Father,
Here we are on our last Thursday of this session. The day is named after the Norse god Thor who was the god of sky and thunder. Well, confined in this building, we haven’t seen too much sky, but we have had plenty of thunder!
Lord, we look forward to soon being finished and back in the outdoors and back home. So please give us peace and calm and sanity so we can finish well.
I pray in the Name of the Prince of Peace.
AMEN.

Pledge of allegiance to the Flag.

Assemblyman Horne moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

It will also require those institutions and corporations that have been deemed a public nuisance to post guidelines and hotlines for those that feel they have been victims of human trafficking. Ladies and gentlemen of this body, you have seen these bracelets before, but I am going to ask you again to be a voice against human trafficking and approve this bill.

Senate Bill No. 83.
  Bill read third time.
  Remarks by Assemblymen Carrillo and Hansen.
ASSEMBLYMAN CARRILLO:
Thank you, Madam Speaker. Senate Bill 83 makes various changes to penalties relating to animal fighting. Specifically, the bill increases criminal penalties for willfully procuring or permitting a house, apartment, pit, or other place to be used for animal baiting or animal fighting or knowingly being connected with such a place; taking action in the furtherance of a fight between animals; owning, possessing, training, promoting, or purchasing an animal with the intent to use it to fight another animal; and selling an animal knowing that it will be used to fight another animal.

Penalties for these actions are increased from a gross misdemeanor to a category E felony for a first offense and from a category E felony to a category D felony for a second offense. A category D felony is already in place for any subsequent offense.

Senate Bill 83 also increases penalties for knowingly attending a fight between animals in an exhibition or for amusement or gain. These penalties are increased from a misdemeanor to a gross misdemeanor for a first offense and from a gross misdemeanor to a category E felony for a second offense. I urge its passage.

ASSEMBLYMAN HANSEN:
Thank you, Madam Speaker. I rise in opposition to S.B. 83. In our hearing we found out that there have only been about two cases in the last 20 years where this has actually been brought up. The existing penalty of a gross misdemeanor has been more than adequate to prevent this kind of activity. In our Judiciary Committee, we worked very hard to try to reduce the number of felonies because of the cost to our prison system. To now make it a felony for attending something like this is just way overboard. So while I certainly don't support animal cruelty, I think we need to be kind of practical and recognize that the existing law has been completely sufficient. I would urge this body, for fiscal reasons, to vote no.

ASSEMBLYMAN SPRINKLE:
Thank you, Madam Speaker. Senate Bill 92 requires any physician, midwife, or nurse attending or assisting any infant at childbirth at certain obstetric centers or hospitals to examine the infant for critical congenital heart disease. The measure requires the examiner to report any results to the State Health Officer and discuss such results with the parents or other persons responsible for the infant. The measure provides an exception to the examination in the event of written parental objection.

The following amendment was proposed by Assemblyman Elliot Anderson:

Amendment No. 910.
AN ACT relating to education; revising provisions relating to the reporting of incidents of bullying, cyber-bullying, harassment and intimidation by the State Board of Education and the board of trustees of each school district in their respective annual reports of accountability; requiring each public school to disseminate information annually on bullying; revising the definition of "bullying"; revising provisions governing training in the prevention, identification and reporting of bullying and similar conduct; requiring training for administrators in preventing and responding to violence and suicide associated with bullying; requiring notice to the parent or guardian of any pupil allegedly involved in a reported incident of bullying or similar conduct; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law provides for a safe and respectful learning environment in public schools and prohibits bullying, cyber-bullying, harassment or intimidation. (NRS 388.121-388.139) Existing law also requires the board of trustees of each school district to review and compile reports for submission to the Department of Education relating to the number of reported violations of provisions relating to bullying, cyber-bullying, harassment and
intimidation occurring at the public schools within the school district and any
actions taken by the public schools to reduce the number of those violations.
(NRS 388.1353) In addition, existing law requires the Superintendent of
Public Instruction to compile each report submitted by each school district
and submit the written compilation to the Attorney General. (NRS 388.1355)

Section 11.5 of this bill eliminates these reporting requirements, and sections
1 and 2 of this bill require the contents of those reports to be included within
the annual reports of accountability prepared by the State Board of Education
and the board of trustees of each school district. (NRS 385.3469, 385.347)

Section 3 of this bill requires each public school to disseminate
information on bullying and the facilitation of positive relations among
pupils during the annual “Week of Respect” proclaimed by the Governor.

Section 4.5 of this bill revises the definition of bullying to include: (1)
only repeated acts or conduct; and (2) acts or conduct that exploit an
imbalance in power.

Sections 5-7 of this bill revise various provisions governing the training of
all administrators, principals, teachers and other school employees on the
subject of bullying, cyber-bullying, harassment and intimidation. Existing
law requires the Department of Education to prescribe a policy for such
training. (NRS 388.133) Section 5 requires the policy to encompass
members of the boards of trustees of school districts and provide for training
in methods to prevent, identify and report incidents of bullying and similar
conduct. Existing law also requires the board of trustees of each school
district to adopt the training policy prescribed by the Department and provide
the appropriate training to employees of the district. (NRS 388.134) Section
6 requires the members of the board of trustees to receive this training and
requires that newly elected trustees and new employees of the school district
receive the training within 180 days after the beginning of their term of office
or their employment, as applicable. Existing law requires the Department to
recommend certain programs of training in this area for members of the
boards of trustees of school districts and school employees. (NRS 388.1342)
Section 7 requires the Department to establish these programs and a program
to train administrators in the prevention of and response to violence and
suicide associated with bullying and similar conduct. Section 7 also requires
each administrator to complete this training: (1) within 90 days after
becoming an administrator; (2) at least once during any school year in which
the training is revised or updated; and (3) at least once every 3 years
otherwise.

Section 8 of this bill provides that a principal, or his or her designee, who
receives a report of bullying, cyber-bullying, harassment or intimidation must
give notice of the report to the parent or legal guardian of each pupil involved
in the incident that is the subject of the report.
Existing law provides immunity from liability for a pupil, school employee or volunteer who reports an incident of bullying, cyber-bullying, harassment or intimidation unless he or she acts with malice, intentional misconduct, gross negligence, or intentional or knowing violation of the law. (NRS 388.137) Where such a malicious, intentional or grossly negligent report is made, section 11 of this bill authorizes disciplinary action against the pupil or other person making the report.

Senate Bill No. 362.
Bill read third time.
Remarks by Assemblyman Eisen.

Assemblyman Eisen:
Thank you, Madam Speaker. Senate Bill 362 prescribes certain provisions for health care facilities with more than 70 beds that are located in a county whose population is 100,000 or more.

The measure prohibits a medical facility from retaliating or discriminating against a CNA or licensed nurse who requests to be relieved of, refuses, or objects to a work assignment. This bill also requires the Health Division of the Department of Health and Human Services to adopt necessary regulations to carry out certain provisions of the bill and to ensure general compliance with those provisions. Finally, it allows the Division to enforce the requirements of the measure as part of its existing inspection process.

I just want to say that I think this is a very important step forward in ensuring that we have made clear the minimum standard for staffing for nursing personnel—RNs, LPNs, and certified nursing assistants—in our hospitals, and this is an important move to protect the safety of patients in Nevada facilities.

Remarks by Assemblymen Horne and Hickey.

ASSEMBLYMAN HORNE:
Thank you, Madam Speaker. Senate Bill 416 clarifies that a “restricted license” or “restricted operation” means a state gaming license for the operation of not more than 15 slot machines and which does not include a race book or sports pool. The measure clarifies that the acceptance and payment of wagers and transactions, in person or through mechanical means such as a kiosk or similar device, are considered with the operation of a race book and sports pool, and the measure requires that a separate license be obtained for each location at which such an operation is conducted. The measure also clarifies that the exception to having a single license at one establishment applies only to these nonrestricted licenses at an establishment with 16 or more slot machines or at an establishment with any number of slot machines together with any other game, gaming device, race book, or sports pool.

The measure provides that in a county whose population is 100,000 or more, a restricted license may only be granted at certain establishments if it contains a minimum of 2,500 square feet of space available for patrons; a permanent, physical bar; and a restaurant that meets certain requirements. Section 4 of the bill amends subsection 3 of NRS 463.245 and authorizes a person who is licensed to operate a sports pool or race book at a gaming establishment to operate at a second establishment if the second establishment is operated by a nonrestricted licensee. This provision should not be construed as limiting the person licensed to operate a sports pool or race book to just two locations. In drafting, the word “second” was substituted for the word “another,” only to maintain consistency within the sentence. I urge your support.

ASSEMBLYMAN HICKEY:
Thank you, Madam Speaker. I rise in support of Senate Bill 416. One of the concerns I had when I first read the bill was the impression that it might inhibit a small business owner’s ability to sell or transfer their business. I understand it has been made clear by LCB that there is not a provision in this bill that would require an existing business to add a kitchen or meet the 2,500 square foot requirement upon sale or transfer of the business. Therefore, I am confident that the standards set forth in this bill do nothing to harm a person’s ability to transfer his or her property. I urge this body’s support.

Assembly Bill No. 215.
Bill read third time.
The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 892.

AN ACT relating to graywater; requiring the State Board of Health to adopt regulations concerning systems for the collection and application of graywater for a single-family residence; requiring a permit for such graywater systems; providing that state and local governmental agencies
must not prohibit graywater systems that meet certain requirements; allowing restrictions on graywater systems within common-interest communities; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law requires the State Board of Health to adopt regulations concerning residential individual systems for the disposal of sewage, which are commonly known as septic systems, and such regulations are effective statewide except in health districts in which the district boards of health have adopted regulations concerning such systems for the district. (NRS 444.650)

Sections 8 and 14 of this bill require the State Board of Health to adopt regulations on or before October 1, 2014, concerning graywater systems for a single-family residence, and such regulations are effective statewide except in health districts in which the district boards of health have adopted regulations concerning such systems for the district. Section 3 of this bill defines “graywater” to mean wastewater that: (1) is collected separately from sewage; (2) originates from a clothes washer or a bathroom tub, shower or sink; and (3) does not contain industrial chemicals, hazardous wastes or wastewater from toilets, kitchen sinks or dishwashers.

Section 4 of this bill defines “graywater system” to mean any system for the collection and application of graywater originating from a single-family residence to be used for household gardening, composting or landscape irrigation.

Section 8 provides that the regulations adopted by the State Board of Health or a district board of health must: (1) prohibit graywater systems where certain conditions exist; and (2) where graywater systems are allowed, require a person to apply for and obtain a permit for the use of a graywater system. Section 8 allows issuance of such a permit only if certain requirements are met. Finally, section 8 provides that local governments may not prohibit the use of such graywater systems.

Section 10 of this bill provides that the State Environmental Commission may not require a person to obtain a permit under the Nevada Water Pollution Control Law (NRS 445A.300-445A.730) to use a graywater system if the person has obtained a permit from the appropriate board under the laws governing graywater systems.

Section 13 of this bill provides that the governing documents of a unit-owners’ association may prohibit or restrict the use of graywater systems within common-interest communities. (Chapter 116 of NRS) Section 13 also provides that if the governing documents do not prohibit or restrict the use of graywater systems, such use must comply with the laws governing graywater systems.

Amendment No. 893.
SUMMARY—Revises provisions relating to renewable energy systems.

AN ACT relating to renewable energy; authorizing the Director of the Office of Energy, in consultation with the Office of Economic Development, to grant to certain businesses partial abatements of certain property taxes and local sales and use taxes imposed on certain renewable energy systems; revising provisions governing net metering; revising provisions governing certain energy-related tax incentives; revising provisions governing portfolio energy systems; revising provisions governing jurisdiction of the courts of this State with respect to certain claims or actions relating to certain renewable energy projects; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Section 9 of this bill authorizes a person who intends to locate a new business in this State to apply to the Director of the Office of Energy for a partial abatement of certain property taxes and local sales and use taxes imposed on certain renewable energy systems which are installed on the property of the business and which are for the purpose of supplying all or a part of the electricity requirements of the new business. Section 9 requires the Director to hold a public hearing concerning each application. Section 10 of this bill requires the Director to consult with the Office of Economic Development and to make certain determinations before approving any
application. Section 11 of this bill sets forth the duration and maximum
amount of the partial abatements.
Existing law provides generally that a renewable energy system does not
qualify as a net metering system if the system exceeds a generating capacity
of 1 megawatt. (NRS 704.771) Section 15 of this bill authorizes the Director,
in consultation with the Office of Economic Development, to make a
determination that a renewable energy system for which a partial abatement
has been approved pursuant to sections 2-16 of this bill is deemed to be a net
metering system regardless of the generating capacity of the system. Section
17 of this bill revises certain other provisions governing net metering to
provide that excess electricity which is generated by a net metering system
and fed back to the utility must be credited to the customer-generator based
on the value of the electricity under the otherwise applicable rate or time-of-
use rate charged by the utility rather than the number of kilowatt-hours of
excess electricity generated by the customer-generator. Existing law
provides for the partial abatement of certain taxes for certain renewable
energy facilities. (NRS 701A.300-701A.390) Section 3 of this bill removes
the requirement that an application for a partial abatement of certain
taxes for certain geothermal facilities be approved by the board of county commissioners before the application can be approved by the
Director of the Office of Energy.
Under existing law, a provider of electric service is entitled to one
portfolio energy credit for each kilowatt-hour of electricity that the
provider generates, acquires or saves from a portfolio energy system or
efficiency measure for the purpose of satisfying the renewable portfolio
standard of the provider. (NRS 704.78215) Section 4 of this bill revises
provisions governing the calculation of the portfolio energy credits
attributable to certain portfolio energy systems.
Section 5 of this bill clarifies that a court of this State has jurisdiction
over a claim or action relating to a renewable energy project located
upon certain Indian tribal land under certain circumstances.

Amendment No. 895.

