Senate called to order at 12:28 p.m.
President Hutchison presiding.
Roll called.
All present except Senator Smith, who was excused.
Prayer by the Chaplain, Senator Spearman.

God,
Creator of the universe, giver of all that is good, and champion for the poor, downtrodden, and those living in the social margins. This time is the intersection of holy days for your people. Passover for our Jewish brothers and sisters and Easter tide for Christians. We come this day thanking you for all the gifts of life we enjoy. Let us not be comfortable with our blessings while suffering, discrimination, oppression and castigation exist in the world.
Troubling our hearts and minds to work for justice and equality for all of Your Children. Agitate us to consider the plight of the poor, sick, the weak, infirmed and vulnerable as we deliberate policies.
By Your Spirit keep us concerned about the difficulty of the distressed, oppressed and depressed who live among us, without the opportunity to live life to its fullest.
As you were present at the beginning of time and brought order out of Chaos, be present with us today as we deliberate matters that affect the lives of all Nevadans. Let us do so without malice, selfishness or acrimony. Fill us with your love, endow us with your wisdom and give us a spirit of humility so that all we do on this day reflects your will for peace, justice and equitable treatment of all of humanity.
This is our hope and petition. We close this prayer with the firm belief that you have heard our concerns and now empower us to accomplish the tasks set before us with truthfulness and without deceitful motivation.
In the name of the Creator who is concerned about all of creation and the God of the universe we declare this prayer answered. For all of Abraham’s children (Isaac, Ishmael and Christian descendants). For those who follow Jesus, the Jewish Carpenter—Amen (Christian). For the descendants of Isaac the Jewish blessing—Shalom. And, the descendants of Ishmael, Salla Allahu ta’ala ‘alayhi wa Sallam (Muslim).

AMEN.

Pledge of Allegiance to the Flag.

SECOND READING AND AMENDMENT

Senate Bill No. 24.
Bill read second time.

The following amendment was proposed by the Committee on Commerce, Labor and Energy:
Amendment No. 64.
AN ACT relating to unemployment compensation; authorizing certain members of the Nevada Army National Guard and Nevada Air National Guard to receive unemployment benefits under certain circumstances; authorizing the Administrator of the Employment Security Division of the Department of Employment, Training and Rehabilitation to make certain information available to the Board of Regents of the University of Nevada and the Director of the Department; revising the manner in which certain claims of recipients of benefits for workers’ compensation are compared against claims for unemployment benefits to determine whether any simultaneous claiming of benefits has occurred; revising the manner in which a person who has received certain benefits or money may elect a base period; revising the period within which the Administrator may recover certain overpayments; expanding the circumstances under which a person may commit unemployment insurance fraud; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law excludes certain types of employment, including service as a member of the Nevada National Guard or Nevada Air National Guard, from the definition of “employment” for the purposes of qualifying for unemployment benefits. (NRS 612.115) Section 1 of this bill amends this definition to include members of the Nevada Army National Guard and Nevada Air National Guard who have been ordered to active duty under certain circumstances.

Existing law calls for the development and oversight of a statewide longitudinal data system to track the effectiveness of this State’s K-12 and postsecondary public education in meeting this State’s workforce needs. (NRS 400.040) As part of this system, the Board of Regents of the University of Nevada is required to submit a written report biennially to the Legislature, which must include information on various subjects including, without limitation, employment statistics of graduates of the Nevada System of Higher Education who have obtained employment within their fields of study and average starting salaries. (NRS 396.531) This information must be based on employment and wage information provided by the Department of Employment, Training and Rehabilitation. Furthermore, the Director of the Department is required to furnish that information to the Board of Regents. (NRS 232.920) Existing law, however, makes employment information collected by the Employment Security Division of the Department confidential and prohibits the release of that information except for limited specified purposes, including the enforcement of child support obligations or tax obligations, the collection of government debts, the determination of eligibility for public assistance and the furtherance of a criminal investigation. (NRS 612.265)

Section 1.5 of this bill allows the Administrator of the Division, by cooperative agreement, to make the required employment and wage information available to the Board of Regents and the Director of the
Department in order to facilitate the required reporting of statistics to the Legislature.

Existing law requires private carriers that provide industrial insurance to provide the names of recipients of workers’ compensation to the Administrator of the Employment Security Division of the Department to be compared against the list of recipients of unemployment benefits, to determine whether of those recipients are simultaneously claiming benefits for workers’ compensation and unemployment benefits. Existing law also authorizes the Administrator to charge a fee for comparing the information. (NRS 612.265)

Section 1.5 makes providing such names the responsibility of the Division of Industrial Relations of the Department of Business and Industry. Section 1.5 also removes the authority of the Administrator to charge a fee for comparing the information.

Existing law provides that the amount of a person’s unemployment benefit is based on the person’s wages during a base period preceding the unemployment. (NRS 612.340) If a person who has received certain types of compensation relating to a disability or rehabilitative services is subsequently applying for unemployment benefits, existing law provides that the person may elect a base period preceding the disability, so long as such an election is made within 3 years after the initial period of disability began. (NRS 612.344) Section 2 of this bill amends this requirement so that the election of a base period may be made within 3 years after any period of disability begins.

Existing law authorizes the Administrator of the Division to recover any overpayment of benefits at any time up to 5 years after notice of the overpayment. (NRS 612.365) Section 3 of this bill extends this period to 10 years in cases involving fraud, misrepresentation or willful nondisclosure.

Existing law prohibits a person from knowingly making a false statement or representation or knowingly failing to disclose a material fact in order to obtain or increase any benefit or other payment under chapter 612 of NRS governing unemployment compensation. A person who violates such a prohibition commits unemployment insurance fraud and is subject to disqualification and repayment of any benefits received by the person. If the person receives benefits in the amount of $650 or more the person is also subject to prosecution for a felony. (NRS 612.445) Section 4 of this bill expands the circumstances under which a person may commit unemployment insurance fraud by providing that the person commits such fraud if the person: (1) files a claim for or receives benefits; and (2) fails to disclose, at the time he or she files the claim or receives the benefits, any compensation for certain work-related disabilities or of any money for rehabilitative services received by the person or for which a claim has been submitted.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 612.115 is hereby amended to read as follows:
"Employment" includes service performed in the employ of this State, or of any political subdivision thereof, or of any instrumentality of this State or its political subdivisions which is owned by this State or one or more of its political subdivisions alone or in conjunction with one or more other states or political subdivisions thereof, which is excluded from the definition of "employment" by the provisions of 26 U.S.C. § 3306(c)(7), except service:

(a) As an elected official;
(b) As a member of a legislative body, or a member of the judiciary, of the State or a political subdivision;
(c) As a member of the Nevada Army National Guard or Nevada Air National Guard, unless the member:
   (1) Was ordered to full-time, active duty for at least 90 consecutive days;
   (2) Is paid under title 32 of the United States Code;
   (3) Is released from military service under an eligible reason for separation pursuant to the Unemployment Compensation for Ex-servicemembers, or 20 C.F.R. §§ 614.1 et seq.; and
   (4) Is otherwise entitled to receive benefits;
(d) In employment serving on a temporary basis in case of fire, storm, snow, earthquake, flood or similar emergency;
(e) In a position which, pursuant to state law, is designated as a major nontenured policymaking or advisory position, or a policymaking or advisory position the performance of the duties of which ordinarily does not require more than 8 hours per week; or
(f) By an inmate of a custodial or penal institution.

Every department of this State, and every political subdivision thereof, and each of the instrumentalities of this State and its political subdivisions, shall become an employer as provided in this chapter.

"Employment" does not include service performed:

(a) In a facility conducted for the purpose of carrying out a program of rehabilitation for persons whose earning capacity is impaired by age or physical or mental deficiency or injury, or providing remunerative work for persons who, because of their impaired physical or mental capacity, cannot be readily absorbed in the competitive labor market by a person receiving such rehabilitation or remunerative work; or
(b) As part of an unemployment work-relief or work-training program assisted or financed in whole or in part by any federal agency or an agency of a state or political subdivision thereof, by a person receiving such work relief or work training.

NRS 612.265 is hereby amended to read as follows:

Except as otherwise provided in this section and NRS 239.0115 and 612.642, information obtained from any employing unit or person pursuant to the administration of this chapter and any determination
as to the benefit rights of any person is confidential and may not be disclosed or be open to public inspection in any manner which would reveal the person’s or employing unit’s identity.

2. Any claimant or a legal representative of a claimant is entitled to information from the records of the Division, to the extent necessary for the proper presentation of the claimant’s claim in any proceeding pursuant to this chapter. A claimant or an employing unit is not entitled to information from the records of the Division for any other purpose.

3. The Administrator may, in accordance with a cooperative agreement among all participants in the statewide longitudinal data system developed pursuant to NRS 400.040, make the information obtained by the Division available to:
   (a) The Board of Regents of the University of Nevada for the purpose of complying with the provisions of subsection 4 of NRS 396.531; and
   (b) The Director of the Department of Employment, Training and Rehabilitation for the purpose of complying with the provisions of paragraph (d) of subsection 1 of NRS 232.920.

4. Subject to such restrictions as the Administrator may by regulation prescribe, the information obtained by the Division may be made available to:
   (a) Any agency of this or any other state or any federal agency charged with the administration or enforcement of laws relating to unemployment compensation, public assistance, workers’ compensation or labor and industrial relations, or the maintenance of a system of public employment offices;
   (b) Any state or local agency for the enforcement of child support;
   (c) The Internal Revenue Service of the Department of the Treasury;
   (d) The Department of Taxation; and
   (e) The State Contractors’ Board in the performance of its duties to enforce the provisions of chapter 624 of NRS.

Information obtained in connection with the administration of the Division may be made available to persons or agencies for purposes appropriate to the operation of a public employment service or a public assistance program.

5. Upon written request made by a public officer of a local government, the Administrator shall furnish from the records of the Division the name, address and place of employment of any person listed in the records of employment of the Division. The request must set forth the social security number of the person about whom the request is made and contain a statement signed by the proper authority of the local government certifying that the request is made to allow the proper authority to enforce a law to recover a debt or obligation owed to the local government. Except as otherwise provided in NRS 239.0115, the information obtained by the local government is confidential and may not be used or disclosed for any purpose other than the collection of a debt or obligation owed to that local
government. The Administrator may charge a reasonable fee for the cost of providing the requested information.

[5.] 6. The Administrator may publish or otherwise provide information on the names of employers, their addresses, their type or class of business or industry, and the approximate number of employees employed by each such employer, if the information released will assist unemployed persons to obtain employment or will be generally useful in developing and diversifying the economic interests of this State. Upon request by a state agency which is able to demonstrate that its intended use of the information will benefit the residents of this State, the Administrator may, in addition to the information listed in this subsection, disclose the number of employees employed by each employer and the total wages paid by each employer. The Administrator may charge a fee to cover the actual costs of any administrative expenses relating to the disclosure of this information to a state agency. The Administrator may require the state agency to certify in writing that the agency will take all actions necessary to maintain the confidentiality of the information and prevent its unauthorized disclosure.

[6.] 7. Upon request therefor, the Administrator shall furnish to any agency of the United States charged with the administration of public works or assistance through public employment, and may furnish to any state agency similarly charged, the name, address, ordinary occupation and employment status of each recipient of benefits and the recipient’s rights to further benefits pursuant to this chapter.

[7.] 8. To further a current criminal investigation, the chief executive officer of any law enforcement agency of this State may submit a written request to the Administrator that the Administrator furnish, from the records of the Division, the name, address and place of employment of any person listed in the records of employment of the Division. The request must set forth the social security number of the person about whom the request is made and contain a statement signed by the chief executive officer certifying that the request is made to further a criminal investigation currently being conducted by the agency. Upon receipt of such a request, the Administrator shall furnish the information requested. The Administrator may charge a fee to cover the actual costs of any related administrative expenses.

