “issue” includes a case, proceeding, application, contract or determination, but does not include the proposal or consideration of legislative measures or administrative regulations.

2. A State Legislator or a member of a local legislative body, or a public officer or employee whose public service requires less than half of his or her time, may represent or counsel a private person before an agency in which he or she does not serve. Any other public officer or employee shall not represent or counsel a private person for compensation before any state agency of the Executive or Legislative Department.

3. Not later than January 15 of each year, any State Legislator or other public officer who has, within the preceding year, represented or counseled a private person for compensation before a state agency of the Executive Department shall disclose for each such representation or counseling during the previous calendar year:
   (a) The name of the client;
   (b) The nature of the representation; and
   (c) The name of the state agency.
4. The disclosure required by subsection 3 must be made in writing and filed with the Commission on a form prescribed by the Commission. For the purposes of this subsection, the disclosure is timely filed if, on or before the last day for filing, the disclosure is filed in one of the following ways:
   (a) Delivered in person to the principal office of the Commission in Carson City.
   (b) Mailed to the Commission by first-class mail, or other class of mail that is at least as expeditious, postage prepaid. Filing by mail is complete upon timely depositing the disclosure with the United States Postal Service.
   (c) Dispatched to a third-party commercial carrier for delivery to the Commission within 3 calendar days. Filing by third-party commercial carrier is complete upon timely depositing the disclosure with the third-party commercial carrier.
   (d) Transmitted to the Commission by facsimile machine or other electronic means authorized by the Commission. Filing by facsimile machine or other electronic means is complete upon receipt of the transmission by the Commission.

5. The Commission shall retain a disclosure filed pursuant to subsections 3 and 4 for 6 years after the date on which the disclosure was filed.

Sec. 41. NRS 281A.420 is hereby amended to read as follows:

281A.420 1. Except as otherwise provided in this section, a public officer or employee shall not approve, disapprove, vote, abstain from voting or otherwise act upon a matter:
   (a) Regarding which the public officer or employee has accepted a gift or loan;
   (b) In which the public officer or employee has a significant pecuniary interest; or
   (c) Which would reasonably be affected by the public officer’s or employee’s commitment in a private capacity to the interests of another person, without disclosing information concerning the gift or loan, significant pecuniary interest or commitment in a private capacity to the interests of the person that is sufficient to inform the public of the potential effect of the action or abstention upon the person who provided the gift or loan, upon the public officer’s or employee’s significant pecuniary interest, or upon the person to whom the public officer or employee has a commitment in a private capacity. Such a disclosure must be made at the time the matter is considered. If the public officer or employee is a member of a body which makes decisions, the public officer or employee shall make the disclosure in public to the chair and other members of the body. If the public officer or employee is not a member of such a body and holds an appointive office, the public officer or employee shall make the disclosure to
the supervisory head of the public officer’s or employee’s organization or, if the public officer holds an elective office, to the general public in the area from which the public officer is elected.

2. The provisions of subsection 1 do not require a public officer to disclose:

(a) Any campaign contributions that the public officer reported in a timely manner pursuant to NRS 294A.120 or 294A.125; or

(b) Any contributions to a legal defense fund that the public officer reported in a timely manner pursuant to NRS 294A.286.

3. Except as otherwise provided in this section, in addition to the requirements of subsection 1, a public officer shall not vote upon or advocate the passage or failure of, but may otherwise participate in the consideration of, a matter with respect to which the independence of judgment of a reasonable person in the public officer’s situation would be materially affected by:

(a) The public officer’s acceptance of a gift or loan;

(b) The public officer’s significant pecuniary interest; or

(c) The public officer’s commitment in a private capacity to the interests of another person.

4. In interpreting and applying the provisions of subsection 3:

(a) It must be presumed that the independence of judgment of a reasonable person in the public officer’s situation would not be materially affected by the public officer’s acceptance of a gift or loan, significant pecuniary interest or commitment in a private capacity to the interests of another person where the resulting benefit or detriment accruing to the public officer, or if the public officer has a commitment in a private capacity to the interests of another person, accruing to the other person, is not greater than that accruing to any other member of any general business, profession, occupation or group that is affected by the matter. The presumption set forth in this paragraph does not affect the applicability of the requirements set forth in subsection 1 relating to the disclosure of the acceptance of a gift or loan, significant pecuniary interest or commitment in a private capacity to the interests of another person.

(b) The Commission must give appropriate weight and proper deference to the public policy of this State which favors the right of a public officer to perform the duties for which the public officer was elected or appointed and to vote or otherwise act upon a matter, provided the public officer has properly disclosed the public officer’s acceptance of a gift or loan, significant pecuniary interest or commitment in a private capacity to the interests of another person.
to the interests of another person in the manner required by subsection 1. Because abstention by a public officer disrupts the normal course of representative government and deprives the public and the public officer’s constituents of a voice in governmental affairs, the provisions of this section are intended to require abstention only in clear cases where the independence of judgment of a reasonable person in the public officer’s situation would be materially affected by the public officer’s acceptance of a gift or loan, the public officer’s significant pecuniary interest or the public officer’s commitment in a private capacity to the interests of another person.

5. Except as otherwise provided in NRS 241.0355, if a public officer declares to the body or committee in which the vote is to be taken that the public officer will abstain from voting because of the requirements of this section, the necessary quorum to act upon and the number of votes necessary to act upon the matter, as fixed by any statute, ordinance or rule, is reduced as though the member abstaining were not a member of the body or committee.

6. The provisions of this section do not, under any circumstances:
   (a) Prohibit a member of a local legislative body from requesting or introducing a legislative measure; or
   (b) Require a member of a local legislative body to take any particular action before or while requesting or introducing a legislative measure.

7. The provisions of this section do not, under any circumstances, apply to State Legislators or allow the Commission to exercise jurisdiction or authority over State Legislators. The responsibility of a State Legislator to make disclosures concerning gifts, loans, interests or commitments and the responsibility of a State Legislator to abstain from voting upon or advocating the passage or failure of a matter are governed by the Standing Rules of the Legislative Department of State Government which are adopted, administered and enforced exclusively by the appropriate bodies of the Legislative Department of State Government pursuant to Section 6 of Article 4 of the Nevada Constitution.

8. As used in this section:
   (a) “Commitment in a private capacity to the interests of others” means a commitment to a person:
      (1) Who is a member of the public officer’s or employee’s household;
      (2) Who is related to the public officer or employee by blood, adoption or marriage within the third degree of consanguinity or affinity;
      (3) Who employs the public officer or employee or a member of the public officer’s or employee’s household;
(4) With whom the public officer or employee has a substantial and continuing business relationship; or

(5) Any other commitment or relationship that is substantially similar to a commitment or relationship described in subparagraphs (1) to (4), inclusive, of this paragraph.

(b) “Public officer,” “public officer” and “public employee” do not include a State Legislator.

Sec. 42. NRS 281A.430 is hereby amended to read as follows:

281A.430  1. Except as otherwise provided in this section and NRS 281A.530, 218A.970 and 332.800, a public officer or employee shall not, directly or through a third party, perform any contract, bid on or enter into a contract or modify or renew any contract if:

(a) The contract is between a governmental agency and:

(1) The public officer or employee; or

(2) Any business entity in which the public officer or employee has a significant pecuniary interest;

(b) The contract is between an agency that has any connection, relation or affiliation with the agency in which the public officer or employee serves and:

(1) The public officer or employee; or

(2) Any business entity in which the public officer or employee has a significant pecuniary interest, if the duties or services to be performed or provided for the agency pursuant to the contract are the same or similar duties performed by the public officer or employee for the agency in which he or she serves.

2. A member of any board, commission or similar body who is engaged in the profession, occupation or business regulated by such board, commission or body may, in the ordinary course of his or her business, bid on or enter into a contract with any governmental agency, except the board, commission or body on which he or she is a member, if the member has not taken part in developing the contract plans or specifications and the member will not be personally involved in opening, considering or accepting offers.

A public officer or employee may perform a contract, bid on or enter into a contract or modify or renew a contract with an agency in which the public officer or employee serves, or a related agency as described in paragraph (b) of subsection 1, if:

(a) The contract is subject to competitive selection and, at the time the contract is bid on, entered into, modified or renewed:
(1) The contracting process is controlled by the rules of open competitive bidding or the rules of open competitive bidding are not used as a result of the applicability of NRS 332.112 or 332.148;
(2) The sources of supply are limited and no other person expresses an interest in the contract;
(3) The public officer or employee has not taken part in developing the contract plans or specifications; and
(4) The public officer or employee is not personally involved in opening, considering or accepting offers.

(b) The contract, by its nature, is not adapted to be awarded by competitive selection and, at the time the contract is bid on, entered into, modified or renewed:
(1) The public officer or employee has not taken part in developing the contract plans or specifications and is not personally involved in opening, considering, or accepting offers; and
(2) The contract:
(I) Has been approved by the agency through the application of internal procedures in which a public officer or employee may obtain approval to engage in such contracts; or
(II) Is not exclusive to the public officer or employee and is the type of contract that is available to all persons with the requisite qualifications.

3. A full- or part-time faculty member or employee of the Nevada System of Higher Education may perform a contract, bid on or enter into a contract or modify or renew a contract with a governmental entity, or may benefit financially or otherwise from a contract with a governmental entity and a private entity, if the contract complies with the policies established by the Board of Regents of the University of Nevada pursuant to NRS 396.255.

4. A public officer or employee, other than a public officer or employee described in subsection 2 or 3, may bid on or enter into a contract with a governmental agency if:
(a) The contracting process is controlled by the rules of open competitive bidding or the rules of open competitive bidding are not employed as a result of the applicability of NRS 332.112 or 332.148;
(b) The sources of supply are limited;
(c) The public officer or employee has not taken part in developing the contract plans or specifications; and
(d) The public officer or employee will not be personally involved in opening, considering or accepting offers.

If a public officer who is authorized to perform a contract, bid on or enter into a contract or modify or renew a contract with a governmental agency pursuant to this subsection is a member of the governing
body of the agency, the public officer, pursuant to the requirements of NRS 281A.420, shall disclose the public officer's interest in the contract and shall not vote on or advocate the approval of the contract.

5. A public officer who is a member of the governing body of any county, city or other political subdivision shall not sell goods or services to the county, city or other political subdivision unless:
(a) The public officer, or an entity in which the public officer has a significant pecuniary interest, offers the sole source of supply of the goods or services within the area served by the governing body; and
(b) The governing body:
(1) Issues a public notice of the meeting which specifically mentions that such a purchase of goods or services will be considered; and
(2) Approves the purchase in accordance with the applicable provisions of law.

6. The Commission may relieve a public officer or employee from the strict application of the provisions of this section if:
(a) The public officer or employee requests an opinion from the Commission pursuant to subsection 1 of NRS 281A.440; and
(b) The Commission determines that such relief is not contrary to:
(1) The best interests of the public;
(2) The continued ethical integrity of the agency; and
(3) The provisions of this chapter.