AN ACT relating to taxation; authorizing certain larger counties to impose additional taxes on fuels for motor vehicles; providing for the imposition by the State of additional taxes on fuels for motor vehicles if a ballot question authorizing such additional taxes is approved by a majority of the voters in this State; providing for the imposition by the boards of county commissioners of certain counties of additional taxes on fuels for motor vehicles if a ballot question authorizing such additional taxes is approved by a majority of the voters in the county; requiring the approval by voters of additional ballot measures to continue the imposition of the additional taxes; requiring the Department of Motor Vehicles to adopt regulations establishing a system for the reimbursement and repayment of any amounts owed pursuant to certain cooperative agreements; providing for the administration, allocation,
disbursement and use of the additional taxes; removing the exemption for the sale of revenue bonds secured by county fuel taxes from certain requirements; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes counties to impose certain taxes on motor vehicle fuels and special fuels used in motor vehicles. (Chapter 373 of NRS) **Section 1.1** of this bill authorizes the board of county commissioners of a county whose population is 700,000 or more and in which a regional transportation commission has been created and a county tax is imposed on motor vehicle fuel (currently Clark County) to impose additional county taxes on motor vehicle fuel and various special fuels used in motor vehicles. **Section 1.1** also authorizes the board of county commissioners to provide for annual increases in these taxes, for the period beginning on January 1, 2014, and ending on December 31, 2016, in an amount equal to the lesser of: (1) a percentage established by the ordinance imposing the tax; or (2) a percentage based on historical increases in the cost of highway and street construction. **Section 1.1** additionally provides that for the period beginning on January 1, 2017, (1) the board of county commissioners must not impose any additional increases in certain taxes authorized by that section; and (2) increases in the remainder of the taxes authorized by that section may not be effectuated unless a majority of the voters in the county at the general election in November 2016 authorize the board of county commissioners to continue to provide for the annual increases.

Upon approval by a majority of the voters in the State at the general election in November 2016, **section 1.2** of this bill requires the State to impose additional state taxes on motor vehicle fuel and various special fuels used in motor vehicles. **Section 1.2** also authorizes the Legislature to provide for annual increases in these taxes, for the period beginning on January 1, 2017, and ending on December 31, 2026. **Section 1.2** additionally provides that for the period beginning on January 1, 2027, the increases in these taxes may not be effectuated unless a majority of the voters in the State at the general election in November 2026 authorize the Legislature to continue to provide for the annual increases.

Upon approval by a majority of the voters in any county, other than Washoe County or, under certain circumstances, Clark County, at the general election in November 2016, **section 1.3** of this bill requires the board of county commissioners of the county to impose additional county taxes on motor vehicle fuel and various special fuels used in motor vehicles. **Section 1.3** also authorizes the board of county commissioners to provide for annual increases in these taxes, for the period beginning on January 1, 2017, and ending on December 31, 2026. **Section 1.3** additionally provides that for the period beginning on
January 1, 2027, the increases in these taxes may not be effectuated unless a majority of the voters in the county at the general election in November 2026 authorize the board of county commissioners to continue to provide for the annual increases.

The Department of Motor Vehicles is a party to the International Fuel Tax Agreement, a multistate agreement which facilitates the calculation and collection of certain fuel taxes from interstate trucking companies and others who use special fuel (primarily diesel fuel) in vehicles operated or intended to operate interstate. (NRS 366.175) Sections 1.7-1.9 of this bill require the Department to adopt regulations establishing a system for the reimbursement and repayment of any amounts owed pursuant to the International Fuel Tax Agreement as a result of any additional taxes authorized or required by this bill.

Sections 2-2.7 and 4-11.3 of this bill require the administration, allocation, disbursement and use of these taxes in the same manner as certain existing fuel taxes. Additionally, sections 2-2.7 require the annual review of these taxes by the regional transportation commission.

Section 3-3.9 of this bill applies the current exemptions from fuel taxes to the taxes authorized by this bill, other than the exemption for certain undyed special fuel which is sold or used for any purpose other than to propel a motor vehicle upon the public highways.

Section 11.5 of this bill revises provisions of existing law to remove the exemption for the sale of revenue bonds that are secured by county fuel taxes from various requirements concerning the sale of bonds by competitive bid or negotiated sale.

The process set forth in this paragraph may be repeated until all bonds or other obligations secured by the taxes imposed pursuant to section 1.3 of this act have been paid in full.

(b) Amend the ordinance imposing the tax to specify a different applicable percentage, including an applicable percentage of zero, but:

4. At any time after bonds are issued or other obligations incurred with a pledge of the taxes imposed pursuant to section 1.3 of this act, the board may, except as otherwise provided in subsection 4 of section 1.3 of this act, by ordinance:

The process set forth in this paragraph may be repeated until all bonds or other obligations secured by the taxes imposed pursuant to section 1.3 of this act have been paid in full.

(b) Amend the ordinance imposing the tax to specify a different applicable percentage, including an applicable percentage of zero, but:

5. As used in this section, “applicable percentage” has the meaning ascribed to it in paragraph (b) of subsection 5 of section 1.3 of this act.

Sec. 9. NRS 373.131 is hereby amended to read as follows:
Money for the payment of the cost of a project within the area embraced by a regional plan for transportation established pursuant to NRS 277A.210 may be obtained by the issuance of revenue bonds and other revenue securities as provided in subsection 2 or, subject to any pledges, liens and other contractual limitations made pursuant to the provisions of this chapter and chapter 277A of NRS, may be obtained by direct distribution from the regional street and highway fund, except to the extent any such use is prevented by the provisions of NRS 373.150, or may be obtained both by the issuance of such securities and by such direct distribution, as the board may determine.    (b) Which must not be general obligations of the county or the commission or a charge on any real estate within the county; and

   (c) Which may be secured as to principal and interest by a pledge authorized by this chapter of the receipts from the fuel taxes designated in this chapter, except such portion of the receipts as may be required for the direct distributions authorized by NRS 373.150.

3. A county or a commission as provided in subsection 2 is authorized to issue bonds or other securities without the necessity of their being authorized at any election in such manner and with such terms as provided in this chapter.

4. Subject to the provisions of this chapter and chapter 277A of NRS, for any project authorized therein, the board of any county may, on the behalf and in the name of the county, or, in a county whose population is 100,000 or more, a commission may, on behalf and in the name of the commission,

5. All such securities constitute special obligations payable from the net receipts of the fuel taxes designated in this chapter except as otherwise provided in NRS 373.150, and the pledge of revenues to secure the payment of the securities must be limited to those net receipts.

6. Except for:
   (a) Any notes or warrants which are funded with the proceeds of interim debentures or bonds;
   (b) Any interim debentures which are funded with the proceeds of bonds;

all bonds and other securities issued pursuant to the provisions of this chapter must be payable solely from the proceeds of fuel taxes collected by or remitted to the county pursuant to chapter 365 of NRS, as supplemented by this chapter. Receipts of the taxes levied in NRS 365.180 and 365.190 and pursuant to the provisions of paragraphs (a) and (b) of subsection 1 of NRS 373.065 and paragraphs (a) and (b) of subsection 1 of NRS 373.066 and paragraphs (a) and (b) of subsection 1 of section 1.1 of this act may be used by the county for the payment of securities issued pursuant to the provisions of this chapter and may be pledged therefor. Such taxes may also be used by a commission in a county whose population is 100,000 or more for the payment of bonds or other securities issued pursuant to the provisions of this chapter and may be pledged therefor if the board of the county consents to such use. If during any period any securities payable from these tax proceeds are outstanding, the tax receipts must not be used directly for the construction, maintenance and repair of any streets, roads or other highways nor for any purchase of equipment therefor, and the receipts of the tax levied in NRS 365.190 must not be apportioned pursuant to subsection 2 of NRS 365.560 unless, at any time the tax receipts are so apportioned, provision has been made in a timely manner for the payment of such outstanding securities as to the principal of, any prior redemption premiums due in connection with, and the interest on the securities as they become due, as provided in the securities, the ordinance, in the case of securities issued by a county, or the resolution, in the case of securities issued by a commission,
authorizing their issuance and any other instrument appertaining to the securities.

7. The ordinance, in the case of securities issued by a county, or the resolution, in the case of securities issued by a commission, authorizing the issuance of any bond or other revenue security under this section must describe the purpose for which it is issued at least in general terms and may describe the purpose in detail. This section does not require the purpose so stated to be set forth in the detail in which the project approved by the commission pursuant to subsection 2 of NRS 373.140 is stated, or prevent the modification by the board or commission, as the case may be, of details as to the purpose stated in the ordinance authorizing the issuance of any bond or other security after its issuance, subject to approval by the commission of the project as so modified, if such bond or other security is issued by the county and not the commission.

8. Notwithstanding any other provision of this chapter, no commission has authority to issue bonds or other securities pursuant to this chapter unless the commission has executed an interlocal agreement with the county relating to the issuance of bonds or other securities by the commission. Any such interlocal agreement must include an acknowledgment of the authority of the commission to issue bonds and other securities and contain provisions relating to the pledge of revenues for the repayment of the bonds or other securities, the lien priority of the pledge of revenues securing the bonds or other securities, and related matters.

Sec. 9.3. NRS 373.131 is hereby amended to read as follows:

373.131 1. Money for the payment of the cost of a project within the area embraced by a regional plan for transportation established pursuant to NRS 277A.210 may be obtained by the issuance of revenue bonds and other revenue securities as provided in subsection 2 or, subject to any pledges, liens and other contractual limitations made pursuant to the provisions of this chapter and chapter 277A of NRS, may be obtained by direct distribution from the regional street and highway fund, except to the extent any such use is prevented by the provisions of NRS 373.150, or may be obtained both by the issuance of such securities and by such direct distribution, as the board may determine. Money for street and highway construction outside the area embraced by the plan may be distributed directly from the regional street and highway fund as provided in NRS 373.150.

2. The board or, in a county whose population is 100,000 or more, a commission, may, after the enactment of any ordinance authorized or required by the provisions of NRS 373.030, paragraph (d) of subsection 1 of NRS 373.065, paragraphs (d) to (m), inclusive, of subsection 1 of NRS 373.066, paragraphs (d) to (m), inclusive, of subsection 1 of section 1.1 of this act or paragraphs (d) to (h), inclusive, of subsection 1 of section
1.3 of this act, issue revenue bonds and other revenue securities, on the behalf and in the name of the county or the commission, as the case may be:

(a) The total of all of which, issued and outstanding at any one time, must not be in an amount requiring a total debt service in excess of the estimated receipts to be derived from the taxes imposed pursuant to the provisions of NRS 373.030, paragraph (d) of subsection 1 of NRS 373.065, paragraphs (d) to (m), inclusive, of subsection 1 of NRS 373.066, and paragraphs (d) to (h), inclusive, of subsection 1 of section 1.1 of this act and paragraphs (d) to (m), inclusive, of subsection 1 of section 1.3 of this act and, with respect to notes, warrants or interim debentures described in paragraphs (a) and (b) of subsection 6, the proceeds of bonds or interim debentures:

(b) Which must not be general obligations of the county or the commission or a charge on any real estate within the county; and

(c) Which may be secured as to principal and interest by a pledge authorized by this chapter of the receipts from the fuel taxes designated in this chapter, except such portion of the receipts as may be required for the direct distributions authorized by NRS 373.150.

3. A county or a commission as provided in subsection 2 is authorized to issue bonds or other securities without the necessity of their being authorized at any election in such manner and with such terms as provided in this chapter.

4. Subject to the provisions of this chapter and chapter 277A of NRS, for any project authorized therein, the board of any county may, on the behalf and in the name of the county, or, in a county whose population is 100,000 or more, a commission may, on behalf and in the name of the commission, borrow money, otherwise become obligated, and evidence obligations by the issuance of bonds and other county or commission securities, and in connection with the undertaking or project, the board or the commission, as the case may be, may otherwise proceed as provided in the Local Government Securities Law.

5. All such securities constitute special obligations payable from the net receipts of the fuel taxes designated in this chapter except as otherwise provided in NRS 373.150, and the pledge of revenues to secure the payment of the securities must be limited to those net receipts.

6. Except for:

(a) Any notes or warrants which are funded with the proceeds of interim debentures or bonds;

(b) Any interim debentures which are funded with the proceeds of bonds;

(c) Any temporary bonds which are exchanged for definitive bonds;

(d) Any bonds which are reissued or which are refunded; and
(e) The use of any profit from any investment and reinvestment for the payment of any bonds or other securities issued pursuant to the provisions of this chapter, all bonds and other securities issued pursuant to the provisions of this chapter must be payable solely from the proceeds of fuel taxes collected by or remitted to the county pursuant to chapter 365 of NRS, as supplemented by this chapter. Receipts of the taxes levied in NRS 365.180 and 365.190 and pursuant to the provisions of paragraphs (a) and (b) of subsection 1 of NRS 373.065, paragraphs (a) and (b) of subsection 1 of NRS 373.066, paragraphs (a) and (b) of subsection 1 of section 1.1 of this act and paragraphs (a) and (b) of subsection 1 of section 1.3 of this act may be used by the county for the payment of securities issued pursuant to the provisions of this chapter and may be pledged therefor. Such taxes may also be used by a commission in a county whose population is 100,000 or more for the payment of bonds or other securities issued pursuant to the provisions of this chapter and may be pledged therefor if the board of the county consents to such use. If during any period any securities payable from these tax proceeds are outstanding, the tax receipts must not be used directly for the construction, maintenance and repair of any streets, roads or other highways nor for any purchase of equipment therefor, and the receipts of the tax levied in NRS 365.190 must not be apportioned pursuant to subsection 2 of NRS 365.560 unless, at any time the tax receipts are so apportioned, provision has been made in a timely manner for the payment of such outstanding securities as to the principal of, any prior redemption premiums due in connection with, and the interest on the securities as they become due, as provided in the securities, the ordinance, in the case of securities issued by a county, or the resolution, in the case of securities issued by a commission, authorizing their issuance and any other instrument appertaining to the securities.

7. The ordinance, in the case of securities issued by a county, or the resolution, in the case of securities issued by a commission, authorizing the issuance of any bond or other revenue security under this section must describe the purpose for which it is issued at least in general terms and may describe the purpose in detail. This section does not require the purpose so stated to be set forth in the detail in which the project approved by the commission pursuant to subsection 2 of NRS 373.140 is stated, or prevent the modification by the board or commission, as the case may be, of details as to the purpose stated in the ordinance authorizing the issuance of any bond or other security after its issuance, subject to approval by the commission of the project as so modified, if such bond or other security is issued by the county and not the commission.
8. Notwithstanding any other provision of this chapter, no commission has authority to issue bonds or other securities pursuant to this chapter unless the commission has executed an interlocal agreement with the county relating to the issuance of bonds or other securities by the commission. Any such interlocal agreement must include an acknowledgment of the authority of the commission to issue bonds and other securities and contain provisions relating to the pledge of revenues for the repayment of the bonds or other securities, the lien priority of the pledge of revenues securing the bonds or other securities, and related matters.

