Assembly called to order at 2:29 p.m.
Mr. Speaker presiding.
Roll called.
All present.
Prayer by the Chaplain, Pastor Norm Milz.
Almighty God, as we come to the beginning of another week of this legislative session, we thank You for what has been accomplished for the state of Nevada. But there is so much more to do.
Give us Your guidance as we turn our focus to the financing of the legislation we have approved and passed. May we give our serious attention to the fiscal issues that beset this state.
Thank You for giving us the leadership in the chamber and the Senate. May we all work together not for our own advancement, but for the advancement and welfare of all of Nevada’s citizens.
All these things we bring to You knowing You hear and care for us, in Jesus’ name. AMEN.

Pledge of allegiance to the Flag.

Assemblyman Paul Anderson moved that further reading of the Journal be dispensed with and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.
Motion carried.

Assembly Bill No. 177. Bill read second time.
The following amendment was proposed by the Committee on Legislative Operations and Elections:
Amendment No. 222.
AN ACT relating to elections; prohibiting with limited exception, the name of an ineligible candidate who is not eligible to hold the office for which he or she is a candidate from appearing on the ballot unless the period for changing the ballot has elapsed; providing certain remedies and penalties in preelection challenges to the qualifications of a candidate; prohibiting the filling of a vacancy in a nomination for a partisan or nonpartisan office under certain circumstances; amending the certain residency requirements for candidates for office; requiring a certain officer to verify the accuracy of all information contained in a declaration or acceptance of candidacy; increasing the penalty for a candidate who files certain documents containing a false statement; requiring certain proofs of identity and residency when filing for candidacy; changing the deadline for an elector to file a written challenge of certain preelection challenges to the qualifications of a candidate; requiring, under certain circumstances, a candidate who was found by a court to be ineligible to hold office to pay the attorney's fees and court costs of the elector who filed the challenge of candidacy; prohibiting providing that a vote cast for an ineligible candidate who is not eligible to hold the office for which he or she is a candidate from being counted a nullity and void for the purposes of determining the outcome of an election; prohibiting an ineligible candidate from demanding a recount, filing a contest of election or receiving a
certificate of election; making conforming changes to the definition of “actual residence” for purposes of candidacy; making various other changes relating to elections; increasing certain penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under certain circumstances, existing law sets forth procedures for filling a vacancy in a nomination for a nonpartisan or partisan office. Under existing law, except that no changes may be made to the ballot after the fourth Friday in June before the statutorily-prescribed date preceding any general election. If, after that date, a vacancy occurs in a nomination, the nominee’s name must remain on the ballot for the general election and, if that person is elected, a vacancy in the office exists.

Further, under existing law, if a candidate whose name appears on a ballot is disqualified from entering upon the duties of an office or dies after the deadline for making changes to the ballot has passed, the Secretary of State and county or city clerk, as applicable, are required to post a sign at each polling place where the person’s name will appear on the ballot notifying voters of the candidate’s disqualification or death.

Section 3 of this bill prohibits the filling of a vacancy in a nomination for a nonpartisan or partisan office.

This bill revises the legal rules, standards and procedures that apply to a person who is or becomes an ineligible candidate during an election. Section 1.5 of this bill defines the term “ineligible candidate” to mean a person who is a candidate for any office and who: (1) dies; (2) is adjudicated insane or mentally incompetent; (3) fails to meet any qualification required for the office; or (4) is found by a court to be disqualified from entering upon the duties of the office.

In the absence of a statute prescribing a different rule, the general rule under the common law is that the votes cast for a deceased, disqualified or ineligible candidate are not treated as void but are counted in determining the outcome of the election with regard to the other candidates, which renders the election nugatory and prevents the election of the candidate who receives the next highest number of votes. (Ingersoll v. Lamb, 75 Nev. 1, 4 (1959)) Sections 1.7, 15, 18.3 and 26 of this bill abrogate the common-law rule and provide that any vote cast for an ineligible candidate is a nullity and void and must not be given any legal force or effect for the purposes of determining the outcome of the election. Sections 1.8 and 17.4-17.9 of this bill also provide that an ineligible candidate may not demand or receive a recount of the vote at the election or contest the results of the election.
Sections 2 and [18.5] of this bill provide that if, after a person files a declaration of candidacy, the person dies, is adjudicated insane or mentally incompetent, or it is found not to be eligible to hold the office for which he or she is a candidate, the person’s name of an ineligible candidate must not appear on the ballot at any election unless the county or city clerk, as applicable, determines that there is not time to remove the name of the candidate from the period for making changes on the ballot. In such a situation, the county or city clerk, as applicable, has elapsed. If the period has elapsed, local election officials must [1] post a sign provide notice to the voters at each affected polling place, [2] post a notice on or near each mechanical voting device at those polling places, and [3] place a sticker on each paper ballot and absent ballot that the ineligible candidate is not eligible to take office and that any vote cast for that person will not be counted for purposes of determining the outcome of the election.

Sections 15 and 26 of this bill provide that a vote cast for a candidate who is not eligible for the office for which he or she is a candidate may not be counted in the ineligible candidate will be a nullity and void and will not be given any legal force or effect for the purposes of determining the outcome of the election.

Under existing law, there are several different types of pre-election court actions that may be brought to challenge a candidate on grounds that the candidate fails to meet any qualification required for the office, including actions for a declaratory judgment or a writ of mandamus. (NRS 281.050, 293.182, 293C.186; DeStefano v. Berkus, 121 Nev. 627, 628-31 (2005); Child v. Lomax, 124 Nev. 600, 604-05 (2008)) Section 2.5 of this bill provides that in any pre-election action where the court finds that a candidate fails to meet any qualification required for the office: (1) the candidate becomes an ineligible candidate and local election officials must take appropriate action to remove the candidate’s name from the ballot or provide the required notice to voters; (2) the candidate is disqualified from taking office; and (3) the court may order the candidate to pay the attorney’s fees and costs of the party who brought the action, including the Attorney General or a district attorney or city attorney.

Under existing law, certain state and local officials must issue a certificate of election to the candidate receiving the highest number of votes for an office as official recognition of the candidate’s election to the office. (NRS 4.020, 218A.210, 245.010, 258.010, 267.050, 283.130, 293.034, 293.393-293.397, 293.435, 293C.387, 293C.395, 386.260, 539.157; Caliente City Charter 5.100; Carlin City Charter 5.090; Carson City Charter 5.100; Elko City Charter 5.090; Henderson City
Existing law sets forth procedures for filling certain vacancies in a nomination for a nonpartisan or partisan office that occur before a statutorily-prescribed date preceding any general election. (NRS 293.165, 293.166, 293C.190) Section 3 of this bill prohibits a vacancy in a nomination for a partisan office from being filled if the vacancy occurs because the candidate fails to meet any qualification required for the office or is found by a court to be disqualified from taking office, except that the prohibition does not apply to such a vacancy occurring before certain special elections. If a vacancy in a nomination for a nonpartisan or partisan office occurs for certain other reasons, sections 4, 4.5 and 22.5 of this bill allow such a vacancy to be filled in the manner provided by existing law before the statutorily-prescribed date preceding the general election.

Under existing law, the Legislature may enact statutory qualifications to be a candidate for an elective office which are in addition to any constitutional qualifications required for the office. (Mengelkamp v. List, 88 Nev. 542, 544-45 (1972); Riter v. Douglass, 32 Nev. 400, 435-36 (1910)) Such additional statutory qualifications may include residency requirements, and both the United States Supreme Court and the Nevada Supreme Court have upheld residency requirements that require a candidate to be a state resident for 2 or more years. (Clements v. Fashing, 457 U.S. 957, 967-68 (1982) (explaining that the Court upheld New Hampshire’s 7-year state residency requirement for gubernatorial candidates when it summarily affirmed the lower court’s decision in Chimento v. Stark, 353 F. Supp. 1211 (D.N.H. 1973), summarily aff’d, 414 U.S. 802 (1973)); Schaefer v. Eighth Jud. Dist. Ct., No. 65361 (Nev. Apr. 14, 2014) (upholding Nevada’s 2-year state residency requirement for State Controller candidates in NRS 227.010))

Existing law sets forth certain residency requirements for candidates. In particular, a candidate must actually, as opposed to constructively, reside in the district to which the office pertains for at least 30 days preceding the date of the close of filing for candidacy. (NRS 293.1755, 293C.200) Additionally, a candidate for election or appointment to the Legislature
must be an actual, as opposed to constructive, resident of this State for 1 year preceding the person’s election or appointment. (NRS 218A.200) Sections 6 and 23 of this bill provide that all candidates must be an actual resident of the district to which the office pertains for at least 180 days preceding the date of the close of filing for a candidacy. Section 29 of this bill requires that a candidate for election or appointment to the Legislature be an actual resident of this State for 2 years preceding the person’s election or appointment.

Existing law: (1) requires a candidate to file a declaration or acceptance of candidacy before his or her name may appear on a ballot; and (2) provides that it is a gross misdemeanor for a candidate who knowingly and willfully files a declaration or acceptance of candidacy which contains a false statement regarding residency is guilty of a gross misdemeanor. (NRS 293.1755, 293.177, 293C.185, 293C.200) Sections 2 and 20 of this bill require the filing officer to verify the accuracy of all information contained in the person’s declaration or acceptance of candidacy pursuant to the procedure set forth in regulations adopted by the Secretary of State. Sections 6, 7, 20 and 23 of this bill increase the penalty for a candidate who knowingly and willfully files a declaration or acceptance of candidacy which contains a false statement is guilty of a category E felony.

Existing law requires a candidate for election or appointment to the Legislature to meet certain qualifications for the office. (NRS 218A.200) A candidate for election to the Legislature must also file a declaration of residency with his or her declaration or acceptance of candidacy. (NRS 293.181) Sections 8 and 29 of this bill provide that any such candidate who knowingly and willfully files a declaration or acceptance of candidacy, a declaration of residency or an application for appointment which contains a false statement is guilty of a category E felony.

Under existing law, a person who receives a certificate of election or appointment to office as a Legislator must take and subscribe to the official oath before taking office. (NRS 218A.220) Section 29.2 of this bill prohibits a person from taking and subscribing to the official oath as a Legislator if, after the person files a declaration or acceptance of candidacy and on or before the date of the general election, a court finds that the person is an ineligible candidate because the person fails to meet any qualification required for the office.

Before the Assembly meets for each regular session, existing law requires the Secretary of State to make out a roll from the election returns of the persons who received the highest number of votes to be elected as members of the Assembly, and the members whose names
appear upon the roll must be allowed to participate in the organization of the Assembly. (NRS 218A.400) Section 29.4 of this bill provides that if the name of an ineligible candidate for office as a member of the Assembly could not be removed from the ballot, the Secretary of State shall not include the ineligible candidate upon the roll of the persons elected as members of the Assembly and the name of the ineligible candidate must not appear upon the roll regardless of the number of votes cast for the ineligible candidate that are a nullity and void.

Existing law authorizes an elector to file a written challenge to a candidate’s qualifications not later than 5 working days after the last day for a person to formally withdraw his or her candidacy. Depending on the state or local office being sought by the candidate, the Attorney General or the appropriate district attorney or city attorney must review the challenge and, if he or she determines that probable cause exists to support the challenge, must bring a preelection court action challenging the candidate’s qualifications within a statutorily-prescribed period. (NRS 293.182, 293C.186; Williams v. Clark County Dist. Att’y, 118 Nev. 473, 477-79 (2002) (interpreting NRS 293.182 to permit an elector to file a written challenge not later than 5 working days after the last day for the candidate to formally withdraw his or her candidacy)). Sections 9 and 21 of this bill eliminate the deadline for filing a written challenge to a person’s candidacy. Sections 9 and 21 also authorize, under certain circumstances, a court to order a challenged person to pay the attorney’s fees and court costs of the elector who filed the challenge, the last Monday immediately preceding the first day of early voting for any general election.

Existing law defines the term “actual residence” to mean the place where a candidate is legally domiciled and maintains a permanent habitation, and when a candidate maintains more than one place of permanent habitation, the place designated by the candidate as his or her principal permanent habitation is deemed to be the candidate’s actual residence. (NRS 281.050) The Nevada Supreme Court has held that the place designated by the candidate as his or her principal permanent habitation must be the place where the candidate actually resides and is legally domiciled in order for the candidate to be eligible to the office. (Williams v. Clark County Dist. Att’y, 118 Nev. 473, 484-86 (2002); Chachas v. Miller, 120 Nev. 51, 53-56 (2004)) Section 30 of this bill amends existing law to reflect the Supreme Court’s holding.

The remaining sections of this bill make conforming changes to carry out the revisions to existing law.

Assembly Bill No. 249.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 522.

AN ACT relating to local governments; authorizing the Local Government Employee-Management Relations Board to appoint a Deputy Commissioner; requiring that a copy of a proposed collective bargaining agreement or similar agreement of a local government employer be made available to the public before its approval by the governing body of the local government; revising the process of fact-finding and arbitration following an impasse in bargaining; removing a portion of the budgeted ending fund balance of the general fund of a local government from the scope of collective bargaining and from consideration by a fact finder or arbitrator; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The Local Government Employee-Management Relations Board administers the provisions governing labor relations between local government employers and employee organizations. (NRS 288.080, 288.110) The Board is authorized by existing law to appoint a Commissioner, who serves in the unclassified service of the State. (NRS 288.090) Section 2.5 of this bill additionally authorizes the Board to appoint a Deputy Commissioner and section 8.5 of this bill makes an appropriation for that purpose.

Existing law provides that any new, extended or modified collective bargaining agreement or similar agreement between a local government employer and an employee organization must be approved at a public hearing by the governing body of the local government. At such a hearing, the chief executive officer of the local government must report on the fiscal impact of the proposed agreement. (NRS 288.153) Section 4 of this bill requires that a copy of the proposed agreement be posted on the Internet website of the local government or deposited with the county clerk not less than 21 days before the date of such a hearing. In addition, sections 1 and 4 of this bill require the chief executive officer to report whether the agreement is financially sustainable, meaning that the local government employer has the financial ability to pay compensation or monetary benefits in a given amount during the term of the agreement or for 3 years, whichever is longer, giving consideration to reserved money, nonrecurring revenue or a potential loss of revenue.
If an impasse is reached in collective bargaining negotiations, existing law establishes a process of fact-finding and arbitration. Existing law requires a fact finder to make a determination of the financial ability of the local government to grant monetary benefits. After the fact finder makes his or her report, the governing body of the local government employer must meet to consider the fiscal impact of the fact finder’s findings and recommendations, based upon a report from the chief executive officer of the local government. (NRS 288.200) Section 5 of this bill requires that the fact finder make a determination of the amount of compensation and monetary benefits that is financially sustainable for the local government employer, and that the chief executive officer and governing body also report on and consider whether the fact finder’s findings and recommendations are financially sustainable. Sections 6 and 7 of this bill make similar changes relating to the process of final and binding arbitration.

Existing law limits the extent to which money in certain governmental funds may be expended by a local government employer pursuant to a collective bargaining agreement or considered by a fact finder or arbitrator in determining the financial ability of the local government employer to pay monetary benefits. (NRS 288.200, 288.215, 288.217, 354.6241) Sections 3 and 8 of this bill provide that a budgeted ending fund balance for the general fund of a local government of not more than 25 percent of the total budgeted expenditures from the general fund, less capital outlay: (1) is not subject to collective bargaining negotiations; and (2) must not be considered by a fact finder or arbitrator in resolving issues of ability to pay or financial sustainability. Section 8 further provides that a fact finder or arbitrator may consider certain money previously reserved by a local government employer if the governing body of the local government employer makes a finding that the continued reservation of the money is no longer necessary.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Those actions may include the suspension of any collective bargaining agreement for the duration of the emergency. Any action taken under the provisions of this subsection must not be construed as a failure to negotiate in good faith.

The provisions of this chapter, including without limitation the provisions of this section, recognize and declare the ultimate right and responsibility of the local government employer to manage its operation in the most efficient manner consistent with the best interests of all its citizens, its taxpayers and its employees.

3. At the hearing, the chief executive officer of the local government shall report to the governing body of the local government the fiscal impact of the proposed agreement and whether the proposed agreement is financially sustainable.

Sec. 5. NRS 288.200 is hereby amended to read as follows:

1. If:

   (a) The parties have failed to reach an agreement after at least six meetings of negotiations; and

   (b) The parties have participated in mediation and by April 1, have not reached agreement,

   either party to the dispute, at any time after April 1, may submit the dispute to an impartial fact finder for the findings and recommendations of the fact finder. The findings and recommendations of the fact finder are not binding on the parties except as provided in subsections 5, 6 and 11. The mediator of a dispute may also be chosen by the parties to serve as the fact finder.
2. If the parties are unable to agree on an impartial fact finder or a panel of neutral arbitrators within 5 days, either party may request from the American Arbitration Association or the Federal Mediation and Conciliation Service a list of seven potential fact finders. If the parties are unable to agree upon which arbitration service should be used, the Federal Mediation and Conciliation Service must be used. Within 5 days after receiving a list from the applicable arbitration service, the parties shall select their fact finder from this list by alternately striking one name until the name of only one fact finder remains, who will be the fact finder to hear the dispute in question. The employee organization shall strike the first name.

3. The local government employer and employee organization each shall pay one-half of the cost of fact-finding. Each party shall pay its own costs of preparation and presentation of its case in fact-finding.

4. A schedule of dates and times for the hearing must be established within 10 days after the selection of the fact finder pursuant to subsection 2, and the fact finder shall report the findings and recommendations of the fact finder to the parties to the dispute within 30 days after the conclusion of the fact-finding hearing.

5. The parties to the dispute may agree, before the submission of the dispute to fact-finding, to make the findings and recommendations on all or any specified issues final and binding on the parties.

6. If the parties do not agree on whether to make the findings and recommendations of the fact finder final and binding, either party may request the formation of a panel to determine whether the findings and recommendations of a fact finder on all or any specified issues in a particular dispute which are within the scope of subsection 11 are to be final and binding. The determination must be made upon the concurrence of at least two members of the panel and not later than the date which is 30 days after the date on which the matter is submitted to the panel, unless that date is extended by the Commissioner of the Board. Each panel shall, when making its determination, consider whether the parties have bargained in good faith and whether it believes the parties can resolve any remaining issues. Any panel may also consider the actions taken by the parties in response to any previous fact-finding between these parties, the best interests of the State and all its citizens, the potential fiscal effect both within and outside the political subdivision, and any danger to the safety of the people of the State or a political subdivision.

7. Except as otherwise provided in subsection 10, any fact finder, whether the fact finder's recommendations are to be binding or not, shall base such recommendations or award on the following criteria:
   (a) A preliminary determination must be made as to whether: 
(1) The financial ability of the local government employer based on all existing available revenues as established by the local government employer and within the limitations set forth in NRS 354.6241, with due regard for the obligation of the local government employer to provide facilities and services guaranteeing the health, welfare and safety of the people residing within the political subdivision; and

(2) The amount of compensation and monetary benefits that is financially sustainable for the local government employer.

Except as otherwise provided in this paragraph and NRS 354.6241, in making those determinations, the fact finder shall not consider any nonrecurring revenue or nonrecurring transfer of money or any money reserved by the local government employer to pay the current or future costs of health benefits for retired employees or workers’ compensation benefits. The fact finder may consider nonrecurring revenue or a nonrecurring transfer of money in determining the ability of the local government employer to make a nonrecurring payment of compensation or monetary benefits.

(b) Once the fact finder determines in accordance with paragraph (a) that there is a current financial ability to grant compensation and monetary benefits and subject to the provisions of paragraph (c), the amount of compensation and monetary benefits that is financially sustainable, the fact finder shall consider, to the extent appropriate, the compensation of other government employees, both in and out of the State and use normal criteria for interest disputes regarding the terms and provisions to be included in an agreement in assessing the reasonableness of the position of each party as to each issue in dispute and the fact finder shall consider whether the Board found that either party had bargained in bad faith.

(c) A consideration of funding for the current year being negotiated. If the parties mutually agree to arbitrate a multiyear contract, the fact finder must consider the ability to pay over the life of the contract being negotiated or arbitrated.

The fact finder’s report must contain the facts upon which the fact finder based his or her determination of financial ability to grant compensation and monetary benefits and the amount of compensation and monetary benefits that is financially sustainable, and the fact finder’s recommendations or award.

8. Within 45 days after the receipt of the report from the fact finder, the governing body of the local government employer shall hold a public meeting in accordance with the provisions of chapter 241 of NRS. The meeting must include a discussion of:
(a) The issues of the parties submitted pursuant to subsection 3; to the fact finder;
(b) The report of findings and recommendations of the fact finder; and
(c) The overall fiscal impact of the findings and recommendations and whether they are financially sustainable, which must not include a discussion of the details of the report.

The fact finder must not be asked to discuss the decision during the meeting.

9. The chief executive officer of the local government shall report to the local government the fiscal impact of the findings and recommendations and whether they are financially sustainable. The report must include, without limitation, an analysis of the impact of the findings and recommendations on compensation and reimbursement, funding, benefits, hours, working conditions or other terms and conditions of employment.

10. Any sum of money which is maintained in a fund whose balance is required by law to be:
   (a) Used only for a specific purpose other than the payment of compensation to the bargaining unit affected; or
   (b) Carried forward to the succeeding fiscal year in any designated amount, to the extent of that amount, must not be counted in determining the financial ability of a local government employer or the amount of compensation and monetary benefits that is financially sustainable and must not be used to pay any compensation or monetary benefits recommended or awarded by the fact finder.

11. The issues which may be included in a panel’s order pursuant to subsection 6 are:
   (a) Those enumerated in subsection 2 of NRS 288.150 as the subjects of mandatory bargaining, unless precluded for that year by an existing collective bargaining agreement between the parties; and
   (b) Those which an existing collective bargaining agreement between the parties makes subject to negotiation in that year.

This subsection does not preclude the voluntary submission of other issues by the parties pursuant to subsection 5.

Sec. 6. NRS 288.215 is hereby amended to read as follows:

288.215 1. As used in this section:
(a) “Firefighters” means those persons who are salaried or hourly employees of a fire prevention or suppression unit organized by a political subdivision of the State and whose principal duties are controlling and extinguishing fires.

by a political subdivision of the State and whose principal duties are to enforce the law.

2. The provisions of this section apply only to firefighters and police officers and their local government employers.

3. If the parties have not agreed to make the findings and recommendations of the fact finder final and binding upon all issues, and do not otherwise resolve their dispute, they shall, within 10 days after the fact finder’s report is submitted, submit the issues remaining in dispute to an arbitrator who must be selected in the manner provided in NRS 288.200 and have the same powers provided for fact finders in NRS 288.210.

4. The arbitrator shall, within 10 days after the arbitrator is selected, and after 7 days’ written notice is given to the parties, hold a hearing to receive information concerning the dispute. The hearings must be held in the county in which the local government employer is located and the arbitrator shall arrange for a full and complete record of the hearings.

5. At the hearing, or at any subsequent time to which the hearing may be adjourned, information may be presented by:

   (b) Any interested person.

6. The parties to the dispute shall each pay one-half of the costs incurred by the arbitrator.

7. A determination must be made as to:
   (a) The financial ability of the local government employer based on:
      (a) All existing available revenues as established by the local government employer and within the limitations set forth in NRS 354.6241, with due regard for the obligation of the local government employer to provide facilities and services guaranteeing the health, welfare and safety of the people residing within the political subdivision; and
      (b) Consideration of funding for the current year being negotiated. If the parties mutually agree to arbitrate a multi-year contract the arbitrator must consider the ability to pay over the life of the contract being negotiated or arbitrated.
   (b) The amount of compensation and monetary benefits that is financially sustainable for the local government employer.

   Except as otherwise provided in this paragraph and NRS 354.6241, in making those determinations, the arbitrator shall not consider any nonrecurring revenue or nonrecurring transfer of money or any money reserved by the local government employer to pay the current or future costs of health benefits for retired employees or workers’ compensation benefits. The arbitrator may consider nonrecurring revenue or a nonrecurring transfer of money in determining the ability of the local
government employer to make a nonrecurring payment of compensation or monetary benefits.

8. If the arbitrator determines in accordance with subsection 7 that there is a current financial ability to grant compensation and monetary benefits and the amount of compensation and monetary benefits that is financially sustainable, the arbitrator shall consider, to the extent appropriate, the compensation of other governmental employees, both in and out of this State.

9. At the recommendation of the arbitrator, the parties may, before the submission of a final offer, enter into negotiations. If the negotiations are begun, the arbitrator may adjourn the hearings for a period of 3 weeks. An agreement by the parties is final and binding, and upon notification to the arbitrator, the arbitration terminates.

10. If the parties do not enter into negotiations or do not agree within 30 days, each of the parties shall submit a single written statement containing its final offer for each of the unresolved issues.

11. The arbitrator shall, within 10 days after the final offers are submitted, accept one of the written statements, on the basis of the criteria provided in NRS 288.200 and this section, and shall report the decision to the parties. The decision of the arbitrator is final and binding on the parties. Any award of the arbitrator is retroactive to the expiration date of the last contract.

12. The decision of the arbitrator must include a statement:
   (a) Giving the arbitrator’s reason for accepting the final offer that is the basis of the arbitrator’s award; and
   (b) Specifying the arbitrator’s estimate of the total cost of the award.

13. Within 45 days after the receipt of the decision from the arbitrator pursuant to subsection 11, the governing body of the local government employer shall hold a public meeting in accordance with the provisions of chapter 241 of NRS. The meeting must include a discussion of:
   (a) The issues submitted pursuant to subsection 3;
   (b) The statement of the arbitrator pursuant to subsection 12; and
   (c) The overall fiscal impact of the decision and whether it is financially sustainable, which must not include a discussion of the details of the decision.

The arbitrator must not be asked to discuss the decision during the meeting.

14. The chief executive officer of the local government shall report to the local government the fiscal impact of the decision and whether it is financially sustainable. The report must include, without limitation, an analysis of the impact of the decision on compensation and reimbursement,
funding, benefits, hours, working conditions or other terms and conditions of employment.

Sec. 7. NRS 288.217 is hereby amended to read as follows:

The arbitrator must be selected in the manner provided in subsection 2 of NRS 288.200 and has the powers provided for fact finders in NRS 288.210.

   Except as otherwise provided in this paragraph and NRS 354.6241, in making those determinations, the arbitrator shall not consider any nonrecurring revenue or nonrecurring transfer of money or any other money reserved by the school district to pay the current or future costs of health benefits for retired employees or workers’ compensation benefits. The arbitrator may consider nonrecurring revenue or a nonrecurring transfer of money in determining the ability of the local government employer to make a nonrecurring payment of compensation or monetary benefits.
6. *If* the arbitrator *determines* in accordance with this subsection 5 that there is a current financial ability to grant compensation and monetary benefits, and the amount of compensation and monetary benefits that is financially sustainable, the arbitrator shall consider, to the extent appropriate, the compensation of other governmental employees, both in and out of this State.

10. The decision of the arbitrator must include a statement:

Assembly Bill No. 292.
Bill read second time.
The following amendment was proposed by the Committee on Commerce and Labor:
Amendment No. 372.
AN ACT relating to public health; requiring a provider of health care who provides certain services to [certain] patients located in this State through telehealth to have a valid license or certificate in this State; making persons who provide such services through telehealth to [certain] patients subject to the laws and jurisdiction of this State; requiring certain insurers to provide coverage to insureds for services provided through telehealth to the same extent as though provided in person; authorizing a hospital to provide staff privileges to certain providers of health care to provide services through telehealth; requiring the Commissioner of Insurance to consider health care
services that may be provided by providers through telehealth when evaluating certain network plans; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes certain providers of health care to provide certain health care services electronically, telephonically or by fiber optics. (NRS 630.020, 630.261, 630.275, 632.237, 633.165, 639.0727, 639.235)

Section 3 of this bill defines “telehealth” as the delivery of health care services from a provider of health care to a patient at a different location through the use of information and audio-visual communication technology that transfers information electronically, telephonically or by fiber optics, not including standard telephone, facsimile or electronic mail.

Section 3 also prohibits a provider of health care, except for an employee or contractor of certain nonprofit organizations that administer health programs for American Indians, from providing services through telehealth to direct or manage care, render a diagnosis or write a treatment order or prescription for a patient located in this State without a valid license or certificate to practice his or her profession in this State.

Finally, section 3 provides that any person who provides health care services through telehealth to a patient located in this State: (1) is subject to the laws, including regulations, and jurisdiction of this State; and (2) is required to comply with all federal and state laws that would apply if the person were providing services from a location in this State. Sections 6-18 of this bill clarify that certain provisions regulating the provision of health care services electronically, telephonically or by fiber optics apply to health care services provided through telehealth. Section 44 of this bill repeals certain requirements of existing law concerning the use of telemedicine by an osteopathic physician because it is addressed by sections 3, 10 and 11.

Sections 27-32, 36-39 and 41-43 of this bill require any policy of health insurance, a policy of industrial insurance that provides benefits for injuries and the State Plan for Medicaid to include coverage for health care services provided to a covered person through telehealth to the same extent (and in the same amount) as though provided in person.

Existing federal regulations allow the governing body of a hospital at which patients receive services through telemedicine to have its medical staff rely upon the credentialing and privileging decisions made by the staff of a facility from which services are provided when deciding whether to extend staff privileges to a provider of health care who provides services through telemedicine from that facility. (42 C.F.R. 482.12, 482.22, 485.616) Section 22 of this bill authorizes a hospital to grant staff privileges to a provider of health care who is at another location so that the provider may provide
services through telehealth to patients at the hospital as prescribed in federal regulations.

Existing law requires the Commissioner of Insurance to make certain determinations concerning the adequacy of a network plan that an insurer proposes to offer and approve the network plan before the network plan is issued. Existing law also requires the Commissioner to make an annual determination concerning the availability and accessibility of the health care services of any existing network plan. (NRS 687B.490) **Section 28** of this bill requires the Commissioner to consider health care services that may be provided by providers through telehealth pursuant to the network plan when making such a determination.

WHEREAS, Shortages of primary providers of health care and providers of health care who specialize in certain areas and the distances some people must travel to reach a provider of health care affects the ability of many people to obtain the health care services they need; and

WHEREAS, Parts of this State have experienced difficulty attracting and retaining providers of health care and supporting health care facilities that provide the necessary variety of health care services to persons; and

WHEREAS, Providers of health care located in underserved areas may not have access to mentors and colleagues to support them personally and professionally or information resources that may assist them in their practices; and

WHEREAS, Telehealth is a mode of delivering health care and public health services using information and **audio-visual** communication technology to enable diagnosis, consultation, treatment, care management and provision of information to patients from providers of health care at other locations; and

WHEREAS, Telehealth may help to address the problem of an inadequate distribution of providers of health care and develop health care systems in underserved areas of the State; and

WHEREAS, Telehealth can reduce the costs of providing health care and increase the quality of and access to health care in underserved areas of the State; and

WHEREAS, Telehealth provides economic benefits to underserved areas by reducing the need for persons to leave those areas to obtain health care services and preserving and creating jobs relating to the provision of health care in those areas; and

WHEREAS, Patients receive many benefits from telehealth, including increased access to providers of health care, the ability to receive health care services in a faster and more convenient manner, increased continuity of care, reduction of lost work time and travel costs and the ability to remain near family and friends while receiving health care services; and
WHEREAS, Without the assurance that providers of health care will be reimbursed by insurers for services provided through telehealth and the resolution of other legal barriers to the provision of services through telehealth, the full benefits of telehealth cannot be realized; now, therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 629 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

   (a) Is subject to the laws and jurisdiction of the State of Nevada, including, without limitation, any regulations adopted by an occupational licensing board in this State, regardless of the location from which the provider of health care provides services through telehealth.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 423. An ACT relating to motor vehicle registration; revising provisions relating to the requirements for certain special license plates; revising the depreciation schedule used for calculating the governmental services tax imposed on certain vehicles upon registration; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, a resident of Nevada may obtain from the Department of Motor Vehicles a special license plate for any passenger car or light commercial vehicle inscribed with the words “CLASSIC VEHICLE” if the vehicle: (1) has a manufacturer’s rated carrying capacity of 1 ton or less; (2) was manufactured at least 25 years before the application for the special license plate is submitted; and (3) contains only the original parts which were used to manufacture the vehicle or replacement parts that duplicate those original parts. (NRS 482.3816) Section 1 of this bill revises those requirements, allowing the issuance of such special license plates [only] for a passenger car [not excluding] or light commercial [vehicles], and requiring that the owner provide proof satisfactory to the Department that the owner: (1) drives the passenger car solely for personal use and not more than 5,000 miles during an annual registration period; and (2) has another passenger car
or motorcycle registered with the Department during the entire registration period of the passenger car for which the special license plates are sought.)

vehicle manufactured before 1996. Existing law provides that a vehicle for which such a special license plate has been issued is exempt from standards for exhaust emissions, fuel evaporative emissions and visible emissions of smoke if the owner of the vehicle certifies to the Department that the vehicle was not driven more than 5,000 miles during the immediately preceding year. (NRS 445B.760)

Existing law sets forth depreciation schedules for determining the amount of governmental services taxes due each year for used vehicles and establishes a minimum tax of $16. (NRS 371.060) Section 2 of this bill reduces the amount of governmental services taxes due annually for used vehicles by increasing the amount of depreciation allowed and decreases the minimum tax to $6.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 516.

AN ACT relating to elections; extending the deadlines for filling vacancies in certain nominations and for making changes to the ballot of a general election; eliminating providing certain remedies and penalties in pre-election challenges to the qualifications of a candidate; changing the deadline for an elector to file a written challenge on the grounds that a candidate fails to meet any qualification required for the office which the candidate is seeking; requiring a court to order that a candidate whose qualifications to hold office are successfully challenged pay certain fees, costs and penalties; revising the requirements for the Secretary of State, county clerk and city clerk to notify voters of the disqualification of a candidate; certain pre-election challenges to the qualifications of a candidate; making conforming changes to the definition of “actual residence” for purposes of candidacy; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law sets forth procedures for filling certain vacancies in a nonpartisan office, nomination for a nonpartisan office and major political party nominations for a partisan office that occur before 5 p.m. on the fourth Friday in June of the year in which the general election is held. (NRS 293.165, 293.166, 293.368) Sections 1, 2 and 5 of this bill extend the deadline for filling these vacancies to July 31 of the year in which the general election is held.

Under existing law, if a candidate is disqualified from taking office because the candidate fails to meet any qualification required for the office, the Secretary of State and local election officials must post a sign at each polling place where the candidate’s name will appear on the ballot informing voters that the candidate is disqualified from taking office. (NRS 293.184, 293C.1865) Additionally, under existing law, there are several different types of pre-election court actions that may be brought to challenge a candidate on grounds that the candidate fails to meet any qualification required for the office, including actions for a declaratory judgment or a writ of mandamus. (NRS 281.050, 293.182, 293C.186; DeStefano v. Berkus, 121 Nev. 627, 628-31 (2005); Child v. Lomax, 124 Nev. 600, 604-05 (2008))

Section 2.5 of this bill provides that in any pre-election action where the court finds that a candidate fails to meet any qualification required for the office: (1) the candidate is disqualified from taking office; (2) the
court may order the candidate to pay the attorney’s fees and costs of the party who brought the action, including the Attorney General or a district attorney or city attorney; (3) in addition to any other notice required by law, the court may direct the Secretary of State and local election officials to notify voters in any other manner the court deems appropriate that the person is disqualified from taking office; and (4) if the Attorney General or a district attorney or city attorney brought the action, the court shall order the person to pay to the State of Nevada a civil penalty of not less than $5,000.

Existing law authorizes an elector to file a written challenge to a person’s candidacy on the grounds that the person fails to meet any qualification required for the office; the deadline for filing a written challenge is candidate’s qualifications not later than 5 working days after the last day a person may for the candidate to formally withdraw his or her candidacy. Depending on the state or local office being sought by the candidate, the Attorney General or the appropriate district attorney or city attorney must review the challenge and, if he or she determines that probable cause exists to support the challenge, must bring a pre-election court action challenging the candidate’s qualifications within a statutorily-prescribed period. (NRS 293.182, 293C.186; Williams v. Clark County Dist. Att’y, 118 Nev. 473, 477-79 (2002) (interpreting NRS 293.182 to permit an elector to file a written challenge not later than 5 working days after the last day for the candidate to formally withdraw his or her candidacy).) Sections 3 and 6 of this bill eliminate the deadline for an elector to file such a written challenge. Sections 3 and 6 also require that if a court determines by a preponderance of the evidence that the challenge to a person’s candidacy is valid or that the person otherwise fails to meet any qualification required for the office, the court must order the challenged person to pay: (1) the attorney’s fees and court costs of the elector who filed the challenge; and (2) a civil penalty of not less than $5,000.

If a person is disqualified from entering upon the duties of office, existing law requires the Secretary of State and the county clerk or city clerk, as applicable, to post a sign at each polling place where a person’s name will appear on the ballot informing voters that the person is disqualified from entering upon the duties of office. (NRS 293.184, 293C.1865) Sections 4 and 7 of this bill require that the Secretary of State, county clerk or city clerk, as applicable, also notify the voters in any other manner ordered by the court that the person is disqualified from entering upon the duties of office, to the last Monday immediately preceding the first day of early voting for any general election.
Existing law defines the term “actual residence” to mean the place where a candidate is legally domiciled and maintains a permanent habitation, and when a candidate maintains more than one place of permanent habitation, the place designated by the candidate as his or her principal permanent habitation is deemed to be the candidate’s actual residence. (NRS 281.050) The Nevada Supreme Court has held that the place designated by the candidate as his or her principal permanent habitation must be the place where the candidate actually resides and is legally domiciled in order for the candidate to be eligible to the office. (Williams v. Clark County Dist. Att’y, 118 Nev. 473, 484-86 (2002); Chachas v. Miller, 120 Nev. 51, 53-56 (2004)) Section 8 of this bill amends existing law to reflect the Supreme Court’s holding.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 293.165 is hereby amended to read as follows:

293.165  1.  Except as otherwise provided in NRS 293.166, a vacancy occurring in a major or minor political party nomination for a partisan office may be filled by a candidate designated by the party central committee of the county or State, as the case may be, of the major political party or by the executive committee of the minor political party subject to the provisions of subsections 3, 4 and 5.

2.  A vacancy occurring in a nonpartisan office or nomination for a nonpartisan office after the close of filing and before 5 p.m. on July 31 of the year in which the general election is held must be filled by the person who receives or received the next highest vote for the nomination in the primary election if a primary election was held for that nonpartisan office. If no primary election was held for that nonpartisan office or if there was not more than one person who was seeking the nonpartisan nomination in the primary election, a person may become a candidate for the nonpartisan office at the general election if the person files a declaration of candidacy or acceptance of candidacy, and pays the fee required by NRS 293.193, on or after 8 a.m. on the third Monday in June and before 5 p.m. on the fourth Friday in June.

3.  If a vacancy occurs in a major political party nomination for a partisan office after the primary election and before 5 p.m. on July 31 of the year in which the general election is held and:

(a)  The vacancy occurs because the nominee dies or is adjudicated insane or mentally incompetent, the vacancy may be filled by a candidate designated by the party central committee of the county or State, as the case may be, of the major political party.
(b) The vacancy occurs for a reason other than the reasons described in paragraph (a), the nominee's name must remain on the ballot for the general election and, if elected, a vacancy exists.

4. No change may be made on the ballot for the general election after 5 p.m. on [the fourth Friday in June] July 31 of the year in which the general election is held. If, after that time and date:
   - (a) A nominee dies or is adjudicated insane or mentally incompetent; or
   - (b) A vacancy in the nomination is otherwise created,
     the nominee's name must remain on the ballot for the general election and, if elected, a vacancy exists.

5. All designations provided for in this section must be filed on or before 5 p.m. on [the fourth Friday in June] July 31 of the year in which the general election is held. In each case, the statutory filing fee must be paid and an acceptance of the designation must be filed on or before 5 p.m. on the date the designation is filed. (Deleted by amendment.)

Sec. 2. NRS 293.166 is hereby amended to read as follows:

293.166  1. A vacancy occurring in a party nomination for the office of State Senator, Assemblyman or Assemblywoman from a legislative district comprising more than one county may be filled as follows, subject to the provisions of subsections 2, 3 and 4. The county commissioners of each county, all or part of which is included within the legislative district, shall meet to appoint a person who is of the same political party as the former nominee and who actually, as opposed to constructively, resides in the district to fill the vacancy, with the chair of the board of county commissioners of the county whose population residing within the district is the greatest presiding. Each board of county commissioners shall first meet separately and determine the single candidate it will nominate to fill the vacancy. Then, the boards shall meet jointly and the chairs on behalf of the boards shall cast a proportionate number of votes according to the percent, rounded to the nearest whole percent, which the population of its county is of the population of the entire district. Populations must be determined by the last decennial census or special census conducted by the Bureau of the Census of the United States Department of Commerce. The person who receives a plurality of these votes is appointed to fill the vacancy. If no person receives a plurality of the votes, the boards of county commissioners of the respective counties shall each as a group select one candidate, and the nominee must be chosen by drawing lots among the persons so selected.

2. If a vacancy occurs in a party nomination for the office of State Senator, Assemblyman or Assemblywoman from a legislative district comprising more than one county after the primary election and before 5 p.m. on [the fourth Friday in June] July 31 of the year in which the general election is held and:
(a) The vacancy occurs because the nominee dies or is adjudicated insane or mentally incompetent, the vacancy may be filled pursuant to the provisions of subsection 1. 

(b) The vacancy occurs for a reason other than the reasons described in paragraph (a), the nominee’s name must remain on the ballot for the general election and, if elected, a vacancy exists. 

3. No change may be made on the ballot for the general election after 5 p.m. on [the fourth Friday in June] July 31 of the year in which the general election is held. If, after that time and date: 

(a) A nominee dies or is adjudicated insane or mentally incompetent, or 

(b) A vacancy in the nomination is otherwise created, 

the nominee’s name must remain on the ballot for the general election and, if elected, a vacancy exists. 

4. The designation of a nominee pursuant to this section must be filed with the Secretary of State on or before 5 p.m. on [the fourth Friday in June] July 31 of the year in which the general election is held, and the statutory filing fee must be paid with the designation. (Deleted by amendment.)

Sec. 2.5. Chapter 293 of NRS is hereby amended by adding thereto a new section to read as follows:

Assembly Bill No. 389.
Bill read second time.
The following amendment was proposed by the Committee on Commerce and Labor:
Amendment No. 374.
AN ACT relating to employee leasing companies; [revising the method for calculation of unemployment contributions for employees of an employee leasing company leased to a client company;] altering the definition of “employee leasing company” to describe the nature of the relevant agreement; authorizing an employee leasing company that applies for a certificate of registration to provide consolidated or combined financial statements with its application; deeming the client company of an employee leasing company to be the employer of the employees it leases for purposes of unemployment compensation; repealing the requirement that an employee leasing company maintain an office in this State; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law requires employers to contribute a percentage of an employee’s wages to the Unemployment Compensation Fund. (Chapter 612 of NRS) The standard rate of contribution is 2.95 percent of the employee’s wages; however, an employer may be eligible for a different rate of contribution based on the employer’s actual payroll, contribution and benefit experience. (NRS 612.540 to 612.550) Section 1 of this bill allows an employee leasing company to choose whether to use its own calculated contribution rate or the calculated contribution rate of a client company for employees leased to the client company.

Existing law defines the term “employee leasing company.” (NRS 616B.670) Section 2 of this bill revises the definition of an employee leasing company to emphasize that the agreement between an employee leasing company and client company contemplates an ongoing relationship with an allocation of rights, duties and obligations.

Existing law requires an employee leasing company to have a certificate of registration to operate in this State. (NRS 616B.673) To receive a certificate of registration, an employee leasing company must submit an application to the Administrator of the Division of Industrial Relations of the Department of Business and Industry which must include, among other things, financial statements of the applicant. (NRS 616B.679) Section 3 of this bill allows an employee leasing company to meet this requirement by submitting consolidated or combined financial statements that include, but are not exclusive to, the employee leasing company.

Section 4 of this bill deems the client company of an employee leasing company to be the employer of the employees it leases for the purposes of the chapter of the laws of this State that pertain to unemployment compensation.

Existing law requires an employee leasing company to maintain an office or similar site in this State for retaining, reviewing and auditing its payroll records and agreements with client companies. In addition, the office must be open during normal business hours for the inspection and copying of certain records by employees and the public. (NRS 616B.682) Section 5 of this bill repeals these provisions.
must, pursuant to the selection of the employee leasing company in accordance with subsections 2 and 3, be based on:

(a) The classification calculated pursuant to NRS 612.550 for the employee leasing company based on the employee leasing company’s actual payroll, contribution and benefit experience; or
(b) The classification calculated pursuant to NRS 612.550 for each client company based on the client company’s actual payroll, contribution and benefit experience. If the employee leasing company chooses to have the contribution rate for employees calculated pursuant to this paragraph, the employee leasing company may pay the required contributions as a third-party, on behalf of the client company, into the account of the client company.

2. An employee leasing company that holds a valid certificate of registration pursuant to NRS 616B.670 to 616B.697, inclusive, before October 1, 2015, must, before January 1, 2016, select which of the classification options provided for in subsection 1 that the employee leasing company elects to use. The selected classification option becomes effective on January 1, 2016. If an employee leasing company fails to make an election of a classification option before January 1, 2016, the Administrator shall make the election on behalf of the employee leasing company. Once an employee leasing company has made an election or, due to a failure to make an election in a timely manner the Administrator has made an election on behalf of the employee leasing company pursuant to this section, the employee leasing company may not thereafter elect another classification option.

3. An employee leasing company that receives a valid certificate of registration pursuant to NRS 616B.670 to 616B.697, inclusive, on or after October 1, 2015, must, within 120 days after receipt of the certificate, elect which of the classification options provided for in subsection 1 that the employee leasing company desires to use. The selected classification option becomes effective on January 1 of the year immediately following the year in which the employee leasing company makes the election. If an employee leasing company fails to make an election of a classification option within 120 days after receipt of a certificate, the Administrator shall make the election on behalf of the employee leasing company. Once an employee leasing company has made an election or, due to a failure to make an election in a timely manner the Administrator has made an election on behalf of the employee leasing company pursuant to this section, the employee leasing company may not elect another classification option.

SUMMARY—Enacts provisions governing the acquisition and use relating to certain uses of certain public lands and the exercise of law enforcement authority in this State. (BDR 26-1060)

AN ACT relating to public lands; prohibiting the Federal Government from owning or regulating certain public lands or the right to use public waters; requiring the State Land Registrar to adopt regulations that provide for the appropriation and registration of grazing, logging, mineral development or other beneficial use rights on public lands; requiring the State Land Registrar to sell permits for grazing, logging, mineral
development or other beneficial uses on public lands for which such rights are not registered and appropriated; requiring the board of county commissioners of each county to impose a tax on profits from the beneficial use of public lands; governmental administration; declaring the support of the Legislature for certain uses of private property and public lands in this State; authorizing the sheriff of a county to enter into an agreement with a federal agency concerning primary responsibility or the exercise of law enforcement authority on land managed by the federal agency under certain circumstances; providing that sheriffs and their deputies are the primary law enforcement officers in the unincorporated areas of their respective counties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The United States Constitution authorizes the Federal Government to exercise authority over land purchased by consent of the legislature of the state in which the land lies for the erection of forts, magazines, arsenals, dockyards and other needful buildings. (U.S. Const. Art. I, 8, cl. 17)

Existing law: (1) sets forth the manner in which an officer of an agency or instrumentality of the United States may apply to the Director of the Legislative Counsel Bureau to obtain a cession of concurrent criminal jurisdiction or other jurisdiction from the State of Nevada; and (2) authorizes the Legislature to enact a resolution ceding that jurisdiction to the United States respecting any land held by the United States for the erection of forts, magazines, arsenals, dockyards or other needful buildings or for any other governmental purpose authorized by the Constitution of the United States. (NRS 328.065-328.125)

Section 3 of this bill prohibits the Federal Government from owning or regulating activity on any land in this State that it has not acquired with the consent of the Legislature and upon which it has not erected forts, magazines, arsenals, dockyards or other needful buildings. Section 3 provides that the rights to own and use such land are the common property of the citizens of this State. Section 3 requires the State to respect all agreements that guarantee persons the right to use such land.

Existing law provides for the appropriation and registration of rights to use public waters in this State. (NRS 533.224-533.435) Section 3 also prohibits the Federal Government from owning water rights in this State and provides for the appropriation and registration of water rights claimed by the Federal Government in the manner provided by statute for the appropriation of the right to use public waters.

Section 4 of this bill requires the State Land Registrar to provide for the appropriation and registration of grazing, logging, mineral development or any other beneficial use rights on public lands, including land to which the
Federal Government claims ownership or rights. The State Land Registrar must award such rights to the first person who puts the land to beneficial use for grazing, logging, mineral development or another beneficial use, as applicable, and require a person to continue to use the land for such a beneficial use in order to retain the rights. Section 5 of this bill requires the State Land Registrar to publish notice each time a right to use public lands for grazing, logging, mineral development or any other beneficial use becomes available, and section 6 of this bill authorizes a person to protest the appropriation and registration of such rights. Section 7 of this bill requires the State Land Registrar to hold an annual auction to sell permits to use land for which rights have not been appropriated for grazing, logging, mineral development or any other beneficial use. Section 7 also provides that if the holder of such a permit puts the land to such a beneficial use for 4 consecutive years, he or she can appropriate the right to use the land for that beneficial use.

Section 8 of this bill requires the board of county commissioners of each county to impose a tax on the profits gained through the beneficial use of public lands. Under existing law, the Legislature has declared that the public policy of this State is to continue to seek the acquisition of lands retained by the Federal Government within the borders of this State. (NRS 321.00051) Section 11 of this bill expands that public policy to include: (1) support for an owner of private property in this State to use any resources located on that private property; (2) support for the members of the general public in this State to access and use any public lands in this State for certain recreational activities; and (3) support for the residents of this State to use any public lands in this State in a manner which ensures multiple uses of those public lands for those residents.

Existing law sets forth the general powers and duties of sheriffs and their deputies in this State. (NRS 248.090-248.250) Section 12 of this bill authorizes the sheriff of any county in this State to enter into an agreement with certain federal agencies pursuant to which the sheriff and his or her deputies are primarily responsible for the exercise of law enforcement authority on land managed by those federal agencies if the agreement: (1) requires the payment of fair compensation to the sheriff for exercising law enforcement authority based on federal statutes and regulations; and (2) provides that the federal agency recognizes the sheriff as the primary law enforcement authority on the land managed by the federal agency. Section 13 of this bill provides that the sheriffs and their deputies are the primary law enforcement officers of the unincorporated areas of their respective counties.

Sec. 9. NRS 321.007 is hereby amended to read as follows:

321.007 1. Except as otherwise provided in subsection 5, NRS 321.008, 322.061, 322.063, 322.065 or 322.075, or section 4 or 7 of this act, except as otherwise required by federal law, except for land that is sold or leased to a public utility, as defined in NRS 704.020, to be used for a public purpose, except for land that is sold or leased to a state or local governmental entity, except for a lease which is part of a contract entered into pursuant to chapter 333 of NRS and except for land that is sold or leased pursuant to an agreement entered into pursuant to NRS 277.080 to 277.170, inclusive, when offering any land for sale or lease, the State Land Registrar shall:
   (a) Except as otherwise provided in this paragraph, obtain two independent appraisals of the land before selling or leasing it. If the Interim Finance Committee grants its approval after discussion of the fair market value of the land, one independent appraisal of the land is sufficient before selling or leasing it. The appraisal or appraisals, as applicable, must have been prepared not more than 6 months before the date on which the land is offered for sale or lease.
   (b) Notwithstanding the provisions of chapter 333 of NRS, select the one independent appraiser or two independent appraisers, as applicable, from the list of appraisers established pursuant to subsection 2.
   (c) Verify the qualifications of each appraiser selected pursuant to paragraph (b). The determination of the State Land Registrar as to the qualifications of an appraiser is conclusive.
2. The State Land Registrar shall adopt regulations for the procedures for creating or amending a list of appraisers qualified to conduct appraisals of land offered for sale or lease by the State Land Registrar. The list must:

(a) Contain the names of all persons qualified to act as a general appraiser in the same county as the land that may be appraised; and

(b) Be organized at random and rotated from time to time.

3. An appraiser chosen pursuant to subsection 1 must provide a disclosure statement which includes, without limitation, all sources of income of the appraiser that may constitute a conflict of interest and any relationship of the appraiser with the owner of the land or the owner of an adjoining property.

4. An appraiser shall not perform an appraisal on any land offered for sale or lease by the State Land Registrar if the appraiser or a person related to the appraiser within the first degree of consanguinity or affinity has an interest in the land or an adjoining property.

5. If a lease of land is for residential property and the term of the lease is 1 year or less, the State Land Registrar shall obtain an analysis of the market value of similar rental properties prepared by a licensed real estate broker or salesperson when offering such a property for lease.

6. If land is sold or leased in violation of the provisions of this section:

(a) The sale or lease is void; and

(b) Any change to an ordinance or law governing the zoning or use of the land is void if the change takes place within 5 years after the date of the void sale or lease. (Deleted by amendment.)

Sec. 10. NRS 321.335 is hereby amended to read as follows:

321.335 1. Except as otherwise provided in NRS 321.008, 321.125, 322.061, 322.062, 322.065 or 322.075, or section 4 or 7 of this act, except as otherwise required by federal law, except for land that is sold or leased to a public utility, as defined in NRS 704.020, to be used for a public purpose, except for land that is sold or leased to a state or local governmental entity, except for a lease which is part of a contract entered into pursuant to chapter 333 of NRS and except for an agreement entered into pursuant to the provisions of NRS 277.080 to 277.170, inclusive, or a lease of residential property with a term of 1 year or less, after April 1, 1957, all sales or leases of any lands that the Division is required to hold pursuant to NRS 321.001, including lands subject to contracts of sale that have been forfeited, are governed by the provisions of this section.

2. Whenever the State Land Registrar deems it to be in the best interests of the State of Nevada that any lands owned by the State and not used or set apart for public purposes be sold or leased, the State Land Registrar may, with the approval of the State Board of Examiners and the Interim Finance Committee, cause those lands to be sold or leased upon sealed bids, or oral
offer after the opening of sealed bids for cash or pursuant to a contract of sale or lease, at a price not less than the highest appraised value for the lands plus the costs of appraisal and publication of notice of sale or lease.

3. Before offering any land for sale or lease, the State Land Registrar shall comply with the provisions of NRS 321.007.

4. After complying with the provisions of NRS 321.007, the State Land Registrar shall cause a notice of sale or lease to be published once a week for 4 consecutive weeks in a newspaper of general circulation published in the county where the land to be sold or leased is situated, and in such other newspapers as the State Land Registrar deems appropriate. If there is no newspaper published in the county where the land to be sold or leased is situated, the notice must be so published in a newspaper published in this State having a general circulation in the county where the land is situated.

5. The notice must contain:
   (a) A description of the land to be sold or leased;
   (b) A statement of the terms of sale or lease;
   (c) A statement that the land will be sold pursuant to subsection 6; and
   (d) The place where the sealed bids will be accepted, the first and last days on which the sealed bids will be accepted, and the time, when and place where the sealed bids will be opened and oral offers submitted pursuant to subsection 6 will be accepted.

6. At the time and place fixed in the notice published pursuant to subsection 4, all sealed bids which have been received must, in public session, be opened, examined and declared by the State Land Registrar. Of the proposals submitted which conform to all terms and conditions specified in the notice published pursuant to subsection 4 and which are made by responsible bidders, the bid which is the highest must be finally accepted, unless a higher oral offer is accepted or the State Land Registrar rejects all bids and offers. Before finally accepting any written bid, the State Land Registrar shall call for oral offers. If, upon the call for oral offers, any responsible person offers to buy or lease the land upon the terms and conditions specified in the notice, for a price exceeding by at least 5 percent the highest written bid, then the highest oral offer which is made by a responsible person must be finally accepted.

7. The State Land Registrar may reject any bid or oral offer to purchase or lease submitted pursuant to subsection 6, if the State Land Registrar deems the bid or offer to be:
   (a) Contrary to the public interest.
   (b) For a lesser amount than is reasonable for the land involved.
   (c) On lands which it may be more beneficial for the State to reserve.
   (d) On lands which are requested by the State of Nevada or any department, agency or institution thereof.
8. Upon acceptance of any bid or oral offer and payment to the State Land Registrar in accordance with the terms of sale specified in the notice of sale, the State Land Registrar shall convey title by quitclaim or cause a patent to be issued as provided in NRS 321.320 and 321.320.

9. Upon acceptance of any bid or oral offer and payment to the State Land Registrar in accordance with the terms of lease specified in the notice of lease, the State Land Registrar shall enter into a lease agreement with the person submitting the accepted bid or oral offer pursuant to the terms of lease specified in the notice of lease.

10. The State Land Registrar may require any person requesting that state land be sold pursuant to the provisions of this section to deposit a sufficient amount of money to pay the costs to be incurred by the State Land Registrar in acting upon the application, including the costs of publication and the expenses of appraisal. This deposit must be refunded whenever the person making the deposit is not the successful bidder. The costs of acting upon the application, including the costs of publication and the expenses of appraisal, must be borne by the successful bidder.

11. If land that is offered for sale or lease pursuant to this section is not sold or leased at the initial offering of the contract for the sale or lease of the land, the State Land Registrar may offer the land for sale or lease a second time pursuant to this section. If there is a material change relating to the title, zoning, or an ordinance governing the use of the land, the State Land Registrar must, as applicable, obtain a new appraisal or new appraisals of the land pursuant to the provisions of NRS 321.007 before offering the land for sale or lease a second time. If land that is offered for sale or lease pursuant to this section is not sold or leased at the second offering of the contract for the sale or lease of the land, the State Land Registrar may list the land for sale or lease at the appraised value with a licensed real estate broker, provided that the broker or a person related to the broker within the first degree of consanguinity or affinity does not have an interest in the land or an adjoining property. (Deleted by amendment.)

Sec. 11. NRS 321.00051 is hereby amended to read as follows:

2. Sheriffs and their deputies shall keep and preserve the peace in their
respective counties, and quiet and suppress all affrays, riots and

Assembly Bill No. 448.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 448.

AN ACT relating to education; establishing the Achievement School District within the Department of Education; authorizing certain underperforming schools to be converted to achievement charter schools sponsored by the [Executive Director of the] Achievement School District; prescribing requirements for the conversion of a public school to an achievement charter school and the operation of an achievement charter school; providing for the use of certain school buildings by an achievement charter school without compensation; authorizing a school district to provide services to an achievement charter school under certain circumstances; prescribing certain conditions of employment for a teacher at an achievement charter school; authorizing the conversion of an achievement charter school to a public school in a school district or a charter school; revising provisions governing the use of school buildings owned by the board of trustees of the school district by a charter school; making reassignment of the employees of an achievement charter school outside the scope of collective bargaining; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 17 of this bill creates the Achievement School District within the Department of Education, and section 18 of this bill requires the Superintendent of Public Instruction to appoint an Executive Director as the chief of the Achievement School District. Section 19 of this bill establishes the Account for the Achievement School District in the State General Fund.

Existing law establishes the statewide system of accountability for public schools. (NRS 385.3455-385.391) The statewide system of accountability provides for each public school to be rated based on the performance of the school and whether each public school meets the annual measurable objectives and performance targets. (NRS 385.3594) Section 20 of this bill...
requires the [State Board of Education] Executive Director to make a list of public schools that demonstrate unsatisfactory pupil achievement and school performance for consideration for conversion to achievement charter schools \(\Rightarrow\) and submit the list to the State Board of Education for approval. The list must include \(\Rightarrow\) 20 percent of schools that meet certain criteria \(\Rightarrow\), and the State Board must approve for consideration at least 50 percent of the schools on the list. Section 20 authorizes the Executive Director to select any school \(\Rightarrow\) from this list approved by the State Board for conversion to an achievement charter school \(\Rightarrow\) after: (1) considering data concerning pupil achievement and school performance for the school; (2) considering input from parents of pupils enrolled at the school and other members of the community in which the school is located; and (3) consulting with the board of trustees of the school district in which the school is located.

Existing law prohibits the conversion of an existing public school to a charter school. (NRS 386.505, 386.506) Sections 11 and 23 of this bill provide that these provisions do not apply to an achievement charter school, thereby allowing the conversion of an existing public school to an achievement charter school.

Section 21 of this bill requires the Executive Director of the Achievement School District to \(\Rightarrow\) evaluate applications and enter into a contract with a charter management organization, educational management organization or other person to operate an achievement charter school. Section 21 also requires the Department to adopt regulations prescribing the process for applying to operate an achievement charter school, which must allow for certain applicants to submit one application to operate more than one achievement charter school. Section 21.5 of this bill provides that the Achievement School District is deemed the sponsor of an achievement charter school \(\Rightarrow\) and \(\Rightarrow\) requires the operator of an achievement charter school to appoint a governing body of the achievement charter school. Section 21.5 provides that the governing body may consist of any persons chosen by the [Executive Director] operator of the achievement charter school, with certain restrictions. Section 22 of this bill requires the governing body principal of an achievement charter school to determine whether to offer employment at the achievement charter school to the former employees of the public school. Any such employees who are not offered employment at the achievement charter school must be reassigned to another public school in the district. Section 22 also requires the board of trustees of a school district to allow an achievement charter school to operate in the building in which the school was located before conversion to an achievement charter school without compensation and continue to pay capital expenses for the building.
The achievement charter school is required to pay for maintenance and operation of the building. Section 22 also provides that any pupil who was enrolled in a school before conversion to an achievement charter school must be given priority above all other students for enrollment in the achievement charter school upon request. Finally, section 22 limits the amount of loans, advances or other monetary charges that the governing body of an achievement charter school may authorize to be paid to the operator of the achievement charter school. Section 61 of this bill makes the right of a school district to reassign employees who are not retained by an achievement charter school outside the scope of collective bargaining.

Section 22.5 of this bill enacts provisions necessary for an achievement charter school to be able to receive money available from federal and state categorical grant programs.

Sections 3-8 and 23 of this bill require an achievement charter school to participate in the statewide system of accountability for public schools.

Existing law: (1) establishes requirements concerning the availability of certain information concerning charter schools and the operation of a charter school; (2) prohibits a member of the board of trustees of a school district or employee of a school district to solicit gifts or payments from a governing body or employee of a charter school; (3) prohibits the board of trustees of a school district from interfering with the operation of a charter school; (4) prescribes the manner in which money will be apportioned to and paid by a charter school; (5) establishes requirements concerning hiring of personnel at a charter school; (6) requires certain information to be reported by the governing body and sponsor of a charter school; and (7) authorizes a charter school to finance improvements through the issuance of bonds. (NRS 386.545, 386.547, 386.550, 386.553, 386.555, 386.563-386.573, 386.582-386.593 and 386.598-386.649) Section 23 of this bill makes these provisions applicable to an achievement charter school. Section 23 also allows the governing body of an achievement charter school to obtain a waiver of certain requirements concerning the school calendar, testing, curriculum, enrollment, distance education and staffing.

Existing law authorizes: (1) a charter school that meets certain requirements to apply to the Department for money for facilities; (2) a charter school to take certain actions to expand its facilities; and (3) a pupil at a charter school to participate in classes or extracurricular activities at a public school in a school district. (NRS 386.5515, 386.560, 386.595) Sections 24-26 of this bill enacts similar provisions applicable to achievement charter schools. Section 25 also requires the board of trustees of a school district in which an achievement charter school is located to provide facilities, other than the school building in which the achievement charter school operates, to
the achievement charter school or perform certain services to an achievement charter school for compensation upon the request of the Executive Director.  

Sections 27, 31 and 32 of this bill prescribe conditions for employment at an achievement charter school. Sections 28, 30 and 31 of this bill require the board of trustees of a school district to grant a leave of absence of 6 years to a teacher who wishes to accept or continue employment at an achievement charter school and prescribe requirements concerning benefits and tenure of a teacher who takes such a leave of absence.  

Section 33 of this bill allows an achievement charter school that has demonstrated adequate improvement in pupil achievement and school performance to: (1) convert back to a public school under the governance of the board of trustees of the school district in which the school is located; (2) apply to an entity for sponsorship as a charter school and become a charter school outside the Achievement School District; or (3) remain an achievement charter school for at least 6 more years. Section 33 requires an achievement charter school that has not demonstrated adequate improvement to remain an achievement charter school for at least 6 more years, subject to review at least every 3 years thereafter. Section 33 provides that if an achievement charter school converts back to a public school in a school district, the board of trustees of the school district must employ any teacher, administrator or paraprofessional who wishes to continue at the school. Section 34 of this bill requires the Department to adopt regulations to carry out the provisions governing achievement charter schools. Sections 36-38 of this bill exempt an achievement charter school from certain prohibitions on converting an existing public school into a charter school.  

Existing law authorizes a charter school to use school buildings owned by the school district in which the charter school is located only upon approval of the board of trustees of the school district and during times that are not regular school hours. (NRS 386.560) Section 39.5 of this bill removes the limitation on the use of such buildings during regular school hours, but still requires such use to be approved by the board of trustees of the school district.  

Sections 1, 2, 9, 11-16, 35, 39-60, 62-64 and 69 of this bill make conforming changes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 385.005 is hereby amended to read as follows:

385.005 1. The Legislature reaffirms its intent that public education in the State of Nevada is essentially a matter for local control by local school districts. The provisions of this title are intended to reserve to the boards of trustees of local school districts within this state such rights and powers as
are necessary to maintain control of the education of the children within their respective districts. These rights and powers may only be limited by other specific provisions of law.

2. The responsibility of establishing a statewide policy of integration or desegregation of public schools is reserved to the Legislature. The responsibility for establishing a local policy of integration or desegregation of public schools consistent with the statewide policy established by the Legislature is delegated to the respective boards of trustees of local school districts and to the governing body of each charter school.

3. The State Board shall, and the State Public Charter School Authority, the Achievement School District, each board of trustees of a local school district, the governing body of each charter school and any other school officer may, advise the Legislature at each regular session of any recommended legislative action to ensure high standards of equality of educational opportunity for all children in the State of Nevada.

A separate reporting for a group of pupils must not be made pursuant to NRS 385.347 to 385.3495, inclusive, if the number of pupils in that group is insufficient to yield statistically reliable information or the results would reveal personally identifiable information about an individual pupil. Except as otherwise provided in this subsection, if an employee takes a position with another school district or
charter school, all sick leave that the employee has accumulated must be transferred from the employee’s former school district or charter school to his or her new school district or charter school. The amount of sick leave so transferred may not exceed the maximum amount of sick leave which may be carried forward from one year to the next according to the applicable negotiated agreement or the policy of the district or charter school into which the employee transferred. Unless the applicable negotiated agreement or policy of the employing district or charter school provides otherwise, such an employee:

(a) Shall first use the sick leave credited to the employee from the district or charter school into which the employee transferred before using any of the transferred leave; and

(b) Is not entitled to compensation for any sick leave transferred pursuant to this subsection.

7. Subject to the provisions of subsection 8:

(a) If an intermission of less than 6 days is ordered by the board of trustees of a school district or the governing body of a charter school for any good reason, no deduction of salary may be made therefor.

(b) If, on account of sickness, epidemic or other emergency in the community, a longer intermission is ordered by the board of trustees of a school district, the governing body of a charter school or a board of health and the intermission or closing does not exceed 30 days at any one time, there may be no deduction or discontinuance of salaries.

8. If the board of trustees of a school district or the governing body of a charter school orders an extension of the number of days of school to compensate for the days lost as the result of an intermission because of those reasons contained in paragraph (b) of subsection 7, an employee may be required to render his or her services to the school district or charter school during that extended period. If the salary of the employee was continued during the period of intermission as provided in subsection 7, the employee is not entitled to additional compensation for services rendered during the extended period.

9. If any subject referred to in this section is included in an agreement or contract negotiated by:

(a) The board of trustees of a school district pursuant to chapter 288 of NRS; or

(b) The governing body of a charter school pursuant to NRS 386.595, or sections 27 to 32, inclusive, of this act,

the provisions of the agreement or contract regarding that subject supersede any conflicting provisions of this section or of a regulation of the board of trustees.

   (e) Establish a procedure for schools and school districts for the reporting of the status of pupils as habitual truants; and
   (f) Inform the parents and legal guardians of the pupils who are enrolled in the schools within the district of the policies and procedures adopted pursuant to the provisions of this section.

2. The chair of an advisory board may divide the advisory board into subcommittees. The advisory board may delegate one or more of the duties of the advisory board to a subcommittee of the advisory board, including, without limitation, holding hearings pursuant to NRS 392.147. If the chair of an advisory board divides the advisory board into subcommittees, the chair shall notify the board of trustees of the school district of this action. Upon receipt of such a notice, the board of trustees shall establish rules and procedures for each such subcommittee. A subcommittee shall abide by the applicable rules and procedures when it takes action or makes decisions.

3. An advisory board to review school attendance may work with a family resource center or other provider of community services to provide assistance to pupils who are truant. 4. An advisory board to review school attendance created in a county pursuant to NRS 392.126 may use money appropriated by the Legislature and any other money made available to the advisory board for the use of programs to reduce the truancy of pupils in the school district. The advisory board to review school attendance shall, on a quarterly basis, provide to the board of trustees of the school district an accounting of the money used by the advisory board to review school attendance to reduce the truancy of pupils in the school district.

Amendment No. 605.

SUMMARY—Revises the applicability of provisions governing continuing education of managers and assistant managers of manufactured home parks. (BDR 10-1127)

AN ACT relating to manufactured housing; revising provisions governing continuing education of managers and assistant managers of manufactured home parks; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law establishes various provisions governing manufactured home parks. (Chapter 118B of NRS) Under existing law, each manager and assistant manager of a manufactured home park is required to complete annually 6 hours of continuing education relating to the management of a manufactured home park. (NRS 118B.086) This bill limits the applicability of those provisions to managers and assistant managers of manufactured home parks which have 40 or more manufactured home lots that are rented or held out for rent by revising the existing definition of the terms “manufactured home park” and “park.”
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 118B.017 is hereby amended to read as follows:

118B.017  “Manufactured home park” or “park” means an area or tract of
land where two or more manufactured homes or manufactured home lots
are rented or held out for rent. The terms do not include an area or tract of
land where:

1. More than half of the lots are rented overnight or for less than 3
months for recreational vehicles.

2. Manufactured homes are used occasionally for recreational purposes
and not as permanent residences. (Deleted by amendment.)

Sec. 2. NRS 118B.086 is hereby amended to read as follows:

1. Each manager and assistant manager of a manufactured
home park consisting of 6 or more lots shall complete annually 6 hours of continuing education relating to the
management of a manufactured home park.

2. The Administrator shall adopt regulations specifying the areas of
instruction for the continuing education required by subsection 1.

3. The instruction must include, but is not limited to, information relating
to:

(a) The provisions of chapter 118B of NRS;

(b) Leases and rental agreements;

(c) Unlawful detainer and eviction as set forth in NRS 40.215 to 40.425, inclusive;

(d) The resolution of complaints and disputes concerning landlords and
tenants of manufactured home parks; and

(e) The adoption and enforcement of the rules and regulations of a
manufactured home park.

4. Each course of instruction and the instructor of the course must be
approved by the Administrator. The Administrator shall adopt regulations
setting forth the procedure for applying for approval of an instructor and
course of instruction. The Administrator may require submission of such
reasonable information by an applicant as the Administrator deems necessary
to determine the suitability of the instructor and the course. The
Administrator shall not approve a course if the fee charged for the course is
not reasonable. Upon approval, the Administrator shall designate the number
of hours of credit allowable for the course.

Sec. 3. NRS 118B.087 is hereby amended to read as follows:

1. There are hereby created two regions to provide courses of
continuing education pursuant to NRS 118B.086. One region is the
northern region consisting of the counties of Washoe, Storey, Douglas, Lyon,
Churchill, Pershing, Humboldt, Lander, Elko, Eureka, Mineral, White Pine
and Carson City, and one region is the southern region consisting of the counties of Lincoln, Nye, Esmeralda and Clark.

2. The person who applied for approval of a course or his or her designee shall notify the Administrator of the date and location each time the course is offered, as soon as practicable after scheduling the course.

3. The Administrator shall ensure that a course of continuing education is offered at least every 6 months in each region. If the Administrator finds that no approved course will be offered to meet the requirements of this subsection, the Administrator shall offer the course and charge a reasonable fee for each person enrolled in the course.

4. If the fees collected by the Administrator for the course do not cover the cost of offering the course, the Administrator shall determine the difference between the fees collected and the cost of offering the course, divide that amount by the number of manufactured home parks [which have 2 lots or more] consisting of 6 or more lots in the region in which the course was held and assess that amount to each landlord of such a manufactured home park. The landlord shall pay the assessment within 30 days after it was mailed by the Administrator.

Assemblyman Kirner moved the adoption of the amendment.

Amendment adopted.

Assembly Bill No. 459.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 517.

AN ACT relating to elections; requiring the Department of Motor Vehicles and certain courts to provide to the Secretary of State and relevant county clerk information related to persons who may not be citizens of the United States; requiring a county clerk to cancel the voter registration of certain persons; requiring the Department to request certain information from the Social Security Administration relating to persons who are not citizens of the United States; providing, with limited exception, that certain information relating to elections or voter registration which is confidential or not a public record is also not subject to discovery or subpoena; providing that the Department is not required to give an application to register to vote to certain persons who apply for driver authorization cards; requiring the Secretary of State to adopt certain regulations; requiring a person who claims that he or she is not qualified to act as a juror because he or she is not a citizen of the United States to submit a written affirmation [for purposes of verifying that the person is not a]
registered voter; making various other changes relating to voter registration; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law sets forth qualifications for voting in this State, including that a voter must be a citizen of the United States. (Nev. Const. Art. 2, 1) Existing law requires a county clerk to cancel the registration of a voter under certain circumstances, including that a person is not a citizen of the United States. (NRS 293.535, 293.540, 293.541) Sections 2 and 3 of this bill require, with limited exceptions, a county clerk to cancel the voter registration of a person if (1) the county clerk receives certain information from the Department of Motor Vehicles or a court indicating that the person may not be a United States citizen, and (2) the person does not provide to the county clerk proof of citizenship. Before the county clerk cancels the voter registration of the person, sections 2 and 3 require the county clerk to provide certain notification to the person. In order to conform with federal law, sections 2 and 3 also prohibit to be given certain notice that his or her voter registration will be cancelled. Sections 2 and 3 provide that a county clerk is not required to cancel the voter registration of a person or removing a person's name from the statewide voter registration less than 90 days before a primary or general election if doing so is prohibited by (52 U.S.C. 20507, 21082) federal law.

Existing law requires the Department of Motor Vehicles to provide an application to register to vote to each person who applies for the issuance or renewal of a driver’s license or identification card. (NRS 293.524) Section 5 of this bill provides that the Department is not required to provide an application to register to vote to a person who applies for the issuance of a driver authorization card if the person is not a citizen of the United States. Section 5 also requires the Secretary of State to adopt regulations establishing a procedure to ensure that a person who is not a citizen of the United States does not submit an application to register to vote at the Department.

Existing law requires the Secretary of State to enter into an agreement with the Social Security Administration to verify the accuracy of information in an application to register to vote. (NRS 293.675) Section 7 of this bill authorizes the Department to request information from the Social Security Administration regarding any person with a social security number who is not a citizen of the United States.

Section 8 of this bill requires a court of this State to notify the county clerk and Secretary of State if a person summoned for service on a jury claims to be ineligible because he or she is not a citizen of the United States for purposes of verifying that the person is not a registered voter.
Existing law provides that certain information relating to elections or voter registration is confidential or is not a public record. (NRS 293.503, 293B.135, 293D.510) Section 3.5 of this bill provides that any such information is also not subject to discovery or subpoena in a civil action or criminal prosecution absent the consent of the person about whom the information pertains. This provision also would apply to the information declared to be confidential and not a public record pursuant to sections 2, 3 and 8.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 293 of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 3.5 of this act.

Any information provided pursuant to this subsection is confidential and not a public record. Such information may only be used for purposes of determining whether the person is registered to vote. The Department may submit the information to the Secretary of State and county clerks through the use of electronic transmission if the information will be securely transmitted and stored by the Department, Secretary of State and county clerks. If the Department creates a record for purposes of submitting the information to the Secretary of State or a county clerk, the Department shall destroy the record immediately after submitting the record pursuant to this subsection.

(e) A Certificate of Citizenship or Certificate of Naturalization; or

(f) Any other form of identification issued by a governmental agency that requires a person to demonstrate his or her citizenship to receive such identification.

7. Information submitted by the Department of Motor Vehicles or received by the Secretary of State or a county clerk pursuant to this section:

(a) Is confidential and is not a public record; and

(b) May only be used for purposes of determining whether a person is registered to vote.
Sec. 3. 1. Not later than 5 business days after receiving from a court a written affirmation described in section 8 of this act signed under penalty of perjury by a person who receives a summons to appear for jury duty and who declares that he or she is not qualified to act as a juror because he or she is not a citizen of the United States, the county clerk shall determine whether the person who submitted signed the written affirmation pursuant to section 8 of this act is registered to vote.

2. Except as otherwise provided in subsection 3, if the person is registered to vote, the county clerk shall notify the person by registered or certified mail, return receipt requested, that the voter registration of the person will be cancelled unless the person submits to the county clerk proof of citizenship not later than 15 business days after the date on the return receipt.

3. If a person submits to the county clerk proof of citizenship:

   (a) On or before 15 business days after the date on the return receipt of the notification sent pursuant to subsection 1, the county clerk shall not cancel the person’s voter registration.

The following amendment was proposed by the Committee on Legislative Operations and Elections:
Amendment No. 518.

