SECOND READING AND AMENDMENT

Assembly Bill No. 436.
Bill read second time.
The following amendment was proposed by the Committee on Ways and Means:
Amendment No. 920.
AN ACT relating to state employees; revising provisions relating to compensation of state employees to eliminate longevity pay for such employees; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law provides for a plan to encourage continuity of service for state employees whereby each employee with 8 years or more of continuous state service is entitled to a semiannual payment which begins at $75 and increases annually after that for each year of continuous service to a maximum semiannual payment of $1,175 (referred to commonly as “longevity pay”). (NRS 284.177) Section 5 of this bill repeals that provision, but does not
affect any longevity pay of local governmental employees, and sections 1-4 and 2 of this bill make conforming changes to reflect that repeal.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 281.123 is hereby amended to read as follows:

281.123 1. Except as otherwise provided in subsection 3 or NRS 281.1233, or as authorized by statute referring specifically to that position, the salary of a person employed by the State or any agency of the State must not exceed 95 percent of the salary for the office of Governor during the same period.

2. As used in subsection 1, the term “salary”:
(a) Includes any:
(1) Payment received by an employee for being available to work although the employee was not actually required to perform the work; and
(2) Increase in salary provided to compensate for a rise in the cost of living; and
(3) Payment received under a plan established to encourage continuity of service; and
(4) Payment received as compensation for purportedly performing additional duties.
(b) Excludes any:
(1) Payment received as compensation for overtime even if that payment is otherwise authorized by law; and
(2) Rent or utilities supplied to an employee if the employee is required by statute or regulation to live in a particular dwelling.

3. The provisions of subsection 1 do not apply to the salaries of:
(a) Dentists and physicians employed full-time by the State; or
(b) Officers and employees of the Nevada System of Higher Education.

Sec. 2. NRS 284.3775 is hereby amended to read as follows:

284.3775 1. Except as otherwise provided in this section, employees of the Supreme Court, employees of the Court of Appeals, employees in the unclassified service of the Executive Branch of the Government of the State of Nevada, or employees of the Legislative Branch of the Government of the State of Nevada who have served for 4 consecutive months or more are entitled to transfer to a position having similar duties and compensation in the classified service of the State on the same basis as employees may transfer within the classified service from a position under one appointing authority to a position under another appointing authority. The benefit conferred by this subsection includes any exemption from the taking of a competitive examination, retention of credits for annual and sick leave, and priority on the lists of eligible persons to the extent that such
privileges are accorded to employees transferring within the classified service.

2. Except as otherwise provided in subsection 4, the benefits conferred by subsection 1 do not apply to an employee in the unclassified service who is the chief officer of a department or division.

3. Except as otherwise provided in this subsection and subsection 4, a person may not transfer pursuant to subsection 1 to a class composed of:

(a) Professionally qualified persons; or

(b) Officers and administrators who set broad policies and exercise responsibility for the execution of those policies.

4. A person may transfer to a class described in paragraph (a) or (b) if that class is provided for pursuant to subsection 2 of NRS 284.155.

5. The restrictions provided in subsections 2 and 3 do not apply to an employee of the Supreme Court, an employee of the Court of Appeals, an employee in the unclassified service of the Executive Branch of Government or an employee of the Legislative Branch of Government whose appointment to that position was immediately preceded by an appointment in the classified service, except that such an employee may only transfer to a position in the classified service that has duties and compensation that are similar either to the employee’s current position or to a position the employee previously held in the classified service.

6. An employee in the classified service of the State who is granted leave without pay to accept a position in the Legislative Branch of Government during a regular or special session:

(a) Is entitled to be restored to the employee’s previous position in the classified service upon the completion of the legislative session without loss of seniority or benefits. Seniority must be calculated as if the employee had not taken the leave.

(b) Is eligible to fill vacancies in positions within the classified service to the extent that the employee would be eligible if the employee was not on leave from the employee’s position in the classified service.

6. An employee of the Legislative Branch of the Government of the State of Nevada who is employed at the conclusion of a regular session of the Legislature and is eligible at that time pursuant to subsection 1 to transfer to a position having similar duties and compensation in the classified service of the State may transfer to such a position on or before November 1 following session notwithstanding the termination of the employee’s employment with the Legislative Branch of Government before that date. For the purposes of this section, the weekly compensation of a person paid a daily salary during a legislative session is seven times the daily salary.
Sec. 3. NRS 1A.030 is hereby amended to read as follows:

1A.030  1. “Compensation” means the salary paid to a justice of the Supreme Court, a judge of the Court of Appeals or a district judge by this State, to a justice of the peace by a county or to a municipal judge by a city, including:
   (a) Base pay, which is the monthly rate of pay excluding all fringe benefits;
   (b) Additional payment for longevity, if applicable; and
   (c) Payment for extra duty assignments if it is the standard practice of this State, the county or the city to include such pay in the employment contract or official job description for the calendar year in which it is paid and such pay is specifically included in the justice’s or judge’s employment contract or official job description.
2. The term does not include any type of payment not specifically described in this section. (Deleted by amendment.)