Sec. 9.7. NRS 373.131 is hereby amended to read as follows:

373.131 1. Money for the payment of the cost of a project within the area embraced by a regional plan for transportation established pursuant to NRS 277A.210 may be obtained by the issuance of revenue bonds and other revenue securities as provided in subsection 2 or, subject to any pledges, liens and other contractual limitations made pursuant to the provisions of this chapter and chapter 277A of NRS, may be obtained by direct distribution from the regional street and highway fund, except to the extent any such use is prevented by the provisions of NRS 373.150, or may be obtained both by the issuance of such securities and by such direct distribution, as the board may determine. Money for street and highway construction outside the area embraced by the plan may be distributed directly from the regional street and highway fund as provided in NRS 373.150.

(b) Which must not be general obligations of the county or the commission or a charge on any real estate within the county; and

(c) Which may be secured as to principal and interest by a pledge authorized by this chapter of the receipts from the fuel taxes designated in
this chapter, except such portion of the receipts as may be required for the
direct distributions authorized by NRS 373.150.

3. A county or a commission as provided in subsection 2 is authorized to
issue bonds or other securities without the necessity of their being authorized
at any election in such manner and with such terms as provided in this
chapter.

4. Subject to the provisions of this chapter and chapter 277A of NRS, for
any project authorized therein, the board of any county may, on the behalf
and in the name of the county, or, in a county whose population is 100,000 or
more, a commission may, on behalf and in the name of the commission,
borrow money, otherwise become obligated, and evidence obligations by the
issuance of bonds and other county or commission securities, and in
connection with the undertaking or project, the board or the commission, as
the case may be, may otherwise proceed as provided in the Local
Government Securities Law.

5. All such securities constitute special obligations payable from the net
receipts of the fuel taxes designated in this chapter except as otherwise
provided in NRS 373.150, and the pledge of revenues to secure the payment
of the securities must be limited to those net receipts.

6. Except for:

(a) Any notes or warrants which are funded with the proceeds of interim
debentures or bonds;
(b) Any interim debentures which are funded with the proceeds of bonds;
(c) Any temporary bonds which are exchanged for definitive bonds;
(d) Any bonds which are reissued or which are refunded; and
(e) The use of any profit from any investment and reinvestment for the
payment of any bonds or other securities issued pursuant to the provisions of
this chapter,

all bonds and other securities issued pursuant to the provisions of this
chapter must be payable solely from the proceeds of fuel taxes collected by
or remitted to the county pursuant to chapter 365 of NRS, as supplemented
by this chapter. Receipts of the taxes levied in NRS 365.180 and 365.190 and
pursuant to the provisions of paragraphs (a) and (b) of subsection 1 of
NRS 373.065 and paragraphs (a) and (b) of subsection 1 of NRS 373.066
and paragraphs (a) and (b) of subsection 1 of section 1.3 of this act may be
used by the county for the payment of securities issued pursuant to the
provisions of this chapter and may be pledged therefor. Such taxes may also
be used by a commission in a county whose population is 100,000 or more
for the payment of bonds or other securities issued pursuant to the provisions
of this chapter and may be pledged therefor if the board of the county
consents to such use. If during any period any securities payable from these
tax proceeds are outstanding, the tax receipts must not be used directly for
the construction, maintenance and repair of any streets, roads or other highways nor for any purchase of equipment therefor, and the receipts of the tax levied in NRS 365.190 must not be apportioned pursuant to subsection 2 of NRS 365.560 unless, at any time the tax receipts are so apportioned, provision has been made in a timely manner for the payment of such outstanding securities as to the principal of, any prior redemption premiums due in connection with, and the interest on the securities as they become due, as provided in the securities, the ordinance, in the case of securities issued by a county, or the resolution, in the case of securities issued by a commission, authorizing their issuance and any other instrument appertaining to the securities.

7. The ordinance, in the case of securities issued by a county, or the resolution, in the case of securities issued by a commission, authorizing the issuance of any bond or other revenue security under this section must describe the purpose for which it is issued at least in general terms and may describe the purpose in detail. This section does not require the purpose so stated to be set forth in the detail in which the project approved by the commission pursuant to subsection 2 of NRS 373.140 is stated, or prevent the modification by the board or commission, as the case may be, of details as to the purpose stated in the ordinance authorizing the issuance of any bond or other security after its issuance, subject to approval by the commission of the project as so modified, if such bond or other security is issued by the county and not the commission.

8. Notwithstanding any other provision of this chapter, no commission has authority to issue bonds or other securities pursuant to this chapter unless the commission has executed an interlocal agreement with the county relating to the issuance of bonds or other securities by the commission. Any such interlocal agreement must include an acknowledgment of the authority of the commission to issue bonds and other securities and contain provisions relating to the pledge of revenues for the repayment of the bonds or other securities, the lien priority of the pledge of revenues securing the bonds or other securities, and related matters.

Sec. 10. NRS 373.140 is hereby amended to read as follows:

373.140  1. After the enactment of ordinances as authorized in NRS 277A.170 and 373.030, all street and highway construction, surfacing or resurfacing projects in the county which are proposed to be financed from any county fuel tax imposed pursuant to the provisions of NRS 373.030, paragraph (d) of subsection 1 of NRS 373.065 or paragraphs (d) to (m), inclusive, of subsection 1 of NRS 373.066 or paragraphs (d) to (m), inclusive, of subsection 1 of section 1.1 of this act must first be submitted to the commission.
2. If the project is within the area covered by a regional plan for transportation established pursuant to NRS 277A.210, the commission shall evaluate it in terms of:
   (a) The priorities established by the plan;
   (b) The relation of the proposed work to other projects already constructed or authorized;
   (c) The relative need for the project in comparison with others proposed; and
   (d) The money available.

   If the commission approves the project, the board may authorize the project, using all or any part of the proceeds of any county fuel tax authorized pursuant to the provisions of NRS 373.030, paragraph (d) of subsection 1 of NRS 373.065 or paragraphs (d) to (m), inclusive, of subsection 1 of NRS 373.066, or paragraphs (d) to (m), inclusive, of subsection 1 of section 4.1.1 of this act, except as otherwise required by subsection 6 or to the extent any such use is prevented by the provisions for direct distribution required by NRS 373.150 or is prevented by any pledge to secure the payment of outstanding bonds, other securities or other obligations incurred under this chapter, and other contractual limitations appertaining to such obligations as authorized by NRS 373.160, and the proceeds of revenue bonds or other securities issued or to be issued as provided in NRS 373.131. Except as otherwise provided in subsection 3, if the board authorizes the project, the responsibilities for letting construction and other necessary contracts, contract administration, supervision and inspection of work and the performance of other duties related to the acquisition of the project must be specified in written agreements executed by the board and the governing bodies of the cities and towns within the area covered by a regional plan for transportation established pursuant to NRS 277A.210.

3. In a county in which two or more governmental entities are represented on the commission, the governing bodies of those governmental entities may enter into a written master agreement that allows a written agreement described in subsection 2 to be executed by only the commission and the governmental entity that receives funding for the approved project. The provisions of a written master agreement must not be used until the governing body of each governmental entity represented on the commission ratifies the written master agreement.

4. If the project is outside the area covered by a plan, the commission shall evaluate it in terms of:
   (a) Its relation to the regional plan for transportation established pursuant to NRS 277A.210, if any;
   (b) The relation of the proposed work to other projects constructed or authorized;
(c) The relative need for the proposed work in relation to others proposed by the same city or town; and
(d) The availability of money.

If the commission approves the project, the board shall direct the county treasurer to distribute the sum approved to the city or town requesting the project, in accordance with NRS 373.150.

5. In counties whose population is less than 100,000, the commission shall certify the adoption of the plan in compliance with subsections 2 and 4.

6. Legislative Counsel’s Digest:

Sections 1-26 of this bill establish certification provisions for exchange enrollment facilitators, who will be certified by the Commissioner of Insurance and appointed as navigators or assisters by the Silver State Health Insurance Exchange as part of the requirement that the Exchange implement a state-based health insurance exchange pursuant to the federal Patient Protection and Affordable Care Act, Public Law 111-148, as amended by the federal Health Care and Education Reconciliation Act of 2010, Public Law 111-152. (NRS 695I.210) Section 119 of this bill repeals numerous sections of the Nevada Insurance Code (Title 57 of NRS) to conform to the federal
acts, and sections 27-118 of this bill generally make conforming changes based on the federal acts and on the repeal of those sections of NRS.

Section 31.5 of this bill revises a credit which may be used against an insurer’s liability for the general tax on insurance premiums imposed pursuant to NRS 680B.027. Sections 32.1 and 32.8 of this bill revise provisions relating to contracts for coverage for dental care which are sold to small employers. Section 32.5 of this bill limits, for specified periods, public inspection of certain information filed with the Commissioner of Insurance.

If an applicant indicates on the statement submitted pursuant to subsection 1 that the applicant is subject to a court order for the support of a child and is not in compliance with the order or a plan approved by the district attorney or other public agency enforcing the order for the repayment of the amount owed pursuant to the order, the Commissioner shall advise the applicant to contact the district attorney or other public
agency enforcing the order to determine the actions that the applicant may take to satisfy the arrearage.

Sec. 14. 1. The certificate must be made available by the certificate holder for public inspection upon request.

2. A certificate holder shall inform the Commissioner of all locations from which he or she conducts business and of each change of business or residence address, in writing or by other means acceptable to the Commissioner, within 30 days after the date on which the change takes place. If a certificate holder changes his or her business or residence address without giving written notice and the Commissioner is unable to locate the certificate holder after diligent effort, the Commissioner may revoke the certificate without a hearing. The mailing of a letter by certified mail, return receipt requested, addressed to the certificate holder at his or her last mailing address appearing on the records of the Division, and the return of the letter undelivered, constitutes a diligent effort by the Commissioner.

Sec. 17. 1. If the Commissioner believes that a temporary certificate is necessary to carry on the business of facilitating selection of a qualified
health plan, the Commissioner may issue a temporary certificate as an exchange enrollment facilitator for 180 days or less without requiring an examination to:

The Commissioner may require the person who holds a temporary certificate to have a suitable sponsor who is an exchange enrollment facilitator and who assumes responsibility for all acts of the person who holds the temporary certificate, and may impose similar requirements to protect persons insured and the public. The Commissioner may order revocation of a temporary certificate if the interests of persons insured or the public are endangered. A temporary certificate expires when the owner or the personal representative or guardian of the owner disposes of the business.

Sec. 18. An entity other than a natural person that is appointed by the Exchange must require that each natural person who is authorized to act for the entity be an exchange enrollment facilitator. Each exchange enrollment facilitator must be named in the partnership’s or corporation’s appointment.

1. Serve with objectivity and complete loyalty the interests of his or her client; and

2. Render to his or her client information, counsel and service which, to the best of the exchange enrollment facilitator’s knowledge, understanding and opinion, best serves the client’s insurance needs and interests.

Sec. 21. 1. A nonresident who is an exchange enrollment facilitator shall appoint the Commissioner, in writing, as his or her registered agent upon whom may be served all legal process issued in connection with any action or proceeding brought or pending in this State against or involving the nonresident certificate holder and relating to transactions under his or her Nevada certificate. The appointment is irrevocable and remains in force so long as such an action or proceeding exists or may arise. Duplicate copies of process must be served upon the Commissioner, or other person in apparent charge of the Division during the Commissioner’s absence, accompanied by payment of the fee for service of process. Promptly after any such service, the Commissioner shall forward a copy of the process by certified mail, return receipt requested, to the nonresident certificate holder at his or her business address of most recent record with the Division. Process so served and the copy so forwarded constitutes personal service upon the certificate holder for all purposes.

2. Each such nonresident certificate holder shall also file with the Commissioner a written agreement to appear before the Commissioner pursuant to notice of hearing, order to show cause or subpoena issued by the Commissioner and sent by certified mail to the certificate holder at his or her business address of most recent record with the Division, and that if the nonresident certificate holder fails to appear, the nonresident certificate holder thereby consents to any subsequent suspension, revocation or refusal to renew his or her certificate.

Sec. 22. 1. The Commissioner may place an exchange enrollment facilitator on probation, suspend his or her certificate for not more than 12 months, or revoke or refuse to renew his or her certificate, or may impose an administrative fine or take any combination of the foregoing actions, for one or more of the causes set forth in NRS 683A.451.

2. The provisions of NRS 683A.461 also apply to an exchange enrollment facilitator.

Sec. 23. 1. Upon the suspension, limitation or revocation of the certificate of an exchange enrollment facilitator, the Commissioner shall
immediately notify the certificate holder in person or by mail addressed to the certificate holder at his or her most recent address of record with the Division. Notice by mail is effective when mailed.

2. Upon the suspension, limitation or revocation of the certificate of an exchange enrollment facilitator, the Commissioner shall immediately notify the Executive Director of the Exchange. Upon receipt of such notification, the Executive Director shall immediately terminate the certificate holder’s appointment.

3. The Commissioner shall not again issue a certificate under this chapter to any natural person whose certificate has been revoked until at least 1 year after the revocation has become final, and thereafter not until the person again qualifies for a certificate under this chapter. A person whose certificate has been revoked twice is not eligible for any certificate under this title.

Sec. 24. 1. If an exchange enrollment facilitator fails to obtain an appointment by the Exchange within 30 days after the date on which the certificate was issued, the exchange enrollment facilitator’s certificate expires and the exchange enrollment facilitator shall promptly deliver his or her certificate to the Commissioner.

2. If the Exchange terminates an exchange enrollment facilitator’s appointment, the exchange enrollment facilitator is prohibited from engaging in the business of an exchange enrollment facilitator under his or her certificate until such time as the exchange enrollment facilitator receives a new appointment by the Exchange. If the exchange enrollment facilitator does not obtain a new appointment by the Exchange within 30 days after the date the appointment was terminated, the exchange enrollment facilitator’s certificate expires and the exchange enrollment facilitator shall promptly deliver his or her certificate to the Commissioner.