AN ACT relating to elections; providing certain remedies and penalties in preelection challenges to the qualifications of a candidate; increasing the penalty for a candidate who files certain documents containing a false statement; revising the forms for declarations of candidacy, acceptances of candidacy and declarations of residency; requiring certain proofs of identity and residency when filing for candidacy; providing for the payment of certain costs, expenses and attorney’s fees for a successful challenge to the residency qualifications of a candidate for office; making conforming changes to the definition of “actual residence” for purposes of candidacy; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, there are several different types of preelection court actions that may be brought to challenge a candidate on grounds that the candidate fails to meet any qualification required for the office, including actions for a declaratory judgment or a writ of mandamus. (NRS 281.050, 293.182, 293C.186; DeStefano v. Berkus, 121 Nev. 627, 628-31 (2005); Child v. Lomax, 124 Nev. 600, 604-05 (2008)) Section 1 of this bill provides that in any preelection action where the court finds that a candidate fails to meet any qualification required for the office: (1) the candidate is disqualified from taking office; and (2) the court may order the candidate to pay the attorney’s fees and costs of the party who brought the action, including the Attorney General or a district attorney or city attorney.

Existing law: (1) requires a candidate to file a declaration or acceptance of candidacy before his or her name may appear on a ballot; and (2) provides that a candidate who knowingly and willfully files a declaration or acceptance of candidacy which contains a false statement regarding residency is guilty of a gross misdemeanor. (NRS 293.1755, 293.177, 293C.185, 293C.200) Existing law also requires a candidate for election to the Legislature to file a declaration of residency with his or her declaration or acceptance of candidacy. (NRS 293.181) Sections 1, 2, 3, and 5 and 7 of this bill provide that a candidate who knowingly and willfully files a declaration of candidacy, acceptance of candidacy or declaration of residency which contains a false statement is guilty of a category C felony. [Sections 1 and 7 of this bill make conforming changes.]

Existing law specifies the forms for a declaration or acceptance of candidacy and a declaration of residency and requires certain information to be included on the forms. Existing law also requires a candidate for office in a primary election to file a declaration or acceptance
of candidacy and also, for the office of State Legislator, a declaration of residency, and when filing, the person must to present the filing officer with one type of acceptable identification or documentation as proof of the candidate’s identity and residency. When the candidate files a declaration or acceptance of candidacy. (NRS 293.177, 293.181, 293C.185)

Sections 2, 3 and 5 revise the forms for a declaration or acceptance of candidacy and a declaration of residency to include a statement that the candidate understands that knowingly and willfully filing such a document which contains a false statement is a crime punishable as a category E felony, and also subjects the candidate to a civil action disqualifying the candidate from taking office and making the candidate liable upon order of the court to pay the attorney’s fees and costs of the party who brings the action. Sections 2 and 5 also require the candidate to present the filing officer with two types of acceptable identification and documentation as proof of the candidate’s identity and residency.

Existing law allows an elector to challenge the qualifications of a person filing for candidacy. (NRS 293.182, 293C.186) Sections 4 and 6 of this bill provide that if a court finds that the person knowingly and willfully made a false statement regarding residency when filing for candidacy, the person is required to pay the costs, expenses and attorney’s fees incurred by the Attorney General, district attorney or city attorney, as applicable.

Existing law authorizes a district court to determine whether a candidate meets the residency requirement in an action for declaratory judgment. (NRS 281.050) Section 8 of this bill provides that if the district court finds that the person knowingly and willfully made a false statement regarding residency when filing for candidacy, the person is required to pay the costs, expenses and attorney’s fees of the prevailing party.

Existing law defines the term “actual residence” to mean the place where a candidate is legally domiciled and maintains a permanent habitation, and when a candidate maintains more than one place of permanent habitation, the place designated by the candidate as his or her principal permanent habitation is deemed to be the candidate’s actual residence. (NRS 281.050) The Nevada Supreme Court has held that the place designated by the candidate as his or her principal permanent habitation must be the place where the candidate actually resides and is legally domiciled in order for the candidate to be eligible to the office. (Williams v. Clark County Dist. Att’y, 118 Nev. 473, 484-86 (2002); Chachas v. Miller, 120 Nev. 51, 53-56 (2004)) Section 8 of this bill amends existing law to reflect the Supreme Court’s holding.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 293 of NRS is hereby amended by adding thereto a new section to read as follows:

1. In addition to any other remedy or penalty provided by law, if a court of competent jurisdiction finds in any pre-election action that a person who is a candidate for any office fails to meet any qualification required for the office pursuant to the Constitution or laws of this State:
   (a) The person is disqualified from entering upon the duties of the office for which he or she filed a declaration of candidacy or acceptance of candidacy; and
   (b) The court may order the person to pay the reasonable attorney's fees and costs of the party who brought the action, including, without limitation, the Attorney General or a district attorney or city attorney.

2. The provisions of this section apply to any pre-election action brought to challenge a person who is a candidate for any office on the grounds that the person fails to meet any qualification required for the office pursuant to the Constitution or laws of this State, including, without limitation, any action brought pursuant to NRS 281.050, 293.182 or 293C.186 or any action brought for:

   (b) Writ relief pursuant to chapter 34 of NRS; or
   (c) Any other legal or equitable relief.

Assembly Bill No. 6.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 370.

AN ACT relating to autism spectrum disorders; removing certification of autism behavior interventionists by the Board of Psychological Examiners; sunsetting these changes unless legislation providing for an autism behavior interventionist to obtain a certain other certification is enacted; removing requiring an autism behavior interventionist to be registered by a certain national board; revising the cap on the amount of required insurance coverage for certain treatment; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law provides for the certification of autism behavior interventionists by the Board of Psychological Examiners. (NRS 641.0204, 641.172) Sections 1-11 and 25 of this bill remove this certification. Section 11 preserves the requirement, however, that an autism behavior interventionist work under the supervision of a licensed psychologist, licensed behavior analyst or licensed assistant behavior analyst and instead require an autism behavior interventionist to be registered as a Registered Behavior Technician or an equivalent credential by the Behavior Analyst Certification Board, Inc.

Existing law requires certain insurers to provide coverage of screening for and diagnosis of autism spectrum disorders and of treatment for autism spectrum disorders for certain persons who are covered by a policy of insurance and requires certain other insurers to provide an option for such coverage. Such required coverage may include behavioral therapy provided by a certified behavior interventionist who is properly supervised. (NRS 287.0276, 689A.0435, 689B.0335, 689C.1655, 695C.1717, 695G.1645) Because that certification has been removed from statute,
Sections 12, 14, 16, 18, 20 and 22 of this bill remove the requirement that such therapy be provided by a certified autism behavior interventionist certified by the Board as a condition to required coverage and the required option for coverage. Sections 12, 14, 16, 18, 20 and 22 preserve the requirement, however, that such therapy be provided by an autism behavior interventionist who is supervised by a licensed psychologist, licensed behavior analyst or licensed assistant behavior analyst before coverage or the option for coverage is required. Sections 12, 14, 16, 18, 20 and 22 also remove with a requirement that such therapy be provided by an autism behavior interventionist registered as a Registered Behavior Technician or an equivalent credential by the Behavior Analyst Certification Board, Inc., as a condition to such requirements. Beginning on January 1, 2017, sections 13, 15, 17, 19, 21, 23 and 26 of this bill increase the $36,000 cap on such coverage.

Section 26 of this bill sunsets the statutory changes that remove certification of autism behavior interventionists by the Board, thereby re-enacting such provisions on July 1, 2017. Sections 13, 15, 17, 19, 21, 23 and 26 of this bill re-enact the requirement that behavior therapy be provided by a certified autism behavior interventionist as a condition to required coverage and the required option for coverage on January 1, 2018, thereby providing a 6-month period in which a person may obtain certification before certification will affect insurance coverage.

Section 26 provides, however, for the permanent removal of the certification of autism behavior interventionists if, on or before July 1, 2017, legislation is enacted to provide for the certification of an autism behavior interventionist as a Registered Behavior Technician or an equivalent certification by the Behavior Analyst Certification Board, Inc., or its successor organization, to the actuarial equivalent of $72,000.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 42.

AN ACT relating to state financial administration; revising provisions governing the procedure for the revision of the budget of the Executive Department of the State Government; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under the State Budget Act, a department, institution or other agency of the Executive Department of the State Government, with certain exceptions, is authorized, as a result of changed conditions, to request a revision to a work program within its budget. Such a revision is required to be approved or disapproved by the Governor or the Chief of the Budget Division of the Department of Administration. In addition, if the amount of the requested revision exceeds a specified monetary threshold and increases or decreases the expenditure level approved by the Legislature for any of the allotments within the work program by a specified percentage or amount, the revision also requires the additional approval of the Interim Finance Committee, unless the Governor approves the revision as necessary because of a qualifying emergency situation or for the protection of life or property.
Further, under existing law, the acceptance of a gift or grant of property or services by a state agency, with certain exceptions, from any source requires approval by the Interim Finance Committee unless: (1) the gift or grant is included in an act of the Legislature authorizing expenditures of nonappropriated money; (2) the gift or grant is below a specified monetary threshold depending on the source, does not involve the hiring of new employees and has been approved by the Governor or the Chief of the Budget Division; or (3) the gift or grant is approved by the Governor as necessary because of a qualifying emergency situation or for the protection of life or property. (NRS 353.335)

This bill removes the requirement for additional approval by the Governor, in certain emergency circumstances, or the Interim Finance Committee for work program changes which result from: (1) acceptance by a state agency of a gift or nongovernmental grant which does not exceed $20,000 or a governmental grant approved by the Governor or Interim Finance Committee in the manner required by statute, which does not exceed $150,000; or (2) carrying forward money from one fiscal year to the next without a change in purpose.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 353.220 is hereby amended to read as follows:

353.220 1. The head of any department, institution or agency of the Executive Department of the State Government, whenever he or she deems it necessary because of changed conditions, may request the revision of the work program of his or her department, institution or agency at any time during the fiscal year, and submit the revised program to the Governor through the Chief with a request for revision of the allotments for the remainder of that fiscal year.

2. Every request for revision must be submitted to the Chief on the form and with supporting information as the Chief prescribes.

3. Before encumbering any appropriated or authorized money, every request for revision must be approved or disapproved in writing by the Governor or the Chief, if the Governor has by written instrument delegated this authority to the Chief.

4. Except as otherwise provided in subsection 8, whenever a request for the revision of a work program of a department, institution or agency in an amount more than $30,000 would, when considered with all other changes in allotments for that work program made pursuant to subsections 1, 2 and 3 and NRS 353.215, increase or decrease by 10 percent or $75,000, whichever is less, the expenditure level approved by the Legislature for any of the allotments...
within the work program, the request must be approved as provided in subsection 5 before any appropriated or authorized money may be encumbered for the revision.

5. If a request for the revision of a work program requires additional approval as provided in subsection 4 and:

(a) Is necessary because of an emergency as defined in NRS 353.263 or for the protection of life or property, the Governor shall take reasonable and proper action to approve it and shall report the action, and his or her reasons for determining that immediate action was necessary, to the Interim Finance Committee at its first meeting after the action is taken. Action by the Governor pursuant to this paragraph constitutes approval of the revision, and other provisions of this chapter requiring approval before encumbering money for the revision do not apply.

(b) The Governor determines that the revision is necessary and requires expeditious action, he or she may certify that the request requires expeditious action by the Interim Finance Committee. Whenever the Governor so certifies, the Interim Finance Committee has 15 days after the request is submitted to its Secretary within which to consider the revision. Any request for revision which is not considered within the 15-day period shall be deemed approved.

(c) Does not qualify pursuant to paragraph (a) or (b), it must be submitted to the Interim Finance Committee. The Interim Finance Committee has 45 days after the request is submitted to its Secretary within which to consider the revision. Any request which is not considered within the 45-day period shall be deemed approved.

6. The Secretary shall place each request submitted pursuant to paragraph (b) or (c) of subsection 5 on the agenda of the next meeting of the Interim Finance Committee.

7. In acting upon a proposed revision of a work program, the Interim Finance Committee shall consider, among other things:

(a) The need for the proposed revision; and

(b) The intent of the Legislature in approving the budget for the present biennium and originally enacting the statutes which the work program is designed to effectuate.

8. The provisions of subsection 4 do not apply to any request for the revision of a work program which is required:

(a) As a result of the acceptance of a gift or grant of property or services for which acceptance is authorized or approved pursuant to subsection 5 of NRS 353.335; or

(b) To carry forward to a fiscal year, without a change in purpose, the unexpended balance of any money authorized for expenditure in the immediately preceding fiscal year.

Amendment No. 43.

SUMMARY—
Repeals
Makes various changes to
provisions governing
certain fire protection districts and fire safety. (BDR 42-369)
AN ACT relating to fire safety; repealing provisions governing certain fire protection districts; reenacting certain of those provisions relating to fire safety; revising the circumstances under which a person, firm, association or agency that caused a fire or other emergency that threatens human life would be charged for the expenses incurred to extinguish the fire or meet the emergency; authorizing the State Land Registrar to transfer title to certain real property owned by the State of Nevada to certain local fire protection districts and counties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law provides for the creation of certain fire protection districts by petition to the State Forester Firewarden. (Chapter 473 of NRS) The functions of those districts are currently being transferred to other local government entities. Accordingly, section 15 of this bill repeals the provisions of chapter 473 of NRS. Certain provisions of that chapter relating to fire safety are reenacted in chapter 472 of NRS by sections 2-5 of this bill. Sections 6-10 of this bill make conforming changes.

Existing law provides that within the boundaries of certain fire protection districts, any person, firm, association or agency responsible for causing any fire or other emergency which threatens human life may, in certain circumstances, be charged with the expenses incurred in extinguishing the fire or meeting the emergency, together with the cost of necessary patrol. (NRS 473.080, 474.550) Section 4 of this bill reenacts NRS 473.080 but removes the boundary limitation and revises the circumstances under which a person, firm, association or agency would be required to pay those expenses. Section 8.5 of this bill makes a similar change concerning those expenses with respect to county fire protection districts.

Existing law authorizes the State Land Registrar to transfer any interest in land owned by the State of Nevada. (NRS 321.003) Sections 11-13 of this
Bill authorize the State Land Registrar to transfer title to certain real property owned by the State, with certain restrictions, to certain local fire protection districts and counties as the result of the dissolution of the fire protection districts created pursuant to chapter 473 of NRS.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 472 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 5, inclusive, of this act.

Sec. 2. 1. The State Forester Firewarden may prohibit or restrict the following activities on any lands within the jurisdiction of the State Forester Firewarden when a danger to public safety or natural resources exists because of conditions which create a high risk of fire:
   (a) The operation in an area of timber, brush or grass of a motor vehicle or other item of equipment powered by a motor:
      (1) If the motor does not have a spark arrester as required by law; or
      (2) If the operator does not have in his or her possession an ax, shovel and at least 1 gallon of water;
   (b) The operation in an area of timber, brush or grass of a motor vehicle off an existing paved, gravel or dirt road;
   (c) The smoking of tobacco or other substances in any place other than a motor vehicle or an area cleared of flammable vegetation;
   (d) Setting an open fire in any place other than in a fireplace located in an established picnic area or campground; or
   (e) Other activities, if specified in regulations adopted by the State Forester Firewarden and the prohibition or restriction is related to reducing a high risk of fire,

   but these prohibitions and restrictions do not apply in established campgrounds or picnic areas, beaches or places of habitation or to travel on state or federal highways.

2. The State Forester Firewarden shall make a public announcement and post signs in any area where the State Forester Firewarden has prohibited or restricted any activities.

3. The State Forester Firewarden shall, upon finding that a danger to public safety or to natural resources no longer exists, make known to the public the end of any prohibition or restriction in that area.

4. The provisions of this section apply only to specified prohibitions or restrictions and do not confer upon the State Forester Firewarden the power to prohibit access to land.

5. Any person violating any of the provisions of this section is guilty of a misdemeanor.
Sec. 3. Except as otherwise provided in NRS 527.126, any person, firm, association or agency which, personally or through another, willfully, negligently or in violation of the law:

1. Sets fire to the property, whether privately or publicly owned, of another;
2. Allows fire to be set to the property, whether privately or publicly owned, of another; or
3. Allows a fire kindled or attended by the person, firm, association or agency to escape to the property, whether privately or publicly owned, of another,

is liable to the owner of the property for the damages caused by the fire.

Sec. 4. Except as otherwise provided in this section or by specific statute, if the State Forester Firewarden determines that a person, firm, association or agency is responsible for willfully or negligently causing any fire or other emergency which threatens human life, the person, firm, association or agency may be charged with the expenses incurred in extinguishing the fire or meeting the emergency, together with the cost of necessary patrol. This charge constitutes a debt of the person, firm, association or agency charged and is collectible by the federal, state or county agency incurring such expenses in the same manner as in the case of an obligation under a contract, express or implied.

2. If the State Forester Firewarden determines that the fire or other emergency which threatens human life was the result of an unavoidable accident, the State Forester Firewarden shall not charge the person, firm, association or agency that caused the fire or emergency the expenses incurred in extinguishing the fire or meeting the emergency.

Sec. 5. Except as otherwise provided in this section and NRS 527.126, it is unlawful for any person, firm, association, corporation or agency to burn, or cause to be burned, any brush, grass, logs or any other inflammable material, or blast with dynamite, powder or other explosive, or set off fireworks, or operate a welding torch, tarpot or any other device that may cause a fire in forest, grass or brush, either on the land of the person, firm, association, corporation or agency or on the land of another, or on public land, unless the burning or act is done under a written permit from the State Forester Firewarden or the State Forester Firewarden’s duly authorized agent and in strict accordance with the terms of the permit.

2. Written permission is not necessary:
(a) At any time during the year when the State Forester Firewarden determines that no fire hazard exists.
(b) To burn materials in screened, safe incinerators, or in incinerators approved by the local governmental jurisdiction, the State Forester
Firewarden or the State Forester Firewarden’s duly authorized agent, or in small heaps or piles, where the fire is set on a public road, corrals, gardens or ploughed fields, and at a distance not less than 100 feet from any woodland, timber or brush-covered land or field containing dry grass or other inflammable material with at least one adult person in actual attendance at the fire at all times during its burning.

3. This section does not prevent the issuance of an annual permit to any public utility covering its usual and emergency operation and maintenance work.

4. This section does not prevent the building of necessary controlled small camp and branding fires if caution is taken to make certain that the fire is extinguished before leaving. In any case where the fire escapes and does injury to the property of another, the escape and injury are prima facie evidence of a violation of this section.

5. The provisions of this section apply only to areas of land that are outside of incorporated cities and towns.

6. Any person, firm, association, corporation or agency violating any of the provisions of this section is guilty of a misdemeanor.

Sec. 6. NRS 472.040 is hereby amended to read as follows:

472.040 1. The State Forester Firewarden shall:

SUMMARY—[Revise provisions governing the dissemination of]
Provides for the establishment within the Central Repository for Nevada Records of Criminal History of a service to conduct a name-based search of records of criminal history. (BDR 14-294)

AN ACT relating to criminal records; revising provisions governing the dissemination of certain records of criminal history to employers and prospective employers by an agency of criminal justice or providing for the establishment within the Central Repository for Nevada Records of Criminal History of a service to conduct a name-based search of records of criminal history of an employee, prospective employee, volunteer or prospective volunteer; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Under existing state law, an agency of criminal justice or the Central Repository for Nevada Records of Criminal History is required to disseminate to a current or prospective employer, upon request, certain information about the criminal history of a current or prospective employee or volunteer. (NRS 179A.100) Under existing federal law, a “consumer report” is defined to include the communication of any information by a consumer reporting agency that bears upon a person’s character, general reputation and personal characteristics. (15 U.S.C. § 1681a(d)) This bill creates a legal fiction by allowing a person or entity designated to receive
information about the criminal history of a current or prospective employee or volunteer on behalf of an employer to obtain such information by submitting to the Central Repository proof of the consent of an employee or volunteer allowing the employer to obtain a consumer report pursuant to 15 U.S.C. § 1681b(b)(2) in lieu of submitting a written consent of the employee or volunteer to obtain the information from the Central Repository.

This bill also specifies that a record of criminal history or the absence of such a record may be furnished to an employer by a person or entity designated to receive the information on behalf of the employer and who obtained the information pursuant to the statutory provisions governing the dissemination of such information. This bill further authorizes an agency of criminal justice to audit any employer or person or entity designated to receive records of criminal history on behalf of an agency to whom the agency has disseminated certain records for purposes of ensuring that such disseminated records are securely maintained. This bill provides for the establishment within the Central Repository of a service to conduct a name-based search of records of criminal history of an employee, prospective employee, volunteer or prospective volunteer. This bill sets forth certain requirements relating to the operation of that service, including, without limitation, provisions regarding: (1) eligibility to participate in the service; (2) fees for participation in the service; (3) the type of information that the Central Repository may release; (4) the requirements for obtaining the consent of the subject of a search for records of criminal history; (5) the authority of the Central Repository to conduct audits concerning the service; and (6) the ability of the Central Repository to terminate participation in the service under certain circumstances.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Amendment adopted. Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 60. Bill read second time. The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 514.

AN ACT relating to ethics in government; revising provisions relating to ethics in government; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under the Nevada Ethics in Government Law, the requirement to disclose a conflict of interest applies to public officers as well as public employees, but the requirements relating to abstention only apply to public officers. (NRS 281A.420) Section 2 of this bill extends to public employees the requirements relating to abstention from taking action on matters on which a public employee has a prescribed conflict of interest.

Under the Ethics Law, the Commission on Ethics is required to determine whether it has jurisdiction over a request for an opinion. (NRS 281A.280; NAC 281A.360, 281A.405) The Ethics Law also imposes time limits on the Commission to carry out certain duties. (With respect to a request for an opinion from a public officer or employee regarding his or her own past, present or future conduct as a public officer or employee, the Commission is required to render an opinion within 45 days after receiving the request, unless the public officer or employee waives the time limit.) With respect to a request for an opinion regarding the conduct of a public officer or employee from which is made by a third party, and is more commonly known as a third-party request, the Executive Director of the Commission is required to complete an investigation and make a recommendation regarding the third-party request within 70 days after receipt of the request, unless the public officer or employee waives the time limit. (NRS 281A.440)

To accommodate the time required for the Commission to determine whether it has jurisdiction concerning a third-party request, section 3 of this bill moves the commencement of these time limits until the date on which the Commission shall determine whether it has jurisdiction concerning the request, unless the public officer or employee waives the time limit. If the Commission determines that it has jurisdiction concerning the request instead of the date on which the request was received by the Commission.

The Ethics Law prohibits the Commission from initiating a request for an opinion based on an anonymous complaint. (NRS 281A.440) Section 3
removes this prohibition, thereby allowing the Commission to initiate a
request for an opinion if it has sufficient information to do so based on an
anonymous complaint. The Executive Director must complete the
investigation and make a recommendation regarding the request within
70 days after the jurisdictional determination, unless the public officer
or employee waives the time limit.

Under the Ethics Law, the investigative file relating to a request for an
opinion, which includes any information obtained by the Commission during
the course of an investigation related to the request, is confidential. (NRS 281A.440) Section 3 clarifies that the investigative file includes any
information provided to or obtained by an investigatory panel consisting of
Commission members or by the staff of the Commission.

The Ethics Law further provides that all information that is not
included in the investigative file relating to a request is confidential for a
limited time until an investigatory panel determines whether there is just
and sufficient cause to render an opinion in the matter or until the
public officer or employee authorizes disclosure, whichever occurs first.
(NRS 281A.440) Section 3 authorizes additional confidentiality which
allows a person who makes a third-party request to ask for the person’s
name to be kept confidential under certain limited circumstances. In
particular, section 3 states that the Commission: (1) shall keep the
person’s name confidential if the person is a public officer or employee
who works for the same public body, agency or employer as the public
officer or employee who is the subject of the request; and (2) may keep
the person’s name confidential if the person offers sufficient facts and
circumstances showing a reasonable likelihood that disclosure of the
person’s name will subject the person or a member of the person’s
household to a bona fide threat of physical force or violence. However, if
the Commission keeps the person’s name confidential, the Commission
may not render an opinion in the matter unless there is sufficient
evidence without the person’s testimony to consider the request.

Additionally, if the Commission intends to present the person’s
testimony as evidence, the Commission must disclose the person’s name
within a reasonable time before the Commission’s hearing on the matter.

Under the Ethics Law, the Commission is required to consider various
aggravating and mitigating factors when determining whether a violation of
the Ethics Law is a willful violation and, if so, the amount of any civil
penalty to be imposed for such a willful violation of the Ethics Law.
(NRS 281A.170, 281A.475) Sections 1 and 4 of this bill clarify that the factors listed in the Ethics Law which must be considered by the
Commission are not exclusive or exhaustive, and the Commission may
consider other factors in the disposition of the matter if they bear a reasonable relationship to the determination of the severity of the violation.

The Ethics Law includes a “safe harbor” provision, whereby any act or failure to act by a current or former public officer or employee is deemed to not be a willful violation if the public officer or employee establishes by sufficient evidence that: (1) the public officer or employee relied in good faith upon the advice of the legal counsel retained by his or her public body, agency or employer; and (2) the act or failure to act by the public officer or employee was not contrary to a prior published opinion issued by the Commission. (NRS 281A.480) **Section 5** of this bill clarifies that to qualify for protection under the “safe harbor” provision, the advice of the legal counsel must have been: (1) requested by and provided to the public officer or employee before he or she acted or failed to act; and (2) based on a reasonable legal determination by the legal counsel **under the circumstances when the advice was given** that the act or failure to act would not be contrary to any prior published opinion issued by the Commission **which was publicly available on the Internet website of the Commission**.

With certain exceptions, the Ethics Law imposes a 1-year “cooling off” period on former public officers and employees during which they are prohibited from soliciting or accepting employment from a business or industry over which they had regulatory authority in some capacity. However, the Ethics Law authorizes a current or former public officer or employee to request an opinion from the Commission to obtain relief from the strict application of the prohibition. The Ethics Law also authorizes a current public officer or employee to request the Commission to render an opinion providing guidance regarding his or her past, present or future conduct as a public officer or employee, which is known as a first-party request for an opinion. Under the Ethics Law, a request for an opinion regarding the application of the “cooling-off” prohibition or a first-party request for an opinion, as well as any opinion rendered by the Commission in response to such a request and any motion, determination, evidence or record of a hearing relating to such a request, are confidential unless, in part, the public officer or employee discloses the request for an opinion, opinion or related motion, evidence or record. (NRS 281A.440, 281A.550) **Sections 3 and 6** of this bill allow a public officer or employee who made such a request to disclose the request for the opinion, the opinion and any motion, evidence or record related to the opinion to certain persons without waiving the confidentiality of the request for the opinion, opinion and any related motion, evidence or record.

  unless the Commission determines, after applying the factors set forth in
NRS 281A.475, that the public officer’s or employee’s act or failure to act
has not resulted in a sanctionable violation of this chapter.

Sec. 2.  NRS 281A.420 is hereby amended to read as follows:

281A.420  1.  Except as otherwise provided in this section, a public
officer or employee shall not approve, disapprove, vote, abstain from voting
or otherwise act upon a matter:

(a) Regarding which the public officer or employee has accepted a gift or
loan;

(b) In which the public officer or employee has a significant pecuniary
interest;

(c) Which would reasonably be affected by the public officer’s or
employee’s commitment in a private capacity to the interests of another
person,

without disclosing information concerning the gift or loan, significant
pecuniary interest or commitment in a private capacity to the interests of the
person that is sufficient to inform the public of the potential effect of the
action or abstention upon the person who provided the gift or loan, upon the
public officer’s or employee’s significant pecuniary interest, or upon the
person to whom the public officer or employee has a commitment in a
private capacity. Such a disclosure must be made at the time the matter is
considered. If the public officer or employee is a member of a body which
makes decisions, the public officer or employee shall make the disclosure in
public to the chair and other members of the body. If the public officer or
employee is not a member of such a body and holds an appointive office, the
public officer or employee shall make the disclosure to the supervisory head
of the public officer’s or employee’s organization or, if the public officer
holds an elective office, to the general public in the area from which the
public officer is elected.

2.  The provisions of subsection 1 do not require a public officer to
disclose:

(a) Any campaign contributions that the public officer reported in a timely
manner pursuant to NRS 294A.120 or 294A.125; or
(b) Any contributions to a legal defense fund that the public officer reported in a timely manner pursuant to NRS 294A.286.

3. Except as otherwise provided in this section, in addition to the requirements of subsection 1, a public officer or employee shall not vote or otherwise act upon or advocate the passage or failure of, but may otherwise participate in the consideration of, a matter with respect to which the independence of judgment of a reasonable person in the public officer’s or employee’s situation would be materially affected by:

(a) The public officer’s or employee’s acceptance of a gift or loan;
(b) The public officer’s or employee’s significant pecuniary interest; or
(c) The public officer’s or employee’s commitment in a private capacity to the interests of another person.

4. In interpreting and applying the provisions of subsection 3:

(a) It must be presumed that the independence of judgment of a reasonable person in the public officer’s or employee’s situation would not be materially affected by the public officer’s or employee’s acceptance of a gift or loan, significant pecuniary interest or commitment in a private capacity to the interests of another person where the resulting benefit or detriment accruing to the public officer or employee, or if the public officer or employee has a commitment in a private capacity to the interests of another person, accruing to the other person, is not greater than that accruing to any other member of any general business, profession, occupation or group that is affected by the matter. The presumption set forth in this paragraph does not affect the applicability of the requirements set forth in subsection 1 relating to the disclosure of the acceptance of a gift or loan, significant pecuniary interest or commitment in a private capacity to the interests of another person.

(b) The Commission must give appropriate weight and proper deference to the public policy of this State which favors the right of a public officer or employee to perform the duties for which the public officer was elected or appointed or the duties which the public employee was assigned and to vote or otherwise act upon a matter, provided the public officer or employee has properly disclosed the public officer’s or employee’s acceptance of a gift or loan, significant pecuniary interest or commitment in a private capacity to the interests of another person in the manner required by subsection 1. Because abstention by a public officer disrupts the normal course of representative government and governmental operation and deprives the public [and the public officer’s constituents] of a voice in governmental affairs, the provisions of this section are intended to require abstention only in clear cases where the independence of judgment of a reasonable person in the public officer’s or employee’s situation would be materially affected by the public officer’s or employee’s acceptance of a gift or loan, significant
pecuniary interest or commitment in a private capacity to the interests of another person.

5. Except as otherwise provided in NRS 241.0355, if a public officer declares to the body or committee in which the vote is to be taken that the public officer will abstain from voting because of the requirements of this section, the necessary quorum to act upon and the number of votes necessary to act upon the matter, as fixed by any statute, ordinance or rule, is reduced as though the member abstaining were not a member of the body or committee.

6. The provisions of this section do not, under any circumstances:
   (a) Prohibit a member of a local legislative body from requesting or introducing a legislative measure; or
   (b) Require a member of a local legislative body to take any particular action before or while requesting or introducing a legislative measure.

7. The provisions of this section do not, under any circumstances, apply to State Legislators or allow the Commission to exercise jurisdiction or authority over State Legislators. The responsibility of a State Legislator to make disclosures concerning gifts, loans, interests or commitments and the responsibility of a State Legislator to abstain from voting upon or advocating the passage or failure of a matter are governed by the Standing Rules of the Legislative Department of State Government which are adopted, administered and enforced exclusively by the appropriate bodies of the Legislative Department of State Government pursuant to Section 6 of Article 4 of the Nevada Constitution.

8. As used in this section, “public officer” and “public employee” do not include a State Legislator. (Deleted by amendment.)

Sec. 3. NRS 281A.440 is hereby amended to read as follows:

281A.440 1. The Commission shall render an opinion interpreting the statutory ethical standards and apply the standards to a given set of facts and circumstances within 45 days after receiving [determining that it has jurisdiction concerning] a request, [received,] on a form prescribed by the Commission, from a public officer or employee who is seeking guidance on questions which directly relate to the propriety of the requester’s own past, present or future conduct as a public officer or employee, unless the public officer or employee waives the time limit. The public officer or employee may also request the Commission to hold a public hearing regarding the requested opinion. If a requested opinion relates to the propriety of the requester’s own present or future conduct, the opinion of the Commission is:
   (a) Binding upon the requester as to the requester’s future conduct; and
   (b) Final and subject to judicial review pursuant to NRS 233B.130, except that a proceeding regarding this review must be held in closed court without
admittance of persons other than those necessary to the proceeding, unless this right to confidential proceedings is waived by the requester.

2. The Commission may render an opinion interpreting the statutory ethical standards and apply the standards to a given set of facts and circumstances:
   (a) Upon request from a specialized or local ethics committee.
   (b) Except as otherwise provided in this subsection, upon request from a person, if the requester submits:
      (1) The request on a form prescribed by the Commission; and
      (2) All related evidence deemed necessary by the Executive Director and the investigatory panel to make a determination of whether there is just and sufficient cause to render an opinion in the matter.
   (c) Upon the Commission’s own motion regarding the propriety of conduct by a public officer or employee. The Commission shall not initiate proceedings pursuant to this paragraph based solely upon an anonymous complaint.

The Commission shall not render an opinion interpreting the statutory ethical standards or apply those standards to a given set of facts and circumstances if the request is submitted by a person who is incarcerated in a correctional facility in this State.

3. **Within 45 days after receiving a request for an opinion pursuant to paragraph (a) or (b) of subsection 2, the Commission shall determine whether it has jurisdiction concerning the request, unless the public officer or employee who is the subject of the request waives this time limit.** Upon receipt of a determination by the Commission that it has jurisdiction concerning a request for an opinion pursuant to paragraph (a) or (b) of subsection 2, or upon the motion of the Commission initiating a request for an opinion pursuant to paragraph (c) of subsection 2, as applicable, the Executive Director shall investigate the facts and circumstances relating to the request to determine whether there is just and sufficient cause for the Commission to render an opinion in the matter. The Executive Director shall notify the public officer or employee who is the subject of the request and provide the public officer or employee an opportunity to submit to the Executive Director a response to the allegations against the public officer or employee within 30 days after the date on which the public officer or employee received the notice of the request. The purpose of the response is to provide the Executive Director with any information relevant to the request which the public officer or employee believes may assist the Executive Director and the investigatory panel in conducting the investigation. The public officer or employee is not required in the response or in any proceeding before the investigatory panel to assert, claim or raise any objection or defense, in law or fact, to the allegations against the public
officer or employee and no objection or defense, in law or fact, is waived, abandoned or barred by the failure to assert, claim or raise it in the response or in any proceeding before the investigatory panel.

4. The Executive Director shall complete the investigation and present a written recommendation relating to just and sufficient cause, including, without limitation, the specific evidence or reasons that support the recommendation, to the investigatory panel within 70 days after the receipt of determination by the Commission that it has jurisdiction concerning the request or after the motion of the Commission initiating the request, as applicable, unless the public officer or employee waives this time limit.

5. Within 15 days after the Executive Director has provided the written recommendation in the matter to the investigatory panel pursuant to subsection 4, the investigatory panel shall conclude the investigation and make a final determination regarding whether there is just and sufficient cause for the Commission to render an opinion in the matter, unless the public officer or employee waives this time limit. The investigatory panel shall not determine that there is just and sufficient cause for the Commission to render an opinion in the matter unless the Executive Director has provided the public officer or employee an opportunity to respond to the allegations against the public officer or employee as required by subsection 3. The investigatory panel shall cause a record of its proceedings in each matter to be kept.

6. If the investigatory panel determines that there is just and sufficient cause for the Commission to render an opinion in the matter, the Commission shall hold a hearing and render an opinion in the matter within 60 days after the determination of just and sufficient cause by the investigatory panel, unless the public officer or employee waives this time limit.

7. Each request for an opinion that a public officer or employee submits to the Commission pursuant to subsection 1, each opinion rendered by the Commission in response to such a request and any motion, determination, evidence or record of a hearing relating to such a request are confidential unless the public officer or employee who requested the opinion:

(a) Acts in contravention of the opinion, in which case the Commission may disclose the request for the opinion, the contents of the opinion and any motion, evidence or record of a hearing related thereto;

(b) Discloses the request for the opinion, the contents of the opinion, or any motion, evidence or record of a hearing related thereto in any manner except to:

(1) The public body, agency or employer of the public officer or employee; or

(2) A person to whom the Commission authorizes the current or former public officer or employee to make such a disclosure; or
(c) Requests the Commission to disclose the request for the opinion, the contents of the opinion, or any motion, evidence or record of a hearing related thereto.

8. Except as otherwise provided in subsections 9 and 10, all information, communications, records, documents or other material in the possession of the Commission or its staff that is related to a request for an opinion regarding a public officer or employee submitted to or initiated by the Commission pursuant to subsection 2, including, without limitation, the record of the proceedings of the investigatory panel made pursuant to subsection 5, are confidential and not public records pursuant to chapter 239 of NRS until:

(a) The investigatory panel determines whether there is just and sufficient cause to render an opinion in the matter and serves written notice of such a determination on the public officer or employee who is the subject of the request for an opinion submitted or initiated pursuant to subsection 2; or

(b) The public officer or employee who is the subject of a request for an opinion submitted or initiated pursuant to subsection 2 authorizes the Commission in writing to make its information, communications, records, documents or other material which are related to the request publicly available,

whichever occurs first.

9. Except as otherwise provided in this subsection, if a person who submits a request for an opinion pursuant to paragraph (b) of subsection 2 asks for the person’s name to be kept confidential, the Commission:

(a) Shall keep the person’s name confidential if the person is a public officer or employee who works for the same public body, agency or employer as the public officer or employee who is the subject of the request.

(b) May keep the person’s name confidential if the person offers sufficient facts and circumstances showing a reasonable likelihood that disclosure of the person’s name will subject the person or a member of the person’s household to a bona fide threat of physical force or violence.

If the Commission keeps the person’s name confidential, the Commission shall not render an opinion in the matter unless there is sufficient evidence without the person’s testimony to consider the propriety of the conduct of the public officer or employee who is the subject of the request. If the Commission intends to present the person’s testimony for consideration as evidence in rendering an opinion in the matter, the Commission shall disclose the person’s name within a reasonable time before the Commission’s hearing on the matter.

10. Except as otherwise provided in this section, the investigative file of the Commission related to a request for an opinion
regarding a public officer or employee, as described in subsection 16, is confidential. At any time after being served with written notice of the determination of the investigatory panel regarding the existence of just and sufficient cause for the Commission to render an opinion in the matter, the public officer or employee who is the subject of the request for an opinion may submit a written discovery request to the Commission for a copy of any portion of the investigative file that the Commission intends to present for consideration as evidence in rendering an opinion in the matter and a list of proposed witnesses. Any portion of the investigative file which the Commission presents as evidence in rendering an opinion in the matter becomes a public record as provided in chapter 239 of NRS.

11. Whenever the Commission holds a hearing pursuant to this section, the Commission shall:
   (a) Notify the person about whom the opinion was requested of the place and time of the Commission’s hearing on the matter;
   (b) Allow the person to be represented by counsel; and
   (c) Allow the person to hear the evidence presented to the Commission and to respond and present evidence on the person’s own behalf.
   The Commission’s hearing may be held no sooner than 10 days after the notice is given unless the person agrees to a shorter time.

12. If a person who is not a party to a hearing before the Commission, including, without limitation, a person who has requested an opinion pursuant to paragraph (a) or (b) of subsection 2, wishes to ask a question of a witness at the hearing, the person must submit the question to the Executive Director in writing. The Executive Director may submit the question to the Commission if the Executive Director deems the question relevant and appropriate. This subsection does not require the Commission to ask any question submitted by a person who is not a party to the proceeding.

13. If a person who requests an opinion pursuant to subsection 1 or 2 does not:
   (a) Submit all necessary information to the Commission; and
   (b) Declare by oath or affirmation that the person will testify truthfully,
   the Commission may decline to render an opinion.

14. For good cause shown, the Commission may take testimony from a person by telephone or video conference.

15. For the purposes of NRS 41.032, the members of the Commission and its employees shall be deemed to be exercising or performing a discretionary function or duty when taking an action related to the rendering of an opinion pursuant to this section.

16. A meeting or hearing that the Commission or the investigatory panel holds to receive information or evidence concerning the propriety of the conduct of a public officer or employee pursuant to this section and the
deliberations of the Commission and the investigatory panel on such information or evidence are not subject to the provisions of chapter 241 of NRS.

Paragraph 17. For the purposes of this section, the investigative file of the Commission which relates to a request for an opinion regarding a public officer or employee includes, without limitation, any information provided to or obtained by the Commission, its staff or an investigatory panel through any form of communication during the course of an investigation and any records, documents or other material created or maintained during the course of an investigation which relate to the public officer or employee who is the subject of the request for an opinion, including, without limitation, a transcript, regardless of whether such information, records, documents or other material are obtained by a subpoena.

Sec. 4. NRS 281A.475 is hereby amended to read as follows:

281A.475 1. In determining whether a violation of this chapter is a willful violation and, if so, the amount of any civil penalty to be imposed on a public officer or employee or former public officer or employee pursuant to NRS 281A.480, the Commission shall consider without limitation:

(a) The seriousness of the violation, including, without limitation, the nature, circumstances, extent and gravity of the violation;
(b) The number and history of previous warnings issued to or violations of the provisions of this chapter by the public officer or employee;
(c) The cost to the Commission to conduct the investigation and any hearing relating to the violation;
(d) Any mitigating factors, including, without limitation, any self-reporting, prompt correction of the violation, any attempts to rectify the violation before any complaint is filed and any cooperation by the public officer or employee in resolving the complaint;
(e) Any restitution or reimbursement paid to parties affected by the violation;
(f) The extent of any financial gain resulting from the violation; and
(g) Any other matter justice may require.

2. The factors set forth in this section are not exclusive or exhaustive, and the Commission may consider other factors in the disposition of the matter if they bear a reasonable relationship to the Commission’s determination of the severity of the violation.

3. In applying the factors set forth in this section, the Commission shall treat comparable situations in a comparable manner and shall ensure that the disposition of the matter bears a reasonable relationship to the severity of the violation.

Sec. 5. NRS 281A.480 is hereby amended to read as follows:
281A.480 1. In addition to any other penalties provided by law and in accordance with the provisions of NRS 281A.475, the Commission may impose on a public officer or employee or former public officer or employee civil penalties:

(a) Not to exceed $5,000 for a first willful violation of this chapter;

(b) Not to exceed $10,000 for a separate act or event that constitutes a second willful violation of this chapter; and

(c) Not to exceed $25,000 for a separate act or event that constitutes a third willful violation of this chapter.

2. In addition to any other penalties provided by law, the Commission may, upon its own motion or upon the motion of the person about whom an opinion was requested pursuant to NRS 281A.440, impose a civil penalty not to exceed $5,000 and assess an amount equal to the amount of attorney’s fees and costs actually and reasonably incurred by the person about whom an opinion was requested pursuant to NRS 281A.440 against a person who prevents, interferes with or attempts to prevent or interfere with the discovery or investigation of a violation of this chapter.

3. If the Commission finds that a violation of a provision of this chapter by a public officer or employee or former public officer or employee has resulted in the realization of a financial benefit by the current or former public officer or employee or another person, the Commission may, in addition to any other penalties provided by law, require the current or former public officer or employee to pay a civil penalty of not more than twice the amount so realized.

4. In addition to any other penalties provided by law, if a proceeding results in an opinion that:

(a) One or more willful violations of this chapter have been committed by a State Legislator removable from office only through expulsion by the State Legislator’s own House pursuant to Section 6 of Article 4 of the Nevada Constitution, the Commission shall:

(1) If the State Legislator is a member of the Senate, submit the opinion to the Majority Leader of the Senate or, if the Majority Leader of the Senate is the subject of the opinion or the person who requested the opinion, to the President Pro Tempore of the Senate; or

(2) If the State Legislator is a member of the Assembly, submit the opinion to the Speaker of the Assembly or, if the Speaker of the Assembly is the subject of the opinion or the person who requested the opinion, to the Speaker Pro Tempore of the Assembly.

(b) One or more willful violations of this chapter have been committed by a state officer removable from office only through impeachment pursuant to Article 7 of the Nevada Constitution, the Commission shall submit the opinion to the Speaker of the Assembly and the Majority Leader of the
Senate or, if the Speaker of the Assembly or the Majority Leader of the Senate is the person who requested the opinion, to the Speaker Pro Tempore of the Assembly or the President Pro Tempore of the Senate, as appropriate.

(c) One or more willful violations of this chapter have been committed by a public officer other than a public officer described in paragraphs (a) and (b), the willful violations shall be deemed to be malfeasance in office for the purposes of NRS 283.440 and the Commission:

(1) May file a complaint in the appropriate court for removal of the public officer pursuant to NRS 283.440 when the public officer is found in the opinion to have committed fewer than three willful violations of this chapter.

(2) Shall file a complaint in the appropriate court for removal of the public officer pursuant to NRS 283.440 when the public officer is found in the opinion to have committed three or more willful violations of this chapter.

This paragraph grants an exclusive right to the Commission, and no other person may file a complaint against the public officer pursuant to NRS 283.440 based on any violation found in the opinion.

5. Notwithstanding any other provision of this chapter, any act or failure to act by a public officer or employee or former public officer or employee relating to this chapter is not a willful violation of this chapter if the public officer or employee establishes by sufficient evidence that:

(a) The public officer or employee relied in good faith upon the advice of the legal counsel retained by his or her public body, agency or employer; and

(b) The advice of the legal counsel was:

(1) Provided to the public officer or employee before the public officer or employee acted or failed to act; and

(2) Based on a reasonable legal determination by the legal counsel under the circumstances when the advice was given that the act or failure to act by the public officer or employee would not be contrary to any prior published opinion issued by the Commission which was publicly available on the Internet website of the Commission.

6. In addition to any other penalties provided by law, a public employee who commits a willful violation of this chapter is subject to disciplinary proceedings by the employer of the public employee and must be referred for action in accordance to the applicable provisions governing the employment of the public employee.

7. The provisions of this chapter do not abrogate or decrease the effect of the provisions of the Nevada Revised Statutes which define crimes or
prescribe punishments with respect to the conduct of public officers or employees. If the Commission finds that a public officer or employee has committed a willful violation of this chapter which it believes may also constitute a criminal offense, the Commission shall refer the matter to the Attorney General or the district attorney, as appropriate, for a determination of whether a crime has been committed that warrants prosecution.

8. The imposition of a civil penalty pursuant to subsection 1, 2 or 3 is a final decision for the purposes of judicial review pursuant to NRS 233B.130.

9. A finding by the Commission that a public officer or employee has violated any provision of this chapter must be supported by a preponderance of the evidence unless a greater burden is otherwise prescribed by law.

Sec. 6. NRS 281A.550 is hereby amended to read as follows:

281A.550 1. A former member of the Public Utilities Commission of Nevada shall not:
   (a) Be employed by a public utility or parent organization or subsidiary of a public utility; or
   (b) Appear before the Public Utilities Commission of Nevada to testify on behalf of a public utility or parent organization or subsidiary of a public utility, for 1 year after the termination of the member’s service on the Public Utilities Commission of Nevada.

2. A former member of the State Gaming Control Board or the Nevada Gaming Commission shall not:
   (a) Appear before the State Gaming Control Board or the Nevada Gaming Commission on behalf of a person who holds a license issued pursuant to chapter 463 or 464 of NRS or who is required to register with the Nevada Gaming Commission pursuant to chapter 463 of NRS; or
   (b) Be employed by such a person, for 1 year after the termination of the member’s service on the State Gaming Control Board or the Nevada Gaming Commission.

3. In addition to the prohibitions set forth in subsections 1 and 2, and except as otherwise provided in subsections 4 and 6, a former public officer or employee of a board, commission, department, division or other agency of the Executive Department of State Government, except a clerical employee, shall not solicit or accept employment from a business or industry whose activities are governed by regulations adopted by the board, commission, department, division or other agency for 1 year after the termination of the former public officer’s or employee’s service or period of employment if:
   (a) The former public officer’s or employee’s principal duties included the formulation of policy contained in the regulations governing the business or industry;
(b) During the immediately preceding year, the former public officer or employee directly performed activities, or controlled or influenced an audit, decision, investigation or other action, which significantly affected the business or industry which might, but for this section, employ the former public officer or employee; or

(c) As a result of the former public officer’s or employee’s governmental service or employment, the former public officer or employee possesses knowledge of the trade secrets of a direct business competitor.

4. The provisions of subsection 3 do not apply to a former public officer who was a member of a board, commission or similar body of the State if:

(a) The former public officer is engaged in the profession, occupation or business regulated by the board, commission or similar body;

(b) The former public officer holds a license issued by the board, commission or similar body; and

(c) Holding a license issued by the board, commission or similar body is a requirement for membership on the board, commission or similar body.

5. Except as otherwise provided in subsection 6, a former public officer or employee of the State or a political subdivision, except a clerical employee, shall not solicit or accept employment from a person to whom a contract for supplies, materials, equipment or services was awarded by the State or political subdivision, as applicable, for 1 year after the termination of the officer’s or employee’s service or period of employment, if:

(a) The amount of the contract exceeded $25,000;

(b) The contract was awarded within the 12-month period immediately preceding the termination of the officer’s or employee’s service or period of employment; and

(c) The position held by the former public officer or employee at the time the contract was awarded allowed the former public officer or employee to affect or influence the awarding of the contract.

6. A current or former public officer or employee may request that the Commission apply the relevant facts in that person’s case to the provisions of subsection 3 or 5, as applicable, and determine whether relief from the strict application of those provisions is proper. If the Commission determines that relief from the strict application of the provisions of subsection 3 or 5, as applicable, is not contrary to:

(a) The best interests of the public;

(b) The continued ethical integrity of the State Government or political subdivision, as applicable; and

(c) The provisions of this chapter,

it may issue an opinion to that effect and grant such relief. The opinion of the Commission in such a case is final and subject to judicial review pursuant to NRS 233B.130, except that a proceeding regarding this review must be
held in closed court without admittance of persons other than those necessary to the proceeding, unless this right to confidential proceedings is waived by the current or former public officer or employee.

7. Each request for an opinion that a current or former public officer or employee submits to the Commission pursuant to subsection 6, each opinion rendered by the Commission in response to such a request and any motion, determination, evidence or record of a hearing relating to such a request are confidential unless the current or former public officer or employee who requested the opinion:
   (a) Acts in contravention of the opinion, in which case the Commission may disclose the request for the opinion, the contents of the opinion and any motion, evidence or record of a hearing related thereto;
   (b) Discloses the request for the opinion, the contents of the opinion or any motion, evidence or record of a hearing related thereto in any manner except to:
       (1) The public body, agency or employer of the public officer or employee or a prospective employer of the public officer or employee; or
       (2) Any person to whom the Commission authorizes the current or former public officer or employee to make such a disclosure; or
   (c) Requests the Commission to disclose the request for the opinion, the contents of the opinion, or any motion, evidence or record of a hearing related thereto.

8. A meeting or hearing that the Commission or an investigatory panel holds to receive information or evidence concerning the propriety of the conduct of a current or former public officer or employee pursuant to this section and the deliberations of the Commission and the investigatory panel on such information or evidence are not subject to the provisions of chapter 241 of NRS.

9. As used in this section, “regulation” has the meaning ascribed to it in NRS 233B.038 and also includes regulations adopted by a board, commission, department, division or other agency of the Executive Department of State Government that is exempted from the requirements of chapter 233B of NRS.

Sec. 7. This act becomes effective upon passage and approval.
Assemblyman Stewart moved the adoption of the amendment.
Amendment adopted.
Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 68.
Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 9.
AN ACT relating to the Commission on Judicial Discipline; providing that no court in this State other than the Supreme Court may exercise jurisdiction over; requiring a determination or finding by the Commission to be recorded in the minutes of the proceedings of the Commission in certain circumstances; amending the definition of the term “judge” for purposes of the jurisdiction of the Commission; requiring any complaint or action filed in connection with any proceeding of the Commission to be filed in the Supreme Court; authorizing the Commission to require a person who files such a complaint or action in a court lacking jurisdiction to pay the attorney’s fees and costs incurred by the Commission in connection with the complaint or action; and requiring that any such attorney’s fees and costs collected by the Commission be deposited in the State General Fund.

Legislative Counsel’s Digest:
Under existing law, the Commission on Judicial Discipline has exclusive jurisdiction over the public censure, removal, involuntary retirement and other discipline of judges. (NRS 1.440) Section 2.5 of this bill revises the definition of the term “judge” to include a person who is a former justice, judge, justice of the peace or other officer of the Judicial Branch who presides over judicial proceedings if the conduct at issue occurred while the person was serving in any such position. Thus, under section 2.5, the Commission has jurisdiction over a former justice, judge, justice of the peace or other judicial officer for conduct that occurred while the person was serving in any such position. Section 3 of this bill: (1) requires that any complaint or action filed in connection with any proceeding of the Commission be filed in the Supreme Court; (2) authorizes the Commission to require a person who files such a complaint or action in a court that lacks jurisdiction to pay the attorney’s fees and costs incurred by the Commission in connection with the complaint or action; and (2) requires that any such attorney’s fees and costs collected by the Commission be deposited in the State General Fund.

Existing law requires the Commission to examine each complaint it receives to determine whether the complaint alleges objectively verifiable evidence from which a reasonable inference could be drawn that a judge committed misconduct or is incapacitated. (NRS 1.465) Section 4 of this
Section 1. Chapter 1 of NRS is hereby amended by adding thereto a new section to read as follows:

Except as otherwise expressly provided in this section and NRS 1.425 to 1.4695, inclusive, or any other applicable provision of law, a determination or finding by the Commission if the determination or finding is made before: (1) the filing of a formal statement of charges against a judge; or (2) the Commission decides to suspend a judge.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 1 of NRS is hereby amended by adding thereto a new section to read as follows:

Except as otherwise expressly provided in this section and NRS 1.425 to 1.4695, inclusive, or any other applicable provision of law, a determination or finding by the Commission if the determination or finding is made before:

1. The filing of a formal statement of charges against a judge pursuant to NRS 1.467; or
2. The Commission suspends a judge pursuant to NRS 1.4675.
Sec. 2.  NRS 1.425 is hereby amended to read as follows:

**Legislative Counsel’s Digest:**

Existing law establishes the Board of Examiners for Alcohol, Drug and Gambling Counselors and authorizes the Board to license or certify persons engaged in the practice or clinical practice of counseling alcohol and drug abusers and problem gamblers. (Chapter 641C of NRS)

Sections 1.3-1.5 of this bill provide for the certification of peer support specialists by the Board. Section 1.45 establishes the requirements for obtaining a certificate as a peer support specialist. Section 1.5 authorizes a certified peer support specialist to engage in the practice of providing peer support specialist services only under the supervision of certain licensed professionals. Section 1.45 requires an applicant for the issuance or renewal of a certificate as a peer support specialist to pay to the Board a fee which, pursuant to section 12.7 of this bill, must not exceed $150 for the initial application or $300 for the renewal of a certificate.

Section 2 of this bill transfers certain duties of the Secretary-Treasurer of the Board to the Executive Director of the Board. Section 2 also authorizes the Executive Director to delegate certain duties to a designee.

Sections 3-10 of this bill make various changes regarding the requirements for obtaining and renewing a license or certificate as an alcohol, drug or gambling counselor or intern. Sections 8, 10 and 12 of this bill reduce the duration of certificates for certain counseling interns from 1 year to 6 months.

Section 13 of this bill authorizes the Board, when determining whether to issue, renew, restore, suspend, revoke or reinstate a license or certificate or imposing disciplinary action upon an existing licensee or certificate holder, to consider any original criminal charges filed against the applicant, licensee or certificate holder, even if that person was convicted of a lesser crime.

Section 14 of this bill eliminates the 30-day grace period authorizing an otherwise qualified person to engage in the practice of counseling alcohol and drug abusers or problem gamblers without a license or certificate while his or her application is being reviewed. Section 15 of this bill prohibits a person who is not licensed or certified by the Board from engaging in the practice or clinical practice of counseling alcohol and drug abusers and problem gamblers, or the practice of providing peer support specialist services.

Section 24 of this bill repeals the authority of the Board to provide for the certification of detoxification technicians. (NRS 641C.500) Sections 16-20 of this bill make conforming changes to account for the repeal of NRS 641C.500 regarding the certification of detoxification technicians by the Board. The effect of sections 16-20 and 24 is to leave the authority to certify

Amendment No. 332.
SUMMARY—Revises provisions governing child custody, child support, and visitation. (BDR 11-49)
AN ACT relating to domestic relations; clarifying that there is a presumption that joint legal custody and joint physical custody would be in the best interest of a minor child of a marriage under certain circumstances; providing a new formula by which to calculate child support when parents have joint physical custody of a child; defining the term “monthly household income” for the purposes of such a formula; increasing a parent’s monthly presumptive maximum amount for an obligation for the support of a child; providing a method to calculate the amount of child support to be paid in situations involving primary physical custody and joint physical custody; revising the factors a court must consider in adjusting the amount of child support; revising the circumstances which constitute changed circumstances for purposes of modifying a child support order; revising provisions governing orders awarding visitation of a minor child; defining the term “minor child” for the purposes of such visitation orders; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, there is a presumption that joint custody is in the best interest of a minor child of a marriage if the parents agree to an award of joint custody. (NRS 125.490) Section 2 of this bill clarifies that the presumption concerns joint legal custody and joint physical custody of such a minor child.

In determining the amount of child support in a case in which the parents of a minor child have joint physical custody of the child, Nevada courts currently use the formula set forth by the Nevada Supreme Court in Wright v. Osburn, 114 Nev. 1367 (1998), which takes into account the gross monthly income of each parent. Section 6 of this bill sets forth a new formula by which a court will determine the amount of child support in cases involving joint physical custody, which takes into account the monthly household income of each parent. Section 5 of this bill defines the term “monthly household income” to include the gross monthly income of a parent and the gross monthly income of the current spouse or domestic partner or a cohabitant of the parent.

Existing law establishes a parent’s monthly obligation for the support of a child, which is calculated as a percentage of the gross monthly income of the parent. Such an obligation for support is subject to a presumptive maximum amount based on the income range within which a parent’s gross monthly income falls. (NRS 125B.070) Section 8 of this bill: (1) revises the income ranges used to determine the presumptive...
maximum amount for an obligation for support; and (2) increases the presumptive maximum amount for an obligation for support for each income range. Section 8 also provides a method for calculating the total amount of child support to be paid by one parent to the other parent depending on whether one parent has primary physical custody or the parents share joint physical custody.

Existing law specifies certain factors that a court must take into consideration when adjusting an amount of child support. (NRS 125B.080) Section 9 of this bill provides that if the amount of child support is determined pursuant to section 6, the court must take into consideration the relative monthly household income of both parents.

Existing law also provides that a child support order may be reviewed by a court at any time on the basis of changed circumstances. (NRS 125B.145) Section 10 of this bill provides that if the amount of child support ordered was determined pursuant to section 6, an increase in the monthly household income of the person entitled to receive child support payments pursuant to the order such that his or her monthly household income exceeds that of the person obligated to pay child support pursuant to the order is deemed to constitute changed circumstances requiring a review for modification of the order.

Existing law additionally sets forth certain requirements regarding any order that awards a party a right of visitation of a minor child. (NRS 125C.010) Section 11 of this bill requires any such order to provide that such a right of visitation generally remains effective as long as the child remains a minor child. Section 11 defines the term “minor child” using the definition of the term as it is used for purposes of child support, meaning a person who is: (1) under the age of 18 years; (2) under the age of 19 years, if the person is enrolled in high school; (3) under a legal disability; or (4) not declared emancipated, requires the court to take into consideration the child’s standard of living in each parent’s household and the specific circumstances of the child if the child: (1) has reached the age of majority; (2) has not graduated from high school; and (3) remains entitled to child support pursuant to a child support order. Section 9 further provides that when the court is taking into consideration the relative income of both parents, the court must consider any contributions made toward the payment of household expenses by an adult who is cohabitating with either parent of the child.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (NRS 125.150 is hereby amended to read as follows:)

---

---
125.150 Except as otherwise provided in NRS 125.155 and unless the action is contrary to a premarital agreement between the parties which is enforceable pursuant to chapter 123A of NRS:

1. In granting a divorce, the court:
   (a) May award such alimony to the wife or to the husband, in a specified principal sum or as specified periodic payments, as appears just and equitable; and
   (b) Shall, to the extent practicable, make an equal disposition of the community property of the parties, except that the court may make an unequal disposition of the community property in such proportions as it deems just if the court finds a compelling reason to do so and sets forth in writing the reasons for making the unequal disposition.

2. Except as otherwise provided in this subsection, in granting a divorce, the court shall dispose of any property held in joint tenancy in the manner set forth in subsection 1 for the disposition of community property. If a party has made a contribution of separate property to the acquisition or improvement of property held in joint tenancy, the court may provide for the reimbursement of that party for his or her contribution. The amount of reimbursement must not exceed the amount of the contribution of separate property that can be traced to the acquisition or improvement of property held in joint tenancy, without interest or any adjustment because of an increase in the value of the property held in joint tenancy. The amount of reimbursement must not exceed the value, at the time of the disposition, of the property held in joint tenancy for which the contribution of separate property was made. In determining whether to provide for the reimbursement, in whole or in part, of a party who has contributed separate property, the court shall consider:
   (a) The intention of the parties in placing the property in joint tenancy;
   (b) The length of the marriage; and
   (c) Any other factor which the court deems relevant in making a just and equitable disposition of that property.

As used in this subsection, “contribution” includes, without limitation, a down payment, a payment for the acquisition or improvement of property, and a payment reducing the principal of a loan used to finance the purchase or improvement of property. The term does not include a payment of interest on a loan used to finance the purchase or improvement of property, or a payment made for maintenance, insurance or taxes on property.

3. Except as otherwise provided in NRS 125.141, whether or not application for suit money has been made under the provisions of NRS 125.040, the court may award a reasonable attorney’s fee to either party to an action for divorce.
4. In granting a divorce, the court may also set apart such portion of the husband's separate property for the wife's support, the wife's separate property for the husband's support or the separate property of either spouse for the support of their children as is deemed just and equitable.

5. In the event of the death of either party or the subsequent remarriage of the spouse to whom specified periodic payments were to be made, all the payments required by the decree must cease, unless it was otherwise ordered by the court.

6. If the court adjudicates the property rights of the parties, or an agreement by the parties settling their property rights has been approved by the court, whether or not the court has retained jurisdiction to modify them, the adjudication of property rights, and the agreements settling property rights, may nevertheless at any time thereafter be modified by the court upon written stipulation signed and acknowledged by the parties to the action, and in accordance with the terms thereof.

7. If a decree of divorce, or an agreement between the parties which was ratified, adopted or approved in a decree of divorce, provides for specified periodic payments of alimony, the decree or agreement is not subject to modification by the court as to accrued payments. Payments pursuant to a decree entered on or after July 1, 1975, which have not accrued at the time a motion for modification is filed may be modified upon a showing of changed circumstances, whether or not the court has expressly retained jurisdiction for the modification. In addition to any other factors the court considers relevant in determining whether to modify the order, the court shall consider whether the income of the spouse who is ordered to pay alimony, as indicated on the spouse's federal income tax return for the preceding calendar year, has been reduced to such a level that the spouse is financially unable to pay the amount of alimony the spouse has been ordered to pay.

8. In addition to any other factors the court considers relevant in determining whether to award alimony and the amount of such an award, the court shall consider:

(a) The financial condition of each spouse;
(b) The nature and value of the respective property of each spouse;
(c) The contribution of each spouse to any property held by the spouses pursuant to NRS 123.030;
(d) The duration of the marriage;
(e) The income, earning capacity, age and health of each spouse;
(f) The standard of living during the marriage;
(g) The career before the marriage of the spouse who would receive the alimony;
(h) The existence of specialized education or training or the level of marketable skills attained by each spouse during the marriage;
(i) The contribution of either spouse as homemaker;
(j) The award of property granted by the court in the divorce, other than child support and alimony, to the spouse who would receive the alimony; and
(k) The physical and mental condition of each party as it relates to the financial condition, health and ability to work of that spouse.

9. In granting a divorce, the court shall consider the need to grant alimony to a spouse for the purpose of obtaining training or education relating to a job, career or profession. In addition to any other factors the court considers relevant in determining whether such alimony should be granted, the court shall consider:
(a) Whether the spouse who would pay such alimony has obtained greater job skills or education during the marriage; and
(b) Whether the spouse who would receive such alimony provided financial support while the other spouse obtained job skills or education.

10. If the court determines that alimony should be awarded pursuant to the provisions of subsection 9:
(a) The court, in its order, shall provide for the time within which the spouse who is the recipient of the alimony must commence the training or education relating to a job, career or profession.
(b) The spouse who is ordered to pay the alimony may, upon changed circumstances, file a motion to modify the order.
(c) The spouse who is the recipient of the alimony may be granted, in addition to any other alimony granted by the court, money to provide for:
(1) Testing of the recipient’s skills relating to a job, career or profession;
(2) Evaluation of the recipient’s abilities and goals relating to a job, career or profession;
(3) Guidance for the recipient in establishing a specific plan for training or education relating to a job, career or profession;
(4) Subsidization of an employer’s costs incurred in training the recipient;
(5) Assisting the recipient to search for a job or
(6) Payment of the costs of tuition, books and fees for:
(I) The equivalent of a high school diploma;
(II) College courses which are directly applicable to the recipient’s goals for his or her career; or
(III) Courses of training in skills desirable for employment.

11. For the purpose of this section, a change of 20 percent or more in the gross monthly income of a spouse who is ordered to pay alimony shall be deemed to constitute changed circumstances requiring a review for modification of the payments of alimony. As used in this subsection, “gross
monthly income” has the meaning ascribed to it in [NRS 125B.070.](Deleted by amendment.)

Sec. 2. [NRS 125.490 is hereby amended to read as follows:]

NRS 125.490 1. There is a presumption, affecting the burden of proof, that joint legal custody and joint physical custody would be in the best interest of a minor child if the parents have agreed to an award of joint legal custody and joint physical custody or so agree in open court at a hearing for the purpose of determining the custody of the minor child or children of the marriage.

2. The court may award joint legal custody without awarding joint physical custody in a case where the parents have agreed to joint legal custody.

3. For assistance in making a determination whether an award of joint legal custody and joint physical custody is appropriate, the court may direct that an investigation be conducted. (Deleted by amendment.)

Sec. 3. [Chapter 125B of NRS is hereby amended by adding thereto the provisions set forth as sections 4, 5 and 6 of this act] (Deleted by amendment.)

Sec. 4. "Gross monthly income” means the total amount of income received each month from any source of a person who is not self-employed or the gross income from any source of a self-employed person, after deduction of all legitimate business expenses, but without deduction for personal income taxes, contributions for retirement benefits, contributions to a pension or for any other personal expenses. (Deleted by amendment.)

Sec. 5. "Monthly household income” means the total amount of income received in a parent’s household from the gross monthly income of the parent and the gross monthly income of the current spouse or domestic partner or a cohabitant of the parent. As used in this section, “domestic partner” means a person who is in a domestic partnership that is registered pursuant to chapter 122A of NRS and that has not been terminated pursuant to that chapter. (Deleted by amendment.)

Sec. 6. If the parents of a child or children are awarded joint physical custody of the child or children, the amount of child support to be paid by the parent with the higher monthly household income to the parent with the lower monthly household income must be calculated as follows:

1. The total combined monthly household income of both parents is multiplied by the applicable percentage according to the following schedule:

(a) For one child, 18 percent;
(b) For two children, 25 percent;
(c) For three children, 29 percent;
(d) For four children, 31 percent; and
(e) For each additional child, an additional 2 percent.

2. The amount determined pursuant to subsection 1 is multiplied by 50 percent. The resulting amount is added to the amount determined pursuant to subsection 1 to determine the total combined child support obligation of both parents.

3. The amount determined pursuant to subsection 2 is multiplied by 50 percent, resulting in the total child support obligation for each household.

4. Each parent is assigned a percentage of the amount determined pursuant to subsection 3 for which he or she is responsible. The percentage a parent is assigned is determined in accordance with the percentage attributable to him or her of the total combined monthly household income of both parents. To calculate such a percentage, the monthly household income of a parent is divided by the total combined monthly household income of both parents. The resulting decimal amount, when converted to a percentage, represents the percentage attributable to that parent of the total combined monthly household income of both parents. The percentage assigned to that parent is used to determine the amount of child support for which he or she is responsible.

5. To determine the amount of child support for which a parent is responsible, the total child support obligation determined pursuant to subsection 3 is multiplied by the percentage assigned to the parent in subsection 4.

6. The difference between the amount of child support for which each parent is responsible, as determined pursuant to subsection 5, represents the final amount of child support to be paid by the parent with the higher monthly household income to the parent with the lower monthly household income.

Sec. 7. NRS 125B.002 is hereby amended to read as follows:

125B.002 As used in NRS 125B.002 to 125B.180, inclusive, and sections 4, 5 and 6 of this act, unless the context otherwise requires, the words and terms defined in NRS 125B.004 and 125B.008 and sections 4 and 5 of this act have the meanings ascribed to them in those sections.

Sec. 8. NRS 125B.070 is hereby amended to read as follows:

125B.070 1. As used in this section and NRS 125B.080, unless the context otherwise requires:

(a) “Gross monthly income” means the total amount of income received each month from any source of a person who is not self-employed or the gross income from any source of a self-employed person, after deduction of all legitimate business expenses, but without deduction for personal income taxes, contributions for retirement benefits, contributions to a pension or for any other personal expenses.
(b) “Obligation [for support]“ means the sum certain dollar amount determined according to the following schedule:

1. For one child, 18 percent;
2. For two children, 25 percent;
3. For three children, 29 percent;
4. For four children, 31 percent; and
5. For each additional child, an additional 2 percent.

of a parent’s gross monthly income, but not more than the presumptive maximum amount per month per child set forth for the parent in subsection 2 for an obligation for support determined pursuant to subparagraphs (1) to (4), inclusive, unless the court sets forth findings of fact as to the basis for a different amount pursuant to subsection 6 of NRS 125B.080.

2. For the purposes of paragraph (b) of subsection 1, the presumptive maximum amount per month per child for an obligation for support, as adjusted pursuant to subsection 3, is:

If a parent’s gross monthly income is equal to or greater than $14,583, the presumptive maximum amount the parent may be required to pay pursuant to paragraph (b) of subsection 1 is $800.

3. The presumptive maximum amounts set forth in subsection 2 for the obligation for support must be adjusted on July 1 of each year for the fiscal year beginning that day and ending June 30 in a rounded dollar amount corresponding to the percentage of increase or decrease in the Consumer Price Index (All Items) published by the United States Department of Labor for the preceding calendar year. On April 1 of each year, the Office of Court Administrator shall determine the amount of the increase or decrease required by this subsection, establish the adjusted amounts to take effect on July 1 of that year and notify each district court of the adjusted amounts.
4. To calculate the support of a child in a case in which one parent has primary physical custody of the child, the applicable percentage set forth in paragraph (b) of subsection 1 will be applied to the gross monthly income of the noncustodial parent. Subject to the presumptive maximum amount set forth in subsection 2 for an obligation for support, and unless the court sets forth findings of fact as to the basis for a different amount pursuant to subsection 6 of NRS 125B.080, the resulting amount is the monthly child support obligation of the noncustodial parent.

5. To calculate the support of a child in a case in which the parents share joint physical custody of the child, the applicable percentage set forth in paragraph (b) of subsection 1 will be applied to each parent’s gross monthly income. Subject to the presumptive maximum amounts set forth in subsection 2 for an obligation for support, the child support obligation of the parent who has the lower gross monthly income will be subtracted from the child support obligation of the parent who has the higher gross monthly income. Unless the court sets forth findings of fact as to the basis for a different amount pursuant to subsection 6 of NRS 125B.080, the resulting amount is the monthly child support obligation of the parent who has the higher gross monthly income.

6. As used in this section:

(a) “Joint physical custody” means a custodial arrangement in which each parent has physical custody and control of a child for at least 146 days each year.

(b) “Office of Court Administrator” means the Office of Court Administrator created pursuant to NRS 1.320.

(c) “Primary physical custody” means a custodial arrangement in which one parent has physical custody and control of a child for more than 219 days each year.

Sec. 9. NRS 125B.080 is hereby amended to read as follows:

125B.080 Except as otherwise provided in NRS 425.450:

1. A court of this State shall apply the appropriate formula set forth in NRS 125B.070 or section 6 of this act, as applicable, to:

(a) Determine the required support in any case involving the support of children.

(b) Any request filed after July 1, 1987, to change the amount of the required support of children.

2. If the parties agree as to the amount of support required, the parties shall certify that the amount of support is consistent with the appropriate formula set forth in NRS 125B.070 or section 6 of this act, as applicable. If the amount of support deviates from the applicable formula, the parties must stipulate sufficient facts in accordance with subsection 9 which justify the deviation to the court, and the court shall make a written finding thereon.
Any inaccuracy or falsification of financial information which results in an inappropriate award of support is grounds for a motion to modify or adjust the award.

3. If the parties disagree as to the amount of the gross monthly income of either party, the court shall determine the amount and may direct either party to furnish financial information or other records, including income tax returns for the preceding 3 years. Once a court has established an obligation for support by reference to a formula set forth in NRS 125B.070, any subsequent modification or adjustment of that support, except for any modification or adjustment made pursuant to subsection 3 of NRS 125B.070 or NRS 425.450 or as a result of a review conducted pursuant to subsection 1 of NRS 125B.145, must be based upon changed circumstances.

4. Notwithstanding the formulas set forth in NRS 125B.070, the minimum amount of support that may be awarded by a court in any case is $100 per month per child, unless the court makes a written finding that the obligor is unable to pay the minimum amount. Willful underemployment or unemployment is not a sufficient cause to deviate from the awarding of at least the minimum amount.

5. It is presumed that the basic needs of a child are met by the formulas set forth in NRS 125B.070. This presumption may be rebutted by evidence proving that the needs of a particular child are not met by the applicable formula.

6. If the amount of the awarded support for a child is greater or less than the amount which would be established under the applicable formula, the court shall:
   (a) Set forth findings of fact as to the basis for the deviation from the formula; and
   (b) Provide in the findings of fact the amount of support that would have been established under the applicable formula.

7. Expenses for health care which are not reimbursed, including expenses for medical, surgical, dental, orthodontic and optical expenses, must be borne equally by both parents in the absence of extraordinary circumstances.

8. If a parent who has an obligation for support is willfully underemployed or unemployed to avoid an obligation for support of a child, that obligation must be based upon the parent’s true potential earning capacity.

9. The court shall consider the following factors when adjusting the amount of support of a child, upon specific findings of fact, to establish an amount of support that is adequate to fulfill a child’s needs and is fair to both parents based on the circumstances of the case:
(a) The cost of health insurance;
(b) The cost of child care;
(c) Any special educational needs of the child;

Amendment No. 379.

AN ACT relating to public works; revising provisions relating to contracts between a public body and a design professional; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides standard provisions that must be included in a public works contract between a public body and a design professional who is not a member of a design-build team. (NRS 338.155) A design professional is defined in existing law as a professional engineer, professional land surveyor, architect, interior designer, residential designer or landscape architect, or a business entity that is engaged in the business of professional engineering, land surveying, architecture or landscape architecture. (NRS 338.010) This bill eliminates the authority of a public body to include in a contract with such a design professional a provision requiring that the design professional defend the public body in any lawsuit alleging negligence, errors or omissions, recklessness or intentional misconduct on the part of the design professional or his or her employees or agents resulting from his or her work on a project which are based upon or arising out of the professional services of the design professional. In addition, such circumstances, this bill provides that if the design professional is held to be liable as a result of a lawsuit, the judge or jury shall order the design professional to reimburse the public body for a proportionate share of the attorney’s fees and costs the public body incurred in defending the action. However, this bill retains the authority in existing law for a public body to include a provision in a contract with a design professional requiring that the design professional defend the public
body in any lawsuit alleging negligence, errors or omissions, recklessness or intentional misconduct of the design professional or his or her employees or agents which are not based upon or arising out of the professional services of the design professional.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 338.155 is hereby amended to read as follows:

338.155 1. If a public body enters into a contract with a design professional who is not a member of a design-build team, for the provision of services in connection with a public work, the contract:

(a) Must set forth:
   (1) The specific period within which the public body must pay the design professional.
   (2) The specific period and manner in which the public body may dispute a payment or portion thereof that the design professional alleges is due.
   (3) The terms of any penalty that will be imposed upon the public body if the public body fails to pay the design professional within the specific period set forth in the contract pursuant to subparagraph (1).
   (4) That the prevailing party in an action to enforce the contract is entitled to reasonable attorney’s fees and costs.

(b) May set forth the terms of any discount that the public body will receive if the public body pays the design professional within the specific period set forth in the contract pursuant to subparagraph (1) of paragraph (a).

(c) May set forth the terms by which the design professional agrees to name the public body, at the cost of the public body, as an additional insured in an insurance policy held by the design professional, if the policy allows such an addition.

(d) Must not require the design professional to defend, indemnify or hold harmless the public body or the employees, officers or agents of that public body from any liability, damage, loss, claim, action or proceeding caused by the negligence, errors, omissions, recklessness or intentional misconduct of the employees, officers or agents of the public body.

(e) Except as otherwise provided in this paragraph, may require the design professional to [defend] indemnify and hold harmless the public body, and the employees, officers and agents of the public body from any liabilities, damages, losses, claims, actions or proceedings, including, without limitation, reasonable attorneys’ fees and costs, to the extent that such liabilities, damages, losses, claims, actions or proceedings are caused by the
negligence, errors, omissions, recklessness or intentional misconduct of the
design professional or the employees or agents of the design professional in
the performance of the contract. If the insurer by which the design
professional is insured against professional liability does not so
The design
professional shall not be required to

(f) Must not require the design professional to defend the public body
and the employees, officers and agents of the public body with respect to the liabilities, damages, losses, claims, actions or proceedings caused by the negligence, errors, omissions, recklessness or intentional misconduct of the design professional or the employees or agents of the design professional which are based upon or arising out of the professional services of the design professional. If the design professional is adjudicated to be liable by a trier of fact, the trier of fact shall award reasonable attorney’s fees and costs to be paid to the public body, as reimbursement for the attorney’s fees and costs incurred by the public body in defending the action, by the design professional in an amount which is proportionate to the liability of the design professional.

(g) May require the design professional to defend the public body and the employees, officers and agents of the public body with respect to the liabilities, damages, losses, claims, actions or proceedings caused by the negligence, errors, omissions, recklessness or intentional misconduct of the design professional or the employees or agents of the design professional which are not based upon or arising out of the professional services of the design professional.

2. Any provision of a contract entered into by a public body and a design professional who is not a member of a design-build team that conflicts with the provisions of paragraph (d), (e), (f) or (g) of subsection 1 is void.