[8.] 9. In addition to the provisions of subsection [5.] 6, the Administrator shall provide lists containing the names and addresses of employers, and information regarding the wages paid by each employer to the Department of Taxation, upon request, for use in verifying returns for the taxes imposed pursuant to chapters 363A and 363B of NRS. The Administrator may charge a fee to cover the actual costs of any related administrative expenses.

[9.] 10. [A private carrier that provides industrial insurance in this State] The Division of Industrial Relations of the Department of Business and Industry shall periodically submit to the Administrator, from information in the index of claims established pursuant to NRS 616B.018, a list containing
the name of each person who received benefits pursuant to chapters 616A to 616D, inclusive, or chapter 617 of NRS during the preceding month and request that. Upon receipt of that information, the Administrator shall compare the information so provided with the records of the Employment Security Division regarding persons claiming benefits pursuant to this chapter for the same period. The information submitted by the Division of Industrial Relations must be in a form determined by the Administrator and must contain the social security number of each such person. [Upon receipt of the request, the Administrator shall make such a comparison and, if it appears from the information submitted that a person is simultaneously claiming benefits under this chapter and under chapters 616A to 616D, inclusive, or chapter 617 of NRS, the Administrator shall notify the Attorney General or any other appropriate law enforcement agency. [The Administrator shall charge a fee to cover the actual costs of any related administrative expenses.

11. The Administrator may request the Comptroller of the Currency of the United States to cause an examination of the correctness of any return or report of any national banking association rendered pursuant to the provisions of this chapter, and may in connection with the request transmit any such report or return to the Comptroller of the Currency of the United States as provided in section 3305(c) of the Internal Revenue Code of 1954.

12. If any employee or member of the Board of Review, the Administrator or any employee of the Administrator, in violation of the provisions of this section, discloses information obtained from any employing unit or person in the administration of this chapter, or if any person who has obtained a list of applicants for work, or of claimants or recipients of benefits pursuant to this chapter uses or permits the use of the list for any political purpose, he or she is guilty of a gross misdemeanor.

13. All letters, reports or communications of any kind, oral or written, from the employer or employee to each other or to the Division or any of its agents, representatives or employees are privileged and must not be the subject matter or basis for any lawsuit if the letter, report or communication is written, sent, delivered or prepared pursuant to the requirements of this chapter.

Sec. 2. NRS 612.344 is hereby amended to read as follows:

612.344 1. A person who has received:
   (a) Benefits for a temporary total disability or a temporary partial disability pursuant to chapters 616A to 616D, inclusive, or 617 of NRS; or
   (b) Money for rehabilitative services pursuant to chapters 616A to 616D, inclusive, or 617 of NRS; or
   (c) Compensation pursuant to any similar federal law,
   may elect a base period consisting of the first 4 of the last 5 completed calendar quarters immediately preceding the first day of the calendar week in which the disability began.
2. An elected base period may be established only if the person files a claim for benefits within 3 years after any period of disability begins and not later than the fourth calendar week of unemployment after:
   (a) The end of the period of temporary total disability or temporary partial disability; or
   (b) The date the person ceases to receive money for rehabilitative services, whichever occurs later. If one calendar quarter of the described base period has been used in a previous determination of the person’s entitlement to benefits, the elected base period must be the first 4 completed calendar quarters immediately preceding the first day of the calendar week in which the disability began.

3. A person who has elected a base period pursuant to this section and who had previously established a benefit year may establish a new benefit year consisting of the 52 consecutive weeks beginning with the first day of the first week with respect to which a valid claim is filed after the period of disability ends or payments for rehabilitative services cease, whichever occurs later. The previously established benefit year terminates upon the beginning of the new benefit year.

Sec. 3. NRS 612.365 is hereby amended to read as follows:

612.365 1. Any person who is overpaid any amount as benefits under this chapter is liable for the amount overpaid unless:
   (a) The overpayment was not due to fraud, misrepresentation or willful nondisclosure on the part of the recipient; and
   (b) The overpayment was received without fault on the part of the recipient, and its recovery would be against equity and good conscience, as determined by the Administrator.

2. The amount of the overpayment must be assessed to the liable person, and the person must be notified of the basis of the assessment. The notice must specify the amount for which the person is liable. In the absence of fraud, misrepresentation or willful nondisclosure, notice of the assessment must be mailed or personally served not later than 1 year after the close of the benefit year in which the overpayment was made.

3. Except as otherwise provided in subsection 4, at any time within 5 years after the notice of overpayment, the Administrator may recover the amount of the overpayment by using the same methods of collection provided in NRS 612.625 to 612.645, inclusive, 612.685 and 612.686 for the collection of past due contributions or by deducting the amount of the overpayment from any benefits payable to the liable person under this chapter.

4. If the overpayment is due to fraud, misrepresentation or willful nondisclosure, the Administrator may, within 10 years after the notice of overpayment, recover any amounts due in accordance with the provisions of NRS 612.7102 to 612.7116, inclusive.

5. The Administrator may waive recovery or adjustment of all or part of the amount of any such overpayment which the Administrator finds to
be uncollectible or the recovery or adjustment of which the Administrator
finds to be administratively impracticable.

(5) 6. To the extent allowed pursuant to federal law, the Administrator
may assess any administrative fee prescribed by an applicable agency of the
United States regarding the recovery of such overpayments.

(6) 7. Any person against whom liability is determined under this
section may appeal therefrom within 11 days after the date the notice
provided for in this section was mailed to, or served upon, the person. An
appeal must be made and conducted in the manner provided in this chapter
for the appeals from determinations of benefit status. The 11-day period
provided for in this subsection may be extended for good cause shown.

Sec. 4. NRS 612.445 is hereby amended to read as follows:

612.445 1. A person shall not make a false statement or representation,
knowing it to be false, or knowingly fail to disclose a material fact in order to
obtain or increase any benefit or other payment under this chapter, including,
without limitation, by [failing]:

(a) Failing to properly report earnings [or by filing];

(b) Filing a claim for benefits using the social security number, name or
other personal identifying information of another person [ ]; or

(c) Filing a claim for or receiving benefits and failing to disclose, at the
time he or she files the claim or receives the benefits, any compensation for a
temporary total disability or a temporary partial disability or money for
rehabilitative services pursuant to chapters 616A to 616D, inclusive, or
617 of NRS received by the person or for which a claim has been submitted
pursuant to those chapters.

A person who violates the provisions of this subsection commits
unemployment insurance fraud.

2. When the Administrator finds that a person has committed
unemployment insurance fraud pursuant to subsection 1, the person shall
repay to the Administrator for deposit in the Fund a sum equal to all of the
benefits received by or paid to the person for each week with respect to
which the false statement or representation was made or to which the person
failed to disclose a material fact in addition to any interest, penalties and
costs related to that sum. Except as otherwise provided in subsection 3 of
NRS 612.480, the Administrator may make an initial determination finding
that a person has committed unemployment insurance fraud pursuant to
subsection 1 at any time within 4 years after the first day of the benefit year
in which the person committed the unemployment insurance fraud.

3. Except as otherwise provided in this subsection and subsection 8, the
person is disqualified from receiving unemployment compensation benefits
under this chapter:

(a) For a period beginning with the week in which the Administrator
issues a finding that the person has committed unemployment insurance
fraud pursuant to subsection 1 and ending not more than 52 consecutive
weeks after the week in which it is determined that a claim was filed in violation of subsection 1; or

(b) Until the sum described in subsection 2, in addition to any interest, penalties or costs related to that sum, is repaid to the Administrator, whichever is longer. The Administrator shall fix the period of disqualification according to the circumstances in each case.

4. It is a violation of subsection 1 for a person to file a claim, or to cause or allow a claim to be filed on his or her behalf, if:

(a) The person is incarcerated in the state prison or any county or city jail or detention facility or other correctional facility in this State; and

(b) The claim does not expressly disclose his or her incarceration.

5. A person who obtains benefits of $650 or more in violation of subsection 1 shall be punished in the same manner as theft pursuant to subsection 3 or 4 of NRS 205.0835.

6. In addition to the repayment of benefits required pursuant to subsection 2, the Administrator:

(a) Shall impose a penalty equal to 15 percent of the total amount of benefits received by the person in violation of subsection 1. Money recovered by the Administrator pursuant to this paragraph must be deposited in the Unemployment Trust Fund in accordance with the provisions of NRS 612.590.

(b) May impose a penalty equal to not more than:

(1) If the amount of such benefits is greater than $25 but not greater than $1,000, 5 percent;

(2) If the amount of such benefits is greater than $1,000 but not greater than $2,500, 10 percent; or

(3) If the amount of such benefits is greater than $2,500, 35 percent, of the total amount of benefits received by the person in violation of subsection 1 or any other provision of this chapter. Money recovered by the Administrator pursuant to this paragraph must be deposited in the Employment Security Fund in accordance with the provisions of NRS 612.615.

7. Except as otherwise provided in subsection 8, a person may not pay benefits as required pursuant to subsection 2 by using benefits which would otherwise be due and payable to the person if he or she was not disqualified.

8. The Administrator may waive the period of disqualification prescribed in subsection 3 for good cause shown or if the person adheres to a repayment schedule authorized by the Administrator that is designed to fully repay benefits received from an improper claim, in addition to any related interest, penalties and costs, within 18 months. If the Administrator waives the period of disqualification pursuant to this subsection, the person may repay benefits as required pursuant to subsection 2 by using any benefits which are due and payable to the person, except that benefits which are due and payable to the person may not be used to repay any related interest, penalties and costs.
9. The Administrator may recover any money required to be paid pursuant to this section in accordance with the provisions of NRS 612.365 and may collect interest on any such money in accordance with the provisions of NRS 612.620.

Senator Settelmeyer moved the adoption of the amendment.

Remarks by Senator Settelmeyer.

Amendment No. 64 makes two changes to Senate Bill No. 24. The amendment: (1) Authorizes members of the Nevada Army National Guard and the Nevada Air National Guard to use their military wages to establish an unemployment claim. (2) Revises the manner in which certain claims of recipients of benefits for workers' compensation are compared against claims for unemployment benefits to determine whether any simultaneous claiming of benefits has occurred.

Amendment adopted.

Senate Bill No. 25.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 58.

AN ACT relating to education; revising provisions governing the membership of the State Board of Education; revising certain duties of the Superintendent of Public Instruction, the Department of Education and the State Board; revising the membership of the Advisory Council on Parental Involvement and Family Engagement; revising provisions governing certain products used to clean in public schools; revising provisions relating to certain programs of distance education; revising provisions governing standards of content and performance for foreign and world language and any other course of study requested by the Superintendent of Public Instruction; revising provisions relating to certain hearings concerning the suspension or revocation of a license to teach; revising provisions concerning minimum standards for the maintenance and operation of certain educational institutions; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 1 of this bill prohibits a person who is elected to serve as an officer of this State or any political subdivision thereof from also serving on the State Board of Education. Section 1 also prohibits a person who is appointed to serve for the unexpired term of such an office from continuing to serve on the State Board, with certain exceptions. Section 2 of this bill requires the Superintendent of Public Instruction to coordinate educational programs for children from birth through prekindergarten. Section 3 of this bill removes certain requirements regarding the use of environmentally sensitive cleaning and maintenance products in public schools and authorizes the board of trustees of a school district to use a product that is not an environmentally sensitive cleaning and maintenance product after posting a notice of the product to be used on the Internet website maintained by the school district. Sections 4, 10, 11-13, 15, 17 and 18 of this bill replace references to the
terms “English” and “foreign language” with references to “English language arts” and “foreign or world language” for consistency with currently accepted terminology.

Existing law requires the Superintendent of Public Instruction to apportion the State Distributive School Account in the State General Fund among the school districts, charter schools and university schools for profoundly gifted pupils in certain amounts based on a formula. This formula bases the State’s financial obligation to programs of instruction partially on the number of pupils involved in such programs. (NRS 387.121-387.126) Sections 5, 6, 8 and 9 of this bill provide that the apportionment for a pupil enrolled part-time in a program of distance education is paid to the school district in which the pupil resides, or the charter school in which the pupil is enrolled. The school district or charter school, as applicable, is required to allocate a percentage of that amount to the school district or charter school that provides the program of distance education in an amount which must be set out in an agreement between them.