3. Except as otherwise provided in subsection 4, if the Exchange terminates the appointment of an entity other than a natural person:
   (a) The appointments of exchange enrollment facilitators named on the entity’s appointment also terminate; and
   (b) The exchange enrollment facilitator is prohibited from engaging in the business of an exchange enrollment facilitator under his or her certificate until such time as the exchange enrollment facilitator receives a new appointment by the Exchange. If the exchange enrollment facilitator does not obtain a new appointment by the Exchange within 30 days after the date on which the appointment was terminated, the exchange enrollment facilitator’s certificate expires and the exchange enrollment facilitator shall promptly deliver his or her certificate to the Commissioner.
4. The provisions of subsection 3 do not apply to any appointments the exchange enrollment facilitator may have individually or through an entity other than the terminated entity.

5. Upon the termination of an appointment for an entity or certificate holder, the Executive Director of the Exchange shall notify the Commissioner of the effective date of the termination and the grounds for termination.

Sec. 25. 1. The Commissioner shall adopt regulations:
(a) For establishing and conducting an examination required by this chapter for the initial issuance and renewal of a certificate;
(b) For the establishment of a course of instruction as required by this chapter for the initial issuance and renewal of a certificate;
(c) Establishing the fee required by section 9 of this act for the processing of an application;
(d) Establishing the fee required by section 11 of this act for the administration of the examination; and
(e) For carrying out the provisions of this chapter.

2. The Commissioner may contract with a person to perform functions required by this chapter, including, without limitation:
(a) Administering examinations;
(b) Providing courses of instruction;
(c) Processing applications; and
(d) Collecting fees.

Sec. 26. 1. No person may engage in the business of an exchange enrollment facilitator unless a certificate has been issued to the person by the Commissioner.

   If the Commissioner determines that a filing includes any such component, the Commissioner shall, pursuant to NRS 686B.110, disapprove the proposed increase, in whole or in part, to the extent that the proposed increase relies upon such a component.

3. If an insurer makes a filing for a proposed increase in a rate for a health benefit plan, as that term is defined in section 33.4 of this act, the filing must include a unified rate review template, a written description justifying the rate increase and any rate filing documentation.
4. As used in this section, “rate filing documentation,” “unified rate review template” and “written description justifying the rate increase” have the meanings ascribed in 45 C.F.R. 154.215.

2. The provisions of subsection 1 do not apply to a contract providing coverage for dental care that is sold to a small employer pursuant to the provisions of chapter 689C of NRS.

3. As used in this section, “small employer” has the meaning ascribed to it in NRS 689C.095.

   (c) Such other similar benefits as are specified in any federal regulations adopted pursuant to the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191.
4. The term does not include the following benefits if the benefits are provided under a separate policy, certificate or contract, there is no coordination between the provisions of the benefits and any exclusion of benefits under any group health plan maintained by the same plan sponsor, and the benefits are paid for a claim without regard to whether benefits are provided for such a claim under any group health plan maintained by the same plan sponsor:
   (a) Coverage that is only for a specified disease or illness; and
   (b) Hospital indemnity or other fixed indemnity insurance.
5. The term does not include any of the following, if offered as a separate policy, certificate or contract of insurance:

(d) Is not retroactive to the date on which the application for coverage was received.

Sec. 33.6. 1. 2. The Commissioner shall determine, within 90 days after receipt of the application required pursuant to subsection 1, if the carrier, with respect to the network plan:

(a) Has demonstrated the willingness and ability to ensure that health care services will be provided in a manner to ensure both availability and accessibility of adequate personnel and facilities in a manner that enhances availability, accessibility and continuity of service;

(b) Has organizational arrangements established in accordance with regulations promulgated by the Commissioner; and

(c) Has a procedure established in accordance with regulations promulgated by the Commissioner to develop, compile, evaluate and report statistics relating to the cost of its operations, the pattern of utilization of its services, the availability and accessibility of its services and such other matters as may be reasonably required by the Commissioner.

3. The Commissioner may certify that the carrier and the network plan meet the requirements of subsection 2, or may determine that the carrier and the network plan do not meet such requirements. Upon a determination that the carrier and the network plan do not meet the
requirements of subsection 2, the Commissioner shall specify in what respects the carrier and the network plan are deficient.

4. A carrier approved to issue a network plan pursuant to this section must file annually with the Commissioner a summary of information compiled pursuant to subsection 2 in a manner determined by the Commissioner.

5. The Commissioner shall, not less than once each year, or more often if deemed necessary by the Commissioner for the protection of the interests of the people of this State, make a determination concerning the availability and accessibility of the health care services of any network plan approved pursuant to this section.

6. The expense of any determination made by the Commissioner pursuant to this section must be assessed against the carrier and remitted to the Commissioner.

7. As used in this section, “network plan” has the meaning ascribed to it in NRS 689B.570.

Sec. 33.8. 1. The premium rate charged by a health insurer for health benefit plans offered in the individual or small group market may vary with respect to the particular plan or coverage involved based solely on these characteristics:

(c) Tobacco use, except that the rate shall not vary by a ratio of more than 1.5 to 1 for like individuals who vary in tobacco use; and

For the purpose of identifying the appropriate age adjustment under this paragraph and the age band defined in the Federal Act to a specific enrollee, the enrollee’s age as of the date of policy issuance or renewal must be used.

2. The provisions of subsection 1:
(a) Apply to a fraternal benefit society organized under chapter 695A of NRS; and

2. The time when the insurance takes effect and terminates must be expressed therein.

3. It must purport to insure only one person, except that a policy may insure, originally or by subsequent amendment, upon the application of an adult member of a family, who shall be deemed the policyholder, any two or more eligible members of that family, including the husband, wife, domestic partner as defined in NRS 122A.030, dependent children, from the time of birth, adoption or placement for the purpose of adoption as provided in NRS 689A.043, or any child on or before the last day of the month in which the child attains 26 years of age, and any other person dependent upon the policyholder.

6. Each such form, including riders and endorsements, must be identified by a number in the lower left-hand corner of the first page thereof.

7. The policy must not contain any provision purporting to make any portion of the charter, rules, constitution or bylaws of the insurer a part of the policy unless that portion is set forth in full in the policy, except in the case of the incorporation of or reference to a statement of rates or classification of risks, or short-rate table filed with the Commissioner.

8. The policy must provide benefits for expense arising from care at home or health supportive services if that care or service was prescribed by a physician and would have been covered by the policy if performed in a medical facility or facility for the dependent as defined in chapter 449 of NRS.

9. Each such provision must be preceded individually by the applicable caption shown or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the Commissioner may approve.

2. Each policy delivered or issued for delivery in this State after November 1, 1973, must contain a provision, if applicable, setting forth the provisions of NRS 689A.045.

3. If any such provision is in whole or in part inapplicable to or inconsistent with the coverage provided by a particular form of policy, the insurer, with the approval of the Commissioner, may omit from the policy any inapplicable provision or part of a provision, and shall modify any inconsistent provision or part of a provision in such a manner as to make the
provision as contained in the policy consistent with the coverage provided by the policy.

4. Except as provided in subsections 1 and 2, an insurer who offers optional coverage pursuant to subsection 1 shall not limit the number of visits an insured may make to any person, entity or group for treatment of autism spectrum disorders.

4. For the purposes of this section, “human papillomavirus vaccine” means the Quadrivalent Human Papillomavirus Recombinant Vaccine or its successor which is approved by the Food and Drug Administration for the prevention of human papillomavirus infection and cervical cancer.

Sec. 39. NRS 689A.0455 is hereby amended to read as follows:

689A.0455 1. [Notwithstanding any provisions of this Title to the contrary,] A policy of health insurance delivered or issued for delivery in this state pursuant to this chapter must provide coverage for the treatment of conditions relating to severe mental illness.
2. The coverage required by this section:
   (a) Must provide:

3. Any deductibles and copayments required to be paid for the coverage required by this section must not be greater than 150 percent of the out-of-pocket expenses required to be paid for medical and surgical benefits provided pursuant to the policy of health insurance.

4. The provisions of this section do not apply to a policy of health insurance if, at the end of the policy year, the premiums charged for that policy, or a standard grouping of policies, increase by more than 2 percent as a result of providing the coverage required by this section and the insurer obtains an exemption from the Commissioner pursuant to subsection 5.

5. To obtain the exemption required by subsection 4, an insurer must submit to the Commissioner a written request therefor that is signed by an actuary and sets forth the reasons and actuarial assumptions upon which the request is based. To determine whether an exemption may be granted, the Commissioner shall subtract from the amount of premiums charged during the policy year the amount of premiums charged during the period immediately preceding the policy year and the amount of any increase in the premiums charged that is attributable to factors that are unrelated to providing the coverage required by this section. The Commissioner shall verify the information within 30 days after receiving the request. The request shall be deemed approved if the Commissioner does not deny the request within that time.

6. The provisions of this section do not:
   (a) Limit the provision of specialized services covered by Medicaid for persons with conditions relating to mental health or substance abuse.

Sec. 39.5. NRS 689A.230 is hereby amended to read as follows:

689A.230  1. There may be a provision as follows:

Coordination of Benefits: If, with respect to a person covered under this policy, benefits for allowable expense incurred during a claim determination period under this policy, together with benefits for allowable expense during such period under all other valid coverage (without giving effect to this provision or to any “coordination of benefits provision” applying to such other valid coverage), exceed the total of such person’s allowable expense during such period, this insurer shall be liable only for such proportionate amount of the benefits for allowable expense under this policy during such period as (a) the total allowable expense during such period bears to (b) the total amount of benefits payable during such period for such expense under this policy and all other valid coverage (without giving effect to this provision or to any “coordination of benefits provision” applying to such other valid coverage) less in both (a) and (b) any amount of benefits for allowable expense payable under other valid coverage which does not contain a “coordination of benefits provision.” In no event shall this provision operate to increase the amount of benefits for allowable expense payable under this policy with respect to a person covered under this policy above the amount which would have been paid in the absence of this provision. This insurer may pay benefits to any insurer providing other valid coverage in the event of overpayment by such insurer. Any such payment shall discharge the liability of this insurer as fully as if the payment had been made directly to the insured or the assignee or beneficiary of the insured. If this insurer pays benefits to the insured or the assignee or beneficiary of the insured, in excess of the amount which would have been payable if the existence of other valid coverage had been disclosed, this insurer shall have a right of action against the insured or the assignee or beneficiary of the
insured to recover the amount which would not have been paid had there been a disclosure of the existence of the other valid coverage. The amount of other valid coverage which is on a provision of service basis shall be computed as the amount the services rendered would have cost in the absence of such coverage.

For the purposes of this provision:

1. "Allowable expense" means 100 percent of any necessary, reasonable and customary item of expense which is covered, in whole or in part, as a hospital, surgical, medical or major medical expense under this policy or under any other valid coverage.

2. "Claim determination period" with respect to any covered person means the initial period of ..... (insert period of not less than 30 days) and each successive period of a like number of days, during which allowable expense covered under this policy is incurred on account of such person. The first such period begins on the date when the first such expense is incurred, and successive periods shall begin when such expense is incurred after expiration of a prior period.

or, in lieu thereof:

(1) "Allowable expense" means 100 percent of any necessary, reasonable and customary item of expense which is covered, in whole or in part, as a hospital, surgical, medical or major medical expense under this policy or under any other valid coverage.

(2) "Claim determination period" with respect to any covered person means each ..... (insert calendar or policy period of not less than a month) during which allowable expense covered under this policy is incurred on account of such person.

(3) "Coordination of benefits provision" means this provision and any other provision which may reduce an insurer’s liability because of the existence of benefits under other valid coverage.

2. The foregoing policy provisions may be inserted in all policies providing hospital, surgical, medical or major medical benefits for which the application includes a question as to other coverages subject to this provision. If the policy provision stated in subsection 1 is included in a policy which also contains the policy provision stated in NRS 689A.240, there shall be added to the caption of the provision stated in subsection 1 of the phrase “expense-incurred benefits.” The insurer may make this provision applicable to either or both:

(a) Other valid coverage with other insurers; and

(b) Other valid coverage with the same insurer.

The insurer shall include in this provision a definition of “other valid coverage” approved as to form by the Commissioner. Such term may include hospital, surgical, medical or major medical benefits provided by individual or family-type coverage, government programs or workers’ compensation. Such term shall not include any automobile medical payments or third-party liability coverage. The insurer shall not include a
subrogation clause in the policy. The insurer may require, as part of the proof of claim, the information necessary to administer this provision.

3. If by application of any of the foregoing provisions the insurer effects a material reduction of benefits otherwise payable under the policy, the insurer shall refund to the insured any premium unearned on the policy by reason of such reduction of coverage during the policy year current and that next preceding at the time the loss commenced, subject to the insurer’s right to provide in the policy that no such reduction of benefits or refund will be made unless the unearned premium to be so refunded amounts to $5 or such larger sum as the insurer may so specify.

(b) The individual has performed an act or a practice that constitutes fraud or has made an intentional misrepresentation of material fact under the terms of the coverage.

(c) The individual carrier decides to discontinue offering and renewing all health benefit plans delivered or issued for delivery in this state. If the individual carrier decides to discontinue offering and renewing such plans, the individual carrier shall:

(3) Discontinue all health insurance issued or delivered for issuance for individuals in this state and not renew coverage under any health benefit plan issued to such individuals.

(a) The individual carrier notifies the Commissioner and the chief regulatory officer for insurance in each state in which it is licensed of its decision pursuant to this subsection to discontinue the issuance and renewal of the form of the product at least 60 days before the individual carrier notifies the persons covered by the discontinued insurance pursuant to paragraph (b).

(b) The individual carrier notifies each person covered by the discontinued insurance, the Commissioner and the chief regulatory officer for insurance in each state in which a person covered by the discontinued insurance is known to reside of the decision of the individual carrier to discontinue offering the form of the product. The notice must be made to persons covered by the discontinued insurance at least 180 days before the date on which the individual carrier will discontinue offering the form of the product.

(c) The individual carrier offers to each person covered by the discontinued insurance the option to purchase any other health benefit plan currently offered by the individual carrier to individuals in this state.