The investigatory panel shall not determine that there is just and sufficient cause for the Commission to render an opinion in the matter unless the Executive Director has provided the public officer or employee an opportunity to respond to the allegations against the public officer or employee as required by subsection 3. The investigatory panel shall cause a record of its proceedings in each matter to be kept, and such a record must remain confidential until the investigatory panel determines whether there is just and sufficient cause for the Commission to render an opinion in the matter.
6. If the investigatory panel determines that there is just and sufficient cause for the Commission to render an opinion in the matter, the Commission shall hold a hearing and render an opinion in the matter within 60 days after the determination of just and sufficient cause by the investigatory panel, unless the public officer or employee waive this time limit.

Senate Bill No. 246.
Bill read second time.
The following amendment was proposed by the Committee on Legislative Operations and Elections:
Amendment No. 781.

AN ACT relating to campaign practices; amending the definition of “committee for political action” to include certain organizations and entities that receive contributions or make expenditures in excess of certain amounts for the purpose of affecting an election or ballot question; requiring such organizations and entities to register as committees for political action and report certain information; clarifying that political parties and committees sponsored by political parties are not committees for political action; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Nevada’s elections laws require major and minor political parties and committees sponsored by those political parties to report certain information regarding campaign contributions and expenditures. Nevada’s elections laws also require committees for political action to report certain information regarding campaign contributions and expenditures. (Chapter 294A of NRS)

Section 1 of this bill clarifies that major and minor political parties and committees sponsored by those political parties are not committees for political action under Nevada’s elections laws to ensure that there is no
conflict between the provisions governing major and minor political parties and committees sponsored by those political parties and the provisions governing committees for political action. (NRS 294A.0055)

Section 1 also revises the definition of “committee for political action” to include any business or social organization, corporation, partnership, association, trust, unincorporated organization or labor union that: (1) has as its primary purpose affecting the outcome of any election or ballot question and for that purpose receives in excess of $1,500 in contributions or makes expenditures in excess of $1,500 in a calendar year; or (2) does not have as its primary purpose affecting the outcome of any election or ballot question but for that purpose receives in excess of $5,000 in contributions or makes expenditures in excess of $5,000 in a calendar year. (NRS 294A.0055)

Section 2 of this bill requires all such organizations and entities to register with the Secretary of State not later than 7 calendar days after qualifying as a committee for political action and to thereafter comply with the reporting requirements regarding campaign contributions and expenditures. However, if the organization or entity does not have as its primary purpose affecting the outcome of any election or ballot question, it must report only those contributions received for the purpose of affecting the outcome of any election or ballot question. (NRS 294A.230)

The provisions of this bill requiring such organizations and entities to register with the Secretary of State as committees for political action and comply with campaign reporting requirements are modeled on statutes enacted by the State of Maine. (Me. Rev. Stat. Ann. tit. 21-A, §§ 1051-1063) The Maine statutes and similar statutes from other jurisdictions have been upheld as constitutionally valid elections laws because they promote an informed electorate by providing voters with pertinent and valuable information about organizations and entities that finance and disseminate elections-related speech. (Nat’l Org. for Marriage v. McKee, 649 F.3d 34 (1st Cir. 2011); Real Truth About Abortion, Inc. v. FEC, 681 F.3d 544 (4th Cir. 2012); Ctr. for Individual Freedom v. Madigan, 697 F.3d 464 (7th Cir. 2012); Family PAC v. McKenna, 685 F.3d 800 (9th Cir. 2012); SpeechNow.org v. FEC, 599 F.3d 686 (D.C. Cir. 2010))

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 720.

AN ACT relating to sheriffs; revising provisions governing the removal of deputy sheriffs in certain smaller counties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, a peace officer must be certified by the Peace Officers’ Standards and Training Commission within 1 year after beginning employment as a peace officer, unless an extension is granted. (NRS 289.550) In a county that does not have a metropolitan police department or whose population is less than 100,000 (currently counties other than Clark and Washoe Counties), a deputy sheriff who has completed a 12-month probationary period may be terminated from employment only for cause. (NRS 248.040, 248.045) In this context, in a county whose population is less than 45,000 (currently Churchill, Esmeralda, Eureka, Humboldt, Lander, Lincoln, Mineral, Nye, Pershing, Storey and White Pine Counties), “cause” includes a deputy’s failure to become certified by the Peace Officers’ Standards and Training Commission within the required time, the loss of that certification or the deputy’s failure to maintain a valid driver’s license.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 248.040 is hereby amended to read as follows:

248.040 1. Except as provided in NRS 248.045, each sheriff may:
(a) Appoint, in writing signed by him or her, one or more deputies, who may perform all the duties devolving on the sheriff of the county and such other duties as the sheriff may from time to time direct. The appointment of a deputy sheriff must not be construed to confer upon that deputy
policymaking authority for the office of the sheriff or the county by which the deputy sheriff is employed.

(b) Except as otherwise provided in this paragraph, only remove a deputy who has completed a probationary period of 12 months for cause. A deputy who functions as the head of a department or an administrative employee or who has not completed the probationary period may be removed at the sheriff’s pleasure.

2. For the purposes of paragraph (b) of subsection 1, in any county whose population is less than 45,000, “cause” includes, without limitation:
   (a) Failure to be certified by the Peace Officers’ Standards and Training Commission within the time required by NRS 289.550;
   (b) Loss of the certification by the Peace Officers’ Standards and Training Commission required by NRS 289.550; or
   (c) Failure to maintain a valid driver’s license.

This subsection does not limit or impair any internal grievance procedure, grievance procedure negotiated pursuant to chapter 288 of NRS or administrative remedy otherwise available to a deputy.

3. No deputy sheriff is qualified to act as such unless he or she has taken an oath to discharge the duties of the office faithfully and impartially. The oath, together with the written appointment, must be recorded in the office of the recorder of the county within which the sheriff legally holds and exercises office. Revocations of such appointments must be recorded as provided in this subsection. From the time of the recording of the appointments or revocations therein, persons shall be deemed to have notice of the appointments or revocations.

4. The sheriff may require of his or her deputies such bonds as to the sheriff seem proper.

Sec. 2. This act becomes effective on July 1, 2013.

Senate Bill No. 301.

Bill read second time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 711.

AN ACT relating to taxation; requiring a county treasurer to assign a tax lien against a parcel of real property located within the county if an assignment is authorized by an agreement between the owner of the property
and the assignee; requiring the county treasurer to issue a certificate of assignment for each tax lien assigned; authorizing the assignee of a tax lien to commence an action against the property owner for the collection of the delinquent taxes, penalties, interest, fees and costs or to pursue any other remedy authorized by the agreement with the owner; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law authorizes a county treasurer to sell a tax lien against a parcel of real property upon which taxes have become delinquent. The consent of the owner of the property is not a prerequisite to such a sale. (NRS 361.731-361.733) This bill amends those provisions to delete references to the sale of a tax lien and to require that the county treasurer assign a tax lien if the property owner and the assignee enter into a written agreement that so provides and the assignee pays to the county treasurer an amount equal to the delinquent taxes and accrued penalties, interest, fees and costs. Section 4 of this bill sets forth the mandatory and permissible terms of such an agreement. Sections 5-10 of this bill revise various provisions relating to delinquent taxes and the collection of such taxes to add references to the assignee of a tax lien, and to provide for an action by the assignee against the owner to recover delinquent taxes, penalties, interest, fees and costs. Sections 11-19 of this bill amend existing provisions governing the sale of a tax lien to provide for the assignment of the lien and the respective rights and duties of the county treasurer, the owner of the property and the assignee. Section 21 of this bill authorizes an assignee to bring an action against the owner for the recovery of delinquent taxes, penalties, interest, fees and costs, or to pursue any other remedy authorized by the assignee’s agreement with the owner.

Existing law imposes certain limitations on the enforcement of any right secured by a mortgage or other lien upon real estate. (NRS 40.430) Section 22 of this bill provides that these limitations are not applicable to any action, described above, brought by an assignee against an owner to recover delinquent taxes or brought pursuant to an agreement between the assignee and the owner.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 361 of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.

Sec. 2. As used in this section and NRS 361.731 to 361.733, inclusive, and sections 3 and 4 of this act, unless the context otherwise requires, the words and terms defined in NRS 361.731 and section 3 of this act have the meanings ascribed to them in those sections.

Sec. 3. "Assignee" means a person:
1. To whom an assignment of a tax lien is authorized pursuant to this section and NRS 361.731 to 361.733, inclusive, and sections 2 and 4 of this act; or

2. Who is the holder of a certificate of assignment issued pursuant to NRS 361.7318.

Sec. 4. 1. If any taxes assessed against a parcel of real property pursuant to this chapter are delinquent and the requirements of NRS 361.7316 are otherwise satisfied, an owner of the property may authorize the county treasurer of the county in which the property is located to assign to an assignee the tax lien on the property. Any such authorization must be in writing and acknowledged by the owner before a notary public.

2. An authorization given pursuant to this section must be made pursuant to a separate written agreement between the owner and the assignee. The agreement:
   (a) Must provide that:
      (1) The owner may redeem the tax lien by paying to the assignee the amounts required by the agreement, in the manner provided by the agreement; and
      (2) The assignee is required to issue a release of the tax lien to the owner within 20 business days after the owner pays in full the amounts required by the agreement and otherwise fully performs the owner’s obligations under the agreement.
   (b) May provide for payment by the owner to the assignee of:
      (1) The amount paid by the assignee to the county treasurer pursuant to NRS 361.7312 as consideration for the assignment;
      (2) Fees for recording and other expenses incurred by the assignee in connection with the authorization and assignment, the total of which must not exceed $600 if the property is a single-family residence occupied by the owner;
      (3) Interest on the foregoing amounts, until paid as provided by the agreement, at a rate not to exceed 15 percent per annum; and
      (4) Any costs reasonably and necessarily incurred by the assignee to enforce the agreement or the tax lien, including, without limitation, attorney’s fees and costs of suit, if the owner does not redeem the lien or otherwise does not perform in accordance with the agreement.
   (c) May provide for either or both of the following remedies if the owner fails to redeem the tax lien or otherwise fails to perform in accordance with the agreement:
      (1) An action by the assignee for collection of the amounts due pursuant to the agreement, as provided by law for the enforcement of contracts in writing; and
(2) An action by the assignee for collection of the taxes, penalties, interest, fees and costs relating to the tax lien, in the manner provided by NRS 361.625 to 361.730, inclusive, except insofar as any provision of those sections applies only to the district attorney of the county or an action commenced by the district attorney.

3. The assignee shall cause the agreement described in subsection 2, with the certificate of assignment of the tax lien issued pursuant to NRS 361.7318, to be recorded in the office of the county recorder of the county in which the property is located.

