Senate called to order at 10:52 a.m.  
President Hutchison presiding.  
Roll called.
All present except Senators Segerblom and Smith.  
Prayer by the Rabbi Evon J. Yakar.
I am grateful to each of you for your service in this office, on behalf of all the people of the State of Nevada.
This day, the third Monday in April, is considered Patriots' Day in our country. It is the day on which we recall the battles of Lexington and Concord, the sparks to the Powder Keg that would become the American Revolution. The ideals of the early Republic centered on the dream, the belief that all citizens would be represented. While the late 18th century saw this kind of thinking as revolutionary, and a dream, it became a reality. This third Monday in April is a time during which we ought to consider the Patriots’ dream of establishing this great nation and all that we aim to continue to be as a country, and as a State.
Patriots’ Day recognizes those who were dedicated to seeing a brighter future, to dreaming of a new way of life. Their individual yearnings and prayer wrought our reality, and for that we are grateful.
The founder Modern Zionism, Theodore Herzl, coined the phrase “If you will it, it is no dream.” Dreaming is a form of prayer. It is the soul’s vision of the future one yearns to see as reality. Yet, when the same dream belongs to more than one person, to a people, or a community, it is transcendent.
This kind of dedication is also brought to mind this week as we celebrate the reality of Israel with Yom Ha’Atzmaut – Israel’s Independence Day on Thursday, April 23rd. As this day, Patriots’ Day, is honored in our country as a way to pay tribute to those dedicated to a common dream, we pray that our dedication will also see a brighter tomorrow. And, as Israel honors those who have made the ultimate sacrifice and its Independence we pray that all our dreams for good remain transcendent and become reality. May all our work, all our sacrifices and all our efforts for what is good, right and true continually help us to realize Herz’s words, “If you will it, it is no dream.” And let us say,

AMEN.
Pledge of Allegiance to the Flag.

Existing law requires the Nevada Gaming Commission and the State Gaming Control Board to administer state gaming licenses and manufacturers’, sellers’ and distributors’ licenses, and to perform various acts relating to the regulation and control of gaming. (NRS 463.140) Sections 1.4-1.7 of this bill: (1) provide certain definitions related to the operation of club venues within nonrestricted gaming establishments; and (2) require the Commission to adopt regulations relating to such club venues and the registration of club venue employees.
Sections 1.9 and 2 of this bill revise the definitions of the terms “gaming employee” and “manufacture” for the purposes of the statutory provisions governing the licensing and control of gaming by including references to manufacturers of associated equipment.
Existing law prohibits certain actions related to gaming without the person first procuring and maintaining the required licensure. (NRS 463.160) Existing law also authorizes the Commission to provide by regulation for the licensing of service providers, who generally: (1) perform certain services on behalf of another licensed person who conducts nonrestricted gaming operations or an establishment licensed to operate interactive gaming; or (2) provide services or devices which patrons of licensed establishments use to obtain cash or wagering instruments. (NRS 463.677) [Sections 3 and 6 of this bill remove the licensing requirement for a person to operate as a cash access and wagering instrument service provider.] Section 6 [also] of this bill

Existing law makes it unlawful to manufacture, sell or distribute certain items related to gaming without procuring and maintaining the required licensure. (NRS 463.650) Section [4] 5.5 of this bill requires the Commission to adopt regulations governing associated equipment related to gaming without first procuring and maintaining the required licensure. Sections 4 and 5 of this bill also require the Commission to adopt regulations, including prescribing the requirements for registration and the fees for the application for and issuance and renewal of a registration to manufacture, sell or distribute associated equipment.

Existing law authorizes the Commission to provide by regulation for the operation of interactive gaming and the licensing of: (1) the operation of interactive gaming; (2) a manufacturer of interactive gaming systems; (3) a manufacturer of equipment associated with interactive gaming; and (4) an interactive gaming service provider. (NRS 463.750-463.767) Sections 7-10 of this bill remove and repeal the provisions authorizing the Commission to license manufacturers of equipment associated with interactive gaming.

Remarks by Senator Brower.

Amendment No. 401 reinserts language originally stricken in the bill setting forth a licensing requirement for cash access and wagering instrument service providers.

This Amendment replaces the original Section 4 of the bill with new language providing that the Gaming Commission will adopt regulations governing associated gaming equipment and requiring that persons who manufacture and distribute such equipment be registered with the Commission.

Amendment 401 deletes Section 5, as it is no longer necessary. It also adds a new Section 10 to the bill providing that the Commission will adopt regulations governing the registration of certain club-venue employees and related matters. It also broadens the range of charitable and professional organizations that can conduct charitable lotteries in Nevada and allows for the conduct of multi-county charitable events subject to Commission approval.

Finally, Amendment 401 deletes obsolete sections of NRS relating to granting certain gaming licenses.

documents of a business entity are maintained; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 1 Section 1-1.7 of this bill exempt from the annual state business license fee certain nonprofit unit-owners’ associations.

Section 1.7 also requires that a state business license contain the business identification number as assigned by the Secretary of State pursuant to section 64 of this bill.

Under existing law, certain persons are excluded from the definition of “business” for the purposes of state business licenses and, thus, are not required to obtain a state business license. (NRS 76.020) Section 2 of this bill requires these persons to obtain annually from the Secretary of State a certificate of exemption from the requirement to obtain a state business license.

Under existing law, a person who conducts a business in this State without obtaining a state business license and a person who fails to renew the person’s state business license by paying the annual state business license fee must pay, in addition to the annual state business license fee, a penalty of $100. (NRS 76.110, 76.130) Section 3 of this bill requires the penalty for conducting a business in this State without obtaining a state business license to be assessed for each year for which business was conducted without obtaining a state business license. Section 4 of this bill provides that the penalty for failing to renew a state business license applies [until] unless the person conducting the business cancels the person’s state business license. Section 4 further [authorizes] requires the Secretary of State to waive the annual state business license fee and any related penalty imposed on a natural person or partnership if the natural person or partnership conducted no business in this State during the period for which the fees and penalties would be waived.

[Section 5 of this bill prohibits the Secretary of State from issuing a new state business license to a person who is applying for a new state business license for the purpose of avoiding the fee and penalties imposed for conducting business in this State with an expired state business license.]

Under existing law, a registered agent for a business entity has certain responsibilities relating to providing certain notices for his or her represented entities. (NRS 77.400) Section 6 of this bill requires a registered agent to [accept any process, notice or demand for any of his or her represented entities and to] maintain certain documents and information for those entities.

Under existing law, the charter or certificate of registration, limited partnership or trust, as applicable, of a business entity organized under the laws of this State is revoked if the business entity fails to file an annual list and pay the fee for filing such an annual list. A business entity whose charter or certificate has been revoked is not authorized to transact business in this
State. (NRS 78.175, 82.193, 86.274, 87.520, 87A.305, 88.405, 88A.640, 89.254) Sections 8, 14, 19, 26, 35, 45 and 55 of this bill provide that [\(\text{1}\)] the Secretary of State \[\text{[may]}\] shall authorize a domestic business entity whose charter has been revoked to dissolve without paying certain additional fees and penalties and, thus, use the procedures of existing law to dissolve the entity and wind up its affairs. \[\text{[; and (2) a domestic business entity whose charter has been revoked may halt the accrual of additional fees and penalties by filing a certificate of intent to dissolve and paying a fee for the filing of the certificate.]}\] Sections 10, 20, 37, 47, and 57 of this bill apply these provisions to foreign business entities whose right to transact business in this State has been revoked.

Existing law authorizes certain domestic entities to renew their charter, certificate of registration, limited partnership or trust, or articles of association which have expired or revive their charter, certificate or articles which have been revoked by filing a certificate of renewal or revival with the Secretary of State and paying certain fees. First, Amendment No. 204 reinstates much of the language that was stricken in the original bill regarding which entities a juvenile justice agency may share information with and adds to the list several entities that were included in the original bill.
Second, Amendment 204 adds new language to Section 1 providing that juvenile justice information is confidential and may only be released in accordance with State or federal law. New language is also added ensuring that public safety be taken into consideration in regard to releasing juvenile justice information and requiring that an agency’s denial of an information request must be provided to the requester within five business days.

Finally, the amendment provides that it is a gross misdemeanor for a person who receives this information to further disseminate or make it public and clarifies the definitions of juvenile justice information for the purposes of the bill.

Amendment No. 436.

SUMMARY—[Repeals] Revising provisions governing registration and community notification of sex offenders [which were originally enacted for purposes of the federal Adam Walsh Act] and offenders convicted of a crime against a child. (BDR 14-134)

AN ACT relating to crimes; [repealing revising provisions governing sex offenders and offenders convicted of a crime against a child which were originally enacted for purposes of the federal Adam Walsh Act] revising provisions governing registration [of] and community notification [concerning] of sex offenders and offenders convicted of a crime against a child; revising provisions governing registration and community notification of juveniles adjudicated delinquent for committing certain sexual offenses; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

[In 2006, Congress enacted the Adam Walsh Child Protection and Safety Act of 2006. The Act requires each state to enact certain laws regarding the registration of and community notification concerning sex offenders and offenders convicted of a crime against a child. (42 U.S.C. 16901 et seq.) If a state fails to substantially implement the Act, as determined by the United States Attorney General, the state must receive a 10 percent reduction in the funds that would otherwise be allocated to the state under the Edward Byrne Memorial Justice Assistance Grant Program. (42 U.S.C. 16925)].

In 2007, the Nevada Legislature enacted Assembly Bill No. 579 (A.B. 579) to implement the Adam Walsh Child Protection and Safety Act of 2006. Under A.B. 579, sex offenders and offenders convicted of a crime against a child are required to register with certain law enforcement agencies and are subject to community notification at a level that is based on the type of offense committed. This bill repeals provisions enacted by A.B. 579 and replaces those provisions with the provisions of state law that existed before the enactment of A.B. 579.

Sections 20-42 and 61-68 of this bill reenact the provisions of state law governing the registration of sex offenders and offenders convicted of a crime against a child. Sections 25, 26, 64 and 65 reenact provisions relating...
to the duty of a sex offender or an offender convicted of a crime against a child to register with certain law enforcement agencies. Section 27 reenacts provisions relating to the duty of an offender convicted of a crime against a child to appear in person at a local law enforcement agency, to notify the appropriate agencies of any change in his or her address and to provide updated information to certain agencies. Section 95 of this bill repeals the existing laws which require an offender to appear in person at a local law enforcement agency to register at least once every 90 days, every 180 days or every year, depending on the tier level assigned to the offender, and sections 28 and 66 instead require that the offender mail a verification form to the Central Repository for Nevada Records of Criminal History each year to verify the information in his or her registration record. Under existing law, the period for which registration is required is 15 years for a Tier I offender, 25 years for a Tier II offender and the life of the offender for a Tier III offender, except that after a certain period and satisfying certain conditions, a Tier I offender, or an offender who is a Tier III offender because of an adjudication of delinquency as a juvenile may petition a court to reduce the period of time for which registration is required. (NRS 179D.490) Sections 29 and 67 replace those provisions with a provision that authorizes certain offenders to petition a court to terminate the duty to register after a period of 15 years.

