SECOND READING AND AMENDMENT

Senate Bill No. 4.
Bill read second time.

The following amendment was proposed by the Committee on Natural Resources, Agriculture, and Mining:
Amendment No. 818.

AN ACT relating to trapping; providing exemptions from certain registration requirements for a trap, snare or similar device used in the trapping of wildlife; authorizing certain traps, snares or similar devices used in the trapping of wild mammals on private property; to be registered with the Department of Wildlife; limiting the requirement to obtain a permit to take or kill fur-bearing mammals injuring property; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law requires that each trap, snare or similar device used in the taking of wild mammals must be registered with the Department of Wildlife before it is used. Existing law also requires that each registered trap, snare or similar device bear a number which is assigned by the Department and is affixed to or marked on the trap, snare or similar device. (NRS 503.452)

Section 1 of this bill exempts from those requirements authorizes rather than requires the registration of a trap, snare or similar device used by a person in the taking of wild mammals. Section 1 provides that a trap, snare or similar device must bear a number assigned by the Department only if the trap, snare or similar device is registered with the Department. Section 1 also provides that the provisions relating to the registration and numbering of a trap, snare or similar device do not apply to such a device that is used: (1) exclusively on private property by the owner or occupant of the property or with the permission of the owner or occupant; (2) for the control of rodents by an institution of the Nevada System of Higher Education; (3) by a federal, state or local governmental agency; or (4) for the taking of wild mammals for
scientific or educational purposes under a permit issued by the Department.

Existing law provides that fur-bearing mammals injuring property may be taken or killed at any time in any manner if a permit is obtained from the Department. (NRS 503.470) Section 2 of this bill removes the requirement that the owner or occupant of the property obtain a permit in such circumstances.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 503.452 is hereby amended to read as follows:

503.452  1. Except as otherwise provided in subsection 2, each trap, snare or similar device used by a person in the taking of wild mammals may be registered with the Department before it is used. Each registered trap, snare or similar device must bear a number which is assigned by the Department and is affixed to or marked on the trap, snare or similar device in the manner specified by regulations adopted by the Commission. The registration of a trap, snare or similar device is valid until the trap, snare or similar device is sold or ownership of the trap, snare or similar device is otherwise transferred.

2. The provisions of subsection 1 do not apply to a trap, snare or similar device used:
   (a) Exclusively on private property which is posted or fenced in accordance with the provisions of NRS 207.200 by the owner or occupant of the property or with the permission of the owner or occupant;
   (b) For the control of rodents by an institution of the Nevada System of Higher Education;
   (c) By any federal, state or local governmental agency; or
   (d) For the taking of wild mammals for scientific or educational purposes under a permit issued by the Department pursuant to NRS 503.650.

3. A registration fee of $10 for each registrant is payable only once by each person who registers a trap, snare or similar device. The fee must be paid at the time the first trap, snare or similar device is registered.

4. It is unlawful:
   (a) For a person to whom a trap, snare or similar device is registered to allow another person to possess or use the trap, snare or similar device without providing to that person written authorization to possess or use the trap, snare or similar device.
   (b) For a person to possess or use a trap, snare or similar device registered to another person without obtaining the written authorization required pursuant to paragraph (a). If a person obtains written authorization to possess
or use a trap, snare or similar device pursuant to paragraph (a), the person shall ensure that the written authorization, together with his or her trapping license, is in his or her possession during any period in which he or she uses the trap, snare or similar device to take fur-bearing mammals.

5. A person to whom a trap, snare or similar device is registered pursuant to this section shall report any theft of the trap, snare or similar device to the Department as soon as it is practical to do so after the person discovers the theft.

6. Any information in the possession of the Department concerning the registration of a trap, snare or similar device is confidential and the Department shall not disclose that information unless required to do so by law or court order.

Sec. 2. NRS 503.470 is hereby amended to read as follows:

503.470 1. Fur-bearing mammals injuring any property may be taken or killed at any time in any manner provided a permit is first obtained from the Department by the owner or occupant of the property or with the permission of the owner or occupant.

2. When the Department has determined from investigations or upon a petition signed by the owners of 25 percent of the land area in any irrigation district or the area served by a ditch company alleging that an excessive population of beaver or otter exists or that beaver or otter are doing damage to lands, streams, ditches, roads or water control structures, the Department shall remove such excess or depredating beaver or otter.

Sec. 3. This act becomes effective upon passage and approval.

Assemblywoman Titus moved the adoption of the amendment.

Remarks by Assemblywoman Titus.

Assemblywoman Titus:

Amendment 818 makes the registration of traps with the Department of Wildlife optional. It also limits one of the exclusions from trap registration to taking mammals for a scientific or educational purposes, pursuant to permits issued by the Department of Wildlife.

The following amendment was proposed by the Committee on Legislative Operations and Elections:
Amendment No. 795.

AN ACT relating to elections; revising provisions governing elections for certain judicial offices; providing that candidates for certain nonpartisan offices who receive a majority of the votes cast in a primary election or certain primary elections must be declared the winner and not be elected to office without being placed on the ballot at a general election; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law designates certain elective offices as nonpartisan offices, which include judicial offices, school offices, the office of county sheriff, the Board of Regents of the University of Nevada, city and town officers, the State Board of Education and members of boards of hospital trustees of public hospitals. (NRS 293.195) Existing law also establishes certain rules for determining whether candidates for nonpartisan offices appear on the ballot for a primary election or the general election. (NRS 293.260) This bill revises some of those rules.

Under existing law, if there is only one candidate for the nonpartisan office of judge of the Court of Appeals or justice of the Supreme Court, the name of the candidate is omitted from the primary election ballot and placed only on the general election ballot. (NRS 293.260) Section 1 of this bill applies the same rule to a candidate for the nonpartisan office of judge of a district court. Section 1 also provides that if there are not more than twice the number of candidates to be elected to any nonpartisan office, the names of the candidates are omitted from the primary election ballot and placed only on the general election ballot.

Except for nonpartisan offices in certain cities, existing law provides that if there are more candidates than twice the number of candidates to be elected to a nonpartisan office, other than a city office, the names of the candidates must appear on the primary election ballot, and (2) those candidates who receive the highest number of votes at the primary election, not to exceed twice the number to be elected, must be declared nominees for the office and their names must be placed on the general election ballot. (NRS 293.260) Section 1 of this bill modifies this rule for most nonpartisan offices and provides that if one candidate receives a majority of the votes cast in such a primary election, the candidate is declared elected to the office and his or her name is not placed on the general election ballot. However, if one candidate receives a majority of the votes cast in such a primary election for the nonpartisan office of judge of a district court, judge of the Court of Appeals or justice of the Supreme Court, the candidate is declared the
only nominee for the office and his or her name is placed on the general election ballot.

For primary city elections conducted in certain general law cities, existing law provides that if one candidate receives “more than a majority” of the votes cast in such an election for the office for which he or she is a candidate, the candidate must be declared to be elected to the office and the candidate’s name must not be placed on the ballot for the general city election. (NRS 293C.175) Section 2 of this bill amends the statute to clarify that such a candidate need only receive a majority of the votes cast, not some greater number, to be declared to be elected. Section 3 of this bill makes a similar change to the Charter of Carson City.

For most charter cities that hold primary city elections, existing law provides that if one candidate receives a majority of votes cast in the primary city election for the office for which he or she is a candidate, the candidate must be declared elected to the office and the candidate’s name must not be placed on the ballot for the general city election. (Boulder City Charter § 96, Henderson City Charter § 5.010, Las Vegas City Charter § 5.010, North Las Vegas City Charter § 5.020) Section 3 amends the Charter of Carson City so that this rule applies to Carson City as well.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 293.260 is hereby amended to read as follows:

293.260 1. If there is no contest of election for nomination to a particular office, neither the title of the office nor the name of the candidate may appear on the ballot.

2. If more than one major political party has candidates for a particular office, the persons who receive the highest number of votes at the primary elections must be declared the nominees of those parties for the office.

3. If only one major political party has candidates for a particular office and a minor political party has nominated a candidate for the office or an independent candidate has filed for the office, the candidate who receives the highest number of votes in the primary election of the major political party must be declared the nominee of that party and his or her name must be placed on the general election ballot with the name of the nominee of the minor political party for the office and the name of the independent candidate who has filed for the office.

4. If only one major political party has candidates for a particular office and no minor political party has nominated a candidate for the office and no independent candidate has filed for the office:

(a) If there are more candidates than twice the number to be elected to the office, the names of the candidates must appear on the ballot for a primary
election. Except as otherwise provided in this paragraph, the candidates of that party who receive the highest number of votes in the primary election, not to exceed twice the number to be elected to that office at the general election, must be declared the nominees for the office. If only one candidate is to be elected to the office and a candidate receives a majority of the votes in the primary election for that office, that candidate must be declared the nominee for that office and his or her name must be placed on the ballot for the general election.

(b) If there are not more than twice the number of candidates to be elected to the office, the candidates must, without a primary election, be declared the nominees for the office.

5. If not more than the number of candidates to be elected have filed for nomination for:

(a) Any partisan office, or the office of judge of a district court, judge of the Court of Appeals or justice of the Supreme Court, the names of those candidates must be omitted from all ballots for a primary election and placed on all ballots for the general election;

(b) Any nonpartisan office, other than the office of judge of the Court of Appeals, judge of the Court of Appeals or the office of judge of the Court of Appeals, or the office of member of a town advisory board, the names of those candidates must appear on the ballot for a primary election unless the candidates were nominated pursuant to subsection 2 of NRS 293.165. If a candidate receives one or more votes at the primary election, the candidate must be declared elected to the office and his or her name must be placed on the ballot for the general election. If a candidate does not receive one or more votes at the primary election, his or her name must be placed on the ballot for the general election; and

(c) The office of member of a town advisory board, the candidate must be declared elected to the office and no election must be held for that office.

6. If there are not more than twice the number of candidates to be elected to a nonpartisan office, the candidates must, without a primary election, be declared the nominees for the office, and the names of the candidates must be omitted from all ballots for a primary election and placed on all ballots for the general election.

7. If there are more than twice the number of candidates to be elected to a nonpartisan office, the names of the candidates must appear on the ballot for a primary election. Those candidates who receive the highest number of votes at the primary election, not to exceed twice the number to be elected, must be declared nominees for the office. If one candidate and the names of those candidates must be placed on the ballot for the general election.
except that if one of those candidates receives a majority of the votes cast in
the primary election for that office:
   (a) The office of judge of a district court, judge of the Court of Appeals
or justice of the Supreme Court, the candidate must be declared the only
nominee for the office and only his or her name must be placed on the
ballot for the general election.
   (b) Any other nonpartisan office, the candidate must be declared elected
to the office and his or her name must not be placed on the ballot for the
general election.

Sec. 2. NRS 293C.175 is hereby amended to read as follows:

293C.175  1. Except as otherwise provided in NRS 293C.115, a
primary city election must be held in each city of population category one,
and in each city of population category two that has so provided by
ordinance, on the first Tuesday after the first Monday in April of every year
in which a general city election is to be held, at which time there must be
nominated candidates for offices to be voted for at the next general city
election.

2. Except as otherwise provided in NRS 293C.115, a candidate for any
office to be voted for at the primary city election must file a declaration of
candidacy with the city clerk not less than 60 days or more than 70 days
before the date of the primary city election. The city clerk shall charge and
collect from the candidate and the candidate must pay to the city clerk, at the
time of filing the declaration of candidacy, a filing fee in an amount fixed by
the governing body of the city by ordinance or resolution. The filing fees
collected by the city clerk must be deposited to the credit of the general fund
of the city.

3. All candidates, except as otherwise provided in NRS 266.220, must be
voted upon by the electors of the city at large.

4. If, in a primary city election held in a city of population category one
or two, one candidate receives more than a majority of votes cast in that
election for the office for which he or she is a candidate, the candidate must
be declared elected to the office and the candidate's name must not be placed
on the ballot for the general city election. If, in the primary city election, no
candidate receives a majority of votes cast in that election for the office for
which he or she is a candidate, the names of the two candidates receiving the
highest number of votes must be placed on the ballot for the general city
election.

Sec. 3. Section 5.010 of the Charter of Carson City, being chapter 213,
Statutes of Nevada 1969, as last amended by chapter 100, Statutes of Nevada
1999, at page 271, is hereby amended to read as follows:

Sec. 5.010  Primary election.
1. A primary election must be held on the date fixed by the election laws of this state for statewide elections, at which time there must be nominated candidates for offices to be voted for at the next general election.

2. A candidate for any office to be voted for at any primary election must file a declaration of candidacy as provided by the election laws of this state.

3. All candidates for the office of Mayor and Supervisor, and candidates for the office of Municipal Judge if a third department of the Municipal Court has been established, must be voted upon by the registered voters of Carson City at large.

4. If only two persons file for a particular office, their names must not appear on the primary ballot but their names must be placed on the ballot for the general election.

5. If in the primary election one candidate receives a majority of votes cast in that election for the office for which he or she is a candidate, his or her name alone must be placed on the ballot for the general election. If in the primary election no candidate receives a majority of votes cast in that election for the office for which he or she is a candidate, the names of the two candidates receiving the highest numbers of votes must be placed on the ballot for the general election.

Sec. 4. (Deleted by amendment.)
Sec. 5. (Deleted by amendment.)
Sec. 6. (Deleted by amendment.)
Sec. 7. (Deleted by amendment.)

Assemblyman Stewart moved the adoption of the amendment.
Remarks by Assemblyman Stewart.

Assemblyman Stewart: Amendment 795 makes two changes. When only the number of candidates to be elected have filed for nomination for certain nonpartisan offices, the names must be omitted from the primary election ballot and placed on the general election ballot. If one candidate for judge of a district court receives a majority of the votes cast in the primary election, the candidate must be declared the nominee and only his or her name must be placed on the ballot for the general election.

The following amendment was proposed by the Committee on Commerce
and Labor:
  Amendment No. 722.
AN ACT relating to contractors; deleting the requirement that the State

classification of licensure of persons who install or maintain building shell
insulation or thermal system insulation; revising the circumstances under
which a natural person may qualify on behalf of another for more than one
active contractor’s license; requiring such a person to possess good character;
expanding the acts which constitute cause for disciplinary action against a
licensee to include certain international codes; expanding the circumstances
under which an injured person is not eligible for recovery from the Recovery
Fund; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law requires that the State Contractors’ Board establish an
advisory committee to make recommendations to the Board concerning the
licensure of persons who install and maintain building shell or thermal
system installation. (NRS 624.100) Section 1 of this bill deletes this
requirement.

Existing law requires an applicant for a license as a contractor to
demonstrate certain experience or knowledge. Existing law also provides that
an applicant may qualify in regard to such knowledge and experience by the
appearance of another person on behalf of the applicant. (NRS 624.260) Section 2 of this bill authorizes the Board to inquire into and consider that
other person’s previous experience and certain legal actions against them.

Section 2 also allows a natural person to qualify on behalf of more than
one licensee if the licensee is a corporation for public enefit.

Existing law requires that the Board establish the financial responsibility of
an applicant or licensee seeking renewal. (NRS 624.236) Section 3 of this
bill allows the Board to inquire into and consider the financial responsibility
of a person who qualifies on behalf of the applicant or licensee in making a
determination of financial responsibility. Existing law requires that the Board
establish the good character of an applicant or licensee seeking renewal.
(NRS 624.265) Section 4 of this bill allows the Board to request certain
information from any person who qualifies on behalf of an applicant or
licensee in making a determination of good character.
Existing law provides that workmanship by a licensee that is not commensurate with certain codified standards is grounds for disciplinary action. (NRS 624.3017) Section 5 of this bill adds certain international building codes to those standards.

Existing law provides that, subject to certain exceptions, certain persons who suffer actual damages as a result of the acts or omissions of a licensee may be eligible to recover damages from the Recovery Fund maintained by the Board. (NRS 624.510) Section 6 of this bill adds certain exceptions to the eligibility to recover from the Recovery Fund.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 624.100 is hereby amended to read as follows:

624.100  1. The Board may appoint such committees and make such reasonable bylaws, rules of procedure and regulations as are necessary to carry out the provisions of this chapter.

2. Except as otherwise provided in subsection 3, The Board may establish advisory committees composed of its members or employees, homeowners, contractors or other qualified persons to provide assistance with respect to fraud in construction, or in any other area that the Board considers necessary.

3. The Board shall establish an advisory committee to make recommendations to the Board concerning the classification of licensure of persons who install or maintain building shell insulation or thermal system insulation, including, without limitation, recommendations relating to training and continuing education.

4. If an advisory committee is established, the Board shall:

(a) Select five members for the committee from a list of volunteers approved by the Board; and
(b) Adopt rules of procedure for informal conferences of the committee.

5. If an advisory committee is established, the members:

(b) Serve without compensation, but must be reimbursed for travel expenses necessarily incurred in the performance of their duties. The rate must not exceed the rate provided for state officers and employees generally.
(c) Shall provide a written summary report to the Board, within 15 days after the final informal conference of the committee, that includes recommendations with respect to actions that are necessary to reduce and prevent the occurrence of fraud in construction, or on such other issues as requested by the Board.

6. The Board is not bound by any recommendation made by an advisory committee.
As used in this section:

(a) “Building shell insulation” means a product that is used as part of the building which insulates a boundary between indoor and outdoor space or conditioned and unconditioned space, including, without limitation, walls, ceilings or floors.

(b) “Thermal system insulation” means a product that is used in a heating, ventilating, cooling, plumbing or refrigeration system to insulate any hot or cold surface, including, without limitation, a pipe, duct, valve, boiler, flue or tank, or equipment on or in a building.

Sec. 2. NRS 624.260 is hereby amended to read as follows:

624.260 1. of the code most recently approved by the Board. The Board shall review each edition of the Uniform Building Code, Uniform Plumbing Code, National Electrical Code, International Building Code or International Residential Code that is published after the 1996 edition to ensure its suitability. Each new edition of the code shall be deemed approved by the Board unless the edition is disapproved by the Board within 60 days of the publication of the code.

3. Advertising projects of construction beyond the scope of the license.

Sec. 6. NRS 624.510 is hereby amended to read as follows:

624.510 1. Except as otherwise provided in NRS 624.490 and subsection 2, an injured person is eligible for recovery from the account if the Board or its designee finds that the injured person suffered actual damages as a result of an act or omission of a residential contractor that is in violation of this chapter or the regulations adopted pursuant thereto.

2. An injured person is not eligible for recovery from the account if:

(a) The injured person is the spouse of the licensee, is related to the licensee by marriage or by blood in the first or second degree of consanguinity, or is a personal representative of a person cohabitating with the licensee or related to the licensee by marriage or by blood in the first or second degree of consanguinity;

(b) The injured person was associated in a business relationship with the licensee other than the contract at issue;

(c) At the time of contracting with the residential contractor, the license of the residential contractor was suspended or revoked pursuant to NRS 624.300;

(d) The injured person:

(1) Applied for and obtained any building permit for the single-family residence at which the act or omission occurred and for which the injured person wishes to recover actual damages from the account; or

(2) Constructed the residence as the owner-builder of the residence;

(e) The claim submitted by the injured person for recovery from the account contains:

(1) A false or misleading statement; or

(2) A forged or altered receipt or other document which includes an improvement, upgrade or work that exceeds the scope of the contract at issue;

(f) The injured person is a lien claimant who has not filed a lien in accordance with the provisions of NRS 108.221 to 108.246, inclusive; or
(g) The single-family residence at which the act or omission occurred and for which the injured person wishes to recover actual damages from the account was constructed, remodeled, repaired or improved with the intent of renting, leasing or selling the residence within 1 year after the date of completion of the construction, remodeling, repair or improvement.

The offering of the residence for rent, lease or sale within 1 year after that date creates a rebuttable presumption that the construction, remodeling, repair or improvement was performed with the intent to rent, lease or sell the residence.

3. If the Board or its designee determines that an injured person is eligible for recovery from the account pursuant to this section or NRS 624.490, the Board or its designee may pay out of the account:
   (a) The amount of actual damages suffered, but not to exceed $35,000; or
   (b) If a judgment was obtained as set forth in NRS 624.490, the amount of actual damages included in the judgment and remaining unpaid, but not to exceed $35,000.

4. The decision of the Board or its designee regarding eligibility for recovery and all related issues is final and not subject to judicial review.

5. If the injured person has recovered a portion of his or her loss from sources other than the account, the Board shall deduct the amount recovered from the other sources from the amount payable upon the claim and direct the difference to be paid from the account.

6. To the extent of payments made from the account, the Board is subrogated to the rights of the injured person, including, without limitation, the right to collect from a surety bond or a cash bond. The Board and the Attorney General shall promptly enforce all subrogation claims.

7. The amount of recovery from the account based upon claims made against any single contractor must not exceed $400,000.

8. As used in this section, “actual damages” includes attorney’s fees or costs in contested cases appealed to the appellate court of competent jurisdiction. The term does not include any other attorney’s fees or costs.

Sec. 7. 1. This section and section 1 of this act become effective upon passage and approval.

2. Sections 2 to 6, inclusive, of this act become effective on October 1, 2015.

Amendment No. 725.
SUMMARY—Includes certain alcohol and drug abuse counselors, problem gambling counselors, social workers and medical facilities in the definition of “provider of health care” for purposes of various provisions relating to healing arts and certain other provisions. (BDR 54-389)

AN ACT relating to health care providers; including certain alcohol and drug abuse counselors, problem gambling counselors, social workers and medical facilities in the definition of “provider of health care” for purposes of various provisions relating to healing arts and certain other provisions; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law defines the term “provider of health care” as used in various provisions relating to healing arts to mean a licensed physician, physician assistant, dentist, licensed nurse, dispensing optician, optometrist, practitioner of respiratory care, registered physical therapist, occupational therapist, podiatric physician, licensed psychologist, licensed marriage and family therapist, licensed clinical professional counselor, music therapist, chiropractor, athletic trainer, perfusionist, doctor of Oriental medicine, medical laboratory director or technician, pharmacist, licensed dietician or licensed hospital as the employer of such a person. (NRS 629.031) Existing law also defines the term “medical facility” to include certain centers, clinics and facilities, including facilities for skilled nursing and hospitals. (NRS 449.0151)

This bill expands the definition of “provider of health care” to include: (1) an associate in social work, a social worker, an independent social worker or a clinical social worker who is licensed pursuant to chapter 641B of NRS, an alcohol and drug abuse counselor or a problem gambling counselor who is certified pursuant to chapter 641C of NRS and an alcohol and drug abuse counselor or a clinical alcohol and drug abuse counselor who is licensed pursuant to that chapter; and (2) a medical facility as the employer of any of those persons.

Adding those persons and medical facilities to the list of providers of health care makes certain requirements that are currently applicable to other providers of health care applicable to those persons and medical facilities as well. Such requirements include, without limitation, retention of patient
records, requirements for billing, standards for advertisements and criminal penalties for acquiring certain debts. (NRS 629.051, 629.071, 629.076, 629.078)

Existing law also includes the definition of “provider of health care” by reference in various other provisions. By expanding the definition, the bill expands the definition for those other provisions, thereby making those provisions include associates in social work, social workers, independent social workers, clinical social workers, alcohol and drug abuse counselors, problem gambling counselors and medical facilities as employers of those persons as providers of health care. The term is referenced in provisions relating to various subjects including, without limitation, admissibility of the testimony of hypnotized witnesses, power of attorney, practice during declared emergencies, investigations conducted concerning facilities for long-term care, confidentiality of reports and referrals relating to maternal health, payments by insurance, release of the results of certain laboratory tests, drug donation programs, interpreters and realtime captioning providers and the Silver State Health Insurance Exchange. (NRS 41.141, 48.039, 162A.790, 415A.210, 427A.145, 442.395, 449.2475, chapter 453B of NRS, NRS 652.193, chapters 656A and 695I of NRS)

The following amendment was proposed by the Committee on Transportation:
Amendment No. 820.
AN ACT relating to public safety; authorizing certain governing bodies and the Department of Transportation to designate pedestrian safety zones in certain circumstances; providing for enhanced penalties for certain traffic violations in pedestrian safety zones; revising provisions relating to vehicles and pedestrians in certain crosswalks and intersections; prohibiting a driver from making a U-turn or passing another vehicle in a school zone or a school crossing zone in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Section 1 of this bill authorizes the governing body of a local government or the Department of Transportation to designate pedestrian safety zones on a highway if certain findings are made. Section 1 also provides that a person who is convicted of a violation of a speed limit or of certain other violations may be subject to a doubling of the penalty if the violation occurs in a pedestrian safety zone that is appropriately marked with signs designating the pedestrian safety zone and providing notice that additional penalties may apply in such a zone. Such a doubling of the penalty is discretionary with the court. Sections 2-21 and 23-30 of this bill make conforming changes to indicate the possibility of the enhanced penalty.

Existing law requires the driver of a vehicle or a pedestrian to obey certain rules at an intersection or crosswalk that is controlled by a traffic light, depending on the particular color and symbol displayed on the traffic light. (NRS 484B.307) Section 18 of this bill provides such rules for an intersection or crosswalk where the traffic light displays a flashing yellow turn arrow, displayed alone or in combination with another signal.

Existing law provides that certain maximum speed limits are in effect in school zones and school crossing zones at certain times. (NRS 484B.363) Section 22 of this bill makes it unlawful for a driver to make a U-turn or to overtake and pass another vehicle in a school zone or a school crossing zone when the school speed limit is in effect and children are present.

      (1) That has been provided by the public utility; and
      (2) While responding to a dispatch by the public utility to respond to an emergency, including, without limitation, a response to a power outage or an interruption in utility service.

3. The provisions of this section do not prohibit the use of a voice-operated global positioning or navigation system that is affixed to the vehicle.

4. A person who violates any provision of subsection 1 is guilty of a misdemeanor and:
   (a) For the first offense within the immediately preceding 7 years, shall pay a fine of $50.
   (b) For the second offense within the immediately preceding 7 years, shall pay a fine of $100.

6. The Department of Motor Vehicles shall not treat a first violation of this section in the manner statutorily required for a moving traffic violation.

7. For the purposes of this section, a person shall be deemed not to be operating a motor vehicle if the motor vehicle is driven autonomously through the use of artificial-intelligence software and the autonomous operation of the motor vehicle is authorized by law.

8. As used in this section:
   (a) “Handheld wireless communications device” means a handheld device for the transfer of information without the use of electrical conductors or wires and includes, without limitation, a cellular telephone, a personal digital assistant, a pager and a text messaging device. The term does not include a device used for two-way radio communications if:
      (1) The person using the device has a license to operate the device, if required; and
      (2) All the controls for operating the device, other than the microphone and a control to speak into the microphone, are located on a unit which is used to transmit and receive communications and which is separate from the microphone and is not intended to be held.
   (b) “Public utility” means a supplier of electricity or natural gas or a provider of telecommunications service for public use who is subject to regulation by the Public Utilities Commission of Nevada.

Sec. 5. NRS 484B.200 is hereby amended to read as follows:

484B.200 1. Upon all highways of sufficient width a vehicle must be driven upon the right half of the highway, except as follows:
   (a) When overtaking and passing another vehicle proceeding in the same direction under the laws governing such movements;
   (b) When the right half of the highway is closed to traffic;
   (c) Upon a highway divided into three lanes for traffic under the laws applicable thereon;
   (d) Upon a highway designated and posted for one-way traffic; or
   (e) When the highway is not of sufficient width.

2. A person who violates any provision of this section may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 6. NRS 484B.203 is hereby amended to read as follows:

484B.203 1. Drivers of vehicles proceeding in opposite directions shall pass each other keeping to the right, and upon highways having width for not
more than one line of traffic in each direction, each driver shall give to the other at least one-half of the paved portion of the highway as nearly as possible.

2. A person who violates any provision of this section may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 7. NRS 484B.207 is hereby amended to read as follows:

484B.207 1. The driver of a vehicle overtaking another vehicle proceeding in the same direction shall pass to the left thereof at a safe distance and shall not again drive to the right side of the highway until safely clear of the overtaken vehicle.

2. Except when overtaking and passing on the right is permitted, the driver of an overtaken vehicle shall give way to the right in favor of the overtaking vehicle upon observing the overtaking vehicle or hearing a signal. The driver of an overtaken vehicle shall not increase the speed of the vehicle until completely passed by the overtaking vehicle.

3. A person who violates any provision of this section may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 8. NRS 484B.210 is hereby amended to read as follows:

484B.210 1. The driver of a vehicle may overtake and pass another vehicle only under conditions permitting such movement in safety.

(a) When the driver of the overtaken vehicle is making or signaling to make a left turn.

(b) Upon a highway with unobstructed pavement which is not occupied by parked vehicles and which is of sufficient width for two or more lines of moving vehicles in each direction.

(c) Upon a highway with unobstructed pavement which is not marked as a traffic lane and which is not occupied by parked vehicles, if the vehicle that is overtaking and passing another vehicle:

   (1) Does not travel more than 200 feet in the section of pavement not marked as a traffic lane; or

   (2) While being driven in the section of pavement not marked as a traffic lane, does not travel through an intersection or past any private way that is used to enter or exit the highway.

(d) Upon any highway on which traffic is restricted to one direction of movement, where the highway is free from obstructions and of sufficient width for two or more lines of moving vehicles.

2. The driver of a vehicle may overtake and pass another vehicle upon the right only under conditions permitting such movement in safety.
3. The driver of a vehicle shall not overtake and pass another vehicle
upon the right when such movement requires driving off the paved portion of
the highway.
4. A person who violates any provision of this section may be subject to
any additional penalty set forth in NRS 484B.130 or section 1 of this
act.

Sec. 9. NRS 484B.213 is hereby amended to read as follows:

484B.213 1. A vehicle must not be driven to the left side of the center
of a two-lane, two-directional highway and overtaking and passing another
vehicle proceeding in the same direction, unless such left side is clearly
visible and is free of oncoming traffic for a sufficient distance ahead to
permit such overtaking and passing to be completely made without
interfering with the safe operation of any vehicle approaching from the
opposite direction or any vehicle overtaken.
2. A vehicle must not be driven to the left side of the highway at any
time:
(a) When approaching the crest of a grade or upon a curve in the highway
where the driver’s view is obstructed within such distance as to create a
hazard in the event another vehicle might approach from the opposite
direction.
(b) When approaching within 100 feet or traversing any intersection or
railroad grade crossing.
(c) When the view is obstructed upon approaching within 100 feet of any
bridge, viaduct or tunnel.
3. Subsection 2 does not apply upon a one-way highway.
4. A person who violates any provision of this section may be subject to
any additional penalty set forth in NRS 484B.130 or section 1 of this
act.

Sec. 10. NRS 484B.217 is hereby amended to read as follows:

484B.217 1. The Department of Transportation with respect to
highways constructed under the authority of chapter 408 of NRS, and local
authorities with respect to highways under their jurisdiction, may determine
those zones of highways where overtaking and passing to the left or making a
left-hand turn would be hazardous, and may by the erection of official traffic-
control devices indicate such zones. When such devices are in place and
clearly visible to an ordinarily observant person, every driver of a vehicle
shall obey the directions thereof.
2. Except as otherwise provided in subsections 3 and 4, a driver shall not
drive on the left side of the highway within such zone or drive across or on
the left side of any pavement striping designed to mark such zone throughout
its length.
3. A driver may drive across a pavement striping marking such zone to an adjoining highway if the driver has first given the appropriate turn signal and there will be no impediment to oncoming or following traffic.