4. An individual carrier that elects not to renew a health benefit plan pursuant to paragraph (c) of subsection 1 shall not write new business for individuals pursuant to this chapter for 5 years after the date on which notice is provided to the Commissioner pursuant to subparagraph (2) of paragraph (c) of subsection 1.

689A.635 1. An individual carrier that offers coverage through a network plan is not required pursuant to NRS 689A.630 to offer coverage to or accept an application from an eligible person if the eligible person does not reside or work in the established geographic service area or in a geographic rating area, for which the individual carrier is authorized to transact insurance, provided that the coverage is refused or terminated uniformly without regard to any health status-related factor of any eligible person.

[The provisions of this subsection do not apply to any arrangement for

4. An individual carrier shall not terminate, fail to renew, or limit its contract or agreement of representation with a producer for any reason related to the health status, claims experience, industry, occupation or geographic location of an individual at the time that the health benefit plan is issued to or renewed by the individual placed by the producer with the individual carrier.

(b) An adopted child from the date the adoption becomes effective, if the child was not placed in the home before adoption; and

(c) A child placed with the insured for the purpose of adoption from the moment of placement as certified by the public or private agency making the placement. 2. The policy or contract may require that notification of:

(a) The birth of a newly born child;

(b) The effective date of adoption of a child; or

(c) The date of placement of a child for adoption,
and payments of the required premium or fees, if any, must be furnished to

placement for adoption in order to have the coverage continue beyond the 31-

3. The coverage for newly born and adopted children and children placed

coinsurance due from the insured based on the rates agreed upon with a
provider.

4. May not provide for a difference in percentage rates of payment for
coinsurance of more than 30 percentage points between the payment for
coinsurance required to be paid by the insured to a preferred provider of
health care and the payment for coinsurance required to be paid by the
insured to a provider of health care who is not preferred.

5. 2. Must require that the deductible and payment for coinsurance paid
by the insured to a preferred provider of health care be applied to the
negotiated reduced rates of that provider.

6. 3. Must include for providers of health care who are not preferred a
provision establishing the point at which an insured’s payment for
coinsurance is no longer required to be paid if such a provision is included
for preferred providers of health care. Such provisions must be based on a calendar year. The point at which an insured’s payment for coinsurance is no longer required to be paid for providers of health care who are not preferred must not be greater than twice the amount for preferred providers of health care, regardless of the method of payment.

4. Must provide that if there is a particular service which a preferred provider of health care does not provide and the provider of health care who is treating the insured requests the service and the insurer determines that the use of the service is necessary for the health of the insured, the service shall be deemed to be provided by the preferred provider of health care.

5. Must require the insurer to process a claim of a provider of health care who is not preferred not later than 30 working days after the date on which proof of the claim is received.

Sec. 54.5. NRS 689B.063 is hereby amended to read as follows:

Sec. 58. NRS 689B.480 is hereby amended to read as follows:

689B.480 1. In determining the applicable creditable coverage of a person for the purposes of NRS 689B.340 to 689B.590, inclusive, a period of creditable coverage must not be included if, after the expiration of that period but before the enrollment date, there was a 63-day period during all of which the person was not covered under any creditable coverage. To establish a period of creditable coverage, a person must present any certificates of coverage provided to the person in accordance with
NRS 689B.490 and such other evidence of coverage as required by regulations adopted by the Commissioner. For the purposes of this subsection, any waiting period for coverage or an affiliation period must not be considered in determining the applicable period of creditable coverage.

2. In determining the period of creditable coverage of a person, a carrier shall include each applicable period of creditable coverage without regard to the specific benefits covered during that period, except that the carrier may elect to include applicable periods of creditable coverage based on coverage of specific benefits as specified in the regulations of the United States Department of Health and Human Services, if such an election is made on a uniform basis for all participants and beneficiaries of the health benefit plan or coverage. Pursuant to such an election, the carrier shall include each applicable period of creditable coverage with respect to any class or category of benefits if any level of benefits is covered within that class or category, as specified by those regulations.

3. Regardless of whether coverage is actually provided, if a carrier elects in accordance with subsection 2 to determine creditable coverage based on specified benefits, a statement that such an election has been made and a description of the effect of the election must be:
   (a) Included prominently in any disclosure statement concerning the health benefit plan; and
   (b) Provided to each person at the time of enrollment in the health benefit plan.

4. The provisions of this section apply only to grandfathered plans.

Sec. 59. NRS 689B.500 is hereby amended to read as follows:

689B.500 1. Except as otherwise provided in this section, a carrier that issues a group health plan or coverage under blanket accident and health insurance or group health insurance shall not deny, exclude or limit a benefit for a preexisting condition:

(a) More than 12 months after the effective date of coverage if the employee or other insured enrolls through open enrollment or after the first day of the waiting period for that enrollment, whichever is earlier; or

(b) More than 18 months after the effective date of coverage for a late enrollee.

A carrier may not define a preexisting condition more restrictively than that term is defined in NRS 689B.450.

2. The period of any exclusion for a preexisting condition imposed by a group health plan or coverage under blanket accident and health insurance or group health insurance on a person to be insured in accordance with the provisions of this chapter must be reduced by the aggregate period of creditable coverage of that person, if the creditable coverage was continuous...
to a date not more than 63 days before the effective date of the coverage. The period of continuous coverage must not include:

(a) Any waiting period for the effective date of the new coverage applied by the employer or the carrier; or

(b) Any affiliation period not to exceed 60 days for a new enrollee and 90 days for a late enrollee required before becoming eligible to enroll in the group health plan.

3. A health maintenance organization authorized to transact insurance pursuant to chapter 695C of NRS that does not restrict coverage for a preexisting condition may require an affiliation period before coverage becomes effective under a plan of insurance if the affiliation period applies uniformly to all employees or other persons insured and without regard to any health status-related factors. During the affiliation period, the carrier shall not collect any premiums for coverage of the employee or other insured.

4. An insurer that restricts coverage for preexisting conditions shall not impose an affiliation period.

5. A carrier shall not impose any exclusion for a preexisting condition:

(a) Relating to pregnancy.

(b) In the case of a person who, as of the last day of the 30-day period beginning on the date of the birth of the person, is covered under creditable coverage.

(c) In the case of a child who is adopted or placed for adoption before attaining the age of 18 years and who, as of the last day of the 30-day period beginning on the date of adoption or placement for adoption, whichever is earlier, is covered under creditable coverage. The provisions of this paragraph do not apply to coverage before the date of adoption or placement for adoption.

(d) In the case of a condition for which medical advice, diagnosis, care or treatment was recommended or received for the first time while the covered person held creditable coverage, and the medical advice, diagnosis, care or treatment was a benefit under the plan, if the creditable coverage was continuous to a date not more than 63 days before the effective date of the new coverage.

*The provisions of paragraphs (b) and (c) do not apply to a person after the end of the first 63-day period during all of which the person was not covered under any creditable coverage.

6. As used in this section, “late enrollee” means an eligible employee, or a dependent of the eligible employee, who requests enrollment in a group health plan following the initial period of enrollment, if that initial period of enrollment is at least 30 days, during which the person is entitled to enroll under the terms of the health benefit plan. (a) The employee or dependent:
   (1) Was covered under creditable coverage at the time of the initial enrollment;

(e) The employee changes status from not being an eligible employee to being an eligible employee and requests enrollment, subject to any waiting period, within 30 days after the change in status.
(f) The person has continued coverage in accordance with the Consolidated Omnibus Budget Reconciliation Act of 1985, Public Law 99-272, and that coverage has been exhausted.

Sec. 60. NRS 689B.560 is hereby amended to read as follows:

689B.560 1. Except as otherwise provided in this section, coverage under a policy of group health insurance must be renewed by the carrier at the option of the plan sponsor, unless:

(a) The carrier notifies the Commissioner and the chief regulatory officer in each state in which it is licensed of its decision pursuant to this subsection to discontinue the issuance and renewal of the form of the product at least 60 days before the individual carrier notifies the persons covered by the discontinued insurance pursuant to paragraph (b).  

(b) The carrier notifies each person covered by the discontinued insurance and the Commissioner and the chief regulatory officer in each state in which such a person is known to reside of the decision of the carrier to discontinue offering the form of the product. The notice must be made at least 180 days before the date on which the carrier will discontinue offering the form of the product.

(c) The carrier offers to each person covered by the discontinued insurance the option to purchase any other health benefit plan currently offered by the carrier to large groups in this state.

(d) In exercising the option to discontinue the form of the product and in offering the option to purchase other coverage pursuant to paragraph (c), the carrier acts uniformly without regard to the claim experience of the persons covered by the discontinued insurance or any health status-related factor relating to those persons or beneficiaries covered by the discontinued form of the product or any person or beneficiary who may become eligible for such coverage.

3. A carrier may discontinue the issuance and renewal of any type of group health insurance offered by the carrier in this state that is made

2. As used in this section, “network plan” means a health benefit plan offered by a health carrier under which the financing and delivery of medical care, including items and services paid for as medical care, are provided, in whole or in part, through a defined set of providers under contract with the carrier. 4. A carrier shall discontinue the issuance and renewal of coverage to a small employer if the Commissioner finds that the continuation of the coverage would not be in the best interests of the policyholders or certificate holders of the carrier in this state or would impair the ability of the carrier to meet its contractual obligations. 5. A carrier may discontinue the issuance and renewal of a form of a product of a health benefit plan offered to small employers pursuant to this chapter if the Commissioner finds that the form of the product offered by the carrier is obsolete and is being replaced with comparable coverage. A form of a product of a health benefit plan may be discontinued by a carrier pursuant to this subsection only if:
   (a) The carrier notifies the Commissioner and the chief regulatory officer for insurance in each state in which it is licensed of its decision pursuant to this subsection to discontinue the issuance and renewal of the form of the product at least 60 days before the carrier notifies the affected small employers pursuant to paragraph (b).

Sec. 81. NRS 689C.325 is hereby amended to read as follows:

689C.325 A carrier that offers coverage through a network plan is not required to offer coverage to or accept any applications for coverage from the eligible employees of a small employer pursuant to NRS 689C.310 and 689C.320 if:
1. The eligible employees do not reside or work in the established geographic service area of the network plan.

2. For a small employer whose eligible employees reside or work in the established geographic service area of the network plan, the carrier demonstrates to the satisfaction of the Commissioner that the carrier does not have the capacity to deliver adequate service to additional small employers and eligible employees because of the existing obligations of the carrier. If a carrier is authorized by the Commissioner not to offer coverage pursuant to this subsection, the carrier shall not thereafter offer coverage to additional small employers and eligible employees within that established geographic service area until the carrier demonstrates to the satisfaction of the Commissioner that it has regained the capacity to deliver adequate service to additional small employers and eligible employees within that service area.

3. May not provide for a difference in percentage rates of payment for coinsurance of more than 30 percentage points between the payment for coinsurance required to be paid by the insured to a preferred provider of health care and the payment for coinsurance required to be paid by the insured to a provider of health care who is not preferred.

4. Must require that the deductible and payment for coinsurance paid by the insured to a preferred provider of health care be applied to the negotiated reduced rates of that provider.

5. Must include for providers of health care who are not preferred a provision establishing the point at which an insured’s payment for coinsurance is no longer required to be paid if such a provision is included for preferred providers of health care. Such provisions must be based on a calendar year. The point at which an insured’s payment for coinsurance is no longer required to be paid for providers of health care who are not preferred must not be greater than twice the amount for preferred providers of health care, regardless of the method of payment.

6. Must provide that if there is a particular service which a preferred provider of health care does not provide and the provider of health care who...

[The provisions of this subsection do not apply to any arrangement for compensation that provides payment to a producer on the basis of percentage of premium, except that the percentage may not vary because of the health status, claims experience, industry, occupation or geographic area of the small employer.]

4. A carrier shall not terminate, fail to renew, or limit its contract or agreement of representation with a producer for any reason related to the health status, claims experience, occupation or geographic location of a small employer at the time that the health benefit plan is issued to or renewed by the small employer placed by the producer with the carrier.

5. A carrier or producer shall not induce or otherwise encourage a small employer to separate or otherwise exclude an employee or a dependent of the employee from health coverage or benefits provided in connection with the employment of the employee.

6. A violation of any provision of this section by a carrier may constitute an unfair trade practice for the purposes of chapter 686A of NRS.

SECOND READING AND AMENDMENT

Assembly Bill No. 488.
Bill read second time.
The following amendment was proposed by the Committee on Ways and Means:
Amendment No. 852.
AN ACT relating to governmental administration; consolidating the Health Division and the Division of Mental Health and Developmental Services of the Department of Health and Human Services into the Division of Public and Behavioral Health of the Department; transferring the powers and duties concerning certain services to children with autism spectrum disorders from the Health Division to the Aging and Disability Services Division of the Department; transferring the authority for developmental services in the Division of Mental Health and Developmental Services to the Aging and
Disability Services Division; providing for the appointment of a Chief Medical Officer in certain circumstances; requiring the directors of certain facilities to report to the Chief Medical Officer and to operate under his or her oversight; replacing the State Health Officer with a Chief Medical Officer; providing the qualifications and duties of the Chief Medical Officer; renaming the Commission on Mental Health and Developmental Services of the Department the Commission on Behavioral Health; making the Aging and Disability Services Division of the Department responsible for services for and other oversight relating to persons with intellectual disabilities and persons with related conditions; making various other changes to provisions relating to the organization of the divisions of the Department; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Health Division and the Division of Mental Health and Developmental Services are two separate divisions within the Department of Health and Human Services. (NRS 232.300) This bill consolidates those two divisions into one division named the Division of Public and Behavioral Health of the Department of Health and Human Services. Sections 1-5, 6, 7, 8, 10, 12, 14, 17, 18, 21, 21.7, 40, 42, 43, 46, 47, 66-68, 71-80, 81-88, 91-98 and 100-137 of this bill make conforming changes to carry out that consolidation.

Existing law requires the Director of the Department of Health and Human Services to appoint the Administrator of the Health Division and the Administrator of the Division of Mental Health and Developmental Services. (NRS 232.320) Sections 2, 3 and 12 of this bill: (1) eliminate the position of Administrator of the Health Division and provides for the appointment of an Administrator of the Division of Public and Behavioral Health; (2) set forth the qualifications of the Administrator; (3) require the Administrator, with the consent of the Director of the Department, to appoint four deputies; and (4) authorize the Administrator to delegate his or her powers, duties and functions to any officer, deputy or employee of the Division. Section 21 establishes the qualifications of the Administrator.