Under A.B. 579, sex offenders and offenders convicted of a crime against a child are subject to community notification and the tier level of community notification is based on the type of offense committed by a sex offender or offender convicted of a crime against a child. Sections 43-59 of this bill reenact the provisions relating to the community notification of sex offenders which were in effect before the enactment of A.B. 579 and which required a sex offender to be designated as a Tier I, Tier II or Tier III offender based upon an assessment of the sex offender’s risk of recidivism, with Tier I sex offenders being the least likely to reoffend and Tier III sex offenders being the most likely to reoffend. Under sections 52 and 53, the assessment must be conducted in compliance with guidelines and procedures for community notification established by the Attorney General. Section 55 requires a sex offender to be given notice of the level of notification assigned to the offender, whether Tier II or Tier III, and the procedures for requesting reconsideration of his or her level of notification. Section 56 provides for a change in the level of notification under certain circumstances. Section 57 provides that if a sex offender is not convicted of a crime which poses a threat to the safety or well being of others for a period of 10 consecutive years, the sex offender may petition the Attorney General for a reassessment of his or her risk of recidivism and a reduction of his or her level of notification or, if the sex offender is a Tier I offender, termination of the requirement of community notification.

Under A.B. 579,
Existing law provides that offenders convicted of certain sexual offenses or certain crimes against a child are subject to certain registration and community notification requirements. (NRS 179D.010-179D.550) Section 63.3 of this bill removes the requirement that the law enforcement agency with which such an offender registers ensure that the offender’s record of registration contains the text of the provision of law which the offender was convicted of violating and certain specific information concerning the criminal history of the offender.

Under existing law, a sex offender or offender convicted of a crime against a child must update his or her registration not later than 3 business days after a change in the offender’s name, residence or employment or student status. (NRS 179D.447) Existing law also requires a sex offender to update certain information regarding his or her presence in the State within 48 hours after a change in such information. (NRS 179D.470) Section 63.7 of this bill provides that a sex offender or offender convicted of a crime against a child must submit updates of the information not later than 48 hours after a change in the information. Sections 63.7 and 65.5 of this bill add a requirement that a sex offender or an offender convicted of a crime against a child update his or her registration when there is a change to: (1) the driver’s license or identification card issued to him or her by this State or another jurisdiction; or (2) the description of the vehicle registered to or frequently driven by him or her. Section 65 of this bill requires the local law enforcement agency with which a sex offender or offender convicted of a crime against a child registers to inform him or her of the information that must be updated.

Existing law provides that a child who is 14 years of age or older and who is adjudicated delinquent for committing certain sexual offenses and who was 14 years of age or older at the time of the commission of the sexual offense is required to register as a sex offender in the same manner as an adult and is subject to community notification. (NRS 62F.220) Sections 74-82 of this bill reenact provisions governing juvenile sex offenders which were in effect before the enactment of A.B. 579. (NRS 62F.220, 179D.0559, 179D.095) In addition, existing law prohibits the sealing of records relating to a child while the child is subject to registration and community notification as a juvenile sex offender. (NRS 62F.260) Section 95 of this bill repeals those provisions and sections 74-82 of this bill enact provisions to govern the registration and community notification of juvenile sex offenders.

Sections 74.5 and 76 include certain offenses, called “aggravated sexual offenses,” in the list of sexual offenses for which registration and community notification as a juvenile sex offender is required. Section 77.5 provides that a child who is adjudicated delinquent for committing certain sexual offenses and who was 14 years of age or older at the time of the commission of the sexual offense: (1) must register as a sex offender with the juvenile court, juvenile probation department or the Youth Parole Bureau of the Division of Child and Family Services of the Department of Health and Human Services, whichever entity is determined to be the appropriate entity by the juvenile
court; and (2) update his or her registration information not later than 48 hours after certain changes to that information. Section 77.5 also requires: (1) the juvenile court to order the parent or guardian of the child to ensure that the child complies with the requirements for registration as a sex offender; and (2) the parent or guardian of the child to notify the entity with which the child is registered as a sex offender and, if appropriate, the local law enforcement agency, if the child runs away or otherwise leaves the placement for the child approved by the juvenile court.

Under section 78, the juvenile court is required to: (1) notify the Central Repository for Nevada Records of Criminal History when a child is adjudicated delinquent for certain sexual offenses or a sexually motived act so that an assessment may be conducted of the risk of recidivism of the child pursuant to guidelines and procedures established by the Attorney General pursuant to section 59; and (2) the Central Repository may carry out the provisions of law governing the registration of the child as a sex offender, and (2) inform the child that he or she is subject to certain requirements for registration and community notification applicable to sex offenders. Section 78 further requires the child to remain under the supervision of a probation or parole officer for at least 3 years and requires the child or a parent or guardian of the child to inform the officer assigned to the child within 48 hours if the child changes his or her residence. Section 78 requires the probation or parole officer assigned to a juvenile sex offender to provide notification concerning the juvenile sex offender to certain law enforcement agencies. Section 79 prohibits the juvenile court from terminating its jurisdiction over the child until the juvenile court relieves the child of the requirement to register as a sex offender or orders that the child continue to be subject to registration and community notification after the child becomes 21 years of age.

Section 80.5 provides that upon a motion by a child, the juvenile court may exempt the child from the requirements of community notification applicable to sex offenders or exclude the child from placement on the community notification website, or both. Under section 80.5, the court may not exempt a child from community notification or exclude the child from the community notification website if the child is adjudicated delinquent for certain aggravated sexual offenses. The court must hold a hearing on such a motion and must not exempt the child from community notification or exclude the child from the community notification website unless, at the hearing, the court finds by clear and convincing evidence that the child is not likely to post a threat to the safety of others. Section 80.5 further authorizes the court to reconsider its decision on a motion after considering certain factors. Finally, if the juvenile court exempts a child from community notification or excludes the child from placement on the community notification website, or both, the juvenile court must notify the Central Repository and the child must not be subject to community notification or be placed on the community notification website.
Section 81 allows a juvenile court to hold a hearing at any appropriate time to determine whether to relieve a child who has been adjudicated delinquent for certain sexual offenses or a sexually motivated act from community notification as a juvenile sex offender. Under section 81, if the juvenile court has not previously relieved a child from community notification as a juvenile sex offender, the juvenile court must conduct a hearing when the child reaches 21 years of age or on a date reasonably near that date. If the juvenile court finds by clear and convincing evidence that the child has been rehabilitated and does not pose a threat to the safety of others, the juvenile court must relieve the child from the requirement for registration and community notification as a sex offender. However, if the juvenile court determines that the child has not been rehabilitated or poses a threat to the safety of others, the juvenile court must order that the child is subject to registration and community notification in the manner provided for adult sex offenders.

Remarks by Senator Brower.

Amendment No. 436 repeals all sections of Senate Bill 99, as introduced, and replaces the bill with amendments governing the registration of sex offenders and persons guilty of crimes against children as well as revisions to community notification procedures concerning certain juvenile sex offenders.

Second, Amendment 436 makes the following changes regarding sex offenders and those guilty of crimes against children to include: Technical corrections to registration procedures; revisions governing information to be included in the record of registration; revisions governing a registrant’s duty to update information; and various changes to the requirements for a sex offender to notify appropriate agencies upon a change in name, occupation, employment, or certain other information.

Third, Amendment 436 makes several changes regarding juvenile sex offenders. This amendment repeals certain current provisions governing community notification of juvenile sex offenders and adding new language setting forth: new definitions relating to juvenile sex offenders; a registration and community notification process for children age 14 or older at the time of an alleged offense who are adjudicated delinquent for a sexual offense; procedures for the termination of registration and community notification requirement for such juveniles; and continuing registration and community notification requirements for a child adjudicated delinquent for an aggravated sexual offense.

Bill read second time.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 411.

AN ACT relating to public safety; providing that the affirmative defense available to certain persons who drive a vehicle and proximately cause substantial bodily harm to or the death of another person cannot be offered by a person also charged with violating certain other provisions of law; increasing the maximum term of imprisonment for a person who leaves the scene of an accident that results in bodily injury to or the death of a person; prohibiting a prosecuting attorney from dismissing a charge against a person who leaves the scene of an accident that results in bodily injury to or the death of a person in exchange for certain pleas to a lesser charge or for any other reason in certain circumstances providing that the bodily injury to or the death of each person that results from an accident of which a person leaves the scene constitutes a separate offense; providing that the sentence of a person convicted of such a crime leaving the scene of an accident that results in bodily injury to or the death of a person may not be suspended nor may probation be granted to the person; and providing other matters properly relating thereto.
Existing law generally provides that a person who drives a vehicle while under the influence of alcohol or a prohibited substance and proximately causes substantial bodily harm to or the death of another person is guilty of a category B felony and must be punished by imprisonment in the state prison for a minimum term of not less than 2 years and a maximum term of not more than 20 years and by a fine of not less than $2,000 and not more than $5,000. [A prosecuting attorney is prohibited from dismissing a charge against a person who commits such an offense in exchange for certain pleas to a lesser charge or for any other reason unless the attorney knows or it is obvious that the charge is not supported by probable cause or cannot be proved at the time of trial.] The sentence of a person convicted of such a crime may not be suspended nor may probation be granted to the person. (NRS 484C.430)

Existing law also generally requires the driver of any vehicle involved in an accident that results in bodily injury to or the death of a person to stop his or her vehicle immediately at or near the scene of the accident and return to and remain at the scene until the driver provides certain information and renders reasonable assistance to any injured person. A person who violates such a provision is guilty of a category B felony and must be punished by imprisonment in the state prison for a minimum term of not less than 2 years and a maximum term of not more than 15 years and by a fine of not less than $2,000 and not more than $5,000. (NRS 484E.010, 484E.030)

[This] Section 2 of this bill increases the maximum term of imprisonment for a person who leaves the scene of an accident that results in bodily injury to or the death of a person from 15 years to 20 years, thereby making the penalties the same for leaving the scene of such an accident and driving under the influence of alcohol or a prohibited substance and proximately causing substantial bodily harm to or the death of another person. [This bill] Section 2 also [prohibits a prosecuting attorney from dismissing a charge against a person who leaves the scene of such an accident in exchange for certain pleas to a lesser charge or for any other reason unless the attorney knows or it is obvious that the charge is not supported by probable cause or cannot be proved at the time of trial.] provides that such a person commits a separate offense for each person who is injured or dies in the accident. Finally, [this bill] section 2 provides that the sentence of a person convicted of such a crime may not be suspended nor may probation be granted to the person.

Existing law provides that if: (1) a person drives a vehicle and proximately causes substantial bodily harm to or the death of another person; (2) the person is found by measurement within 2 hours after driving or being in actual physical control of a vehicle to have a concentration of alcohol of 0.08 or more in his or her blood or breath; and (3) consumption is proven by a
preponderance of the evidence, the person may use as an affirmative defense that he or she consumed a sufficient quantity of alcohol after driving or being in actual control of the vehicle, and before his or her blood or breath was tested, to cause the person to have such a concentration of alcohol in his or her blood or breath. (NRS 484C.430) Section 1 of this bill provides that a person may not offer such an affirmative defense if the person is also charged with a violation of any of the provisions of law which require a person to: (1) stop at the scene of an accident involving death, personal injury or damage to a vehicle or other property; and (2) provide certain information and render reasonable assistance to injured persons after any such accident.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 484C.430 is hereby amended to read as follows:

484C.430  1. Unless a greater penalty is provided pursuant to NRS 484C.440, a person who:
   (a) Is under the influence of intoxicating liquor;
   (b) Has a concentration of alcohol of 0.08 or more in his or her blood or breath;
   (c) Is found by measurement within 2 hours after driving or being in actual physical control of a vehicle to have a concentration of alcohol of 0.08 or more in his or her blood or breath;
   (d) Is under the influence of a controlled substance or is under the combined influence of intoxicating liquor and a controlled substance;
   (e) Inhales, ingests, applies or otherwise uses any chemical, poison or organic solvent, or any compound or combination of any of these, to a degree which renders the person incapable of safely driving or exercising actual physical control of a vehicle; or
   (f) Has a prohibited substance in his or her blood or urine in an amount that is equal to or greater than the amount set forth in subsection 3 of NRS 484C.110, and does any act or neglects any duty imposed by law while driving or in actual physical control of any vehicle on or off the highways of this State, if the act or neglect of duty proximately causes the death of, or substantial bodily harm to, another person, is guilty of a category B felony and shall be punished by imprisonment in the state prison for a minimum term of not less than 2 years and a maximum term of not more than 20 years and must be further punished by a fine of not less than $2,000 nor more than $5,000. A person so imprisoned must, insofar as practicable, be segregated from offenders whose crimes were violent and, insofar as practicable, be assigned to an institution or facility of minimum security.