Sec. 5. NRS 361.5648 is hereby amended to read as follows:

361.5648 1. Within 30 days after the first Monday in March of each year, with respect to each property on which the tax is delinquent, the tax receiver of the county shall mail notice of the delinquency by first-class mail to:

(a) The owner or owners of the property;

(b) The person or persons listed as the taxpayer or taxpayers on the tax rolls, at their last known addresses, if the names and addresses are known; and

(c) Each holder of a recorded security interest if the holder has made a request in writing to the tax receiver for the notice, which identifies the secured property by the parcel number assigned to it in accordance with the provisions of NRS 361.189;

(d) Each assignee of a tax lien on the property, if the assignee has made a request in writing to the tax receiver for the notice described in paragraph (c).

2. The notice of delinquency must state:

(a) The name of the owner of the property, if known.

(b) The description of the property on which the taxes are a lien.

(c) The amount of the taxes due on the property and the penalties and costs as provided by law.

(d) That if the amount is not paid by or on behalf of the taxpayer or his or her successor in interest;

The tax receiver will, at 5 p.m. on the first Monday in June of the current year, issue to the county treasurer, as trustee for the State and county, a certificate authorizing the county treasurer to hold the property, subject to redemption within 2 years after the date of the issuance of the certificate, by payment of the taxes and accruing taxes, penalties and costs, together with interest on the taxes at the rate of 10 percent per annum, assessed monthly, from the date due until paid as provided by law, except as otherwise provided in NRS 360.232 and 360.320, and that redemption may be made in accordance with the provisions of chapter 21 of NRS in regard to real property sold under execution.
A tax lien may be sold against the parcel pursuant to the provisions of NRS 361.731 to 361.733, inclusive.

3. Within 30 days after mailing the original notice of delinquency, the tax receiver shall issue his or her personal affidavit to the board of county commissioners affirming that due notice has been mailed with respect to each parcel. The affidavit must recite the number of letters mailed, the number of letters returned and the number of letters finally determined to be undeliverable. Until the period of redemption has expired, the tax receiver shall maintain detailed records which contain such information as the Department may prescribe in support of the affidavit.

4. A second copy of the notice of delinquency must be sent by certified mail, not less than 60 days before the expiration of the period of redemption as stated in the notice.

5. The cost of each mailing must be charged to the delinquent taxpayer.

6. A county and its officers and employees are not liable for any damages resulting from failure to provide actual notice pursuant to this section if the county, officer or employee, in determining the names and addresses of persons with an interest in the property, relies upon a preliminary title search from a company authorized to provide title insurance in this State.

Sec. 6. NRS 361.570 is hereby amended to read as follows:

361.570 1. Pursuant to the notice given as provided in NRS 361.5648 and 361.565 and at the time stated in the notice, the tax receiver shall make out a certificate that describes each property on which delinquent taxes, penalties, interest and costs have not been paid. The certificate authorizes the county treasurer, as trustee for the State and county, to hold each property described in the certificate for the period of 2 years after the first Monday in June of the year the certificate is dated, unless sooner redeemed.

2. The certificate must specify:
   (a) The amount of delinquency on each property, including the amount and year of assessment;
   (b) The taxes, and the penalties and costs added thereto, on each property, and that, except as otherwise provided in NRS 360.232 and 360.320, interest on the taxes will be added at the rate of 10 percent per annum, assessed monthly, from the date due until paid; and
   (c) The name of the owner or taxpayer of each property, if known.

3. The certificate must state:

(c) That a tax lien may be offered assigned against the parcel pursuant to the provisions of NRS 361.731 to 361.733, inclusive, and sections 2, 3 and 4 of this act.

4. Until the expiration of the period of redemption, each property held pursuant to the certificate must be assessed annually to the county treasurer as trustee. Before the owner or his or her successor redeems the property, he or she must also pay the county treasurer holding the certificate any additional taxes, penalties and costs assessed and accrued against the property after the date of the certificate, together with interest on the taxes at the rate of 10 percent per annum, assessed monthly, from the date due until paid, unless otherwise provided in NRS 360.232 and 360.320.

5. A county treasurer shall take a certificate issued to him or her pursuant to this section. The county treasurer may cause the certificate to be recorded in the office of the county recorder against each property described in the certificate to provide constructive notice of the amount of delinquent taxes on each property respectively. The certificate reflects the amount of delinquent taxes, penalties, interest and costs due on the properties described in the certificate on the date on which the certificate was recorded, and the certificate need not be amended subsequently to indicate additional taxes, penalties, interest and costs assessed and accrued or the repayment of any of those delinquent amounts. The recording of the certificate does not affect the statutory lien for taxes provided in NRS 361.450.

Sec. 7. NRS 361.645 is hereby amended to read as follows:

361.645 1. The delinquent list or a copy thereof certified by the county treasurer showing unpaid taxes against any person or property is prima facie evidence in any court in an action commenced by the district attorney pursuant to the provisions of this chapter to prove:

3. Any action described in subsection 1 or 2 may be commenced in the county where the assessment is made, before any court in the county having jurisdiction of the amount thereof. The jurisdiction must be determined solely by the amount of delinquent taxes, exclusive of penalties and costs sued for, without regard to the location of the lands or other property as to townships, cities or districts, and without regard to the residence of the person or persons, or owner or owners, known or unknown.

Sec. 9. NRS 361.685 is hereby amended to read as follows:
361.685 1. The district attorney or the holder of a certificate of purchase assignee of a tax lien issued assigned pursuant to NRS 361.731 to 361.733, inclusive, and sections 2, 3 and 4 of this act shall file in the office of the county recorder a copy of each notice published or posted, with the affidavit of the publisher or foreman in the office, setting forth the date of each publication of the notice in the newspaper in which the notice was published.

If the defense is based upon the ground that the assessment is above the taxable value of the property, the defense is only valid as to the proportion of the tax based upon the excess of valuation, but in no such case may an entire assessment be declared void.

6. If the action is brought by the assignee of a tax lien issued pursuant to NRS 361.731 to 361.733, inclusive, and sections 2, 3 and 4 of this act, that the defendant is the owner of a parcel of real property against which a tax lien was sold in a manner that assignment did not comply with the provisions of NRS 361.731 to 361.733, inclusive.

7. If the action is brought by the assignee of a tax lien issued pursuant to NRS 361.731 to 361.733, inclusive, and sections 2, 3 and 4 of this act, that the defendant has redeemed the tax lien pursuant to NRS 361.7326.

1. To the county treasurer; or

2. If the lien is assigned pursuant to NRS 361.731 to 361.733, inclusive, and sections 2, 3 and 4 of this act, to the assignee or any successor in interest of the assignee.

Sec. 12. NRS 361.7312 is hereby amended to read as follows:

(a) Presents the county treasurer with:
   (1) Written authorization for the assignment, duly executed by the
       owner of the property in accordance with section 4 of this act; and
   (2) Evidence that the assignee has posted and maintains the bond
       required by NRS 361.7314 in the penal sum required by that section, or an

   (a) "Insurer" has the meaning ascribed to it in NRS 679A.100.
   (b) "Policy of insurance for medical malpractice" has the meaning
       ascribed to it in NRS 679B.144. An assignment of a tax lien pursuant to
       this section does not affect the priority of the tax lien.

Sec. 13. NRS 361.7314 is hereby amended to read as follows:

361.7314  1. Before a county may offer for sale tax liens against
          parcels of real property located within the county, the board of county

               on the parcel of real property which is the subject of the tax lien. Except as
otherwise provided in subsection 4, an assignee shall post a cash bond or surety bond:
(a) In the penal sum of $500,000; and

Bill ordered reprinted, re-engrossed and to third reading.

Senate Bill No. 321.
Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 684.

AN ACT relating to real property; revising provisions governing the foreclosure of owner-occupied property securing a residential mortgage loan; providing civil remedies for failure to comply with certain provisions governing the foreclosure of owner-occupied property securing a residential mortgage loan; authorizing a [defendant mortgagor] in a judicial foreclosure action to elect mediation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, the trustee under a deed of trust concerning owner-occupied housing has the power to sell the property to which the deed of trust applies, subject to certain restrictions. (NRS 107.080, 107.085, 107.086)

Existing law also provides for a judicial foreclosure action under certain circumstances for the recovery of any debt or for the enforcement of any right secured by a mortgage or other lien upon real estate. (NRS 40.430)

Sections 2-16 of this bill establish additional restrictions on the exercise of the trustee’s power of sale and the judicial requirements for the foreclosure which apply only to a residential mortgage loan secured by a mortgage on owner-occupied housing that is securing a residential mortgage loan. Under section 7.5 of this bill, these additional restrictions do not apply to a financial institution that, during its immediately preceding annual reporting period, as established with its primary regulator, has foreclosed on 100 or fewer owner-occupied homes located in this State. Under section 30 of this bill, these additional restrictions apply only to a notice of default and election to sell which is recorded on or after October 1, 2013.

Section 10 of this bill provides that at least 30 calendar days before recording a notice of default and election to sell or commencing a judicial foreclosure action and at least 30 calendar days after the borrower’s default, the mortgage servicer, mortgagee or beneficiary of the deed of trust must provide to the borrower certain information concerning the borrower’s account, the foreclosure prevention alternatives offered by the mortgage servicer, mortgagee or beneficiary and a statement of the facts supporting the right of the mortgagee or beneficiary to foreclose. Section 11 of this bill prohibits the recording of a notice of default and election to sell or the commencement of a judicial foreclosure action involving a failure to make payment until the mortgage servicer complies with certain requirements regarding contact with, or attempts to contact, the borrower. Section 13 of this bill prohibits the practice commonly known as “dual-tracking” by prohibiting a mortgage servicer, trustee, mortgagee or beneficiary of a deed of trust from continuing the foreclosure process while an application for a foreclosure prevention alternative is pending or while the borrower is current on his or her obligation under a foreclosure prevention alternative. Section 14 of this bill requires a mortgage servicer to provide a single point of contact for a borrower who requests a foreclosure prevention alternative. Section 15 of this bill requires that under certain circumstances, a mortgage servicer, mortgagee or beneficiary of a deed of trust must cause to be dismissed or rescind a recorded notice of default and election or notice of sale. Section 16 of this bill provides for certain civil remedies for a material violation of the provisions of sections 2-16.
Section 18 of this bill provides that a defendant in a judicial foreclosure action concerning owner-occupied property, the mortgagor may elect to participate in the Foreclosure Mediation Program.