3. As used in this section, “agents” means those persons who are directly involved in and acting on behalf of the public body or the design professional, as applicable, in furtherance of the contract or the public work to which the contract pertains.

Assembly Bill No. 113.
Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 98.
AN ACT relating to juvenile justice; revising provisions governing the sealing of juvenile records; setting forth factors that the juvenile court may consider in determining whether a child has been rehabilitated to the
satisfaction of the juvenile court; providing that certain portions of juvenile records relating to certain civil judgments must not be sealed until the judgment is satisfied or expires; including the Chief of the Youth Parole Bureau of the Division of Child and Family Services of the Department of Health and Human Services as a person entitled to notification of the filing of a petition for the sealing of juvenile records and authorized to testify at a hearing on the petition if the circumstances warrant; revising the circumstances in which the juvenile court may order the inspection of sealed juvenile records; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, if a child is less than 21 years of age, the child or a probation officer on behalf of the child may petition the juvenile court for an order sealing all records relating to the child. (NRS 62H.130) Section 1 of this bill revises the requirements for such a petition to be filed. Existing law also provides that the juvenile court shall enter an order sealing all records relating to a child if the juvenile court finds that: (1) during the previous 3 years, the child has not been convicted of a felony or of any misdemeanor involving moral turpitude; and (2) the child has been rehabilitated to the satisfaction of the juvenile court. (NRS 62H.130) Section 1 instead provides that if the juvenile court makes such findings, then the juvenile court: (1) may enter an order sealing all records relating to the child that pertain to an event which occurred when the child was less than 18 years of age; and (2) shall enter an order sealing all records relating to the child that pertain to an event which occurred when the child is 18 years of age or older. Section 1 also: (1) sets forth various factors that the juvenile court may consider in determining whether a child has been rehabilitated to the satisfaction of the juvenile court; and (2) provides that if the juvenile court retains jurisdiction over a civil judgment and a person against whom the civil judgment was entered, any portion of a record relating to a child that the juvenile court determines is pertinent to the enforcement and collection of the civil judgment, the case caption, case number and order entering the civil judgment must not be sealed until the civil judgment is satisfied or expires.

Existing law requires the juvenile court to notify the district attorney and, in certain circumstances, the chief probation officer, if a petition is filed to seal juvenile records. Additionally, the district attorney and the chief probation officer, any of their deputies or any other person who has evidence that is relevant to consideration of the petition is authorized to testify at the hearing on the petition. (NRS 62H.130, 62H.150) Sections 1 and 3 of this bill include the Chief of the Youth Parole Bureau of the Division of Child and Family Services of the Department of Health and Human Services as a person who, if the circumstances warrant, is entitled to notification of the
filing of a petition for the sealing of juvenile records and is authorized to testify at a hearing on the petition.

Existing law further provides that the juvenile court may order the inspection of juvenile records that are sealed in certain circumstances including if the juvenile court determines that the inspection of the records is necessary to perform bona fide outcome and recidivism studies. (NRS 62H.170) Section 4 of this bill: (1) adds to these circumstances the situation in which the person who is the subject of the records has committed an act which subjects the person to the jurisdiction of the juvenile court and which may form the basis of a civil action and a person who, in good faith, intends to bring or has brought the civil action, or any other person who is a party to the civil action, petitions the juvenile court to permit inspection of the records to obtain information relating to the person who is the subject of the records and (2) specifies that performing bona fide outcome and recidivism studies may include using personal identifying information from sealed juvenile records to perform criminal background checks on persons who were adjudicated pursuant to title 5 of NRS.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 62H.130 is hereby amended to read as follows:

62H.130 1. If a child is less than 21 years of age, the child or a probation or parole officer on behalf of the child may petition the juvenile court for an order sealing all records relating to the child. The petition may be filed:

(a) Not earlier than 3 years after the child was last adjudicated in need of supervision, placed under the supervision of the juvenile court pursuant to NRS 62C.230; and

(b) Was last referred to the juvenile court, whichever is later.

If, at the time the petition is filed, the child is not delinquent and does not have any delinquent or criminal charges pending.

2. If a petition is filed pursuant to this section, the juvenile court shall notify the district attorney and, if a probation or parole officer is not the petitioner, the chief probation officer or the Chief of the Youth Parole Bureau.

3. The district attorney and the chief probation officer or any of their deputies, the Chief of the Youth Parole Bureau or his or her designee, or any other person who has evidence that is relevant to consideration of the petition may testify at the hearing on the petition.

(a) During the applicable 3-year period, the child has not been convicted of a felony or of any misdemeanor involving moral turpitude and

(b) The child has been rehabilitated to the satisfaction of the juvenile court:

(1) May enter an order sealing all records relating to the child that pertain to an event which occurred when the child was less than 18 years of age; and

(2) Shall enter an order sealing all records relating to the child that pertain to an event which occurred when the child is 18 years of age or older.

5. In determining whether a child has been rehabilitated to the satisfaction of the juvenile court pursuant to subsection 4, the juvenile court may consider:

(a) The age of the child;

(b) The nature of the offense and the role of the child in the commission of the offense;

(c) The behavior of the child after the child was last adjudicated in need of supervision or adjudicated delinquent or placed under the supervision of the juvenile court pursuant to NRS 62C.230 or placed with a suitable person or in an appropriate facility by a probation officer pursuant to subsection 5 of NRS 62C.300;

(d) The response of the child to any treatment or rehabilitation program;

(e) The education and employment history of the child;

(f) The statement of the victim;

(g) The nature of any criminal offense for which the child was convicted;

(h) Whether the sealing of the record would be in the best interest of the child and the State; and

(i) Any other circumstance that may relate to the rehabilitation of the child.

6. If the juvenile court retains jurisdiction over a civil judgment and a person against whom the civil judgment was entered pursuant to NRS 62B.420, any portion of a record relating to a child that the juvenile court determines is pertinent to the enforcement and collection of the civil judgment, the case caption, case number and order entering the civil judgment must not be sealed until the civil judgment is satisfied or expires. After the civil judgment is satisfied or expires, the child or a person named
as a judgment debtor may file a petition to seal [any such portion of the record] such information.

Sec. 2. NRS 62H.140 is hereby amended to read as follows:

62H.140 Except as otherwise provided in NRS 62H.130 and 62H.150, when a child reaches 21 years of age, all records relating to the child must be sealed automatically.

Sec. 3. NRS 62H.150 is hereby amended to read as follows:

62H.150 1. If a child is adjudicated delinquent for an unlawful act listed in subsection 6 and the records relating to that unlawful act have not been sealed by the juvenile court pursuant to NRS 62H.130 before the child reaches 21 years of age, unless the records have not been sealed pursuant to subsection 6 of NRS 62H.130, those records must not be sealed before the child reaches 30 years of age.

2. After the child reaches 30 years of age, the child may petition the juvenile court for an order sealing those records.

3. If a petition is filed pursuant to this section, the juvenile court shall notify the district attorney and the chief probation officer or the Chief of the Youth Parole Bureau.

4. The district attorney and the chief probation officer or any of their deputies, the Chief of the Youth Parole Bureau or his or her designee, or any other person who has evidence that is relevant to consideration of the petition may testify at the hearing on the petition.

5. After the hearing on the petition, the juvenile court may enter an order sealing the records relating to the child if the juvenile court finds that, during the period since the child reached 21 years of age, the child has not been convicted of any offense, except for minor moving or standing traffic offenses.

6. The provisions of this section apply to any of the following unlawful acts:

(a) An unlawful act which, if committed by an adult, would have constituted:

(1) Sexual assault pursuant to NRS 200.366;

(2) Battery with intent to commit sexual assault pursuant to NRS 200.400; or

(3) Lewdness with a child pursuant to NRS 201.230.

YOU MAY STATE IN THIS DOCUMENT ANY TYPES OF TREATMENT OR PLACEMENTS THAT YOU DO NOT DESIRE.

3. EXCEPT AS YOU OTHERWISE SPECIFY IN THIS DOCUMENT, THE POWER OF THE PERSON YOU DESIGNATE TO MAKE HEALTH CARE DECISIONS FOR YOU MAY INCLUDE THE POWER TO CONSENT TO YOUR DOCTOR NOT GIVING TREATMENT OR STOPPING TREATMENT WHICH WOULD KEEP YOU ALIVE.

4. UNLESS YOU SPECIFY A SHORTER PERIOD IN THIS DOCUMENT, THIS POWER WILL EXIST INDEFINITELY FROM THE DATE YOU EXECUTE THIS DOCUMENT AND, IF YOU ARE UNABLE TO MAKE HEALTH CARE DECISIONS FOR YOURSELF, THIS POWER WILL CONTINUE TO EXIST UNTIL THE TIME WHEN YOU BECOME ABLE TO MAKE HEALTH CARE DECISIONS FOR YOURSELF.

5. NOTWITHSTANDING THIS DOCUMENT, YOU HAVE THE RIGHT TO MAKE MEDICAL AND OTHER HEALTH CARE

1. DESIGNATION OF HEALTH CARE AGENT.

I, ........................................................................................................
(insert your name) do hereby designate and appoint:

Name: ..............................................................................................
Address: ..........................................................................................
Telephone Number: ...........................................................................

as my agent to make health care decisions for me as authorized in this document.

(Insert the name and address of the person you wish to designate as your agent to make health care decisions for you. Unless the person is also your spouse, legal guardian or the person most closely related to you by blood, none of the following may be designated as your agent: (1) your treating provider of health care; (2) an employee of your treating provider of health care; (3) an operator of a health care facility; or (4) an employee of an operator of a health care facility.)
2. CREATION OF DURABLE POWER OF ATTORNEY FOR
HEALTH CARE.

By this document I intend to create a durable power of attorney by
appointing the person designated above to make health care decisions
for me. This power of attorney shall not be affected by my subsequent
incapacity.

3. GENERAL STATEMENT OF AUTHORITY GRANTED.

In the event that I am incapable of giving informed consent with
respect to health care decisions, I hereby grant to the agent named above
full power and authority: to make health care decisions for me before or
after my death, including consent, refusal of consent or withdrawal of
consent to any care, treatment, service or procedure to maintain,
diagnose or treat a physical or mental condition; to request, review and
receive any information, verbal or written, regarding my physical or
mental health, including, without limitation, medical and hospital
records; to execute on my behalf any releases or other documents that
may be required to obtain medical care and/or medical and hospital
records, EXCEPT any power to enter into any arbitration agreements or
execute any arbitration clauses in connection with admission to any
health care facility including any skilled nursing facility; and subject
only to the limitations and special provisions, if any, set forth in
paragraph 4 or 6.

4. SPECIAL PROVISIONS AND LIMITATIONS.

(Your agent is not permitted to consent to any of the following:
commitment to or placement in a mental health treatment facility,
convulsive treatment, psychosurgery, sterilization or abortion. If there
are any other types of treatment or placement that you do not want your
agent’s authority to give consent for or other restrictions you wish to
place on his or her agent’s authority, you should list them in the space
below. If you do not write any limitations, your agent will have the
broad powers to make health care decisions on your behalf which are set
forth in paragraph 3, except to the extent that there are limits provided
by law.)

In exercising the authority under this durable power of attorney for
health care, the authority of my agent is subject to the following special
provisions and limitations:

....................................................................................................................
....................................................................................................................
....................................................................................................................
....................................................................................................................

5. DURATION.
I understand that this power of attorney will exist indefinitely from the date I execute this document unless I establish a shorter time. If I am unable to make health care decisions for myself when this power of attorney expires, the authority I have granted my agent will continue to exist until the time when I become able to make health care decisions for myself.

(IF APPLICABLE)
I wish to have this power of attorney end on the following date: ...

6. STATEMENT OF DESIRES.
(With respect to decisions to withhold or withdraw life-sustaining treatment, your agent must make health care decisions that are consistent with your known desires. You can, but are not required to, indicate your desires below. If your desires are unknown, your agent has the duty to act in your best interests; and, under some circumstances, a judicial proceeding may be necessary so that a court can determine the health care decision that is in your best interests. If you wish to indicate your desires, you may INITIAL the statement or statements that reflect your desires and/or write your own statements in the space below.)

(If the statement reflects your desires, initial the box next to the statement.)

1. I desire that my life be prolonged to the greatest extent possible, without regard to my condition, the chances I have for recovery or long-term survival, or the cost of the procedures.

[..........................]

2. If I am in a coma which my doctors have reasonably concluded is irreversible, I desire that life-sustaining or prolonging treatments not be used. (Also should utilize provisions of NRS 449.535 to 449.690, inclusive, if this subparagraph is initialed.)

[..........................]

3. If I have an incurable or terminal condition or illness and no reasonable hope of long-term recovery or survival, I desire that
life-sustaining or prolonging treatments not be used. (Also should utilize provisions of NRS 449.535 to 449.690, inclusive, if this subparagraph is initialed.)

4. Withholding or withdrawal of artificial nutrition and hydration may result in death by starvation or dehydration. I want to receive or continue receiving artificial nutrition and hydration by way of the gastrointestinal tract after all other treatment is withheld.

5. I do not desire treatment to be provided and/or continued if the burdens of the treatment outweigh the expected benefits. My agent is to consider the relief of suffering, the preservation or restoration of functioning, and the quality as well as the extent of the possible extension of my life.

(If you wish to change your answer, you may do so by drawing an “X” through the answer you do not want, and circling the answer you prefer.)

Also, if the agent designated in paragraph 1 is your spouse, his or her designation as your agent is automatically revoked by law if your marriage is dissolved.)

serve as my agent to make health care decisions for me as authorized in this document, such persons to serve in the order listed below:

9. WAIVER OF CONFLICT OF INTEREST.
   If my designated agent is my spouse or is one of my children, then I waive any conflict of interest in carrying out the provisions of this Durable Power of Attorney for Health Care that said spouse or child may have by reason of the fact that he or she may be a beneficiary of my estate.

10. CHALLENGES.
    If the legality of any provision of this Durable Power of Attorney for Health Care is questioned by my physician, my agent or a third party, then my agent is authorized to commence an action for declaratory judgment as to the legality of the provision in question. The cost of any such action is to be paid from my estate. This Durable Power of Attorney for Health Care must be construed and interpreted in accordance with the laws of the State of Nevada.

11. NOMINATION OF GUARDIAN.

Assembly Bill No. 130.
Bill read second time.

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 233.

AN ACT relating to estates; revising provisions authorizing the summary administration of the estate of a decedent; revising provisions concerning the distribution or transfer of assets from certain small estates of decedents; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law governs wills and estates of deceased persons. (Title 12 of NRS) Under existing law, a court is authorized to enter an order for the summary administration of an estate if the court deems summary administration advisable and the gross value of the estate does not exceed $200,000 after deducting any encumbrances. (NRS 145.040) Sections 1 and 2 of this bill increase that amount to $300,000.

Existing law provides, under certain circumstances, for the setting aside of small estates that do not exceed a gross value of $100,000, after deducting any encumbrances, for distribution to certain survivors of decedents or other claimants without requiring the administration of such estates. (NRS 146.070) Section 3 of this bill increases that amount to $150,000.

Existing law provides, under certain circumstances, for the transfer of assets from the estate of a decedent to certain claimants pursuant to an affidavit showing the right to receive the assets without the issuance of a letter of administration or, if applicable, the probate of a will if the gross value of the estate does not exceed $20,000. (NRS 146.080) Section 4 of this bill: (1) increases that amount to $100,000; (2) if the claimant is the surviving spouse of the decedent and to $25,000 for any other claimant; and (2) excludes the value of any motor vehicles registered to the decedent from the determination of whether the gross value of the estate exceeds these amounts. Section 4 also requires the affidavit required for such transfer of assets to include a declaration that the claimant has no knowledge of any existing claims for personal injury or tort damages against the decedent. Finally, section 4 requires a governmental agency that issues certificates of title, ownership or registration to personal property to accept an affidavit containing the required information, regardless of the form of the affidavit.
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 145.040 is hereby amended to read as follows:
145.040 If it is made to appear to the court that the gross value of the
estate, after deducting any encumbrances, does not exceed $200,000.
$250,000, $300,000, the court may, if deemed advisable considering the
nature, character and obligations of the estate, enter an order for a summary
administration of the estate.

Sec. 2. NRS 145.110 is hereby amended to read as follows:
145.110 If at any time after the entry of an order for the summary
administration of an estate it appears th at the gross value of the estate, after
deducting any encumbrances, exceeds $200,000 $250,000 $300,000 as of
the death of the decedent, the personal representative shall petition the court
for an order revoking summary administration. The court may, if deemed
advisable considering the nature, character and obligations of the estate,
provide in its order revoking summary administration that regular
administration of the estate may proceed unabated upon providing such
portions of the regular proceedings and notices as were dispensed with by the
order for summary administration.

Sec. 3. NRS 146.070 is hereby amended to read as follows:
146.070 1. If a person dies leaving an estate the gross value of which,
after deducting any encumbrances, does not exceed $100,000, $150,000, and
there is a surviving spouse or minor child or minor children of the
decedent, the estate must not be administered upon, but the whole estate,
after directing such payments as may be deemed just, must be, by an order
for that purpose, assigned and set apart for the support of the surviving
spouse or minor child or minor children, or for the support of the minor child
or minor children, if there is no surviving spouse. Even if there is a surviving
spouse, the court may, after directing such payments, set aside the whole of
the estate to the minor child or minor children, if it is in their best interests.

2. If there is no surviving spouse or minor child of the decedent and the
gross value of a decedent’s estate, after deducting any encumbrances, does
not exceed $100,000, $150,000, upon good cause shown, the court shall
order that the estate not be administered upon, but the whole estate be
assigned and set apart in the following order:
(a) To the payment of funeral expenses, expenses of last illness, money
owed to the Department of Health and Human Services as a result of
payment of benefits for Medicaid and creditors, if there are any; and
(b) Any balance remaining to the claimant or claimants entitled thereto
pursuant to a valid will of the decedent, and if there is no valid will, pursuant
to intestate succession.
3. Proceedings taken under this section, whether or not the decedent left a valid will, must not begin until at least 30 days after the death of the decedent and must be originated by a petition containing:

(a) A specific description of all the decedent’s property.
(b) A list of all the liens and mortgages of record at the date of the decedent’s death.
(c) An estimate of the value of the property.
(d) A statement of the debts of the decedent so far as known to the petitioner.
(e) The names and residences of the heirs and devisees of the decedent and the age of any who is a minor and the relationship of the heirs and devisees to the decedent, so far as known to the petitioner.

4. The clerk shall set the petition for hearing and the petitioner shall give notice of the petition and hearing in the manner provided in NRS 155.010 to the decedent’s heirs and devisees and to the Director of the Department of Health and Human Services. If a complete copy of the petition is not enclosed with the notice, the notice must include a statement setting forth to whom the estate is being set aside.

5. No court or clerk’s fees may be charged for the filing of any petition in, or order of court thereon, or for any certified copy of the petition or order in an estate not exceeding $2,500 in value.

6. If the court finds that the gross value of the estate, less encumbrances, does not exceed the sum of $100,000, the court may direct that the estate be distributed to the father or mother of a minor heir or devisee, with or without the filing of any bond, or to a custodian under chapter 167 of NRS, or may require that a general guardian be appointed and that the estate be distributed to the guardian, with or without bond, as in the discretion of the court is deemed to be in the best interests of the minor. The court may direct the manner in which the money may be used for the benefit of the minor.

Sec. 4. NRS 146.080 is hereby amended to read as follows:

146.080 1. If a decedent leaves no real property, nor interest therein, nor mortgage or lien thereon, in this State, and the gross value of the decedent’s property in this State, over and above any amounts due to the decedent for services in the Armed Forces of the United States [and the value of any motor vehicles registered to the decedent], does not exceed $20,000, a person who has a right to succeed to the property of the decedent pursuant to the laws of succession for a decedent who died intestate or pursuant to the valid will of a decedent who died testate, on behalf of all persons entitled to succeed to the property claimed, or the Director of the Department of Health and Human Services or public administrator on behalf of the State or others entitled to the property,

   (d) That at least 40 days have elapsed since the death of the decedent, as shown in a certified copy of the certificate of death of the decedent attached to the affidavit;
   (e) That no petition for the appointment of a personal representative is pending or has been granted in any jurisdiction;
   (f) That all debts of the decedent, including funeral and burial expenses, and money owed to the Department of Health and Human Services as a result of the payment of benefits for Medicaid, have been paid or provided for;

   (i) That the affiant is personally entitled, or the Department of Health and Human Services is entitled, to full payment or delivery of the property claimed or is entitled to payment or delivery on behalf of and with the written authority of all other successors who have an interest in the property; and
   (j) That the affiant has no knowledge of any existing claims for personal injury or tort damages against the decedent.
   (k) That the affiant acknowledges an understanding that filing a false affidavit constitutes a felony in this State.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 142.

Bill read second time.

The following amendment was proposed by the Committee on Natural Resources, Agriculture, and Mining:

Amendment No. 420.

AN ACT relating to wildlife; making various changes relating to violations of provisions relating to wildlife; eliminating, under certain circumstances, the authority of the Board of Wildlife Commissioners and the Department of Wildlife to suspend or revoke a license, tag, permit, certificate or other document or privilege relating to wildlife; authorizing a court, under certain circumstances, to order the suspension or revocation of a license, tag, permit, certificate or other document or privilege relating to wildlife; eliminating the authority of the Commission to establish a system of assessing demerit points for wildlife convictions; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law requires the Board of Wildlife Commissioners to establish a system of assessing demerit points for a person who is convicted of violating certain laws and regulations in this State relating to wildlife. (NRS 501.1812-501.1818) Pursuant to the system, a person accumulates demerit points if the person is convicted of violating certain provisions of law. If a person accumulates 12 demerit points, the Department of Wildlife is required to suspend or revoke any license, permit or privilege that the Department has issued to the person. With limited exception, a license, permit or privilege may not be suspended for more than 3 years. (NRS 501.1816) In addition to the authority of the Department to suspend or revoke a license pursuant to the demerit system, existing law authorizes a court to require the surrender of a license issued by the Department to a person if the person is found guilty of violating any provision of title 45 of NRS. (NRS 501.387) **Section 1.5** of this bill eliminates the authority of the Commission to establish a system of demerit points, thereby eliminating the system, and instead requires that the Department assess demerit points pursuant to the schedule of demerit points set forth in section 1.1 of this bill. **Section 5** of
this bill provides that, except as otherwise provided by specific statute, a court may not suspend or revoke a license for a period of more than 3 years.

existing law requires the Commission to: (1) establish policies for the revocation of licenses issued pursuant to title 45 of NRS to any person who is convicted of a violation of a law relating to wildlife; and (2) adopt regulations governing the revocation of a permit required to develop or maintain certain artificial or artificially created bodies of water. (NRS 501.181) Section 1 of this bill provides that no such policy or regulation may authorize the Commission or the Department to suspend or revoke such a license or permit unless a court orders the suspension or revocation.

Existing law authorizes, under certain circumstances, the Commission or the Department to revoke or suspend a license, tag, permit, certificate or other document or privilege issued to a person by the Department. (NRS 501.3855, 501.3865, 501.388, 502.370, 503.185, 503.310, 504.390, 504.395) Sections 2-4 and 6-12 of this bill eliminate [such] the revocation and suspension authority of the Commission and the Department under those circumstances and instead grant [such] that authority to a court of competent jurisdiction. Section 2 also revises the penalty for the unlawful killing or possession of a mountain lion. (NRS 501.376)

Section 1.9 of this bill retains the authority of the Department under existing law to suspend or revoke a license, permit or privilege pursuant to the demerit system.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. [NRS 501.181 is hereby amended to read as follows:

501.181 The Commission shall:
1. Establish broad policies for:
(a) The protection, propagation, restoration, transplanting, introduction and management of wildlife in this State,
(b) The promotion of the safety of persons using or property used in the operation of vessels on the waters of this State,
(c) The promotion of uniformity of laws relating to policy matters.
2. Guide the Department in its administration and enforcement of the provisions of this title and of chapter 493 of NRS by the establishment of such policies.
3. Establish policies for areas of interest including:
(a) The management of big and small game mammals, upland and migratory game birds, fur-bearing mammals, game fish, and protected and unprotected mammals, birds, fish, reptiles and amphibians.
(b) The control of wildlife depredations.
(c) The acquisition of lands, water rights and easements and other property for the management, propagation, protection and restoration of wildlife.

(d) The entry, access to, and occupancy and use of such property, including leases of grazing rights, sales of agricultural products and requests by the Director to the State Land Registrar for the sale of timber if the sale does not interfere with the use of the property on which the timber is located for wildlife management or for hunting or fishing thereon.

(e) The control of nonresident hunters.

(f) The introduction, transplanting or exporting of wildlife.

(g) Cooperation with federal, state and local agencies on wildlife and boating programs.

(h) The revocation of licenses issued pursuant to this title to any person who is convicted of a violation of any provision of this title or any regulation adopted pursuant thereto. No such policy may authorize the Commission or the Department to suspend or revoke a license issued pursuant to this title unless a court orders the suspension or revocation.

4. Establish regulations necessary to carry out the provisions of this title and of chapter 488 of NRS, including:

(a) Seasons for hunting game mammals and game birds, for hunting or trapping fur-bearing mammals and for fishing, the daily and possession limits, the manner and means of taking wildlife, including, but not limited to, the sex, size or other physical differentiation for each species, and, when necessary for management purposes, the emergency closing or extending of a season, reducing or increasing of the bag or possession limits on a species, or the closing of any area to hunting, fishing or trapping. The regulations must be established after first considering the recommendations of the Department, the county advisory boards to manage wildlife and others who wish to present their views at an open meeting. Any regulations relating to the closure of a season must be based upon scientific data concerning the management of wildlife. The data upon which the regulations are based must be collected or developed by the Department.

(b) The manner of using, attaching, filling out, punching, inspecting, validating or reporting tags.

(c) The delineation of game management units embracing contiguous territory located in more than one county, irrespective of county boundary lines.

(d) The number of licenses issued for big game and, if necessary, other game species.

5. Adopt regulations requiring the Department to make public, before official delivery, its proposed responses to any requests by federal agencies
for its comment on drafts of statements concerning the environmental effect of proposed actions or regulations affecting public lands.

6. Adopt regulations:
   (a) Governing the provisions of the permit required by NRS 502.390 and for the issuance, renewal and revocation of such a permit. No such regulation may authorize the Commission or the Department to revoke such a permit unless a court orders the revocation.
   (b) Establishing the method for determining the amount of an assessment, and the time and manner of payment, necessary for the collection of the assessment required by NRS 502.390.

7. Designate those portions of wildlife management areas for big-game mammals that are of special concern for the regulation of the importation, possession and propagation of alternative livestock pursuant to NRS 576.129.

8. Adopt regulations governing the trapping of fur-bearing mammals in a residential area of a county whose population is 100,000 or more.] (Deleted by amendment.)

Sec. 1.1. Chapter 501 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The Department shall only assess demerit points as provided in NRS 501.1814 pursuant to the following schedule:

2. If a person is convicted of committing a wildlife violation that does not appear in the schedule set forth in subsection 1, the Department shall assess not more than 3 demerit points.

3. If a person is convicted of committing any four wildlife violations arising out of separate events within a 60-month period, the Department shall not assess more than an extra 12 demerit points.

Sec. 1.3. NRS 501.1812 is hereby amended to read as follows:
501.1812 As used in NRS 501.1812 to 501.1818, inclusive, and section 1.1 of this act, unless the context otherwise requires:
1. “License” means a license or tag issued by the Department for:
   (a) Recreational hunting or fishing; or
   (b) Taking fur-bearing mammals, trapping unprotected mammals or selling raw furs for profit.
2. “Permit” means a permit issued by the Department for recreational hunting or fishing.

3. “Wildlife conviction” means a conviction obtained in any court of competent jurisdiction in this State, including, without limitation, a conviction obtained upon a plea of nolo contendere or upon a forfeiture of bail not vacated in any such court, for a violation of:
   (a) A provision of this title or any regulation adopted pursuant to this title other than a provision of NRS 502.370, 502.390, 503.185, 503.310 or 504.295 to 504.398, inclusive; or
   (b) A provision of the Lacey Act Amendments of 1981, 16 U.S.C. §§ 3371 et seq., if the violation of that provision is based on a violation of a law or regulation of this State.

Sec. 1.5. NRS 501.1814 is hereby amended to read as follows:

501.1814 1. The Commission shall establish and the Department shall administer and enforce a system of assessing demerit points pursuant to section 1.1 of this act for wildlife convictions. The system must be uniform in its operation.

2. Pursuant to the schedule of demerit points established by regulation of the Commission set forth in section 1.1 of this act for each wildlife conviction occurring within this State affecting any holder of a license, permit or privilege issued pursuant to this title, the Department shall assess demerit points for the 60-month period preceding a person’s most recent wildlife conviction. Sixty months after the date of the conviction, the demerit points for that conviction must be deleted from the total demerit points accumulated by that person. The date of the conviction shall be deemed the date on which accumulated demerit points must be assessed. If a conviction of two or more wildlife violations committed at a single event is obtained, demerit points must be assessed for the offense having the greater number of demerit points.

Sec. 1.9. NRS 501.1816 is hereby amended to read as follows:

501.1816 1. If a person who has accumulated 4 or more demerit points presents proof to the Department that he or she has successfully completed a course of instruction in the responsibilities of hunters approved by the Department, the Department shall deduct 4 demerit points from the person’s record.

2. If a person accumulates 9 or more demerit points, but less than 12, the Department shall notify the person of that fact by certified mail. If, after the Department mails the notice, the person presents proof to the Department that he or she has, after his or her most recent wildlife conviction, successfully completed a course of instruction in the responsibilities of hunters approved by the Department, the Department shall deduct 4 demerit points from the person’s record.
3. A person may attend a course of instruction in the responsibilities of hunters only once in 60 months for the purpose of reducing his or her demerit points.

4. If a person accumulates 12 or more demerit points before completing a course of instruction pursuant to subsection 1 or 2, the Department shall suspend or revoke any license, permit or privilege issued to the person pursuant to this title.

5. Not later than 60 days after the Department determines that a person has accumulated 12 demerit points, the Department shall notify the person by certified mail that the person’s privileges will be suspended or revoked. Except as otherwise provided in subsection 6, the Department shall suspend or revoke those privileges 30 days after it mails the notice.

6. Any person who receives the notice required by subsection 5 may submit to the Department a written request for a hearing before the Commission not later than 30 days after the receipt of the notice. If a written request for a hearing is received by the Department:

(a) The suspension or revocation of the license, permit or privilege is stayed until a determination is made by the Commission after the hearing.

(b) The hearing must be held within 60 days after the request is received.

7. The periods of suspension or revocation imposed pursuant to this section must run concurrently. Except as otherwise provided in this subsection, no license, permit or privilege may be suspended or revoked pursuant to this section for more than 3 years. The license, permit or privilege of a person who is convicted pursuant to NRS 501.376 of:

(a) A gross misdemeanor may not be suspended or revoked for more than 5 years;

Assembly Bill No. 191.
Bill read second time.
The following amendment was proposed by the Committee on Taxation:
Amendment No. 429.
AN ACT relating to taxation; revising provisions relating to the imposition by certain counties of additional taxes on fuels for motor vehicles; providing that the boards of county commissioners of certain larger counties may continue the imposition of certain additional taxes on fuels for motor vehicles if a ballot question authorizing such additional taxes is approved by a majority of the voters in the county; providing for the imposition by the boards of county commissioners of certain counties of additional taxes on fuels for motor vehicles if a ballot question authorizing such additional taxes is approved by a majority of the voters in the county; requiring the approval by voters of additional ballot measures to continue the imposition of the additional taxes; providing that money collected from certain of the additional taxes must be deposited with the State Treasurer to the credit of the State Highway Fund, accounted for separately in the State Highway Fund and used by the Department of Transportation only to finance projects for the construction, maintenance and repair of state highways in the county in which the tax is collected; repealing certain provisions relating to a ballot question providing for the imposition by the State of certain additional taxes on fuels for motor vehicles; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law authorizes counties to impose certain taxes on motor vehicle fuels and special fuels used in motor vehicles. (Chapter 373 of NRS) Existing law authorizes the board of county commissioners of a county whose population is 700,000 or more and in which a regional transportation commission has been created and a county tax is imposed on motor vehicle fuel (currently Clark County) to impose, upon approval by a two-thirds majority of the members of the board, additional taxes on motor vehicle fuel
and various special fuels used in motor vehicles. Existing law also authorizes
the board of county commissioners to provide for annual increases in these
taxes, for the period beginning on January 1, 2014, and ending on December
31, 2016. Existing law provides that for the period beginning on January 1,
2017: (1) the board of county commissioners must not impose any additional
increases in certain taxes authorized by that provision of existing law; and (2)
increases in the remainder of the taxes authorized by that provision may not
be effectuated unless a majority of the voters in the county at the general
election in November 2016 authorize the board of county commissioners to
continue to provide for the annual increases. (NRS 373.0663) Section 2
of this bill removes the prohibition on the continued imposition of additional
increases in certain taxes, subject to the existing provisions which provide
that the additional increases may not be effectuated unless a majority of the
voters in the county at the general election in November 2016 authorize the
board of county commissioners to continue to provide for the annual
increases. Section 2 additionally provides that for the period beginning on
January 1, 2027, additional annual increases in the taxes on motor vehicle
fuel and various special fuels used in motor vehicles may not be effectuated
unless a majority of the voters in the county at the general election in
November 2026 authorize the board of county commissioners to continue to
provide for the annual increases. [Regardless of the outcome of those
elections.] If the voters in the county at the general election in November
2016 authorize the board of county commissioners to continue to provide
for the annual increases, section 1 of this bill provides that any money
collected from certain additional taxes imposed on motor vehicle fuel and
various special fuels used in motor vehicles after November 8, 2016, must be
deposited with the State Treasurer to the credit of the State Highway Fund,
accounted for separately in the State Highway Fund and used by the
Department of Transportation only to finance projects for the construction,
maintenance and repair of state highways in the county in which the tax is
collected. Sections 4, 7, 9 and 12 of this bill make conforming changes.

Upon approval by a majority of the voters in any county, other than Clark
or Washoe County, at the general election in November 2016, existing law
requires the board of county commissioners of the county to impose
additional county taxes on motor vehicle fuel and various special fuels used
in motor vehicles. Existing law also authorizes the board of county
commissioners to provide for annual increases in these taxes, for the period
beginning on January 1, 2017, and ending on December 31, 2026. Additionally,
existing law provides that, for the period beginning on January 1, 2027, the increases in these taxes may not be effectuated unless a majority
of the voters in the county at the general election in November 2026
authorize the board of county commissioners to continue to provide for the
annual increases. (NRS 373.0667) Existing law also provides for a statewide ballot measure, approval of which by a majority of the voters in the State at the general election in November 2016 would require the State to impose additional state taxes on motor vehicle fuel and various special fuels used in motor vehicles and to impose annual increases on those taxes. (Section 12 of chapter 540, Statutes of Nevada 2013, p. 3586) Section 18 of this bill repeals the provisions of existing law relating to the statewide ballot measure concerning the imposition by the State of additional state taxes on motor vehicle fuel and various special fuels used in motor vehicles. Sections 3 and 17 of this bill instead require the board of county commissioners of a county other than Clark or Washoe County, upon approval by a majority of the voters in the county at the general election in November 2016, to impose such additional taxes on motor vehicle fuel and various special fuels used in motor vehicles in the same manner as the board is required under existing law to impose the additional county taxes on motor vehicle fuel and various special fuels used in motor vehicles. [Section] Sections 14.5 and 15 of this bill [provide] provide that money collected from certain additional taxes imposed on motor vehicle fuel and various special fuels used in motor vehicles on or after January 1, 2017, must be deposited with the State Treasurer to the credit of the State Highway Fund, accounted for separately in the State Highway Fund and used by the Department of Transportation only to finance projects for the construction, maintenance and repair of state highways in the county in which the tax is collected. Sections 4.5, 5, 6, 7.5, 8, 9.5, 10, 11, 12.5, 13, 14 and 18 of this bill make conforming changes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

         (II) If the average highway and street construction inflation index for the immediately preceding fiscal year is less than or equal to the applicable percentage, zero; and
      (2) For each fiscal year following the fiscal year in which the ordinance becomes effective, the percentage obtained by adding the average highway and street construction inflation index for that fiscal year to:
         (I) If the adjusted average highway and street construction inflation index for the immediately preceding fiscal year is greater than the applicable percentage, the remainder obtained by subtracting the applicable percentage from the adjusted average highway and street construction inflation index for the immediately preceding fiscal year; or

3. A county or a commission as provided in subsection 2 is authorized to issue bonds or other securities without the necessity of their being authorized
at any election in such manner and with such terms as provided in this chapter.

This section does not require the purpose so stated to be set forth in the detail in which the project approved by the commission pursuant to subsection 2 of NRS 373.140 is stated, or prevent the modification by the board or commission, as the case may be, of details as to the purpose stated in the ordinance authorizing the issuance of any bond or other security after its issuance, subject to approval by the commission of the project as so modified, if such bond or other security is issued by the county and not the commission.

8. Notwithstanding any other provision of this chapter, no commission has authority to issue bonds or other securities pursuant to this chapter unless the commission has executed an interlocal agreement with the county relating to the issuance of bonds or other securities by the commission. Assembly Bill No. 193.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 556.

AN ACT relating to criminal procedure; revising provisions relating to the introduction of evidence at a preliminary examination or grand jury proceeding; revising the provisions governing the use of a witness’s affidavit at a preliminary examination or grand jury proceeding; revising provisions relating to the use of audiovisual technology to present live witness testimony at a preliminary examination or grand jury proceeding; revising provisions relating to a finding of probable cause at a preliminary hearing or grand jury proceeding; eliminating the ability for a defendant to submit certain evidentiary statements to a grand jury; making various changes concerning notice given to a person whose indictment is being considered by a grand jury; revising provisions pertaining to the filing of trial-related motions in criminal proceedings; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes a defendant to waive his or her right to a preliminary examination to determine whether probable cause exists to hold the defendant for trial for an alleged criminal offense. If the defendant waives the preliminary examination, the defendant is bound over for trial. It sets forth the requirements for conducting a preliminary examination. (NRS 171.196) Section 1 of this bill requires a magistrate to ask the defendant whether he or she is waiving the preliminary examination in order to face the original charges or as part of a plea agreement. If the waiver is part of a plea agreement, section 1 further requires that: (1) the magistrate hold the defendant to answer all the charges; (2) the parties execute a written plea agreement; (3) the defendant is pleading guilty to the criminal charges contained in the information; and (4) the magistrate ensures that the defendant entered into the plea agreement voluntarily and with knowledge of the consequences of his or her plea. If the magistrate accepts the plea agreement, section 1 further requires the case to be referred to the Division of Parole and Probation of the Department of Public Safety to make a presentence investigation and set a trial date, unless an exception applies. Section 1 also limits evidence admitted in a preliminary examination to evidence relevant to the existence of probable cause and authorizes the use of certain hearsay evidence to be used in such a preliminary examination under certain circumstances.

Under existing law, if a witness resides outside of Nevada or more than 100 miles from where the preliminary examination is held, a district attorney may use the witness’s affidavit at a preliminary hearing or a grand jury proceeding if it is necessary to establish: (1) property ownership; and (2) that the defendant did not have permission to enter or possess the property.
Sections 2 and 6 of this bill require that a witness’s affidavit offered at a preliminary hearing or grand jury proceeding may also provide an opinion as to the value of the real or personal property at issue. Existing law allows a witness to testify at a preliminary examination or before a grand jury through the use of audiovisual technology under certain circumstances by filing a request, subject to an objection by the opposing party and court approval, before the preliminary examination or grand jury proceeding. (NRS 171.197, 172.137) Sections 3 and 7 of this bill require the court to allow a witness to testify at a preliminary examination or before a grand jury through the use of audiovisual technology under certain circumstances.

Existing law requires a magistrate to hold a defendant to answer in district court or a grand jury to find an indictment if the evidence offered at the preliminary examination or grand jury proceeding shows that there is probable cause to believe the defendant committed the offense. (NRS 171.206, 172.155) Existing law also sets forth the types of evidence a grand jury can receive. (NRS 172.135) Section 5 of this bill allows certain hearsay evidence to be offered before a grand jury, and sections 4 and 9 of this bill allow a finding of probable cause to be based solely on hearsay evidence in certain circumstances; and (2) provides that a statement made by a witness at any time that is inconsistent with the testimony of the witness before the grand jury may be presented to the grand jury as evidence.

At a grand jury proceeding, existing law authorizes a defendant to submit a statement to the grand jury providing whether a preliminary hearing was held and, if so, that the evidence presented at the preliminary hearing was considered insufficient to warrant holding the defendant for trial. (NRS 172.145) Section 8 of this bill removes the provision which authorizes the defendant to submit such a statement. Existing law requires that a district attorney or peace officer serve reasonable notice upon a person whose indictment is being considered by a grand jury. (NRS 172.241) Section 10 of this bill authorizes a person to testify before the grand jury if his or her notice of the proceeding was not adequate and requires the grand jury to redeliberate on the indictment if the person does testify.

Section 11 of this bill provides that in a criminal prosecution of an offense that is a gross misdemeanor or felony, any motion on a trial-related issue may be made only in the district court and, therefore, a justice court may not hear a motion to suppress evidence before or during the preliminary examination for such an offense. In a criminal prosecution of an offense that is a misdemeanor, section 11 provides that any motion on a trial-related issue may be made only in the justice court.
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 171.196 is hereby amended to read as follows:

171.196 1. If an offense is not triable in the Justice Court, the defendant must not be called upon to plead. If the defendant waives preliminary examination, the magistrate shall immediately address the defendant personally to determine if the defendant is waiving his or her preliminary examination in order to face the original charges in the criminal complaint or as part of a plea agreement. If the defendant is waiving the preliminary examination to face the original charges, the magistrate shall hold the defendant to answer in the district court. If the defendant is waiving the preliminary examination as part of a plea agreement:

(a) The magistrate shall hold the defendant to answer on all charges;
(b) The parties shall execute a written plea agreement in substantially the form prescribed in NRS 174.063;
(c) The criminal complaint serves as the information if the defendant is pleading guilty to the charges in the criminal complaint, except if the defendant is pleading guilty to different charges, an amended criminal complaint must be filed to serve as the information; and
(d) The magistrate shall address the defendant personally to determine if the defendant entered into the plea agreement freely and voluntarily with understanding of the nature of the charges and consequences of the plea.

2. If a magistrate accepts a plea agreement:

(a) Except as otherwise provided in paragraph (b), the magistrate must request the Division of Parole and Probation of the Department of Public Safety to make a presentence investigation and report; and
(b) A sentencing date must be set in district court, unless:
   (1) The defendant is pleading guilty to a gross misdemeanor and the parties are stipulating to waive the presentence investigation and report by requesting the imposition of a sentence by the magistrate; or
   (2) The parties are stipulating to waive the presentence investigation and report by using a previously prepared report of a presentence investigation.

3. Except as otherwise provided in this subsection, if the magistrate postpones the examination at the request of a party, the magistrate may order that party to pay all or part of the costs and fees expended to have a witness attend the examination. The magistrate shall not require a party who
requested the postponement of the examination to pay for the costs and fees of a witness if:

(a) It was not reasonably necessary for the witness to attend the examination; or

(b) The magistrate ordered the extension pursuant to subsection 4.

4. If application is made for the appointment of counsel for an indigent defendant, the magistrate shall postpone the examination until:

(a) The application has been granted or denied; and

(b) If the application is granted, the attorney appointed or the public defender has had reasonable time to appear.

5. At the examination, only evidence that is relevant to the existence of probable cause may be admitted. Any party may cross-examine witnesses, but may not object to evidence offered on the ground that it was unlawfully acquired or that it is hearsay. The defendant may cross-examine witnesses against him or her and may introduce evidence pursuant to this subsection in his or her own behalf.

6. Hearsay evidence consisting of a statement made by the alleged victim of the offense is admissible at a preliminary examination conducted pursuant to this section.

7. Except as otherwise provided in this title, the defendant must be present at his or her preliminary hearing.

8. The magistrate may not entertain a motion to suppress based on evidence offered pursuant to this section only if the defendant is charged with one or more of the following offenses:

(a) A sexual offense committed against a child who is under the age of 16 years if the offense is punishable as a felony. As used in this paragraph, “sexual offense” has the meaning ascribed to it in NRS 179D.097.

(b) Abuse of a child pursuant to NRS 200.508 if the offense is committed against a child who is under the age of 16 years and the offense is punishable as a felony.

(c) An act which constitutes domestic violence pursuant to NRS 31.018, which is punishable as a felony and which resulted in substantial bodily harm to the alleged victim.

Sec. 2. NRS 171.197 is hereby amended to read as follows:

171.197 1. If a witness resides outside this State or more than 100 miles from the place of a preliminary examination, the witness’s affidavit may be used at the preliminary examination if it

(a) Offers an opinion as to the value of real or personal property; or

(b) Is necessary for the district attorney to establish as an element of any offense that:

[(c)] (1) The witness was the owner, possessor or occupant of real or personal property; and
(b) The defendant did not have the permission of the witness to enter, occupy, possess or control the real or personal property of the witness.

2. use of audiovisual technology:
   (a) The testimony of the witness must be:
       (1) Taken by a certified videographer who is in the physical presence of
           the witness. The certified videographer shall sign a written declaration, on a

           possess any notes or other materials to assist in the witness’s testimony.
       (2) Recorded and preserved through the use of a videotape or other

Sec. 8. NRS 172.145 is hereby amended to read as follows:

172.145  1. The grand jury is not bound to hear evidence for the defendant, except that the defendant is entitled to submit a statement which the grand jury must receive providing whether a preliminary hearing was held concerning the matter and, if so, that the evidence presented at the preliminary hearing was considered insufficient to warrant holding the defendant for trial. It is their duty, however, to weigh all evidence submitted to them, and when they have reason to believe that other evidence within their reach will explain away the charge, they shall order that evidence to be produced, and for that purpose may require the district attorney to issue process for the witnesses.

2. If the district attorney is aware of any evidence which will explain away the charge, the district attorney shall submit it to the grand jury.

3. The provisions of this section do not require the district attorney to submit to the grand jury exculpatory statements made by the defendant, unless such statements are included in a single statement which contains inculpatory statements submitted to the grand jury by the district attorney.

4. The grand jury may invite any person, without process, to appear before the grand jury to testify. (Deleted by amendment.)

Sec. 9. NRS 172.155 is hereby amended to read as follows:

2. A finding of probable cause pursuant to subsection 1 may rest solely on hearsay evidence.

3. The defendant may object to the sufficiency of the evidence to sustain the indictment only by application for a writ of habeas corpus. (Deleted by amendment.)

Sec. 10. NRS 172.241 is hereby amended to read as follows:
172.241 1. A person whose indictment the district attorney intends to seek or the grand jury on its own motion intends to return, but who has not been subpoenaed to appear before the grand jury, may testify before the grand jury if the person requests to do so and executes a valid waiver in writing of the person’s constitutional privilege against self-incrimination.

2. A district attorney or a peace officer shall serve reasonable notice upon a person whose indictment is being considered by a grand jury unless the court determines that adequate cause exists to withhold notice. The notice is adequate if it:

(a) Is given to the person, the person’s attorney of record or an attorney who claims to represent the person and gives the person not less than 5 judicial days to submit a request to testify to the district attorney; and

(b) Advises the person that the person may testify before the grand jury only if the person submits a written request to the district attorney and includes an address where the district attorney may send a notice of the date, time and place of the scheduled proceeding of the grand jury.

3. The district attorney may apply to the court for a determination that adequate cause exists to withhold notice if the district attorney:

(a) Determines that the notice may result in the flight of the person whose indictment is being considered, on the basis of:

(1) A previous failure of the person to appear in matters arising out of the subject matter of the proposed indictment;

(2) The fact that the person is a fugitive from justice arising from charges in another jurisdiction;

(3) Outstanding local warrants pending against the person; or

(4) Any other objective factor;

(b) Determines that the notice may endanger the life or property of other persons; or

(c) Is unable, after reasonable diligence, to notify the person.

4. If a district attorney applies to the court for a determination that adequate cause exists to withhold notice, the court shall hold a closed hearing on the matter. Upon a finding of adequate cause, the court may order that no notice be given.

5. If notice required to be served upon a person pursuant to subsection 2 is not adequate, the person must be given the opportunity to testify before the grand jury. If the person testifies pursuant to this subsection, the grand jury must be instructed to deliberate again on all the charges contained in the indictment following such testimony.

Sec. 11. NRS 174.125 is hereby amended to read as follows:

174.125 1. All motions in a criminal prosecution to suppress evidence, for a transcript of former proceedings, for a preliminary hearing, for severance of joint defendants, for withdrawal of counsel, and all other
motions which by their nature, if granted, delay or postpone the time of trial must be made before trial, unless an opportunity to make such a motion before trial did not exist or the moving party was not aware of the grounds for the motion before trial.

2. In any judicial district in which a single judge is provided:
   
   (a) All motions subject to the provisions of subsection 1 must be made in writing, with not less than 10 days’ notice to the opposite party unless good cause is shown to the court at the time of trial why the motion could not have been made in writing upon the required notice.
   
   (b) The court may, by written order, shorten the notice required to be given to the opposite party.

3. In any judicial district in which two or more judges are provided:
   
   (a) All motions subject to the provisions of subsection 1 must be made in writing not less than 15 days before the date set for trial, except that if less than 15 days intervene between entry of a plea and the date set for trial, such a motion may be made within 5 days after entry of the plea.
   
   (b) The court may, if a defendant waives hearing on the motion or for other good cause shown, permit the motion to be made at a later date.

4. Grounds for making such a motion after the time provided or at the trial must be shown by affidavit.

5. A motion described in subsection 1 made in a criminal prosecution for:
   
   (a) Gross misdemeanor or felony may only be made in a district court.
   
   (b) Misdemeanor may only be made in a justice court. (Deleted by amendment.)

Sec. 12. NRS 189.120 is hereby amended to read as follows:

189.120 1. The State may appeal to the district court from an order of a justice court granting the motion of a defendant to suppress evidence.

2. Such an appeal must be taken:
   
   (a) Within 2 days after the rendition of such an order during a trial or preliminary examination.
   
   (b) Within 5 days after the rendition of such an order before a trial or preliminary examination.

3. Upon perfecting such an appeal:
   
   (a) After the commencement of a trial or preliminary examination, further proceedings in the trial must be stayed pending the final determination of the appeal.
   
   (b) Before trial, or preliminary examination, the time limitation within which a defendant must be brought to trial must be extended for the period necessary for the final determination of the appeal. (Deleted by amendment.)

Amendment No. 395.
SUMMARY—Revises provisions relating to the program to provide devices for telecommunication to persons with impaired speech or hearing.

AN ACT relating to persons with disabilities; making certain voting members of the Subcommittee on Communication Services for Persons Who Are Deaf or Hard of Hearing and Persons With Speech Disabilities of the Nevada Commission on Services for Persons with Disabilities nonvoting members; requiring the Subcommittee to make certain recommendations; revising provisions relating to the program to provide devices for telecommunication to persons with impaired speech or hearing; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law establishes the Subcommittee on Communication Services for Persons Who Are Deaf or Hard of Hearing and Persons With Speech Disabilities of the Nevada Commission on Services for Persons with Disabilities. The Subcommittee consists of nine voting members appointed by the Administrator of the Aging and Disability Services Division of the Department of Health and Human Services. One member of the Subcommittee is required to be an employee of the Division, and another member is required to be the Executive Director of the Nevada Telecommunications Association or, in the event of its dissolution, another representative of the telecommunications industry. (NRS 427A.750) Section 1 of this bill makes these two members nonvoting members.

The Aging and Disability Services Division of the Department of Health and Human Services is required to develop and administer a program to provide devices for telecommunication to persons with impaired speech or hearing and to fund centers for persons who are deaf or hard of hearing operated by this State. (NRS 427A.797) [This bill] Section 2 requires that this program include the provision of other assistive technology and the provision of certain services by such centers, including, without limitation: (1) facilitating the provision and distribution of devices for telecommunication and other assistive technology to persons with impaired speech or hearing; (2) assisting persons with impaired speech or hearing in accessing assistive devices; (3) expanding service capacity for devices for
telecommunication and other assistive technology in areas where there is a need and services are not available; (4) providing instruction in language acquisition; (This bill); (5) providing programs designed to increase access to education, employment and health and social services; and (6) providing for the hiring of or contracting with interpreters for use, if available, by the Executive, Judicial and Legislative Departments of the State Government to ensure that appropriate access to the State Government is provided for persons who are deaf or hard of hearing. Section 2 also removes the requirement in existing law that the Public Utilities Commission of Nevada approve the program. Existing law requires that funding be provided for these program, the centers, including, without limitation, these specific services, and certain administrative costs from the surcharge imposed on each telephone and wireless telephone line of each customer in this State. The amount of the surcharge is established by the Public Utilities Commission, (NRS 427A.797) Section 2 limits the amount of the surcharge to not more than eight cents per month. Section 1 requires the Subcommittee to make recommendations concerning the programs and activities funded by the surcharge.

SUMMARY—Revises provisions relating to mechanics’ and materialmen’s liens. [involving certain renewable energy projects.]

AN ACT relating to liens; revising provisions requiring a lessee to establish a construction disbursement account or record a surety bond before beginning a work of improvement [involving certain renewable energy projects; revising provisions concerning the disbursement of funds from a construction disbursement account and the form of surety bonds required to be posted to release prospective and existing lien rights with respect to such projects; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes provisions governing mechanics’ and materialmen’s liens, which are also commonly known as construction liens. (NRS 108.221-108.246) Under existing law, before a lessee may cause a work of improvement to be constructed, altered or repaired upon property that the lessee is leasing, the lessee must record a notice of posted security and either establish a construction disbursement account or record a surety bond. (NRS 108.2403) [Section 3 of this] This bill provides that if a lessee establishes a construction disbursement account [and the work of improvement to be constructed, altered or repaired is a renewable energy project that generates electricity greater than 18 megawatts,] the construction disbursement account [is required to be funded in an amount equal to the total cost for the performance of work and is not required to be funded for the cost of any material or equipment. Similarly, section 4 of this bill provides that a construction disbursement account which is established for such a work of improvement is required to be additionally funded upon the disbursement of funds in a pay period in an amount necessary to pay for costs...
attributable to additional and changed work and is not required to be additionally funded to pay for costs attributable to material or equipment. (NRS 108.2407)

Existing law requires a surety bond in an amount equal to 1.5 times the amount of the prime contract to be recorded to obtain the release of all prospective and existing lien rights of lien claimants related to a work of improvement. (NRS 108.2415) Section 5 of this bill provides that if the prime contract relates to a work of improvement that is a renewable energy project that generates electricity greater than 18 megawatts, the release of such existing lien rights may be obtained by recording a surety bond in an amount equal to 1.5 times the amount of the total cost for the performance of work rather than the total cost of the prime contract if certain requirements are satisfied before the construction disbursement account is established and before the commencement of any work.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 108 of NRS is hereby amended by adding thereto a new section to read as follows:

Legislative Counsel's Digest:
Under existing law, the operator of an off-highway vehicle is required to register the vehicle with the Department of Motor Vehicles. (NRS 490.082) Such a vehicle can be registered by the Department or an off-highway dealer who has been authorized by the Department. Section 3.4 of this bill authorizes the Department, upon request from a sheriff, to authorize the sheriff to accept from the owner of an off-highway vehicle the applicable fees and the information required by the Department for registration. Such a sheriff or dealer is authorized to retain $5 from the registration fees paid by the owner of the off-highway vehicle.

Existing law also authorizes a large all-terrain vehicle to be registered as an off-highway vehicle intended to operate on certain roads that have been designated for such use if the large all-terrain vehicle has certain required equipment and the owner of the large all-terrain vehicle provides proof of liability insurance that meets the requirements for other motor vehicles that are authorized to operate on the highways of this State. (NRS 490.0825, 490.105) Existing law also requires the Department to deposit some of the money received for the registration of off-highway vehicles into a fund that is administered by the Commission on Off-Highway Vehicles, which is required to use the money for certain purposes including: (1) the funding of grants; (2) the funding of certain projects regarding trails and other facilities
Sections 3.2 and 3.9 of this bill define as an off-highway vehicle required to be registered a mini-truck which meets certain specifications for power and size. Section 6 of this bill allows the owner of such a mini-truck to register the mini-truck as an off-highway vehicle intended to operate on certain roads that have been designated for such use if the mini-truck meets the same equipment and insurance requirements that a large all-terrain vehicle must meet. Section 12 of this bill exempts the driver of a mini-truck from the requirement to wear a helmet if driving an off-highway vehicle on a highway of this State. (NRS 490.130)

Section 5 of this bill [removes] revises the [requirement] requirements for off-highway vehicles to be registered [to acknowledge the authority of authorized sheriffs to register such vehicles. Section 6 of this bill revises the provisions allowing for the registration of certain large all-terrain vehicles and mini-trucks to be operated on certain roads designated for their use by adding provisions relating to renewal of such registration, and adding provisions that exempt from such registration certain large all-terrain vehicles or mini-trucks owned and operated: (1) by certain governmental entities; (2) by certain off-highway dealers under certain circumstances; (3) for work conducted by a public or private utility; (4) solely as part of an organized race, festival or similar event; or (5) in the conduct of certain search and rescue operations. [Section 3 of this bill authorizes the Commission on Off-Highway Vehicles to seek and receive grants, gifts and donations, and to include in certain reports submitted to the Legislature a summary of any such grants, gifts or donations.]

Sections 4 and 8-10 of this bill revise provisions relating to the duties of the Department to reflect the changes made to the registration of off-highway vehicles in this bill. [Section 7 of this bill authorizes the Department to furnish to certain persons who are licensed to sell or lease off-highway vehicles special plates commonly known as “dealer plates,” and section 11 of this bill authorizes those licensees to operate a large all-terrain vehicle on certain highways for the purpose of display, demonstration, maintenance, sale or exchange if the person has obtained such a plate from the Department.]

Existing law provides for the regulation of aeronautics, including the operation of aircraft, in this State. (Title 44 of NRS) This bill revises the definition of “aircraft” to include unmanned aerial vehicles for the purpose of regulating unmanned aerial vehicles. This bill generally regulates the operators of unmanned aerial vehicles in this State in a manner similar to that of traditional aircraft by: (1) establishing the right to operate an unmanned aerial vehicle in this State, with certain exceptions; (2) clarifying that the provisions of this bill are not to be interpreted in a manner inconsistent with federal law or apply to unmanned aerial vehicles owned or operated by the Federal Government; (3) clarifying the applicability of state law to torts and crimes resulting from the operation of unmanned aerial vehicles; and (4) prohibiting a person from operating or using an unmanned aerial vehicle under certain circumstances or for certain purposes.

Section 18 of this bill prohibits a person from weaponizing an unmanned aerial vehicle. Section 18.5 of this bill prohibits a person from operating an unmanned aerial vehicle within a certain distance from critical facilities or a public airport except under certain circumstances in which the person obtains the consent of the owner of a critical facility or the airport authority of a public airport or authorization from the Federal Aviation Administration. Section 19 of this bill authorizes a
Section 20-22 of this bill prescribe certain restrictions on the operation and use of unmanned aerial vehicles by law enforcement agencies and public agencies, and (3) creating criminal and civil penalties for the unlawful operation and use of an unmanned aerial vehicle in this State. Section 9 of this bill clarifies that the provisions of this bill are not to be interpreted to conflict with federal law or apply to unmanned aerial vehicles or aircraft owned or operated by the Armed Forces of the United States or a reserve component thereof, the National Guard or a department or agency of the Federal Government. Section 10 of this bill establishes the right to operate an unmanned aerial vehicle in this State, with certain exceptions. Sections 11 and 12 of this bill clarify the applicability of state law to torts and crimes resulting from the operation of an unmanned aerial vehicle in this State. Section 13 of this bill holds an owner and lessee of an unmanned aerial vehicle strictly liable for certain injuries caused by the operation of the unmanned aerial vehicle. Sections 14-18 of this bill prohibit a person from operating or using an unmanned aerial vehicle under certain circumstances or for certain purposes and create criminal penalties for the unlawful operation or use of an unmanned aerial vehicle. Section 14 prohibits a person from interfering with the use of the property or landing on the property of another person. Section 15 prohibits a person from negligently operating an unmanned aerial vehicle over a heavily populated area or public gathering. Section 16 prohibits a person from operating an unmanned aerial vehicle carelessly, recklessly or while intoxicated. Section 17 prohibits a person from operating an unmanned aerial vehicle for the purpose of observing another person or capturing or disseminating photographs, images or recordings of another person without the person’s consent or under circumstances in which the person has a reasonable expectation of privacy. Section 18 prohibits a person from weaponizing or operating a weaponized unmanned aerial vehicle. Section 19 of this bill authorizes a person who owns or lawfully occupies real property to bring an action for trespass against the owner or operator of an unmanned aerial vehicle under certain circumstances and provides an exception to bringing such an action against an operator lawfully operating an unmanned aerial vehicle within the scope of a business or for the purposes of surveying land. Section 20 specifically prohibits, with limited exceptions, a law enforcement agency from operating an unmanned aerial vehicle for the purpose of gathering evidence or other information at any location or upon any property in this State at which a person has a reasonable expectation of
privacy without first obtaining a warrant. **Section 20** authorizes a law enforcement agency to operate an unmanned aerial vehicle without a warrant: (1) if exigent circumstances exist and there is probable cause to believe that a person has committed, is committing or is about to commit a crime; (2) if a person consents in writing to the activity; (3) for the purpose of conducting search and rescue operations; (4) if the law enforcement agency believes that an imminent threat exists to the life and safety of an individual person or to the public at large, including the threat of an act of terrorism; and (5) upon the declaration of a state of emergency or disaster by the Governor. **Section 21** of this bill authorizes a public agency, other than a law enforcement agency, to operate an unmanned aerial vehicle for certain public purposes as prescribed by regulations adopted by the Department of Public Safety if the public agency registers the unmanned aerial vehicle with the Department. **Sections 20 and 21** provide that any photograph, image, recording or other information acquired unlawfully by a law enforcement agency or public agency, or otherwise acquired in a manner inconsistent with **section 20**, and any evidence that is derived therefrom, is inadmissible in any judicial, administrative or other adjudicatory proceeding and may not be used to establish reasonable suspicion or probable cause as the basis for investigating or prosecuting a crime or offense. **Section 22** of this bill requires the Department, to the extent that money is available for this purpose, to establish and maintain a registry of unmanned aerial vehicles that are operated by public agencies in this State and requires the Department to adopt regulations prescribing the public purposes for which an agency may operate an unmanned aerial vehicle. **Section 22** further requires the Department to prepare and submit an annual report to the Legislature outlining the activities of public agencies with respect to the operation of unmanned aerial vehicles in this State. **Section 24.4** of this bill revises provisions relating to the liability of the operator of an aircraft, including an unmanned aerial vehicle, with respect to the operation of the aircraft over heavily populated areas or public gatherings. **Section 24.8** of this bill prohibits a person from operating an unmanned aerial vehicle while intoxicated or in a careless or reckless manner so as to endanger the life or property of another person.

Assembly Bill No. 240.
Bill read second time.

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 546.

AN ACT relating to common-interest communities; revising provisions governing the enforcement and priority of a unit-owners’ association’s lien on a unit; repealing provisions authorizing the nonjudicial foreclosure of a unit-owners’ association’s lien; authorizing a right of redemption after the foreclosure of an association’s lien by sale under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, a unit-owners’ association has a lien on a unit for certain amounts due to the association. Generally, the association’s lien is prior to all other liens on a unit, except: (1) liens recorded before the recordation of the declaration; (2) the first security interest on the unit; and (3) liens for real estate taxes and other governmental assessments or charges against the unit. However, the association’s lien is prior to the first security
interest on the unit to the extent of certain maintenance and abatement charges and a certain amount of assessments for common expenses. The portion of the association’s lien that is prior to the first security interest is commonly referred to as the “super-priority lien.” (NRS 116.3116) Existing law authorizes a unit-owners’ association to foreclose its lien through a nonjudicial foreclosure process. (NRS 116.3116-116.31168)

This bill repeals provisions authorizing a unit-owners’ association to foreclose its lien through a nonjudicial foreclosure process and removes provisions granting the association’s lien priority over other liens and encumbrances. Section 4 of this bill provides that the association may enforce its lien by recording a notice of lien and commencing a judicial action to enforce its lien. Under section 4, the association’s lien on a unit has no priority over other liens and encumbrances on the unit that were recorded before the association recorded its notice of lien. Section 4.7 of this bill provides that after a sale of a unit to enforce the association’s lien, the unit’s owner or a holder of a security interest on the unit may redeem the unit by paying certain amounts to the purchaser within 60 days after the sale. If the unit’s owner redeems the unit, the unit’s owner is restored to his or her ownership of the unit. If a holder of a security interest on the unit redeems the unit, that holder is entitled to a deed without warranty which conveys to the holder all title of the unit’s owner to the unit. Section 4.7 further provides that upon expiration of the redemption period, any failure to comply with the requirements of existing law for the foreclosure of the association’s lien does not affect the rights of a bona fide purchaser or encumbrancer for value. Section 8 of this bill provides that the amendatory provisions of section 4 of this bill apply only to the enforcement of the sale to enforce an association’s lien that occurs on or before June 30, 2015, after July 1, 2015.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 116.12075 is hereby amended to read as follows:

116.12075 1. The provisions of this chapter do not apply to a nonresidential condominium except to the extent that the declaration for the nonresidential condominium provides that:

(a) This entire chapter applies to the condominium;
(b) Only the provisions of NRS 116.001 to 116.2122, inclusive, and 116.3116 to 116.31168, inclusive, apply to the condominium; or
(c) Only the provisions of NRS 116.2116 to 116.21168, inclusive, apply to the condominium.
2. If this entire chapter applies to a nonresidential condominium, the declaration may also require, subject to NRS 116.1112, that:
(a) Notwithstanding NRS 116.3105, any management, maintenance operations or employment contract, lease of recreational or parking areas or facilities and any other contract or lease between the association and a declarant or an affiliate of a declarant continues in force after the declarant turns over control of the association; and

(b) Notwithstanding NRS 116.1104 and subsection 3 of NRS 116.311, purchasers of units must execute proxies, powers of attorney or similar devices in favor of the declarant regarding particular matters enumerated in those instruments (Deleted by amendment.)

Sec. 2. NRS 116.310312 is hereby amended to read as follows:

NRS 116.310312  1. A person who holds a security interest in a unit must provide the association with the person's contact information as soon as reasonably practicable, but not later than 30 days after the person:
(a) Files an action for recovery of a debt or enforcement of any right secured by the unit pursuant to NRS 40.430; or
(b) Records or has recorded on his or her behalf a notice of a breach of obligation secured by the unit and the election to sell or have the unit sold pursuant to NRS 107.080.

2. If an action or notice described in subsection 1 has been filed or recorded regarding a unit and the association has provided the unit's owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the association, including its employees, agents and community manager, may, but is not required to, enter the grounds of the unit, whether or not the unit is vacant, to take any of the following actions if the unit's owner refuses or fails to take any action or comply with any requirement imposed on the unit's owner within the time specified by the association as a result of the hearing:
(a) Maintain the exterior of the unit in accordance with the standards set forth in the governing documents, including, without limitation, any provisions governing maintenance, standing water or snow removal.
(b) Remove or abate a public nuisance on the exterior of the unit which:
(1) Is visible from any common area of the community or public streets;
(2) Threatens the health or safety of the residents of the common-interest community;
(3) Results in blighting or deterioration of the unit or surrounding area; and
(4) Adversely affects the use and enjoyment of nearby units.

3. If a unit is vacant and the association has provided the unit's owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the association, including its employees, agents and
community manager, may enter the grounds of the unit to maintain the exterior of the unit or abate a public nuisance as described in subsection 2 if the unit's owner refuses or fails to do so.

4. The association may order that the costs of any maintenance or abatement conducted pursuant to subsection 2 or 3, including, without limitation, reasonable inspection fees, notification and collection costs and interest, be charged against the unit. The association shall keep a record of such costs and interest charged against the unit and has a lien on the unit for any unpaid amount of the charges. [The lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.]

5. A lien described in subsection 4 bears interest from the date that the charges become due at a rate determined pursuant to NRS 17.130 until the charges, including all interest due, are paid.

6. [Except as otherwise provided in this subsection, a lien described in subsection 4 is prior and superior to all liens, claims, encumbrances and titles other than the liens described in paragraphs (a) and (c) of subsection 2 of NRS 116.3116. If the federal regulations of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior and superior to other security interests shall be determined in accordance with those federal regulations. Notwithstanding the federal regulations, the period of priority of the lien must not be less than the 6 months immediately preceding the institution of an action to enforce the lien.]

7. A person who purchases or acquires a unit at a foreclosure sale pursuant to NRS 40.430 or a trustee's sale pursuant to NRS 107.080 is bound by the governing documents of the association and shall maintain the exterior of the unit in accordance with the governing documents of the association. Such a unit may only be removed from a common-interest community in accordance with the governing documents pursuant to this chapter.

8. Notwithstanding any other provision of law, an association, its directors or members of the executive board, employees, agents or community manager who enter the grounds of a unit pursuant to this section are not liable for trespass.

9. As used in this section:

(a) "Exterior of the unit" includes, without limitation, all landscaping outside of a unit and the exterior of all property exclusively owned by the unit owner.

(b) "Vacant" means a unit:

(1) Which reasonably appears to be unoccupied;

(2) On which the owner has failed to maintain the exterior to the standards set forth in the governing documents the association; and
(3) On which the owner has failed to pay assessments for more than 60 days. (Deleted by amendment.)

Sec. 3. NRS 116.31068 is hereby amended to read as follows:

116.31068  1. Except as otherwise provided in subsection 2, an association shall deliver any notice required to be given by the association under this chapter to any mailing or electronic mail address a unit’s owner designates. Except as otherwise provided in subsection 2, if a unit’s owner has not designated a mailing or electronic mail address to which a notice must be delivered, the association may deliver notices by:

(a) Hand delivery to each unit’s owner;
(b) Hand delivery, United States mail, postage paid, or commercially reasonable delivery service to the mailing address of each unit;
(c) Electronic means, if the unit’s owner has given the association an electronic mail address; or
(d) Any other method reasonably calculated to provide notice to the unit’s owner.

2. The ineffectiveness of a good faith effort to deliver notice by an authorized means does not invalidate action taken at or without a meeting.

3. The provisions of this section do not apply:

(a) To a notice required to be given pursuant to NRS 116.3116; or
(b) If any other provision of this chapter specifies the manner in which a notice must be given by an association. (Deleted by amendment.)

Sec. 4. NRS 116.3116 is hereby amended to read as follows:

116.3116  1. The association has a lien on a unit for any construction penalty that is imposed against the unit’s owner pursuant to NRS 116.310205, any assessment levied against that unit or any fines imposed against the unit’s owner from the time the construction penalty, assessment or fine becomes due. Unless the declaration otherwise provides, any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive, of subsection 1 of NRS 116.3102 are enforceable as assessments under this section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

2. A lien under this section is prior to all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes or takes subject to;
(b) A first security interest on the unit recorded before the date on which the assessment sought to be enforced became delinquent or, in a cooperative, the first security interest encumbering only the unit’s owner’s interest and
perfected before the date on which the assessment sought to be enforced became delinquent; and

(c) Liens for real estate taxes and other governmental assessments or charges against the unit or cooperative.

The lien is also prior to all security interests described in paragraph (b) to the extent of any charges incurred by the association on a unit pursuant to NRS 116.310312 and to the extent of the assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 which would have become due in the absence of acceleration during the 9 months immediately preceding institution of an action to enforce the lien, unless federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien. If federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior to all security interests described in paragraph (b) must be determined in accordance with those federal regulations, except that notwithstanding the provisions of the federal regulations, the period of priority for the lien must not be less than the 6 months immediately preceding institution of an action to enforce the lien. This subsection does not affect the priority of mechanics’ or materialmen’s liens, or the priority of liens for other assessments made by the association.

3. The holder of the security interest described in paragraph (b) of subsection 2 or the holder’s authorized agent may establish an escrow account, loan trust account or other impound account for advance contributions for the payment of assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 if the unit’s owner and the holder of that security interest consent to the establishment of such an account. If such an account is established, payments from the account for assessments for common expenses must be made in accordance with the same due dates as apply to payments of such assessments by a unit’s owner.

4. Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority.

5. Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required.

6. To perfect its lien, the association must record a notice of lien in the office of the county recorder of the county in which the unit or some part thereof is located. An association may not record a notice of lien unless the amounts listed in subsection 1 are more than 90 days past due.
3. A notice of lien recorded pursuant to subsection 2 must be verified by the oath of the person designated in the declaration or by the association for that purpose or, if no one is designated, by the president of the association, and must contain:
   (a) A statement of the amount of the association's lien;
   (b) The name and last known address of the record owner of the unit; and
   (c) A description of the unit against which the lien is imposed.
4. The association shall serve a copy of the notice of lien upon the unit's owner not later than 30 days after recording the notice of lien pursuant to subsection 2 by:
   (a) Personally delivering a copy of the notice of lien to the unit's owner; or
   (b) Mailing a copy of the notice of lien to the unit's owner or his or her successor in interest by certified mail, return receipt requested, at his or her address, if known, and at the address of the unit.
5. Not earlier than 90 days after the date on which a copy of the notice of lien is served on the unit's owner pursuant to subsection 4, a notice of lien under this section may be enforced by an action in any court of competent jurisdiction that is located within the county where the unit subject to the notice of lien or any portion thereof is located, on setting out in the complaint the particulars of the demand, with a description of the unit to be charged with the lien. At the time of filing the complaint and issuing the summons, the association or other person authorized by the association to enforce the lien shall file a notice of pendency of the action in the manner provided in NRS 14.010.
6. In an action to enforce a lien under this section, the court shall:
   (a) Enter judgment according to the right of the parties;
   (b) Upon ascertaining the amount of the association's lien under this section, cause the property to be sold in satisfaction of the lien and costs of sale. An association in whose favor judgment may be rendered may cause the unit to be sold within the time and in the manner provided for sales on execution, issued out of any district court, for the sale of real property.
7. If the proceeds of a sale pursuant to subsection 6, after payment of the costs of sale, are not sufficient to satisfy the association's lien, the association is entitled to a personal judgment for the amount remaining due against the unit's owner. If the proceeds of the sale amount to more than the association's lien and the cost of sale, the remainder must be paid over to the unit's owner.
8. As soon as practicable, but not later than 10 days after a notice of lien upon a unit is fully satisfied or discharged, the association shall cause to be recorded a discharge or release of the notice of lien. If the association
fails to comply with this section, the association is liable in a civil action to the unit’s owner or his or her successor in interest for any actual damages caused by the association’s failure to comply with the provisions of this subsection or $100, whichever is greater, and for reasonable attorney’s fees and the costs of bringing the action.

9. A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are commenced in a court of competent jurisdiction within [3 years after the full amount of the assessments becomes due.]

7. 1 year after the date on which the notice of lien is recorded pursuant to subsection 3.

10. This section does not prohibit actions to bring or maintain a civil action to recover sums for which subsection 1 creates a lien. It prohibits an association from taking a deed in lieu of foreclosure.

8. A judgment or decree in any action brought under this section must include costs and reasonable attorney’s fees for the prevailing party.

9. 11. The association, upon written request, shall furnish to a unit’s owner a statement setting forth the amount of unpaid assessments against the unit. If the interest of the unit’s owner is real estate, or if a lien for the unpaid assessments may be foreclosed under NRS 116.31162 to 116.31168, inclusive, the statement must be in recordable form. The statement must be furnished within 10 business days after receipt of the request and is binding on the association, the executive board and every unit’s owner.

10. 12. In a cooperative, upon nonpayment of an assessment on a unit, the unit’s owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and:

(a) In a cooperative where the owner’s interest in a unit is real estate under NRS 116.1105, the association’s lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive, enforced pursuant to this section.

(b) In a cooperative where the owner’s interest in a unit is personal property under NRS 116.1105, the association’s lien:

(1) May be foreclosed as a security interest under NRS 104.9101 to 104.9709, inclusive, or

(2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

11. 13. In an action by an association to collect assessments or to enforce a lien created under this section, the court may appoint a receiver to collect all rents or other income from the unit alleged to be due and owing to a unit’s owner before commencement or during pendency of the action. The receivership is governed by chapter 32 of NRS. The court may order the receiver to pay any sums held by the receiver to the association.
during pendency of the action to the extent of the association’s common expense assessments based on a periodic budget adopted by the association pursuant to NRS 116.3115. [Deleted by amendment.]

Sec. 4.3. NRS 116.31164 is hereby amended to read as follows:

116.31164 1. The sale must be conducted in the county in which the common-interest community or part of it is situated, and may be conducted by the association, its agent or attorney, or a title insurance company or escrow agent licensed to do business in this State, except that the sale may be made at the office of the association if the notice of the sale so provided, whether the unit is located within the same county as the office of the association or not. The association or other person conducting the sale may from time to time postpone the sale by such advertisement and notice as it considers reasonable or, without further advertisement or notice, by proclamation made to the persons assembled at the time and place previously set and advertised for the sale.

2. On the day of sale originally advertised or to which the sale is postponed, at the time and place specified in the notice or postponement, the person conducting the sale may sell the unit at public auction to the highest cash bidder. Unless otherwise provided in the declaration or by agreement, the association may purchase the unit and hold, lease, mortgage or convey it. The association may purchase by a credit bid up to the amount of the unpaid assessments and any permitted costs, fees and expenses incident to the enforcement of its lien.

3. After the sale, the person conducting the sale shall:
   (a) Make, execute and, after payment is made, deliver to the purchaser, or his or her successor or assign, a deed without warranty which conveys to the grantee all title of the unit’s owner to the unit;
   (b) Deliver a copy of the deed to the Ombudsman within 30 days after the deed is delivered to the purchaser, or his or her successor or assign; and
   (c) Comply with the provisions of subsection 2 of NRS 116.31166; and

(b) Apply the proceeds of the sale for the following purposes in the following order:
   (1) The reasonable expenses of sale;
   (2) The reasonable expenses of securing possession before sale, holding, maintaining, and preparing the unit for sale, including payment of taxes and other governmental charges, premiums on hazard and liability insurance, and, to the extent provided for by the declaration, reasonable attorney’s fees and other legal expenses incurred by the association;
   (3) Satisfaction of the association’s lien;
   (4) Satisfaction in the order of priority of any subordinate claim of record; and
   (5) Remittance of any excess to the unit’s owner.
Sec. 4.7. NRS 116.31166 is hereby amended to read as follows:

116.31166 1. Every sale of a unit pursuant to NRS 116.31162 to 116.31168, inclusive, vests in the purchaser the title of the unit’s owner subject to the right of redemption provided by this section.