2. A prosecuting attorney shall not dismiss a charge of violating the provisions of subsection 1 in exchange for a plea of guilty, guilty but mentally ill or nolo contendere to a lesser charge or for any other reason
unless the attorney knows or it is obvious that the charge is not supported by probable cause or cannot be proved at the time of trial. A sentence imposed pursuant to subsection 1 may not be suspended nor may probation be granted.

3. Except as otherwise provided in subsection 4, if consumption is proven by a preponderance of the evidence, it is an affirmative defense under paragraph (c) of subsection 1 that the defendant consumed a sufficient quantity of alcohol after driving or being in actual physical control of the vehicle, and before his or her blood or breath was tested, to cause the defendant to have a concentration of alcohol of 0.08 or more in his or her blood or breath. A defendant who intends to offer this defense at a trial or preliminary hearing must, not less than 14 days before the trial or hearing or at such other time as the court may direct, file and serve on the prosecuting attorney a written notice of that intent.

4. If the defendant is also charged with violating the provisions of NRS 484E.010, 484E.020 or 484E.030, the defendant may not offer the affirmative defense set forth in subsection 3.

5. If the defendant was transporting a person who is less than 15 years of age in the motor vehicle at the time of the violation, the court shall consider that fact as an aggravating factor in determining the sentence of the defendant.

[Section 1.]
Sec. 2. NRS 484E.010 is hereby amended to read as follows:

484E.010 1. The driver of any vehicle involved in an accident on a highway or on premises to which the public has access resulting in bodily injury to or the death of a person shall immediately stop his or her vehicle at the scene of the accident or as close thereto as possible, and shall forthwith return to and in every event shall remain at the scene of the accident until the driver has fulfilled the requirements of NRS 484E.030.

2. Every such stop must be made without obstructing traffic more than is necessary.

3. A person failing to comply with the provisions of subsection 1 is guilty of a category B felony and shall be punished by imprisonment in the state prison for a minimum term of not less than 2 years and a maximum term of not more than 20 years and by a fine of not less than $2,000 nor more than $5,000. AN ACT relating to guardians; adding provisions governing the appointment of certain preferred persons as guardians for adult wards; [providing an exception to the residency requirements for certain guardians under certain circumstances;] revising provisions relating to the appointment of a guardian for a minor; revising requirements governing eligibility to utilize a public guardian; [revising provisions concerning attorneys retained by a public guardian; revising provisions concerning reimbursement by a public guardian to the county for expenses relating to a ward;] and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law provides for the appointment, qualifications and duties of guardians for certain minor and adult wards. (Chapter 159 of NRS) Existing law prohibits a nonresident of Nevada from being appointed as a guardian for a minor or adult ward unless the person has associated a co-guardian who is a resident of Nevada or a banking corporation whose principal place of business is in Nevada. (NRS 159.059) Existing law also gives preference to certain persons to be appointed as a guardian for a minor ward but does not give preference to any persons to be appointed as a guardian for an adult ward. (NRS 159.061)

Sections 1 and [2] 6.7 of this bill [allow the] revise the circumstances under which a court is authorized to appoint a nonresident as a guardian for an adult ward. [under certain circumstances.] Section 6.3 eliminates existing
limitations on the authority of a court to appoint a nonresident as a guardian for a minor ward. Section 1 also requires the court to give preference in appointing a guardian for an adult ward to the following persons in the following order, whether or not the person is a nonresident: (1) a nominated person, who is a person the adult ward specifically nominated or requested as a guardian in a will, trust or other written document executed by the adult ward while competent; or (2) a relative. If two or more nominated persons are qualified and suitable to be appointed as a guardian, section 1 authorizes the court to appoint two or more co-guardians or generally requires the court to give preference to the nominated person named in a will, trust or other written document that is part of the adult’s established estate plan, but there are certain exceptions for extraordinary circumstances.

In selecting a guardian, section 1 does not allow the court to give preference to a nominated person or relative who is a resident over a nominated person or relative who is a nonresident if the court determines that the nonresident would be a more qualified and suitable guardian and the adult would receive continuing care and supervision under the guardianship of the nonresident. If the court selects a nonresident guardian, section 1 requires the court to order the nonresident guardian to designate a registered agent in this State.

[Under existing law, the board of county commissioners of each county must establish the office of public guardian to serve as the guardian for certain wards. (NRS 253.150-253.250) During the 74th Session of the Legislature in 2007, the Legislature passed Senate Bill No. 157 (S.B. 157), which made certain changes to the provisions governing the appointment and duties of public guardians. (Chapter 467, Statutes of Nevada 2007, p. 2485) Sections 3-6 of this bill reenact certain provisions governing public guardians that were removed by S.B. 157.]

Specifically, existing Sections 1 and 2.5 of this bill increase the frequency with which a guardian must file with the court a report regarding the finances and well-being of a ward from annually to semiannually.

Section 2.3 revises the existing list of persons who are preferred for appointment as a guardian to a minor to include any person recommended by: (1) an agency which provides child welfare services, an agency which provides child protective services or a similar agency; or (2) a guardian ad litem or court appointed special advocate who represents the minor.

Sections 2.1-2.9 and 6.3 of this act make conforming changes to reflect the changes made by sections 1 and 6.7.

Existing law provides that a ward is eligible to have a public guardian appointed as his or her permanent or general individual guardian if: (1) there is no relative or friend able and willing to be appointed as a guardian for the ward; or (2) the court removes a private professional guardian previously
appointed for the ward. (NRS 253.200) Section 3 of this bill reenacts a provision removed by S.B. 157 which provides that a ward is also eligible to have a public guardian appointed if the ward is unable to pay for a private guardian.

Existing law authorizes a public guardian to employ an attorney to assist the public guardian when necessary in the proper administration of a guardianship, and it also authorizes, but does not require, a public guardian to rotate this employment among the attorneys practicing in the county who are qualified and willing to accept this employment. (NRS 253.215) Section 4 of this bill reenacts a provision removed by S.B. 157 which requires a public guardian to rotate this employment among the attorneys practicing in the county who are qualified and willing to accept such employment.

Existing law provides that the reasonable value of a public guardian’s services rendered without cost to a ward must be allowed as a claim against the estate of the ward upon the approval of the court while the ward is still living. (NRS 253.240) Existing law also allows a county to advance to a public guardian the necessary expenses incurred by the public guardian during a guardianship, and if a county provides such an advance, the public guardian must reimburse the county from the assets of the ward’s estate as soon as the assets become available while the ward is still living. (NRS 253.243) Sections 5 and 6 of this bill reenact a provision removed by S.B. 157 which requires a public guardian to wait until after the ward’s death to reimburse the county from the assets of the ward’s estate.] provides for the appointment of a public guardian for an incompetent adult who failed to nominate a person for appointment as guardian while he or she was still competent or if the nominated person is not suitable or willing to serve as guardian.

e) Whether the nominated person or relative has been convicted in this State or any other jurisdiction of a [crime of moral turpitude, a crime involving domestic violence, a crime involving the exploitation of a child or a crime against an older person or a vulnerable person] felony, unless the court determines that any such conviction should not disqualify the person or relative from serving as guardian for the adult.

   (a) The practice of law;
   (b) The practice of accounting; or
   (c) Any other profession which:

Senator Brower moved the adoption of the amendment.
Remarks by Senator Brower.
The amendment does the following: Eliminates limitations on a court’s authority to appoint a nonresident of this State as a guardian for a minor; authorizes a court to appoint two or more co-guardians; shortens, from once every year to once every six months, the requirement that a guardian provide a report on the finances and well-being of a ward; adds preference number five in the order of preference for those persons who might be appointed as a guardian—a person “currently acting as agent” for the ward; provides for the appointment of a public guardian for an incompetent adult who failed to nominate a guardian while he or she was still competent or if the nominated person is not suited or is not willing to serve as a guardian.

SENATOR ATKINSON:
Did Senator Harris say they missed the fiscal note?

SENATOR HARRIS:
No, in the original drafting one of the appropriations over the Biennium was not appropriately put in to the bill and so it’s just a correction.

Senate Bill No. 306.

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 442.

AN ACT relating to common-interest communities; revising provisions governing a unit-owners’ association’s lien on a unit for certain amounts due to the association; revising provisions governing the foreclosure of an association’s lien; requiring the trustee under a deed of trust securing real property to provide a homeowners’ association certain notice concerning the Foreclosure Mediation Program under certain circumstances; requiring certain financial institutions to provide certain contact information to the Division of Financial Institutions of the Department of Business and Industry; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Under existing law, a unit-owners’ association has a lien on a unit for certain amounts due to the association and may foreclose its lien through a nonjudicial foreclosure sale. (NRS 116.3116-116.31168) Generally, the association’s lien is not prior to a first security interest on the unit recorded before the date on which the amount sought to be enforced became delinquent. However, the association’s lien is prior to the first security interest on the unit to the extent of certain maintenance and abatement charges and a certain amount of assessments for common expenses. The portion of the association’s lien that is prior to the first security interest on the unit is commonly referred to as the “super-priority lien.” (NRS 116.3116) In SFR Investments Pool 1, LLC v. U.S. Bank, 130 Nev. Adv. Op. 75, 334 P.3d 408 (2014), the Nevada Supreme Court held that the foreclosure of the super-priority lien by the association extinguishes the first security interest on the unit.
This bill amends various provisions governing the association’s super-priority lien and the procedures required for an association to foreclose its lien. Section 1 of this bill authorizes a limited amount of the costs of enforcing the association’s lien to be included in the super-priority lien. Section 1 also specifically states that an association, a member of the association’s executive board, an officer or employee of the association or the community manager of the association is not required to be a licensed debt collection agency or contract with a licensed debt collection agency to collect amounts included in the association’s lien until a notice and default and election to sell the unit to enforce the lien is recorded. Finally, section 1 specifically states that any payment of an amount included in the association’s lien by the holder of a subordinate lien on the unit becomes a debt due from the unit’s owner to the holder of the lien.

Sections 2-7 of this bill revise provisions governing the procedures for the foreclosure of the association’s lien. Sections 2-4 revise provisions relating to the notice of the association’s foreclosure required to be given to the holders of recorded security interests on the unit. Under section 3, an association is required to mail by certified [or registered] mail, [return receipt requested,] not later than 10 days after recording the notice of default and election to sell, a copy of the notice to each holder of a security interest recorded before the association recorded the notice. Section 4 similarly requires the association to mail by certified [or registered] mail, [return receipt requested,] not later than 10 days after recording notice of the foreclosure sale of the unit, a copy of the notice of sale to each holder of a security interest recorded before the association recorded the notice of sale. Section 2 also: (1) specifically states that the mailing of the copy of the notice of default and election to sell and the copy of the notice of sale to each holder of a recorded security interest is a condition which must be satisfied before the association may sell the unit; and (2) requires the association to record an affidavit stating the name of each holder of a recorded security interest to whom a copy of the notice of default and election to sell and notice of sale was mailed and the address to which those notices were sent. Section 4 further requires the publishing, posting and giving of notice of the foreclosure sale of a unit by an association in a manner similar to the publishing, posting and giving of notice of the nonjudicial foreclosure sale of real property secured by a deed of trust.