Sec. 4. NRS 3.030 is hereby amended to read as follows:

3.030  1. Until the first Monday in January 2009, the annual base salary of each district judge is $130,000. From and after the first Monday in January 2009, the annual base salary of each district judge is $160,000.
2. If a district judge has served in his or her office for at least 4 years, the district judge is entitled to an additional salary of 2 percent of his or her annual base salary for each year of service. The additional salary must not exceed 22 percent of his or her annual base salary.
3. The annual base salaries and the additional salary for longevity must be paid in biweekly installments out of the State Judicial Elected Officials Account of the Supreme Court.
4. No salary of any district judge may be paid in advance. (Deleted by amendment.)

Sec. 5. NRS 284.177 and 284.179 are hereby repealed.

Sec. 6. This act becomes effective upon passage and approval.

TEXT OF REPEALED SECTIONS

Except as otherwise provided in NRS 284.179, an employee rated standard or better with 8 years or more of continuous service is entitled to receive a semiannual payment of $75 plus:
   (a) An annual increase of $25 in the semiannual payment for each year of the employee’s ninth through fourteenth years of continuous service;
(b) An annual increase of $50 in the semiannual payment for each year of the employee’s fifteenth through twenty-fourth years of continuous service; and

(c) An annual increase of $75 in the semiannual payment for each additional year of continuous service after 24 years, up to a maximum of 30 years of continuous state service.

2. An interruption in continuous state service terminates the employee’s eligibility for additional pay pursuant to subsection 1.

3. Except as otherwise provided in this subsection, no year served before the interruption may be counted in determining the employee’s subsequent eligibility. This provision does not apply to an employee who was employed before July 1, 1981, unless the employee leaves state service after that date.

4. As used in this section, “continuous service” means uninterrupted service as defined by the Commission.

82.193, 86.263, 87.541, 87A.560 or 88.591, pay to the Administrator a fee
established by regulation of the Administrator for every unit in the
association used for residential use.

(b) If the association is organized as a trust or partnership, or as any other
authorized business entity, pay to the Administrator a fee established by
regulation of the Administrator for each unit in the association.

2. If an association is subject to the governing documents of a master
association, the master association shall pay the fees required pursuant to this
section for each unit in the association that is subject to the governing
documents of the master association, unless the governing documents of the
master association provide otherwise. The provisions of this subsection do
not relieve any association that is subject to the governing documents of a
master association from its ultimate responsibility to pay the fees required
pursuant to this section to the Administrator if they are not paid by the master
association.

3. The fees required to be paid pursuant to this section must be:

(a) Paid at such times as are established by the Division.

any subsidy beyond those actual costs. In no event may the fees required to
be paid pursuant to this section exceed $5 per unit.

4. The Division shall impose an administrative penalty against an
association or master association that violates the provisions of this section
by failing to pay the fees owed by the association or master association
within the times established by the Division. The administrative penalty that
is imposed for each violation must equal 10 percent of the amount of the fees
owed by the association or master association or $500, whichever amount is
less. The amount of the unpaid fees owed by the association or master
association bears interest at the rate set forth in NRS 99.040 from the date the
fees are due until the date the fees are paid in full.
5. A unit’s owner may not be required to pay any portion of the fees or any administrative penalties or interest required to be paid pursuant to this section to both an association and a master association.

6. An association that is subject to the governing documents of a master association may not be required to pay any portion of the fees or any administrative penalties or interest required to be paid pursuant to this section to the extent they have already been paid by the master association.

7. A master association may not be required to pay any portion of the fees or any administrative penalties or interest required to be paid pursuant to this section to the extent they have already been paid by an association that is subject to the governing documents of the master association.

8. Upon the payment of the fees and any administrative penalties and interest required by this section, the Administrator shall provide to the association or master association evidence that it paid the fees and the administrative penalties and interest in compliance with this section.