2. After the sale conducted pursuant to NRS 116.31164, the person conducting the sale shall:
   (a) Give to the purchaser a certificate of the sale containing:
       (1) A particular description of the unit sold;

3. The unit’s owner whose interest in the unit was extinguished, the holder of the recorded security interest on the unit or a successor in interest of those persons may redeem the property at any time within 60 days after the sale by paying:
   (a) The purchaser the amount of his or her purchase price, with interest at the rate of 1 percent per month thereon in addition, to the time of redemption, plus:
       (1) The amount of any assessment paid to the association by the purchaser before the redemption;
       (2) The amount of any assessment, taxes or payments toward liens which were created before the purchase and which the purchaser may have paid thereon after the purchase, and interest on such amount;

unit was sold is not required to be so paid as a lien.

4. Notice of redemption must be served by the person redeeming the

the unit is redeemed, together with:

warranty which conveys to the person who redeemed the unit all title of the
unit’s owner to the unit; and

(b) Deliver a copy of the deed to the Ombudsman within 30 days after

Assembly Bill No. 246.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 521.

AN ACT relating to cosmetology; revising provisions governing advertising of services relating to the practice of cosmetology; establishing the procedures for the registration and training of apprentices for aestheticians, hair designers and nail technologists; establishing the procedures for the registration and training of apprentices for aestheticians, hair designers and nail technologists; establishing the procedures for the registration and training of apprentices for aestheticians, hair designers and nail technologists; providing a fee for the registration of such apprentices and the licensure of shampoo technologists; revising provisions relating to the licensure of various cosmetology professionals, cosmetological establishments and schools of cosmetology; revising provisions concerning service animals and service animals in training that are on the premises of a licensed establishment for hair braiding or cosmetological establishment; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Board of Cosmetology to determine the qualification of applicants for various licenses in cosmetology, requires the Board to license schools of cosmetology and authorizes the Board to adopt regulations governing the sanitary conditions in cosmetological establishments, schools of cosmetology and in the practice of cosmetology. (NRS 644.090, 644.120)

Sections 3 and 17 of this bill make it unlawful to advertise in any manner that is misleading or inaccurate with respect to the provision of any services relating to the practice of cosmetology. Under existing law, a violation of any provision of the chapter governing cosmetology is punishable as a misdemeanor. (NRS 644.480) Section 60 of this bill provides that advertising in violation of section 17 is also a ground for disciplinary action by the Board.

Sections 5, 7, 8, 12-14, 29 and 39 of this bill establish the procedures for the registration, training and practice of apprentices for aestheticians, hair designers and nail technologists. Sections 10, 15 and 16 of this bill establish a new [license] certificate of registration as a shampoo technologist and set forth the requirements, including passing certain examinations, that must be
met before the Board may issue such a [license] certificate of registration to a person. Section 60 provides that failure of a shampoo technologist, aesthetician’s apprentice, hair designer’s apprentice or nail technologist’s apprentice to comply with the requirements relating to those professions is a ground for disciplinary action by the Board.

Existing law excludes a licensed barbershop in which one or more licensed nail technologists practice from the definition of “cosmetological establishment.” (NRS 644.0225) Section 20 of this bill removes that exception, thus subjecting a nail technologist who practices in a licensed barbershop to the same requirements as a nail technologist who practices in a cosmetological establishment.

Existing law requires the Board to approve the use of any device used in the practice of cosmetology. (NRS 644.095) Section 25 of this bill authorizes the Board to adopt regulations that ban the use of any device in the practice of cosmetology for good cause or if the device facilitates services outside the scope of the practice of cosmetology.

Sections 27 and 28 of this bill revise the duties of the Board concerning: (1) records of licensees; and (2) depositing fees collected on behalf of the Board.

Section 30 of this bill changes the requirements for admission to examination for a license as a cosmetologist by: (1) reducing the amount of training in a school of cosmetology from 1,800 to 1,600 hours for certain applicants; and (2) increasing the amount of specialized training from 400 to 600 hours for applicants who are barbers. Section 31 of this bill eliminates the requirement that a barber must have 400 hours of specialized training before the Board will admit the barber to examination for a license as a hair designer.

Sections 34, 35 and 41 of this bill revise the requirements for obtaining a license as a hair braider by: (1) eliminating a voter registration card as a document that can be used as proof of the age of an applicant for a license as a hair braider; and (2) adding additional tests or examinations that the Board deems necessary to the requirements for the examination for licensure as a hair braider.

Section 43 of this bill requires every holder of a license or certificate of registration, as applicable, as a cosmetologist, aesthetician, electrologist, hair designer, shampoo technologist, hair braider, nail technologist or demonstrator of cosmetics to notify the Board within 30 days after a change in his or her personal mailing address.

Section 44 of this bill expands the applicability and revises the period of validity of a limited license to practice cosmetology in a resort hotel and in other types of locations designated by the Board to include: (1) persons currently licensed in this State as a cosmetologist and (2) persons currently
licensed in this State or certain other jurisdictions as a hair designer, nail technologist or aesthetician.

Sections 45, 46, 49, 51, 55, 57 and 58 of this bill provide the holder of a license or certificate of registration, as applicable, as a cosmetologist, aesthetician, electrologist, hair designer, shampoo technologist, hair braider, nail technologist, demonstrator of cosmetics or instructor and the holder of a license for a cosmetological establishment, establishment for hair braiding or school of cosmetology with the option of having a license period of either 2 or 4 years and set forth the specific fee or range of fees, as applicable, for those periods.

Existing law provides a range of fees that the Board may charge for examination for licensure or registration as a cosmetologist, electrologist, hair designer, hair braider, nail technologist, aesthetician and as an instructor of aestheticians, hair designers, cosmetology or nail technology. (NRS 644.220) Section 45 adds shampoo technologists and sets forth fees for the issuance of an initial license or certificate of registration for a period of either 2 or 4 years to practice in each of those branches of cosmetology and for an instructor of aestheticians, hair designers, cosmetology or nail technology.

Existing law prohibits the Board from charging a fee for registering: (1) a person who engages in the practice of threading; or (2) an owner or operator of a kiosk or other stand-alone facility in which threading is practiced. (NRS 644.331) Section 48 of this bill: (1) requires a fee of not more than $25 for registration of such a natural person, owner or operator; and (2) requires, rather than authorizes, the Board to inspect any facility in this State in which threading is conducted.

Sections 52 and 54 of this bill require a cosmetological establishment to be under the immediate supervision of a person who is licensed in the branch of cosmetology or a combination of branches of cosmetology of the services relating to the practice of cosmetology provided at the cosmetological establishment at the time the services are provided. Those supervision requirements similarly apply to lessees of space at a cosmetological establishment.

Section 58 of this bill requires the Board to adopt regulations which prescribe the minimum enrollment of students and the amount of floor space required for a proposed school of cosmetology.

The United States District Court for the District of Nevada recently held that certain provisions of Nevada Revised Statutes governing the supervision, instructors and courses given at schools of cosmetology were unconstitutional as applied to makeup artistry schools. (Waugh v. Nev. State Bd. of Cosmetology, 2014 U.S. Dist. LEXIS 108223 (D. Nev. August 6, 2014)) Section 59 of this bill amends those provisions to: (1) require
instructors who supervise a school of cosmetology to have experience in a majority of branches of cosmetology taught at the school of cosmetology instead of experience in a majority of the branches of cosmetology; (2) require a school of cosmetology to either prepare students for an examination for a license in each branch of cosmetology taught at the school of cosmetology or provide a disclaimer to its students indicating that the school does not qualify the student for a license or prepare the student for an examination in any branch of cosmetology; and (3) eliminate the requirement relating to the length of the school term at a school of cosmetology.

Existing law provides, with limited exceptions, that it is unlawful for any animal to be on the premises of a licensed establishment for hair braiding or cosmetological establishment. (NRS 644.472) Section 63 of this bill expands those exceptions to allow in such an establishment dogs and miniature horses that are trained or being trained for the purposes of certain federal laws governing public accommodations.

Existing law also provides, in relevant part, that it is unlawful for a place of public accommodation, including, without limitation, a beauty shop, to refuse: (1) admittance or service to a person with a disability because the person is accompanied by a service animal; (2) admittance or service to a person training a service animal; (3) to permit an employee who is training a service animal to bring the service animal into the place of public accommodation; and (4) admittance or service to a person because the person is accompanied by a police dog. (NRS 651.050, 651.075) The definition of “service animal” for the purposes of state law governing public accommodations is broader than the types of service animals that are covered under federal law governing public accommodations which covers only dogs and miniature horses. (28 C.F.R. §§ 35.104, 36.302) Section 64 of this bill provides an exception that is consistent with the provisions of section 63 to the existing state law governing public accommodations. Thus, a licensed establishment for hair braiding or cosmetological establishment in this State will be required to admit only dogs and miniature horses trained or being trained as service animals under federal law, while other places of public accommodation in this State will be required to admit service animals, service animals in training and police dogs as those terms are defined under the broader definitions of service animal and service animal in training which include additional animals. For example, a helper monkey would be included under those broader definitions.

Legislative Counsel's Digest:

Existing law requires, under certain circumstances, that a person provide satisfactory identification to vote in person. (NRS 293.2725, 293.277, 293.302, 293.3081, 293.3085, 293.330, 293.353, 293.3585, 293.341, 293C.270, 293C.202, 293C.330, 293C.3585). This bill requires, with limited exceptions, that a person provide one of the forms of proof of identity specified in section 2 of this bill to vote in person. Section 2 sets forth the acceptable forms of proof of identity which are: (1) certain government-issued documents or identity cards that show a recognizable photograph of the person to whom the document or card is issued; (2) a voter identification card; or (3) certain documentation from an administrator of certain health care facilities that are licensed by the State.

Sections 3-6 of this bill: (1) require the Department of Motor Vehicles to issue a voter identification card, free of charge, to a person who does not possess one of the forms of required photographic identification; (2) set forth requirements for the issuance of voter identification cards; and (3) require that the Secretary of State adopt regulations to carry out the provisions of those sections.

Section 16 of this bill authorizes, under certain circumstances, a person who fails to provide proof of identity when voting in person to cast a provisional ballot. Section 18 of this bill provides that the provisional ballot of such a voter must be counted if the person provides to the county or city clerk, not later than 5 p.m. on the Friday following the election: (1) proof of identity; or (2) an affidavit stating that the voter cannot provide proof of identity because he or she is indigent or has a religious objection to being photographed.

The provisions of this bill which require that a person present, with limited exceptions, one of the forms of proof of identity to vote in person are similar to the provisions of an Indiana law which the United States Supreme Court has determined does not unconstitutionally burden a person’s right to vote, in part because the person can obtain one of the forms of required proof of identity free of charge and the requirements to provide proof of identity do not apply to persons who vote by absent ballot. (Crawford v. Marion County Election Bd., 553 U.S. 181 (2008)).

Sections 44, 46, 53 and 54 of this bill provide for photographs of voters to be included in rosters for early voting and election board registers under certain circumstances. Section 40 of this bill requires the Secretary of State to adopt regulations setting forth the procedures for
obtaining photographs of registered voters that are required under certain circumstances to be included in rosters for early voting and election board registers, and section 39 of this bill requires the Department of Motor Vehicles to provide such photographs to the Secretary of State or county clerks upon request.

Sections 41, 44, 50 and 53 of this bill require the election board officer or deputy clerk for early voting, as applicable, to compare the photograph included in the election board register or roster for early voting, if any, to the appearance of the person applying to vote. If the election board officer or deputy clerk for early voting: (1) believes that the person in the photograph is the person applying to vote, the election board officer or deputy clerk for early voting shall allow the person to vote; or (2) does not believe that the person in the photograph is the person applying to vote, the election board officer or deputy clerk for early voting shall allow the person to vote if the person provides a written affirmation signed under penalty of perjury that he or she is the registered voter who he or she claims to be. If the election board register or roster for early voting does not contain a photograph next to the person's name, the election board officer or deputy clerk for early voting shall request that the person authorize the election board officer or deputy clerk for early voting to take a photograph of the person or provide to the election board officer or deputy clerk for early voting his or her driver’s license number or identification card number, if any. If, in response to such a request, the person: (1) provides his or her driver’s license number or identification card number, the election board officer or deputy clerk for early voting shall record the number in the election board register or roster for early voting and allow the person to vote; (2) authorizes the election board officer or deputy clerk for early voting to take the person’s photograph, the election board officer or deputy clerk for early voting shall take the photograph and allow the person to vote; or (3) declines to comply with the request, the election board officer or deputy clerk for early voting shall allow the person to vote if the person provides a written affirmation signed under penalty of perjury that he or she is the registered voter who he or she claims to be.

Sections 37, 38, 48 and 49 of this bill require county clerks and city clerks to provide election board officers and deputy clerks for early voting with the equipment necessary to take digital colored photographs of voters.

Sections 43 and 52 of this bill prohibit a voter from being challenged on the basis that: (1) the voter declines to comply with a request to provide his or her driver’s license number or identification card number at the time he or she appears to vote in person; (2) the voter does not
have a driver’s license or identification card; (3) the election board
register or roster for early voting does not contain a photograph of the
voter; (4) the voter declines to comply with a request that he or she
authorize an election board officer or deputy clerk for early voting to
take his or her photograph; or (5) an election board officer or a deputy
clerk for early voting does not believe that the person applying to vote is
the same person in the photograph contained in the election board
register or roster for early voting.

Sections 42 and 51 of this bill make various changes to provisions
governing the identification of a voter who is unable to sign his or her
name.

Section 45 of this bill prohibits certain information about a registered
voter, including a photograph, from being included on any list of
registered voters made available to the public.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 541.

AN ACT relating to securities; providing for an exemption from the requirement to register for certain offerings for the sale of securities made through certain Internet websites; establishing certain requirements relating to an issuer of a security who qualifies for such an exemption; providing for the registration of certain operators of Internet websites who post offerings
for the sale of securities not required to be registered; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law sets forth requirements for the registration of a security with the Securities Division of the Office of the Secretary of State before an offer to sell or a sale of such a security is made unless certain exceptions apply. (NRS 90.460-90.510) Existing law further provides for an exemption of certain securities from the registration requirement and sets forth the filing requirements necessary to qualify for the exemption. (NRS 90.520-90.565)

Section 3 of this bill provides an additional exemption from the registration requirement for securities for an offer to sell or sale of a security offered by an issuer through an Internet website, commonly known as a “crowdfunding” website, if certain filing and disclosure requirements are met. Section 3 requires that to qualify for this exemption, the issuer of the security and the Internet website conducting the offer of the security must be business entities organized and existing in Nevada. Section 3 also requires that any purchaser of such a security be a resident of, or a business entity organized and existing in, Nevada. The amount of the offer made pursuant to the exemption provided for in section 3 is limited to $1,000,000 in any consecutive 12-month period. The exemption also limits an investor’s purchase to $5,000, unless the purchaser is an accredited investor. Section 3 further requires a depository institution to hold all investor funds in an escrow account until the issuer’s crowdfunding goal is met. Section 3 also requires the Administrator of the Division to adopt regulations to carry out the implementation of the new registration exemption.

Section 4 of this bill requires such an Internet website to register with the Division before conducting any offer or sale of a security for an issuer pursuant to the exemption provided for in section 3. Section 4 also provides for certain registration exemptions for a crowdfunding Internet website if certain registration requirements are met with the Securities and Exchange Commission.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 90 of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.

Sec. 2. “Accredited investor” has the meaning ascribed to it in 17 C.F.R § 230.501(a).

Sec. 3. 1. A transaction involving the offer to sell or sale of a security by an issuer that is conducted exclusively through one or more Internet website is exempt from the provisions of NRS 90.460 and 90.560 if:
(a) The issuer of the security is a business entity organized and existing under the laws of this State.

(b) The transaction satisfies the requirements for exemption under the Securities Act of 1933, 15 U.S.C. §§ 77c(a)(11) and Rule 147 of the Securities and Exchange Commission, 17 C.F.R. § 230.147.

(c) The total aggregate sales of the security, during any 12 consecutive months, does not exceed $1,000,000.

(d) The issuer does not accept an investment of more than $5,000 from any single purchaser, unless the purchaser is an accredited investor.

(e) At least 80 percent of the net proceeds from the offering will be used in connection with the operations of the issuer in this State.

(f) Unless otherwise waived by the Administrator, not less than 21 days before making an offer to sell a security pursuant to this section, the issuer:

1. Files a [Form D — Notice of Exempt Offering of Securities with the Securities and Exchange Commission] notice of exempt offering of securities through intrastate crowdfunding on a form prescribed by the Administrator;

2. Pays the fee for the exemption established by the Administrator by regulation;

3. Provides the Administrator a copy of the disclosure document provided to the prospective investor pursuant to paragraph (l); and

4. Provides the Administrator with a copy of the escrow agreement with a depository institution authorized to do business in this State into which the issuer will deposit the money of the investors.

(g) The issuer is not, either before or as a result of the offering made pursuant to this section:

1. An investment company, as defined in 15 U.S.C. § 80a-3;

2. An entity described in 15 U.S.C. § 80a-3(c); or

(h) The issuer informs all prospective investors in securities offered pursuant to this section that the securities are not registered under federal securities law or the securities law of this State and are subject to resale limitations by including the following statement at the beginning of the disclosure document:

In making an investment decision, investors must rely on their own examination of the issuer and the terms of the offering, including the merits and risks involved. These securities have not been recommended by the United States Securities and Exchange Commission or the Securities Division of the Office of the Secretary of State of Nevada. Furthermore, the foregoing authorities have not
confirmed the accuracy or determined the adequacy of this document. Any representation to the contrary is a criminal offense. These securities are subject to restrictions on transferability and resale and may not be transferred or resold except as permitted by Rule 147 of the Securities and Exchange Commission, 17 C.F.R § 230.147(e), as promulgated under the Securities Act of 1933, as amended, and the applicable securities laws of this State, pursuant to registration or exemption therefrom. Investors should be aware that they will be required to bear the financial risks of this investment for an indefinite period of time.

(i) Each purchaser certifies in writing or electronically the following:

I understand and acknowledge that I am investing in a high risk, speculative business venture. I may lose all of my investment or, under some circumstances, more than my investment, and I can afford this loss. This offering has not been reviewed or approved by the United States Securities and Exchange Commission or the Securities Division of the Office of the Secretary of State of Nevada, and no such authority has confirmed the accuracy or determined the adequacy of any disclosure made to me relating to this offering. The securities I am acquiring in this offering are not liquid, there is no ready market for the sale of such securities, it may be difficult or impossible for me to sell or otherwise dispose of this investment and I may be required to hold this investment indefinitely. I may be subject to tax on my share of the taxable income and losses of the company, whether or not I have sold or otherwise disposed of my investment or received any dividends or other distributions from the company.

(j) The issuer obtains written confirmation from each purchaser, as well as sufficient independent evidence, that each purchaser is a resident of this State and, if applicable:

(1) Obtains written confirmation from each purchaser that the purchaser has not invested more than $5,000, in the aggregate, in offerings exempted pursuant to this section during the preceding 12 months; or

(2) Has verified that the purchaser is an accredited investor.

(k) Any payments for the purchase of securities offered pursuant to this section are directly deposited in and held by the depository institution named in the escrow agreement described in subparagraph (4) of paragraph (f).
The issuer of a security offered under the exemption provided pursuant to this section provides a disclosure document to each prospective investor at the time the offer to sell the security is made that contains:

1. A description of the issuer, its organizational structure and the address and telephone number of its principal office;

2. The history and business plan of the issuer, the intended use of the proceeds from the offering, a description of any related party transactions and a listing of any amounts to be paid, as compensation or otherwise, to any owner, executive officer, director, managing member or other person holding a similar status or performing similar functions on behalf of the issuer;

6. The name of any person, other than a person acting solely as the issuer’s attorney or accountant, who has been or will be retained by the issuer to assist in conducting the offering and sale of securities pursuant to this section, including, without limitation, the operator of the Internet website, and a description of the consideration being paid to the person for such assistance, if applicable;

7. A description of any litigation, legal proceedings or pending regulatory action involving the issuer or its management;

(2) An analysis of the business operations and financial condition of the issuer, including, without limitation, current financial statements of the issuer certified by one of its officers as being true and correct.

2. An offer to sell or sale of a security to an officer, director, partner, trustee or person holding a similar position or performing similar functions in the name of and on behalf of the issuer who owns 10 percent or more of the outstanding shares of any class or classes of securities of the issuer does not count toward the monetary limitation set forth in paragraph (c) of subsection 1.

3. An issuer shall not access the money held in escrow by a depository institution pursuant to paragraph (k) of subsection 1 until the aggregate money raised from an offering for the sale of securities made pursuant to this section equals or exceeds the minimum amount specified in the escrow agreement.

4. An investor may cancel its investment commitment made based on an offering for the sale of securities made pursuant to this section:

(a) If the target offering amount is not raised within the time limit stated in the escrow agreement; or
(b) For any reason, if such cancellation occurs more than 48 hours before the offering deadline identified in the disclosure document provided by the issuer.

5. An exemption claimed pursuant to this section may not be used in conjunction with any other exemption provided for in this chapter, except for an offer to sell or a sale made to a person identified in the disclosure document described in paragraph (l) of subsection 1 during the 12 months immediately preceding the exempted offer or sale.

6. The exemption provided for in this section cannot be used if an issuer or person affiliated with the issuer or offering is subject to disqualification as established by the Administrator by regulation or pursuant to the Securities Act of 1933, 15 U.S.C. § 77c(a)(11), and Rule 147 of the Securities and Exchange Commission, 17 C.F.R. § 230.147(c), or Rule 506(d)(1) of the Securities and Exchange Commission, 17 C.F.R. § 230.506(d)(1).

7. An operator of an Internet website is not required to register as a broker-dealer if the operator satisfies the requirements of subsection 2 of section 4 of this act; or

8. An issuer may distribute in this State a notice relating to an offering exempted pursuant to this section, except that such notice must not contain any information other than:

(a) A statement that the issuer is conducting such offering;

(b) The name of the operator of the Internet website through which the offering is being conducted; and

The monetary limitation must be rounded to the nearest $50,000.

10. The Administrator shall adopt regulations necessary and appropriate to carry out the provisions of this section.

Amendment No. 503.

AN ACT relating to foster care; authorizing a licensing authority to conduct a background check on a person who routinely supervises a child in a foster home; requiring an applicant or person licensed to conduct a foster home to prevent such a person from being present in the foster home if the background check reports certain prior criminal convictions of the person; allowing a person who routinely supervises a child in a foster home for whom an investigation is conducted an opportunity to correct such information; requiring each applicant for a license to conduct a foster home and each person licensed to conduct a foster home to maintain records of certain information concerning certain persons who routinely supervise a child in a foster home; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law requires a person to be licensed to conduct a foster home.
(NRS 424.030) Existing law requires the licensing authority that licenses
foster homes to obtain certain information on the background and personal history of each applicant for a license, person who is licensed to conduct a foster home, employee of that applicant or licensee and certain residents of a foster home who are 18 years of age or older. (NRS 424.031) Section 1 of this bill authorizes the licensing authority or a person designated by the licensing authority to obtain such information on a person who is 18 years of age or older who routinely supervises a child in a foster home.

Existing law requires each applicant for a license to conduct a foster home, person who is licensed to conduct a foster home, employee of that applicant or licensee and certain residents of a foster home who are 18 years of age or older to submit a complete set of fingerprints and certain documentation to the licensing authority that licenses foster homes. If the licensing authority determines that the applicant or licensee has committed a certain crime, the licensing authority may deny, suspend or revoke the license. If the licensing authority determines that an employee or certain resident who is 18 years of age or older has committed a certain crime, the licensee is required to terminate the employment of that person, and may be subject to discipline for failing to do so. (NRS 424.033)

Section 2 of this bill requires a person who is 18 years of age or older who routinely supervises a child in a foster home for whom an investigation is conducted pursuant to section 1 to submit to the same background investigation by the licensing authority that licenses foster homes. In addition, if the licensing authority that licenses foster homes determines that the person has been convicted of a certain offense, the applicant or licensee is required to ensure that the person is not present in the home and may be subject to discipline for failing to do so.

Existing law requires an applicant or licensee to terminate the employment of an employee or remove a resident from the foster home upon receiving certain information regarding prior criminal convictions of the employee or resident. Existing law also provides such an employee or resident an opportunity to correct such information before being terminated. (NRS 424.0335) Section 3 of this bill requires a licensee to prevent any person who is 18 years of age or older who routinely supervises a child in a foster home for whom an investigation is conducted pursuant to section 1 from continuing to supervise a child in the foster home upon receiving such information about the person and allows the person to correct such information. (Existing law requires each applicant for a license to conduct a foster home to maintain records concerning the personal backgrounds and certain criminal convictions of its employees and certain residents. (NRS 424.034) Section 4 of this bill requires such applicants and licensees to maintain such records concerning certain persons who are 18 years of age or older who routinely supervise a child in the foster home.)

Amendment No. 489.

SUMMARY—Revises provisions relating to relations between local governments and certain public employees. (BDR 23-858)

AN ACT relating to relations between local governments and public employees; authorizing the Local Government Employee-Management Relations Board to appoint a Deputy Commissioner; providing for the expiration of collective bargaining agreements between local governments and employee organizations other than employee organizations that represent police officers; authorizing a local government to choose not to negotiate with an employee organization other than an organization that represents police officers; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The Local Government Employee-Management Relations Board administers the provisions governing labor relations between local government employers and employee organizations. (NRS 288.080, 288.110) The Board is authorized by existing law to appoint a Commissioner, who serves in the unclassified service of the State. (NRS 288.090) Section 3.7 of this bill additionally authorizes the Board to appoint a Deputy Commissioner, and section 15.5 of this bill makes an appropriation for that purpose.

Under existing law, a local government employer is required to bargain collectively with an employee organization concerning certain matters. In certain circumstances, if negotiations do not lead to an agreement, the parties may be subject to binding fact-finding or arbitration. (Chapter 288 of NRS) Sections 1.5-3 and 4-15 of this bill amend the provisions governing collective bargaining to give a local government employer the option of choosing not to negotiate with certain employee organizations and instead to prescribe terms and conditions of employment that are otherwise subject to mandatory bargaining.

Sections 2 and 15 of this bill provide that any collective bargaining agreement entered into pursuant to chapter 288 of NRS, other than an agreement entered into with an employee organization that represents police officers, expires at the end of the term stated in the agreement,
notwithstanding any provision of the agreement that the agreement remains in effect until a successor agreement becomes effective.

Existing law requires a local government employer to begin negotiations with an employee organization when notified by the employee organization of the organization’s desire to negotiate. (NRS 288.180) **Section 5 [of this bill]** requires a local government employer to provide the employee organization, other than an employee organization that represents police officers, with written notice of whether the local government employer intends to negotiate with the employee organization. If the local government employer notifies the employee organization that it does not intend to negotiate, the local government employer may prescribe terms and conditions of employment that are otherwise subject to mandatory collective bargaining. If such an employer and the employee organization are operating under an existing collective bargaining agreement, **section 3 [of this bill]** provides that the terms and conditions become effective upon the expiration of the agreement. The local government employer and the employee organization or another recognized employee organization may subsequently agree to negotiate a collective bargaining agreement in accordance with chapter 288.

Under **section 5**, if the local government employer provides no timely notice that it does not intend to negotiate, or if the employee organization represents police officers, the parties must promptly begin negotiating and the existing provisions of chapter 288 govern the relationship of the parties.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** Chapter 288 of NRS is hereby amended by adding thereto the provisions set forth as sections 1.5, 2 and 3 of this act.

Sec. 1.5. “Police officer” means a person who is a salaried employee of a police department or other law enforcement agency organized by a political subdivision of the State and whose principal duties are to enforce the law.

Sec. 2. A collective bargaining agreement negotiated pursuant to this chapter, other than a collective bargaining agreement negotiated with an employee organization that represents police officers, expires at the end of the term stated in the agreement, notwithstanding any provision of the agreement that the agreement remains effective, in whole or in part, after the end of that term until a successor agreement becomes effective.

Sec. 3. 1. If a collective bargaining agreement is in effect between a local government employer and an employee organization, other than an employee organization that represents police officers, and the local
government employer gives notice pursuant to NRS 288.180 that it does not intend to negotiate with the employee organization:

(a) The collective bargaining agreement remains in effect until it expires in accordance with section 2 of this act; and
(b) Any terms and conditions of employment prescribed by the local government employer for the employees governed by the collective bargaining agreement become effective upon the expiration of the agreement.

2. A local government employer that gives notice pursuant to NRS 288.180 that it does not intend to negotiate with an employee organization may at any time thereafter:

(a) Commence negotiations pursuant to this chapter in response to a notice given pursuant to NRS 288.180 by that employee organization or another recognized employee organization; or
(b) Give written notice to that employee organization or another recognized employee organization of the desire of the local government employer to negotiate concerning any matter which is subject to negotiation pursuant to this chapter.

**Sec. 3.3.** NRS 288.020 is hereby amended to read as follows:

288.020 As used in this chapter, unless the context otherwise requires, the words and terms defined in NRS 288.025 to 288.075, inclusive, and section 1.5 of this act have the meanings ascribed to them in those sections.

288.034 “Commissioner” means the Commissioner or a Deputy Commissioner appointed by the Board.

**Sec. 3.7.** NRS 288.090 is hereby amended to read as follows:

288.140 1. A local government employer shall not discriminate in any way among its employees on account of membership or nonmembership in an employee organization.
2. The recognition of an employee organization for negotiation, pursuant to this chapter, does not preclude any local government employee who is not a member of that employee organization from acting for himself or herself with respect to any condition of his or her employment, but any action taken on a request or in adjustment of a grievance shall be consistent with the terms of an applicable negotiated agreement, if any.

3. A police officer [sheriff, deputy sheriff or other law enforcement officer] may be a member of an employee organization only if such employee organization is composed exclusively of law enforcement officers.

4. The following persons may not be a member of an employee organization:
   
   (a) A supervisory employee described in paragraph (b) of subsection 1 of NRS 288.075, including but not limited to appointed officials and department heads who are primarily responsible for formulating and administering management, policy and programs.
   
   (b) A doctor or physician who is employed by a local government employer.
   
   (c) Except as otherwise provided in this paragraph, an attorney who is employed by a local government employer and who is assigned to a civil law division, department or agency. The provisions of this paragraph do not apply with respect to an attorney for the duration of a collective bargaining agreement to which the attorney is a party as of July 1, 2011.

5. As used in this section, “doctor or physician” means a doctor, physician, homeopathic physician, osteopathic physician, chiropractic physician, practitioner of Oriental medicine, podiatric physician or practitioner of optometry, as those terms are defined or used, respectively, in NRS 630.014, 630A.050, 633.091, chapter 634 of NRS, chapter 634A of NRS, chapter 635 of NRS or chapter 636 of NRS.

Sec. 4. NRS 288.150 is hereby amended to read as follows:

288.150 1. Except as provided in subsection 4 and NRS 288.180, every local government employer shall negotiate in good faith through one or more representatives of its own choosing concerning the mandatory subjects of bargaining set forth in subsection 2 with the designated representatives of the recognized employee organization, if any, for each appropriate bargaining unit among its employees. If either party so requests, agreements reached must be reduced to writing.

2. The scope of mandatory bargaining is limited to:
   
   (a) Salary or wage rates or other forms of direct monetary compensation.
   
   (b) Sick leave.
   
   (c) Vacation leave.
   
   (d) Holidays.

(o) Grievance and arbitration procedures for resolution of disputes relating to interpretation or application of collective bargaining agreements.
(p) General savings clauses.
(q) Duration of collective bargaining agreements.
(r) Safety of the employee.
(s) Teacher preparation time.
(t) Materials and supplies for classrooms.
(u) The policies for the transfer and reassignment of teachers.
(v) Procedures for reduction in workforce consistent with the provisions of this chapter.
(w) Procedures and requirements for the reopening of collective bargaining agreements that exceed 1 year in duration for additional, further, new or supplementary negotiations during periods of fiscal emergency. The requirements for the reopening of a collective bargaining agreement must include, without limitation, measures of revenue shortfalls or reductions relative to economic indicators such as the Consumer Price Index, as agreed upon by both parties.

3. Those subject matters which are not within the scope of mandatory bargaining and which are reserved to the local government employer without negotiation include:
   (a) Except as otherwise provided in paragraph (u) of subsection 2, the right to hire, direct, assign or transfer an employee, but excluding the right to assign or transfer an employee as a form of discipline.
   (b) The right to reduce in force or lay off any employee because of lack of work or lack of money, subject to paragraph (v) of subsection 2.
   (c) The right to determine:

(4) The means and methods of offering those services.
(d) Safety of the public.
4. Notwithstanding the provisions of any collective bargaining agreement negotiated pursuant to this chapter, a local government employer is entitled to take whatever actions may be necessary to carry out its responsibilities in situations of emergency such as a riot, military action, natural disaster or civil disorder. Those actions may include the suspension of any collective bargaining agreement for the duration of the emergency. Any action taken under the provisions of this subsection must not be construed as a failure to negotiate in good faith.
5. The provisions of this chapter, including without limitation the provisions of this section, recognize and declare the ultimate right and responsibility of the local government employer to manage its operation in the most efficient manner consistent with the best interests of all its citizens, its taxpayers and its employees.
6. This section does not preclude, but this chapter does not require, the local government employer to negotiate subject matters enumerated in subsection 3 which are outside the scope of mandatory bargaining. The local government employer shall discuss subject matters outside the scope of mandatory bargaining but it is not required to negotiate those matters.
7. Contract provisions presently existing in signed and ratified agreements as of May 15, 1975, at 12 p.m. remain negotiable.

Sec. 4.5. NRS 288.170 is hereby amended to read as follows:
288.170 1. Each local government employer which has recognized one or more employee organizations shall determine, after consultation with the recognized organization or organizations, which group or groups of its employees constitute an appropriate unit or units for negotiating. The primary criterion for that determination must be the community of interest among the employees concerned.
2. A principal, assistant principal or other school administrator below the rank of superintendent, associate superintendent or assistant superintendent shall not be a member of the same bargaining unit with public school teachers unless the school district employs fewer than five principals but may join with other officials of the same specified ranks to negotiate as a separate bargaining unit.
3. A head of a department of a local government, an administrative employee or a supervisory employee must not be a member of the same bargaining unit as the employees under the direction of that department head, administrative employee or supervisory employee. Any dispute between the parties as to whether an employee is a supervisor must be submitted to the Board. An employee organization which is negotiating on behalf of two or
more bargaining units consisting of firefighters or police officers as defined in NRS 288.215, or police officers may select members of the units to negotiate jointly on behalf of each other, even if one of the units consists of supervisory employees and the other unit does not.

4. Confidential employees of the local government employer must be excluded from any bargaining unit but are entitled to participate in any plan to provide benefits for a group that is administered by the bargaining unit of which they would otherwise be a member.

5. If any employee organization is aggrieved by the determination of a bargaining unit, it may appeal to the Board. Subject to judicial review, the decision of the Board is binding upon the local government employer and employee organizations involved. The Board shall apply the same criterion as specified in subsection 1.

6. As used in this section:
   (a) “Confidential employee” means an employee who is involved in the decisions of management affecting collective bargaining.
   (b) “Supervisory employee” means a supervisory employee described in paragraph (a) of subsection 1 of NRS 288.075.

Sec. 5. NRS 288.180 is hereby amended to read as follows:

288.180 1. Whenever an employee organization desires to negotiate concerning any matter which is subject to negotiation pursuant to this chapter, it shall give written notice of that desire to the local government employer. If the subject of negotiation requires the budgeting of money by the local government employer, the employee organization shall give notice on or before February 1.

2. Following the notification provided for in subsection 1, the employee organization or the local government employer may request reasonable information concerning any subject matter included in the scope of mandatory bargaining which it deems necessary for and relevant to the negotiations. The information requested must be furnished without unnecessary delay. The information must be accurate, and must be presented in a form responsive to the request and in the format in which the records containing it are ordinarily kept. If the employee organization requests financial information concerning a metropolitan police department, the local government employers which form that department shall furnish the information to the employee organization.

3. Not later than 15 days after the date of the notice provided for in subsection 1, unless the employee organization that gives the notice represents police officers, the local government employer shall give written notice to the employee organization of whether the local government employer intends to negotiate with the employee organization pursuant to this chapter.
4. Notwithstanding any other provision of law requiring or referring to negotiations or an agreement negotiated pursuant to this chapter, if the local government employer gives notice that it does not intend to negotiate with the employee organization, the local government employer is not required to negotiate any matter with the employee organization and may prescribe terms and conditions of employment for the employees represented by the employee organization, subject to the provisions of section 3 of this act.

5. If the local government employer gives notice that it intends to negotiate with the employee organization or fails to give the notice described in subsection 4 within the time required by subsection 3, or if the employee organization that gives the notice provided for in subsection 1 represents police officers, the parties shall promptly commence negotiations. As the first step, the parties shall discuss the procedures to be followed if they are unable to agree on one or more issues.

Sec. 6. NRS 288.190 is hereby amended to read as follows:

288.190  [Except] If a local government employer and an employee organization are negotiating pursuant to this chapter, and except in cases to which NRS 288.205 and 288.215 apply:

1. Anytime before March 1, the dispute may be submitted to a mediator, if both parties agree. Anytime after March 1, either party involved in negotiations may request a mediator. If the parties do not agree upon a mediator, the Commissioner shall submit to the parties a list of seven potential mediators. The parties shall select their mediator from the list by alternately striking one name until the name of only one mediator remains, who will be the mediator to hear the dispute. The employee organization shall strike the first name.

2. If mediation is agreed to or requested pursuant to subsection 1, the mediator must be selected at the time the parties agree upon a mediator or, if the parties do not agree upon a mediator, within 5 days after the parties receive the list of potential mediators from the Commissioner.

3. The mediator shall bring the parties together as soon as possible and, unless otherwise agreed upon by the parties, attempt to settle the dispute within 30 days after being notified of the mediator’s selection as mediator. The mediator may establish the times and dates for meetings and compel the parties to attend but has no power to compel the parties to agree.
4. The local government employer and employee organization each shall pay one-half of the cost of mediation. Each party shall pay its own costs of preparation and presentation of its case in mediation.

5. If the dispute is submitted to a mediator and then submitted to a fact finder, the mediator shall, within 15 days after the last meeting between the parties, give to the Commissioner of the Board a report of the efforts made to settle the dispute.

Sec. 7. NRS 288.195 is hereby amended to read as follows:

288.195 Whenever an employee organization enters into negotiations with a local government employer, pursuant to NRS 288.140 to 288.220, inclusive, and sections 2 and 3 of this act, such employee organization may be represented by an attorney licensed to practice law in the State of Nevada.

Sec. 8. NRS 288.200 is hereby amended to read as follows:

288.200 Except if a local government employer and an employee organization are negotiating pursuant to this chapter, and except in cases to which NRS 288.205 and 288.215, or NRS 288.217 apply:

1. If:
   (a) The parties have failed to reach an agreement after at least six meetings of negotiations; and
   (b) The parties have participated in mediation and by April 1, have not reached agreement,
   either party to the dispute, at any time after April 1, may submit the dispute to an impartial fact finder for the findings and recommendations of the fact finder. The findings and recommendations of the fact finder are not binding on the parties except as provided in subsections 5, 6 and 11. The mediator of a dispute may also be chosen by the parties to serve as the fact finder.

2. If the parties are unable to agree on an impartial fact finder or a panel of neutral arbitrators within 5 days, either party may request from the American Arbitration Association or the Federal Mediation and Conciliation Service a list of seven potential fact finders. If the parties are unable to agree upon which arbitration service should be used, the Federal Mediation and Conciliation Service must be used. Within 5 days after receiving a list from the applicable arbitration service, the parties shall select their fact finder from this list by alternately striking one name until the name of only one fact finder remains, who will be the fact finder to hear the dispute in question. The employee organization shall strike the first name.

3. The local government employer and employee organization each shall pay one-half of the cost of fact-finding. Each party shall pay its own costs of preparation and presentation of its case in fact-finding.

4. A schedule of dates and times for the hearing must be established within 10 days after the selection of the fact finder pursuant to subsection 2,
and the fact finder shall report the findings and recommendations of the fact finder to the parties to the dispute within 30 days after the conclusion of the fact-finding hearing.

5. The parties to the dispute may agree, before the submission of the dispute to fact-finding, to make the findings and recommendations on all or any specified issues final and binding on the parties.

6. If the parties do not agree on whether to make the findings and recommendations of the fact finder final and binding, either party may request the formation of a panel to determine whether the findings and recommendations of a fact finder on all or any specified issues in a particular dispute which are within the scope of subsection 11 are to be final and binding. The determination must be made upon the concurrence of at least two members of the panel and not later than the date which is 30 days after the date on which the matter is submitted to the panel, unless that date is extended by the Commissioner of the Board. Each panel shall, when making its determination, consider whether the parties have bargained in good faith and whether it believes the parties can resolve any remaining issues. Any panel may also consider the actions taken by the parties in response to any previous fact-finding between these parties, the best interests of the State and all its citizens, the potential fiscal effect both within and outside the political subdivision, and any danger to the safety of the people of the State or a political subdivision.

7. Except as otherwise provided in subsection 10, any fact finder, whether the fact finder's recommendations are to be binding or not, shall base such recommendations or award on the following criteria:

(a) A preliminary determination must be made as to the financial ability of the local government employer based on all existing available revenues as established by the local government employer and within the limitations set forth in NRS 354.6241, with due regard for the obligation of the local government employer to provide facilities and services guaranteeing the health, welfare and safety of the people residing within the political subdivision.

(b) Once the fact finder has determined in accordance with paragraph (a) that there is a current financial ability to grant monetary benefits, and subject to the provisions of paragraph (c), the fact finder shall consider, to the extent appropriate, compensation of other government employees, both in and out of the State and use normal criteria for interest disputes regarding the terms and provisions to be included in an agreement in assessing the reasonableness of the position of each party as to each issue in dispute and the fact finder shall consider whether the Board found that either party had bargained in bad faith.
(c) A consideration of funding for the current year being negotiated. If the parties mutually agree to arbitrate a multiyear contract, the fact finder must consider the ability to pay over the life of the contract being negotiated or arbitrated.

- The fact finder’s report must contain the facts upon which the fact finder based the fact finder’s determination of financial ability to grant monetary benefits and the fact finder’s recommendations or award.

8. Within 45 days after the receipt of the report from the fact finder, the governing body of the local government employer shall hold a public meeting in accordance with the provisions of chapter 241 of NRS. The meeting must include a discussion of:

(a) The issues of the parties submitted pursuant to subsection 3;
(b) The report of findings and recommendations of the fact finder; and
(c) The overall fiscal impact of the findings and recommendations, which must not include a discussion of the details of the report.

- The fact finder must not be asked to discuss the decision during the meeting.

9. The chief executive officer of the local government shall report to the local government the fiscal impact of the findings and recommendations. The report must include, without limitation, an analysis of the impact of the findings and recommendations on compensation and reimbursement, funding, benefits, hours, working conditions or other terms and conditions of employment.

10. Any sum of money which is maintained in a fund whose balance is required by law to be:

(a) Used only for a specific purpose other than the payment of compensation to the bargaining unit affected; or
(b) Carried forward to the succeeding fiscal year in any designated amount, to the extent of that amount,

- must not be counted in determining the financial ability of a local government employer and must not be used to pay any monetary benefits recommended or awarded by the fact finder.

11. The issues which may be included in a panel’s order pursuant to subsection 6 are:

(a) Those enumerated in subsection 2 of NRS 288.150 as the subjects of mandatory bargaining, unless precluded for that year by an existing collective bargaining agreement between the parties; and
(b) Those which an existing collective bargaining agreement between the parties makes subject to negotiation in that year.

- This subsection does not preclude the voluntary submission of other issues by the parties pursuant to subsection 5.

Sec. 9. NRS 288.215 is hereby amended to read as follows:
288.215  1.  As used in this section:

(a) “Firefighters” means those persons who are salaried employees of a fire prevention or suppression unit organized by a political subdivision of the State and whose principal duties are controlling and extinguishing fires.

(b) “Police officers” means those persons who are salaried employees of a police department or other law enforcement agency organized by a political subdivision of the State and whose principal duties are to enforce the law.

2.  The provisions of this section apply only to [firefighters and police officers and their] local government employers and [only if a local government employer and an employee organization representing firefighters or police officers are] employee organizations representing:

   (a) Police officers; and

   (b) If the local government employer is negotiating pursuant to this chapter, firefighters.

3.  If the parties have not agreed to make the findings and recommendations of the fact finder final and binding upon all issues, and do not otherwise resolve their dispute, they shall, within 10 days after the fact finder’s report is submitted, submit the issues remaining in dispute to an arbitrator who must be selected in the manner provided in NRS 288.200 and have the same powers provided for fact finders in NRS 288.210.

4.  The arbitrator shall, within 10 days after the arbitrator is selected, and after 7 days’ written notice is given to the parties, hold a hearing to receive information concerning the dispute. The hearings must be held in the county in which the local government employer is located and the arbitrator shall arrange for a full and complete record of the hearings.

5.  At the hearing, or at any subsequent time to which the hearing may be adjourned, information may be presented by:

   (a) The parties to the dispute; or

   (b) Any interested person.

6.  The parties to the dispute shall each pay one-half of the costs incurred by the arbitrator.

7.  A determination of the financial ability of a local government employer must be based on:

   (a) All existing available revenues as established by the local government employer and within the limitations set forth in NRS 354.6241, with due regard for the obligation of the local government employer to provide facilities and services guaranteeing the health, welfare and safety of the people residing within the political subdivision.

   (b) Consideration of funding for the current year being negotiated. If the parties mutually agree to arbitrate a multi-year contract the arbitrator must
consider the ability to pay over the life of the contract being negotiated or arbitrated.

Once the arbitrator has determined in accordance with this subsection that there is a current financial ability to grant monetary benefits, the arbitrator shall consider, to the extent appropriate, compensation of other governmental employees, both in and out of this State.

8. At the recommendation of the arbitrator, the parties may, before the submission of a final offer, enter into negotiations. If the negotiations are begun, the arbitrator may adjourn the hearings for a period of 3 weeks. An agreement by the parties is final and binding, and upon notification to the arbitrator, the arbitration terminates.

9. If the parties do not enter into negotiations or do not agree within 30 days, each of the parties shall submit a single written statement containing its final offer for each of the unresolved issues.

10. The arbitrator shall, within 10 days after the final offers are submitted, accept one of the written statements, on the basis of the criteria provided in NRS 288.200, and shall report the decision to the parties. The decision of the arbitrator is final and binding on the parties. Any award of the arbitrator is retroactive to the expiration date of the last contract.

11. The decision of the arbitrator must include a statement:
(a) Giving the arbitrator’s reason for accepting the final offer that is the basis of the arbitrator’s award; and
(b) Specifying the arbitrator’s estimate of the total cost of the award.

12. Within 45 days after the receipt of the decision from the arbitrator pursuant to subsection 10, the governing body of the local government employer shall hold a public meeting in accordance with the provisions of chapter 241 of NRS. The meeting must include a discussion of:
(a) The issues submitted pursuant to subsection 3;
(b) The statement of the arbitrator pursuant to subsection 11; and
(c) The overall fiscal impact of the decision, which must not include a discussion of the details of the decision.

The arbitrator must not be asked to discuss the decision during the meeting.

13. The chief executive officer of the local government shall report to the local government the fiscal impact of the decision. The report must include, without limitation, an analysis of the impact of the decision on compensation and reimbursement, funding, benefits, hours, working conditions or other terms and conditions of employment.

Sec. 10. NRS 288.217 is hereby amended to read as follows:

288.217 1. The provisions of this section govern negotiations between school districts and employee organizations representing teachers and
if a school district and such an employee organization are negotiating pursuant to this chapter.

2. If the parties to a negotiation pursuant to this section have failed to reach an agreement after at least four sessions of negotiation, either party may declare the negotiations to be at an impasse and, after 5 days’ written notice is given to the other party, submit the issues remaining in dispute to an arbitrator. The arbitrator must be selected in the manner provided in subsection 2 of NRS 288.200 and has the powers provided for fact finders in NRS 288.210.

3. The arbitrator shall, within 30 days after the arbitrator is selected, and after 7 days’ written notice is given to the parties, hold a hearing to receive information concerning the dispute. The hearing must be held in the county in which the school district is located and the arbitrator shall arrange for a full and complete record of the hearing.

4. The parties to the dispute shall each pay one-half of the costs of the arbitration.

5. A determination of the financial ability of a school district must be based on:

   (b) Consideration of funding for the current year being negotiated. If the parties mutually agree to arbitrate a multi-year contract the arbitrator must consider the ability to pay over the life of the contract being negotiated or arbitrated.

   Once the arbitrator has determined in accordance with this subsection that there is a current financial ability to grant monetary benefits, the arbitrator shall consider, to the extent appropriate, compensation of other governmental employees, both in and out of this State.

6. At the recommendation of the arbitrator, the parties may, before the submission of a final offer, enter into negotiations. If the negotiations are begun, the arbitrator may adjourn the hearing for a period of 3 weeks. If an agreement is reached, it must be submitted to the arbitrator, who shall certify it as final and binding.

7. If the parties do not enter into negotiations or do not agree within 30 days after the hearing held pursuant to subsection 3, each of the parties shall submit a single written statement containing its final offer for each of the unresolved issues.

8. The arbitrator shall, within 10 days after the final offers are submitted, render a decision on the basis of the criteria set forth in NRS 288.200. The arbitrator shall accept one of the written statements and shall report the
decision to the parties. The decision of the arbitrator is final and binding on the parties. Any award of the arbitrator is retroactive to the expiration date of the last contract between the parties.

9. The decision of the arbitrator must include a statement:
   (a) Giving the arbitrator’s reason for accepting the final offer that is the basis of the arbitrator’s award; and
   (b) Specifying the arbitrator’s estimate of the total cost of the award.

10. Within 45 days after the receipt of the decision from the arbitrator, the board of trustees of the school district shall hold a public meeting in accordance with the provisions of chapter 241 of NRS. The meeting must include a discussion of:
   (a) The issues submitted pursuant to subsection 2;
   (b) The statement of the arbitrator pursuant to subsection 9; and
   (c) The overall fiscal impact of the decision which must not include a discussion of the details of the decision.

   The arbitrator must not be asked to discuss the decision during the meeting.

11. The superintendent of the school district shall report to the board of trustees the fiscal impact of the decision. The report must include, without limitation, an analysis of the impact of the decision on compensation and reimbursement, funding, benefits, hours, working conditions or other terms and conditions of employment.

386.595 1. All employees of a charter school shall be deemed public employees.

2. The governing body of a charter school may make all decisions concerning the terms and conditions of employment with the charter school and any other matter relating to employment with the charter school. In addition, the governing body may make all employment decisions with regard to its employees pursuant to NRS 391.311 to 391.3197, inclusive, unless a collective bargaining agreement entered into by the governing body pursuant to chapter 288 of NRS contains separate provisions relating to the discipline of licensed employees of a school.

3. Upon the request of the governing body of a charter school, the board of trustees of a school district shall, with the permission of the licensed employee who is seeking employment with the charter school, transmit to the governing body a copy of the employment record of the employee that is
maintained by the school district. The employment record must include, without limitation, each evaluation of the licensed employee conducted by the school district and any disciplinary action taken by the school district against the licensed employee.

4. Except as otherwise provided in this subsection, if the written charter of a charter school is revoked or a charter contract is terminated, as applicable, or if a charter school ceases to operate as a charter school, the licensed employees of the charter school must be reassigned to employment within the school district in accordance with the any applicable collective bargaining agreement. A school district is not required to reassign a licensed employee of a charter school pursuant to this subsection if the employee:

(a) Was not granted a leave of absence by the school district to accept employment at the charter school pursuant to subsection 5;

(b) Was granted a leave of absence by the school district and did not submit a written request to return to employment with the school district in accordance with subsection 5; or

(c) Does not comply with or is otherwise not eligible to return to employment pursuant to subsection 6, including, without limitation, the refusal of the licensed employee to allow the school district to obtain the employment record of the employee that is maintained by the charter school.

5. The board of trustees of a school district shall grant a leave of absence, not to exceed 3 years, to any licensed employee who is employed by the board of trustees who requests such a leave of absence to accept employment with a charter school. After the first school year in which a licensed employee is on a leave of absence, the employee may return to a comparable teaching position with the board of trustees. After the third school year, a licensed employee shall either submit a written request to return to a comparable teaching position or resign from the position for which the employee’s leave was granted. The board of trustees shall grant a written request to return to a comparable position pursuant to this subsection even if the return of the licensed employee requires the board of trustees to reduce the existing workforce of the school district. The board of trustees is not required to accept the return of the licensed employee if the employee does not comply with or is otherwise not eligible to return to employment pursuant to subsection 6, including, without limitation, the refusal of the licensed employee to allow the school district to obtain the employment record of the employee that is maintained by the charter school. The board of trustees may require that a request to return to a comparable teaching position submitted pursuant to this subsection be submitted at least 90 days before the employee would otherwise be required to report to duty.

6. Upon the request of the board of trustees of a school district, the governing body of a charter school shall, with the permission of the licensed
employee who is granted a leave of absence from the school district pursuant to this section, transmit to the school district a copy of the employment record of the employee that is maintained by the charter school before the return of the employee to employment with the school district pursuant to subsection 4 or 5. The employment record must include, without limitation, each evaluation of the licensed employee conducted by the charter school and any disciplinary action taken by the charter school against the licensed employee. Before the return of the licensed employee, the board of trustees of the school district may conduct an investigation into any misconduct of the licensed employee during the leave of absence from the school district and take any appropriate disciplinary action as to the status of the person as an employee of the school district, including, without limitation:

If the board of trustees of a school district in which a charter school is located manages a plan of group insurance for its employees, the governing body of the charter school may negotiate with the board of trustees to participate in the same plan of group insurance that the board of trustees offers to its employees. If the employees of the charter school participate in the plan of group insurance managed by the board of trustees, the governing body of the charter school shall:

An increase in salary given in accordance with this subsection is in addition to any other increase to which the employee may otherwise be entitled.

The criteria may include, without limitation, whether the Commission has authorized reciprocal licensure of educational personnel from the state under consideration.

7. In determining the salary of a licensed administrator, other than the superintendent of schools, who is employed by a school district after the administrator has been employed by another school district in this State, the present employer shall, except as otherwise provided in subsection 8:

   of 5 days each.
3. Nothing contained in this section prohibits the payment of employees’
   compensation in 12 equal monthly payments for 9 or more months’ work.
4. The per diem deduction from the salary of an employee because of
   absence from service for reasons other than those specified in this section is
   that proportion of the yearly salary which is determined by the ratio between
   the duration of the absence and the total number of contracted workdays in
   the year.
5. Boards of trustees shall either prescribe by regulation or negotiate
   pursuant to chapter 288 of NRS, with respect to sick leave, accumulation of
   sick leave, payment for unused sick leave, sabbatical leave, personal leave,
   professional leave, military leave and such other leave as they determine to
   be necessary or desirable for employees. In addition, boards of trustees may
   either prescribe by regulation or negotiate pursuant to chapter 288 of
   NRS with respect to the payment of unused sick leave to licensed teachers in
   the form of purchase of service pursuant to subsection 4 of NRS 286.300.
The amount of service so purchased must not exceed the number of hours of unused sick leave or 1 year, whichever is less.

6. The salary of any employee unavoidably absent because of personal illness or accident, or because of serious illness, accident or death in the family, may be paid up to the number of days of sick leave accumulated by the employee. An employee may not be credited with more than 15 days of sick leave in any 1 school year. Except as otherwise provided in this subsection, if an employee takes a position with another school district or charter school, all sick leave that the employee has accumulated must be transferred from the employee's former school district or charter school to his or her new school district or charter school. The amount of sick leave so transferred may not exceed the maximum amount of sick leave which may be carried forward from one year to the next according to any applicable negotiated agreement or the policy of the district or charter school into which the employee transferred. Unless any applicable negotiated agreement or policy of the employing district or charter school provides otherwise, such an employee:

(a) Shall first use the sick leave credited to the employee from the district or charter school into which the employee transferred before using any of the transferred leave; and

(b) Is not entitled to compensation for any sick leave transferred pursuant to this subsection.

7. Subject to the provisions of subsection 8:

(a) If an intermission of less than 6 days is ordered by the board of trustees of a school district or the governing body of a charter school for any good reason, no deduction of salary may be made therefore.

(b) If, on account of sickness, epidemic or other emergency in the community, a longer intermission is ordered by the board of trustees of a school district, the governing body of a charter school or a board of health and the intermission or closing does not exceed 30 days at any one time, there may be no deduction or discontinuance of salaries.

8. If the board of trustees of a school district or the governing body of a charter school orders an extension of the number of days of school to compensate for the days lost as the result of an intermission because of those reasons contained in paragraph (b) of subsection 7, an employee may be required to render his or her services to the school district or charter school during that extended period. If the salary of the employee was continued during the period of intermission as provided in subsection 7, the employee is not entitled to additional compensation for services rendered during the extended period.

9. If any subject referred to in this section is included in an agreement or contract negotiated by:
(a) The board of trustees of a school district pursuant to chapter 288 of NRS; or
(b) The governing body of a charter school pursuant to NRS 386.595,

the provisions of the agreement or contract regarding that subject supersede any conflicting provisions of this section or of a regulation of the board of trustees.

Sec. 15. 1. Any collective bargaining agreement other than a collective bargaining agreement entered into with an employee organization that represents police officers, that is entered into pursuant to chapter 288 of NRS and effective on July 1, 2015, expires at the end of the term stated in the agreement, notwithstanding any provision of the agreement that the agreement remains in effect, in whole or in part, after the end of that term until a successor agreement becomes effective.

2. As used in this section, “police officer” has the meaning ascribed to it in section 1.5 of this act.

Sec. 15.5. 1. There is hereby appropriated from the State General Fund to the Local Government Employee-Management Relations Board the sum of $300,000 for the purpose of employing a Deputy Commissioner pursuant to NRS 288.090, as amended by section 3.7 of this act.

SUMMARY—[Revises provisions relating to certain criminal offenses involving vehicles; creates a statutory subcommittee of the Advisory Commission on the Administration of Justice. (BDR [42-243]) 14-243]

AN ACT relating to vehicles, providing that violations of certain traffic laws and ordinances must be treated as civil matters; providing that
violations of certain laws relating to drivers’ licenses, the registration of
motor vehicles and insurance on motor vehicles must be treated as civil
matters; establishing procedures for the imposition of civil penalties for
violations of certain traffic laws and certain laws relating to vehicles;
the criminal justice system; creating a statutory subcommittee of the
Advisory Commission on the Administration of Justice; revising the
duties of the Advisory Commission to include the evaluation of certain
laws relating to traffic laws and certain laws relating to motor vehicles;
and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law provides that a violation of any traffic law or ordinance is a
misdemeanor, unless a different penalty is prescribed by a different statute.
(NRS 484A.900) Existing law further provides that a county or an
incorporated city may enact ordinances imposing civil penalties for
violations of certain ordinances enacted by the county or incorporated city.
(NRS 244.3575, 268.010) Sections 12-23 and 39 of this bill enact provisions
based on Arizona law to provide for the imposition of civil penalties rather
than criminal penalties for violations of certain traffic laws and ordinances.
Under sections 19 and 39: (1) the maximum civil penalty that may be
imposed for a violation of a traffic law or ordinance punishable by a civil
penalty is $250, unless a different amount is specified by statute; and (2) the
judgment imposing the civil penalty must include the administrative
assessments currently imposed for violations of traffic laws and ordinances.
Existing law provides that any violation of state law regarding drivers’
licenses or the registration of motor vehicles is a misdemeanor, unless a
statute specifies a different penalty. (NRS 482.555, 482.620) Sections 1-4, 9
and 10 of this bill enact provisions based on Arizona law to provide that a
person who: (1) operates, or knowingly permits the operation of, a motor
vehicle in this State without current registration and license plates is subject
to a civil penalty, rather than the penalty for a misdemeanor; (2) fails to
register his or her motor vehicle in this State within a certain period after
becoming a resident of this State is subject to a civil penalty in the same
amount as the criminal fine provided under existing law; or (3) does not
obtain a driver’s license in this State within a certain period after becoming a
resident or drives a motor vehicle in this State without being the holder of a
valid driver’s license is subject to a civil penalty of not more than $250 rather
than the penalty for a misdemeanor, except that a person who drives a motor
vehicle in this State when the person is disqualified from driving is guilty of
a misdemeanor.
Existing law provides that a person commits a misdemeanor if he or she:
(1) operates a motor vehicle registered or required to be registered in this
State without having insurance; (2) operates, or knowingly permits the
operation of, the motor vehicle without evidence of insurance in the vehicle; or (3) fails or refuses to surrender, upon demand, to a peace officer or an authorized representative of the Department of Motor Vehicles the evidence of insurance. (NRS 485.187) Section 37 of this bill enacts provisions based on Arizona law to provide that a person who commits these violations is subject to a civil penalty in the same amount as the criminal fine imposed under current law.

Existing law provides that it is unlawful for a person to violate a written promise to appear given to a peace officer upon the issuance of a traffic citation and that a warrant may issue upon a violation of a written promise to appear. (NRS 484A.670) Sections 18, 25 and 27 of this bill provide that a person who violates a written promise to appear given upon the issuance of a citation for a violation that is punishable by a civil penalty must have a judgment for the civil penalty entered against him or her and that a warrant must not be issued for the failure to appear. Sections 7 and 22 of this bill provide for the suspension of the driver’s license of a person who fails to pay a civil penalty within the time prescribed by law.

Sections 5, 6 and 8 of this bill provide that for the purpose of maintaining a person’s driving record, the imposition of a civil penalty for a traffic violation is treated the same as a conviction for a traffic offense under existing law.

Sections 25, 26, 31 and 33-36 of this bill maintain the designation of certain traffic offenses as misdemeanors. Section 32 of this bill provides that a person who commits certain civil traffic violations in a road construction zone is subject to an additional civil penalty.

Sections 40-42 of this bill enact provisions to govern the jurisdiction and disposition of civil violations committed by juveniles.

Section 47 of this bill creates the Subcommittee on Criminal and Civil Violations of Traffic Laws of the Advisory Commission on the Administration of Justice. Section 47 also: (1) requires the Chair of the Advisory Commission to appoint the members of the Subcommittee; (2) requires the Subcommittee to study issues relating to certain traffic laws and laws relating to drivers’ licenses and to the registration of and insurance for motor vehicles, and the treatment of violations of such laws as criminal offenses or civil infractions; and (3) sets forth the salaries and per diem that members of the Subcommittee may receive.

Existing law directs the Advisory Commission to study certain elements of this State’s criminal justice system. (NRS 176.0125) Section 49 of this bill requires the Advisory Commission to evaluate certain laws relating to criminal violations of traffic laws and laws relating to drivers’ licenses and to the registration of and insurance for motor vehicles, and whether the State may treat such violations as civil matters.
Section 1. NRS 482.385 is hereby amended to read as follows:

482.385  1. Except as otherwise provided in subsections 5 and 7 and NRS 482.390 and 482.3961, a nonresident owner of a vehicle of a type subject to registration pursuant to the provisions of this chapter, owning any vehicle which has been registered for the current year in the state, country or other place of which the owner is a resident and which at all times when operated in this State has displayed upon it the registration license plate issued for the vehicle in the place of residence of the owner, may operate or permit the operation of the vehicle within this State without its registration in this State pursuant to the provisions of this chapter and without the payment of any registration fees to this State:
   (a) For a period of not more than 30 days in the aggregate in any 1 calendar year; and
   (b) Notwithstanding the provisions of paragraph (a), during any period in which the owner is:
      (1) On active duty in the military service of the United States;
      (2) An out-of-state student;

2. This section does not:
   (a) Prohibit the use of manufacturers', distributors' or dealers' license plates issued by any state or country by any nonresident in the operation of any vehicle on the public highways of this State.

Assembly Bill No. 293.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 490.

AN ACT relating to public administrators; setting forth certain qualifications for deputy public administrators; requiring a public administrator to obtain permission from the board of county commissioners before transporting certain property outside of the county; requiring a public administrator to submit an independent audit report on an annual basis to the board of county commissioners; authorizing the board of county commissioners in smaller counties to impose certain duties on the public administrators of the county; authorizing a board of county commissioners to take certain action concerning complaints received by the board against the public administrator; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law requires a public administrator to meet certain qualifications for office. (NRS 253.010) Existing law also authorizes a public administrator to appoint as many deputy public administrators as he or she deems necessary and authorizes a deputy public administrator to perform all duties required of the public administrator. (NRS 253.025) Section 1 of this bill requires a deputy public administrator, like a public administrator, to: (1) be a qualified elector of the county; (2) be 21 years of age or older; (3) not have been convicted of a felony for which his or her civil rights have not been restored by a court of competent jurisdiction; and (4) not have been found liable in a civil action involving fraud, misrepresentation, material omission, misappropriation, theft or conversion.

Existing law authorizes a public administrator, without procuring letters of administration and upon filing with the court an affidavit of his or her right to do so, to administer an estate in which the gross value of the decedent’s property does not exceed $20,000. (NRS 253.0403) Section 1.5 of this bill increases this threshold amount to $25,000.

Existing law sets forth the duties of a public administrator in administering the estate of an intestate decedent. (NRS 253.0415) Section 2 of this bill requires the board of county commissioners, in a county whose population is less than 100,000, to require by ordinance, the public administrator, if he or she has been made an administrator of the estate of an intestate decedent who resides in the county, to notify or obtain permission from the board before taking any property belonging to the decedent out of the county.

Existing law authorizes a board of county commissioners to investigate any complaint received by the board against the public administrator. (NRS 253.091) Section 3 of this bill authorizes the board to take any appropriate action that it deems is necessary to resolve such a complaint. Section 3 also requires the board of county commissioners, in a county whose population is less than 100,000, to require, by ordinance, a public administrator to submit an independent audit report to the board on an annual basis, which covers the records and office of the public administrator.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 253.025 is hereby amended to read as follows:

253.025 1. A public administrator may appoint as many deputies as the public administrator deems necessary to perform fully the duties of his or her office. A deputy so appointed may perform all duties required of the public administrator and has the corresponding powers and responsibilities. Before
entering upon the discharge of his or her duties each deputy must take and subscribe to the constitutional oath of office. The appointment of a deputy must not be construed to confer upon that deputy policymaking authority for the office of the county public administrator or the county by which the deputy is employed.

2. Each appointment must be in writing and recorded with the oath of office of that deputy in the office of the county recorder. Any revocation or resignation of an appointment must be recorded in the office of the county recorder.

3. The public administrator is responsible on his or her official bond for any official malfeasance or nonfeasance of his or her deputies and may require a bond for the faithful performance of the official duties of his or her deputies.

(b) Fails to give notice to heirs or next of kin as required by subsection 3, any money or property the affiant holds or distributes to others shall be deemed to be held in trust for those heirs and next of kin who did not receive notice and have an interest in the property.

5. A person who receives an affidavit containing the information required by subsection 2 is entitled to rely upon such information, and if the person relies in good faith, he or she is immune from civil liability for actions based on that reliance.

6. Upon receiving proof of the death of the decedent, an affidavit containing the information required by this section and the written approval of the public administrator to do so:

Assembly Bill No. 306.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Assembly Bill No. 394.

AN ACT relating to public health; requiring certain employers to provide a reasonable break time and a clean, private place for an employee who is a nursing mother to express breast milk; prohibiting an employer from retaliating against an employee for certain actions relating to this requirement; creating a right of action for authorizing a public employee who is aggrieved by her employer’s failure to comply with this requirement or by such retaliation by the employer; to file a complaint; exempting certain small employers from this requirement if compliance would cause an undue hardship; authorizing a local board of health to establish a program to mediate disputes concerning a violation of this requirement; authorizing the Labor Commissioner to enforce the requirement against private employers; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires each employer to provide employees with certain meal and rest periods, with certain exceptions. (NRS 608.019) Existing law gives the Labor Commissioner the authority to prosecute violations of this requirement and provides that an employer who violates this requirement is guilty of a misdemeanor and subject to a civil penalty of $5,000 per violation. (NRS 608.180, 608.195) Existing federal law requires an employer to provide a reasonable break time and a private place for certain employees to express breast milk for a nursing child for 1 year after the child’s birth. (29 U.S.C. § 207) Sections 2 and 3 of this bill similarly require each public and private employer in this State, except for the Department of Corrections, to provide reasonable break time and a clean, private place for an employee who is a nursing mother to express breast milk. Such break time may be with or without compensation. Additionally, sections 2 and 3 prohibit such an employer from retaliating against an employee who: (1) takes the provided break time or uses the designated place to express breast milk; or (2) takes
any action to enforce the requirement that the employer provide such a time and place. Finally, section 3 relieves a private employer of fewer than 25 persons from the duty to provide such accommodations if doing so would cause undue hardship to the employer.

Section 1 of this bill authorizes a local board of health to establish a program of voluntary mediation to resolve disputes concerning a violation of the requirement that each employer provide break time and a place for an employee to express breast milk. Section 2 authorizes a public employee to file a complaint against a public employer who fails to meet the requirement to provide break time and a place for the employee to express breast milk. Section 4 of this bill authorizes the Labor Commissioner to enforce the requirement against private employers. Section 5 of this bill provides that a private employer who violates this requirement is guilty of a misdemeanor and is subject to a civil penalty of $5,000 per violation.

AN ACT relating to mental health; [revising provisions concerning certain support, education and care for children with intellectual disabilities and children with related conditions required to be provided by counties;]

providing for the establishment of a pilot program to provide certain [wrap-around intensive care coordination] services to children with intellectual disabilities and children with related conditions who are also diagnosed as having behavioral health needs and reside in certain larger counties; requiring the Division of Health Care Financing and Policy of the Department of Health and Human Services and the Aging and Disability Services Division of the Department to take certain actions to monitor the effectiveness of the pilot program and obtain funding for the pilot program; requiring the Department of Health and Human Services to take any actions necessary to use money from the State Plan for Medicaid to pay for the pilot program; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires each board of county commissioners to make provisions for the support, education and care of the children with intellectual disabilities and children with related conditions who reside in their respective counties. (NRS 435.010) [Section 1 of this bill requires the services that the board of county commissioners is required to provide to children with intellectual disabilities and children with related conditions to include preventive services that allow such children to remain at home, respite care for the primary caregivers of such children, and food and lodging expenses for such children who reside in a residential facility for groups.]
Section 2 of this bill requires the Division of Health Care Financing and Policy of the Department of Health and Human Services and the Aging and Disability Services Division of the Department, to the extent that money is available for that purpose, to establish a pilot program to provide [wrap-around] intensive care coordination services to children with intellectual disabilities and children with related conditions who have also been diagnosed as having behavioral health needs and reside in a county whose population is 100,000 or more (currently Clark and Washoe Counties). The Director of the Department is required to amend the State Plan for Medicaid if needed and obtain any necessary Medicaid waiver necessary to use money received pursuant to the State Plan for Medicaid to pay for the pilot program.

Section 2 requires the [wrap-around] intensive care coordination services provided through the pilot program to include preventive services to allow a child to remain at home, respite care for the primary caregiver, certain medically necessary services, support for the family of a child [1], and food and lodging expenses for a child who resides in a residential facility for groups. Finally, section 2 provides that the cost of providing wrap-around services must not exceed the cost of placing the child in residential treatment outside this State if the child is receiving supported living arrangement services and does not reside with his or her parent or guardian. Section 2 requires the Division of Health Care Financing and Policy and the Aging and Disability Services Division to: (1) take certain measures to evaluate the effectiveness of the pilot program; and (2) collaborate with each person or governmental entity that provides services pursuant to the pilot program to obtain grants for the purpose of carrying out the pilot program. The pilot program will expire on July 1, 2019, unless extended before that date.

Section 3 of this bill requires the Division of Health Care Financing and Policy and the Aging and Disability Services Division to submit a report on or before April 30, 2016, and every 6 months thereafter until July 1, 2019, to the Legislature, if the Legislature is in session, or to the Legislative Committee on Health Care, if the Legislature is not in session, concerning the status and results of the pilot program. Section 3 of this bill requires the board of county commissioners of each county whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties) to submit a report on or before April 30, 2016, and every 6 months until July 1, 2019, to the Legislature, if the Legislature is in session, or to the Legislative Committee on Health Care, if the Legislature is not in session, describing the manner in which the board makes provisions for the required support, education and care of the children with intellectual disabilities and children with related conditions who reside in the county.

Legislative Counsel's Digest:

Existing law requires the host organization of certain special events to provide particular types of emergency medical services at the special event based on the size of the event and the population of the county in which the special event is held. 25,000 (currently Boulder City, Caliente, Carlin, Elko, Ely, Fallon, Fernley, Lovelock, Mesquite, Wells, West Wendover, Winnemucca and Yerington) if there is a fire-fighting agency within the city and the city has adopted a plan for providing emergency medical service at special events.

Existing law requires the host of a special event in a county whose population is 100,000 or more (currently Clark and Washoe Counties) at which 2,500 or more persons but less than 15,000 persons are projected to be in attendance at the same time to provide at least one dedicated life support ambulance if the event has been held before and there is a history of a significant number of persons who need emergency medical services. (NRS 450B.695) Section 1.8 of this bill revises the number of people that constitutes a significant number from 0.07 percent of attendees to 0.7 percent of attendees.

Existing law requires the host of a special event at which 50,000 or more persons are expected to be in attendance at the same time to provide two or more physicians. (NRS 450B.700) Section 3 of this bill requires those physicians to have experience providing emergency medical services.

The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 491.

AN ACT relating to the Public Employees’ Retirement System; [revising provisions governing the minimum age at which a person who becomes a member of the System on or after July 1, 2016, may retire and receive an unreduced benefit;] revising provisions governing the calculation of the average compensation of a person who becomes a member of the System on or after July 1, 2016; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

[Existing law provides that a person who becomes a member of the Public Employees’ Retirement System, other than a police officer or firefighter, on or after January 1, 2010, is eligible to retire at age 65 if the member has at least 5 years of service, at age 60 if the member has at least 10 years of service and at any age if the member has at least 30 years of service. Existing law further provides that a police officer or firefighter who becomes a member of the System on or after January 1, 2010, is eligible to retire at age 65 if the police officer or firefighter has at least 5 years of service, at age 60 if the police officer or firefighter has at least 10 years of service, at age 50 if the police officer or firefighter has at least 20 years of service and at any age if the police officer or firefighter has at least 25 years of service. (NRS 286.510) Section 1 of this bill requires the Public Employees’ Retirement Board to establish, by regulation, the age at which a person who becomes a member of the System, other than a police officer or firefighter, on or after July 1, 2016, is eligible to retire and receive an unreduced benefit. The age must be equal to the full retirement age of the member under the Social Security Act. Section 1 also requires the Board to establish the age at which a police officer or firefighter who becomes a member of the System on or after July 1, 2016, is eligible to retire and receive an unreduced benefit. The age must be 10 years less than the full retirement age of the police officer or firefighter under the Social Security Act.

Existing law provides that for a person who becomes a member of the Public Employees’ Retirement System on or after January 1, 2010, the member’s monthly service retirement allowance must be determined by multiplying the member’s average compensation by 2.5 percent for each year of service earned. With certain limitations, the determination of the member’s average compensation is based on an average of the member’s 36 consecutive months of highest compensation. (NRS 286.551) Section 2 of this bill provides that for a person who becomes a member of the System on or after July 1, 2016, the determination of the member’s average compensation must be based on an average of the member’s 60 consecutive months of highest compensation.

5. Eligibility for retirement, as provided in this section, does not require the member to have been a participant in the System at the beginning of the police officer’s or firefighter’s credited service.

6. Any member who has the years of creditable service necessary to retire but has not attained the required age, if any, may retire at any age with a benefit actuarially reduced to the required retirement age. Except as otherwise required as a result of NRS 286.537, a retirement benefit pursuant to this subsection must be reduced:

The following amendment was proposed by the Committee on Health and Human Services:
Amendment No. 500.
AN ACT relating to child welfare; revising provisions concerning required requests for the credit report of a child in the custody of an agency which provides child welfare services; revising provisions concerning missing and runaway children; requiring an agency which provides child welfare services that receives information concerning a missing child in the custody of the agency to report such information to a law enforcement agency; requiring the Division of Child and Family Services of the Department of Health and Human Services to adopt certain procedures concerning children who have run away from a foster home; revising requirements concerning permanency hearings; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing federal law that becomes effective on September 29, 2015, requires each child in foster care under the responsibility of the State who is at least 14 years of age to receive a copy of his or her credit report each year until the child is discharged from care. (Preventing Sex Trafficking and Strengthening Families Act, Pub. L. No. 113-183, § 113) Section 1 of this bill lowers the age of a child for whom an agency which provides child
welfare services is required to obtain a credit report under state law from 16 years of age to 14 years of age to conform to this federal requirement.

Existing state law requires a law enforcement agency to request certain identifying information from the parent or guardian of a missing child who is less than 16 years of age or has not been located within 30 days after being reported missing. (NRS 432.200) Existing law also requires a law enforcement agency that receives and verifies a report of a missing child, other than a child who has run away, to immediately transmit the report to the program established by the Attorney General to coordinate activities and information in this State concerning missing or exploited children. (NRS 432.205) Sections 2 and 3 of this bill instead require a law enforcement agency to request such information and transmit such a report for any child who has been reported missing.

Existing federal law requires a state agency that receives information concerning a missing or abducted child who has been placed in the custody of the agency to report the information immediately to the National Center for Missing and Exploited Children and the National Crime Information Center database established by the Federal Bureau of Investigation. (Preventing Sex Trafficking and Strengthening Families Act, Pub. L. No. 113-183, § 104) Section 4 of this bill includes this requirement in state law.