WHEREAS, The State of Nevada has been severely affected by the mortgage foreclosure crisis and consistently ranks as one of the top states for underwater home mortgage loans, mortgage defaults and foreclosures; and

WHEREAS, The dramatic increase in foreclosures during the mortgage foreclosure crisis has led to predatory and illegal practices by mortgage servicers and outside firms hired by mortgage servicers; and

WHEREAS, The Nevada Attorney General investigated and sued certain large financial institutions for engaging in illegal practices relating to the servicing of mortgage loans in default and entered into consent agreements and settlements requiring certain large financial institutions to adopt certain practices when servicing a mortgage loan in default; and

WHEREAS, The consent agreements and settlements only apply to the large financial institutions and are not permanent; and

WHEREAS, All homeowners in the State of Nevada deserve better consumer protections and fair and honest treatment in the servicing of mortgage loans in default; now therefore,

Sec. 7.7. The provisions of sections 2 to 16, inclusive, of this act must not be construed to authorize a mortgage servicer, a mortgagee or a beneficiary of a deed of trust to restrict a borrower from pursuing concurrently more than one foreclosure prevention alternative.

Sec. 8. 1. In addition to the requirements of NRS 107.085 and 107.086, the exercise of a trustee’s power of sale pursuant to NRS 107.080 with respect to a deed of trust securing a residential mortgage loan is subject to the provisions of sections 2 to 16, inclusive, of this act.

The assessment of the borrower’s financial situation and discussion of the options to avoid a foreclosure sale may occur during the initial contact or at the subsequent meeting scheduled for that purpose. In either case, the borrower must be provided the toll-free telephone number made available by the United States Department of Housing and Urban Development to find a housing counseling agency certified by that
Department. Any meeting pursuant to this subsection may occur by telephone.

3. The loss mitigation personnel of a mortgage servicer may participate by telephone during any contact with a borrower required by this section.

4. A borrower may designate, with consent given in writing, a housing counseling agency certified by the United States Department of Housing and Urban Development, an attorney or any other adviser to discuss with the mortgage servicer, on the borrower’s behalf, the borrower’s financial situation and options for the borrower to avoid a foreclosure sale. Contact with a person or agency designated by a borrower pursuant to this subsection satisfies the requirements of subsection 2. (b) After mailing the letter required by paragraph (a), the mortgage servicer attempts to contact the borrower by telephone at least 3 times at different hours on different days. Telephone calls made pursuant to this paragraph must be made to the primary telephone number of the borrower which is on file with the mortgage servicer. A mortgage servicer may attempt to contact a borrower pursuant to this paragraph by using an automated system to dial borrowers if, when the telephone call is answered, the call is connected to a live representative of the mortgage servicer. A mortgage servicer satisfies the requirements of this paragraph if it determines, after attempting to contact a borrower pursuant to this paragraph, that the primary telephone number of the borrower which is on file with the mortgage servicer and any secondary telephone numbers on file with the mortgage servicer have been disconnected.

(c) If the borrower does not respond within 14 calendar days after the mortgage servicer satisfies the requirements of paragraph (b), the

If the property is subject to the requirements of sections 2 to 16, inclusive, of this act, a notice of default and election to sell recorded pursuant to subsection 2 of NRS 107.080 or a complaint commencing a civil action for the recovery of any debt, or for the enforcement of any right, under a foreclosure sale pursuant to NRS 40.430 involving a failure to make a payment required by a residential mortgage loan that is not barred by NRS 40.420, must contain a declaration that the mortgage servicer has contacted the borrower as required by subsection 2, has attempted to contact the grantor or the person who holds title of record, or that no contact was required.

Sec. 12. 1. Not later than 5 business days after receiving an application for a foreclosure prevention alternative or any document in connection with such an application, a mortgage servicer, mortgagee or beneficiary of the deed of trust shall send to the borrower written acknowledgment of the receipt of the application or document.

2. The mortgage servicer, mortgagee or beneficiary of the deed of trust shall include in the initial acknowledgment of receipt of an application for a foreclosure prevention alternative:

(a) A description of the process for considering the application, including, without limitation, an estimate of when a decision on the

(a) Include in the initial acknowledgment of receipt of the application required by subsection 2 a statement of any deficiencies in the borrower’s application; and

(b) Allow the borrower not less than 30 calendar days to submit any documents or information required to complete the application.

Sec. 13. 1. If a borrower submits an application for a foreclosure prevention alternative offered by, or through, the borrower’s mortgage servicer or mortgagee or the beneficiary of the deed of trust, then the mortgage servicer, mortgagee, trustee, beneficiary of the deed of trust or an authorized agent of such a person may not commence a civil action for the recovery of any debt, or for the enforcement of any right, under a foreclosure sale pursuant to NRS 40.430 involving a failure to make a payment required by a residential mortgage loan, that is not barred by NRS 40.430, record a notice of default and election to sell pursuant to subsection 2 of NRS 107.080 or a notice of sale pursuant to subsection 4 of NRS 107.080, or conduct a foreclosure sale until one of the following has occurred:

(d) The borrower accepts a written offer for a foreclosure prevention alternative, but defaults on, or otherwise breaches the borrower’s obligations under, the foreclosure prevention alternative.

2. Not later than 30 calendar days after the borrower submits a complete application for a foreclosure prevention alternative, the mortgage servicer shall submit to the borrower a written offer for a foreclosure prevention alternative or the written statement of the denial of the application described in subsection 4. The borrower must accept or reject the offer within 14 calendar days after the borrower receives the offer. If a borrower does not accept a written offer for a foreclosure prevention alternative within 14 calendar days after the borrower receives the offer for the foreclosure prevention alternative, the offer is deemed to be rejected.

3. If a borrower accepts an offer for a foreclosure prevention alternative, the mortgage servicer must provide the borrower with a copy of the complete agreement evidencing the foreclosure prevention alternative, signed by the mortgagee or beneficiary of the deed of trust or an agent or authorized representative of the mortgagee or beneficiary.

4. If a borrower submits a complete application for a foreclosure prevention alternative and the borrower’s application is denied, the mortgage servicer must send to the borrower a written statement of:

(a) The reason or reasons for the denial;
(b) The amount of time the borrower has to request an appeal of the denial, which must be not less than 30 days; and
(c) Instructions regarding how to appeal the denial, including, without limitation, how to provide evidence that the denial was in error.

5. If a borrower submits a complete application for a foreclosure prevention alternative and the borrower’s application is denied, the mortgage servicer, mortgagee, trustee, beneficiary of the deed of trust, or an authorized agent of such a person may not commence a civil action for the recovery of any debt, or for the enforcement of any right, under a foreclosure sale pursuant to NRS 40.430 involving a failure to make a payment required by a residential mortgage loan that is not barred by NRS 40.430, record a notice of default and election to sell pursuant to subsection 2 of NRS 107.080 or a notice of sale pursuant to subsection 4 of NRS 107.080, or conduct a foreclosure sale until the later of:
(a) Thirty-one calendar days after the borrower is sent the written statement required by subsection 3; and
(b) If the borrower appeals the denial, the later of:
   (1) Fifteen calendar days after the denial of the appeal;
   (2) If the appeal is successful, 14 calendar days after a first lien loan modification or another foreclosure prevention alternative offered after appeal is rejected by the borrower; and
   (3) If the appeal is successful and a first lien loan modification or another foreclosure prevention alternative is offered and accepted, the date on which the borrower fails to timely submit the first payment or otherwise breaches the terms of the offer.

6. If the borrower appeals the denial of a complete application for a foreclosure prevention alternative, not later than 30 calendar days after the borrower requests the appeal, the mortgage servicer must submit to the borrower a written offer for a foreclosure prevention alternative or a written denial of the appeal. The borrower must accept or reject the offer within 14 calendar days after the borrower receives the offer. If a borrower does not accept a written offer for a foreclosure prevention alternative within 14 calendar days after the borrower receives the written offer for the foreclosure prevention alternative, the offer is deemed to be rejected.

7. A mortgage servicer shall not charge or collect any:

8. A mortgage servicer is not required to evaluate an application from a borrower who has already been evaluated or afforded a fair opportunity to be evaluated for a foreclosure prevention alternative before October 1, 2013, or who has been evaluated or afforded a fair opportunity to be evaluated consistent with the requirements of this section, unless:
   (a) There has been a material change in the borrower’s financial circumstances since the date of the borrower’s previous application; and
   (b) That change is documented by the borrower and submitted to the mortgage servicer.

9. For purposes of this section, an application is complete when a borrower has supplied the mortgage servicer with all documents required
by the mortgage servicer within the reasonable timeframes specified by the mortgage servicer.

Sec. 14. 1. If a borrower requests a foreclosure prevention alternative, the mortgage servicer must promptly establish a single point of contact and provide to the borrower one or more direct means of communication with the single point of contact.

2. A single point of contact is responsible for:
   (a) Communicating the process by which a borrower may apply for an available foreclosure prevention alternative and the deadline for any required submissions to be considered for the foreclosure prevention alternatives.

   (e) Having access to a person or persons with the ability and authority to stop the foreclosure process when necessary.

3. A single point of contact must remain assigned to the borrower’s account until the mortgage servicer determines that all foreclosure prevention alternatives offered by, or through, the mortgage servicer have been exhausted or the borrower’s account becomes current.

4. The mortgage servicer shall ensure that a single point of contact refers and transfers a borrower to an appropriate supervisor upon request of the borrower, if the single point of contact has a supervisor.

5. If the responsibilities of a single point of contact are performed by a team of personnel, the mortgage servicer must ensure that each member of the team is knowledgeable about the borrower’s situation and current status in the process of seeking a foreclosure prevention alternative.

6. As used in this section, “single point of contact” means a natural person or a team of personnel each of whom has the ability and authority to perform the responsibilities described in this section.

Sec. 15. 1. A civil action for a foreclosure sale pursuant to NRS 40.430 involving a failure to make a payment required by a residential mortgage loan must be dismissed without prejudice, if a civil action commenced for the recovery of any debt, or for the enforcement of any right,
under a residential mortgage loan that is not barred by NRS 40.430, or cause to be withdrawn any notice of default and election to sell recorded pursuant to subsection 2 of NRS 107.080 or any notice of sale recorded pursuant to subsection 4 of NRS 107.080 must be rescinded, and any pending foreclosure sale must be cancelled, if:

(a) The borrower accepts a permanent foreclosure prevention alternative;
(b) A notice of sale is not recorded within 9 months after the notice of default and election to sell is recorded pursuant to subsection 2 of NRS 107.080; or
(c) A foreclosure sale is not conducted within 90 calendar days after a notice of sale is recorded pursuant to subsection 4 of NRS 107.080.

2. The periods specified in paragraphs (b) and (c) of subsection 1 are tolled:

(a) If a borrower has filed a case under 11 U.S.C. Chapter 7, 11, 12 or 13, until the bankruptcy court enters an order closing or dismissing the bankruptcy case or granting relief from a stay of foreclosure or trustee’s sale;

If, pursuant to subsection 1, a civil action is dismissed, a notice of default and election to sell recorded pursuant to subsection 2 of NRS 107.080 or any notice of sale recorded pursuant to subsection 4 of NRS 107.080 must be rescinded, or any pending foreclosure sale is cancelled, the mortgagee or beneficiary of the deed of trust is thereupon restored to its former position and has the same rights as though an action
for a judicial foreclosure had not been commenced or a notice of default and election to sell had not been recorded.