Section 4 renames the Commission on Mental Health and Developmental Services within the Department of Health and Human Services as the Commission on Behavioral Health. (NRS 232.361) The Commission retains its duties except that section 25 of this bill requires the State Board of Health, rather than the Commission, to adopt certain regulations regarding the care and treatment of persons with mental
illness, persons with substance use disorders and persons with co-
occurring disorders. In addition, although the Commission will continue
to consider certain issues relating to persons with intellectual disabilities
and persons with related conditions, regulations regarding such persons
are transferred to the Aging and Disability Services Division of the
Department in section 50 of this bill.

Under existing law, the Health Division and the Division of Mental
Health and Developmental Services have various responsibilities with
respect to persons with intellectual disabilities and persons with related
conditions. This bill transfers most of those responsibilities to the Aging
and Disability Services Division. Sections 9.3 and 9.7 of this bill add to
the duties of the Aging and Disability Services Division the duty to
oversee those transferred responsibilities. Sections 49-59.7 of this bill
duplicate certain provisions of NRS which applied to both mental health
and intellectual disabilities to: (1) transfer the responsibilities relating to
persons with intellectual disabilities and persons with other related
conditions and applicable division facilities to the Aging and Disability
Services Division; and (2) continue the statutory rights of persons with
intellectual disabilities and persons with related conditions. Sections 7.5,
9-9.7, 10.3-20.5, 21.7, 27-39.8, 41, 45, 47, 60, 60.3, 61 and 137.2-137.8 of
this bill make conforming changes to ensure the transfer of
responsibilities regarding persons with intellectual disabilities and
persons with related conditions and regarding applicable division
facilities.

Section 61.5 of this bill designates the Department of Health and
Human Services rather than the Division of Mental Health and
Developmental Services as the official state agency responsible for
developing and administering preventive and outpatient mental health
services.

Existing law creates the position of State Health Officer within the Health
Division of the Department of Health and Human Services and requires the
State Health Officer to enforce all laws and regulations pertaining to the
public health and to investigate matters relating to the health and life of the
people of this State. (NRS 439.090, 439.130) Section 64 of this bill instead
provides that the State Health Officer serves as for the appointment of a
Chief Medical Officer unless the Director of the Department determines that
the appointment of a Chief Medical Officer is in the best interests of this
State. Sections to take over the responsibilities of the State Health
Officer. Section 63 and 65 of this bill establish the qualifications and
sets forth the duties of the Chief Medical Officer. Section 13 of this
bill provides that the medical director or other person in charge of certain
facilities relating to mental health is subject to the oversight of the Chief Medical Officer and is required to report any information concerning the facility to the Chief Medical Officer upon his or her request. **Sections 69.5-71, 74, 80.5, 92, 95, 103, 125 and 133 of this bill make conforming changes to existing law.**

This **Sections 88-90 and 99-101 of this bill also transfer:** (1) the powers and duties concerning certain services to children with autism spectrum disorders from the Health Division to the Aging and Disability Services Division of the Department of Health and Human Services; and (2) the authority for developmental services from the Division of Mental Health and Developmental Services to the Aging and Disability Services Division.

Section 142 of this bill provides, in part, for the Legislative Counsel to substitute appropriately throughout NRS any names changed by this bill, so that this bill does not need to include every section of NRS in which a name needs to be changed.

Section 128 removes language from existing law concerning transferring money from one account of the Health Division to an account of the Division of Mental Health and Developmental Services. (NRS 453A.730) Since those Divisions are consolidated in this bill, there is no need to transfer the money. **Sections 131.5 and 131.7 make conforming changes.**

Section 139 of this bill repeals various sections of NRS which are no longer necessary because of the revisions made in this bill. **Sections 140-142 of this bill provide transitory provisions regarding the transfer of responsibilities, including the transfer and adoption of regulations, the effect of name changes on any existing contracts, revisions that may be necessary to other provisions of NRS and administrative regulations to conform to the changes made in this bill and other necessary directions to carry out the intent of this bill.**

**THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:**

**Section 1.** NRS 232.300 is hereby amended to read as follows:

232.300 1. The Department of Health and Human Services is hereby created.

4. The Administrator may accept children referred to the Division for treatment pursuant to the provisions of NRS 458.290 to 458.350, inclusive.

5. The Administrator may enter into agreements with the Administrator of the Division of Mental Health and Developmental Services or with the Administrator of the Aging and Disability Services Division of the Department for the care and treatment of consumers of the Division of Child and Family Services at any facility operated by the Division of Mental Health and Developmental Services, Public and Behavioral Health or the Aging and Disability Services Division, as applicable.

Sec. 46.5. NRS 433B.150 is hereby amended to read as follows:

Sec. 48. Chapter 435 of NRS is hereby amended by adding thereto the provisions set forth as sections 49 to 59.7, inclusive, of this act.

Sec. 49. 1. The division facilities providing services for persons with intellectual disabilities and persons with related conditions are designated as:
   (a) Desert Regional Center;
   (b) Sierra Regional Center; and
   (c) Rural Regional Center.

2. Division facilities established after July 1, 1981, must be named by the Administrator, subject to the approval of the Director of the Department.

Sec. 49.2. The provisions of this chapter pertaining to division facilities must be administered by the respective administrative officers of the division facilities, subject to administrative supervision by the Administrator.

Sec. 49.4. Any person employed by the Division as a psychiatrist, psychologist, marriage and family therapist, clinical professional counselor, registered nurse or social worker must be licensed or certified by the appropriate state licensing board for his or her respective profession.

Sec. 49.6. The Administrator shall not employ any psychiatrist, psychologist, social worker or registered nurse who holds a master’s degree in the field of psychiatric nursing who is unable to demonstrate proficiency in the oral and written expression of the English language.

Sec. 49.8. 1. The Division shall carry out a vocational and educational program for the certification of intellectual disability technicians, including forensic technicians employed by the Division, or other employees of the Division who perform similar duties, but are classified differently. The program must be carried out in cooperation with the Nevada System of Higher Education.

2. An intellectual disability technician is responsible to the director of the service in which his or her duties are performed. The director of a service may be a licensed physician, dentist, podiatric physician, psychiatrist, psychologist, rehabilitation therapist, social worker, registered nurse or other professionally qualified person. This section does not authorize an intellectual disability technician to perform duties which require the specialized knowledge and skill of a professionally qualified person.

3. The Division shall adopt regulations to carry out the provisions of this section.

4. As used in this section, “intellectual disability technician” means an employee of the Division who, for compensation or personal profit, carries out procedures and techniques which involve cause and effect and which
are used in the care, treatment and rehabilitation of persons with intellectual disabilities and persons with related conditions, and who has direct responsibility for:

(a) Administering or carrying out specific therapeutic procedures, techniques or treatments, excluding medical interventions, to enable consumers to make optimal use of their therapeutic regime, their social and personal resources, and their residential care; or

(b) The application of interpersonal and technical skills in the observation and recognition of symptoms and reactions of consumers, for the accurate recording of such symptoms and reactions, and for carrying out treatments authorized by members of the interdisciplinary team that determines the treatment of the consumers.

Sec. 50. 1. The Division shall adopt regulations:
(a) For the care and treatment of persons with intellectual disabilities and persons with related conditions by all state agencies and facilities, and their referral to private facilities;

(b) To ensure continuity in the care and treatment provided to persons with intellectual disabilities and persons with related conditions in this State; and

(c) Necessary for the proper and efficient operation of the facilities of the Division.

2. The Division may adopt regulations to promote programs relating to intellectual disabilities and related conditions.

Sec. 51. The Division or its designated agent may inspect any division facility providing services for persons with intellectual disabilities and persons with related conditions to determine if the facility is in compliance with the provisions of this chapter and any regulations adopted pursuant thereto.

Sec. 52. The Division may, by contract with general hospitals or other institutions having adequate facilities in the State of Nevada, provide for inpatient care of persons with intellectual disabilities and persons with related conditions.

Sec. 53. The Division may contract with appropriate persons professionally qualified in the field of psychiatric mental health to provide inpatient and outpatient care for persons with intellectual disabilities and persons with related conditions when it appears that they can be treated best in that manner.

Sec. 54. The Division shall adopt regulations:
1. To define the term “consumer” for the purposes of this chapter.
2. To specify the circumstances under which a consumer is eligible to receive services from the Division pursuant to this chapter, including, but not limited to, care, treatment and training. Regulations adopted pursuant
to this subsection must specify that a consumer is eligible to receive services only if the consumer:

(a) Has a documented diagnosis of a mental disorder based on the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association; and

(b) Except as otherwise provided in the regulations adopted pursuant to subsection 3, is not eligible to receive services through another public or private entity.

3. To specify the circumstances under which the provisions of paragraph (b) of subsection 2 do not apply, including, without limitation, when the copay or other payment required to obtain services through another public or private entity is prohibitively high.

4. To establish policies and procedures for the referral of each consumer who needs services that the Division is unable to provide to the most appropriate organization or resource who is able to provide the needed services to that consumer.

Sec. 54.2. The Division shall adopt regulations to:

1. Provide for a more detailed definition of abuse of a consumer of the Division, consistent with the general definition given in section 58.75 of this act;

2. Provide for a more detailed definition of neglect of a consumer of the Division, consistent with the general definition given in section 58.75 of this act; and

3. Establish policies and procedures for reporting the abuse or neglect of a consumer of the Division.

Sec. 54.3. 1. If a patient in a division facility is transferred to another division facility or to a medical facility, a facility for the dependent or a physician licensed to practice medicine, the division facility shall forward a copy of the medical records of the patient, on or before the date the patient is transferred, to the facility or physician. Except as otherwise required by 42 U.S.C. 290dd, 290dd-1 or 290dd-2 or NRS 439.538 or 439.591, the division facility is not required to obtain the oral or written consent of the patient to forward a copy of the medical records.

2. As used in this section, “medical records” includes a medical history of the patient, a summary of the current physical condition of the patient and a discharge summary which contains the information necessary for the proper treatment of the patient.

Sec. 54.4. For the purposes of this chapter, the Department through the Division may cooperate, financially or otherwise, and execute contracts or agreements with the Federal Government, any federal department or agency, any other state department or agency, a county, a city, a public district or any political subdivision of this state, a public or private
corporation, an individual or a group of individuals. Such contracts or agreements may include provisions whereby the Division will render services, the payment for which will be reimbursed directly to the Division's budget. Cooperation pursuant to this section does not of itself relieve any person, department, agency or political subdivision of any responsibility or liability existing under any provision of law.

Sec. 54.5. Nothing in this chapter precludes the involuntary court-ordered admission of a person with an intellectual disability or person with a related condition to a private institution where such admission is authorized by law.

Sec. 54.6. The State is not responsible for payment of the costs of care and treatment of persons admitted to a facility not operated by the Division except where, before admission, the Administrator or the Administrator's designee authorizes the expenditure of state money for such purpose.

Sec. 54.7. Money to carry out the provisions of this chapter must be provided by legislative appropriation from the State General Fund, and paid out on claims as other claims against the State are paid. All claims relating to a division facility individually must be approved by the administrative officer of such facility before they are paid.

Sec. 55. For the purposes of this chapter, the Department may accept:

1. Money appropriated and made available by any act of the Congress of the United States;
2. Money and contributions made available by a county, a city, a public district or any political subdivision of this State; and
3. Money and contributions made available by a public or private corporation, a private foundation, an individual or a group of individuals.

Sec. 55.2. 1. Upon approval of the Director of the Department, the Administrator may accept:

(a) Donations of money and gifts of real or personal property; and
(b) Grants of money from the Federal Government, for use in public or private programs that provide services to persons in this State with intellectual disabilities and persons with related conditions.

2. The Administrator shall disburse any donations, gifts and grants received pursuant to this section to programs that provide services to persons with intellectual disabilities and persons with related conditions in a manner that supports the plan to coordinate services created by the Commission on Behavioral Health pursuant to subsection 7 of NRS 433.316. In the absence of a plan to coordinate services, the Administrator shall make disbursements to programs that will maximize the benefit provided to persons with intellectual disabilities and persons with related conditions in consideration of the nature and value of the donation, gift or grant.
3. Within limits of legislative appropriations or other available money, the Administrator may enter into a contract for services related to the evaluation and recommendation of recipients for the disbursements required by this section.

Sec. 55.4. 1. The Division shall establish a fee schedule for services rendered through any program supported by the State pursuant to the provisions of this chapter. The schedule must be submitted to the Commission on Behavioral Health and the Director of the Department for joint approval before enforcement. The fees collected by facilities operated by the Division pursuant to this schedule must be deposited in the State Treasury to the credit of the State General Fund, except as otherwise provided in section 54.4 of this act for fees collected pursuant to contract or agreement and in NRS 435.120 for fees collected for services to consumers with intellectual disabilities and related conditions.

2. For a facility providing services for the treatment of persons with intellectual disabilities and persons with related conditions, the fee established must approximate the cost of providing the service, but if a consumer is unable to pay in full the fee established pursuant to this section, the Division may collect any amount the consumer is able to pay.

Sec. 55.6. 1. Physicians and other professional staff employed within any division facility shall receive a reasonable fee for evaluations, examinations or court testimony when directed by the court to perform such services.

2. If such evaluation or testimony is provided while the physician or other professional person is acting as an employee of a division facility, the fee shall be received by the division facility at which he or she is employed.

Sec. 55.8. An intellectual disability center revolving account up to the amount of $5,000 is hereby created for each division intellectual disability center, and may be used for the payment of intellectual disability center bills requiring immediate payment and for no other purposes. The respective administrative officers shall deposit the money for the respective revolving accounts in one or more banks or credit unions of reputable standing. Payments made from each account must be promptly reimbursed from appropriated money of the respective intellectual disability centers on claims as other claims against the State are paid.