Existing federal law requires a state to develop and carry out specific protocols concerning children who have run away from foster care in order to receive certain federal funds. (42 U.S.C. § 671(a)(35)) Section 5 of this bill requires the Division of Child and Family Services of the Department of Health and Human Services to adopt regulations to implement such protocols.

Existing federal law that becomes effective on September 29, 2015, prohibits the placement of a child who is under 16 years of age in a permanent placement other than with the parent of the child, the adoption of the child or referral of the child for legal guardianship. (Preventing Sex Trafficking and Strengthening Families Act, Pub. L. No. 113-183, § 112) Section 6 of this bill authorizes an agency which provides child welfare services that has custody of a child who is 16 years of age or older to present evidence at a permanency hearing that there is a compelling reason for placing such a child in a different permanent living arrangement.

Existing federal law requires a judge at a permanency hearing to: (1) ask the child about his or her desired permanency outcome; (2) if the judge determines that another permanency outcome is better for the child, to explain why; and (3) if the judge determines that it is not in the best interests of the child to return home, be placed for adoption or be placed with a legal guardian or relative, provide compelling reasons for that determination. (42 U.S.C. § 675a(a)(2)) Existing state law requires a judge at a permanency
hearing to prepare an explicit statement of the facts upon which he or she based his or her determination regarding the best interests of the child. Section 6 revises this requirement to meet the federal requirements.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 432.0395 is hereby amended to read as follows:

432.0395  1. Before an agency which provides child welfare services requests and examines a copy of any credit report pursuant to subsection 2, the agency which provides child welfare services shall, to the greatest extent practicable:

(b) If the child has reached the age of 14 years before the child is placed in the custody of the agency which provides child welfare services, within 90 days after the placement of the child in the custody of the agency which provides child welfare services, and then at least once annually thereafter as required pursuant to 42 U.S.C. § 675(5)(I).

3. An agency which provides child welfare services shall determine from the examination of a credit report pursuant to this section whether the credit report contains inaccurate information and whether the credit report indicates that identity theft or any other crime has been committed against the child.

4. If the agency which provides child welfare services determines that an inaccuracy exists in the credit report of a child, the agency which provides child welfare services must:
(a) Report any information which may indicate identity theft or other crime to the Attorney General;

(c) If an inaccuracy remains unresolved after the child has left the custody of the agency which provides child welfare services, notify the child or, if the
child has not attained the age of majority, the person responsible for the 
child’s welfare:

1. That an inaccuracy exists in the credit report of the child;
2. Of the manner in which to correct the inaccuracy; and
3. Of any services that may be available in the community to provide 
assistance in correcting the inaccuracy.

5. An agency which provides child welfare services may, upon consent 
of a child who remains under the jurisdiction of a court pursuant to 
NRS 432B.594, continue to request and examine a credit report of the child 
and provide assistance to the child if an inaccuracy is discovered.

6. The Attorney General may investigate each potential instance of 
identity theft or crime reported pursuant to subsection 4 and prosecute in 
accordance with law each person responsible for any identity theft identified 
in the investigation.

Sec. 2. NRS 432.200 is hereby amended to read as follows:

432.200 1. A law enforcement agency shall accept every report of a

within 36 hours after the report is received;
(b) Immediately notify such persons and make such inquiries concerning 
the missing child as the agency deems necessary;

   (b) Ask the child’s parent or guardian to provide such identifying information regarding the child.

This subsection does not preclude the voluntary release of identifying information about the missing child by the parent or guardian of the child at any time.

4. The parent or guardian of a child reported as missing shall promptly notify the appropriate law enforcement agency if the child is found or returned. The law enforcement agency shall then transmit that fact to the National Crime Information Center and the Clearinghouse.

5. Nothing in this section requires a law enforcement agency to activate the Statewide Alert System for the Safe Return of Abducted Children created by NRS 432.340.

Sec. 3. NRS 432.205 is hereby amended to read as follows:

432.205 1. A law enforcement agency, upon receiving and verifying a report of a missing child, other than a child who has run away, shall immediately transmit the full contents of the report by the fastest means available to the Clearinghouse.

Sec. 4. NRS 432B.165 is hereby amended to read as follows:

432B.165 1. For purposes of assisting in locating a missing child who is the subject of an investigation of abuse or neglect and who is in the
protective custody of an agency which provides child welfare services or in the custody of another entity pursuant to an order of the juvenile court, an agency which provides child welfare services may provide the following information to a federal, state or local governmental entity, or an agency of such an entity, that needs access to the information to carry out its legal responsibilities to protect children from abuse or neglect:

(b) The age of the child;
(c) A physical description of the child; and
(d) A photograph of the child.

2. Information provided pursuant to subsection 1 is not confidential and may be disclosed to any member of the general public upon request.

Sec. 5. NRS 432B.190 is hereby amended to read as follows:

determines is appropriate based on the demographic characteristics of this State and sets forth:

(1) Contact information regarding persons and governmental entities which provide assistance to persons who are responsible for the welfare of children, including, without limitation, persons and entities which provide assistance to persons who are being investigated for allegedly abusing or neglecting a child;

(3) The state and federal legal rights of:

(I) A person who is responsible for a child’s welfare and who is the subject of an investigation of alleged abuse or neglect of a child, including, without limitation, the legal rights of such a person at the time an agency which provides child welfare services makes initial contact with the person in the course of the investigation and at the time the agency takes the child for placement in protective custody, and the legal right of such a person to be informed of any allegation of abuse or neglect of a child which is made against the person at the initial time of contact with the person by the agency; and

(k) Making the necessary inquiries required pursuant to NRS 432B.397 to determine whether a child is an Indian child.

2. Regulations, which are applicable to any person who is authorized to place a child in protective custody without the consent of the person responsible for the child’s welfare, setting forth reasonable and uniform standards for establishing whether immediate action is necessary to protect the child from injury, abuse or neglect for the purposes of determining whether to place the child into protective custody pursuant to NRS 432B.390. Such standards must consider the potential harm to the child in remaining in his or her home, including, without limitation:

(a) Circumstances in which a threat of harm suggests that a child is in imminent danger of serious harm.

(b) The conditions or behaviors of the child’s family which threaten the safety of the child who is unable to protect himself or herself and who is dependent on others for protection, including, without limitation, conditions or behaviors that are beyond the control of the caregiver of the child and create an imminent threat of serious harm to the child.

The Division of Child and Family Services shall ensure that the appropriate persons or entities to whom the regulations adopted pursuant to this subsection apply are provided with a copy of such regulations. As used
in this subsection, “serious harm” includes the threat or evidence of serious physical injury, sexual abuse, significant pain or mental suffering, extreme fear or terror, extreme impairment or disability, death, substantial impairment or risk of substantial impairment to the child’s mental or physical health or development.

4. Such other regulations as are necessary for the administration of NRS 432B.010 to 432B.606, inclusive.

Sec. 6. NRS 432B.590 is hereby amended to read as follows:

432B.590 1. Except as otherwise provided in NRS 432B.513, the court shall hold a hearing concerning the permanent placement of a child:
   (a) Not later than 12 months after the initial removal of the child from the home of the child and annually thereafter.
   (b) Within 30 days after making any of the findings set forth in subsection 3 of NRS 432B.393.
   Notice of this hearing must be given by registered or certified mail to all the persons to whom notice must be given pursuant to subsection 6 of NRS 432B.580.
   2. The court may require the presence of the child at the hearing and shall provide to each person to whom notice was given pursuant to subsection 1 a right to be heard at the hearing.
   3. At the hearing, the court shall review any plan for the permanent placement of the child adopted pursuant to NRS 432B.553. **And, if the goal of the plan is a permanent living arrangement other than reunification with his or her parents, placement for adoption, placement with a legal guardian or placement with a relative, ask the child about his or her desired permanent placement and determine:** living arrangement. After doing so, the court must determine:
   (a) Whether the agency with legal custody of the child has made the reasonable efforts required by subsection 1 of NRS 432B.553;
   (b) Whether, and if applicable when:
(1) The child should be returned to the parents of the child or placed with other relatives;

(2) It is in the best interests of the child to:
   (I) Initiate proceedings to terminate parental rights pursuant to chapter 128 of NRS so that the child can be placed for adoption;
   (II) Initiate proceedings to establish a guardianship pursuant to chapter 159 of NRS; or
   (III) Establish a guardianship in accordance with NRS 432B.466 to 432B.468, inclusive; or

(3) The agency with legal custody of the child has produced documentation of its conclusion that there is a compelling reason for the placement of a child who has attained the age of 16 years in another permanent living arrangement;

(c) If the child will not be returned to the parents of the child, whether the agency with legal custody of the child fully considered placement options both within and outside of this State;

(d) If the child has attained the age of 14 years, whether the child will receive the services needed to assist the child in transitioning to independent living; and

(e) If the child has been placed outside of this State, whether the placement outside of this State continues to be appropriate for and in the best interests of the child.

4. The court shall prepare an explicit statement of the facts upon which each of its determinations is based pursuant to subsection 3. If the court determines that it is not in the best interests of the child to be returned to his or her parents, or to be placed for adoption, with a legal guardian or with a relative, the court must include the compelling reasons for this determination and an explanation of those reasons in its statement of the facts. If the court determines that a permanent placement other than that desired by the child is in the best interests of the child, the court must also include an explanation of the reasons for this determination with its statement of the facts.

5. If the court determines that it is in the best interests of the child to terminate parental rights, the court shall use its best efforts to ensure that the procedures required by chapter 128 of NRS are completed within 6 months after the date the court makes that determination, including, without limitation, appointing a private attorney to expedite the completion of the procedures.

6. The provisions of this section do not limit the jurisdiction of the court to review any decisions of the agency with legal custody of the child regarding the permanent placement of the child.
If a child has been placed outside of the home and has resided outside of the home pursuant to that placement for 14 months of any 20 consecutive months, the best interests of the child must be presumed to be served by the termination of parental rights.

This hearing may take the place of the hearing for review required by NRS 432B.580.

The provision of notice and a right to be heard pursuant to this section does not cause any person planning to adopt the child, any sibling of the child or any other relative, any adoptive parent of a sibling of the child or a provider of foster care to become a party to the hearing.

Amendment No. 373.

AN ACT relating to private professional guardians; requiring licensing for persons engaged in the business of a private professional guardian; establishing the requirements for the licensing and operation of a private professional guardian company; amending provisions related to the appointment of a private professional guardian; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law provides for the court appointment of a private professional guardian to act as a fiduciary for a person or estate, but does not require the private professional guardian to be licensed. (NRS 159.0595) This bill requires the licensing of persons engaging in the business of a private professional guardian and authorizes the Commissioner of Financial Institutions to adopt regulations relating to the licensing of those persons.

Sections 15-17 of this bill make it unlawful for a person to act as a private professional guardian without being licensed. Sections 18-26 of this bill establish the requirements and application process to obtain a license to transact the business of a private professional guardian. Section 28 of this bill sets forth requirements relating to the change of ownership or transfer of assets of a private professional guardian company. Section 29 of this bill establishes the process for the renewal of a license. Section 30 of this bill establishes the process for surrender of a license.
Section 31 of this bill requires a licensee to keep a principal office in this State. Section 32 of this bill establishes procedures for the Commissioner to approve an out-of-state office of a private professional guardian company. Section 33 of this bill requires a licensee to maintain certain types and levels of bonds and insurance.

Section 35 of this bill establishes the rights and authority of a licensee. Section 36 of this bill prohibits certain activities by a licensee. Sections 37-41 of this bill establish requirements for accounting, reporting and auditing of a private professional guardian company and authorize the Commissioner or a designee to inspect certain records of a private professional guardian company.

Sections 42-46 of this bill establish procedures for the Commissioner to take administrative action against licensees. Sections 47 and 48 of this bill establish procedures for handling a complaint against a private professional guardian company. Sections 49 and 50 of this bill provide administrative and criminal penalties for violating certain provisions of this bill.

Existing law requires that, subject to certain exceptions, a person must be a resident of this State to be appointed as guardian for a ward. (NRS 159.059) Sections 50.5 and 51.5 of this bill provide that a relative who is not located in this State must be given preference for appointment as guardian over a private professional guardian, if the relative is willing to serve and is otherwise determined to be qualified and suitable, and may be appointed if no other suitable person exists.

   (b) Indicates on the statement submitted pursuant to subsection 1 that the applicant is subject to a court order for the support of a child and is not in compliance with the order or a plan approved by the district attorney or other public agency enforcing the order for the repayment of the amount owed pursuant to the order.

4. If an applicant indicates on the statement submitted pursuant to subsection 1 that the applicant is subject to a court order for the support of a child and is not in compliance with the order or a plan approved by the district attorney or other public agency enforcing the order for the repayment of the amount owed pursuant to the order, the Commissioner shall advise the applicant to contact the district attorney or other public agency enforcing the order to determine the actions that the applicant may take to satisfy the arrearage.

Sec. 21. 1. If the Commissioner receives a copy of a court order issued pursuant to NRS 425.540 that provides for the suspension of all professional, occupational and recreational licenses, certificates and permits issued to a person who is the holder of a license to engage in the business of a private professional guardian, the Commissioner shall deem the license issued to that person to be suspended at the end of the 30th day after the date on which the court order was issued unless the Commissioner receives a letter issued to the holder of the license by the district attorney or other public agency pursuant to NRS 425.550 stating that the holder of the license has complied with the subpoena or warrant or has satisfied the arrearage pursuant to NRS 425.560.
2. The Commissioner shall reinstate a license that has been suspended by a district court pursuant to NRS 425.540 if the Commissioner receives a letter issued by the district attorney or other public agency pursuant to NRS 425.550 to the person whose license was suspended stating that the person whose license was suspended has complied with the subpoena or warrant or has satisfied the arrearage pursuant to NRS 425.560.

Sec. 22. 1. Within 90 days after the application for a license is filed, the Commissioner shall investigate the facts of the application and the other requirements of this chapter to determine:

(a) That each person who will serve as a sole proprietor, partner of a partnership, member of a limited-liability company or director or officer of a corporation, and any person acting in a managerial or case manager capacity, as applicable:

(1) Has a good reputation for honesty, trustworthiness and integrity and displays competence to engage in the business of a private professional guardian in a manner which safeguards the interests of the general public. The applicant must submit satisfactory proof of those qualifications, including, without limitation, evidence that the applicant has passed an examination for private professional guardians specified by the Commissioner.

(2) Has not been convicted of, or entered a plea of guilty or nolo contendere to, a felony or any crime involving fraud, misrepresentation, material omission, misappropriation, conversion or moral turpitude.

(3) Has not made a false statement of material fact on the application.

(4) Has not been a sole proprietor or an officer or member of the board of directors for an entity whose license issued pursuant to the provisions of this chapter was suspended or revoked within the 10 years immediately preceding the date of the application if, in the reasonable judgment of the Commissioner, there is evidence that the sole proprietor, officer or member materially contributed to the actions resulting in the suspension or revocation of the license.

(5) Has not been a sole proprietor or an officer or member of the board of directors for an entity whose license as a private professional guardian company which was issued by any other state, district or territory of the United States or any foreign country suspended or revoked within the 10 years immediately preceding the date of the application if, in the reasonable judgment of the Commissioner, there is evidence that the sole proprietor, officer or member materially contributed to the actions resulting in the suspension or revocation of the license.

(6) Has not violated any of the provisions of this chapter or any regulations adopted pursuant thereto.
(b) That the financial status of each sole proprietor, partner, member or
director and officer of the corporation and person acting in a managerial
or case manager capacity indicates fiscal responsibility consistent with his
or her position.
(c) That the name of the proposed business complies with all applicable
statutes.
(d) That, except as otherwise provided in section 33 of this act, the initial
surety bond is not less than the amount required by NRS 159.065.

2. In rendering a decision on an application for a license, the
Commissioner shall consider, without limitation:
(a) The proposed markets to be served and, if they extend outside this
State, any exceptional risk, examination or supervision concerns associated
with those markets;
(b) Whether the proposed organizational and equity structure and the
amount of initial equity or fidelity and surety bonds of the applicant appear
adequate in relation to the proposed business and markets, including,
without limitation, the average level of assets under guardianship projected
for each of the first 3 years of operation; and
(c) Whether the applicant has planned suitable annual audits conducted
by qualified outside auditors of its books and records and its fiduciary
activities under applicable accounting rules and standards as well as
suitable internal audits.

Sec. 23. 1. After conducting an investigation pursuant to section 22
of this act, if the Commissioner finds grounds for the denial of the
application, the Commissioner shall provide to the applicant written notice
of such grounds by personal service or certified mail.
2. The applicant may cure any defect or deficiency in the application
and, not more than 30 days after receipt of the notice pursuant to
subsection 1, resubmit the application for approval.
3. If an application is not approved, the Commissioner shall provide to
the applicant written notice of the denial by personal service or certified
mail. The applicant may request a hearing before the Commissioner, but if
no such application is made within 30 days after the entry of an order
refusing a license to any person, the Commissioner shall enter a final
order.
4. The decision of the Commissioner is final for the purposes of
judicial review.

Sec. 24. The Commissioner shall approve the application for a license,
keeping on file his or her findings of fact pertaining thereto, if the
Commissioner finds that the applicant has met all the requirements of this
chapter pertaining to the applicant’s qualifications and application.
Sec. 25. 1. If the Commissioner approves an application pursuant to section 24 of this act and the applicant pays the required fees, the Commissioner shall issue to the applicant a license to engage in the business of a private professional guardian.  
2. A license issued pursuant to subsection 1 must contain:  
   (a) The name of the licensee.  
   (b) The locations by street and number where the licensee is authorized to engage in business.  
   (c) The number and the date of issuance of the license.  
   (d) That the license is issued pursuant to this chapter and that the licensee is authorized to engage in the business of a private professional guardian under this chapter.  
   (e) The expiration date of July 1 of the next year.

Sec. 26. 1. The Commissioner shall maintain in the Office of the Commissioner, in a suitable record provided for that purpose, each application for a license and all bonds required to be filed pursuant to this chapter. The record must state the date of issuance or denial of the license and the date and nature of any action taken relating to an application.  
2. Each license issued by the Commissioner must be sufficiently identified in the record.  
3. Each renewal of a license must be recorded in the same manner as the original license, and the number of the preceding license issued must be recorded.

Sec. 27. Each license issued pursuant to this chapter must be conspicuously displayed in the place of business designated in the license.

Sec. 28. 1. A license issued pursuant to this chapter is not transferable or assignable, but upon the approval of the Commissioner and any applicable court of jurisdiction, a licensee may merge or consolidate with, or transfer its assets and control to, another person who holds a license pursuant to this chapter. In determining whether to grant the approval, the Commissioner may consider the factors set forth in section 22 of this act.  
2. If a change in the control of a private professional guardian company occurs, the chief executive officer or managing member of the company shall report the change in control and the name of the person obtaining control to the Commissioner within 5 business days after obtaining knowledge of the change.  
3. A private professional guardian company shall, within 5 business days after a change in the chief executive officer, managing member or a majority of the directors or managing directors of the company occurs, report the change to the Commissioner. The company shall include in its report to the Commissioner a statement of the past and current business
and professional affiliations of each new chief executive officer, managing member, director or managing director. A new chief executive officer, managing member, director or managing director shall furnish to the Commissioner a complete financial statement on a form prescribed by the Commissioner.

4. A person who intends to acquire control of a private professional guardian company shall submit an application to the Commissioner. The application must be submitted on a form prescribed by the Commissioner. The Commissioner shall conduct an investigation pursuant to section 22 of this act to determine whether the person has a good reputation for honesty, trustworthiness and integrity and is competent to control the private professional guardian company in a manner which protects the interests of the general public.

5. The private professional guardian company of which the applicant intends to acquire control shall pay the nonrefundable cost of the investigation as required by the Commissioner. If the Commissioner denies the application, the Commissioner may prohibit or limit the applicant’s participation in the business.

6. As used in this section, “control” means the possession, directly or indirectly, of the authority to direct or cause the direction of the management and policy of a private professional guardian company, or a change in the ownership of at least 25 percent of the outstanding voting stock of, or participating members’ interest in, the company.

Sec. 29. 1. A private professional guardian company wishing to renew a license to engage in the business of a private professional guardian shall file in the Office of the Commissioner, on or before the June 1 of the year after the year of the original issuance of the license, an application, which must contain, without limitation, the number of the license being renewed. The application for renewal must be accompanied by a renewal fee of not more than $1,500 and all information required to complete the application.

2. The Commissioner shall issue a renewal license to the applicant, which must be dated July 1 next ensuing the date of the application, in form and text similar to the original except that, in addition, the renewal must include the date and number of the earliest license issued.

3. All requirements of this chapter with respect to original licenses and bonds apply to all renewal licenses and bonds, except as otherwise provided in this section.

4. The Commissioner shall refuse to renew a license if at the time of application a proceeding to revoke or suspend the license is pending.

5. The Commissioner shall adopt regulations establishing the amount of the fee required pursuant to this section. All money collected under the
provisions of this section must be deposited in the State Treasury pursuant to the provisions of NRS 658.091.

Sec. 30. If any private professional guardian company wishes to discontinue its business, the company shall furnish to the Commissioner satisfactory evidence of the release and discharge from all obligations which the company has assumed or which have been imposed by law. Thereafter, the Commissioner shall enter an order cancelling the license of the private professional guardian company.

Sec. 31. 1. A private professional guardian company licensed pursuant to this chapter shall maintain its principal office in this State.

2. To qualify as the principal office for the purposes of subsection 1, an office of the private professional guardian company must:
   (a) Have a verifiable physical location in this State at which the private professional guardian company conducts such business operations in this State as are necessary to administer private professional guardianships in this State;
   (b) Have available at the office a private professional guardian who is licensed pursuant to this chapter, a permanent resident of this State and at least 21 years of age;
   (c) Have any license issued pursuant to this chapter conspicuously displayed;
   (d) Have available at the office originals or true copies of all material business records and accounts of the private professional guardian company, which must be readily available to access and readily available for examination by the Division;
   (e) Have available to the public written procedures for making claims against the surety bond required to be maintained pursuant to section 33 of this act;
   (f) Have available all services to residents of this State which are consistent with the business plan of the private professional guardian company included with the application for a license; and
   (g) Comply with any other requirements specified by the Commissioner.

Sec. 32. 1. It is unlawful for any person licensed pursuant to this chapter to engage in the business of a private professional guardian at any office outside this State without the prior approval of the Commissioner.

2. Before the Commissioner will approve a branch to be located outside this State, the private professional guardian must:
   (a) Obtain from that state any required license as a private professional guardian; or
   (b) Provide proof satisfactory to the Commissioner that the private professional guardian company has met all the requirements to engage in the business of a private professional guardian in that state pursuant to its
laws, including, without limitation, written documentation from the appropriate court or state agency that the private professional guardian company is authorized to do business in that state.

3. For each branch location of a private professional guardian company organized under the laws of this State, and every branch location in this State of a foreign private professional guardian company authorized to do business in this State, a request for approval and licensing must be filed with the Commissioner on forms prescribed by the Commissioner. A nonrefundable fee of not more than $500, as provided by the Commissioner, must accompany each request. In addition, a fee of not more than $200, to be prorated on the basis of the licensing year as provided by the Commissioner, must be paid at the time of making the request. Money collected pursuant to this section must be deposited in the Investigative Account for Financial Institutions created by NRS 232.545.

4. A foreign corporation or limited-liability company wishing to engage in the business of a private professional guardian in this State must use a name that distinguishes it from any other private professional guardian in this State.

Sec. 33. 1. The Commissioner may require a private professional guardian company to maintain equity, fidelity and surety bonds in amounts that are more than the minimum required initially or at any subsequent time based on the Commissioner’s assessment of the risks associated with the business plan of the private professional guardian or other information contained in the application, the Commissioner’s investigation of the application or any examination of or filing by the private professional guardian company thereafter, including, without limitation, any examination before the opening of the business. In making such a determination, the Commissioner may consider, without limitation:

(a) The nature and type of business to be conducted by the private professional guardian company;
(b) The nature and liquidity of assets proposed to be held in the account of the private professional guardian company;
(c) The amount of fiduciary assets projected to be under the management or administration of the private professional guardian company;
(d) The type of fiduciary assets proposed to be held and any proposed depository of such assets;
(e) The complexity of the fiduciary duties and degree of discretion proposed to be undertaken by the private professional guardian company;
(f) The competence and experience of the proposed management of the private professional guardian company;
(g) The extent and adequacy of proposed internal controls;
(h) The proposed presence of annual audits by an independent certified public accountant, and the scope and frequency of such audits, whether they result in an opinion of the accountant and any qualifications to the opinion;

(i) The reasonableness of business plans for retaining or acquiring additional equity capital;

(j) The adequacy of fidelity and surety bonds and any additional insurance proposed to be obtained by the private professional guardian company for the purpose of protecting its fiduciary assets;

(k) The success of the private professional guardian company in achieving the financial projections submitted with its application for a license; and

(l) The fulfillment by the private professional guardian company of its representations and its descriptions of its business structures and methods and management set forth in its application for a license.

2. The director or manager of a private professional guardian company shall require fidelity bonds in the amount of at least $25,000 on the sole proprietor or each active officer, manager, member acting in a managerial or case manager capacity and employee, regardless of whether the person receives a salary or other compensation from the private professional guardian company, to indemnify the company against loss due to any dishonest, fraudulent or criminal act or omission by a person upon whom a bond is required pursuant to this section who acts alone or in combination with any other person. A bond required pursuant to this section may be in any form and may be paid for by the private professional guardian company.

3. A private professional guardian company shall obtain suitable insurance against burglary, robbery, theft and other hazards to which it may be exposed in the operation of its business.

4. A private professional guardian company shall obtain suitable surety bonds in accordance with NRS 159.065, as applicable.

5. The surety bond obtained pursuant to subsection 4 must be in a form approved by a court of competent jurisdiction and the Division and conditioned that the applicant conduct his or her business in accordance with the requirements of this chapter. The bond must be made and executed by the principal and a surety company authorized to write bonds in this State.

6. A private professional guardian company shall at least annually prescribe the amount or penal sum of the bonds or policies of the company and designate the sureties and underwriters thereof, after considering all known elements and factors constituting a risk or hazard. The action must
be recorded in the minutes kept by the private professional guardian company and reported to the Commissioner.

7. The bond must cover all matters placed with the private professional guardian company during the term of the license or a renewal thereof.

8. An action may not be brought upon any bond after 2 years from the revocation or expiration of the license.

9. After 2 years, all liability of the surety or sureties upon the bond ceases if no action is commenced upon the bond.

Sec. 34. The Commissioner shall revoke the license of a private professional guardian company:

1. If the private professional guardian company fails to open for business within 6 months after the date the license was issued, or within an additional 6-month extension granted by the Commissioner upon written application and for good cause shown; or

2. If the private professional guardian company fails for more than 30 consecutive days to maintain regular business hours or otherwise conduct the business of a private professional guardian.

Sec. 35. Each private professional guardian company which is licensed pursuant to this chapter may, in the conduct of its business activities, within and outside this State, as applicable:

1. Act under the order or appointment of any court as guardian.

2. Accept and execute any activities and duties relating to the business of a private professional guardian as permitted by any law.

3. Exercise the powers of a corporation, partnership or limited-liability company organized or qualified as a foreign corporation, partnership or limited-liability company under the laws of this State and any incidental powers that are reasonably necessary to enable it to exercise, in accordance with commonly accepted customs and usages, a power conferred by this chapter.

4. Perform any act authorized by this chapter and any other applicable laws of this State.

Sec. 36. 1. The fiduciary relationship which exists between a private professional guardian and the ward of the private professional guardian may not be used for the private gain of the guardian other than the remuneration for fees and expenses. A private professional guardian may not incur any obligation on behalf of the guardianship that conflicts with the discharge of the duties of the private professional guardian.

2. Unless prior approval is obtained from a court of competent jurisdiction, a private professional guardian shall not:

(a) Have any interest, financial or otherwise, direct or indirect, in any business transaction or activity with the guardianship.
(b) Acquire an ownership, possessory, security or other pecuniary interest adverse to the ward.

(c) Be knowingly designated as a beneficiary on any life insurance policy, pension or benefit plan of the ward unless such designation was validly made by the ward before the adjudication of the person’s incapacity.

(d) Directly or indirectly purchase, rent, lease or sell any property or services from or to any business entity in which the private professional guardian, or the spouse or relative of the guardian, is an officer, partner, director, shareholder or proprietor or in which such a person has any financial interest.

3. Any action taken by a private professional guardian which is prohibited by this section may be voided during the term of the guardianship or by the personal representative of the ward’s estate. The private professional guardian is subject to removal and to imposition of personal liability through a proceeding for discharge, in addition to any other remedies otherwise available.

4. A court shall not appoint a private professional guardian that is not licensed pursuant to this chapter as the guardian of a person or estate. The court must review each guardianship involving a private professional guardian on the anniversary date of the appointment of the private professional guardian. If a private professional guardian does not hold a current license, the court must replace the guardian until such time as the private professional guardian obtains the necessary license.

5. The provisions of NRS 159.076 regarding summary administration do not apply to a private professional guardian.

6. A licensee shall file any report required by the court in a timely manner.

Sec. 37. 1. Except as otherwise provided in NRS 159.076, a licensee shall maintain a separate guardianship account for each ward into which all money received for the benefit of the ward must be deposited. Each guardianship account must be maintained in an insured bank or credit union located in this State, be held in a name which is sufficient to distinguish it from the personal or general checking account of the licensee and be designated as a guardianship account. Each guardianship account must at all times account for all money received for the benefit of the ward and account for all money dispersed for the benefit of the ward, and no disbursement may be made from the account except as authorized under chapter 159 of NRS or as authorized by court order.

2. Each licensee shall keep a record of all money deposited in each guardianship account maintained for a ward, which must clearly
indicate the date and from whom the money was received, the date the money was deposited, the dates of withdrawals of money and other pertinent information concerning the transactions. Records kept pursuant to this subsection must be maintained for at least 6 years after the completion of the last transaction concerning the account. The records must be maintained at the premises in this State at which the licensee is authorized to conduct business.

3. The Commissioner or his or her designee may conduct an examination of the guardianship accounts and records relating to wards of each private professional guardian company licensed pursuant to this chapter at any time to ensure compliance with the provisions of this chapter.

4. During the first year a private professional guardian is licensed in this State, the Commissioner or his or her designee may conduct any examinations deemed necessary to ensure compliance with the provisions of this chapter.

5. If there is evidence that a private professional guardian company has violated a provision of this chapter, the Commissioner or his or her designee may conduct additional examinations to determine whether a violation has occurred.

6. Each licensee shall authorize the Commissioner or his or her designee to examine all books, records, papers and effects of the private professional guardian company.

7. If the Commissioner determines that the records of a licensee are not maintained in accordance with subsections 1 and 2, the Commissioner may require the licensee to submit, within 60 days, an audited financial statement prepared from the records of the licensee by a certified public accountant who holds a certificate to engage in the practice of public accounting in this State. The Commissioner may grant a reasonable extension of time for the submission of the financial statement if an extension is requested before the statement is due.

8. Upon the request of the Division, a licensee must provide to the Division copies of any documents reviewed during an examination conducted by the Commissioner or his or her designee pursuant to subsection 4, 5 or 6. If the copies are not provided, the Commissioner may subpoena the documents.

9. For each examination of the books, papers, records and effects of a private professional guardian company that is required or authorized pursuant to this chapter, the Commissioner shall charge and collect from the private professional guardian company a fee for conducting the examination and preparing a report of the examination based upon the rate established by regulation pursuant to NRS 658.101. Failure to pay the
fee within 30 days after receipt of the bill is grounds for revoking the license of the private professional guardian company.

10. All money collected under this section must be deposited in the State Treasury pursuant to the provisions of NRS 658.091.

Sec. 38. 1. After an examination is conducted pursuant to section 37 of this act, the person who conducted the examination shall prepare a written report of the results of the examination which must be signed by the Commissioner or his or her designee.

2. The written report must contain a true and detailed statement of the financial condition of the private professional guardian company and, if applicable, a full statement of any violations of the provisions of this chapter [and chapter 159 of NRS].

Sec. 39. 1. The Commissioner shall provide a copy of a report prepared pursuant to section 38 of this act to the president or secretary of the board of directors of the private professional guardian company if the company is a corporation, or to a manager or owner of the private professional guardian company if the company is not a corporation, and may make a copy available to each member of the board of directors or each manager or owner, as applicable. If, in the judgment of the Commissioner, the report discloses any violation of the provisions of this chapter [or chapter 159 of NRS] committed by the private professional guardian company, or if it appears from the report that there are certain conditions existing which should be corrected by the private professional guardian company, the Commissioner may, in writing, call the matter to the attention of each member of the board of directors or each manager or owner, with instructions to correct the condition.

2. Upon the preparation of the report as provided in section 38 of this act, the Commissioner shall also serve a copy thereof to the court having jurisdiction of each ward of the private professional guardian company.

Sec. 40. 1. The Commissioner may require a licensee to submit an annual financial statement or an audited financial statement prepared by an independent certified public accountant licensed to do business in this State, dependent upon the size and complexity of the private professional guardian company.

2. If applicable, on or before the fourth Monday in January of each year, each licensee shall submit to the Commissioner the stock ledger of stockholders of the corporation required to be maintained pursuant to paragraph (c) of subsection 1 of NRS 78.105 or the list of each member and manager required to be maintained pursuant to paragraph (a) of subsection 1 of NRS 86.241, verified by the president or a manager, as appropriate.
3. A list of each member and manager submitted pursuant to subsection 2 must include the percentage of each member’s interest in the company, in addition to the requirements set forth in NRS 86.241.

4. If a licensee fails to submit the ledger or list required pursuant to this section within the prescribed period, the Commissioner may impose and collect a fee of not more than $10 for each day the report is late.

5. The Commissioner shall adopt regulations establishing the amount of the fee that may be imposed pursuant to this section.

Sec. 41. Except as otherwise provided in NRS 239.0115, any application and personal or financial records submitted to the Division pursuant to the provisions of this chapter and any personal or financial records or other documents obtained by the Division pursuant to an examination conducted by the Commissioner or his or her designee or in response to a subpoena are confidential and may be disclosed only to:

1. The Division, any authorized employee or representative of the Division and any state or federal agency investigating the activities covered under the provisions of this chapter; and

2. Any person if the Commissioner, in his or her discretion, determines that the interests of the public that would be protected by disclosure outweigh the interest of any person in the confidential information not being disclosed.

Sec. 42. 1. The Commissioner may require the immediate removal from office of any officer, director, manager or employee of any private professional guardian company doing business under this chapter who is found to be dishonest, incompetent or reckless in the management of the affairs of the private professional guardian company, or who persistently violates the laws of this State or the lawful orders, instructions and regulations issued by the Commissioner.

2. An officer, director, manager or employee of a private professional guardian company who is required to be removed from office pursuant to subsection 1 may appeal his or her removal by filing a written request for a hearing with the Commissioner within 10 days after the effective date of his or her removal. The Commissioner shall conduct the hearing after providing at least 5 days’ written notice to the private professional guardian company and the officer, director, manager or employee who is appealing his or her removal from office. Within 5 days after the conclusion of the hearing, the Commissioner shall enter an order affirming or disaffirming the removal of the person from office. An order of the Commissioner entered pursuant to this subsection is final for the purposes of judicial review.

Sec. 43. 1. The Commissioner may take administrative action against a licensee, including, without limitation, revoking or suspending the
license, or initiate proceedings as provided in section 46 of this act to take possession of the business and property of any private professional guardian company if the company:

(a) Has violated this chapter or any other state or federal laws applicable to the business of a private professional guardian.

(b) Is conducting the business in an unauthorized or unsafe manner.

(c) Is in an unsafe or unsound condition to transact business.

(d) Has an impairment of the surety bonds held by the company.

(e) Has an impairment of the fidelity bonds held by the company.

(f) Has become insolvent.

(g) Has neglected or refused to comply with the terms of a lawful order of the Commissioner.

(h) Has refused, upon proper demand, to submit its records, affairs and concerns for inspection and examination of an appointed or authorized examiner of the Commissioner.

(i) Has refused to provide copies to the Division upon request, and in cooperation with any investigation, inspection or examination, of any and all documents reviewed by the Division during any such investigation, inspection or examination.

(j) Has failed to pay any state or local taxes as required.

(k) Has materially and willfully breached its fiduciary duties to a ward.

(l) Has failed to properly disclose all fees, interest and other charges to the court and the public.

(m) Has willfully engaged in material conflicts of interest regarding a ward.

(n) Has made intentional material misrepresentations regarding any aspect of the services performed or proposed to be performed by the private professional guardian company.

2. The Commissioner also may initiate such proceedings to take possession of the business and property of any private professional guardian company if an officer, partner, member or sole proprietor of the private professional guardian company refuses to be examined upon oath regarding its affairs.

Sec. 44. 1. If the Commissioner has reason to believe that grounds for the revocation or suspension of a license exist, the Commissioner shall give at least 20 days’ written notice to the licensee stating the contemplated action and, in general, the grounds therefor and set a date for a hearing.

2. At the conclusion of a hearing, the Commissioner shall:

(a) Enter a written order dismissing the charges, revoking the license or suspending the license for a period of not more than 60 days, which period must include any prior temporary suspension. The Commissioner shall send a copy of the order to the licensee by registered or certified mail.
(b) Impose upon the licensee an administrative fine of not more than $10,000 for each violation by the licensee of any provision of this chapter or any regulation adopted pursuant thereto.

(c) If a fine is imposed pursuant to this section, enter such order as is necessary to recover the costs of the proceeding, including investigative costs and attorney’s fees.

3. The grounds for revocation or suspension of a license are that:
(a) The licensee has failed to pay the annual license fee;
(b) The licensee has violated any provision of this chapter or any regulation adopted pursuant thereto or any lawful order of the Commissioner;
(c) The licensee has failed to pay any applicable state or local tax as required;
(d) Any fact or condition exists which would have justified the Commissioner in denying the original application for a license pursuant to the provisions of this chapter; or
(e) The licensee:
   (1) Failed to open an office for the conduct of the business authorized by his or her license within 180 days after the date the license was issued; or
   (2) Has failed to remain open for the conduct of the business for a period of 30 consecutive days without good cause therefor.

4. An order suspending or revoking a license becomes effective 5 days after being entered unless the order specifies otherwise or a stay is granted.

Sec. 45. If the Commissioner finds that probable cause for the revocation of any license exists and that the public interest requires the immediate suspension of the license pending an investigation, the Commissioner may, upon 5 days’ written notice offering the opportunity for a hearing, enter an order suspending the license for a period of not more than 20 days, pending a hearing upon the revocation of the license unless the opportunity for a hearing is waived by the licensee.

Sec. 46. 1. If the Commissioner has reasonable cause to believe that any person is violating or is threatening to or intends to violate any provision of this chapter, the Commissioner may, in addition to any action provided for in this chapter and chapter 233B of NRS and without prejudice thereto, enter an order requiring the person to cease and desist or to refrain from such violation.

2. The Commissioner may bring an action to enjoin a person from engaging in or continuing a violation or from doing any act or acts in furtherance thereof. In any such action, irreparable harm and lack of an adequate remedy at law will be presumed and an order or judgment may be entered awarding a preliminary or final injunction as may be deemed
proper. The findings of the Commissioner shall be deemed to be prima facie evidence and sufficient grounds, in the discretion of the court, for the issuance ex parte of a temporary restraining order.

3. In addition to all other means provided by law for the enforcement of a restraining order or injunction, the court in which an action is brought may impound, and appoint a receiver for, the property and business of the person, including books, papers, documents and records pertaining thereto, or so much thereof as a court may deem reasonably necessary to prevent violations of this chapter through or by means of the use of property and business, whether such books, papers, documents and records are in the possession of the person, a registered agent acting on behalf of the person or any other person. If a receiver is appointed and qualified, the receiver has such powers and duties relating to the custody, collection, administration, winding up and liquidation of such property and business as may be conferred upon the receiver by the court.

4. Amendment No. 520.

SUMMARY—Provides requirements relating to the sale or lease of certain systems for the generation of electricity. (BDR 58-934)

AN ACT relating to energy; requiring a person who sells or installs certain systems for the generation of electricity or sells electricity generated by such systems to provide a warranty for each such system; requiring agreements for the financing, sale or lease of such systems or the sale of electricity generated by such systems to include or be accompanied by certain information, statements and disclosures; requiring sellers or lessors of such systems to maintain certain records; requiring a person who sells or installs such systems or sells electricity generated by such systems to register with the Office of Energy; providing that certain actions constitute a deceptive trade practice; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill provides requirements for agreements to sell, lease or install “distributed generation systems,” which are defined as electricity generating
systems, other than certain portable or other electric generators intended for occasional use, that: (1) generate electricity from solar energy; (2) are located on the premises of a customer of an electric utility; (3) are connected on the customer’s side of the electricity meter; (4) provide electricity primarily to offset customer load on those premises; and (5) may operate in parallel with the utility’s transmission and distribution facilities.

Section 6 of this bill requires a person who sells, installs or sells and installs a distributed generation system to provide with the sale or installation an express, written warranty for the system which must provide coverage for both parts and labor. The seller or installer also must provide with the sale or installation a description of the warranty, a description of any responsibility assumed or disclaimed by the seller or installer, and performance data for the system. Section 7 of this bill requires a person transferring an obligation under a required warranty to provide the name, address and telephone number of the person to whom the obligation is being transferred.

Section 8 of this bill lists the requirements for any agreement for the financing, sale or lease of a distributed generation system or for the purchase of electricity generated by a distributed generation system. The agreement, which must be in writing, must include information regarding: (1) the manufacturer, seller and installer of the system; (2) the effectiveness of the system; (3) the cost of the purchase or lease and the cost of operating and maintaining the system; (4) tax incentives and obligations relating to the purchase or lease of the system or the purchase of electricity; and (5) any restrictions or obligations imposed by the agreement. The seller or lessor of a system or the seller of electricity also must provide written statements regarding utility rates and attesting to the truthfulness and completeness of the agreement. Section 8 also provides that any agreement that fails to comply with these requirements is voidable at the option of the person purchasing or leasing the system, or purchasing electricity generated by the system, until the installation of the system.

Section 9 of this bill provides requirements for an agreement for the financing, sale or lease of a distributed generation system that requires any modification or transfer of the system to be approved by a third party. Section 10 of this bill provides requirements for an agreement that includes an estimate of the cost of electricity for the purchaser or lessee after the system is installed. Section 11 of this bill requires a seller or lessor of a distributed generation system who represents to the purchaser or lessee that the purchaser or lessee will be entitled to certain tax credits to prepare and maintain a record of that representation.

Section 12 of this bill prohibits a person from selling, leasing or installing a distributed generation system or selling electricity generated
by such a system without first registering with the Office of Energy. Section 12 also requires the Director of the Office of Energy to adopt regulations relating to registration.

Sections 6, 8 and 12 declare certain actions in violation of the provisions of this bill to constitute a deceptive trade practice for the purposes of chapter 598 of NRS.

(l) Disclose any restrictions which the agreement imposes on the modification or transfer of the system.

(m) Disclose any restrictions which the agreement imposes on the modification or transfer of the real property to which the system is affixed.

(n) Disclose any obligation the seller or lessor has regarding the installation or removal of the system.

(o) If the agreement is for the lease of a system, provide for the continuation, termination or transfer of the lease in the event of:

(2) The death of the lessee.

(p) If the agreement is for the sale or lease of a system, include the declaration required by subsection 4.

(q) If the agreement is for the purchase of electricity generated by the system, include:

3. If an agreement described in subsection 1 refers to the price of electricity provided by a public utility, the seller or lessor of the distributed generation system or the seller of electricity generated by the system shall

5. An agreement for the financing, sale or lease of a distributed generation system, or an agreement for the purchase of electricity generated by a distributed generation system, that does not comply with the requirements of subsection 1 or that is not accompanied by the statement required by subsection 2 is voidable at the option of the person buying or leasing the system or purchasing the electricity until the installation of the system begins.

6. A failure by the seller or lessor of a distributed generation system or the seller of electricity generated by a distributed generation system to include in an agreement for the financing, sale or lease of a distributed generation system or an agreement for the purchase of electricity generated by a distributed generation system any provision required by this section constitutes a deceptive trade practice for the purposes of NRS 598.0903 to 598.0999, inclusive.

Sec. 9. 1. If an agreement for the financing, sale or lease of a distributed generation system requires that any modification or transfer of the system be approved by a third party, the agreement must:
(a) Include the name, address and telephone number of the third party; and
(b) Identify any modification for which approval is required.

2. If an agreement for the financing, sale or lease of a distributed generation system requires that any modification or transfer of the real property to which the system is affixed be approved by a third party, the agreement must:
(a) Include the name, address and telephone number of the third party; and
(b) Identify any modification for which approval is required.
Sec. 10. If an agreement for the financing, sale or lease of a
distributed generation system includes an estimate of the cost of electricity
for the purchaser or lessee after the installation of the system, the
agreement must include an estimate of the cost of electricity for the
purchaser or lessee after any changes in the rates paid by customers of the
utility providing electricity to the purchaser or lessee. The estimate must
consider a range of possible rate changes from a 5 percent annual decrease
to a 5 percent annual increase from the rate paid at the time of the
agreement.

Sec. 11. 1. If the seller or lessor of a distributed generation system
represents to the purchaser or lessee of the system that the purchaser or
lessee will be entitled to a tax credit pursuant to 26 U.S.C. § 25D, the seller
or lessor shall:
   (a) Provide a written record of the representation to the purchaser or
       lessee of the system; and
   (b) Maintain a copy of the record for not less than 7 years after the date
       of the sale or lease of the system.

2. The seller or lessor shall provide a copy of the record required by
subsection 1 on request to an agent of the United States Internal Revenue
Service for inspection or copying.

Sec. 12. 1. A person shall not sell, lease or install a distributed
 generation system or sell electricity generated by a distributed generation
 system unless the person has registered with the Office of Energy by
 submitting to the Office a form prescribed by the Director.

2. The Director shall adopt regulations:
   (a) Requiring a registration form submitted to the Office of Energy
       pursuant to subsection 1 to include:

       (1) An example of the agreement described in section 8 of this act for
           each activity described in subsection 1 in which the registrant has indicated
           he or she intends to engage; and
       (2) An updated example of the agreement described in section 8 of
           this act, if a previously submitted example is no longer reasonably accurate
           or if the registrant intends to engage in an activity described in subsection
for which the registrant has not yet submitted an example of an agreement;

(c) Requiring a registrant to submit to the Office of Energy an amended registration form if any information provided to the Office of Energy on a registration form or a previously submitted amended registration form is no longer correct; and

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 492.

AN ACT relating to public works; prohibiting a public body from entering into certain contracts for public works which allow for purchase by the public body of the construction materials or goods to be used in the public work; providing that the Attorney General is to enforce the prohibition against such a contract for a public work; directing the Department of Taxation to withhold certain money payable to a public body which violates such a prohibition in a contract for a public work; removing an exception for revising provisions relating to certain construction projects of the Nevada System of Higher Education; from provisions governing public works; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, the sale of any tangible personal property to a governmental entity including the State, its unincorporated agencies and instrumentalities or a county, city, district or other political subdivision of
this State, is exempted from the imposition of sales and use taxes. (NRS 372.325, 372.345) A contractor who buys tangible personal property or stores, uses or otherwise consumes tangible personal property for such a governmental entity must pay such taxes unless the contractor is a constituent part of that entity. (NRS 372.340) Section 1 of this bill prohibits any public body including the State, its local governments, school districts, and any public agency thereof which sponsors or finances a public work from entering into an express or implied contract for a public work which provides that any construction materials or goods to be used on the public work be purchased or otherwise supplied by: (1) the public body; (2) a contractor who is a constituent part of the public body; or (3) a contractor who is not a constituent part of the public body acting on behalf of the public body. A public body may, however, enter into such a contract for a public work provided that the contract requires the payment of any state or local taxes that would otherwise have been due for the purchase and use of such construction materials or goods if they had been purchased and used by an entity not exempted from the payment of such taxes. Section 1 also provides that: (1) an express or implied contract entered into in violation of this prohibition is void; (2) a person who enters into such a contract is guilty of a gross misdemeanor; and (3) the right to enforce the provisions of this prohibition vests exclusively in the Attorney General. Section 1 further provides that, if a contract is entered into in violation of this prohibition, the Attorney General must forward to the Department of Taxation a list of the construction materials or goods purchased under the contract. The Department is then required to calculate the amount of applicable state and local taxes that should have been collected on the construction materials or goods, and deduct from the money otherwise payable from the proceeds of any tax distribution due to the public body either twice the amount of the applicable taxes or the sum of $500,000, $250,000, whichever is greater. In addition, section 1 exempts from the new prohibition express or implied contracts for public works that use certain construction materials or goods that are: (1) purchased pursuant to governmental procurement rules, needed on a recurring basis and used to protect the health, safety or welfare of the public; or (2) specialized, project-specific components.

Under existing law, the laws of this State pertaining to public works apply to any project which is financed in whole or in part from public money for the new construction, repair or reconstruction of publicly owned works and properties, except that such laws only apply to a building for the Nevada System of Higher Education if 25 percent or more of the costs of the building as a whole are paid from money appropriated by this State or from federal money. (NRS 338.010) Section 2 of this bill removes that exemption from the application of public works laws for such a building for the System.
However, section 2.5 of this bill exempts a building of the System if less than 25 percent of the costs of the building are paid from money appropriated by this State or federal money from certain provisions requiring that a public body use the services of the State Public Works Division of the Department of Administration for certain services relating to planning, maintenance and construction of state buildings. (NRS 341.141-341.148) Section 4 of this bill repeals certain sections for conformity with the amendments made in section 2.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 338 of NRS is hereby amended by adding thereto a new section to read as follows:

   (a) The public body or a contractor who is a constituent part of the public body; or
   (b) A contractor who is not a constituent part of the public body but is acting on behalf of the public body.

2. A public body may enter into an express or implied contract for a public work which provides that any construction materials or goods to be used in the public work will be purchased or supplied by the public body, a contractor who is a constituent part of the public body or a contractor who is not a constituent part of the public body but is acting on behalf of the public body if:

   (a) The contract requires the payment of any state or local taxes that would otherwise have been due for the purchase and use of the construction materials or goods if the construction materials or goods had been purchased and used by a contractor who was not a constituent part of the public body and who was not otherwise exempt from the taxes pursuant to state or local law; and
   (b) The public body sends an itemized list of the construction materials or goods to be purchased or otherwise provided by the public body or a contractor who is a constituent part of the public body, to the Department of Taxation. The itemized list must include the amount paid for each item.

The Department shall calculate the applicable state and local taxes on the purchase and use of the construction materials or goods which would have been due but for the tax exemption of the public body or the contractor who is a constituent part of the public body, and shall deduct that amount from the money otherwise payable from the proceeds of any tax distribution to the public body:
   (a) Twice the amount of the applicable taxes; or
   (b) The sum of $500,000, whichever is greater.

   (b) Specialized components which are specific to a particular project and are not commonly used in public works projects.

If a public body enters into such a contract, the public body must provide annually to the Department of Taxation an itemized list of the construction materials or goods purchased pursuant to the contract and the amount paid for each item.

Legislative Counsel’s Digest:

This bill requires certain businesses and other establishments to post a sign regarding the National Human Trafficking Resource Center Hotline. This bill further requires the Department of Transportation and the Department of Business and Industry, the Secretary of State to develop a model sign regarding the National Human Trafficking Resource Center Hotline, and requires the Secretary of State and the Department of Business and Industry to include the model sign on their respective Internet websites. Under this bill, certain establishments are authorized to post the sign in each women’s restroom on the premises of the establishment. Amendment No. 524.

SUMMARY—

Revises provisions governing labor organizations.

Prohibits certain unlawful acts. (BDR 52-844) 3-844)

AN ACT relating to labor organizations; unlawful acts; prohibiting a
person from engaging in certain acts against a business;
prohibiting certain activities while engaged in picketing; providing civil
and criminal penalties; and providing other matters properly relating
thereto.

Legislative Counsel's Digest:

Existing law protects employees from compulsory membership in a labor
organization. (NRS 613.270) Section 2 of this bill prohibits a labor
organization from threatening or otherwise attempting to illegally coerce or
threaten a business into complying with a demand of the labor organization.
Section 3 of this bill prohibits a labor organization or its members or agents
from physically damaging the property or merchandise of any business.
Section 4 of this bill provides that existing law governing the right to work and the provisions of this bill are not to be construed as limiting the rights of labor organizations or employees under the First Amendment to the United States Constitution. Section 8 of this bill provides for a civil action for violations of the provisions of this bill and provides for the vicarious liability of a labor organization for the actions of its members and presumed damages of $5,000, or actual damages, whichever is greater and related attorney’s fees and costs. Section 2 of this bill prohibits a person from committing certain acts with the intent to coerce or intimidate a business. Section 3 of this bill prohibits a person from intentionally or recklessly destroying, marking or damaging the property or merchandise owned by or in the control of a business. Section 4.5 of this bill prescribes certain civil remedies that may be available for a violation of section 2 or 3.

Section 9.7 of this bill repeals provisions of existing law which provide that it is unlawful, in the context of certain labor-related disputes, to engage in certain activities while picketing (NRS 614.160). Section 9.3 of this bill reenacts provisions of general applicability which prohibit certain activities while picketing, without regard to the purpose for which a person is engaged in picketing. Section 9.3 provides that it is unlawful for a person, while picketing, to: (1) picket on private property without consent or a court order; (2) narrow, block, or otherwise obstruct the ingress or egress to public or private property or obstruct any public or private roadway so as to prevent the safe passage of vehicles; (3) knowingly threaten, assault or touch a person entering or leaving any public or private property, or to use language or words threatening to do immediate physical harm to a person or the property of a person or to incite fear of immediate physical harm to a person; or (4) knowingly spread, drop, throw or disperse certain sharp objects in the entrances to or exits from any public or private property. A violation of section 9.3 is a misdemeanor, and a person may petition a court to enjoin ongoing activity that is a violation of that section. A person who files a petition to enjoin such activity is entitled to a rebuttable presumption of irreparable harm.

Assembly Bill No. 357.
Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 544.
AN ACT relating to criminal procedure; authorizing certain persons who
are prohibited from owning, possessing or having under their custody or
control any firearm or who have had certain civil rights taken away
to petition the court to restore [their right to own, possess and control any
firearm] such rights in certain circumstances; [providing for the immediate
restoration of certain civil rights if a person’s right to own, possess and
control any firearm is restored]; authorizing a prosecuting attorney to inquire
into, inspect and use as evidence certain sealed records in certain
circumstances; adding a person who has been convicted of a misdemeanor
crime that constitutes of domestic violence to the list of persons who are
prohibited from owning or having in their possession or under their custody
or control any firearm; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law prohibits certain persons from owning or having in their
possession or under their custody or control any firearm, including a person
who has been convicted of a felony in this State or any other state, or in any
political subdivision thereof, or of a felony in violation of the laws of the
United States of America, unless the person has received a pardon and the
pardon does not restrict his or her right to bear arms. (NRS 202.360) Section
5 of this bill adds to such a list of persons a person who has been convicted
in this State or any other state of a misdemeanor crime that constitutes
of domestic violence pursuant to Nevada law or a substantially similar law
of any other state, as defined in federal law.

Section 2 of this bill establishes a procedure by which a person who: (1)
is prohibited from owning or having in his or her possession or under his or
her custody or control any firearm because the person has been convicted of
a felony in this State or any other state, or in any political subdivision thereof,
or of a felony in violation of the laws of the United States of America, or a misdemeanor crime of domestic violence; or (2) has had
his or her civil rights to vote, to serve as a juror in a civil or criminal
action and to hold office taken away and has not had all such rights
restored, may, after a certain applicable waiting period, petition the
district court in the county in which the person resides or in which the person
was convicted for the restoration of such [a right to own, possess and control
a firearm] rights. For a person to be eligible to have such [a right] rights
restored [the following requirements must be met: (1) the offence for which
the person was convicted is one of certain category D or E felonies; (2) 2
years have elapsed since the most recent completion of the person’s sentence
for such an offense; (3) the person has never been convicted of any other
felony or a crime that constitutes domestic violence; (4) the person is not
currently facing charges for certain offenses in this State or another
jurisdiction; (5) the person has not been dishonorably discharged from parole
or probation; and (6) [1] the person must not currently be serving any
sentence or facing any new charge for an offense which would cause the
person to be ineligible to petition to have such rights restored; and (2) if
the person is seeking the restoration of his or her firearm rights, the
person [is] must [1] not otherwise be prohibited from possessing a firearm under
any other applicable provision of the laws of this State.

Section 2 also requires that a date for a hearing on such a petition be set
for not earlier than 30 days and not later than 120 days after a petition is
filed, unless waived by the parties. The court is required to make a decision
within 30 days after the hearing on the petition is completed.

Section 2 additionally requires the court to issue an order restoring a
petitioner’s civil rights and the right to own, possess and control any firearm
if: (1) the petitioner has never been convicted of a misdemeanor crime of
domestic violence; (2) the petitioner has never been convicted of a
category A, B or C felony; and (3) the only category D or E felony for
which the person has ever been convicted did not include certain
elements. A petitioner who does not meet such criteria but meets certain
other criteria must prove to the court [determines that the petitioner
proves] by clear and convincing evidence that he or she is rehabilitated and is
unlikely to use a firearm in the restoration of any rights for an unlawful
manner; and (2) the petitioner has made all restitution as ordered by the
court [determines that the petitioner proves] purpose. If the court determines that the petitioner does not satisfy
the burden of proof, or if the petitioner has not made all restitution as
ordered by the court, unless such failure was due to economic hardship, the
court is required to issue an order denying the restoration of such
rights and to state the basis for such a denial. Section 2 further authorizes
such a petitioner to reapply for the restoration of such rights not
earlier than 1 year after the date the court order is entered. Finally, section 2
provides that a person whose right to own, possess and control a firearm is
restored is also immediately restored to the civil rights to vote, serve as a
jury in a civil or criminal action and hold office, if any such civil rights have
not previously been restored. Finally, section 2 authorizes a person who
has lost his or her civil rights as a result of a conviction in another state
to petition the district court for the restoration of such rights if the
person would otherwise be eligible to petition the district court for the
restoration of such rights if the conviction that resulted in the loss of
such rights occurred in this State.
Existing law authorizes certain persons to inquire into and inspect certain records that have been sealed in certain circumstances. (NRS 179.301) Section 3 of this bill authorizes a prosecuting attorney to inquire into and inspect certain sealed records if the person who is the subject of the records has petitioned to have his or her right to own, possess and control any firearm restored pursuant to section 2. Section 3 also authorizes a prosecuting attorney to use any such records as evidence during a hearing on such a petition.

Assemblyman Hansen moved the adoption of the amendment.
Amendment adopted.
Bill ordered reprinted, engrossed and to third reading.

The following amendment was proposed by the Committee on Judiciary:

AN ACT relating to common-interest communities; enacting provisions governing hearings conducted by the executive board of a unit-owners’ association on alleged violations of the governing documents; providing for the payment of a per diem to members of the executive board of an association under certain circumstances; revising provisions governing the approval of certain capital improvements to a common-interest community; revising provisions governing the foreclosure of an association’s lien for certain amounts due to the association; providing for the Commission for Common-Interest Communities and Condominium Hotels and its hearing panels to conduct hearings and take certain actions on breaches of the governing documents of a common-interest community; and providing other matters properly relating thereto.
Legislative Counsel's Digest:

Existing law requires the executive board of a common-interest community to provide a unit's owner and, if different, a person against whom a fine will be imposed with: (1) written notice containing certain information; and (2) a reasonable opportunity to cure an alleged violation or contest the alleged violation at a hearing before imposing a fine. (NRS 116.31031)

Section 2 of this bill: (1) specifies the required contents of the written notice and prescribes the manner in which the executive board is required to provide the notice; and (2) prohibits the imposition of a fine if the violation is cured within a reasonable time. Section 2 further specifies the procedures for the hearing before the executive board, including, without limitation, a requirement that each party to the hearing disclose certain information to the other parties; a provision authorizing a unit's owner or the person against whom the fine will be imposed to challenge a member of the executive board or hearing committee for bias, conflict of interest, or certain other causes and a provision governing continuance of the hearing. Finally, section 2 authorizes a party to a hearing to make an audio or video recording of a hearing, request a transcript of a hearing and arrange for an interpreter at the party's own expense.

Section 4 of this bill specifically authorizes the bylaws of an association to provide for the payment of a per diem, not to exceed $100 per day, to members of the executive board for each day or portion of a day of attendance at a meeting of the executive board or while engaged in the business of the executive board. Such a provision must be adopted at a meeting of the units' owners by: (1) at least 35 percent of the units' owners other than the declarant; and (2) a majority of the units' owners, other than the declarant, who vote on the provision.

Existing law requires an association to provide written notice to each unit's owner of a meeting at which an assessment for a capital improvement is to be considered or action is to be taken on such an assessment at least 21 calendar days before the meeting. (NRS 116.3115) Section 6 of this bill prohibits the association from making a capital improvement that costs more than $5,000 unless the capital improvement is approved by units' owners constituting at least 25 percent of the total number of voting members of the association. Under section 20 of this bill, the approval of the units' owners is not required if a contract for the construction of the capital improvement is entered into before October 1, 2015, the effective date of the bill.

Under existing law, the Commission for Common-Interest Communities and Condominium Hotels and hearing panels of the Commission have jurisdiction to take certain actions against persons who violate the provisions of existing statutes or regulations governing common-interest communities. (NRS 116.745-116.795) A claim concerning a breach of the conditions,
covenants or restrictions of a common-interest community or the bylaws, rules or regulations adopted by an association must be submitted to mediation, or a referee or hearing officer program established by the Real Estate Division of the Department of Business and Industry, before a civil action based upon the claim may be filed with a court. (NRS 38.300-38.360) Sections 9-17 of this bill provide that: (1) the Commission and its hearing panels have jurisdiction over a breach of the governing documents; (2) if an affidavit alleging such a breach is filed with the Division, the Division must schedule a hearing before the Commission or a hearing panel concerning the breach; (3) any hearing before the Commission or hearing panel concerning the breach must be conducted in the same manner as a hearing concerning a violation of law; and (4) if the Commission or hearing panel finds that a breach of the governing documents has occurred, the Commission or hearing panel may take the same actions and impose the same penalties that apply to a violation of law.

Under existing law, a unit-owners’ association has a lien on a unit for certain amounts due to the association, and an association may foreclose its lien through a nonjudicial foreclosure process. (NRS 116.3116-116.31168) Sections 1, 3, 5, 7, 8, 18, 19 and 21 of this bill repeal provisions authorizing a unit-owners’ association to foreclose its lien through a nonjudicial foreclosure process and, instead, section 7 authorizes the association to foreclose its lien through the judicial foreclosure process.

Under existing law, generally, the association’s lien is not prior to a first security interest on the unit recorded before the date on which the amount sought to be enforced became delinquent. However, the association’s lien is prior to the first security interest on the unit to the extent of certain maintenance and abatement charges and a certain amount of assessments for common expenses. The portion of the association’s lien that is prior to the first security interest on the unit is commonly referred to as the “super-priority lien.” (NRS 116.3116) In SFR Investments Pool 1, LLC v. U.S. Bank, 130 Nev. Adv. Op. 75, 334 P.3d 408 (2014), the Nevada Supreme Court held that the foreclosure of the super-priority lien by the association extinguishes the first security interest on the unit.

This bill provides that the foreclosure of the super-priority lien by the association does not extinguish a first security interest on the unit or a second mortgage or deed of trust on the unit. Thus, under this bill, if the holder of a security interest, lien or encumbrance on a unit, other than the association, forecloses on the unit, the association would be entitled to a distribution of the proceeds of the sale in accordance with the priority accorded to the association’s lien under existing law. However, if the association forecloses its lien on a unit by sale, the association’s
foreclosure does not extinguish the first security interest on the unit or a second mortgage or deed of trust on the unit but does extinguish any other security interest, liens or encumbrances subordinate to the association’s lien under existing law.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 116.12075 is hereby amended to read as follows:

116.12075 1. The provisions of this chapter do not apply to a nonresidential condominium except to the extent that the declaration for the nonresidential condominium provides that:

(a) This entire chapter applies to the condominium;

(b) Only the provisions of NRS 116.001 to 116.2122, inclusive, and 116.3116 to 116.31168, inclusive, apply to the condominium; or

(c) Only the provisions of NRS 116.3116 to 116.31168, inclusive, apply to the condominium.

2. If this entire chapter applies to a nonresidential condominium, the declaration may also require, subject to NRS 116.1112, that:

(a) Notwithstanding NRS 116.3105, any management, maintenance operations or employment contract, lease of recreational or parking areas or facilities and any other contract or lease between the association and a declarant or an affiliate of a declarant continues in force after the declarant turns over control of the association; and

(b) Notwithstanding NRS 116.1104 and subsection 3 of NRS 116.311, purchasers of units must execute proxies, powers of attorney or similar devices in favor of the declarant regarding particular matters enumerated in those instruments. (Deleted by amendment.)

Sec. 2. NRS 116.31031 is hereby amended to read as follows:

116.31031 1. Except as otherwise provided in this section, if a unit’s owner or a tenant or an invitee of a unit’s owner or a tenant violates any provision of the governing documents of an association, the executive board may, if the governing documents so provide:

(a) Prohibit, for a reasonable time, the unit’s owner or the tenant or the invitee of the unit’s owner or the tenant from:

(1) Voting on matters related to the common-interest community.

(2) Using the common elements. The provisions of this subparagraph do not prohibit the unit’s owner or the tenant or the invitee of the unit’s owner or the tenant from using any vehicular or pedestrian ingress or egress to go to or from the unit, including any area used for parking.

(b) Impose a fine against the unit’s owner or the tenant or the invitee of the unit’s owner or the tenant for each violation, except that:
(1) A fine may not be imposed for a violation that is the subject of a construction penalty pursuant to NRS 116.310305, and
(2) A fine may not be imposed against a unit’s owner or a tenant or invitee of a unit’s owner or a tenant for a violation of the governing documents which involves a vehicle and which is committed by a person who is delivering goods to, or performing services for, the unit’s owner or tenant or invitee of the unit’s owner or the tenant.

If the violation poses an imminent threat of causing a substantial adverse effect on the health, safety, or welfare of the unit’s owners or residents of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents. If the violation does not pose an imminent threat of causing a substantial adverse effect on the health, safety, or welfare of the unit’s owners or residents of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents, but the amount of the fine must not exceed $100 for each violation or a total amount of $1,000, whichever is less. The limitations on the amount of the fine do not apply to any charges or costs that may be collected by the association pursuant to this section if the fine becomes past due.

2. The executive board may not impose a fine pursuant to subsection 1 against a unit’s owner for a violation of any provision of the governing documents of an association committed by an invitee of the unit’s owner or the tenant unless the unit’s owner:
   (a) Participated in or authorized the violation;
   (b) Had prior notice of the violation; or
   (c) Had an opportunity to stop the violation and failed to do so.

3. If the association adopts a policy imposing fines for any violations of the governing documents of the association committed by an invitee of the unit’s owner or the tenant unless the unit’s owner:
   (a) Not less than 30 days before the alleged violation, the unit’s owner and, if different, the person against whom the fine will be imposed had been provided with written notice of the applicable provisions of the governing documents that form the basis of the alleged violation; and
(b) Within a reasonable time after the discovery of the alleged violation, the unit’s owner and, if different, the person against whom the fine will be imposed has been provided with:

(1) Written notice:

(i) specifying in detail the alleged violation, the proposed action to cure the alleged violation, the amount of the fine, and the date, time and location for a hearing on the alleged violation; and

(ii) providing a clear and detailed photograph of the alleged violation, if the alleged violation relates to the physical condition of the unit or the grounds of the unit or an act or a failure to act of which it is possible to obtain a photograph.

(2) A reasonable opportunity to cure the alleged violation or to contest the alleged violation at the hearing.

For the purposes of this subsection, a unit’s owner shall not be deemed to have received written notice unless written notice is mailed to the address of the unit and, if different, to a mailing address specified by the unit’s owner.

5. The written notice required pursuant to paragraph (b) of subsection 4 must:

(a) Include, without limitation:

(1) The date, time and location of the hearing concerning the alleged violation;

(2) The telephone number and mailing address of a person that the unit’s owner and, if different, the person against whom the fine will be imposed may contact to request a continuance or change of the date or time of the hearing;

(3) A description, in plain language, of the alleged violation, including, without limitation, the text of the provision of the governing documents that was allegedly violated and, if possible, a clear and detailed photograph of the alleged violation;

(4) The proposed action to cure the alleged violation and a reasonable time, considering the magnitude and seriousness of alleged violation, in which the alleged violation must be cured;

(5) The amount of the fine;

(6) A statement advising the unit’s owner and, if different, the person against whom the fine will be imposed of the provisions of subsections 9 to 14, inclusive, and that a party who is aggrieved by a decision of the executive board or a hearing committee may submit the action to mediation or for referral to a program of dispute resolution by filing a written claim with the Division pursuant to NRS 38.320 or by filing an affidavit with the Division pursuant to NRS 116.760; and

(7) The names of the members of the executive board or hearing committee who will conduct the hearing.
(b) Be mailed to the unit's owner and, if different, the person against whom the fine will be imposed at least 30 days before the hearing by certified mail, return receipt requested, to the address of the unit and, if different, the:
   (1) Mailing address specified by the unit's owner or, if none, the address to which the annual assessment is mailed; and
   (2) Last known address of the unit's owner or, if different, the person against whom the fine will be imposed.

6. The executive board may not impose a fine pursuant to subsection 1 if the violation is cured within the time provided pursuant to subparagraph (4) of paragraph (a) of subsection 5.

7. The executive board must schedule the date, time and location for the hearing on the alleged violation so that the unit's owner and, if different, the person against whom the fine will be imposed is provided with a reasonable opportunity to prepare for the hearing and to be present at the hearing.

8. The executive board must hold a hearing before it may impose the fine, unless the fine is paid before the hearing or unless the unit's owner and, if different, the person against whom the fine will be imposed:
   (a) Executes a written waiver of the right to the hearing; or
   (b) Fails to appear at the hearing after being provided with proper notice of the hearing.

9. Not less than 5 days before a hearing on an alleged violation conducted pursuant to this section:
   (a) Each party must provide to each other party:
      (1) A copy of all documents that are reasonably available to the party that the party reasonably anticipates will be used in support of his or her position; and
      (2) A list of witnesses whom the party intends to call at the time of the hearing, except that if the unit's owner or, if different, the person against whom the fine will be imposed intends to testify at the hearing, the list of witnesses is not required to include that person. The list of witnesses must include for each witness:
         (I) The name of the witness;
         (II) The employer of the witness and the title of the witness; and
         (III) A brief summary of the expected testimony of the witness.
   (b) A unit's owner or, if different, a person against whom the fine will be imposed may request in writing that an open hearing be conducted pursuant to subsection 4 of NRS 116.31085.

10. A unit's owner or, if different, the person against whom the fine will be imposed may challenge for bias, conflict of interest or any grounds prescribed in this chapter or the governing documents any member of the executive board or hearing committee who is scheduled to conduct the
A challenge must be filed with the executive board not less than 5 days before the date of the hearing or not more than 3 days after receiving notice of the addition or replacement of a member of the hearing panel, whichever is later. The executive board:

(a) Shall grant one challenge as a matter of right; and

(b) May grant or deny any additional challenge after considering the merits of the challenge.

11. The executive board or hearing committee:

(a) Shall grant one continuance of a hearing of not more than 30 days at the request of the respondent; and

(b) May grant any additional continuances to which all parties agree.

12. At a hearing held pursuant to this section:

(a) The unit’s owner and, if different, the person against whom the fine will be imposed may be represented by any person of his or her choosing;

(b) Each party may present witnesses and may cross-examine any opposing witness. Except as otherwise provided in paragraph (c), a witness may not be present during the testimony of any other witness without the consent of all parties.

(c) The respondent may be present for the entirety of the hearing and may testify in his or her own behalf and present such other evidence as may be beneficial to his or her cause.

(d) Each party is entitled to present a closing statement.

(e) The executive board or hearing committee shall arrive at a decision by a majority vote of the members of the executive board or hearing committee who conduct the hearing not more than 7 days after the close of the hearing. Notice of the decision must be mailed to all parties not more than 10 days after the vote and must include a statement advising the parties that a party who is aggrieved by a decision of the executive board or a hearing committee may submit the action to mediation or for referral to a program of dispute resolution by filing a written claim with the Division pursuant to NRS 38.320 or by filing an affidavit with the Division pursuant to NRS 116.760.

(f) A party may not be held liable for the fees and costs of any other party.

(g) Any party may make an audio recording or video recording of the hearing at his or her own expense.

13. A party may request a transcript of a hearing held pursuant to this section at his or her own expense. If both parties request a transcript of a hearing, the parties shall share the costs of producing the transcript.

14. A party who requires assistance in interpreting the English language during a hearing on an alleged violation conducted pursuant to
NRS 116.31031 may arrange for an interpreter to attend the hearing at the expense of the party who requests the interpreter.

15. If a fine is imposed pursuant to subsection 1 and the violation is not cured within 14 days, or within any longer period that may be established by the executive board, the violation shall be deemed a continuing violation. Thereafter, the executive board may impose an additional fine for the violation for each 7-day period or portion thereof that the violation is not cured. Any additional fine may be imposed without providing the opportunity to cure the violation and without the notice and an opportunity to be heard required by paragraph (b) of subsection 4.

16. If the governing documents so provide, the executive board may appoint a committee, with not less than three members, to conduct hearings on alleged violations and to impose fines pursuant to this section. While acting on behalf of the executive board for those limited purposes, the committee and its members are entitled to all privileges and immunities and are subject to all duties and requirements of the executive board and its members.

17. A member of the executive board shall not participate in any hearing or cast any vote relating to a fine imposed pursuant to subsection 1 if the member has not paid all assessments which are due to the association by the member. If a member of the executive board:

(a) Participates in a hearing in violation of this subsection, any action taken at the hearing is void.

(b) Casts a vote in violation of this subsection, the vote is void.

18. The provisions of this section establish the minimum procedural requirements that the executive board must follow before it may impose a fine. The provisions of this section do not preempt any provisions of the governing documents that provide greater procedural protections.

19. Any past due fine must not bear interest, but may include any costs incurred by the association during a civil action to enforce the payment of the past due fine.

20. If requested by a person upon whom a fine was imposed, not later than 60 days after receiving any payment of a fine, an association shall provide to the person upon whom the fine was imposed a statement of the remaining balance owed. (Deleted by amendment.)

Sec. 3. NRS 116.310312 is hereby amended to read as follows:

116.310312. 1. A person who holds a security interest in a unit must provide the association with the person’s contact information as soon as reasonably practicable, but not later than 30 days after the person:

(a) Files an action for recovery of a debt or enforcement of any right secured by the unit pursuant to NRS 40.430; or
(b) Records or has recorded on his or her behalf a notice of a breach of
obligation secured by the unit and the election to sell or have the unit sold
pursuant to NRS 107.080.
2. If an action or notice described in subsection 1 has been filed or
recorded regarding a unit and the association has provided the unit's owner
with notice and an opportunity for a hearing in the manner provided in
NRS 116.31031, the association, including its employees, agents and
community manager, may, but is not required to, enter the grounds of the
unit, whether or not the unit is vacant, to take any of the following actions if
the unit's owner refuses or fails to take any action or comply with any
requirement imposed on the unit's owner within the time specified by the
association as a result of the hearings:
(a) Maintain the exterior of the unit in accordance with the standards set
forth in the governing documents, including, without limitation, any
provisions governing maintenance, standing water or snow removal.
(b) Remove or abate a public nuisance on the exterior of the unit which:
(1) Is visible from any common area of the community or public streets;
(2) Threatens the health or safety of the residents of the common-
interest community;
(3) Results in blighting or deterioration of the unit or surrounding area;
and
(4) Adversely affects the use and enjoyment of nearby units.
3. If a unit is vacant and the association has provided the unit's owner
with notice and an opportunity for a hearing in the manner provided in
NRS 116.31031, the association, including its employees, agents and
community manager, may enter the grounds of the unit to maintain the
exterior of the unit or abate a public nuisance as described in subsection 2 if
the unit's owner refuses or fails to do so.
4. The association may order that the costs of any maintenance or
abatement conducted pursuant to subsection 2 or 3, including, without
limitation, reasonable inspection fees, notification and collection costs and
interest, be charged against the unit. The association shall keep a record of
such costs and interest charged against the unit and has a lien on the unit for
any unpaid amount of the charges. [The lien may be foreclosed under
NRS 116.31162 to 116.31168, inclusive.]
5. A lien described in subsection 4 bears interest from the date that the
charges become due at a rate determined pursuant to NRS 17.130 until the
charges, including all interest due, are paid.
6. Except as otherwise provided in this subsection, a lien described in
subsection 4 is prior and superior to all liens, claims, encumbrances and titles
other than the liens described in paragraphs (a) and (c) of subsection 2 of
NRS 116.3116. If the federal regulations of the Federal Home Loan

Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior and superior to other security interests shall be determined in accordance with these federal regulations. Notwithstanding the federal regulations, the period of priority of the lien must not be less than the 6 months immediately preceding the institution of an action to enforce the lien.

7. A person who purchases or acquires a unit at a foreclosure sale pursuant to NRS 40.430 or a trustee’s sale pursuant to NRS 107.080 is bound by the governing documents of the association and shall maintain the exterior of the unit in accordance with the governing documents of the association. Such a unit may only be removed from a common-interest community in accordance with the governing documents pursuant to this chapter.

8. Notwithstanding any other provision of law, an association, its directors or members of the executive board, employees, agents or community manager who enter the grounds of a unit pursuant to this section are not liable for trespass.

9. As used in this section:

(a) “Exterior of the unit” includes, without limitation, all landscaping outside of a unit and the exterior of all property exclusively owned by the unit owner.

(b) “Vacant” means a unit:

(1) Which reasonably appears to be unoccupied;

(2) On which the owner has failed to maintain the exterior to the standards set forth in the governing documents of the association; and

(3) On which the owner has failed to pay assessments for more than 60 days. (Deleted by amendment.)