4. Except where otherwise provided, a driver may drive across a pavement striping marking such a zone to make a left-hand turn if the driver has first given the appropriate turn signal in compliance with NRS 484B.413, if it is safe and if it would not be an impediment to oncoming or following traffic.

5. A person who violates any provision of this section may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 11. NRS 484B.223 is hereby amended to read as follows:

484B.223 1. If a highway has two or more clearly marked lanes for traffic traveling in one direction, vehicles must:
(a) Be driven as nearly as practicable entirely within a single lane; and
(b) Not be moved from that lane until the driver has given the appropriate turn signal and ascertained that such movement can be made with safety.

2. Upon a highway which has been divided into three clearly marked lanes, a vehicle must not be driven in the extreme left lane at any time. A vehicle on such a highway must not be driven in the center lane except:
(a) When overtaking and passing another vehicle where the highway is clearly visible and the center lane is clear of traffic for a safe distance;
(b) In preparation for a left turn; or
(c) When the center lane is allocated exclusively to traffic moving in the direction in which the vehicle is proceeding and a sign is posted to give notice of such allocation.

3. If a highway has been designed to provide a single center lane to be used only for turning by traffic moving in both directions, the following rules apply:
(a) A vehicle may be driven in the center turn lane only for the purpose of making a left-hand turn onto or from the highway.
(b) A vehicle must not travel more than 200 feet in a center turn lane before making a left-hand turn from the highway.
(c) A vehicle must not travel more than 50 feet in a center turn lane after making a left-hand turn onto the highway before merging with traffic.

4. If a highway has been designed to provide a single right lane to be used only for turning, a vehicle must:
(a) Be driven in the right turn lane only for the purpose of making a right turn; and
(b) While being driven in the right turn lane, not travel through an intersection.
5. A person who violates any provision of this section may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 12. NRS 484B.227 is hereby amended to read as follows:
484B.227 1. Every vehicle driven upon a divided highway must be driven only upon the right-hand roadway and must not be driven over, across or within any dividing space, barrier or section or make any left turn, semicircular turn or U-turn, except through an opening in the barrier or dividing section or space or at a crossover or intersection established by a public authority.

2. A person who violates any provision of this section may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 13. NRS 484B.280 is hereby amended to read as follows:
484B.280 1. A driver of a motor vehicle shall:
(a) Exercise due care to avoid a collision with a pedestrian;
(b) Give an audible warning with the horn of the vehicle if appropriate and when necessary to avoid such a collision; and
(c) Exercise proper caution upon observing a pedestrian:
(1) On or near a highway, street or road;
(2) At or near a bus stop or bench, shelter or transit stop for passengers of public mass transportation or in the act of boarding a bus or other public transportation vehicle; or
(3) In or near a school zone or a school crossing zone marked in accordance with NRS 484B.363 or a marked or unmarked crosswalk.

2. If, while violating any provision of this section, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.

3. A person who violates any provision of subsection 1 may be subject to the additional penalty set forth in section 1 of this act.

Sec. 14. NRS 484B.283 is hereby amended to read as follows:
484B.283 1. Except as otherwise provided in NRS 484B.287, 484B.290 and 484B.350:
(a) When official traffic-control devices are not in place or not in operation, the driver of a vehicle shall yield the right-of-way, slowing down or stopping if need be so to yield, to a pedestrian crossing the highway within a crosswalk when the pedestrian is upon the half of the highway upon which the vehicle is traveling, or when the pedestrian is approaching so closely from the opposite half of the highway as to be in danger.
(b) A pedestrian shall not suddenly leave a curb or other place of safety and walk or run into the path of a vehicle which is so close that it is impossible for the driver to yield.
(c) Whenever a vehicle is stopped at a marked crosswalk or at an unmarked crosswalk at an intersection, the driver of any other vehicle approaching from the rear shall not overtake and pass the stopped vehicle until the driver has determined that the vehicle being overtaken was not stopped for the purpose of permitting a pedestrian to cross the highway.

(d) Whenever signals exhibiting the words “Walk” or “Don’t Walk” are in place, such signals indicate as follows:

1. While the “Walk” indication is illuminated, pedestrians facing the signal may proceed across the highway in the direction of the signal and must be given the right-of-way by the drivers of all vehicles.

2. While the “Don’t Walk” indication is illuminated, either steady or flashing, a pedestrian shall not start to cross the highway in the direction of the signal, but any pedestrian who has partially completed the crossing during the “Walk” indication shall proceed to a sidewalk, or to a safety zone if one is provided.

3. Whenever the word “Wait” still appears in a signal, the indication has the same meaning as assigned in this section to the “Don’t Walk” indication.

4. Whenever a signal system provides a signal phase for the stopping of all vehicular traffic and the exclusive movement of pedestrians, and “Walk” and “Don’t Walk” indications control pedestrian movement, pedestrians may cross in any direction between corners of the intersection offering the shortest route within the boundaries of the intersection when the “Walk” indication is exhibited, and when signals and other official traffic-control devices direct pedestrian movement in the manner provided in this section and in NRS 484B.307.

2. If, while violating paragraph (a) or (c) of subsection 1, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.

3. A person who violates any provision of subsection 1 may be subject to the additional penalty set forth in section 1 of this act.

Sec. 15. NRS 484B.287 is hereby amended to read as follows:

484B.287 1. Except as provided in NRS 484B.290:

(a) Every pedestrian crossing a highway at any point other than within a marked crosswalk or within an unmarked crosswalk at an intersection shall yield the right-of-way to all vehicles upon the highway.

(b) Any pedestrian crossing a highway at a point where a pedestrian tunnel or overhead pedestrian crossing has been provided shall yield the right-of-way to all vehicles upon the highway.
3. (c) Between adjacent intersections at which official traffic-control devices are in operation pedestrians shall not cross at any place except in a marked crosswalk.

4. (d) A pedestrian shall not cross an intersection diagonally unless authorized by official traffic-control devices.

5. (e) When authorized to cross diagonally, pedestrians shall cross only in accordance with the official traffic-control devices pertaining to such crossing movements.

2. A person who violates any provision of this section may be subject to the additional penalty set forth in section 1 of this act.

Sec. 16. NRS 484B.300 is hereby amended to read as follows:

484B.300 1. Except as otherwise provided in NRS 484B.307, it is unlawful for any driver to disobey the instructions of any official traffic-control device placed in accordance with the provisions of chapters 484A to 484E, inclusive, of NRS, unless at the time otherwise directed by a police officer.

2. No provision of chapters 484A to 484E, inclusive, of NRS for which such devices are required may be enforced against an alleged violator if at the time and place of the alleged violation the device is not in proper position and sufficiently legible to be seen by an ordinarily observant person. Whenever a particular provision of chapters 484A to 484E, inclusive, of NRS does not state that such devices are required, the provision is effective even though no devices are erected or in place.

3. Whenever devices are placed in position approximately conforming to the requirements of chapters 484A to 484E, inclusive, of NRS, such devices are presumed to have been so placed by the official act or direction of a public authority, unless the contrary is established by competent evidence.

4. Any device placed pursuant to the provisions of chapters 484A to 484E, inclusive, of NRS and purporting to conform to the lawful requirements pertaining to such devices is presumed to comply with the requirements of chapters 484A to 484E, inclusive, of NRS unless the contrary is established by competent evidence.

5. A person who violates any provision of subsection 1 may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 17. NRS 484B.303 is hereby amended to read as follows:

484B.303 1. Whenever official traffic-control devices are erected indicating that no right or left turn is permitted, it is unlawful for any driver of a vehicle to disobey the directions of any such devices.

2. A person who violates any provision of this section may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.
Sec. 18. NRS 484B.307 is hereby amended to read as follows:

484B.307  1. Whenever traffic is controlled by official traffic-control devices exhibiting different colored lights, or colored lighted arrows, successively one at a time or in combination as declared in the manual and specifications adopted by the Department of Transportation, only the colors green, yellow and red may be used, except for special pedestrian-control devices carrying a word legend as provided in NRS 484B.283. The lights, arrows and combinations thereof indicate and apply to drivers of vehicles and pedestrians as provided in this section.

2. When the signal is circular green alone:
   (a) Vehicular traffic facing the signal may proceed straight through or turn right or left unless another device at the place prohibits either or both such turns. Such vehicular traffic, including vehicles turning right or left, must yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time the signal is exhibited.
   (b) Pedestrians facing such a signal may proceed across the highway within any marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

3. Where the signal is circular green with a green turn arrow:
   (a) Vehicular traffic facing the signal may proceed to make the movement indicated by the green turn arrow or such other movement as is permitted by the circular green signal, but the traffic must yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection at the time the signal is exhibited. Drivers turning in the direction of the arrow when displayed with the circular green are thereby advised that so long as a turn arrow is illuminated, oncoming or opposing traffic simultaneously faces a steady red signal.
   (b) Pedestrians facing such a signal may proceed across the highway within any marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

4. Where the signal is a green turn arrow alone:
   (a) Vehicular traffic facing the signal may proceed only in the direction indicated by the arrow signal so long as the arrow is illuminated, but the traffic must yield the right-of-way to pedestrians lawfully within the adjacent crosswalk and to other traffic lawfully using the intersection.
   (b) Pedestrians facing such a signal shall not enter the highway until permitted to proceed by another device as provided in NRS 484B.283.

5. Where the signal is a green straight-through arrow alone:
   (a) Vehicular traffic facing the signal may proceed straight through, but must not turn right or left. Such vehicular traffic must yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time the signal is exhibited.
(b) Pedestrians facing such a signal may proceed across the highway within the appropriate marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

6. Where the signal is a steady yellow signal alone:
   (a) Vehicular traffic facing the signal is thereby warned that the related green movement is being terminated or that a steady red indication will be exhibited immediately thereafter, and such vehicular traffic must not enter the intersection when the red signal is exhibited.
   (b) Pedestrians facing such a signal, unless otherwise directed by another device as provided in NRS 484B.283, are thereby advised that there is insufficient time to cross the highway.

7. Where the signal is a flashing yellow turn arrow, displayed alone or in combination with another signal:
   (a) Vehicular traffic facing the signal is permitted to cautiously enter the intersection only to make the movement indicated by the arrow signal, or other such movement as is permitted by other signal indications displayed at the same time. Such vehicular traffic must yield the right-of-way to pedestrians lawfully within the intersection or an adjacent crosswalk and yield the right-of-way to other traffic lawfully within the intersection.
   (b) Pedestrians facing such a signal, unless otherwise directed by another device as provided in NRS 484B.283, are thereby advised that there may be insufficient time to cross the highway, but may proceed across the highway within the appropriate marked or unmarked crosswalk.

8. Where the signal is a steady red signal alone:
   (a) Vehicular traffic facing the signal must stop before entering the crosswalk on the nearest side of the intersection where the sign or pavement marking indicates where the stop must be made, or in the absence of any such crosswalk, sign or marking, then before entering the intersection, and, except as otherwise provided in paragraphs (c) and (d), must remain stopped or standing until the green signal is shown.
   (b) Pedestrians facing such a signal shall not enter the highway, unless permitted to proceed by another device as provided in NRS 484B.283.
   (c) After complying with the requirement to stop, vehicular traffic facing such a signal and situated on the extreme right of the highway may proceed into the intersection for a right turn only when the intersecting highway is two-directional or one-way to the right, or vehicular traffic facing such a signal and situated on the extreme left of a one-way highway may proceed into the intersection for a left turn only when the intersecting highway is one-way to the left, but must yield the right-of-way to pedestrians and other traffic proceeding as directed by the signal at the intersection.
(d) After complying with the requirement to stop, a person driving a motorcycle, moped or trimobile or riding a bicycle or an electric bicycle may proceed straight through or turn right or left if:

(1) The person waits for two complete cycles of the lights or lighted arrows of the applicable official traffic-control device and the signal does not change because of a malfunction or because the signal failed to detect the presence of the motorcycle, moped, trimobile, bicycle or electric bicycle;

(2) No other device at the place prohibits either or both such turns, if applicable; and

(3) The person yields the right-of-way to pedestrians and other traffic proceeding as directed by the signal at the intersection.

(e) Vehicular traffic facing the signal may not proceed on or through any private or public property to enter the intersecting street where traffic is not facing a red signal to avoid the red signal.

8. Where the signal is a steady red with a green turn arrow:

(a) Except as otherwise provided in paragraph (b), vehicular traffic facing the signal may enter the intersection only to make the movement indicated by the green turn arrow, but must yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection. Drivers turning in the direction of the arrow are thereby advised that so long as the turn arrow is illuminated, oncoming or opposing traffic simultaneously faces a steady red signal.

(b) A person driving a motorcycle, moped or trimobile or riding a bicycle or an electric bicycle facing the signal may proceed straight through or turn in the direction opposite that indicated by the green turn arrow if:

(1) The person stops before entering the crosswalk on the nearest side of the intersection where the sign or pavement marking indicates where the stop must be made or, in the absence of any such crosswalk, sign or marking, before entering the intersection;

(2) The person waits for two complete cycles of the lights or lighted arrows of the applicable official traffic-control device and the signal does not change because of a malfunction or because the signal failed to detect the presence of the motorcycle, moped, trimobile, bicycle or electric bicycle;

(3) No other device at the place prohibits the turn, if applicable; and

(4) The person yields the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.

(c) Pedestrians facing such a signal shall not enter the highway, unless permitted to proceed by another device as provided in NRS 484B.283.

9. If a person violates paragraph (d) of subsection 8 or paragraph (b) of subsection 9 and that violation results in an injury to another person, the violation creates a rebuttable presumption of all facts necessary to impose civil liability for the injury.
11.  If a signal is erected and maintained at a place other than an intersection, the provisions of this section are applicable except as to those provisions which by their nature can have no application. Any stop required must be made at a sign or pavement marking indicating where the stop must be made, but in the absence of any such device the stop must be made at the signal.

12. Whenever signals are placed over the individual lanes of a highway, the signals indicate, and apply to drivers of vehicles, as follows:
   (a) A downward-pointing green arrow means that a driver facing the signal may drive in any lane over which the green signal is shown.
   (b) A red “X” symbol means a driver facing the signal must not enter or drive in any lane over which the red signal is shown.

13. A local authority shall not adopt an ordinance or regulation or take any other action that prohibits vehicular traffic from crossing an intersection when:
   (a) The red signal is exhibited; and
   (b) The vehicular traffic in question had already completely entered the intersection before the red signal was exhibited. For the purposes of this paragraph, a vehicle shall be considered to have “completely entered” an intersection when all portions of the vehicle have crossed the limit line or other point of demarcation behind which vehicular traffic must stop when a red signal is displayed.

14. **A person who violates any provision of this section may be subject to the additional penalty set forth in section 1 of this act.**

Sec. 19. NRS 484B.317 is hereby amended to read as follows:

484B.317  1.  A person shall not, without lawful authority, attempt to or alter, deface, injure, knock down or remove any official traffic-control device or any railroad sign or signal or any inscription, shield or insigne thereon, or any other part thereof.

2.  A person who violates any provision of this section may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 20. NRS 484B.320 is hereby amended to read as follows:

484B.320  1.  Except as otherwise provided in this section:
   (a) A person shall not operate a vehicle on the highways of this State if the vehicle is equipped with any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal.
   (b) A person shall not operate any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal.
2. Except as otherwise provided in this subsection, a person shall not in this State sell or offer for sale any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal. The provisions of this subsection do not prohibit a person from selling or offering for sale:
   (a) To a provider of mass transit, a signal prioritization device; or
   (b) To a response agency, a signal preemption device or a signal prioritization device, or both.

3. A police officer:
   (a) Shall, without a warrant, seize any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal; or
   (b) May, without a warrant, seize and take possession of a vehicle equipped with any device or mechanism that is capable of interfering with or altering the signal of a traffic-control signal, including, without limitation, a mobile transmitter, if the device or mechanism cannot be removed from the motor vehicle by the police officer, and may cause the vehicle to be towed and impounded until:
      (1) The device or mechanism is removed from the vehicle; and
      (2) The owner claims the vehicle by paying the cost of the towing and impoundment.

4. Neither the police officer nor the governmental entity which employs the officer is civilly liable for any damage to a vehicle seized pursuant to the provisions of paragraph (b) of subsection 3 that occurs after the vehicle is seized but before the towing process begins.

5. Except as otherwise provided in subsection 9, the presence of any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal in or on a vehicle on the highways of this State constitutes prima facie evidence of a violation of this section. The State need not prove that the device or mechanism in question was in an operative condition or being operated.

6. A person who violates the provisions of subsection 1 or 2 is guilty of a misdemeanor.

7. A person who violates any provision of subsection 1 or 2 may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

8. A provider of mass transit shall not operate or cause to be operated a signal prioritization device in such a manner as to impede or interfere with the use by response agencies of signal preemption devices.
9. The provisions of this section do not:
   (a) Except as otherwise provided in subsection 8, prohibit a provider of mass transit from acquiring, possessing or operating a signal prioritization device.
   (b) Prohibit a response agency from acquiring, possessing or operating a signal preemption device or a signal prioritization device, or both.
10. As used in this section:
    (a) “Mobile transmitter” means a device or mechanism that is:
        (1) Portable, installed within a vehicle or capable of being installed within a vehicle; and
        (2) Designed to affect or alter, through the emission or transmission of sound, infrared light, strobe light or any other audible, visual or electronic method, the normal operation of a traffic-control signal.
    ➞ The term includes, without limitation, a signal preemption device and a signal prioritization device.

Sec. 21. NRS 484B.327 is hereby amended to read as follows:

484B.327 1. It is unlawful for any person to remove any barrier or sign stating that a highway is closed to traffic.

2. It is unlawful to pass over a highway that is marked, signed or barricaded to indicate that it is closed to traffic. A person who violates any provision of this subsection may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 22. NRS 484B.363 is hereby amended to read as follows:

484B.363 1. A person shall not drive a motor vehicle at a speed in excess of 15 miles per hour in an area designated as a school zone except:

(a) On a day on which school is not in session;

(b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;

(c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or

(d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone indicates that the speed limit is not in effect.

2. A person shall not drive a motor vehicle at a speed in excess of 25 miles per hour in an area designated as a school crossing zone except:

(a) On a day on which school is not in session;

(b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;

(c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or
(d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone indicates that the speed limit is not in effect.

3. The driver of a vehicle shall not make a U-turn in an area designated as a school zone or school crossing zone except:
   (a) When there are no children present;
   (b) On a day on which school is not in session;
   (c) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;
   (d) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or
   (e) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone or school crossing zone indicates that the speed limit is not in effect.

4. The driver of a vehicle shall not overtake and pass another vehicle traveling in the same direction in an area designated as a school zone or school crossing zone except:
   (a) On a day on which the school is not in session;
   (b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;

5. The governing body of a local government or the Department of Transportation shall designate school zones and school crossing zones. An area must not be designated as a school zone if imposing a speed limit of 15 miles per hour would be unsafe because of higher speed limits in adjoining areas.

6. Each such governing body and the Department of Transportation shall provide signs to mark the beginning and end of each school zone and school crossing zone which it respectively designates. Each sign marking the beginning of such a zone must include a designation of the hours when the speed limit is in effect or that the speed limit is in effect when children are present.

7. With respect to each school zone and school crossing zone in a school district, the superintendent of the school district or his or her designee,
in conjunction with the Department of Transportation and the governing body of the local government that designated the school zone or school crossing zone and after consulting with the principal of the school and the agency that is responsible for enforcing the speed limit in the zone, shall determine the times when the speed limit is in effect.

6. If, while violating subsection 1 or 2, any provision of subsections 1 to 4, inclusive, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian or a person riding a bicycle, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.

7. As used in this section, “speed limit beacon” means a device which is used in conjunction with a sign and equipped with two or more yellow lights that flash alternately to indicate when the speed limit in a school zone or school crossing zone is in effect.

3. The driver of a vehicle shall not make a U-turn in a business district, except at an intersection or on a divided highway where an appropriate opening or crossing place exists.

Sec. 25. NRS 484B.603 is hereby amended to read as follows:

484B.603  1. The fact that the speed of a vehicle is lower than the prescribed limits does not relieve a driver from the duty to decrease speed when approaching and crossing an intersection, when approaching and going around a curve, when approaching a hill crest, when traveling upon any narrow or winding highway, or when special hazards exist or may exist with respect to pedestrians or other traffic, or by reason of weather or other highway conditions, and speed must be decreased as may be necessary to avoid colliding with any person, vehicle or other conveyance on or entering a highway in compliance with legal requirements and the duty of all persons to use due care.

2. Any person who fails to use due care as required by subsection 1 may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 26. NRS 484B.650 is hereby amended to read as follows:

convicted for committing any of the acts described in paragraphs (a) and (b) of subsection 1.

5. To determine whether the provisions of paragraph (a) or (b) of subsection 4 apply to one or more offenses of aggressive driving, the court shall use the date on which each offense of aggressive driving was committed.

6. If the driver is already the subject of any other order suspending or revoking his or her driver's license, the court shall order the additional period of suspension or revocation, as appropriate, to apply consecutively with the previous order.

7. If the court issues an order suspending or revoking the driver's license of the driver pursuant to this section, the court shall require the driver to surrender to the court all driver's licenses then held by the driver. The court shall, within 5 days after issuing the order, forward the driver's licenses and a copy of the order to the Department.

8. If the driver successfully completes a course of traffic safety ordered pursuant to this section, the Department shall cancel three demerit points from his or her driving record in accordance with NRS 483.448 or 483.475, as appropriate, unless the driver would not otherwise be entitled to have those demerit points cancelled pursuant to the provisions of that section.
9. This section does not preclude the suspension or revocation of the driver’s license of the driver, or the suspension of the future driving privileges of a person, pursuant to any other provision of law.

The fact that any person charged with a violation of this subsection is or has been entitled to use that drug under the laws of this State is not a defense against any charge of violating this subsection.

If consumption is proven by a preponderance of the evidence, it is an affirmative defense under paragraph (c) of subsection 1 that the defendant consumed a sufficient quantity of alcohol after driving or being in actual physical control of the commercial motor vehicle, and before his or her blood or breath was tested, to cause the defendant to have a concentration of alcohol of 0.04 or more in his or her blood or breath. Assemblyman Wheeler moved the adoption of the amendment.
Remarks by Assemblymen Wheeler and Elliot Anderson.

Assemblyman Wheeler:
Amendment 820 makes two changes to Senate Bill 144. It makes the additional penalty for committing certain traffic violations in a pedestrian safety zone discretionary instead of mandatory. It also provides that if signs are not erected providing notice of the higher fines in the pedestrian safety zone and marking the beginning and end of the pedestrian safety zone, then a person is not subject to the additional penalty for committing certain traffic violations in a pedestrian safety zone.

Assemblyman Elliot Anderson:
I have a question for my colleague from the Transportation Committee. Do you know how large the signs would have to be to provide notice?

Assemblyman Wheeler:
To my colleague, no. The size of the signs was never discussed.

Amendment adopted.
Bill ordered reprinted, reengrossed and to third reading.
Senate Bill No. 155.
Bill read second time and ordered to third reading.

Senate Bill No. 188.
Bill read second time.
The following amendment was proposed by the Committee on Transportation:
Amendment No. 808.
AN ACT relating to motor vehicles; changing the word “accident” to “crash” in reference to motor vehicles; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**
Existing law includes references to motor vehicle “accidents” in many sections, including, without limitation, sections dealing with the reporting of accidents, the investigation of an accident by certain law enforcement officers, the preparation of accident reports, the obligations of a party to an accident, the obligations of a garage or repair shop to the owner of a motor vehicle that has been involved in an accident, the requirements for the maintenance of liability insurance by the owner or operator of a motor vehicle, [the obligations and duties resulting from a watercraft accident] the obligations of certain motor carriers involved in an accident, and the obligations of the operator of a tow car upon towing a motor vehicle involved in an accident. (NRS 480.360, 483.400, 484A.710, 484E.050, 484E.070, 484E.100, 485.185, 706.251, 706.4479) This bill changes the word “accident” in such sections to “crash.” In those sections of existing law where the term “accident” is intended to include both a motor vehicle crash and an accidental incident of some other type, the word “accident” is amended by adding “and motor vehicle crash” or “and crash.” Section 131.3 of this bill clarifies that, for the purposes of the Nevada Insurance Code, the term “crash” has the same meaning as previous uses of the term “accident,” when used in reference to motor vehicles. Section 150.5 of this bill provides that the amendatory provisions of this bill shall be construed as nonsubstantive and that it is not the intent of the Nevada Legislature to modify any existing application, construction or interpretation of any statute which has been so amended.

Each application must be made upon the appropriate form furnished by the Department. The application must include a nonrefundable fee of $20.50 and evidence satisfactory to the Department that the agricultural user is the holder of a policy of liability insurance which provides at least $300,000 in coverage for bodily injury and property damage resulting from any single accident caused by the agricultural user while operating the farm tractor or self-propelled implement of husbandry. As soon as practicable after receiving the application, fee and evidence of insurance, the Department shall issue the license plate and decal to the agricultural user to affix to the farm tractor or self-propelled implement of husbandry. A decal issued pursuant to this subsection expires on December 31 of the year in which the Department issues the decal. The license plate and decal are not transferable and must be surrendered or returned to the Department within 60 days after:
(a) A transfer of ownership or interest in the farm tractor or self-propelled implement of husbandry occurs; or
(b) The decal expires pursuant to this subsection and the agricultural user fails to submit an application for renewal pursuant to subsection 2.
2. An application for the renewal of a license plate and decal issued pursuant to subsection 1 must be made upon the appropriate form furnished by the Department. The application for renewal must include a nonrefundable fee of $10 and evidence satisfactory to the Department that the agricultural user is the holder of a policy of liability insurance specified in subsection 1. A decal issued pursuant to this subsection expires on December 31 of the year in which the Department issues the decal.
3. A license plate issued pursuant to subsection 1 must be displayed on the farm tractor or self-propelled implement of husbandry in such a manner that the license plate is easily visible from the rear of the farm tractor or self-propelled implement of husbandry. If the license plate is lost or destroyed,
the Department may issue a replacement plate upon the payment of a fee of 50 cents. If the decal is lost or destroyed, the Department may, upon the payment of the fee specified in subsection 2, issue a replacement decal for the farm tractor or self-propelled implement of husbandry.

4. Notwithstanding any provision of chapter 445B of NRS to the contrary, an agricultural user is not required to obtain a certificate of compliance or vehicle inspection report concerning the control of emissions from a farm tractor or self-propelled implement of husbandry before obtaining a license plate and decal for or operating the farm tractor or self-propelled implement of husbandry pursuant to this section.

5. As used in this section, “agricultural user” means any person who owns or operates a farm tractor or self-propelled implement of husbandry specified in subsection 1 for an agricultural use. As used in this subsection, “agricultural use” has the meaning ascribed to it in NRS 361A.030.

Sec. 5. NRS 482.305 is hereby amended to read as follows:

482.305  1. The short-term lessor of a motor vehicle who permits the short-term lessee to operate the vehicle upon the highways, and who has not complied with NRS 482.295 insuring or otherwise covering the short-term lessee against liability arising out of his or her negligence in the operation of the rented vehicle in limits of not less than $15,000 for any one person injured or killed and $30,000 for any number more than one, injured or killed in any one [accident] crash, and against liability of the short-term lessee for property damage in the limit of not less than $10,000 for one [accident] crash, is jointly and severally liable with the short-term lessee for any damages caused by the negligence of the latter in operating the vehicle and for any damages caused by the negligence of any person operating the vehicle by or with the permission of the short-term lessee, except that the foregoing provisions do not confer any right of action upon any passenger in the rented vehicle against the short-term lessor. This section does not prevent the introduction as a defense of contributory negligence to the extent to which this defense is allowed in other cases.

2. The policy of insurance, surety bond or deposit of cash or securities inures to the benefit of any person operating the vehicle by or with the permission of the short-term lessee in the same manner, under the same conditions and to the same extent as to the short-term lessee.

3. The insurance policy, surety bond or deposit of cash or securities need not cover any liability incurred by the short-term lessee of any vehicle to any passenger in the vehicle; but the short-term lessor before delivering the vehicle shall give to the short-term lessee a written notice of the fact that such a policy, bond or deposit does not cover the liability which the short-term lessee may incur on account of his or her negligence in the operation of the vehicle to any passenger in the vehicle.
4. When any suit or action is brought against the short-term lessor under this section, the judge before whom the case is pending shall hold a preliminary hearing in the absence of the jury to determine whether the short-term lessor has provided insurance or a surety bond or deposit of cash or securities covering the short-term lessee as required by subsection 1. Whenever it appears that the short-term lessor has provided insurance or a surety bond or deposit of cash or securities covering the short-term lessee in the required amount, the judge shall dismiss as to the short-term lessor the action brought under this section.

Sec. 6. NRS 482.31525 is hereby amended to read as follows:

482.31525 “Estimated time for replacement” means the number of hours of labor, or a fraction thereof, needed to replace the damaged parts of a passenger car as set forth in a guide for estimating damage caused by a [collision] crash generally used in the business of repair of cars and commonly known as a “crash book.”

Sec. 7. NRS 482.31535 is hereby amended to read as follows:

(b) Mechanical damage to the car, up to and including its fair market value, resulting from:

(1) A [collision] crash;

(2) An impact; or

(3) Any other type of incident,

that is caused by a deliberate or negligent act or omission on the part of the lessee.

(c) Loss resulting from theft of the car, up to and including its fair market value, except that the lessee is presumed to have no liability for any loss resulting from theft if an authorized driver:

(2) Files an official report of the theft with an appropriate law enforcement agency within 24 hours after learning of the theft and cooperates with the lessor and the law enforcement agency in providing information concerning the theft.

The lessor may rebut the presumption set forth in this paragraph by establishing that an authorized driver committed or aided and abetted the commission of the theft.
(d) Physical damage to the car, up to and including its fair market value, resulting from vandalism occurring after or in connection with the theft of the car, except that the lessee has no liability for any damage resulting from vandalism if the lessee has no liability for theft pursuant to paragraph (c).

(e) Physical damage to the car and loss of use of the car, up to $2,500, resulting from vandalism not related to the theft of the car and not caused by the lessee.

(f) Loss of use of the car if the lessee is liable for damage or loss.

(g) Actual charges for towing and storage and impound fees paid by the lessor if the lessee is liable for damage or loss.

(h) An administrative charge that includes the cost of appraisal and other costs incident to the damage, loss, loss of use, repair or replacement of the car.

2. For the purposes of this section, the fair market value must be determined in the customary market for the sale of the leased passenger car.

Sec. 8. NRS 482.3154 is hereby amended to read as follows:

482.3154  1. The total amount of the short-term lessee’s liability to the short-term lessor resulting from damage to a leased passenger car must not exceed the sum of the following:

Any discount, price reduction or adjustment received by the lessor must be subtracted from the estimate to the extent not already incorporated in the estimate or promptly credited or refunded to the short-term lessee.

(b) The estimated cost of labor to replace damaged parts of the passenger car, which must not exceed the product of:

(1) The rate of labor usually paid by the lessor to replace parts of the type that were damaged; and

(1) The product of the rate for labor usually paid by the short-term lessor to repair parts of the type that were damaged and the estimated time for repair; or

Any discount, price reduction or adjustment received by the short-term lessor must be subtracted from the estimate to the extent not already incorporated in the estimate or promptly credited or refunded to the lessee.
(d) Except as otherwise provided in subsection 2, the loss of use of the leased passenger car, which must not exceed the product of:

1. The rate for the car stated in the short-term lessee’s lease, excluding all optional charges; and
2. The total of the estimated time for replacement and the estimated time for repair. For the purpose of converting the estimated time for repair into the same unit of time in which the rate of the lease is expressed, a day shall be deemed to consist of 8 hours.