Section 2.5 of this bill adds a member to the Advisory Council on Parental Involvement and Family Engagement to represent the Nevada Parent Teacher Association.

Because existing law gives the Governor authority over the budgets of the Department of Education, section 7 of this bill: (1) requires the Superintendent to submit certain recommendations of the Department to the Governor instead of to the State Board; and (2) removes the requirement that the State Board consider the biennial budgets of the Department. Sections 8 and 9 of this bill remove the requirement that certain pupils obtain written permission from the board of trustees of a school district or the governing body of a charter school before enrolling in certain part-time programs of distance education.

Section 12 requires the Council to Establish Academic Standards for Public Schools to establish standards of content and performance for foreign and world languages in addition to other subjects for which it is already required to do so. Section 13 requires the State Board to prescribe examinations that measure the achievement and proficiency of pupils for grades 9, 10, 11 and 12 in certain subjects to comply with federal law. (20 U.S.C. § 6311(b)(3)) Section 14 of this bill revises the manner in which the Department provides an informational pamphlet concerning end-of-course examinations and college and career readiness assessments so that the pamphlet is available electronically. Section 14.5 of this bill removes an incorrect reference to an organization.

Section 16 of this bill allows the parties in a hearing concerning the suspension or revocation of a license to teach to agree to extend the date by
which the hearing must be held. Section 20 of this bill authorizes money in the Educational Trust Account to be expended as authorized by the Interim Finance Committee when the Legislature is not in session. Section 21 of this bill repeals the requirements that: (1) the State Board adopt and use an official seal in authentication of its acts; and (2) the Department approve or disapprove lists of books for use in public school libraries.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

8. If a waiver is granted by the Department pursuant to subsection 6 or 7, the waiver is effective for 1 year after the date of its approval and a renewal may be requested on an annual basis in the manner set forth in subsection 6 or 7, as applicable.

      (3) If a charter school specializes in the construction industry or other building industry and the school offers courses of study in computer education, technology or business, licensed teachers to teach those courses of study if those teachers are employed full-time.

3. A person who is initially hired by the governing body of a charter school on or after January 8, 2002, to teach in a program supported with money from Title I must possess the qualifications required by 20 U.S.C. § 6319(a). For the purposes of this subsection, a person is not “initially hired” if the person has been employed as a teacher by another school district or charter school in this State without an interruption in employment before the date of hire by his or her current employer.

4. A teacher who is employed by a charter school, regardless of the date of hire, must, on or before July 1, 2006, possess the qualifications required by 20 U.S.C. § 6319(a) if the teacher teaches one or more of the following subjects:

   (b) Mathematics;
5. Except as otherwise provided in NRS 386.588, a charter school may employ a person who is not licensed pursuant to the provisions of chapter 391 of NRS to teach a course of study for which a licensed teacher is not required pursuant to subsections 2, 3 and 4 if the person has:

7. Except as otherwise provided in subsection 8, the portion of the salary or other compensation of an administrator employed by a charter school that is derived from public funds must not exceed the salary or other compensation, as applicable, of the highest paid administrator in a comparable position in the school district in which the charter school is located. For purposes of determining the salary or other compensation of the highest paid administrator in a comparable position in the school district, the salary or other compensation of the superintendent of schools of that school district must not be included in the determination.
8. If the salary or other compensation paid to an administrator employed by a charter school from public funds exceeds the maximum amount prescribed in subsection 7, the sponsor of the charter school shall conduct an audit of the salary or compensation. The audit must include, without limitation, a review of the reasons set forth by the governing body of the charter school for the salary or other compensation and the interests of the public in using public funds to pay that salary or compensation. If the sponsor determines that the payment of the salary or other compensation from public funds is justified, the sponsor shall provide written documentation of its determination to the governing body of the charter school and to the Department. If the sponsor determines that the payment of the salary or other compensation from public funds is not justified, the governing body of the charter school shall reduce the salary or compensation
paid to the administrator from public funds to an amount not to exceed the maximum amount prescribed in subsection 7.

9. A charter school shall not employ a person pursuant to this section if the person’s license to teach or provide other educational services has been revoked or suspended in this State or another state.

(5) The count of pupils not included under subparagraph (1), (2), (3) or (4), who are receiving special education pursuant to the provisions of NRS 388.440 to 388.520, inclusive, on the last day of the first school month of the school district for the school year, excluding the count of pupils who have not attained the age of 5 years and who are receiving special education pursuant to subsection 1 of NRS 388.475 on that day.

(7) The count of children detained in facilities for the detention of children, alternative programs and juvenile forestry camps receiving instruction pursuant to the provisions of NRS 388.550, 388.560 and 388.570 on the last day of the first school month of the school district for the school year.

(b) Multiplying the number of special education program units maintained and operated by the amount per program established for that school year.

(c) Adding the amounts computed in paragraphs (a) and (b).

2. Except as otherwise provided in subsection 4, if the enrollment of pupils in a school district or a charter school that is located within the school district on the last day of the first school month of the school district for the school year is less than or equal to 95 percent of the enrollment of pupils in the same school district or charter school on the last day of the first school month of the school district for the immediately preceding school year, the largest number from among the immediately preceding 2 school years must be used for purposes of apportioning money from the State Distributive School Account to that school district or charter school pursuant to NRS 387.124.

3. Except as otherwise provided in subsection 4, if the enrollment of pupils in a school district or a charter school that is located within the school district on the last day of the first school month of the school district for the school year is more than 95 percent of the enrollment of pupils in the same
school district or charter school on the last day of the first school month of
the school district for the immediately preceding school year, the larger
enrollment number from the current year or the immediately preceding
school year must be used for purposes of apportioning money from the State
Distributive School Account to that school district or charter school pursuant
to NRS 387.124.
4. If the Department determines that a school district or charter school
deliberately causes a decline in the enrollment of pupils in the school district
or charter school to receive a higher apportionment pursuant to subsection
2 or 3, including, without limitation, by eliminating grades or moving into
smaller facilities, the enrollment number from the current school year must
be used for purposes of apportioning money from the State Distributive
School Account to that school district or charter school pursuant to NRS
387.124.
5. Pupils who are excused from attendance at examinations or have
completed their work in accordance with the rules of the board of trustees
must be credited with attendance during that period.

pupils must be reported to the Department of Education.
7. Pupils who are enrolled in courses which are approved by the
Department as meeting the requirements for an adult to earn a high school
diploma must not be counted for the purpose of computing basic support
pursuant to this section.
Sec. 6. NRS 387.124 is hereby amended to read as follows:
387.124 Except as otherwise provided in this section and NRS 387.528:
1. On or before August 1, November 1, February 1 and May 1 of each
year, the Superintendent of Public Instruction shall apportion the State
Distributive School Account in the State General Fund among the several
county school districts, charter schools and university schools for profoundly
gifted pupils in amounts approximating one-fourth of their respective yearly
apportionments less any amount set aside as a reserve. Except as otherwise
provided in NRS 387.1244, the apportionment to a school district, computed
on a yearly basis, equals the difference between the basic support and the
local funds available pursuant to NRS 387.1235, minus all the funds
attributable to pupils who reside in the county but attend a charter school, all
the funds attributable to pupils who reside in the county and are enrolled full-
time or part-time in a program of distance education provided by another
school district or a charter school and all the funds attributable to pupils who
are enrolled in a university school for profoundly gifted pupils located in the
county. No apportionment may be made to a school district if the amount of
the local funds exceeds the amount of basic support.
2. Except as otherwise provided in subsection 3 and NRS 387.1244, the
apportionment to a charter school, computed on a yearly basis, is equal to the
sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides minus the sponsorship fee prescribed by NRS 386.570 and minus all the funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school. If the apportionment per pupil to a charter school is more than the amount to be apportioned to the school district in which a pupil who is enrolled in the charter school resides, the school district in which the pupil resides shall pay the difference directly to the charter school.

3. Except as otherwise provided in NRS 387.1244, the apportionment to a charter school that is sponsored by the State Public Charter School Authority or by a college or university within the Nevada System of Higher Education, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides, minus the sponsorship fee prescribed by NRS 386.570 and minus all funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school.

4. Except as otherwise provided in NRS 387.1244, in addition to the apportionments made pursuant to this section, if a pupil is enrolled part-time in a program of distance education and part-time in a:
   (a) Public school other than a charter school, an apportionment must be made to the school district or charter school that provides a program of distance education for each pupil who is enrolled part-time in the program. The amount of the apportionment must be equal to the percentage of the total number of courses provided to the pupil through the program of distance education per school day in proportion to the total number of courses provided during a school day to pupils who are counted pursuant to subparagraph (2) of paragraph (a) of subsection 1 of NRS 387.1233 for the school district in which the pupil resides. The school district in which the pupil resides shall allocate a percentage of the apportionment to the school district or charter school that provides the program of distance education in the amount set forth in the agreement entered into pursuant to NRS 388.854.
   (b) Charter school, an apportionment must be made to the charter school in which the pupil is enrolled. The charter school in which the pupil is enrolled shall allocate a percentage of the apportionment to the school district or charter school that provides the program of distance education in the amount set forth in the agreement entered into pursuant to NRS 388.858.

5. The governing body of a charter school may submit a written request to the Superintendent of Public Instruction to receive, in the first year of
operation of the charter school, an apportionment 30 days before the
apportionment is required to be made pursuant to subsection 1. Upon receipt
of such a request, the Superintendent of Public Instruction may make the
apportionment 30 days before the apportionment is required to be made. A
charter school may receive all four apportionments in advance in its first year
of operation.

6. Except as otherwise provided in NRS 387.1244, the apportionment to
a university school for profoundly gifted pupils, computed on a yearly basis,
is equal to the sum of the basic support per pupil in the county in which the
university school is located plus the amount of local funds available per pupil
pursuant to NRS 387.1235 and all other funds available for public schools in
the county in which the university school is located. If the apportionment per
pupil to a university school for profoundly gifted pupils is more than the
amount to be apportioned to the school district in which the university school
is located, the school district shall pay the difference directly to the university
school. The governing body of a university school for profoundly gifted
pupils may submit a written request to the Superintendent of Public
Instruction to receive, in the first year of operation of the university school,
an apportionment 30 days before the apportionment is required to be made
pursuant to subsection 1. Upon receipt of such a request, the Superintendent
of Public Instruction may make the apportionment 30 days before the
apportionment is required to be made. A university school for profoundly
gifted pupils may receive all four apportionments in advance in its first year
of operation.

7. The Superintendent of Public Instruction shall apportion, on or before
August 1 of each year, the money designated as the “Nutrition State Match”
pursuant to NRS 387.105 to those school districts that participate in the
National School Lunch Program, 42 U.S.C. §§ 1751 et seq. The
apportionment to a school district must be directly related to the district’s
reimbursements for the Program as compared with the total amount of
reimbursements for all school districts in this State that participate in the
Program.

8. If the State Controller finds that such an action is needed to maintain
the balance in the State General Fund at a level sufficient to pay the other
appropriations from it, the State Controller may pay out the apportionments
monthly, each approximately one-twelfth of the yearly apportionment less
any amount set aside as a reserve. If such action is needed, the State
Controller shall submit a report to the Department of Administration and the
Fiscal Analysis Division of the Legislative Counsel Bureau documenting
reasons for the action.

Sec. 7. NRS 387.3035 is hereby amended to read as follows:
387.3035 The Department shall:
1. Determine the apportionment of all state school money to schools of
the State as prescribed by law.
2. Develop for public schools of the State a uniform system of budgeting and accounting. The system must provide for the separate reporting of expenditures for each:
   (a) School district; and
   (b) School within a school district.