Sections 5 and 6 revise provisions relating to the foreclosure sale of a unit by an association. Section 5 requires the sale to be conducted at the same location that a nonjudicial foreclosure sale of real property secured by a deed of trust must be conducted. [and requires that the sale be commercially reasonable.] Section 5 also [removes provisions authorizing the association or person conducting the sale to postpone a sale and instead, requires notice of a rescheduled sale to be given in the same manner that notice of the sale is given.] provides that if the sale is postponed by oral proclamation, the sale
must be postponed to a later date at the same time and location. However, if
the date of sale has been postponed by oral proclamation three times, any
new sale information must be provided by giving certain notice of the sale.
Finally, section 5 requires the person conducting the sale to announce at the
sale whether or not the super-priority lien has been satisfied.

Section 6 provides that if the holder of the first security interest pays the
amount of the super-priority lien not later than 5 days before the date of
sale, the foreclosure of the association’s lien does not extinguish the first
security interest. Section 6 also provides that after a sale of a unit to enforce
the association’s lien, the unit’s owner or a holder of a security interest on the
unit may redeem the unit by paying certain amounts to the purchaser within
60 days after the sale. If the unit’s owner redeems the unit, the unit’s owner
is restored to his or her ownership of the unit subject to any security
interest on the unit that existed at the time of the sale. If a holder of a security
interest on the unit redeems the unit, that holder becomes the owner of the
unit. Section 6 further provides that upon expiration of the redemption
period, any failure to comply with the requirements of existing law for the
foreclosure of the association’s lien does not affect the rights of a bona fide
purchaser or encumbrancer for value.

Existing law further provides that if a unit is subject to the Foreclosure
Mediation Program, a unit-owners’ association may not foreclose its lien on
the unit until the trustee has recorded the required certificate. (NRS 107.086,
116.31162) Section 2 revises the language of existing law and specifies that a
unit-owners’ association may foreclose its lien on a unit that is subject to the
Foreclosure Mediation Program if the unit’s owner has failed to pay amounts
that became due to the association during the pendency of the mediation.
Section 8 of this bill requires the trustee under a deed of trust to notify the
association that a unit is subject to the Foreclosure Mediation Program, and
to notify the association that the trustee has received the required certificate
from the Program.

Section 8.5 of this bill requires a financial institution that is a mortgagee or
beneficiary of a deed of trust under certain residential mortgage loans to
provide to the Division of Financial Institutions of the Department of
Business and Industry the name and street address of a person to whom: (1) a
borrower or a borrower’s representative may send information and notices to
facilitate a mediation under the Foreclosure Mediation Program; and (2) a
unit-owners’ association may mail notices concerning the association’s lien.
Under section 8.5, the Division is required to maintain this information on its
Internet website and provide a prominent display of, or a link to, this
information on the home page of its Internet website.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
Section 1. NRS 116.3116 is hereby amended to read as follows:

116.3116 1. The association has a lien on a unit for any construction penalty that is imposed against the unit’s owner pursuant to NRS 116.310305, any assessment levied against that unit or any fines imposed against the unit’s owner from the time the construction penalty, assessment or fine becomes due. Unless the declaration otherwise provides, any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive, of subsection 1 of NRS 116.3102 and any costs of collecting a past due obligation charged pursuant to NRS 116.310313 are enforceable as assessments under this section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

2. A lien under this section is prior to all other liens and encumbrances on a unit except:
   (a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes or takes subject to;
   (b) A first security interest on the unit recorded before the date on which the assessment sought to be enforced became delinquent or, in a cooperative, the first security interest encumbering only the unit’s owner’s interest and perfected before the date on which the assessment sought to be enforced became delinquent [; and], except that a lien under this section is prior to a security interest described in this paragraph to the extent set forth in subsection 3;
   (c) Liens for real estate taxes and other governmental assessments or charges against the unit or cooperative []; the lien is also [and]

3. A lien under this section is prior to all security interests described in paragraph (b) of subsection 2 to the extent of [any]:
   (a) Any charges incurred by the association on a unit pursuant to NRS 116.310312 [and to the extent of the];
   (b) The unpaid amount of assessments, not to exceed an amount equal to assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 which would have become due in the absence of acceleration during the 9 months immediately preceding [institution of an action to enforce the lien, not to exceed 9 months of such assessments from the date on which the notice of default and election to sell is recorded pursuant to paragraph (b) of subsection 1 of NRS 116.3116; and]
   (c) The costs incurred by the association to enforce the lien in an amount not to exceed the amounts set forth in subsection 5, unless federal regulations adopted by the Federal Home Loan Mortgage
Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien. If federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior to all security interests described in paragraph (b) of subsection 2 must be determined in accordance with those federal regulations, except that notwithstanding the provisions of the federal regulations, the period of priority for the lien must not be less than the 6 months immediately preceding the recording of a notice of default and election to sell pursuant to paragraph (b) of subsection 1 of NRS 116.31162 or the institution of a judicial action to enforce the lien.

4. This section does not affect the priority of mechanics’ or materialmen’s liens, or the priority of liens for other assessments made by the association.

5. The amount of the costs of enforcing the association’s lien that are prior to the security interest described in paragraph (b) of subsection 2 must not exceed the actual costs incurred by the association, must not include more than one trustee’s sale guaranty and must not exceed:
   (a) For a demand or intent to lien letter, $150.
   (b) For a notice of delinquent assessment, $325.
   (c) For an intent to record a notice of default letter, $90.
   (d) For a notice of default, $400.
   (e) For a trustee’s sale guaranty, $400.

No costs of enforcing the association’s lien, other than the costs described in this subsection, and no amount of attorney’s fees may be included in the amount of the association’s lien that is prior to the security interest described in paragraph (b) of subsection 2.

6. Notwithstanding any other provision of law, an association, or member of the executive board, officer, employee or unit’s owner of the association, acting under the authority of this chapter or the governing documents of the association, or the community manager of the association, or any employee, agent or affiliate of the community manager, while engaged in the management of the common-interest community governed by the association, is not required to be licensed as a collection agency pursuant to chapter 649 of NRS or hire or contract with a collection agency licensed pursuant to chapter 649 to collect amounts due to the association in accordance with subsection 1 before the recording of a notice of default and election to sell pursuant to paragraph (b) of subsection 1 of NRS 116.31162.

7. The holder of the security interest described in paragraph (b) of subsection 2 or the holder’s authorized agent may establish an escrow account, loan trust account or other impound account for advance contributions for the payment of assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 if
the unit’s owner and the holder of that security interest consent to the establishment of such an account. If such an account is established, payments from the account for assessments for common expenses must be made in accordance with the same due dates as apply to payments of such assessments by a unit’s owner.

8. Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority.

9. Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required.

10. A lien for unpaid assessments is extinguished unless a notice of default and election to sell is recorded as required by paragraph (b) of subsection 1 of NRS 116.31162, or judicial proceedings to enforce the lien are instituted, within 3 years after the full amount of the assessments becomes due.

11. This section does not prohibit actions to recover sums for which subsection 1 creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

12. A judgment or decree in any action brought under this section must include costs and reasonable attorney’s fees for the prevailing party.

13. The association, upon written request, shall furnish to a unit’s owner a statement setting forth the amount of unpaid assessments against the unit. If the interest of the unit’s owner is real estate or if a lien for the unpaid assessments may be foreclosed under NRS 116.31162 to 116.31168, inclusive, the statement must be in recordable form. The statement must be furnished within 10 business days after receipt of the request and is binding on the association, the executive board and every unit’s owner.

14. In a cooperative, upon nonpayment of an assessment on a unit, the unit’s owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and:

(a) In a cooperative where the owner’s interest in a unit is real estate under NRS 116.1105, the association’s lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

(b) In a cooperative where the owner’s interest in a unit is personal property under NRS 116.1105, the association’s lien:

(2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

15. In an action by an association to collect assessments or to foreclose a lien created under this section, the court may appoint a receiver to collect all rents or other income from the unit alleged to be due and owing to
a unit’s owner before commencement or during pendency of the action. The
receivership is governed by chapter 32 of NRS. The court may order the
receiver to pay any sums held by the receiver to the association during
pendency of the action to the extent of the association’s common expense
assessments based on a periodic budget adopted by the association pursuant
to NRS 116.3115.

16. Notwithstanding any other provision of law, any payment of an
amount due to an association in accordance with subsection 1 by the holder
of any lien or encumbrance on a unit that is subordinate to the association’s
lien under this section becomes a debt due from the unit’s owner to the
holder of the lien or encumbrance.

The receipt for the purchase money contained in such a deed is sufficient to discharge the purchaser from obligation to see to the proper application of the purchase money.

10. Upon the expiration of the redemption period provided for in subsection 3, any failure to comply with the provisions of NRS 116.3116 to 116.31168, inclusive, does not affect the rights of a bona fide purchaser or bona fide encumbrancer for value.

Senator Brower moved the adoption of the amendment.
Remarks by Senator Brower.

First, Amendment 442 provides that if a foreclosure sale is postponed by oral proclamation, the sale must be moved to a later date at the same location and time as the original sale was to have occurred. If a sale is postponed by oral proclamation three times, any new sale information must be provided via a certain notice of sale.

Second, a person conducting a foreclosure sale must announce at the sale whether or not a super-priority lien on the property has been satisfied.

Third, Amendment 442 also changes—from ten days to five days prior to a sale—the deadline by which the holder of the first security interest may pay the amount of a super-priority lien so that the lien will not extinguish the first security interest.

Fourth, a lender must provide to the Nevada Real Estate Division the name, address, and any other pertinent contact information, for the entity to which a borrower or borrower’s representative must send by registered mail any notification deemed necessary to facilitate the foreclosure mediation process.

Fifth, the Nevada Real Estate Division must make this information publicly available on its website and is required to include a prominent display of the location of lender contact information on the Division’s home page.

Finally, Amendment 442 provides that borrowers entering mediation must be provided—on a single, stand-alone form printed in at least 14 point, bold font—notice that they must pay any HOA assessments due during the course of the mediation or is subject to foreclosure.

Amendment No. 496.

AN ACT relating to education; authorizing a pupil or school to appeal a final decision or order of the Executive Director of the Nevada Interscholastic Activities Association to the Director of the Department of Administration; requiring the Director, upon receiving an appeal, to appoint an independent hearing officer to review and conduct a hearing on the appeal; [prescribing the eligibility of a pupil to participate and practice in a sanctioned sport upon the pupil’s transfer from one high school to another high school;] requiring that certain rules and regulations adopted by the Association must apply equally to public schools and private schools that are members of the Association; authorizing a pupil who enrolls in a private school or public school to be immediately eligible to participate and practice in a sanctioned sport under certain circumstances; [prohibiting the Commission on Professional Standards in Education from conditioning the endorsement of a license to serve as a school nurse on the completion of any course or examination on certain subjects;] and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law establishes the Nevada Interscholastic Activities Association for the purpose of controlling, supervising and regulating interscholastic athletic events in public schools and further authorizes the Association to adopt rules and regulations for that purpose. (NRS 386.420-386.470) Section 5 of this bill authorizes a pupil or school that is aggrieved by a decision or
order of the Executive Director of the Association to appeal the decision or order to the Director of the Department of Administration. Section 5 requires the Director, upon receiving an appeal, to appoint an independent hearing officer to review and conduct a hearing on the appeal. Section 5 establishes certain procedural requirements regarding the appointment of the hearing officer and the hearing on the appeal.