Sec. 16. 1. If a trustee’s deed upon sale has not been recorded, pursuant to subsection 9 of NRS 107.080, a borrower may bring an action for injunctive relief to enjoin a material violation of sections 2 to 16, inclusive, of this act. If a sheriff has not recorded the certificate of the sale of the property, pursuant to subsection 5 of NRS 40.430, a borrower may obtain an injunction to enjoin a material violation of sections 2 to 16, inclusive, of this act. An injunction issued pursuant to this subsection remains in place and any foreclosure sale must be enjoined until the court determines that the mortgage servicer, mortgagee, beneficiary of the deed of trust or an authorized agent of such a person has corrected and remedied the violation giving rise to the action for injunctive relief. An enjoined person may move to dissolve an injunction based on a showing that the material violation has been corrected and remedied.

2. After a trustee’s deed upon sale has been recorded, pursuant to subsection 9 of NRS 107.080, or after a sheriff has recorded the certificate of the sale of the property, pursuant to subsection 5 of NRS 40.430, a borrower may bring a civil action in the district court in the county in which the property is located to recover his or her actual economic damages resulting from a material violation of sections 2 to 16, inclusive, of this act by the mortgage servicer, mortgagee, beneficiary of the deed of trust or an authorized agent of such a person, if the material violation was not corrected and remedied before the recording of the trustee’s deed upon sale, pursuant to subsection 9 of NRS 107.080, or the recording of the certificate of sale of the property pursuant to subsection 5 of NRS 40.430. If the court finds that the material violation was intentional or reckless, or resulted from willful misconduct by a mortgage servicer, mortgagee, beneficiary of the deed of trust or an authorized agent of such a person, the court may award the borrower the greater of treble actual damages or statutory damages of $50,000.

3. A mortgage servicer, mortgagee, beneficiary of the deed of trust or an authorized agent of such a person is not liable for any violation of sections 2 to 16, inclusive, of this act that it has corrected and remedied, or that has been corrected and remedied on its behalf by a third party, before the recording of the trustee’s deed upon sale, pursuant to subsection 9 of NRS 107.080, or the recording of the certificate of sale of the property pursuant to subsection 5 of NRS 40.430.

4. A violation of sections 2 to 16, inclusive, of this act does not affect the validity of a sale to a bona fide purchaser for value and any of its encumbrancers for value without notice.
5. A signatory to a consent judgment entered in the case entitled United States of America et al. v. Bank of America Corporation et al., filed in the United States District Court for the District of Columbia, case number 1:12-cv-00361 RMC, that is in compliance with the relevant terms of the Settlement Term Sheet of that consent judgment with respect to the borrower who brought an action pursuant to this section while the consent judgment is in effect is not liable for a violation of sections 2 to 16, inclusive, of this act. If the consent judgment is modified or amended on or after October 1, 2013, to permit compliance with the relevant provisions of 12 C.F.R. Part 1024, commonly known as Regulation X, and 12 C.F.R. Part 1026, commonly known as Regulation Z, as those regulations are amended by the Final Servicing Rules issued by the Consumer Financial Protection Bureau in 78 Federal Register 10,696 on February 14, 2013, and any amendments thereto, to supersede some or all of the relevant terms of the Settlement Term Sheet of the consent judgment, a signatory who is in compliance with the modified or amended Settlement Term Sheet of the consent judgment while the consent judgment is in effect is not liable for a violation of sections 2 to 16, inclusive, of this act.

6. A court may award a prevailing borrower costs and reasonable attorney's fees in an action brought pursuant to this section.

7. The rights, remedies and procedures provided by this section are in addition to and independent of any other rights, remedies or procedures provided by law.

Sec. 16.5.

1. No provision of the laws of this State may be construed to require a sale in lieu of a foreclosure sale to be an arm's length transaction or to prohibit a sale in lieu of a foreclosure sale that is not an arm's length transaction.

2. As used in this section, “sale in lieu of a foreclosure sale” has the meaning ascribed to it in NRS 40.4634.

(d) Not less than 3 months have elapsed after the recording of the notice.

3. The 15- or 35-day period provided in paragraph (a) of subsection 2, or the period provided in paragraph (b) of subsection 2, commences on the first day following the day upon which the notice of default and election to sell is recorded in the office of the county recorder of the county in which the property is located and a copy of the notice of default and election to sell is mailed by registered or certified mail, return receipt requested and with postage prepaid to the grantor or, to the person who holds the title of record on the date the notice of default and election to sell is recorded, and, if the property is operated as a facility licensed under chapter 449 of NRS, to the State Board of Health, at their respective addresses, if known, otherwise to the address of the trust property. 5. If the defendant mortgagor elected to enter into mediation and fails to attend the mediation, no mediation is required and the judicial foreclosure action must proceed as if the plaintiff mortgagor had not elected to enter into mediation.

6. Senate Bill No. 373.

Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 748.

AN ACT relating to judgments; authorizing a court to issue an order permitting a judgment debtor to pay a judgment in installments under certain circumstances; increasing the percentage of a judgment debtor’s disposable earnings which is exempt from execution under certain circumstances; authorizing a judgment debtor who is a resident of this State to bring a civil action in certain circumstances against a judgment creditor who obtains a writ of garnishment without domesticating a foreign judgment; revising provisions relating to the exemption of annuity benefits from certain claims of the annuitant’s creditors; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 1 of this bill authorizes a court to allow a person who has had a judgment for the payment of money entered against him or her to pay the judgment in installments from income or property that is not exempt from execution if the court determines that the defendant is unable to pay the judgment.

Existing law provides that 75 percent of a judgment debtor’s disposable earnings for any workweek are exempt from execution. (NRS 21.025, 21.075, 21.090, 31.045, 31.295) Sections 2-4 and 6, 8 and 9 of this bill increase the exemption to 85 percent of a judgment debtor’s disposable
earnings for any workweek if the gross annual salary or wage of the debtor is \( \$40,000 \) or less.

Existing law requires a judgment creditor who seeks to enforce a foreign judgment in this State to domesticate the foreign judgment by filing a copy of the foreign judgment with the clerk of any district court of this State. (NRS 17.330-17.400) Section 5 of this bill authorizes a judgment debtor who is a resident of this State to bring a civil action against a judgment creditor who, without domesticking a foreign judgment, garnishes a bank account or any other personal property maintained by the judgment debtor at a branch of a financial institution located in this State or the earnings of the judgment debtor from employment in this State.

Existing law exempts annuity benefits from certain claims of the annuitant's creditors under certain circumstances. (NRS 687B.290) Section 10 of this bill subjects certain amounts of annuity benefits to execution by certain creditors of the annuitant.

Answer: ……………………………………………………………………………

Are you an employer of one or all of the defendants? If so,
state the length of your pay period and the amount of disposable

carries during a pay period. State the minimum amount of disposable
earnings that is exempt from this garnishment, which is the federal

withheld.

Calculate the garnishable amount as follows:

(Perform the following calculations)

(1) Gross Earnings $………………
(2) Deductions required by law (not including child support)

$………………
(3) Disposable Earnings [Subtract line 2 from line 1] $………………
(4) Federal Minimum Wage $………………
(5) Multiply line 4 by 50 $………………
(6) Complete the following directions in accordance with the letter
selected above:

[A] Multiply line 5 by 1 $………………
[B] Multiply line 5 by 2 $..............
[C] Multiply line 5 by 52 and then divide by 24 $.................

Answer: ……………………………………………………...

Are you a financial institution with a personal account held by one or all of the defendants? If so, state the account number and the amount of money in the account which is subject to garnishment. As set forth in NRS 21.105, $2,000 or the entire amount in the account, whichever is less, is not subject to garnishment if the financial institution reasonably identifies that an electronic deposit of money has been made into the account within the immediately preceding 45 days which is exempt from execution, including, without limitation, payments of money described in NRS 21.105 or, if no such deposit has been made, $400 or the entire amount in the account, whichever is less, is not subject to garnishment, unless the garnishment is for the recovery of money owed for the support of any person. The amount which is not subject to garnishment does not apply to each account of the judgment debtor, but rather is an aggregate amount that is not subject to garnishment.

The following amendment was proposed by the Committee on Health and Human Services:
Amendment No. 775.
AN ACT relating to hypodermic devices; authorizing [governmental] certain entities [and certain persons] to establish a program for the safe distribution and disposal of hypodermic devices and certain other material; requiring the county board of health or district board of health for the county in which a sterile hypodermic device program operates to establish guidelines governing such a program; providing that the possession of a trace amount of a controlled substance is not a criminal offense in certain circumstances; removing hypodermic devices from the list of paraphernalia that is prohibited for delivery, sale, possession, manufacture or use in this State; providing that hypodermic devices may be sold or furnished without a prescription if not prohibited by federal law in certain circumstances; repealing a provision which makes it a crime to misuse a hypodermic device; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Section 4 of this bill authorizes a governmental entity, a tax-exempt nonprofit corporation, a public health program, a licensed medical facility or a person who has a tax-exempt nonprofit corporation as a fiscal sponsor, to establish a program for the safe distribution and disposal of hypodermic devices. Section 4.5 of this bill requires the county board of health or district board of health for the county in which a sterile hypodermic device program operates to establish guidelines governing such a program. Sections 5-7 of this bill enact provisions governing the operation of a sterile hypodermic device program, including, without limitation, the training of the staff and volunteers of the program and the devices, material
and information that a program may provide. **Section 8** of this bill provides that the State, any of its political subdivisions and a sterile hypodermic device program and its staff and volunteers are exempt from civil liability relating to the operation of a sterile hypodermic device program. **Section 9** of this bill: (1) provides for the confidentiality of any record which is obtained or created in the operation of a sterile hypodermic device program; (2) provides that such records are not discoverable or admissible in criminal proceedings; (3) prohibits the use of records obtained from a sterile hypodermic device program as a basis for initiating a criminal charge, or to substantiate a criminal charge, against a person who participates in the program; and (4) provides that the staff and volunteers of a sterile hypodermic device program cannot be compelled to provide evidence in criminal proceedings concerning information known to the staff member or volunteer through the program.

Existing law prohibits the possession of a controlled substance. (NRS 453.336) **Section 11** of this bill provides that a person does not violate this provision if he or she has a trace amount of a controlled substance that is in or on a hypodermic device that was obtained from a sterile hypodermic device program.

Existing law prohibits the delivery, sale, possession or manufacture of certain drug paraphernalia when the person engaging in the act reasonably should know that it will be used for an illegal purpose. (NRS 453.560) Existing law further makes it a felony for a person to deliver drug paraphernalia to a minor who is at least 3 years younger than the person. (NRS 453.562) **Section 12** of this bill removes hypodermic devices from the list of items that may be found to constitute drug paraphernalia.