- Upon approval of the State Board, the system is mandatory for all public schools in this State and must be enforced as provided in subsection 2 of NRS 387.3037.

3. Carry on a continuing study of school finance in the State, particularly the method by which schools are financed on the state level, and make such recommendations to the Superintendent of Public Instruction for submission to the Governor as the Department deems advisable.

4. Recommend to the Superintendent of Public Instruction for submission to the Governor such changes in budgetary and financial procedures as the studies may show to be advisable.

5. Perform such other statistical and financial duties pertaining to the administration and finances of the schools of the State as may be required by the Superintendent of Public Instruction.

6. Prepare for the Superintendent of Public Instruction the biennial budgets of the Department for submission to the Governor.

Sec. 8. NRS 388.854 is hereby amended to read as follows:

388.854 1. Before a pupil may enroll full-time in a program of distance education that is provided by a school district other than the school district in which the pupil resides, the pupil must obtain the written permission of the board of trustees of the school district in which the pupil resides. Before a pupil who is enrolled in a public school of a school district may enroll part-time in a program of distance education that is provided by a charter school, the pupil must obtain the written permission of the board of trustees of the school district in which the pupil resides. Except as otherwise provided in NRS 388.850 or other specific statute, a board of trustees from whom permission is requested pursuant to this subsection shall grant the requested permission.

2. A pupil who enrolls part-time in a program of distance education that is provided by a school district other than the school district in which the pupil resides or enrolls full-time in a program of distance education that is provided by a charter school is not required to obtain the approval of the board of trustees of the school district in which the pupil resides.

120A.610 1. Except as otherwise provided in subsections 4 to 8, inclusive, all abandoned property other than money delivered to the Administrator under this chapter must, within 2 years after the delivery, be sold by the Administrator to the highest bidder at public sale in whatever manner affords, in his or her judgment, the most favorable market for the property. The Administrator may decline the highest bid and reoffer the property for sale if the Administrator considers the bid to be insufficient.

2. Any sale held under this section must be preceded by a single publication of notice, at least 3 weeks before sale, in a newspaper of general circulation in the county in which the property is to be sold.

3. The purchaser of property at any sale conducted by the Administrator pursuant to this chapter takes the property free of all claims of the owner or previous holder and of all persons claiming through or under them. The
Administrator shall execute all documents necessary to complete the transfer of ownership.

4. Except as otherwise provided in subsection 5, the Administrator need not offer any property for sale if the Administrator considers that the probable cost of the sale will exceed the proceeds of the sale. The Administrator may destroy or otherwise dispose of such property or may transfer it to:

   (b) By any other method the Administrator deems acceptable.

7. The Administrator shall hold property that was removed from a safe-deposit box or other safekeeping repository for 1 year after the date of the delivery of the property to the Administrator, unless that property is a will or a codicil to a will, in which case the Administrator shall hold the property for 10 years after the date of the delivery of the property to the Administrator. If no claims are filed for the property within that period and the Administrator determines that the probable cost of the sale of the property will exceed the proceeds of the sale, it may be destroyed.

8. All proceeds received by the Administrator from abandoned gift certificates must be accounted for separately in the Abandoned Property Trust Account in the State General Fund. At the end of each fiscal year, before any other money in the Abandoned Property Trust Account is transferred pursuant to NRS 120A.620, the balance in the subaccount created pursuant to this subsection, less any costs, service charges or claims chargeable to the subaccount, must be transferred to the Educational Trust Account, which is hereby created in the State General Fund. The penalty for a violation of this prohibition by certain commercial vehicles is provided in regulations promulgated by the Department of Motor Vehicles, which is authorized to adopt such regulations as part of the implementation of the Commercial Motor Vehicle Safety Act of 1986, as amended. (NRS 483.900, 483.908; 49 U.S.C. §§ 31301 et seq.) A violation of this prohibition by any other vehicle is a misdemeanor under existing law. (NRS 484A.900)

EXPLANATION – Matter in bolded italics is new; matter between brackets (omitted material) is material to be omitted.

AN ACT relating to business; declaring certain records to be confidential; revising provisions governing the state business portal; revising provisions governing applications for certain authorizations to conduct a business in this State issued by state and local agencies and health districts; requiring the Secretary of State to issue unique business identification numbers under certain circumstances; revising provisions governing the issuance of certain licenses by incorporated cities and counties; removing the prohibition against a county clerk refusing to accept for filing certain business certificates in certain circumstances; revising provisions governing the disclosure of certain information by the Employment Security Division of the Department of Employment, Training and Rehabilitation; repealing certain provisions relating to the collection of information from businesses seeking certain authorizations to conduct business in this State; and providing other matters properly relating thereto.
Under existing law, the Secretary of State is required to establish the state business portal to facilitate interaction among businesses and governmental agencies in this State by allowing businesses to conduct necessary transactions with governmental agencies in this State through the state business portal. (NRS 75A.100) Section 4 of this bill requires the Secretary of State to: (1) establish common business registration information that is used by state and local agencies and health districts to conduct necessary transactions with businesses in this State; and (2) cause the state business portal to provide common business registration information to state and local agencies and health districts that conduct necessary transactions with businesses in this State. Section 4 further requires state and local agencies and health districts to: (1) integrate their electronic applications processes into the state business portal; (2) use the state business portal to accept and disseminate common business registration information that is needed by the state or local agency or health district to issue a license, certificate, registration, permit or similar type of authorization to conduct a business in this State or to engage in an occupation or profession in this State; (3) make available on the Internet applications for a license, certificate, registration, permit or similar type of authorization to conduct a business in this State or to engage in an occupation or profession in this State and to integrate such applications into the state business portal; and (4) meet certain other requirements related to participation in the state business portal. However, section 4 also specifies that a state or local agency or health district is not required to disseminate or release information if such action would result in the state or local agency or health district violating any provision of state or federal law relating to the confidentiality of the information. Section 3 of this bill deems that the records and files collected as common business registration information are confidential and privileged unless an exception applies.

Section 5 of this bill requires the Secretary of State to assign a unique business identification number to each business entity organized in this State and to each person who is issued a state business license or who claims to be excluded or exempt from the requirement to obtain a state business license. Under section 4: (1) the Secretary of State must cause the state business portal to interface with the system used by the Secretary of State to assign business identification numbers; and (2) state and local agencies and health districts that issue licenses, certificates, registrations, permits or similar types of authorization to conduct a business in this State or to engage in an occupation or profession in this State must require an applicant for such a license, certificate, registration or permit to include the applicant’s business identification number on the application.

Sections 7 and 8 of this bill amend provisions governing city and county business licenses so that certain information regarding industrial insurance is provided through the state business portal. Section 9 of this bill removes the
provision from existing law which prohibits a county clerk, in certain circumstances, from refusing to accept for filing a certificate or renewal certificate concerning persons doing business in this State under an assumed or fictitious name that is filed by a foreign artificial person or persons. Section 10 of this bill authorizes the Employment Security Division of the Department of Employment, Training and Rehabilitation to make certain information available to the Secretary of State for certain purposes related to operating and maintaining the state business portal. Section 12 of this bill repeals certain provisions relating to: (1) the coordination of the collection of certain information and forms from businesses by state agencies and local governments; and (2) the affidavit required to be filed by an applicant who wishes to obtain a local business license to sell certain retail merchandise.

Remarks by Senator Brower.

This amendment removes the mandating “shall” and replaces it with the permissive “may” relating to the participation of State and local agencies and health districts in the business portal; it also allows a local governing board to approve participation in the business portal and finally clarifies that the provisions of Section 4, subsection 3, do not require a local agency or health district to upgrade its systems to accommodate any requirement to participate in the business portal.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 80.

AN ACT relating to motor vehicles; allowing the holders of certain special license plates which designate certain older vehicles to request that those special license plates be personalized prestige license plates; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The Department of Motor Vehicles is authorized to issue special license plates and registration certificates for: (1) certain vehicles manufactured not earlier than 1949 but at least 20 years before the application for the special plate is submitted to the Department, designating the vehicle a “classic rod”; and (2) certain vehicles manufactured at least 25 years before the application for the special plate is submitted to the Department, designating the vehicle a “classic vehicle.” (NRS 482.3814, 482.3816) Under existing law, vehicles issued plates pursuant to these sections are exempt from emissions standards under certain circumstances. (NRS 445B.760) Existing law also authorizes the Department to issue personalized prestige license plates under certain
circumstances. (NRS 482.3667) This bill allows an applicant for a special license plate (designating the vehicle as a “classic rod” or a “classic vehicle”) pursuant to NRS 482.3814 or 482.3816 to request that the license plate be a personalized prestige license plate, rather than stating “classic rod” or “classic vehicle,” if the applicant pays the fees for personalized prestige license plates in addition to the fees for the special license plate.

4. If, during a registration year, the holder of special plates issued pursuant to subsection 2 or 3 disposes of the vehicle to which the plates are affixed, the holder shall retain the plates and:

The amount of the fee must be equal to the amount of the fee for a form certifying emission control compliance set forth in paragraph (c) of subsection 1 of NRS 445B.830.

   (c) Containing only the original parts which were used to manufacture the vehicle or replacement parts that duplicate those original parts.

2. Except as otherwise provided in subsection 3, license plates issued pursuant to this section must be inscribed with the words “CLASSIC VEHICLE” and a number of characters, including numbers and letters, as determined necessary by the Director.

3. A person may request personalized prestige license plates issued pursuant to NRS 482.3667 instead of a special license plate issued pursuant to subsection 2 if that person pays the fees for the personalized prestige license plates in addition to the fees required pursuant to this section.

4. If, during a registration period, the holder of special plates issued pursuant to subsection 2 or 3 disposes of the vehicle to which the plates are affixed, the holder shall retain the plates and:

As soon as practicable, upon determining that sufficient resources are available to enable the Department of Motor Vehicles to carry out the amendatory provisions of this act, the Director of the Department shall notify the Governor and the Director of the Legislative Counsel Bureau of that fact, and shall publish on the Internet website of the Department notice to the public of that fact.

Sec. 4. This act becomes effective:
1. Upon passage and approval for the purposes of the adoption of
regulations and any other preparatory administrative tasks that are necessary
to carry out the provisions of this act; and
2. For all other purposes, on:

Senate Bill No. 40.
Bill read third time.
Remarks by Senator Brower.

Senate Bill No. 40 makes it unlawful for any person who is not properly licensed to receive, directly or indirectly, any compensation, reward, or percentage or share of money or property played for accepting, or facilitating the acceptance of, a bet or wager upon an event held at a track involving a horse or other animal, a sporting event, or other event. It is also unlawful under this bill to transmit or deliver anything of value resulting from such activity to or on behalf of another person. A person who violates these provisions is guilty of a category B felony.

The bill also clarifies that it is not a crime for a race book or sports pool that is properly licensed to unknowingly accept a bet from or pay winnings to a person who is in violation of these provisions. This bill is effective on October 1, 2015.

The bill also establishes a fee limit of $400 for a request to change the terms of an existing oil or gas permit. Finally, S.B. 44 raises the statutory limit on the fee assessed against a producer of oil or natural gas to 30 cents for each barrel of oil or each 50,000 cubic feet of natural gas. Senate Bill No. 74.
Bill read third time.
Remarks by Senator Kihuen.
Senate Bill No. 74 makes various changes to the eligibility requirements and the administration of the economic development abatements administered by the Office of Economic Development.
First, the bill limits the amount of partial abatements that may be granted if the business pays less than the statewide average wage, and an abatement of the Local School Support Tax is prohibited if the business pays its new employees less than 100 percent of the statewide average wage.
Second, the bill provides for certain employment requirements to be met within a 2-year period, rather than a 1-year period, following the effective date of the abatement. An applicant is also required to provide an estimate of the total number of new employees anticipated to be hired within that 2-year period.
Third, the bill requires the agreement between the Office and the applicant to state the effective date of the abatement whether an applicant satisfies the average hourly wage requirement.
Finally, the bill clarifies that only wages paid to new employees in this State are considered when determining whether an applicant satisfies the average hourly wage requirement.

