Assembly called to order at 12:28 p.m.
Madam Speaker presiding.
Roll called.
All present except Assemblywoman Pierce, who was excused.
Prayer by the Chaplain, Pastor Albert Tilstra, Seventh-Day Adventist Church, Fallon, Nevada.
As children bring their broken toys for us to mend, we bring our broken dreams to You, O’ God, and then complain as to why You could be so slow; to which You reply, “How could I work? You never did let go.”
Help us to remember Your words to us, “They that wait upon the Lord will renew their strength. They will soar on the wings like eagles. They will run and not get weary; they will walk and not faint.”

AMEN.

Pledge of allegiance to the Flag.

GENERAL FILE AND THIRD READING

Senate Joint Resolution No. 1.
Resolution read third time.
Remarks by Assemblymen Cohen and Hansen.

ASSEMBLYWOMAN COHEN:
Thank you, Madam Speaker. Senate Joint Resolution 1 expresses support for wild horses and burros by declaring that these animals are an integral part of the ecosystem and rangelands of the United States and the state of Nevada. The resolution notes that wild horses and burros are natural resources and cultural assets with the potential to promote tourism and job creation, particularly with the building of “eco-sanctuaries.” The resolution notes that these animals depend on the understanding, cooperation, and fairness of all interested persons. In addition, the resolution expresses the Legislature’s support for the preservation and protection of wild horses and burros and the development of wild horse and burro-related ecotourism. Finally, S.J.R. 1 encourages a spirit of cooperation between wild horse and burro advocates, private land owners, and the State Department of Agriculture.

ASSEMBLYMAN HANSEN:
Thank you, Madam Speaker. I rise in opposition of Senate Joint Resolution No. 1. Wild horses and burros are not an integral part of Nevada. They are, in fact, feral livestock. They are causing all sorts of problems to the rangelands of our state. What I requested in this bill was that we ask Congress to follow its own laws and make sure that the herds are managed to the levels in the herd management areas, as is required by federal law. So I think we need to recognize that while they are beautiful, they are not part of the native ecosystem, they are causing a lot of problems, and the federal government has failed completely in its job to properly manage those in the state. So I will be voting no for that reason.

Assemblyman Paul Anderson:
Thank you, Madam Speaker. Senate Joint Resolution 9 urges the Director of the Bureau of Land Management to expedite the process for approving special recreation permits for commercial and competitive uses of federal public lands in Nevada when such uses are for nonmotorized events. The resolution also urges the Director of the BLM to amend the Code of Federal Regulations to expedite the approval process for SRPs and asks Nevada’s Congressional Delegation to use its best efforts to accelerate this process as well.

Senate Joint Resolution No. 9 having received a constitutional majority, Madam Speaker declared it passed, as amended.
Resolution ordered transmitted to the Senate.

Senate Joint Resolution No. 12.
Resolution read third time.
Remarks by Assemblyman Munford.

Assemblyman Munford:
Thank you, Madam Speaker. Senate Joint Resolution 12 urges the President of the United States to grant a posthumous pardon to John A. “Jack” Johnson, who in 1913 was convicted of violating the Mann Act, a conviction thought to be racially motivated. Mr. Johnson was the first African American to hold the title of Heavyweight Champion of the World. The conviction destroyed Mr. Johnson’s reputation and diminished his athletic, cultural, and historical significance. The Mann Act, also known as the “White Slave Traffic Act,” outlawed the transportation of women in interstate or foreign commerce for the purpose of prostitution or any other immoral purpose. I urge the passage of this resolution. Thank you.

Senate Joint Resolution No. 13.
Resolution read third time.
Remarks by Assemblymen Elliot Anderson, Hardy, Fiore, Paul Anderson, Martin, and Healey.

Assemblyman Elliot Anderson:
Thank you, Madam Speaker. Senate Joint Resolution 13 proposes to amend the Nevada Constitution to provide that the state of Nevada and its political subdivisions shall recognize
marriages and issue licenses to couples, regardless of gender. Religious organizations and clergy have the right to refuse to perform marriages, and no person has the right to make a claim against a religious organization or clergy for such refusal. If approved in identical form during the 2015 Legislative Session, in addition to this one, the proposal will be submitted to the voters for final approval or disapproval at the 2016 General Election.

The issue before the Assembly today is not an easy one for many good people that I know, including those who I care for and respect and who will not be on the same side of this question. I rise in support because S.J.R. 13 will allow committed same-gender couples who love each other the freedom to marry. I rise in support because S.J.R. 13 will provide an economic boost to Nevada’s lagging tourism industry and is supported by our state’s largest employers. Finally, S.J.R. 13 will allow the people a chance to change their minds on the topic. Before I go further, I want to address a number of the arguments against this resolution which have circulated around the Legislature.

The first is that marriage—or any type of policy—shouldn’t be in the constitution. Nevada’s constitution is already filled with policy, unfortunately. We have policy restricting the majority’s purview to exercise a basic function of any legislature, taxing and spending. We have policy that creates special prohibitions against lotteries, mining taxes, and other policies. Nevada’s constitution and any constitution should be for basic structure and for securing our God given rights to life, liberty, and the pursuit of happiness and never for taking those rights away. However, whether we like constitutional policy or not is not the question before us today. Policy taking away the freedom to marry from committed same-gender couples, who love each other is already in the constitution. I would note that the proponents in Question 2 in 2000 and 2002 had no problem amending that language into the constitution. In sum, the question before this body is whether they believe everyone should have an equal right to life, liberty, and the pursuit of happiness, regardless of where this law is located.

The second argument against S.J.R. 13 is that supporters of the freedom to marry should go through the initiative process. In response, I would note that the Nevada Constitution includes three ways to amend the constitution, all legitimate and which all must be voted on by the people. They include a legislatively initiated amendment like here, an amendment initiated by the people, or a Constitutional Convention. Every member of this body represents 64,000 people, and every Senator represents 128,000 people. The sponsors of this measure represent over a million people, much more than are required to move an initiative petition forward. To act as though this method somehow undermines the spirit of the constitution, or makes this any less deserving of a vote, or somehow overrules a vote of the people who, by the way, still need to approve this at the ballot box, is wrong. The argument’s logical conclusion is that there should not be a legislature in the first place, but of course we are a representative democracy.

Additionally, Question 2 was unnecessary. Nevada Revised Statutes 122.020 also restricted the freedom to marry before we were even a state. The Territorial Legislature, meeting in November of 1861, approved the earliest version of that statute, which ended up being codified into NRS Chapter 122. Their act stated that every male who attained the full age of 18 years and every female who attained the full age of 16 years was capable of contracting in marriage. Question 2 was unnecessarily duplicative and gratuitous.

The last argument is that we are overturning the will of the voters. However, pollsters from both sides of the aisle have found that the people’s will has changed. Question 2 passed with 69 percent of the vote in 2000, and 67 percent of the vote in 2002. In February of this year, the latest RAN poll of Nevada conducted by Public Opinion Strategies put popular support for the freedom to marry at 54 percent. That’s 7 percent higher than a similar poll conducted in August of 2012 by Public Policy Polling, which found support for the freedom to marry at 47 percent, with 42 percent opposed, and 80 percent in support of domestic partnerships. PPP also found a clear trend in support from their polling in 2011. Public opinion is evolving rapidly on this issue. Both pollsters specifically asked about marriage for same-gender couples, making it clear in the question that support would mean same-gender couples could marry. I also noted with
interest a recent Washington Post/ABC poll that found that 81 percent of voters under 30 are in support. The will of the voters is changing, as it has with me, and it has been since 2002. I can’t tell you that I would have opposed Question 2 had I been able to vote on it.

Which leads me to why I am passionate about S.J.R. 13. I grew up in a small farm town, never having met anyone—that I knew of—who was gay. Then I served in the Marine Corps until 2005, where upon discharge I moved to Las Vegas. I remember the first person I met who I knew was gay. He and I worked together to advocate for our fellow veterans. At first, I was very uneasy around him, as you might expect from someone who came of age in the environments that I did. After spending more time with him and his partner of 20 years, I lost all the uneasiness that I had. In many ways, I consider both of them family now. Like other members of this body, I care about my friends and family and want them to be happy. Marriage for most people is the ultimate expression of the pursuit of happiness, a pursuit that we’ve held dear sacred as Americans since 1776. The freedom to spend your life with the person you love is important. I feel that we all want that freedom, and we should treat everyone else as we would want to be treated. I would not want anyone stopping me from marrying a woman that I love. How would any of us who are straight feel if we were told it was illegal to marry the person we love or if there was a question on the ballot debating whether we were good enough to fall in love and make a lifetime commitment? This isn’t so much about rights as it is about love. We all know incredibly committed gay couples who are denied the freedom to marry in love. This includes all of us in the Legislature. We owe it to our friends and family, to treat them how we want to be treated.

In closing, Madam Speaker, I hope that like me, our colleagues support giving the voters a chance to change their minds because a lot of us—including people like me—have. I realize good people in this body will be legitimately compelled to vote their district instead of leading on this issue. However, good people in this body can also be a few steps ahead of their districts, instead of being on the affirmative side of this question. However, good people in this body can also be a few steps ahead of their districts, which are rapidly evolving to support, if they’re not there already. I believe legislators may choose either course of action—even though I don’t agree with their choice—and I will still respect them. However, I believe this vote will stick with us much longer than the next election. I am certain history will look at this vote as a seminal one. I think it is all important that we all are able to look ourselves in the mirror a generation from now, no matter which side we are on.

In closing, Madam Speaker, I served in the Marine Corps because I believe in this country, and I believe in freedom. If an adult can pay taxes, vote, start a business, and serve and die in combat for our freedom that they themselves don’t have, then they should be able to marry whom they love. I don’t think our state should stand in the way of such a fundamental freedom. I urge your support of S.J.R. 13. Thank you, Madam Speaker.

ASSEMBLYMAN HARDY:

Thank you, Madam Speaker. I rise in opposition to S.J.R. 13. Over the past several months, I have gained a great respect for those in this body—those whom I agree with and those whom I disagree with. Because of this respect, I believe I can be civil and passionate in my debate along with you. About the topics like S.J.R. 13, I hope that respect will be shared by all those who speak today. For that reason, I’d like to explain a different reason that I’ve heard by my colleague from District 15. There are other issues in peoples’ hearts and minds, and for that I’d like to explain the reason I am where I’m at.

I believe that marriage between a man and a woman is ordained of God; that the family is central to the Creator’s plan for the eternal destiny of his children. I also believe that all human beings—male and female—are created in the image of God. Each is a beloved spirit—son or daughter of heavenly parents—and as such, has a divine nature and destiny. Gender is essential to the characteristic of an individual pre-mortal, mortal, and eternal identity and purpose.

I further declare that God has commanded that sacred powers of procreation are to be employed only between a man and a woman—lawfully wedded, as husband and wife. My
respect for others and their beliefs do not cause me to abandon my commitment to the truth, which I understand. The covenants I have made because of those beliefs have cast me as a combatant in conflict between truth and error. For me there is no middle ground. I must stand up for the truth while I practice tolerance, love, and respect for the beliefs of others’ ideas, different from my own and the people who hold Him. For my beliefs I must stand for truth, even if I must stand alone. Thank you, Madam Speaker.

ASSEMBLYWOMAN FIORE:
Thank you, Madam Speaker. I rise in qualified support of S.J.R. 13. Although I would have preferred a clean elimination of Section 21, Article 1 of the Nevada Constitution, the only option I have is to vote for or against what is before this body. I voted against Question 2 when it was on the ballot in 2000 and 2002. I don’t believe who should or should not be married is a matter that should be in our constitution; that is the prerogative of the Legislature. Unfortunately, my only option today is whether to leave the limitation of marriage in our constitution or replace it with greater freedom by giving it to the vote of the people. I choose to give this choice back to the people.

When we started this session, I introduced my mother to this body, proudly. What is currently in our constitution does not allow her to get married because my mom is gay. I love my mom with all my heart, and I am who I am today because of her guidance, influence, and how she raised me. You see children learn what they, and my mom taught me to be the strong conservative, straight, Catholic, gun toting, Republican woman that all of you know. Besides being my peers, I consider each and every one of you friends. Since I am straight, I can marry the person of my choice; my mom does not have that option.

Growing up with a gay mom was challenging, not because she was gay, but because she was a wonderful, caring mother who set bounds for me. I grew up in a home where I had no idea what discrimination was. To this day, I have no comprehension of why anyone would want to discriminate against another soul. My vote today is to give it back to the people to hopefully take discrimination out of the Nevada Constitution. The ability to reconsider past decisions is part of what makes our great country a republic. The majority rules; however, the minority is never ignored when they can regroup and voice their opinions again. And sometimes the majority is no longer the majority. Mom, this vote is for you for showing me that being raised in a gay household is just as functional—if not more so—than a divorced heterosexual marriage. Thank you.

ASSEMBLYMAN PAUL ANDERSON:
Thank you, Madam Speaker. I rise to speak to Senate Joint Resolution 13. I, too, want to express my sincere appreciation and respect for this body. Over the last several months, I have made many new friends and acquaintances. I have come to better understand positions and policies, how our government works and operates, and both its strengths and weaknesses.

As I make my remarks, I especially want to express the idea of my sensitivity to both sides of this argument. I have family members that are gay. They are welcome and beloved members of our family. With that, I see the argument on both sides. I am sensitive to those arguments and have some internal conflict as to what the appropriate role that government has in the case of who and who cannot be married. I do also have guiding principles and core values that are on one side of this argument and family members and people that I love and care for and respect on the other side of this debate.

If I were making this decision simply on the constituents that I represent, this would be a very simple decision. Opinions from the legislative website from my district show 14 percent support and 86 percent in opposition. What does, however, influence my decision is the potential effect of this resolution on the process by which this is coming to the voters. An argument I hear often is that somehow by allowing gay marriage, it will affect my relationship with my wife or my relationship with my kids. I am not sure I support that argument. If gay marriage were allowed,
I would not love my wife any less. My ability to teach morals and values that I deem appropriate would not be affected.

I do, however, believe that what we are doing with this resolution is not redefining marriage but un-defining marriage. Again, I believe that we are not redefining marriage but un-defining marriage. I think that has an impact on the idea of the family for many generations to come. I think we can look back historically to see how other decisions have influenced the family. These decisions are important and have significant impacts. And so I’ll stand by my belief that a mother and a father in a committed loving relationship—now known as marriage—is the best environment to raise a family.

My final point is that we are not enabling voters to make a choice on their definition of marriage with this resolution. That was done through the initiative process in 2000 and 2002. We are shortcutting the initiative process and endorsing our own idea and then asking the voters if they agree with this body. A few of us are going to endorse an idea and see if the voters agree with us. This is not enabling but an endorsement. This is an endorsement of an idea that my constituents do not agree with, that I do not agree with, and I do not believe is in the best interest of Nevada.

For those reasons, Madam Speaker, I will respectfully be voting no on this resolution and urge this body to do the same. Thank you.

ASSEMBLYMAN MARTIN:
Thank you, Madam Speaker. I rise in support of S.J.R. 13. Okay, this is extremely personal and difficult for me, as one of the shyest members of this body, to speak on something so personal. Many of you know that I’m openly gay, and I have a partner of 27 years; he’s sitting in the gallery. We’ve been denied our civil rights—equality under the law—and we have been treated as second-class citizens. This is our opportunity as a body to set this correct. This is a fundamental right under our constitution—equality under the law, protection, tyranny of the majority. Actually, in the latest polls—not that I think civil rights should be based on polls—people are behind us.

This is very personal. We must have equality under the law. I apologize, it’s just very difficult. We cannot have separate classes of laws for separate classes of people, and that’s what marriage does. This legal and financial chaos that ensues without the marriage protections. Obviously, the goal is not to strip married people their rights, but to allow people in the secular society all the same rights of equality.

I know this is a very difficult for people of religion. I’m a very religious person—I’m very private about it—but this is about a secular society. This is about equality. I beg you, I ask you, I plead with you to have the courage, the conscience, and conviction to support S.J.R. 13. Thank you.

ASSEMBLYMAN HEALEY:
Thank you, Madam Speaker. I rise in support of S.J.R. 13. Every day we start our floor sessions with the Pledge of Allegiance, and we end with the last sentence, “with liberty and justice for all.” I struggle with that because ever since I was a kid, I stood with pride and recited the Pledge of Allegiance, but not realizing that LGBT Americans are not included under that “all” portion of that sentence.

Like my own two brothers, I pay my taxes here in Nevada like a responsible citizen. However, I don’t have the same rights and privileges that my brothers do. I, too, dream to have that ability to be married, just as my brothers do with their wives. When we talk about rights and privileges, if my partner were to get sick and need me to take care of him and I would need to take time off of work, I don’t qualify to get Family Medical Leave to take care of him. If my partner dies before I do, I don’t have the equal right to collect his social security benefits like my brothers do with their spouses. If my partner and I want to have kids, we are not eligible to earn the same income tax credit as my own brothers are.
Many people say to me, “Well, you got domestic partnerships. Isn’t that good enough?” I ask, why should I have to live my life “good enough?” Domestic partnerships don’t provide me the rights to many of the protections that marriage would provide such as the tax on health benefits, child tax credit, continued health coverage through COBRA and many, many more.

Even though marriage has many contractual components, marriage is not just about a contract. It is the step of commitment between loving couples. Many LGBT Nevadans are members of the faith community, and like many straight members of the faith community, we just want the opportunity to stand in front of our higher power and be able to commit to the one that we love. I have heard the ridiculous argument that same gender marriage will threaten the “traditional” family or even the “traditional” marriage. What does a “traditional” even mean anymore? Is there really a true definition of that? Aren’t our families now single moms, single dads, two moms, two dads, and sometimes no parents at all? What is traditional?

The people of Nevada clearly made their opinion known with a yes vote to put the definition of marriage in the constitution in 2000 and 2002. Yes, that was true then, but let’s fast-forward 11 years to today, and let’s look at the make-up of our residents and our constituents of Nevada—very different than back in 2000 and 2002. Nevada has seen some of its hardest times. With that, hundreds of thousands of people have moved in and out of Nevada. We have a very different constituency base now than what we did back in 2002. The evolution of thoughts and ideas are what makes America the most amazing and progressive place to live in the world. It is because people change their views on issues that allows Nevada to grow and strive, even in some of our hardest times and years in our history. The process in which we change the constitution and laws allows for citizens the right to evolve their views. And it is that reason that I feel as lawmakers, we owe it to our constituents the option of going back to the polls and expressing their current views. And I say current views because just look at what is happening with marriage around the country and around the world. Currently, 14 countries now have made it legal for same gender couples to be married in those countries. Right here in the United States, we have 12 states now, plus the District of Columbia, that have legalized same gender marriage. Six of those 12 states have taken such courageous efforts in just the last 18 months—a clear indication that Americans are evolving their opinions on same gender marriage.

Just to make it very clear, a yes vote today on S.J.R. 13 is a vote to allow our constituents the opportunity to go back to the polls and let their current views be expressed. As elected officials, I believe that we were sent here to do what’s in the best interest of our constituents. Most times, each constituent isn’t given the opportunity to personally vote or let their voice be heard on the issues—that’s what we’re here to do. However, our process also allows voters an opportunity to go back to the polls and express their view through their own vote. That’s what a vote on S.J.R. 13 will do. A no vote is a vote that simply means you are afraid that the views have evolved, which may differ from you—may be that’s why you would choose no, but I would hope not.

I would like to close with a personal story. It was September 10, 2010, when my life was drastically changed. My partner of a year and a half was killed on his motorcycle, just up the street here on Highway 50. This is Eddie. Eddie and I made plans to be married. Eddie knew that I was on a journey for the past 20 years fighting for equality here in Nevada. Eddie was with me for that ride and that quest to achieve equality here in Nevada and around the country. Our goal was to have a family. That was in September, and he had made plans that in December, he was going to move with me to Las Vegas so he could continue school down in Las Vegas. Our goal was that once he was finished school, we would have a family. We hoped that marriage equality would have been passed by then, and that way we could have kids with parents that were actually married. I stood up at Eddie’s funeral, and I promised his mother and his family that I wouldn’t stop fighting until we had this. I turned and I placed an HRC flag in his hand inside the casket and told him that we will make this happen, and I will do it with your strength. To this day, I dream that I could marry Eddie. He is gone, but we have the chance today to let loving couples in Nevada, like Eddie and I, have the chance to live that same dream that my brothers and their spouses do.
I am voting yes today to allow my constituents the opportunity to go to the polls and let their voices be heard. I would ask each of you to demonstrate your leadership by also voting yes on S.J.R. 13. Loving couples of Nevada deserve the right to have their voices heard. Madam Speaker, thank you very much, and thank you to the body.

Roll call on Senate Joint Resolution No. 13:

YEAS—27.

EXCUSED—Pierce.

Senate Joint Resolution No. 13 having received a constitutional majority, Madam Speaker declared it passed.

Resolution ordered transmitted to the Senate.

Senate Joint Resolution No. 15 of the 76th Session.

Resolution read third time.

Remarks by Assemblymen Bustamante Adams, Ellison, Wheeler, Daly, and Livermore.

ASSEMBLYWOMAN BUSTAMANTE ADAMS:

Senate Joint Resolution 15 of the 76th Session proposes to amend Article 10, Section 1 of the Nevada Constitution, which provides for uniform and equal rates of assessment on taxation, to remove the exception to this provision provided for mines and mining claims which, under current law, shall be assessed and taxed only as provided in Article 10, Section 5 of the Constitution.

Additionally, Senate Joint Resolution 15 of the 76th Session proposes to repeal Article 10, Section 5 of the Constitution. This section allows the Legislature to impose a tax on the net proceeds of minerals at a maximum rate of 5 percent, prohibits the imposition of any other tax upon a mineral or its proceeds until the identity of the proceeds as such is lost, provides for the distribution of this tax revenue among local governments and school districts, and provides for an exemption from property taxes for patented mines and mining claims where at least $100 worth of labor has been performed.

Pursuant to Article 16, Section 1 of the Nevada Constitution and Chapter 218D of the Nevada Revised Statutes, the provisions contained within this joint resolution must be approved by the Legislature during the 2011 and 2013 Sessions, followed by voter approval at the November 4, 2014, General Election, in order to be ratified.

Thank you, Madam Speaker. I am happy to make these comments on behalf of my colleague from District 3 who couldn’t be here today. I know that she is watching from home, and we all pray for a speedy recovery on your behalf. During the Taxation Committee, we had a very healthy and respectful discussion about this topic, and we acknowledged the history and the contribution made by this industry to this state. For this reason, we believe that the removal of the mining constitutional tax exemption should be determined by the voters.

ASSEMBLYMAN ELLISON:

Thank you, Madam Speaker. I rise in opposition to Senate Joint Resolution 15. In previous sessions, we have approved millions of dollars in tax incentive programs to entice new businesses to come to Nevada in the hopes of bringing more companies and higher paying jobs to Nevada. We have invested millions in economic development programs to show what a friendly business environment our state has along with a strong stable infrastructure and no corporate taxes. We have focused more on enticing new businesses and we have forgotten those that helped us here. Nevada has been a mining state from the very beginning. It has helped us build our cities, towns, highways, and most of our basic infrastructure. Today, mining employs
over 25,000 Nevadans at an average salary of $88,000 per year. This is well over double the average salary in Nevada. Mining also provides health care, pension plans, education assistance, and scholarship opportunities.

Nevada mines also contributed over $417 million in taxes in 2011 and projections are substantially higher for 2012. Mining is also one of the most stable taxes based in Nevada. The renewed interest in S.J.R. 15 and with declining world gold prices in the last two months, we have already felt the impact in our state. One company alone has already laid off 125 employees and cancelled one new building expansion.

Just this one bill has the power to close many of the small ore mines around Nevada and adversely change the way mining is done forever. Every county in the state has some type of mining, Clark to Elko. My colleagues, I stand before you today and I ask you to please reconsider the impact this one bill can have on our state and our economy. Please don’t vote to change our constitution at the cost of hundreds of high paying jobs. Are we willing to gamble on Nevada’s future? Please vote no on S.J.R. 15.

ASSEMBLYMAN WHEELER:

I, too, rise in opposition to Senate Joint Resolution 15 today, Madam Speaker. Senate Joint Resolution 15 introduces an unstable element into our state’s economy—into our budget and into the mining sector itself. Realistically, we do not know what the tax structure of this state looks like without the provisions and guarantees currently in our constitution. We have the opinions of a lot of lawyers, but as you all know, ask three different lawyers, and you’re going to get three different answers.

Nevada should move in the direction of more stability, not less in relation to mining—more stability in our budget through responsible spending and more stability in our tax structure. All business involves risk. There is no getting around that. But since when is it government’s job to increase that risk and to introduce more instability into the marketplace? It is not. But that’s exactly what S.J.R. 15 does.

Passing S.J.R. 15 and creating this instability in our marketplace will not create one job in Nevada. It will not encourage any business to come here. It will not reduce one class size in Clark County. It will not restore equity to the University funding formula, and it will not make anyone pay their fair share.

Instead, it just brings more doubt into Nevada’s tax structure, it brings doubt to the investors who have billions of dollars at risk in ventures in this state, it brings pain to our rural communities whose schools and services we’ll have to scale back, and it slows our economic development and our economic recovery in this state.

In actuality, S.J.R. 15 removes the state’s guarantee of $417 million in taxes from the mining industry. This is a bad bill, it is bad policy, and it is bad for the people of Nevada. I hope you will join me in voting no on S.J.R. 15.

ASSEMBLYMAN DALY:

Thank you, Madam Speaker. I rise in support of Senate Joint Resolution 15. To acknowledge the words of my friends from Assembly District 33 and Gardnerville, mining is an important industry in this state. It has been a long part of our history, since before we actually became a state when we were a territory. But along with many other things in this state which have modernized—and we have grown up, mining has modernized—our constitution and the provisions that are in there have not kept up. We’re not going to lose mining jobs or mining industry or anything else. The minerals are here, the resource is here, and if there is a market for those resources, mining will continue. They are not going to tunnel in from Utah. So I think it is time that we modernize our constitution and catch up with other states that have passed laws where their revenue has increased and mining has stayed the same—Alaska, Colorado, and other places. I do support Senate Joint Resolution 15 to modernize our constitution with the rest of the industry that has come into the state through mining.
Assemblyman Livermore:

I rise in opposition of Senate Joint Resolution 15. Supporters of this resolution are eager to raise taxes on the mining industry. We have seen this time and time again. Meanwhile, sales of all commodities are down since the start of the legislative session. Gold has dropped 20 percent; silver is down more than 30 percent; copper has dropped 11 percent. Major mining companies have stopped hiring Nevada workers. There have been numerous layoffs in the industry, and if the economy doesn’t improve for these industries, there will be more.

If it were any other industry, we would not be having this conversation in a time of crisis. Instead, we would be asking how to support that industry. We would vote to incentivize to help make struggling businesses succeed. But since it’s mining, we are doing the opposite. There are some in this body who think it is the right thing to do politically, so here we are, voting on a measure specifically designed to hurt an industry.

Many of you know I used to own the A & W franchise in this area. I can only imagine what would happen in this building had root beer ever fallen out of favor with the public. Would we have complained, then, that international soft drink companies weren’t paying their fair share? Perhaps we would have considered special taxes on french fries?