Section 6 of this bill [authorizes a pupil to transfer once from one high school to another high school without losing his or her eligibility to participate or practice in a sanctioned sport at the high school to which the pupil transfers.] provides that any rules and regulations adopted by the Association governing the eligibility of a pupil who transfers from one high school to another high school to participate or practice in a sanctioned sport must apply equally to public schools and private schools that are members of the Association. Section [6 also] 6.5 of this bill provides that a pupil who enrolls in the 9th grade at: (1) a public school is immediately eligible to participate and practice in a sanctioned sport at the school if the pupil resides within the zone of attendance of the school at the time of enrollment, regardless of whether the pupil resided in a different zone of attendance or attended a school other than a public school before enrollment in the 9th grade; and (2) a private school is immediately eligible to participate and practice in a sanctioned sport at the school, regardless of whether the pupil attended a school other than a private school before enrollment in the 9th grade.

[Existing law requires the Commission on Professional Standards in Education to adopt regulations relating to the endorsement of a license to serve as a school nurse. (NRS 391.019, 391.021, 391.207) Section 9 of this bill prohibits the Commission from conditioning the endorsement of a license for the purpose of employment as a school nurse on the completion of any course or examination that the nurse is not otherwise required to complete for the purpose of obtaining a license to practice as a nurse, including any other course or examination relating to reading, writing or mathematics.]

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 526.

AN ACT relating to elections; establishing procedures by which the Department of Motor Vehicles may transmit certain information electronically to register a person to vote or update a person’s voter registration; revising the hours and days for early voting; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law designates the Department of Motor Vehicles as a voter registration agency which is required to offer applications to register to vote to persons who apply for or receive services from the agency, to assist applicants in completing the applications and to forward the applications to the county clerk. (NRS 293.504) Sections 2-7 of this bill establish procedures by which, with the consent of a person applying for or receiving certain services from the Department, information may be transmitted electronically to the appropriate county clerk for the purpose of registering the person to...
vote or updating his or her voter registration information. Sections 8, 9, 10-14, 15 and 16 of this bill make conforming changes.

Existing law establishes various days and hours of operation for a permanent polling place for early voting. (NRS 293.3568, 293C.3568) In particular, a permanent polling place must remain open from 8 a.m. to 6 p.m. on Monday through Friday during the first week of early voting, but during the second week of early voting, the hours of operation on those weekdays may be extended until 8 p.m. if the county or city clerk so requires. Additionally, if a federal holiday falls on one of those weekdays, the county or city clerk may require a permanent polling place to remain open on that federal holiday.

Existing law provides that on Saturdays during the period of early voting, a permanent polling place must remain open for at least 4 hours between 10 a.m. and 6 p.m., but the hours of operation on Saturdays may be extended until 8 p.m. if the county or city clerk so requires. Existing law also provides that the county or city clerk may additionally require a permanent polling place to remain open on a Sunday during the period of early voting, with such hours of operation as the county or city clerk may establish.

Sections 9.5 and 14.5 of this bill eliminate these existing provisions and provide that a permanent polling place for early voting must remain open on each day that falls within the period for early voting, including all Saturdays, Sundays and federal holidays, and must have the same hours of operation on each day from 7 a.m. until 8 p.m. which may not be extended beyond those times.

Existing law provides that a temporary polling place may be open during the period of early voting on the days and during the hours determined by the county or city clerk. (NRS 293.3572, 293C.3572) Sections 9.6 and 14.6 of this bill provide that a temporary polling place may not be open before 7 a.m. or remain open after 8 p.m. during the period of early voting.

Sec. 8. NRS 293.1277 is hereby amended to read as follows:

293.1277 1. If the Secretary of State finds that the total number of signatures submitted to all the county clerks is 100 percent or more of the number of registered voters needed to declare the petition sufficient, the Secretary of State shall immediately so notify the county clerks. Within 9 days, excluding Saturdays, Sundays and holidays, after notification, each of the county clerks shall determine the number of registered voters who have signed the documents submitted in the county clerk’s county and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, shall tally the number of signatures for each petition district contained or fully contained within the county clerk’s county. For the purpose of verification pursuant to this section, the county clerk shall not include in his or her tally of total signatures any signature included in the incorrect petition district.

2. Except as otherwise provided in subsection 3, if more than 500 names have been signed on the documents submitted to a county clerk, the county clerk shall examine the signatures by sampling them at random for verification. The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerk is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures, whichever is greater. If documents were submitted to the county clerk for more than one petition district wholly contained within that county, a separate random sample must be performed for each petition district.

3. If a petition district comprises more than one county and the petition is for an initiative or referendum proposing a constitutional amendment or a statewide measure, and if more than 500 names have been signed on the
documents submitted for that petition district, the appropriate county clerks shall examine the signatures by sampling them at random for verification. The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerks within the petition district is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures presented in the petition district, whichever is greater. The Secretary of State shall determine the number of signatures that must be verified by each county clerk within the petition district.

4. In determining from the records of registration the number of registered voters who signed the documents, the county clerk may use the signatures contained in the file of applications to register to vote. If the county clerk uses that file, the county clerk shall ensure that every application in the file is examined, including any application in his or her possession which may not yet be entered into the county clerk’s records. Except as otherwise provided in subsection 5, the county clerk shall rely only on the appearance of the signature and the address and date included with each signature in making his or her determination.

5. If:
   (a) Pursuant to NRS 293.506, a county clerk establishes a system to allow persons to register to vote by computer; or
   (b) A person registers to vote pursuant to NRS 293D.230 and signs his or her application to register to vote using a digital signature or an electronic signature; or
   (c) A person applies to register to vote pursuant to section 4 of this act, the county clerk may rely on such other indicia as prescribed by the Secretary of State in making his or her determination.

6. In the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, when the county clerk is determining the number of registered voters who signed the documents from each petition district contained fully or partially within the county clerk’s county, he or she must use the statewide voter registration list available pursuant to NRS 293.675.

7. Except as otherwise provided in subsection 9, upon completing the examination, the county clerk shall immediately attach to the documents a certificate properly dated, showing the result of the examination, including the tally of signatures by petition district, if required, and transmit the documents with the certificate to the Secretary of State. In the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, if a petition district comprises more than one county, the appropriate county clerks shall comply with the regulations adopted by the Secretary of State pursuant to this section to complete the certificate. A copy of this certificate must be filed in the clerk’s office. When the county clerk transmits the certificate to the Secretary of State, the county clerk shall notify
the Secretary of State of the number of requests to remove a name received by the county clerk pursuant to NRS 295.055 or 306.015.

8. A person who submits a petition to the county clerk which is required to be verified pursuant to NRS 293.128, 293.172, 293.200, 295.056, 298.109, 306.035 or 306.110 must be allowed to witness the verification of the signatures. A public officer who is the subject of a recall petition must also be allowed to witness the verification of the signatures on the petition.

9. For any petition containing signatures which are required to be verified pursuant to the provisions of NRS 293.200, 306.035 or 306.110 for any county, district or municipal office within one county, the county clerk shall not transmit to the Secretary of State the documents containing the signatures of the registered voters.

10. The Secretary of State shall by regulation establish further procedures for carrying out the provisions of this section.

The following amendment was proposed by the Committee on Education:

Amendment No. 495.

AN ACT relating to higher education; creating the Nevada Boost Grant Program to provide scholarships to certain students enrolling in community colleges of the Nevada System of Higher Education; requiring the Board of Regents of the University of Nevada to establish certain criteria and procedures for the Nevada Boost Grant Program; requiring the Board of Regents to submit to the Legislature a biennial report on the Program; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
This bill creates the Nevada Boost Grant Program. Under the Program, the Board of Regents of the University of Nevada is required to award grants to eligible students who are enrolled in community colleges that are part of the Nevada System of Higher Education to pay a portion of the cost of the first two semesters of education at such institutions. Section 3 of this bill sets forth the criteria for eligibility for such a grant. Section 4 of this bill requires the Board of Regents or a designee of the Board to: (1) calculate the maximum amount of the grant which a student is eligible to receive, up to a limit of $2,000 per semester; (2) determine the actual amount of the grant each eligible student will receive; and (3) award grants to all eligible students. Section 4 also provides that any money awarded under the Program must be used only to pay the cost of education of a student and not for any other purpose. Section 5 of this bill requires the Board of Regents to adopt regulations prescribing the procedures and standards for determining eligibility and the methodology for calculating the financial need of a student. Section 6 of this bill authorizes the Board of Regents to accept gifts, grants, bequests and donations to fund grants awarded under the Program. Section 7 of this bill requires the Board of Regents to submit a biennial report on the Program to the Legislature. The report must include information regarding: (1) the number of grants awarded under the Program; (2) the average amount of each grant; and (3) the percentage of students awarded grants who remained in school and who eventually earned a degree or certificate. Finally, section 8 of this bill includes appropriations from the State General Fund to the Board of Regents for the award of grants in the amount of $2,000,000 per year for Fiscal Years 2015-2016 and 2016-2017.
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 396 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 7, inclusive, of this act.

Sec. 2. As used in sections 2 to 7, inclusive, of this act, “Program” means the Nevada Boost Grant Program created by section 3 of this act.

Sec. 3. 1. The Nevada Boost Grant Program is hereby created for the purpose of awarding grants to eligible students to pay for a portion of the cost of education at a community college within the System.
2. The Board of Regents shall administer the Program.
3. In administering the Program, the Board of Regents, subject to the limits of money available for this purpose, shall award grants of not more than $2,000 to each eligible student to pay for a portion of the cost of each of the student’s first two semesters of education at a community college within the System.
4. To be eligible for an initial grant awarded under the Program for his or her first semester, a student must:
   (a) Be a bona fide resident of this State;
   (b) Except as otherwise provided in subsection 5, be a graduate from a public or private high school in Nevada;
   (c) Have never previously enrolled in any public or private college or university;
   (d) Be enrolled, or accepted to be enrolled, during a semester in at least 12 credit hours at a community college within the System;
   (e) Demonstrate proficiency in English and mathematics sufficient for placement into college-level English and mathematics courses pursuant to regulations adopted by the Board of Regents for such placement; and
   (f) Complete:
      (1) The Free Application for Federal Student Aid provided for by 20 U.S.C. 1090, if eligible; or
      (2) A form prescribed by the Board of Regents to determine the amount of the student contribution and family contribution to the cost of education of the student.
5. A person who graduated from high school in another state may be eligible for a grant awarded under the Program if the person:
   (a) Has been a bona fide resident of Nevada this State for two years or more at the time of application for a grant; at least 12 months before the first day of the semester for which the grant is to be awarded; and
   (b) Meets all other requirements of subsection 4.
6. To be eligible for a subsequent grant awarded under the Program for his or her a second semester, a student must:
(a) Have been awarded a grant for his or her first semester pursuant to subsection 4 or 5;
(b) Have made satisfactory academic progress as determined by the Board of Regents during that first semester; and
(c) Be enrolled in at least 12 credit hours at a community college within the System.

7. As used in this section, "bona fide resident" has the meaning ascribed to it in NRS 361.040, shall be construed in accordance with the provisions of NRS 10.155 and policies established by the Board of Regents, to the extent that those policies do not conflict with any statute. The qualification “bona fide” is intended to ensure that the residence is genuine and established for purposes other than the avoidance of tuition.