Existing law authorizes the sale of hypodermic devices which are not restricted by federal law to being sold by prescription to be sold without a prescription for certain limited purposes. (NRS 454.480) **Section 15** of this bill removes the restrictions so that hypodermic devices may be sold or furnished without a prescription for any purpose so long as the sale of such devices is not restricted by federal law.

**Section 16** of this bill repeals a provision which makes it a misdemeanor to use or allow the use of a hypodermic device for a purpose other than that for which it was purchased, because the specific uses were removed in **section 15**.

**WHEREAS,** The human immunodeficiency virus, hepatitis and other infectious diseases that may be transmitted through the use of unsterile hypodermic devices such as syringes and needles pose a major health threat in the United States, causing thousands of deaths and millions of dollars in preventable health care costs each year; and
WHEREAS, The lack of availability of sterile hypodermic devices is a major cause of this serious health threat; and
WHEREAS, Hundreds of studies have demonstrated that making sterile hypodermic devices available to persons who inject drugs reduces the spread of infectious disease and does not encourage drug use; and
WHEREAS, The trend among states has been to deregulate the possession, sale and use of hypodermic devices and to make such devices more accessible; and
WHEREAS, Increasing access to sterile hypodermic devices is necessary to control the spread of life-threatening infectious diseases; now, therefore,

Senate Bill No. 424.
Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 750.
AN ACT relating to real property; revising provisions governing the sale of real property by certain banking and financial institutions after a foreclosure sale or trustee’s sale; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
This bill provides that if a banking or other financial institution forecloses on real property, purchases that real property at the foreclosure sale or trustee’s sale and intends to sell the real property for an amount less than the amount of the indebtedness, the banking or other financial institution must afford the debtor a right of first refusal if: (1) the real property is a single-family dwelling and the debtor was the owner of the real property; (2) the debtor used the loan to purchase the real property; and (3) the debtor occupied the real property continuously after obtaining the loan. Under this bill, the right of first refusal must be conditioned on the same terms that the judgment creditor or beneficiary of the deed of trust intends to accept in a subsequent sale of the real property.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 40 of NRS is hereby amended by adding thereto a new section to read as follows:
1. If the judgment creditor or the beneficiary of the deed of trust is a banking or other financial institution, purchases the real property at a foreclosure sale and intends to sell the real property for an amount less than the amount of the indebtedness, the judgment creditor or beneficiary of the deed of trust must afford the right of first refusal to the debtor or grantor of the deed of trust if:
   (a) The real property is a single-family dwelling and the debtor or the grantor was the owner of the real property at the time of the foreclosure sale;
   (b) The debtor or grantor used the amount for which the real property was secured by the mortgage or deed of trust to purchase the real property; and
   (c) The debtor or grantor continuously occupied the real property as the debtor’s or grantor’s principal residence after securing the mortgage or deed of trust.

2. Any right of first refusal pursuant to subsection 1 must be conditioned upon the same terms the judgment creditor or the beneficiary of the deed of trust intends to accept in a subsequent sale of the real property. As used in this subsection, “same terms” means the same price and the same manner of financing the purchase of the real property, including, without limitation, an all-cash offer.

3. In affording any right of first refusal pursuant to subsection 1, except as otherwise provided in this subsection, the judgment creditor or beneficiary of the deed of trust must, after receiving an offer to purchase the real property that the judgment creditor or beneficiary intends to accept and before accepting that offer, attempt to communicate the terms of the offer and the right of first refusal to the debtor or grantor by certified letter to the last physical mailing address provided by the debtor or grantor to the judgment creditor or beneficiary. If, within 10 business days after receiving the certified letter, the debtor or grantor does not provide written notice to the judgment creditor or beneficiary that the debtor or grantor intends to redeem the right of first refusal, the right of first refusal is terminated and the judgment creditor or beneficiary may immediately proceed with the sale. If the debtor or grantor has moved from the real property and has not provided the judgment creditor or beneficiary with an updated physical mailing address:
   (a) The debtor or grantor is not required to attempt to communicate the terms of an offer or the right of first refusal pursuant to this subsection, or make any other attempt to contact the debtor or grantor;
   (b) The right of first refusal is terminated; and
   (c) The judgment creditor or beneficiary may immediately proceed with the sale.
As used in this section:
(a) “Banking or other financial institution” has the meaning ascribed to it in NRS 40.458.
(b) “Foreclosure sale” has the meaning ascribed to it in NRS 40.462.

Sec. 2. NRS 40.451 is hereby amended to read as follows:

Such amount constituting a lien is limited to the amount of the consideration paid by the lienholder.

Legislative Counsel’s Digest:
This bill deletes and repeals certain provisions relating to education and thereby eliminates: (1) a requirement that the Superintendent of Public Instruction prescribe a certain form of school register, prepare pamphlet copies of laws relating to schools for various school officials and provide a certain memorandum to the board of trustees of each school district and to the governing body of each charter school (NRS 385.210); (2) a description of the duties of the board of trustees of a school district and the governing body of a charter school in response to a memorandum transmitted to it pursuant to NRS 385.210 (NRS 386.360, 386.552); (3) requirements relating to the duties of the board of trustees of a school district in response to the policies prescribed by the Department of Education for school districts and...
public schools regarding bullying, cyber-bullying, harassment and intimidation (NRS 388.134, 388.139); (4) a requirement, effective on July 1, 2013, that the boards of trustees of certain school districts adopt a pilot program to provide a program of small learning communities for middle school and junior high school students (NRS 388.171); (4) a requirement that the board of trustees of each school district adopt a policy for each middle school and junior high school in the district to provide a program of peer mentoring (NRS 388.176); (5) a requirement that the board of trustees of each school district adopt a policy for certain pupil-led conferences (NRS 388.181); (6) requirements relating to small learning communities for ninth grade pupils in certain larger schools (NRS 388.215); (7) certain requirements for a policy for peer mentoring in public high schools (NRS 388.221); (8) a requirement that the board of trustees of each school district and the governing body of each charter school submit the results of a certain examination of achievement and proficiency of pupils to certain persons and entities (NRS 389.560); (9) a requirement that school districts conduct examinations of the height and weight of a representative sample of certain pupils (Chapter 285, Statutes of Nevada 2009, p. 1203); (10) provisions relating to the establishment of school attendance councils (NRS 392.129); (11) a reporting requirement relating to alternative schedules (Chapter 489, Statutes of Nevada 2003, p. 3219); and (12) reporting requirements relating to the use of environmentally sensitive cleaning and maintenance products within school districts. (Chapter 244, Statutes of Nevada 2009, p. 985)

**Under existing law, the board of trustees of each school district is required to review and compile reports for submission to the Department of Education relating to the number of reported violations of provisions relating to bullying, cyber-bullying, harassment and intimidation occurring at the public schools within the school district and any actions taken by the public schools to reduce the number of those violations. (NRS 388.1353)** Also under existing law, the Superintendent of Public Instruction is required to compile each report submitted by each school district and submit the written compilation to the Attorney General. (NRS 388.1355) Section 7 of this bill eliminates these reporting requirements, and sections 2.3 and 2.5 of this bill require the contents of those reports to be included within the annual reports of accountability prepared by the State Board of Education and the board of trustees of each school district. 6. In any school district in which state, county or district public health services are available or conveniently obtainable, those services may be used to meet the responsibilities assigned under the provisions of this section. The notice must inform the parent or guardian of the right to exempt the child from all or part of the examinations. Any child must be exempted from an examination if the child’s parent or guardian files with the teacher a written statement objecting to the examination.

9. Except as otherwise provided in this subsection, each school nurse or a designee of a school nurse, including, without limitation, a person employed at a school to provide basic first aid and health services to pupils, shall report the results of the examinations conducted pursuant to this section in each school at which he or she is responsible for providing services to the State Health Officer in the format prescribed by the State Health Officer. If a school district in a county whose population is 100,000 or more conducts examinations of the height and weight of a representative sample of pupils enrolled in grade levels other than the grade levels required by subsection 2, the results of those examinations must not be included in the report submitted to the State Health Officer. Each such report must exclude any identifying information relating to a particular child. The State Health Officer shall compile all such information the Officer receives to monitor the health status of children and shall retain the information.

Bill read third time.
The following amendment was proposed by Assemblyman Bobzien:
Amendment No. 797.
AN ACT relating to renewable energy; revising provisions which specify the renewable energy systems which qualify as portfolio energy systems; revising provisions relating to the implementation of energy efficiency measures by a provider of electric service for the purpose of complying with the renewable portfolio standard; revising provisions relating to the carrying forward to subsequent calendar years of the excess kilowatt-hours of electricity that a provider generates or acquires from portfolio energy systems; requiring the Public Utilities Commission of Nevada to open an investigatory docket to study, examine and review the process for the sale of portfolio energy credits; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
This bill revises provisions relating to the portfolio standard for providers of electric service, which requires that each year each provider of electric service in this State must generate or acquire from renewable energy systems or save as a result of energy efficiency measures a certain percentage of the electricity sold by the provider to its retail customers in this State.
In 2005, the 22nd Special Session of the Legislature revised the portfolio standard to authorize a provider to meet a portion of the portfolio standard through savings achieved from energy efficiency measures. (Sections 26-29 of chapter 2, Statutes of Nevada 2005, 22nd Special Session, pp. 82-84) Section 6 of this bill revises the portfolio standard to limit the use of savings achieved from energy efficiency measures by a provider to satisfy the portfolio standard.

Section 4 of this bill revises the definition of “portfolio energy system or efficiency measure” to provide that a renewable energy system or energy efficiency measure qualifies as a portfolio energy system if: (1) the renewable energy system was placed into operation before July 1, 1997, and a provider used electricity generated or acquired from the system to satisfy the portfolio standard before July 1, 2009; (2) the renewable energy system was placed into operation on or after July 1, 1997; or (3) the energy efficiency measure was installed on or before December 31, 2019.

Existing law provides that a provider is entitled to one portfolio energy credit for each kilowatt-hour of electricity that the provider generates, acquires or saves from a portfolio energy system or efficiency measure. (NRS 704.78215) Section 8 of this bill excludes from the calculation of portfolio energy credit certain electricity used by a portfolio energy system for its basic operations if the portfolio energy system is placed into operation on or after January 1, 2016.

Existing law provides that, for the purpose of satisfying the portfolio standard, a provider shall be deemed to have generated or acquired 2.4 kilowatt-hours of electricity from certain solar photovoltaic systems for each 1 kilowatt-hour actually generated or acquired. (NRS 704.7822) Section 9 of this bill revises the applicability of this provision to systems that were placed into operation on or before December 31, 2015.