Sec. 56. For the purposes of this chapter, the residence of a person is:
1. The domicile of such person;
2. If the domicile of the person cannot be ascertained, the place where the person was last employed; or
3. If the domicile of the person cannot be ascertained and he or she is not or was not employed, the place where the person made his or her home or headquarters.
Sec. 57. 1. For the purpose of facilitating the return of nonresident consumers to the state in which they have legal residence, the Administrator may enter into reciprocal agreements, consistent with the provisions of this chapter, with the proper boards, commissioners or officers of other states for the mutual exchange of consumers confined in, admitted or committed to an intellectual disability facility in one state whose legal residence is in the other, and may give written permission for the return and admission to a division facility of any resident of this State when such permission is conformable to the provisions of this chapter governing admissions to a division facility.
2. The county clerk and board of county commissioners of each county, upon receiving notice from the Administrator that an application for the return of an alleged resident of this State has been received, shall promptly investigate and report to the Administrator their findings as to the legal residence of the consumer.

Sec. 57.1. 1. All expenses incurred for the purpose of returning a consumer to the state in which the consumer has a legal residence shall be paid from the moneys of the consumer or by the relatives or other persons responsible for the consumer’s care and treatment under his or her commitment or admission.
2. In the case of indigent consumers whose relatives cannot pay the costs and expenses of returning such consumers to the state in which they have residence, the costs may be assumed by the State. These costs must be advanced from moneys appropriated for the general support of the division facility wherein the consumer was receiving care, treatment or training, if such consumer was committed to a division facility at the time of the transfer, and must be paid out on claims as other claims against the State are paid.

Sec. 57.2. The Administrator shall:
1. Comply with any agreements made by the Administrator pursuant to section 57 of this act; and
2. Accept for admission to a division facility any resident child of this State for whom written permission for return and admission to a division facility was given by the Administrator pursuant to section 57 of this act.

Sec. 57.4. As used in sections 57.4 to 58.5, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 57.6, 57.7 and 57.8 of this act have the meanings ascribed to them in those sections.

Sec. 57.6. "Administrative officer" means a person with overall executive and administrative responsibility for a facility that provides services relating to intellectual disabilities and related conditions and that is operated by any public or private entity.
Sec. 57.7. "Facility" means any:
1. Unit or subunit operated by the Division for the care, treatment and training of consumers.
2. Hospital, clinic or other institution operated by any public or private entity, for the care, treatment and training of consumers.

Sec. 57.8. "Rights" includes, without limitation, all rights provided to a consumer pursuant to sections 57.4 to 58.5, inclusive, of this act, and any regulations adopted pursuant thereto.

Sec. 58. This chapter does not limit the right of any person detained hereunder to a writ of habeas corpus upon a proper application made at any time by such person or any other person on his or her behalf.

Sec. 58.1. 1. Each consumer admitted for evaluation, treatment or training to a facility has the following rights concerning admission to the facility, a list of which must be prominently posted in all facilities providing those services and must be otherwise brought to the attention of the consumer by such additional means as prescribed by regulation:
(a) The right not to be admitted to the facility under false pretenses or as a result of any improper, unethical or unlawful conduct by a staff member of the facility to collect money from the insurance company of the consumer or for any other financial purpose.
(b) The right to receive a copy, on request, of the criteria upon which the facility makes its decision to admit or discharge a consumer from the facility. Such criteria must not, for emergency admissions or involuntary court-ordered admissions, be based on the availability of insurance coverage or any other financial considerations.

2. As used in this section, "improper conduct" means a violation of the rules, policies or procedures of the facility.

Sec. 58.13. 1. Each consumer admitted for evaluation, treatment or training to a facility has the following rights concerning involuntary commitment to the facility, a list of which must be prominently posted in all facilities providing those services and must be otherwise brought to the attention of the consumer by such additional means as prescribed by regulation:

(b) To receive a copy of the procedure of the facility regarding involuntary commitment and treatment.
(c) To receive a list of the consumer's rights concerning involuntary commitment or treatment.

2. If the results of an evaluation conducted by a psychiatrist or psychologist pursuant to subsection 1 conflict in any manner with the results of an evaluation conducted by the facility, the facility may request and receive a third evaluation of the consumer to resolve the conflicting portions of the previous evaluations.

Sec. 58.17. Each consumer admitted for evaluation, treatment or training to a facility has the following personal rights, a list of which must be prominently posted in all facilities providing those services and must be otherwise brought to the attention of the consumer by such additional means as prescribed by regulation:

1. To wear the consumer’s own clothing, to keep and use his or her own personal possessions, including toilet articles, unless those articles may be used to endanger the consumer’s life or others’ lives, and to keep and be allowed to spend a reasonable sum of the consumer’s own money for expenses and small purchases.

2. To have access to individual space for storage for his or her private use.

3. To see visitors each day.

4. To have reasonable access to telephones, both to make and receive confidential calls.

6. To have reasonable access to an interpreter if the consumer does not speak English or is hearing impaired.

7. To designate a person who must be kept informed by the facility of the consumer’s medical and mental condition, if the consumer signs a release allowing the facility to provide such information to the person.

   (a) A member of the staff of the facility or related medical personnel, as appropriate;
   (b) A person who obtains a waiver by the consumer of his or her right to keep the medical records confidential; or
   (c) A person who obtains a court order authorizing the access.
9. Other personal rights as specified by regulation of the Division.

Sec. 58.2. Each consumer admitted for evaluation, treatment or training to a facility has the following rights concerning care, treatment and training, a list of which must be prominently posted in all facilities providing those services and must be otherwise brought to the attention of the consumer by such additional means as prescribed by regulation:

1. To medical, psychosocial and rehabilitative care, treatment and training including prompt and appropriate medical treatment and care for physical and mental ailments and for the prevention of any illness or disability. All of that care and treatment must be consistent with standards of practice of the respective professions in the community and is subject to the following conditions:

(a) Before instituting a plan of care, treatment or training or carrying out any necessary surgical procedure, express and informed consent must be obtained in writing from:

(d) Even in the absence of express and informed consent, a licensed and qualified physician may render emergency medical care or treatment to any consumer who has been injured in an accident or who is suffering from an acute illness, disease or condition if, within a reasonable degree of medical certainty, delay in the initiation of emergency medical care or treatment would endanger the health of the consumer and if the treatment is immediately entered into the consumer’s record of treatment, subject to the provisions of paragraph (e); and

(e) If the proposed emergency medical care or treatment is deemed by the chief medical officer of the facility to be unusual, experimental or generally occurring infrequently in routine medical practice, the chief medical officer shall request consultation from other physicians or
practitioners of healing arts who have knowledge of the proposed care or
treatment.

2. To be free from abuse, neglect and aversive intervention.

3. To consent to the consumer’s transfer from one facility to another, except that the Administrator of the Division or the Administrator’s
designee, or the Administrator of the Division of Child and Family Services of the Department or the Administrator’s designee, may order a transfer to be made whenever conditions concerning care, treatment or training warrant it. If the consumer in any manner objects to the transfer, the person ordering it must enter the objection and a written justification of the transfer in the consumer’s record of treatment and immediately forward a notice of the objection to the Administrator who ordered the transfer, and the Commission on Behavioral Health shall review the transfer pursuant to subsection 3 of section 58.47 of this act.

2. The plan must be kept current and must be modified, with the input and participation of the consumer, the parent or guardian of the consumer, or the legal guardian of the consumer, as appropriate, when indicated. The plan must be thoroughly reviewed at least once every 3 months.

3. The person in charge of implementing the plan of services must be designated in the plan.

Sec. 58.27. 1. Each facility shall make all of its decisions, policies, procedures and practices regarding emergency admissions or involuntary court-ordered admissions based upon clinical efficiency rather than cost containment.

2. This section does not preclude a public facility from making decisions, policies, procedures and practices within the limits of the money made available to the facility.

Sec. 58.3. 1. A consumer or the consumer’s legal guardian must be:
(a) Permitted to inspect the consumer’s records; and
(b) Informed of the consumer’s clinical status and progress at reasonable intervals of no longer than 3 months in a manner appropriate to his or her clinical condition.

2. Unless a psychiatrist has made a specific entry to the contrary in a consumer’s records, a consumer or the consumer’s legal guardian is entitled to obtain a copy of the consumer’s records at any time upon notice to the administrative officer of the facility and payment of the cost of reproducing the records.

Sec. 58.33. 1. The attending psychiatrist or physician is responsible for all medication given or administered to a consumer.

2. Each administrative officer shall establish a policy for the review of the administration, storage and handling of medications by nurses and nonprofessional personnel.

   (a) The consumer voluntarily agrees to perform the labor;
   (b) Engaging in the labor is not inconsistent with and does not interfere with the plan of services for the consumer;
   (c) The person responsible for the consumer’s treatment agrees to the plan of labor; and
   (d) The amount of time or effort necessary to perform the labor is not excessive.

In no event may discharge or privileges be conditioned upon the performance of such labor.

2. A consumer who performs labor which contributes to the operation and maintenance of the facility for which the facility would otherwise employ someone must be adequately compensated and the compensation must be in accordance with applicable state and federal labor laws.

3. A consumer who performs labor other than that described in subsection 2 must be compensated an adequate amount if an economic benefit to another person or agency results from the consumer’s labor.

4. The administrative officer of the facility may provide for compensation of a resident when the resident performs labor not governed by subsection 2 or 3.

5. This section does not apply to labor of a personal housekeeping nature or to labor performed as a condition of residence in a small group living arrangement.

6. One-half of any compensation paid to a consumer pursuant to this section is exempt from collection or retention as payment for services rendered by the Division or its facilities. Such an amount is also exempt
from levy, execution, attachment, garnishment or any other remedies provided by law for the collection of debts.

Sec. 58.4. Each consumer admitted for evaluation, treatment or training to a facility has the following rights concerning the suspension or violation of his or her rights, a list of which must be prominently posted in all facilities providing those services and must be otherwise brought to the attention of the consumer by such additional means as prescribed by regulation:

1. To receive a list of the consumer’s rights.

2. To receive a copy of the policy of the facility that sets forth the clinical or medical circumstances under which the consumer’s rights may be suspended or violated.

3. To receive a list of the clinically appropriate options available to the consumer or the consumer’s family to remedy an actual or a suspected suspension or violation of his or her rights.

4. To have all policies of the facility regarding the rights of consumers prominently posted in the facility.

Sec. 58.43. Each facility shall, within a reasonable time after a consumer is admitted to the facility for evaluation, treatment or training, ask the consumer to sign a document that reflects that the consumer has received a list of the consumer’s rights and has had those rights explained to him or her.

Sec. 58.47. 1. The rights of a consumer enumerated in this chapter must not be denied except to protect the consumer’s health and safety or to protect the health and safety of others, or both. Any denial of those rights in any facility must be entered in the consumer’s record of treatment, and notice of the denial must be forwarded to the administrative officer of the facility. Failure to report denial of rights by an employee may be grounds for dismissal.

2. If the administrative officer of a facility receives notice of a denial of rights as provided in subsection 1, the officer shall cause a full report to be prepared which must set forth in detail the factual circumstances surrounding the denial. Except as otherwise provided in NRS 239.0115, such a report is confidential and must not be disclosed. A copy of the report must be sent to the Commission on Behavioral Health.

3. The Commission on Behavioral Health:
   (a) Shall receive reports of and may investigate apparent violations of the rights guaranteed by this chapter;
   (b) May act to resolve disputes relating to apparent violations;
   (c) May act on behalf of consumers to obtain remedies for any apparent violations; and

   (a) The denial of the rights of a consumer; or
   (b) The care and treatment of a consumer.

The provisions of this subsection do not require a meeting of the Commission on Behavioral Health to be closed to the public.

Sec. 58.5. An officer, director or employee of a facility shall not retaliate against any person for having:
   1. Reported any violation of law; or
   2. Provided information regarding a violation of law, by the facility or a staff member of the facility.

Sec. 58.57. 1. There may be maintained as a trust fund at each division facility a consumers’ personal deposit fund.
   2. Money coming into the possession of the administrative officer of a division facility which belongs to a consumer must be credited in the fund in the name of that consumer.
   3. When practicable, individual credits in the fund must not exceed the sum of $300.
   4. Any amounts to the credit of a consumer may be used for purchasing personal necessities, for expenses of burial or may be turned over to the consumer upon the consumer’s demand, except that when the consumer is adjudicated mentally incompetent the guardian of the consumer’s estate has the right to demand and receive the money.
   5. An amount accepted for the benefit of a consumer for a special purpose must be reserved for that purpose regardless of the total amount to the credit of the consumer.
   6. Except as otherwise provided in subsection 7, the administrative officers shall deposit any money received for the funds of their respective facilities in commercial accounts with one or more banks or credit unions of reputable standing. When deposits in a commercial account exceed $15,000, the administrative officer may deposit the excess in a savings account paying interest in any reputable commercial bank, or in any credit union or savings and loan association within this state that is federally insured or insured by a private insurer approved pursuant to NRS 678.755. The savings account must be in the name of the fund. Interest paid on deposits in the savings account may be used for recreational purposes at the division facility.
   7. The administrative officers may maintain at their respective division facilities petty cash of not more than $400 of the money in the consumers’
personal deposit fund to enable consumers to withdraw small sums from their accounts.

Sec. 58.6. Whenever any person admitted to a division facility dies, the administrative officer shall send written notice to the decedent’s legally appointed representative, listing the personal property remaining in the custody or possession of the facility. If there is no demand made upon the administrative officer of the facility by the decedent’s legally appointed representative, all personal property of the decedent remaining in the custody or possession of the administrative officer must be held by the officer for a period of 1 year from the date of the decedent’s death for the benefit of the heirs, legatees or successors of the decedent. At the end of this period, another notice must be sent to the decedent’s representative, listing the property and specifying the manner in which the property will be disposed of if not claimed within 15 business days. After 15 business days, all personal property and documents of the decedent, other than cash, remaining unclaimed in the possession of the administrative officer must be disposed of as follows:

1. All documents must be filed by the administrative officer with the public administrator of the county from which the consumer was admitted.
2. All other personal property must be sold at a public auction or by sealed bids. The proceeds of the sale must be applied to the decedent’s unpaid balance for costs incurred at the division facility.

Sec. 58.63. 5. A license is suspended by operation of law when the facility, agency or home is no longer covered by a surety bond as required by this section or by a substitute for the surety bond pursuant to NRS 449.067. The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 915.