Sec. 4. 1. For each eligible student, the Board of Regents or a designee thereof shall:
(a) Calculate the maximum amount of the grant which the student is eligible to receive, up to a limit of $2,000 per semester. The maximum amount of such a grant must not exceed the amount equal to the cost of education of the student minus the amounts determined for the student contribution, family contribution and federal contribution to the cost of education of the student.
(b) Determine the actual amount of the grant which will be awarded to each student, which amount must not exceed the maximum amount calculated pursuant to paragraph (a), but which may be a lesser amount if the Board of Regents or a designee thereof, as applicable, determines that the amount of money available for all grants for any semester is insufficient to award to all eligible students the maximum amount of the grant which each student is eligible to receive.
(c) Award to each eligible student a grant in the amount determined pursuant to paragraph (b).

2. Money received from a grant awarded under the Program must be used by a student only to pay for the cost of education of the student at a community college within the System and not for any other purpose.

Sec. 5. 1. The Board of Regents:
(a) Shall adopt regulations prescribing the procedures and standards for determining the eligibility of a student for a grant from the Program;
(b) Shall adopt regulations prescribing the methodology by which the Board of Regents or a designee thereof will calculate:
   (1) The cost of education of a student at each community college within the System, which must be consistent with the provisions of 20 U.S.C. 1087l;
   (2) For each student, the amounts of the student contribution, family contribution and federal contribution, if any, to the cost of education of the student.
(3) The maximum amount, not to exceed $2,000 for a semester, of the grant for which a student is eligible.

c) May adopt any other regulations necessary to carry out the Program.

2. The regulations prescribed pursuant to this section must provide that:
   (a) In determining the student contribution to the cost of education, the student contribution must not exceed the amount that the Board of Regents determines the student reasonably could be expected to earn from employment during the time the student is enrolled at a community college within the System, including, without limitation, during breaks between semesters. This paragraph and any regulations adopted pursuant to this section must not be construed to require a student to seek or obtain employment as a condition of eligibility for a grant under the Program.
   (b) Determination of the family contribution to the cost of education must be based on the family resources reported by the student pursuant to paragraph (f) of subsection 4 of section 3 of this act.
   (c) Determination of the federal contribution to the cost of education must be equal to the total amount that the student and his or her family are expected to receive from the Federal Government as grants, if any.

Sec. 6. In addition to any direct legislative appropriation from the State General Fund, the Board of Regents may accept gifts, grants, bequests and donations to fund grants awarded under the Program.

Sec. 7. On or before February 1 of each odd-numbered year, the Board of Regents shall submit to the Director of the Legislative Counsel Bureau for transmittal to the next regular session of the Legislature a written report on the Program which must include, without limitation, information regarding:

1. The number of students during the immediately preceding school year who were awarded grants under the Program.
2. The average amount of each grant awarded under the Program for the immediately preceding school year.
3. The success of the Program, including, without limitation, information regarding the percentage of students awarded grants since the creation of the Program who have remained enrolled at a community college within the System and the percentage of students awarded grants since the creation of the Program who have been awarded a degree or certificate.

Sec. 8. There is hereby appropriated from the State General Fund to the Board of Regents of the University of Nevada for the award of scholarships pursuant to the Nevada Boost Grant Program created by section 3 of this act:

For the Fiscal Year 2015-2016 $2,000,000
For the Fiscal Year 2016-2017 $2,000,000

Sec. 9. Any balance of the sums appropriated by section 8 of this act remaining at the end of the respective fiscal years must not be committed for expenditure after June 30 of the respective fiscal years by the Board of
Regents of the University of Nevada or any entity to which money from the appropriation is granted or otherwise transferred in any manner, and any portion of the appropriated money remaining must not be spent for any purpose after September 16, 2016, and September 15, 2017, respectively, by either the Board of Regents of the University of Nevada or the entity to which the money was subsequently granted or transferred, and must be reverted to the State General Fund on or before September 16, 2016, and September 15, 2017, respectively.

Sec. 10. The provisions of subsection 1 of NRS 218D.380 do not apply to any provision of this act which adds or revises a requirement to submit a report to the Legislature.

Sec. 11. This act becomes effective:
1. Upon passage and approval for the purpose of adopting regulations and performing any other preparatory administrative tasks necessary to carry out the provisions of this act; and
2. On July 1, 2015, for all other purposes.

This bill authorizes the board of trustees of a school district to establish by resolution a Public Schools Overcrowding and Repair Needs Committee to recommend the imposition of one or more statutory taxes for consideration by the voters at the 2016 General Election to fund the capital projects of the school district. This bill further requires that if such a Committee is established and submits its recommendations to the board of county commissioners by April 2, 2016, the board of county commissioners is required to submit a question to the voters at the November 8, 2016, General Election asking whether any of the statutory tax or taxes recommended by the Committee should be imposed in the county. If a majority of the voters approve the question, the board of county commissioners is required to adopt an ordinance imposing the approved statutory tax or taxes and the proceeds resulting from the imposition of such a tax or taxes must be deposited in the fund for capital projects of the school district. The provisions of this bill authorizing the board of trustees of a school district to establish such a Public Schools Overcrowding and Repair Needs Committee expire by limitation on April 2, 2016.

2. Section 1 of this act expires by limitation on April 2, 2016.

Senator Roberson moved the adoption of the amendment.
Remarks by Senator Roberson.

Amendment No. 512 to Senate Bill 411 revises the process by which appointments are made to the Public Schools Overcrowding and Repair Needs Committee in each county with respect to the four members representing economic development, the gaming industry, business or commercial interests other than gaming, and homebuilders.

Instead of these four appointments being made exclusively by the board of trustees, the amendment provides that one member representing economic development would be appointed by the regional development authority designated by the Office of Economic Development under current law.

The other three members representing gaming, businesses other than gaming, and homebuilders would each be appointed by their respective business association that is recognized as having the largest membership within the county. If such a business association does not exist, the appointment would then be made by the board of trustees.

The following amendment was proposed by the Committee on Education:

Amendment No. 351.

AN ACT relating to education; providing an alternative performance framework to evaluate certain schools which serve certain populations; providing the manner in which a school may apply to be rated using the alternative performance framework; revising provisions relating to the revocation or termination of written charters or charter contracts; authorizing the restart of certain charter schools under a new charter contract in certain circumstances; prohibiting the Department of Education from considering a school’s annual rating pursuant to the statewide system of accountability based upon the performance of a school for the 2014-2015 school year when imposing consequences on public schools; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The federal No Child Left Behind Act of 2001 requires each state to have a single, statewide system of accountability applicable to all pupils. (20 U.S.C. 6301 et seq.) In 2011, the United States Department of Education made it possible for states to apply to the Department for a waiver of some of the provisions of the Act. In August 2012, the Nevada Department of Education received approval from the United States Department of Education to implement an accountability system for public schools that allows for a waiver from some of the specific provisions of the Act. This approval is conditioned on the Nevada Department of Education tracking the performance of pupils in public schools, including measuring, reporting and supporting the achievement of pupils. Since the approval of the waiver, the Nevada Department of Education has developed the Nevada School Performance Framework for the statewide system of accountability for public schools. (NRS 385.347)
Existing law requires the statewide system of accountability to: (1) include a method to rate each public school; (2) include a method to implement consequences, rewards and supports for public schools based upon the ratings; and (3) establish annual measurable objectives and performance targets for public schools. (NRS 385.3594) Section 2 of this bill requires the State Board of Education to adopt regulations that prescribe: (1) an alternative performance framework to evaluate certain schools which serve certain populations; and (2) the manner in which such schools will be included in the statewide system of accountability.

Section 3 of this bill requires a public school, including, without limitation, a charter school, that wishes to be rated using the alternative performance framework prescribed by the State Board to request the board of trustees of the school district or sponsor of the charter school, as applicable, to apply to the State Board on behalf of the school for approval to be rated using the alternative performance framework. If approved, section 3 provides that the board of trustees of the school district or the sponsor of a charter school, as applicable, must apply to the State Board on behalf of the school to be rated using the alternative performance framework. Section 3 also prescribes eligibility requirements for a school to be rated using the alternative performance framework.

Existing law requires the sponsor of a charter school to revoke the written charter or terminate the charter contract of a charter school if the charter school receives three consecutive annual ratings established as the lowest rating possible indicating underperformance of a public school, as determined by the Department of Education pursuant to the statewide system of accountability for public schools. (NRS 386.5351) Section 4 of this bill instead requires the sponsor of a charter school to revoke the written charter or terminate the charter contract of a charter school or restart the charter school under a new charter contract if the charter school receives an annual rating established as the lowest possible rating indicating underperformance for any 3 out of 5 years. Section 4 authorizes the sponsor of a charter school to determine not to revoke the written charter or terminate the charter contract of a charter school if the charter school has demonstrated continued improvement in meeting annual performance goals. If the sponsor of a charter school makes such a determination, section 4 authorizes the sponsor to take certain actions.

Section 4 requires the Department to adopt regulations governing procedures for the restart of a charter school that receives an annual rating established as the lowest rating possible indicating underperformance of a public school to request assistance from the sponsor of the charter school in improving performance reported in the annual rating; and (2) requires the sponsor of a charter school to provide assistance to improve performance at the school upon receipt of such a request.
Section 4 also prohibits the Department from considering a school’s annual rating pursuant to the statewide system of accountability based upon the performance of a school for the 2014-2015 school year.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 385 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. 1. The State Board shall adopt regulations that prescribe an alternative performance framework to evaluate public schools that are approved pursuant to section 3 of this act. Such regulations must include, without limitation, an alternative manner in which to evaluate such a school and the manner in which the school will be included within the statewide system of accountability set forth in NRS 385.3455 to 385.3891, inclusive.

2. The regulations adopted pursuant to subsection 1 must also set forth the manner in which:
   (a) The progress of pupils enrolled in a public school for which an alternative performance framework has been approved pursuant to section 3 of this act will be accounted for within the statewide system of accountability; and
   (b) To report the results of pupils enrolled in such a public school on the examinations administered pursuant to NRS 389.550 and, if applicable for the grade levels of the pupils enrolled, the examinations administered pursuant to NRS 389.805 and the college and career readiness assessment administered pursuant to NRS 389.807.

Sec. 3. 1. A public school, including, without limitation, a charter school, that wishes to be rated using the alternative performance framework prescribed by the State Board pursuant to section 2 of this act must request the board of trustees of the school district or sponsor of the charter school, as applicable, to apply to the State Board on behalf of the school for approval to be rated using the alternative performance framework.

2. The board of trustees of a school district or the sponsor of a charter school, as applicable, may apply to the State Board on behalf of a school for the school to be rated using the alternative performance framework by submitting a form prescribed by the Department.

3. A school is eligible to be rated using the alternative performance framework if:
   (a) The school specifies that the mission of the school is to serve pupils who:
       (1) Have been expelled or suspended from a public school, including, without limitation, a charter school;
       (2) Have been deemed to be a habitual disciplinary problem pursuant to NRS 392.4655;
       (3) Are academically disadvantaged;
       (4) Have been adjudicated delinquent;
(5) Have been adjudicated to be in need of supervision for a reason set forth in NRS 62B.320; or

(6) Have an individualized education program; and

(b) At least 75 percent of the pupils enrolled at the school fall within one or more of the categories listed in paragraph (a).

4. A public school that does not meet the requirements of subsection 3 may seek to be rated using the alternative performance framework by demonstrating a legitimate reason to support using the alternative performance framework which may be granted in the discretion of the Department.

5. As used in this section, “academically disadvantaged” includes, without limitation, being retained in the same grade level two or more times or having a deficiency in the credits required to graduate on time.