My colleagues, we all know how this vote may come out today. But before the rolls are open, I would ask you to consider the problems we will unleash on one of the state’s founding industries, on our rural communities, and potentially even on our own budget. Please consider all of these things and join me in voting no on S.J.R. 15.

Bill read third time.
The following amendment was proposed by Assemblyman Stewart:
Amendment No. 837.

AN ACT relating to mental health; authorizing the involuntary court-ordered admission of certain persons with mental illness to programs of community-based or outpatient services under certain circumstances; requiring a peace officer to take into custody and deliver a person to the appropriate location for an evaluation by an evaluation team from the Division of Mental Health and Developmental Services of the Department of Health and Human Services in certain circumstances; removing the provision which generally requires a person and his or her responsible relatives to pay for certain costs relating to the person’s involuntary admission to such a program; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law prescribes the process for initiating a petition for the involuntary court-ordered admission to a mental health facility of a person who is alleged to have a mental illness. Additionally, existing law specifies that if a court finds that a person has a mental illness and is likely to harm himself or herself or others if not treated, the court must place the person in the most appropriate course of treatment. (NRS 433A.115-433A.330) This
Section 3 of this bill requires that: (1) a plan of treatment be developed by persons who are qualified in the field of psychiatric mental health, in consultation with the person who will receive the treatment; (2) the plan contain certain information relating to the course of treatment; and (3) the developers of the plan submit the plan to the court in writing.

Section 4 of this bill authorizes under certain circumstances both the conditional release of a person involuntarily admitted to a program of community-based or outpatient services and the revocation of such release, and section 19 of this bill authorizes the unconditional release of such a person under certain circumstances.

Section 13 of this bill sets forth the requirements for participation in a program of community-based or outpatient services, including that: (1) the person who is admitted to the program must be 18 years of age or older and have a history of noncompliance with treatment for mental illness; and (2) the court must approve the written plan of treatment which has been developed for the person and submitted to the court.

Section 18 of this bill sets forth the process by which a professional responsible for providing or coordinating a program of community-based or outpatient services may petition the court to order a peace officer to take into custody and deliver a person who is involuntarily admitted to the program to the appropriate location for an evaluation by an evaluation team from the Division of Mental Health and Developmental Services of the Department of Health and Human Services if the person fails to participate in the program or otherwise fails to carry out the written plan of treatment developed for the person and submitted to the court.

Section 23 of this bill removes the provisions which generally requires a person and his or her responsible relatives to pay for the actual cost of the treatment and services rendered during the person’s involuntary admission to a division facility to require the same for an involuntary admission to a program of community-based or outpatient services. (NRS 433A.640) Responsible relatives include only the parent or legal guardian of a minor or the husband or wife of a person. (NRS 433A.610)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 433A of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.
Sec. 2. "Program of community-based or outpatient services" means care, treatment and training provided to persons with mental illness, including, without limitation:
1. A program or service for the treatment of abuse of alcohol;
2. A program or service for the treatment of abuse of drugs;
3. A program of general education or vocational training;
4. A program or service that assists in the dispensing or monitoring of medication;
5. A program or service that provides counseling or therapy;
6. A service which provides screening tests to detect the presence of alcohol or drugs;
7. A program of supervised living; or
8. Any combination of programs and services for persons with mental illness.

The term does not include care, treatment and training provided to residents of a mental health facility.

Sec. 3. If a court determines pursuant to NRS 433A.310 that a person should be involuntarily admitted to a program of community-based or outpatient services, the court shall promptly cause two or more persons professionally qualified in the field of psychiatric mental health, which may include the person who filed the petition for involuntary court-ordered admission pursuant to NRS 433A.200 if he or she is so qualified, in consultation with the person to be involuntarily admitted, to develop and submit to the court a written plan prescribing a course of treatment and enumerating the program of community-based or outpatient services for the person. The plan must include, without limitation:
1. A description of the types of services in which the person will participate;
2. The medications, if any, which the person must take and the manner in which those medications will be administered;
3. The name of the person professionally qualified in the field of psychiatric mental health who is responsible for providing or coordinating the program of community-based or outpatient services; and
4. Any other requirements which the court deems necessary.

Sec. 4. 1. Except as otherwise provided in subsection 3, any person involuntarily admitted to a program of community-based or outpatient services may be conditionally released from the program when, in the judgment of the professional responsible for providing or coordinating the program of community-based or outpatient services, the conditional release is in the best interest of the person and will not be detrimental to the public welfare. The professional responsible for providing or coordinating the program of community-based or outpatient services shall prescribe the
period for which the conditional release is effective. The period must not extend beyond the last day of the court-ordered period of admission to a program of community-based or outpatient services pursuant to NRS 433A.310.

2. When a person is conditionally released pursuant to subsection 1, the State of Nevada, the agents and employees of the State or a mental health facility, the professionals responsible for providing or coordinating programs of community-based or outpatient services and any other professionals providing mental health services are not liable for any debts or contractual obligations incurred, medical or otherwise, or damages caused by the actions of the person who is released.

3. A person who is involuntarily admitted to a program of community-based or outpatient services may be conditionally released only if, at the time of the release, written notice is given to the court which ordered the person to participate in the program and to the district attorney of the county in which the proceedings for admission were held.

4. Except as otherwise provided in subsection 6, the professional responsible for providing or coordinating the program of community-based or outpatient services shall order a person who is conditionally released pursuant to subsection 1 to resume participation in the program if the professional determines that the conditional release is no longer appropriate because that person presents a clear and present danger of harm to himself or herself or others. Except as otherwise provided in this subsection, the professional responsible for providing or coordinating the program of community-based or outpatient services shall, at least 3 days before the issuance of the order to resume participation, give written notice of the order to the court that admitted the person to the program. If an emergency exists in which the person presents an imminent threat of danger of harm to himself or herself or others, the order must be submitted to the court not later than 1 business day after the order is issued.

5. The court shall review an order submitted pursuant to subsection 4 and the current condition of the person who was ordered to resume participation in a program of community-based or outpatient services at the next regularly scheduled hearing for the review of petitions for involuntary admissions, but in no event later than 5 judicial days after participation in the program is resumed. The professional responsible for providing or coordinating the program of community-based or outpatient services to the person who was ordered to resume participation in the program shall give written notice to that person and to his or her attorney, if the person is represented by legal counsel, of the time, date and place of the hearing and of the facts necessitating that the person resume participation in the program.
6. The provisions of subsection 4 do not apply if the period of conditional release has expired.

Sec. 5. NRS 433A.011 is hereby amended to read as follows:

433A.011 As used in this chapter, unless the context otherwise requires, the words and terms defined in NRS 433A.012 to 433A.018, inclusive, and section 2 of this act have the meanings ascribed to them in those sections.

2. A person presents a clear and present danger of harm to himself or herself if, within the immediately preceding 30 days, the person has, as a result of a mental illness:

(a) Acted in a manner from which it may reasonably be inferred that, without the care, supervision or continued assistance of others, the person will be unable to satisfy his or her need for nourishment, personal or medical care, shelter, self-protection or safety, and if there exists a reasonable probability that the person’s death, serious bodily injury or physical debilitation will occur within the next following 30 days unless he or she is admitted to a mental health facility pursuant to the provisions of NRS 433A.115 to 433A.330, inclusive, and sections 3 and 4 of this act and adequate treatment is provided to the person;

(b) Attempted or threatened to commit suicide or committed acts in furtherance of a threat to commit suicide, and if there exists a reasonable probability that the person will commit suicide unless he or she is admitted to a mental health facility pursuant to the provisions of NRS 433A.115 to 433A.330, inclusive, and sections 3 and 4 of this act and adequate treatment is provided to the person; or

inclusive, and sections 3 and 4 of this act and adequate treatment is provided to the person.

3. A person presents a clear and present danger of harm to others if, within the immediately preceding 30 days, the person has, as a result of a mental illness, inflicted or attempted to inflict serious bodily harm on any other person, or made threats to inflict harm and committed acts in furtherance of those threats, and if there exists a reasonable probability that he or she will do so again unless the person is admitted to a mental health facility pursuant to the provisions of NRS 433A.115 to 433A.330, inclusive, and sections 3 and 4 of this act and adequate treatment is provided to him or her.

Sec. 7. NRS 433A.130 is hereby amended to read as follows:

433A.130 All applications and certificates for the admission of any person in the State of Nevada to a mental health facility or to a program of community-based or outpatient services under the provisions of this chapter shall be made on forms approved by the Division and the Office of the Attorney General and furnished by the clerks of the district courts in each county.

Sec. 8. NRS 433A.150 is hereby amended to read as follows:

433A.150 1. Any person alleged to be a person with mental illness may, upon application pursuant to NRS 433A.160 and subject to the provisions of subsection 2, be detained in a public or private mental health facility or hospital under an emergency admission for evaluation, observation and treatment.

2. Except as otherwise provided in subsection 3, a person detained pursuant to subsection 1 must be released within 72 hours, including weekends and holidays, after the certificate required pursuant to NRS 433A.170 and the examination required by paragraph (a) of subsection 1 of NRS 433A.165 have been completed, if such an examination is required, or within 72 hours, including weekends and holidays, after the person arrives at the mental health facility or hospital, if an examination is not required by paragraph (a) of subsection 1 of NRS 433A.165, unless, before the close of the business day on which the 72 hours expires, a written petition for an involuntary court-ordered admission to a mental health facility is filed with the clerk of the district court pursuant to NRS 433A.200, including, without limitation, the documents required pursuant to NRS 433A.210, or the status of the person is changed to a voluntary admission.

3. If the period specified in subsection 2 expires on a day on which the office of the clerk of the district court is not open, the written petition must be filed on or before the close of the business day next following the expiration of that period.

1. Except as otherwise provided in NRS 432B.6075, a proceeding for an involuntary court-ordered admission of any person in the State of Nevada may be commenced by the filing of a petition for the involuntary admission to a mental health facility or to a program of community-based or outpatient services with the clerk of the district court of the county where the person who is to be treated resides. The petition may be filed by the spouse, parent, adult children or legal guardian of the person to be treated or by any physician, psychologist, social worker or registered nurse, by an accredited agent of the Department or by any officer authorized to make arrests in the State of Nevada. The petition must be accompanied:

(a) By a certificate of a physician, psychiatrist or licensed psychologist stating that he or she has examined the person alleged to be a person with mental illness and has concluded that the person has a mental illness and, because of that illness, is likely to harm himself or herself or others if allowed his or her liberty; or if not required to participate in a program of community-based or outpatient services; or

(b) By a sworn written statement by the petitioner that:

(1) The petitioner has, based upon the petitioner’s personal observation of the person alleged to be a person with mental illness, probable cause to believe that the person has a mental illness and, because of that illness, is likely to harm himself or herself or others if allowed his or her liberty; or if not required to participate in a program of community-based or outpatient services; and

(2) The person alleged to be a person with mental illness has refused to submit to examination or treatment by a physician, psychiatrist or licensed psychologist.

2. Except as otherwise provided in NRS 432B.6075, if the person to be treated is a minor and the petitioner is a person other than a parent or guardian of the minor, the petition must, in addition to the certificate or statement required by subsection 1, include a statement signed by a parent or guardian of the minor that the parent or guardian does not object to the filing of the petition.

Sec. 10. NRS 433A.240 is hereby amended to read as follows:

433A.240 1. After the filing of a petition to commence proceedings for the involuntary court-ordered admission of a person pursuant to NRS 433A.200 or 433A.210, the court shall promptly cause two or more physicians or licensed psychologists, one of whom must always be a physician, to examine the person alleged to be a person with mental illness, or request an evaluation by an evaluation team from the Division of the person alleged to be a person with mental illness.

2. To conduct the examination of a person who is not being detained at a mental health facility or hospital under emergency admission pursuant to an
application made pursuant to NRS 433A.160, the court may order a peace officer to take the person into protective custody and transport the person to a mental health facility or hospital where the person may be detained until a hearing is had upon the petition.

3. If the person is not being detained under an emergency admission pursuant to an application made pursuant to NRS 433A.160, the person may be allowed to remain in his or her home or other place of residence pending an ordered examination or examinations and to return to his or her home or other place of residence upon completion of the examination or examinations. The person may be accompanied by one or more of his or her relations or friends to the place of examination.

4. Each physician and licensed psychologist who examines a person pursuant to subsection 1 shall, in conducting such an examination, consider the least restrictive treatment appropriate for the person.

3. Fees for the evaluations must be established and collected as set forth in NRS 433.414 or 433B.260, as appropriate.

Sec. 12. NRS 433A.270 is hereby amended to read as follows:

433A.270 1. The person alleged to be a person with mental illness or any relative or friend on the person’s behalf is entitled to retain counsel to represent the person in any proceeding before the district court relating to involuntary court-ordered admission, and if he or she fails or refuses to obtain counsel, the court shall advise the person and the person’s guardian or next of kin, if known, of such right to counsel and shall appoint counsel, who may be the public defender or his or her deputy.
2. Any counsel appointed pursuant to subsection 1 must be awarded compensation by the court for his or her services in an amount determined by it to be fair and reasonable. The compensation must be charged against the estate of the person for whom the counsel was appointed or, if the person is indigent, against the county where the person alleged to be a person with mental illness last resided.

3. The court shall, at the request of counsel representing the person alleged to be a person with mental illness in proceedings before the court relating to involuntary court-ordered admission, grant a recess in the proceedings for the shortest time possible, but for not more than 5 days, to give the counsel an opportunity to prepare his or her case.

4. Each district attorney or his or her deputy shall appear and represent the State in all involuntary court-ordered admission proceedings in the district attorney’s county. The district attorney is responsible for the presentation of evidence, if any, in support of the involuntary court-ordered admission of a person to a mental health facility or to a program of community-based or outpatient services in proceedings held pursuant to NRS 433A.200 or 433A.210.

Sec. 13. NRS 433A.310 is hereby amended to read as follows:

433A.310 1. Except as otherwise provided in NRS 432B.6076 and 432B.6077, if the district court finds, after proceedings for the involuntary court-ordered admission of a person:

(a) That there is not clear and convincing evidence that the person with respect to whom the hearing was held has a mental illness or exhibits observable behavior such that the person is likely to harm himself or herself or others if allowed his or her liberty or if not required to participate in a program of community-based or outpatient services, the court shall enter its finding to that effect and the person must not be involuntarily detained in such a facility.

(b) That there is clear and convincing evidence that the person with respect to whom the hearing was held has a mental illness and, because of that illness, is likely to harm himself or herself or others if allowed his or her liberty or if not required to participate in a program of community-based or outpatient services, the court may order the involuntary admission of the person for the most appropriate course of treatment, including, without limitation, admission to a public or private mental health facility or participation in a program of community-based or outpatient services. The order of the court must be interlocutory and must not become final if, within 30 days after the involuntary admission, the person is unconditionally released pursuant to NRS 433A.390.
2. A court shall not admit a person to a program of community-based or outpatient services unless:
   (a) A program of community-based or outpatient services is available in the community in which the person resides or is otherwise made available to the person;
   (b) The person is 18 years of age or older;
   (c) The person has a history of noncompliance with treatment for mental illness;
   (d) The person is capable of surviving safely in the community in which he or she resides with available supervision;
   (e) The court determines that, based on the person’s history of treatment for mental illness, the person needs to be admitted to a program of community-based or outpatient services to prevent further disability or deterioration of the person which is likely to result in harm to himself or herself or others;
   (f) The current mental status of the person or the nature of the person’s illness limits or negates his or her ability to make an informed decision to seek treatment for mental illness voluntarily or to comply with recommended treatment for mental illness;
   (g) The program of community-based or outpatient services is the least restrictive treatment which is in the best interest of the person; and
   (h) The court has approved a plan of treatment developed for the person pursuant to section 3 of this act.

3. Except as otherwise provided in NRS 432B.608, an involuntary admission pursuant to paragraph (b) of subsection 1 automatically expires at the end of 6 months if not terminated previously by the medical director of the public or private mental health facility as provided for in subsection 2 of NRS 433A.390 or by the professional responsible for providing or coordinating the program of community-based or outpatient services as provided for in subsection 3 of NRS 433A.390. Except as otherwise provided in NRS 432B.608, at the end of the court-ordered period of treatment, the Division, any mental health facility that is not operated by the Division or a program of community-based or outpatient services may petition to renew the involuntary admission of the person for additional periods not to exceed 6 months each. For each renewal, the petition must set forth to the court specific reasons why further treatment would be in the person’s own best interests.

4. Before issuing an order for involuntary admission or a renewal thereof, the court shall explore other alternative courses of treatment within the least restrictive appropriate environment, including involuntary admission to a program of community-based or outpatient services, as suggested by the evaluation team who evaluated the person, or other persons.

4. If the court issues an order involuntarily admitting a person to a public or private mental health facility or to a program of community-based or outpatient services pursuant to this section, the court shall, notwithstanding the provisions of NRS 433A.715, cause, on a form prescribed by the Department of Public Safety, a record of such order to be transmitted to the Central Repository for Nevada Records of Criminal History, along with a statement indicating that the record is being transmitted for inclusion in each appropriate database of the National Instant Criminal Background Check System.

5. As used in this section, “National Instant Criminal Background Check System” has the meaning ascribed to it in NRS 179A.062.

Sec. 14. NRS 433A.320 is hereby amended to read as follows:

433A.320  The order for involuntary court admission of any person to a public or private mental health facility or to a program of community-based or outpatient services must be accompanied by a clinical abstract, including a history of illness, diagnosis, treatment and the names of relatives or correspondents.

Sec. 15. NRS 433A.330 is hereby amended to read as follows:

433A.330  1. When an involuntary court admission to a mental health facility is ordered under the provisions of this chapter, the involuntarily admitted person, together with the court orders and certificates of the physicians, certified psychologists or evaluation team and a full and complete transcript of the notes of the official reporter made at the examination of such person before the court, must be delivered to the sheriff of the county who shall:

(a) Transport the person; or

(b) Arrange for the person to be transported by:

(1) A system for the nonemergency medical transportation of persons whose operation is authorized by the Nevada Transportation Authority; or

(2) If medically necessary, an ambulance service that holds a permit issued pursuant to the provisions of chapter 450B of NRS, to the appropriate public or private mental health facility.

2. No person with mental illness may be transported to the mental health facility without at least one attendant of the same sex or a relative in the first degree of consanguinity or affinity being in attendance.

Sec. 16. NRS 433A.350 is hereby amended to read as follows:

433A.350  1. Upon admission to any public or private mental health facility or to a program of community-based or outpatient services, each consumer of the facility and the consumer’s spouse and legal guardian, if any, must receive a written statement outlining in simple, nontechnical
language all procedures for release provided by this chapter, setting out all
details and rights accorded to such a consumer by this chapter and chapters 433 and
433B of NRS and, if the consumer has no legal guardian, describing
procedures provided by law for adjudication of incompetency and
appointment of a guardian for the consumer.

2. Written information regarding the services provided by and means of

Sec. 17. NRS 433A.360 is hereby amended to read as follows:

433A.360 1. A clinical record for each consumer must be diligently
maintained by any division facility, or private institution, or facility
offering mental health services or program of community-based or
outpatient services. The record must include information pertaining to the
consumer’s admission, legal status, treatment and individualized plan for

Individuals Act of 1986, 42 U.S.C. §§ 10801 et seq., when the Administrator
deems it necessary for the proper care of the consumer.
(e) Information from the clinical records may be used for statistical and
evaluative purposes if the information is abstracted in such a way as to
protect the identity of individual consumers.
(f) To the extent necessary for a consumer to make a claim, or for a claim
to be made on behalf of a consumer for aid, insurance or medical assistance
to which the consumer may be entitled, information from the records may be
released with the written authorization of the consumer or the consumer’s
guardian.
(g) The record must be released without charge to any member of the staff of an agency in Nevada which has been established pursuant to 42 U.S.C. §§ 15001 et seq. or 42 U.S.C. §§ 10801 et seq., if:

1. The consumer is a consumer of that office and the consumer or the consumer’s legal representative or guardian authorizes the release of the record; or

2. A complaint regarding a consumer was received by the office or there is probable cause to believe that the consumer has been abused or neglected and the consumer:
   1. Is unable to authorize the release of the record because of the consumer’s mental or physical condition; and
   2. Does not have a guardian or other legal representative or is a ward of the State.

(h) The record must be released as provided in NRS 433.332 or 433B.200 and in chapter 629 of NRS.

2. As used in this section, “consumer” includes any person who seeks, on the person’s own or others’ initiative, and can benefit from, care, treatment and training in a private institution or facility offering mental health services, from treatment to competency in a private institution or facility offering mental health services, or from a program of community-based or outpatient services.

Sec. 18. NRS 433A.370 is hereby amended to read as follows:

2. When a consumer who is judicially admitted to a program of community-based or outpatient services fails to participate in the program or otherwise fails to carry out the plan of treatment developed pursuant to section 3 of this act, despite efforts by the professional responsible for providing or coordinating the program of community-based or outpatient services for the consumer to solicit the consumer’s compliance, the professional may petition the court to issue an order requiring a peace officer to take into custody and deliver the consumer to the appropriate
location for an evaluation by an evaluation team from the Division pursuant to NRS 433A.240. The petition must be accompanied by:

(a) A copy of the order for involuntary admission;

(c) A list that sets forth the specific provisions of the plan of treatment which the consumer has failed to carry out; and
(d) A statement by the petitioner which explains how the consumer’s failure to participate in the program of community-based or outpatient services or failure to carry out the plan of treatment will likely cause the consumer to harm himself or herself or others.

3. If the court determines that there is probable cause to believe that the consumer is likely to harm himself or herself or others if the consumer does not comply with the plan of treatment, the court may issue an order requiring a peace officer to take into custody and deliver the consumer to the appropriate location for an evaluation by an evaluation team from the Division pursuant to NRS 433A.240.

4. Any person appointed or designated by the Director of the Department to take into custody and transport persons who have escaped, or failed to return or failed to participate in a program of treatment as described in subsection 1 of this section may participate in the apprehension and delivery of any such person, but may not take the person into custody without a warrant.

Sec. 19. NRS 433A.390 is hereby amended to read as follows:

433A.390 1. When a consumer, involuntarily admitted to a mental health facility or to a program of community-based or outpatient services by court order, is released at the end of the period specified pursuant to NRS 433A.310, written notice must be given to the admitting court and to the consumer’s legal guardian at least 10 days before the release of the consumer. The consumer may then be released without requiring further orders of the court. If the consumer has a legal guardian, the facility or the professional responsible for providing or coordinating the program of community-based or outpatient services shall notify the guardian before discharging the consumer from the facility or program. The legal guardian has discretion to determine where the consumer will be released, taking into consideration any discharge plan proposed by the facility assessment team or the professional responsible for providing or coordinating the program of community-based or outpatient services. If the legal guardian does not inform the facility or professional as to where the consumer will be released within 3 days after the date of notification, the facility or professional shall discharge the consumer according to its proposed discharge plan.
2. **An involuntarily court-admitted**: A consumer who is involuntarily admitted to a mental health facility may be unconditionally released before the period specified in NRS 433A.310 when:

   (a) An evaluation team established under NRS 433A.250 or two persons professionally qualified in the field of psychiatric mental health, at least one of them being a physician, determines that the consumer has recovered from his or her mental illness or has improved to such an extent that the consumer is no longer considered to present a clear and present danger of harm to himself or herself or others; and

   (b) Under advisement from the evaluation team or two persons professionally qualified in the field of psychiatric mental health, at least one of them being a physician, the medical director of the mental health facility authorizes the release and gives written notice to the admitting court and to the consumer’s legal guardian at least 10 days before the release of the consumer. If the consumer has a legal guardian, the facility shall notify the guardian before discharging the consumer from the facility. The legal guardian has discretion to determine where the consumer will be released, taking into consideration any discharge plan proposed by the facility assessment team. If the legal guardian does not inform the facility as to where the consumer will be released within 3 days after the date of notification, the facility shall discharge the consumer according to its proposed discharge plan.

3. A consumer who is involuntarily admitted to a program of community-based or outpatient services may be unconditionally released before the period specified in NRS 433A.310 when:

   (a) The professional responsible for providing or coordinating the program of community-based or outpatient services for the consumer determines that the consumer has recovered from his or her mental illness or has improved to such an extent that the consumer is no longer considered to present a clear and present danger of harm to himself or herself or others; and

   (b) Under advisement from an evaluation team established under NRS 433A.250 or two persons professionally qualified in the field of psychiatric mental health, at least one of them being a physician, the professional responsible for providing or coordinating the program of community-based or outpatient services for the consumer authorizes the release and gives written notice to the admitting court at least 10 days before the release of the consumer from the program.

433A.460  1. No person admitted to a public or private mental health facility or to a program of community-based or outpatient services pursuant to this chapter shall, by reason of such admission, be denied the right to
dispose of property, marry, execute instruments, make purchases, enter into contractual relationships, vote and hold a driver’s license, unless such person has been specifically adjudicated incompetent by a court of competent jurisdiction and has not been restored to legal capacity.

2. If the responsible physician of the mental health facility in which any person is detained or the professional responsible for providing or coordinating the program of community-based or outpatient services for a person is of the opinion that such person is unable to exercise any of the aforementioned rights, the responsible physician or other responsible professional, as applicable, shall immediately notify the person and the person’s attorney, legal guardian, spouse, parents or other nearest-known adult relative, and the district court of that fact.

Sec. 21. NRS 433A.580 is hereby amended to read as follows:

433A.580 No person may be admitted to a private hospital or a division mental health facility or a program of community-based or outpatient services pursuant to the provisions of this chapter unless mutually agreeable financial arrangements relating to the costs of treatment are made between the private hospital, division facility or professional responsible for providing or coordinating a program of community-based or outpatient services and the consumer or person requesting his or her admission.

433A.640 1. Once a court has ordered the admission of a person to a division facility, the administrative officer shall make an investigation, pursuant to the provisions of this chapter, to determine whether the person or his or her responsible relatives pursuant to NRS 433A.610 are capable of
paying for all or a portion of the costs that will be incurred during the period of admission.

2. 

If a person is admitted to a division facility or program of community-based or outpatient services pursuant to a court order, that person and his or her responsible relatives are responsible for the payment of the actual cost of the treatment and services rendered during his or her admission to the division facility or program unless the investigation reveals that the person and his or her responsible relatives are not capable of paying the full amount of the costs.

3. 

Once a court has ordered the admission of a person to a program of community-based or outpatient services operated by the Division, the professional responsible for providing or coordinating the program shall make an investigation, pursuant to the provisions of this chapter, to determine whether the person or his or her responsible relatives pursuant to NRS 433A.610 are capable of paying for all or a portion of the costs that will be incurred during the period of admission.

The administrative officer of a division mental health facility or professional responsible for providing or coordinating a program of community-based or outpatient services may accept payment for the cost of a consumer’s treatment from the consumer’s insurance company, Medicare or Medicaid and other similar third parties.

Sec. 25. NRS 433A.660 is hereby amended to read as follows:

Assembly Bill No. 336.

Bill read third time.

The following amendment was proposed by Assemblyman Healey:

Amendment No. 833.