Sec. 4. NRS 116.3106 is hereby amended to read as follows:

116.3106 1. The bylaws of the association must:

(a) Provide the number of members of the executive board and the titles of the officers of the association;

(b) Provide for election by the executive board of a president, treasurer, secretary and any other officers of the association the bylaws specify;

(c) Specify the qualifications, powers and duties, terms of office and manner of electing and removing officers of the association members of the executive board and filling vacancies;

(d) Specify the powers the executive board or the officers of the association may delegate to other persons or to a community manager;

(e) Specify the officers who may prepare, execute, certify and record amendments to the declaration on behalf of the association;

(f) Provide procedural rules for conducting meetings of the association;

(g) Specify a method for the unit owners to amend the bylaws;

(h) Provide procedural rules for conducting elections;
(i) Contain any provision necessary to satisfy requirements in this chapter or the declaration concerning meetings, voting, quorums and other activities of the association; and

(j) Provide for any matter required by law of this State other than this chapter to appear in the bylaws of organizations of the same type as the association.

2. Except as otherwise provided in this chapter or the declaration, the bylaws may provide for any other necessary or appropriate matters, including, without limitation, matters that could be adopted as rules.

3. The bylaws may provide that a member of the executive board may receive a per diem for each day or portion of a day of attendance at a meeting of the executive board or while engaged in the business of the executive board, not to exceed $100 per day, only if, at a meeting of the units' owners held pursuant to NRS 116.3108, the number of votes cast in favor of adopting such a provision of the bylaws constitutes:

(a) At least 35 percent of the units' owners other than the declarant; and

(b) At least a majority of all votes cast by the units' owners other than the declarant on the question of whether to adopt the provision.

4. The bylaws must be written in plain English. (Deleted by amendment.)

Sec. 5. NRS 116.31068 is hereby amended to read as follows:

116.31068  1. Except as otherwise provided in subsection 3, an association shall deliver any notice required to be given by the association under this chapter to any mailing or electronic mail address a unit's owner designates. Except as otherwise provided in subsection 3, if a unit's owner has not designated a mailing or electronic mail address to which a notice must be delivered, the association may deliver notices by:

(a) Hand delivery to each unit's owner;

(b) Hand delivery, United States mail, postage paid, or commercially reasonable delivery service to the mailing address of each unit;

(c) Electronic means, if the unit's owner has given the association an electronic mail address to which a notice must be delivered; or

(d) Any other method reasonably calculated to provide notice to the unit's owner.

2. The ineffectiveness of a good faith effort to deliver notice by an authorized means does not invalidate action taken at or without a meeting.

3. The provisions of this section do not apply:

(a) To a notice required to be given pursuant to NRS 116.3116; [to NRS 116.3116, inclusive]; or

(b) If any other provision of this chapter specifies the manner in which a notice must be given by an association. (Deleted by amendment.)

Sec. 6. NRS 116.3115 is hereby amended to read as follows:
116.3115 1. Until the association makes an assessment for common expenses, the declarant shall pay all common expenses. After an assessment has been made by the association, assessments must be made at least annually, based on a budget adopted at least annually by the association in accordance with the requirements set forth in NRS 116.31151. Unless the declaration imposes more stringent standards, the budget must include a budget for the daily operation of the association and a budget for the reserves required by paragraph (b) of subsection 2.

2. Except for assessments under subsections 4 to 7, inclusive, or as otherwise provided in this chapter:

(a) All common expenses, including the reserves, must be assessed against all the units in accordance with the allocations set forth in the declaration pursuant to subsections 1 and 2 of NRS 116.2107.

(b) The association shall establish adequate reserves, funded on a reasonable basis, for the repair, replacement and restoration of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore. The reserves may be used only for those purposes, including, without limitation, repairing, replacing and restoring roofs, roads and sidewalks, and must not be used for daily maintenance. The association may comply with the provisions of this paragraph through a funding plan that is designed to allocate the costs for the repair, replacement and restoration of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore over a period of years if the funding plan is designed in an actuarially sound manner which will ensure that sufficient money is available when the repair, replacement and restoration of the major components of the common elements or any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore are necessary. Notwithstanding any provision of the governing documents to the contrary, to establish adequate reserves pursuant to this paragraph, including, without limitation, to establish or carry out a funding plan, the executive board may, without seeking or obtaining the approval of the units’ owners, impose any necessary and reasonable assessments against the units in the common-interest community. Any such assessments imposed by the executive board must be based on the study of the reserves of the association conducted pursuant to NRS 116.31152.

3. Any assessment for common expenses or installment thereof that is 60 days or more past due bears interest at a rate equal to the prime rate at the largest bank in Nevada as ascertained by the Commissioner of Financial Institutions on January 1 or July 1, as the case may be, immediately preceding the date the assessment becomes past due, plus 2 percent. The rate
must be adjusted accordingly on each January 1 and July 1 thereafter until the balance is satisfied.

4. Except as otherwise provided in the governing documents:
   (a) Any common expense associated with the maintenance, repair, restoration or replacement of a limited common element must be assessed against the units to which that limited common element is assigned, equally, or in any other proportion the declaration provides;
   (b) Any common expense benefiting fewer than all of the units or their owners may be assessed exclusively against the units or units' owners benefited; and
   (c) The costs of insurance must be assessed in proportion to risk and the costs of utilities must be assessed in proportion to usage.

5. Assessments to pay a judgment against the association may be made only against the units in the common-interest community at the time the judgment was entered, in proportion to their liabilities for common expenses.

6. If damage to a unit or other part of the common-interest community, or if any other common expense is caused by the willful misconduct or gross negligence of any unit's owner, tenant or invitee of a unit's owner or tenant, the association may assess that expense exclusively against his or her unit, even if the association maintains insurance with respect to that damage or common expense, unless the damage or other common expense is caused by a vehicle and is committed by a person who is delivering goods to, or performing services for, the unit's owner, tenant or invitee of the unit's owner or tenant.

7. The association of a common-interest community created before January 1, 1992, is not required to make an assessment against a vacant lot located within the community that is owned by the declarant.

8. If liabilities for common expenses are reallocated, assessments for common expenses and any installment thereof not yet due must be recalculated in accordance with the reallocated liabilities.

9. Notwithstanding any provision of law or the governing documents to the contrary, an association shall not make a capital improvement that costs over $5,000 unless the capital improvement is approved by the unit's owners constituting at least 25 percent of the total number of voting members of the association.

10. The association shall provide written notice to each unit's owner of a meeting at which an assessment for a capital improvement is to be considered or action is to be taken on such an assessment at least 21 calendar days before the date of the meeting. [Deleted by amendment.)

Sec. 7. NRS 116.3116 is hereby amended to read as follows:

116.3116 1. The association has a lien on a unit for any construction penalty that is imposed against the unit's owner pursuant to
NRS 116.310305, any assessment levied against that unit or any fines imposed against the unit’s owner from the time the construction penalty, assessment or fine becomes due. Unless the declaration otherwise provides, any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive, of subsection 1 of NRS 116.3102 are enforceable as assessments under this section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

2. A lien under this section is prior to all other liens and encumbrances on a unit except:
   (a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes or takes subject to;
   (b) A first security interest on the unit recorded before the date on which the assessment sought to be enforced became delinquent or, in a cooperative, the first security interest encumbering only the unit’s owner’s interest and perfected before the date on which the assessment sought to be enforced became delinquent; and
   (c) Liens for real estate taxes and other governmental assessments or charges against the unit or cooperative.

The lien is also prior to all security interests described in paragraph (b) to the extent of any charges incurred by the association on a unit pursuant to NRS 116.310312 and to the extent of the assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 which would have become due in the absence of acceleration during the 9 months immediately preceding institution of an action to enforce the lien, unless federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien. If federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior to all security interests described in paragraph (b) must be determined in accordance with those federal regulations, except that notwithstanding the provisions of the federal regulations, the period of priority for the lien must not be less than the 6 months immediately preceding institution of an action to enforce the lien. This subsection does not affect the priority of mechanics’ or materialmen’s liens, or the priority of liens for other assessments made by the association.

3. Except as otherwise provided in this subsection, any priority accorded to the association’s lien under this section is a priority in right and not merely a priority in payment from the proceeds of the sale of the
unit by a competing lienholder or encumbrancer. The foreclosure by sale of the association’s lien does not extinguish the rights of the holder of:

(a) A first security interest described in paragraph (b) of subsection 2; or
(b) A second mortgage or deed of trust on the unit recorded before the date on which the assessment sought to be enforced became delinquent.

4. The holder of the security interest described in paragraph (b) of subsection 2 or the holder’s authorized agent may establish an escrow account, loan trust account or other impound account for advance contributions for the payment of assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 if the unit’s owner and the holder of that security interest consent to the establishment of such an account. If such an account is established, payments from the account for assessments for common expenses must be made in accordance with the same due dates as apply to payments of such assessments by a unit’s owner.

5. Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority.

6. Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required.

7. A lien for unpaid assessments is extinguished unless judicial proceedings to enforce the lien are instituted within 3 years after the full amount of the assessments becomes due.

8. This section does not prohibit actions to recover sums for which subsection 1 creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

9. A judgment or decree in any action brought under this section must include costs and reasonable attorney’s fees for the prevailing party.

10. The association, upon written request, shall furnish to a unit’s owner a statement setting forth the amount of unpaid assessments against the unit. If the interest of the unit’s owner is real estate or if a lien for the unpaid assessments may be foreclosed under NRS 116.31162 to 116.31168, inclusive, the statement must be in recordable form. The statement must be furnished within 10 business days after receipt of the request and is binding on the association, the executive board and every unit’s owner.

11. In a cooperative, upon nonpayment of an assessment on a unit, the unit’s owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and:
(a) In a cooperative where the owner’s interest in a unit is real estate under NRS 116.1105, the association’s lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

(b) In a cooperative where the owner’s interest in a unit is personal property under NRS 116.1105, the association’s lien:

(1) May be foreclosed as a security interest under NRS 104.9101 to 104.9709, inclusive; or

(2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

11. The association’s lien under this section may be foreclosed pursuant to NRS 40.430 to 40.463, inclusive, in like manner as a mortgage or other lien on real property.

12. In an action by an association to collect assessments or to foreclose a lien created under this section, the court may appoint a receiver to collect all rents or other income from the unit alleged to be due and owing to a unit’s owner before commencement or during pendency of the action. The receivership is governed by chapter 32 of NRS. The court may order the receiver to pay any sums held by the receiver to the association during pendency of the action to the extent of the association’s common expense assessments based on a periodic budget adopted by the association pursuant to NRS 116.3115.

Sec. 7.5. NRS 116.31166 is hereby amended to read as follows:

116.31166 1. The recitals in a deed made pursuant to NRS 116.31164 of:

(a) Default, the mailing of the notice of delinquent assessment, and the recording of the notice of default and election to sell;

(b) The elapsing of the 90 days; and

(c) The giving of notice of sale,

are conclusive proof of the matters recited.

2. Such a deed containing those recitals is conclusive against the unit’s former owner, his or her heirs and assigns, and all other persons. The receipt for the purchase money contained in such a deed is sufficient to discharge the purchaser from obligation to see to the proper application of the purchase money.

3. The sale of a unit pursuant to NRS 116.31162, 116.31163 and 116.31164 vests in the purchaser the title of the unit’s owner without equity or right of redemption subject to any security interest described in paragraph (a) or (b) of subsection 3 of NRS 116.3116.

Sec. 8. NRS 116.4105 is hereby amended to read as follows:

116.4105  If the declaration provides that ownership or occupancy of any units is or may be in time shares, the public offering statement shall disclose, in addition to the information required by NRS 116.4102 and 116.4103:

(1) May be foreclosed as a security interest under NRS 104.9101 to 104.9709, inclusive; or

(2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, inclusive.
1. The number and identity of units in which time shares may be created;
2. The total number of time shares that may be created;
3. The minimum duration of any time shares that may be created; and
4. The extent to which the creation of time shares will or may affect the enforceability of the association’s lien for assessments provided in NRS 116.3116 and 116.31162. (Deleted by amendment.)

Sec. 9. NRS 116.745 is hereby amended to read as follows:

116.745  As used in NRS 116.745 to 116.795, inclusive, unless the context otherwise requires, “violation” means:

2. “Violation” means a violation of:
   1. (a) Any provision of this chapter except NRS 116.31184;
   2. (b) Any regulation adopted pursuant to this chapter; or
   3. (c) Any order of the Commission or a hearing panel. (Deleted by amendment.)

Sec. 10. NRS 116.760 is hereby amended to read as follows:

116.760  1. Except as otherwise provided in this section, a person who is aggrieved by an alleged violation or breach may, not later than 1 year after the person discovers or reasonably should have discovered the alleged violation or breach, file with the Division a written affidavit that sets forth the facts constituting the alleged violation or breach. The affidavit may allege any actual damages suffered by the aggrieved person as a result of the alleged violation or breach.

2. An aggrieved person may not file such an affidavit unless the aggrieved person has provided the respondent by certified mail, return receipt requested, with written notice of the alleged violation or breach set forth in the affidavit. The notice must:
   (a) Be mailed to the respondent’s last known address.
   (b) Specify, in reasonable detail, the alleged violation or breach, any actual damages suffered by the aggrieved person as a result of the alleged violation or breach, and any corrective action proposed by the aggrieved person.

3. A written affidavit filed with the Division pursuant to this section must be:
   (a) On a form prescribed by the Division.
   (b) Accompanied by evidence that:
      (1) The respondent has been given a reasonable opportunity after receiving the written notice to correct the alleged violation or breach; and
      (2) Reasonable efforts to resolve the alleged violation or breach have failed.
4. The Commission or a hearing panel may impose an administrative fine of not more than $1,000 against any person who knowingly files a false or fraudulent affidavit with the Division. (Deleted by amendment.)

Sec. 11. NRS 116.765 is hereby amended to read as follows:

116.765 1. Upon receipt of an affidavit which complies with the provisions of NRS 116.760 and which alleges a breach, the Division shall schedule a hearing on the complaint before the Commission or a hearing panel.

2. Upon receipt of an affidavit which complies with the provisions of NRS 116.760 and which alleges a violation, the Division shall refer the affidavit to the Ombudsman.

3. The Ombudsman shall give such guidance to the parties as the Ombudsman deems necessary to assist the parties to resolve the alleged violation.

4. If the parties are unable to resolve the alleged violation with the assistance of the Ombudsman, the Ombudsman shall provide to the Division a report concerning the alleged violation and any information collected by the Ombudsman during his or her efforts to assist the parties to resolve the alleged violation.

5. Upon receipt of the report from the Ombudsman, the Division shall conduct an investigation to determine whether good cause exists to proceed with a hearing on the alleged violation.

6. If, after investigating the alleged violation, the Division determines that the allegations in the affidavit are not frivolous, false or fraudulent and that good cause exists to proceed with a hearing on the alleged violation, the Administrator shall file a formal complaint with the Commission and schedule a hearing on the complaint before the Commission or a hearing panel. (Deleted by amendment.)

Sec. 12. NRS 116.770 is hereby amended to read as follows:

116.770 1. Except as otherwise provided in subsection 2, if the Administrator files a formal complaint with the Commission or if a hearing concerning a breach is scheduled, the Commission or a hearing panel shall hold a hearing on the complaint or alleged breach not later than 90 days after the date that the complaint alleging a violation or affidavit alleging a breach is filed.

2. The Commission or the hearing panel may continue the hearing upon its own motion or upon the written request of a party to the complaint or affidavit alleging a breach, for good cause shown, including, without limitation, the existence of proceedings for mediation or arbitration or a civil action involving the facts that constitute the basis of the complaint or affidavit alleging a breach.
3. The Division shall give the respondent written notice of the date, time and place of the hearing on the complaint or alleged breach at least 30 days before the date of the hearing. The notice must be:
   (a) Delivered personally to the respondent or mailed to the respondent by certified mail, return receipt requested, to his or her last known address.
   (b) Accompanied by:

The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 427.
AN ACT relating to business; declaring certain records to be confidential; revising provisions governing the state business portal; revising provisions governing applications for certain authorizations to conduct a business in this State issued by state and local agencies and health districts; requiring the Secretary of State to assign a unique business identification number to certain entities and persons under certain circumstances; revising provisions governing the issuance of certain licenses by the Office of the Secretary of State; removing the prohibition against a county clerk refusing to accept for filing certain business certificates in certain circumstances; revising provisions governing the disclosure of certain information by the Employment Security Division of the Department of Employment, Training and Rehabilitation; repealing certain provisions relating to the collection of information from businesses seeking certain authorizations to conduct business in this State; [repealing certain provisions relating to the issuance of certain licenses by incorporated cities and counties] and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Under existing law, the Secretary of State is required to establish the state business portal to facilitate interaction among businesses and governmental agencies in this State by allowing businesses to conduct necessary transactions with governmental agencies in this State through the state business portal. (NRS 75A.100) Section 4 of this bill requires the Secretary of State to: (1) establish common business registration information that may be used by state and local agencies and health districts to conduct necessary transactions with businesses in this State; and (2) cause the state business portal to provide exchange the common business registration information among certain state and local agencies and health districts that conduct necessary transactions with businesses in this State. Section 4 further requires that authorizes state and local agencies and health districts to: (1) integrate their electronic applications processes into the state business portal; (2) use the state business portal to accept and disseminate common business registration information that is needed by the state or local agency or health district to issue a license, certificate, registration, permit or similar type of authorization to conduct a business in this State or to engage in an occupation or profession in this State; (3) make available on the Internet applications for a license, certificate, registration, permit or similar type of authorization to conduct a business in this State or to engage in an occupation or profession in this State and to integrate such applications into the state business portal; and (4) perform certain other actions related to participation in the
state business portal. **Section 4** also specifies that a state or local agency or health district is not required to disseminate or release information if such action would result in the state or local agency or health district violating any provision of state or federal law relating to the confidentiality of information. **Section 3** of this bill deems that the records and files collected as common business registration information by the Secretary of State are confidential and privileged unless an exception applies.

**Section 7** of this bill requires the Secretary of State to assign a unique business identification number to each business entity organized in this State and to each person who is issued a state business license or who claims to be excluded or exempt from the requirement to obtain a state business license. Under **section 4:** (1) the Secretary of State must cause the state business portal to interface with the system used by the Secretary of State to assign business identification numbers; and (2) state and local agencies and health districts that issue licenses, certificates, registration, permits or similar types of authorization to conduct a business in this State or to engage in an occupation or profession in this State must require an applicant for such a license, certificate, registration or permit to include the applicant’s business identification number on the application.

Existing law also requires an applicant for a city or county business license to sign an affidavit or electronically submit an attestation affirming that the business satisfies certain insurance requirements. (NRS 244.33505, 268.0955) **Section 15** of this bill repeals this requirement and **section 6** of this bill instead requires an applicant for a state business license to include with his or her application a signed affidavit or an attestation to affirm that the business maintains certain insurance requirements. **Section 6** further requires that certain information regarding industrial insurance be provided through the state business portal. **Sections 9.5 and 10.5** of this bill provide that if an applicant submits such an attestation electronically via the state business portal, access to certain information regarding industrial insurance must be provided through the state business portal.

Existing law requires certain applicants for the issuance or renewal of certain licenses, certificates or permits by a county, city or town to submit a statement indicating whether the applicant is subject to a court order for the support of a child and whether he or she is in compliance with that order or a plan for the repayment of the money owed pursuant to the order. (NRS 244.33506, 266.358, 266.368, 269.171) **Section 15** repeals this requirement and **section 5.3** of this bill instead requires certain applicants for the issuance or renewal of a state business license to submit such statement with the application for the issuance or renewal of a state business license. **Section 5.7** of this bill requires the Secretary of State to suspend
the state business license of a sole proprietor if the Secretary of State receives a copy of a court order providing for the suspension of the professional and occupational licenses issued to the sole proprietor because the sole proprietor has not complied with certain child support requirements and the sole proprietor does not comply with certain requirements within 30 days.

Section 11 of this bill removes the provision from existing law which prohibits a county clerk, in certain circumstances, from refusing to accept for filing a certificate or renewal certificate concerning persons doing business in this State under an assumed or fictitious name that is filed by a foreign artificial person or persons. Section 12 of this bill authorizes the Employment Security Division of the Department of Employment, Training and Rehabilitation to make certain information available to the Secretary of State for certain purposes related to operating and maintaining the state business portal.

2. The county license boards have the exclusive power in their respective counties to regulate entertainers employed by an entertainment by referral service and the business of conducting a dancing hall, escort service, entertainment by referral service or gambling game or device permitted by law, outside of an incorporated city. The county license boards may fix, impose and collect license taxes for revenue or for regulation, or for both revenue and regulation, on such employment and businesses.

3. A board of county commissioners shall not require that a person who is licensed as a contractor pursuant to chapter 624 of NRS obtain more than one license to engage in the business of contracting or pay more than one license tax related to engaging in the business of contracting, regardless of the number of classifications or subclassifications of licensing for which the person is licensed pursuant to chapter 624 of NRS.

4. The board of county commissioners or county license board shall not require a person to obtain a license or pay a license tax on the sole basis that the person is a professional. As used in this subsection, “professional” means a person who:

7. Any license tax levied for the purposes of NRS 244.3358 or 244A.597 to 244A.655, inclusive, constitutes a lien upon the real and personal property of the business upon which the tax was levied until the tax is paid. The lien has the same priority as a lien for general taxes. The lien must be enforced:
   (a) By recording in the office of the county recorder, within 6 months after the date on which the tax became delinquent or was otherwise determined to be due and owing, a notice of the tax lien containing the following:
      (1) The amount of tax due and the appropriate year;

8. The board of county commissioners may delegate the authority to enforce liens from taxes levied for the purposes of NRS 244A.597 to 244A.655, inclusive, to the county fair and recreation board. If the authority is so delegated, the board of county commissioners shall revoke or suspend the license of a business upon certification by the county fair and recreation board that the license tax has become delinquent, and shall not reinstate the license until the tax is paid. Except as otherwise provided in NRS 239.0115 and 244.3357, all information concerning license taxes levied by an ordinance authorized by this section or other information concerning the business affairs or operation of any licensee obtained as a result of the payment of such license taxes or as the result of any audit or examination of the books by any authorized employee of a county fair and recreation board of the county for any license tax levied for the purpose of NRS 244A.597 to 244A.655, inclusive, is confidential and must not be disclosed by any member, officer or employee of the county fair and recreation board or the county imposing the license tax unless the disclosure is authorized by the affirmative action of a majority of the members of the appropriate county fair and recreation board. Continuing disclosure may be so authorized under an agreement with the Department of Taxation or Secretary of State for the exchange of information concerning taxpayers.

Bill read second time. The following amendment was proposed by the Committee on Taxation:

Amendment No. 361.

AN ACT relating to taxation; authorizing a county, city or town to use that portion of money received by the county, city or town from the imposition of certain motor vehicle fuel taxes for the construction, maintenance and repair of certain rights-of-way within the jurisdiction of the county, city or town; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law provides for the distribution to and use by a county, city or town of the proceeds of certain motor vehicle fuel taxes. (NRS 365.535-365.565) Existing law authorizes counties, cities and towns to use such proceeds for various purposes relating to the construction, maintenance or repair of public roads and highways within the jurisdiction of the county, city or town. Sections 5-8 of this bill generally provide for the uniform use of such proceeds by a county, city or town for the construction, maintenance and repair of a right-of-way within the jurisdiction of the respective county, city or town. Section 3 of this bill defines “construction, maintenance and repair” for the purposes of sections 5-8 to include: (1) any costs, other than administrative costs, that are directly connected with and necessarily incidental to the construction, maintenance and repair of a right-of-way, including, without limitation, the costs of labor, designing any improvement within a right-of-way and inspecting any improvement within a right-of-way; and (2) administrative costs only if those costs are directly incurred by a local government in connection with the construction, maintenance and repair of a right-of-way and are necessary for, and directly incidental to, the completion of the project for the administrative costs are incurred. Section 4 defines “right-of-way” for certain purposes to mean any existing public road, highway, street or alley, and any real property or any interest therein that is acquired, dedicated or reserved for the construction, operation and maintenance of a public road, highway, street or alley.

365.540 1. The money collected, as prescribed by NRS 365.175 and 365.185, from the tax on motor vehicle fuels, other than aviation fuel, after the remittances and deposits have first been made pursuant to the provisions of NRS 365.535, must be placed to the credit of the State Highway Fund by the State Treasurer. An amount equal to that part of the tax collected pursuant to NRS 365.175, which represents 5 cents of the tax per gallon must be used exclusively for the construction, maintenance and repair of public highways, and may not be used to purchase equipment related thereto.

2. The money collected, as prescribed by NRS 365.180 and 365.190, after the remittances and deposits have first been made pursuant to the

Sec. 6. NRS 365.550 is hereby amended to read as follows:

365.550 1. Except as otherwise provided in subsection 2, the receipts of the tax levied pursuant to NRS 365.180 must be allocated monthly by the Department to the counties using the following formula:

(a) Determine the average monthly amount each county received in the Fiscal Year ending on June 30, 2003, and allocate to each county that amount, or if the total amount to be allocated is less than that amount, allocate to each county a percentage of the total amount to be allocated that is equal to the percentage of the total amount allocated to that county in the Fiscal Year ending on June 30, 2003;

(b) If the total amount to be allocated is greater than the average monthly amount all counties received in the Fiscal Year ending on June 30, 2003, determine for each county an amount from the total amount to be allocated using the following formula:

1. Multiply the county’s percentage share of the total state population by 2;
2. Add the percentage determined pursuant to subparagraph (1) to the county’s percentage share of total mileage of improved roads or streets maintained by the county or an incorporated city located within the county;
3. Divide the sum of the percentages determined pursuant to subparagraph (2) by 3; and
4. Multiply the total amount to be allocated by the percentage determined pursuant to subparagraph (3);
(c) Identify each county for which the amount determined pursuant to paragraph (b) is greater than the amount allocated to the county pursuant to paragraph (a) and:

1. Subtract the amount determined pursuant to paragraph (a) from the amount determined pursuant to paragraph (b); and
2. Add the amounts determined pursuant to subparagraph (1) for all counties;
(d) Identify each county for which the amount determined pursuant to paragraph (b) is less than or equal to the amount allocated to the county pursuant to paragraph (a) and:

1. Subtract the amount determined pursuant to paragraph (b) from the amount determined pursuant to paragraph (a); and
(2) Add the amounts determined pursuant to subparagraph (1) for all counties;

(e) Subtract the amount determined pursuant to subparagraph (2) of paragraph (d) from the amount determined pursuant to subparagraph (2) of paragraph (c);

(f) Divide the amount determined pursuant to subparagraph (1) of paragraph (c) for each county by the sum determined pursuant to subparagraph (2) of paragraph (c) for all counties to determine each county’s percentage share of the sum determined pursuant to subparagraph (2) of paragraph (c); and

(g) In addition to the allocation made pursuant to paragraph (a), allocate to each county that is identified pursuant to paragraph (c) a percentage of the total amount determined pursuant to paragraph (e) that is equal to the percentage determined pursuant to paragraph (f).

2. At the end of each fiscal year, the Department shall:

(a) Determine the total amount to be allocated to all counties pursuant to subsection 1 for the current fiscal year; and

(b) Use the proceeds of the tax paid by a dealer, supplier or user for June of the current fiscal year to allocate to each county an amount determined pursuant to subsection 3.

3. If the total amount to be allocated to all the counties determined pursuant to paragraph (a) of subsection 2:

(a) Does not exceed the total amount that was received by all the counties for the Fiscal Year ending on June 30, 2003, the Department shall adjust the final monthly allocation to be made to each county so that each county is allocated a percentage of the total amount to be allocated that is equal to the percentage of the total amount allocated to that county in the Fiscal Year ending on June 30, 2003.

(b) Exceeds the total amount that was received by all counties for the Fiscal Year ending on June 30, 2003, the Department shall:

(1) Identify the total amount allocated to each county for the Fiscal Year ending on June 30, 2003, and the total amount for the current fiscal year determined pursuant to paragraph (a) of subsection 2;

(2) Apply the formula set forth in paragraph (b) of subsection 1 using the amounts in subparagraph (1), instead of the monthly amounts, to determine the total allocations to be made to the counties for the current fiscal year; and

(3) Adjust the final monthly allocation to be made to each county to ensure that the total allocations for the current fiscal year equal the amounts determined pursuant to subparagraph (2).

4. Of the money allocated to each county pursuant to the provisions of subsections 1, 2 and 3:
(a) An amount equal to that part of the allocation which represents 1.25 cents of the tax per gallon must be used exclusively for the service and redemption of revenue bonds issued pursuant to NRS 373.131, for the construction, maintenance and repair of county roads, and for the purchase of equipment for that construction, maintenance and repair, under the direction of the boards of county commissioners of the several counties, and must not be used to defray expenses of administration.

(b) An amount equal to that part of the allocation which represents 2.35 cents of the tax per gallon must be allocated to the county, if there are no incorporated cities in the county, or, if there is at least one incorporated city in the county, allocated monthly by the Department to the county and each incorporated city in the county using, except as otherwise provided in paragraph (c), the following formula:

1. Determine the average monthly amount the county and each incorporated city in the county received in the fiscal year ending on June 30, 2005, and allocate to the county and each incorporated city in the county that amount, or if the total amount to be allocated is less than that amount, allocate to the county and each incorporated city in the county a percentage of the total amount to be allocated that is equal to the percentage of the total amount allocated to that county or incorporated city, as applicable, in the fiscal year ending on June 30, 2005.

2. If the total amount to be allocated is greater than the average monthly amount the county and all incorporated cities within the county received in the fiscal year ending on June 30, 2005, determine for the county and each incorporated city in the county an amount from the total amount to be allocated using the following formula:
   (I) One-fourth in proportion to total area.
   (II) One-fourth in proportion to population.
   (III) One-fourth in proportion to the total mileage of improved roads and streets maintained by the county or incorporated city in the county, as applicable.
   (IV) One-fourth in proportion to vehicle miles of travel on improved roads and streets maintained by the county or incorporated city in the county, as applicable.

   For the purpose of applying the formula, the area of the county excludes the area included in any incorporated city.

3. Identify whether the county or any incorporated city in the county had an amount determined pursuant to subparagraph (2) that was greater than the amount allocated to the county or incorporated city, as applicable, pursuant to subparagraph (1) and, if so:
   (I) Subtract the amount determined pursuant to subparagraph (1) from the amount determined pursuant to subparagraph (2); and
(II) Add the amounts determined pursuant to sub-subparagraph (I) for the county and all incorporated cities in the county.

(4) Identify whether the county or any incorporated city in the county had an amount determined pursuant to subparagraph (2) that was less than or equal to the amount determined for the county or incorporated city, as applicable, pursuant to subparagraph (1) and, if so:

(I) Subtract the amount determined pursuant to subparagraph (2) from the amount determined pursuant to subparagraph (1); and

(II) Add the amounts determined pursuant to sub-subparagraph (I) for the county and all incorporated cities in the county.

(5) Subtract the amount determined pursuant to sub-subparagraph (II) of subparagraph (4) from the amount determined pursuant to sub-subparagraph (II) of subparagraph (3).

(6) Divide the amount determined pursuant to sub-subparagraph (I) of subparagraph (3) for the county and each incorporated city in the county by the sum determined pursuant to sub-subparagraph (II) of subparagraph (3) for the county and all incorporated cities in the county to determine the county’s and each incorporated city’s percentage share of the sum determined pursuant to sub-subparagraph (II) of subparagraph (3).

(7) In addition to the allocation made pursuant to subparagraph (1), allocate to the county and each incorporated city in the county that is identified pursuant to subparagraph (3) a percentage of the total amount determined pursuant to subparagraph (5) that is equal to the percentage determined pursuant to subparagraph (6).

(c) At the end of each fiscal year, the Department shall:

(1) Determine the total amount to be allocated to a county and each incorporated city within the county pursuant to paragraph (b) for the current fiscal year; and

(2) Use the amount equal to that part of the allocation which represents 2.35 cents per gallon of the proceeds of the tax paid by a dealer, supplier or user for June of the current fiscal year to allocate to a county and each incorporated city in the county an amount determined pursuant to paragraph (d).

(d) If the total amount to be allocated to a county and all incorporated cities in the county determined pursuant to subparagraph (1) of paragraph (c):

(1) Does not exceed the total amount that was received by the county and all the incorporated cities in the county for the fiscal year ending on June 30, 2005, the Department shall adjust the final monthly amount allocated to the county and each incorporated city in the county so that the county and each incorporated city is allocated a percentage of the total amount to be allocated that is equal to the percentage of the total amount allocated to that
county or incorporated city, as applicable, in the fiscal year ending on June 30, 2005.

(2) Exceeds the total amount that was received by the county and all incorporated cities in the county for the fiscal year ending on June 30, 2005, the Department shall:

(I) Identify the total amount allocated to the county and each incorporated city in the county for the fiscal year ending on June 30, 2005, and the total amount for the current fiscal year determined pursuant to subparagraph (1) of paragraph (c);

(II) Apply the formula set forth in subparagraph (2) of paragraph (b) using the amounts in sub-subparagraph (I), instead of the monthly amounts, to determine the total allocations to be made to the county and the incorporated cities in the county for the current fiscal year; and

(III) Adjust the final monthly allocation to be made to the county and each incorporated city in the county to ensure that the total allocations for the current fiscal year equal the amounts determined pursuant to sub-subparagraph (II).

5. The amount allocated to the counties and incorporated cities pursuant to subsections 1 to 4, inclusive, must be remitted monthly. The State Controller shall draw his or her warrants payable to the county treasurer of each of the several counties and the city treasurer of each of the several incorporated cities, as applicable, and the State Treasurer shall pay the warrants out of the proceeds of the tax levied pursuant to NRS 365.180.

6. The formula computations must be made as of July 1 of each year by the Department of Motor Vehicles, based on estimates which must be furnished by the Department of Transportation and, if applicable, any adjustments to the estimates determined to be appropriate by the Committee pursuant to subsection 10. Except as otherwise provided in subsection 10, the determination made by the Department of Motor Vehicles is conclusive.

7. The Department of Transportation shall complete:

(a) The estimates of the total mileage of improved roads or streets maintained by each county and incorporated city on or before August 31 of each year.

(b) A physical audit of the information submitted by each county and incorporated city pursuant to subsection 8 at least once every 10 years.

(b) The beginning and ending points and the total mileage of each of those improved roads or streets.
Each county and incorporated city shall, at least 10 days before the list is submitted to the Department of Transportation, hold a public hearing to identify and determine the improved roads and streets maintained by the county or city.

9. If a county or incorporated city does not agree with the estimates prepared by the Department of Transportation pursuant to subsection 7, the county or incorporated city may request that the Committee examine the estimates and recommend an adjustment to the estimates. Such a request must be submitted to the Committee not later than October 15.

10. The Committee shall hold a public hearing and review any request it receives pursuant to subsection 9 and determine whether an adjustment to the estimates is appropriate on or before December 31 of the year it receives a request pursuant to subsection 9. Any determination made by the Committee pursuant to this subsection is conclusive.

11. The Committee shall monitor the fiscal impact of the formula set forth in this section on counties and incorporated cities. Biennially, the Committee shall prepare a report concerning its findings and recommendations regarding that fiscal impact and submit the report on or before February 15 of each odd-numbered year to the Director of the Legislative Counsel Bureau for transmittal to the Senate and Assembly Committees on Taxation of the Nevada Legislature for their review.

2. The receipts must be apportioned by the Department between the county, towns with town boards as organized under NRS 269.016 to 269.019, inclusive, and incorporated cities within the county in the same ratio as the assessed valuation of property within the boundaries of the towns or incorporated cities within the county bears to the total assessed valuation of property within the county, including property within the towns or incorporated cities.

3. Any money apportioned to a county pursuant to subsection 2 must be expended by the county solely for:

Legislative Counsel’s Digest:

Under existing law, a law enforcement agency that has seized a substance that is alleged to be a controlled substance, dangerous drug or immediate precursor may destroy a part of the substance if the agency obtains the prior approval of the district court in the county in which a defendant is charged in connection with the substance. The provisions of this bill are based upon the recommendations presented to the Legislature pursuant to Assembly Bill No. 356. Upon notice from the Department of Corrections that the Department has ceased all operational activities at the Nevada State Prison, section 2 of this bill requires the State Land Registrar, in consultation with Carson City, the Department of Corrections, the Division of Museums and History of the Department of Tourism and Cultural Affairs, the Office of Historic Preservation of the State Department of Conservation and Natural Resources, and the Nevada State Prison Preservation Society to: (1) designate certain property of the Nevada State Prison as historic structures; (2) assign the historic structures of the Nevada State Prison for administration to the Division of Museums and History; and (2) is appropriate for continued administration by the Department of Corrections and which property is appropriate for administration as a historical, cultural, educational and scientific resource; and (2) assign for administration the modern structures of the Nevada State Prison for administration property in the former category to the Silver State Industries Division of the Department of Corrections.

Existing law requires the Board of Museums and History to create and administer the Division of Museums and History Dedicated Trust Fund. (NRS 381.0031, 381.0033) Section 8 of this bill requires the Board to create a similar trust fund for the deposit of certain money that becomes available from grants, donations and gifts to be used for further study and development of the historic property of the Prison. The following amendment was proposed by the Committee on Education:
 amendment No. 478.
SUMMARY—Makes various changes relating to education. Revises provisions governing the financial support of charter schools. (BDR 34-807)

AN ACT relating to education; eliminating the class-size reduction program; creating the Fund for Master Teachers to support a program of incentive pay for teachers, to be administered by the Department of Education; establishing requirements for the program of incentive pay; revising provisions governing the discipline and discharge of public school teachers and administrators; generally abolishing the distinction between probationary and postprobationary employment for teachers and administrators; making an appropriation; revising provisions governing the financial support of charter schools; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law requires the State Board of Education to establish by regulation the maximum pupil-teacher ratio in each grade and for each subject matter taught in each school district in this State. (NRS 387.123) Generally, the ratio of pupils to teachers in kindergarten and grades 1, 2 and 3 must not exceed a specified ratio, and each school district must develop a plan to reduce the ratio within the limits of available financial support. (NRS 388.700-388.725) Sections 3-5, 12, 13 and 18 of this bill repeal these provisions and eliminate existing references to them.

Section 7 of this bill creates the Fund for Master Teachers and directs the Department of Education to establish a program of incentive pay for licensed classroom teachers who have demonstrated exemplary teaching performance. Under the program, a teacher who enters into a contract with the Department to teach in an at-risk school and provide training and mentoring to other teachers must be paid an annual stipend of not less than $150,000 nor more than $200,000, less the salary and monetary benefits otherwise payable to the teacher by the school district in which the teacher is employed. Section 15 of this bill makes an appropriation to the Fund for the support of the program. Section 16 of this bill directs the Department to establish the program as soon as practicable after July 1, 2015, for the purpose of having teachers in their new assignments as soon as practicable after January 1, 2016.

Existing law provides for the evaluation, discipline and discharge of public school teachers and administrators. (NRS 391.311-391.3197) Generally, during a 3-year period, probationary teachers and administrators are subject to more intensive evaluation, have no right to continued employment after any school year, and have limited procedural rights if they are suspended or dismissed during a school year. (NRS 391.3125, 391.3127, 391.3128, 391.3197) The admonition, demotion, suspension, dismissal and nonreemployment provisions that apply to postprobationary teachers and
administrators are generally inapplicable to probationary teachers and administrators. (NRS 391.3115) However, existing law provides that a collective bargaining agreement supersedes these statutory provisions if the agreement contains provisions relating to dismissal and nonreemployment. (NRS 391.3116) Section 10 of this bill generally eliminates the existing distinctions between probationary and postprobationary employees, except for the purposes of the evaluation requirements applicable to them. Notwithstanding the provisions of any collective bargaining agreement or contract of employment to the contrary, section 10 provides that a postprobationary employee has no status or rights of employment different from those of a probationary employee and may be denied reemployment after any school year. Section 10 also provides that a probationary or postprobationary employee may be suspended without pay or dismissed before the completion of a school year for just cause or any cause specified by statute. The provisions of existing law setting forth specific grounds for discipline and discharge, requiring a written admonition and providing for a hearing before a hearing officer are repealed by section 18.

This bill revises the provisions governing the eligibility of a charter school for money other than that provided pursuant to the basic support guarantee from the State Distributive School Account to provide that a charter school is entitled to receive its proportionate share, on a per pupil basis, of any other money provided for other public schools from federal, state or local sources.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

[ Unless a collective bargaining agreement entered into by the governing body pursuant to chapter 288 of NRS contains separate provisions relating to the discipline of licensed employees of a school.] (Deleted by amendment.)

3. Upon the request of the governing body of a charter school, the board of trustees of a school district shall, with the permission of the licensed employee who is seeking employment with the charter school, transmit to the governing body a copy of the employment record of the employee that is maintained by the school district. against the licensed employee.

of a charter school is revoked or a charter contract is terminated, as

employee is on a leave of absence, the employee may return to a comparable
teaching position with the board of trustees. After the third school year, a
licensed employee shall either submit a written request to return to a
comparable teaching position or resign from the position for which the
employee’s leave was granted. The board of trustees shall grant a written
request to return to a comparable position pursuant to this subsection even if
the return of the licensed employee requires the board of trustees to reduce
the existing workforce of the school district. The board of trustees is not
required to accept the return of the licensed employee if the employee does
not comply with or is otherwise not eligible to return to employment
pursuant to subsection 6, including, without limitation, the refusal of the
licensed employee to allow the school district to obtain the employment

trustees may require that a request to return to a comparable teaching position
submitted pursuant to this subsection be submitted at least 90 days before the

286.025  1. Except as otherwise provided by specific statute, “compensation” is the salary paid to a member by the member’s principal public employer.

2. The term includes:

(a) Base pay, which is the monthly rate of pay excluding all fringe benefits.

(b) Additional payment:

(1) As applicable to a member who has an effective date of membership before January 1, 2010, for longevity, shift differential, hazardous duty, work performed on a holiday if it does not exceed the working hours of the normal workweek or pay period for that employee, holding oneself ready for duty while off duty and returning to duty after one’s regular working hours.

(2) As applicable to a member who has an effective date of membership on or after January 1, 2010, for longevity, shift differential, hazardous duty, work performed on a holiday if it does not exceed the working hours of the normal workweek or pay period for that employee, and, holding oneself ready for duty while off duty and returning to duty within 12 hours after one’s regular working hours to respond to an emergency. As used in this subparagraph, “emergency” means a sudden, unexpected occurrence that is
declared by the governing body or chief administrative officer of the public employer to involve clear and imminent danger and require immediate action to prevent and mitigate the endangerment of lives, health or property.

(c) Payment for extra duty assignments if it is the standard practice of the public employer to include such pay in the employment contract or official job description for the calendar or academic year in which it is paid and such pay is specifically included in the member’s employment contract or official job description.

(d) The aggregate compensation paid by two separate public employers if one member is employed half-time or more by one, and half-time or less by the other, if the total does not exceed full-time employment, if the duties of both positions are similar and if the employment is pursuant to a continuing relationship between the employers.

(e) The stipend paid by the Department of Education to a participant in the program of incentive pay established by the Department pursuant to section 7 of this act.

3. The term does not include any type of payment not specifically described in subsection 2.

Sec. 15. There is hereby appropriated from the State General Fund to the Fund for Master Teachers created by section 7 of this act the following sums to support the program of incentive pay established by the Department of Education pursuant to section 7 of this act:

For the Fiscal Year 2015-2016 ........................................... $41,156,278
For the Fiscal Year 2016-2017 ........................................... $81,847,172

Any balance of the sums appropriated by subsection 1 remaining at the end of the respective fiscal years must not be committed for expenditure after June 30 of the respective fiscal years by the entity to which the appropriation is made or any entity to which money from the appropriation is granted or otherwise transferred in any manner, and any portion of the appropriated money remaining must not be spent for any purpose after September 16, 2016, and September 15, 2017, respectively, by either the entity to which the money was appropriated or the entity to which the money was subsequently granted or transferred, and must be reverted to the State General Fund on or before September 16, 2016, and September 15, 2017, respectively.

Sec. 16. The Department of Education shall establish the program of incentive pay required by section 7 of this act as soon as practicable after July 1, 2015, and in any event on or before September 1, 2015.

It is the intention of the Legislature that the program of incentive pay required by section 7 of this act must be implemented as soon as practicable during the 2015-2016 school year so that the benefits of the program may be
realized by teachers and pupils during that school year. Accordingly, notwithstanding any provision of section 7 of this act to the contrary:

(a) The board of trustees of each school district shall make the initial selection of teachers required by subsection 3 of section 7 of this act on or before October 1, 2015, and give the notice required by subsection 4 of that section on or before October 5, 2015.

(b) Any teacher who has been designated as a master teacher and desires to participate in the program must submit to the Department the application required by subsection 5 of section 7 of this act on or before November 1, 2015.

(c) The Department shall make the selection and give the notice required by subsections 6 and 7 of section 7 of this act, respectively, on or before December 1, 2015.

(d) Any teacher who is offered a contract pursuant to subsection 7 of section 7 of this act must sign and return the contract on or before December 15, 2015.

(e) The Department and each school district in this State shall ensure that as many contracted teachers as practicable are working in their new assignments when classes resume after January 1, 2016.

Sec. 17. Insofar as they conflict with the provisions of such an agreement, the amendatory provisions of this act do not apply during the current term of any contract of employment or any collective bargaining agreement entered into before July 1, 2015, but do apply to any extension or renewal of such an agreement and to any agreement entered into on or after July 1, 2015. For the purposes of this section, the term of an agreement ends on the date provided in the agreement, notwithstanding any provision of the agreement that it remains in effect, in whole or in part, after that date until a successor agreement becomes effective.

Sec. 18. NRS 388.700, 388.710, 388.720, 388.725, 391.3116, 201.2107, 201.312, 391.314, 391.315, 391.3161, 391.317, 391.318, 391.3192, 391.3195, 391.3192, and 391.3196 are hereby repealed.

Sec. 19. NRS 386.570 is hereby amended to read as follows:

386.570  1. Each pupil who is enrolled in a charter school, including, without limitation, a pupil who is enrolled in a program of special education in a charter school, must be included in the count of pupils in the school district for the purposes of apportionments and allowances from the State Distributive School Account pursuant to NRS 387.121 to 387.126, inclusive, unless the pupil is exempt from compulsory attendance pursuant to NRS 392.070. A charter school is entitled to receive its proportionate share, on a per pupil basis, of any other money provided for other
public schools from federal, state or local sources. If a charter school receives special education program units directly from this State, the amount of money for special education that the school district pays to the charter school may be reduced proportionately by the amount of money the charter school received from this State for that purpose. The State Board shall prescribe a process which ensures that all charter schools, regardless of the sponsor, have information about all sources of funding for the public schools provided through the Department, including local funds pursuant to NRS 387.1235.

2. All money received by the charter school from this State or from the board of trustees of a school district must be deposited in an account with a bank, credit union or other financial institution in this State. The governing body of a charter school may negotiate with the board of trustees of the school district and the State Board for additional money to pay for services which the governing body wishes to offer.

3. Upon completion of each school quarter, the Superintendent of Public Instruction shall pay to the sponsor of a charter school one-quarter of the yearly sponsorship fee for the administrative costs associated with sponsorship for that school quarter, which must be deducted from the quarterly apportionment to the charter school made pursuant to NRS 387.124. Except as otherwise provided in subsection 4, the yearly sponsorship fee for the sponsor of a charter school must be in an amount of money not to exceed 2 percent of the total amount of money apportioned to the charter school during the school year pursuant to NRS 387.124.

4. If the governing body of a charter school satisfies the requirements of this subsection, the governing body may submit a request to the sponsor of the charter school for approval of a sponsorship fee in an amount that is less than 2 percent but at least 1 percent of the total amount of money apportioned to the charter school during the school year pursuant to NRS 387.124. The sponsor of the charter school shall approve such a request if the sponsor of the charter school determines that the charter school satisfies the requirements of this subsection. If the sponsor of the charter school approves such a request, the sponsor shall provide notice of the decision to the governing body of the charter school and the Superintendent of Public Instruction. If the sponsor of the charter school denies such a request, the governing body of the charter school may appeal the decision of the sponsor to the Superintendent of Public Instruction. Upon appeal, the sponsor of the charter school and the governing body of the charter school are entitled to present evidence. The decision of the Superintendent of Public Instruction on the appeal is final and is not subject to judicial review. The governing body
of a charter school may submit a request for a reduction of the sponsorship fee pursuant to this subsection if:
(a) The charter school satisfies the requirements of subsection 1 of NRS 386.5515; and
(b) There has been a decrease in the duties of the sponsor of the charter school that justifies a decrease in the sponsorship fee.
5. To determine the amount of money for distribution to a charter school in its first year of operation, the count of pupils who are enrolled in the charter school must initially be determined 30 days before the beginning of the school year of the school district, based on the number of pupils whose applications for enrollment have been approved by the charter school. The count of pupils who are enrolled in the charter school must be revised on the last day of the first school month of the school district in which the charter school is located for the school year, based on the actual number of pupils who are enrolled in the charter school. Pursuant to subsection 5 of NRS 387.124, the governing body of a charter school may request that the apportionments made to the charter school in its first year of operation be paid to the charter school 30 days before the apportionments are otherwise required to be made.
6. If a charter school ceases to operate as a charter school during a school year, the remaining apportionments that would have been made to the charter school pursuant to NRS 387.124 for that year must be paid on a proportionate basis to the school districts where the pupils who were enrolled in the charter school reside.
7. The governing body of a charter school may solicit and accept donations, money, grants, property, loans, personal services or other assistance for purposes relating to education from members of the general public, corporations or agencies. The governing body may comply with applicable federal laws and regulations governing the provision of federal grants for charter schools. The State Public Charter School Authority may assist a charter school that operates exclusively for the enrollment of pupils who receive special education in identifying sources of money that may be available from the Federal Government or this State for the provision of educational programs and services to such pupils.

Sec. 19. Sec. 20. This act becomes effective on July 1, 2015.

AN ACT relating to drivers’ licenses; authorizing reciprocal agreements with certain other countries concerning the licensing of drivers; and providing other matters properly relating thereto.

Existing law authorizes the Department of Motor Vehicles to issue a Nevada driver’s license to an applicant who has a valid driver’s license from a state which has requirements for the issuance of drivers’ licenses which are comparable to those of this State. Existing law also authorizes the Director of the Department, acting as the Administrator, to enter into reciprocal agreements with the appropriate officials of other states concerning the licensing of drivers of motor vehicles. (NRS 483.245) Section 1 of this bill authorizes the Department to issue a Nevada driver’s license to an applicant who has a valid driver’s license from a country which has requirements for the issuance of drivers’ licenses which are comparable to those of this State, and authorizes the Director to enter into reciprocal agreements with the appropriate officials of other countries. (Section 2 of this bill makes a conforming change.) Section 3 of this bill requires the Director, in recognition of the 30th anniversary of the sister-state relationship between this State and the Republic of China (Taiwan), to begin negotiations as soon as practicable with the Director General of the Taipei Economic and Cultural Office in San Francisco for reciprocity in issuing drivers’ licenses to: (1) residents of this State who reside in the Republic of China (Taiwan); and (2) Taiwanese citizens who reside in this State.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 624.

AN ACT relating to tow cars; prohibiting operators of tow cars from towing certain vehicles to any location other than a designated vehicle storage lot under certain circumstances; revising provisions relating to operators of tow cars; providing civil and criminal penalties; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law authorizes an insurance company to designate vehicle storage lots to which certain vehicles insured by the insurance company must be towed under certain circumstances. Existing law also requires an operator of a tow car who fails to tow a vehicle to a vehicle storage lot designated by an insurance company to forfeit the charge for towing and storage of the vehicle and tow the vehicle free of charge to the designated lot. (NRS 706.4489) **Section 3** of this bill prohibits an operator of a tow car from:

1. towing a vehicle, or seeking authorization from the owner or operator of a vehicle to tow the vehicle, to a location other than a vehicle storage lot designated by the insurance company that provides coverage for the vehicle, unless the
owner or operator of the vehicle directs the operator of the tow car to
tow the vehicle to a location that is not a vehicle storage lot pursuant to
section 16 of this bill; or (2) seeking authorization from an owner or
operator of a vehicle to tow the vehicle to a location other than the
designated vehicle storage lot. Section 3 also imposes civil penalties on an
operator of a tow car who fails to tow certain vehicles to certain vehicle
storage lots designated by an insurance company.

Existing law requires a law enforcement officer to make a good faith effort
to determine the identity of the insurance company that provides coverage for
the vehicle before the vehicle is towed. (NRS 706.4489) Section 16 of this
bill requires the operator of a tow car to make a good faith effort to
determine the identity of the insurance company that provides coverage for
the vehicle if the law enforcement officer does not communicate that
information to the operator. Section 16 also requires the operator of a tow
car to: (1) retain any documents provided by a law enforcement officer
indicating the identity of the insurance company that provides coverage
for the vehicle; and (2) provide copies of such documents to a vehicle
storage lot upon delivery of the vehicle to the vehicle storage lot.

Section 16 additionally prohibits an owner or operator of a vehicle
from directing an operator of a tow car to tow the vehicle to a vehicle
storage lot other than the vehicle storage lot designated by the insurance
company, but authorizes an owner or operator of a vehicle to direct an
operator of a tow car to tow the vehicle to a location other than a vehicle
storage lot. If an owner or operator of a vehicle directs an operator of a
tow car to tow the vehicle to such a location, the owner or operator of the
vehicle must confirm in writing that: (1) he or she directed the operator
of the tow car to tow the vehicle to such a location; and (2) the operator
of the tow car did not solicit the owner or operator of the vehicle to tow
the vehicle to such a location. The operator of the tow car is required to
retain such written documentation.

Existing law requires an operator of a tow car to maintain a dispatcher’s
log identifying certain information for each vehicle towed. (NRS 706.4465)
Section 13 of this bill requires an operator to record the insurance company
of each vehicle towed if such information is known.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 706 of NRS is hereby amended by adding thereto the
provisions set forth as sections 2 and 3 of this act.

Sec. 2. As used in NRS 706.445 to 706.453, inclusive, and sections 2
and 3 of this act, “insurance company” means any entity authorized to
provide insurance for motor vehicles in this State, including, without
limitation, a captive insurer, as defined in NRS 694C.060, and a person qualified as a self-insurer, pursuant to NRS 485.380.

Sec. 3. 1. Except as otherwise provided in NRS 706.4489, an operator of a tow car who is required to tow a vehicle to a designated vehicle storage lot pursuant to NRS 706.4489 that section shall not tow the vehicle to another location. If an operator of a tow car fails to tow a vehicle to the designated vehicle storage lot when required pursuant to NRS 706.4489, the operator of the tow car must:
   (a) Forfeit the charge for towing and storage of the vehicle; and
   (b) Tow the vehicle free of charge to the vehicle storage lot designated by the insurance company or its representative not later than 24 hours after receiving a demand, which must be made in writing or by electronic mail, from the insurance company or its representative.

2. An operator of a tow car who is required to tow a vehicle to a designated vehicle storage lot pursuant to NRS 706.4489 shall not solicit the owner or operator of the vehicle to divert the towing of the vehicle to a location other than the designated vehicle storage lot or solicit or market other services performed by a third party. Towing services performed pursuant to a request or demand by the owner or operator of a vehicle that the vehicle be towed to a location other than the designated vehicle storage lot does not relieve the operator of a tow car of any obligation relating to towing services performed without the prior consent of the owner or operator of a vehicle.

3. If an operator of a tow car violates the provisions of subsection 1 or 2, the Authority may:
   (a) For a first offense, impose an administrative fine of not more than $5,000.
   (b) For a second offense within a period of 24 consecutive months:
      (1) Impose an administrative fine of not more than $10,000; and
      (2) Suspend the certificate of public convenience and necessity of the operator for a period of not more than 1 year.
   (c) For a third or subsequent offense within a period of 24 consecutive months:
      (1) Impose an administrative fine of not more than $15,000; and
      (2) Suspend the certificate of public convenience and necessity of the operator for a period of not more than 1 year or revoke the certificate.
   (d) For a fourth or subsequent offense within a period of 24 consecutive months, impose an administrative fine of not more than $20,000.
4. Before taking any administrative action authorized by imposing a fine pursuant to subsection 3, the Authority shall provide notice to the holder of the certificate of public convenience and necessity and conduct a hearing pursuant to the provisions of chapter 233B of NRS and NRS 706.286.

5. If a vehicle is insured by an insurance company that has designated one or more vehicle storage lots pursuant to NRS 706.4489 and an operator of a tow car does not tow the vehicle to a designated vehicle storage lot, the burden of proof in a hearing held pursuant to subsection 4 is on the operator of the tow car to demonstrate that he or she did not know the identity of the insurance company or that the insurance company had designated a vehicle storage lot.

6. All administrative fines imposed and collected by the Authority pursuant to this section are payable to the State Treasurer and must be credited to a separate account to be used by the Authority to enforce the provisions of this chapter.

Sec. 4. NRS 706.011 is hereby amended to read as follows:

706.011 As used in NRS 706.011 to 706.791, inclusive, and sections 2 and 3 of this act, unless the context otherwise requires, the words and terms defined in NRS 706.013 to 706.146, inclusive, have the meanings ascribed to them in those sections.

Sec. 5. NRS 706.158 is hereby amended to read as follows:

706.158 The provisions of NRS 706.011 to 706.791, inclusive, and sections 2 and 3 of this act relating to brokers do not apply to any person whom the Authority determines is:

1. A motor club which holds a valid certificate of authority issued by the Commissioner of Insurance;
2. A bona fide charitable organization, such as a nonprofit corporation or a society, organization or association for educational, religious, scientific or charitable purposes; or
3. A broker of transportation services provided by an entity that is exempt pursuant to NRS 706.745 from the provisions of NRS 706.386 or 706.421.

Sec. 6. NRS 706.163 is hereby amended to read as follows:

706.163 The provisions of NRS 706.011 to 706.861, inclusive, and sections 2 and 3 of this act do not apply to vehicles leased to or owned by:

1. The Federal Government or any instrumentality thereof.
2. Any state or a political subdivision thereof.

Sec. 7. NRS 706.166 is hereby amended to read as follows:

706.166 The Authority shall:

1. Subject to the limitation provided in NRS 706.168 and to the extent provided in this chapter, supervise and regulate:
(a) Every fully regulated carrier and broker of regulated services in this State in all matters directly related to those activities of the motor carrier and broker actually necessary for the transportation of persons or property, including the handling and storage of that property, over and along the highways.

(b) Every operator of a tow car concerning the rates and charges assessed for towing services performed without the prior consent of the operator of the vehicle or the person authorized by the owner to operate the vehicle and pursuant to the provisions of NRS 706.011 to 706.791, inclusive, and sections 2 and 3 of this act.

2. Supervise and regulate the storage of household goods and effects in warehouses and the operation and maintenance of such warehouses in accordance with the provisions of this chapter and chapter 712 of NRS.

3. Enforce the standards of safety applicable to the employees, equipment, facilities and operations of those common and contract carriers subject to the Authority or the Department by:
   (a) Providing training in safety;
   (b) Reviewing and observing the programs or inspections of the carrier relating to safety; and
   (c) Conducting inspections relating to safety at the operating terminals of the carrier.

4. To carry out the policies expressed in NRS 706.151, adopt regulations providing for agreements between two or more fully regulated carriers or two or more operators of tow cars relating to:
   (a) Fares of fully regulated carriers;
   (b) All rates of fully regulated carriers and rates of operators of tow cars for towing services performed without the prior consent of the owner of the vehicle or the person authorized by the owner to operate the vehicle;
   (c) Classifications;
   (d) Divisions;
   (e) Allowances; and
   (f) All charges of fully regulated carriers and charges of operators of tow cars for towing services performed without the prior consent of the owner of the vehicle or the person authorized by the owner to operate the vehicle, including charges between carriers and compensation paid or received for the use of facilities and equipment.

   These regulations may not provide for collective agreements which restrain any party from taking free and independent action.

5. Review decisions of the Taxicab Authority appealed to the Authority pursuant to NRS 706.8819.

Sec. 8. NRS 706.286 is hereby amended to read as follows:
706.286 1. When a complaint is made against any fully regulated carrier or operator of a tow car by any person that:
   (a) Any of the rates, tolls, charges or schedules, or any joint rate or rates assessed by any fully regulated carrier or by any operator of a tow car for towing services performed without the prior consent of the owner of the vehicle or the person authorized by the owner to operate the vehicle are in any respect unreasonable or unjustly discriminatory;
   (b) Any of the provisions of NRS 706.445 to 706.453, inclusive, and sections 2 and 3 of this act have been violated;
   (c) Any regulation, measurement, practice or act directly relating to the transportation of persons or property, including the handling and storage of that property, is, in any respect, unreasonable, insufficient or unjustly discriminatory; or
   (d) Any service is inadequate,
→ the Authority shall investigate the complaint. After receiving the complaint, the Authority shall give a copy of it to the carrier or operator of a tow car against whom the complaint is made. Within a reasonable time thereafter, the carrier or operator of a tow car shall provide the Authority with its written response to the complaint according to the regulations of the Authority.

2. If the Authority determines that probable cause exists for the complaint, it shall order a hearing thereof, give notice of the hearing and conduct the hearing as it would any other hearing.

3. No order affecting a rate, toll, charge, schedule, regulation, measurement, practice or act complained of may be entered without a formal hearing unless the hearing is dispensed with as provided in NRS 706.2865.

3. Upon receipt of a written complaint or on its own motion, the Authority may, after investigation and hearing, revoke any certificate, permit or license. If service of the notice required by subsection 2 cannot be made or if the grantee relinquishes the grantee’s interest in the certificate, permit or license by so notifying the Authority in writing, the Authority may revoke the certificate, permit or license without a hearing.

The Authority, upon application of any carrier, may prescribe a shorter time within which changes may be made. The 30 days’ notice is not applicable when the carrier gives written notice to the Authority 10 days before the effective date of its participation in a tariff bureau’s rates and tariffs, provided the rates and tariffs have been previously filed with and approved by the Authority.
4. The Authority may at any time, upon its own motion, investigate any of the rates, fares, charges, regulations, practices and services filed pursuant to this section and, after hearing, by order, make such changes as may be just and reasonable.

5. The Authority may dispense with the hearing on any change requested in rates, fares, charges, regulations, practices or service filed pursuant to this section.

2. A person who wishes to obtain a certificate of public convenience and necessity to operate a tow car must:

(a) File an application with the Authority; and

(b) Submit to the Authority a complete set of fingerprints of each natural person who is identified by the Authority as a significant principal, partner, officer, manager, member, director or trustee of the applicant and written permission authorizing the Authority to forward the fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its report.

Sec. 12. NRS 706.4464 is hereby amended to read as follows:

706.4464 1. An operator of a tow car who is issued a certificate of public convenience and necessity may transfer it to another operator of a tow car qualified pursuant to the provisions of NRS 706.011 to 706.791, inclusive, and sections 2 and 3 of this act, but no such transfer is valid for any purpose until a joint application to make the transfer is made to the Authority by the transferor and the transferee, and the Authority has authorized the substitution of the transferee for the transferor. The application must include a complete set of fingerprints of each natural person who is identified by the Authority as a significant principal, partner, officer, manager, member, director or trustee of the transferee and written permission authorizing the Authority to forward the fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its report. No transfer of stock of a corporate operator of a tow car subject to the jurisdiction of the Authority is valid without the prior approval of the Authority if the effect of the transfer would be to change the corporate control of the operator of a tow car or if a transfer of 15 percent or more of the common stock of the operator of a tow car is proposed.

2. The Authority shall approve an application filed with it pursuant to subsection 1 if it determines that the transferee:

schedules and tariffs pursuant to NRS 706.321 which contain rates and
charges and the terms and conditions that the operator of the tow car requires
to perform towing services without the prior consent of the owner of the
vehicle or the person authorized by the owner to operate the vehicle which do
not exceed the rates and charges that the transferor was authorized to assess
for the same services.
3. The Authority may hold a hearing concerning an application submitted
pursuant to this section only if:
   (a) Upon the expiration of the time fixed in the notice that an application
for transfer of a certificate of public convenience and necessity is pending, a
petition to intervene has been granted by the Authority; or
   (b) The Authority finds that after reviewing the information provided by
the applicant and inspecting the operations of the applicant, it cannot make a
determination as to whether the applicant has complied with the requirements
of subsection 2.
4. The Authority shall not hold a hearing on an application submitted
pursuant to this section if the application is made to transfer the certificate of
public convenience and necessity from a natural person or partners to a
corporation whose controlling stockholders will be substantially the same
person or partners.
5. The approval by the Authority of an application for transfer of a
certificate of public convenience and necessity of an operator of a tow car is
not valid after the expiration of the term for the transferred certificate.

**Sec. 14.** NRS 706.4483 is hereby amended to read as follows:

706.4483 1. The Authority shall act upon complaints regarding the failure of an operator of a tow car to comply with the provisions of NRS 706.011 to 706.791, inclusive, and sections 2 and 3 of this act.

2. In addition to any other remedies that may be available to the Authority to act upon complaints, the Authority may order the release of towed motor vehicles, cargo or personal property upon such terms and conditions as the Authority determines to be appropriate.

**Sec. 15.** NRS 706.4487 is hereby amended to read as follows:

706.4487 The Legislature hereby finds and declares that:

1. Towing a vehicle, either after an accident or after the vehicle is stolen and subsequently recovered, to a vehicle storage lot designated by the insurer of the vehicle will result in the placement of vehicle storage lots in more locations, as insurance companies will designate as many vehicle storage lots as are necessary to provide coverage throughout the county, thus enhancing safety by limiting both the time and distance that a tow car is traveling with a towed vehicle.

2. Authorizing insurance companies to designate vehicle storage lots will enhance safety by ensuring that the vehicles towed thereto are stored in locations which:
   (a) Guarantee safe access to the vehicles by their owners; and
   (b) Protect the property of the owners of the vehicles, including, without limitation, the vehicles themselves.

3. The provisions of NRS 706.4489 and section 3 of this act constitute an exercise of the safety regulatory authority of this State with respect to motor vehicles.

**Sec. 16.** NRS 706.4489 is hereby amended to read as follows:

706.4489 1. An insurance company may designate one or more vehicle storage lots to which all vehicles that are towed at the request of a law enforcement officer:

   (a) Following an accident; or
   (b) Following recovery after having been stolen,
   and which are insured by that insurance company must be towed pursuant to subsection 2. The designation of a vehicle storage lot must be provided in writing by the insurance company, its representative or the owner or operator of the vehicle storage lot to all providers of towing services that have obtained a certificate of public convenience and necessity and operate in the
same geographical area in which the designated vehicle storage lot is situated.

2. If a law enforcement officer requests that an operator of a tow car tow a vehicle following an accident or following recovery after having been stolen and the vehicle is not otherwise subject to impoundment, the law enforcement officer shall make a good faith effort to determine the identity of the insurance company that provides coverage for the vehicle. If the law enforcement officer determines the identity of the insurance company, he or she shall inform the operator of the tow car of the identity of the insurance company. **If the law enforcement officer does not inform the operator of the tow car of the identity of the insurance company, the operator of the tow car shall make a good faith effort to determine the identity of the insurance company from the law enforcement officer and the owner or operator of the vehicle.** If the operator of the tow car:

(a) Is informed by a law enforcement officer of the identity of the insurance company that provides coverage for the vehicle; or

(b) Otherwise determines the identity of the insurance company that provides coverage for the vehicle, and the insurance company has designated a vehicle storage lot pursuant to subsection 1, the operator of the tow car shall tow the vehicle to the designated vehicle storage lot unless the owner or operator of the vehicle, pursuant to subsection 4, or a representative of the insurance company has directed otherwise. The owner or operator of the vehicle shall be deemed to have consented to towing the vehicle to the vehicle storage lot designated by the insurance company that provides coverage for the vehicle.

3. If an operator of a tow car fails to tow a vehicle to the designated vehicle storage lot pursuant to subsection 2, the operator of the tow car shall:

(a) Forfeit the charge for towing and storage of the vehicle; and

(b) Tow the vehicle free of charge to the vehicle storage lot designated by the insurance company or its representative not later than 24 hours after receiving a demand, which must be made in writing or by electronic mail, from the insurance company or its representative. The operator of a tow car shall retain any documents provided by a law enforcement officer pursuant to subsection 2 indicating the identity of the insurance company that provides coverage for a vehicle that is towed at the request of the law enforcement officer. The operator of a tow car shall provide copies of such documents to a vehicle storage lot upon delivery of the vehicle to the vehicle storage lot.

4. **An owner or operator of a vehicle shall not direct an operator of a tow car to tow the vehicle to a vehicle storage lot other than the vehicle storage lot designated by the insurance company pursuant to subsection 1, but may direct an operator of a tow car to tow the vehicle to a location**
other than a vehicle storage lot. If an owner or operator of a vehicle directs
an operator of a tow car to tow the vehicle to such a location, the operator
of the tow car shall require the owner or operator of the vehicle to confirm
in writing that he or she directed the operator of the tow car to tow the
vehicle to a location other than the designated vehicle storage lot and that
the operator of the tow car did not solicit the owner or operator of the
vehicle in violation of subsection 2 of section 3 of this act. The operator of
the tow car shall retain such written documentation.

5. The owners of a vehicle storage lot designated by an insurance
company pursuant to subsection 1 shall agree in writing to indemnify the
relevant law enforcement agencies and their officers, employees, agents and
representatives from any liability relating to the towing of a vehicle insured
by the designating insurance company and to the storing of the vehicle at the
vehicle storage lot if the law enforcement officer who requested the towing
of the vehicle made a good faith effort to comply with the provisions of
subsection 2.

6. A vehicle storage lot must:
(a) Maintain adequate, accessible and secure storage within the State of
Nevada for any vehicle that is towed to the vehicle storage lot;
(b) Comply with all standards a law enforcement agency may adopt
pursuant to NRS 706.4485 to protect the health, safety and welfare of the
public;
(c) Comply with all local laws and ordinances applicable to that business,
including, without limitation, local laws and ordinances relating to business
licenses, zoning, building and fire codes, parking, paving, lights and security;
and
(d) If the vehicle storage lot is a salvage pool as that term is defined in
NRS 487.400, comply with all applicable requirements imposed pursuant to
NRS 487.400 to 487.510, inclusive.

7. If a vehicle storage lot has rates and charges that have been
approved by the Authority for the storage of a vehicle, the vehicle storage lot
is not required to assess those rates and charges for the storage of a vehicle
that is towed to the vehicle storage lot in accordance with this section, but
may not assess a rate or charge in excess of those approved rates and charges.
If a vehicle storage lot does not have rates and charges that have been
approved by the Authority, it may not assess a rate or charge in excess of the
rates and charges for the storage of a vehicle that have been approved by the
law enforcement agency that requested the tow. If the requesting law
enforcement agency does not have approved rates and charges, the vehicle
storage lot may not assess a rate or charge in excess of the rates and charges
for the storage of a vehicle that have been approved by the largest law
enforcement agency in the county. An operator of a tow car who tows a vehicle to a vehicle storage lot pursuant to this section:

(a) Shall assess the rates and charges approved by the Authority for towing the vehicle.

(b) Is entitled to payment from the operator of the vehicle storage lot at the time the vehicle is towed to the vehicle storage lot.

Before designating a vehicle storage lot pursuant to subsection 1, an insurance company must obtain the approval of the Authority. The Authority shall approve the designation if the Authority determines that the vehicle storage lot has:

(a) Executed an indemnification agreement that meets the requirements of subsection 5;
(b) Satisfied the requirements of subsection 6; and
(c) Otherwise satisfied the requirements of this section.

The provisions of this section apply only to a county whose population is 700,000 or more.

The term does not include a salvage pool that has not elected to operate a vehicle storage lot in accordance with the provisions of this section and is operating within the scope of its authority pursuant to NRS 487.400 to 487.510, inclusive.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 547.

AN ACT relating to real property; establishing supplemental procedures for the retaking of a dwelling subject to housebreaking or unlawful entry; establishing procedures for the retaking of a dwelling subject to forcible entry or forcible detainer; revising provisions relating to unlawful detainer; establishing the criminal offenses of housebreaking, unlawful entry and unlawful reentry; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law sets forth procedures for the removal of a tenant who is guilty of forcible entry, forcible detainer or unlawful detainer. (NRS 40.230, 40.240, 40.280-40.420) Section 23 of this bill revises provisions governing the service of a notice to surrender by: (1) providing for different posting and mailing requirements; (2) eliminating the requirement that a witness be present for service if notice is served by a sheriff, constable or licensed process server; and (3) revising the contents of proof of service that must be filed with a court.

Sections 19 and 20 of this bill revise these procedures as they relate to the contents of certain notices served upon a tenant and the commencement and conduct of court proceedings in contested cases.

Existing law identifies the various acts which constitute a tenant’s neglect or failure to perform any condition or covenant of the
lease or agreement under which property is held constitutes unlawful detainer and warrants the commencement of proceedings to remove the tenant. (NRS 40.250) Section 17 of this bill reorganizes these provisions by act, tenancy and type, revises the types of property to which these provisions apply and specifies the regular and summary procedures, if applicable, by which a landlord may remove a tenant from the property.

Existing law describes conduct which constitutes forcible entry and forcible detainer. (NRS 40.230, 40.240) Sections 11 and 12 of this bill revise the definitions of “forcible entry” and “forcible detainer,” establish requirements relating to a notice to surrender that must be served upon a person who commits forcible entry or forcible detainer and authorize the entry of judgment for three times the amount of actual damages for such offenses under certain circumstances. Section 2 of this bill establishes a procedure by which an owner of a dwelling that is the object of a forcible entry or forcible detainer, housebreaking or unlawful occupancy, may retake possession of and change the locks on the dwelling. Section 4 of this bill establishes a procedure by which an occupant who has been locked out of a dwelling may seek to recover possession of the dwelling.

Sections 45-48 of this bill set forth the acts which constitute the criminal offenses of housebreaking, unlawful occupancy and unlawful reentry and the penalties that attach upon conviction. Section 3 of this bill establishes a procedure by which the owner of a dwelling that was subject to housebreaking or unlawful forcible entry or forcible detainer may seek to recover possession of and change the locks on the dwelling.

Section 56 of this bill repeals a provision that authorizes treble damages in a recovery for a forcible or unlawful entry to certain types of real property.

(2) That if the court determines that the unlawful or unauthorized occupant is guilty of a forcible entry or forcible detainer, the court may issue a summary order for removal of the unlawful or unauthorized occupant or an order providing for the nonadmittance of the unlawful or unauthorized occupant, directing the sheriff or constable of the county to remove the unlawful or unauthorized occupant within 24 hours after the sheriff’s or constable’s receipt of the order from the court.

The unlawful
or unauthorized occupant must pay the owner, an authorized representative of the owner or occupant for the reasonable and actual costs of inventory, moving and storage of the personal property before the personal property will be released to the unlawful or unauthorized occupant.

4. Upon service of the written notice to surrender pursuant to subsection 3, the unlawful or unauthorized occupant shall:

(a) Before the expiration of the notice, surrender the real property to the owner of the real property, an authorized representative of the owner or the occupant who is authorized by the owner to be in possession of the real property, in which case an affidavit of complaint may not be filed pursuant to subsection 5 and a summary order for removal or nonadmittance may not be issued pursuant to subsection 6; or

(b) Request that the court stay the execution of a summary order for removal, stating the reasons why such a stay is warranted; or

(c) Contest the matter by filing, before the court’s close of business on the third judicial day following service of the notice to surrender, an affidavit with the court that has jurisdiction over the matter stating the reasons that the unlawful or unauthorized occupant is not guilty of a forcible entry or forcible detainer. A file-stamped copy of the affidavit must be served by mail upon the issuer of the notice to surrender.

5. Upon expiration of the written notice to surrender, the owner of the real property, an authorized representative of the owner or the occupant who is authorized by the owner to be in possession of the real property may apply by affidavit of complaint for eviction to the justice court of the township in which the real property is located or the district court of the county in which the real property is located, whichever has jurisdiction over the matter. determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If:

(a) The unlawful or unauthorized occupant has failed to timely file an affidavit contesting the matter pursuant to paragraph (b) (c) of subsection 4 and the court determines that sufficient evidence has been set forth in the affidavit of complaint to demonstrate that a forcible entry or forcible detainer has been committed by the unlawful or unauthorized occupant, the court must issue an order directing the sheriff or constable of the county to remove the unlawful or unauthorized occupant within 24 hours after the sheriff’s or constable’s receipt of the order from the court.

(b) The unlawful or unauthorized occupant has timely filed an affidavit contesting the matter pursuant to paragraph (b) (c) of subsection 4 and the court determines that the affidavit fails to raise an element of a legal defense regarding the alleged forcible entry or forcible detainer, the court may rule on the matter without a hearing. If the court determines that sufficient evidence has been set forth in the affidavit of complaint to demonstrate that a forcible entry or forcible detainer has been committed by the unlawful or unauthorized occupant, the court must issue an order directing the sheriff or constable of the county to remove the unlawful or unauthorized occupant within 24 hours after the sheriff’s or constable’s receipt of the order from the court, unless the court has stayed the execution of the order pursuant to a request pursuant to paragraph (b) of subsection 4.

(c) The unlawful or unauthorized occupant has timely filed an affidavit contesting the matter pursuant to paragraph (b) (c) of subsection 4 and the court determines that the affidavit raises an element of a legal defense regarding the alleged forcible entry or forcible detainer, the court must require the parties to appear at a hearing to determine the truthfulness and sufficiency of the evidence set forth in any affidavit. Such a hearing must be held within 7 judicial days after the filing of the affidavit of complaint.

(d) Upon review of the affidavits of any party or upon hearing, the court determines that:

(1) There is a legal defense as to the alleged forcible entry or forcible detainer, the court must refuse to grant either party any relief and, except as otherwise provided in this subsection, must require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive, and sections 2, 3 and 4 of this act.

(2) The unlawful or unauthorized occupant gained entry or possession of the real property peaceably and as a result of an invalid lease, fraudulent act or misrepresentation by a person without the authority of the owner of the real property, the court may issue a summary order for
the removal of the unlawful or unauthorized occupant but also may, within
the discretion of the court, stay such order for a period sufficient to allow
the unlawful or unauthorized occupant to vacate and remove his or her
personal property. This period may not exceed 20 days.