(e) Actual charges for towing and storage and impound fees paid by the short-term lessor.

2. Under any of the circumstances described in NRS 482.31555, the short-term lessor’s loss of use of the passenger car must not exceed the product of:

3. An administrative charge pursuant to paragraph (h) of subsection 1 of NRS 482.31535 must not exceed:

(a) Fifty dollars if the total estimated cost for parts and labor is more than $100 and less than or equal to $500.
(b) One hundred dollars if the total estimated cost for parts and labor is more than $500 and less than or equal to $1,500.

2. Neither the peace officer nor the governmental entity which employs the peace officer is civilly liable for any damage to the vehicle that occurs after the vehicle is seized, but before the towing process begins.

2. Except as otherwise provided in subsections 3, 4 and 5, the driver of a vehicle which is in any manner involved in an accident on a highway or on premises to which the public has access, if the crash results in bodily injury to or the death of any person or total damage to any vehicle or item of property to an apparent extent of $750 or more, shall, within 10 days after the accident, forward a written or electronic report of the accident to the Department. Whenever damage occurs to a motor vehicle, the operator shall attach to the accident report an estimate of repairs or a statement of the total loss from an established repair garage, an insurance adjuster employed by an insurer licensed to do business in this State, an adjuster licensed pursuant to chapter 684A of NRS or an appraiser licensed pursuant to chapter 684B of NRS. 5. A written or electronic accident report is not required pursuant to this chapter from any person who is physically incapable of making a report, during the period of the person’s incapacity. Whenever the driver is
physically incapable of making a written or electronic report of an accident as required in this section and the driver is not the owner of the vehicle, the owner shall within 10 days after knowledge of the accident make the report not made by the driver.

6. All written or electronic reports required in this section to be forwarded to the Department by drivers or owners of vehicles involved in accidents are without prejudice to the person so reporting and are for the confidential use of the Department or other state agencies having use of the records for accident prevention, except as otherwise provided in NRS 239.0115 and except that the Department may disclose to a person involved in an accident a crash or to his or her insurer the identity of another person involved in the accident when the person’s identity is not otherwise known or when the person denies having been present at the accident. The Department may also disclose the name of the person’s insurer and the number of the person’s policy.

7. 2. Any person who gives information in electronic, oral or written reports as required in this chapter, knowing or having reason to believe that such information is false, is guilty of a gross misdemeanor.

Sec. 38. NRS 484E.090 is hereby amended to read as follows:

484E.090 The State Registrar of Vital Statistics shall on or before the 10th day of each month report in writing to the Department the death of any person resulting from a vehicle accident a crash, giving the time and place of the crash and the circumstances relating thereto.
Sec. 39. NRS 484E.100 is hereby amended to read as follows:

484E.100 The person in charge of any garage or repair shop to which is brought any motor vehicle which shows evidence of having been involved in an accident a crash and which is repaired in that garage or repair shop shall maintain for 2 years a record of those repairs including the:

484E.110 1. Every police officer who investigates a vehicle accident crash of which a report must be made as required in this chapter, or who otherwise prepares a written or electronic report as a result of an investigation either at the time of and at the scene of the accident crash or thereafter by interviewing the participants or witnesses, shall forward a written or electronic report of the accident crash to the Department of Public Safety within 10 days after the investigation of the accident crash. The data collected by the Department of Public Safety pursuant to this subsection must be recorded in a central repository created by the Department of Public Safety to track data electronically concerning vehicle accidents crashes on a statewide basis.
2. The written or electronic reports required to be forwarded by police officers and the information contained therein are not privileged or confidential.

4. If a police officer investigates a vehicle accident crash resulting in bodily injury to or the death of any person or total damage to any vehicle or item of property to an apparent extent of $750 or more, the police officer shall prepare a written or electronic report of the investigation.
5. As soon as practicable after receiving a report pursuant to this section, the Department of Public Safety shall submit a copy of the report to the Department of Motor Vehicles.

Sec. 41. NRS 484E.120 is hereby amended to read as follows:

484E.120 1. The Department of Public Safety shall prepare forms for accident crash reports required pursuant to NRS 484E.110, suitable with respect to the persons required to make the reports and the purposes to be served. The forms must be designed to call for sufficiently detailed
information to disclose with reference to an accident or a crash the cause, conditions then existing, the persons and vehicles involved, the name and address of the insurance company, the number of the policy providing coverage and the dates on which the coverage begins and ends. The Department of Public Safety shall, upon request, supply to a police department, sheriff or other appropriate agency or person, the forms for accident or crash reports prepared by a police officer pursuant to NRS 484E.110.

2. In addition to submitting a copy of a report pursuant to NRS 484E.110, the Department of Public Safety shall provide any information required by this section which is not included in the report to the Department of Motor Vehicles to enable the Department of Motor Vehicles to determine whether the requirements for the deposit of security under chapter 485 of NRS are inapplicable. The Department of Motor Vehicles may rely upon the accuracy of information supplied to a police officer by a driver or owner on the form unless it has reason to believe that the information is erroneous.

3. Every accident or crash report required pursuant to NRS 484E.070 must be made on the appropriate form approved by the Department of Motor Vehicles pursuant to that section and must contain all the information required in the form.

4. Every accident or crash report required pursuant to NRS 484E.110 must be made on the appropriate form approved by the Department of Public Safety and must contain all the information required therein unless it is not available.

Sec. 42. NRS 484E.130 is hereby amended to read as follows:

484E.130 The Department shall tabulate and analyze all accident or crash reports received in compliance with this chapter and shall publish annually, or at more frequent intervals, statistical information based thereon as to the number and circumstances of vehicle accidents or crashes.

Sec. 43. NRS 485.105 is hereby amended to read as follows:

485.105 “Proof of financial responsibility” means proof of ability to respond for the future in damages for liability, on account of accidents or crashes occurring subsequent to the effective date of that proof, arising out of the ownership, maintenance or use of a motor vehicle, in the amounts specified in NRS 485.185.

Sec. 44. NRS 485.185 is hereby amended to read as follows:

485.185 Every owner of a motor vehicle which is registered or required to be registered in this State shall continuously provide, while the motor vehicle is present or registered in this State, insurance provided by an insurance company licensed by the Division of Insurance of the Department of Business and Industry and approved to do business in this State:
1. In the amount of $15,000 for bodily injury to or death of one person in any one accident; 
2. Subject to the limit for one person, in the amount of $30,000 for bodily injury to or death of two or more persons in any one accident; and 
3. In the amount of $10,000 for injury to or destruction of property of others in any one accident, for the payment of tort liabilities arising from the maintenance or use of the motor vehicle.

Sec. 45. NRS 485.190 is hereby amended to read as follows:

485.190  1. If, 20 days after the receipt of a report of an accident involving a motor vehicle within this State which has resulted in bodily injury or death, or damage to the property of any one person in excess of $750, the Department does not have on file evidence satisfactory to it that the person who would otherwise be required to file security under subsection 2 has been released from liability, has been finally adjudicated not to be liable or has executed an acknowledged written agreement providing for the payment of an agreed amount in installments with respect to all claims for injuries or damages resulting from the accident, the Department shall upon request set the matter for a hearing as provided in NRS 485.191.

2. The Department shall, immediately after a determination adverse to an operator or owner is made in a hearing pursuant to NRS 485.191, suspend the license of each operator and all registrations of each owner of a motor vehicle involved in such accident, and, if the operator is a nonresident, the privilege of operating a motor vehicle within this State, and, if the owner is a nonresident, the privilege of the use within this State of any motor vehicle owned by him or her, unless the operator or owner, or both, immediately deposit security in the sum so determined by the Department at the hearing. If erroneous information is given to the Department with respect to the matters set forth in paragraph (a), (b) or (c) of subsection 1 of NRS 485.200, the Department shall take appropriate action as provided in this section after it receives correct information with respect to those matters.

Sec. 46. NRS 485.191 is hereby amended to read as follows:

485.191  1. Any operator or owner of a motor vehicle who was involved in an accident and who is not exempt from the requirements of depositing security by the provisions of NRS 485.200, is entitled to a hearing before the Director or a representative of the Director before a determination of the amount of security required pursuant to NRS 485.190, and before the suspension of his or her operator’s license or registration as provided in subsection 2 of NRS 485.190. The hearing must be held in the county of residence of the operator. If the operator and owner reside in different counties and the hearing would involve both of them, the
hearing must be held in the county which will be the most convenient for the
summoning of witnesses.

2. The owner or operator must be given at least 30 days’ notice of the
hearing in writing with a brief explanation of the proceedings to be taken
against the owner or operator and the possible consequences of a
determination adverse to the owner or operator.

3. If the operator or owner desires a hearing, the owner or operator shall,
within 15 days, notify the Department in writing of such intention. If the
owner or operator does not send this notice within the 15 days, he or she
waives his or her right to a hearing, except that, the Director may for good
cause shown permit the owner a later opportunity for a hearing.

Sec. 47. NRS 485.193 is hereby amended to read as follows:

485.193 The hearing must be held to determine:

1. Whether or not there is a reasonable possibility that a judgment may
be rendered against the owner or operator as a result of the [accident] crash
in which the owner or operator was involved if the issue is brought before a
court of competent jurisdiction; and

2. The amount of security that may be required of the operator or owner
to satisfy any judgment for damages that may be rendered against the owner
or operator.

Sec. 48. NRS 485.200 is hereby amended to read as follows:

485.200 1. The requirements as to security and suspension in
NRS 485.190 to 485.300, inclusive, do not apply:

(a) To the operator or owner if the operator or owner had in effect at the
time of the [accident] crash a motor vehicle liability policy with respect to
the motor vehicle involved in the [accident] crash;

(b) To the operator if there was in effect at the time of the [accident] crash
a motor vehicle liability policy with respect to his or her operation of any
motor vehicle;

(c) To the operator or owner if the liability for damages of the operator or
owner resulting from the [accident] crash is, in the judgment of the
Department, covered by any other form of liability insurance policy or a
bond;

(d) To any person qualifying as a self-insurer pursuant to NRS 485.380, or
to any person operating a motor vehicle for the self-insured;

(e) To the operator or the owner of a motor vehicle involved in [an
accident] a crash wherein no injury or damage was caused to the person or
property of anyone other than the operator or owner;

(f) To the operator or the owner of a motor vehicle legally parked at the
time of the [accident] crash;

(g) To the owner of a motor vehicle if at the time of the [accident] crash
the vehicle was being operated without the owner’s permission, express or
implied, or was parked by a person who had been operating the motor vehicle without permission; or

(h) If, before the date that the Department would otherwise suspend the license and registration or nonresident’s operating privilege pursuant to NRS 485.190, there is filed with the Department evidence satisfactory to it that the person who would otherwise have to file security has been released from liability or has received a determination in his or her favor at a hearing conducted pursuant to NRS 485.191, or has been finally adjudicated not to be liable or has executed an acknowledged written agreement providing for the payment of an agreed amount in installments, with respect to all claims for injuries or damages resulting from the accident.

2. An owner who is not the operator of the motor vehicle is not exempt from the requirements as to security and suspension in NRS 485.190 to 485.300, inclusive, if the owner holds a motor vehicle liability policy which provides coverage only when the owner is operating the motor vehicle and, at the time of the accident, another person is operating the motor vehicle with the express or implied permission of the owner.

Sec. 49. NRS 485.210 is hereby amended to read as follows:

485.210 For the purposes of NRS 485.200, a policy or bond is not effective unless:

1. The policy or bond is subject, if the accident has resulted in bodily injury or death, to a limit, exclusive of interest and costs, of not less than $15,000 because of bodily injury to or death of one person in any one accident and, subject to the limit for one person, to a limit of not less than $30,000 because of bodily injury to or death of two or more persons in any one accident and, if the accident has resulted in injury to or destruction of property, to a limit of not less than $10,000 because of injury to or destruction of property of others in any one accident; and

2. The insurance company or surety company issuing that policy or bond is authorized to do business in this State or, if the company is not authorized to do business in this State, unless it executes a power of attorney authorizing the Director to accept service on its behalf of notice or process in any action upon that policy or bond arising out of an accident.

Sec. 50. NRS 485.220 is hereby amended to read as follows:

485.220 1. The security required pursuant to NRS 485.190 to 485.300, inclusive, must be in such a form and amount as the Department may require, but in no case in excess of the limits specified in NRS 485.210 in reference to the acceptable limits of a policy or bond.

2. The person depositing the security shall specify in writing the person or persons on whose behalf the deposit is made and, at any time while the deposit is in the custody of the Department or the State Treasurer, the person
depositing it may, in writing, amend the specification of the person or persons on whose behalf the deposit is made to include an additional person or persons, but a single deposit of security is applicable only on behalf of persons required to furnish security because of the same accident or crash.

Sec. 51. NRS 485.230 is hereby amended to read as follows:

485.230  1. The license, all registrations and the nonresident’s operating privilege suspended as provided in NRS 485.190 must remain so suspended and may not be renewed nor may any license or registration be issued to any such person until:

(a) The person deposits or there is deposited on his or her behalf the security required under NRS 485.190;

(b) Two years have elapsed following the date of the accident or crash and evidence satisfactory to the Department has been filed with it that during that period no action for damages arising out of the accident or crash has been instituted; or

(c) Evidence satisfactory to the Department has been filed with it of a release from liability, or a final adjudication of nonliability, or an acknowledged written agreement, in accordance with NRS 485.190.

2. Upon any default in the payment of any installment under any acknowledged written agreement, and upon notice of the default, the Department shall suspend the license and all registrations or the nonresident’s operating privilege of the person defaulting, which may not be restored until:

(a) The person deposits and thereafter maintains security as required under NRS 485.190 in such an amount as the Department may then determine; or

(b) One year has elapsed following the date of default, or 2 years following the date of the accident or crash, whichever is greater, and during that period no action upon the agreement has been instituted in a court in this State.

3. Proof of financial responsibility, as set forth in NRS 485.307, is an additional requirement for reinstatement of the operator’s license and registrations under this section. The person shall maintain proof of financial responsibility for 3 years after the date of reinstatement of the license in accordance with the provisions of this chapter. If the person fails to do so the Department shall suspend the license and registrations.

Sec. 52. NRS 485.240 is hereby amended to read as follows:

485.240  1. If the operator or the owner of a motor vehicle involved in an accident or crash within this State has no license or registration, or is a nonresident, the operator or owner must not be allowed a license or registration until the operator or owner has complied with the requirements of NRS 485.190 to 485.300, inclusive, to the same extent that would be
necessary if, at the time of the crash, the operator or owner had held a license and registration.

2. When a nonreside nuances operating privilege is suspended pursuant to NRS 485.190 or 485.230, the Department shall transmit a certified copy of the record of that action to the officer in charge of the issuance of licenses and registration certificates in the state in which the nonresident resides, if the law of that state provides for action in relation thereto similar to that provided for in subsection 3.

3. Upon receipt of a certification that the operating privilege of a resident of this State has been suspended or revoked in any other state pursuant to a law providing for its suspension or revocation for failure to deposit security for the payment of judgments arising out of a motor vehicle crash, under circumstances which would require the Department to suspend a nonresident's operating privilege had the crash occurred in this State, the Department shall suspend the license of the resident if the resident was the operator, and all of his or her registrations if the resident was the owner of a motor vehicle involved in that crash. The suspension must continue until the resident furnishes evidence of compliance with the law of the other state relating to the deposit of that security.

Sec. 53. NRS 485.250 is hereby amended to read as follows:

485.250 The Department may reduce the amount of security ordered in any case within 6 months after the date of the crash if, in its judgment, the amount ordered is excessive. In case the security originally ordered has been deposited, the excess deposited over the reduced amount ordered must be returned to the depositor or his or her personal representative forthwith, notwithstanding the provisions of NRS 485.270.

Sec. 54. NRS 485.270 is hereby amended to read as follows:

485.270 Security deposited in compliance with the requirements of this chapter is applicable only to the payment of a judgment or judgments rendered against the person or persons on whose behalf the deposit was made for damages arising out of the crash in question in an action at law, begun not later than 2 years after the date of the crash or within 1 year after the date of deposit of any security under NRS 485.230, whichever period is longer, or to the payment in settlement, agreed to by the depositor, of a claim or claims arising out of the crash.

Sec. 55. NRS 485.280 is hereby amended to read as follows:

485.280 A deposit or any balance thereof must be returned to the depositor or his or her personal representative:

1. When evidence satisfactory to the Department has been filed with it that there has been a release from liability, a final adjudication of nonliability or an acknowledged agreement, in accordance with paragraph (h) of subsection 1 of NRS 485.200; or
2. If 2 years after the date of the accident or crash or 1 year after the date of deposit of any security under NRS 485.230, whichever period is longer, the Department is given reasonable evidence that there is no action pending and no judgment rendered in such an action left unpaid.

Sec. 56. NRS 485.301 is hereby amended to read as follows:

485.301 1. Whenever any person fails within 60 days to satisfy any judgment that was entered as a result of an accident or crash involving a motor vehicle, the judgment creditor or the judgment creditor’s attorney may forward to the Department immediately after the expiration of the 60 days a certified copy of the judgment.

2. If the defendant named in any certified copy of a judgment that was entered as a result of an accident or crash involving a motor vehicle and reported to the Department is a nonresident, the Department shall transmit a certified copy of the judgment to the officer in charge of the issuance of licenses and registration certificates of the state in which the defendant is a resident.

Sec. 57. NRS 485.304 is hereby amended to read as follows:

485.304  Judgments must for the purpose of this chapter only, be deemed satisfied:

1. When $15,000 has been credited upon any judgment or judgments rendered in excess of that amount because of bodily injury to or death of one person as the result of any one accident or crash;

2. When, subject to the limit of $15,000 because of bodily injury to or death of one person, the sum of $30,000 has been credited upon any judgment or judgments rendered in excess of that amount because of bodily injury to or death of two or more persons as the result of any one accident or crash; or

3. When $10,000 has been credited upon any judgment or judgments rendered in excess of that amount because of injury to or destruction of property of others as a result of any one accident or crash, but payments made in settlement of any claims because of bodily injury, death or property damage arising from a motor vehicle accident or crash must be credited in reduction of the amounts provided for in this section.

Sec. 58. NRS 485.307 is hereby amended to read as follows:

485.307 1. Proof of financial responsibility, when required pursuant to this title, may be given by filing:

(a) A certificate of financial responsibility as provided in NRS 485.308 or 485.309; or

(b) A certificate of self-insurance, as provided in NRS 485.380, supplemented by an agreement by the self-insurer that, with respect to accidents or crashes occurring while the certificate is in force, the self-insurer will pay the same judgments and in the same amounts that an insurer would
have been obligated to pay under an owner’s policy of liability insurance if it had issued such a policy to the self-insurer.

2. Whenever the Department restores a license, permit or privilege of driving a vehicle in this State which has been revoked, no motor vehicle may be or continue to be registered in the name of the person whose license, permit or privilege was revoked unless proof of financial responsibility is furnished by that person.

Sec. 59. NRS 485.309 is hereby amended to read as follows:

485.309 1. The nonresident owner of a motor vehicle not registered in this State or a nonresident operator of a motor vehicle may give proof of financial responsibility by filing with the Department a written certificate of an insurance carrier authorized to transact business:

(a) If the insurance provides coverage for the vehicle, in the state in which the motor vehicle described in the certificate is registered; or

(b) If the insurance provides coverage for the operator only, in the state in which the insured resides,

if the certificate otherwise conforms to the provisions of this chapter.

2. The Department shall accept the proof upon condition that the insurance carrier complies with the following provisions with respect to the policies so certified:

(a) The insurance carrier shall execute a power of attorney authorizing the Director to accept service on its behalf of notice or process in any action arising out of an accident involving a motor vehicle in this State; and

(b) The insurance carrier shall agree in writing that the policies shall be deemed to conform with the laws of this State relating to the terms of liability policies for owners of motor vehicles.

3. If any insurance carrier not authorized to transact business in this State, which has qualified to furnish proof of financial responsibility, defaults in any undertakings or agreements, the Department shall not thereafter accept as proof any certificate of that carrier whether theretofore filed or thereafter tendered as proof, as long as the default continues.

Sec. 60. NRS 485.3091 is hereby amended to read as follows:

485.3091 1. An owner’s policy of liability insurance must:

(a) Designate by explicit description or by appropriate reference all motor vehicles with respect to which coverage is thereby to be granted; and

(b) Insure the person named therein and any other person, as insured, using any such motor vehicle with the express or implied permission of the named insured, against loss from the liability imposed by law for damages arising out of the ownership, maintenance or use of such motor vehicle within the United States of America or the Dominion of Canada, subject to
limits exclusive of interest and costs, with respect to each such motor vehicle, as follows:

(1) Because of bodily injury to or death of one person in any one accident, $15,000;

(2) Subject to the limit for one person, because of bodily injury to or death of two or more persons in any one accident, $30,000; and

(3) Because of injury to or destruction of property of others in any one accident, $10,000.

2. An operator’s policy of liability insurance must insure the person named as insured therein against loss from the liability imposed upon the person by law for damages arising out of the person’s use of any motor vehicle within the same territorial limits and subject to the same limits of liability as are set forth in paragraph (b) of subsection 1.

3. A motor vehicle liability policy must state the name and address of the named insured, the coverage afforded by the policy, the premium charged therefor, the period of effectiveness and the limits of liability, and must contain an agreement or be endorsed that insurance is provided thereunder in accordance with the coverage defined in this chapter as respects bodily injury and death or property damage, or both, and is subject to all the provisions of this chapter.

4. A motor vehicle liability policy need not insure any liability under any workers’ compensation law nor any liability on account of bodily injury to or death of an employee of the insured while engaged in the employment, other than domestic, of the insured, or while engaged in the operation, maintenance or repair of any motor vehicle owned by the insured nor any liability for damage to property owned by, rented to, in charge of or transported by the insured.

5. Every motor vehicle liability policy is subject to the following provisions which need not be contained therein:

(a) The liability of the insurance carrier with respect to the insurance required by this chapter becomes absolute whenever injury or damage covered by the policy occurs. The policy may not be cancelled or annulled as to such liability by any agreement between the insurance carrier and the insured after the occurrence of the injury or damage. No statement made by the insured or on behalf of the insured and no violation of the policy defeats or voids the policy.

(b) The satisfaction by the insured of a judgment for injury or damage is not a condition precedent to the right or duty of the insurance carrier to make payment on account of the injury or damage.

(c) The insurance carrier may settle any claim covered by the policy, and if such a settlement is made in good faith, the amount thereof is deductible from the limits of liability specified in paragraph (b) of subsection 1.
(d) The policy, the written application therefor, if any, and any rider or endorsement which does not conflict with the provisions of this chapter constitute the entire contract between the parties.

6. Any policy which grants the coverage required for a motor vehicle liability policy may also grant any lawful coverage in excess of or in addition to the coverage specified for a motor vehicle liability policy, and the excess or additional coverage is not subject to the provisions of this chapter.

7. Any motor vehicle liability policy may provide for the prorating of the insurance thereunder with other valid and collectible insurance.

8. The requirements for a motor vehicle liability policy may be fulfilled by the policies of one or more insurance carriers, which policies together meet those requirements.

9. Any binder issued pending the issuance of a motor vehicle liability policy shall be deemed to fulfill the requirements for such a policy.

The Director of the Department of Motor Vehicles shall keep a record of all service of process, including the day and hour of service.

Sec. 68. NRS 41.200 is hereby amended to read as follows:

41.200 1. If an unemancipated minor has a disputed claim for money against a third person, either parent, or if the parents of the minor are living separate and apart, then the custodial parent, or if no custody award has been made, the parent with whom the minor is living, or if a general guardian or guardian of the estate of the minor has been appointed, then that guardian, has the right to compromise the claim. Such a compromise is not effective
until it is approved by the district court of the county where the minor resides, or if the minor is not a resident of the State of Nevada, then by the district court of the county where the claim was incurred, upon a verified petition in writing, regularly filed with the court.

2. The petition must set forth:
   (a) The name, age and residence of the minor;
   (b) The facts which bring the minor within the purview of this section, including:
      (1) The circumstances which make it a disputed claim for money;
      (2) The name of the third person against whom the claim is made; and
      (3) If the claim is the result of an accident or motor vehicle crash, the date, place and facts of the accident;
   (c) The names and residence of the parents or the legal guardian of the minor;
   (d) The name and residence of the person or persons having physical custody or control of the minor;
   (e) The name and residence of the petitioner and the relationship of the petitioner to the minor;
   (f) The total amount of the proceeds of the proposed compromise and the apportionment of those proceeds, including the amount to be used for:
      (1) Attorney’s fees and whether the attorney’s fees are fixed or contingent fees, and if the attorney’s fees are contingent fees the percentage of the proceeds to be paid as attorney’s fees;
      (2) Medical expenses; and
      (3) Other expenses,
   and whether these fees and expenses are to be deducted before or after the calculation of any contingency fee;
   (g) Whether the petitioner believes the acceptance of this compromise is in the best interest of the minor; and
   (h) That the petitioner has been advised and understands that acceptance of the compromise will bar the minor from seeking further relief from the third person offering the compromise.

3. If the claim involves a personal injury suffered by the minor, the petitioner must submit all relevant medical and health care records to the court at the compromise hearing. The records must include documentation of:
   (a) The injury, prognosis, treatment and progress of recovery of the minor; and
   (b) The amount of medical expenses incurred to date, the nature and amount of medical expenses which have been paid and by whom, any amount owing for medical expenses and an estimate of the amount of medical expenses which may be incurred in the future.
4. If the court approves the compromise of the claim of the minor, the court must direct the money to be paid to the father, mother or guardian of the minor, with or without the filing of any bond, or it must require a general guardian or guardian ad litem to be appointed and the money to be paid to the guardian or guardian ad litem, with or without a bond, as the court, in its discretion, deems to be in the best interests of the minor.

5. Upon receiving the proceeds of the compromise, the parent or guardian to whom the proceeds of the compromise are ordered to be paid, shall establish a blocked financial investment for the benefit of the minor with the proceeds of the compromise. Money may be obtained from the blocked financial investment only pursuant to subsection 6. Within 30 days after receiving the proceeds of the compromise, the parent or guardian shall file with the court proof that the blocked financial investment has been established. If the balance of the investment is more than $10,000, the parent, guardian or person in charge of managing the investment shall annually file with the court a verified report detailing the activities of the investment during the previous 12 months. If the balance of the investment is $10,000 or less, the court may order the parent, guardian or person in charge of managing the investment to file such periodic verified reports as the court deems appropriate. The court may hold a hearing on a verified report only if it deems a hearing necessary to receive an explanation of the activities of the investment.

6. The beneficiary of a block financial investment may obtain control of or money from the investment:
   (a) By an order of the court which held the compromise hearing; or
   (b) By certification of the court which held the compromise hearing that the beneficiary has reached the age of 18 years, at which time control of the investment must be transferred to the beneficiary or the investment must be closed and the money distributed to the beneficiary.

7. The clerk of the district court shall not charge any fee for filing a petition for leave to compromise or for placing the petition upon the calendar to be heard by the court.

8. As used in this section, the term “blocked financial investment” means a savings account established in a depository institution in this state, a certificate of deposit, a United States savings bond, a fixed or variable annuity contract, or another reliable investment that is approved by the court.

The employer of a police officer or firefighter may establish a program that allows a police officer or firefighter whom it employs who has suffered a catastrophe resulting in temporary total disability to elect to continue to receive the police officer’s or firefighter’s normal salary for a period of not more than 1 year in lieu of receiving the compensation for the industrial injury or occupational disease for which the police officer or firefighter is eligible pursuant to chapters 616A to 616D, inclusive, or 617 of NRS, unless the police officer or firefighter has made an election pursuant to NRS 281.390.

2. A program established pursuant to subsection 1:
   (a) Must prescribe the conditions pursuant to which a police officer or firefighter is eligible to receive the police officer’s or firefighter’s normal salary in accordance with an election pursuant to subsection 1; and
   (b) May allow a police officer or firefighter to return to light-duty employment or employment modified according to the police officer’s or firefighter’s physical restrictions or limitations and receive the police officer’s or firefighter’s normal salary during the period of an election pursuant to subsection 1.
3. Unless the employer is self-insured or a member of an association of self-insured public or private employers, the employer shall notify the insurer that provides industrial insurance for that employer of the election by a police officer or firefighter pursuant to subsection 1. When the police officer or firefighter is no longer eligible to receive the police officer’s or firefighter’s normal salary pursuant to such an election, the employer shall notify the insurer so that the insurer may begin paying to the police officer or firefighter the benefits, if any, for industrial insurance for which the police officer or firefighter is eligible. If the employer is self-insured or a member of an association of self-insured public or private employers and the police officer or firefighter is no longer eligible to receive the police officer’s or firefighter’s normal salary in accordance with an election pursuant to subsection 1, the employer shall begin paying the benefits, if any, for industrial insurance to which the police officer or firefighter is entitled.

4. During the period in which the police officer or firefighter elects to receive the police officer’s or firefighter’s normal salary pursuant to subsection 1, the police officer or firefighter accrues sick leave, annual leave and retirement benefits at the same rate at which the police officer or firefighter accrued such leave and benefits immediately before the election.

5. As used in this section:
   (a) “Catastrophe” means an illness, accident or motor vehicle crash arising out of or in the course of employment which is life threatening or which will require a period of convalescence that an attending physician expects to exceed 30 days and because of which the employee is unable to perform the duties of the employee’s position.
   (b) “Police officer” has the meaning ascribed to it in NRS 617.135.

Sec. 79. NRS 284.362 is hereby amended to read as follows:

Sec. 80.  NRS 286.672 is hereby amended to read as follows:

286.672  1.  Except as otherwise provided in subsection 3, if a deceased member had 2 years of accredited contributing service in the 2 1/2 years immediately preceding the member's death or was a regular, part-time employee who had 2 or more years of creditable contributing service before and at least 1 day of contributing service within 6 months immediately preceding the member's death, or if the employee had 10 or more years of accredited contributing service, certain of the deceased member's dependents are eligible for payments as provided in NRS 286.671 to 286.679, inclusive. If the death of the member resulted from a mental or physical condition which required the member to leave the employ of a participating public employer or go on leave without pay, eligibility pursuant to the provisions of this section extends for 18 months after the member's termination or commencement of leave without pay.

2.  If the death of a member occurs while the member is on leave of absence granted by the member's employer for further training and if the member met the requirements of subsection 1 at the time the member's leave began, certain of the deceased member's dependents are eligible for payments as provided in subsection 1.

3.  If the death of a member is caused by an occupational disease, accident or motor vehicle crash arising out of and in the course of the member's employment, no prior contributing service is required to make the deceased member's dependents eligible for payments pursuant to NRS 286.671 to 286.679, inclusive, except that this subsection does not apply to an accident or motor vehicle crash occurring while the member is traveling between the member's home and the member's principal place of employment or to an accident, motor vehicle crash or occupational disease arising out of employment for which no contribution is made.