AN ACT relating to vehicle registration; authorizing the registration of certain trailers for a 3-year period in lieu of a 12-month period; requiring a registrant who elects to register a trailer for the longer period to pay fees commensurate with that longer period; authorizing the registration of certain commercial trailers and semitrailers for as long as the trailer is owned by the person who obtained the registration; providing for a one-time imposition of a flat governmental services tax on commercial trailers registered for as long as the trailer is owned by the person who obtained the registration; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the annual registration of trailers and semitrailers that are to be operated on the highways of this State and the imposition of a governmental services tax. (NRS 371.030, 482.205, 482.206) Section 1.4 of this bill allows a person who owns a trailer to instead elect to register the trailer for a period of 3 years. Section 1.4 also requires a person who registers a trailer for a 3-year period to pay upon registration all applicable fees and taxes which the person would pay if the trailer was registered for 1 year and then renewed for 2 consecutive years, including, without limitation, governmental services taxes, registration fees, license plate fees and additional fees, if applicable, for personalized prestige license plates and special license plates.

Sections 2, 3, 34.5 and 36 of this bill authorize the owners of certain commercial trailers and semitrailers to pay a flat registration fee of $24 and the imposition of the governmental services tax in the amount of $86 for a registration that is valid for as long as the person owns the trailer. Section 2 provides that such a registration is nontransferable if the person transfers ownership of the trailer, and is valid until the owner either transfers ownership of the trailer or cancels the registration of the trailer and surrenders the license plates to the Department of Motor Vehicles. Section

(2) Issue such souvenir license plates, for a fee established pursuant to NRS 482.3825, only to the charitable organization that is benefited by the particular special license plate. The charitable organization may resell such souvenir license plates at a price determined by the charitable organization.

(b) The Department may, except as otherwise provided in this paragraph and after the particular special license plate is approved for issuance, issue the special license plate for a trailer, motorcycle or other type of vehicle that is not a passenger car or light commercial vehicle, excluding vehicles required to be registered with the Department pursuant to NRS 706.801 to 706.861, inclusive, and full trailers or semitrailers registered pursuant to subsection 3 of NRS 482.483, upon application by a person who is entitled to license plates pursuant to NRS 482.265 or 482.272 and who otherwise complies with the requirements for registration and licensing pursuant to this chapter or chapter 486 of NRS. The Department may not issue a special license plate for such other types of vehicles if the Department determines that the design or manufacture of the plate for those other types of vehicles would not be feasible. In addition, if the Department incurs additional costs to manufacture a special license plate for such other types of vehicles, including, without limitation, costs associated with the purchase, manufacture or modification of dies or other equipment necessary to manufacture the special license plate for such other types of vehicles, those additional costs must be paid from private sources without any expense to the State of Nevada.

2. If, as authorized pursuant to paragraph (b) of subsection 1, the Department issues a special license plate for a trailer, motorcycle or other type of vehicle that is not a passenger car or light commercial vehicle, the Department shall charge and collect for the issuance and renewal of such a plate the same fees that the Department would charge and collect if the other type of vehicle was a passenger car or light commercial vehicle. As used in this subsection, “fees” does not include any applicable registration or license fees or governmental services taxes.

3. As used in this section:

(a) "Additional fees" has the meaning ascribed to it in NRS 482.38273.

(b) "Charitable organization" means a particular cause, charity or other entity that receives money from the imposition of additional fees in connection with the issuance of a special license plate pursuant to
NRS 482.3667 to 482.3823, inclusive. The term includes the successor, if any, of a charitable organization.

Sec. 34.2. NRS 482.399 is hereby amended to read as follows:

482.399 1. Upon the transfer of the ownership of or interest in any vehicle by any holder of a valid registration, or upon destruction of the vehicle, the registration expires.

2. Except as otherwise provided in subsection 3 of NRS 482.483, the holder of the original registration may transfer the registration to another vehicle to be registered by the holder and use the same regular license plate or plates or special license plate or plates issued pursuant to NRS 482.3667 to 482.3823, inclusive, or 482.384, on the vehicle from which the registration is being transferred, if the license plate or plates are appropriate for the second vehicle, upon filing an application for transfer of registration and upon paying the transfer registration fee and the excess, if any, of the registration fee and governmental services tax on the vehicle to which the registration is transferred over the total registration fee and governmental services tax paid on all vehicles from which he or she is transferring ownership or interest. Except as otherwise provided in NRS 482.294, an application for transfer of registration must be made in person, if practicable, to any office or agent of the Department or to a registered dealer, and the license plate or plates may not be used upon a second vehicle until registration of that vehicle is complete.

3. In computing the governmental services tax, the Department, its agent or the registered dealer shall credit the portion of the tax paid on the first vehicle attributable to the remainder of the current registration period or calendar year on a pro rata monthly basis against the tax due on the second vehicle or on any other vehicle of which the person is the registered owner. If any person transfers ownership or interest in two or more vehicles, the Department or the registered dealer shall credit the portion of the tax paid on all of the vehicles attributable to the remainder of the current registration period or calendar year on a pro rata monthly basis against the tax due on the vehicle to which the registration is transferred or on any other vehicle of which the person is the registered owner. The certificates of registration and unused license plates of the vehicles from which a person transfers ownership or interest must be submitted before credit is given against the tax due on the vehicle to which the registration is transferred or on any other vehicle of which the person is the registered owner.

4. In computing the registration fee, the Department or its agent or the registered dealer shall credit the portion of the registration fee paid on each vehicle attributable to the remainder of the current calendar year or registration period on a pro rata basis against the registration fee due on the vehicle to which registration is transferred.
5. If the amount owed on the registration fee or governmental services tax on the vehicle to which registration is transferred is less than the credit on the total registration fee or governmental services tax paid on all vehicles from which a person transfers ownership or interest, no refund may be allowed by the Department.

6. If the license plate or plates are not appropriate for the second vehicle, the plate or plates must be surrendered to the Department or registered dealer and an appropriate plate or plates must be issued by the Department. The Department shall not reissue the surrendered plate or plates until the next succeeding licensing period.

7. If application for transfer of registration is not made within 60 days after the destruction or transfer of ownership of or interest in any vehicle, the license plate or plates must be surrendered to the Department on or before the 60th day for cancellation of the registration.

8. Except as otherwise provided in subsection 2 of NRS 371.040 and subsection 7 of NRS 482.260, if a person cancels his or her registration and surrenders to the Department the license plates for a vehicle, the Department shall, in accordance with the provisions of subsection 9, issue to the person a refund of the portion of the registration fee and governmental services tax paid on the vehicle attributable to the remainder of the current calendar year or registration period on a pro rata basis.

9. The Department shall issue a refund pursuant to subsection 8 only if the request for a refund is made at the time the registration is cancelled and the license plates are surrendered, the person requesting the refund is a resident of Nevada, the amount eligible for refund exceeds $100, and evidence satisfactory to the Department is submitted that reasonably proves the existence of extenuating circumstances. For the purposes of this subsection, the term “extenuating circumstances” means circumstances wherein:

   (a) The person has recently relinquished his or her driver’s license and has sold or otherwise disposed of his or her vehicle.
   (b) The vehicle has been determined to be inoperable and the person does not transfer the registration to a different vehicle.
   (c) The owner of the vehicle is seriously ill or has died and the guardians or survivors have sold or otherwise disposed of the vehicle.
   (d) Any other event occurs which the Department, by regulation, has defined to constitute an “extenuating circumstance” for the purposes of this subsection.

Sec. 34.5. NRS 482.483 is hereby amended to read as follows:

482.483 In addition to any other applicable fee listed in NRS 482.480, there must be paid to the Department:
1. Except as otherwise provided in subsection 3, for every trailer or semitrailer having an unladen weight of 1,000 pounds or less, a flat registration fee of $12.

2. Except as otherwise provided in subsection 3, for every trailer having an unladen weight of more than 1,000 pounds, a flat registration fee of $24.

3. For any full trailer or semitrailer, other than a recreational vehicle or travel trailer, for a nontransferable registration that does not expire until the owner transfers the ownership of the full trailer or semitrailer, a flat nonrefundable registration fee of $24. If, pursuant to NRS 482.399, the owner of a full trailer or semitrailer that is registered pursuant to this section cancels the registration and surrenders the license plates to the Department, no portion of the flat registration fee will be refunded to the owner.

Sec. 35. NRS 482.520 is hereby amended to read as follows:

482.520 Whenever the owner of any motor vehicle, trailer or semitrailer which is stolen or embezzled files an affidavit alleging such fact with the Department, it shall immediately suspend the registration of and refuse to reregister such vehicle until such time as it is notified that the owner has recovered the vehicle, but notices given as herein provided shall be effective only during the current registration period in which given. If during such period the vehicle is not recovered a new affidavit may be filed with like effect during the ensuing period. Every owner who has filed an affidavit of theft or embezzlement must immediately notify the Department of the recovery of such vehicle.

Sec. 36. NRS 371.040 is hereby amended to read as follows:

371.040 Except as otherwise provided in subsection 2, the annual amount of the basic governmental services tax throughout the State is 4 cents on each $1 of valuation of the vehicle as determined by the Department.

2. A full trailer or semitrailer registered pursuant to subsection 3 of NRS 482.483 is subject to the basic governmental services tax in the nonrefundable amount of $86 each time such a full trailer or semitrailer is registered pursuant to subsection 3 of NRS 482.483.

Sec. 37. NRS 371.060 is hereby amended to read as follows:

AN ACT relating to the Legislature; revising provisions relating to the
training required for newly elected Legislators; changing certain deadlines
applicable to the submission and drafting of legislative measures;
prohibiting certain revising the number of legislative measures that
certain persons and entities may request for drafting; restricting
Legislators from requesting the drafting of legislative measures under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law requires newly elected Legislators to attend certain training
before the beginning of their first legislative session. (NRS 218A.285) Section 1 of this bill requires such training to include discussion of major policy issues that are likely to be considered during the ensuing regular session of the Legislature. Section 1 also requires the Director of the Legislative Counsel Bureau to communicate in writing the dates for training to candidates for election to the Assembly and the Senate for the ensuing regular session of the Legislature.

Existing law requires the Director to provide an electronic copy of a training session to any Legislator who was unable to attend the training session. (NRS 218A.285) Section 1 authorizes the Director to provide an alternate means of recording the information provided during certain training sessions and requires a Legislator who was unable to attend a training session to complete that session in the manner prescribed by the Director.

Existing law (1) allows a Legislator to request a certain number of legislative measures on or before September 1 preceding a regular session and allows him or her to request a certain number of additional legislative measures between that date and December 10 preceding that session; and (2)
requires sufficient detail to allow complete drafting of the legislative measures to be submitted on or before December 1 preceding a regular session. (NRS 218D.150) contains provisions governing requests for the drafting of legislative measures for a regular session. (NRS 218D.100-218D.215) This bill revises the number of legislative measures that various persons and entities may request for drafting and also revises the deadlines for making such requests.

Section 2 of this bill changes from September 1 to July 1 the deadline for the request of a certain number of legislative measures and provides that a Legislator may submit his or her remaining requests between July 1 and December 10 if the number of legislative measures that Legislators and the chair of each standing committee may request by certain deadlines.

Section 2 also changes from December 1 to November 1 the deadline for providing sufficient detail to allow complete drafting of a legislative measure. Section 2 further: (1) prohibits a Legislator who has filed a declaration or an acceptance of candidacy for election to the House in which he or she is not currently sitting from requesting the drafting of legislative measures; and (2) provides that, if the Legislator is elected to the other House, any request that he or she submits before filing a declaration or an acceptance of candidacy for election counts against the applicable limitation for the House to which the Legislator was elected to serve. (NRS 218D.150)

Existing law allows each statutory legislative committee and interim study committee to request a certain number of legislative measures on or before September 1 preceding a regular session. (NRS 218D.160) Section 3 of this bill changes that reduces the number of legislative measures that may be requested by the Chair of the Legislative Commission and moves up the deadline to August 1 for statutory legislative committees and interim study committees to provide sufficient detail to allow complete drafting of their legislative measures.

Section 8 of this bill revises the deadlines by which the Governor or the Governor’s designated representative must submit requests for the drafting of legislative measures and increases the number of legislative measures that the Lieutenant Governor, Secretary of State, State Treasurer, State Controller and Attorney General may request for drafting. (NRS 218D.175)

Section 9 of this bill reduces the number of legislative measures that may be requested by the city council of a city whose population is 150,000 or more but less than 500,000 (currently the cities of Henderson, North Las Vegas and Reno). (NRS 218D.205)

Existing law authorizes the following entities to submit their own requests for the drafting of legislative measures for each regular session:
(1) a mental health consortium established to develop strategic plans for the provision of mental health services to children with emotional disturbance and their families (NRS 218D.215, 433B.333); and (2) an interagency committee created by the Director of the Department of Health and Human Services to evaluate the child welfare system in this State. (NRS 432B.178) Sections 11 and 12 of this bill eliminate the authority of these entities to submit their own requests, but such entities still would be authorized by existing law to ask Legislators or legislative committees to submit and sponsor requests on behalf of the entities. (NRS 218D.150, 218D.155, 218D.160)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

8. The Director shall issue a “Certificate of Graduation from the Legislative Training Academy” to each Legislator who successfully completes the training required pursuant to this section.

Sec. 2. **NRS 218D.050 is hereby amended to read as follows:**

2. Except as otherwise provided by a specific statute, joint rule or concurrent resolution, the Legislative Counsel shall not honor a request for the drafting of a legislative measure if the request:
   (a) Exceeds the number of requests authorized by NRS 218D.100 to 218D.210, inclusive, for the requester; or
   (b) Is submitted by an authorized nonlegislative requester pursuant to NRS 218D.175 to 218D.210, inclusive, but is not in a subject related to the function of the requester.

3. The Legislative Counsel shall not:
   (a) Except as otherwise provided in NRS 218D.150, 218D.155 and 218D.160, assign a number to a request for the drafting of a legislative measure to establish the priority of the request until sufficient detail has been received to allow complete drafting of the legislative measure.

2. To ensure the greatest possible equity in the handling of such requests, drafting must proceed as follows:
   (a) Requests from each agency or officer of the Executive Department or from a county, school district or city must, insofar as is possible, be acted
upon in the order in which they are received, unless a different priority is designated by the requester.

(b) As soon as an agency or officer of the Executive Department has requested 10 legislative measures for a regular session, the Legislative Counsel may request the agency or officer to designate the priority for each succeeding request.

3. The priority designated pursuant to this section must guide the Legislative Counsel in acting upon the requests of the respective agencies and officers of the Executive Department and the counties, school districts and cities to ensure each agency and officer, and each county, school district and city, as nearly as is possible, an equal rank.

Sec. 6. NRS 218D.150 is hereby amended to read as follows:

SECOND READING AND AMENDMENT

Senate Bill No. 177.
Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 730.

SUMMARY—[Prohibits] Authorizes a board of county commissioners to adopt an ordinance prohibiting a minor from committing certain acts relating to the possession and use of tobacco products. (BDR 5-689)
AN ACT relating to tobacco; authorizing a board of county commissioners to adopt an ordinance prohibiting a minor from committing certain acts relating to the possession and use of tobacco products; revising various provisions relating to tobacco products; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Section 4 of this bill authorizes a board of county commissioners to adopt an ordinance which prohibits a minor from purchasing or attempting to purchase tobacco products, possessing or attempting to possess tobacco products, using tobacco products or falsely representing his or her age to purchase, possess or obtain tobacco products. Section 4 of this bill
provides that a child may be issued a citation for violating the provisions of section 10, while section 4, a citation for a violation of the ordinance may be issued to a child who is the occupant of a vehicle only if the vehicle is halted or its driver arrested for another offense. Section 3 of this bill provides that a probation officer may act as a master of the juvenile court if the proceeding involves such a citation. Under sections 3.3, 3.7 and 17 of this bill, a child who violates the provisions of section 10 of the ordinance is a child in need of supervision for the purposes of juvenile court proceedings rather than a delinquent child.

Section 5 of this bill sets forth the possible penalties if a child is adjudicated to be in need of supervision because the child has committed a violation of section 10, the ordinance. Under section 5, the juvenile court may order a child to pay a $25 fine for a first adjudication, a $50 fine for a second adjudication and a $75 fine for a third or any subsequent adjudication. If the juvenile court orders a child to pay such a fine, section 5 requires the juvenile court to order the child to pay a $10 administrative assessment in addition to the fine. Section 5 further provides that: (1) for any adjudication that a child is in need of supervision because the child committed a violation of section 10, the ordinance, the juvenile court may order a child to attend a tobacco awareness and cessation program; and (2) for a third or any subsequent adjudication or for a willful failure by the child to pay a fine or administrative assessment, the juvenile court may order a suspension or delay in the issuance of the child’s driver’s license for at least 30 days but not more than 90 days. Under section 5, if the juvenile court orders the suspension or delay in the issuance of a child’s driver’s license, the juvenile court may order the Department of Motor Vehicles to issue to the child a restricted driver’s license that authorizes the child to drive to and from school or work or to acquire medicine or food for himself or herself or for an immediate family member.

Existing law prohibits various acts related to tobacco or products made from tobacco. (NRS 202.2485-202.2497) Sections 11-16 of this bill revise these prohibitions to include tobacco or products made or derived from tobacco, and define the term “products made or derived from tobacco.”

GENERAL FILE AND THIRD READING

Senate Bill No. 321.
Bill read third time.
The following amendment was proposed by Assemblyman Duncan:
Amendment No. 822.
AN ACT relating to real property; revising provisions governing the foreclosure of owner-occupied property securing a residential mortgage loan; providing civil remedies for failure to comply with certain provisions governing the foreclosure of owner-occupied property securing a residential mortgage loan; authorizing a mortgagor in a judicial foreclosure action to elect mediation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, the trustee under a deed of trust concerning owner-occupied housing has the power to sell the property to which the deed of trust applies, subject to certain restrictions. (NRS 107.080, 107.085, 107.086) Existing law also provides for a judicial foreclosure action under certain circumstances for the recovery of any debt or for the enforcement of any right secured by a mortgage or other lien upon real estate. (NRS 40.430) Sections 2-16 of this bill establish additional requirements for the foreclosure of owner-occupied housing securing a residential mortgage loan. Under section 7.5 of this bill, these additional restrictions do not apply to a financial institution that, during its immediately preceding annual reporting period, as established with its primary regulator, has foreclosed on 100 or fewer owner-occupied homes located in this State. Under section 30 of this bill, these additional restrictions apply only to a notice of default and election to sell which is recorded on or after October 1, 2013.

Section 10 of this bill provides that at least 30 calendar days before recording a notice of default and election to sell or commencing a judicial foreclosure action and at least 30 calendar days after the borrower’s default, the mortgage servicer, mortgagee or beneficiary of the deed of trust must provide to the borrower certain information concerning the borrower’s account, the foreclosure prevention alternatives offered by the mortgage servicer, mortgagee or beneficiary and a statement of the facts supporting the right of the mortgagee or beneficiary to foreclose. Section 11 of this bill prohibits the recording of a notice of default and election to sell or the commencement of a judicial foreclosure action involving a failure to make payment until the mortgage servicer complies with certain requirements regarding contact with, or attempts to contact, the borrower. Section 13 of this bill prohibits the practice commonly known as “dual-tracking” by prohibiting a mortgage servicer, trustee, mortgagee or beneficiary of a deed of trust from continuing the foreclosure process while an application for a foreclosure prevention alternative is pending or while the borrower is current on his or her obligation under a foreclosure prevention alternative. Section 14 of this bill requires a mortgage servicer to provide a single point of contact for a borrower who requests a foreclosure prevention alternative. Section 15 of this bill requires that under certain circumstances, a mortgage servicer, mortgagee or beneficiary of a deed of trust must dismiss a judicial
foreclosure action or rescind a recorded notice of default and election or notice of sale. **Section 16** of this bill provides for certain civil remedies for a material violation of the provisions of **sections 2-16**.

**Section 16** also provides that a signatory to the consent judgment entered in the case entitled United States of America et al. v. Bank of America Corporation et al., who complies with the Settlement Term Sheet under that judgment is deemed to be in compliance with sections 2-16 and is not liable for a violation of those provisions. **Section 16** further provides that if the consent judgment is modified or amended to permit compliance with the Final Servicing Rules issued by the federal Consumer Financial Protection Bureau to supersede the terms of the Settlement Term Sheet under the consent judgment: (1) a signatory to the consent judgment who complies with the modified or amended Settlement Term Sheet while the consent judgment is in effect is deemed to be in compliance with sections 2-16 and is not liable for a violation of those provisions; and (2) any mortgage servicer, mortgagee or beneficiary of the deed of trust who complies with the Final Servicing Rules is deemed to be in compliance with sections 2-16 and is not liable for a violation of those provisions.

**Section 18** of this bill provides that in a judicial foreclosure action concerning owner-occupied property, the mortgagor may elect to participate in the Foreclosure Mediation Program.

**WHEREAS**, The State of Nevada has been severely affected by the mortgage foreclosure crisis and consistently ranks as one of the top states for underwater home mortgage loans, mortgage defaults and foreclosures; and

**WHEREAS**, The dramatic increase in foreclosures during the mortgage foreclosure crisis has led to predatory and illegal practices by mortgage servicers and outside firms hired by mortgage servicers; and

**WHEREAS**, The Nevada Attorney General investigated and sued certain large financial institutions for engaging in illegal practices relating to the servicing of mortgage loans in default and entered into consent agreements and settlements requiring certain large financial institutions to adopt certain practices when servicing a mortgage loan in default; and

**WHEREAS**, The consent agreements and settlements only apply to the large financial institutions and are not permanent; and

**WHEREAS**, All homeowners in the State of Nevada deserve better consumer protections and fair and honest treatment in the servicing of mortgage loans in default; now therefore,
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 107 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 16.5, inclusive, of this act.

Sec. 2. As used in sections 2 to 16, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 3 to 7, inclusive, of this act have the meanings ascribed to them in those sections.

Sec. 3. "Borrower" means a natural person who is a mortgagor or grantor of a deed of trust under a residential mortgage loan. The term does not include a natural person who:

2. Has filed a case under 11 U.S.C. Chapter 7, 11, 12 or 13 and the bankruptcy court has not entered an order closing or dismissing the bankruptcy case, or granting relief from a stay of foreclosure or trustee’s sale.

Sec. 4. "Foreclosure prevention alternative" means a modification of a loan secured by the most senior residential mortgage loan on the property or any other loss mitigation option. The term includes, without limitation, a sale in lieu of a foreclosure sale, as defined in NRS 40.4634.

Sec. 5. "Foreclosure sale" means the exercise of the trustee’s power of sale pursuant to NRS 107.080 or a sale directed by a court pursuant to NRS 40.430.

Sec. 6. "Mortgage servicer" means a person who directly services a residential mortgage loan, or who is responsible for interacting with a borrower, managing a loan account on a daily basis, including, without limitation, collecting and crediting periodic loan payments, managing any escrow account or enforcing the note and security instrument, either as the current owner of the promissory note or as the authorized agent of the current owner of the promissory note. The term includes a person providing such services by contract as a subservicing agent to a master servicer by contract. The term does not include a trustee under a deed of trust, or the trustee’s authorized agent, acting under a power of sale pursuant to a deed of trust.

Sec. 7. "Residential mortgage loan" means a loan which is primarily for personal, family or household use and which is secured by a mortgage or deed of trust on owner-occupied housing as defined in NRS 107.086.

immediately preceding annual reporting period, as established with its primary regulator, has foreclosed on 100 or fewer real properties located in this State which constitute owner-occupied housing, as defined in NRS 107.086.

Sec. 7. The provisions of sections 2 to 16, inclusive, of this act must not be construed to authorize a mortgage servicer, a mortgagee or a beneficiary of a deed of trust to restrict a borrower from pursuing concurrently more than one foreclosure prevention alternative.

Sec. 8. 1. In addition to the requirements of NRS 107.085 and 107.086, the exercise of a trustee’s power of sale pursuant to NRS 107.080 with respect to a deed of trust securing a residential mortgage loan is subject to the provisions of sections 2 to 16, inclusive, of this act.

Sec. 9. 1. Any duty of a mortgage servicer to maximize net present value under a pooling and servicing agreement is owed to all parties in a loan pool, or to all investors under a pooling and servicing agreement, not to any particular party in the loan pool or investor under a pooling and servicing agreement.

2. A mortgage servicer acts in the best interests of all parties to the loan pool or investors in the pooling and servicing agreement if the mortgage servicer agrees to or implements a foreclosure prevention alternative for which both of the following apply:

(a) The residential mortgage loan is in payment default or payment default is reasonably foreseeable.

(b) Anticipated recovery under the foreclosure prevention alternative exceeds the anticipated recovery through foreclosure on a net present value basis.

(b) A summary of the borrower’s account which sets forth:

   (2) The amount of the principal obligation under the residential mortgage loan;
   (3) The date through which the borrower’s obligation under the residential mortgage loan is paid;
   (4) The date of the last payment by the borrower;
   (5) The current interest rate in effect for the residential mortgage loan, if the rate is effective for at least 30 calendar days;
   (6) The date on which the interest rate for the residential mortgage loan may next reset or adjust, unless the rate changes more frequently than once every 30 calendar days;
   (7) The amount of the prepayment fee charged under the residential mortgage loan, if any;
   (8) A description of any late payment fee charged under the residential mortgage loan;
   (9) A telephone number or electronic mail address that the borrower may use to obtain information concerning the residential mortgage loan; and
   (10) The names, addresses, telephone numbers and Internet website addresses of one or more counseling agencies or programs approved by the United States Department of Housing and Urban Development.

(c) A statement of the facts establishing the right of the mortgage servicer, mortgagor or beneficiary of the deed of trust to cause the trustee to exercise the trustee’s power of sale pursuant to NRS 107.080 or to commence a civil action for the recovery of any debt, or for the enforcement of any right, under a residential mortgage loan that is not barred by NRS 40.430.

(d) A statement of the foreclosure prevention alternatives offered by, or through, the mortgage servicer, mortgagor or beneficiary of the deed of trust.

(e) A statement that the borrower may request:
   (1) A copy of the borrower’s promissory note or other evidence of indebtedness;
   (2) A copy of the borrower’s mortgage or deed of trust;
(3) A copy of any assignment, if applicable, of the borrower’s mortgage or deed of trust required to demonstrate the right of the mortgage servicer, mortgagee or beneficiary of the deed of trust to cause the trustee to exercise the trustee’s power of sale pursuant to NRS 107.080 or to commence a civil action for the recovery of any debt, or for the enforcement of any right, under a residential mortgage loan that is not barred by NRS 40.430; and

(4) A copy of the borrower’s payment history since the borrower was last less than 60 calendar days past due.

2. Unless a borrower has exhausted the process described in sections 12 and 13 of this act for applying for a foreclosure prevention alternative offered by, or through, the mortgage servicer, mortgagee or beneficiary of the deed of the trust, not later than 5 business days after a notice of default and election to sell is recorded pursuant to subsection 2 of NRS 107.080 or a civil action for the recovery of any debt, or for the enforcement of any right, under a residential mortgage loan that is not barred by NRS 40.430 is commenced, the mortgage servicer, mortgagee or beneficiary of the deed of trust that offers one or more foreclosure prevention alternatives must send to the borrower a written statement:

(a) That the borrower may be evaluated for a foreclosure prevention alternative or, if applicable, foreclosure prevention alternatives;

(b) Whether a complete application is required to be submitted by the borrower if the borrower wants to be considered for a foreclosure prevention alternative; and

(c) Of the means and process by which a borrower may obtain an application for a foreclosure prevention alternative.