7. The owner of the real property, an authorized representative of the
owner or the occupant who is authorized by the owner to be in possession
of the real property may, without incurring any civil or criminal liability,
dispose of personal property abandoned on the real property by an
unlawful or unauthorized occupant who is ordered removed by this section
in the following manner:

(a) The owner of the real property, an authorized representative of the
owner or the occupant who is authorized by the owner to be in possession
of the real property shall reasonably provide for the safe storage of the
abandoned personal property for 21 calendar days after the removal of
the unlawful or unauthorized occupant or the surrender of the real
property in compliance with a written notice to surrender, whichever comes
first, and may charge and collect the reasonable and actual costs of
inventory, moving and storage before releasing the abandoned personal
property to the unlawful or unauthorized occupant or his or her authorized
representative rightfully claiming the property within that period. The
owner or the occupant is liable to the unlawful or unauthorized occupant
only for negligent or wrongful acts in storing the abandoned personal
property.

(b) After the expiration of the 21-day period, the owner of the
real property, an authorized representative of the owner or the occupant
who is authorized by the owner to be in possession of the real property may
dispose of the abandoned personal property and recover his or her
reasonable costs out of the personal property or the value thereof.

(c) Vehicles must be disposed of in the manner provided in chapter 487
of NRS for abandoned vehicles.

(d) Any dispute relating to the amount of the costs claimed by the owner
of the real property, an authorized representative of the owner or the
occupant who is authorized by the owner to be in possession of the real
property pursuant to paragraph (a) may be resolved by the court pursuant
to a motion filed by the unlawful or unauthorized occupant and the
payment of the appropriate fees relating to the filing and service of the
motion. The motion must be filed within 14 calendar days after the removal
of the unlawful or unauthorized occupant or the surrender of the real
property in compliance with a written notice to surrender, whichever comes
first. Upon the filing of a motion by the unlawful or unauthorized occupant
pursuant to this paragraph, the court shall schedule a hearing on the
motion. The hearing must be held within 10 judicial days after the filing of
the motion. The court shall affix the date of the hearing to the motion and
mail a copy to the owner, an authorized representative of the owner or the
occupant at the address on file with the court.

Sec. 4. 1. If the owner of a dwelling or an authorized representative
of the owner locks an occupant out of the dwelling pursuant to section 2 of
this act, the occupant may recover possession of the dwelling as provided in
this section.

2. The occupant must file with the justice court of the township in
which the dwelling is located a verified complaint for reentry, specifying

(a) The facts of the lockout by the owner of the dwelling or the
authorized representative of the owner. The occupant must also state
orally under oath in the court the facts of the lockout.

3. If the occupant has complied with subsection 2 and the court
reasonably believes that an unjustified lockout may have occurred, the
court:

(a) Must issue an order requiring the occupant to post a bond in an
amount equal to 1 month of rent; and

(b) Upon the posting of the bond, may issue, at once, a temporary writ
of restitution that entitles the occupant to immediate and temporary
possession of the dwelling, pending a final hearing on the occupant's
verified complaint for reentry.

4. A temporary writ of restitution must be served on the owner of the
dwelling or the authorized representative of the owner in the same manner
as a writ of restitution in a forcible detainer action. A sheriff or constable
may use reasonable force in executing a temporary writ of restitution
under this subsection.

5. The court shall, after notice to both parties, hold a hearing trial on
the occupant's verified complaint for reentry. A temporary writ of
restitution must notify the owner of the dwelling of the pendency of the
matter and the date of the hearing. The hearing must be held not earlier
than the first judicial day and not later than the seventh judicial day after the date on which the occupant files the verified complaint for reentry.

6. If the court finds that an unjustified lockout has occurred, the
court must issue a writ of restitution, restoring possession of the dwelling to
the occupant.

7. A party may appeal from the court's judgment at the hearing trial
on the verified complaint for reentry in the same manner as a party may
appeal a judgment in an action for forcible detainer.
If a writ of restitution is issued, the writ supersedes a temporary writ of restitution.

6. If the owner of the dwelling or the person on whom a writ of restitution is served fails to immediately comply with the writ or later disobeys the writ, the failure is grounds for contempt of court against the owner or the person on whom the writ was served, under chapter 22 of NRS.

7. This section does not affect a tenant's right:
   (a) The right of any party to pursue a separate cause of action under this chapter or chapter 118A of NRS.
   (b) The rights of an owner or occupant in a forcible detainer, unlawful detainer or forcible entry and detainer action.

Sec. 5.
1. A tenant, having leased in a tenancy at will a dwelling unit, a recreational vehicle, a mobile home or real property other than a mobile home lot or a recreational vehicle lot, is guilty of an unlawful detainer when the tenant continues in possession, in person or by subtenant, of the dwelling unit, recreational vehicle, mobile home or real property, or any part thereof, after the expiration of a written notice to surrender notifying the tenant that the tenancy at will is terminated and affording the tenant at least 5 days to surrender the premises.

2. If a tenant is guilty of an unlawful detainer pursuant to this section, the landlord may seek to recover possession of the dwelling unit, recreational vehicle, mobile home or real property, pursuant to the provisions of NRS 40.254 or 40.290 to 40.420, inclusive, and sections 2, 3 and 4 of this act.

3. As used in this section, “tenancy at will” means an agreement for tenancy that:
   (a) Is terminable at the will of either the landlord or the tenant, whereby the tenant occupies property with the consent of the landlord; and
   (b) Does not specify a definite rental period or periodic payment of rent.

(Deleted by amendment.)

Sec. 6.
1. A tenant having leased a mobile home lot subject to the provisions of chapter 118B of NRS, or a recreational vehicle lot in an area
of a mobile home park other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 8 of NRS 40.215, is
 guilty of an unlawful detainer when the tenant continues in possession, in person or by subtenant, without the landlord's consent:
(a) After notice has been given pursuant to NRS 118B.115, 118B.170 or 118B.190 and the period of the notice has expired; or
(b) If the person is not a natural person and has received three notices for nonpayment of rent within a 12-month period, immediately upon
 failure to pay timely rent.
2. If a tenant is guilty of an unlawful detainer pursuant to this section, the landlord may seek to recover possession of the lot described in
 subsection 1 pursuant to the provisions of NRS 10.251 or 10.290 to 10.420, inclusive, and sections 2, 3 and 4 of this act. (Deleted by amendment.)

Sec. 7. A tenant having leased a recreational vehicle lot is guilty
 of an unlawful detainer when the tenant continues in possession, in person or by subtenant, of the recreational vehicle lot:
(a) For a recreational vehicle lot that is leased for an unspecified term or a period with payment of periodic rent, after the expiration of a notice to
 surrender notifying the tenant that the tenancy is terminated for no cause and affording the tenant 5 days to surrender the recreational vehicle lot; or
(b) For a recreational vehicle lot that is leased for a specified term, after
 the expiration of the term. In all cases where the recreational vehicle lot is
 leased for a specified term or period by written contract, the tenancy
 terminates without notice at the expiration of the specified term or period.
2. If a tenant is guilty of an unlawful detainer pursuant to this section, the landlord may seek to recover possession of the recreational vehicle lot
 pursuant to the provisions of NRS 10.251 or 10.290 to 10.420, inclusive, and sections 2, 3 and 4 of this act. (Deleted by amendment.)

Any money remaining in the account at the end of a fiscal year must be carried forward to the next fiscal year.

(b) In case of other personal property, by posting a similar notice in three public places of the township or city where the sale is to take place, not less than 5 or more than 10 days before the sale, and, in case of sale on execution issuing out of a district court, by the publication of a copy of the notice in a

c) In case of real property, by:

(3) Publishing a copy of the notice three times, once each week, for 3 successive weeks, in a newspaper, if there is one in the county. The cost of publication must not exceed the rate for legal advertising as provided in NRS 238.070. If the newspaper authorized by this section to publish the notice of sale neglects or refuses from any cause to make the publication, then the posting of notices as provided in this section shall be deemed sufficient notice. Notice of the sale of property on execution upon a judgment for any sum less than $500, exclusive of costs, must be given only by posting in three public places in the county, one of which must be the courthouse;

(4) Recording a copy of the notice in the office of the county recorder; and

(5) If the sale of property is a residential foreclosure, posting a copy of the notice in a conspicuous place on the property. In addition to the requirements of NRS 21.140, the notice must not be defaced or removed until the transfer of title is recorded or the property becomes occupied after completion of the sale, whichever is earlier.

2. If the sale of property is a residential foreclosure, the notice must include, without limitation:

(a) The physical address of the property; and

(b) The contact information of the party who is authorized to provide information relating to the foreclosure status of the property.

3. If the sale of property is a residential foreclosure, a separate notice must be posted in a conspicuous place on the property and mailed, with a certificate of mailing issued by the United States Postal Service or another mail delivery service, to any tenant or subtenant, if any, other than the judgment debtor, in actual occupation of the premises not later than 3 business days after the notice of the sale is given pursuant to subsection 1. The separate notice must be in substantially the following form:

NOTICE TO TENANTS OF THE PROPERTY

Foreclosure proceedings against this property have started, and a notice of sale of the property to the highest bidder has been issued.
You may either: (1) terminate your lease or rental agreement and move out; or (2) remain and possibly be subject to eviction proceedings under chapter 40 of the Nevada Revised Statutes. Any subtenants may also be subject to eviction proceedings.

Between now and the date of the sale, you may be evicted if you fail to pay rent or live up to your other obligations to the landlord.

After the date of the sale, you may be evicted if you fail to pay rent or live up to your other obligations to the successful bidder, in accordance with chapter 118A of the Nevada Revised Statutes.

Under the Nevada Revised Statutes, eviction proceedings may begin against you after you have been given a notice to **quit** or **surrender**.

If the property is sold and you pay rent by the week or another period of time that is shorter than 1 month, you should generally receive notice after not less than the number of days in that period of time.

If the property is sold and you pay rent by the month or any other period of time that is 1 month or longer, you should generally receive notice at least 60 days in advance.

Under Nevada Revised Statutes 40.280, notice must generally be served on you pursuant to chapter 40 of the Nevada Revised Statutes and may be served by:

1. Delivering a copy to you personally in the presence of a witness **unless service is accomplished by a sheriff, constable or licensed process server, in which case the presence of a witness is not required**;

2. If you are absent from your place of residence or usual place of business, leaving a copy with a person of suitable age and discretion at either place and mailing a copy to you at your place of residence or business **and to the place where the leased property is situated, if different**; or

3. If your place of residence or business cannot be ascertained, or a person of suitable age or discretion cannot be found there, posting a copy in a conspicuous place on the leased property **and delivering a copy to a person residing there, if a person can be found** and mailing a copy to you at the place where the leased property is situated.

If the property is sold and a landlord, successful bidder or subsequent purchaser files an eviction action against you in court, you will be served with a summons and complaint and have the opportunity to respond. Eviction actions may result in temporary evictions, permanent
evictions, the awarding of damages pursuant to Nevada Revised Statutes 40.360 or some combination of those results.

Under the Justice Court Rules of Civil Procedure:
(1) You will be given at least 10 days to answer a summons and complaint;
(2) If you do not file an answer, an order evicting you by default may be obtained against you;
(3) A hearing regarding a temporary eviction may be called as soon as 11 days after you are served with the summons and complaint; and
(4) A hearing regarding a permanent eviction may be called as soon as 20 days after you are served with the summons and complaint.

4. The sheriff shall not conduct a sale of the property on execution or deliver the judgment debtor’s property to the judgment creditor if the judgment debtor or any other person entitled to notice has not been properly notified as required in this section and NRS 21.075 and 21.076.

5. As used in this section, “residential foreclosure” means the sale of a single family residence pursuant to NRS 40.430. As used in this subsection, “single family residence” means a structure that is comprised of not more than four units.

Sec. 32. NRS 107.087 is hereby amended to read as follows:

107.087 1. In addition to the requirements of NRS 107.080, if the sale of property is a residential foreclosure, a copy of the notice of default and election to sell and the notice of sale must:
   (a) Be posted in a conspicuous place on the property not later than:
       (1) For a notice of default and election to sell, 100 days before the date of sale; or
       (2) For a notice of sale, 15 days before the date of sale; and
   (b) Include, without limitation:
       (1) The physical address of the property; and
       (2) The contact information of the trustee or the person conducting the foreclosure who is authorized to provide information relating to the foreclosure status of the property.

2. In addition to the requirements of NRS 107.084, the notices must not be defaced or removed until the transfer of title is recorded or the property becomes occupied after completion of the sale, whichever is earlier.

3. A separate notice must be posted in a conspicuous place on the property and mailed, with a certificate of mailing issued by the United States Postal Service or another mail delivery service, to any tenant or subtenant, if any, other than the grantor or the grantor’s successor in interest, in actual occupation of the premises not later than 15 days before the date of sale. The separate notice must be in substantially the following form:

4. The posting of a notice required by this section must be completed by a process server licensed pursuant to chapter 648 of NRS or any constable or sheriff of the county in which the property is located.

5. As used in this section, “residential foreclosure” has the meaning ascribed to it in NRS 107.080.

Sec. 33. NRS 116.4112 is hereby amended to read as follows:

116.4112 1. A declarant of a common-interest community containing converted buildings, and any dealer who intends to offer units in such a common-interest community, shall give each of the residential tenants and any residential subtenant in possession of a portion of a converted building notice of the conversion and provide those persons with the public offering statement no later than 120 days before the tenants and any subtenant in possession are required to vacate. The notice must set forth generally the rights of tenants and subtenants under this section and must be hand-delivered to the unit or mailed by prepaid United States mail to the tenant and subtenant at the address of the unit or any other mailing address provided by a tenant. No tenant or subtenant may be required to vacate upon less than 120 days’ notice, except by reason of nonpayment of rent, waste or conduct that disturbs other tenants’ peaceful enjoyment of the premises, and the terms of the tenancy may not be altered during that period. Failure to give notice as required by this section is a defense to an action for possession. If, during the 6-month period before the recording of a declaration, a majority of the tenants or any subtenants in possession of any portion of the property described in such declaration has been required to vacate for reasons other than nonpayment of rent, waste or conduct that disturbs other tenants’ peaceful enjoyment of the premises, a rebuttable presumption is created that
the owner of such property intended to offer the vacated premises as units in a common-interest community at all times during that 6-month period.

2. For 60 days after delivery or mailing of the notice described in subsection 1, the person required to give the notice shall offer to convey each unit or proposed unit occupied for residential use to the tenant who leases that unit. If a tenant fails to purchase the unit during that 60-day period, the offeror may not offer to dispose of an interest in that unit during the following 180 days at a price or on terms more favorable to the offeree than the price or terms offered to the tenant. This subsection does not apply to any unit in a converted building if that unit will be restricted exclusively to nonresidential use or the boundaries of the converted unit do not substantially conform to the dimensions of the residential unit before conversion.

3. If a seller, in violation of subsection 2, conveys a unit to a purchaser for value who has no knowledge of the violation, the recordation of the deed conveying the unit or, in a cooperative, the conveyance of the unit, extinguishes any right a tenant may have under subsection 2 to purchase that unit if the deed states that the seller has complied with subsection 2, but the conveyance does not affect the right of a tenant to recover damages from the seller for a violation of subsection 2.

4. If a notice of conversion specifies a date by which a unit or proposed unit must be vacated and otherwise complies with the provisions of NRS 40.251 and 40.280, the notice also constitutes a notice to [vacate] surrender specified by those sections.

5. This section does not permit termination of a lease by a declarant in violation of its terms.

Sec. 34. NRS 118.205 is hereby amended to read as follows:

118.205 A notice provided by a landlord to a tenant pursuant to NRS 118.105:

1. Must advise the tenant of the provisions of that section and specify:
   (a) The address or other location of the property;
   (b) The date upon which the property will be deemed abandoned and the rental agreement terminated; and
   (c) An address for payment of the rent due and delivery of notice to the landlord.

2. Must be served pursuant to subsection 2 or 3 of NRS 40.280.

3. May be included in the notice required by subsection 1 of NRS 40.253.4. (Deleted by amendment.)

Sec. 35. NRS 118A.180 is hereby amended to read as follows:

118A.180 1. Except as otherwise provided in subsection 2, this chapter applies to, regulates and determines rights, obligations and remedies under a rental agreement, wherever made, for a dwelling unit or premises located within this State.
2. This chapter does not apply to:
   (a) A rental agreement subject to the provisions of chapter 118B of NRS;
   (b) Low-rent housing programs operated by public housing authorities and established pursuant to the United States Housing Act of 1937, 42 U.S.C. §§ 1437 et seq.;
   (c) Residence in an institution, public or private, incident to detention or the provision of medical, geriatric, educational, counseling, religious or similar service;
   (d) Occupancy under a contract of sale of a dwelling unit or the property of which it is a part, if the occupant is the purchaser or his or her successor in interest;
   (e) Occupancy by a member of a fraternal or social organization in the portion of a structure operated for the benefit of the organization;
   (f) Occupancy in a hotel or motel for less than 30 consecutive days unless the occupant clearly manifests an intent to remain for a longer continuous period;
   (g) Occupancy by an employee of a landlord whose right to occupancy is solely conditional upon employment in or about the premises;
   (h) Occupancy by an owner of a condominium unit or by a holder of a proprietary lease in a cooperative apartment; or
   (i) Occupancy under a rental agreement covering premises used by the occupant primarily for agricultural purposes;
   (j) Occupancy by a person who is guilty of a forcible entry, as defined in NRS 40.230, or a forcible detainer, as defined in NRS 40.240.

Sec. 36. NRS 118A.460 is hereby amended to read as follows:

NRS 118A.460 1. The landlord may dispose of personal property abandoned on the premises by a former tenant or left on the premises after eviction of the tenant without incurring civil or criminal liability in the following manner:

   (a) The landlord shall reasonably provide for the safe storage of the property for 30 days after the abandonment or eviction or the end of the rental period and may charge and collect the reasonable and actual costs of inventory, moving and storage before releasing the property to the tenant or his or her authorized representative rightfully claiming the property within that period. The landlord is liable to the tenant only for the landlord's negligent or wrongful acts in storing the property.

   (b) After the expiration of the 30-day period, the landlord may dispose of the property and recover his or her reasonable costs out of the property or the value thereof if the landlord has made reasonable efforts to locate the tenant, has notified the tenant in writing of his or her intention to dispose of the property and 14 days have elapsed since the notice was given to the tenant.
The notice must be mailed to the tenant at the tenant's present address, and if that address is unknown, then at the tenant's last known address.

(c) Vehicles must be disposed of in the manner provided in chapter 487 of NRS for abandoned vehicles.

2. Any dispute relating to the amount of the costs claimed by the landlord pursuant to paragraph (a) of subsection 1 may be resolved using the procedure provided in subsection 7 of NRS 40.262. (Deleted by amendment.)

Sec. 37. NRS 118B.086 is hereby amended to read as follows:

118B.086 1. Each manager and assistant manager of a manufactured home park which has 2 or more lots shall complete annually 6 hours of continuing education relating to the management of a manufactured home park.

2. The Administrator shall adopt regulations specifying the areas of instruction for the continuing education required by subsection 1.

3. The instruction must include, but is not limited to, information relating to:

(a) The provisions of chapter 118B of NRS;
(b) Leases and rental agreements;
(c) Unlawful detainer and eviction as set forth in NRS 40.215 to 40.425, inclusive, and sections 2 to 7, inclusive, of this act;
(d) The resolution of complaints and disputes concerning landlords and tenants of manufactured home parks; and
(e) The adoption and enforcement of the rules and regulations of a manufactured home park.

4. Each course of instruction and the instructor of the course must be approved by the Administrator. The Administrator shall adopt regulations setting forth the procedure for applying for approval of an instructor and course of instruction. The Administrator may require submission of such reasonable information by an applicant as the Administrator deems necessary to determine the suitability of the instructor and the course. The Administrator shall not approve a course if the fee charged for the course is not reasonable. Upon approval, the Administrator shall designate the number of hours of credit allowable for the course.

Sec. 38. NRS 118B.115 is hereby amended to read as follows:

118B.115 1. The landlord of a manufactured home park may require that a person submit a written application to and receive written consent from the landlord before the person moves or causes to be moved a manufactured home or recreational vehicle into the manufactured home park. The landlord shall not unreasonably withhold his or her consent.

2. If the landlord of a manufactured home park requires written consent pursuant to subsection 1, the landlord shall post and maintain a sign that is
clearly readable at the entrance to the manufactured home park which advises
the reader of the consent that is required before a person may move or cause
to be moved a manufactured home or recreational vehicle into the
manufactured home park.

3. If a person moves or causes to be moved a manufactured home or
recreational vehicle into the manufactured home park without the written
consent of the landlord, if the landlord requires such consent pursuant to
subsection 1, the landlord of that manufactured home park may:

(a) After providing at least 5 days’ written notice to the person, bring an
action for an unlawful detainer in the manner prescribed in chapter 40 of
NRS; or

(b) Require the person to sign a rental agreement. If the person refuses to
sign the rental agreement within 5 days after such a request, the landlord
may, after providing at least 5 days’ written notice to the person, bring an
action for an unlawful detainer in the manner provided in chapter 40 of NRS.

4. For the purposes of [NRS 40.251,] section 6 of this act, a person who
moves or causes to be moved a manufactured home or recreational vehicle
into a manufactured home park without the written consent of the landlord, if
the landlord requires such consent pursuant to subsection 1, shall be deemed
a tenant at will and a lessee of the manufactured home park.

5. The provisions of this section do not apply to a corporate cooperative
park. [Deleted by amendment.]

Sec. 39. [NRS 118B.170 is hereby amended to read as follows:

118B.170  1. The landlord may require approval of a prospective buyer
and tenant before the sale of a tenant’s manufactured home or recreational
vehicle, if the manufactured home or vehicle will remain in the park. The
landlord shall consider the record, if any, of the prospective buyer and tenant
concerning the payment of rent. The landlord shall not unreasonably
withhold his or her consent.

2. If a tenant sells his or her manufactured home or recreational vehicle,
the landlord may require that the manufactured home or recreational vehicle
be removed from the park if it is deemed by the park’s written rules or
regulations in the possession of the tenants to be in a run-down condition or
in disrepair or does not meet the safety standards set forth in NRS 461A.120.
If the manufactured home must be inspected to determine compliance with
the standards, the person requesting the inspection shall pay for it.

3. If the landlord requires the approval of a prospective buyer and tenant,
the landlord shall:

(a) Post and maintain a sign which is clearly readable at the entrance to
the park which advises the reader that before a manufactured home in the
park is sold, the prospective buyer must be approved by the landlord.
(b) Approve or deny a completed application from a prospective buyer and tenant within 10 business days after the date of the submission of the application.

(c) Inform the prospective buyer and tenant upon the submission of the completed application of the duty of the landlord to approve or deny the completed application within 10 business days after the date of submission of the completed application.

4. If the landlord requires the approval of a prospective buyer and tenant of a manufactured home or recreational vehicle and the manufactured home or recreational vehicle is sold without the approval of the landlord, the landlord may:

(a) After providing at least 5 days' written notice to the buyer and tenant, bring an action for an unlawful detainer in the manner prescribed in chapter 40 of NRS; or

(b) Require the buyer and tenant to sign a rental agreement. If the buyer and tenant refuse to sign the rental agreement within 5 days after such a request, the landlord may, after providing at least 5 days' written notice to the buyer and tenant, bring an action for an unlawful detainer in the manner provided in chapter 40 of NRS.

5. For the purposes of NRS 40.251. section 6 of this act, a person who:

(a) Purchases a manufactured home or recreational vehicle from a tenant of a manufactured home park which will remain in the park;

(b) Was required to be approved by the landlord of the manufactured home park before the sale of the manufactured home or recreational vehicle; and

(c) Was not approved by the landlord before the person purchased that manufactured home or recreational vehicle,

shall be deemed a tenant at will and a lessee of the manufactured home park.

6. The provisions of this section do not apply to a corporate cooperative park. (Deleted by amendment.)

Sec. 40. NRS 118B.190 is hereby amended to read as follows:

118B.190  1. A written agreement between a landlord and tenant for the rental or lease of a manufactured home lot in a manufactured home park in this State, or for the rental or lease of a lot for a recreational vehicle in an area of a manufactured home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection [¶ 8 of NRS 40.215], must not be terminated by the landlord except upon notice in writing to the tenant served in the manner provided in NRS 40.280:

(a) Except as otherwise provided in paragraph (b), 5 days in advance if the termination is because the conduct of the tenant constitutes a nuisance as defined in NRS 40.140 or violates a state law or local ordinance.
(b) Three days in advance upon the issuance of temporary writ of restitution pursuant to NRS 40.300 on the grounds that a nuisance as defined in NRS 40.140 has occurred in the park by the act of a tenant or any guest, visitor or other member of a tenant’s household consisting of any of the following specific activities:

1. Discharge of a weapon.
2. Prostitution.
3. Illegal drug manufacture or use.
4. Child molestation or abuse.
5. Property damage as a result of vandalism.
6. Operating a vehicle while under the influence of alcohol or any other controlled substance.
7. Elder molestation or abuse.

(c) Except as otherwise provided in subsection 6, 10 days in advance if the termination is because of failure of the tenant to pay rent, utility charges or reasonable service fees.

(d) One hundred eighty days in advance if the termination is because of a change in the use of the land by the landlord pursuant to NRS 118B.180.

(e) Forty-five days in advance if the termination is for any other reason.

2. The landlord shall specify in the notice the reason for the termination of the agreement. The reason relied upon for the termination must be set forth with specific facts so that the date, place and circumstances concerning the reason for the termination can be determined. The termination must be in accordance with the provisions of NRS 118B.200 and reference alone to a provision of that section does not constitute sufficient specificity pursuant to this subsection.

3. The service of such a notice does not enhance the landlord’s right, if any, to enter the tenant’s manufactured home. Except in an emergency, the landlord shall not enter the manufactured home of the tenant served with such a notice without the tenant’s permission or a court order allowing the entry.

4. If a tenant remains in possession of the manufactured home lot after expiration of the term of the rental agreement, the tenancy is from week to week in the case of a tenant who pays weekly rent, and in all other cases the tenancy is from month to month. The tenant’s continued occupancy is on the same terms and conditions as were contained in the rental agreement unless specifically agreed otherwise in writing.

5. The landlord and tenant may agree to a specific date for termination of the agreement. If any provision of this chapter specifies a period of notice which is longer than the period of a particular tenancy, the required length of the period of notice is controlling.
6. Notwithstanding any provision of NRS 40.215 to 40.425, inclusive, and sections 2 to 7, inclusive, of this act, if a tenant who is not a natural person has received three notices for nonpayment of rent in accordance with subsection 1, the landlord is not required to give the tenant a further 10-day notice in advance of termination if the termination is because of failure to pay rent, utility charges or reasonable service fees.

Sec. 41. NRS 118B.200 is hereby amended to read as follows:

118B.200 1. Notwithstanding the expiration of a period of a tenancy or service of a notice pursuant to subsection 1 of NRS 118B.190, the rental agreement described in NRS 118B.190 may not be terminated except on one or more of the following grounds:

(a) Failure of the tenant to pay rent, utility charges or reasonable service fees within 10 days after written notice of delinquency served upon the tenant in the manner provided in NRS 40.280;

(b) Failure of the tenant to correct any noncompliance with a law, ordinance or governmental regulation pertaining to manufactured homes or recreational vehicles or a valid rule or regulation established pursuant to NRS 118B.100 or to cure any violation of the rental agreement within a reasonable time after receiving written notification of noncompliance or violation;

(c) Conduct of the tenant in the manufactured home park which constitutes an annoyance to other tenants;

(d) Violation of valid rules of conduct, occupancy or use of park facilities after written notice of the violation is served upon the tenant in the manner provided in NRS 40.280;

(e) A change in the use of the land by the landlord pursuant to NRS 118B.180;

(f) Conduct of the tenant which constitutes a nuisance as defined in NRS 40.140 or which violates a state law or local ordinance, specifically including, without limitation:

(1) Discharge of a weapon;
(2) Prostitution;
(3) Illegal drug manufacture or use;
(4) Child molestation or abuse;
(5) Elder molestation or abuse;
(6) Property damage as a result of vandalism; and
(7) Operating a motor vehicle while under the influence of alcohol or any other controlled substance; or

(g) In a manufactured home park that is owned by a nonprofit organization or housing authority, failure of the tenant to meet qualifications relating to age or income which:

Amendment No. 551.
SUMMARY—Revises provisions concerning the issuance and renewal of permits to carry concealed firearms. (BDR 15-840)

AN ACT relating to concealed firearms; requiring a sheriff to refund the application fee for the issuance or renewal of a permit to carry a concealed firearm in certain circumstances; establishing a procedure by which a person applying to transfer or make a firearm may request and obtain the required certification from a chief law enforcement officer; temporarily extending the validity of a permit to carry a concealed firearm beyond the expiration date in certain circumstances; authorizing a person who possesses a permit to carry a concealed firearm issued by another state to continue to carry a concealed firearm in this State temporarily after becoming a resident of this State in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law requires an applicant for the issuance or renewal of a permit to carry a concealed firearm to pay a nonrefundable fee of $60 or $25, respectively. (NRS 202.3657, 202.3677) Existing law also requires the sheriff to whom an application for the issuance or renewal of a permit is submitted to grant or deny the application within 120 days. (NRS 202.366) Sections 1 and 3 of this bill provide that if the sheriff does not grant or deny an application within 120 days, the sheriff must refund the respective application fee to the applicant or permittee.

Section 1.5 of this bill establishes a procedure by which a person who is applying to transfer or make a firearm may request and obtain the required certification from a chief law enforcement officer. Section 1.5 sets forth the criteria for an applicant to be provided or denied certification and requires a chief law enforcement officer to provide an applicant with written notice and an explanation if the chief law enforcement officer denies certification. Section 1.5 also authorizes a chief law enforcement officer to conduct a background check as part of determining whether to provide or deny certification to an applicant. Additionally, section 1.5 provides that a chief law enforcement officer, and any employee of a chief law enforcement officer, who acts in good faith with regard to providing or denying certification is immune from liability. Section 1.5 further establishes an appeals process by which an
applicant who is denied certification may appeal the decision of a chief
law enforcement officer to the district court.

Existing law [*further*] provides that unless a permit to carry a concealed
firearm is suspended or revoked by the sheriff who issued the permit, the
permit expires 5 years after the date on which it was issued. (NRS 202.366)

Section 2 of this bill provides that if a permittee submits an application for
the renewal of a permit before the expiration date, the permit remains valid
until the sheriff grants or denies the application for renewal. Evidence that
the permittee has paid the application fee for renewal of the permit is
sufficient proof that the permittee has submitted an application for renewal.

Existing law also authorizes a person who possesses a permit to carry
a concealed firearm that was issued by certain other states to carry a
concealed firearm in this State unless the person: (1) becomes a resident
of this State; and (2) has not been issued a permit from the sheriff of the
county in which he or she resides within 60 days after becoming a
resident. (NRS 202.3688) Section 4 of this bill authorizes such a person
who becomes a resident of this State and who has not been issued a
permit within 60 days after becoming a resident to continue to carry a
concealed firearm in this State if, within 60 days after becoming a
resident, the person submitted an application to the sheriff for a permit
to carry a concealed firearm. The person may continue to carry a
concealed firearm pursuant to the permit issued by the other state until
the sheriff grants or denies the application. Evidence that the person has
paid the application fee for a permit is sufficient proof that the person
has submitted an application for a permit.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (NRS 202.3657 is hereby amended to read as follows:

202.3657  1. Any person who is a resident of this State may apply to the
sheriff of the county in which he or she resides for a permit on a form
prescribed by regulation of the Department. Any person who is not a resident
of this State may apply to the sheriff of any county in this State for a permit
on a form prescribed by regulation of the Department. Application forms for
permits must be furnished by the sheriff of each county upon request.

2. A person applying for a permit may submit one application and obtain
one permit to carry all handguns owned by the person. The person must not
be required to list and identify on the application each handgun owned by the
person. A permit is valid for any handgun which is owned or thereafter
obtained by the person to whom the permit is issued.

3. Except as otherwise provided in this section, the sheriff shall issue a
permit to any person who is qualified to possess a handgun under state and
federal law, who submits an application in accordance with the provisions of this section and who:

(a) Is 21 years of age or older;
(b) Is not prohibited from possessing a firearm pursuant to NRS 202.360; and

Such a course must include instruction in the use of handguns and in the laws of this State relating to the use of a firearm. A sheriff may not approve a course in firearm safety pursuant to subparagraph (1) unless the sheriff determines that the course meets any standards that are established by the Nevada Sheriffs' and Chiefs' Association or, if the Nevada Sheriffs' and Chiefs' Association ceases to exist, its legal successor.

4. The sheriff shall deny an application or revoke a permit if the sheriff determines that the applicant or permittee:

(a) Has an outstanding warrant for his or her arrest;
(b) Has been judicially declared incompetent or insane;
(c) Has been voluntarily or involuntarily admitted to a mental health facility during the immediately preceding 5 years;
(d) Has habitually used intoxicating liquor or a controlled substance to the extent that his or her normal faculties are impaired. For the purposes of this paragraph, it is presumed that a person has so used intoxicating liquor or a controlled substance if, during the immediately preceding 5 years, the person has been:

(2) Suspension of sentence for the conviction of a felony.

(j) Has made a false statement on any application for a permit or for the renewal of a permit.

5. The sheriff may deny an application or revoke a permit if the sheriff receives a sworn affidavit stating articulable facts based upon personal knowledge from any natural person who is 18 years of age or older that the applicant or permittee has or may have committed an offense or engaged in any other activity specified in subsection 4 which would preclude the issuance of a permit to the applicant or require the revocation of a permit pursuant to this section.

6. If the sheriff receives notification submitted by a court or law enforcement agency of this or any other state, the United States or a territory or possession of the United States that a permittee or an applicant for a permit has been charged with a crime involving the use or threatened use of force or violence, the conviction for which would require the revocation of a permit or preclude the issuance of a permit to the applicant pursuant to this section, the sheriff shall suspend the person’s permit or the processing of the person’s application until the final disposition of the charges against the person. If a permittee is acquitted of the charges, or if the charges are dropped, the sheriff shall restore his or her permit without imposing a fee.

8. If the sheriff does not grant or deny an application for a permit within 120 days as required pursuant to subsection 3 of NRS 202.366, the sheriff shall refund to the applicant the fee set forth in paragraph (g) of subsection 7. (Deleted by amendment.)

Sec. 1.5. Chapter 202 of NRS is hereby amended by adding thereto a new section to read as follows:

1. If federal law requires a chief law enforcement officer to provide certification for an application to transfer or make a firearm, a chief law enforcement officer shall, within 15 days of receiving a request for certification from an applicant:

   (a) Provide certification to the applicant if the applicant is:

      (1) Not prohibited by law from receiving or possessing a firearm; and

A chief law enforcement officer shall not require an applicant to provide any information other than that which is necessary to identify the applicant for purposes of the background
check or to determine the disposition of an arrest or proceeding that is relevant to the eligibility of the applicant to lawfully possess or receive a firearm. A chief law enforcement officer shall not require, as a condition of providing certification, obtaining access to or consent for any inspection of any private premises.

5. A chief law enforcement officer, and any employee of a chief law enforcement officer, who acts in good faith in carrying out the provisions of this section is immune from any liability arising from any act or omission in connection with providing or denying certification.

6. An applicant whose request for certification is denied pursuant to this section may appeal the decision of the chief law enforcement officer by petitioning the district court in the county in which the applicant resides or maintains his or her address of record. When such a decision is appealed to the district court, the hearing must be de novo. The court shall order the chief law enforcement officer to provide certification, and shall award reasonable attorney’s fees and costs to the applicant, if the court determines that:
   (a) The applicant meets the requirements set forth in paragraph (a) of subsection 1;
   (b) There is no substantial evidence which supports the chief law enforcement officer’s determination that he or she could not truthfully make the certification; or
   (c) The chief law enforcement officer refused to provide certification in violation of the provisions of subsection 3.

   (c) “Firearm” has the meaning ascribed to it in 26 U.S.C. § 5845(a).

Sec. 2. NRS 202.366 is hereby amended to read as follows:

2. To assist the sheriff in conducting the investigation, any local law enforcement agency, including the sheriff of any county, may voluntarily submit to the sheriff a report or other information concerning the criminal history of an applicant.

Section 3.7 of this bill requires the Board to prepare and administer a written examination on sanitation to makeup artists who are required to register with the Board. Section 7.3 of this bill authorizes the Board to take certain disciplinary action against a registered makeup artist. Section 8 of this bill exempts those
makeup artists **who are not required to register with the Board** from the licensing and regulation provisions governing cosmetology.

Section 7 of this bill eliminates passing a nationally recognized written examination as a requirement for certain applicants who are licensed in a branch of cosmetology in another state or jurisdiction to obtain a license to practice that branch of cosmetology in this State. Existing law authorizes the Board to issue a limited license to practice cosmetology in a resort hotel and in other types of locations designated by the Board. (NRS 644.315) Section 9 of this bill repeals that provision authorizing the limited license.

Sections 9-12, 16-23 and 25 of this bill add a reference to an electronic communication to the provisions of existing law that reference wire or oral communications. **Section 24** of this bill adds a reference to an electronic or oral communication to make the section consistent with the references to communications included in the federal statute cited therein.

Existing law also requires that each application for an order authorizing the interception of a wire or oral communication be made in writing upon oath or affirmation to a justice of the Supreme Court or district judge. (NRS 179.470) **Section 18** of this bill authorizes the judge to accept a facsimile or electronic copy of the signature of any person required to give an oath or affirmation as part of an application for an order authorizing the interception of a wire, electronic or oral communication as an original signature to the application.

(e) A full and complete statement of the facts concerning all previous applications known to the person authorizing and making the application made to any judge for authorization to intercept wire, electronic or oral communications involving any of the same persons, facilities or places specified in the application, and the action taken by the judge on each such application.

Extensions of an order may be granted, but only upon application for an extension made in accordance with the procedures provided in NRS 179.470. The period of extension shall be no longer than the authorizing judge deems necessary to achieve the purposes for which it was granted and in no event for longer than 30 days. Every order and extension thereof shall contain a provision that the authorization to intercept shall be executed as soon as practicable, shall be conducted in such a way as to minimize the interception of communications not otherwise subject to interception under this statute, and shall will terminate upon attainment of the authorized objective, or in any event in 30 days.

Immediately upon the expiration of the period of the order, or extensions thereof, such recordings shall be made available to the judge issuing such order and sealed under the judge’s directions. Custody of the recordings shall be placed with whomever the judge directs. They shall not be destroyed except upon an order of the judge issuing such order and in any event shall be kept for 10 years. Duplicate recordings may be made for use or disclosure pursuant to the
provisions of subsection 1 of NRS 179.465 for investigations. The presence
of the seal provided for by this section, or a satisfactory explanation for the
absence thereof, is a prerequisite for the use or disclosure of the contents of
any wire, electronic or oral communication or evidence derived therefrom

inventory required by this section may be postponed for such time as the
judge may provide.

communication or evidence derived therefrom must not be received in
evidence or otherwise disclosed in any trial, hearing or other proceeding in
any court of this state unless each party, not less than 10 days before the trial,
hearing or proceeding, has been furnished with a copy of the court order and
accompanying application under which the interception was authorized and a
transcript of any communications intercepted. Such 10-day period may be
waived by the judge if the judge finds that it was not possible to furnish the
party with such information 10 days before the trial, hearing or proceeding
and that the party will not be prejudiced by the delay in receiving such
information.

Sec. 23. NRS 179.505 is hereby amended to read as follows:

or before any court, department, officer, agency or other authority of this

(c) The interception was not made in conformity with the order of authorization.
(d) The period of the order and any extension had expired.

The judge, upon the filing of such motion by the aggrieved person, may in the judge’s discretion make available to the aggrieved person or the aggrieved person’s counsel for inspection such portions of the intercepted communication or evidence derived therefrom as the judge determines to be in the interest of justice.

Sec. 24. NRS 179.515 is hereby amended to read as follows:

Assemblyman Hansen moved the adoption of the amendment. Amendment adopted. Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 445.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 637.

AN ACT relating to redevelopment; requiring a portion of the revenues from taxes imposed on property in certain redevelopment areas to be set aside and used for public educational facilities; revising provisions relating to the extension of certain redevelopment plans; revising provisions relating
to the recalculation of the total assessed value of taxable property in certain redevelopment areas; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Under existing law, a redevelopment plan, and any amendments to the plan, adopted by the redevelopment agency of a city or county on or after January 1, 1991, terminates not later than 30 years after the date on which the original redevelopment plan was adopted. (NRS 279.439) **Section 3** of this bill extends to a maximum of 45 years the date of termination of such a redevelopment plan, and any amendments to the plan, adopted by a city located in a county whose population is 250,000 or more but less than 700,000 (currently the City of Henderson) if the city council adopts the extension of the plan by ordinance. If such an ordinance is adopted, **section 1** of this bill requires that 18 percent of the revenues received from taxes on the taxable property located in the redevelopment area affected by the ordinance on or after the effective date of the ordinance be set aside to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. **Section 1** also provides that the obligation to set aside such revenues is subordinate to any existing obligations of the agency.

Under existing law, the date of termination of a redevelopment plan and any amendments to the plan adopted before January 1, 1991, by a redevelopment agency of a city whose population is 500,000 or more (currently the City of Las Vegas) is authorized to be extended by ordinance adopted by the city council of that city from a maximum of 45 years to 60 years if the following conditions exist on the date on which the extension is adopted: (1) the assessed value of each redevelopment project in the redevelopment area is not less than the assessed value of the redevelopment project in the year in which the redevelopment plan was adopted; (2) the assessed value of the redevelopment area is not less than 75 percent of the assessed value of the redevelopment area in the year in which the redevelopment plan was adopted; and (3) the agency has $100 million or more in total outstanding indebtedness represented by bonds and other securities. (NRS 279.438) **Section 2** of this bill changes the assessed value requirement in the first condition from the basis of each individual redevelopment project to the aggregate of redevelopment projects in the redevelopment area and eliminates the third condition.

**Under existing law, a redevelopment agency in a city located in a county whose population is 700,000 or more (currently Clark County) is authorized to adopt, in certain circumstances, an ordinance which provides for the recalculation of the total assessed value of the taxable**
property in a redevelopment area for certain purposes. If such a redevelopment agency adopts such an ordinance and receives certain revenue from taxes, existing law requires that 18 percent of the revenue received on or after the effective date of the ordinance be set aside to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. (NRS 279.676) Section 3.5 of this bill revises the application of the recalcualted assessed value in the tax distribution formula for the redevelopment area and specifies that the revenue received by the agency is from taxes on the taxable property located in the redevelopment area affected by the ordinance that is adopted.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 279 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in this section, an agency of a city located in a county whose population is [250,000] 700,000 or more [but less than 500,000] that adopts an ordinance pursuant to subsection 3 of NRS 279.439 and which receives revenue [from taxes] pursuant to paragraph (b) of subsection 1 of NRS 279.676 from taxes on the taxable property located in the redevelopment area affected by the ordinance shall set aside not less than 18 percent of such revenue received on or after the effective date of the ordinance to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. The provisions of this subsection do not apply if such an agency is required pursuant to subsection 6 of NRS 279.676 to set aside not less than 18 percent of revenue received [from taxes] pursuant to paragraph (b) of subsection 1 of NRS 279.676 from taxes on the taxable property located in the redevelopment area affected by the ordinance adopted by the agency pursuant to subsection 5 of NRS 279.676 on or after the effective date of that ordinance to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. For each fiscal year, the agency shall prepare a written report concerning the amount of money expended for the purposes set forth in this subsection and shall, on or before November 30 of each year, submit a copy of the report to the Director of the Legislative Counsel Bureau for transmittal to the Legislative Commission, if the report is received during an odd-numbered
year, or to the next session of the Legislature, if the report is received during an even-numbered year.

2. The obligation of an agency pursuant to subsection 1 to set aside not less than 18 percent of the revenue allocated to and received by the agency pursuant to paragraph (b) of subsection 1 of NRS 279.676 from taxes on the taxable property located in the redevelopment area affected by the ordinance adopted by the agency pursuant to subsection 3 of NRS 279.439 is subordinate to any existing obligations of the agency. As used in this subsection, “existing obligations” means the principal and interest, when due, on any bonds, notes or other indebtedness whether funded, refunded, assumed or otherwise incurred by the agency before the effective date of the ordinance adopted by the agency pursuant to subsection 3 of NRS 279.439, to finance or refinance in whole or in part, the redevelopment of a redevelopment area. For the purposes of this subsection, obligations incurred by an agency on or after the effective date of the ordinance adopted by the agency pursuant to subsection 3 of NRS 279.439 shall be deemed existing obligations if the net proceeds are used to refinance existing obligations of the agency.

Sec. 2. NRS 279.438 is hereby amended to read as follows:

279.438 1. A redevelopment plan adopted before January 1, 1991, and any amendments to the plan must terminate at the end of the fiscal year in which the principal and interest of the last maturing of the securities issued before that date concerning the redevelopment area are fully paid or:

(a) With respect to a redevelopment plan adopted by the agency of a city whose population is 500,000 or more, if the requirements set forth in subsection 2 are met, 60 years after the date on which the original redevelopment plan was adopted, whichever is later.

(b) With respect to any other redevelopment plan, including a redevelopment plan adopted by an agency of a city whose population is 500,000 or more, if the requirements set forth in subsection 2 are not met, 45 years after the date on which the original redevelopment plan was adopted, whichever is later.

2. A redevelopment plan adopted by an agency of a city whose population is 500,000 or more may terminate on the date prescribed by paragraph (a) of subsection 1 only if the legislative body adopts an extension of the redevelopment plan by ordinance and, on the date on which the extension is adopted:

(a) The assessed value of the aggregate number of redevelopment projects in the redevelopment area is not less than the assessed value of the aggregate number of redevelopment projects in the year in which the redevelopment plan was adopted; and
(b) The assessed value of the redevelopment area is not less than 75 percent of the assessed value of the redevelopment area in the year in which the redevelopment plan was adopted; and

(c) The agency has $100 million or more in total outstanding indebtedness represented by bonds and other securities.

Sec. 3. NRS 279.439 is hereby amended to read as follows:

279.439 1. Except as otherwise provided in subsections 2 and 3, a redevelopment plan adopted on or after January 1, 1991, and any amendments to the plan must terminate not later than 30 years after the date on which the original redevelopment plan is adopted.

2. A redevelopment plan, and any amendments to the plan, adopted on or after January 1, 1991, by an agency of a city located in a county whose population is 700,000 or more that meets the requirement of subsection 3 must terminate not later than 45 years after the date on which the original redevelopment plan is adopted.

3. A redevelopment plan, and any amendments to the plan, may terminate on the date prescribed by subsection 2 only if the legislative body adopts an extension of the redevelopment plan by ordinance.

Sec. 3.5. NRS 279.676 is hereby amended to read as follows:

279.676 1. Any redevelopment plan may contain a provision that taxes, if any, levied upon taxable property in the redevelopment area each year by or for the benefit of the State, any city, county, district or other public corporation, after the effective date of the ordinance approving the redevelopment plan, must be divided as follows:

(a) That portion of the taxes which would be produced by the rate upon which the tax is levied each year by or for each of the taxing agencies upon the total sum of the assessed value of the taxable property in the redevelopment area as shown upon the assessment roll used in connection with the taxation of the property by the taxing agency, last equalized before the effective date of the ordinance, must be allocated to and when collected must be paid into the funds of the respective taxing agencies as taxes by or for such taxing agencies on all other property are paid. To allocate taxes levied by or for any taxing agency or agencies which did not include the territory in a redevelopment area on the effective date of the ordinance but to which the territory has been annexed or otherwise included after the effective date, the assessment roll of the county last equalized on the effective date of the ordinance must be used in determining the assessed valuation of the taxable property in the redevelopment area on the effective date. If property which was shown on the assessment roll used to determine the amount of taxes allocated to the taxing agencies is transferred to the State and becomes exempt from taxation, the assessed valuation of the exempt property as
shown on the assessment roll last equalized before the date on which the property was transferred to the State must be subtracted from the assessed valuation used to determine the amount of revenue allocated to the taxing agencies.

(b) Except as otherwise provided in paragraphs (c) and (d) and NRS 540A.265, that portion of the levied taxes each year in excess of the amount set forth in paragraph (a) must be allocated to and when collected must be paid into a special fund of the redevelopment agency to pay the costs of redevelopment and to pay the principal of and interest on loans, money advanced to, or indebtedness, whether funded, refunded, assumed, or otherwise, incurred by the redevelopment agency to finance or refinance, in whole or in part, redevelopment. Unless the total assessed valuation of the taxable property in a redevelopment area exceeds the total assessed value of the taxable property in the redevelopment area as shown by:

1. The assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan; or

2. The assessment roll last equalized before the effective date of an ordinance adopted pursuant to subsection 5,

whichever occurs later, less the assessed valuation of any exempt property subtracted pursuant to paragraph (a), all of the taxes levied and collected upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies. When the redevelopment plan is terminated pursuant to the provisions of NRS 279.438 and 279.439 and all loans, advances and indebtedness, if any, and interest thereon, have been paid, all money thereafter received from taxes upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies as taxes on all other property are paid.

(c) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a tax rate levied by a taxing agency to produce revenues in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness that was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the debt service fund of that taxing agency.

(d) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a new or increased tax rate levied by a taxing agency and was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the appropriate fund of the taxing agency.

2. Except as otherwise provided in subsection 3, in any fiscal year, the total revenue paid to a redevelopment agency must not exceed:
(a) In a county whose population is 100,000 or more or a city whose population is 150,000 or more, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 10 percent of the total assessed valuation of the municipality.

(b) In a county whose population is 30,000 or more but less than 100,000 or a city whose population is 25,000 or more but less than 150,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 15 percent of the total assessed valuation of the municipality.

(c) In a county whose population is less than 30,000 or a city whose population is less than 25,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 20 percent of the total assessed valuation of the municipality.

If the revenue paid to a redevelopment agency must be limited pursuant to paragraph (a), (b) or (c) and the redevelopment agency has more than one redevelopment area, the redevelopment agency shall determine the allocation to each area. Any revenue which would be allocated to a redevelopment agency but for the provisions of this section must be paid into the funds of the respective taxing agencies.

3. The taxing agencies shall continue to pay to a redevelopment agency any amount which was being paid before July 1, 1987, and in anticipation of which the agency became obligated before July 1, 1987, to repay any bond, loan, money advanced or any other indebtedness, whether funded, refunded, assumed or otherwise incurred.

4. For the purposes of this section, the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan is the assessment roll in existence on March 15 immediately preceding the effective date of the ordinance.

5. If in any year the assessed value of the taxable property in a redevelopment area located in a city in a county whose population is 700,000 or more as shown by the assessment roll most recently equalized has decreased by 10 percent or more from the assessed value of the taxable property in the redevelopment area as shown by the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan, the redevelopment agency may adopt an ordinance which provides that the total assessed value of the taxable property in the redevelopment area for the purposes of paragraphs (a) and (b) of subsection 1 is the total assessed value of the taxable property in the redevelopment area as shown by the assessment roll last equalized before the effective date of the ordinance adopted pursuant to this subsection. A redevelopment agency may adopt an ordinance pursuant to this subsection only once, and the election to adopt such an ordinance is irrevocable.
6. An agency which adopts an ordinance pursuant to subsection 5 and which receives revenue from taxes pursuant to paragraph (b) of subsection 1 from taxes on the taxable property located in the redevelopment area affected by the ordinance shall set aside not less than 18 percent of that revenue received on and after the effective date of the ordinance to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. For each fiscal year, the agency shall prepare a written report concerning the amount of money expended for the purposes set forth in this subsection and shall, on or before November 30 of each year, submit a copy of the report to the Director of the Legislative Counsel Bureau for transmittal to the Legislative Commission, if the report is received during an odd-numbered year, or to the next session of the Legislature, if the report is received during an even-numbered year.

7. The obligation of an agency pursuant to subsection 6 to set aside not less than 18 percent of the revenue from taxes allocated to and received by the agency pursuant to paragraph (b) of subsection 1 from taxes on the taxable property located in the redevelopment area affected by the ordinance adopted by the agency pursuant to subsection 5 is subordinate to any existing obligations of the agency. As used in this subsection, “existing obligations” means the principal and interest, when due, on any bonds, notes or other indebtedness whether funded, refunded, assumed or otherwise incurred by an agency before the effective date of an ordinance adopted by the agency pursuant to subsection 5, to finance or refinance in whole or in part, the redevelopment of a redevelopment area. For the purposes of this subsection, obligations incurred by an agency on or after the effective date of an ordinance adopted by the agency pursuant to subsection 5 shall be deemed existing obligations if the net proceeds are used to refinance existing obligations of the agency.

Sec. 4. NRS 279.680 is hereby amended to read as follows:

279.680 Except as otherwise provided in NRS 279.685 and section 1 of this act, in any redevelopment plan, or in the proceedings for the advance of money, or the making of loans, or the incurring of any indebtedness, whether funded, refunded, assumed or otherwise, by the redevelopment agency to finance or refinance, in whole or in part, the redevelopment project, the portion of taxes mentioned in paragraph (b) of subsection 1 of NRS 279.676 may be irrevocably pledged for the payment of the principal of and interest on those loans, advances or indebtedness.

Sec. 5. NRS 279.687 is hereby amended to read as follows:

279.687 A school district shall not use any money received pursuant to subparagraph (2) of paragraph (b) of subsection 1 of NRS 279.685, or section 1 of this act, paragraph (c) of subsection 1 of NRS 279.685 or section 1 of this act to
reduce or supplant the amount of any money which the school district would otherwise expend for the purposes described in subparagraph (2) of paragraph (b) of subsection 1 of NRS 279.685, paragraph (c) of subsection 1 of NRS 279.685, and section 1 of this act, respectively.

**Sec. 6.** The provisions of subsection 1 of NRS 218D.380 do not apply to the reporting requirements of section 1 of this act.

Section 22 of this bill requires the Department to establish or include in a public-private partnership: (1) a schedule of user fees for the use of a toll road project or a methodology for establishing such a schedule; and (2) administrative fines and other penalties for nonpayment of user fees. Section 22 provides that certain motor vehicles are exempt, and authorizes the Department to establish other exemptions, from the user fees. Section 24 of this bill requires that all money that is received and is to be retained by the Department of Transportation pursuant to a public-private partnership in connection with a toll road project that is derived from the imposition of any charge with respect to the operation of any motor vehicle upon any highway in this State must be deposited in the State Highway Fund and, except for costs of administration, must be used exclusively for the construction, maintenance and repair of the public highways of this State. Section 24 also provides that the money must first be used to defray the obligations of the Department under the public-private partnership, including, without limitation, the cost of administration, design, construction, operation, maintenance, financing and repair of a toll road project.

Section 25 of this bill provides that a toll road project and any property improvement determined by the Department to be necessary or desirable therefor may be financed by the private partner to a public-private partnership using its own funds or obtaining funds in any lawful manner for that entity or by the issuance of revenue bonds or notes of the State.

Section 27 of this bill provides that a private partner is exempt from any assessment on property which the Department provides to the private partner pursuant to a public-private partnership and on which a toll road project is located. Section 28 of this bill requires a private partner to use competitive bidding to award contracts for construction work on a toll road project and to pay prevailing wages to workers engaged in construction on the toll road project.

Section 54 of this bill requires the Department to adopt regulations establishing a privacy policy regarding the collection and use of personal identifying information necessary for the collection and enforcement of user fees.

Section 56 of this bill provides that the registered owner of a motor vehicle is subject to administrative fines, late charges and other penalties and charges for failure to pay a required user fee. Section 57 of this bill requires the Department of Motor Vehicles to place a hold on the renewal of the registration of a motor vehicle if notified that the registered owner of the motor vehicle has failed to pay a required user fee.

WHEREAS, The Legislature finds that the State of Nevada is faced with growing traffic congestion and the limited ability to expand transportation infrastructure because of financial, environmental and physical constraints; and

WHEREAS, The Legislature finds that it is beneficial to explore alternative approaches to developing transportation facilities, including managing the use of existing and planned transportation facilities; and

WHEREAS, The Legislature finds that public-private partnerships have been demonstrated to be an effective means of providing motorists with more reliable travel opportunities and more choices, including within congested freeway corridors; and

WHEREAS, The Legislature finds that public-private partnerships are an effective means of financing the development, operation and maintenance of a transportation facility; and

WHEREAS, It is the intent of the Legislature to maximize the effectiveness and efficiency of the State’s transportation facilities and highway system; and

WHEREAS, It is the intent of the Legislature to authorize the Department of Transportation to establish and carry out transportation facilities to increase efficiency, enhance mobility, expand capacity, improve the effectiveness of transit and facilitate the feasibility of financing improvements through public-private partnerships; now, therefore,

(c) A public facility; and

(d) Owned by the Department or a political subdivision of this State.

4. Before construction of a toll road project begins, existing state and federal highways connecting with the toll road project shall be deemed alternate routes to the toll road which do not require a user fee and which accommodate all classes of vehicles. The Department may establish one or more additional alternate routes to the toll road which do not require a user fee and which can accommodate all classes of vehicles that may be accommodated on existing state and federal highways as of the date that construction of the toll road project begins.4 (Deleted by amendment.)

Sec. 15. The Department shall not, in connection with a toll road project:

Sec. 16. ¶ The Department may enter into a public-private partnership with one or more private partners for planning, designing, financing, constructing, improving, maintaining, operating or acquiring rights-of-way for a toll road project. A public-private partnership entered into pursuant to this section may include, without limitation, a concession and must be awarded through one or more solicitations that must include, without limitation, some or all of the requests for qualifications, short-listing of qualified proposers, requests for proposals, negotiations and best and final offers.

3. For any solicitation in which the Department issues a request for qualifications, request for proposals or similar solicitation for a public-private partnership, the Department may determine which factors it will consider and, except as otherwise provided in subsection 5, the relative weight of those factors in the evaluation process for a toll road project to obtain the best value for the Department.

4. Each request for proposals issued for a toll road project must require each person submitting a proposal to include with the proposal an executive summary. The executive summary must address the major elements of the proposal but must not include the financial terms of the proposal, the financing plan or other confidential or proprietary information or trade secrets that the person submitting the proposal intends to be exempt from disclosure.

5. The executive summary for each proposal must be released to the public by the Department.

6. After evaluation of the proposals submitted in response to a request for proposals, the Department may enter into negotiations with the applicant whose proposal appeared to have the best value to enter into a public-private partnership. In determining the best value, the Department shall assign a relative weight of 5 percent to an applicant who submits to the Department a signed affidavit which certifies that, for the planning, design, construction, improvement, maintenance and operation of the toll road project:

(a) At least 65 percent of all workers employed on the toll road project, including, without limitation, any employees of the applicant, contractor and
any subcontractors engaged in the toll road project, will hold a valid driver’s license or identification card issued by the Department of Motor Vehicles;

6. If the Department is unable to negotiate a public-private partnership with the applicant whose proposal appeared to have the best value, upon such terms and conditions that the Department determines to be in the best interest of the public, the Department may suspend or terminate negotiations with that applicant. The Department may then undertake negotiations with the next highest ranked applicant in sequence until a public-private partnership is entered into or a determination is made by the Department to reject all applicants that submitted proposals.

7. After the award and execution of the public-private partnership, the Department shall make available to the applicants and the public the results of the evaluations of proposals and the final rankings of the applicants.

8. Notwithstanding any other law to the contrary, to maximize competition and to obtain the best value for the public, no part of a proposal other than the executive summary may be released or disclosed by the Department before the award and execution of the public-private partnership and the conclusion of any specified period to protest or otherwise challenge the award, except pursuant to an administrative or judicial order requiring release or disclosure of any part of the proposal.4 (Deleted by amendment.)

(b) Provide that a failure to comply with any requirement of paragraphs (a) to (e), inclusive, of subsection 5 of section 16 of this act is a material breach of the public-private partnership and entitles the Department to liquidated damages only as provided in subsections 5 and 6.

2. Any contract entered into between a private partner and a contractor engaged on a toll road project and between a contractor and any subcontractor engaged on a toll road project must:
   (a) Include a provision in the contract that substantially incorporates the requirements of paragraphs (a) to (e), inclusive, of subsection 5 of section 16 of this act; and
   (b) Provide that a failure to comply with any requirement of paragraphs (a) to (e), inclusive, of subsection 5 of section 16 of this act is a material breach of the contract.

3. A person or entity who believes that an applicant has obtained a preference in bidding as described in subsection 5 of section 16 of this act but has failed to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 5 of section 16 of this act may file a written objection with the Department. A written objection authorized pursuant to this subsection must set forth proof or substantiating evidence to support the belief of the person or entity that the applicant has failed to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 5 of section 16 of this act.

4. If the Department receives a written objection pursuant to subsection 3, the Department shall determine whether the objection is accompanied by the proof or substantiating evidence required pursuant to that subsection. If the Department determines that the objection is not accompanied by the required proof or substantiating evidence, the Department shall dismiss the objection. If the Department determines that the objection is accompanied by the required proof or substantiating evidence or if the Department determines on its own initiative that proof or substantiating evidence of a failure to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 5 of section 16 of this act exists, the Department shall determine whether the applicant has failed to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 5 of section 16 of this act and the Department may proceed to award the contract accordingly or, if the contract has already been awarded, seek the remedy authorized in subsection 5.

5. The Department may recover, by civil action against the party responsible for a failure to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 5 of section 16 of this act, liquidated damages as described in subsection 6 for a breach of a contract for the toll road project.
caused by a failure to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 5 of section 16 of this act. If the Department recovers liquidated damages pursuant to this subsection for a breach of a contract for the toll road project, the Department shall report to the State Contractors’ Board the date of the breach, the name of each entity which breached the contract and the cost of the public-private partnership. The Board shall maintain this information for not less than 6 years. Upon request, the Board shall provide this information to any public body or its authorized representative.

6. If an applicant submits the affidavit described in subsection 1, receives a preference in bidding described in subsection 5 of section 16 of this act and is awarded the public-private partnership, each contract between the applicant and a contractor or a subcontractor or supplier and each contract between a subcontractor and a sub-subcontractor or supplier must provide that:

(a) If a party to the contract causes a material breach of the contract between the applicant and the Department as a result of a failure to comply with a requirement of subsection 5 of section 16 of this act, the party is liable to the Department for liquidated damages in the amount of 10 percent of the cost of the largest contract to which he or she is a party or $50,000, whichever is less;

(b) The right to recover the amount determined pursuant to paragraph (a) by the Department pursuant to subsection 5 may be enforced by the Department directly against the party that causes the material breach; and

(c) No other party to the contract is liable to the Department for liquidated damages.

Sec. 18. To be eligible as a private partner in connection with a public-private partnership, a private partner must:

(a) Obtain a performance bond, payment bond, letter of credit, parent guarantee or other security acceptable to the Department, or any combination thereof, which the Department determines is adequate to:

(b) Obtain insurance covering general liability and liability for errors and omissions, in amounts determined by the Department;

(c) Not have been found liable for breach of contract with respect to a previous project with the Department, other than a breach for legitimate cause during the 5 years immediately preceding the commencement of the solicitation of the public-private partnership; and
— 1192 —

—(d) Not have been disqualified from being awarded a contract pursuant to NRS 338.017, 338.13895 or 338.1475.

— 2. A private partner is not required to hold the licenses and certifications required to undertake the work for a toll road project as a condition of eligibility to be a private partner but must ensure that any work which requires a license or certification is performed by persons that possess the required licenses and certifications.

Sec. 19. Information obtained by or disclosed to the Department during the procurement or negotiation of a public-private partnership may be kept confidential until the public-private partnership is executed, except that the Department may exempt from release any proprietary information obtained by or disclosed to the Department during the procurement or negotiation.

Sec. 20. 1. Except as otherwise provided in subsection 2, notwithstanding any other law to the contrary, a public-private partnership may be for a term of not more than 40 years after the opening of the toll road project to the public and the commencement of its full operations and collection of revenue.

— 2. A public-private partnership may be extended:

Sec. 21. 1. A public-private partnership entered into pursuant to sections 1 to 34, inclusive, of this act may include provisions that:

     — (2) Establish circumstances under which the Department may receive the revenues or a share of the revenues from such user fees;
     — (3) State that the user fees may be collected directly by the Department, the private partner or by a third party engaged for that purpose;

4. The Department or a private partner may use any method it determines appropriate to collect a user fee, including, without limitation, the issuance of invoices, prepayment requirements and the use of an electronic, video or automated collection system. A short-term lessor of a motor vehicle that is the registered owner is not liable to the Department or a private partner for any failure to pay a user fee arising out of the use of a rented motor vehicle during any period in which the motor vehicle is not in the possession of the lessor if, within 45 days after receiving the written notice from the Department or private partner, the lessor provides to the Department or private partner the name, address, driver’s license number and other identifying information of the person to whom the motor vehicle was rented at the time of the use of the toll road project. If the lessor provides such information, the person to whom the motor vehicle was rented at the time of the use of the toll road project is liable for the user fee or administrative fee, or both, and any late charges or other penalties or charges resulting from the failure to pay the user fee.

6. The executive summary may be released to the public by the Department at any time.
7. After evaluation of the proposals submitted in response to a request for proposals, the Department may enter into negotiations with the applicant whose proposal appeared to have the best value to enter into a public-private partnership. If the Department is unable to negotiate a public-private partnership with that applicant upon such terms and conditions that the Department determines to be in the best interest of the public, the Department shall suspend or terminate negotiations with that applicant. The Department may then undertake negotiations with the next highest-ranked applicant in sequence until a public-private partnership is entered into or a determination is made by the Department to reject all applicants who submitted proposals.

8. After the award and execution of the public-private partnership, the Department shall make available to the applicants and the public the results of the evaluations of proposals and the final rankings of the applicants.

9. Notwithstanding any other law to the contrary, to maximize competition and to obtain the best value for the public, no part of a proposal other than the executive summary may be released or disclosed by the Department before the award and execution of the public-private partnership for the eligible transportation facility and the conclusion of any specified period to protest or otherwise challenge the award, except pursuant to an administrative or judicial order requiring release or disclosure of any part of the proposal.

Sec. 50. 1. The Department may reimburse a person who submitted a proposal but with whom the Department did not enter into a public-private partnership for a portion of the cost of preparing the proposal or best and final offer, or both, if the Department determines that the proposal:

(a) Was responsive to the request for proposals; and
(b) Met all the requirements set by the Department for the eligible transportation facility.

2. If the Department intends to make such a reimbursement, the Department shall set forth the terms, conditions and estimated amount of the reimbursement in the request for statements of qualifications or in the request for proposals, as applicable, for the eligible transportation facility.

3. In exchange for the reimbursement, the Department shall require the recipient to grant to the Department the nonexclusive right to use any work product contained in the proposal, including, without limitation, technologies, techniques, methods, processes and information contained in the project design. Such use by the Department is at the sole risk of the Department, and the recipient does not have any responsibility for such use.
Sec. 51. 1. Except as otherwise provided in this subsection, information obtained by or disclosed to the Department during the procurement or negotiation of a public-private partnership may be kept confidential until the public-private partnership is awarded and executed. The Department may exempt from release to the public any confidential or proprietary information obtained by or disclosed to the Department during the procurement or negotiation.

2. To make confidential and proprietary information exempt from disclosure pursuant to subsection 1, the person who submits a proposal or other response to a solicitation for an eligible transportation facility must:

(a) Invoke the request for exclusion upon submission of the information or other materials for which protection is sought;

(b) Identify the data or other materials for which protection is sought with conspicuous labeling;

(c) State the reasons why protection is necessary for each document for which protection is sought;

(d) Fully comply with any applicable state law with respect to information that the person contends should be exempt from disclosure; and

(e) Defend any action seeking release of records that the person submitting the proposal or response believes are protected from disclosure, and indemnify, defend and hold harmless the State, the Department, its agents and its employees from any judgments awarded against the State or the Department in favor of the party requesting the records, including any and all costs connected with that defense. Under no circumstances will the Department be responsible or liable to the person submitting the proposal or response or any other person for the disclosure of any such labeled materials, whether the disclosure is required by law or court order or occurs through inadvertence, mistake or negligence on the part of the Department or its officers, employees, contractors or consultants.

Sec. 52. 1. A public-private partnership entered into pursuant to section 46 of this act may include provisions that:

(a) Except as otherwise provided in subsection 3, authorize the Department or the private partner, or both, to charge, collect, use, enforce and retain user fees, including, without limitation, provisions that:

(1) Specify the technology to be used in or the technology standards that must be met in connection with the eligible transportation facility.

(2) Establish circumstances under which the Department may receive the revenues or a share of the revenues from such user fees.

(3) State that the user fees may be collected directly by the Department, the private partner or by a third party engaged for that purpose.
(4) Prescribe a formula, indexation or mechanism for the adjustment of user fees during the term of the public-private partnership.

(5) Allow a variety of strategies to be employed to manage traffic on the eligible transportation facility, including, without limitation:

(I) High-occupancy vehicle lanes where single- or low-occupancy vehicles may use higher-occupancy vehicle lanes by paying a user fee.

(II) Managed lanes or facilities in which the user fees may vary during the course of the day or week or according to the levels of congestion that are anticipated or experienced.

(III) Any combination of, or variation on, the strategies set forth in sub-subparagraphs (I) and (II), or any other strategy that the Department determines is appropriate based on the specific circumstances of the eligible transportation facility.

(6) Govern the enforcement of user fees, including, without limitation, provisions for the use of cameras or other mechanisms to ensure that users have paid user fees which are due and provisions that allow the Department of Transportation and the private partner access to relevant databases, including, without limitation, those of the Department of Motor Vehicles, for enforcement purposes. The Department of Transportation may impose a civil penalty of not more than $10,000 per violation for misuse of the data contained in such databases by the private partner, including, without limitation, negligence in securing the data properly. Any civil penalty collected pursuant to this subparagraph must be deposited in the State General Fund.

(b) Allow for payments to be made by this State to the private partner, including, without limitation, periodic payments, construction payments, milestone payments, progress payments, payments based on availability or any other performance-based payments, payments relating to compensation events specified in the public-private partnership and payments relating to or arising out of the termination of the public-private partnership.

(c) Allow the Department to accept payments of money from, and share revenues with, the private partner. The Department shall deposit such money in the State Highway Fund.

(d) Address the manner in which the Department and the private partner will share management of the risks of the eligible transportation facility.

(e) Specify the manner in which the Department and the private partner will share the costs of any development of the eligible transportation facility.

(f) Allocate financial responsibility for any costs that exceed the amount specified in the public-private partnership.
(g) Establish applicable liquidated or stipulated damages to be assessed for nonperformance by the private partner.

(h) Establish performance criteria or incentives, or both.

(i) Address the acquisition of rights-of-way and other property interests that may be required for the eligible transportation facility, including, without limitation, provisions that address the exercise of eminent domain by the Department in the manner authorized pursuant to this chapter and chapter 37 of NRS.

(j) Establish recordkeeping, accounting and auditing standards to be used for the project.

(k) Upon termination of the public-private partnership, address responsibility for repair, rehabilitation, reconstruction or renovations that are required for an eligible transportation facility to meet all applicable standards set forth in the public-private partnership upon reversion of the eligible transportation facility to this State.

(l) Provide for security and law enforcement.

(m) Identify any specifications of the Department that must be satisfied, including, without limitation, provisions allowing the private partner to request and receive authorization to deviate from the specifications on making a showing satisfactory to the Department.

(n) Specify remedies available and procedures for dispute resolution, including, without limitation, the right of the private partner to institute legal proceedings to obtain an enforceable judgment or award against the Department in the event of a default by the Department and procedures for use of dispute review boards, mediation, facilitated negotiation, nonbinding and binding arbitration and other alternative dispute resolution procedures.

2. A public-private partnership must contain a provision by which the private partner expressly agrees to be barred from seeking injunctive or other equitable relief to delay, prevent or otherwise hinder the Department from developing or constructing any other facility which was planned at the time the public-private partnership was executed and which may impact the revenue that the private partner derives from the eligible transportation facility developed under the public-private partnership. The public-private partnership may provide for reasonable compensation to the private partner for the adverse effect on revenue from the eligible transportation facility developed under the public-private partnership resulting from the development or construction of another facility by the Department.

3. A public-private partnership must not include a provision that authorizes the Department and the private partner to charge, collect, use, enforce and retain user fees on any eligible transportation facility which is
a highway or portion of a highway in existence on July 1, 2015, except that
user fees may be charged, collected, used, enforced and retained where:
(a) Express lanes or high-occupancy vehicle lanes are converted to
high-occupancy toll lanes, if the conversion is permissible under federal
law;
(b) New capacity or lanes are constructed or added to the existing
highway;
(c) The existing highway is reconstructed or rehabilitated, if the
imposition of user fees is permissible under federal law; or
(d) It is otherwise permissible under federal law.

4. In connection with an eligible transportation facility that charges
user fees, the Department is also entitled to charge, collect, use, enforce
and retain user fees and exercise, for the benefit of the Department, the
power to:
(a) Manage traffic on the eligible transportation facility in the manner
described in subparagraph (5) of paragraph (a) of subsection 1; and
(b) Govern the enforcement of user fees in the manner described in
subparagraph (6) of paragraph (a) of subsection 1.

Sec. 53. 1. If the Department enters into a public-private partnership
pursuant to section 46 of this act and the eligible transportation facility
involves user fees, the Board:
(a) Shall establish a schedule or methodology for the charging of user
fees by the Department or the private partner for the use of the eligible
transportation facility. Such a schedule or methodology may include,
without limitation, provisions for adjusting the user fees based on the type
of motor vehicle, time of day, traffic conditions or other factors determined
necessary by the Department or the private partner to implement, finance
or improve the performance of the eligible transportation facility;
(b) Shall, consistent with the provisions of section 56 of this act,
establish the schedule of administrative fines, late charges and any other
penalties or charges which may be imposed against any person who
violates any regulation or rule governing the use of the eligible
transportation facility or who fails to pay a user fee; and
(c) In addition to the exemptions provided in subsection 2, may provide
for exemptions from the payment of a user fee and may authorize the
private partner to provide for such exemptions.

2. The following motor vehicles are exempt from any user fee
established by the Board:
(a) A preregistered vehicle transporting a number of occupants that is
specified in the public-private partnership or otherwise specified by the
Board;
(b) A transit bus or vanpool vehicle owned or operated by an agency or political subdivision of this State or the United States, to the extent that such vehicles are exempted pursuant to an agreement between the agency or political subdivision and the Department or the private partner;
(c) An authorized emergency vehicle if:
(1) It is responding to an emergency and its emergency lights are in use; or
(2) It is enforcing traffic laws; and
(d) A vehicle that is exempt pursuant to the terms of the public-private partnership.

3. The Board may review annually any fee schedule or methodology established pursuant to this section and any adjustments to the user fees made by the Department or the private partner to determine whether the user fees effectively manage travel times, speed and reliability with regard to the eligible transportation facility. Such a review does not entitle the Department to modify the terms of a binding public-private partnership or bond indenture.

Sec. 54. 1. The Department or private partner may use any method that it determines appropriate to charge, assess and collect a user fee, including, without limitation, the issuance of invoices, collection by means of toll booths, prepayment requirements and the use of an electronic, video or automated collection system. An electronic, video or automated collection system may be used to verify payment or to charge or assess the user fee to:
(a) The account of a person whose vehicle is equipped with a transponder or other automated payment technology approved by the Department;
(b) The account of a person who otherwise registers to use the collection system for the eligible transportation facility; or
(c) The registered owner of a motor vehicle.
2. Except as otherwise provided in this subsection, the name, address and any other personal identifying information and any trip data of a user of an eligible transportation facility is confidential and the Department, a private partner, consultant, contractor or representative thereof shall not release, sell or distribute such information without the express written consent of the user. The Department and the private partner may use and release such information:
(a) As is necessary for the purpose of assessing, charging and collecting a user fee and enforcing any administrative fines, late charges or other penalties and charges imposed pursuant to the public-private partnership; and
(b) To a law enforcement agency pursuant to a subpoena.
3. The Department or the private partner may solicit and contract with a person to provide services relating to the enforcement and collection of a user fee and any administrative fines, late charges or other penalties and charges imposed pursuant to the public-private partnership.

4. The Department or the private partner may:
   (a) Accept cash payment of user fees at each toll booth or similar fixed collection facility for user fees;
   (b) Allow a person to establish and deposit money into an account for use in an automated collection system; or
   (c) Allow a person to establish an account that is not linked to a specific vehicle for use in an automated collection system.

5. The Department shall adopt regulations establishing a privacy policy regarding the collection and use of personal identifying information pursuant to this section. The regulations must include, without limitation, provisions requiring that:
   (a) Any personal identifying information used to collect and enforce user fees be destroyed not later than 30 days after the person has paid the user fee, administrative fines, late fees or any other penalties and charges imposed;
   (b) Any personal identifying information collected for the establishment of an account for the use of an automated collection system be:
      (1) Stored longer than 30 days only if the information is required to perform account functions, including, without limitation, billing and other activities directly related to the use of the account; and
      (2) Destroyed within 30 days after receiving written notice that the person who established the account wants to close the account and has paid all outstanding user fees, administrative fines, late fees or any other penalties and charges imposed; and
   (c) Each person establishing an account for use in an automated collection system be provided a copy, in a clear and conspicuous manner, of the privacy policy required by this section and all other applicable privacy laws, including, without limitation, sections 52 and 55 of this act.

Sec. 55. 1. The Department or a private partner may use a photo-monitoring, video, image capture or other automated or technology-based system to detect the failure of a driver or registered owner of a motor vehicle to pay a user fee or to verify the payment of a user fee.

2. The data, including, without limitation, photographs, images, videotapes and other information about the motor vehicle and its owner, generated and obtained by a system described in subsection 1 may only be used by the Department or the private partner to establish the nonpayment of a user fee and to enforce collection of a user fee and any administrative
fines, late charges and other penalties or charges imposed pursuant to the public-private partnership and for no other purpose.

Sec. 56. 1. Except as otherwise provided in subsection 3, the registered owner of a motor vehicle who fails to pay a user fee is subject to an administrative fine for nonpayment and is liable to the Department or a private partner for the payment of the user fee, administrative fine, late charge and any other penalties or charges established by the Board or pursuant to the public-private partnership.