4.  As used in this section, "dependent" includes a survivor beneficiary designated pursuant to NRS 286.6767.

Sec. 81.  NRS 289.095 is hereby amended to read as follows:

289.095  1.  In a county whose population is 100,000 or more, each law enforcement agency shall adopt policies and procedures to govern the investigation of motor vehicle accidents in which a peace officer employed by the law enforcement agency is involved. The policies and procedures must include, without limitation, a requirement that if such a motor vehicle accident results in a fatal injury to any person, the motor vehicle accident must be investigated by a law enforcement agency other than the law enforcement agency that employs the peace officer involved in the accident unless:

(a) Another law enforcement agency does not have comparable equipment and personnel to investigate the accident at least as effectively as the
law enforcement agency that employs the peace officer involved in the motor vehicle crash;
(b) Another law enforcement agency is unavailable to investigate the motor vehicle crash; or
(c) Investigation of the motor vehicle crash by another law enforcement agency would delay the initiation of the investigation such that the integrity of the crash scene and preservation and collection of evidence may be jeopardized by such a delay.

2. This section does not prohibit a law enforcement agency in a county whose population is 100,000 or more from entering into agreements for cooperation with agencies in other jurisdictions for the investigation of motor vehicle crashes in which a peace officer of the law enforcement agency is involved.

Sec. 82. NRS 360.740 is hereby amended to read as follows:
360.740 1. The governing body of a local government or special district that is created after July 1, 1998, and which provides police protection and at least two of the following services:
(a) Fire protection;  
(b) Construction, maintenance and repair of roads; or 
(c) Parks and recreation,
may, by majority vote, request the Nevada Tax Commission to direct the Executive Director to allocate money from the Account to the local government or special district pursuant to the provisions of NRS 360.680 and 360.690.

2. On or before December 31 of the year immediately preceding the first fiscal year that the local government or special district would receive money from the Account, a governing body that submits a request pursuant to subsection 1 must:
(a) Submit the request to the Executive Director; and
(b) Provide copies of the request and any information it submits to the Executive Director in support of the request to each local government and special district that:
   (1) Receives money from the Account; and
   (2) Is located within the same county.

3. The Executive Director shall review each request submitted pursuant to subsection 1 and submit his or her findings to the Committee on Local Government Finance. In reviewing the request, the Executive Director shall:
(a) For the initial year of distribution, establish an amount to be allocated to the new local government or special district pursuant to the provisions of NRS 360.680 and 360.690. If the new local government or special district will provide a service that was provided by another local government or special district before the creation of the new local government or special
district, the amount allocated to the local government or special district which previously provided the service must be decreased by the amount allocated to the new local government or special district; and

(b) Consider:

(1) The effect of the distribution of money in the Account, pursuant to the provisions of NRS 360.680 and 360.690, to the new local government or special district on the amounts that the other local governments and special districts that are located in the same county will receive from the Account; and

(2) The comparison of the amount established to be allocated pursuant to the provisions of NRS 360.680 and 360.690 for the new local government or special district to the amounts allocated to the other local governments and special districts that are located in the same county.

4. The Committee on Local Government Finance shall review the findings submitted by the Executive Director pursuant to subsection 3. If the Committee determines that the distribution of money in the Account to the new local government or special district is appropriate, it shall submit a recommendation to the Nevada Tax Commission. If the Committee determines that the distribution is not appropriate, that decision is not subject to review by the Nevada Tax Commission.

5. The Nevada Tax Commission shall schedule a public hearing within 30 days after the Committee on Local Government Finance submits its recommendation. The Nevada Tax Commission shall provide public notice of the hearing at least 10 days before the date on which the hearing will be held. The Executive Director shall provide copies of all documents relevant to the recommendation of the Committee on Local Government Finance to the governing body of each local government and special district that is located in the same county as the new local government or special district.

6. If, after the public hearing, the Nevada Tax Commission determines that the recommendation of the Committee on Local Government Finance is appropriate, it shall order the Executive Director to distribute money in the Account to the new local government or special district pursuant to the provisions of NRS 360.680 and 360.690.

7. For the purposes of this section, the local government or special district may enter into an interlocal agreement with another governmental entity for the provision of the services set forth in subsection 1 if that local government or special district compensates the governmental entity that provides the services in an amount equal to the value of those services.

8. As used in this section:

(a) “Construction, maintenance and repair of roads” includes the acquisition, operation or use of any material, equipment or facility that is used exclusively for the construction, maintenance or repair of a road and

Sec. 83. NRS 391.180 is hereby amended to read as follows:

391.180  1. As used in this section, “employee” means any employee of a school district or charter school in this State.
2. A school month in any public school in this State consists of 4 weeks of 5 days each.
3. Nothing contained in this section prohibits the payment of employees’ compensation in 12 equal monthly payments for 9 or more months’ work.
4. The per diem deduction from the salary of an employee because of absence from service for reasons other than those specified in this section is that proportion of the yearly salary which is determined by the ratio between the duration of the absence and the total number of contracted workdays in the year.
5. Boards of trustees shall either prescribe by regulation or negotiate pursuant to chapter 288 of NRS, with respect to sick leave, accumulation of sick leave, payment for unused sick leave, sabbatical leave, personal leave, professional leave, military leave and such other leave as they determine to be necessary or desirable for employees. In addition, boards of trustees may either prescribe by regulation or negotiate pursuant to chapter 288 of NRS with respect to the payment of unused sick leave to licensed teachers in the form of purchase of service pursuant to subsection 4 of NRS 286.300. The amount of service so purchased must not exceed the number of hours of unused sick leave or 1 year, whichever is less.
6. The salary of any employee unavoidably absent because of personal illness, accident or motor vehicle crash, or because of serious illness, accident, motor vehicle crash or death in the family, may be paid up to the number of days of sick leave accumulated by the employee. An employee may not be credited with more than 15 days of sick leave in any 1 school
year. Except as otherwise provided in this subsection, if an employee takes a position with another school district or charter school, all sick leave that the employee has accumulated must be transferred from the employee’s former school district or charter school to his or her new school district or charter school. The amount of sick leave so transferred may not exceed the maximum amount of sick leave which may be carried forward from one year to the next according to the applicable negotiated agreement or the policy of the district or charter school into which the employee transferred. Unless the applicable negotiated agreement or policy of the employing district or charter school provides otherwise, such an employee:

(a) Shall first use the sick leave credited to the employee from the district or charter school into which the employee transferred before using any of the transferred leave; and

(b) Is not entitled to compensation for any sick leave transferred pursuant to this subsection.

7. Subject to the provisions of subsection 8:

(a) If an intermission of less than 6 days is ordered by the board of trustees of a school district or the governing body of a charter school for any good reason, no deduction of salary may be made therefor.

(b) If, on account of sickness, epidemic or other emergency in the community, a longer intermission is ordered by the board of trustees of a school district, the governing body of a charter school or a board of health and the intermission or closing does not exceed 30 days at any one time, there may be no deduction or discontinuance of salaries.

8. If the board of trustees of a school district or the governing body of a charter school orders an extension of the number of days of school to compensate for the days lost as the result of an intermission because of those reasons contained in paragraph (b) of subsection 7, an employee may be required to render his or her services to the school district or charter school during that extended period. If the salary of the employee was continued during the period of intermission as provided in subsection 7, the employee is not entitled to additional compensation for services rendered during the extended period.

9. If any subject referred to in this section is included in an agreement or contract negotiated by:

(a) The board of trustees of a school district pursuant to chapter 288 of NRS; or

(b) The governing body of a charter school pursuant to NRS 386.595, the provisions of the agreement or contract regarding that subject supersede any conflicting provisions of this section or of a regulation of the board of trustees.
Sec. 84. NRS 392.320 is hereby amended to read as follows:

392.320 1. As used in this section, “vehicles” means the school buses, station wagons, automobiles and other motor or mechanically propelled vehicles required by the school district for the transportation of pupils.

2. The board of trustees of a school district shall use transportation funds of the school district for:

(a) The purchase, rent, hire and use of vehicles, and for necessary equipment, supplies and articles therefor.

(b) Necessary repairs of vehicles to keep them in safe and workable condition.

(c) The employment and compensation of capable and reliable drivers of vehicles and other employees necessary for the transportation of pupils and other authorized persons.

(d) Insuring vehicles owned, rented, hired, used or operated by or under the direction or supervision of the board of trustees. Such insurance shall:

(1) Be of such an amount as the board of trustees may be able to obtain and the regulations of the State Board of Education require as sufficient to protect the board of trustees, the pupils being transported, and their parents, guardians or legal representatives from loss or damage resulting from acts covered by the insurance.

(2) Especially insure against loss and damage resulting from or on account of injury or death of any pupil being transported, caused by collision or accident during the operation of any such vehicle.

Sec. 85. NRS 392.410 is hereby amended to read as follows:

392.410 1. Except as otherwise provided in this subsection, every school bus operated for the transportation of pupils to or from school must be equipped with:

(a) A system of flashing red lights of a type approved by the State Board and installed at the expense of the school district or operator. Except as otherwise provided in subsection 2, the driver shall operate this signal:

(1) When the bus is stopped to unload pupils.

(2) When the bus is stopped to load pupils.

(3) In times of emergency or accident, when appropriate.

(b) A mechanical device, attached to the front of the bus which, when extended, causes persons to walk around the device. The device must be approved by the State Board and installed at the expense of the school district or operator. The driver shall operate the device when the bus is stopped to load or unload pupils. The installation of such a mechanical device is not required for a school bus which is used solely to transport pupils with special needs who are individually loaded and unloaded in a manner which does not require them to walk in front of the bus. The provisions of this paragraph do
not prohibit a school district from upgrading or replacing such a mechanical
device with a more efficient and effective device that is approved by the
State Board.

2. A driver may stop to load and unload pupils in a designated area
without operating the system of flashing red lights required by subsection 1 if
the designated area:
   (a) Has been designated by a school district and approved by the
       Department;
   (b) Is of sufficient depth and length to provide space for the bus to park at
       least 8 feet off the traveled portion of the roadway;
   (c) Is not within an intersection of roadways;
   (d) Contains ample space between the exit door of the bus and the parking
       area to allow safe exit from the bus;
   (e) Is located so as to allow the bus to reenter the traffic from its parked
       position without creating a traffic hazard; and
   (f) Is located so as to allow pupils to enter and exit the bus without
       crossing the roadway.

3. In addition to the equipment required by subsection 1 and except as otherwise provided in subsection 4 of NRS 392.400, each school bus must:
   (a) Be equipped and identified as required by the regulations of the State
       Board; and
   (b) If the bus is a new bus purchased by a school district to transport
       pupils, meet the standards set forth in:
       (1) Subsection 1 of NRS 392.405 if the bus is purchased on or after
           January 1, 2016; and
       (2) Subsection 2 or 3 of NRS 392.405 if the bus is purchased on or after
           July 1, 2016.

4. The agents and employees of the Department of Motor Vehicles shall
inspect school buses to determine whether the provisions of this section
concerning equipment and identification of the school buses have been
complied with, and shall report any violations discovered to the
superintendent of schools of the school district wherein the vehicles are
operating.

5. If the superintendent of schools fails or refuses to take appropriate
action to correct any such violation within 10 days after receiving notice of it
from the Department of Motor Vehicles, the superintendent is guilty of a
misdemeanor, and upon conviction must be removed from office.

6. Any person who violates any of the provisions of this section is guilty
of a misdemeanor.

Sec. 86. NRS 394.545 is hereby amended to read as follows:

394.545  1. A driving school:
(a) Must be located more than 200 feet from any office of the Department of Motor Vehicles;
(b) Must have the equipment necessary to instruct students in the safe operation of motor vehicles and maintain the equipment in a safe condition; and
(c) Must have insurance in at least the following amounts:
   (1) For bodily injury to or death of two or more persons in one accident, $40,000; and
   (2) For damage to property in any one accident, $10,000.

2. The Department of Motor Vehicles may review and approve or disapprove any application to issue, renew or revoke a license for a driving school. The Department of Motor Vehicles may, at any time, inspect a licensed driving school and may recommend that its license be suspended or revoked. The Administrator shall investigate and recommend to the Commission the appropriate action.

Sec. 87. NRS 396.328 is hereby amended to read as follows:

396.328 The Police Department for the System shall, within 7 days after receipt of a written request of a person who claims to have sustained damages as a result of an accident, or the person’s legal representative or insurer, and upon receipt of a reasonable fee to cover the cost of reproduction, provide the person, his or her legal representative or insurer, as applicable, with a copy of the accident report and all statements by witnesses and photographs in the possession or under the control of the Department that concern the accident, unless:
1. The materials are privileged or confidential pursuant to a specific statute; or
2. The accident involved:
   (a) The death or substantial bodily harm of a person;
   (b) Failure to stop at the scene of an accident; or
   (c) The commission of a felony.

Sec. 88. NRS 408.100 is hereby amended to read as follows:

408.100 Recognizing that safe and efficient highway transportation is a matter of important interest to all the people of the State, and that an adequate highway system is a vital part of the national defense, the Legislature hereby determines and declares that:
1. An integrated system of state highways and roads is essential to the general welfare of the State.
2. Providing such a system of facilities, its efficient management, maintenance and control is recognized as a problem and as the proper prospective of highway legislation.
3. Inadequate highways and roads obstruct the free flow of traffic, resulting in undue cost of motor vehicle operation, endangering the health
and safety of the citizens of the State, depreciating property values, and 
impeding general economic and social progress of the State.

4. In designating the highways and roads of the State as provided in this 
chapter, the Legislature places a high degree of trust in the hands of those 
officials whose duty it is, within the limits of available funds, to plan, 
develop, operate, maintain, control and protect the highways and roads of this 
state, for present as well as for future use.

5. To this end, it is the express intent of the Legislature to make the 
Board of Directors of the Department of Transportation custodian of the state 
highways and roads and to provide sufficiently broad authority to enable the 
Board to function adequately and efficiently in all areas of appropriate 
jurisdiction, subject to the limitations of the Constitution and the legislative 
matter proposed in this chapter.

6. The Legislature intends:

(a) To declare, in general terms, the powers and duties of the Board of 
Directors, leaving specific details to be determined by reasonable regulations 
and declarations of policy which the Board may promulgate.

(b) By general grant of authority to the Board of Directors to delegate 
sufficient power and authority to enable the Board to carry out the broad 
objectives contained in this chapter.

7. The problem of establishing and maintaining adequate highways and 
roads, eliminating congestion, reducing [accident] crash frequency and 
taking all necessary steps to ensure safe and convenient transportation on 
these public ways is no less urgent.

8. The Legislature hereby finds, determines and declares that this chapter 
is necessary for the preservation of the public safety, the promotion of the 
general welfare, the improvement and development of facilities for 
transportation in the State, and other related purposes necessarily included 
therein, and as a contribution to the system of national defense.

9. The words “construction,” “maintenance” and “administration” used 
in Section 5 of Article 9 of the Constitution of the State of Nevada are broad 
enough to be construed to include and as contemplating the construction, 
maintenance and administration of the state highways and roads as 
established by this chapter and the landscaping, roadside improvements and 
planning surveys of the state highways and roads.

Sec. 89. NRS 408.210 is hereby amended to read as follows:

408.210 1. Except as otherwise provided in NRS 484D.655, the 
Director of the Department of Transportation may restrict the use of, or close, 
any highway whenever the Director considers the closing or restriction of use 
necessary:

(a) For the protection of the public.
(b) For the protection of such highway from damage during storms or during construction, reconstruction, improvement or maintenance operations thereon.

c) To promote economic development or tourism in the best interest of the State or upon the written request of the Executive Director of the Office of Economic Development or the Director of the Department of Tourism and Cultural Affairs.

2. The Director of the Department of Transportation may:

(a) Divide or separate any highway into separate roadways, wherever there is particular danger to the traveling public of crashes between vehicles proceeding in opposite directions or from vehicular turning movements or cross-traffic, by constructing curbs, central dividing sections or other physical dividing lines, or by signs, marks or other devices in or on the highway appropriate to designate the dividing line.

(b) Lay out and construct frontage roads on and along any highway or freeway and divide and separate any such frontage road from the main highway or freeway by means of curbs, physical barriers or by other appropriate devices.

3. The Director may remove from the highways any unlicensed encroachment which is not removed, or the removal of which is not commenced and thereafter diligently prosecuted, within 5 days after personal service of notice and demand upon the owner of the encroachment or the owner’s agent. In lieu of personal service upon that person or agent, service of the notice may also be made by registered or certified mail and by posting, for a period of 5 days, a copy of the notice on the encroachment described in the notice. Removal by the Department of the encroachment on the failure of the owner to comply with the notice and demand gives the Department a right of action to recover the expense of the removal, cost and expenses of suit, and in addition thereto the sum of $100 for each day the encroachment remains beyond 5 days after the service of the notice and demand.

4. If the Director determines that the interests of the Department are not compromised by a proposed or existing encroachment, the Director may issue a license to the owner or the owner’s agent permitting an encroachment on the highway. Such a license is revocable and must provide for relocation or removal of the encroachment in the following manner. Upon notice from the Director to the owner of the encroachment or the owner’s agent, the owner or agent may propose a time within which he or she will relocate or remove the encroachment as required. If the Director and the owner or the owner’s agent agree upon such a time, the Director shall not himself or herself remove the encroachment unless the owner or the owner’s agent has failed to do so within the time agreed. If the Director and the owner or the owner’s agent do not agree upon such a time, the Director may remove the
encroachment at any time later than 30 days after the service of the original notice upon the owner or the owner's agent. Service of notice may be made in the manner provided by subsection 3. Removal of the encroachment by the Director gives the Department the right of action provided by subsection 3, but the penalty must be computed from the expiration of the agreed period or 30-day period, as the case may be.

Sec. 90. NRS 408.561 is hereby amended to read as follows:

408.561 1. The Department may establish at centers a toll-free telephone system for members of the traveling public to make reservations at hotels, motels, campgrounds and other places of public accommodation. The cost of this system, reduced pursuant to subsection 2 if applicable, must be apportioned among the hotels, motels, campgrounds and other businesses that participate in the system.

2. If the Department uses the telephone system established pursuant to subsection 1 as a method for members of the public to report fires, accidents, motor vehicle crashes or other emergencies or to receive information concerning the conditions for driving on certain highways, the Department shall pay a proportionate share of the cost of the system.

Sec. 91. NRS 408.569 is hereby amended to read as follows:

408.569 The Department shall establish along one or more frequently traveled highways of this state a system of communication for members of the general public to report fires, accidents, motor vehicle crashes or other emergencies and to receive information concerning the conditions for driving on certain highways.

Sec. 92. NRS 424.250 is hereby amended to read as follows:

424.250 1. A provider of foster care shall not use physical restraint on a child placed with the provider unless the child presents an imminent threat of danger of harm to himself or herself or others.

2. A foster care agency shall notify the licensing authority or its designee when any serious incident, accident, motor vehicle crash or injury occurs to a child in its care within 24 hours after the incident, accident, motor vehicle crash or injury. The foster care agency shall provide a written report to the licensing authority or its designee as soon as practicable after notifying the licensing authority or its designee. The written report must include, without limitation, the date and time of the incident, accident, motor vehicle crash or injury, any action taken as a result of the incident, accident, motor vehicle crash or injury, the name of the employee of the foster care agency who completed the written report and the name of the employee of the licensing authority or its designee who was notified.

3. A foster care agency shall report any potential violation of the provisions of this chapter or any regulations adopted pursuant thereto relating to licensing to the licensing authority within 24 hours after an employee of
the foster care agency becomes aware of the potential violation. A foster care agency shall cooperate with the licensing authority in its review of such reports and support each foster home with which the foster care agency has a contract for the placement of children in completing any action required to correct a violation.

4. A foster care agency shall fully comply with any investigation of a report of the abuse or neglect of a child pursuant to NRS 432B.220.

Sec. 93. NRS 426.510 is hereby amended to read as follows:

426.510 1. Except as otherwise provided in subsections 2, 3 and 4, a person shall not:

Each renewal must include a copy of the form offering such coverage.

4. An insurer who makes a payment to an injured person on account of underinsured vehicle coverage as described in subsection 2 is not entitled to subrogation against the underinsured motorist who is liable for damages to the injured payee. This subsection does not affect the right or remedy of an insurer under subsection 5 of NRS 690B.020 with respect to uninsured vehicle coverage. Sec. 133.  NRS 690B.020 is hereby amended to read as follows:

690B.020 1. Except as otherwise provided in this section and NRS 690B.035, no policy insuring against liability arising out of the ownership, maintenance or use of any motor vehicle may be delivered or issued for delivery in this State unless coverage is provided therein or supplemental thereto for the protection of persons insured thereunder who are legally entitled to recover damages, from owners or operators of uninsured or hit-and-run motor vehicles, for bodily injury, sickness or disease, including death, resulting from the ownership, maintenance or use of the uninsured or hit-and-run motor vehicle. No such coverage is required in or supplemental to a policy issued to the State of Nevada or any political subdivision thereof, or where rejected in writing, on a form furnished by the insurer describing the coverage being rejected, by an insured named therein, or upon any renewal of such a policy unless the coverage is then requested in writing by the named insured. The coverage required in this section may be referred to as “uninsured vehicle coverage.”

2. The amount of coverage to be provided must be not less than the minimum limits for liability insurance for bodily injury provided for under chapter 485 of NRS, but may be in an amount not to exceed the coverage for bodily injury purchased by the policyholder.

3. For the purposes of this section, the term “uninsured motor vehicle” means a motor vehicle:
   (a) With respect to which there is not available at the Department of Motor Vehicles evidence of financial responsibility as required by chapter 485 of NRS;
   (b) With respect to the ownership, maintenance or use of which there is no liability insurance for bodily injury or bond applicable at the time of the accident crash or, to the extent of such deficiency, any liability insurance for bodily injury or bond in force is less than the amount required by NRS 485.210;
   (c) With respect to the ownership, maintenance or use of which the company writing any applicable liability insurance for bodily injury or bond denies coverage or is insolvent;
   (d) Used without the permission of its owner if there is no liability insurance for bodily injury or bond applicable to the operator;
   (e) Used with the permission of its owner who has insurance which does not provide coverage for the operation of the motor vehicle by any person other than the owner if there is no liability insurance for bodily injury or bond applicable to the operator; or
   (f) The owner or operator of which is unknown or after reasonable diligence cannot be found if:
(1) The bodily injury or death has resulted from physical contact of the automobile with the named insured or the person claiming under the named insured or with an automobile which the named insured or such a person is occupying; and

(2) The named insured or someone on behalf of the named insured has reported the accident within the time required by NRS 484E.030, 484E.040 or 484E.050 to the police department of the city where it occurred or, if it occurred in an unincorporated area, to the sheriff of the county or to the Nevada Highway Patrol.

4. For the purposes of this section, the term “uninsured motor vehicle” also includes, subject to the terms and conditions of coverage, an insured other motor vehicle where:

(a) The liability insurer of the other motor vehicle is unable because of its insolvency to make payment with respect to the legal liability of its insured within the limits specified in its policy;

(b) The occurrence out of which legal liability arose took place while the uninsured vehicle coverage required under paragraph (a) was in effect; and

(c) The insolvency of the liability insurer of the other motor vehicle existed at the time of, or within 2 years after, the occurrence.

Nothing contained in this subsection prevents any insurer from providing protection from insolvency to its insureds under more favorable terms.

5. If payment is made to any person under uninsured vehicle coverage, and subject to the terms of the coverage, to the extent of such payment the insurer is entitled to the proceeds of any settlement or recovery from any person legally responsible for the bodily injury as to which payment was made, and to amounts recoverable from the assets of the insolvent insurer of the other motor vehicle.

6. A vehicle involved in a collision which results in bodily injury or death shall be presumed to be an uninsured motor vehicle if no evidence of financial responsibility is supplied to the Department of Motor Vehicles in the manner required by chapter 485 of NRS within 60 days after the collision occurs.

Sec. 134. NRS 690B.029 is hereby amended to read as follows:

690B.029 1. A policy of insurance against liability arising out of the ownership, maintenance or use of a motor vehicle delivered or issued for delivery in this State to a person who is 55 years of age or older must contain a provision for the reduction in the premiums for 3-year periods if the insured:

(a) Successfully completes, after attaining 55 years of age and every 3 years thereafter, a course of traffic safety approved by the Department of Motor Vehicles; and
(b) For the 3-year period before completing the course of traffic safety and each 3-year period thereafter:

1. Is not involved in an accident involving a motor vehicle for which the insured is at fault;
2. Maintains a driving record free of violations; and
3. Has not been convicted of, or entered a plea of guilty, guilty but mentally ill or nolo contendere to, a moving traffic violation or an offense involving:
   I. The operation of a motor vehicle while under the influence of intoxicating liquor or a controlled substance; or
   II. Any other conduct prohibited by NRS 484C.110, 484C.120, 484C.130 or 484C.430 or a law of any other jurisdiction that prohibits the same or similar conduct.

2. The reduction in the premiums provided for in subsection 1 must be based on the actuarial and loss experience data available to each insurer and must be approved by the Commissioner. Each reduction must be calculated based on the amount of the premium before any reduction in that premium is made pursuant to this section, and not on the amount of the premium once it has been reduced.

3. A course of traffic safety that an insured is required to complete as the result of moving traffic violations must not be used as the basis for a reduction in premiums pursuant to this section.

4. The organization that offers a course of traffic safety approved by the Department of Motor Vehicles shall issue a certificate to each person who successfully completes the course. A person must use the certificate to qualify for the reduction in the premiums pursuant to this section.

5. The Commissioner shall review and approve or disapprove a policy of insurance that offers a reduction in the premiums pursuant to subsection 1. An insurer must receive written approval from the Commissioner before delivering or issuing a policy with a provision containing such a reduction.

Sec. 135. NRS 695B.220 is hereby amended to read as follows:

695B.220 Blanket hospital or blanket medical or dental service contracts may be issued to a college or school or to the head or principal thereof or to the governing board of any school district providing for services to pupils of such schools when such services are required as the result of accident or motor vehicle crash to such pupils while they are required to be in or on buildings or other premises of the school or district during the time they are required to be therein or thereon by reason of their attendance upon a college or regular day school or any regular day school of a school district or while being transported to and from school or other place of instruction. No pupil shall be compelled to accept such service without the consent of a parent or guardian of the pupil.
Sec. 136. NRS 704.140 is hereby amended to read as follows:

704.140 1. It is unlawful for any person engaged in business as a public utility to give or furnish to any state, district, county or municipal officer of this State, or to any person other than those named herein, any pass, frank, free or reduced transportation, or for any state, district, county or municipal officer to accept any pass, frank, free or reduced transportation.

2. This section does not prevent the carriage, storage or hauling of property free or at reduced rates for the United States, the State of Nevada or any political subdivision thereof for charitable purposes.

3. This chapter does not prohibit a public utility from giving free or reduced rates for transportation of:

(a) Its own officers, commission agents, employees, attorneys, physicians and surgeons and members of their families, and pensioned ex-employees and ex-employees with disabilities, their minor children or dependents, or witnesses attending any legal investigation in which such carrier is interested.

(b) Inmates of hospitals or charitable institutions and persons over 65 years of age.

(c) Persons with physical or mental disabilities who present a written statement from a physician to that effect.

(d) Persons injured in accidents or motor vehicle crashes and physicians and nurses attending such persons.

(e) Persons providing relief in cases of common disaster, or for contractors and their employees, in carrying out their contract with such carrier.

(f) Peace officers when on official duty.

(g) Attendants of livestock or other property requiring the care of an attendant, including return passage to the place of shipment, if there is no discrimination among such shippers of a similar class.

(h) Employees of other carriers subject to regulation in any respect by the Commission, or for the officers, agents, employees, attorneys, physicians and surgeons of such other carriers, and the members of their families.

4. This chapter does not prohibit public utilities from giving reduced rates for transportation to:

(a) Indigent, destitute or homeless persons, when under the care or responsibility of charitable societies, institutions or hospitals, and the necessary agents employed in such transportation.

(b) Students of institutions of learning.

5. “Employees,” as used in this section, includes furloughed, pensioned and superannuated employees, and persons who have become disabled or infirm in the service of any such carrier, and persons traveling for the purpose of entering the service of any such carrier.
6. Any person violating the provisions of this section shall be punished by a fine of not more than $500.

Sec. 137. NRS 704.190 is hereby amended to read as follows:

704.190 1. Every public utility operating in this State shall, whenever an accident or motor vehicle crash occurs in the conduct of its operation causing death, give prompt notice thereof to the Commission, in such manner and within such time as the Commission may prescribe. If, in its judgment, the public interest requires it, the Commission may cause an investigation to be made forthwith of any accident or crash, at such place and in such manner as the Commission deems best.

2. Every such public utility shall report to the Commission, at the time, in the manner and on such forms as the Commission by its printed rules and regulations prescribes, all accidents or crashes happening in this State and occurring in, on or about the premises, plant, instrumentality or facility used by any such utility in the conduct of its business.

3. The Commission shall adopt all reasonable rules and regulations necessary for the administration and enforcement of this section. The rules and regulations must require that all accidents or crashes required to be reported pursuant to this section be reported to the Commission at least once every calendar month by such officer or officers of the utility as the Commission directs.

4. The Commission shall adopt and utilize all accident and crash report forms, which must be so designed as to provide a concise and accurate report of the accident or crash. The report must show the true cause of the accident or crash. The accident report forms adopted for the reporting of railroad accidents must, as near as practicable, be the same in design as the railroad accident report forms provided and used by the Surface Transportation Board.

5. If any accident or crash is reported to the Commission by the utility as being caused by or through the negligence of an employee and thereafter the employee is absolved from such negligence by the utility and found not to be responsible for the accident or crash, that fact must be reported by the utility to the Commission.

6. Each accident report required to be made by a public utility pursuant to this section must be filed in the office of the Commission and there preserved. Each accident or crash report required to be made by a public utility pursuant to this chapter and each report made by the Commission pursuant to its investigation of any accident or crash:
   (a) Except as otherwise provided in subsection 2 of NRS 703.190, must be open to public inspection; and
(b) Notwithstanding any specific statute to the contrary, must not, in whole or in part, be admitted as evidence or used for any purpose in any suit or action for damages arising out of any matter mentioned in:
   
   (1) The accident or crash report required to be made by the public utility; or
   
   (2) The report made by the Commission pursuant to its investigation.

**Sec. 138.** NRS 704.300 is hereby amended to read as follows:

> 704.300 1. After an investigation initiated either upon the Commission’s own motion or as the result of the filing of a formal application or complaint by the Department of Transportation, the board of county commissioners of any county, the town board or council of any town or municipality, or any railroad company, the Commission may order for the safety of the traveling public:

   (a) The elimination, alteration, addition or change of a highway crossing or crossings over any railroad at grade, or above or below grade, including its approaches and surface.
   
   (b) Changes in the method of crossing at grade, or above or below grade.
   
   (c) The closing of a crossing and the substitution of another therefor.
   
   (d) The removal of obstructions to the public view in approaching any crossing.
   
   (e) Such other details of use, construction and operation as may be necessary to make grade-crossing elimination, changes and betterments for the protection of the public and the prevention of accidents and motor vehicle crashes effective.

   2. The Commission shall order that the cost of any elimination, removal, addition, change, alteration or betterment so ordered must be divided and paid in such proportion by the State, county, town or municipality and the railroad or railroads interested as is provided according to the circumstances occasioning the cost in NRS 704.305.