Sec. 11. 1. A mortgage servicer, mortgagee, trustee, beneficiary of a deed of trust or an authorized agent of such a person may not record a notice of default and election to sell pursuant to subsection 2 of NRS 107.080 or commence a civil action for a foreclosure sale pursuant to NRS 40.430 involving a failure to make a payment required by a residential mortgage loan until:

(a) The mortgage servicer, mortgagee or beneficiary of the deed of trust has satisfied the requirements of subsection 1 of section 10 of this act;

(b) Thirty calendar days after initial contact is made with the borrower as required by subsection 2 or 30 calendar days after satisfying the requirements of subsection 5; and

(c) The mortgage servicer, mortgagee or beneficiary of the deed of trust complies with sections 12 and 13 of this act, if the borrower submits an application for a foreclosure prevention alternative offered by, or through, the mortgage servicer, mortgagee or beneficiary.
2. The mortgage servicer shall contact the borrower in person or by telephone to assess the borrower’s financial situation and to explore options for the borrower to avoid a foreclosure sale. During the initial contact, the mortgage servicer shall advise the borrower that he or she has the right to request a subsequent meeting and, if requested, the mortgage servicer must schedule the meeting to occur within 14 calendar days after the request. The assessment of the borrower’s financial situation and discussion of the options to avoid a foreclosure sale may occur during the initial contact or at the subsequent meeting scheduled for that purpose. In either case, the borrower must be provided the toll-free telephone number made available by the United States Department of Housing and Urban Development to find a housing counseling agency certified by that Department. Any meeting pursuant to this subsection may occur by telephone.

3. The loss mitigation personnel of a mortgage servicer may participate by telephone during any contact with a borrower required by this section.

4. A borrower may designate, with consent given in writing, a housing counseling agency certified by the United States Department of Housing and Urban Development, an attorney or any other adviser to discuss with the mortgage servicer, on the borrower’s behalf, the borrower’s financial situation and options for the borrower to avoid a foreclosure sale. Contact with a person or agency designated by a borrower pursuant to this subsection satisfies the requirements of subsection 2. A foreclosure prevention alternative offered during any contact with a person or agency designated by a borrower pursuant to this subsection is subject to the approval of the borrower.

5. If a mortgage servicer has not contacted a borrower as required by subsection 2, a notice of default and election to sell may be recorded pursuant to subsection 2 of NRS 107.080 or a civil action for a foreclosure sale pursuant to NRS 40.430 involving a failure to make a payment required by a residential mortgage loan may be commenced, if the mortgage servicer has taken all the following actions:

(2) Contact information for at least one local housing counseling agency approved by the United States Department of Housing and Urban Development;
(3) A notice provided by the Mediation Administrator indicating that the mortgagor has the right to seek mediation pursuant to this section; and
(4) A form upon which the mortgagor may indicate an election to enter into mediation or to waive mediation pursuant to this section and one envelope addressed to the plaintiff and one envelope addressed to the Mediation Administrator, which the mortgagor may use to comply with the provisions of subsection 2; and
(b) The plaintiff must submit a copy of the complaint to the Mediation Administrator.

2. The mortgagor shall, not later than the date on which an answer to the complaint is due, complete the form required by subparagraph (4) of paragraph (a) of subsection 1 and file the form with the court and return a copy of the form to the plaintiff by certified mail, return receipt requested. If the mortgagor indicates on the form an election to enter into mediation, the plaintiff shall notify any person with an interest as defined in NRS 107.090, by certified mail, return receipt requested, of the election of the mortgagor to enter into mediation and file the form with the Mediation Administrator, who shall assign the matter to a senior justice, judge, hearing master or other designee and schedule the matter for mediation. The judicial foreclosure action must be stayed until the completion of the mediation. If the mortgagor indicates on the form an election to waive mediation or fails to file the form with the court and return a copy of the form to the plaintiff as required by this subsection, no mediation is required in the action.

4. If the plaintiff or the representative fails to attend the mediation, fails to participate in the mediation in good faith or does not have the authority or access to a person with the authority required by subsection 3, the mediator shall prepare and submit to the Mediation Administrator and the court a petition and recommendation concerning the imposition of sanctions against the plaintiff or the representative. The court may issue an order imposing such sanctions against the plaintiff or the representative as the court determines appropriate, including, without limitation, requiring a loan modification in the manner determined proper by the court.
5. If the mortgagor elected to enter into mediation and fails to attend the mediation, no mediation is required and the judicial foreclosure action must proceed as if the mortgagor had not elected to enter into mediation.

6. If the mediator determines that the parties, while acting in good faith, are not able to agree to a loan modification, the mediator shall prepare and submit to the court and the Mediation Administrator a recommendation that the mediation be terminated. The court may terminate the mediation and proceed with the judicial foreclosure action.

7. The rules adopted by the Supreme Court pursuant to subsection 8 of NRS 107.086 apply to a mediation conducted pursuant to this section, and the Supreme Court may adopt any additional rules necessary to carry out the provisions of this section.

8. Except as otherwise provided in subsection 10, the provisions of this section do not apply if:
   (a) The mortgagor has surrendered the property, as evidenced by a letter confirming the surrender or delivery of the keys to the property to the trustee, the beneficiary of the deed of trust or the mortgagee, or an authorized agent thereof; or
   (b) A petition in bankruptcy has been filed with respect to the defendant under 11 U.S.C. Chapter 7, 11, 12 or 13 and the bankruptcy court has not entered an order closing or dismissing the case or granting relief from a stay of foreclosure.

9. A noncommercial lender is not excluded from the application of this section.

10. The Mediation Administrator and each mediator who acts pursuant to this section in good faith and without gross negligence are immune from civil liability for those acts.

Amendment No. 680.

SUMMARY—Repeals Contingently amends and repeals the Tahoe Regional Planning Compact and the provisions of Senate Bill No. 271 of the 2011 Session. (BDR 22-726)

AN ACT relating to land use planning; contingently amending and repealing certain provisions of the Tahoe Regional Planning Compact and provisions providing for the withdrawal of the State of Nevada from the Tahoe Regional Planning Compact under certain circumstances and various matters relating to that withdrawal; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law sets forth the Tahoe Regional Planning Compact, an interstate agreement between the States of California and Nevada pursuant to which the bistate Tahoe Regional Planning Agency regulates environmental and land-use matters within the Lake Tahoe Basin. (NRS 277.190-277.220)

Senate Bill No. 271 of the 2011 Session (SB271) requires the withdrawal of the State of Nevada from the Tahoe Regional Planning Compact on October 1, 2015, unless, by that date, an amendment to the Compact
proposed by SB271 has been adopted by the State of California and approved pursuant to federal law, and the governing board of the Tahoe Regional Planning Agency has adopted an update to the 1987 Regional Plan. SB271 authorizes the Governor, under certain circumstances, to postpone that withdrawal date until October 1, 2017. (Chapter 530, Statutes of Nevada 2011, p. 3710)

This bill repeals certain provisions of SB271 upon enactment by the State of California of legislation that is effective on or before January 1, 2014, which: (1) adopts amendments to the Compact that are substantially identical to the amendments contained in section 1.5 of SB271, as amended by section 2 of this bill; (2) agrees to cooperate with the State of Nevada in seeking to have those changes to the Compact approved by Congress; (3) adopts amendments to the Compact substantially identical to the amendments contained in section 1 of this bill relating to the duty of the Tahoe Regional Planning Agency to take certain actions in accordance with the Compact and the regional plan and placing the burden of proof on the party challenging the regional plan or an act taken or decision made by the Agency pursuant to the Compact or the regional plan to show that the plan, act or decision is not in conformance with those requirements; (4) finds and declares support for the full implementation of the regional plan update adopted by the Tahoe Regional Planning Agency in December of 2012; and (5) acknowledges the authority of either the State of California or the State of Nevada to withdraw from the Tahoe Regional Planning Compact pursuant to subdivision (c) of Article X of the Compact or pursuant to any other provision of the laws of each respective State.

Section 2 of this bill revises SB271 to remove the proposed amendments to the Compact regarding the voting structure of the governing body of the Tahoe Regional Planning Agency and the burden of proof.

If the State of California does not enact such legislation on or before January 1, 2014, the provisions of this bill expire and SB271 remains in effect.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 277.200 is hereby amended to read as follows:

277.200 The Tahoe Regional Planning Compact is as follows:

Tahoe Regional Planning Compact

ARTICLE I. Findings and Declarations of Policy

(a) It is found and declared that:
(1) The waters of Lake Tahoe and other resources of the region are threatened with deterioration or degeneration, which endangers the natural beauty and economic productivity of the region.

(2) The public and private interests and investments in the region are substantial.

(3) The region exhibits unique environmental and ecological values which are irreplaceable.

(4) By virtue of the special conditions and circumstances of the region’s natural ecology, developmental pattern, population distribution and human needs, the region is experiencing problems of resource use and deficiencies of environmental control.

(5) Increasing urbanization is threatening the ecological values of the region and threatening the public opportunities for use of the public lands.

(6) Maintenance of the social and economic health of the region depends on maintaining the significant scenic, recreational, educational, scientific, natural and public health values provided by the Lake Tahoe Basin.

(7) There is a public interest in protecting, preserving and enhancing these values for the residents of the region and for visitors to the region.

(8) Responsibilities for providing recreational and scientific opportunities, preserving scenic and natural areas, and safeguarding the public who live, work and play in or visit the region are divided among local governments, regional agencies, the states of California and Nevada, and the Federal Government.

(9) In recognition of the public investment and multistate and national significance of the recreational values, the Federal Government has an interest in the acquisition of recreational property and the management of resources in the region to preserve environmental and recreational values, and the Federal Government should assist the states in fulfilling their responsibilities.

(10) In order to preserve the scenic beauty and outdoor recreational opportunities of the region, there is a need to insure an equilibrium between the region’s natural endowment and its man-made environment.

(b) In order to enhance the efficiency and governmental effectiveness of the region, it is imperative that there be established a Tahoe Regional Planning Agency with the powers conferred by this compact including the power to establish environmental threshold carrying capacities and to adopt and enforce a regional plan and implementing ordinances which will achieve and maintain such capacities while providing opportunities for orderly growth and development consistent with such capacities.
(c) The Tahoe Regional Planning Agency shall interpret and administer its plans, ordinances, rules and regulations in accordance with the provisions of this compact.

(B) Two members appointed by the Governor of California, one member appointed by the Speaker of the Assembly of California and one member appointed by the Senate Rules Committee of the State of California. The members appointed pursuant to this subparagraph shall not be residents of the region and shall represent the public at large within the State of California.

(2) Nevada delegation:

(A) One member appointed by each of the boards of county commissioners of Douglas and Washoe counties and one member appointed by the board of supervisors of Carson City. Any such member may be a member of the board of county commissioners or board of supervisors, respectively, and shall reside in the territorial jurisdiction of the governmental body making the appointment.
(B) One member appointed by the governor of Nevada, the secretary of state of Nevada or his designee, and the director of the state department of conservation and natural resources of Nevada or his designee. Except for the secretary of state and the director of the state department of conservation and natural resources, the members or designees appointed pursuant to this subparagraph shall not be residents of the region. All members appointed pursuant to this subparagraph shall represent the public at large within the State of Nevada.

(C) One member appointed for a 1-year term by the six other members of the Nevada delegation. If at least four members of the Nevada delegation are unable to agree upon the selection of a seventh member within 60 days after the effective date of the amendments to this compact or the occurrence of a vacancy on the governing body for that state the governor of the State of Nevada shall make such an appointment. The member appointed pursuant to this subparagraph may, but is not required to, be a resident of the region within the State of Nevada.

(3) If any appointing authority under paragraph (1)(A), (1)(B), (2)(A) or (2)(B) fails to make such an appointment within 60 days after the effective date of the amendments to this compact or the occurrence of a vacancy on the governing body, the governor of the state in which the appointing authority is located shall make the appointment. The term of any member so appointed shall be 1 year.

(4) The position of any member of the governing body shall be deemed vacant if such a member is absent from three consecutive meetings of the governing body in any calendar year.

(5) Each member and employee of the agency shall disclose his economic interests in the region within 10 days after taking his seat on the governing board or being employed by the agency and shall thereafter disclose any further economic interest which he acquires, as soon as feasible after he acquires it. As used in this paragraph, “economic interests” means:

(A) Any business entity operating in the region in which the member or employee has a direct or indirect investment worth more than $1,000;

(B) Any real property located in the region in which the member or employee has a direct or indirect interest worth more than $1,000;

No member or employee of the agency shall make, or attempt to influence, an agency decision in which he knows or has reason to know he has an economic interest. Members and employees of the agency must disqualify themselves from making or participating in the making of any decision of the agency when it is reasonably foreseeable that the decision will have a material financial effect, distinguishable from its effect on the public generally, on the economic interests of the member or employee.

(b) The members of the agency shall serve without compensation, but the expenses of each member shall be met by the body which he represents in accordance with the law of that body. All other expenses incurred by the governing body in the course of exercising the powers conferred upon it by this compact unless met in some other manner specifically provided, shall be paid by the agency out of its own funds.

(c) Except for the secretary of state and director of the state department of conservation and natural resources of Nevada and the member appointed pursuant to subdivision (a)(2)(C), the members of the governing body serve at the pleasure of the appointing authority in each case, but each appointment shall be reviewed no less often than every 4 years. Members may be reappointed.

(d) The governing body of the agency shall meet at least monthly. All meetings shall be open to the public to the extent required by the law of the State of California or the State of Nevada, whichever imposes the greater requirement, applicable to local governments at the time such meeting is held. The governing body shall fix a date for its regular monthly meeting in such terms as “the first Monday of each month,” and shall not change such date more often than once in any calendar year. Notice of the date so fixed shall be given by publication at least once in a newspaper or combination of newspapers whose circulation is general throughout the region and in each county a portion of whose territory lies within the region. Notice of any special meeting, except an emergency meeting, shall be given by so publishing the date and place and posting an agenda at least 5 days prior to the meeting.

(e) The position of a member of the governing body shall be considered vacated upon his loss of any of the qualifications required for his appointment and in such event the appointing authority shall appoint a successor.

(f) The governing body shall elect from its own members a chairman and vice chairman, whose terms of office shall be 2 years, and who may be reelected. If a vacancy occurs in either office, the governing body may fill such vacancy for the unexpired term.
(g) Four of the members of the governing body from each state constitute a quorum for the transaction of the business of the agency. The voting procedures shall be as follows:

1. For adopting, amending or repealing environmental threshold carrying capacities, the regional plan, and ordinances, rules and regulations, and for granting variances from the ordinances, rules and regulations, the vote of at least four of the members of each state agreeing with the vote of at least four members of the other state shall be required to take action. If there is no vote of at least four of the members from one state agreeing with the vote of at least four of the members of the other state on the actions specified in this paragraph, an action of rejection shall be deemed to have been taken.

2. For approving a project, the affirmative vote of at least five members from the state in which the project is located and the affirmative vote of at least nine members of the governing body are required. If at least five members of the governing body from the state in which the project is located and at least nine members of the entire governing body do not vote in favor of the project, upon a motion for approval, an action of rejection shall be deemed to have been taken. A decision by the agency to approve a project shall be supported by a statement of findings, adopted by the agency, which indicates that the project complies with the regional plan and with applicable ordinances, rules and regulations of the agency.

3. For routine business and for directing the agency’s staff on litigation and enforcement actions, at least eight members of the governing body must agree to take action. If at least eight votes in favor of such action are not cast, an action of rejection shall be deemed to have been taken.

Whenever under the provisions of this compact or any ordinance, rule, regulation or policy adopted pursuant thereto, the agency is required to review or approve any project, public or private, the agency shall take final action by vote, whether to approve, to require modification or to reject such project, within 180 days after the application for such project is accepted as complete by the agency in compliance with the agency’s rules and regulations governing such delivery unless the applicant has agreed to an extension of this time limit. If a final action by vote does not take place within 180 days, the applicant may bring an action in a court of competent jurisdiction to compel a vote unless he has agreed to an extension. This provision does not limit the right of any person to obtain judicial review of agency action under subdivision (h) of Article VI. The vote of each member of the governing body shall be individually recorded. The governing body shall adopt its own rules, regulations and procedures.

(h) An advisory planning commission shall be appointed by the agency. The commission shall include: the chief planning officers of Placer County, El Dorado County, and the City of South Lake Tahoe in California and of
Douglas County, Washoe County and Carson City in Nevada, the executive officer of the Lahontan Regional Water Quality Control Board of the State of California, the executive officer of the Air Resources Board of the State of California, the director of the state department of conservation and natural resources of the State of Nevada, the administrator of the division of environmental protection in the state department of conservation and natural resources of the State of Nevada, the administrator of the Lake Tahoe Management Unit of the United States Forest Service, and at least four lay members with an equal number from each state, at least half of whom shall be residents of the region. Any official member may designate an alternate.

The term of office of each lay member of the advisory planning commission shall be 2 years. Members may be reappointed.

The position of each member of the advisory planning commission shall be considered vacated upon loss of any of the qualifications required for appointment, and in such an event the appointing authority shall appoint a successor.

The advisory planning commission shall elect from its own members a chairman and a vice chairman, whose terms of office shall be 2 years and who may be reelected. If a vacancy occurs in either office, the advisory planning commission shall fill such vacancy for the unexpired term.

A majority of the members of the advisory planning commission constitutes a quorum for the transaction of the business of the commission. A majority vote of the quorum present shall be required to take action with respect to any matter.

(i) The agency shall establish and maintain an office within the region, and for this purpose the agency may rent or own property and equipment. Every plan, ordinance and other record of the agency which is of such nature as to constitute a public record under the law of either the State of California or the State of Nevada shall be open to inspection and copying during regular office hours.

(j) Each authority charged under this compact or by the law of either state with the duty of appointing a member of the governing body of the agency shall by certified copy of its resolution or other action notify the Secretary of State of its own state of the action taken.

ARTICLE IV. Personnel

(a) The governing body shall determine the qualification of, and it shall appoint and fix the salary of, the executive officer of the agency, and shall employ such other staff and legal counsel as may be necessary to execute the powers and functions provided for under this compact or in accordance with any intergovernmental contracts or agreements the agency may be responsible for administering.
(b) Agency personnel standards and regulations shall conform insofar as possible to the regulations and procedures of the civil service of the State of California or the State of Nevada, as may be determined by the governing body of the agency; and shall be regional and bistate in application and effect; provided that the governing body may, for administrative convenience and at its discretion, assign the administration of designated personnel arrangements to an agency of either state, and provided that administratively convenient adjustments be made in the standards and regulations governing personnel assigned under intergovernmental agreements.

(c) The agency may establish and maintain or participate in such additional programs of employee benefits as may be appropriate to afford employees of the agency terms and conditions of employment similar to those enjoyed by employees of California and Nevada generally.

ARTICLE V. Planning

(a) In preparing each of the plans required by this article and each amendment thereto, if any, subsequent to its adoption, the planning commission after due notice shall hold at least one public hearing which may be continued from time to time, and shall review the testimony and any written recommendations presented at such hearing before recommending the plan or amendment. The notice required by this subdivision shall be given at least 20 days prior to the public hearing by publication at least once in a newspaper or combination of newspapers whose circulation is general throughout the region and in each county a portion of whose territory lies within the region.

The planning commission shall then recommend such plan or amendment to the governing body for adoption by ordinance. The governing body may adopt, modify or reject the proposed plan or amendment, or may initiate and adopt a plan or amendment without referring it to the planning commission. If the governing body initiates or substantially modifies a plan or amendment, it shall hold at least one public hearing thereon after due notice as required in this subdivision.

If a request is made for the amendment of the regional plan by:

(1) A political subdivision a part of whose territory would be affected by such amendment; or

(2) The owner or lessee of real property which would be affected by such amendment,

the governing body shall complete its action on such amendment within 180 days after such request is accepted as complete according to standards which must be prescribed by ordinance of the agency.

(b) The agency shall develop, in cooperation with the states of California and Nevada, environmental threshold carrying capacities for the region. The agency should request the President’s Council on Environmental Quality, the
United States Forest Service and other appropriate agencies to assist in developing such environmental threshold carrying capacities. Within 18 months after the effective date of the amendments to this compact, the agency shall adopt environmental threshold carrying capacities for the region.

(c) Within 1 year after the adoption of the environmental threshold carrying capacities for the region, the agency shall amend the regional plan so that, at a minimum, the plan and all of its elements, as implemented through agency ordinances, rules and regulations, achieves and maintains the adopted environmental threshold carrying capacities. Each element of the plan shall contain implementation provisions and time schedules for such implementation by ordinance. The planning commission and governing body shall continuously review and maintain the regional plan. The regional plan shall consist of a diagram, or diagrams, and text, or texts setting forth the projects and proposals for implementation of the regional plan, a description of the needs and goals of the region and a statement of the policies, standards and elements of the regional plan.

The regional plan shall be a single enforceable plan and includes all of the following correlated elements:

(1) A land-use plan for the integrated arrangement and general location and extent of, and the criteria and standards for, the uses of land, water, air, space and other natural resources within the region, including but not limited to an indication or allocation of maximum population densities and permitted uses.

(2) A transportation plan for the integrated development of a regional system of transportation, including but not limited to parkways, highways, transportation facilities, transit routes, waterways, navigation facilities, public transportation facilities, bicycle facilities, and appurtenant terminals and facilities for the movement of people and goods within the region. The goal of transportation planning shall be:

(A) To reduce dependency on the automobile by making more effective use of existing transportation modes and of public transit to move people and goods within the region; and

(B) To reduce to the extent feasible air pollution which is caused by motor vehicles.

Where increases in capacity are required, the agency shall give preference to providing such capacity through public transportation and programs and projects related to transportation. The agency shall review and consider all existing transportation plans in preparing its regional transportation plan pursuant to this paragraph.

The plan shall provide for an appropriate transit system for the region.

The plan shall give consideration to:
(A) Completion of the Loop Road in the states of Nevada and California;
(B) Utilization of a light rail mass transit system in the South Shore area; and
(C) Utilization of a transit terminal in the Kingsbury Grade area.

Until the regional plan is revised, or a new transportation plan is adopted in accordance with this paragraph, the agency has no effective transportation plan.

(3) A conservation plan for the preservation, development, utilization, and management of the scenic and other natural resources within the basin, including but not limited to, soils, shoreline and submerged lands, scenic corridors along transportation routes, open spaces, recreational and historical facilities.

(4) A recreation plan for the development, utilization, and management of the recreational resources of the region, including but not limited to, wilderness and forested lands, parks and parkways, riding and hiking trails, beaches and playgrounds, marinas, areas for skiing and other recreational facilities.

(5) A public services and facilities plan for the general location, scale and provision of public services and facilities, which, by the nature of their function, size, extent and other characteristics are necessary or appropriate for inclusion in the regional plan.

In formulating and maintaining the regional plan, the planning commission and governing body shall take account of and shall seek to harmonize the needs of the region as a whole, the plans of the counties and cities within the region, the plans and planning activities of the state, federal and other public agencies and nongovernmental agencies and organizations which affect or are concerned with planning and development within the region.

(d) The regional plan shall provide for attaining and maintaining federal, state, or local air and water quality standards, whichever are strictest, in the respective portions of the region for which the standards are applicable.

The agency may, however, adopt air or water quality standards or control measures more stringent than the applicable state implementation plan or the applicable federal, state, or local standards for the region, if it finds that such additional standards or control measures are necessary to achieve the purposes of this compact. Each element of the regional plan, where applicable, shall, by ordinance, identify the means and time schedule by which air and water quality standards will be attained.

(e) Except for the Regional Transportation Plan of the California Tahoe Regional Planning Agency, the regional plan, ordinances, rules and regulations adopted by the California Tahoe Regional Planning Agency in effect on July 1, 1980, shall be the regional plan, ordinances, rules and regulations of the Tahoe Regional Planning Agency for that portion of the
Tahoe region located in the State of California. Such plan, ordinance, rule or regulation may be amended or repealed by the governing body of the agency. The plans, ordinances, rules and regulations of the Tahoe Regional Planning Agency that do not conflict with, or are not addressed by, the California Tahoe Regional Planning Agency’s plans, ordinances, rules and regulations referred to in this subdivision shall continue to be applicable unless amended or repealed by the governing body of the agency. No provision of the regional plan, ordinances, rules and regulations of the California Tahoe Regional Planning Agency referred to in this subdivision shall apply to that portion of the region within the State of Nevada, unless such provision is adopted for the Nevada portion of the region by the governing body of the agency.

(f) The regional plan, ordinances, rules and regulations of the Tahoe Regional Planning Agency apply to that portion of the region within the State of Nevada.

(g) The agency shall adopt ordinances prescribing specific written findings that the agency must make prior to approving any project in the region. These findings shall relate to environmental protection and shall insure that the project under review will not adversely affect implementation of the regional plan and will not cause the adopted environmental threshold carrying capacities of the region to be exceeded.

(h) The agency shall maintain the data, maps and other information developed in the course of formulating and administering the regional plan, in a form suitable to assure a consistent view of developmental trends and other relevant information for the availability of and use by other agencies of government and by private organizations and individuals concerned.

(i) Where necessary for the realization of the regional plan, the agency may engage in collaborative planning with local governmental jurisdictions located outside the region, but contiguous to its boundaries. In formulating and implementing the regional plan, the agency shall seek the cooperation and consider the recommendations of counties and cities and other agencies of local government, of state and federal agencies, of educational institutions and research organizations, whether public or private, and of civic groups and private persons.

ARTICLE VI. Agency’s Powers

(a) The governing body shall adopt all necessary ordinances, rules, and regulations to effectuate the adopted regional plan. Except as otherwise provided in this compact, every such ordinance, rule or regulation shall establish a minimum standard applicable throughout the region. Any political subdivision or public agency may adopt and enforce an equal or higher requirement applicable to the same subject of regulation in its territory. The regulations of the agency shall contain standards including but not limited to
the following: water purity and clarity; subdivision; zoning; tree removal; solid waste disposal; sewage disposal; land fills, excavations, cuts and grading; piers, harbors, breakwaters or channels and other shoreline developments; waste disposal in shoreline areas; waste disposal from boats; mobile-home parks; house relocation; outdoor advertising; floodplain protection; soil and sedimentation control; air pollution; and watershed protection. Whenever possible without diminishing the effectiveness of the regional plan, the ordinances, rules, regulations and policies shall be confined to matters which are general and regional in application, leaving to the jurisdiction of the respective states, counties and cities the enactment of specific and local ordinances, rules, regulations and policies which conform to the regional plan.

The agency shall prescribe by ordinance those activities which it has determined will not have substantial effect on the land, water, air, space or any other natural resources in the region and therefore will be exempt from its review and approval.

Every ordinance adopted by the agency shall be published at least once by title in a newspaper or combination of newspapers whose circulation is general throughout the region. Except an ordinance adopting or amending the regional plan, no ordinance shall become effective until 60 days after its adoption. Immediately after its adoption, a copy of each ordinance shall be transmitted to the governing body of each political subdivision having territory within the region.