The following amendment was proposed by Senator Parks:
Amendment No. 266.
SUMMARY—Revises provisions relating to [collective bargaining by] the agreements of local governments. (BDR 23-704)
AN ACT relating to local governments; requiring the governing body of a local government to make certain information available to the public before the governing body meets to approve a collective bargaining agreement or similar agreement [;], or any other agreement governing the compensation of an employee of the local government; requiring such information to be made available before a governing body considers any new, extended or modified agreement of the local government; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
If a local government employer is a party to a collective bargaining agreement or similar agreement, existing law requires that the agreement be
approved at a public hearing by the governing body of the local government employer. (NRS 288.153) Section 1 of this bill requires that a copy of the proposed agreement and certain supporting material relating to the agreement be made available to the public not less than 3 business days before the hearing, either by posting the documents on the Internet website of the local government or, if the local government does not have such a website, by depositing the documents with the clerk of the governing body. Any document so deposited is a public record and must be open for public inspection. Section 1 also makes these requirements applicable to any other proposed agreement governing the compensation of a local government employee. Section 2 of this bill extends these requirements to any proposed agreement of the local government, including, without limitation, any proposed agreement on the consent agenda of the governing body of the local government.

[Existing law provides for the public dissemination of any supporting material provided to a public body in connection with a meeting of the body, and establishes the time within which such material must be made available to the public. (NRS 241.020) Section 2 of this bill revises those provisions to conform with the requirements of section 1.]

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 288.153 is hereby amended to read as follows:

288.153 1. Any [new, extended or modified collective bargaining agreement or similar agreement between a local government employer and an employee organization; or]

(b) Other new, extended or modified agreement between a local government employer and a local government employee governing the compensation of the local government employee,

must be approved by the governing body of the local government employer at a public hearing. [The]

2. Not less than 3 business days before the date of the hearing, the governing body shall cause the following documents to be posted and made available for downloading on the Internet website of the local government or, if the local government does not have such a website, deposited with the clerk of the governing body:

(a) The proposed agreement and any exhibits or other attachments to the proposed agreement;

(b) If the proposed agreement is a modification of a previous agreement, a document showing any language added to or deleted from the previous agreement; and

(c) Any supporting material prepared for the governing body and relating to the fiscal impact of the agreement.
3. Any document deposited with the clerk of the governing body pursuant to subsection 2 is a public record and must be open for public inspection pursuant to NRS 239.010.

4. At the hearing, the chief executive officer of the local government shall report to the governing body of the local government the fiscal impact of the agreement.

Sec. 2. NRS 241.020 is hereby amended to read as follows:

241.020  1. Except as otherwise provided by specific statute, all meetings of public bodies must be open and public, and all persons must be permitted to attend any meeting of these public bodies. A meeting that is closed pursuant to a specific statute may only be closed to the extent specified in the statute allowing the meeting to be closed. All other portions of the meeting must be open and public, and the public body must comply with all other provisions of this chapter to the extent not specifically precluded by the specific statute. Public officers and employees responsible for these meetings shall make reasonable efforts to assist and accommodate persons with physical disabilities desiring to attend.

2. Except in an emergency, written notice of all meetings must be given at least 3 working days before the meeting. The notice must include:
   (a) The time, place and location of the meeting.
   (b) A list of the locations where the notice has been posted.
   (c) The name and contact information for the person designated by the public body from whom a member of the public may request the supporting material for the meeting described in subsection 5 and a list of the locations where the supporting material is available to the public.
   (d) An agenda consisting of:
      (1) A clear and complete statement of the topics scheduled to be considered during the meeting.
      (2) A list describing the items on which action may be taken and clearly denoting that action may be taken on those items by placing the term “for possible action” next to the appropriate item or, if the item is placed on the agenda pursuant to NRS 241.0365, by placing the term “for possible corrective action” next to the appropriate item.
      (3) Periods devoted to comments by the general public, if any, and discussion of those comments. Comments by the general public must be taken:
         (I) At the beginning of the meeting before any items on which action may be taken are heard by the public body and again before the adjournment of the meeting; or
         (II) After each item on the agenda on which action may be taken is discussed by the public body, but before the public body takes action on the item.
   ➔ The provisions of this subparagraph do not prohibit a public body from taking comments by the general public in addition to what is required pursuant to sub-subparagraph (I) or (II). Regardless of whether a public body
takes comments from the general public pursuant to sub-subparagraph (I) or (II), the public body must allow the general public to comment on any matter that is not specifically included on the agenda as an action item at some time before adjournment of the meeting. No action may be taken upon a matter raised during a period devoted to comments by the general public until the matter itself has been specifically included on an agenda as an item upon which action may be taken pursuant to subparagraph (2).

(4) If any portion of the meeting will be closed to consider the character, alleged misconduct or professional competence of a person, the name of the person whose character, alleged misconduct or professional competence will be considered.

(5) If, during any portion of the meeting, the public body will consider whether to take administrative action against a person, the name of the person against whom administrative action may be taken.

(6) Notification that:

(I) Items on the agenda may be taken out of order;

(II) The public body may combine two or more agenda items for consideration; and

(III) The public body may remove an item from the agenda or delay discussion relating to an item on the agenda at any time.

(7) Any restrictions on comments by the general public. Any such restrictions must be reasonable and may restrict the time, place and manner of the comments, but may not restrict comments based upon viewpoint.

3. Minimum public notice is:

(a) Posting a copy of the notice at the principal office of the public body or, if there is no principal office, at the building in which the meeting is to be held, and at not less than three other separate, prominent places within the jurisdiction of the public body not later than 9 a.m. of the third working day before the meeting;

(b) Posting the notice on the official website of the State pursuant to NRS 232.2175 not later than 9 a.m. of the third working day before the meeting is to be held, unless the public body is unable to do so because of technical problems relating to the operation or maintenance of the official website of the State;

(c) For consideration by the governing body of a local government of any new, extended or modified agreement of the local government, including, without limitation, a proposed agreement on the consent agenda of the governing body, posting and making available for downloading the documents described in subsection 2 of NRS 288.153, regardless of whether the proposed agreement is otherwise subject to the requirements of that section; and

(d) Providing a copy of the notice to any person who has requested notice of the meetings of the public body. A request for notice lapses 6 months after it is made. The public body shall inform the requester of this fact by
enclosure with, notation upon or text included within the first notice sent.
The notice must be:

(1) Delivered to the postal service used by the public body not later than 9 a.m. of the third working day before the meeting for transmittal to the requester by regular mail; or

(2) If feasible for the public body and the requester has agreed to receive the public notice by electronic mail, transmitted to the requester by electronic mail sent not later than 9 a.m. of the third working day before the meeting.

4. If a public body maintains a website on the Internet or its successor, the public body shall post notice of each of its meetings on its website unless the public body is unable to do so because of technical problems relating to the operation or maintenance of its website. Notice posted pursuant to this subsection is supplemental to and is not a substitute for the minimum public notice required pursuant to subsection 3. The inability of a public body to post notice of a meeting pursuant to this subsection as a result of technical problems with its website shall not be deemed to be a violation of the provisions of this chapter.

5. Upon any request, a public body shall provide, at no charge, at least one copy of:
   (a) An agenda for a public meeting;
   (b) A proposed ordinance or regulation which will be discussed at the public meeting; and
   (c) Subject to the provisions of subsection 6 or 7, as applicable, any other supporting material provided to the members of the public body for an item on the agenda, except materials:
      (1) Submitted to the public body pursuant to a nondisclosure or confidentiality agreement which relates to proprietary information;
      (2) Pertaining to the closed portion of such a meeting of the public body; or
      (3) Declared confidential by law, unless otherwise agreed to by each person whose interest is being protected under the order of confidentiality.

The public body shall make at least one copy of the documents described in paragraphs (a), (b) and (c) available to the public at the meeting to which the documents pertain. As used in this subsection, “proprietary information” has the meaning ascribed to it in NRS 332.025.

6. [A] Unless it must be made available at an earlier time pursuant to NRS 288.153, a copy of supporting material required to be provided upon request pursuant to paragraph (c) of subsection 5 must be:
   (a) If the supporting material is provided to the members of the public body before the meeting, made available to the requester at the time the material is provided to the members of the public body; or
   (b) If the supporting material is provided to the members of the public body at the meeting, made available at the meeting to the requester at the same time the material is provided to the members of the public body.
If the requester has agreed to receive the information and material set forth in subsection 5 by electronic mail, the public body shall, if feasible, provide the information and material by electronic mail.

7. Unless the supporting material must be posted at an earlier time pursuant to NRS 288.153, the governing body of a county or city whose population is 45,000 or more shall post the supporting material described in paragraph (c) of subsection 5 to its website not later than the time the material is provided to the members of the governing body or, if the supporting material is provided to the members of the governing body at a meeting, not later than 24 hours after the conclusion of the meeting. Such posting is supplemental to the right of the public to request the supporting material pursuant to subsection 5. The inability of the governing body, as a result of technical problems with its website, to post supporting material pursuant to this subsection shall not be deemed to be a violation of the provisions of this chapter.

8. A public body may provide the public notice, information or supporting material required by this section by electronic mail. Except as otherwise provided in this subsection, if a public body makes such notice, information or supporting material available by electronic mail, the public body shall inquire of a person who requests the notice, information or supporting material if the person will accept receipt by electronic mail. If a public body is required to post the public notice, information or supporting material on its website pursuant to this section, the public body shall inquire of a person who requests the notice, information or supporting material if the person will accept by electronic mail a link to the posting on the website when the documents are made available. The inability of a public body, as a result of technical problems with its electronic mail system, to provide a public notice, information or supporting material or a link to a website required by this section to a person who has agreed to receive such notice, information, supporting material or link by electronic mail shall not be deemed to be a violation of the provisions of this chapter.

9. As used in this section, “emergency” means an unforeseen circumstance which requires immediate action and includes, but is not limited to:
   (a) Disasters caused by fire, flood, earthquake or other natural causes; or
   (b) Any impairment of the health and safety of the public.

Sec. 3. This act becomes effective on July 1, 2015.

Senator Parks moved the adoption of the amendment.
Remarks by Senator Parks and Goicoechea.

SENNATOR PARKS:
Section 1 of the bill requires the governing body of a local government employer to make certain background information available to the public before it acts to approve any new, extended or modified collective bargaining agreement. The proposed amendment makes the same requirements applicable to any other agreement governing the compensation of a local government employee. Section 2 of the bill as revised by the proposed amendment makes the
same posting requirements applicable to any other agreement of a local government, including without limitation, any agreement on the consent agenda of the governing body of a local government. What this amendment does is to give total transparency for all local government employee contracts and compensation agreements. Not just collective bargaining organizations.

SENATOR GOICOECHEA:
Thank you, Mr. President. I rise in opposition to the amendment. We discussed this in committee and it was determined this kind of language would be so broad reaching. Every local government, if you had one employee and it was on the consent agenda, again they would be required to post any and all information, some might even be on the edge of border line. If you were going to give that one employee a raise, in a small rural local government, you would have to post all of that information. I feel strongly that the people do not want to see that much. But when you are collectively bargaining you want to get information out to the public beforehand so that they know what the governmental agencies are agreeing to. I do not think they are really interested in whether one particular employee on a consent agenda gets a raise or a change in their benefits. The bill came out of committee unanimous so I oppose this amendment.

The following amendment was proposed by Senator Atkinson:
Amendment No. 273.

AN ACT relating to employment; revising provisions governing the payment of minimum wage and compensation for overtime; requiring an employer to provide an employee with certain periods of rest; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law requires the Labor Commissioner, in accordance with federal law, to establish by regulation the minimum wage which may be paid to an employee in private employment in this State. (NRS 608.250) Section 1.3 of this bill requires the Labor Commissioner, in adopting those regulations, to ensure that the minimum wage for the employee is $9 per hour, if the employer of the employee does not offer health insurance for the employee in accordance with regulations adopted by the Labor Commissioner.