   3. If the Commission chooses to conduct a hearing before issuing an order pursuant to subsection 1, all costs incurred by reason of the hearing, including, but not limited to, publication of notices, reporting, transcripts and rental of hearing room, must be apportioned 50 percent to the governmental unit or units affected and 50 percent to the railroad or railroads.

**Sec. 139.** NRS 705.090 is hereby amended to read as follows:

> 705.090 1. No railway corporation engaged in the transportation of horses, sheep, cattle, swine or other animals between points situated within this state shall confine or cause the same to be confined in cars or other vehicles of any description for a period longer than 28 consecutive hours without unloading the same for rest, water and feeding during 5 consecutive hours, unless prevented by storm, motor vehicle crash or inevitable accident.
2. In estimating such confinement, the time during which the animals have been confined without rest on connecting roads from which they are received must be computed.

3. The time of confinement prescribed in this section may be extended to 36 hours upon the written request of the owner or the person in custody of a particular shipment of livestock, which written request shall be separate and apart from any printed bill of lading or other railroad form. The request for extension of time shall be made to the conductor of the train, the agent or other authorized agent of the railroad company over which the livestock is being transported.

Sec. 140. NRS 706.246 is hereby amended to read as follows:

706.246 Except as otherwise provided in NRS 706.235:

1. A common or contract motor carrier shall not permit or require a driver to drive or tow any vehicle revealed by inspection or operation to be in such condition that its operation would be hazardous or likely to result in a breakdown of the vehicle, and a driver shall not drive or tow any vehicle which by reason of its mechanical condition is so imminently hazardous to operate as to be likely to cause an accident or a crash or a breakdown of the vehicle. If, while any vehicle is being operated on a highway, it is discovered to be in such an unsafe condition, it may be continued in operation, except as further limited by subsection 2, only to the nearest place where repairs can safely be effected, and even that operation may be conducted only if it is less hazardous to the public than permitting the vehicle to remain on the highway.

2. A common or contract motor carrier or private motor carrier shall not permit or require a driver to drive or tow, and a driver shall not drive or tow, any vehicle which:

(a) By reason of its mechanical condition is so imminently hazardous to operate as to be likely to cause an accident or a crash or a breakdown; and

(b) Has been declared “out of service” by an authorized employee of the Authority, the Department of Motor Vehicles or the Department of Public Safety.

When the repairs have been made, the carrier shall so certify to the Authority or the department that declared the vehicle “out of service,” as required by the Authority or that department.

Sec. 141. NRS 706.251 is hereby amended to read as follows:

706.251 1. Every person operating a vehicle used by any motor carrier under the jurisdiction of the Authority shall forthwith report each accident or crash occurring on the public highway, wherein the vehicle may have injured the person or property of some person other than the person or property carried by the vehicle, to the sheriff or other peace officer of the county where the accident or crash occurred. If the accident or crash immediately or proximately causes death, the person in charge of the vehicle, or any officer
investigating the accident, crash, shall furnish to the Authority such detailed report thereof as required by the Authority.

2. All accident crash reports required in this section must be filed in the office of the Authority and there preserved. A crash report made as required by this chapter, or any report of the Authority made pursuant to any accident crash investigation made by it, is not open to public inspection and must not be disclosed to any person, except upon order of the Authority. The reports must not be admitted as evidence or used for any purpose in any action for damages growing out of any matter mentioned in the accident crash report or report of any such investigation.

Sec. 142. NRS 706.303 is hereby amended to read as follows:

706.303 The Authority shall adopt regulations requiring all operators of horse-drawn vehicles subject to its regulation and supervision to maintain a contract of insurance against liability for injury to persons and damage to property for each such vehicle. The amounts of coverage required by the regulations:

1. Must not exceed a total of:
   (a) For bodily injury to or the death of one person in any one accident crash, $250,000;
   (b) Subject to the limitations of paragraph (a), for bodily injury to or death of two or more persons in any one accident crash, $500,000; and
   (c) For injury to or destruction of property in any one accident crash, $50,000; or

2. Must not exceed a combined single-limit for bodily injury to one or more persons and for injury to or destruction of property in any one accident crash, $500,000.

Sec. 143. NRS 706.305 is hereby amended to read as follows:

706.305 The Authority shall adopt regulations requiring all operators of taxicabs subject to its regulation and supervision to maintain a contract of insurance against liability for injury to persons and damage to property for each taxicab. The amounts of coverage required by the regulations:

1. Must not exceed a total of:
   (a) For bodily injury to or the death of one person in any one accident crash, $250,000;
   (b) Subject to the limitations of paragraph (a), for bodily injury to or death of two or more persons in any one accident crash, $500,000; and
   (c) For injury to or destruction of property in any one accident crash, $50,000; or

2. Must not exceed a combined single-limit for bodily injury to one or more persons and for injury to or destruction of property in any one accident crash, $500,000.
Sec. 144. NRS 706.3056 is hereby amended to read as follows:

706.3056 1. In lieu of the insurance against liability required by the regulations adopted pursuant to NRS 706.305, an operator of a taxicab may deposit with the Department:
(a) Any security in the amount of $500,000; or
(b) An amount equal to 110 percent of the average annual costs of claims incurred by the operator for [accidents] crashes involving motor vehicles during the immediately preceding 3 years, whichever is less, but in no event may the deposit be less than $250,000. The security deposited may be in any form authorized by NRS 706.3058. The Department shall not accept a deposit unless it is accompanied by evidence that there are no unsatisfied judgments of any character against the depositor in the county where the depositor resides.
2. An operator of a taxicab depositing money with the Department pursuant to subsection 1, shall authorize payments from the deposit in the amounts and under the same circumstances as would be required in a contract of insurance against liability which is in compliance with the regulations adopted pursuant to NRS 706.305.
3. Any security deposited must be used to satisfy any judgment obtained against the depositor which is final and has not been paid within 30 days after the date of the judgment, unless otherwise ordered by the court issuing the judgment. A depositor, within 24 hours after receiving notice that the security has been used to satisfy a judgment obtained against the depositor, shall deposit with the Department an amount which is necessary to maintain with the Department the amount required by subsection 1. The failure to maintain the full amount required by subsection 1 is a ground for the cancellation of the depositor’s certificate of self-insurance.
4. Any money collected by the Department pursuant to subsection 1 must be deposited with the State Treasurer for credit to a separate account in the State General Fund and used for payments authorized pursuant to subsection 2 or to refund money paid by an operator of a taxicab who is no longer participating in a program of self-insurance.

Sec. 145. NRS 706.351 is hereby amended to read as follows:

706.351 1. It is unlawful for:
(a) A fully regulated carrier to furnish any pass, frank, free or reduced rates for transportation to any state, city, district, county or municipal officer of this State or to any person other than those specifically enumerated in this section.
(b) Any person other than those specifically enumerated in this section to receive any pass, frank, free or reduced rates for transportation.
2. This section does not prevent the carriage, storage or hauling free or at reduced rates of passengers or property for charitable organizations or
purposes for the United States, the State of Nevada or any political subdivision thereof.

3. This chapter does not prohibit a fully regulated common carrier from giving free or reduced rates for transportation of persons to:
   (a) Its own officers, commission agents or employees, or members of any profession licensed under title 54 of NRS retained by it, and members of their families.
   (b) Inmates of hospitals or charitable institutions and persons over 60 years of age.
   (c) Persons with physical or mental disabilities who present a written statement from a physician to that effect.
   (d) Persons injured in accidents or motor vehicle crashes and physicians and nurses attending such persons.
   (e) Persons providing relief in cases of common disaster.
   (f) Attendents of livestock or other property requiring the care of an attendant, who must be given return passage to the place of shipment, if there is no discrimination among shippers of a similar class.
   (g) Officers, agents, employees or members of any profession licensed under title 54 of NRS, together with members of their families, who are employed by or affiliated with other common carriers, if there is an interchange of free or reduced rates for transportation.
   (h) Indigent, destitute or homeless persons when under the care or responsibility of charitable societies, institutions or hospitals, together with the necessary agents employed in such transportation.
   (i) Students of institutions of learning, including, without limitation, homeless students, whether the free or reduced rate is given directly to a student or to the board of trustees of a school district on behalf of a student.
   (j) Groups of persons participating in a tour for a purpose other than transportation.

4. This section does not prohibit common motor carriers from giving free or reduced rates for the transportation of property of:
   (a) Their officers, commission agents or employees, or members of any profession licensed under title 54 of NRS retained by them, or pensioned former employees or former employees with disabilities, together with that of their dependents.
   (b) Witnesses attending any legal investigations in which such carriers are interested.
   (c) Persons providing relief in cases of common disaster.
   (d) Charitable organizations providing food and items for personal hygiene to needy persons or to other charitable organizations within this State.
5. This section does not prohibit the Authority from establishing reduced rates, fares or charges for specified routes or schedules of any common motor carrier providing transit service if the reduced rates, fares or charges are determined by the Authority to be in the public interest.

6. Only fully regulated common carriers may provide free or reduced rates for the transportation of passengers or household goods, pursuant to the provisions of this section.

7. As used in this section, “employees” includes:
   (a) Furloughed, pensioned and superannuated employees.
   (b) Persons who have become disabled or infirm in the service of such carriers.
   (c) Persons who are traveling to enter the service of such a carrier.

Sec. 146. NRS 706.4479 is hereby amended to read as follows:

706.4479 1. If a motor vehicle is towed at the request of someone other than the owner, or authorized agent of the owner, of the motor vehicle, the operator of the tow car shall, in addition to the requirements set forth in the provisions of chapter 108 of NRS:
   (a) Notify the registered and legal owner of the motor vehicle by certified mail not later than 21 days after placing the motor vehicle in storage if the motor vehicle was towed at the request of a law enforcement officer following an accident involving the motor vehicle or not later than 15 days after placing any other vehicle in storage:
      (1) Of the location where the motor vehicle is being stored;
      (2) Whether the storage is inside a locked building, in a secured, fenced area or in an unsecured, open area;
      (3) Of the charge for towing and storage;
      (4) Of the date and time the vehicle was placed in storage;
      (5) Of the actions that the registered and legal owner of the vehicle may take to recover the vehicle while incurring the lowest possible liability in accrued assessments, fees, penalties or other charges; and
      (6) Of the opportunity to rebut the presumptions set forth in NRS 487.220 and 706.4477.  
       (b) If the identity of the registered and legal owner is not known or readily available, make every reasonable attempt and use all resources reasonably necessary, as evidenced by written documentation, to obtain the identity of the owner and any other necessary information from the agency charged with the registration of the motor vehicle in this State or any other state within:
          (1) Twenty-one days after placing the motor vehicle in storage if the motor vehicle was towed at the request of a law enforcement officer following an accident involving the motor vehicle; or
          (2) Fifteen days after placing any other motor vehicle in storage.
The operator shall attempt to notify the owner of the vehicle by certified mail as soon as possible, but in no case later than 15 days after identification of the owner is obtained for any motor vehicle.

2. If an operator includes in the operator’s tariff a fee to be charged to the registered and legal owner of a vehicle for the towing and storage of the vehicle, the fee may not be charged:
   (a) For more than 21 days after placing the motor vehicle in storage if the motor vehicle was towed at the request of a law enforcement officer following a crash involving the motor vehicle; or
   (b) For more than 15 days after placing any other vehicle in storage,
   unless the operator complies with the requirements set forth in subsection 1.

3. If a motor vehicle that is placed in storage was towed at the request of a law enforcement officer following a crash involving the motor vehicle or after having been stolen and subsequently recovered, the operator shall not:
   (a) Satisfy any lien or impose any administrative fee or processing fee with respect to the motor vehicle for the period ending 4 business days after the date on which the motor vehicle was placed in storage; or
   (b) Impose any fee relating to the auction of the motor vehicle until after the operator complies with the notice requirements set forth in NRS 108.265 to 108.367, inclusive.

Sec. 147. NRS 706.4487 is hereby amended to read as follows:

706.4487 The Legislature hereby finds and declares that:

1. Towing a vehicle, either after a crash or after the vehicle is stolen and subsequently recovered, to a vehicle storage lot designated by the insurer of the vehicle will result in the placement of vehicle storage lots in more locations, as insurance companies will designate as many vehicle storage lots as are necessary to provide coverage throughout the county, thus enhancing safety by limiting both the time and distance that a tow car is traveling with a towed vehicle.

2. Authorizing insurance companies to designate vehicle storage lots will enhance safety by ensuring that the vehicles towed thereto are stored in locations which:
   (a) Guarantee safe access to the vehicles by their owners; and
   (b) Protect the property of the owners of the vehicles, including, without limitation, the vehicles themselves.

3. The provisions of NRS 706.4489 constitute an exercise of the safety regulatory authority of this State with respect to motor vehicles.
Sec. 148. NRS 706.4489 is hereby amended to read as follows:

706.4489  1. An insurance company may designate one or more vehicle storage lots to which all vehicles that are towed at the request of a law enforcement officer:

(a) Following an accident; a crash; or
(b) Following recovery after having been stolen,

and which are insured by that insurance company must be towed pursuant to subsection 2. The designation of a vehicle storage lot must be provided in writing by the insurance company, its representative or the owner or operator of the vehicle storage lot to all providers of towing services that have obtained a certificate of public convenience and necessity and operate in the same geographical area in which the designated vehicle storage lot is situated.

2. If a law enforcement officer requests that an operator of a tow car tow a vehicle following an accident a crash or following recovery after having been stolen and the vehicle is not otherwise subject to impoundment, the law enforcement officer shall make a good faith effort to determine the identity of the insurance company that provides coverage for the owner of the vehicle. If the law enforcement officer determines the identity of the insurance company, he or she shall inform the operator of the tow car of the identity of the insurance company. If the operator of the tow car:

(a) Is informed by a law enforcement officer of the identity of the insurance company that provides coverage for the owner of the vehicle; or  
(b) Otherwise determines the identity of the insurance company that provides coverage for the owner of the vehicle,

and the insurance company has designated a vehicle storage lot pursuant to subsection 1, the operator of the tow car shall tow the vehicle to the designated vehicle storage lot unless the owner of the vehicle or a representative of the insurance company has directed otherwise.

3. If an operator of a tow car fails to tow a vehicle to the designated vehicle storage lot pursuant to subsection 2, the operator of the tow car shall:

(a) Forfeit the charge for towing and storage of the vehicle; and
(b) Tow the vehicle free of charge to the vehicle storage lot designated by the insurance company or its representative not later than 24 hours after receiving a demand, which must be made in writing or by electronic mail, from the insurance company or its representative.

4. The owners of a vehicle storage lot designated by an insurance company pursuant to subsection 1 shall agree in writing to indemnify the relevant law enforcement agencies and their officers, employees, agents and representatives from any liability relating to the towing of a vehicle insured by the designating insurance company and to the storing of the vehicle at the vehicle storage lot if the law enforcement officer who requested the towing...
of the vehicle made a good faith effort to comply with the provisions of subsection 2.

5. A vehicle storage lot must:
   (a) Maintain adequate, accessible and secure storage within the State of Nevada for any vehicle that is towed to the vehicle storage lot;
   (b) Comply with all standards a law enforcement agency may adopt pursuant to NRS 706.4485 to protect the health, safety and welfare of the public;
   (c) Comply with all local laws and ordinances applicable to that business, including, without limitation, local laws and ordinances relating to business licenses, zoning, building and fire codes, parking, paving, lights and security; and
   (d) If the vehicle storage lot is a salvage pool as that term is defined in NRS 487.400, comply with all applicable requirements imposed pursuant to NRS 487.400 to 487.510, inclusive.

6. If a vehicle storage lot has rates and charges that have been approved by the Authority for the storage of a vehicle, the vehicle storage lot is not required to assess those rates and charges for the storage of a vehicle that is towed to the vehicle storage lot in accordance with this section, but may not assess a rate or charge in excess of those approved rates and charges. If a vehicle storage lot does not have rates and charges that have been approved by the Authority, it may not assess a rate or charge in excess of the rates and charges for the storage of a vehicle that have been approved by the law enforcement agency that requested the tow. If the requesting law enforcement agency does not have approved rates and charges, the vehicle storage lot may not assess a rate or charge in excess of the rates and charges for the storage of a vehicle that have been approved by the largest law enforcement agency in the county. An operator of a tow car who tows a vehicle to a vehicle storage lot pursuant to this section:

   (b) “Vehicle” has the meaning ascribed to it in NRS 706.146 and includes all terrain vehicles and boats.
   (c) “Vehicle storage lot” means a business which, for a fee, stores vehicles that are towed at the request of a law enforcement officer following an accident or following recovery after having been stolen and includes, without limitation, a salvage pool, as that term is defined in NRS 487.400, which operates a vehicle storage lot in accordance with the provisions of this section. The term does not include a salvage pool that has not elected to operate a vehicle storage lot in accordance with the provisions of this section and is operating within the scope of its authority pursuant to NRS 487.400 to 487.510, inclusive.

Sec. 150. 1. When the next reprint of the Nevada Revised Statutes is prepared by the Legislative Counsel, the Legislative Counsel shall revise any provisions of any bill or resolution enacted during the 78th Regular Session of the Nevada Legislature which uses the term “accident” as that term is
replaced or amended pursuant to the provisions of this act to cause the term to be replaced or amended in the manner provided in this act.

2. The Legislative Counsel shall, in preparing supplements to the Nevada Administrative Code, make such changes as necessary so that the term “accident” is replaced with the term “crash” or “motor vehicle crash,” or the term “accident” is amended by adding the term “or motor vehicle crash,” as applicable, as provided for in this act.

Sec. 150.5. 1. This act shall be construed as making amendments to provisions of state law for the purpose of substituting the term “crash,” or a variation of that term, for the term “accident,” or a variation of that term, when used in reference to motor vehicles without any intent of the Nevada Legislature to change the coverage, eligibility, liability, penalties, rights or responsibilities conferred by or otherwise resulting from the amendatory provisions of this act.

2. Any judicial interpretation of a state law that is rendered, issued or entered before January 1, 2016, and which includes an interpretation of the term “accident,” or a variation of that term, which is amended by or as a result of this act to refer instead to the term “crash,” or a variation of that term, shall be deemed to have the same meaning as though the term had remained unchanged.

Assemblyman Wheeler moved the adoption of the amendment.

Remarks by Assemblymen Wheeler and Carlton.

Assemblyman Wheeler:
Amendment 808 makes two changes to Senate Bill 188. It provides that for purposes of the Nevada Insurance Code, title 57 of NRS, the terms “accident” and “crash” as they are used in reference to motor vehicles have the same meaning. It also provides that the amendatory provisions of the bill shall be construed as nonsubstantive and clarifies that it is not the intent of the Nevada Legislature to modify any existing application, construction, or interpretation of any statute which has been so amended.

Assemblywoman Carlton:
I am curious about why we would change the language but not have the language be the same in the insurance policies. I know we are saying we are going to call it one thing and the insurance industry can call it another, but title 57 is already confusing enough as it is. I get complaints about it from my constituents all the time. I just got a phone call last week about somebody who was totally confused about their car insurance. So to have the statutory language say one thing and the insurance policy say another—if we are going to have the expense at the state to change all the NRS, why would we not ask the folks upon the issuance of a new policy to have the same language that the state is using?
Assemblyman Wheeler:
The idea of not changing the language is for past policies and documents. In the future, the insurance companies have ensured that they will actually change the language, but they do not wish to reprint all of the materials they have out there right now as the cost would be prohibitive.

Assemblywoman Carlton:
Thank you, Mr. Speaker, my point exactly. We are going to have to reprint a bunch of stuff, too.

The following amendment was proposed by the Committee on Transportation:
Amendment No. 809.
AN ACT relating to drivers’ licenses; revising provisions governing the submission of documents required to declare veteran status when applying for or renewing an instruction permit, driver’s license, commercial driver’s license or identification card; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, a veteran who has been honorably discharged from the Armed Forces of the United States may have a designation of that veteran status placed on his or her instruction permit, driver’s license, or identification card. Such a veteran must, upon application for initial issuance or renewal of the permit or license, submit to the Department of Motor Vehicles a copy of his or her DD Form 214, “Certificate of Release or Discharge from Active Duty,” issued by the United States Department of Defense, indicating that he or she has been honorably discharged from the Armed Forces of the United States. (NRS 483.292, 483.852)
Sections 1.1 and 1.3 of this bill remove the requirement to specifically provide a DD Form 214 and instead provide that the veteran must submit evidence satisfactory to the Department that he or she has been honorably discharged from the Armed Forces of the United States to have a designation of that veteran status placed on his or her instruction permit, driver’s license, or identification card. Senate Bill No. 223.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 721.

AN ACT relating to contractors; revising provisions relating to the liability of a prime contractor for indebtedness incurred by a subcontractor for labor costs; revising provisions governing the statute of limitations to bring an action against a prime contractor for the recovery of wages or benefits due to an employee of a subcontractor; revising provisions relating to mechanics’ and materialmen’s lien claimants; requiring an administrator of a Taft-Hartley trust that does not receive a benefit payment required to be made to the trust by a contractor or subcontractor to provide notice to the contractor and subcontractor that the benefit payment has not been received; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law makes an original contractor liable for any indebtedness incurred by a subcontractor for labor costs, including benefits payable to a trust established by a collective bargaining unit. (NRS 608.150) Sections 1 and 3 of this bill provide that a prime contractor is not liable for the labor costs of a subcontractor to the extent those costs are: (1) interest, liquidated damages, attorney’s fees or costs resulting from a subcontractor’s failure to pay contributions or other payments to, or on behalf of, an employee; or (2) any amounts for which the prime contractor did not receive adequate notice in the manner that section 5 of this bill requires. Section 2 of this bill reduces the statute of limitations period applicable to commencing an action against a
prime contractor for the recovery of wages or benefits due to an employee of a subcontractor.

Existing law also provides that a mechanics’ or materialmen’s lien claimant must provide a notice of right to lien to an owner of property upon which work has been performed unless the claimant is a person who only performed labor on the project. (NRS 108.245) **Section 4** of this bill requires a prime contractor or subcontractor who participates in a health or welfare fund, or other plan for the benefit of employees, to provide to the fund or plan notice of the name and location of the project upon the commencement of work on a project. In addition, **section 4** excludes from the exemption to the notice provisions of NRS 108.245 an express benefit trust which receives a portion of the compensation paid to a laborer.

**Section 5** requires an administrator of a Taft-Hartley trust that does not receive a benefit payment required to be made to the trust by a general contractor or subcontractor, within [60] **75** days after the required payment is deemed delinquent, to provide notice to the general contractor and subcontractor that the benefit payment has not been received.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** NRS 608.150 is hereby amended to read as follows:

608.150 1. Every prime contractor making or taking any contract in this State for the erection, construction, alteration or repair of any building or structure, of improvement, shall assume and is liable for the indebtedness for labor incurred by any subcontractor or any contractors acting under, by or for the prime contractor in performing any labor, construction or other work included in the subject of the prime contract, for labor, and for the requirements imposed by chapters 616A to 617, inclusive, of NRS.

2. The provisions of subsection 1 do not require a prime contractor to assume or be liable for any liability of a subcontractor or other contractor for any penalty, including, without limitation, interest, liquidated damages, attorney’s fees or costs for the failure of the subcontractor or other contractor to make any contributions or other payments under any other law or agreement, including, without limitation, to a health or welfare fund or any other plan for the benefit of employees in accordance with a collective bargaining agreement.

3. The provisions of subsection 1 do not require a prime contractor to assume or be liable for any liability of a subcontractor or other contractor for any amount for which the prime contractor did not receive proper notice in accordance with section 5 of this act.
4. It is unlawful for any prime contractor or any other person to fail to comply with the provisions of subsection 1, or to attempt to evade the responsibility imposed thereby, or to do any other act or thing tending to render nugatory the provisions of this section.

5. The district attorney of any county wherein the defendant may reside or be found shall institute civil proceedings against any such original prime contractor failing to comply with the provisions of this section in a civil action for the amount of all wages and benefits that may be owing or have accrued as a result of the failure of any subcontractor acting under the original prime contractor, and any property of the original prime contractor, not exempt by law, is subject to attachment and execution for the payment of any judgment that may be recovered in any action under the provisions of this section.

6. As used in this section, “prime contractor” has the meaning ascribed to it in NRS 108.22164.

Sec. 2. NRS 11.209 is hereby amended to read as follows:

11.209  1. No action against a principal prime contractor for the recovery of wages due an employee of a subcontractor or contributions or premiums required to be made or paid on account of the employee may be commenced more than:
   (a) Two years, if the principal prime contractor is located in Nevada;
   (b) Three years, if the principal prime contractor is located outside this state, after the date the employee should have received those wages from or those contributions or premiums should have been made or paid by the subcontractor.

2. No action against a principal prime contractor for the recovery of benefits due an employee of a subcontractor may be commenced more than:
   (a) Three years, if the principal contractor is located in Nevada; or
   (b) Four years, if the principal contractor is located outside this state, after the date the employee should have received those benefits from the subcontractor.

3. As used in this section, “prime contractor” has the meaning ascribed to it in NRS 108.22164.

Sec. 3. NRS 108.2214 is hereby amended to read as follows:

108.2214  1. “Lien claimant” means any person who provides work, material or equipment with a value of $500 or more to be used in or for the construction, alteration or repair of any improvement, property or work of improvement. The term includes, without limitation, every artisan, builder, contractor, laborer, lessor or renter of equipment, materialman, miner, subcontractor or other person who provides work, material or equipment, and
any person who performs services as an architect, engineer, land surveyor or geologist, in relation to the improvement, property or work of improvement.

2. As used in this section, “laborer” includes, without limitation, an express trust fund to which any portion of the total compensation of a laborer, including any fringe benefit, must be paid pursuant to an agreement with that laborer or the collective bargaining agent of that laborer. For the purposes of this subsection, “fringe benefit” does not include any interest, liquidated damages, attorney’s fees, costs or other penalties that may be incurred by the employer of the laborer for failure to pay any such compensation under any law or contract.

Sec. 4. NRS 108.245 is hereby amended to read as follows:

108.245 1. Except as otherwise provided in subsection 5, every lien claimant, other than one who performs only labor, who claims the benefit of NRS 108.221 to 108.246, inclusive, shall, at any time after the first delivery of material or performance of work or services under a contract, deliver in person or by certified mail to the owner of the property a notice of right to lien in substantially the following form:

NOTICE OF RIGHT TO LIEN

To: .................................................................
(Owner’s name and address)

The undersigned notifies you that he or she has supplied materials or equipment or performed work or services as follows:

............................................................................................................

(G e n e r a l  d e s c r i p t i o n  o f  materials, equipment, work or services)

for improvement of property identified as (property description or street address) under contract with (general contractor or subcontractor). This is not a notice that the undersigned has not been or does not expect to be paid, but a notice required by law that the undersigned may, at a future date, record a notice of lien as provided by law against the property if the undersigned is not paid.

..................................................
(Claimant)

A subcontractor or equipment or material supplier who gives such a notice must also deliver in person or send by certified mail a copy of the notice to the prime contractor for information only. The failure by a subcontractor to deliver the notice to the prime contractor is a ground for disciplinary proceedings against the subcontractor under chapter 624 of NRS but does not invalidate the notice to the owner.
2. Such a notice does not constitute a lien or give actual or constructive notice of a lien for any purpose.
3. No lien for materials or equipment furnished or for work or services performed, except labor, may be perfected or enforced pursuant to NRS 108.221 to 108.246, inclusive, unless the notice has been given.
4. The notice need not be verified, sworn to or acknowledged.
5. A prime contractor or other person who contracts directly with an owner or sells materials directly to an owner is not required to give notice pursuant to this section.
6. A lien claimant who is required by this section to give a notice of right to lien to an owner and who gives such a notice has a right to lien for materials or equipment furnished or for work or services performed in the 31 days before the date the notice of right to lien is given and for the materials or equipment furnished or for work or services performed anytime thereafter until the completion of the work of improvement.
7. Upon commencement of work on a project, any prime contractor or subcontractor participating in a health or welfare fund or any other plan for the benefit of employees is required to notify such fund or plan of the name and location of the project so that the fund or plan may protect potential lien rights under NRS 108.221 to 108.146, inclusive.
8. As used in this section, “one who performs only labor” does not include an express trust fund to which any portion of the total compensation of a laborer, including, without limitation, any fringe benefit, must be paid pursuant to an agreement with that laborer or the collective bargaining agent of that laborer.

Sec. 5. Chapter 338 of NRS is hereby amended by adding thereto a new section to read as follows:
1. If an administrator of a Taft-Hartley trust which is formed pursuant to 29 U.S.C. § 186(c)(5) does not receive a benefit payment owed to the trust within 60 days after the date on which the payment is deemed delinquent, the administrator shall provide a notice of the delinquency to the general contractor and, if applicable, the subcontractor, who is responsible for the benefit payment. The notice of delinquency must be provided in the manner set forth in subsections 2, 3 and 4.
2. The notice required pursuant to subsection 1 must be given to the general contractor and, if applicable, the subcontractor, who is responsible for the delinquent benefit payment, within 15 days after the expiration of the 60-day period described in subsection 1.
3. The notice required pursuant to subsection 1 must be given to the general contractor and, if applicable, the subcontractor, who is responsible for the delinquent benefit payment, by electronic mail, telephone and:
(a) Personal delivery; or
(b) Registered or certified mail, return receipt requested, to the last known address of the general contractor and, if applicable, the subcontractor.

4. The notice required pursuant to subsection 1 must include, without limitation:
   (a) The amount owed;
   (b) The name and address of the general contractor and, if applicable, the subcontractor, who is responsible for the delinquent benefit payment; and
   (c) A demand for full payment of the amount not paid.

5. For the purposes of this section, “general contractor” includes a prime contractor.

Assemblyman Ellison:
The amendment removes most of the language of the bill and places an Advisory Question on the General Election Ballot in the City of Ely on June 6, 2017. The Advisory Question asks, “Should the governments of White Pine County and the City of Ely combine services?”

Amendment adopted.
Bill ordered reprinted, reengrossed and to third reading.

Senate Bill No. 254.
Bill read second time.
The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 823.
AN ACT relating to construction; amending the amount of retainage authorized on public works; amending the retention amount and certain conditions relating to that amount authorized on private works of improvement; extending existing provisions related to retainage; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law requires a public body undertaking a public work to withhold as a retainage at least 5 percent from progress payments made to a contractor during the first half of the project. After completion of half of the project, the amount of the retainage becomes optional and any remaining progress payments or withheld retainage may be paid. (NRS 338.515) Section 2 of this bill requires the amount of the retainage to be 5 percent.

Existing law provides that in private construction projects, not more than 10 percent of progress payments may be withheld from such payments as a retention amount by an owner to a contractor and from a contractor to a subcontractor, and that such funds must be paid upon satisfaction of certain criteria including the issuance of a certificate of occupancy by a building inspector. (NRS 624.609, 624.620, 624.624) Sections 3 and 5 of this bill
reduce the retention amount allowed on private construction projects from 10 percent to 5 percent.

After completion of 50 percent of the project, except for horizontal construction projects, such as highways and bridges, which are subject to the 10 percent retainage limit throughout the duration of the project. Section 2.7 of this bill provides that an owner or higher-tiered contractor may increase the reduced retainage back to not more than 10 percent under certain circumstances. Section 4 of this bill requires that retained funds be paid upon the issuance of a temporary certificate of occupancy. Finally, section 6 of this bill repeals the expiration of certain provisions of existing law pertaining to retainage in public works which are set to expire on July 1, 2015. (NRS 338.515, 338.530, 338.555, 338.560, 338.595)

   (2) From each of the subcontractor’s subcontractors and suppliers who performed work or provided material for the portion of the work, a release of his or her claim for a mechanic’s lien for the portion of the work; and

(e) The amount of the retainage which the public body pays is in proportion to the portion of the work which the subcontractor has performed.