(b) No project other than those to be reviewed and approved under the special provisions of subdivisions (d), (e), (f) and (g) may be developed in the region without obtaining the review and approval of the agency and no project may be approved unless it is found to comply with the regional plan and with the ordinances, rules and regulations enacted pursuant to subdivision (a) to effectuate that plan.

The agency may approve a project in the region only after making the written findings required by this subdivision or subdivision (g) of Article V. Such findings shall be based on substantial evidence in the record.

Before adoption by the agency of the ordinances required in subdivision (g) of Article V, the agency may approve a project in the region only after making written findings on the basis of substantial evidence in the record that the project is consistent with the regional plan then in effect and with applicable plans, ordinances, regulations, and standards of federal and state agencies relating to the protection, maintenance and enhancement of environmental quality in the region.

(c) The legislatures of the states of California and Nevada find that in order to make effective the regional plan as revised by the agency, it is necessary to halt temporarily works of development in the region which
might otherwise absorb the entire capability of the region for further development or direct it out of harmony with the ultimate plan. Subject to the limitation provided in this subdivision, from the effective date of the amendments to this compact until the regional plan is amended pursuant to subdivision (c) of Article V, or until May 1, 1983, whichever is earlier:

1. Except as otherwise provided in this paragraph, no new subdivision, planned unit development, or condominium project may be approved unless a complete tentative map or plan has been approved before the effective date of the amendments to this compact by all agencies having jurisdiction. The subdivision of land owned by a general improvement district, which existed and owned the land before the effective date of the amendments to this compact, may be approved if subdivision of the land is necessary to avoid insolvency of the district.

2. Except as provided in paragraph (3), no apartment building may be erected unless the required permits for such building have been secured from all agencies having jurisdiction, prior to the effective date of the amendments to this compact.

3. During each of the calendar years 1980, 1981 and 1982, no city or county may issue building permits which authorize the construction of a greater number of new residential units within the region than were authorized within the region by building permits issued by that city or county during the calendar year 1978. For the period of January through April, 1983, building permits authorizing the construction of no more than one-third of that number may be issued by each such city or county. For purposes of this paragraph a "residential unit" means either a single family residence or an individual residential unit within a larger building, such as an apartment building, a duplex or a condominium.

   The legislatures find the respective numbers of residential units authorized within the region during the calendar year 1978 to be as follows:
   1. City of South Lake Tahoe and El Dorado County (combined)…….252
   2. Placer County……………………………………………………278
   3. Carson City……………………………………………………0-
   4. Douglas County………………………………………………….339
   5. Washoe County …………………………………………………….739

4. During each of the calendar years 1980, 1981 and 1982, no city or county may issue building permits which authorize construction of a greater square footage of new commercial buildings within the region than were authorized within the region by building permits for commercial purposes issued by that city or county during the calendar year 1978. For the period of January through April, 1983, building permits authorizing the construction of no more than one-third the amount of that square footage may be issued by each such city or county.
The legislatures find the respective square footages of commercial buildings authorized within the region during calendar year 1978 to be as follows:

1. City of South Lake Tahoe and El Dorado County (combined) ... 64,324
2. Placer County ................................................................. 23,000
3. Carson City ........................................................................... 0
4. Douglas County ................................................................. 57,354
5. Washoe County ................................................................. 50,600

(5) No structure may be erected to house gaming under a nonrestricted license.

(6) No facility for the treatment of sewage may be constructed or enlarged except:

(A) To comply, as ordered by the appropriate state agency for the control of water pollution, with existing limitations of effluent under the Clean Water Act, 33 U.S.C. §§ 1251 et seq., and the applicable state law for control of water pollution;

(B) To accommodate development which is not prohibited or limited by this subdivision; or

(C) In the case of Douglas County Sewer District # 1, to modify or otherwise alter sewage treatment facilities existing on the effective date of the amendments to this compact so that such facilities will be able to treat the total volume of effluent for which they were originally designed, which is 3.0 million gallons per day. Such modification or alteration is not a “project”; is not subject to the requirements of Article VII; and does not require a permit from the agency. Before commencing such modification or alteration, however, the district shall submit to the agency its report identifying any significant soil erosion problems which may be caused by such modifications or alterations and the measures which the district proposes to take to mitigate or avoid such problems.

The moratorium imposed by this subdivision does not apply to work done pursuant to a right vested before the effective date of the amendments to this compact. Notwithstanding the expiration date of the moratorium imposed by this subdivision, no new highway may be built or existing highway widened to accommodate additional continuous lanes for automobiles until the regional transportation plan is revised and adopted.

The moratorium imposed by this subdivision does not apply to the construction of any parking garage which has been approved by the agency prior to May 4, 1979, whether that approval was affirmative or by default. The provisions of this paragraph are not an expression of legislative intent that any such parking garage, the approval of which is the subject of litigation which was pending on the effective date of the amendments to this compact, should or should not be constructed. The provisions of this
paragraph are intended solely to permit construction of such a parking garage if a judgment sustaining the agency's approval to construct that parking garage has become final and no appeal is pending or may lawfully be taken to a higher court.

(d) Subject to the final order of any court of competent jurisdiction entered in litigation contesting the validity of an approval by the Tahoe Regional Planning Agency, whether that approval was affirmative or by default, if that litigation was pending on May 4, 1979, the agency and the states of California and Nevada shall recognize as a permitted and conforming use:

(1) Every structure housing gaming under a nonrestricted license which existed as a licensed gaming establishment on May 4, 1979, or whose construction was approved by the Tahoe Regional Planning Agency affirmatively or deemed approved before that date. The construction or use of any structure to house gaming under a nonrestricted license not so existing or approved, or the enlargement in cubic volume of any such existing or approved structure is prohibited.

(2) Every other nonrestricted gaming establishment whose use was seasonal and whose license was issued before May 4, 1979, for the same season and for the number and type of games and slot machines on which taxes or fees were paid in the calendar year 1978.

(3) Gaming conducted pursuant to a restricted gaming license issued before May 4, 1979, to the extent permitted by that license on that date.

The area within any structure housing gaming under a nonrestricted license which may be open to public use (as distinct from that devoted to the private use of guests and exclusive of any parking area) is limited to the area existing or approved for public use on May 4, 1979. Within these limits, any external modification of the structure which requires a permit from a local government also requires approval from the agency. The agency shall not permit restaurants, convention facilities, showrooms or other public areas to be constructed elsewhere in the region outside the structure in order to replace areas existing or approved for public use on May 4, 1979.

(e) Any structure housing licensed gaming may be rebuilt or replaced to a size not to exceed the cubic volume, height and land coverage existing or approved on May 4, 1979, without the review or approval of the agency or any planning or regulatory authority of the State of Nevada whose review or approval would be required for a new structure.

(f) The following provisions apply to any internal or external modification, remodeling, change in use, or repair of a structure housing gaming under a nonrestricted license which is not prohibited by Article VI (d):
(1) The agency’s review of an external modification of the structure which requires a permit from a local government is limited to determining whether the external modification will do any of the following:
   (A) Enlarge the cubic volume of the structure;
   (B) Increase the total square footage of area open to or approved for public use on May 4, 1979;
   (C) Convert an area devoted to the private use of guests to an area open to public use;
   (D) Increase the public area open to public use which is used for gaming beyond the limits contained in paragraph (3); and
   (E) Conflict with or be subject to the provisions of any of the agency’s ordinances that are generally applicable throughout the region.

The agency shall make this determination within 60 days after the proposal is delivered to the agency in compliance with the agency’s rules or regulations governing such delivery unless the applicant has agreed to an extension of this time limit. If an external modification is determined to have any of the effects enumerated in subparagraphs (A) through (C), it is prohibited. If an external modification is determined to have any of the effects enumerated in subparagraph (D) or (E), it is subject to the applicable provisions of this compact. If an external modification is determined to have no such effect, it is not subject to the provisions of this compact.

(2) Except as provided in paragraph (3), internal modification, remodeling, change in use or repair of a structure housing gaming under a nonrestricted license is not a project and does not require the review or approval of the agency.

(3) Internal modification, remodeling, change in use or repair of areas open to public use within a structure housing gaming under a nonrestricted license which alone or in combination with any other such modification, remodeling, change in use or repair will increase the total portion of those areas which is actually used for gaming by more than the product of the total base area, as defined below, in square feet existing on or approved before August 4, 1980, multiplied by 15 percent constitutes a project and is subject to all of the provisions of this compact relating to projects. For purposes of this paragraph and the determination required by Article VI (g), base area means all of the area within a structure housing gaming under a nonrestricted license which may be open to public use, whether or not gaming is actually conducted or carried on in that area, except retail stores, convention centers and meeting rooms, administrative offices, kitchens, maintenance and storage areas, rest rooms, engineering and mechanical rooms, accounting rooms and counting rooms.

(g) In order to administer and enforce the provisions of paragraphs (d), (e) and (f) the State of Nevada, through its appropriate planning or regulatory...
agency, shall require the owner or licensee of a structure housing gaming under a nonrestricted license to provide:

1. Documents containing sufficient information for the Nevada agency to establish the following relative to the structure:
   A. The location of its external walls;
   B. Its total cubic volume;
   C. Within its external walls, the area in square feet open or approved for public use and the area in square feet devoted to or approved for the private use of guests on May 4, 1979;
   D. The amount of surface area of land under the structure; and
   E. The base area as defined in paragraph (f)(3) in square feet existing on or approved before August 4, 1980.

2. An informational report whenever any internal modification, remodeling, change in use, or repair will increase the total portion of the areas open to public use which is used for gaming.

   The Nevada agency shall transmit this information to the Tahoe Regional Planning Agency.

h. Gaming conducted pursuant to a restricted gaming license is exempt from review by the agency if it is incidental to the primary use of the premises.

i. The provisions of subdivisions (d) and (e) are intended only to limit gaming and related activities as conducted within a gaming establishment, or construction designed to permit the enlargement of such activities, and not to limit any other use of property zoned for commercial use or the accommodation of tourists, as approved by the agency.

j. Legal actions arising out of or alleging a violation of the provisions of this compact, of the regional plan or of an ordinance or regulation of the agency or of a permit or a condition of a permit issued by the agency are governed by the following provisions:

1. This subdivision applies to:
   A. Actions arising out of activities directly undertaken by the agency.
   B. Actions arising out of the issuance to a person of a lease, permit, license or other entitlement for use by the agency.
   C. Actions arising out of any other act or failure to act by any person or public agency.

   Such legal actions may be filed and the provisions of this subdivision apply equally in the appropriate courts of California and Nevada and of the United States.

2. Venue lies:
   A. If a civil or criminal action challenges an activity by the agency or any person which is undertaken or to be undertaken upon a parcel of real
property, in the state or federal judicial district where the real property is situated.

(B) If an action challenges an activity which does not involve a specific parcel of land (such as an action challenging an ordinance of the agency), in any state or federal court having jurisdiction within the region.

(3) Any aggrieved person may file an action in an appropriate court of the State of California or Nevada or of the United States alleging noncompliance with the provisions of this compact or with an ordinance or regulation of the agency. In the case of governmental agencies, “aggrieved person” means the Tahoe Regional Planning Agency or any state, federal or local agency. In the case of any person other than a governmental agency who challenges an action of the Tahoe Regional Planning Agency, “aggrieved person” means any person who has appeared, either in person, through an authorized representative, or in writing, before the agency at an appropriate administrative hearing to register objection to the action which is being challenged, or who had good cause for not making such an appearance.

(4) A legal action arising out of the adoption or amendment of the regional plan or of any ordinance or regulation of the agency, or out of the granting or denial of any permit, shall be commenced within 60 days after final action by the agency. All other legal actions shall be commenced within 65 days after discovery of the cause of action.

(5) In any legal action filed pursuant to this subdivision which challenges an adjudicatory act or decision of the agency to approve or disapprove a project, the scope of judicial inquiry shall extend only to whether there was prejudicial abuse of discretion. Prejudicial abuse of discretion is established if the agency has not proceeded in a manner required by law or if the act or decision of the agency was not supported by substantial evidence in light of the whole record. In making such a determination the court shall not exercise its independent judgment on evidence but shall only determine whether the act or decision was supported by substantial evidence in light of the whole record. In any legal action filed pursuant to this subdivision which challenges a legislative act or decision of the agency (such as the adoption of the regional plan and the enactment of implementing ordinances), the scope of the judicial inquiry shall extend only to the questions of whether the act or decision has been arbitrary, capricious or lacking substantial evidentiary support or whether the agency has failed to proceed in a manner required by law.

(6) In addition to the provisions of paragraph (5) relating to judicial inquiry:

(A) When adopting or amending a regional plan, the agency shall act in accordance with the requirements of the compact and the implementing ordinances, rules and regulations, and a party challenging the regional
plan has the burden of showing that the regional plan is not in conformance with those requirements.

(B) When taking an action or making a decision, the agency shall act in accordance with the requirements of the compact and the regional plan, including the implementing ordinances, rules and regulations, and a party challenging the action or decision has the burden of showing that the act or decision is not in conformance with those requirements.

(7) The provisions of this subdivision do not apply to any legal proceeding pending on the date when this subdivision becomes effective. Any such legal proceeding shall be conducted and concluded under the provisions of law which were applicable prior to the effective date of this subdivision.

(8) The security required for the issuance of a temporary restraining order or preliminary injunction based upon an alleged violation of this compact or any ordinance, plan, rule or regulation adopted pursuant thereto is governed by the rule or statute applicable to the court in which the action is brought, unless the action is brought by a public agency or political subdivision to enforce its own rules, regulations and ordinances in which case no security shall be required.

(k) The agency shall monitor activities in the region and may bring enforcement actions in the region to ensure compliance with the regional plan and adopted ordinances, rules, regulations and policies. If it is found that the regional plan, or ordinances, rules, regulations and policies are not being enforced by a local jurisdiction, the agency may bring action in a court of competent jurisdiction to ensure compliance.

(l) Any person who violates any provision of this compact or of any ordinance or regulation of the agency or of any condition of approval imposed by the agency is subject to a civil penalty not to exceed $5,000. Any such person is subject to an additional civil penalty not to exceed $5,000 per day, for each day on which such a violation persists. In imposing the penalties authorized by this subdivision, the court shall consider the nature of the violation and shall impose a greater penalty if it was willful or resulted from gross negligence than if it resulted from inadvertence or simple negligence.

(m) The agency is hereby empowered to initiate, negotiate and participate in contracts and agreements among the local governmental authorities of the region, or any other intergovernmental contracts or agreements authorized by state or federal law.

(n) Each intergovernmental contract or agreement shall provide for its own funding and staffing, but this shall not preclude financial contributions from the local authorities concerned or from supplementary sources.
(o) Every record of the agency, whether public or not, shall be open for examination to the Legislature and Controller of the State of California and the legislative auditor of the State of Nevada.

(p) Approval by the agency of any project expires 3 years after the date of final action by the agency or the effective date of the amendments to this compact, whichever is later, unless construction is begun within that time and diligently pursued thereafter, or the use or activity has commenced. In computing the 3-year period any period of time during which the project is the subject of a legal action which delays or renders impossible the diligent pursuit of that project shall not be counted. Any license, permit or certificate issued by the agency which has an expiration date shall be extended by that period of time during which the project is the subject of such legal action as provided in this subdivision.

(q) The governing body shall maintain a current list of real property known to be available for exchange with the United States or with other owners of real property in order to facilitate exchanges of real property by owners of real property in the region.

ARTICLE VII. Environmental Impact Statements

(a) The Tahoe Regional Planning Agency when acting upon matters that have a significant effect on the environment shall:

(1) Utilize a systematic, interdisciplinary approach which will insure the integrated use of the natural and social sciences and the environmental design arts in planning and in decision making which may have an impact on man’s environment;

(2) Prepare and consider a detailed environmental impact statement before deciding to approve or carry out any project. The detailed environmental impact statement shall include the following:

(A) The significant environmental impacts of the proposed project;

(B) Any significant adverse environmental effects which cannot be avoided should the project be implemented;

(C) Alternatives to the proposed project;

(D) Mitigation measures which must be implemented to assure meeting standards of the region;

(E) The relationship between local short-term uses of man’s environment and the maintenance and enhancement of long-term productivity;

(F) Any significant irreversible and irretrievable commitments of resources which would be involved in the proposed project should it be implemented; and

(G) The growth-inducing impact of the proposed project;

(3) Study, develop and describe appropriate alternatives to recommended courses of action for any project which involves unresolved conflicts concerning alternative uses of available resources;
(4) Make available to states, counties, municipalities, institutions and individuals, advice and information useful in restoring, maintaining and enhancing the quality of the region’s environment; and

(5) Initiate and utilize ecological information in the planning and development of resource-oriented projects.

(b) Prior to completing an environmental impact statement, the agency shall consult with and obtain the comments of any federal, state or local agency which has jurisdiction by law or special expertise with respect to any environmental impact involved. Copies of such statement and the comments and views of the appropriate federal, state and local agencies which are authorized to develop and enforce environmental standards shall be made available to the public and shall accompany the project through the review processes. The public shall be consulted during the environmental impact statement process and views shall be solicited during a public comment period not to be less than 60 days.

(c) Any environmental impact statement required pursuant to this article need not repeat in its entirety any information or data which is relevant to such a statement and is a matter of public record or is generally available to the public, such as information contained in an environmental impact report prepared pursuant to the California Environmental Quality Act or a federal environmental impact statement prepared pursuant to the National Environmental Policy Act of 1969. However, such information or data shall be briefly described in the environmental impact statement and its relationship to the environmental impact statement shall be indicated.

In addition, any person may submit information relative to a proposed project which may be included, in whole or in part, in any environmental impact statement required by this article.

(d) In addition to the written findings specified by agency ordinance to implement the regional plan, the agency shall make either of the following written findings before approving a project for which an environmental impact statement was prepared:

(1) Changes or alterations have been required in or incorporated into such project which avoid or reduce the significant adverse environmental effects to a less than significant level; or

(2) Specific considerations, such as economic, social or technical, make infeasible the mitigation measures or project alternatives discussed in the environmental impact statement on the project.

A separate written finding shall be made for each significant effect identified in the environmental impact statement on the project. All written findings must be supported by substantial evidence in the record.

(e) The agency may charge and collect a reasonable fee from any person proposing a project subject to the provisions of this compact in order to
recover the estimated costs incurred by the agency in preparing an environmental impact statement under this article.

(f) The agency shall adopt by ordinance a list of classes of projects which the agency has determined will not have a significant effect on the environment and therefore will be exempt from the requirement for the preparation of an environmental impact statement under this article. Prior to adopting the list, the agency shall make a written finding supported by substantial evidence in the record that each class of projects will not have a significant effect on the environment.

ARTICLE VIII. Finances

(a) On or before September 30 of each calendar year the agency shall establish the amount of money necessary to support its activities for the next succeeding fiscal year commencing July 1 of the following year. The agency shall apportion $75,000 of this amount among the counties within the region on the same ratio to the total sum required as the full cash valuation of taxable property within the region in each county bears to the total full cash valuation of taxable property within the region. In addition, each county within the region in California shall pay $18,750 to the agency and each county within the region in Nevada, including Carson City, shall pay $12,500 to the agency, from any funds available therefor. The State of California and the State of Nevada may pay to the agency by July 1 of each year any additional sums necessary to support the operations of the agency pursuant to this compact. If additional funds are required, the agency shall make a request for the funds to the states of California and Nevada. Requests for state funds must be apportioned two-thirds from California and one-third from Nevada. Money appropriated shall be paid within 30 days.

(b) The agency may fix and collect reasonable fees for any services rendered by it.

(c) The agency shall submit an itemized budget to the states for review with any request for state funds, shall be strictly accountable to any county in the region and the states for all funds paid by them to the agency and shall be strictly accountable to all participating bodies for all receipts and disbursement.

(d) The agency is authorized to receive gifts, donations, subventions, grants, and other financial aids and funds; but the agency may not own land except as provided in subdivision (i) of Article III.

(e) The agency shall not obligate itself beyond the moneys due under this article for its support from the several counties and the states for the current fiscal year, plus any moneys on hand or irrevocably pledged to its support from other sources. No obligation contracted by the agency shall bind either of the party states or any political subdivision thereof.

ARTICLE IX. Transportation District
(a) The Tahoe transportation district is hereby established as a special purpose district. The boundaries of the district are coterminous with those of the region.

(b) The business of the district shall be managed by a board of directors consisting of:

(1) One member of the county board of supervisors of each of the counties of El Dorado and Placer;
(2) One member of the city council of the City of South Lake Tahoe;
(3) One member each of the board of county commissioners of Douglas County and of Washoe County;
(4) One member of the board of supervisors of Carson City;
(5) The director of the California Department of Transportation; and
(6) The director of the department of transportation of the State of Nevada.

Any director may designate an alternate.

(c) The vote of at least five of the directors must agree to take action. If at least five votes in favor of an action are not cast, an action of rejection shall be deemed to have been taken.

(d) The Tahoe transportation district may in accordance with the adopted transportation plan:

(1) Own and operate a public transportation system to the exclusion of all other publicly owned transportation systems in the region.
(2) Acquire upon mutually agreeable terms any public transportation system or facility owned by a county, city or special purpose district within the region.
(3) Hire the employees of existing public transportation systems that are acquired by the district without loss of benefits to the employees, bargain collectively with employee organizations, and extend pension and other collateral benefits to employees.
(4) Fix the rates and charges for transit services provided pursuant to this subdivision.
(5) Issue revenue bonds and other evidence of indebtedness.
(6) By resolution, determine and propose for adoption a tax for the purpose of obtaining services of the district. The tax proposed must be general and of uniform operation throughout the region, and may not be graduated in any way. The district is prohibited from imposing an ad valorem tax, a tax measured by gross or net receipts on business, a tax or charge that is assessed against people or vehicles as they enter or leave the region, and any tax, direct or indirect, on gaming tables and devices. Any such proposition must be submitted to the voters of the district and shall become effective upon approval of two-thirds of the voters voting on the proposition.
The revenues from any such tax must be used for the service for which it was imposed, and for no other purpose.

(7) Provide service from inside the region to convenient airport, railroad and interstate bus terminals without regard to the boundaries of the region.

(e) The legislatures of the states of California and Nevada may, by substantively identical enactments, amend this article.

ARTICLE X. Miscellaneous

(a) It is intended that the provisions of this compact shall be reasonably and liberally construed to effectuate the purposes thereof. Except as provided in subdivision (c), the provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any participating state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining state and in full force and effect as to the state affected as to all severable matters.

(b) The agency shall have such additional powers and duties as may hereafter be delegated or imposed upon it from time to time by the action of the Legislature of either state concurred in by the Legislature of the other.

(c) A state party to this compact may withdraw therefrom by enacting a statute repealing the compact. Notice of withdrawal shall be communicated officially and in writing to the Governor of the other state and to the agency administrators. This provision is not severable, and if it is held to be unconstitutional or invalid, no other provision of this compact shall be binding upon the State of Nevada or the State of California.

(d) No provision of this compact shall have any effect upon the allocation, distribution or storage of interstate waters or upon any appropriative water right.

Sec. 2. Section 1.5 of chapter 530, Statutes of Nevada 2011, at page 3711, is hereby amended to read as follows:

Sec. 1.5. NRS 277.200 is hereby amended to read as follows:

277.200 The Tahoe Regional Planning Compact is as follows:

Tahoe Regional Planning Compact

ARTICLE I. Findings and Declarations of Policy

(a) It is found and declared that:

(1) The waters of Lake Tahoe and other resources of the region are threatened with deterioration or degeneration, which endangers the natural beauty and economic productivity of the region.
(2) The public and private interests and investments in the region are substantial.

(3) The region exhibits unique environmental and ecological values which are irreplaceable.

(4) By virtue of the special conditions and circumstances of the region’s natural ecology, developmental pattern, population distribution and human needs, the region is experiencing problems of resource use and deficiencies of environmental control.

(5) Increasing urbanization is threatening the ecological values of the region and threatening the public opportunities for use of the public lands.

(6) Maintenance of the social and economic health of the region depends on maintaining the significant scenic, recreational, educational, scientific, natural and public health values provided by the Lake Tahoe Basin.

(7) There is a public interest in protecting, preserving and enhancing these values for the residents of the region and for visitors to the region.

(8) Responsibilities for providing recreational and scientific opportunities, preserving scenic and natural areas, and safeguarding the public who live, work and play in or visit the region are divided among local governments, regional agencies, the states of California and Nevada, and the Federal Government.

(9) In recognition of the public investment and multistate and national significance of the recreational values, the Federal Government has an interest in the acquisition of recreational property and the management of resources in the region to preserve environmental and recreational values, and the Federal Government should assist the states in fulfilling their responsibilities.

(10) In order to preserve the scenic beauty and outdoor recreational opportunities of the region, there is a need to insure an equilibrium between the region’s natural endowment and its man-made environment.

(b) In order to enhance the efficiency and governmental effectiveness of the region, it is imperative that there be established a Tahoe Regional Planning Agency with the powers conferred by this compact including the power to establish environmental threshold carrying capacities and to adopt and enforce a regional plan and implementing ordinances which will achieve and maintain such capacities while providing opportunities for orderly growth and development consistent with such capacities.

(c) The Tahoe Regional Planning Agency shall interpret and administer its plans, ordinances, rules and regulations in accordance with the provisions of this compact.

ARTICLE III. Organization

(a) There is created the Tahoe Regional Planning Agency as a separate legal entity.

The governing body of the agency shall be constituted as follows:

(1) California delegation:

(A) One member appointed by each of the County Boards of Supervisors of the Counties of El Dorado and Placer and one member appointed by the City Council of the City of South Lake Tahoe. Any such member may be a member of the county board of supervisors or city council, respectively, and shall reside in the territorial jurisdiction of the governmental body making the appointment.

(B) Two members appointed by the Governor of California, one member appointed by the Speaker of the Assembly of California and one member appointed by the Senate Rules Committee of the State of California. The members appointed pursuant to this subparagraph shall not be residents of the region and shall represent the public at large within the State of California.

(2) Nevada delegation:

(A) One member appointed by each of the boards of county commissioners of Douglas and Washoe counties and one member appointed by the board of supervisors of Carson City. Any such member may be a member of the board of county commissioners or board of supervisors, respectively, and shall reside in the territorial jurisdiction of the governmental body making the appointment.

(B) One member appointed by the governor of Nevada, the secretary of state of Nevada or his designee, and the director of the state department of conservation and natural resources of Nevada or his designee. Except for the secretary of state and the director of the state department of conservation and natural resources, the members or designees appointed pursuant to this subparagraph shall not be residents of the region. All members appointed
pursuant to this subparagraph shall represent the public at large within the State of Nevada.

(C) One member appointed for a 1-year term by the six other members of the Nevada delegation. If at least four members of the Nevada delegation are unable to agree upon the selection of a seventh member within 60 days after the effective date of the amendments to this compact or the occurrence of a vacancy on the governing body for that state the governor of the State of Nevada shall make such an appointment. The member appointed pursuant to this subparagraph may, but is not required to, be a resident of the region within the State of Nevada.

(3) If any appointing authority under paragraph (1)(A), (1)(B), (2)(A) or (2)(B) fails to make such an appointment within 60 days after the effective date of the amendments to this compact or the occurrence of a vacancy on the governing body, the governor of the state in which the appointing authority is located shall make the appointment. The term of any member so appointed shall be 1 year.