Existing law requires the Public Utilities Commission of Nevada to authorize a provider to carry forward into future years any excess kilowatt-hours of electricity the provider generates or acquires from portfolio energy systems if the provider exceeds the portfolio standard for any calendar year. (NRS 704.7828) Section 11 of this bill authorizes a provider that carries forward excess kilowatt-hours of electricity in an amount that is more than 10 percent but less than 25 percent of the amount necessary to satisfy the provider’s portfolio standard for the subsequent calendar year to sell the excess kilowatt-hours of electricity the provider generates or acquires from portfolio energy systems. Section 11 requires a provider to make reasonable efforts to sell any credits which are in excess of 25 percent of the amount of portfolio energy credits necessary to comply with its portfolio standard for the subsequent calendar year.
Section 14 of this bill requires the Commission to open an investigatory docket to study, examine and review the process for the sale of portfolio energy credits and to submit a written report on the results of the investigatory docket and any recommendations for legislation to the Director of the Legislative Counsel Bureau for transmittal to the 78th Session of the Nevada Legislature.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (Deleted by amendment.)
Sec. 2. (Deleted by amendment.)
Sec. 3. (Deleted by amendment.)
Sec. 4. NRS 704.7804 is hereby amended to read as follows:
704.7804 "Portfolio energy system or efficiency measure" means:
1. Any renewable energy system [or]
2. Any energy efficiency measure:
   (a) Placed into operation before July 1, 1997, if a provider of electric service used electricity generated or acquired from the renewable energy system to satisfy its portfolio standard before July 1, 2009; or
   (b) Placed into operation on or after July 1, 1997; or
2. Any energy efficiency measure installed on or before December 31, 2019.

Sec. 5. (Deleted by amendment.)
Sec. 6. NRS 704.7821 is hereby amended to read as follows:
704.7821 1. For each provider of electric service, the Commission shall establish a portfolio standard. The portfolio standard must require each provider to generate, acquire or save electricity from portfolio energy systems or efficiency measures in an amount that is:
   (a) For calendar years 2005 and 2006, not less than 6 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.
   (b) For calendar years 2007 and 2008, not less than 9 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.
   (c) For calendar years 2009 and 2010, not less than 12 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.
   (d) For calendar years 2011 and 2012, not less than 15 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.
(e) For calendar years 2013 and 2014, not less than 18 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(f) For calendar years 2015 through 2019, inclusive, not less than 20 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(g) For calendar years 2020 through 2024, inclusive, not less than 22 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(h) For calendar year 2025 and for each calendar year thereafter, not less than 25 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

2. In addition to the requirements set forth in subsection 1, the portfolio standard for each provider must require that:

(a) Of the total amount of electricity that the provider is required to generate, acquire or save from portfolio energy systems or efficiency measures during each calendar year, not less than:

(1) For calendar years 2009 through 2015, inclusive, 5 percent of that amount must be generated or acquired from solar renewable energy systems.

(2) For calendar year 2016 and for each calendar year thereafter, 6 percent of that amount must be generated or acquired from solar renewable energy systems.

(b) Of the total amount of electricity that the provider is required to generate, acquire or save from portfolio energy systems or efficiency measures:

(1) During calendar years 2013 and 2014, not more than 25 percent of that amount may be based on energy efficiency measures;

(2) During each calendar year 2015 to 2019, inclusive, not more than 20 percent of that amount may be based on energy efficiency measures;

(3) During each calendar year 2020 to 2024, inclusive, not more than 10 percent of that amount may be based on energy efficiency measures; and

(4) For calendar year 2025 and each calendar year thereafter, no portion of that amount may be based on energy efficiency measures.

If the provider intends to use energy efficiency measures to comply with its portfolio standard during any calendar year, of the total amount of electricity saved from energy efficiency measures for which the provider seeks to obtain portfolio energy credits pursuant to this paragraph, at least 50 percent of that amount must be saved from energy efficiency measures installed at service locations of residential customers of the provider, unless a different percentage is approved by the Commission.
(c) If the provider acquires or saves electricity from a portfolio energy system or efficiency measure pursuant to a renewable energy contract or energy efficiency contract with another party:

(1) The term of the contract must be not less than 10 years, unless the other party agrees to a contract with a shorter term; and

(2) The terms and conditions of the contract must be just and reasonable, as determined by the Commission. If the provider is a utility provider and the Commission approves the terms and conditions of the contract between the utility provider and the other party, the contract and its terms and conditions shall be deemed to be a prudent investment and the utility provider may recover all just and reasonable costs associated with the contract.

3. If, for the benefit of one or more retail customers in this State, the provider has paid for or directly reimbursed, in whole or in part, the costs of the acquisition or installation of a solar energy system which qualifies as a renewable energy system and which reduces the consumption of electricity, the total reduction in the consumption of electricity during each calendar year that results from the solar energy system shall be deemed to be electricity that the provider generated or acquired from a renewable energy system for the purposes of complying with its portfolio standard.

4. The Commission shall adopt regulations that establish a system of portfolio energy credits that may be used by a provider to comply with its portfolio standard.

5. Except as otherwise provided in subsection 6, each provider shall comply with its portfolio standard during each calendar year.

6. If, for any calendar year, a provider is unable to comply with its portfolio standard through the generation of electricity from its own renewable energy systems or, if applicable, through the use of portfolio energy credits, the provider shall take actions to acquire or save electricity pursuant to one or more renewable energy contracts or energy efficiency contracts. If the Commission determines that, for a calendar year, there is not or will not be a sufficient supply of electricity or a sufficient amount of energy savings made available to the provider pursuant to renewable energy contracts and energy efficiency contracts with just and reasonable terms and conditions, the Commission shall exempt the provider, for that calendar year, from the remaining requirements of its portfolio standard or from any appropriate portion thereof, as determined by the Commission.

7. The Commission shall adopt regulations that establish:

(a) Standards for the determination of just and reasonable terms and conditions for the renewable energy contracts and energy efficiency contracts that a provider must enter into to comply with its portfolio standard.
(b) Methods to classify the financial impact of each long-term renewable energy contract and energy efficiency contract as an additional imputed debt of a utility provider. The regulations must allow the utility provider to propose an amount to be added to the cost of the contract, at the time the contract is approved by the Commission, equal to a compensating component in the capital structure of the utility provider. In evaluating any proposal made by a utility provider pursuant to this paragraph, the Commission shall consider the effect that the proposal will have on the rates paid by the retail customers of the utility provider.

8. Except as otherwise provided in NRS 704.78213, the provisions of this section do not apply to a provider of new electric resources as defined in NRS 704B.130.

9. As used in this section:
   (a) "Energy efficiency contract" means a contract to attain energy savings from one or more energy efficiency measures owned, operated or controlled by other parties.
   (b) "Renewable energy contract" means a contract to acquire electricity from one or more renewable energy systems owned, operated or controlled by other parties.
   (c) "Terms and conditions" includes, without limitation, the price that a provider must pay to acquire electricity pursuant to a renewable energy contract or to attain energy savings pursuant to an energy efficiency contract.

Sec. 7. (Deleted by amendment.)

Sec. 8. NRS 704.78215 is hereby amended to read as follows:

704.78215 1. Except as otherwise provided in this section or by specific statute, a provider is entitled to one portfolio energy credit for each kilowatt-hour of electricity that the provider generates, acquires or saves from a portfolio energy system or efficiency measure.

2. The Commission may adopt regulations that give a provider more than one portfolio energy credit for each kilowatt-hour of electricity saved by the provider during its peak load period from energy efficiency measures.

3. Except as otherwise provided in this subsection, for portfolio energy systems placed into operation on or after January 1, 2016, the amount of electricity generated or acquired from a portfolio energy system does not include the amount of any electricity used by the portfolio energy system for its basic operations that reduce the amount of renewable energy delivered to the transmission grid for distribution and sale to customers of the provider. The provisions of this subsection do not apply to a portfolio energy system placed into operation on or after January 1, 2016, if a provider entered into a contract for the purchase of electricity generated by the portfolio energy system on or before December 31, 2012. For the purposes of this section, the amount of any electricity used by a portfolio
energy system for its basic operations does not include the electricity used by a portfolio energy system that generates electricity from geothermal energy for the extraction and transportation of geothermal brine.

Sec. 9. NRS 704.7822 is hereby amended to read as follows:

704.7822 For the purpose of complying with a portfolio standard established pursuant to NRS 704.7821 or 704.78213, a provider shall be deemed to have generated or acquired 2.4 kilowatt-hours of electricity from a renewable energy system for each 1.0 kilowatt-hour of actual electricity generated or acquired from a solar photovoltaic system, if:

1. The system is installed on the premises of a retail customer; \(\text{and}\)
2. The system was placed into operation on or before December 31, 2015; and
3. On an annual basis, at least 50 percent of the electricity generated by the system is utilized by the retail customer on that premises.

Sec. 10. (Deleted by amendment.)

Sec. 11. NRS 704.7828 is hereby amended to read as follows:

704.7828 1. The Commission shall adopt regulations to carry out and enforce the provisions of NRS 704.7801 to 704.7828, inclusive. The regulations adopted by the Commission may include any enforcement mechanisms which are necessary and reasonable to ensure that each provider of electric service complies with its portfolio standard. Such enforcement mechanisms may include, without limitation, the imposition of administrative fines.

2. If a provider exceeds the portfolio standard for any calendar year \(\text{by} \) ;

(a) The Commission shall authorize the provider to carry forward to subsequent calendar years for the purpose of complying with the portfolio standard for those subsequent calendar years any excess kilowatt-hours of electricity that the provider generates, acquires or saves from portfolio energy systems or efficiency measures \(\text{or} \) ;

(b) By more than 10 percent but less than 25 percent of the amount of portfolio energy credits necessary to comply with its portfolio standard for the subsequent calendar year, the provider may sell any portfolio energy credits which are in excess of 10 percent of the amount of portfolio energy credits necessary to comply with its portfolio standard for the subsequent calendar year; and

(c) By 25 percent or more of the amount of portfolio energy credits necessary to comply with its portfolio standard for the subsequent calendar year, the provider shall use reasonable efforts to sell any portfolio energy credits which are in excess of 25 percent of the amount of portfolio energy credits necessary to comply with its portfolio standard for the subsequent calendar year.
Any money received by a provider from the sale of portfolio energy credits pursuant to paragraphs (b) and (c) must be credited against the provider’s costs for purchased fuel and purchased power pursuant to NRS 704.187 in the same calendar year in which the money is received, less any verified administrative costs incurred by the provider to make the sale, including any costs incurred to qualify the portfolio energy credits for potential sale regardless of whether such sales are made.

3. If a provider does not comply with its portfolio standard for any calendar year and the Commission has not exempted the provider from the requirements of its portfolio standard pursuant to NRS 704.7821 or 704.78213, the Commission:
   (a) Shall require the provider to carry forward to subsequent calendar years the amount of the deficiency in kilowatt-hours of electricity that the provider does not generate, acquire or save from portfolio energy systems or efficiency measures during a calendar year in violation of its portfolio standard; and
   (b) May impose an administrative fine against the provider or take other administrative action against the provider, or do both.