4. If, after determining in accordance with subsection 2 whether satisfactory progress is being made in the work, the public body continues to withhold retainage from remaining progress payments:
   (a) If the public body does not withhold any amount pursuant to NRS 338.525:
      (1) The public body may not withhold more than 2.5 percent of the amount of any progress payment; and
      (2) Before withholding any amount pursuant to subparagraph (1), the public body must pay to the contractor 50 percent of the amount of any retainage that was withheld from progress payments pursuant to subsection 1; or

If the
amount due to a contractor pursuant to this subsection for any quarter is less than $500, the public body may hold the interest until:
   (a) The end of a subsequent quarter after which the amount of interest due is $500 or more;
   (b) The end of the fourth consecutive quarter for which no interest has been paid to the contractor; or
   (c) The amount withheld under the contract is due pursuant to NRS 338.520, whichever occurs first.

7. If the Labor Commissioner has reason to believe that a worker is owed wages by a contractor or subcontractor, the Labor Commissioner may require the public body to withhold from any payment due the contractor under this section and pay the Labor Commissioner instead, an amount equal to the amount the Labor Commissioner believes the contractor owes to the worker. This amount must be paid by the Labor Commissioner to the worker if the matter is resolved in the worker’s favor, otherwise it must be returned to the public body for payment to the contractor.

Sec. 3. NRS 624.609 is hereby amended to read as follows:

624.609  1. Except as otherwise provided in subsections 2 and 4 and subsection 4 of NRS 624.622, if an owner of real property enters into a written or oral agreement with a prime contractor for the performance of work or the provision of materials or equipment by the prime contractor, the owner must:
   (a) Pay the prime contractor on or before the date a payment is due pursuant to a schedule for payments established in a written agreement; or
   (b) If no such schedule is established or if the agreement is oral, pay the prime contractor within 21 days after the date the prime contractor submits a request for payment.

2. If an owner has complied with subsection 3, the owner may:
   (a) Withhold from any payment to be made to the prime contractor:
      (1) A retention amount that, if the owner is authorized to withhold a retention amount pursuant to the agreement, must not exceed 5 percent of the amount of the payment to be made; [until 50 percent of the work required by the contract has been performed;]

the owner is liable for the prime contractor or his or her lower-tiered subcontractors in accordance with chapter 608, 612, 616A to 616D, inclusive, or 617 of NRS. 

(b) Require, as a condition precedent to the payment of any unpaid amount under the agreement, that lien releases be furnished by the prime contractor and his or her lower-tiered subcontractors and suppliers in accordance with the provisions of paragraphs (a) and (c) of subsection 5 of NRS 108.2457.

3.    (a) Pay the amount withheld by the owner for that condition or reason for the withholding; or
   (b) Object to the scope and manner of the correction of the condition or reason for the withholding in a written statement that sets forth the reason for the objection and complies with subsection 3. If the owner objects to the scope and manner of the correction of a condition or reason for the withholding, the owner shall nevertheless pay to the prime contractor, along with the payment to be made pursuant to the prime contractor’s next payment request, the amount withheld for the correction of the condition or reason for the withholding to which the owner no longer objects.
5. The partial occupancy or availability of a building requires payment in direct proportion to the value of the part of the building which is partially occupied or partially available. 3. If, pursuant to subparagraph (2) or (3) of paragraph (a) of subsection 2 or paragraph (b) of subsection 2, a higher-tiered contractor intends to withhold any amount from a payment to be made to a lower-tiered subcontractor, the higher-tiered contractor must give, on or before the date the payment is due, a written notice to the lower-tiered subcontractor of any amount that will be withheld and give a copy of such notice to all reputed higher-tiered contractors and the owner. If a higher-tiered contractor receives a written notice from the lower-tiered subcontractor of the correction of a condition or reason for the withholding pursuant to this paragraph, the higher-tiered contractor shall:

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 847.

AN ACT relating to public welfare; revising the amount and type of training that an employee of a child care facility is required to complete; setting forth certain requirements relating to services performed by an independent contractor; requiring a child care facility to request certain reports; revising provisions concerning the frequency and timing of certain background investigations required to be conducted by the Division of Public and Behavioral Health of the Department of Health and Human Services; to grant priority in admission to the children of certain persons who are serving or have served in the Armed Forces of the United States; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each person who is employed in a child care facility, other than a facility that provides care for ill children, to: (1) complete 15 hours of training annually if the facility provides care for more than 5 children but less than 12 children, and (2) on or after January 1, 2016, complete at least 24 hours training annually if the facility provides care for more than 12 children. Existing law provides that at least 2 hours of the required training must be devoted to lifelong wellness, health and safety of children (NRS 432A.1775). Section 3 of this bill requires each person who is employed in a child care facility, other than a facility that provides care for ill children, to complete 24 hours of training annually. Section 3 also requires that at least 12 hours of that training be devoted to the care, education and safety of children that is: (1) specific to the age group served by the child care facility for which the person is employed, and (2) approved by the State Board of Health by regulation. Section 1.3 of this bill requires each person who is employed in a child care facility to complete an additional 3 hours of training in the recognition and reporting of child abuse and neglect.

Existing law defines a "child care facility" to include, without limitation, an on-site establishment that provides care for five or more children for
compensation, a facility operated by a place of business to provide care for the children of its employees, a child care institution or an outdoor youth program. (NRS 432A.024) Section 1.7 of this bill requires a licensee of a child care facility to ensure that an employee of the child care facility is in the presence of an independent contractor retained by the child care facility during any period in which the independent contractor is performing any services at the child care facility when a child is present. Existing law provides for the licensure of certain child care facilities. (NRS 432A.131-432A.220) As part of the process of obtaining a license to operate a child care facility, the Division of Public and Behavioral Health of the Department of Health and Human Services is required to conduct a background check of certain employees, residents and participants of facilities and prohibit unsupervised contact with a child pending the results of a background investigation. The Division is also required to conduct a background investigation every 5 years after the initial investigation. (NRS 432A.170, 432A.175) Section 2 of this bill requires the Division to conduct a background investigation of those employees: (1) not later than 3 days after the employee is hired and before the employee has any direct contact with any child at the child care facility; and (2) every 2 rather than 5 years after the initial investigation. (NRS 432A.024, 432A.0275, 432A.131-432A.220) This bill requires a child care facility to admit, before granting admission to any other child, a child who has: (1) a parent or guardian who is currently serving on active duty in the Armed Forces of the United States; (2) a parent who was killed or died as a direct result of injuries received while serving honorably on active duty in the Armed Forces of the United States; or (3) a parent who is currently or was recently missing in action or a prisoner of war. If a child care facility does not comply with the requirement for priority in admission to such children, the facility is subject to suspension or revocation of its license to operate. (NRS 432A.190)

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 739.
AN ACT relating to local law enforcement agencies; revising provisions relating to the powers and duties of constables and deputy constables; exempting from certain provisions the sale of liquor by a sheriff or constable at a sale under execution; authorizing a constable to accept payment of certain fees by credit card, debit card or electronic transfer of money; authorizing a constable to require the payment to the constable of a convenience fee for the acceptance of payments by credit card, debit card or electronic transfer of money; revising the amount of certain fees which a constable is entitled to charge and collect; authorizing the appointment of clerks for the constable of a township; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Under existing law, the sheriff of a county may authorize a constable to receive and execute the process, writs or warrants of courts of justice, judicial officers and coroners that have been delivered to the sheriff. (NRS 248.100) Sections 1-8 of this bill provide that such orders may be delivered directly to a constable who then must execute the orders.
Existing law requires the constable and each deputy constable in a township whose population is 15,000 or more, or a township that has within its boundaries a city whose population is 15,000 or more, to be certified as a category I or II peace officer by the Peace Officers’ Standards and Training Commission. (NRS 258.007, 258.060, 258.070) Existing law also requires each constable to be a peace officer in his or her township and prohibits a constable or deputy constable from arresting any person while carrying out the duties of the office of a constable unless the constable or deputy is certified by the Commission as a category I or category II peace officer. Sections 10 and 12 of this bill instead require certification as a category II peace officer of the constable and each deputy constable of a township whose population: (1) is 100,000 or more, if the township is in a county whose population is 700,000 or more (currently Clark County); and (2) is 250,000 or more, if the township is in a county whose population is less than 700,000 (currently all counties other than Clark County).

Section 12.5 of this bill authorizes a board of county commissioners to appoint for the constable of a township a reasonable number of clerks and to fix the compensation of any clerks so appointed.

Section 13 of this bill provides that a constable or deputy constable has the powers of a peace officer: (1) for the discharge of duties that are prescribed by law; (2) for the purpose of arresting a person in certain circumstances who has committed or attempted to commit a public offense in the presence of the constable or deputy constable; (3) in an area that is within the limits of an incorporated city, for the additional purposes authorized by and with the consent of the chief of police of the city; and (4) in an area that is not within the limits of an incorporated city, for the additional purposes authorized by and with the consent of the sheriff of the county. Additionally, section 13 prohibits a constable or deputy constable from carrying a firearm in the performance of his or her duties unless: (1) the constable has adopted a written policy on the use of deadly force; and (2) a copy of the policy has been filed in the office of the appropriate county recorder; and (3) the constable and each deputy constable has received training regarding the policy. A constable or deputy constable authorized to carry a firearm pursuant to section 13 must receive training approved by the Commission in the use of firearms at least once every 6 months. Section 13 also requires a constable or deputy constable who wears a uniform in the performance of his or her duties to display prominently as part of that uniform a badge or nameplate clearly displaying the name or an identification number of the constable or deputy.

Existing law authorizes a constable who determines that a motor vehicle is not properly registered to issue a citation to the owner or driver, as appropriate, of the vehicle, and to charge and collect a fee of $100 from the
owner or driver. (NRS 258.070) **Section 13** authorizes a constable to charge and collect the fee only upon the imposition of punishment pursuant to NRS 482.385 on the person to whom the citation is issued.

**Section 15** of this bill increases certain fees to which constables are entitled for their services. **Section 15** also authorizes a board of county commissioners to provide by ordinance for the fee to which a constable is entitled for providing a service authorized by law for which no fee is established by statute.

Existing law provides that the amount of certain fees which a constable is entitled to charge and collect must be calculated on the basis of the miles necessarily and actually traveled in providing a service. (NRS 258.125) **Section 15** authorizes a board of county commissioners to provide by ordinance for a constable to charge and collect, at the option of the person paying the fee, a flat fee for those travel costs instead of a fee calculated on the basis of the miles traveled.

**Section 9** of this bill authorizes a constable to accept payment of fees by credit card, debit card or the electronic transfer of money and authorizes a constable to charge and collect a convenience fee for the acceptance of such forms of payment under certain circumstances.

Existing law generally authorizes the sale of liquor only under certain circumstances and only by a person who holds the appropriate license issued by the Department of Taxation. (Chapter 369 of NRS) **Sections 20-25** of this bill exempt from the licensure requirements of chapter 369 of NRS a sheriff or constable who sells or offers for sale liquor at a sale under execution. **Sections 20-25** also provide that a person licensed under chapter 369 of NRS is not prohibited from purchasing liquor at such a sale under execution.

Assemblyman Ellison moved the adoption of the amendment.
Remarks by Assemblymen Ellison, Kirkpatrick, Elliot Anderson, and
Benitez-Thompson.

ASSEMBLYMAN ELLISON:
The amendment expands certain duties of a constable for purposes authorized by the chief of
city, or the sheriff of a county for constables
located in unincorporated areas.

ASSEMBLYWOMAN KIRKPATRICK:
I want to ask the bill’s sponsor—we have had many bills over time about constables—when
you say expanding the duties, what are those? Are they going to become actual police officers
now as opposed to just going out and serving warrants? That is really what they were intended
to be, if you go back through the history. What will they be doing now? On page 7, line 41,
what does that mean specifically? To me it means they are equal to a sheriff, and I want to make
sure that is not what we are doing.

ASSEMBLYMAN ELLISON:
What this bill does is give them the right to serve papers and make arrests, but it does not give
them police powers. They can carry a weapon, but other than that, that is all they can do.

ASSEMBLYWOMAN KIRKPATRICK:
I have worked on constable legislation and followed it through. In the past when that has
happened and they have asked to be a category II, that expands the PERS [Public Employees’
Retirement System] liability as well. So is that what they will also be doing?

ASSEMBLYMAN ELLISON:
Yes, ma’am. There were two amendments that were proposed that did not go.

ASSEMBLYWOMAN KIRKPATRICK:
I just want to be sure because here we are trying to make changes to PERS and we are adding
to it. It affects heart and lung, it affects PERS, it gives them another set of categories. To my
colleague from Elko, we have tried not to expand it, so I just wanted to be clear what it was
before we vote tomorrow.

ASSEMBLYMAN ELLIOT ANDERSON:
I want to ask my colleague from Elko another question. Also on page 7, the amendment
strikes out language that says the written policy no longer has to be filed. So how would the
public know what the consent of the sheriff was and how would they know if the constables are
acting within their authority?
ASSEMBLYMAN ELLISON:
It looks to me like the constable still has to go through the chief of police or the sheriff. That is where the authority comes from. If there is any other information you need, I will have to pull the bill and go over it with you.

ASSEMBLYMAN ELLIOT ANDERSON:
I would appreciate if we could just get some clarity on how the public would know when the constable is within their agreement with the sheriff which would allow them all those other functions.

ASSEMBLYMAN ELLISON:
They are in some areas elected, so I will get that information and get back to you.

ASSEMBLYWOMAN BENITEZ-THOMPSON:
This question is also to the chair because we did so much work around constables last session in Government Affairs. On section 15 on page 8, it is about a 60 percent to 70 percent increase on some of the fees that they can collect. What I remember from last session is that some of our constables are some of the highest gross earning elected offices in the state. Some of them collect revenue off of these fees up to some pretty impressive numbers. I want to understand why we would allow them to increase the amount of fees they can collect, because I did not think there was really any financial hardship from what I remember in conversations last session.

ASSEMBLYMAN ELLISON:
These fees were adjusted, and I do not think they are going to increase. I will bring back both of these questions to you at the vote.

Senate Bill No. 307.
Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:
Amendment No. 796.

AN ACT relating to public office; revising provisions relating to the lobbying of State Legislators; revising provisions regulating gifts to public officers and candidates for public office; revising provisions governing financial disclosure statements [and reports of campaign contributions and expenses] filed by such public officers and candidates; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law in the Nevada Lobbying Disclosure Act (Lobbying Act) prohibits lobbyists from giving State Legislators or members of their immediate family or staff any gifts that exceed $100 in value in the aggregate in any calendar year and prohibits those persons from soliciting or accepting any such gifts. (NRS 218H.930) In defining the term “gift,” the Lobbying
Act excludes the cost of entertainment, including the cost of food or beverages, so there is no limit on the amount of entertainment expenditures lobbyists may make for State Legislators or members of their immediate family or staff. (NRS 218H.060) If a lobbyist makes such expenditures, the lobbyist must disclose the expenditures by filing a report with the Director of the Legislative Counsel Bureau. (NRS 218H.400)

In addition to the disclosures required by the Lobbying Act, existing law, commonly referred to as the Financial Disclosure Act, requires State Legislators and other state and local public officers and candidates to disclose and report gifts received in excess of an aggregate value of $200 from a donor during a calendar year on financial disclosure statements filed with the Secretary of State. (NRS 281.558-281.581) Unlike the Lobbying Act, the Financial Disclosure Act does not define the term “gift,” but it excludes certain types of gifts from the reporting requirements. (NRS 281.571)

In 2007, when the Commission on Ethics had the statutory authority to interpret the Financial Disclosure Act, it determined that the law did not require a public officer from a jurisdiction near the proposed Yucca Mountain nuclear waste project to report on his financial disclosure statement that a nuclear fuel reprocessing company working as a contractor on the project paid for certain travel, lodging and meal expenses for the public officer and his spouse to undertake an educational or informational trip to France to learn more about nuclear fuel reprocessing and nuclear emergency preparedness by touring reprocessing facilities operated by the company and meeting with French stakeholders, local leaders and emergency responders. The Commission found that the Legislature had not established what constitutes a gift for the purposes of existing law and that “[n]o evidence exists that the act of accepting an invitation from [the company], to visit its nuclear reprocessing facilities in France and traveling to Europe for that purpose, constitutes a gift.” (In re Phillips, CEO 06-23 (June 15, 2007))

By contrast, in the 2014 Financial Disclosure Statement Guide produced by the Office of the Secretary of State, the Guide includes as an example of a reportable gift “[t]ravel, lodging, food or registration expenses as part of a ‘fact-finding’ trip, which is part of the official or unofficial duties of a public officer, unless the expenses are paid by the candidate, [the] public officer, or the governmental agency that employs the public officer.” (Nev. Sec’y of State, Financial Disclosure Statement Guide, p. 5 (2014)) However, because this example in the Guide was not promulgated by the Office of the Secretary of State in a regulation adopted under the Nevada Administrative Procedure Act, it does not have the force and effect of law. (NRS 233B.040; State Farm Mut. Auto. Ins. v. Comm’r of Ins., 114 Nev. 535, 543-44 (1998); Labor Comm’r v. Littlefield, 123 Nev. 35, 39-43 (2007))
Sections 9 and 19 of this bill revise the Lobbying Act and the Financial Disclosure Act to establish a definition for the term “gift” that is similar for both acts. Sections 4 and 17 of this bill also establish a definition for the term “educational or informational meeting, event or trip” that is similar for both acts. Under this bill, a gift does not include an educational or informational meeting, event or trip, but this bill requires the disclosure of such educational or informational meetings, events or trips. Specifically, under sections 4, 8 and 11 of this bill, lobbyists are required to disclose any expenditures made for educational or informational meetings, events or trips provided to State Legislators, and under sections 17, 20 and 27 of this bill, public officers and candidates are required to disclose on their financial disclosure statements any educational or informational meetings, events or trips provided by interested persons having a substantial interest in the legislative, administrative or political action of the public officer or the candidate if elected.

Sections 9 and 12 of this bill prohibit lobbyists from knowingly or willfully giving gifts in any amount to State Legislators or members of their immediate family or staff, whether or not the Legislature is in a regular or special session. Those sections also prohibit State Legislators or members of their immediate family or staff from knowingly or willfully soliciting or accepting gifts in any amount from lobbyists, whether or not the Legislature is in a regular or special session.

Sections 2, 3, 15, 16, 18 and 21-33 of this bill revise the Lobbying Act and the Financial Disclosure Act to update and modernize the statutory language, remove redundant provisions and promote consistency between the acts.

Finally, existing law requires candidates and public officers to file reports with the Secretary of State disclosing contributions and campaign expenses greater than $100 by statutorily scheduled dates during an election year and to file such reports annually after nonelection years. (NRS 294A.120, 294A.200) The reports also must disclose information concerning certain types of loans and forgiveness of loans, contribution commitments, legal expenses, legal defense funds and contributions in the form of goods and services. (NRS 294A.128, 294A.160, 294A.286, 294A.362) Sections 35-39 of this bill retain the requirement to file such reports annually after nonelection years but require such reports to be filed monthly during an election year, not later than 15 days after the end of each month. Section 41 of this bill provides that the provisions of this bill apply to public officers and candidates beginning on January 1, 2016. However, section 40 of this bill states that the provisions of this bill do not apply to a financial disclosure statement that is filed by a public officer or candidate to report information for any period that ends before January 1, 2016. As a
result, although most public officers will be required to file a financial disclosure statement on or before January 15, 2016, which must disclose information for the 2015 calendar year, the provisions of this bill will not apply to the information that must be disclosed for the 2015 calendar year. (NRS 281.559, 281.561)

By contrast, most candidates for a public office in 2016 will be required to file a financial disclosure statement, not later than the 10th day after the last day to qualify as a candidate for the office, which must disclose information for: (1) the 2015 calendar year; and (2) the period between January 1, 2016, and the last day to qualify as a candidate for the office. (NRS 281.561) For these candidates, the provisions of this bill will not apply to the information that must be disclosed for the 2015 calendar year but will apply to the information that must be disclosed for the period between January 1, 2016, and the last day to qualify as a candidate for the office.

Assemblyman Stewart moved the adoption of the amendment.
Remarks by Assemblymen Stewart and Kirkpatrick.

Assemblyman Stewart:
Amendment 796 deletes the proposed language to require candidates to file monthly financial disclosure reports in an election year. It revises the definition of “member of the public officer’s or candidate’s household” to include individuals who live in the household and who are financially dependent on the public officer or candidate.

Assemblywoman Kirkpatrick:
This is a great bill. We have been trying to do this for a very long time. Too bad we did not go a little bit farther. I want to have some clarity. We had huge discussions last session and during the interim on the educational trips. Based on what we have relied on in the LCB, I see now that the educational trips are reportable, including the ones that we go to—NCSL [National Conference of State Legislatures] and CSG [Council of State Governments] to whom we pay dues. Is that correct? You have to itemize, as well, all of the individual dinners? I want to be clear because it was super controversial and everybody wants to do the right thing. I want to make sure what the legislative intent was.

Assemblyman Stewart:
To my colleague, it is my understanding that that is correct.

Assemblywoman Kirkpatrick:
I also want to understand, when you go to those nonprofit dinners, what is the fee that is expected to be counted on. For instance, if I buy a box of Girl Scout cookies, only a certain portion of it is deductible. Is it that amount or is it the face value of the item?

Assemblyman Stewart:
I do not think that was clearly identified in the bill. We will have to leave that up to interpretation later on, I guess.

Assemblywoman Kirkpatrick:
Before tomorrow’s vote, can we please clarify that because that was a big sticking point last time and during the interim. At least we could check with the Secretary of State or whoever or the bill’s sponsors to see what the legislative intent was and put it on the record. I believe everybody in this building wants to report, so as long as we can report the same and there is no ambiguity, we are all off to a great start.

Assemblyman Stewart:
I will clarify that. Thank you.

Amendment No. 824.

AN ACT relating to public works; disqualifying a contractor from being awarded a contract for a public work under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law authorizes the Labor Commissioner to impose an administrative penalty against a person who violates certain provisions related to contracts for public works in this State. (NRS 338.015) A person against whom such an administrative penalty is imposed may not be awarded a contract for a public work for a period of 3 years, and upon a second or subsequent offense, for a period of 5 years. (NRS 338.017) In addition to the prohibition on being awarded a contract for public works, such a person is also subject to the suspension of his or her contractor's license by the State Contractors' Board for the length of the prohibition. (NRS 624.300)
Under federal law, a contractor may be excluded for a period of time from receiving contracts from the Federal Government if the contractor is debarred. (48 C.F.R. §§ 9.400 et seq.)
This bill provides that, if a contractor is excluded for a period of time from receiving contracts from the Federal Government as a result of being debarred, the contractor may not be awarded a contract for a public work in this State for the longer of: (1) 4 years after the date on which the Labor Commissioner becomes aware of the exclusion; or (2) the length of the term of debarment.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 338.017 is hereby amended to read as follows:

338.017 1. If any administrative penalty is imposed pursuant to this chapter against a person for the commission of an offense (1) that, that person, and the corporate officers, if any, of that person, may not be awarded a contract for a public work:
(a) For the first offense, for a period of 3 years after the date of the imposition of the administrative penalty; and
(b) For the second or subsequent offense, for a period of 5 years after the date of the imposition of the administrative penalty.
2. A person, and the corporate officers, if any, of that person, who is identified in the System for Award Management Exclusions operated by the General Services Administration as being excluded from receiving

...
contracts from the Federal Government pursuant to 48 C.F.R. §§ 9.400 et seq. as a result of being debarred may not be awarded a contract for a public work:

(a) For a period of 4 years after the date on which the Labor Commissioner is made aware of the exclusion from receiving contracts from the Federal Government; or

(b) For the period of debarment of the contractor from receiving contracts from the Federal Government,

whichever is longer.

3. The Labor Commissioner, upon learning that a contractor has been excluded from receiving contracts from the Federal Government pursuant to 48 C.F.R. §§ 9.400 et seq. as a result of being debarred, shall disqualify the contractor from being awarded a contract for a public work as provided in subsection 2.

4. The Labor Commissioner shall notify the State Contractors’ Board of each contractor who is prohibited or disqualified from being awarded a contract for a public work pursuant to this section.

Sec. 2. [This act becomes effective on July 1, 2015.] (Deleted by amendment.)

Assemblyman Ellison moved the adoption of the amendment.

Amendment adopted.
Bill ordered reprinted, reengrossed and to third reading.

Senate Bill No. 376.
Bill read second time.

The following amendment was proposed by the Committee on Transportation:
Amendment No. 810.
AN ACT relating to motor carriers; revising provisions concerning an appeal of certain decisions of the Nevada Transportation Authority; revising provisions concerning an appeal of a final decision of the Taxicab Authority; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, any person who is aggrieved by a final decision of the Nevada Transportation Authority in an administrative hearing is entitled to judicial review. (NRS 233B.130, 706.2885, 706.771, 706.775) Section 1 of this bill provides that any decision or action by the Nevada Transportation Authority which has the effect of substantially impairing, restricting or rescinding the ability or authorization of a fully regulated carrier to operate in
this State or which refuses an applicant the ability or authorization to operate in this State as a fully regulated carrier is a final decision, and may be appealed directly to a court of competent jurisdiction for judicial review.

The Nevada Transportation Authority has regulatory authority over taxicab motor carriers in any county whose population is less than 700,000 (currently all counties except for Clark). (NRS 706.151, 706.881) In any county whose population is 700,000 or more (currently Clark County), the Taxicab Authority has regulatory authority over taxicab motor carriers. (NRS 706.881) Any person who is aggrieved by a final decision of the Taxicab Authority must appeal to the Nevada Transportation Authority. (NRS 706.8819) Sections 3 and 8 of this bill provide that any person aggrieved by a final decision of the Taxicab Authority is entitled to judicial review, rather than requiring such a person to appeal to the Nevada Transportation Authority.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 706 of NRS is hereby amended by adding thereto a new section to read as follows:

2. Refuses an applicant the ability or authorization to operate as a fully regulated motor carrier in this State,

is a final decision for the purpose of chapter 233B of NRS and may be appealed directly to a court of competent jurisdiction for judicial review.

Sec. 2. NRS 706.011 is hereby amended to read as follows:

706.011 As used in NRS 706.011 to 706.791, inclusive, and section 1 of this act, unless the context otherwise requires, the words and terms defined in NRS 706.013 to 706.146, inclusive, have the meanings ascribed to them in those sections.

   (c) Conducting inspections relating to safety at the operating terminals of the carrier.

4. To carry out the policies expressed in NRS 706.151, adopt regulations providing for agreements between two or more fully regulated carriers or two or more operators of tow cars relating to:
   (a) Fares of fully regulated carriers;
   (b) All rates of fully regulated carriers and rates of operators of tow cars for towing services performed without the prior consent of the owner of the vehicle or the person authorized by the owner to operate the vehicle;
   (c) Classifications;
   (d) Divisions;
   (e) Allowances; and
   (f) All charges of fully regulated carriers and charges of operators of tow cars for towing services performed without the prior consent of the owner of the vehicle or the person authorized by the owner to operate the vehicle, including charges between carriers and compensation paid or received for the use of facilities and equipment.

   These regulations may not provide for collective agreements which restrain any party from taking free and independent action.

5. Review decisions of the Taxicab Authority appealed to the Authority pursuant to NRS 706.8819.

Sec. 4. NRS 706.2885 is hereby amended to read as follows:

706.2885 1. A certificate of public convenience and necessity, permit or license issued in accordance with this chapter is not a franchise and may be revoked.

provisions of NRS 706.011 to 706.791, inclusive, and section 1 of this act for a period not to exceed 60 days.

3. Upon receipt of a written complaint or on its own motion, the Authority may, after investigation and hearing, revoke any certificate, permit or license. If service of the notice required by subsection 2 cannot be made or if the grantee relinquishes the grantee’s interest in the certificate, permit or license by so notifying the Authority in writing, the Authority may revoke the certificate, permit or license without a hearing.

4. Except as otherwise provided in section 1 of this act, the proceedings thereafter are governed by the provisions of chapter 233B of NRS.

Sec. 5. NRS 706.321 is hereby amended to read as follows:

706.321  1. Except as otherwise provided in subsection 2, every common or contract motor carrier shall file with the Authority:
   (a) Within a time to be fixed by the Authority, schedules and tariffs that must:
      (1) Be open to public inspection; and
      (2) Include all rates, fares and charges which the carrier has established and which are in force at the time of filing for any service performed in connection therewith by any carrier controlled and operated by it.
      (b) As a part of that schedule, all regulations of the carrier that in any manner affect the rates or fares charged or to be charged for any service and all regulations of the carrier that the carrier has adopted to comply with the provisions of NRS 706.011 to 706.791, inclusive, and section 1 of this act.
   2. Every operator of a tow car shall file with the Authority:
      (a) Within a time to be fixed by the Authority, schedules and tariffs that must:
         (1) Be open to public inspection; and

The Authority, upon application of any carrier, may prescribe a shorter time within which changes may be made. The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 733.
AN ACT relating to public affairs; authorizing certain persons to file complaints relating to notaries public or document preparation services with the Secretary of State; revising provisions relating to the requirements for an application for appointment as a notary public or document preparation service; revising provisions relating to the advertising of services as a notary
public or document preparation service; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law authorizes the Secretary of State to appoint notaries public. (NRS 240.010) In addition, existing law provides that it is unlawful for a person: (1) to represent themselves as a notary public if they have not been appointed by the Secretary of State; (2) to submit an application for appointment as a notary public that contains a material misrepresentation or omission of fact; and (3) if the person is a notary public, to use the term “notario” or “notario publico” on any advertisement if the person is not also an attorney licensed in this State. (NRS 240.010, 240.085) Existing law sets forth similar prohibitions with respect to a document preparation service. (NRS 240A.100, 240A.240, 240A.260)

Sections 8 and 13 of this bill authorize any person who is aware of a violation of existing law governing notaries public and document preparation services to file a complaint with the Secretary of State. Sections 9 and 11 of this bill require an applicant for appointment as a notary public or registration as a document preparation service to provide with his or her application a declaration under penalty of perjury stating that the applicant has never had an appointment as a notary public, or certificate or license as a document preparation service, as applicable, revoked or suspended in this State or any other state or territory. Section 10 of this bill adds the term “licenciado” to the list of terms prohibited to be used in an advertisement if a notary public is not also an attorney licensed in this State. Section 12 of this bill similarly prohibits document preparation services from using terms that may mislead a consumer into believing that a document preparation service is a licensed attorney, if such is not the case.

Senate Bill No. 402.
Bill read second time.
The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 784.
AN ACT relating to public health; defining the term “obesity” as a chronic
disease; requiring the Division of Public and Behavioral Health of the
Department of Health and Human Services to prepare an annual report on
obesity; requiring certain school districts to collect data concerning the
height and weight of pupils; and providing other matters properly relating
thereto.