9. Any person, association or master association which has been requested or required to pay any fees, administrative penalties or interest pursuant to this section and which believes that such fees, administrative penalties or interest has been imposed in error may, without exhausting any available administrative remedies, bring an action in a court of competent jurisdiction to recover:

(a) Any amount paid in error for any fees, administrative penalties or interest during the immediately preceding 3 years;

(b) Interest on the amount paid in error at the rate set forth in NRS 99.040; and

Amendment No. 815.  
AN ACT relating to economic development; authorizing a person who locates or expands a data center in this State to apply to the Office of Economic Development for a partial abatement of certain property taxes and local sales and use taxes; establishing criteria by which a data center may qualify for such a partial abatement; establishing the maximum duration and percentage of such partial abatements; requiring the Office to approve an application for a partial abatement if the applicant meets the criteria for eligibility; authorizing the Office to approve a partial abatement of taxes for certain qualified businesses that collocate with a data center for which a partial abatement has been approved; revising provisions governing eligibility for a partial abatement of certain property taxes and sales and use taxes for a data center that is or will be located in a historically underutilized business zone, a redevelopment area, an area eligible for a community development block grant or an enterprise community; and providing other matters properly relating thereto.  
Legislative Counsel’s Digest:
Existing law authorizes the Office of Economic Development to grant a partial abatement of property taxes, business taxes and sales and use taxes to a business that locates or expands in this State and meets certain qualifications for the abatement. (NRS 274.310, 274.320, 360.750, 361.0687, 363B.120, 374.357, 701A.210) **Section 1** of this bill authorizes the Office of Economic Development to grant a partial abatement of property taxes and
local sales and use taxes to a data center that locates or expands in this State and meets certain qualifications. Section 1 establishes the criteria by which a data center must demonstrate eligibility for a partial abatement, including requirements concerning the number of full-time employees employed by a data center who must be residents of Nevada and minimum requirements for capital investment. If the Office of Economic Development approves a partial abatement for a data center, section 1 authorizes the Office of Economic Development to grant the same partial abatement to certain businesses that colocate with the data center. Section 5 of this bill specifies that the amount of the abatement must not exceed 75 percent of the amount of personal property taxes payable by a data center for eligible equipment and machinery located in the data center. Section 6 of this bill specifies the duration of the partial abatement applicable to the local sales and use taxes otherwise payable by a data center for eligible equipment and machinery located in the data center. Section 10.5 of this bill provides that any such abatement of the local sales and use taxes must not include, for Fiscal Year 2015-2016, an abatement of the local school support tax.

Section 1 prohibits the Office of Economic Development from approving any abatements pursuant to the provisions of sections 1-6, 7-9 and 10-12 of this bill on or after January 1, 2036, but, pursuant to section 13 of this bill, the provisions of sections 1-6, 7-9 and 10-12 will remain effective until December 31, 2056, so that the Office of Economic Development and the Department of Taxation may continue to administer the law with regard to any abatements approved pursuant to the provisions of this bill and in effect on January 1, 2036.

Existing law authorizes the Office of Economic Development to grant, for a period of at least 1 year but not more than 5 years, a partial abatement of property taxes and sales and use taxes to an eligible business that is or will be located in a historically underutilized business zone, a redevelopment area, an area eligible for a community development block grant or an enterprise community. Under existing law, a data center that locates in such an area is eligible for such partial abatements for a period of at least 1 year but not more than 15 years. (NRS 274.310, 274.320, 274.330, 374.358) Sections 6.5, 9.3-9.7 and 12.5 of this bill delete the provisions which apply specifically to a data center which is or will be located in a historically underutilized business zone, a redevelopment area, an area eligible for a community development block grant or an enterprise community.

Assemblyman Armstrong moved the adoption of the amendment.

Remarks by Assemblyman Armstrong.

Assemblyman Armstrong: Amendment 815 reduces the number of employees and capital investment required for an abatement that may be approved for a period not to exceed ten years. It also requires that employees hired for the data center be Nevada residents in order to meet the eligibility requirement. It also specifies that at least 50 percent of the employees involved in any construction of the data center be Nevada residents. It also specifies that the requirements for Nevada employees and capital investment be met in each county in which the data center intends to operate. It also requires that a colocated business receiving abatement obtain a state business

{...
license. It also limits the definition of “eligible machinery and equipment” to only those items necessary to and specifically related to the business of the data center or collocated business, specifically excluding vehicles from the definition, and specifies the Office of Economic Development may not approve an abatement of the Local School Support Tax in Fiscal Year 2016. For Fiscal Year 2017 and future fiscal years, the abatements for sales and use tax include the Local School Support Tax.