4. Except as otherwise provided in subsection 5, the Commission may impose an administrative fine against a provider based upon:
   (a) Each kilowatt-hour of electricity that the provider does not generate, acquire or save from portfolio energy systems or efficiency measures during a calendar year in violation of its portfolio standard; or
   (b) Any other reasonable formula adopted by the Commission.

5. If a provider sells any portfolio energy credits pursuant to paragraph (b) or (c) of subsection 2 in any calendar year in which the Commission determines that the provider did not comply with its portfolio standard, the Commission shall not make any adjustment to the provider’s expenses or revenues and shall not impose on the provider any administrative fine authorized by this section for that calendar year if:
   (a) In the calendar year immediately preceding the calendar year in which the portfolio energy credits were sold, the amount of portfolio energy credits held by the provider and attributable to electricity generated, acquired or saved from portfolio energy systems or efficiency measures by the provider exceeded the amount of portfolio energy credits necessary to comply with the provider’s portfolio standard by more than 10 percent;
   (b) The price received for any portfolio energy credits sold by the provider was not lower than the most recent value of portfolio energy credits, net of any energy value if the price was for bundled energy and credits, as determined by reference to the last long-term renewable purchased power agreements approved by the Commission in the most recent proceeding that included such agreements; and
(c) The provider would have complied with the portfolio standard in the relevant year even after the sale of portfolio energy credits based on the load forecast of the provider at the time of the sale.

6. In the aggregate, the administrative fines imposed against a provider for all violations of its portfolio standard for a single calendar year must not exceed the amount which is necessary and reasonable to ensure that the provider complies with its portfolio standard, as determined by the Commission.

7. If the Commission imposes an administrative fine against a utility provider:
   (a) The administrative fine is not a cost of service of the utility provider;
   (b) The utility provider shall not include any portion of the administrative fine in any application for a rate adjustment or rate increase; and
   (c) The Commission shall not allow the utility provider to recover any portion of the administrative fine from its retail customers.

8. All administrative fines imposed and collected pursuant to this section must be deposited in the State General Fund.

Sec. 12. (Deleted by amendment.)
Sec. 13. (Deleted by amendment.)
Sec. 14. 1. As soon as practicable after October 1, 2013, the Public Utilities Commission of Nevada shall open an investigatory docket to study, examine and review the process for the sale of portfolio energy credits, as defined in NRS 704.7803, to determine whether the process can be improved to:
   (a) Better enable providers of electric service, as defined in NRS 704.7808, to engage in the sale of portfolio energy credits; and

   (d) Any other interested parties.

3. The Commission shall, on or before January 31, 2015, submit a written report on the results of the investigatory docket and any recommendations for legislation to the Director of the Legislative Counsel Bureau for transmittal to the 78th Session of the Nevada Legislature.

ASSEMBLYMAN OHRENSCHALL:
Assembly Bill 7 expands the membership of the Gaming Policy Committee to 11 members by adding a knowledgeable representative from academia. The bill also authorizes the Governor to appoint an advisory committee on gaming education consisting of not more than five members to evaluate gaming-related educational entities in Nevada and how they align with the technology and workforce needs of the gaming industry—to study the potential for using competencies and technologies developed by the educational entities and other industries, and to make recommendations to the Gaming Policy Committee. Assembly Bill 7 also includes appropriations from the State General Fund to the state Gaming Control Board and the Nevada Gaming Commission for associated operating, travel, and staffing costs.

Assembly Bill 7 was largely a project of our Gaming Law section at UNLV Boyd Law School, and as has been our experience, the students worked very hard on this. I think they have a good bill here that accomplishes some good public policy.

Thank you, Madam Speaker. Assembly Bill 473 provides for an additional fee to be paid to the Department of Motor Vehicles to defray the cost of producing license plates. The fees must be deposited into the new License Plate Factory Account. This bill also authorizes the Department to determine the amount of the fee by regulation.

The Senate Committee on Finance and Assembly Committee on Ways and Means approved the Governor’s recommendation to make the License Plate Factory self-supporting by changing the funding source for the License Plate Factory from Highway Funds totaling $3.4 million over the biennium, to a new funding source based primarily on revenues collected from a new license plate fee.

The Senate Committee on Finance and Assembly Committee on Ways and Means approved a license plate fee of $3 per license plate, excluding specialty plates, which are 50 cents higher than the per-license-plate fee recommended by the Governor. The 50-cent increase will allow
for the repayment of Highway Fund appropriations over a five-year period, for a $500,000 reserve recommended by the Governor in the License Plate Factory budget for cash flow purposes, and to repay the $3.8 million Capital Improvement Project for a new building to house the License Plate Factory, if ultimately approved by the money committees, which we did just recently. The $3 license plate fee will also allow for a small reserve for contingencies for unanticipated costs and increases in the cost of materials to produce the license plates.

Thank you, Madam Speaker. Assembly Bill 482, as amended, authorizes the creation of the Interest Repayment Fund. If there is accrued interest due the federal government on advances deposited into the Unemployment Compensation Fund pursuant to NRS 612.290 and Title XII of the Social Security Act, as amended, the Administrator of the Employment Security Division shall establish an assessment on employers’ taxable wages paid during the immediately preceding calendar year that will be deposited to the Interest Repayment Fund. The assessment rate will be determined by dividing the total interest accrued and payable to the federal government by 95 percent of the total taxes paid by all employers in this state during the immediate preceding calendar year. The ESD Administrator shall notify each employer of its proportional share of the assessment by June 30 of each year.

If the Administrator determines that the assessment is no longer necessary, the Administrator shall notify all employers subject to the assessment and not accept any further payments. Any balances remaining in the Interest Repayment Fund after all payments of accrued interest have been made shall be deposited into the Unemployment Compensation Fund.

The provisions of Assembly Bill 482 do not apply to any nonprofit organization, political subdivision, or Indian Tribe which makes reimbursements in lieu of contributions pursuant to NRS 612.553.

Thank you, Madam Speaker. I rise in support of Senate Bill 60. Senate Bill 60 is over 90 pages in length. The floor statement is over 300 words. To be brief, it is a very good bill. The Secretary of State worked very hard with representatives of the registered agents. What they have is a bill that brings us in line with Wyoming and Delaware, and it is going to help make sure our industry is clean and that bad actors are going to have a very tough time if they try to bad act in Nevada. It really harmonizes a lot of statutes. It does a lot of good things. I am happy to answer any questions on it. Otherwise, I urge the body’s support.

Further, a board of county commissioners in these same counties may authorize the use of county highway patrols and county equipment on any private road if the board declares an emergency or the...
board deems by ordinance that the use is in the county’s best interest in the absence of a licensed private contractor who could perform the work. Thank you, Madam Speaker.

ASSEMBLYMAN THOMPSON:

Senate Bill 82 acknowledges the various perspectives on the hunting of black bears in Nevada and urges proponents and opponents of the black bear hunt to engage in productive and meaningful discussions, with the goal of achieving a consensus on the proper management of Nevada’s black bear population. The measure also urges the continued management of black bears in Nevada by the Department of Wildlife in a way that conserves, sustains, and protects the black bear population in a healthy and productive condition and minimizes threats to public safety and damage to personal property. Finally, the bill urges Nevada’s Board of Wildlife Commissioners to conduct its planned three-year comprehensive review of the black bear hunt following the 2013 bear hunting season, with the goal of evaluating certain scientific analyses and impacts of the hunt and making an unbiased and informed recommendation concerning the viability of hunting black bears in Nevada. This review is urged to be submitted to the Director of the Legislative Counsel Bureau for distribution to the Chairs of the Senate Committee on Natural Resources and the Assembly Committee on Natural Resources, Agriculture, and Mining.

ASSEMBLYMAN HANSEN:

Thank you, Madam Speaker. I urge a no vote on S.B. 82. The bill presupposes that the Board of Wildlife Commissioners and the Department of Wildlife have not already done all of this. Having been involved in this process ever since it began about three years ago, I can assure this body that they have talked to everybody possible—the Indian tribes, the people pro and con on this whole thing—and the season they came up with was based entirely on scientific, verifiable information. The reality is this: The eastern portion of the Sierra population of black bears here in Nevada are part of the exact same herd that are in California. California harvested 1,900 black bears, including hunting in the Tahoe Basin. Trying to appease the people that are opposed to this hunt is pretty much impossible. Nevada did shut down the Tahoe portion of that hunt, trying to make them happy, and it has been a complete failure. They will never be happy. So we need to recognize that, close this wound that keeps being reopened, and let the Department of Wildlife and the Board of Wildlife Commissioners do what they do. The hunt that we’ve had—I think they harvested a total of only 14 bears. So it is completely scientifically justifiable, and I think this amendment kind of presupposes a fact that doesn’t exist. The Wildlife Commission has done all this. So I would urge a no vote on this.

ASSEMBLYWOMAN CARLTON:

Thank you, Madam Speaker. I rise in support of S.B. 82. Last session, when chairing the Natural Resources, Agriculture, and Mining Committee, this was a very big issue. We kept telling folks that we didn’t want to go any further or make any decisions because we didn’t have any data. This bill will have the Board of Wildlife Commissioners go back, look at what has
happened since they have instituted the hunt and be able to have actual facts and figures so that we can have a rational discussion and hopefully be able to set some of the passions around this issue aside. I personally am not in support of the hunt, but I think we all have to stay open-minded enough to be able to look at the information that we can derive from what has happened over the last couple of years and have a rational discussion over this issue.

Thank you, Madam Speaker. I rise in support of Senate Bill 109. This bill makes various changes concerning off-highway vehicles. The bill creates an OHV dealer plate, similar to an automobile dealer plate, that allows dealers to operate unregistered vehicles for the purposes of demonstrations or test drives. The bill also provides that the Commission on Off-Highway Vehicles, rather than the Department of Motor Vehicles, prescribes the form of the registration sticker or decal for off-highway vehicles, and it revises provisions regarding the size of the sticker or decal—makes it a little smaller—and registration of an OHV is not required if it is registered in another state and not located in Nevada for more than 15 days; and Off-Highway Vehicles operated during daylight hours are exempted from certain requirements related to head lamps and tail lamps.

This bill also creates new exemptions from the off-highway vehicle registration process for vehicles operated solely in an organized race, festival, or other event conducted under the direction of a sanctioning body or by permit; operated or stored on privately-owned or leased land; operated while engaged in an approved search-and-rescue operation; or having an engine displacement of not more than 70 cubic centimeters.

Thank you, Madam Speaker. I rise in support of Senate Bill 208. I just wanted to relay some
research that you had done going back into the minutes of 2007 and some information on
Assembly Bill 139. At that time, it was made clear with an amendment that bailiffs would be
called district court marshals and would be category 2 peace officers. So it’s clear that this is a population that has been kind of out in limbo, but it is this Legislature’s understanding that they were certainly eligible for the benefits related to this bill.