2. If a driver or registered owner fails to pay a user fee, the Department or the private partner shall provide notice of the nonpayment to the registered owner. The notice must describe the claimed nonpayment and the amount due, including, without limitation, any administrative fines, late charges or other penalties or charges, and explain that the registered owner must, within 20 days after receiving the notice, pay the full amount due or contest the claim in the manner described in the notice. A registered owner who does not pay the full amount due or contest the claim within 20 days after receiving the notice cannot challenge the claim in any proceeding or action brought by the Department or the private partner.

3. A long-term or short-term lessor of a motor vehicle that is the registered owner of a vehicle is not liable to the Department or the private partner for any failure to pay a user fee arising out of the use of a leased or rented motor vehicle during any period that the motor vehicle is not in the possession of the lessor if, within 20 days after receiving the written notice from the Department or the private partner, the lessor provides to the Department or the private partner the name, address, driver’s license number and any other identifying information of the person to whom the motor vehicle was rented or leased at the time of the use of the violation. If the lessor provides such information, the person to whom the motor vehicle was rented or leased at the time of the use of the eligible transportation facility is liable for the user fee or administrative fee, or both, and any late charges or other penalties or charges resulting from the person’s failure to pay the user fee.

Sec. 57. 1. If a registered owner of a motor vehicle fails to respond to the notice of nonpayment provided pursuant to section 56 of this act, the Department of Transportation or a private partner may file a notice with the Department of Motor Vehicles. The notice must include:
   (a) The place, time and date of the use of the eligible transportation facility;
   (b) The license plate number and, to the extent known, the make and model year of the motor vehicle; and
   (c) The total amount owed to the Department of Transportation or the private partner, including, without limitation, any administrative fines, late charges and other penalties or charges imposed pursuant to the public-private partnership and for no other purpose.
charges or other penalties and charges resulting from the person’s failure to pay the user fee.

2. Upon receipt of the notice described in subsection 1, the Department of Motor Vehicles shall place a hold on the renewal of the registration of the motor vehicle described in the notice. The Department of Motor Vehicles shall not renew the registration of the motor vehicle unless the registered owner:
   (a) Pays to the Department of Motor Vehicles the total amount owed to the Department of Transportation or the private partner, which amount the Department of Motor Vehicles shall forward, as directed by the Department of Transportation, to the Department of Transportation or the private partner, along with an accounting indicating the amount paid, from whom, for which motor vehicle and the corresponding license plate number of the motor vehicle; or
   (b) Presents proof to the Department of Motor Vehicles of payment or satisfaction issued by the Department of Transportation or the private partner.

3. In addition to any administrative fine, late charge or other penalty or charge for nonpayment of a user fee established pursuant to a public-private partnership, the Department of Motor Vehicles may impose an additional administrative fee of not more than $15 upon any person who applies for the renewal of the registration of a motor vehicle subject to a hold placed on the renewal pursuant to this section.

4. In addition to any other remedy provided by this section, the Department of Transportation or the private partner may recover in a civil action any user fee, administrative fine, late charge or other penalty or charge authorized pursuant to section 56 of this act, as well as the costs of collection and enforcement.

Sec. 58. 1. The Department of Motor Vehicles shall work cooperatively with the Department of Transportation and any private partner to establish a timely and efficient manner for providing information concerning motor vehicles, including, without limitation, the name, address and driver’s license number of the registered owner and the registration number of the vehicle, to the Department of Transportation and the private partner for the purpose of collecting and enforcing user fees and any administration fines, late charges and other penalties and charges imposed pursuant to sections 56 and 57 of this act. To the extent practicable, such information must be transmitted electronically.

2. The Department of Motor Vehicles shall work cooperatively with the departments of motor vehicles and similar agencies of other jurisdictions and states to:
(a) Assist the Department of Transportation and the private partner with the collection and enforcement of user fees charged against a motor vehicle operated on the eligible transportation facility by a person from such other jurisdiction or state; and

(b) Assist such other departments of motor vehicles and similar agencies with the collection and enforcement of user fees charged against a motor vehicle operated on the toll facilities of such other jurisdiction or state by a motor vehicle registered in this State.

The cooperation must include providing information concerning motor vehicles, including, without limitation, the name, address and driver's license number of the registered owner and the registration number of the vehicle, to such departments of motor vehicles and similar agencies of other jurisdictions and states and forwarding such information received from such other departments of motor vehicles and similar agencies of other jurisdictions and states to the Department of Transportation or the private partner.

Sec. 59. 1. All money which is received and is to be retained by the Department pursuant to a public-private partnership and which is derived from the imposition of any charge with respect to the operation of any motor vehicle upon any public highway in this State must be deposited in the State Highway Fund, accounted for separately and, except for costs of administration, be used exclusively for the design, construction, operation, maintenance, financing and repair of the public highways of this State. The money must first be used to defray the obligations for which the Department is responsible under the public-private partnership, including, without limitation, the costs of administration, design, construction, operation, maintenance, financing and repair of the eligible transportation facility from which the money is derived.

2. Any other money received and to be retained by the Department pursuant to sections 36 to 65, inclusive, of this act or pursuant to any policies or procedures established by the Department or set forth in the public-private partnership must be deposited in the State Highway Fund and accounted for separately. The interest and income on the money in the account, after deducting any applicable charges, must be credited to the account. The money in the account may be used for:

(a) The payment of the costs of planning, designing, financing, constructing, improving, maintaining, operating or acquiring rights-of-way for, or any combination thereof, the eligible transportation facility;

(b) The payment of the costs of administering the eligible transportation facility and enforcing the collection and enforcement of tolls;

(c) Satisfaction of any obligations of the Department pursuant to a public-private partnership; and
(d) The costs of administration, construction, maintenance and repair of the public highways located in the county or counties from which the money was obtained.

Sec. 60. 1. An eligible transportation facility and any improvement to property in connection with an eligible transportation facility determined by the Department to be necessary or desirable therefor may, as determined by the Department, be financed:

(b) By the issuance of revenue bonds or notes of the State which are payable from and secured by:

   (2) Payments from the Department to the private partner pursuant to a public-private partnership, including any availability payments;

   (3) Payments from the private partner as described in section 52 of this act;

   (4) Guarantees or any other forms of financial assistance from the private partner or any other person;

   (5) Any grants, donations or other sources of money mentioned in subsection 2 or 3 of section 47 of this act, if use of the money for the purpose of paying and securing the payment of the principal of and interest on those bonds or notes is consistent with and not prohibited by the instrument, law or regulation under which the money is received;

   (6) Interest or other gain accruing on any of the money deposited in the State Highway Fund pursuant to section 59 of this act;

   (7) Any other funds and revenues of the Department that are eligible for such use; or

   (8) Any combination thereof,

as described in the resolution authorizing the issuance of the bonds or notes. The bonds or notes must be authorized and issued under the procedure described in NRS 408.273, but the bonds or notes must be secured as provided in this section and may have a maturity of up to 40 years after the date of issuance. Any bonds or notes authorized by this paragraph are special, limited obligations of the State payable solely from the revenues specifically pledged to the payment of those obligations, as specified in the resolution for the issuance of the bonds or notes, and do not create a debt of the State for the purposes of Section 3 of Article 9 of the Nevada Constitution.
(c) By the issuance of revenue bonds or notes of the State, to finance the eligible transportation facility directly or by making a loan to the private partner, pursuant to a financing agreement entered into between the State and the private partner for the purpose of securing the bonds or notes and providing for their payment. Any bonds or notes issued pursuant to this paragraph must be payable solely from and secured by payments made by and property of and other security provided by the private partner, including, without limitation, any payments made to the private partner by the Department pursuant to the public-private partnership. Any bonds or notes issued pursuant to this paragraph must be authorized and issued under the procedure described in NRS 408.273, but the bonds or notes must be secured as provided in this paragraph and may have a maturity of up to 40 years from the date of issuance. Any bonds or notes as authorized by this paragraph are special, limited obligations of the State payable solely from the revenues specifically pledged to the payment of those obligations, as specified in the resolution for the issuance of the bonds or notes, and do not create a debt of the State for the purposes of Section 3 of Article 9 of the Nevada Constitution.

(d) By the issuance of private activity bonds or notes of the State or any other eligible issuer, to finance the eligible transportation facility directly or by making a loan to the private partner, pursuant to a financing agreement entered into between the State and the private partner for the purpose of securing the bonds or notes and providing for their payment. Any bonds or notes issued pursuant to this paragraph must be payable solely from and secured by payments made by and property of and other security provided by the private partner, including, without limitation, any availability payments or other payments made to the private partner by the Department pursuant to the public-private partnership. Any bonds or notes issued pursuant to this paragraph must be authorized and issued under the procedure described in NRS 408.273, but the bonds or notes must be secured as provided in this paragraph and may have a maturity of up to 40 years from the date of issuance. Any bonds or notes as authorized by this paragraph are special, limited obligations of the State payable solely from the revenues specifically pledged to the payment of those obligations, as specified in the resolution for the issuance of the bonds or notes, and do not create a debt of the State for the purposes of Section 3 of Article 9 of the Nevada Constitution.

(e) By any loan, grant, line of credit, loan guarantee, credit instrument, private activity bond allocation, credit assistance from the Federal Government or other type of assistance that is available to carry out the eligible transportation facility.
(f) With any grant, donation, gift or other form of conveyance of land, money or other real or personal property or other thing of value made to the Department to carry out the eligible transportation facility.

(g) With available money from any other source, including a source described in subsections 2 and 3 of section 47 of this act or from user fees.

(h) By any combination of paragraphs (a) to (g), inclusive.

2. If so determined by the Department, any bonds or notes issued as described in paragraph (b) of subsection 1 may also be payable from and secured by taxes which are credited to the State Highway Fund and which would not cause the bonds or notes to create a public debt under the provisions of Section 3 of Article 9 of the Nevada Constitution. In addition, the Department may pledge those taxes to and use those taxes for the payment of any of its obligations under a public-private partnership.

Sec. 61. The Department may acquire, condemn or hold real property and related appurtenances under fee title, lease, easement, dedication or license for an eligible transportation facility or in connection with a public-private partnership in any manner in which the Department is authorized by law.

Sec. 62. 1. The Department may grant to a private partner in connection with a public-private partnership a lease, easement, operating agreement, license, permit or right of entry for such real property and related appurtenances. Such grant and use shall be deemed for all purposes a public use, a public facility or a public highway, or any combination thereof.

2. The Department may include authority in a public-private partnership or otherwise authorize a private partner to remove any encroachments or relocate any utility from the right-of-way of an eligible transportation facility.

3. The use of the real property and related appurtenances granted by the Department to the private partner pursuant to subsection 1 is exempt from all real property and ad valorem taxes pursuant to NRS 361.157.

Sec. 63. 1. The Department may adopt regulations to carry out the provisions of sections 36 to 65, inclusive, of this act.

2. Any public-private partnership entered into pursuant to sections 36 to 65, inclusive, of this act must include a provision which states that the regulations adopted by the Department pursuant to subsection 1 and the provisions of sections 36 to 65, inclusive, of this act, as of the date on which the Department entered into the public-private partnership, shall be deemed incorporated as terms of the public-private partnership.

Sec. 64. If the Department enters into a public-private partnership pursuant to section 46 of this act:
1. The Department shall report annually to the Board on the status of the eligible transportation facility.

2. On or before February 1 of each year, the Board shall prepare a written report concerning the eligible transportation facility. The report must include, without limitation:
   (a) The current status of the eligible transportation facility.
   (b) If the eligible transportation facility involves user fees, the amount of user fees collected by the Department and the private partner.
   (c) The amount of money received by the Department in connection with the eligible transportation facility from sources other than user fees.
   (d) The amount paid by the Department under a public-private partnership.
   (e) Such other information as the Board determines appropriate.

3. On or before February 1 of each even-numbered year, the Board shall submit the report prepared pursuant to subsection 2 to the Legislative Commission. On or before February 1 of each odd-numbered year, the Board shall submit the report to the Director of the Legislative Counsel Bureau for transmittal to the next regular session of the Legislature.

Sec. 65. To the extent practicable, the provisions of sections 36 to 65, inclusive, of this act are intended to supplement other statutory provisions governing the administration of highways in this State and such other provisions must be given effect to the extent that those provisions do not conflict with the provisions of sections 36 to 65, inclusive, of this act. If there is a conflict between such other provisions and the provisions of sections 36 to 65, inclusive, of this act, the provisions of sections 36 to 65, inclusive, of this act control.

2. The advertisement must state the place where the bidders may obtain or inspect the plans and specifications and the time and place for opening the plans and specifications.

3. Publication of the advertisement must be made at least once a week for 2 consecutive weeks for a total of at least two publications in a newspaper of general circulation in the county in which the major portion of the proposed improvement or construction is to be made, and the advertisement must also be published at least once a week for 2 consecutive weeks for a total of at least two publications in one or more daily papers of general circulation throughout the State. The first publication of the advertisement in the daily newspapers having general circulation throughout the State must be made not less than 15 days before the time set for opening bids.

Such statements must be filed with the Director in ample time to permit the Department to verify the information contained therein in advance of furnishing proposal forms, plans and specifications to any person proposing to bid on the advertised public work, in accordance with the regulations of the Department.

3. Whenever the Director is not satisfied with the sufficiency of the answers contained in the questionnaire and financial statement, the Director may refuse to furnish the person with plans and specifications and the official proposal forms on the advertised project. If the Director determines that the person has, within the preceding year, materially breached a contract for a public work for which the cost exceeds $25,000,000, the Director shall refuse to furnish the person with plans and specifications and the official proposal forms on the advertised project. Any bid of any person to whom plans and specifications and the official proposal forms have not been issued in accordance with this section must be disregarded, and the certified check, cash or undertaking of such a bidder returned forthwith.

All bids must be accompanied by an undertaking executed by a corporate surety authorized to do business in the State, or by cash or a certified check in an amount equal to at least 5 percent of the amount bid. Such undertaking, cash or check furnished to accompany a bid submitted online pursuant to NRS 408.343 must be furnished in accordance with the procedures set forth by the Director.

2. 3. The failure of the successful bidder to furnish any bond required of the bidder by law within the time fixed for his or her execution of the contract constitutes a failure to execute the contract.

4. If the Director deems it is for the best interests of the State, the Director may, on refusal or failure of the successful bidder to execute the contract, award it to the second lowest responsible bidder. If the second lowest responsible bidder fails or refuses to execute the contract, the Director may likewise award it to the third lowest responsible bidder. On the failure or refusal to execute the contract of the second or third lowest bidder to whom a contract is so awarded, their bidder’s security is likewise forfeited to the State.

5. The bidder’s security of the second and third lowest responsible bidders may be withheld by the Department until the contract has been finally executed and the bond given as required under the provisions of the contract, at which time the security must be returned. The bidder’s security submitted by all other unsuccessful bidders must be returned to them within 10 days after the contract is awarded.

Sec. 70. **NRS 408.343 is hereby amended to read as follows:**

(c) Any bid may be withdrawn by request at any time before the time stated in the advertisement. The withdrawal must be filed with the Director and executed by the bidder or the bidder’s duly authorized representative. The withdrawal may be filed electronically. The withdrawal of a bid does not prejudice the right of the bidder to file a new bid before the time stated in the advertisement.

(d) The Department may reject any bid or all bids if, in the opinion of the Department, the bids are unbalanced, incomplete, contain irregularities of any kind or for any good cause.

(e) Until the final award of the contract, the Department may reject or accept any bids and may waive technical errors contained in the bids, as may be deemed best for the interests of the State.

(f) In awarding a contract, the Department shall make the award to the lowest responsible bidder who has qualified and submitted his or her bid in accordance with the provisions of this chapter.

Legislative Counsel’s Digest:

Sections 1-6 of this bill establish the crime of unlawful dissemination of an intimate image of a person. Section 3 defines the term “intimate image” generally as a photograph, film, videotape or other recorded image, or any reproduction thereof, which depicts: (1) certain intimate areas of the body, the fully exposed nipple of the female breast of another person; or (2) another person engaged in sexual conduct. Section 3 also provides that an image which would otherwise constitute an intimate image is not an intimate image if the person depicted in the image: (1) is not clearly identifiable; (2) voluntarily exposed himself or herself in a public or commercial setting; or (3) is a public figure.

Section 5 provides that a person commits the crime of unlawful dissemination of an intimate image and is guilty of a category D felony when, with the intent to harass, annoy, alarm harm or terrorize another person, the person electronically disseminates or sells an intimate image which depicts the other person and the other person: (1) did not give prior consent to the electronic dissemination or sale; (2) had a reasonable expectation that the intimate image would be kept private and would not be made visible to the public; and (3) was at least 18 years of age when the intimate image was created. Section 5 also sets forth certain exceptions regarding when an intimate image may be lawfully electronically disseminated. Under section 6, a person is guilty of a category D felony if he or she: (1) conspires with, enables, aids or abets another person in the electronic dissemination or the sale of an intimate image; (2) demands payment of money, property, services or anything else of value from a person in exchange for removing an intimate image from public view; or (3) directly or indirectly counsels, encourages, hires, commands, induces or otherwise procures another person to make such a demand from a person in exchange for removing an intimate image from public view.
provides that the provisions of sections 1-6 must not be construed to impose liability on an interactive computer service, as that term is defined in federal law, for any content provided by another person.

Existing law provides that a person who forces another person under certain circumstances to make a sexual penetration on himself or herself or another, or on a beast, is guilty of sexual assault. (NRS 200.366) Section 8 of this bill additionally provides that a person who commits a sexual penetration upon a child under the age of 14 years or causes a child under the age of 14 years to make a sexual penetration on himself or herself or another, or on a beast, is guilty of sexual assault. Section 8 further provides that, except in certain circumstances, such provisions do not apply to a person who commits any such act if the person is less than 18 years of age and is not more than 2 years older than the person upon whom the act is committed.

Existing law also provides that a person who commits any act of open or gross lewdness or who makes any open and indecent or obscene exposure of his or her person, or of the person of another, is guilty of a gross misdemeanor for the first offense and a category D felony for any subsequent offense. (NRS 201.210, 201.220) Under sections 13 and 14 of this bill, if a person commits any such offense and he or she has previously been convicted of a sexual offense, or if the person commits any such offense in the presence of a child under the age of 18 years or a vulnerable person, the person is guilty of a category D felony.

Additionally, under existing law, a person who commits certain acts with a child under the age of 14 years is guilty of lewdness with a child and is guilty of a category A felony. (NRS 201.230) Section 15 of this bill increases that age to 16 years and provides that if a person commits lewdness with: (1) a child under the age of 14, he or she is guilty of a category A felony; and (2) a child who is 14 or 15, he or she is guilty of a category B felony. Section 15 also provides that, except in certain circumstances, such provisions do not apply to a person who commits any such act if the person is less than 18 years of age and is not more than 2 years older than the person upon whom the act is committed.

Section 7 of this bill revises the definition of the term "statutory sexual seduction." and section 8.5 of this bill revises the penalties imposed for the crime of statutory sexual seduction. Section 15 provides that an act which constitutes the crime of statutory sexual seduction does not constitute lewdness with a child.

Section 10 of this bill provides that certain persons are guilty of a category A felony if they willfully cause, permit or allow a child to suffer unjustifiable physical pain or mental suffering as a result of abuse or neglect or to be placed in a situation where the child may suffer physical pain or mental
suffering as the result of abuse or neglect, and substantial bodily or mental harm results to the child which includes certain severe injuries.

Sections 18 and 19 of this bill revise the punishment imposed for: (1) certain employees of or volunteers at a school who engage in sexual conduct with certain pupils; and (2) certain employees of a college or university who engage in sexual conduct with certain students.

Sections 12, 20, 23 and 24 of this bill revise various provisions relating to the admissibility of expert testimony and evidence in certain criminal and juvenile delinquency cases. Section 12 provides that in a prosecution for pandering or sex trafficking, certain expert testimony that is offered by the prosecution or defense is admissible for any relevant purpose, but certain other expert testimony cannot be offered against the defendant to prove the occurrence of an act which forms the basis of a criminal charge against the defendant. Section 20 provides that a statement or confession made by a defendant in a criminal action is admissible if the prosecution proves by a preponderance of the evidence that the statement or confession is trustworthy. Under section 23, expert testimony offered by the prosecution or defense which concerns the behavior of a defendant in preparing a child under the age of 18 or a vulnerable person for sexual abuse by the defendant is admissible for any purpose. Section 24 prohibits a court in a criminal or juvenile delinquency action relating to the commission of a sexual offense from ordering a victim of or witness to a sexual offense to take or submit to a psychological or psychiatric examination. Section 24 also authorizes the court to exclude the testimony of a licensed psychologist, psychiatrist or clinical worker who performed a psychological or psychiatric examination on a victim or witness in certain circumstances.

The seller or installer also must provide with the sale or installation a description of the warranty, a description of any responsibility assumed or disclaimed by the seller or installer, and performance data for the system. Section 7 of this bill requires a person transferring an obligation under a required warranty to provide the name, address and telephone number of the person to whom the obligation is being transferred.

Section 8 of this bill lists the requirements for any agreement for the financing, sale or lease of a distributed generation system or for the purchase of electricity generated by a distributed generation system. The agreement,

Section 8 also provides that any such agreement that fails to comply with these requirements is voidable at the option of the person purchasing or leasing the system, or purchasing electricity generated by the system, until the installation of the system.

Section 9 of this bill provides requirements for an agreement for the financing, sale or lease of a distributed generation system that requires any modification or transfer of the system to be approved by a third party. Section 10 of this bill provides requirements for an agreement that includes an estimate of the cost of electricity for the purchaser or lessee after the system is installed. Section 11 of this bill requires a seller or lessor of a distributed generation system who represents to the purchaser or lessee that the purchaser or lessee will be entitled to certain tax credits to prepare and maintain a record of that representation.

(q) If the agreement is for the purchase of electricity generated by the system, include:

(1) The duration of the agreement; and

Utility rates and utility rate structures are subject to change. These changes cannot be accurately predicted and may apply to you in the future. The projected savings from your distributed generation system are therefore subject to change. Tax incentives and tax subsidies are subject to change or termination by executive, legislative or regulatory action.

3. If an agreement described in subsection 1 refers to the price of electricity provided by a public utility, the seller or lessor of the distributed generation system or the seller of electricity generated by the system shall provide to the purchaser or lessor a written statement, separate from the agreement described in subsection 1, in at least 12-point font and in substantially the following form:

Utility rates and utility rate structures are subject to change. For additional information regarding utility rates and utility rate structures, you may contact your local public utility or the Public Utilities Commission of Nevada.

4. The seller or lessor of a distributed generation system and the seller of electricity generated by a distributed generation system shall sign and provide to the purchaser or lessee a written declaration in substantially the following form:

Under penalty of perjury, I declare that I have examined this agreement and that, to the best of my knowledge and belief, the information contained in the agreement is true, correct and complete.

An agreement for the financing, sale or lease of a distributed generation system, or an agreement for the purchase of electricity generated by a distributed generation system, that does not comply with the requirements of subsection 1 or that is not accompanied by the statement
required by subsection 2 is voidable at the option of the person buying or leasing the system or purchasing the electricity until the installation of the system begins.

Sec. 6. A failure by the seller or lessor of a distributed generation system or the seller of electricity generated by a distributed generation system to include in an agreement for the financing, sale or lease of a distributed generation system or an agreement for the purchase of electricity generated by a distributed generation system any provision required by this section constitutes a deceptive trade practice for the purposes of NRS 598.0903 to 598.0999, inclusive.

Sec. 9. 1. If an agreement for the financing, sale or lease of a distributed generation system requires that any modification or transfer of the system be approved by a third party, the agreement must:
   (a) Include the name, address and telephone number of the third party; and
   (b) Identify any modification for which approval is required.

2. If an agreement for the financing, sale or lease of a distributed generation system requires that any modification or transfer of the real property to which the system is affixed be approved by a third party, the agreement must:
   (a) Include the name, address and telephone number of the third party; and
   (b) Identify any modification for which approval is required.

Sec. 10. If an agreement for the financing, sale or lease of a distributed generation system includes an estimate of the cost of electricity for the purchaser or lessee after the installation of the system, the agreement must include an estimate of the cost of electricity for the purchaser or lessee after any changes in the rates paid by customers of the utility providing electricity to the purchaser or lessee. The estimate must consider a range of possible rate changes from a 5 percent annual decrease to a 5 percent annual increase from the rate paid at the time of the agreement.

Sec. 11. 1. If the seller or lessor of a distributed generation system represents to the purchaser or lessee of the system that the purchaser or lessee will be entitled to a tax credit pursuant to 26 U.S.C. § 25D, the seller or lessor shall:
   (a) Provide a written record of the representation to the purchaser or lessee of the system; and
   (b) Maintain a copy of the record for not less than 7 years after the date of the sale or lease of the system.
2. The seller or lessor shall provide a copy of the record required by subsection 1 on request to an agent of the United States Internal Revenue Service for inspection or copying.

Sec. 12. 1. A person shall not sell, lease or install a distributed generation system or sell electricity generated by a distributed generation system unless the person has registered with the Office of Energy by submitting to the Office a form prescribed by the Director.

2. The Director shall adopt regulations:
   (a) Requiring a registration form submitted to the Office of Energy pursuant to subsection 1 to include:
      (1) The name, street address, mailing address, electronic mail address and telephone number of the registrant;
      (2) The name and contact information of any person designated by the registrant to receive notices and other communications from the Office of Energy;
      (3) A statement indicating each activity described in subsection 1 in which the registrant intends to engage; and
      (4) Any other information required by the Director;
   (b) Requiring a registrant to submit to the Office of Energy:
      (1) An example of the agreement described in section 8 of this act for each activity described in subsection 1 in which the registrant has indicated he or she intends to engage; and
      (2) An updated example of the agreement described in section 8 of this act, if a previously submitted example is no longer reasonably accurate or if the registrant intends to engage in an activity described in subsection 1 for which the registrant has not yet submitted an example of an agreement;
   (c) Requiring a registrant to submit to the Office of Energy an amended registration form if any information provided to the Office of Energy on a registration form or a previously submitted amended registration form is no longer correct; and
   (d) Providing the time period within which an updated example described in subparagraph (2) of paragraph (b) or an amended registration form described in paragraph (c) must be submitted.

3. Any of the following constitute a deceptive trade practice for the purposes of NRS 598.0903 to 598.0999, inclusive:
   (a) The sale, lease or installation of a distributed generation system or the sale of electricity generated by a distributed generation system without:
      (1) Registering with the Office of Energy pursuant to this section;
      (2) Submitting to the Office of Energy the examples of agreements required to be submitted pursuant to regulations adopted pursuant to paragraph (b) of subsection 2; or
(3) Submitting to the Office of Energy an amended registration form within the time period prescribed pursuant to regulations adopted pursuant to paragraph (d) of subsection 2, constitutes a deceptive trade practice for the purposes of NRS 598.0903 to 598.0999, inclusive;

(b) A violation of section 6, 7 or 11 of this act; or

c) A failure by the seller or lessor of a distributed generation system or the seller of electricity generated by a distributed generation system to include in an agreement for the financing, sale or lease of a distributed generation system or an agreement for the purchase of electricity generated by a distributed generation system any provision required by section 8, 9 or 10 of this act.

Legislative Counsel’s Digest:
Existing law establishes the Silver State Health Insurance Exchange and provides for a governing board consisting of seven voting members and three ex-officio nonvoting members. (Chapter 695I of NRS) Existing law further provides that the members of the Board of Directors must not be affiliated in any way with a health insurer, shall not receive compensation for attending Board meetings and must hold a Board meeting at least once every quarter. (NRS 695I.300, 695I.330, 695I.340) Section 1 of this bill removes the requirement that the Exchange be “state based.” Section 2 of this bill expands the membership of the Board to nine voting members, revises the areas of expertise or experience that a board member may have to be appointed to the Board and eliminates the prohibition against appointing to the Board a person affiliated with a health insurer. Section 2 further provides that not more than two of the voting members of the Board may represent any particular area of expertise or experience. Section 3 of this bill authorizes compensation to Board members who are engaged in the business of the Board. Section 4 of this bill reduces the required number of Board meetings to one per calendar year.

Amendment No. 615.

AN ACT relating to common-interest communities; revising provisions authorizing a homeowners’ association to direct the removal of vehicles from property owned or leased by the association; revising provisions governing eligibility to be a member of the executive board or an officer of a homeowners’ association; revising provisions relating to the solicitation of bids for a homeowners’ association project; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law establishes the Uniform Common-Interest Ownership Act, which governs common-interest communities. (Chapter 116 of NRS) Under existing law, a homeowners’ association is authorized, under certain circumstances, to direct the removal of a vehicle improperly parked on property owned or leased by the association. Unless a vehicle is blocking a certain area of the association property or the vehicle poses a threat to the health, safety or welfare of the units’ owners or residents, an association must provide certain written or oral notice to the owner or operator of a vehicle at least 48 hours before the association may direct the removal of the vehicle. (NRS 116.3102) Section 1 of this bill removes these requirements. Existing law also provides that unless a person is appointed by the declarant, a person may not be a member of the executive board or an officer of a homeowners’ association if the person or certain
other persons perform the duties of a community manager for that association. (NRS 116.31034) **Section 1.5** of this bill additionally excludes a person, other than a person appointed by the declarant, from eligibility as a candidate for, or as a member of, the executive board or an officer of a homeowners’ association if: (1) except under certain circumstances, the person resides with, is married to or is related within the third degree of consanguinity to a member of the board or an officer of the association; (2) the person stands to gain any personal profit or compensation from a matter before the board; or (3) the person is a business associate of, or a co-owner of a business co-owned by, a person who is a member of the executive board or is an officer of the association or who performs the duties of a community manager for that association. Additionally, **section 1.5 provides that if a person is not eligible to be a candidate for, or a member of, an executive board or an officer of the association, the association: (1) must not place the name of the person on any ballot as a candidate; and (2) must prohibit the person from serving as a member of the executive board or as an officer of the association.**

Existing law also requires a homeowners’ association to open and consider bids for an association project at a meeting of its executive board. (NRS 116.31086) **Section 2** of this bill requires an association to solicit, whenever reasonably possible, at least three bids if the association project is expected to cost: (1) in a common-interest community that consists of less than 1,000 units, $2,500 or more; or (2) in a common-interest community that consists of 1,000 or more units, $5,000 or more. **Section 2 further specifies** that the contents of bids which are opened at a meeting of the executive board must be read aloud in summary form; (2) requires such contents to be posted on the Internet website of the association, if one exists; (2) authorizes the inclusion of such contents in an official newsletter or other similar publication that is circulated to each unit’s owner; and (4) requires the members of the executive board to vote on the acceptance of a bid in accordance with Robert’s Rules of Order Newly Revised.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** NRS 116.3102 is hereby amended to read as follows:

116.3102 1. Except as otherwise provided in this chapter, and subject to the provisions of the declaration, the association:

(a) Shall adopt and, except as otherwise provided in the bylaws, may amend bylaws and may adopt and amend rules and regulations.

(b) Shall adopt and may amend budgets in accordance with the requirements set forth in NRS 116.31151, may collect assessments for common expenses from the units' owners and may invest funds of the
association in accordance with the requirements set forth in NRS 116.311395.

(c) May hire and discharge managing agents and other employees, agents and independent contractors.

(d) May institute, defend or intervene in litigation or in arbitration, mediation or administrative proceedings in its own name on behalf of itself or two or more units’ owners on matters affecting the common-interest community.

(e) May make contracts and incur liabilities. Any contract between the association and a private entity for the furnishing of goods or services must not include a provision granting the private entity the right of first refusal with respect to extension or renewal of the contract.

(f) May regulate the use, maintenance, repair, replacement and modification of common elements.

(g) May cause additional improvements to be made as a part of the common elements.

(h) May acquire, hold, encumber and convey in its own name any right, title or interest to real estate or personal property, but:

1. Common elements in a condominium or planned community may be conveyed or subjected to a security interest only pursuant to NRS 116.3112; and

2. Part of a cooperative may be conveyed, or all or part of a cooperative may be subjected to a security interest, only pursuant to NRS 116.3112.

(i) May grant easements, leases, licenses and concessions through or over the common elements.

(j) May impose and receive any payments, fees or charges for the use, rental or operation of the common elements, other than limited common elements described in subsections 2 and 4 of NRS 116.2102, and for services provided to the units’ owners, including, without limitation, any services provided pursuant to NRS 116.310312.

(k) May impose charges for late payment of assessments pursuant to NRS 116.3115.

(l) May impose construction penalties when authorized pursuant to NRS 116.310305.

(m) May impose reasonable fines for violations of the governing documents of the association only if the association complies with the requirements set forth in NRS 116.31031.

(n) May impose reasonable charges for the preparation and recordation of any amendments to the declaration or any statements of unpaid assessments, and impose reasonable fees, not to exceed the amounts authorized by
NRS 116.4109, for preparing and furnishing the documents and certificate required by that section.

(o) May provide for the indemnification of its officers and executive board and maintain directors and officers liability insurance.

(p) May assign its right to future income, including the right to receive assessments for common expenses, but only to the extent the declaration expressly so provides.

(q) May exercise any other powers conferred by the declaration or bylaws.

(r) May exercise all other powers that may be exercised in this State by legal entities of the same type as the association.

(s) May direct the removal of vehicles improperly parked on property owned or leased by the association, as authorized pursuant to NRS 487.038, or improperly parked on any road, street, alley or other thoroughfare within the common-interest community in violation of the governing documents.

In addition to complying with the requirements of NRS 487.038 and any requirements in the governing documents, if a vehicle is improperly parked as described in this paragraph, the association must post written notice in a conspicuous place on the vehicle or provide oral or written notice to the owner or operator of the vehicle at least 48 hours before the association may direct the removal of the vehicle, unless the vehicle:

1. Is blocking a fire hydrant, fire lane or parking space designated for the handicapped; or

2. Poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units’ owners or residents of the common-interest community.

(t) May exercise any other powers necessary and proper for the governance and operation of the association.

2. The declaration may not limit the power of the association to deal with the declarant if the limit is more restrictive than the limit imposed on the power of the association to deal with other persons.

3. The executive board may determine whether to take enforcement action by exercising the association’s power to impose sanctions or commence an action for a violation of the declaration, bylaws or rules, including whether to compromise any claim for unpaid assessments or other claim made by or against it. The executive board does not have a duty to take enforcement action if it determines that, under the facts and circumstances presented:

(a) The association’s legal position does not justify taking any or further enforcement action;

(b) The covenant, restriction or rule being enforced is, or is likely to be construed as, inconsistent with current law;
(c) Although a violation may exist or may have occurred, it is not so material as to be objectionable to a reasonable person or to justify expending the association’s resources; or
(d) It is not in the association’s best interests to pursue an enforcement action.

4. The executive board’s decision under subsection 3 not to pursue enforcement under one set of circumstances does not prevent the executive board from taking enforcement action under another set of circumstances, but the executive board may not be arbitrary or capricious in taking enforcement action.

5. Notwithstanding any provision of this chapter or the governing documents to the contrary, an association may not impose any assessment pursuant to this chapter or the governing documents on the owner of any property in the common-interest community that is exempt from taxation pursuant to NRS 361.125. For the purposes of this subsection, “assessment” does not include any charge for any utility services, including, without limitation, telecommunications, broadband communications, cable television, electricity, natural gas, sewer services, garbage collection, water or for any other service which is delivered to and used or consumed directly by the property in the common-interest community that is exempt from taxation pursuant to NRS 361.125.

Sec. 1.5. NRS 116.31034 is hereby amended to read as follows:

116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant’s control, the units’ owners shall elect an executive board of at least three members, all of whom must be units’ owners. The executive board shall elect the officers of the association. Unless the governing documents provide otherwise, the officers of the association are not required to be units’ owners. The members of the executive board and the officers of the association shall take office upon election.

2. The term of office of a member of the executive board may not exceed 3 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:
(a) Members of the executive board who are appointed by the declarant; and
(b) Members of the executive board who serve a term of 1 year or less.
4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit’s owner of the unit’s owner’s eligibility to serve as a member of the executive board. Each unit’s owner who is qualified to serve as a member of the executive board may have his or her name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Before the secretary or other officer specified in the bylaws of the association causes notice to be given to each unit’s owner of his or her eligibility to serve as a member of the executive board pursuant to subsection 4, the executive board may determine that if, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board at the election, then the secretary or other officer specified in the bylaws of the association will cause notice to be given to each unit’s owner informing each unit’s owner that:

(a) The association will not prepare or mail any ballots to units’ owners pursuant to this section and the nominated candidates shall be deemed to be duly elected to the executive board unless:

(1) A unit’s owner who is qualified to serve on the executive board nominates himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection; and

(2) The number of units’ owners who submit such a nomination causes the number of candidates nominated for membership on the executive board to be greater than the number of members to be elected to the executive board.

(b) Each unit’s owner who is qualified to serve as a member of the executive board may nominate himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection.

6. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board, then:

(a) The association will not prepare or mail any ballots to units’ owners pursuant to this section;
(b) The nominated candidates shall be deemed to be duly elected to the executive board not later than 30 days after the date of the closing of the period for nominations described in subsection 5; and
(c) The association shall send to each unit’s owner notification that the candidates nominated have been elected to the executive board.

7. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is greater than the number of members to be elected to the executive board, then the association shall:
(a) Prepare and mail ballots to the units’ owners pursuant to this section; and
(b) Conduct an election for membership on the executive board pursuant to this section.

8. Each person who is nominated as a candidate for membership on the executive board pursuant to subsection 4 or 5 must:
(a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and
(b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in “good standing” if the candidate has any unpaid and past due assessments or construction penalties that are required to be paid to the association.

The candidate must make all disclosures required pursuant to this subsection in writing to the association with his or her candidacy information. Except as otherwise provided in this subsection, the association shall distribute the disclosures, on behalf of the candidate, to each member of the association with the ballot or, in the event ballots are not prepared and mailed pursuant to subsection 6, in the next regular mailing of the association. The association is not obligated to distribute any disclosure pursuant to this subsection if the disclosure contains information that is believed to be defamatory, libelous or profane.

9. Unless a person is appointed by the declarant:
(a) A person is not eligible to be a candidate for, or a member of, the executive board or an officer of the association if:
   (1) Unless there is an insufficient number of candidates to fill one or more vacancies as a member of the executive board or as an officer of the association, the person resides with another person in a unit, is married to that other person or is related by blood or adoption within the
third degree of consanguinity or affinity, and if the other person is also a member of the executive board or is an officer of the association;

(f) The incumbent members of the executive board and each person whose name is placed on the ballot as a candidate for membership on the executive board may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

12. (II) The voting rights of those owners are not exercised by delegates or representatives, the mailing address of the association established pursuant to NRS 119A.520. If the mailing address of the association is provided to the candidate pursuant to this sub-subparagraph, the association must send to each owner of a time share within the time share plan the campaign material provided by the candidate. If the campaign material will be sent by mail, the candidate who provides the campaign material must provide to the association a separate copy of the campaign material for each owner and must pay the actual costs of mailing before the campaign material is mailed. The following amendment was proposed by Assemblywoman Seaman:

Amendment No. 638.

AN ACT relating to private professional guardians; requiring licensing for persons engaged in the business of a private professional guardian; establishing the requirements for the licensing and operation of a private professional guardian company; amending provisions related to the appointment of a guardian under certain circumstances; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the court appointment of a private professional guardian to act as a fiduciary for a person or estate, but does not require the private professional guardian to be licensed. (NRS 159.0595) This bill requires the licensing of persons engaging in the business of a private professional guardian and authorizes the Commissioner of Financial Institutions to adopt regulations relating to the licensing of those persons.

Sections 15-17 of this bill make it unlawful for a person to act as a private professional guardian without being licensed. Sections 18-26 of this bill establish the requirements and application process to obtain a license to transact the business of a private professional guardian. Section 28 of this bill sets forth requirements relating to the change of ownership or transfer of assets of a private professional guardian company. Section 29 of this bill establishes the process for the renewal of a license. Section 30 of this bill establishes the process for surrender of a license.

Section 31 of this bill requires a licensee to keep a principal office in this State. Section 32 of this bill establishes procedures for the Commissioner to approve an out-of-state office of a private professional guardian company. Section 33 of this bill requires a licensee to maintain certain types and levels of bonds and insurance.

Section 35 of this bill establishes the rights and authority of a licensee. Section 36 of this bill prohibits certain activities by a licensee. Sections 37-41 of this bill establish requirements for accounting, reporting and auditing of a private professional guardian company and authorize the Commissioner or a designee to inspect certain records of a private professional guardian company.

Sections 42-46 of this bill establish procedures for the Commissioner to take administrative action against licensees. Sections 47 and 48 of this bill establish procedures for handling a complaint against a private professional guardian company. Sections 49 and 50 of this bill provide administrative and criminal penalties for violating certain provisions of this bill.

Existing law requires that, subject to certain exceptions, a person must be a resident of this State to be appointed as a guardian. (NRS 159.059)
Existing law also requires a court to appoint as guardian for an incompetent the qualified person who is most suitable and is willing to serve as a guardian. (NRS 159.061) Sections 50.5 and 51.5 of this bill require a court to appoint as guardian for an incompetent a person who, regardless of whether the person is a resident of this State, has been requested to be appointed as guardian in a written instrument executed by the incompetent while he or she was competent, if that person is willing to serve and is otherwise determined to be qualified and suitable.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

(b) Enter into a written agreement with the person pursuant to which the person agrees to cease and desist from engaging in any activity in this State for which a license is required relating to the business of a private professional guardian and impose upon the person an administrative fine of not less than $5,000 and not more than $10,000.

4. The Commissioner shall bring suit in the name and on behalf of the State of Nevada against a person upon whom an administrative fine is imposed pursuant to subsection 3 to recover the amount of the administrative fine if:

   (a) The application or any other forms that must be submitted for the issuance or renewal of the license; or
   (b) A separate form prescribed by the Commissioner.

3. A license may not be issued or renewed by the Commissioner if the applicant:
   (a) Fails to submit the statement required pursuant to subsection 1; or
   (b) Indicates on the statement submitted pursuant to subsection 1 that the applicant is subject to a court order for the support of a child and is not in compliance with the order or a plan approved by the district attorney or other public agency enforcing the order for the repayment of the amount owed pursuant to the order.

4. If an applicant indicates on the statement submitted pursuant to subsection 1 that the applicant is subject to a court order for the support of a child and is not in compliance with the order or a plan approved by the district attorney or other public agency enforcing the order for the repayment of the amount owed pursuant to the order, the Commissioner shall advise the applicant to contact the district attorney or other public agency enforcing the order to determine the actions that the applicant may take to satisfy the arrearage.

4. The decision of the Commissioner is final for the purposes of judicial review.

Sec. 24. The Commissioner shall approve the application for a license, keeping on file his or her findings of fact pertaining thereto, if the Commissioner finds that the applicant has met all the requirements of this chapter pertaining to the applicant’s qualifications and application.

2. Each license issued by the Commissioner must be sufficiently identified in the record.
3. Each renewal of a license must be recorded in the same manner as the original license, and the number of the preceding license issued must be recorded.

Sec. 27. Each license issued pursuant to this chapter must be conspicuously displayed in the place of business designated in the license.

Sec. 28. 1. A license issued pursuant to this chapter is not transferable or assignable, but upon the approval of the Commissioner and any applicable court of jurisdiction, a licensee may merge or consolidate with, or transfer its assets and control to, another person who holds a license pursuant to this chapter. In determining whether to grant the approval, the Commissioner may consider the factors set forth in section 22 of this act.
2. 3. A private professional guardian company shall, within 5 business days after a change in the chief executive officer, managing member or a majority of the directors or managing directors of the company occurs, report the change to the Commissioner. The application for renewal must be accompanied by a renewal fee of not more than $1,500 and all information required to complete the application.

2. The Commissioner shall issue a renewal license to the applicant, which must be dated July 1 next ensuing the date of the application, in form and text similar to the original except that, in addition, the renewal must include the date and number of the earliest license issued.

3. All requirements of this chapter with respect to original licenses and bonds apply to all renewal licenses and bonds, except as otherwise provided in this section.

4. The Commissioner shall refuse to renew a license if at the time of application a proceeding to revoke or suspend the license is pending.

5. The Commissioner shall adopt regulations establishing the amount of the fee required pursuant to this section. All money collected under the provisions of this section must be deposited in the State Treasury pursuant to the provisions of NRS 658.091.

Sec. 30. Sec. 33. 1. The Commissioner may require a private professional guardian company to maintain equity, fidelity and surety bonds in amounts that are more than the minimum required initially or at any subsequent time based on the Commissioner’s assessment of the risks associated with the business plan of the private professional guardian or other information contained in the application, the Commissioner’s investigation of the application or any examination of or filing by the private professional guardian company thereafter, including, without limitation, any examination before the opening of the business. In making such a determination, the Commissioner may consider, without limitation:

(c) The amount of fiduciary assets projected to be under the management or administration of the private professional guardian company;

A bond required pursuant to this section may be in any form and may be paid for by the private professional guardian company.

3. A private professional guardian company shall obtain suitable insurance against burglary, robbery, theft and other hazards to which it may be exposed in the operation of its business.

4. A private professional guardian company shall obtain suitable surety bonds in accordance with NRS 159.065, as applicable.

5. The surety bond obtained pursuant to subsection 4 must be in a form approved by a court of competent jurisdiction and the Division and conditioned that the applicant conduct his or her business in accordance with the requirements of this chapter. The bond must be made and executed by the principal and a surety company authorized to write bonds in this State.

The action must be recorded in the minutes kept by the private professional guardian company and reported to the Commissioner.

7. The bond must cover all matters placed with the private professional guardian company during the term of the license or a renewal thereof.

8. An action may not be brought upon any bond after 2 years from the revocation or expiration of the license. After 2 years, all liability of the surety or sureties upon the bond ceases if no action is commenced upon the bond.

Sec. 34. The Commissioner shall revoke the license of a private professional guardian company:

1. If the private professional guardian company fails to open for business within 6 months after the date the license was issued, or within an additional 6-month extension granted by the Commissioner upon written application and for good cause shown; or
2. If the private professional guardian company fails for more than 30 consecutive days to maintain regular business hours or otherwise conduct the business of a private professional guardian.

Sec. 35. Each private professional guardian company which is licensed pursuant to this chapter may, in the conduct of its business activities, within and outside this State, as applicable:
1. Act under the order or appointment of any court as guardian.
2. Accept and execute any activities and duties relating to the business of a private professional guardian as permitted by any law.
3. Exercise the powers of a corporation, partnership or limited-liability company organized or qualified as a foreign corporation, partnership or limited-liability company under the laws of this State and any incidental powers that are reasonably necessary to enable it to exercise, in accordance with commonly accepted customs and usages, a power conferred by this chapter.
4. Perform any act authorized by this chapter and any other applicable laws of this State.

Sec. 36. 1. The fiduciary relationship which exists between a private professional guardian and the ward of the private professional guardian may not be used for the private gain of the guardian other than the remuneration for fees and expenses. A private professional guardian may not incur any obligation on behalf of the guardianship that conflicts with the discharge of the duties of the private professional guardian.
2. Unless prior approval is obtained from a court of competent jurisdiction, a private professional guardian shall not:
   (a) Have any interest, financial or otherwise, direct or indirect, in any business transaction or activity with the guardianship.
   (b) Acquire an ownership, possessory, security or other pecuniary interest adverse to the ward.
   (c) Be knowingly designated as a beneficiary on any life insurance policy, pension or benefit plan of the ward unless such designation was validly made by the ward before the adjudication of the person's incapacity.
   (d) Directly or indirectly purchase, rent, lease or sell any property or services from or to any business entity in which the private professional guardian, or the spouse or relative of the guardian, is an officer, partner, director, shareholder or proprietor or in which such a person has any financial interest.
3. Any action taken by a private professional guardian which is prohibited by this section may be voided during the term of the guardianship or by the personal representative of the ward’s estate. The private professional guardian is subject to removal and to imposition of
personal liability through a proceeding for discharge, in addition to any other remedies otherwise available.

4. A court shall not appoint a private professional guardian that is not licensed pursuant to this chapter as the guardian of a person or estate. The court must review each guardianship involving a private professional guardian on the anniversary date of the appointment of the private professional guardian. If a private professional guardian does not hold a current license, the court must replace the guardian until such time as the private professional guardian obtains the necessary license.

5. The provisions of NRS 159.076 regarding summary administration do not apply to a private professional guardian.

6. A licensee shall file any report required by the court in a timely manner.

Sec. 37. 1. Except as otherwise provided in NRS 159.076, a licensee shall maintain a separate trust account for each ward into which all money received for the benefit of the ward must be deposited. Each trust account must be maintained in an insured bank or credit union located in this State, be held in a name which is sufficient to distinguish it from the personal or general checking account of the licensee and be designated as a trust account. Each trust account must at all times account for all money received for the benefit of the ward and account for all money dispersed for the benefit of the ward, and no disbursement may be made from the account except for court authorized expenditures.

2. Each licensee shall keep a record of all money deposited in each trust account maintained for a ward, which must clearly indicate the date and from whom the money was received, the date the money was deposited, the dates of withdrawals of money and other pertinent information concerning the transactions. Records kept pursuant to this subsection must be maintained for at least 6 years after the completion of the last transaction concerning the account. The records must be maintained at the premises in this State at which the licensee is authorized to conduct business.

3. The Commissioner or his or her designee shall conduct an examination of the trust accounts and records relating to wards of each private professional guardian company licensed pursuant to this chapter at least once each year.

4. During the first year a private professional guardian is licensed in this State, the Commissioner or his or her designee may conduct any examinations deemed necessary to ensure compliance with the provisions of this chapter and chapter 159 of NRS.

5. If there is evidence that a private professional guardian company has violated a provision of this chapter or chapter 159 of NRS,
Commissioner or his or her designee may conduct additional examinations to determine whether a violation has occurred.

6. Each licensee shall authorize the Commissioner or his or her designee to examine all books, records, papers and effects of the private professional guardian company.

7. If the Commissioner determines that the records of a licensee are not maintained in accordance with subsections 1 and 2, the Commissioner may require the licensee to submit, within 60 days, an audited financial statement prepared from the records of the licensee by a certified public accountant who holds a certificate to engage in the practice of public accounting in this State. The Commissioner may grant a reasonable extension of time for the submission of the financial statement if an extension is requested before the statement is due.

8. Upon the request of the Division, a licensee must provide to the Division copies of any documents reviewed during an examination conducted by the Commissioner or his or her designee pursuant to subsection 4, 5 or 6. If the copies are not provided, the Commissioner may subpoena the documents.

9. For each examination of the books, papers, records and effects of a private professional guardian company that is required or authorized pursuant to this chapter, the Commissioner shall charge and collect from the private professional guardian company a fee for conducting the examination and preparing a report of the examination based upon the rate established by regulation pursuant to NRS 658.101. Failure to pay the fee within 30 days after receipt of the bill is grounds for revoking the license of the private professional guardian company.

10. All money collected under this section must be deposited in the State Treasury pursuant to the provisions of NRS 658.091.

Sec. 38. 1. After an examination is conducted pursuant to section 37 of this act, the person who conducted the examination shall prepare a written report of the results of the examination which must be signed by the Commissioner or his or her designee.

2. The written report must contain a true and detailed statement of the financial condition of the private professional guardian company and, if applicable, a full statement of any violations of the provisions of this chapter and chapter 159 of NRS.

Sec. 39. 1. The Commissioner shall provide a copy of a report prepared pursuant to section 38 of this act to the president or secretary of the board of directors of the private professional guardian company if the company is a corporation, or to a manager or owner of the private professional guardian company if the company is not a corporation, and may make a copy available to each member of the board of directors or
each manager or owner, as applicable. If, in the judgment of the Commissioner, the report discloses any violation of the provisions of this chapter or chapter 159 of NRS committed by the private professional guardian company, or if it appears from the report that there are certain conditions existing which should be corrected by the private professional guardian company, the Commissioner may, in writing, call the matter to the attention of each member of the board of directors or each manager or owner, with instructions to correct the condition.

2. Upon the preparation of the report as provided in section 38 of this act, the Commissioner shall also serve a copy thereof to the court having jurisdiction of each ward of the private professional guardian company.

Sec. 40. 1. The Commissioner may require a licensee to submit an annual financial statement or an audited financial statement prepared by an independent certified public accountant licensed to do business in this State, dependent upon the size and complexity of the private professional guardian company.

2. If applicable, on or before the fourth Monday in January of each year, each licensee shall submit to the Commissioner the stock ledger of stockholders of the corporation required to be maintained pursuant to paragraph (c) of subsection 1 of NRS 78.105 or the list of each member and manager required to be maintained pursuant to paragraph (a) of subsection 1 of NRS 86.241, verified by the president or a manager, as appropriate.

3. A list of each member and manager submitted pursuant to subsection 2 must include the percentage of each member’s interest in the company, in addition to the requirements set forth in NRS 86.241.

4. If a licensee fails to submit the ledger or list required pursuant to this section within the prescribed period, the Commissioner may impose and collect a fee of not more than $10 for each day the report is late.

5. The Commissioner shall adopt regulations establishing the amount of the fee that may be imposed pursuant to this section.

Sec. 41. Except as otherwise provided in NRS 239.0115, any application and personal or financial records submitted to the Division pursuant to the provisions of this chapter and any personal or financial records or other documents obtained by the Division pursuant to an examination conducted by the Commissioner or his or her designee or in response to a subpoena are confidential and may be disclosed only to:

1. The Division, any authorized employee or representative of the Division and any state or federal agency investigating the activities covered under the provisions of this chapter; and

2. Any person if the Commissioner, in his or her discretion, determines that the interests of the public that would be protected by disclosure
outweigh the interest of any person in the confidential information not being disclosed.

Sec. 42. 1. The Commissioner may require the immediate removal from office of any officer, director, manager or employee of any private professional guardian company doing business under this chapter who is found to be dishonest, incompetent or reckless in the management of the affairs of the private professional guardian company, or who persistently violates the laws of this State or the lawful orders, instructions and regulations issued by the Commissioner.

2. An officer, director, manager or employee of a private professional guardian company who is required to be removed from office pursuant to subsection 1 may appeal his or her removal by filing a written request for a hearing with the Commissioner within 10 days after the effective date of his or her removal. The Commissioner shall conduct the hearing after providing at least 5 days’ written notice to the private professional guardian company and the officer, director, manager or employee who is appealing his or her removal from office. Within 5 days after the conclusion of the hearing, the Commissioner shall enter an order affirming or disaffirming the removal of the person from office. An order of the Commissioner entered pursuant to this subsection is final for the purposes of judicial review.

Sec. 43. 1. The Commissioner may take administrative action against a licensee or initiate proceedings as provided in section 46 of this act to take possession of the business and property of any private professional guardian company if the company:

(a) Has violated this chapter or any other state or federal laws applicable to the business of a private professional guardian.

(b) Is conducting the business in an unauthorized or unsafe manner.

(c) Is in an unsafe or unsound condition to transact business.

(d) Has an impairment of the surety bonds held by the company.

(e) Has an impairment of the fidelity bonds held by the company.

(f) Has become insolvent.

(g) Has neglected or refused to comply with the terms of a lawful order of the Commissioner.

(h) Has refused, upon proper demand, to submit its records, affairs and concerns for inspection and examination of an appointed or authorized examiner of the Commissioner.

(i) Has refused to provide copies to the Division upon request, and in cooperation with any investigation, inspection or examination, of any and all documents reviewed by the Division during any such investigation, inspection or examination.

(j) Has failed to pay any state or local taxes as required.
(k) Has materially and willfully breached its fiduciary duties to a ward.
(l) Has failed to properly disclose all fees, interest and other charges to the court and the public.
(m) Has willfully engaged in material conflicts of interest regarding a ward.
(n) Has made intentional material misrepresentations regarding any aspect of the services performed or proposed to be performed by the private professional guardian company.

2. The Commissioner also may initiate such proceedings to take possession of the business and property of any private professional guardian company if an officer, partner, member or sole proprietor of the private professional guardian company refuses to be examined upon oath regarding its affairs.

Sec. 44. 1. If the Commissioner has reason to believe that grounds for the revocation or suspension of a license exist, the Commissioner shall give at least 20 days’ written notice to the licensee stating the contemplated action and, in general, the grounds therefor and set a date for a hearing.

2. At the conclusion of a hearing, the Commissioner shall:
   (a) Enter a written order dismissing the charges, revoking the license or suspending the license for a period of not more than 60 days, which period must include any prior temporary suspension. The Commissioner shall send a copy of the order to the licensee by registered or certified mail.
   (b) Impose upon the licensee an administrative fine of not more than $10,000 for each violation by the licensee of any provision of this chapter or any regulation adopted pursuant thereto.
   (c) If a fine is imposed pursuant to this section, enter such order as is necessary to recover the costs of the proceeding, including investigative costs and attorney’s fees.

3. The grounds for revocation or suspension of a license are that:
   (a) The licensee has failed to pay the annual license fee;
   (b) The licensee has violated any provision of this chapter or any regulation adopted pursuant thereto or any lawful order of the Commissioner;
   (c) The licensee has failed to pay any applicable state or local tax as required;
   (d) Any fact or condition exists which would have justified the Commissioner in denying the original application for a license pursuant to the provisions of this chapter; or
   (e) The licensee:
      (1) Failed to open an office for the conduct of the business authorized by his or her license within 180 days after the date the license was issued; or
(2) Has failed to remain open for the conduct of the business for a period of 30 consecutive days without good cause therefor.

4. An order suspending or revoking a license becomes effective 5 days after being entered unless the order specifies otherwise or a stay is granted.

Sec. 45. If the Commissioner finds that probable cause for the revocation of any license exists and that the public interest requires the immediate suspension of the license pending an investigation, the Commissioner may, upon 5 days’ written notice offering the opportunity for a hearing, enter an order suspending the license for a period of not more than 20 days, pending a hearing upon the revocation of the license unless the opportunity for a hearing is waived by the licensee.

Sec. 46. 1. If the Commissioner has reasonable cause to believe that any person is violating or is threatening to or intends to violate any provision of this chapter, the Commissioner may, in addition to any action provided for in this chapter and chapter 233B of NRS and without prejudice thereto, enter an order requiring the person to cease and desist or to refrain from such violation.

2. The Commissioner may bring an action to enjoin a person from engaging in or continuing a violation or from doing any act or acts in furtherance thereof. In any such action, irreparable harm and lack of an adequate remedy at law will be presumed and an order or judgment may be entered awarding a preliminary or final injunction as may be deemed proper. The findings of the Commissioner shall be deemed to be prima facie evidence and sufficient grounds, in the discretion of the court, for the issuance ex parte of a temporary restraining order.

3. In addition to all other means provided by law for the enforcement of a restraining order or injunction, the court in which an action is brought may impound, and appoint a receiver for, the property and business of the person, including books, papers, documents and records pertaining thereto, or so much thereof as a court may deem reasonably necessary to prevent violations of this chapter through or by means of the use of property and business, whether such books, papers, documents and records are in the possession of the person, a registered agent acting on behalf of the person or any other person. If a receiver is appointed and qualified, the receiver has such powers and duties relating to the custody, collection, administration, winding up and liquidation of such property and business as may be conferred upon the receiver by the court.

4. If a receiver is appointed pursuant to subsection 3, the receiver shall remit to the owners, members or shareholders of the private professional guardian company any amount of equity of the private professional guardian company remaining after the discharge of the liabilities and
payment of the normal, prudent and reasonable expenses of the
receivership.

Sec. 47. 1. Upon the filing with the Commissioner of a verified
complaint against a private professional guardian company, the
Commissioner shall investigate the alleged violation of the provisions of
this chapter.

2. If the Commissioner determines that a complaint filed pursuant to
subsection 1 warrants further action, the Commissioner shall send a copy
of the complaint and notice of the date set for an informal hearing to the
subject of the complaint and the Attorney General.

3. The Commissioner may require the private professional guardian
company that is the subject of a complaint to file a verified answer to the
complaint within 10 days after receipt of the complaint unless, for good
cause shown, the Commissioner extends the time required for filing an
answer for a period not to exceed 60 days.

4. If at the hearing the complaint is not explained to the satisfaction of
the Commissioner, the Commissioner may take such action against the
private professional guardian company as authorized by the provisions of
this chapter.

Sec. 48. 1. Except as otherwise provided in this section and
NRS 239.0115, a complaint filed with the Commissioner, all documents
and other information filed with the complaint and all documents and
other information compiled as a result of an investigation conducted to
determine whether to initiate disciplinary action are confidential.

2. The complaint or other documents filed by the Commissioner to
initiate disciplinary action and all documents and information considered
by the Commissioner when determining whether to impose discipline are
public records.

Sec. 49. 1. In addition to any other remedy or penalty, the
Commissioner may impose an administrative fine of not more than $10,000
per violation upon a person who violates any provision of this chapter or
any regulation adopted pursuant thereto.

2. The maximum total fine that the Commissioner may impose on any
person pursuant to this section with respect to the same or similar actions
or series of actions which constitute the violations must not exceed the
greater of $250,000 or 125 percent of the monetary value of all losses
incurred by the private professional guardian company and its wards as the
direct or indirect result of such violations.

Sec. 50. 1. A licensee who knowingly or willfully neglects to perform
any act or duty required by this chapter or other applicable law, or who
knowingly or willfully fails to satisfy any material lawful requirement made
by the Commissioner is guilty of a category D felony and shall be punished as provided in NRS 193.130.

GENERAL FILE AND THIRD READING

Assembly Bill No. 114.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 70.

AN ACT relating to restitution; providing that a judgment requiring the payment of restitution does not expire until it is satisfied; exempting such a judgment from the time limitation for commencing an action upon or seeking the renewal thereof; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law provides that a judgment which, among other things, requires a defendant in a criminal action to pay restitution constitutes a lien which is enforceable as a judgment in a civil action. (NRS 176.275) Existing law also provides that an action upon a judgment or decree or for the renewal of such judgment or decree must be commenced within 6 years. (NRS 11.190) This bill: (1) provides that a judgment requiring a defendant in a criminal action or a parent or guardian of a child to pay restitution does not expire until it is satisfied; and (2) exempts such a judgment from the time limitation for commencing an action or seeking the renewal thereof.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 176.275 is hereby amended to read as follows:

A judgment which imposes a fine or administrative assessment or requires a defendant to pay restitution or repay the expenses of a defense constitutes a lien in like manner as a judgment for money rendered in a civil action.

2. A judgment which requires a defendant to pay restitution:

   (a) May be recorded, docketed and enforced as any other judgment for money rendered in a civil action.

   (b) Does not expire until the judgment is satisfied.

3. An independent action to enforce a judgment which requires a defendant to pay restitution may be commenced at any time.

Sec. 2. NRS 176A.850 is hereby amended to read as follows:

A person who:

(a) Has fulfilled the conditions of probation for the entire period thereof;

(b) Is recommended for earlier discharge by the Division; or
(c) Has demonstrated fitness for honorable discharge but because of economic hardship, verified by the Division, has been unable to make restitution as ordered by the court, may be granted an honorable discharge from probation by order of the court.

2. Any amount of restitution remaining unpaid constitutes a civil liability arising upon the date of discharge and is enforceable pursuant to NRS 176.275.

3. Except as otherwise provided in subsection 4, a person who has been honorably discharged from probation:

(a) Is free from the terms and conditions of probation.

(b) Is immediately restored to the following civil rights:

(1) The right to vote; and

(2) The right to serve as a juror in a civil action.

(c) Four years after the date of honorable discharge from probation, is restored to the right to hold office.

(d) Six years after the date of honorable discharge from probation, is restored to the right to serve as a juror in a criminal action.

(e) If the person meets the requirements of NRS 179.245, may apply to the court for the sealing of records relating to the conviction.

(f) Must be informed of the provisions of this section and NRS 179.245 in the person’s probation papers.

(g) Is exempt from the requirements of chapter 179C of NRS, but is not exempt from the requirements of chapter 179D of NRS.

(h) Shall disclose the conviction to a gaming establishment and to the State and its agencies, departments, boards, commissions and political subdivisions, if required in an application for employment, license or other permit. As used in this paragraph, “establishment” has the meaning ascribed to it in NRS 463.0148.

(i) Except as otherwise provided in paragraph (h), need not disclose the conviction to an employer or prospective employer.

4. Except as otherwise provided in this subsection, the civil rights set forth in subsection 3 are not restored to a person honorably discharged from probation if the person has previously been convicted in this State:

(a) Of a category A felony.

(b) Of an offense that would constitute a category A felony if committed as of the date of the honorable discharge from probation.

(c) Of a category B felony involving the use of force or violence that resulted in substantial bodily harm to the victim.

(d) Of an offense involving the use of force or violence that resulted in substantial bodily harm to the victim and that would constitute a category B felony if committed as of the date of honorable discharge from probation.
(e) Two or more times of a felony, unless a felony for which the person has been convicted arose out of the same act, transaction or occurrence as another felony, in which case the convictions for those felonies shall be deemed to constitute a single conviction for the purposes of this paragraph.

A person described in this subsection may petition a court of competent jurisdiction for an order granting the restoration of civil rights as set forth in subsection 3.

5. The prior conviction of a person who has been honorably discharged from probation may be used for purposes of impeachment. In any subsequent prosecution of the person, the prior conviction may be pleaded and proved if otherwise admissible.

6. Except for a person subject to the limitations set forth in subsection 4, upon honorable discharge from probation, the person so discharged must be given an official document which provides:

(a) That the person has received an honorable discharge from probation;
(b) That the person has been restored to his or her civil rights to vote and to serve as a juror in a civil action as of the date of honorable discharge from probation;
(c) The date on which the person’s civil right to hold office will be restored pursuant to paragraph (c) of subsection 3; and
(d) The date on which the person’s civil right to serve as a juror in a criminal action will be restored pursuant to paragraph (d) of subsection 3.

7. Subject to the limitations set forth in subsection 4, a person who has been honorably discharged from probation in this State or elsewhere and whose official documentation of honorable discharge from probation is lost, damaged or destroyed may file a written request with a court of competent jurisdiction to restore the person’s civil rights pursuant to this section. Upon verification that the person has been honorably discharged from probation and is eligible to be restored to the civil rights set forth in subsection 3, the court shall issue an order restoring the person to the civil rights set forth in subsection 3. A person must not be required to pay a fee to receive such an order.

8. A person who has been honorably discharged from probation in this State or elsewhere may present:
(a) Official documentation of honorable discharge from probation, if it contains the provisions set forth in subsection 6; or
(b) A court order restoring the person’s civil rights,

as proof that the person has been restored to the civil rights set forth in subsection 3.

Sec. 3. NRS 176A.870 is hereby amended to read as follows:

176A.870  A defendant whose term of probation has expired and:
1. Whose whereabouts are unknown;
2. Who has failed to make restitution in full as ordered by the court, without a verified showing of economic hardship; or
3. Who has otherwise failed to qualify for an honorable discharge as provided in NRS 176A.850,

is not eligible for an honorable discharge and must be given a dishonorable discharge. A dishonorable discharge releases the probationer from any further obligation, except a civil liability arising on the date of discharge for any unpaid restitution which is enforceable pursuant to NRS 176.275, but does not entitle the probationer to any privilege conferred by NRS 176A.850.

Sec. 4. NRS 11.190 is hereby amended to read as follows:

11.190 Except as otherwise provided in NRS 40.4639, 125B.050 and 217.007, actions other than those for the recovery of real property, unless further limited by specific statute, may only be commenced as follows:
1. Within 6 years:

   (b) An action upon a contract, obligation or liability founded upon an instrument in writing, except those mentioned in the preceding sections of this chapter.
2. Within 4 years:
   (a) An action on an open account for goods, wares and merchandise sold and delivered.

3. Within 3 years:
   (a) An action upon a liability created by statute, other than a penalty or forfeiture.

   (c) An action for taking, detaining or injuring personal property, including actions for specific recovery thereof, but in all cases where the subject of the action is a domestic animal usually included in the term “livestock,” which
has a recorded mark or brand upon it at the time of its loss, and which strays or is stolen from the true owner without the owner’s fault, the statute does not begin to run against an action for the recovery of the animal until the owner has actual knowledge of such facts as would put a reasonable person upon inquiry as to the possession thereof by the defendant.

(d) Except as otherwise provided in NRS 112.230 and 166.170, an action for relief on the ground of fraud or mistake, but the cause of action in such a case shall be deemed to accrue upon the discovery by the aggrieved party of the facts constituting the fraud or mistake.

(e) An action pursuant to NRS 40.750 for damages sustained by a financial institution or other lender because of its reliance on certain fraudulent conduct of a borrower, but the cause of action in such a case shall be deemed to accrue upon the discovery by the financial institution or other lender of the facts constituting the concealment or false statement.

4. Within 2 years:

(e) Except as otherwise provided in NRS 11.215, an action to recover damages for injuries to a person or for the death of a person caused by the wrongful act or neglect of another. (b) An action against an officer, or officer de facto for money paid to the officer under protest, or seized by the officer in his or her official capacity, as a collector of taxes, and which, it is claimed, ought to be refunded.

Sec. 4.5. **NRS 62B.420 is hereby amended to read as follows:**

62B.420. 1. Except as otherwise provided in this subsection, if, pursuant to this title, a child or a parent or guardian of a child is ordered by the juvenile court to pay a fine, administrative assessment, fee or restitution or to make any other payment and the fine, administrative assessment, fee, restitution or other payment or any part of it remains unpaid after the time established by the juvenile court for its payment, the juvenile court may enter a civil judgment against the child or the parent or guardian of the child for the amount due in favor of the victim, the state or local entity to whom the amount is owed or both. The juvenile court may not enter a civil judgment against a person who is a child unless the person has attained the age of 18 years, the person is a child who is determined to be outside the jurisdiction of the juvenile court pursuant to NRS 62B.330 or 62B.335 or the person is a child who is certified for proper criminal proceedings as an adult pursuant to NRS 62B.390.

2. Notwithstanding the termination of the jurisdiction of the juvenile court pursuant to NRS 62B.410 or the termination of any period of supervision or probation ordered by the juvenile court, the juvenile court retains jurisdiction over any civil judgment entered pursuant to subsection 1 and retains jurisdiction over the person against whom a civil judgment is entered pursuant to subsection 1. The juvenile court may supervise the civil judgment and take any of the actions authorized by the laws of this State.

3. A civil judgment entered pursuant to subsection 1 may be enforced and renewed in the manner provided by law for the enforcement and renewal of a judgment for money rendered in a civil action. A judgment which requires a parent or guardian of a child to pay restitution does not expire until the judgment is satisfied. An independent action to enforce a judgment that requires a parent or guardian of a child to pay restitution may be commenced at any time.

4. If the juvenile court enters a civil judgment pursuant to subsection 1, the person or persons against whom the judgment is issued is liable for a collection fee, to be imposed by the juvenile court at the time the civil judgment is issued, of:

   (a) Not more than $100, if the amount of the judgment is less than $2,000.

   (b) Not more than $500, if the amount of the judgment is $2,000 or greater, but is less than $5,000.

   (c) Ten percent of the amount of the judgment, if the amount of the judgment is $5,000 or greater.
5. In addition to attempting to collect the judgment through any other lawful means, a victim, a representative of the victim or a state or local entity that is responsible for collecting a civil judgment entered pursuant to subsection 1 may take any or all of the following actions:

(a) Except as otherwise provided in this paragraph, report the judgment to reporting agencies that assemble or evaluate information concerning credit. If the judgment was entered against a person who was less than 21 years of age at the time the judgment was entered, the judgment cannot be reported pursuant to this paragraph until the person reaches 21 years of age.

(b) Request that the juvenile court take appropriate action pursuant to subsection 6.

(c) Contract with a collection agency licensed pursuant to NRS 649.075 to collect the judgment and the collection fee. The collection agency must be paid as compensation for its services an amount not greater than the amount of the collection fee imposed pursuant to subsection 4, in accordance with the provisions of the contract.

6. If the juvenile court determines that a child or the parent or guardian of a child against whom a civil judgment has been entered pursuant to subsection 1 has failed to make reasonable efforts to satisfy the civil judgment, the juvenile court may take any of the following actions:

(a) Order the suspension of the driver’s license of a child for a period not to exceed 1 year. If the child is already the subject of a court order suspending the driver’s license of the child, the juvenile court may order the additional suspension to apply consecutively with the previous order. At the time the juvenile court issues an order suspending the driver’s license of a child pursuant to this paragraph, the juvenile court shall require the child to surrender to the juvenile court all driver’s licenses then held by the child. The juvenile court shall, within 5 days after issuing the order, forward to the Department of Motor Vehicles the licenses, together with a copy of the order. The Department of Motor Vehicles shall report a suspension pursuant to this paragraph to an insurance company or its agent inquiring about the driving record of a child, but such a suspension must not be considered for the purpose of rating or underwriting.

(b) If a child does not possess a driver’s license, prohibit the child from applying for a driver’s license for a period not to exceed 1 year. If the child is already the subject of a court order delaying the issuance of a license to drive, the juvenile court may order any additional delay in the ability of the child to apply for a driver’s license to apply consecutively with the previous order. At the time the juvenile court issues an order pursuant to this paragraph delaying the ability of a child to apply for a driver’s license, the juvenile court shall, within 5 days after issuing the order, forward to the Department of Motor Vehicles a copy of the order.
(c) If the civil judgment was issued for a delinquent fine or administrative assessment, order the confinement of the person in the appropriate prison, jail or detention facility, as provided in NRS 176.065 and 176.075.

(d) Enter a finding of contempt against a child or the parent or guardian of a child and punish the child or the parent or guardian for contempt in the manner provided in NRS 62E.040. A person who is indigent may not be punished for contempt pursuant to this subsection.

7. Money collected from a collection fee imposed pursuant to subsection 4 must be deposited and used in the manner set forth in subsection 4 of NRS 176.064.

8. If the juvenile court enters a civil judgment pursuant to subsection 1 and the person against whom the judgment is entered is convicted of a crime before he or she satisfies the civil judgment, the court sentencing the person for that crime shall include in the sentence the civil judgment or such portion of the civil judgment that remains unpaid.

Sec. 5. NRS 213.154 is hereby amended to read as follows:

213.154 1. The Division shall issue an honorable discharge to a parolee whose term of sentence has expired if the parolee has:

(a) Fulfilled the conditions of his or her parole for the entire period of his or her parole; or

(b) Demonstrated his or her fitness for honorable discharge but because of economic hardship, verified by a parole and probation officer, has been unable to make restitution as ordered by the court.

2. The Division shall issue a dishonorable discharge to a parolee whose term of sentence has expired if:

(a) The whereabouts of the parolee are unknown;

(b) The parolee has failed to make full restitution as ordered by the court, without a verified showing of economic hardship; or

(c) The parolee has otherwise failed to qualify for an honorable discharge pursuant to subsection 1.

3. Any amount of restitution that remains unpaid by a person after the person has been discharged from parole constitutes a civil liability as of the date of discharge and is enforceable pursuant to NRS 176.275.

Sec. 6. The amendatory provisions of this act apply to any judgment which requires a defendant to pay restitution which is rendered before, on or after October 1, 2015.

REMARKS FROM THE FLOOR
Assemblywoman Kirkpatrick requested that the following remarks be entered in the journal.

Assemblywoman Kirkpatrick:
I would like to take just a moment. I know that many of you have been getting emails saying that we took away the Public Employees’ Benefit Program’s (PEBP’s) $50 incentive. The vice chair of the PEBP Board sent out an email telling everyone to contact me. I own anything I say in this building, because it is my job to represent constituents. It is my job to come here and ask the hard questions, but what I take issue with is when people do not print the whole message. I want to clarify the record because there was a lot of information left out of the newspaper article that came out last week and even in the emails folks got; it was very unclear what happened.

At the Interim Finance Committee meeting conducted on April 9, 2015, the Public Employees’ Benefits Program (PEBP) asked the Committee to approve a work program to transfer slightly less than $1 million from reserve funds for increased costs of contract services, primarily resulting from the continuation of the NVision Health & Wellness Program during Fiscal Year (FY) 2015. Due to concerns about the work program expressed by various members of the Committee, the Committee did not take action on the work program at the April 9, 2015, meeting.

It is important to note that the 2013 Legislature did not approve expenditure authority for the Wellness Program in FY 2015 and directed PEBP to wrap up the program in FY 2014. Notwithstanding the direction from the 2013 Legislature, the PEBP Board elected to continue the program in FY 2015 and did not request the expenditure authority for the administrative costs of the program until this April—more than nine months into the fiscal year. The Interim Finance Committee (IFC) expressed concern with the PEBP Board’s decision to continue a program that the Legislature had not funded and had directed to be discontinued. Members of the IFC also expressed frustration that they were being asked to approve funding for a program without being provided any data to indicate that it was reducing claims costs for program participants and indicated that the money may be better spent reducing program costs or enhancing benefits for all program participants rather than only participants in the Wellness Program.

The IFC elected not to take action on the work program but expressed a willingness to address the future of the Wellness Program during the 2015 Session budget process. The IFC did not direct the PEBP Board to take any specific action as a result of the Committee’s decision to take no action on the work program.

On April 16, 2015, the PEBP Board, on its own initiative, held an emergency meeting and terminated its contract with the Wellness Program vendor effective June 13, 2015, and cancelled its Request for Proposals for a new Wellness Program vendor that would have started on October 1, 2015. The Board also elected to eliminate incentives for Wellness Program participants effective July 1, 2015. The incentives included the $50 monthly deduction in premiums for HMO participants and the $50 per month increased Health Savings Account contributions for High Deductible Health Plan participants. No other wellness benefits were impacted by the Board’s decision.

As members of the Legislature, we are committed to ensuring that the PEBP program is run effectively and efficiently for plan participants. Although the IFC did not approve of the Board’s action in deciding to continue a program for which funding had been eliminated, the Committee did not direct the PEBP Board to terminate the contract or cancel the Wellness Program. It was possible and still is possible that the money committees may decide to fund the Wellness Program in some form during the 2015-2017 biennium. If not, we hope that the Board’s decision to terminate the Wellness Program will result in a benefit to all primary plan participants in the form of decreased costs or increased benefits for the 2016 and 2017 plan years. As members of IFC expressed during the April 9 meeting, it is my hope to address the issue with PEBP officials during the budget process later this session.