Existing law requires an employer to provide his or her employees with certain mandatory meal periods and rest periods. (NRS 608.019) Section 1.7 of this bill requires an employer, in addition to the mandatory meal periods and rest periods, to provide his or her employees with a rest period of at least 8 hours after each 10-hour period of work.

The Fair Labor Standards Act of 1938 requires that compensation for overtime be paid to certain employees for hours worked in excess of 40 hours in any week of work. (29 U.S.C. § 207) Under existing Nevada law, certain employees, including certain classified employees of this State, certain employees of contractors working on public works projects and certain other employees of private employers, are entitled to compensation for overtime at a rate of 1 1/2 times an employee’s regular wage rate for any hours worked in excess of 8 hours in any workday or in excess of 40 hours in any week of work. (NRS 284.180, 338.020, 608.018) Sections 2-4 of this bill [remove the provisions which require payment of compensation for overtime for hours worked in excess of 8 hours in any workday, while retaining] amend the provisions which require payment of compensation for overtime for hours worked in excess of 8 hours in any workday to 10 hours in any workday.
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 608 of NRS is hereby amended by adding thereto [a
new section to read as follows:] the provisions set forth as sections 1.3 and
1.7 of this act.

Sec. 1.3. In adopting the regulations establishing the minimum wage
which may be paid pursuant to NRS 608.250, the Labor Commissioner shall
ensure that the minimum wage for each employee to which those regulations
apply is at least $9 per hour, if the employer of the employee does not offer
health insurance for the employee in accordance with regulations adopted by
the Labor Commissioner.

Sec. 1.7. In addition to any meal period or rest period required by NRS
608.019, an employer shall authorize and permit all of his or her employees
to take a rest period of at least 8 hours after each 10 hour period of work.

Sec. 2. NRS 608.018 is hereby amended to read as follows:

608.018 1. An employer shall pay 1 1/2 times an employee’s regular
wage rate whenever an employee who receives compensation for
employment at a rate less than 1 1/2 times the minimum rate prescribed
pursuant to NRS 608.250 works:

(a) More than 40 hours in any scheduled week of work; or
(b) More than 48 hours in any workday, unless by mutual agreement
the employee works a scheduled 10 hours per day for 4 calendar days within
any scheduled week of work.

2. Except as otherwise provided in subsection 2, an employer shall
pay 1 1/2 times an employee’s regular wage rate whenever an employee who
receives compensation for employment at a rate not less than 1 1/2 times the
minimum rate prescribed pursuant to NRS 608.250 works more than 40
hours in any scheduled week of work.

3. The provisions of [subsections] subsection 1 [and 2] do not apply to:

(a) Employees who are not covered by the minimum wage provisions of
NRS 608.250;
(b) Outside buyers;
(c) Employees in a retail or service business if their regular rate is more
than 1 1/2 times the minimum wage, and more than half their compensation
for a representative period comes from commissions on goods or services,
with the representative period being, to the extent allowed pursuant to federal
law, not less than 1 month;
(d) Employees who are employed in bona fide executive, administrative or
professional capacities;
(e) Employees covered by collective bargaining agreements which
provide otherwise for overtime;
(f) Drivers, drivers’ helpers, loaders and mechanics for motor carriers
subject to the Motor Carrier Act of 1935, as amended;
(g) Employees of a railroad;
(h) Employees of a carrier by air;

    (m) Any salesperson or mechanic primarily engaged in selling or servicing automobiles, trucks or farm equipment; and
    (n) A mechanic or worker for any hours to which the provisions of subsection 3 or 4 of NRS 338.020 apply.

Sec. 3. NRS 284.180 is hereby amended to read as follows:

284.180  1. The Legislature declares that since uniform salary and wage rates and classifications are necessary for an effective and efficient personnel system, the pay plan must set the official rates applicable to all positions in the classified service, but the establishment of the pay plan in no way limits the authority of the Legislature relative to budgeted appropriations for salary and wage expenditures.

2. Credit for overtime work directed or approved by the head of an agency or the representative of the head of the agency must be earned at the rate of time and one-half, except for those employees described in NRS 284.148.

3. Except as otherwise provided in subsections 4, 6, 7, and 8, overtime is considered time worked in excess of:

(a) Eight hours in 1 calendar day;
(b) Eight hours in any 16-hour period;
(c) A 40-hour week.

4. Firefighters who choose and are approved for a 24-hour shift shall be deemed to work an average of 56 hours per week and 2,912 hours per year, regardless of the actual number of hours worked or on paid leave during any biweekly pay period. A firefighter so assigned is entitled to receive 1/26 of the firefighter’s annual salary for each biweekly pay period. In addition, overtime must be considered time worked in excess of:

(a) Twenty-four hours in one scheduled shift; or
(b) Fifty-three hours average per week during one work period for those hours worked or on paid leave.

The appointing authority shall designate annually the length of the work period to be used in determining the work schedules for such firefighters. In addition to the regular amount paid such a firefighter for the deemed average of 56 hours per week, the firefighter is entitled to payment for the hours which comprise the difference between the 56-hour average and the overtime threshold of 53 hours average at a rate which will result in the equivalent of overtime payment for those hours.

5. The Commission shall adopt regulations to carry out the provisions of subsection 4.
6. Employees who are eligible under the Fair Labor Standards Act of 1938, 29 U.S.C. §§ 201 et seq., to work a variable 80-hour work schedule within a biweekly pay period and who choose and are approved for such a work schedule will be considered eligible for overtime only after working 80 hours biweekly except those eligible employees who are approved for overtime in excess of one scheduled shift of 10 or more hours per day.

7. An agency may experiment with innovative workweeks upon the approval of the head of the agency and after majority consent of the affected employees. The affected employees are eligible for overtime only after working 40 hours in a workweek.

8. This section does not supersede or conflict with existing contracts of employment for employees hired to work 24 hours a day in a home setting. Any future classification in which an employee will be required to work 24 hours a day in a home setting must be approved in advance by the Commission.

9. All overtime must be approved in advance by the appointing authority or the designee of the appointing authority. No officer or employee, other than a director of a department or the chair of a board, commission or similar body, may authorize overtime for himself or herself. The chair of a board, commission or similar body must approve in advance all overtime worked by members of the board, commission or similar body.

10. The Budget Division of the Department of Administration shall review all overtime worked by employees of the Executive Department to ensure that overtime is held to a minimum. The Budget Division shall report quarterly to the State Board of Examiners the amount of overtime worked in the quarter within the various agencies of the State.

11. A state employee is entitled to his or her normal rate of pay for working on a legal holiday unless the employee is entitled to payment for overtime pursuant to this section and the regulations adopted pursuant thereto. This payment is in addition to any payment provided for by regulation for a legal holiday.

Sec. 4. NRS 338.020 is hereby amended to read as follows:

338.020 1. Every contract to which a public body of this State is a party, requiring the employment of skilled mechanics, skilled workers, semiskilled mechanics, semiskilled workers or unskilled labor in the performance of public work, must contain in express terms the hourly and daily rate of wages to be paid each of the classes of mechanics and workers. The hourly and daily rate of wages must:

(a) Not be less than the rate of such wages then prevailing in the county in which the public work is located, which prevailing rate of wages must have been determined in the manner provided in NRS 338.030; and

2. When public work is performed by day labor, the prevailing wage for each class of mechanics and workers so employed applies and must be stated clearly to such mechanics and workers when employed.

3. Except as otherwise provided in subsection 4, a contractor or subcontractor shall pay to a mechanic or worker employed by the contractor or subcontractor on the public work not less than one and one-half times the prevailing rate of wages applicable to the class of the mechanic or worker for each hour the mechanic or worker works on the public work in excess of:

(a) Forty [40] hours in any scheduled week of work by the mechanic or worker for the contractor or subcontractor, including, without limitation, hours worked for the contractor or subcontractor on work other than the public work; or

(b) [Eight] Ten hours in any workday that the mechanic or worker was employed by the contractor or subcontractor, including, without limitation, hours worked for the contractor or subcontractor on work other than the public work, unless by mutual agreement the mechanic or worker works a scheduled 10 hours per day for 4 calendar days within any scheduled week of work.

4. The provisions of subsection 3 do not apply to a mechanic or worker who is covered by a collective bargaining agreement that provides for the payment of wages at not less than one and one-half times the rate of wages set forth in the collective bargaining agreement for work in excess of:

(a) Forty [40] hours in any scheduled week of work; or

(b) [Eight] Ten hours in any workday, unless the collective bargaining agreement provides that the mechanic or worker shall work a scheduled 10 hours per day for 4 calendar days within any scheduled week of work.

5. The prevailing wage and any wages paid for overtime pursuant to subsection 3 or 4 to each class of mechanics or workers must be in accordance with the jurisdictional classes recognized in the locality where the work is performed.

6. Nothing in this section prevents an employer who is signatory to a collective bargaining agreement from assigning such work in accordance with established practice.

Sec. 5. This act becomes effective:

1. Upon passage and approval for the purposes of adopting regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act; and

Remarks by Senator Atkinson.

Thank you, Mr. President. Amendment No. 273 does a couple of things. It is a compromise amendment with what we heard out of committee and stripping workers of the eight hour a day dramatically changes employment for low wage hourly workers by allowing employers to overwork employees through extra-long shifts without premium pay.

If we pass this bill without amending it, it’s a pay cut for all people working more than 8 hours a day and less than 40 hours a week. There are over 350,000 Nevadans in jobs that would
currently qualify for overtime. The reality is this, many Nevadans in these jobs do not work over 40 hours a week. For example, about 69% of minimum wage workers work part time. The national average for minimum wage workers is 26 hours a week. Raising only one tier of our two-tiered minimum wage is a small step in the right direction, but we have to think of it in the bigger picture. The part time economy, coupled with the growth in service sector jobs is reason enough for Nevada to raise the minimum wage. However, a wage increase that cuts pay elsewhere isn’t a real increase.

This amendment is a fair compromise for workers and businesses that takes into account all the grievances that were brought up in committee and off record conversations. Not only is this amendment good for working people, it’s good for our businesses. Our amendment will give businesses until January 1, 2016 before any changes to overtime or the minimum wage increase are put into place, allowing businesses some additional time to prepare for the adjustment in wages. This compromise is very good for businesses because of the 2016 phase in this provision.

This amendment requires each employer to authorize his or her employees to take a rest period, consisting of at least 8 hours, after each 10 hour period worked by the employee. It also changes existing law to require an employer to pay overtime to certain employees of one and a half times an employee’s regular wage rate, whenever the employee works more than 10 hours in any scheduled day of work. This would apply to employees who, under current law, are eligible for overtime after an 8 hour shift.

This is an opportunity. This is an opportunity for all of us, regardless of political affiliation, to come together for a true compromise that will benefit all Nevadans, particularly those who earn the lowest wages. This is a common sense and reasonable approach that both sides should be able to come to and agree on at this time. I urge the adoption of this amendment.

Amendment No. 257.

SUMMARY—Revises provisions governing the payment of minimum wage. (BDR 53-989)

AN ACT relating to employment; revising provisions governing the payment of minimum wage and compensation for overtime; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the Labor Commissioner, in accordance with federal law, to establish by regulation the minimum wage which may be paid to an employee in private employment in this State. (NRS 608.250) This bill requires the Labor Commissioner, in adopting those regulations, to ensure that the minimum wage for the employee is at
least $10.10 per hour, if the employer of the employee does not offer health insurance for the employee in accordance with regulations adopted by the Labor Commissioner .