Sec. 3.5. NRS 386.515 is hereby amended to read as follows:

386.515 1. The board of trustees of a school district may apply to the Department for authorization to sponsor charter schools within the school district in accordance with the regulations adopted by the Department pursuant to NRS 386.540. An application must be approved by the Department before the board of trustees may sponsor a charter school. Not more than 180 days after receiving approval to sponsor charter schools, the board of trustees shall provide public notice of its ability to sponsor charter schools and solicit applications for charter schools.

2. The State Public Charter School Authority shall sponsor charter schools whose applications have been approved by the State Public Charter School Authority pursuant to NRS 386.525. Except as otherwise provided by specific statute, if the State Public Charter School Authority sponsors a charter school, the State Public Charter School Authority is responsible for the evaluation, monitoring and oversight of the charter school.

3. A college or university within the Nevada System of Higher Education may submit an application to the Department to sponsor charter schools in accordance with the regulations adopted by the Department pursuant to NRS 386.540. An application must be approved by the Department before a college or university within the Nevada System of Higher Education may sponsor charter schools.

4. Each sponsor of a charter school shall carry out the following duties and powers:
(a) Evaluating applications to form charter schools as prescribed by NRS 386.525;
(b) Approving applications to form charter schools that the sponsor determines are high quality, meet the identified educational needs of pupils and will serve to promote the diversity of public educational choices in this State;
(c) Declining to approve applications to form charter schools that do not satisfy the requirements of NRS 386.525;
(d) Negotiating and executing charter contracts pursuant to NRS 386.527;
(e) Monitoring, in accordance with NRS 386.490 to 386.649, inclusive, and in accordance with the terms and conditions of the applicable charter contract, the performance and compliance of each charter school sponsored by the entity; and
(f) Determining whether the charter contract of a charter school that the entity sponsors merits renewal or whether the renewal of the charter contract should be denied or whether the written charter should be revoked or the charter contract terminated or restarted, as applicable, in accordance with NRS 386.530, 386.535 or 386.5351, as applicable.

5. Each sponsor of a charter school shall develop policies and practices that are consistent with state laws and regulations governing charter schools. In developing the policies and practices, the sponsor shall review and evaluate nationally recognized policies and practices for sponsoring organizations of charter schools. The policies and practices must include, without limitation:

(a) The organizational capacity and infrastructure of the sponsor for sponsorship of charter schools, which must not be described as a limit on the number of charter schools the sponsor will approve;
(b) The procedure and criteria for evaluating charter school applications in accordance with NRS 386.525 and for the renewal of charter contracts pursuant to NRS 386.530;
(c) A description of how the sponsor will maintain oversight of the charter schools it sponsors; and
(d) A description of the process of evaluation for the charter schools it sponsors in accordance with NRS 386.610.

6. Evidence of material or persistent failure to carry out the powers and duties of a sponsor prescribed by this section constitutes grounds for revocation of the entity’s authority to sponsor charter schools.

Sec. 4. NRS 386.5351 is hereby amended to read as follows:

386.5351 1. The sponsor of a charter school shall revoke the written charter or terminate or not renew the charter contract of the charter school or restart the charter school under a new charter contract if the charter school receives three consecutive annual ratings established as the lowest rating possible indicating underperformance of a public school, as determined by the Department pursuant to the statewide system of accountability for public
schools, for any 3 out of 5 years, of the 6-year term of a charter contract. A charter school’s annual rating pursuant to the statewide system of accountability based upon the performance of the charter school must not be included in the count of annual ratings for the purposes of this subsection for:

(a) Any school year before the 2013-2014 school year;
(b) The 2014-2015 school year.

Following a public hearing, the sponsor of a charter school may determine not to take any of the actions in subsection 1 if the charter school has demonstrated continued improvement in meeting the annual performance goals established pursuant to NRS 386.528. If the sponsor makes such a determination, the sponsor may take any of the following actions:

(a) Extend the period for determining the performance of the charter school;
(b) Establish or continue, as applicable, a plan to improve pupil achievement and school performance which includes reviewing and revising the existing governing structure of the school as necessary to carry out the plan;
(c) Make any changes to the charter contract as needed to ensure measurable performance.

3. If a charter school receives an annual rating established as the lowest rating possible indicating underperformance of a public school, as determined by the Department pursuant to the statewide system of accountability for public schools, the charter school may request assistance from the sponsor of the charter school. Upon receipt of such a request, the sponsor of the charter school shall take actions to provide assistance to the charter school to improve performance at the school.

4. If a written charter is revoked or a charter contract is terminated pursuant to subsection 1, the sponsor of the charter school shall submit a written report to the Department and the governing body of the charter school setting forth the reasons for the termination not later than 10 days after revoking the written charter or terminating the charter contract.

5. The provisions of NRS 386.535 do not apply to the revocation of a written charter or termination of a charter contract or restart of the charter school pursuant to this section.

6. The Department shall adopt regulations governing procedures to restart a charter school under a new charter contract pursuant to subsection 1. Such regulations must include, without limitation, requiring a charter school that is restarted to enroll a pupil who was enrolled in the charter school before the school was restarted before any other eligible pupil is enrolled.
Sec. 5. [The Department shall not consider a school’s annual rating pursuant to the statewide system of accountability based upon the performance of a school for the 2014-2015 school year. The Department may consider a school’s annual rating pursuant to the statewide system of accountability based on the performance of a school for any school year before the 2014-2015 school year and any school year after the 2014-2015 school year.] (Deleted by amendment.)

Sec. 6. This act becomes effective on July 1, 2015.

Senator Harris moved the adoption of the amendment.

Remarks by Senator Harris.

Amendment No. 351 to Senate Bill 460 requires that schools eligible for the alternative framework have a stated mission to serve targeted populations; and clarifies that this targeted population includes at-risk students, as well as special education students.

The amendment also strikes language giving the Department of Education discretion in school eligibility; adds school restart as an alternative to the automatic closure of an underperforming charter school, changes the terms requiring automatic closure, and removes School Year 2014–2015 from such consideration.

Finally, Amendment 351 strikes language related to sponsor discretion in charter school closure and required sponsor assistance to an underperforming school; and requires the Department to adopt regulations related to the restart of a charter school.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 325.

AN ACT relating to personal financial administration; revising provisions relating to the distribution and administration of the estate of a deceased person; revising provisions governing certain nonprobate transfers; revising provisions relating to the creation and administration of trusts; providing for the creation and administration of public benefit trusts; revising the powers that may be exercised by a trustee; revising provisions relating to directed trusts; revising provisions relating to the jurisdiction of a court in cases concerning the administration of the estate of a deceased person and the administration of trusts; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Sections 1 and 2 of this bill provide methods for recording the termination of a life estate in a manner similar to existing law for terminating a joint tenancy.

Section 3 of this bill establishes the effective date for the existing law concerning the effect of divorce on certain instruments.

Existing law provides that, with one exception, a domestic partner has the identical rights and responsibilities as those granted to or imposed upon a spouse. (NRS 122A.200) Sections 5, 7 and 10 of this bill clarify that any reference to a spouse in title 12 of NRS is equally a reference to a domestic
partner. Sections 35.3-35.7 of this bill provide that same clarification with respect to title 13 of NRS.

Existing law defines the term “interested person” for the purpose of determining who is entitled to receive notice of, and participate in, a proceeding relating to the estate of a deceased person. (NRS 132.185) Sections 9 and 11 of this bill amend this definition to include all persons whose interest in an estate or trust will be materially affected by a decision of a fiduciary or a decision of the court and that a person’s status as an interested person is determined according to the particular purposes of, and the matter involved in, each proceeding.

Existing law provides that if a decedent executed a will before his or her marriage, the will is revoked as to the surviving spouse of the decedent unless the spouse is provided for in the will or is mentioned in the will in such a way that indicates an intent not to make a provision for the spouse. (NRS 133.110) Section 12 of this bill revises this provision so that such a will is not revoked if the will refers to a future spouse by name.

Section 13 of this bill provides that if a declaratory judgment establishing the validity of a will is entered during the lifetime of the person executing the will, the validity of the will cannot be challenged after the death of the person executing the will. Section 13 does not prohibit an action to establish that the will was revoked or that the decedent executed a valid later will.

Existing law establishes the qualifications for a person to serve as executor or administrator of a decedent’s estate. (NRS 138.020, 139.010) Sections 14 and 16 of this bill authorize a court to disqualify a person from acting as the executor or administrator of a decedent’s estate upon proof of any compelling reason.

Existing law establishes the authority of administrators with the will annexed and the order of appointment for such administrators. (NRS 138.090) Section 15 of this bill provides certain discretionary powers to administrators with the will annexed. Section 15 also provides that a person who is expressly excluded as a beneficiary or as a fiduciary in a will is ineligible to serve as an administrator with the will annexed and that the court has discretion to disregard the order of priority for the appointment of an administrator under existing law to favor the appointment of certain beneficiaries of the will as administrators with the will annexed.

Section 17 of this bill provides a technical correction to NRS 143.380 concerning the sale of property held in an estate after the personal representative is granted full authority under the Independent Administration of Estates Act.

Existing law requires an appraisal of certain property of the estate of a deceased person and an inventory of all estate property. (NRS 144.010, 144.020, 144.040) Sections 18 and 19 of this bill authorize the waiver of such an appraisal or inventory in certain circumstances.
Existing law provides that if a person dies leaving an estate the gross value of which, after deducting encumbrances, is $100,000 or less, the estate must not be administered and must be assigned and set apart, after directing such payments as the court deems just, for the support of the surviving spouse or any minor children of the decedent. (NRS 146.070) Section 20 of this bill authorizes the court to reduce the amount assigned and set apart for the surviving spouse or any minor children of the decedent by the amount of certain nonprobate transfers to those persons.

Sections 25 and 63 of this bill enact provisions governing personal jurisdiction over certain persons in proceedings related to the estate of a deceased person and the administration of a trust and governing the law to be applied in certain proceedings related to trusts.

Existing law creates a presumption that certain transfers at death are void due to fraud, undue influence or coercion. (NRS 155.097, 155.0975) Sections 33 and 34 of this bill create the same presumption for certain transfers that occur during the lifetime of the transferor and further define the applicability of when the presumption of undue influence arises. Existing law authorizes the court to impose certain sanctions on a person whom the court finds to be a vexatious litigant in a proceeding related to the administration of the estate of a deceased person or a trust. (NRS 155.165) Section 35 of this bill includes a trustee or a personal representative as a person who may be a vexatious litigant.

Existing law enumerates the powers of a trustee. (Chapter 163 of NRS) Sections 40 and 41 of this bill add to the powers of a trustee the power to combine or divide trusts and the power to change the name of a trust in certain circumstances. Section 46.5 of this bill authorizes certain trustees to terminate certain trusts that have a value less than $100,000 or are uneconomical to administer if the trustee concludes that the value of the property held by the trust is insufficient to justify the cost of administering the trust. Existing law governs the administration of directed trusts, which are trusts under which someone other than the trustee has the authority to direct the trustee to take certain actions. (NRS 163.553-163.556) Sections 42, 43, 55 and 56 of this bill amend provisions governing directed trusts. Section 55 provides that a trustee of a directed trust is not liable individually or as a fiduciary for a loss resulting from the trustee’s compliance with certain directions or failure to take any proposed action that required an approval which was not given or was contingent upon a condition that was not satisfied. Section 44 of this bill provides for the creation and administering of public benefit trusts, which are trusts without identifiable beneficiaries that are not charitable trusts and are established to further one or more specifically declared religious, scientific, literary, educational, community development, personal improvement or philanthropic purpose that is not
illegal or against public policy. Existing law provides that a trust may be created by a declaration by the owner of property that he or she holds the property as trustee. (NRS 163.002, 163.004, 163.006) Section 48 of this bill provides that regardless of the formal title to the property, in the absence of a contrary declaration by the owner or a transfer of the property to a third party: (1) property declared to be trust property and all the income and reinvestment thereof remains trust property; and (2) any additions or contributions to accounts or certain other property declared to be trust property are also trust property. Section 49 of this bill clarifies the powers a settlor has in creating terms of a trust and establishes a default position that a trust is irrevocable unless and to the extent a settlor specifically reserves the right to amend such trust.