Legislative Counsel’s Digest:
Existing law uses the term “obesity” in listing the benefits of breast-
feeding, mandating training for child care providers and mandating public
information and prevention programs of the Division of Public and
Behavioral Health of the Department of Health and Human Services.
(NRS 201.232, 432A.1775, 439.517, 439.521) Section 1 of this bill defines
the term “obesity” in the preliminary chapter of NRS as a chronic
disease having certain characteristics. Sections 2, 3, 4 and 5 of this bill define
the term “obesity” as used in those provisions of existing law. Section 5 also
requires the Division to prepare an annual report on obesity statistics in this
State and the efforts to reduce obesity.

Existing law requires the board of trustees of each school district in a
county whose population is 100,000 or more (currently Clark and
Washoe Counties), through June 30, 2015, to: (1) conduct examinations
of the height and weight of certain pupils in the schools within the school
district; (2) provide notice of such examinations to the parent or
guardian of a child before performing the examination; and (3) report
the results of such examinations to the Chief Medical Officer.
(NRS 392.420) Section 2.5 of this bill: (1) requires the board of trustees
of each such school district to use school nurses, health personnel and
certain teachers and other personnel to conduct such examinations on
and after July 1, 2015; and (2) provides that, under certain
circumstances, the school authorities are not required to provide notice
to the parent or guardian of a child before conducting such an
Section 2.5 also requires the Division of Public and Behavioral Health of the Department of Health and Human Services to:
(1) compile a report of the results of such examinations specific to each region of this State for which such information is collected; and (2) publish and disseminate the reports.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The preliminary chapter of NRS is hereby amended by adding thereto a new section to read as follows:
1. Except as otherwise provided by specific statute or required by the context, “obesity” means a chronic disease characterized by an abnormal and unhealthy accumulation of body fat which is statistically correlated with premature mortality, hypertension, heart disease, diabetes, cancer and other health conditions, and may be indicated by:
   (a) A body mass index of 30 or higher in adults;
   (b) A body mass index that is greater than two standard deviations above the World Health Organization’s growth standard for children who are at least 5 but less than 19 years of age, or greater than three standard deviations above the standard for children who are less than 5 years of age;
   (c) A body fat percentage greater than 25 percent for men or 32 percent for women; or
   (d) A waist size of 40 inches or more for men or 35 inches or more for women.
2. As used in this section, “chronic disease” means a health condition or disease which presents for a period of 3 months or more or is persistent, indefinite or incurable.

Sec. 2. NRS 201.232 is hereby amended to read as follows:
201.232 1. The Legislature finds and declares that:
   (a) The medical profession in the United States recommends that children from birth to the age of 1 year should be breast fed, unless under particular circumstances it is medically inadvisable.
   (b) Despite the recommendation of the medical profession, statistics reveal a declining percentage of mothers who are choosing to breast feed their babies.
   (c) Many new mothers are now choosing to use formula rather than to breast feed even before they leave the hospital, and only a small percentage of all mothers are still breast feeding when their babies are 6 months old.
   (d) In addition to the benefit of improving bonding between mothers and their babies, breast feeding offers better nutrition, digestion and immunity for babies than does formula feeding, and it may increase the intelligence quotient of a child. Babies who are breast fed have lower rates of death,
meningitis, childhood leukemia and other cancers, diabetes, respiratory illnesses, bacterial and viral infections, diarrheal diseases, otitis media, allergies, obesity and developmental delays.

(e) Breast feeding also provides significant benefits to the health of the mother, including protection against breast cancer and other cancers, osteoporosis and infections of the urinary tract. The incidence of breast cancer in the United States might be reduced by 25 percent if every woman breast fed all her children until they reached the age of 2 years.

(f) The World Health Organization and the United Nations Children’s Fund have established as one of their major goals for the decade the encouragement of breast feeding.

(g) The social constraints of modern society weigh against the choice of breast feeding and lead new mothers with demanding time schedules to opt for formula feeding to avoid embarrassment, social ostracism or criminal prosecution.

(h) Any genuine promotion of family values should encourage public acceptance of this most basic act of nurture between a mother and her baby, and no mother should be made to feel incriminated or socially ostracized for breast feeding her child.

2. Notwithstanding any other provision of law, a mother may breast feed her child in any public or private location where the mother is otherwise authorized to be, irrespective of whether the nipple of the mother’s breast is uncovered during or incidental to the breast feeding.

3. As used in this section:

(a) “Obesity” means a chronic disease characterized by an abnormal and unhealthy accumulation of body fat which is statistically correlated with premature mortality, hypertension, heart disease, diabetes, cancer and other health conditions, and may be indicated by:

(1) A body mass index of 30 or higher in adults;

(2) A body mass index that is greater than two standard deviations above the World Health Organization’s growth standard for children who are at least 5 but less than 19 years of age, or greater than three standard deviations above the standard for children who are less than 5 years of age;

(3) A body fat percentage greater than 25 percent for men or 32 percent for women; or

(4) A waist size of 40 inches or more for men or 35 inches or more for women.

(b) “Chronic disease” means a health condition or disease which presents for a period of 3 months or more or is persistent, indefinite or incurable.
Sec. 2.5. **NRS 392.420 is hereby amended to read as follows:**

392.420 1. In each school at which a school nurse is responsible for providing nursing services, the school nurse shall plan for and carry out, or supervise qualified health personnel in carrying out, a separate and careful observation and examination of every child who is regularly enrolled in a grade specified by the board of trustees or superintendent of schools of the school district in accordance with this subsection to determine whether the child has scoliosis, any visual or auditory problem, or any gross physical defect. The grades in which the observations and examinations must be carried out are as follows:

(a) For visual and auditory problems:

(1) Before the completion of the first year of initial enrollment in elementary school;
(2) In at least one additional grade of the elementary schools; and
(3) In one grade of the middle or junior high schools and one grade of the high schools; and
(b) For scoliosis, in at least one grade of schools below the high schools.

Any person other than a school nurse, including, without limitation, a person employed at a school to provide basic first aid and health services to pupils, who performs an observation or examination pursuant to this subsection must be trained by a school nurse to conduct the observation or examination.

2. In addition to the requirements of subsection 1, the board of trustees of each school district in a county whose population is 100,000 or more shall direct school nurses, qualified health personnel employed pursuant to subsection 6, teachers who teach physical education or health or other licensed educational personnel who have completed training in measuring the height and weight of a pupil provided by the school district, to measure the height and weight of a representative sample of pupils who are enrolled in grades 4, 7 and 10 in the schools within the school district. The Division of Public and Behavioral Health of the Department of Health and Human Services shall determine the number of pupils necessary to include in the representative sample.

3. If any child is attending school in a grade above one of the specified grades and has not previously received such an observation and examination, the child must be included in the current schedule for observation and examination. Any child who is newly enrolled in the district must be examined for any medical condition for which children in a lower grade are examined.

4. A special examination for a possible visual or auditory problem must be provided for any child who:

(a) Is enrolled in a special program;
(b) Is repeating a grade;
(c) Has failed an examination for a visual or auditory problem during the previous school year; or
(d) Shows in any other way that the child may have such a problem.

5. The school authorities shall notify the parent or guardian of any child who is found or believed to have scoliosis, any visual or auditory problem, or any gross physical defect, and shall recommend that appropriate medical attention be secured to correct it.

6. In any school district in which state, county or district public health services are available or conveniently obtainable, those services may be used to meet the responsibilities assigned under the provisions of this section. The board of trustees of the school district may employ qualified personnel to perform them. Any nursing services provided by such qualified personnel must be performed in compliance with chapter 632 of NRS.

7. The board of trustees of a school district may adopt a policy which encourages the school district and schools within the school district to collaborate with:
   (a) Qualified health care providers within the community to perform, or assist in the performance of, the services required by this section; and
   (b) Postsecondary educational institutions for qualified students enrolled in such an institution in a health-related program to perform, or assist in the performance of, the services required by this section.

The school authorities shall provide notice to the parent or guardian of a child before performing on the child the examinations required by this section. The notice must inform the parent or guardian of the right to exempt the child from all or part of the examinations. Any child must be exempted from an examination if the child’s parent or guardian files with the teacher a written statement objecting to the examination.

The school authorities are not required to provide notice to the parent or guardian of a child before measuring the child’s height or weight pursuant to subsection 2 if it is not practicable to do so.

Each school nurse or a designee of a school nurse, including, without limitation, a person employed at a school to provide basic first aid and health services to pupils, shall report the results of the examinations conducted pursuant to this section in each school at which he or she is responsible for providing services to the Chief Medical Officer in the format prescribed by the Chief Medical Officer. Each such report must exclude any identifying information relating to a particular child. The Chief Medical Officer shall compile all such information the Officer receives to monitor the health status of children and shall retain the information.
10. The Division of Public and Behavioral Health of the Department of Health and Human Services shall:

(a) Compile a report relating to each region of this State for which data is collected regarding the height and weight of pupils measured pursuant to subsection 2 and reported to the Chief Medical Officer pursuant to subsection 9; and

(b) Publish and disseminate the reports not later than 12 months after receiving the results of the examinations pursuant to subsection 9.

Sec. 3. NRS 432A.1775 is hereby amended to read as follows:

Amendment No. 738.
SUMMARY—Revises provisions governing the installation of automatic fire sprinkler systems in certain single family residences. (BDR 22-1110)
AN ACT relating to buildings; structures; authorizing the governing body of a county or incorporated city in this State to adopt a building code or take any other action that requires the installation of an automatic fire sprinkler system in certain larger single-family residences; providing limitations on the authority of the governing body of a county or incorporated city in this State to adopt a building code or take any other action that requires the installation of an automatic fire sprinkler system in certain other single-family residences; prohibiting the governing body of a county or incorporated city in this State from adopting a building code or taking any other action that requires the installation of an automatic fire sprinkler system in certain structures or portions thereof used primarily for agricultural, livestock or equestrian activities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Under existing law, the governing body of any county or incorporated city in this State is authorized to adopt a building code that specifies the design, soundness and materials of structures. (NRS 278.580) Section 1 of this bill specifically authorizes such a governing body to adopt a building code or take any other action that requires the installation of an automatic fire sprinkler system in a new single-family residence that has an area of livable space of 5,000 square feet or more. Section 1 provides that, on or after July 1, 2015, a governing body may adopt a building code or take any other action that requires the installation of an automatic fire sprinkler system in a new single-family residence that has an area of livable space of less than 5,000 square feet only if the governing body: (1) conducts an independent cost-benefit analysis of the proposed requirement to install an automatic fire sprinkler system; and (2) makes certain findings at a public hearing. Section 1 provides that a governing body may require the installation of an automatic fire sprinkler system in such a residence without conducting the cost-benefit analysis and making the findings otherwise required by section 1 if, with regard to any particular single-family residence, the governing body determines at a public hearing that the unique characteristics or location of the residence would cause an unreasonable delay in firefighter response time. Additionally, section 1 prohibits a governing body from adopting a building code or taking any other action that requires the installation of an automatic fire sprinkler system in a structure other than a residential dwelling unit, regardless of whether the structure is located on public or private property, if the structure: (1) is covered but not completely enclosed; (2) is used primarily for agricultural, livestock or equestrian activities; (3) has spectator seating situated around the perimeter of the structure; and (4) is otherwise in compliance with all relevant building codes concerning exits and fire alarm systems.
Section 6 of this bill provides that: (1) with certain exceptions, the amendatory provisions of section 1 do not prohibit the enforcement of any building code, ordinance, regulation or rule which requires the installation of an automatic fire sprinkler system that was adopted by a governing body before January 1, 2015; (2) any building code, ordinance, regulation or rule which requires the installation of an automatic fire sprinkler system that was adopted by a governing body before January 1, 2015, but which makes such a requirement effective upon the occurrence of an event that has not occurred before January 1, 2015, is void and unenforceable; and (3) any building code, ordinance, regulation or rule which requires the installation of an automatic fire sprinkler system that was adopted by a governing body on or after January 1, 2015, but on or before the effective date of this bill, June 30, 2015, is void and unenforceable.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 278 of NRS is hereby amended by adding thereto a new section to read as follows:

1. A governing body may adopt a building code or take any other action that requires the installation of an automatic fire sprinkler system in a new residential dwelling unit that has an area of livable space of 5,000 square feet or more.

2. Except as otherwise provided in subsection 3, a governing body may, on or after July 1, 2015, adopt a building code or take any other action that requires the installation of an automatic fire sprinkler system in a new residential dwelling unit that has an area of livable space of less than 5,000 square feet only if, before adopting the building code or taking the action, the governing body:
   (a) Conducts an independent cost-benefit analysis of the adoption of a building code or the taking of any other action by the governing body that requires the installation of an automatic fire sprinkler system in a new residential dwelling unit that has an area of livable space of less than 5,000 square feet; and
   (b) Makes a finding at a public hearing that, based on the independent cost-benefit analysis conducted pursuant to paragraph (a), adoption of the building code or the taking of any other action by the governing body that requires the installation of an automatic fire sprinkler system in a new residential dwelling unit that has an area of livable space of less than 5,000 square feet is to the benefit of the owners of the residential dwelling units to which the requirement would be applicable and that such benefit exceeds the costs related to the installation of automatic fire sprinkler systems in such residential dwelling units.
3. A governing body may require the installation of an automatic fire sprinkler system in a new residential dwelling unit that has an area of livable space of less than 5,000 square feet without conducting the analysis or making the findings required by subsection 2 if the governing body makes a determination at a public hearing that the unique characteristics or the location of the residential dwelling unit, when compared to residential dwelling units of comparable size or location within the jurisdiction of the governing body, would cause an unreasonable delay in firefighter response time. In making such a determination, the governing body may consider:

(a) The availability of water for use by firefighters in the area in which the residential dwelling unit is located;
(b) The availability to firefighters of access to the residential dwelling unit;
(c) The topography of the area in which the residential dwelling unit is located; and
(d) The availability of firefighting resources in the area in which the residential dwelling unit is located.

4. A governing body shall not adopt a building code or take any other action that requires the installation of an automatic fire sprinkler system in a structure other than a residential dwelling unit or any portion of such a structure, whether located on public or private property:

(a) That is covered but not completely enclosed;
(b) That is used primarily for agricultural, livestock or equestrian activities;
(c) That has spectator seating situated around the perimeter of the structure or portion thereof; and
(d) Which is otherwise in compliance with all relevant building codes concerning exits and fire alarm systems.

5. The provisions of this section do not prohibit:

(a) A local government from enforcing an agreement for the development of land which requires the installation of an automatic fire sprinkler system in any residential dwelling unit; or
(b) A person from installing an automatic fire sprinkler system in a structure described in subsection 4 or any residential dwelling unit.

6. As used in this section:

(a) “Automatic fire sprinkler system” has the meaning ascribed to it in NRS 202.580.
(b) “Residential dwelling unit” does not include a condominium unit, an apartment unit or a townhouse unit that shares a common wall with more than one other such unit.
Sec. 2. NRS 278.010 is hereby amended to read as follows:

278.010 As used in NRS 278.010 to 278.630, inclusive, and section 1 of this act, unless the context otherwise requires, the words and terms defined in NRS 278.0103 to 278.0195, inclusive, have the meanings ascribed to them in those sections.

Subject to the limitation set forth in NRS 244.368, and section 1 of this act, the governing body of any city or county may adopt a building code, specifying the design, soundness and materials of structures, and may adopt rules, ordinances and regulations for the enforcement of the building code.

2. The governing body may also fix a reasonable schedule of fees for the issuance of building permits. A schedule of fees so fixed does not apply to the State of Nevada or the Nevada System of Higher Education, except that such entities may enter into a contract with the governing body to pay such fees for the issuance of building permits, the review of plans and the inspection of construction. Except as it may agree to in such a contract, a governing body is not required to provide for the review of plans or the inspection of construction with respect to a structure of the State of Nevada or the Nevada System of Higher Education.

3. Notwithstanding any other provision of law, the State and its political subdivisions shall comply with all zoning regulations adopted pursuant to this chapter, except for the expansion of any activity existing on April 23, 1971.

4. A governing body shall amend its building codes and, if necessary, its zoning ordinances and regulations to permit the use of:
   (a) Straw or other materials and technologies which conserve scarce natural resources or resources that are renewable in the construction of a structure; and
   (b) Systems which use solar or wind energy to reduce the costs of energy for a structure if such systems and structures are otherwise in compliance with applicable building codes and zoning ordinances, including those relating to the design, location and soundness of such systems and structures, to the extent the local climate allows for the use of such materials, technologies, resources and systems.

5. The amendments required by subsection 4 may address, without limitation:
   (a) The inclusion of characteristics of land and structures that are most appropriate for the construction and use of systems using solar and wind energy.
   (b) The recognition of any impediments to the development of systems using solar and wind energy.
(c) The preparation of design standards for the construction, conversion or rehabilitation of new and existing systems using solar and wind energy.

6. A governing body shall amend its building codes to include:
   (a) The seismic provisions of the International Building Code published by the International Code Council; and
   (b) Standards for the investigation of hazards relating to seismic activity, including, without limitation, potential surface ruptures and liquefaction.

Sec. 7. This act becomes effective upon passage and approval.

Assemblyman Ellison moved the adoption of the amendment.

Remarks by Assemblymen Ellison, Kirkpatrick, Sprinkle, and Wheeler.

ASSEMBLYMAN ELLISON:
The amendment prohibits the governing body of a county or incorporated city from adopting a building code or taking any other action that requires the installation of an automatic fire sprinkler system in structures used primarily for agricultural, livestock, or equestrian activities. Such buildings must be in compliance with all relevant building codes concerning exits and fire alarm systems.

ASSEMBLYWOMAN KIRKPATRICK:
This is yet another bill I worked on many times in Government Affairs. I just want to understand what it does. In section 1 of the bill, subsection 2, paragraphs (a) and (b), it says that a local government can go back and undo their current code that requires fire sprinklers. That is the way I am reading it, and I just want to be clear if this is the way it is. I know in 2009, in order to be in compliance with some ARRA [American Recovery and Reinvestment Act] dollars that the state accepted, we had to adopt codes across the state, and they had the ability to adopt fire sprinklers. I want to be sure, if a county currently has that in code—and we tried to be uniform across the state based on what folks wanted and needed for their areas—now are you saying the counties can go back and undo that and require an independent cost benefit analysis and also make a finding at a public hearing? I want to understand that piece; why are we going backward rather than going forward. We made concessions during the down time to make sure that folks could keep building. Your house can burn in eight minutes is what I understand. I also want to understand in subsection 4. I am assuming this only applies in the rural areas of our state where they have outdoor venues for their livestock, for agriculture: barns, horse corrals, anything that is not covered would not be subject to it. I do not understand why we are putting that into statute when all of these years we have not done that and we have made a conscious effort to ensure safety for folks. If there was not a fire department somewhere within a reasonable time to protect your home, we required people to put fire sprinklers in. In North Las Vegas, that was a big deal because in eight minutes, your house is gone; that is your entire investment. I want to understand what the direction to local government is.

ASSEMBLYMAN ELLISON:
There are a lot of questions in there. I just finally got the bill up, but I think I can answer most of these. There is going to be a study on some of these units. Henderson already has a fire sprinkler system that is implemented into their county or city. They are exempt from this. Anything that is 5,000 square feet and above has to be sprinklered; anything smaller than that has be to part of the study.

The amendment that was proposed, which was for the agricultural and livestock centers, was out of Las Vegas—the County Commissioners asked for that amendment to be put in there.
Most of these buildings in the rural areas that you talked about are areas that could freeze or have no water pressure. They are trying to find what will work and what will not work.

Most of these small, small houses in there are going to be hit by a large insurance cost. It will be kind of like flood insurance, but it will be sprinkler insurance that has to go with every one of those new small homes. There are a lot of questions that are going to be answered in the study, and that is what we are hoping to get back to.

Assemblywoman Kirkpatrick:

Five thousand square feet—I think of my neighborhood. The average house is 1,500 square feet. In my mind it does not matter how big or small your house is. I always heard that fire sprinklers actually lowered your insurance, so I am a little confused by that. I am going to check this afternoon.

What happens while we do this study? Ironically, I have not heard from anyone in Clark County asking for waivers from this because every single entity across the state had to adopt these national codes in order to benefit from the ARRA [American Recovery and Reinvestment Act] funds they received. What happens in the process? In Clark County and in Washoe, they are not going to stop building, so what kind of code do they follow until the study gets done? There is nowhere in the cost benefit analysis that tells me the time frame by which this has to be done. There has to be a direction for the builders, there has to be a direction for code enforcement, and there has to be a direction for the building inspectors to be in compliance.

Assemblyman Ellison:

Not everybody throughout the state has adopted the 2012 building code. There were a lot of problems and two issues in the 2012 code. One is they put so much insulation in that they created a secondary problem. The other thing was the fire sprinkler system. Fire sprinkler systems will not work in every area. I spent quite a bit of time with the insurance companies and they said, Yes, there will be costs with sprinkler systems, mostly where children are involved. If they throw balls in the house and they hit these, it is going to flood the house. The other thing is the maintenance. Who is going to maintain these and who is going to inspect them? Those issues have never been brought up as to who is going to do that. I am hoping that if this information comes back to this body at the next session, we can determine where they are going to go and what they are doing. And nothing will burn.

Assemblywoman Kirkpatrick:

Mr. Speaker, if you will just indulge me. I will work with the chairman outside of this floor session, but I am asking What is the legislative intent and the expectation for folks who are currently building new homes? If they are building a new home and if they are not under the 2012 national codes, they are under the 2009 or 2010 codes, and fire sprinklers are definitely within that. So is that the expectation—that they would stay within their current code today, do the study, and then come back and adopt something different?

I appreciate you indulging me a third time, but this is a pretty important issue when we talk about public safety. I want to understand what the building folks in my area should be expected to live by.

Assemblyman Ellison:

If I may, I would love to work with the Minority Leader and see if we can answer all these questions.

Assemblyman Sprinkle:

I also have a question for the Chairman of the Government Affairs Committee. It is back to the question my colleague just asked. I did not really feel comfortable with the answer you gave as far as the specific amendment. You said this came out of Las Vegas, but that is all you said. When I look at this language and it talks about agricultural, livestock, or equestrian activities that have spectator seating, to me that screams of public safety, and now we are trying to exempt
them from having sprinkler systems. Could you maybe explain to me a little more about the
corner that went on as to why this amendment is necessary?

ASSEMBLYMAN ELLISON:
One of the things you have in agricultural centers or rodeo grounds are open facilities. They
are large; they have no insulation. If there is a fire, it is going to be contained unless it is a place
where there is hay. But if you try to sprinkle any place outside of Clark County—Washoe, Elko,
all these other counties—there is no way you can keep these pipes from freezing and breaking.
It would create more problems than what you started with. The only place that this was
proposed was for Clark County, and this will go back and we will discuss it in great detail.

ASSEMBLYMAN WHEELER:
I believe the amendment in subsection 4 refers to an agricultural, livestock, or equestrian
building that is covered but not enclosed. So in other words, it has no sides on it, just a roof.
The idea is for areas such as rodeo arenas or open arenas, anywhere that has spectator seating
where there are no walls to catch fire and most of these have metal roofs anyway.

The following amendment was proposed by the Committee on Legislative
Operations and Elections:
Amendment No. 834.

SENATE JOINT RESOLUTION—Proposing to amend the Nevada
Constitution to expand the rights guaranteed to victims of crime by adopting
a victims’ bill of rights.

Legislative Counsel’s Digest:
Under the Nevada Constitution, the Legislature is required to provide by
law for certain rights of the victims of crimes, in particular, the right to be
informed of the status of criminal proceedings concerning those crimes, the
right to be present at public hearings concerning those crimes and the right to
be heard at all proceedings for the sentencing or release of persons convicted
of those crimes. (Nev. Const. Art. 1, § 8)

This resolution proposes to amend the Nevada Constitution to eliminate
the existing provisions of Article 1, section 8, concerning victims’ rights and
to add a new section that sets forth an expanded list of such rights in the form
of a victims’ bill of rights. The new section is modeled after the victims’ bill
of rights set forth in the California Constitution as it was amended in 2008 by
what is commonly referred to as Marsy’s Law. (Cal. Const. Art. 1, § 28)
RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF NEVADA, JOINTLY, That a new section, designated Section 23, be added to Article 1 of the Nevada Constitution to read as follows:

Sec. 23. 1. Each person who is the victim of a crime is entitled to the following rights:

(a) To be treated with fairness and respect for his or her privacy and dignity, and to be free from intimidation, harassment and abuse, throughout the criminal or juvenile justice process.

(b) To be reasonably protected from the defendant and persons acting on behalf of the defendant.

(c) To have the safety of the victim and the victim’s family considered as a factor in fixing the amount of bail and release conditions for the defendant.

(d) To prevent the disclosure of confidential information or records to the defendant which could be used to locate or harass the victim or the victim’s family.

(e) To refuse an interview or deposition request, unless under court order, and to set reasonable conditions on the conduct of any such interview to which the victim consents.

(f) To reasonably confer with the prosecuting agency, upon request, regarding the case.

(g) To reasonable notice of all public proceedings, including delinquency proceedings, upon request, at which the defendant and the prosecutor are entitled to be present and at parole or other postconviction release proceedings, and to be present at all such proceedings.

(h) To be reasonably heard, upon request, at any public proceeding, including any delinquency proceeding, in any court involving a postarrest release decision, release or sentencing, postconviction release decision or any proceeding in which a right of the victim is at issue, and at any parole proceeding.

(i) To the timely disposition of the case following the arrest of the defendant.

(j) To provide information to any public officer or employee conducting a presentence investigation concerning the impact of the offense on the victim and the victim’s family and any sentencing recommendations before the sentencing of the defendant.

(k) To be informed, upon request, of the conviction, sentence, place and time of incarceration, or other disposition of the defendant, the scheduled release date of the defendant and the release of or the escape by the defendant from custody.
(l) To full and timely restitution.

(m) To the prompt return of legal property when no longer needed as evidence.

(n) To be informed of all postconviction proceedings, to participate and provide information to the parole authority to be considered before the parole of the offender and to be notified, upon request, of the parole or other release of the offender.

(o) To have the safety of the victim, the victim’s family and the general public considered before any parole or other postjudgment release decision is made.

(p) To have all monetary payments, money and property collected from any person who has been ordered to make restitution be first applied to pay the amounts ordered as restitution to the victim.

(q) To be specifically informed of the rights enumerated in this section, and to have information concerning those rights be made available to the general public.

2. A victim has standing to assert the rights enumerated in this section in any court with jurisdiction over the case. The court shall promptly rule on a victim’s request. A defendant does not have standing to assert the rights of his or her victim. This section does not alter the powers, duties or responsibilities of a prosecuting attorney. A victim does not have the status of a party in a criminal proceeding.

3. Except as otherwise provided in subsection 4, no person may maintain an action against this State or any public officer or employee for damages or injunctive, declaratory or other legal or equitable relief on behalf of a victim of a crime as a result of a violation of this section or any statute enacted by the Legislature pursuant thereto. No such violation authorizes setting aside a conviction.

4. A person may maintain an action to compel a public officer or employee to carry out any duty required by this section or any statute enacted by the Legislature pursuant thereto.

5. The granting of these rights to victims must not be construed to deny or disparage other rights possessed by victims. A parole authority shall extend the right to be heard at a parole hearing to any person harmed by the offender.

6. The Legislature shall by law provide any other measure necessary or useful to secure to victims of crime the benefit of the rights set forth in this section.

7. As used in this section, “victim” means any person directly and proximately harmed by the commission of a criminal offense under any law of this State. If the victim is less than 18 years of age, incompetent, incapacitated or deceased, the term includes the legal
guardian of the victim or a representative of the victim’s estate, member of the victim’s family or any other person who is appointed by the court to act on the victim’s behalf, except that the court shall not appoint the defendant as such a person.

(8) This section is not intended and shall not be interpreted to infringe upon a right guaranteed to the defendant by the United States Constitution or the Nevada Constitution.

And be it further
RESOLVED, That Section 8 of Article 1 of the Nevada Constitution be amended to read as follows:

Sec. 8. 1. No person shall be tried for a capital or other infamous crime (except in cases of impeachment, and in cases of the militia when in actual service and the land and naval forces in time of war, or which this State may keep, with the consent of Congress, in time of peace, and in cases of petit larceny, under the regulation of the Legislature) except on presentment or indictment of the grand jury, or upon information duly filed by a district attorney, or Attorney General of the State, and in any trial, in any court whatever, the party accused shall be allowed to appear and defend in person, and with counsel, as in civil actions. No person shall be subject to be twice put in jeopardy for the same offense; nor shall he be compelled, in any criminal case, to be a witness against himself.

2. The Legislature shall provide by law for the rights of victims of crime, personally or through a representative, to be:
   — (a) Informed, upon written request, of the status or disposition of a criminal proceeding at any stage of the proceeding;
   — (b) Present at all public hearings involving the critical stages of a criminal proceeding; and
   — (c) Heard at all proceedings for the sentencing or release of a convicted person after trial.

3. Except as otherwise provided in subsection 4, no person may maintain an action against the State or any public officer or employee for damages or injunctive, declaratory or other legal or equitable relief on behalf of a victim of a crime as a result of a violation of any statute enacted by the Legislature pursuant to subsection 2. No such violation authorizes setting aside a conviction or sentence or continuing or postponing a criminal proceeding.

4. A person may maintain an action to compel a public officer or employee to carry out any duty required by the Legislature pursuant to subsection 2.

5. No person shall be deprived of life, liberty, or property, without due process of law.
Private property shall not be taken for public use without just compensation having been first made, or secured, except in cases of war, riot, fire, or great public peril, in which case compensation shall be afterward made.

Assemblyman Stewart moved the adoption of the amendment.

Remarks by Assemblymen Stewart and Elliot Anderson.

Assemblyman Elliot Anderson:
I rise in opposition to amendment 834 to Senate Joint Resolution 17.
If I could direct the body’s attention to page 4 of the amendment, lines 23 through 25, the amendment strikes out the language “This section is not intended and shall not be interpreted to infringe upon a right guaranteed to the defendant by the United States Constitution or the Nevada Constitution.” This is a bad provision which I believe, by crossing this out, makes the bill potentially unconstitutional. It would create an interpretation nightmare for our Supreme Court. I urge that this amendment be rejected.

Assemblyman Stewart:
Amendment 834 further clarifies that the victim has a reasonable right to be heard in any public proceedings involving the defendant.

GENERAL FILE AND THIRD READING

Senate Bill No. 419.
Bill read third time.
The following amendment was proposed by Assemblyman Oscarson:
Amendment No. 794.
AN ACT relating to persons with disabilities; creating the Nevada ABLE Savings Program as a qualified ABLE program under the federal Achieving a Better Life Experience Act of 2014; authorizing the creation of a program within the Aging and Disability Services Division of the Department of Health and Human Services to provide independent living services and assistive technology for persons with disabilities who need independent living services; revising the terms of members of the Nevada Commission on Services for Persons with Disabilities; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Recently enacted federal law allows for the creation of tax-advantaged savings accounts for persons who have certain qualifying disabilities. Under the program, any person, including family members, may make a contribution to the account of a person with a qualified disability. Any interest or other growth in the value of the account and distributions taken from the account are tax free. The maximum amount that can be contributed tax free to the account of a qualified person is $14,000 per year. Distributions
from the account may only be used to pay expenses related to living a life with a disability and may include such things as education, housing, transportation and employment training and support. Money in the account or distributions from the account do not affect the eligibility of a person for certain public benefits such as Social Security disability payments, Supplemental Nutrition Assistance Program benefits and Medicaid. To qualify for these benefits, the savings account into which contributions are made on behalf of a qualified person must be established and maintained by the qualified person’s state of residence. If a state chooses not to establish its own program, it may contract with another state that has adopted a qualified program. (Achieving a Better Life Experience Act of 2014, 26 U.S.C. § 529A)

Sections 2-15 of this bill require the State Treasurer, in cooperation with the Aging and Disability Services Division of the Department of Health and Human Services, to establish or otherwise ensure the establishment of the Nevada ABLE Savings Program as a qualified program pursuant to 26 U.S.C. § 529A.