The Fair Labor Standards Act of 1938 requires that compensation for overtime be paid to certain employees for hours worked in excess of 40 hours in any week of work. (29 U.S.C. § 207) Under existing Nevada law, certain employees, including certain classified employees of this State, certain employees of contractors working on public works projects and certain other employees of private employers, are entitled to compensation for overtime at a rate of 1 1/2 times an employee’s regular wage rate for any hours worked in excess of 8 hours in any workday or in excess of 40 hours in any week of work. (NRS 284.180, 338.020, 608.018) Sections 2-4 of this bill remove the provisions which require payment of compensation for overtime for hours worked in excess of 8 hours in any workday, while retaining the provisions which require payment of compensation for overtime for hours worked in excess of 40 hours in any week of work, or at least $9.10 per hour if the employer of the employee offers such health insurance to the employee.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 608 of NRS is hereby amended by adding thereto a new section to read as follows:

In adopting the regulations establishing the minimum wage which may be paid pursuant to NRS 608.250, the Labor Commissioner shall ensure that the minimum wage for each employee to which those regulations apply is at least $9:

1. At least $10.10 per hour, if the employer of the employee does not offer health insurance for the employee in accordance with regulations adopted by the Labor Commissioner ; or

2. At least $9.10 per hour, if the employer of the employee offers health insurance for the employee in accordance with regulations adopted by the Labor Commissioner .

Sec. 2. NRS 608.018 is hereby amended to read as follows:

608.018 1. [An employer shall pay 1 1/2 times an employee’s regular wage rate whenever an employee who receives compensation for employment at a rate less than 1 1/2 times the minimum rate prescribed pursuant to NRS 608.250 works:

(a) More than 40 hours in any scheduled week of work; or

(b) More than 8 hours in any workday unless by mutual agreement the employee works a scheduled 10 hours per day for 4 calendar days within any scheduled week of work.

2. An employer shall pay 1 1/2 times an employee’s regular wage rate whenever an employee who receives compensation for employment at a rate not less than 1 1/2 times the minimum rate prescribed pursuant to NRS 608.250 works more than 40 hours in any scheduled week of work.]
The provisions of subsections 1 and 2 do not apply to:

(a) Employees who are not covered by the minimum wage provisions of NRS 608.250;

(b) Outside buyers;

(c) Employees in a retail or service business if their regular rate is more than 1 1/2 times the minimum wage, and more than half their compensation for a representative period comes from commissions on goods or services, with the representative period being, to the extent allowed pursuant to federal law, not less than 1 month;

(d) Employees who are employed in bona fide executive, administrative or professional capacities;

(e) Employees covered by collective bargaining agreements which provide otherwise for overtime;

(f) Drivers, drivers’ helpers, loaders, and mechanics for motor carriers subject to the Motor Carrier Act of 1935, as amended;

(g) Employees of a railroad;

(h) Employees of a carrier by air;

(i) Drivers or drivers’ helpers making local deliveries and paid on a trip-rate basis or other delivery payment plan;

(j) Drivers of taxicabs or limousines;

(l) Agricultural employees;

(m) Employees of business enterprises having a gross sales volume of less than $250,000 per year;

(n) Any salesperson or mechanic primarily engaged in selling or servicing automobiles, trucks or farm equipment, and

(a) A mechanic or worker for any hours to which the provisions of subsection 2 or 4 of NRS 338.020 apply (Deleted by amendment.)

Sec. 3. NRS 284.180 is hereby amended to read as follows:

284.180 1. The Legislature declares that since uniform salary and wage rates and classifications are necessary for an effective and efficient personnel system, the pay plan must set the official rates applicable to all positions in the classified service, but the establishment of the pay plan in no way limits the authority of the Legislature relative to budgeted appropriations for salary and wage expenditures.

2. Credit for overtime work directed or approved by the head of an agency or the representative of the head of the agency must be earned at the rate of time and one-half, except for those employees described in NRS 284.148.

3. Except as otherwise provided in subsections 4, 6, [7] and [9], overtime is considered time worked in excess of:

(a) Eight hours in 1 calendar day;

(b) Eight hours in any 16-hour period; or

(c) A 24-hour period.
4. Firefighters who choose and are approved for a 24-hour shift shall be deemed to work an average of 56 hours per week and 2,912 hours per year, regardless of the actual number of hours worked or on paid leave during any biweekly pay period. A firefighter so assigned is entitled to receive 1/26 of the firefighter’s annual salary for each biweekly pay period. In addition, overtime must be considered time worked in excess of:

(a) Twenty-four hours in one scheduled shift; or
(b) Fifty-three hours average per week during one work period for those hours worked or on paid leave.

The appointing authority shall designate annually the length of the work period to be used in determining the work schedules for such firefighters. In addition to the regular amount paid such a firefighter for the deemed average of 56 hours per week, the firefighter is entitled to payment for the hours which comprise the difference between the 56 hour average and the overtime threshold of 53 hours average at a rate which will result in the equivalent of overtime payment for those hours.

5. The Commission shall adopt regulations to carry out the provisions of subsection 4.

6. [For employees who choose and are approved for a variable workday, overtime will be considered only after working 40 hours in 1 week.

7.] Employees who are eligible under the Fair Labor Standards Act of 1938, 29 U.S.C. §§ 201 et seq., to work a variable 80-hour work schedule within a biweekly pay period and who choose and are approved for such a work schedule will be considered eligible for overtime only after working 80 hours biweekly. Except those eligible employees who are approved for overtime in excess of one scheduled shift of 8 or more hours per day.

8.] An agency may experiment with innovative workweeks upon the approval of the head of the agency and after majority consent of the affected employees. The affected employees are eligible for overtime only after working 40 hours in a workweek.

9.] This section does not supersede or conflict with existing contracts of employment for employees hired to work 24 hours a day in a home setting. Any future classification in which an employee will be required to work 24 hours a day in a home setting must be approved in advance by the Commission.

10.] All overtime must be approved in advance by the appointing authority or the designee of the appointing authority. No officer or employee, other than a director of a department or the chair of a board, commission or similar body, may authorize overtime for himself or herself. The chair of a board, commission or similar body must approve in advance all overtime worked by members of the board, commission or similar body.

11.] The Budget Division of the Department of Administration shall review all overtime worked by employees of the Executive Department to ensure that overtime is held to a minimum. The Budget Division shall report
quarterly to the State Board of Examiners the amount of overtime worked in
the quarter within the various agencies of the State.

11. A state employee is entitled to his or her normal rate of pay for
working on a legal holiday unless the employee is entitled to payment for
overtime pursuant to this section and the regulations adopted pursuant
thereto. This payment is in addition to any payment provided for by
regulation for a legal holiday. (Deleted by amendment.)

Sec. 4. NRS 338.020 is hereby amended to read as follows:

338.020 1. Every contract to which a public body of this State is a
party, requiring the employment of skilled mechanics, skilled workers,
semiskilled mechanics, semiskilled workers or unskilled labor in the
performance of public work, must contain in express terms the hourly and
daily rate of wages to be paid each of the classes of mechanics and workers.
The hourly and daily rate of wages must:

(a) Not be less than the rate of such wages then prevailing in the county in
which the public work is located, which prevailing rate of wages must have
been determined in the manner provided in NRS 338.030; and

(b) Be posted on the site of the public work in a place generally visible to
the workers.

2. When public work is performed by day labor, the prevailing wage for
each class of mechanics and workers so employed applies and must be stated
clearly to each mechanics and workers when employed.

3. Except as otherwise provided in subsection 4, a contractor or
subcontractor shall pay to a mechanic or worker employed by the contractor
or subcontractor on the public work not less than one and one-half times the
prevailing rate of wages applicable to the class of the mechanic or worker for
each hour the mechanic or worker works on the public work in excess of:

(a) Forty-four hours in any scheduled week of work by the mechanic or
worker for the contractor or subcontractor, including, without limitation,
hours worked for the contractor or subcontractor on work other than the
public work;

(b) Eight hours in any workday that the mechanic or worker was
employed by the contractor or subcontractor, including, without limitation,
hours worked for the contractor or subcontractor on work other than the

work.]

4. The provisions of subsection 3 do not apply to a mechanic or worker
who is covered by a collective bargaining agreement that provides for the
payment of wages at not less than one and one-half times the rate of wages
set forth in the collective bargaining agreement for work in excess of:

(a) Forty-four hours in any scheduled week of work; or

(b) Eight hours in any workday unless the collective bargaining agreement
provides that the mechanic or worker shall work a scheduled 10 hours per
day for 4 calendar days within any scheduled week of work.]

5. The prevailing wage and any wages paid for overtime pursuant to
subsection 3 or 4 to each class of mechanics or workers must be in
accordance with the jurisdictional classes recognized in the locality where the
work is performed.
6. Nothing in this section prevents an employer who is signatory to a
collective bargaining agreement from assigning such work in accordance
with established practice.] (Deleted by amendment.)

Sec. 5. This act becomes effective:
1. Upon passage and approval for the purposes of adopting regulations
and performing any other preparatory administrative tasks that are necessary
to carry out the provisions of this act; and
2. On January 1, 2016, for all other purposes.

Senator Atkinson moved the adoption of the amendment.
Remarks by Senator Atkinson.
If we are serious, if we are really serious about raising the minimum wage in this State, then
we need to raise both tiers. We have a two-tiered minimum wage structure in our State
Constitution, but the way S.B. No. 193 is currently written, we are only talking about raising the
upper level. The true minimum wage in Nevada will remain $7.25 per hour. Without addressing
both tiers of the minimum wage, the increase does not truly affect all minimum wage workers.
An employer can simply offer a junk health plan, which the worker does not have to accept, but
because it is offered, the employee is still paid $7.25 instead of the $9.00.
My amendment will raise both tiers. This amendment strikes the changes to overtime law
contained within the bill and raises the minimum wage in Nevada to $10.10 per hour when an
employer does not offer health insurance, and $9.10 per hour when an employer does offer
insurance.

Why should we raise the wage? There are several reasons. First, it would bring the
minimum wage more in line with inflation. If the minimum wage had kept up with inflation
since its peak in the 1960s, it would be over $10 per hour today. We are well below that here in
Nevada in both minimum wage tiers.
Second, it would boost the economy. While opponents of a minimum wage increase claim
that it will job growth, research points to the opposite. There is little evidence that it would hurt
jobs, but it would very likely help businesses through increasing demands, lower turnover, and
boosting prices which would give the economy a big boost thanks to more money in people’s
pockets to spend on purchases.
Third, it would help lift people out of poverty. Full-time, minimum wage workers earn about
$15,000 to $16,000 per year, which for someone with two kids means living $3,000 below the
poverty line. The wage is not enough to make rent and pay bills, let alone save anything for the
future.
Fourth, it would be a big help for women and people of color. I ask that the body please
respect. We do not have exact numbers for Nevada, but we know that people of color make up
42 percent of the minimum wage workers nationally despite representing just 32 percent of the
overall workforce, and women make up two-thirds of the country’s minimum wage workers
despite being only half the population. Raising the wage to $10.10 an hour would help lift those
people out of poverty.
People support raising the minimum wage. Polls have shown that 80 percent of Americans
support raising the wage to $10.10 an hour, and that includes two-thirds of Republicans. In fact,
when given the opportunity, voters nearly always approve minimum wage increases by
substantial majorities.
Mr. President, I again ask that this Body support Amendment No. 257 to S.B. No. 193.

Amendment No. 258.
SUMMARY—Revises provisions governing the payment of minimum wage [and compensation for overtime] (BDR 53-989)

AN ACT relating to employment; revising provisions governing the payment of minimum wage [and compensation for overtime] and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the Labor Commissioner, in accordance with federal law, to establish by regulation the minimum wage which may be paid to an employee in private employment in this State. (NRS 608.250) [Section 1 of this] This bill requires the Labor Commissioner, in adopting those regulations, to ensure that the minimum wage for the employee is $9 at least $9.50 per hour, if the employer of the employee does not offer health insurance for the employee in accordance with regulations adopted by the Labor Commissioner.

The Fair Labor Standards Act of 1938 requires that compensation for overtime be paid to certain employees for hours worked in excess of 40 hours in any week of work. (NRS 284.180, 328.020, 608.018) Sections 2-4 of this bill remove the provisions which require payment of compensation for overtime for hours worked in excess of 8 hours in any workday, while retaining the provisions which require payment of compensation for overtime for hours worked in excess of 40 hours in any week of work, or at least $8.50 per hour if the employer of the employee offers such health insurance to the employee.