(4) The position of any member of the governing body shall be deemed vacant if such a member is absent from three consecutive meetings of the governing body in any calendar year.

(5) Each member and employee of the agency shall disclose his economic interests in the region within 10 days after taking his seat on the governing board or being employed by the agency and shall thereafter disclose any further economic interest which he acquires, as soon as feasible after he acquires it. As used in this paragraph, “economic interests” means:

(A) Any business entity operating in the region in which the member or employee has a direct or indirect investment worth more than $1,000;

(B) Any real property located in the region in which the member or employee has a direct or indirect interest worth more than $1,000;

(C) Any source of income attributable to activities in the region, other than loans by or deposits with a commercial lending institution in the regular course of business, aggregating $250 or more in value received by or promised to the member within the preceding 12 months; or

(D) Any business entity operating in the region in which the member or employee is a director, officer, partner, trustee, employee or holds any position of management.

No member or employee of the agency shall make, or attempt to influence, an agency decision in which he knows or has reason to know he has an economic interest. Members and employees of the agency must disqualify themselves from making or participating in the making of any decision of the agency when it is reasonably foreseeable that the decision will have a material financial effect, distinguishable from its effect on the public generally, on the economic interests of the member or employee.
(b) The members of the agency shall serve without compensation, but the expenses of each member shall be met by the body which he represents in accordance with the law of that body. All other expenses incurred by the governing body in the course of exercising the powers conferred upon it by this compact unless met in some other manner specifically provided, shall be paid by the agency out of its own funds.

(c) Except for the secretary of state and director of the state department of conservation and natural resources of Nevada and the member appointed pursuant to subdivision (a)(2)(C), the members of the governing body serve at the pleasure of the appointing authority in each case, but each appointment shall be reviewed no less often than every 4 years. Members may be reappointed.

(d) The governing body of the agency shall meet at least monthly. All meetings shall be open to the public to the extent required by the law of the State of California or the State of Nevada, whichever imposes the greater requirement, applicable to local governments at the time such meeting is held. The governing body shall fix a date for its regular monthly meeting in such terms as “the first Monday of each month,” and shall not change such date more often than once in any calendar year. Notice of the date so fixed shall be given by publication at least once in a newspaper or combination of newspapers whose circulation is general throughout the region and in each county a portion of whose territory lies within the region. Notice of any special meeting, except an emergency meeting, shall be given by so publishing the date and place and posting an agenda at least 5 days prior to the meeting.

(e) The position of a member of the governing body shall be considered vacated upon his loss of any of the qualifications required for his appointment and in such event the appointing authority shall appoint a successor.

(f) The governing body shall elect from its own members a chairman and vice chairman, whose terms of office shall be 2 years, and who may be reelected. If a vacancy occurs in either office, the governing body may fill such vacancy for the unexpired term.

(g) Four of the members of the governing body from each state constitute a quorum for the transaction of the business of the agency. The voting procedures shall be as follows:

1. For adopting, amending or repealing environmental threshold carrying capacities, the regional plan, and ordinances, rules and regulations, and for granting variances from the ordinances, rules and regulations, the vote of at least four of the members of each state agreeing with the vote of at least four members of the other state shall be required [the governing body must agree] to take action. If there is no vote of at least four of the members...
from one state agreeing with the vote of at least four of the members of the
other state on the actions specified in this paragraph, at least nine votes in
favor of such action not cast, an action of rejection shall be deemed to
have been taken.

(2) For approving a project, the affirmative vote of at least five members
from the state in which the project is located and the affirmative
vote of at least nine members of the governing body are required. If
at least five members of the governing body from the state in which
the project is located and at least nine members of the entire governing body
do not vote in favor of the project, upon a motion for approval, an action of
rejection shall be deemed to have been taken. A decision by the agency to
approve a project shall be supported by a statement of findings, adopted by
the agency, which indicates that the project complies with the regional plan
and with applicable ordinances, rules and regulations of the agency.

(3) For routine business and for directing the agency’s staff on litigation
and enforcement actions, at least eight members of the governing body must
agree to take action. If at least eight votes in favor of such action are not cast,
an action of rejection shall be deemed to have been taken.

Whenever under the provisions of this compact or any ordinance, rule,
regulation or policy adopted pursuant thereto, the agency is required to
review or approve any project, public or private, the agency shall take final
action by vote, whether to approve, to require modification or to reject such
project, within 180 days after the application for such project is accepted as
complete by the agency in compliance with the agency’s rules and
regulations governing such delivery unless the applicant has agreed to an
extension of this time limit. If a final action by vote does not take place
within 180 days, the applicant may bring an action in a court of competent
jurisdiction to compel a vote unless he has agreed to an extension. This
provision does not limit the right of any person to obtain judicial review of
agency action under subdivision (h) of Article VI. The vote of each member
of the governing body shall be individually recorded. The governing body
shall adopt its own rules, regulations and procedures.

(h) An advisory planning commission shall be appointed by the agency.
The commission shall include: the chief planning officers of Placer County,
El Dorado County, and the City of South Lake Tahoe in California and of
Douglas County, Washoe County and Carson City in Nevada, the executive
officer of the Lahontan Regional Water Quality Control Board of the State of
California, the executive officer of the Air Resources Board of the State of
California, the director of the state department of conservation and natural
resources of the State of Nevada, the administrator of the division of
environmental protection in the state department of conservation and natural
resources of the State of Nevada, the administrator of the Lake Tahoe
Management Unit of the United States Forest Service, and at least four lay members with an equal number from each state, at least half of whom shall be residents of the region. Any official member may designate an alternate.

The term of office of each lay member of the advisory planning commission shall be 2 years. Members may be reappointed.

The position of each member of the advisory planning commission shall be considered vacated upon loss of any of the qualifications required for appointment, and in such an event the appointing authority shall appoint a successor.

The advisory planning commission shall elect from its own members a chairman and a vice chairman, whose terms of office shall be 2 years and who may be reelected. If a vacancy occurs in either office, the advisory planning commission shall fill such vacancy for the unexpired term.

A majority of the members of the advisory planning commission constitutes a quorum for the transaction of the business of the commission. A majority vote of the quorum present shall be required to take action with respect to any matter.

(i) The agency shall establish and maintain an office within the region, and for this purpose the agency may rent or own property and equipment. Every plan, ordinance and other record of the agency which is of such nature as to constitute a public record under the law of either the State of California or the State of Nevada shall be open to inspection and copying during regular office hours.

(j) Each authority charged under this compact or by the law of either state with the duty of appointing a member of the governing body of the agency shall by certified copy of its resolution or other action notify the Secretary of State of its own state of the action taken.

ARTICLE IV. Personnel

(a) The governing body shall determine the qualification of, and it shall appoint and fix the salary of, the executive officer of the agency, and shall employ such other staff and legal counsel as may be necessary to execute the powers and functions provided for under this compact or in accordance with any intergovernmental contracts or agreements the agency may be responsible for administering.

(b) Agency personnel standards and regulations shall conform insofar as possible to the regulations and procedures of the civil service of the State of California or the State of Nevada, as may be determined by the governing body of the agency; and shall be regional and bistate in application and effect; provided that the governing body may, for administrative convenience and at its discretion, assign the administration of designated personnel arrangements to an agency of either state, and provided that administratively
convenient adjustments be made in the standards and regulations governing personnel assigned under intergovernmental agreements.

(c) The agency may establish and maintain or participate in such additional programs of employee benefits as may be appropriate to afford employees of the agency terms and conditions of employment similar to those enjoyed by employees of California and Nevada generally.

**ARTICLE V. Planning**

(a) In preparing each of the plans required by this article and each amendment thereto, if any, subsequent to its adoption, the planning commission after due notice shall hold at least one public hearing which may be continued from time to time, and shall review the testimony and any written recommendations presented at such hearing before recommending the plan or amendment. The notice required by this subdivision shall be given at least 20 days prior to the public hearing by publication at least once in a newspaper or combination of newspapers whose circulation is general throughout the region and in each county a portion of whose territory lies within the region.

The planning commission shall then recommend such plan or amendment to the governing body for adoption by ordinance. The governing body may adopt, modify or reject the proposed plan or amendment, or may initiate and adopt a plan or amendment without referring it to the planning commission. If the governing body initiates or substantially modifies a plan or amendment, it shall hold at least one public hearing thereon after due notice as required in this subdivision.

If a request is made for the amendment of the regional plan by:

(1) A political subdivision a part of whose territory would be affected by such amendment; or

(2) The owner or lessee of real property which would be affected by such amendment,

the governing body shall complete its action on such amendment within 180 days after such request is accepted as complete according to standards which must be prescribed by ordinance of the agency.

(b) The agency shall develop, in cooperation with the states of California and Nevada, environmental threshold carrying capacities for the region. The agency should request the President’s Council on Environmental Quality, the United States Forest Service and other appropriate agencies to assist in developing such environmental threshold carrying capacities. Within 18 months after the effective date of the amendments to this compact, the agency shall adopt environmental threshold carrying capacities for the region.

(c) Within 1 year after the adoption of the environmental threshold carrying capacities for the region, the agency shall amend the regional plan
so that, at a minimum, the plan and all of its elements, as implemented through agency ordinances, rules and regulations, achieves and maintains the adopted environmental threshold carrying capacities. Each element of the plan shall contain implementation provisions and time schedules for such implementation by ordinance. The planning commission and governing body shall continuously review and maintain the regional plan and, in so doing, shall ensure that the regional plan reflects changing economic conditions and the economic effect of regulation on commerce. The regional plan shall consist of a diagram, or diagrams, and text, or texts setting forth the projects and proposals for implementation of the regional plan, a description of the needs and goals of the region and a statement of the policies, standards and elements of the regional plan.

The regional plan shall be a single enforceable plan and includes all of the following correlated elements:

(1) A land-use plan for the integrated arrangement and general location and extent of, and the criteria and standards for, the uses of land, water, air, space and other natural resources within the region, including but not limited to an indication or allocation of maximum population densities and permitted uses.

(2) A transportation plan for the integrated development of a regional system of transportation, including but not limited to parkways, highways, transportation facilities, transit routes, waterways, navigation facilities, public transportation facilities, bicycle facilities, and appurtenant terminals and facilities for the movement of people and goods within the region. The goal of transportation planning shall be:

(A) To reduce dependency on the automobile by making more effective use of existing transportation modes and of public transit to move people and goods within the region; and
(B) To reduce to the extent feasible air pollution which is caused by motor vehicles.

Where increases in capacity are required, the agency shall give preference to providing such capacity through public transportation and public programs and projects related to transportation. The agency shall review and consider all existing transportation plans in preparing its regional transportation plan pursuant to this paragraph.

The plan shall provide for an appropriate transit system for the region. The plan shall give consideration to:

(A) Completion of the Loop Road in the states of Nevada and California;
(B) Utilization of a light rail mass transit system in the South Shore area; and
(C) Utilization of a transit terminal in the Kingsbury Grade area.
 Until the regional plan is revised, or a new transportation plan is adopted in accordance with this paragraph, the agency has no effective transportation plan.

(3) A conservation plan for the preservation, development, utilization, and management of the scenic and other natural resources within the basin, including but not limited to, soils, shoreline and submerged lands, scenic corridors along transportation routes, open spaces, recreational and historical facilities.

(4) A recreation plan for the development, utilization, and management of the recreational resources of the region, including but not limited to, wilderness and forested lands, parks and parkways, riding and hiking trails, beaches and playgrounds, marinas, areas for skiing and other recreational facilities.

(5) A public services and facilities plan for the general location, scale and provision of public services and facilities, which, by the nature of their function, size, extent and other characteristics are necessary or appropriate for inclusion in the regional plan.

In formulating and maintaining the regional plan, the planning commission and governing body shall take account of and shall seek to harmonize the needs of the region as a whole, the plans of the counties and cities within the region, the plans and planning activities of the state, federal and other public agencies and nongovernmental agencies and organizations which affect or are concerned with planning and development within the region.

(d) The regional plan shall provide for attaining and maintaining federal, state, or local air and water quality standards, whichever are strictest, in the respective portions of the region for which the standards are applicable.

The agency may, however, adopt air or water quality standards or control measures more stringent than the applicable state implementation plan or the applicable federal, state, or local standards for the region, if it finds that such additional standards or control measures are necessary to achieve the purposes of this compact. Each element of the regional plan, where applicable, shall, by ordinance, identify the means and time schedule by which air and water quality standards will be attained.

(e) Except for the Regional Transportation Plan of the California Tahoe Regional Planning Agency, the regional plan, ordinances, rules and regulations adopted by the California Tahoe Regional Planning Agency in effect on July 1, 1980, shall be the regional plan, ordinances, rules and regulations of the Tahoe Regional Planning Agency for that portion of the Tahoe region located in the State of California. Such plan, ordinance, rule or regulation may be amended or repealed by the governing body of the agency. The plans, ordinances, rules and regulations of the Tahoe Regional Planning Agency that do not conflict with, or are not addressed by, the California
Tahoe Regional Planning Agency’s plans, ordinances, rules and regulations referred to in this subdivision shall continue to be applicable unless amended or repealed by the governing body of the agency. No provision of the regional plan, ordinances, rules and regulations of the California Tahoe Regional Planning Agency referred to in this subdivision shall apply to that portion of the region within the State of Nevada, unless such provision is adopted for the Nevada portion of the region by the governing body of the agency.

(f) The regional plan, ordinances, rules and regulations of the Tahoe Regional Planning Agency apply to that portion of the region within the State of Nevada.

(g) The agency shall adopt ordinances prescribing specific written findings that the agency must make prior to approving any project in the region. These findings shall relate to environmental protection and shall insure that the project under review will not adversely affect implementation of the regional plan and will not cause the adopted environmental threshold carrying capacities of the region to be exceeded.

(h) The agency shall maintain the data, maps and other information developed in the course of formulating and administering the regional plan, in a form suitable to assure a consistent view of developmental trends and other relevant information for the availability of and use by other agencies of government and by private organizations and individuals concerned.

(i) Where necessary for the realization of the regional plan, the agency may engage in collaborative planning with local governmental jurisdictions located outside the region, but contiguous to its boundaries. In formulating and implementing the regional plan, the agency shall seek the cooperation and consider the recommendations of counties and cities and other agencies of local government, of state and federal agencies, of educational institutions and research organizations, whether public or private, and of civic groups and private persons.

ARTICLE VI. Agency’s Powers

(a) The governing body shall adopt all necessary ordinances, rules, and regulations to effectuate the adopted regional plan. Except as otherwise provided in this compact, every such ordinance, rule or regulation shall establish a minimum standard applicable throughout the region. Any political subdivision or public agency may adopt and enforce an equal or higher requirement applicable to the same subject of regulation in its territory. The regulations of the agency shall contain standards including but not limited to the following: water purity and clarity; subdivision; zoning; tree removal; solid waste disposal; sewage disposal; land fills, excavations, cuts and grading; piers, harbors, breakwaters or channels and other shoreline developments; waste disposal in shoreline areas; waste disposal from boats;
mobile-home parks; house relocation; outdoor advertising; floodplain protection; soil and sedimentation control; air pollution; and watershed protection. Whenever possible without diminishing the effectiveness of the regional plan, the ordinances, rules, regulations and policies shall be confined to matters which are general and regional in application, leaving to the jurisdiction of the respective states, counties and cities the enactment of specific and local ordinances, rules, regulations and policies which conform to the regional plan.

The agency shall prescribe by ordinance those activities which it has determined will not have substantial effect on the land, water, air, space or any other natural resources in the region and therefore will be exempt from its review and approval.

Every ordinance adopted by the agency shall be published at least once by title in a newspaper or combination of newspapers whose circulation is general throughout the region. Except an ordinance adopting or amending the regional plan, no ordinance shall become effective until 60 days after its adoption. Immediately after its adoption, a copy of each ordinance shall be transmitted to the governing body of each political subdivision having territory within the region.

(b) No project other than those to be reviewed and approved under the special provisions of subdivisions (d), (e), (f) and (g) may be developed in the region without obtaining the review and approval of the agency and no project may be approved unless it is found to comply with the regional plan and with the ordinances, rules and regulations enacted pursuant to subdivision (a) to effectuate that plan.

The agency may approve a project in the region only after making the written findings required by this subdivision or subdivision (g) of Article V. Such findings shall be based on substantial evidence in the record.

Before adoption by the agency of the ordinances required in subdivision (g) of Article V, the agency may approve a project in the region only after making written findings on the basis of substantial evidence in the record that the project is consistent with the regional plan then in effect and with applicable plans, ordinances, regulations, and standards of federal and state agencies relating to the protection, maintenance and enhancement of environmental quality in the region.

(c) The legislatures of the states of California and Nevada find that in order to make effective the regional plan as revised by the agency, it is necessary to halt temporarily works of development in the region which might otherwise absorb the entire capability of the region for further development or direct it out of harmony with the ultimate plan. Subject to the limitation provided in this subdivision, from the effective date of the
amendments to this compact until the regional plan is amended pursuant to subdivision (c) of Article V, or until May 1, 1983, whichever is earlier:

1. Except as otherwise provided in this paragraph, no new subdivision, planned unit development, or condominium project may be approved unless a complete tentative map or plan has been approved before the effective date of the amendments to this compact by all agencies having jurisdiction. The subdivision of land owned by a general improvement district, which existed and owned the land before the effective date of the amendments to this compact, may be approved if subdivision of the land is necessary to avoid insolvency of the district.

2. Except as provided in paragraph (3), no apartment building may be erected unless the required permits for such building have been secured from all agencies having jurisdiction, prior to the effective date of the amendments to this compact.

3. During each of the calendar years 1980, 1981 and 1982, no city or county may issue building permits which authorize the construction of a greater number of new residential units within the region than were authorized within the region by building permits issued by that city or county during the calendar year 1978. For the period of January through April, 1983, building permits authorizing the construction of no more than one-third of that number may be issued by each such city or county. For purposes of this paragraph a “residential unit” means either a single family residence or an individual residential unit within a larger building, such as an apartment building, a duplex or a condominium.

The legislatures find the respective numbers of residential units authorized within the region during the calendar year 1978 to be as follows:

1. City of South Lake Tahoe and El Dorado County (combined)......252
2. Placer County..............................................................278
3. Carson City...............................................................0-
4. Douglas County.........................................................339
5. Washoe County.........................................................739

4. During each of the calendar years 1980, 1981 and 1982, no city or county may issue building permits which authorize construction of a greater square footage of new commercial buildings within the region than were authorized within the region by building permits for commercial purposes issued by that city or county during the calendar year 1978. For the period of January through April, 1983, building permits authorizing the construction of no more than one-third the amount of that square footage may be issued by each such city or county.

The legislatures find the respective square footages of commercial buildings authorized within the region during calendar year 1978 to be as follows:
1. City of South Lake Tahoe and El Dorado County (combined) ... 64,324
2. Placer County .......................................................... 23,000
3. Carson City ............................................................... 0
4. Douglas County .......................................................... 57,354
5. Washoe County ............................................................ 50,600

(5) No structure may be erected to house gaming under a nonrestricted license.

(6) No facility for the treatment of sewage may be constructed or enlarged except:

(A) To comply, as ordered by the appropriate state agency for the control of water pollution, with existing limitations of effluent under the Clean Water Act, 33 U.S.C. § 1251 et seq., and the applicable state law for control of water pollution;

(B) To accommodate development which is not prohibited or limited by this subdivision; or

(C) In the case of Douglas County Sewer District # 1, to modify or otherwise alter sewage treatment facilities existing on the effective date of the amendments to this compact so that such facilities will be able to treat the total volume of effluent for which they were originally designed, which is 3.0 million gallons per day. Such modification or alteration is not a "project"; is not subject to the requirements of Article VII; and does not require a permit from the agency. Before commencing such modification or alteration, however, the district shall submit to the agency its report identifying any significant soil erosion problems which may be caused by such modifications or alterations and the measures which the district proposes to take to mitigate or avoid such problems.

The moratorium imposed by this subdivision does not apply to work done pursuant to a right vested before the effective date of the amendments to this compact. Notwithstanding the expiration date of the moratorium imposed by this subdivision, no new highway may be built or existing highway widened to accommodate additional continuous lanes for automobiles until the regional transportation plan is revised and adopted.

The moratorium imposed by this subdivision does not apply to the construction of any parking garage which has been approved by the agency prior to May 4, 1979, whether that approval was affirmative or by default. The provisions of this paragraph are not an expression of legislative intent that any such parking garage, the approval of which is the subject of litigation which was pending on the effective date of the amendments to this compact, should or should not be constructed. The provisions of this paragraph are intended solely to permit construction of such a parking garage if a judgment sustaining the agency's approval to construct that parking
garage has become final and no appeal is pending or may lawfully be taken to a higher court.

(d) Subject to the final order of any court of competent jurisdiction entered in litigation contesting the validity of an approval by the Tahoe Regional Planning Agency, whether that approval was affirmative or by default, if that litigation was pending on May 4, 1979, the agency and the states of California and Nevada shall recognize as a permitted and conforming use:

(1) Every structure housing gaming under a nonrestricted license which existed as a licensed gaming establishment on May 4, 1979, or whose construction was approved by the Tahoe Regional Planning Agency affirmatively or deemed approved before that date. The construction or use of any structure to house gaming under a nonrestricted license not so existing or approved, or the enlargement in cubic volume of any such existing or approved structure is prohibited.

(2) Every other nonrestricted gaming establishment whose use was seasonal and whose license was issued before May 4, 1979, for the same season and for the number and type of games and slot machines on which taxes or fees were paid in the calendar year 1978.

(3) Gaming conducted pursuant to a restricted gaming license issued before May 4, 1979, to the extent permitted by that license on that date.
   - The area within any structure housing gaming under a nonrestricted license which may be open to public use (as distinct from that devoted to the private use of guests and exclusive of any parking area) is limited to the area existing or approved for public use on May 4, 1979. Within these limits, any external modification of the structure which requires a permit from a local government also requires approval from the agency. The agency shall not permit restaurants, convention facilities, showrooms or other public areas to be constructed elsewhere in the region outside the structure in order to replace areas existing or approved for public use on May 4, 1979.

(e) Any structure housing licensed gaming may be rebuilt or replaced to a size not to exceed the cubic volume, height and land coverage existing or approved on May 4, 1979, without the review or approval of the agency or any planning or regulatory authority of the State of Nevada whose review or approval would be required for a new structure.

(f) The following provisions apply to any internal or external modification, remodeling, change in use, or repair of a structure housing gaming under a nonrestricted license which is not prohibited by Article VI (d):

(1) The agency’s review of an external modification of the structure which requires a permit from a local government is limited to determining whether the external modification will do any of the following:
(A) Enlarge the cubic volume of the structure;
(B) Increase the total square footage of area open to or approved for public use on May 4, 1979;
(C) Convert an area devoted to the private use of guests to an area open to public use;
(D) Increase the public area open to public use which is used for gaming beyond the limits contained in paragraph (3); and
(E) Conflict with or be subject to the provisions of any of the agency’s ordinances that are generally applicable throughout the region.

The agency shall make this determination within 60 days after the proposal is delivered to the agency in compliance with the agency’s rules or regulations governing such delivery unless the applicant has agreed to an extension of this time limit. If an external modification is determined to have any of the effects enumerated in subparagraphs (A) through (C), it is prohibited. If an external modification is determined to have any of the effects enumerated in subparagraph (D) or (E), it is subject to the applicable provisions of this compact. If an external modification is determined to have no such effect, it is not subject to the provisions of this compact.

(2) Except as provided in paragraph (3), internal modification, remodeling, change in use or repair of a structure housing gaming under a nonrestricted license is not a project and does not require the review or approval of the agency.

(3) Internal modification, remodeling, change in use or repair of areas open to public use within a structure housing gaming under a nonrestricted license which alone or in combination with any other such modification, remodeling, change in use or repair will increase the total portion of those areas which is actually used for gaming by more than the product of the total base area, as defined below, in square feet existing on or approved before August 4, 1980, multiplied by 15 percent constitutes a project and is subject to all of the provisions of this compact relating to projects. For purposes of this paragraph and the determination required by Article VI (g), base area means all of the area within a structure housing gaming under a nonrestricted license which may be open to public use, whether or not gaming is actually conducted or carried on in that area, except retail stores, convention centers and meeting rooms, administrative offices, kitchens, maintenance and storage areas, rest rooms, engineering and mechanical rooms, accounting rooms and counting rooms.

(g) In order to administer and enforce the provisions of paragraphs (d), (e) and (f) the State of Nevada, through its appropriate planning or regulatory agency, shall require the owner or licensee of a structure housing gaming under a nonrestricted license to provide:
(1) Documents containing sufficient information for the Nevada agency to establish the following relative to the structure:
   (A) The location of its external walls;
   (B) Its total cubic volume;
   (C) Within its external walls, the area in square feet open or approved for public use and the area in square feet devoted to or approved for the private use of guests on May 4, 1979;
   (D) The amount of surface area of land under the structure; and
   (E) The base area as defined in paragraph (f)(3) in square feet existing on or approved before August 4, 1980.

(2) An informational report whenever any internal modification, remodeling, change in use, or repair will increase the total portion of the areas open to public use which is used for gaming.

The Nevada agency shall transmit this information to the Tahoe Regional Planning Agency.

(h) Gaming conducted pursuant to a restricted gaming license is exempt from review by the agency if it is incidental to the primary use of the premises.

(i) The provisions of subdivisions (d) and (e) are intended only to limit gaming and related activities as conducted within a gaming establishment, or construction designed to permit the enlargement of such activities, and not to limit any other use of property zoned for commercial use or the accommodation of tourists, as approved by the agency.

(j) Legal actions arising out of or alleging a violation of the provisions of this compact, of the regional plan or of an ordinance or regulation of the agency or of a permit or a condition of a permit issued by the agency are governed by the following provisions:

(1) This subdivision applies to:
   (A) Actions arising out of activities directly undertaken by the agency.
   (B) Actions arising out of the issuance to a person of a lease, permit, license or other entitlement for use by the agency.
   (C) Actions arising out of any other act or failure to act by any person or public agency.

Such legal actions may be filed and the provisions of this subdivision apply equally in the appropriate courts of California and Nevada and of the United States.

(2) Venue lies:
   (A) If a civil or criminal action challenges an activity by the agency or any person which is undertaken or to be undertaken upon a parcel of real property, in the state or federal judicial district where the real property is situated.
(B) If an action challenges an activity which does not involve a specific parcel of land (such as an action challenging an ordinance of the agency), in any state or federal court having jurisdiction within the region.

(3) Any aggrieved person may file an action in an appropriate court of the State of California or Nevada or of the United States alleging noncompliance with the provisions of this compact or with an ordinance or regulation of the agency. In the case of governmental agencies, “aggrieved person” means the Tahoe Regional Planning Agency or any state, federal or local agency. In the case of any person other than a governmental agency who challenges an action of the Tahoe Regional Planning Agency, “aggrieved person” means any person who has appeared, either in person, through an authorized representative, or in writing, before the agency at an appropriate administrative hearing to register objection to the action which is being challenged, or who had good cause for not making such an appearance.

(4) A legal action arising out of the adoption or amendment of the regional plan or of any ordinance or regulation of the agency, or out of the granting or denial of any permit, shall be commenced within 60 days after final action by the agency. All other legal actions shall be commenced within 65 days after discovery of the cause of action.