AN ACT relating to public financial administration; enlarging the purposes for which a grant [or loan] may be made to a local government from the Disaster Relief Account; revising the process for requesting a grant or loan from the Account and for reviewing such a request; enlarging the purposes for which a local government may use money in a fund to mitigate the effects of a natural disaster; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law establishes a process by which a state agency or a local government may apply to the State Board of Examiners and the Interim Finance Committee for a grant or loan from the Disaster Relief Account, and also specifies the purposes for which that money may be used. (NRS 353.2705-353.2771) Money granted or loaned to a local government from the Account may be used, among other purposes, to pay a portion of
any “grant match” the local government must provide to obtain a grant from a federal disaster assistance agency. (NRS 353.2715, 353.2725, 353.2745, 353.2751) **Sections 1, 2, 5 and 6** of this bill remove the limitation that the federal agency making such a grant must be a disaster assistance agency, with the result that money granted or loaned from the Account may be used to match a grant from any federal agency. **Section 10** of this bill makes a similar change with respect to the use of money from a fund established by a local government to mitigate the effects of a natural disaster. (NRS 354.6115)

**Sections 1 and 5** of this bill otherwise enlarge the purposes for which money granted from the Account may be used, to authorize use of the money for a project to prevent or reduce the likelihood of damage or injury resulting from a similar disaster in the future, the removal of debris.

The remaining provisions of this bill revise the process for submitting and reviewing a request for a grant or loan from the Account. **Section 9** of this bill requires a state agency or a local government to give notice of its intention to request a grant or loan to the Division of Emergency Management of the Department of Public Safety, which forwards that notice to the State Board of Examiners and the Fiscal Analysis Division of the Legislative Counsel Bureau. **Section 9** enlarges the time within which the request must thereafter be submitted, and requires that it be submitted initially to the Division of Emergency Management and the Department of Taxation for review and comment. The request and the reports of each agency are transmitted to the State Board of Examiners and the Fiscal Analysis Division. The State Board of Examiners then considers the request and the reports and makes a recommendation to the Interim Finance Committee as provided under existing law. (NRS 353.2755, 353.276)

**THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:**

**Section 1.** NRS 353.2715 is hereby amended to read as follows:

353.2715 “Eligible project” means a project that:

1. Is related to a disaster; and
2. Is proposed, coordinated or conducted by a public or nonprofit private entity that has been designated and approved as qualifying and eligible to receive federal grant money for the disaster from a federal disaster assistance agency.

**Sec. 2.** NRS 353.2725 is hereby amended to read as follows:

353.2725 “Grant match” means the share of a grant provided by a federal disaster assistance agency that must be matched by a state or local government.
Sec. 3. NRS 353.2735 is hereby amended to read as follows:

353.2735  1. The Disaster Relief Account is hereby created in the State General Fund. The Interim Finance Committee shall administer the Disaster Relief Account.

2. The Division may accept grants, gifts or donations for deposit in the Disaster Relief Account. Except as otherwise provided in subsection 3, money received from:
   (a) A direct legislative appropriation to the Disaster Relief Account;
   (b) A transfer from the State General Fund in an amount equal to not more than 10 percent of the aggregate balance in the Account to Stabilize the Operation of the State Government made pursuant to NRS 353.288; and
   (c) A grant, gift or donation to the Disaster Relief Account, must be deposited in the Disaster Relief Account. Except as otherwise provided in NRS 414.135, the interest and income earned on the money in the Disaster Relief Account must, after deducting any applicable charges, be credited to the Disaster Relief Account.

3. If, at the end of each quarter of a fiscal year, the balance in the Disaster Relief Account exceeds 0.75 percent of the total amount of all appropriations from the State General Fund for the operation of all departments, institutions and agencies of State Government and authorized expenditures from the State General Fund for the regulation of gaming for that fiscal year, the State Controller shall not, until the balance in the Disaster Relief Account is 0.75 percent or less of that amount, transfer any money in the Account to Stabilize the Operation of the State Government from the State General Fund to the Disaster Relief Account pursuant to the provisions of NRS 353.288.

4. Money in the Disaster Relief Account may be used for any purpose authorized by the Legislature or distributed through grants and loans to state agencies and local governments as provided in NRS 353.2705 to 353.2771, inclusive. Except as otherwise provided in NRS 353.276, such grants will be disbursed on the basis of reimbursement of costs authorized pursuant to NRS 353.274 and 353.2745.

5. If the Governor declares a disaster, the State Board of Examiners receives a notice submitted to and forwarded by the Division pursuant to subsections 1 and 2 of NRS 353.2755, the State Board of Examiners shall estimate:
   (a) The money in the Disaster Relief Account that is available for grants and loans for the disaster that is the subject of the notice pursuant to the provisions of NRS 353.2705 to 353.2771, inclusive; and
   (b) The anticipated amount of those grants and loans for the disaster. Except as otherwise provided in this subsection, if the anticipated amount determined pursuant to paragraph (b) exceeds the available money in the
Disaster Relief Account for such grants and loans, all grants and loans from the Disaster Relief Account for the disaster must be reduced in the same proportion that the anticipated amount of the grants and loans exceeds the money in the Disaster Relief Account that is available for grants and loans for the disaster. If the reduction of a grant or loan from the Disaster Relief Account would result in a reduction in the amount of money that may be received by a state agency or local government from the Federal Government, the reduction in the grant or loan must not be made.

Sec. 4. NRS 353.274 is hereby amended to read as follows:

353.274  Money in the Account may be distributed as a grant to a state agency because of a disaster for the payment of expenses incurred by the state agency for:

The following amendment was proposed by the Committee on Legislative Operations and Elections:
Amendment No. 911.
SENATE JOINT RESOLUTION—Proposing to amend the Nevada Constitution to provide for limited annual regular legislative sessions, to authorize the Legislature to hold regular or special sessions at places other than Carson City, and to authorize a change in legislative compensation and expenses to be paid in a manner fixed and determined by law.
Legislative Counsel's Digest:
The Nevada Constitution provides for biennial regular sessions of the Legislature of not more than 120 consecutive calendar days beginning on the first Monday of February in each odd-numbered year. (Nev. Const. Art. 4, § 2) This resolution proposes to amend the Nevada Constitution to provide for limited annual regular sessions. Beginning on the first Monday of February in each odd-numbered year, the Legislature would hold a regular session of not more than 90 legislative days during a maximum period of 120 consecutive calendar days. Beginning on the first Tuesday of March in each even-numbered year, the Legislature would hold a regular session of not more than 30 legislative days during a maximum period of 45 consecutive calendar days. This resolution defines a "legislative day" as any calendar day on which either House of the Legislature is in session or any legislative committee holds a meeting during a session.

The Nevada Constitution also requires the Legislature to hold its regular or special sessions at the seat of government in Carson City. (Nev. Const. Art. 4, § 1, Art. 15, § 1) In addition, the Nevada Constitution prohibits one House of the Legislature from adjourning to another location during a regular or special session without the consent of the other House. (Nev. Const. Art. 4, § 15) This resolution proposes to amend the Nevada Constitution to authorize the Legislature to hold all or any portion of a regular or special session at any place in this State if a majority of each House of the Legislature agrees to do so and follows certain required procedures.

This resolution also proposes to amend the Nevada Constitution to change the compensation for Legislators.

The Nevada Constitution authorizes Legislators to: (1) receive compensation for the first 60 days of each regular session and the first 20 days of each special session; and (2) appropriate funds for the payment of the actual expenses members of the Legislature may incur for postage, express charges, newspapers and stationery in an amount not to exceed $60 per
member for each general or special session. (Nev. Const. Art. 4, § 33) This resolution proposes to amend the Nevada Constitution to remove those provisions and to provide that Legislators must be paid at regular intervals as set by law and may appropriate funds for the payment of the actual expenses members of the Legislature may incur for each regular or special session.

If this resolution is passed by the 2013 Legislature, it must also be passed by the next Legislature and then approved and ratified by the voters in an election before the proposed amendments to the Nevada Constitution become effective.

RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF NEVADA, JOINTLY, That the provisions of Article 4 of the Nevada Constitution be amended as follows:

3. During a regular or special session, by a concurrent resolution, a majority of the members elected to each House of the Legislature may designate another place in this State to hold all or any portion of the session, including, without limitation, changing the place designated in a petition filed with the Secretary of State pursuant to subsection 4.

4. A petition must specify the session and the alternate place where all or any portion of the session will be held, and it must be transmitted to the Secretary of State not later than 5 calendar days before the commencement of the session. Upon receipt of one or more substantially similar petitions signed, in the aggregate, by the required number of members, the Secretary of State shall notify all members of the Legislature and the Governor of the alternate place where all or any portion of the session will be held. By the same procedure and within the same time limit, a majority of the members elected to each House of the Legislature who will serve at the regular or special session may change any alternate place designated in the petition filed with the Secretary of State where all or any portion of the session will be held.
5. The Legislature may provide by law for supplemental procedures for
designating or changing the alternate place where all or any portion of a
regular or special session will be held pursuant to this section.

RESOLVED, That Section 2 of Article 19 of the Nevada Constitution be amended to read as follows:

Sec. 2. 1. Notwithstanding the provisions of Section 1 of Article 4 of this Constitution, but subject to the limitations of Section 6 of this Article, the people reserve to themselves the power to propose, by initiative petition, statutes and amendments to statutes and amendments to this Constitution, and to enact or reject them at the polls.

2. An initiative petition shall be in the form required by Section 3 of this Article and shall be proposed by a number of registered voters equal to 10 percent or more of the number of voters who voted at the last preceding general election in not less than 75 percent of the counties in the State, but the total number of registered voters signing the initiative petition shall be equal to 10 percent or more of the voters who voted in the entire State at the last preceding general election.

3. If the initiative petition proposes a statute or an amendment to a statute, the person who intends to circulate it shall file a copy with the Secretary of State before beginning circulation and not earlier than January 1 of the year preceding the year in which such petition is transmitted to the Legislature. The circulation of the petition shall cease on the day the petition is filed with the Secretary of State or such other date as may be prescribed for the verification of the number of signatures affixed to the petition, whichever is earliest. The Secretary of State shall transmit such petition to the Legislature as soon as the Legislature convenes and organizes. The petition shall take precedence over all other measures except appropriation bills, and the statute or amendment to a statute proposed thereby shall be enacted or rejected by the Legislature without change or amendment within 40 days. If the proposed statute or amendment to a statute is enacted by the Legislature and approved by the Governor in the same manner as other statutes are enacted, such statute or amendment to a statute shall become law, but shall be subject to referendum petition as provided in Section 1 of this Article. If the statute or amendment to a statute is rejected by the Legislature, or if no action is taken thereon within 40 days, the Secretary of State shall submit the question of approval or disapproval of such statute or amendment to a statute to a vote of the voters at the next
If a majority of the voters voting on such question at such election votes approval of such statute or amendment to a statute, it shall become law and take effect upon completion of the canvass of votes by the Supreme Court. An initiative measure so approved by the voters shall not be amended, annulled, repealed, set aside or suspended by the Legislature within 3 years from the date it takes effect. If a majority of such voters votes disapproval of such statute or amendment to a statute, no further action shall be taken on such petition. If the Legislature rejects such proposed statute or amendment, the Governor may recommend to the Legislature and the Legislature may propose a different measure on the same subject, in which event, after such different measure has been approved by the Governor, the question of approval or disapproval of each measure shall be submitted by the Secretary of State to a vote of the voters at the next succeeding general election. If the conflicting provisions submitted to the voters are both approved by a majority of the voters voting on such measures, the measure which receives the largest number of affirmative votes shall thereupon become law. If at the session of the Legislature to which an initiative petition proposing an amendment to a statute is presented which the Legislature rejects or upon which it takes no action, the Legislature amends the statute which the petition proposes to amend in a respect which does not conflict in substance with the proposed amendment, the Secretary of State in submitting the statute to the voters for approval or disapproval of the proposed amendment shall include the amendment made by the Legislature.

4. If the initiative petition proposes an amendment to the Constitution, the person who intends to circulate it shall file a copy with the Secretary of State before beginning circulation and not earlier than September 1 of the year before the year in which the election is to be held. After its circulation it shall be filed with the Secretary of State not less than 90 days before any regular general election at which the question of approval or disapproval of such amendment may be voted upon by the voters of the entire State. The circulation of the petition shall cease on the day the petition is filed with the Secretary of State or such other date as may be prescribed for the verification of the number of signatures affixed to the petition, whichever is earliest. The Secretary of State shall cause to be published in a newspaper of general circulation, on three separate occasions, in each county in the State, together with any explanatory matter which shall be placed upon the ballot, the entire text of the proposed amendment. If a majority of the voters voting on such question at such election votes disapproval of such amendment, no further action shall be taken on the petition. If a majority of such voters votes approval of such amendment, the Secretary of State shall publish and resubmit the question of approval or disapproval to a vote of the voters at the next succeeding general election in the same manner as such question was
originally submitted. If a majority of such voters votes disapproval of such amendment, no further action shall be taken on such petition. If a majority of such voters votes approval of such amendment, it shall, unless precluded by subsection 5 or 6, become a part of this Constitution upon completion of the canvass of votes by the Supreme Court.

5. If two or more measures which affect the same section of a statute or of the Constitution are finally approved pursuant to this Section, or an amendment to the Constitution is finally so approved and an amendment proposed by the Legislature is ratified which affect the same section, by the voters at the same election:

(a) If all can be given effect without contradiction in substance, each shall be given effect.

(b) If one or more contradict in substance the other or others, the measure which received the largest favorable vote, and any other approved measure compatible with it, shall be given effect. If the one or more measures that contradict in substance the other or others receive the same number of favorable votes, none of the measures that contradict another shall be given effect.

6. If, at the same election as the first approval of a constitutional amendment pursuant to this Section, another amendment is finally approved pursuant to this Section, or an amendment proposed by the Legislature is ratified, which affects the same section of the Constitution but is compatible with the amendment given first approval, the Secretary of State shall publish and resubmit at the next general election the amendment given first approval as a further amendment to the section as amended by the amendment given final approval or ratified. If the amendment finally approved or ratified contradicts in substance the amendment given first approval, the Secretary of State shall not submit the amendment given first approval to the voters again.