1. At least $9.50 per hour, if the employer of the employee does not offer health insurance for the employee in accordance with regulations adopted by the Labor Commissioner;

   (a) More than 40 hours in any scheduled week of work; or
   (b) More than 8 hours in any workday unless by mutual agreement the employee works a scheduled 10 hours per day for 4 calendar days within any scheduled week of work.

Senator Ford moved the adoption of the amendment. Remarks by Senator Ford.

Thank you Mr. President. This amendment, once again, attempts to ascertain who is truly interested in providing a living wage. Minimum wage used to be earned by teenagers who just wanted to buy a pair Jordan’s. Now it is earned by adults who are actually trying to raise their child named Jordan. So we have an opportunity, yet again, to demonstrate true desire to raise the minimum wage. This amendment revises provisions of Section 1 of Senate Bill 193, the first reprint, regarding the minimum wage that an employer must pay to his or her employees. It provides that an employer must pay a minimum wage of $9.50 per hour. $10.10 was enough, pardon me, was too much, so maybe $9.50 is a good number if the employer does not offer health insurance to his or her employees. And by the way, communisurate with the dollar difference enshrined in our constitution, it also raises the bottom level to $8.50 per hour if the
employer does offer health insurance to his or her employees. This amendment also deletes Section 2, 3, and 4 ofSenate Bill 193, First Reprint, which makes changes to the overtime laws. By deleting those sections, the current overtime laws will remain in effect. Finally, this amendment extends the effective date of the Act from the default date of October 1, 2015 to January 1, 2016. The Act will become effective upon passage and approval for the purposes of adopting regulations and completing necessary administrative tasks. Again, I remind you that minimum wage isn’t just some trick to add to an overtime bill so that you can get people on the record. It’s an actual issue for many people in this state and we should be taking it that seriously. I urge support of Amendment No. 258 to Senate Bill No. 193.

AN ACT relating to employment; revising provisions governing the payment of minimum wage [and compensation for overtime] and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the Labor Commissioner, in accordance with federal law, to establish by regulation the minimum wage which may be paid to an employee in private employment in this State. (NRS 608.250) [Section 1 of this bill requires the Labor Commissioner, in adopting those regulations, to ensure that the minimum wage for the employee is at least $9 per hour, if the employer of the employee does not offer health insurance for the employee in accordance with regulations adopted by the Labor Commissioner.

The Fair Labor Standards Act of 1938 requires that compensation for overtime be paid to certain employees for hours worked in excess of 40 hours in any workweek. (29 U.S.C. § 207) Under existing Nevada law, certain employees, including certain classified employees of this State, certain employees of contractors working on public works projects and certain other employees of private employers are entitled to compensation for overtime at a rate of 1 1/2 times an employee’s regular wage rate for any hours worked in excess of 8 hours in any workday or in excess of 40 hours in any week of work. (NRS 284.180, 338.020, 608.018) Sections 2-4 of this bill remove the
provisions which require payment of compensation for overtime for hours worked in excess of 8 hours in any workday, while retaining the provisions which require payment of compensation for overtime for hours worked in excess of 40 hours in any week of work, or at least $8 per hour if the employer of the employee offers such health insurance to the employee.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

In adopting the regulations establishing the minimum wage which may be paid pursuant to NRS 608.250, the Labor Commissioner shall ensure that the minimum wage for each employee to which those regulations apply is at least:

1. At least $9 per hour, if the employer of the employee does not offer health insurance for the employee in accordance with regulations adopted by the Labor Commissioner;

2. At least $8 per hour, if the employer of the employee offers health insurance for the employee in accordance with regulations adopted by the Labor Commissioner.

Sec. 2. NRS 608.018 is hereby amended to read as follows:

608.018 1. An employer shall pay 1 1/2 times an employee’s regular wage rate whenever an employee who receives compensation for employment at a rate less than 1 1/2 times the minimum rate prescribed pursuant to NRS 608.250 works:

3. The provisions of subsections 1 and 2 do not apply to:

(a) Employees who are not covered by the minimum wage provisions of NRS 608.250;

(d) Employees who are employed in bona fide executive, administrative or professional capacities;
(e) Employees covered by collective bargaining agreements which provide otherwise for overtime;

(f) Drivers, drivers’ helpers, loaders and mechanics for motor carriers subject to the Motor Carrier Act of 1935, as amended;

Sec. 3. [NRS 284.180 is hereby amended to read as follows:

284.180 1. The Legislature declares that since uniform salary and wage rates and classifications are necessary for an effective and efficient personnel system, the pay plan must set the official rates applicable to all positions in the classified service, but the establishment of the pay plan in no way limits the authority of the Legislature relative to budgeted appropriations for salary and wage expenditures.

2. Credit for overtime work directed or approved by the head of an agency or the representative of the head of the agency must be earned at the rate of time and one-half, except for those employees described in NRS 284.148.

3. Except as otherwise provided in subsections 4, 6 [, 7] and [9,] 8, overtime is considered time worked in excess of:

(a) Eight hours in 1 calendar day;

(b) Eight hours in any 16-hour period; or

(c) A 40-hour week.

4. Firefighters who choose and are approved for a 24-hour shift shall be deemed to work an average of 56 hours per week and 2,912 hours per year, regardless of the actual number of hours worked or on paid leave during any biweekly pay period. A firefighter so assigned is entitled to receive 1/26 of the firefighter’s annual salary for each biweekly pay period. In addition, overtime must be considered time worked in excess of:

(a) Twenty-four hours in one scheduled shift, or

(b) Fifty-three hours average per week during one work period for those hours worked or on paid leave.

The appointing authority shall designate annually the length of the work period to be used in determining the work schedules for such firefighters. In addition to the regular amount paid such a firefighter for the deemed average of 56 hours per week, the firefighter is entitled to payment for the hours
which comprises the difference between the 56-hour average and the overtime threshold of 53 hours average at a rate which will result in the equivalent of overtime payment for those hours.

5. The Commission shall adopt regulations to carry out the provisions of subsection 4.

6. [For employees who choose and are approved for a variable workday, overtime will be considered only after working 40 hours in 1 week.

7. Employees who are eligible under the Fair Labor Standards Act of 1938, 29 U.S.C. §§ 201 et seq., to work a variable 80 hour work schedule within a biweekly pay period and who choose and are approved for such a work schedule will be considered eligible for overtime only after working 80 hours biweekly, except those eligible employees who are approved for overtime in excess of one scheduled shift of 8 or more hours per day.

8. An agency may experiment with innovative workweeks upon the approval of the head of the agency and after majority consent of the affected employees. The affected employees are eligible for overtime only after working 40 hours in a workweek.

9. This section does not supersede or conflict with existing contracts of employment for employees hired to work 24 hours a day in a home setting. Any future classification in which an employee will be required to work 24 hours a day in a home setting must be approved in advance by the Commission.

10. All overtime must be approved in advance by the appointing authority or the designee of the appointing authority. No officer or employee, other than a director of a department or the chair of a board, commission or similar body, may authorize overtime for himself or herself. A state employee is entitled to his or her normal rate of pay for working on a legal holiday unless the employee is entitled to payment for overtime pursuant to this section and the regulations adopted pursuant thereto. This payment is in addition to any payment provided for by regulation for a legal holiday.

Sec. 4. NRS 338.020 is hereby amended to read as follows:

338.020. Every contract to which a public body of this State is a party, requiring the employment of skilled mechanics, skilled workers, semiskilled mechanics, semiskilled workers or unskilled labor in the performance of public work, must contain in express terms the hourly and daily rate of wages to be paid each of the classes of mechanics and workers. The hourly and daily rate of wages must.
(a) Not be less than the rate of such wages then prevailing in the county in which the public work is located, which prevailing rate of wages must have been determined in the manner provided in NRS 338.030; and

   (b) Eight hours in any workday that the mechanic or worker was employed by the contractor or subcontractor, including, without limitation, hours worked for the contractor or subcontractor on work other than the public work, unless by mutual agreement the mechanic or worker works a scheduled 10 hours per day for 4 calendar days within any scheduled week of work.

4. The provisions of subsection 3 do not apply to a mechanic or worker who is covered by a collective bargaining agreement that provides for the payment of wages at not less than one and one-half times the rate of wages set forth in the collective bargaining agreement for work in excess of:

   (a) Forty 40 hours in any scheduled week of work;

Sec. 5. This act becomes effective:

1. Upon passage and approval for the purposes of adopting regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act; and

2. On January 1, 2016, for all other purposes.

Senator Manendo moved the adoption of the amendment.

Remarks by Senator Manendo:
This amendment revises the provisions of Section 1 of S.B. No. 193 regarding the minimum wage that an employer must pay to his or her employees. It provides that an employer must pay a minimum wage of $9.00 per hour if the employer does not offer health insurance to his or her employees, and $8.00 if the employer does offer health insurance to his or her employees. I’m taking another shot at this because it is important to the people of the State of Nevada.

Amendment No. 259 also deletes sections 2, 3, and 4 of S.B. No. 193 (First Reprint) which makes changes to the laws regarding the payment of overtime. By deleting these sections, the current overtime laws will remain in effect.

Finally, this amendment extends the effective date of the act from the default date of October 1, 2015 to January 1, 2016. The act will become effective upon passage and approval for the purpose of adopting regulations and taking any necessary administrative tasks.

Remarks from Senators Settelmeyer and Atkinson

SENATOR SETTELMeyer:
Thank you Mr. President. Senate Bill No. 193 requires the Labor Commissioner to establish a $9.00 an hour minimum wage for an employee in private employment if the employer does not offer health insurance for the employee. The measure also removes the provisions requiring compensation for overtime for hours worked in excess of eight hours in any work day while retaining provisions requiring that compensation for overtime must be paid to certain employees for hours worked in excess of 40 hours in any week consistent with 46 other states that have the 40 hour per week rule. This is the first time in this body’s career that we have ever had the opportunity to vote on the minimum wage. Thank you.

SENATOR ATKINSON:
Thank you Mr. President. I was just preparing for us to be cutoff again. Mr. President, as considered in the committee and as discussed on the floor, if we are going to have a serious debate about overtime. If we are going to have a serious debate about minimum wage, then we should have that debate. As we have seen over the last few days, a growing disregard and disrespect for this body by cutting off debate when we are trying to have debate since we can’t have them in committee, this is the only opportunity that we are afforded. We have attempted in good faith to work with the majority party on sensible minimum wage rates for our citizens. Anything that we have seen and have been able to ascertain, the minimum wage that they are setting for workers still does not bring our employees out of the poverty level. What they are asking us to do as a state is trade a minimum of .75 cent wage increase for overtime payment benefits. I think that it is a slap in the face to our workers. I think it is a slap in the face to the folks that are in need of reasonable wages. I had a lady say to me Mr. President that if she has to work past her eight hours and she picks her child up from daycare past nine hours. She has to pay that daycare time and a half. Under this scenario, she would actually be losing money because her daycare will be charging her time and a half while she is making straight time. Is
that fair? It’s not fair. It’s not fair, but they believe that they are throwing the constituents a bone by giving them .75 cents past their work hour, .75 cents, you do the math. If an employee works over four hours and they are paid $10.10 and they receive overtime, you do the math, it is quite significant. I think we need to stop playing games and if we are going to have serious discussions this session, let’s not cut off debate. Let’s not silence folks on matters that matter to them and their constituents. Let’s have a serious discussion on what we need to be doing to fix our state. Do we want to talk about partisanship, let’s talk a partisanship. We don’t mind, I mean we just made four efforts to try to doing something that we can all agree on. But Mr. President, I already know that chatter that’s going to be in this building after this vote and I have to really, really think about where we are headed this session and destroying our worker base. Thank you for the time.