(5) In any legal action filed pursuant to this subdivision which challenges an adjudicatory act or decision of the agency to approve or disapprove a project, the scope of judicial inquiry shall extend only to whether there was prejudicial abuse of discretion. Prejudicial abuse of discretion is established if the agency has not proceeded in a manner required by law or if the act or decision of the agency was not supported by substantial evidence in light of the whole record. In making such a determination the court shall not exercise its independent judgment on evidence but shall only determine whether the act or decision was supported by substantial evidence in light of the whole record. In any legal action filed pursuant to this subdivision which challenges a legislative act or decision of the agency (such as the adoption of the regional plan and the enactment of implementing ordinances), the scope of the judicial inquiry shall extend only to the questions of whether the act or decision has been arbitrary, capricious or lacking substantial evidentiary support or whether the agency has failed to proceed in a manner required by law. 

In addition, there is a rebuttable presumption that a regional plan adopted, amended, formulated or maintained pursuant to this compact is in conformance with the requirements applicable to this compact, and a party challenging the regional plan has the burden of showing that it is not in conformance with the requirements applicable to this compact.

(6) In addition to the provisions of paragraph (5) relating to judicial inquiry:
(A) When adopting or amending a regional plan, the agency shall act in accordance with the requirements of the compact and the implementing ordinances, rules and regulations, and a party challenging the regional plan has the burden of showing that the regional plan is not in conformance with those requirements.

(B) When taking an action or making a decision, the agency shall act in accordance with the requirements of the compact and the regional plan, including the implementing ordinances, rules and regulations, and a party challenging the action or decision has the burden of showing that the action or decision is not in conformance with those requirements.

(7) The provisions of this subdivision do not apply to any legal proceeding pending on the date when this subdivision becomes effective. Any such legal proceeding shall be conducted and concluded under the provisions of law which were applicable prior to the effective date of this subdivision.

(8) The security required for the issuance of a temporary restraining order or preliminary injunction based upon an alleged violation of this compact or any ordinance, plan, rule or regulation adopted pursuant thereto is governed by the rule or statute applicable to the court in which the action is brought, unless the action is brought by a public agency or political subdivision to enforce its own rules, regulations and ordinances in which case no security shall be required.

(k) The agency shall monitor activities in the region and may bring enforcement actions in the region to ensure compliance with the regional plan and adopted ordinances, rules, regulations and policies. If it is found that the regional plan, or ordinances, rules, regulations and policies are not being enforced by a local jurisdiction, the agency may bring action in a court of competent jurisdiction to ensure compliance.

(l) Any person who violates any provision of this compact or of any ordinance or regulation of the agency or of any condition of approval imposed by the agency is subject to a civil penalty not to exceed $5,000. Any such person is subject to an additional civil penalty not to exceed $5,000 per day, for each day on which such a violation persists. In imposing the penalties authorized by this subdivision, the court shall consider the nature of the violation and shall impose a greater penalty if it was willful or resulted from gross negligence than if it resulted from inadvertence or simple negligence.

(m) The agency is hereby empowered to initiate, negotiate and participate in contracts and agreements among the local governmental authorities of the region, or any other intergovernmental contracts or agreements authorized by state or federal law.
(n) Each intergovernmental contract or agreement shall provide for its own funding and staffing, but this shall not preclude financial contributions from the local authorities concerned or from supplementary sources.

(o) Every record of the agency, whether public or not, shall be open for examination to the Legislature and Controller of the State of California and the legislative auditor of the State of Nevada.

(p) Approval by the agency of any project expires 3 years after the date of final action by the agency or the effective date of the amendments to this compact, whichever is later, unless construction is begun within that time and diligently pursued thereafter, or the use or activity has commenced. In computing the 3-year period any period of time during which the project is the subject of a legal action which delays or renders impossible the diligent pursuit of that project shall not be counted. Any license, permit or certificate issued by the agency which has an expiration date shall be extended by that period of time during which the project is the subject of such legal action as provided in this subdivision.

(q) The governing body shall maintain a current list of real property known to be available for exchange with the United States or with other owners of real property in order to facilitate exchanges of real property by owners of real property in the region.

ARTICLE VII. Environmental Impact Statements

(a) The Tahoe Regional Planning Agency when acting upon matters that have a significant effect on the environment shall:

1. Utilize a systematic, interdisciplinary approach which will insure the integrated use of the natural and social sciences and the environmental design arts in planning and in decision making which may have an impact on man’s environment;

2. Prepare and consider a detailed environmental impact statement before deciding to approve or carry out any project. The detailed environmental impact statement shall include the following:

   A. The significant environmental impacts of the proposed project;

   B. Any significant adverse environmental effects which cannot be avoided should the project be implemented;

   C. Alternatives to the proposed project;

   D. Mitigation measures which must be implemented to assure meeting standards of the region;

   E. The relationship between local short-term uses of man’s environment and the maintenance and enhancement of long-term productivity;

   F. Any significant irreversible and irretrievable commitments of resources which would be involved in the proposed project should it be implemented; and

   G. The growth-inducing impact of the proposed project;
(3) Study, develop and describe appropriate alternatives to recommended
courses of action for any project which involves unresolved conflicts
concerning alternative uses of available resources;
(4) Make available to states, counties, municipalities, institutions and
individuals, advice and information useful in restoring, maintaining and
enhancing the quality of the region’s environment; and
(5) Initiate and utilize ecological information in the planning and
development of resource-oriented projects.

(b) Prior to completing an environmental impact statement, the agency
shall consult with and obtain the comments of any federal, state or local
agency which has jurisdiction by law or special expertise with respect to any
environmental impact involved. Copies of such statement and the comments
and views of the appropriate federal, state and local agencies which are
authorized to develop and enforce environmental standards shall be made
available to the public and shall accompany the project through the review
processes. The public shall be consulted during the environmental impact
statement process and views shall be solicited during a public comment
period not to be less than 60 days.

(c) Any environmental impact statement required pursuant to this article
need not repeat in its entirety any information or data which is relevant to
such a statement and is a matter of public record or is generally available to
the public, such as information contained in an environmental impact report
prepared pursuant to the California Environmental Quality Act or a federal
environmental impact statement prepared pursuant to the National
Environmental Policy Act of 1969. However, such information or data shall
be briefly described in the environmental impact statement and its
relationship to the environmental impact statement shall be indicated.

In addition, any person may submit information relative to a proposed
project which may be included, in whole or in part, in any environmental
impact statement required by this article.

(d) In addition to the written findings specified by agency ordinance to
implement the regional plan, the agency shall make either of the following
written findings before approving a project for which an environmental
impact statement was prepared:

(1) Changes or alterations have been required in or incorporated into such
project which avoid or reduce the significant adverse environmental effects
to a less than significant level; or

(2) Specific considerations, such as economic, social or technical, make
infeasible the mitigation measures or project alternatives discussed in the
environmental impact statement on the project.
A separate written finding shall be made for each significant effect identified in the environmental impact statement on the project. All written findings must be supported by substantial evidence in the record.

(e) The agency may charge and collect a reasonable fee from any person proposing a project subject to the provisions of this compact in order to recover the estimated costs incurred by the agency in preparing an environmental impact statement under this article.

(f) The agency shall adopt by ordinance a list of classes of projects which the agency has determined will not have a significant effect on the environment and therefore will be exempt from the requirement for the preparation of an environmental impact statement under this article. Prior to adopting the list, the agency shall make a written finding supported by substantial evidence in the record that each class of projects will not have a significant effect on the environment.

ARTICLE VIII. Finances

(a) On or before September 30 of each calendar year the agency shall establish the amount of money necessary to support its activities for the next succeeding fiscal year commencing July 1 of the following year. The agency shall apportion $75,000 of this amount among the counties within the region on the same ratio to the total sum required as the full cash valuation of taxable property within the region in each county bears to the total full cash valuation of taxable property within the region. In addition, each county within the region in California shall pay $18,750 to the agency and each county within the region in Nevada, including Carson City, shall pay $12,500 to the agency, from any funds available therefor. The State of California and the State of Nevada may pay to the agency by July 1 of each year any additional sums necessary to support the operations of the agency pursuant to this compact. If additional funds are required, the agency shall make a request for the funds to the states of California and Nevada. Requests for state funds must be apportioned two-thirds from California and one-third from Nevada. Money appropriated shall be paid within 30 days.

(b) The agency may fix and collect reasonable fees for any services rendered by it.

(c) The agency shall submit an itemized budget to the states for review with any request for state funds, shall be strictly accountable to any county in the region and the states for all funds paid by them to the agency and shall be strictly accountable to all participating bodies for all receipts and disbursement.

(d) The agency is authorized to receive gifts, donations, subventions, grants, and other financial aids and funds; but the agency may not own land except as provided in subdivision (i) of Article III.
(e) The agency shall not obligate itself beyond the moneys due under this article for its support from the several counties and the states for the current fiscal year, plus any moneys on hand or irrevocably pledged to its support from other sources. No obligation contracted by the agency shall bind either of the party states or any political subdivision thereof.

ARTICLE IX. Transportation District

(a) The Tahoe transportation district is hereby established as a special purpose district. The boundaries of the district are coterminous with those of the region.

(b) The business of the district shall be managed by a board of directors consisting of:

(1) One member of the county board of supervisors of each of the counties of El Dorado and Placer;
(2) One member of the city council of the City of South Lake Tahoe;
(3) One member each of the board of county commissioners of Douglas County and of Washoe County;
(4) One member of the board of supervisors of Carson City;
(5) The director of the California Department of Transportation; and
(6) The director of the department of transportation of the State of Nevada.

Any director may designate an alternate.

(c) The vote of at least five of the directors must agree to take action. If at least five votes in favor of an action are not cast, an action of rejection shall be deemed to have been taken.

(d) The Tahoe transportation district may in accordance with the adopted transportation plan:

(1) Own and operate a public transportation system to the exclusion of all other publicly owned transportation systems in the region.
(2) Acquire upon mutually agreeable terms any public transportation system or facility owned by a county, city or special purpose district within the region.
(3) Hire the employees of existing public transportation systems that are acquired by the district without loss of benefits to the employees, bargain collectively with employee organizations, and extend pension and other collateral benefits to employees.
(4) Fix the rates and charges for transit services provided pursuant to this subdivision.
(5) Issue revenue bonds and other evidence of indebtedness.
(6) By resolution, determine and propose for adoption a tax for the purpose of obtaining services of the district. The tax proposed must be general and of uniform operation throughout the region, and may not be graduated in any way. The district is prohibited from imposing an ad valorem
tax, a tax measured by gross or net receipts on business, a tax or charge that is assessed against people or vehicles as they enter or leave the region, and any tax, direct or indirect, on gaming tables and devices. Any such proposition must be submitted to the voters of the district and shall become effective upon approval of two-thirds of the voters voting on the proposition. The revenues from any such tax must be used for the service for which it was imposed, and for no other purpose.

(7) Provide service from inside the region to convenient airport, railroad and interstate bus terminals without regard to the boundaries of the region.

(e) The legislatures of the states of California and Nevada may, by substantively identical enactments, amend this article.

ARTICLE X. Miscellaneous

(a) It is intended that the provisions of this compact shall be reasonably and liberally construed to effectuate the purposes thereof. Except as provided in subdivision (c), the provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any participating state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining state and in full force and effect as to the state affected as to all severable matters.

(b) The agency shall have such additional powers and duties as may hereafter be delegated or imposed upon it from time to time by the action of the Legislature of either state concurred in by the Legislature of the other.

(c) A state party to this compact may withdraw therefrom by enacting a statute repealing the compact. Notice of withdrawal shall be communicated officially and in writing to the Governor of the other state and to the agency administrators. This provision is not severable, and if it is held to be unconstitutional or invalid, no other provision of this compact shall be binding upon the State of Nevada or the State of California.

(d) No provision of this compact shall have any effect upon the allocation, distribution or storage of interstate waters or upon any appropriative water right.

GENERAL FILE AND THIRD READING

Senate Bill No. 72.
Bill read third time.
The following amendment was proposed by Assemblyman Daly:
Amendment No. 836.
AN ACT relating to cruelty to animals; prohibiting a person from intentionally engaging in horse tripping for sport, entertainment, competition or practice or from knowingly organizing, sponsoring, promoting, overseeing or conducting or receiving any money or other compensation for the admission of any person to a charreada or rodeo that includes horse tripping; authorizing a charreada or rodeo to include a horse roping event under certain circumstances; providing a penalty; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Existing law prohibits a person from engaging in cruelty to animals and provides criminal penalties for a person who engages in that activity, including making a third and any subsequent offense within the immediately preceding 7 years a category C felony. (NRS 574.100) [Section 1 of this bill defines "horse tripping" as the roping of the legs of, or otherwise using a
wire, pole, stick, rope or other object to intentionally trip or intentionally cause a horse or other animal of the equine species to fall. Section 1.5 of this bill prohibits a person from: (1) intentionally engaging in horse tripping for sport, entertainment, competition or practice; or (2) knowingly organizing, sponsoring, promoting, overseeing, conducting or receiving money or any other compensation for parking or for the admission of any person to or attendance at a charreada or rodeo that includes horse tripping. Section 1.5 also prohibits a person from knowingly organizing, sponsoring, promoting, overseeing, conducting or receiving money or any other compensation for parking or for the admission to or attendance at a charreada or rodeo that includes a horse roping event in which a horse or other animal of the equine species is caught by the legs and then released unless the person first obtains a permit from the local government where the horse roping event is conducted. Sections 4 and 5 of this bill require each board of county commissioners and city council to enact an ordinance setting forth the manner in which a person may apply for the issuance of the permit. This bill imposes a criminal penalty against a person who is guilty of committing horse tripping, and provides an exception for tripping to provide medical or other health care for the animal or catching the animal by the legs and then releasing it as part of a horse roping event for which a permit has been issued by the local government where the event is conducted.

(b) Except as otherwise provided in NRS 244.33501, a board of county commissioners may:
Exempt an otherwise provided in subsections 2, 3 and 4, and NRS 244.3359. A board of county commissioners may:

2. The county license boards have the exclusive power in their respective counties to regulate entertainers employed by an entertainment by referral service and the business of conducting a dancing hall, escort service, entertainment by referral service or gambling game or device permitted by law, outside of an incorporated city. The county license boards may fix,
impose and collect license taxes for revenue or for regulation, or for both revenue and regulation, on such employment and businesses.

3. A board of county commissioners shall not require that a person who is licensed as a contractor pursuant to chapter 624 of NRS obtain more than one license to engage in the business of contracting or pay more than one license tax related to engaging in the business of contracting, regardless of the number of classifications or subclassifications of licensing for which the person is licensed pursuant to chapter 624 of NRS.

4. The board of county commissioners or county license board shall not require a person to obtain a license or pay a license tax on the sole basis that the person is a professional. As used in this subsection, “professional” means a person who:

(a) Holds a license, certificate, registration, permit or similar type of authorization issued by a regulatory body as defined in NRS 622.060 or who is regulated pursuant to the Nevada Supreme Court Rules; and
(b) Practices his or her profession for any type of compensation as an employee.

(a) Signs an affidavit affirming that the business has complied with the provisions of chapter 76 of NRS; or
(b) Provides to the county license board the entity number of the applicant assigned by the Secretary of State which the county may use to validate that the applicant is currently in good standing with the State and has complied with the provisions of chapter 76 of NRS.

6. No license to engage in business as a seller of tangible personal property may be granted unless the applicant for the license:

(a) Presents written evidence that:
(1) The Department of Taxation has issued or will issue a permit for this activity, and this evidence clearly identifies the business by name; or
(2) Another regulatory agency of the State has issued or will issue a license required for this activity; or
(b) Provides to the county license board the entity number of the applicant assigned by the Secretary of State which the county may use to validate that the applicant is currently in good standing with the State and has complied with the provisions of paragraph (a).

7. Any license tax levied for the purposes of NRS 244.3358 or 244A.597 to 244A.655, inclusive, constitutes a lien upon the real and personal property of the business upon which the tax was levied until the tax is paid. The lien has the same priority as a lien for general taxes. The lien must be enforced.
(a) By recording in the office of the county recorder, within 6 months after the date on which the tax became delinquent or was otherwise determined to be due and owing, a notice of the tax lien containing the following:

1. The amount of tax due and the appropriate year;
2. The name of the record owner of the property;
3. A description of the property sufficient for identification; and
4. A verification by the oath of any member of the board of county commissioners or the county fair and recreation board; and

(b) By an action for foreclosure against the property in the same manner as an action for foreclosure of any other lien, commenced within 2 years after the date of recording of the notice of the tax lien, and accompanied by appropriate notice to other lienholders.

8. The board of county commissioners may delegate the authority to enforce liens from taxes levied for the purposes of NRS 244A.597 to 244A.655, inclusive, to the county fair and recreation board. If the authority is so delegated, the board of county commissioners shall revoke or suspend the license of a business upon certification by the county fair and recreation board that the license tax has become delinquent, and shall not reinstate the license until the tax is paid. Except as otherwise provided in NRS 239.0115 and 244.3357, all information concerning license taxes levied by an ordinance authorized by this section or other information concerning the business affairs or operation of any licensee obtained as a result of the payment of such license taxes or as the result of any audit or examination of the books by any authorized employee of a county fair and recreation board of the county for any license tax levied for the purpose of NRS 244A.597 to 244A.655, inclusive, is confidential and must not be disclosed by any member, officer or employee of the county fair and recreation board or the county imposing the license tax unless the disclosure is authorized by the affirmative action of a majority of the members of the appropriate county fair and recreation board. Continuing disclosure may be so authorized under an agreement with the Department of Taxation or Secretary of State for the exchange of information concerning taxpayers.

Sec. 4. NRS 244.359 is hereby amended to read as follows:

244.359  1. Except as otherwise provided in subsection 4, each board of county commissioners may enact and enforce an ordinance or ordinances:

2. Any ordinance or ordinances enacted pursuant to the provisions of paragraphs (a) and (b) of subsection 1 may apply throughout an entire county or govern only a limited area within the county which shall be specified in the ordinance or ordinances.

3. Except as otherwise provided in this subsection, a board of county commissioners may by ordinance provide that the violation of a particular ordinance enacted pursuant to this section imposes a civil liability to the county in an amount not to exceed $500, instead of a criminal penalty. An ordinance enacted pursuant to this section that creates an offense relating to bites of animals, vicious or dangerous animals, horse tripping or cruelty to animals must impose a criminal penalty for the offense. As used in this subsection, “horse tripping” does not include tripping a horse to provide medical or other health care for the horse.

4. Each board of county commissioners shall enact an ordinance setting forth the manner in which a person may apply for the issuance of a permit specified in subparagraph (2) of paragraph (b) of subsection 5 of NRS 574.100. The board of county commissioners may impose a fee for issuing the permit in an amount which does not exceed the actual cost of issuing the permit. Notwithstanding any contrary ordinance of the county which regulates or prohibits the catching of a horse or other animal of the equine species by the legs and then releasing it, and if the applicant has otherwise complied with all other applicable ordinances of the county, the board of county commissioners shall issue the permit to the applicant upon the submission of a completed application and the payment of the fee, if any. (Deleted by amendment.)

Sec. 5. NRS 266.325 is hereby amended to read as follows:

266.325 The city council may:

The city council may impose a fee for issuing the permit in an amount which does not exceed the actual cost of issuing the permit. Notwithstanding any contrary ordinance of the city, which regulates or prohibits the catching of a horse or other animal of the equine species by the legs and then releasing it, and if the applicant has otherwise complied with all other applicable ordinances of the city, the city council shall issue the permit to the applicant upon the submission of a completed application and the payment of the fee, if any. (Deleted by amendment.)

Sec. 6. NRS 266.355 is hereby amended to read as follows:

266.355  1. Except as otherwise provided in subsections 3, 4 and 5, the city council may:
(a) Except as otherwise provided in NRS 266.235, 268.0881 to 268.0888, inclusive, 508D.150 and 640C.100, regulate all businesses, trades and professions.
(b) Except as otherwise provided in NRS 576.128, fix, impose and collect a license tax for revenue upon all businesses, trades and professions.

2. The city council may establish any equitable standard to be used in fixing license taxes required to be collected pursuant to this section.

3. The city council may license insurance agents, brokers, analysts, adjusters and managing general agents within the limitations and under the conditions prescribed in NRS 680B.020.

4. A city council shall not require that a person who is licensed as a contractor pursuant to chapter 624 of NRS obtain more than one license to engage in the business of contracting or pay more than one license tax related to engaging in the business of contracting, regardless of the number of classifications or sub classifications of licensing for which the person is licensed pursuant to chapter 624 of NRS.

5. The city council shall not require a person to obtain a license or pay a license tax on the sole basis that the person is a professional. As used in this subsection, “professional” means a person who:
(a) Holds a license, certificate, registration, permit or similar type of authorization issued by a regulatory body as defined in NRS 622.060, or who is regulated pursuant to the Nevada Supreme Court Rules; and
(b) Practices his or her profession for any type of compensation as an employee. (Deleted by amendment.)

Senate Bill No. 312.
Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 733.
AN ACT relating to driving under the influence; revising provisions concerning impact panels of victims of crimes involving driving under the influence of intoxicating liquor or a controlled substance; providing a penalty; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Under existing law, a judge who sentences a defendant for a crime involving driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance is required to order the defendant to attend in person a live meeting of a panel of victims.
unless such a meeting is not available within 60 miles of the defendant’s residence. The judge or judges in each judicial district are responsible for maintaining a list of the panels of persons who have been injured or have had members of their families or close friends injured or killed by a person who was driving or in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance and who have, by contacting the judge or judges in the district, expressed their willingness to discuss collectively the personal effect of those crimes.

Sections 2-13 of this bill establish the requirements for victim impact panels in each judicial district in a county whose population is 100,000 or more (currently Clark and Washoe Counties) to be sponsored and conducted by organizations, in lieu of or in addition to the panels held under the direction and supervision of the judges. In particular, sections 2-13 make the Department of Motor Vehicles responsible for regulating the organizations that sponsor and conduct victim impact panels. Section 6 requires organizations that wish to sponsor victim impact panels to be registered with the Department and establishes the requirements for such registration. Section 7 requires that each meeting of such a victim impact panel be conducted by a qualified coordinator and specifies the training required to serve as a coordinator. Section 8 requires victims who wish to make a presentation as a member of such a victim impact panel to submit to the sponsor information concerning the events that gave rise to the harms suffered by the victim and provides a criminal penalty for persons who make false statements in connection with such harms. Section 9 establishes requirements for meetings of such victim impact panels and requires that, if such a meeting is conducted in person, security personnel must be present at the site of the meeting and security personnel who are trained in the detection of a person who is under the influence of a controlled substance or intoxicating liquor. Section 9 further authorizes a meeting of such a victim impact panel to be conducted by means of videoconferencing or other form of electronic communication. Sections 10-12 establish various procedures for the receipt and disbursement of money generated from fees for attending meetings of panels, administrative fines and civil penalties. Section 13 requires the Department to adopt regulations to carry out its duties relating to sections 2-13. Section 14 of this bill adds references to the new requirements of sections 2-13 to the existing requirements for victim impact panels, which remain in effect for panels held under the direction and supervision of the judge or judges of each judicial district in a county whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties).

Senate Bill No. 364.
Bill read second time.
The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 722.
AN ACT relating to governmental administration; removing the requirement that each governmental agency ensure that any personal information contained in certain documents is either maintained in a confidential manner or removed from the document; held by governmental agencies; removing the requirement that the board of county commissioners in certain larger counties establish in certain cities a branch office of the county clerk at which marriage licenses may be issued; revising provisions relating to recording and filing certificates of marriage; revising provisions governing certain other documents relating to marriage; prohibiting certain solicitations on county property; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law prohibits, with certain exceptions, a governmental agency from requiring a person to include personal information on any document submitted to the governmental agency on or after January 1, 2007. On or before January 1, 2017, each governmental agency is required to ensure that any personal information contained in a document submitted to that agency before January 1, 2007, is either maintained in a confidential manner or removed from the document. (NRS 239B.030) Section 1 of this bill removes the January 1, 2017, deadline for complying with such requirements and instead requires each governmental agency, as of July 1, 2013, to ensure that any personal information contained in a document submitted to that agency before January 1, 2007, is either maintained in a confidential manner or, within the limits of available resources, removed from the document.

Existing law requires the board of county commissioners in a county whose population is 700,000 or more (currently Clark County) to designate one branch office of the county clerk at which marriage licenses may be issued and establish that office in an incorporated city whose population is 220,000 or more but less than 500,000 (currently the City of Henderson). Existing law also authorizes the board to designate, at the request of the county clerk, not more than four additional branch offices of the county clerk
at which marriage licenses can be issued. (NRS 122.040) Section 2 of this bill removes the requirement to establish a branch office at which marriage licenses can be issued in an incorporated city whose population is 220,000 or more but less than 500,000 and allows the board to designate, at the request of the county clerk, not more than five branch offices at which marriage licenses may be issued.

Existing law requires copies of certificates of marriage to be recorded by the county recorder or filed by the county clerk. (NRS 122.130) Sections 2.5, 5.5 and 8-10 of this bill remove references to “copies” of certificates of marriage so that original certificates of marriage are required to be recorded by the county recorder or filed by the county clerk.

Sections 3-5 of this bill revise provisions governing certain documents relating to the authority to solemnize marriages.

Existing law prohibits any person, while on county courthouse property, from soliciting another person to be married by a marriage commissioner or justice of the peace or at a commercial wedding chapel. (NRS 122.215) Section 7 of this bill extends this prohibition to all county property where marriage licenses are issued.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 239B.030 is hereby amended to read as follows:

239B.030 1. Except as otherwise provided in subsections 2 and 6, a person shall not include and a governmental agency shall not require a person to include any personal information about a person on any document that is recorded, filed or otherwise submitted to the governmental agency on or after January 1, 2007.

2. If personal information about a person is required to be included in a document that is recorded, filed or otherwise submitted to a governmental agency on or after January 1, 2007, pursuant to a specific state or federal law, for the administration of a public program or for an application for a federal or state grant, a governmental agency shall ensure that the personal information is maintained in a confidential manner and may only disclose the personal information as required:
   (a) To carry out a specific state or federal law; or
   (b) For the administration of a public program or an application for a federal or state grant.

Any action taken by a governmental agency pursuant to this subsection must not be construed as affecting the legality of the document.

3. A governmental agency shall take necessary measures to ensure that notice of the provisions of this section is provided to persons with whom it
conducts business. Such notice may include, without limitation, posting
notice in a conspicuous place in each of its offices.

4. A governmental agency may require a person who records, files or
otherwise submits any document to the governmental agency to provide an
affirmation that the document does not contain personal information about
any person or, if the document contains any such personal information,
identification of the specific law, public program or grant that requires the
inclusion of the personal information. A governmental agency may refuse to
record, file or otherwise accept a document which does not contain such an
affirmation when required or any document which contains personal
information about a person that is not required to be included in the
document pursuant to a specific state or federal law, for the administration of
a public program or for an application for a federal or state grant.