Existing law creates the Aging and Disability Services Division within the Department of Health and Human Services and requires the Division to work with persons with disabilities, persons interested in matters relating to persons with disabilities and state and local governmental agencies to develop and improve policies of this State concerning programs and services for persons with disabilities. (NRS 427A.040) Sections 18 and 19 of this bill authorize the Division to establish a program to provide independent living services and assistive technology for a person with a disability who needs independent living services.

Existing law creates the Nevada Commission on Services for Persons with Disabilities, which consists of 11 members appointed by the Director of the Department of Health and Human Services. (NRS 427A.1211) Sections 21 and 22 of this bill make revisions to the terms of the members of the Commission to ensure that the terms of the members of the Commission are staggered.

Sec. 18. 1. The Division may, pursuant to this section and section 19 of this act, establish a program to provide independent living services and assistive technology for persons with disabilities who need independent living services.

2. If the Division establishes a program pursuant to subsection 1, the Division shall adopt regulations:

(c) Prescribing the nature of the independent living services and assistive technology which may be provided and the conditions imposed on the provision of such services; and

(d) Setting forth such other provisions as the Division considers necessary to administer the program.

3. The decision of the Division regarding the eligibility of an applicant to participate in the program is a final decision for the purpose of judicial review.

Sec. 19. 1. The independent living services that the Division may, pursuant to this section and section 18 of this act, provide to a person with a disability who needs independent living services may include, without limitation, assistance and training as to how to perform skills of daily living, including, without limitation:

427A.1211 1. The Nevada Commission on Services for Persons with Disabilities, consisting of 11 voting members and 2 or more nonvoting members, is hereby created within the Division.
2. The Director shall appoint as voting members of the Commission 11 persons who have experience with or an interest in and knowledge of the problems of and services for persons with disabilities. The majority of the voting members of the Commission must be persons with disabilities or the parents or family members of persons with disabilities.
3. The Director and the Administrator shall serve as nonvoting, ex officio members of the Commission and each may designate an alternate within his or her office to attend any meeting of the Commission in his or her place.
4. The Director may appoint as nonvoting members of the Commission such other representatives of State Government as the Director deems appropriate.
5. After the initial term of an appointed member, the term of an appointed member is 3 years. An appointed member may be reappointed for an additional term of 3 years. An appointed member may not serve more than two terms or 6 years, whichever is greater. A vacancy on the Commission must be filled in the same manner as the original appointment. An appointed member who serves for more than 1 year of a term to which another person
was appointed may be appointed to serve only one additional full term as an appointed member. **However, at the completion of the additional full-term, the member may be appointed to the remaining term of another member who has resigned or otherwise left the Commission before completing his or her term if the total combined service of the member being appointed, after serving the remaining term of the member who resigned or otherwise left the Commission, will not exceed 6 years.**

6. The Director may remove an appointed member of the Commission for malfeasance in office or neglect of duty. Absence from two consecutive meetings of the Commission constitutes good and sufficient cause for removal of an appointed member by the Director.

**Sec. 22.** 1. Notwithstanding any provision of subsection 5 of NRS 427A.1211, as amended by section 21 of this act, the existing terms of the voting members of the Nevada Commission on Services for Persons with Disabilities whose terms have not expired before July 1, 2015, must expire as follows:

   (c) The terms of three voting members of the Commission must expire on June 30, 2018.

2. The Director of the Department of Health and Human Services shall, at his or her sole discretion, determine the allocation of existing members of the Commission to the particular groupings established for the expiration of terms in subsection 1.

3. The terms of members of the Commission appointed after the expiration of the terms of the existing members of the Commission pursuant to subsection 1 must begin on July 1 of the year in which the member is appointed.

Amendment No. 708.
AN ACT relating to deceptive trade practices; revising the requirements for the impoundment of property in cases involving deceptive trade practices; authorizing the Attorney General to bring administrative actions in such cases; requiring the Commissioner of Consumer Affairs or the Director of
the Department of Business and Industry to provide investigative assistance to the Attorney General with [such] cases [involving deceptive trade practices]; revising the provisions governing the revolving account for the Consumer Affairs Division of the Department of Business and Industry; revising provisions governing the service of subpoenas issued by the Division; expanding injunctive relief available against a person engaging in a deceptive trade practice; [requiring the Attorney General to share certain proceeds with the Division,] authorizing the Director to assess administrative fines; revising provisions relating to assurances of discontinuance; revising provisions relating to nondisclosure; [authorizing certain violations to be charged as a felony;] creating the Consumer Affairs Unit within the Department of Business and Industry; continuing the transfer of certain powers and duties of the Consumer Affairs Division and the Commissioner of Consumer Affairs to the Office of the Attorney General; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

- Existing law authorizes certain parties to seize property in a deceptive trade practice case if the property owner is given a hearing and the seizure will not impair his or her business activities. (NRS 598.096) Section 1 of this bill revises these requirements, authorizing such a seizure if the property owner is given a hearing and the seizure is necessary to protect the public and is in the public interest. Existing law authorizes the Attorney General to bring legal proceedings against a person who is engaging in a deceptive trade practice. (NRS 598.0963) Section 2 of this bill authorizes the Attorney General to alternatively bring an administrative action before the Consumer Affairs Division of the Department of Business and Industry.

Department of Business and Industry or the Attorney General for distribution
to the person for whom the restitution was ordered.

Sec. 9. NRS 598.0979 is hereby amended to read as follows:

598.0979 1. Notwithstanding the requirement of knowledge as an
element of a deceptive trade practice, when the Commissioner or Director
has cause to believe that a person has engaged or is engaging in any
deceptive trade practice, knowingly or otherwise, he or she may request in
writing that the Attorney General represent him or her in instituting an
appropriate legal proceeding, including, without limitation, an application for
an injunction or temporary restraining order prohibiting the person from
continuing the practices. The court may make orders or judgments necessary
to prevent the use by the person of any such deceptive trade practice or to
restore to any other person any money or property which may have been
acquired by the deceptive trade practice.
2. Where in any action or proceeding, the Commissioner or Director
has the authority to institute a civil action or other proceeding, in lieu thereof
or as a part thereof, he or she may accept an assurance of discontinuance of any deceptive trade practice. This assurance may include a stipulation for the payment by the alleged violator of:

(a) The costs of investigation and the costs of instituting the action or proceeding, including attorney's fees for the services of the Attorney General;

(b) Any amount of money which he or she may be required to pay pursuant to the provisions of NRS 598.0971 in lieu of any administrative fine; and

(c) The restitution of any money or property acquired by any deceptive trade practice.

Except as otherwise provided in this subsection and NRS 239.0115, any assurance of discontinuance accepted by the Commissioner or Director and any stipulation filed with the court is confidential to the parties to the action or proceeding and to the court and its employees. Upon final judgment by the court that an injunction or a temporary restraining order, issued as provided in subsection 1, has been violated, an assurance of discontinuance has been violated or a person has engaged in the same deceptive trade practice as had previously been enjoined, the assurance of discontinuance or stipulation becomes a public record. Proof by a preponderance of the evidence of a violation of an assurance constitutes prima facie evidence of a deceptive trade practice for the purpose of any civil action or proceeding brought thereafter by the Commissioner or Director, whether a new action or a subsequent motion or petition in any pending action or proceeding.

Any assurance of discontinuance accepted by the Commissioner or Director pursuant to subsection 2 must be filed with the court in the same manner as required by the Attorney General pursuant to NRS 598.0995 and, upon acceptance by the court, becomes an order of the court. An assurance of discontinuance made pursuant to subsection 2 is not an admission of guilt or liability for any purpose, except that any failure to comply with the provisions of the assurance is enforceable in the same manner as provided in subsection 7 of NRS 598.0971.

Sec. 10.  NRS 598.098 is hereby amended to read as follows:

NRS 598.098  1.  The Commissioner or Director may, during the course of the investigation of any alleged violation of this chapter, obtain and use any intelligence, investigative information or other information obtained by or made
available to the Commissioner or Director. Except as otherwise provided in subsections 2 and 3, any such intelligence or information received must remain confidential under the laws of this State until the Commissioner or Director obtains a final administrative order pursuant to NRS 598.0971 and is exempt from the provisions of NRS 239.010.

2. Subject to the provisions of subsection 2 of NRS 598.0979 and except as otherwise provided in this section, subsection 4, the Commissioner or Director may not make public the name of any person alleged to have committed a deceptive trade practice. This subsection does not:

   (a) Prevent the Commissioner or Director from issuing public statements describing or warning of any course of conduct which constitutes a deceptive trade practice.
   (b) Apply to a person who is subject to an order issued pursuant to subsection 5 of NRS 598.0971.

3. Upon request, the provisions of subsections 1 and 2 do not prohibit the Commissioner or Director from disclosing any intelligence or information received pursuant to subsection 1, including, without limitation, the address or telephone number of a business or organization.

4. The Commissioner may adopt regulations authorizing the disclosure of information concerning any complaint or number of complaints received by the Commissioner during the current and immediately preceding 3 fiscal years. A disclosure made pursuant to this paragraph must include the disposition of the complaint disclosed.

   (b) Make public any order to cease and desist issued pursuant to subsection 5 of NRS 598.0971.

   This subsection does not authorize the Commissioner to disclose or make public the contents of any complaint described in paragraph (a) or the record of any other information concerning a hearing conducted in relation to the issuance of an order to cease and desist described in paragraph (b) or Director from disclosing any intelligence or information received pursuant to subsection 1, including, without limitation, the address or telephone number of a business or organization.

   This subsection does not authorize the Commissioner to disclose or make public the contents of any complaint described in paragraph (a) or the record of any other information concerning a hearing conducted in relation to the issuance of an order to cease and desist described in paragraph (b) or Director from disclosing any intelligence or information received pursuant to subsection 1, including, without limitation, the address or telephone number of a business or organization.

   If any information concerning any complaint or number of complaints received by the Commissioner or Director relates to a person who has been convicted of violating a provision of NRS 598.0903 to 598.0999, inclusive, shall enter into, and be bound by, an agreement regarding limitations on the disclosure of the information to
protect the trade secret. Notwithstanding the provisions of this section, the Commissioner or Director shall not disclose that information in violation of the terms of the agreement. As used in this subsection, “trade secret” has the meaning ascribed to it in NRS 600A.030.

Sec. 11. NRS 598.099 is hereby amended to read as follows:

598.099  Whenever the district attorney or the Attorney General has reason to believe that the delay caused by complying with the notice requirement of NRS 598.0987 or the requirements of subsection 3 of NRS 598.0963 would cause immediate harm to the public of this state or endanger the public welfare, he or she may immediately institute an action for injunctive relief, including a request for a temporary restraining order, upon proof of specific facts shown by affidavit or by verified complaint or otherwise that such immediate harm will be or is likely to be caused by the delay. The Attorney General shall give written notice of the filing by the Attorney General of such an action to the Commissioner or Director. The Nevada Rules of Civil Procedure pertaining to the issuance of temporary restraining orders govern all actions instituted pursuant to this section. (Deleted by amendment.)

Sec. 12. NRS 598.0995 is hereby amended to read as follows:

  2. Any assurance made pursuant to subsection 1 must be in writing and must be filed with and subject to the approval of the district court in the county in which the alleged violator resides or has his or her principal place of business, or the district court in any county where any deceptive trade practice has occurred or is about to occur or the district court agreed to by the parties.

  3. An assurance of discontinuance made pursuant to subsections 1 and 2 is not an admission of violation for any purpose, but is subject to the terms, limitations and conditions of NRS 598.0979.

Sec. 13. NRS 598.0999 is hereby amended to read as follows:

598.0999  1. Except as otherwise provided in NRS 598.0974, a person who violates a court order or injunction issued pursuant to the provisions of NRS 598.0903 to 598.0999, inclusive, upon a finding of a violation based upon a complaint brought by the Commissioner, the Director, the district attorney of any county of this State or the Attorney General, a violator shall forfeit and pay to the State General Fund a civil penalty of not more than
$10,000 or treble the amount of restitution ordered for each violation, whichever is greater. For the purpose of this section, the court issuing the order or injunction retains jurisdiction over the action or proceeding. Such civil penalties are in addition to any other penalty or remedy available for the enforcement of the provisions of NRS 598.0902 to 598.0999, inclusive.

In any action brought pursuant to this chapter, the court in any such action may, in addition to any other relief or reimbursement, reimburse the State for the costs of any investigation and award reasonable attorney's fees and costs.

3. [A] Except as otherwise provided in subsection 1, a natural person, firm, or any officer or managing agent of any corporation or association who knowingly and willfully engages in a deceptive trade practice:
   (a) For the first offense, is guilty of a misdemeanor.
   (b) For the second offense, is guilty of a gross misdemeanor.
   (c) For the third and all subsequent offenses, is guilty of a category D felony and shall be punished as provided in NRS 193.130.
   = The court may require the natural person, firm, or officer or managing agent of the corporation or association to pay to the aggrieved party damages on all profits derived from the knowing and willful engagement in a deceptive trade practice and treble damages on all damages suffered by reason of the deceptive trade practice.

4. Any offense which occurred within 10 years immediately preceding the date of the principal offense or after the principal offense constitutes a prior offense for the purposes of subsection 3 when evidenced by a conviction, without regard to the sequence of the offenses and convictions. If the Attorney General or the district attorney of any county of this State files a criminal complaint alleging that a violation of this chapter includes any charges for theft or racketeering, the violation must be charged as a category B felony.

(b) If the defendant is a corporation, dissolution of the corporation.

The court may grant or deny the relief sought or may order other appropriate relief.

(b) If the defendant is a corporation, dissolution of the corporation.

The court may grant or deny the relief sought or may order other appropriate relief.

Assemblyman Hickey moved the adoption of the amendment.

Remarks by Assemblyman Hickey:

Assemblyman Hickey:
Amendment 708 to Assembly Bill 481 removes sections 1, 2, 11, and 13 and reinstates certain provisions proposed to be deleted in sections 8 and 9. It requires administrative fines received by the Director to be deposited in the State General Fund rather than the revolving account and any grant funds received be deposited in the account.

ASSEMBLYWOMAN DIAZ:
Senate Bill 36 provides an exemption to state business licensing requirements such that an out-of-state business that provides vehicles or equipment to assist with a wildfire, flood, earthquake, or other emergency on a short-term basis need not hold a state business license and may legally pay an employee who provides services according to the provisions of the bill. This bill is effective upon passage and approval.

ASSEMBLYMAN GARDNER:
Senate Bill 38 requires persons who manufacture, sell, or distribute gaming associated equipment to be registered with the Nevada Gaming Commission and requires the Commission to develop appropriate regulations for such registration. The Commission is also directed to adopt regulations governing the registration of certain club venue employees and related matters.

Additionally, the bill broadens the range of charitable and professional organizations that are authorized to conduct charitable lotteries in the state and allows for the conduct of multicounty charitable events subject to regulatory approval.

Finally, Senate Bill 38 revises several definitions related to manufacturers of gaming-associated equipment and repeals obsolete provisions concerning the granting of certain gaming licenses. This bill is effective upon passage and approval for the purpose of adopting regulations and performing other preparatory administrative tasks, and on July 1, 2015, for all other purposes.

ASSEMBLYWOMAN CARLTON:
My one concern with Senate Bill 38 was under section 1.7 as far as requiring a club venue employee to register with the board in the same manner as a gaming employee. I am very happy to see that language; it is something I brought up years ago. When the day clubs started, even though they were subcontracted out, the employees did not have to go through the same criteria that other gaming employees would have to go through, so I am glad to see and hope that this means they will be fingerprinted, background checked, and will have sheriff’s cards in the future to secure the safety and security of our gaming establishments.

controlled substance to an injured employee. Any additional doses that are prescribed must be provided by a registered pharmacy. A health care provider must include the original manufacturer’s National Drug Code for the drug on all bills and reports submitted to the insurer. The measure requires an insurer to pay or deny a health care provider’s bill for accident benefits within 45 days of receipt.

In addition, Senate Bill 231 removes the rebuttable presumption provisions concerning a workplace injury that occurs while an employee is under the influence of alcohol or drugs and replaces those provisions with a requirement that the employee not receive compensation unless he or she can prove by clear and convincing evidence that being intoxicated or under the influence of a controlled or prohibited substance was not the proximate cause of the injury.

Finally, the results of any alcohol or drug test performed as a result of an injury must be made available to an insurer or employer upon request.

ASSEMBLYWOMAN BUSTAMANTE ADAMS:
Senate Bill 232 provides a right to reimbursement in situations in which an insurer, managed care organization, third-party administrator, or employer appeals an order of a hearing officer, appeals officer, or district court and the order is not stayed pending the appeal. In such a situation, if the appeal is successful, the insurer, managed care organization, third party administrator, or employer is entitled to seek reimbursement from the injured employee’s health or casualty insurer for payments made while the appeal was pending.

The bill also revises provisions concerning the reopening of a claim such that an employee has one year to file an application to reopen a claim if the employee was not incapacitated from earning full wages for at least 5 consecutive days or 5 cumulative days within a 20-day period. Further, the measure provides that an employee who has sustained more than one permanent partial disability may not receive compensation for any portion of the injury that is based on a combined permanent partial disability rating for all the employee’s injuries that exceeds 100 percent.

This bill is effective upon passage and approval for the purposes of adopting any regulations or performing any preparatory administrative tasks and on January 1, 2016, for all other purposes.

ASSEMBLYWOMAN KIRKPATRICK:
I would like the record on Senate Bill 232 to be clear. Some statements were made in the committee, and they were not incorporated into the floor statement because I don’t believe the bill was ever justified. I would like the record to refer to the statements that were made in committee on behalf of this bill. The person who proposed the bill said it did not affect or it was not the intent on what the time frame was that you had to be off. I want to be very sure that if there is ever a challenge to it legally, there is a great record in the committee. I would hope that this would be put in the journal because I feel that the floor statement did not address it. To me that is not okay because I might have changed my vote.

At the request of Assemblywoman Kirkpatrick, Mr. Speaker directed that the following committee record be entered in the journal.

(The committee record will be included in the final journal.)

Senate Bill 242 enacts the Payday Lender Best Practices Act, which adopts certain provisions of the Community Financial Services Association of America’s Best Practices for the Payday Loan Industry. The provisions of this bill apply to a licensee operating a deferred deposit loan service, a high-interest loan service, or a title loan service.

I have seen many payday loan bills come before our body in my time, but this is the first one I am actually going to vote for. We do want to have consistent best practices as other states have, and I think this will be beneficial to the folks in our state who use this type of financial service. I urge your support.

Legislative Counsel's Digest:
Existing law requires the Board of Wildlife Commissioners to establish policies for the management of wildlife in this State and to establish policies and adopt regulations necessary to the preservation, protection, management and restoration of wildlife and its habitat. (NRS 501.105, 501.181) Sections 1 and 1.2 of this bill require the Commission, in establishing such policies and adopting such regulations, to first consider the recommendations of the Department of Wildlife, the county advisory boards to manage wildlife and other persons who present their views at an open meeting of the Commission.

Existing law establishes a county advisory board to manage wildlife in each of the counties of this State. (NRS 501.260) Sections 1.4-1.6 of this bill make various changes relating to those boards.

Existing law provides that in addition to any fee charged and collected for a game tag, a fee of $3 must be charged for processing each application for a game tag, the revenue from which must be deposited with the State Treasurer for credit to the Wildlife Fund Account in the State General Fund and used by the Department for costs related to certain programs, management activities and research relating to wildlife. (NRS 502.253) Section 4 of this bill revises the provisions governing the use of this money. Section 4 also requires the [Commission] Department, before adopting any program for the management and control of predatory wildlife, to consider the
recommendations of the State Predatory Animal and Rodent Committee, the county advisory boards to manage wildlife and other persons who present their views at an open meeting before approving certain programs, activities and research.

Existing law creates and governs the State Predatory Animal and Rodent Committee. (NRS 567.010-567.090) Section 5 of this bill adds two new members to the Committee and establishes their qualifications. Section 8 of this bill requires the Chair to designate the two additional members described in section 5 of this bill as soon as practicable after the effective date of this bill. Assemblywoman Titus moved that the Assembly adopt the report of the Conference Committee concerning Assembly Bill No. 78.

Remarks by Assemblywoman Titus.

ASSEMBLYWOMAN TITUS:
The Conference Committee Report with Amendment 1 does several things. It concurs in two Senate amendments, 261 and 583. The conference amendment also requires the Department of Wildlife to consider the recommendations of the Wildlife Commission and the Predatory Animal and Rodent Committee before adopting programs for managing and controlling predators. It also makes a minor change to the time frame used to calculate the percentage of money to be spent on the predator control. For the new members of the Predatory Animal and Rodent Committee appointed to represent hunters and sports people, it only excludes persons with a wildlife violation in the past year rather than the past five years.

Motion carried by a constitutional majority.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 136.
The following Senate amendment was read:

Amendment No. 700.

AN ACT relating to wildlife; requiring the Board of Wildlife Commissioners to adopt regulations prescribing the circumstances under which a person may assist a licensed hunter with certain disabilities in the killing and retrieval of a big game mammal; requiring the Department of Wildlife to make reasonable accommodations for the completion of a course in the responsibilities of hunters by persons with disabilities; authorizing a person hunting during a period of a hunting season in which hunting is restricted to the use of only archery equipment or a muzzle-loading firearm to carry certain handguns for self-defense; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law requires the Board of Wildlife Commissioners to establish certain policies and adopt certain regulations.
to carry out and enforce the provisions of title 45 of NRS and chapter 488 of NRS. (NRS 501.181) Section 2.1 of this bill requires the Commission to adopt regulations prescribing the circumstances under which a person may assist in the killing and retrieval of a wounded big game mammal by another person who: (1) is a paraplegic, has had one or both legs amputated or has suffered a paralysis of one or both legs which severely impedes the person’s walking; and (2) has obtained a valid tag issued by the Department for hunting that animal.

Existing law authorizes the Department of Wildlife to provide a course of instruction in the responsibilities of hunters and requires a person to complete such a course before obtaining a hunting license. (NRS 502.330, 502.340) Section 2.5 of this bill requires the Department to make reasonable accommodations for the completion of the course in the responsibilities of hunters by a person with a disability.

Existing law provides for the manner of hunting game birds and game mammals. Assembly Bill No. 189.
The following Senate amendment was read:
Amendment No. 679.
AN ACT relating to special license plates; authorizing the Commission on Special License Plates to request the Legislative Commission to direct the Legislative Auditor to perform an audit of certain charitable organizations which receive additional fees collected by the Department of Motor Vehicles for special license plates; revising provisions regarding the application submitted to the Department by certain persons seeking a special license plate intended to generate financial support for an organization; revising provisions requiring certain charitable organizations which receive additional fees paid for special license plates to provide certain documents and records annually to the Commission on Special License Plates; and providing other matters properly relating thereto.
Legislative Counsel's Digest:

Under existing law, certain persons may apply to the Department of Motor Vehicles for the design, preparation and issuance of a special license plate that is intended to generate financial support for a charitable organization. The application must include certain information about the person requesting the special license plate, the charitable organization, if different from the person requesting the special license plate, and information about the intended use of the financial support. (NRS 482.367002) Section 6 of this bill requires that such an application also include a budget prepared by or for the charitable organization if the charitable organization is not a governmental entity whose budget is included in the executive budget. Section 6 also requires the Department to notify the Commission on Special License Plates (hereinafter referred to as “the Commission”) and the charitable organization upon making a determination to issue the special license plate.

Existing law requires each charitable organization, not including a governmental entity whose budget is included in the executive budget, that receives fees from the sale of special license plates to prepare and submit annually to the Commission a balance sheet and a recent bank statement. (NRS 482.38277) The Commission is required to provide those documents to the Legislative Auditor, who is required to prepare a final written report for the Commission regarding the propriety of the financial administration and recordkeeping of the charitable organization. (NRS 482.38278) Section 2 of this bill authorizes the Commission to request the Legislative Commission to direct the Legislative Auditor to perform an audit of any charitable organization that receives fees from the sale of special license plates if the Commission has reasonable cause to believe or has received a credible complaint that the charitable organization has: (1) filed with the Commission or the Department forms or records that are inadequate or inaccurate; (2) committed improper practices of financial administration; or (3) failed to use adequate methods and procedures to ensure that all money received in the form of additional fees from special license plates is expended solely for the benefit of the intended recipient. The Commission may also request the Legislative Commission to direct the Legislative Auditor to perform such an audit if the Commission determines that an investigation and audit are reasonably necessary to assist the Commission in administering any provision of existing law which the Commission is authorized to administer.

Existing law also requires each charitable organization, not including a governmental entity whose budget is included in the executive budget, that receives fees from the sale of special license plates to prepare and submit annually to the Commission updated information regarding the telephone number and mailing address of the charitable organization and the names of
persons who are responsible for overseeing the operation of the charitable organization. (NRS 482.38277) **Section 8** of this bill further requires that the charitable organization provide the Commission annually with a report on the budget of the organization which provides details about how the fees received from the special license plates have been expended and a copy of the most recent federal tax return of the organization, if any, including all schedules related thereto. **Section 8** also requires the charitable organization: (1) to post annually on its Internet website the most recent federal tax return of the charitable organization, if any, including all schedules related thereto; or (2) if the charitable organization does not have an Internet website, to publish annually the most recent federal tax return of the charitable organization, if any, including all schedules related thereto, in a newspaper of general circulation in the county where the charitable organization is based.

Existing law authorizes the Commission to recommend that the Department take adverse action against a charitable organization that receives fees from the sale of special license plates if the Commission makes certain determinations about the organization, and after the organization has had an opportunity for a hearing on those determinations. The adverse action recommended may include the suspension of the collection of all additional fees collected on behalf of the charitable organization and the suspension of production of the special license plates from which the charitable organization receives additional fees, if the Department is still producing that design. (NRS 482.38279) **Section 10** of this bill adds to the criteria on which the Commission may base such a determination the results of an audit prepared by the Legislative Auditor pursuant to **section 2**.

**Section 4** of this bill provides that [all certain] records [related to the receipt or use of money] submitted to the Commission by a charitable organization that receives fees from the sale of special license plates are public records and are available for public inspection. **Existing law provides that any personally identifiable information contained in such public records is confidential.** (Chapter 239 of NRS, NRS 239B.030)

Amendment No. 718.

SUMMARY—Revises provisions relating to the regulation of notaries public and document preparation services; revising provisions relating to the authentication by the Secretary of State of certain information contained on notarized documents; revising the definition of “document preparation service” to exclude certain nonprofit organizations and collection agencies; making various changes relating to the regulation of document preparation services; authorizing the Secretary of State to adopt regulations prescribing procedures to prevent the filing of certain documents in his or her office; providing a penalty; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:

Existing law prohibits persons with certain criminal convictions from becoming notaries public and provides for the revocation of the appointment of notaries public who are convicted of certain crimes. (NRS 240.010, 240.150) Sections 1 and 6 of this bill clarify that those convictions include a conviction that follows a plea of nolo contendere or no contest. Section 1 also prohibits the Secretary of State from appointing as a notary public a person whose previous appointment as a notary public in this State or another state has been revoked for cause.

Existing law prohibits a person who has not been appointed as a notary public from representing himself or herself as a notary public. (NRS 240.010) Section 1 expands this prohibition to include those persons whose appointment has expired or been suspended or revoked, and provides a civil penalty for such a violation.

Existing law requires that applicants for appointment as notaries public complete 4 hours of instruction relating to the functions and duties of notaries public. (NRS 240.018) Section 3 of this bill shortens the course to 3 hours and requires an examination. Section 3 also requires a person renewing his or her appointment as a notary public to retake the course, and allows the Secretary of State to require a notary public who has violated any provision of chapter 240 of NRS to retake the course. Additionally, section 3 authorizes the Secretary of State to use an outside vendor to administer the course and examination. Section 6.5 of this bill makes similar conforming changes to the course and examination requirements for an electronic notary public.

Existing law requires the Secretary of State to issue, upon request and the payment of certain fees, an authentication to verify that: (1) the signature of a notarial officer on a document is valid; and (2) the notarial officer holds the office indicated on the document. (NRS 240.1657) Section 6.3 of this bill requires a request for authentication to include a statement signed under penalty of perjury that the document will not be used to: (1) harass a person; or (2) accomplish any fraudulent, criminal or other unlawful purpose. Section 6.3 also prohibits bringing a civil action against the Secretary of State on the basis that: (1) the Secretary of State has issued an authentication; and (2) the document has been used to harass a person or accomplish any fraudulent, criminal or other unlawful purpose. Additionally, section 6.3 provides that a person who uses a document for which an authentication has been issued for such unlawful purposes is guilty of a category C felony.
Existing law prohibits certain actions by notaries public. (NRS 240.075) Section 4 of this bill prohibits a notary public from affixing his or her stamp to any document which does not contain a notarial certificate.

Existing law prohibits the use of the Spanish term “notario” or “notario publico” in any signage or advertisement by a notary public who is not also an attorney licensed to practice law in this State. (NRS 240.085) Section 5 of this bill extends this prohibition to the employers of notaries public, and requires the imposition of a civil penalty for violating such a prohibition.

Existing law requires that a person who wishes to register as a documentation preparation service must be a citizen or legal resident of the United States. (NRS 240A.100) Section 9 of this bill allows a person who holds employment authorization from the United States Citizenship and Immigration Services to register as a documentation preparation service. Section 9 also provides that an application for registration that is not completed within 6 months must be denied. Finally, section 9 prohibits the Secretary of State from registering as a documentation preparation service any person whose previous registration as a document preparation service in this State or another state has been revoked for cause.

Existing law exempts certain persons from registering as a documentation preparation service. (NRS 240A.030) Section 8 of this bill clarifies which nonprofit organizations and commercial registered agents are not required to register and adds collection agencies to the list of such persons.

Existing law requires that a document prepared by a documentation preparation service must include the name, address, phone number and registration number of the document preparation service. (NRS 240A.200) Section 11 of this bill deletes this requirement but requires a document preparation service to provide this information on any document on which the information is requested.

Section 7 of this bill specifically authorizes the Secretary of State to inspect the documents required to be maintained by document preparation services to ensure compliance with the law.

Existing law authorizes the Secretary of State to adopt regulations prescribing procedures to prevent the filing of false or forged documents in his or her office. (NRS 225.083) Section 11.5 of this bill authorizes the Secretary of State also to adopt regulations prescribing procedures to prevent the filing of documents in his or her office that: (1) are fraudulent; (2) contain a false statement of material fact; or (3) are filed for the purpose of harassing or defrauding a person.

This bill provides that if a person has previously been convicted two or more
times of placing graffiti on or otherwise defacing public or private property
or has previously been convicted of a felony for such conduct, and the person
commits another such violation, regardless of the value of the loss, the person
is guilty of a category [C] D felony.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The court may, in addition to any other fine or penalty imposed, order a person who violates subsection 1 to pay restitution.

The parent or legal guardian of a person under 18 years of age who violates this section is liable for all fines and penalties imposed against the person.