5. Each governmental agency shall ensure that any personal information
contained in a document that has been recorded, filed or otherwise submitted to the governmental agency before January 1, 2007, which the governmental agency continues to hold is:

(a) Maintained in a confidential manner if the personal information is
required to be included in the document pursuant to a specific state or federal
law, for the administration of a public program or for an application for a
federal or state grant; or

(b) Obliterated or otherwise removed from the document, by any method, including, without
limitation, through the use of computer software, if the personal information
is not required to be included in the document pursuant to a specific state or federal
law, for the administration of a public program or for an application for a
federal or state grant.

Any action taken by a governmental agency pursuant to this subsection
must not be construed as affecting the legality of the document.

6. A person may request that a governmental agency obliterate or
otherwise remove from any document submitted by the person to the
governmental agency before January 1, 2007, any personal information about
the person contained in the document that is not required to be included in
the document pursuant to a specific state or federal law, for the
administration of a public program or for an application for a federal or state
grant or, if the personal information is so required to be included in the
document, the person may request that the governmental agency maintain the
personal information in a confidential manner. If any documents that have
been recorded, filed or otherwise submitted to a governmental agency:

(a) Are maintained in an electronic format that allows the governmental
agency to retrieve components of personal information through the use of
computer software, a request pursuant to this subsection must identify the
components of personal information to be retrieved. The provisions of this paragraph do not require a governmental agency to purchase computer software to perform the service requested pursuant to this subsection.

(b) Are not maintained in an electronic format or not maintained in an electronic format in the manner described in paragraph (a), a request pursuant to this subsection must describe the document with sufficient specificity to enable the governmental agency to identify the document.

The governmental agency shall not charge any fee to perform the service requested pursuant to this subsection.

7. As used in this section:
(a) "Governmental agency" means an officer, board, commission, department, division, bureau, district or any other unit of government of the State or a local government.
(b) "Personal information" has the meaning ascribed to it in NRS 603A.040.

(a) In a county whose population is 700,000 or more:
   (1) Shall designate one branch office of the county clerk at which marriage licenses may be issued and shall establish and maintain the designated branch office in an incorporated city whose population is 220,000 or more but less than 500,000; and

(b) In a county whose population is less than 700,000 may, at the request of the county clerk, designate one branch office of the county clerk at which marriage licenses may be issued, if the designated branch office is established in a county office building which is located outside of the county seat.

2. Except as otherwise provided in this section, before issuing a marriage license, the county clerk shall require each applicant to provide proof of the applicant’s name and age. The county clerk may accept as proof of the applicant’s name and age an original or certified copy of any of the following:
(a) A driver’s license, instruction permit or identification card issued by this State or another state, the District of Columbia or any territory of the United States.
(b) A passport.
(c) A birth certificate and:

(d) A military identification card or military dependent identification card issued by any branch of the Armed Forces of the United States.
(f) Any other document that provides the applicant’s name and age. If the applicant clearly appears over the age of 25 years, no documentation of proof of age is required.

3. Except as otherwise provided in subsection 4, the county clerk issuing the license shall require each applicant to answer under oath each of the questions contained in the form of license. The county clerk shall, except as otherwise provided in this subsection, require each applicant to include the applicant’s social security number on the affidavit of application for the marriage license. If a person does not have a social security number, the person must state that fact. The county clerk shall not require any evidence to verify a social security number. If any of the information required is unknown to the person, the person must state that the answer is unknown. The county clerk shall not deny a license to an applicant who states that the applicant does not have a social security number or who states that any requested information concerning the applicant’s parents is unknown.

4. Upon finding that extraordinary circumstances exist which result in only one applicant being able to appear before the county clerk, the county clerk may waive the requirements of subsection 3 with respect to the person who is unable to appear before the county clerk, or may refer the applicant to the district court. If the applicant is referred to the district court, the district court may waive the requirements of subsection 3 with respect to the person who is unable to appear before the county clerk. If the district court waives the requirements of subsection 3, the district court shall notify the county clerk in writing. If the county clerk or the district court waives the requirements of subsection 3, the county clerk shall require the applicant who is able to appear before the county clerk to:
(a) Answer under oath each of the questions contained in the form of license. The applicant shall answer any questions with reference to the other person named in the license.

(b) Include the applicant’s social security number and the social security number of the other person named in the license on the affidavit of application for the marriage license. If either person does not have a social security number, the person responding to the question must state that fact. The county clerk shall not require any evidence to verify a social security number.

If any of the information required on the application is unknown to the person responding to the question, the person must state that the answer is unknown. The county clerk shall not deny a license to an applicant who states that the applicant does not have a social security number or who states that any requested information concerning the parents of either the person who is responding to the question or the person who is unable to appear is unknown.

5. If any of the persons intending to marry are under age and have not been previously married, and if the authorization of a district court is not required, the clerk shall issue the license if the consent of the parent or guardian is:

(a) Personally given before the clerk;

(b) Certified under the hand of the parent or guardian, attested by two witnesses, one of whom must appear before the clerk and make oath that the witness saw the parent or guardian subscribe his or her name to the annexed certificate, or heard him or her acknowledge it; or

(c) In writing, subscribed to and acknowledged before a person authorized by law to administer oaths. A facsimile of the acknowledged writing must be accepted if the original is not available.

6. If a parent giving consent to the marriage of a minor pursuant to subsection 5 has a last name different from that of the minor seeking to be married, the county clerk shall accept, as proof that the parent is the legal parent of the minor, a certified copy of the birth certificate of the minor which shows the parent’s first and middle name and which matches the first and middle name of the parent on any document listed in subsection 2.

7. If the authorization of a district court is required, the county clerk shall issue the license if that authorization is given to the county clerk in writing.

8. All records pertaining to marriage licenses are public records and open to inspection pursuant to the provisions of NRS 239.010.

3. The county clerk shall also at the time of issuing the marriage license collect the additional sum of $4 for the State of Nevada. The fees collected for the State must be paid over to the county treasurer by the county clerk on or before the fifth day of each month for the preceding calendar month, and must be placed to the credit of the State General Fund. Amendment No. 685.
AN ACT relating to time shares; requiring developers of time shares to disclose certain information; revising provisions governing the public offering statement provided to prospective purchasers; requiring developers to provide the Real Estate Division of the Department of Business and Industry with certain information; revising provisions concerning the renewal of a permit to sell a time share; requiring certain persons to notify the Real Estate Division of certain convictions; authorizing the Real Estate Commission to take certain actions against certain people in certain circumstances; prohibiting certain people from working in certain time-share related professions without a proper license; making various other changes relating to time shares; providing a penalty; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:

Existing law prohibits a developer from offering to sell a time share without first obtaining a permit. (NRS 119A.270) Existing law requires that the Administrator of the Real Estate Division of the Department of Business and Industry issue a permit and a public offering statement to a developer who submits certain information to the Division. (NRS 119A.300) Existing law further requires: (1) each developer, through his or her project broker and sales agents, to provide each prospective purchaser with a copy of the developer’s public offering statement and a copy of the developer’s permit to sell time shares; and (2) the project broker or sales agent to review the public offering statement with each prospective purchaser before the execution of any contract for the sale of a time share and obtain a receipt signed by the purchaser for a copy of the public offering statement. (NRS 119A.400) Section 4 of this bill requires that a developer submit a sample public offering statement to the Division for approval for use by the developer. Section 4 also sets forth the information that must be included in the public offering statement. [Sections 5 and 6 of this bill require a developer to provide a copy of the public offering statement to each purchaser and sales and marketing entity of a time share, the board of the association for the time-share plan, with a copy of the approved public offering statement and certain other information. Section 21.5 of this bill revises the provision of existing law requiring the developer to provide the public offering statement to prospective purchasers of a time share. Sections 8-13 of this bill revise certain definitions concerning time shares. Section 14 of this bill revises provisions concerning the applicability of the provisions governing time shares in certain circumstances.

Existing law prohibits a provisional sales agent from conducting sales-related activities unless certain circumstances apply. (NRS 119A.237) Section 15 of this bill authorizes a provisional licensee to conduct sales-related activities if he or she is under the supervision of certain persons. Existing law provides that the Administrator of the Division is required to issue to a developer a public offering statement and a permit to sell time shares if certain requirements are satisfied. (NRS 119A.300) Section 16 of this bill adds certain items to the list of requirements such a developer must satisfy. [Section 6.5 of this bill provides certain requirements that apply to a time-share plan that is located outside of this State.

Existing law requires the Division to issue an order within 30 days after receiving an application for a permit to sell a time share. (NRS 119A.320) Section 18 of this bill permits the Division 60 days to issue such an order if it is a time-share plan containing only one component site, or 120 days if it contains more than one component site. Section 18 also requires the Division
to notify the applicant of its decision to issue a public offering statement and permit to sell time shares.

Existing law requires that a permit to sell a time share be renewed on an annual basis. (NRS 119A.355) Section 10 of this bill requires the Division to renew the permit of an applicant within 30 days after receiving evidence that any deficiencies in the renewal application have been cured.

Existing law requires certain persons to notify the Division of any criminal convictions or guilty pleas. (NRS 119A.357) Section 20 of this bill adds time-share resale brokers and persons licensed as real estate salespersons, real estate broker-salespersons and real estate brokers to the list of persons required to notify the Division of such convictions or pleas.

Existing law requires that certain information be included in a reservation to purchase a time share. (NRS 119A.390) Section 21 of this bill provides that a reservation to purchase a time share is required to provide for the placement of a deposit in escrow until the public offering statement is approved and a permit to sell is issued.

Existing law requires a board of an association of time-share owners to conduct a study, through a qualified person, of the reserves required to repair the major components of the time-share plan, and to review the results of the study. (NRS 119A.542) Section 24 of this bill places this requirement on a developer as well as on the board of an association. Existing law authorizes the Real Estate Commission to take certain action against a project broker who fails to adequately supervise certain persons. (NRS 119A.670) Section 25 of this bill authorizes the Real Estate Commission to take the same actions against certain other persons. Existing law prohibits any person from working as a project manager without first obtaining the appropriate license from the Division. (NRS 119A.680) Section 26 of this bill prohibits any person from performing certain work without first obtaining the appropriate license from the Division.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 119A of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 6.5, inclusive, of this act.

Sec. 2. “Component site” means a specific geographic location where units are located. The term includes new units added to a single project in the same specific geographic location and under common management.

Sec. 3. “Sales and marketing entity” means an entity hired by a developer to manage the sale or marketing of a time-share plan.
Sec. 4. 1. The developer shall file a public offering statement with the Division for approval for use as prescribed in NRS 119A.300.

2. If the Division determines that the sample public offering statement submitted by the developer is deficient, the Division shall issue to the developer by mail or electronic mail a notice of deficiency. The developer may revise and resubmit the sample public offering statement within 30 days after receiving the Division's notice of deficiency. Within 30 days after receipt of the revised sample public offering statement, the Division shall notify the developer by mail or electronic mail whether the Division has approved the revised sample public offering statement. If the developer fails to correct the cited deficiencies within 30 days after receiving the Division's notice of deficiency, the Division may reject the developer's application. Subsequent to such a rejection, a new filing fee pursuant to NRS 119A.360 will apply to any additional filing.

3. Any material change to an approved public offering statement must be filed with the Division for approval as an amendment before the change becomes effective. Within 45 days after receipt of the developer's amendment, the Division shall notify the developer by mail or electronic mail whether the Division has approved the amendment. If the developer fails to adequately respond to any notice of deficiency within 30 days, the Division may reject the amendment. Subsequent to such a rejection, a new filing fee pursuant to NRS 119A.360 will apply to any refiling or further review of the rejected amendment.

4. The public offering statement must include the following disclosures in substantially the following form, in at least 12-point bold type:

This Public Offering Statement is prepared by the Developer to provide you with basic and relevant information on a specific time-share offering. The Developer or Owner of the offering that is the subject of this Public Offering Statement has provided certain information and documentation to the Real Estate Division of the Department of Business and Industry (the "Division") that has enabled the Division to issue this Public Offering Statement as required by law.

The statements contained in this Public Offering Statement are only summary in nature. A prospective purchaser should review all references, accompanying exhibits, the purchase contract, all documents governing the time-share plan or provided or available to the purchaser and the sales materials. You should not rely upon oral representations as being correct. Refer to this public offering statement, the purchase contract and the documents governing the time-share plan for correct representations.
only rely on the representations contained in the contract and this Public Offering Statement.

While the Division makes every effort to confirm the information provided and to ensure that the offering will be developed, managed and operated as planned, there is no guarantee this will always be the case. The Division cannot and does not make any promise or guarantee as to the viability or continuance of the offering or the financial future of the offering or any plan, club or association affiliated therewith.

The information included in this Public Offering Statement is applicable as of its effective date. Expenses of operation are difficult to predict accurately and even if accurately estimated initially, most expenses increase with the age of facilities and with increases in the cost of living.

The Division strongly suggests that before executing an agreement or contract, you read all of the documentation and information provided to you and seek additional assistance if necessary to assure that you understand all aspects of the offering and are aware of any potential adverse circumstances that could result from a time-share purchase in this Offering.

The purchaser of a time share may cancel, by written notice, the contract of sale until midnight of the fifth calendar day following the date of execution of the contract. The right of cancellation may not be waived. Any attempt by the Developer to obtain a waiver results in a contract which is voidable by the purchaser. The notice of cancellation may be delivered personally to the Developer or sent by certified mail, return receipt requested, or by providing notice by express, priority or recognized overnight delivery service, with proof of service, to the business address of the Developer. The Developer must, within 20 days after receipt of the notice of cancellation, return all payments made by the Purchaser.

The sample public offering statement must include, without limitation, the following information in a form prescribed by the Division:

(a) A brief history of the developer's business background, experience in real estate and regulatory history.

(b) A description of any judgment against the developer or sales and marketing entity which has a material adverse effect on the developer or the time-share plan. If no such judgment exists, there must be a statement of such fact.

(c) The status of any pending proceeding to which the developer or sales and marketing entity is a party and which has a material adverse effect on the developer or the time-share plan. If no judgments or pending such proceedings exist, there must be a statement of such fact.

(i) A representation by the developer ensuring that the time-share plan maintains a one-to-one use night to use right ratio. For the purposes of the ratio calculation in this paragraph, each purchaser must be counted according to the use rights held by that purchaser in any calendar year. For the purposes of this paragraph, “one-to-one use night to use right ratio” has the meaning ascribed to it in NRS 119A.525.

(q) Any special fee due from the purchaser at closing, other than customary closing costs, together with a description of the purpose of the fee.

(r) Any current or expected fees or charges to be paid by purchasers for the use of any amenities of the time-share plan.

(s) A statement of whether or not the amenities of the time-share plan will be used exclusively by purchasers of time-shares in, or authorized
under, the time-share plan and, if the amenities are not to be used exclusively by such purchasers or authorized users, a statement of whether or not the purchasers of time shares in the time-share plan are required to pay any portion of the maintenance expenses of such amenities in addition to any fees for the use of such amenities.

Senate Bill No. 399.

Bill read second time.

The following amendment was proposed by the Committee on Natural Resources, Agriculture, and Mining:

Amendment No. 823.

AN ACT relating to special fuels; prohibiting certain conduct related to the sale of biodiesel, biomass-based diesel or biomass-based diesel blend that does not conform to certain specifications; amending the definition of “biodiesel” and defining “biomass-based diesel” and “biomass-based diesel blend” for the purpose of provisions relating to taxes imposed on special fuels; specifying that the sale or use of certain special fuels is taxed at a certain rate; amending the definition of “special fuel” for the purpose of provisions relating to taxes imposed on special fuels; revising the conversion factor of compressed natural gas for purposes of the taxation of the sale or use of compressed natural gas; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law provides that it is a misdemeanor to sell, offer for sale, assist in the sale of, deliver or permit to be sold or offered for sale, any petroleum or petroleum product as, or purporting to be, motor vehicle fuel, unless it conforms with the regulations adopted by the State Board of Agriculture. (NRS 590.070, 590.150) Section 1 of this bill provides that it is also a misdemeanor to sell, offer for sale, assist in the sale of, deliver or permit to be sold or offered for sale biodiesel, biomass-based diesel or biomass-based diesel blend that does not conform to certain standards of ASTM International.

Under existing law, special fuels, which include, without limitation, biodiesel, biodiesel blend and an emulsion of water-phased hydrocarbon fuel, are taxed at the rate of 27 cents per gallon. (NRS 366.060, 366.190) Sections 2.5 and 3 of this bill specify that diesel, biodiesel and biodiesel blend, biomass-based diesel, biomass-based diesel blend, liquefied natural gas, kerosene and jet fuel are among the combustible gases or liquids taxed as special fuels at the rate of 27
cents per gallon, as is any product used in lieu of or blended with the
combustible gas or liquid.

Existing law defines “biodiesel” as any fuel composed of mono-alkyl
esters of long-chain fatty acids or any other fuel sold or labeled as biodiesel
which is suitable for use as a fuel in a motor vehicle. (NRS 366.022)
Biodiesel fuels are considered “special fuels” for the purpose of taxes
imposed on fuels. (NRS 366.060, 366.190) Section 2 of this bill revises the
definition of “biodiesel” to provide that a fuel composed of mono-alkyl esters of long-chain fatty acids derived from renewable resources and must be suitable for use in a diesel engine to be considered plant or animal matter and conforming to certain standards is a biodiesel for the purposes of taxes imposed on special fuel.

Section 3.5 of this bill amends the factor for conversion of volumetric measurement for purposes of taxing the sale or use of compressed natural gas.

Senate Bill No. 427.
Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 664.
AN ACT relating to education; requiring departments of juvenile services to inform juvenile courts and school districts of incidents of unlawful bullying or cyber-bullying; requiring courts to inform school districts of incidents of unlawful bullying or cyber-bullying; revising the definition of bullying and cyber-bullying; expanding the prohibition against bullying and cyber-bullying to include members of a club or organization which uses the facilities of any public school; repealing certain definitions; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Existing law requires a court to provide certain information to a school district if a court determines that a child who is currently enrolled in the school district has unlawfully caused or attempted to cause serious bodily
injury to another person. (NRS 62E.030) **Section 1** of this bill likewise requires a **department of juvenile services to inform the juvenile court and the school district if a child who is currently enrolled in the school district has unlawfully engaged in bullying or cyber-bullying. Section 1.5 of this bill requires a** court to inform a school district if a child who is currently enrolled in the school district has unlawfully engaged in bullying or cyber-bullying.

Existing law provides definitions of bullying, cyber-bullying, harassment and intimidation for the purposes of providing a safe and respectful learning environment and prohibiting certain conduct in such a manner that the definition of bullying includes most of the elements of the definitions of harassment and intimidation. (NRS 388.123-388.129) **Section 7** of this bill revises the definition of bullying to include all the elements of the definitions of harassment and intimidation. **Section 7** also effectively revises in the same manner the definition of cyber-bullying, which is bullying through the use of electronic communication. (NRS 388.123) **Section 19** of this bill repeals the existing definitions of harassment and intimidation.

Existing law prohibits a member of the board of trustees of a school district, an employee of the board of trustees or a pupil from engaging in bullying, cyber-bullying, harassment or intimidation on the premises of any public school, at an activity sponsored by a public school or on any school bus. (NRS 388.135) **Section 15** of this bill: (1) removes the references to harassment and intimidation, consistent with the removal of these terms by **section 19**; and (2) prohibits a member of a club or organization which uses the facilities of any public school, regardless of whether the club or organization has any connection to the school, from engaging in bullying or cyber-bullying.

This bill also establishes the requirements and procedures to obtain such a permit.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2. The Authority shall issue a driver’s permit to each applicant who satisfies the requirements of this section. Before issuing a driver’s permit, the Authority shall:
   (a) Require the applicant to submit a complete set of his or her fingerprints, which the Authority shall forward to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation to ascertain whether the applicant has a criminal record and the nature of any such record, and may further investigate the applicant’s background; and

      (1) Has a valid license issued pursuant to NRS 483.340 which authorizes the applicant to drive in this State any motor vehicle that is within the scope of the employment, contract or lease; or
      (2) If the driver is a resident of a state other than Nevada, has a valid license issued by the state in which he or she resides which authorizes the applicant to drive any motor vehicle that is within the scope of the employment, contract or lease.

3. The Authority may refuse to issue a driver’s permit if:

      (1) A felony, other than a sexual offense, in this State or any other jurisdiction within the 5 years immediately preceding the date of the application; or
      (2) A felony involving any sexual offense in this State or any other jurisdiction at any time before the date of the application; or
      (3) A violation of NRS 484C.110 or 484C.430 or a law of any other jurisdiction that prohibits the same or similar conduct within the 3 years immediately preceding the date of the application.
   (b) After further investigation into the applicant’s background, if any, the Authority determines that:

the contract or lease expires and the driver enters into a contract or lease with a different carrier. A driver must notify the Authority within 10 days after the lapse of a permit and obtain a new permit pursuant to this section before driving for a different carrier.

Senate Bill No. 27.
Bill read third time.
The following amendment was proposed by Assemblyman Horne:
Amendment No. 845.
AN ACT relating to legal representation; revising provisions governing the legal representation of certain persons by the Attorney General or the chief legal officer of a political subdivision in civil actions relating to certain public duties or employment; revising provisions concerning the crime of
unlawfully soliciting legal business; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Under existing law, the Attorney General provides legal counsel to any present or former officer or employee of the State, any immune contractor or any State Legislator in a civil action brought against that person based on any alleged act or omission relating to the person’s public duty or employment if:

1. the person submits a written request for such legal counsel; and
2. the Attorney General determines that it appears that the person was acting within the course and scope of his or her public duty or employment and in good faith.

In addition, under existing law, the chief legal officer or other authorized legal representative of a political subdivision of this State provides legal counsel to any present or former officer of that political subdivision or a present or former member of a local board or commission if:

1. the person submits a written request for such legal counsel; and
2. the chief legal officer or authorized legal representative determines that it appears that the person was acting within the scope of his or her public duty or employment and in good faith. (NRS 41.0339)

Sections 2-3 and 3.7-8 of this bill clarify existing law by specifically requiring:

1. the Attorney General to provide legal counsel under these circumstances to any present or former justice of the Supreme Court, senior justice, judge of a district court or senior judge; and
2. the chief legal officer or other authorized legal representative of a political subdivision of this State to provide legal counsel under these circumstances to any present or former justice of the peace, senior justice of the peace, municipal judge or senior municipal judge of that political subdivision. In addition, sections 2-3 and 3.7-8 require the Attorney General or the chief legal officer or other authorized legal representative of a political subdivision of this State to provide counsel for certain persons who are not employees or officers of the State or political subdivision but who are named as defendants in a civil action solely because of an alleged act or omission relating to the public duties or employment of certain officers or employees of the State or political subdivision.

Section 3.3 of this bill clarifies that the statutory provisions relating to legal representation in civil actions relating to the public duties or employment of such persons do not abrogate, alter or affect the immunity of such persons under other law.

Existing law establishes the crime of unlawful solicitation of legal business and provides that a person who commits this crime is guilty of a misdemeanor. (NRS 7.045) Section 8.3 of this bill revises the acts which constitute the crime of unlawful solicitation of legal business and provides that a second or subsequent violation of this crime is a gross misdemeanor.
Section 8.5 of this bill provides that for the 78th Session of the Nevada Legislature, the Director of the Department of Administration must include the biennial cost of implementing this bill in the Attorney General’s cost allocation plan.

Thank you, Madam Speaker. Senate Bill 18 revises provisions governing personal and subject matter jurisdiction under the Nevada Code of Military Justice and modifies provisions governing nonjudicial punishment for servicemen and servicewomen. It also provides that certain persons found incompetent to stand trial by court-martial.
Along with my colleague from District 37, we spent a lot of time on this bill to ensure that this would be a good bill for our military members. The reason it is so long is that it hasn’t been updated since about 1967.

ASSEMBLYMAN DUNCAN:
Thank you, Madam Speaker. I just want to echo the comments from my colleague from southern Nevada. I was involved in the working group on this, and a lot of hard work was put in to help our Nevada National Guard Reserve members out, and this is a good bill. I would appreciate the body’s support.

Thank you, Madam Speaker. Senate Bill 208 expands the definition of “police officer” to include court bailiffs and deputy marshals of a district court or justice court. Thank you, Madam Speaker. I know there has been some concern on this bill about whether it affected some of the smaller counties, but in order for this expanded definition to apply, you have to be a full-time peace officer, court bailiff, or deputy marshal, and you would have to be POST-certified. Thank you, Madam Speaker. Senate Bill 313 clarifies the definition of “autonomous technology” by excluding certain driver assistance features unless the combined effect of all such features enables the vehicle to be driven without the active control or monitoring of a human operator.

The bill requires that prior to the testing of a vehicle equipped with autonomous technology, the entity performing the test must submit a $5 million instrument of insurance, surety bond, or proof of self-insurance to the Department of Motor Vehicles.

Other provisions of Senate Bill 313 require that while testing an autonomous vehicle on a highway in this state, a capable human operator must be in the driver’s seat monitoring the safe operation of the autonomous vehicle, and the vehicle must be equipped with a means to engage and disengage the autonomous technology and a visual indicator that indicates when the autonomous technology is operating the vehicle.

Remarks by Assemblmen Spiegel, Hansen, and Fiore.

Assemblywoman Spiegel:
Senate Bill 388 repeals the crime of solicitation of a minor to engage in acts constituting the infamous crime against nature. The measure revises the definition of “sexual conduct” and provides that the crime of luring a child includes contacting or communicating with the person believed to be a child with the intent to solicit that person to engage in sexual conduct. The measure also removes reference to the infamous crime against nature and replaces it with a reference to “sexual activity” for provisions relating to certain offenders in Nevada’s Department of Corrections. Finally, this measure removes the reference to the infamous crime against nature for provisions relating to the Nevada National Guard.

Assemblyman Hansen:
Thank you, Madam Speaker. I rise in opposition to S. B. 388. I would have to say this bill goes in absolutely the wrong direction. We are opening up 16- and 17-year-olds to be sexually solicited by any age group of males. While the argument has been that we can do that currently with females, we should be doing this the exact opposite way. We should be expanding the age of consent. Twelve other states have now adopted the age of 18 for age of consent. Federal age of consent is 18. Thirty-one states also have age gap provisions, which this doesn’t have. We’ve had a whole series of bills where we define 16- and 17-year-olds as children, including in A.B. 67 and A.B. 146. We have a bill right now that we may be voting on where 16- and 17-year-olds won’t be allowed to use a tanning booth. We don’t allow smoking for 16- and 17-year-olds. They can’t vote, but somehow we are going to open them up to any age group of males to go and basically solicit them. If Jerry Sandusky had waited until these kids were 16 that he was dealing with and had been in Nevada if we’d passed this law, he would not have committed a crime. I have requested amendments on this, but I think this is absolutely a terrible thing we are doing, and we should be upping the age of consent, not reducing it for boys in the theory that it makes an equality factor. We need to protect our females and our young men from predatory sexual behavior.

Assemblywoman Fiore:
Thank you, Madam Speaker. Regarding this bill, Senate Bill 388—and I totally understand and respect the view of my colleague from District 32—but the way I view S.B. 388 is that in Nevada, the legal consent is age 16. So 16-year-olds are allowed to engage in sexual intercourse with the opposite sex. If you have two high school students 16 and 17 that want to experiment with each other, it is against the law, and that is not right. So I rise in support of this bill, and I want you to understand that it is the law today. As much as I agree with my colleague from District 32, we need to up it to 18. It’s the law today, and right now we are prohibiting on equal status.