Section 45 of this bill provides for the appointment of a successor trustee where a trust contains no provision for such appointment. Section 46 of this bill authorizes a fiduciary to classify gains from the sale or exchange of trust assets as income for tax purposes. Section 53 of this bill provides that a beneficiary holding a discretionary interest in a trust has no enforceable right to a distribution. Section 50 of this bill provides for the creation of charitable and public benefit trusts. Sections 55 and 56 of this bill further extend the provisions establishing the situations in which a directed fiduciary is not liable for actions taken on behalf of the trust. Existing law permits a trustee with discretion or authority to distribute trust income or principal to decant such income or principal to a second trust. (NRS 163.556) Section 59 of this bill provides choice of law provisions applicable to the construction and administration of trusts. Section 60 of this bill allows a settlor to include language in the trust requiring that disputes arising thereunder are subject to arbitration and provides a method for such arbitration. Under existing law, in order for a court to assume jurisdiction over a case involving a trust, a petition to confirm a trustee must be filed. (NRS 164.010) Sections 61 and 62 of this bill provide for the creation and enforcement of nonjudicial settlement agreements between all indispensable parties to a trust. Section 63 of this bill provides for a petition requesting the court to assume jurisdiction without confirming the trustee.

Section 64 of this bill provides a court with exclusive jurisdiction to determine whether property not formally titled in the name of the trust constitutes trust property and where a person contests the validity of the trust in a declaratory judgment action. Section 64 further defines the circumstances and situations in which a trustee may decant a trust to a second trust in light of federal taxation laws. Section 66 of this bill authorizes a trustee presenting a certification of trust to include a declaration of a trust’s domicile and governing law. Under the Uniform Prudent Investor Act, as adopted by this State, a trustee is authorized to take certain action without court approval if all interested persons consent or acquiesce in such action. (NRS 164.725) Section 67 of this bill authorizes a trustee, trust protector or trust advisor to use that same procedure for any aspect of trust
administration. Existing law provides that a trustee who invests and manages trust property owes a duty to the beneficiaries to comply with the prudent investor rule set forth in existing law, but that a trustee is not liable to a beneficiary to the extent the trustee acted in reasonable reliance on the terms of the trust. (NRS 164.740) Section 68 of this bill provides that such a trustee is not liable to a beneficiary if the trustee determined in good faith not to diversify the investments of the trust in accordance with existing law.

Existing law governs the duty of a trustee to inform and account to a trust’s beneficiaries. (Chapter 165 of NRS) Sections 70-85 of this bill revise chapter 165 of NRS to restructure the trust accounting rules applicable to testamentary and nontestamentary trusts. Nevada’s current law provides different requirements for accountings applicable to testamentary trusts and nontestamentary trusts; these revisions establish one set of accounting rules for both types of trusts.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 40.515 is hereby amended to read as follows:

40.515  1. If any person has died, or shall hereafter die, who at the time of the person’s death was the owner of a life estate which terminates by reason of the person’s death, any person interested in the property, or in the title thereto, in which such life estate was held, may file in the district court of the county in which the property is situated, the person’s verified petition, setting forth such facts, and thereupon and after such notice by publication or otherwise, as the court or judge may order, the court or judge shall hear such petition and the evidence offered in support thereof, and if upon such hearing it shall appear that such life estate of such deceased person absolutely terminated by reason of the person’s death, the court or judge shall make an order to that effect, and thereupon a certified copy of such order may be recorded in the office of the county recorder.

2. As an alternative method of terminating the interest of any person who has died, or will hereafter die, and who at the time of the person’s death was the owner of a life estate which terminates by reason of the person’s death, any person who has knowledge of the facts may record in the office of the county recorder an affidavit meeting the requirements of NRS 111.365, accompanied by a certified copy of the death certificate of the deceased person.

Sec. 2. NRS 111.365 is hereby amended to read as follows:

111.365  1. In the case of real property owned by two or more persons as joint tenants or as community property with right of survivorship, it is presumed that all title or interest in and to that real property of each of one or more deceased joint tenants or the deceased spouse has terminated, and vested solely in the surviving joint tenant or spouse or vested jointly in the surviving joint tenants, if there has been recorded in the office of the recorder of the county or counties in which the real property is situated an affidavit, subscribed and sworn to by a person who has knowledge of the
facts required in this subsection, which is accompanied by a certified copy of the death certificate of each deceased joint tenant or deceased spouse and sets forth the following:

(a) The family relationship, if any, of the affiant to each deceased joint tenant or the deceased spouse;
(b) A description of the instrument or conveyance by which the joint tenancy or right of survivorship was created;
(c) A description of the property subject to the joint tenancy or right of survivorship; and
(d) The date and place of death of each deceased joint tenant or the deceased spouse.

2. In the case of real property owned by a person as a life tenant, with the ownership of the real property passing to the owner of the remainder interest upon the death of the life tenant, it is presumed that all title or interest in and to that real property of the life tenant has terminated, and vested solely in the owner of the remainder interest, if there has been recorded in the office of the recorder of the county or counties in which the real property is situated, an affidavit, subscribed and sworn to by a person who has knowledge of the facts required in this subsection, which is accompanied by a certified copy of the death certificate of the deceased life tenant and which sets forth the following:

(a) The relationship of the affiant to each deceased life tenant;
(b) A description of the instrument or conveyance by which the life estate was created;
(c) A description of the property subject to the life estate; and
(d) The date and place of death of each deceased life tenant.

3. Each month, a county recorder shall send all the information contained in each affidavit received by the county recorder pursuant to subsection 1 or 2 during the immediately preceding month to the Department of Health and Human Services in any format and by any medium approved by the Department.

Sec. 3. NRS 111.781 is hereby amended to read as follows:

111.781 1. Except as otherwise provided by the express terms of a governing instrument, a court order or a contract relating to the division of the marital estate made between the divorced persons before or after the marriage, divorce or annulment, the divorce or annulment of a marriage:
(a) Revokes any revocable:
   (1) Disposition or appointment of property made by a divorced person to his or her former spouse in a governing instrument and any disposition or appointment created by law or in a governing instrument to a relative of the divorced person’s former spouse;
   (2) Provision in a governing instrument conferring a general or nongeneral power of appointment on the divorced person’s former spouse or on a relative of the divorced person’s former spouse; and
3. Nomination in a governing instrument that nominates a divorced person’s former spouse or a relative of the divorced person’s former spouse to serve in any fiduciary or representative capacity, including a personal representative capacity, including a personal representative, executor, trustee, conservator, agent or guardian; and

(b) Severs the interest of the former spouses in property held by them at the time of the divorce or annulment as joint tenants with the right of survivorship or as community property with a right of survivorship and transforms the interests of the former spouses into equal tenancies in common.

2. A severance under paragraph (b) of subsection 1 does not affect any third-party interest in property acquired for value and in good faith reliance on an apparent title by survivorship in the survivor of the former spouses unless a writing declaring the severance has been noted, registered, filed or recorded in records appropriate to the kind and location of the property which records are relied upon, in the ordinary course of transactions involving such property, as evidence of ownership.

3. The provisions of a governing instrument are given effect as if the former spouse and relatives of the former spouse disclaimed all provisions revoked by this section or, in the case of a revoked nomination in a fiduciary or representative capacity, as if the former spouse and relatives of the former spouse died immediately before the divorce or annulment.

4. Any provisions revoked solely by this section are revived by the divorced person’s remarriage to the former spouse or by a nullification of the divorce or annulment.

5. Unless a court in an action commenced pursuant to chapter 125 of NRS specifically orders otherwise, a restraining order entered pursuant to NRS 125.050 does not preclude a party to such an action from making or changing beneficiary designations that specify who will receive the party’s assets upon the party’s death.

6. A payor or other third party is not liable for having made a payment or transferred an item of property or any other benefit to a beneficiary designated in a governing instrument affected by the provisions of this section or for having taken any other action in good faith reliance on the validity of the governing instrument before the payor or other third party received written or actual notice of any event affecting a beneficiary designation. A payor or other third party is liable for a payment made or other action taken after the payor or other third party received written or actual notice of a claimed forfeiture or revocation under this section.

7. Written notice of the divorce, annulment or remarriage or written notice of a complaint or petition for divorce or annulment must be mailed to the payor’s or other third party’s main office or home by registered or
certified mail, return receipt requested, or served upon the payor or other third party in the same manner as a summons in a civil action. Upon receipt of written notice of the divorce, annulment or remarriage, a payor or other third party may pay any amount owed or transfer or deposit any item of property held by it to or with the court having jurisdiction of the probate proceedings relating to the decedent’s estate or, if no proceedings have been commenced, to or with the court having jurisdiction of probate proceedings relating to decedents’ estates located in the county of the decedent’s residence. The court shall hold the funds or item of property and, upon its determination under this section, shall order disbursement or transfer in accordance with the determination. Payments, transfers or deposits made to or with the court discharge the payor or other third party from all claims for the value of amounts paid to or items of property transferred to or deposited with the court.

8. A person who purchases property from a former spouse, relative of a former spouse or any other person for value and without notice, or who receives from a former spouse, relative of a former spouse or any other person a payment or other item of property in partial or full satisfaction of a legally enforceable obligation, is neither obligated under this section to return the payment, item of property or benefit nor is liable under this section for the amount of the payment or the value of the item of property or benefit. A former spouse, relative of a former spouse or other person who, not for value, received a payment, item of property or any other benefit to which that person is not entitled under this section is obligated to return the payment, item of property or benefit or is personally liable for the amount of the payment or the value of the item of property or benefit to the person who is entitled to it under this section.

9. If this section or any part of this section is preempted by federal law with respect to a payment, an item of property or any other benefit covered by this section, a former spouse, relative of the former spouse or any other person who, not for value, received a payment, item of property or any other benefit to which that person is not entitled under this section is obligated to return that payment, item of property or benefit or is personally liable for the amount of the payment or the value of the item of property or benefit to the person who would have been entitled to it were this section or part of this section not preempted.

10. This section applies only to nonprobate transfers which become effective because of the death of a person on or after October 1, 2011, regardless of when the divorce or annulment occurred.

11. As used in this section:
   (a) "Disposition or appointment of property" includes a transfer of an item of property or any other benefit to a beneficiary designated in a governing instrument.
(b) "Divorce or annulment" means any divorce or annulment or any dissolution or declaration of invalidity of a marriage. A decree of separation that does not terminate the status of husband and wife is not a divorce for purposes of this section.

(c) "Divorced person" includes a person whose marriage has been annulled.

(d) "Governing instrument" means a governing instrument executed by a divorced person before the divorce or annulment of the person’s marriage to the person’s former spouse.

(e) "Relative of the divorced person’s former spouse" means a person who is related to the divorced person’s former spouse by blood, adoption or affinity and who, after the divorce or annulment, is not related to the divorced person by blood, adoption or affinity.

(f) "Revocable," with respect to a disposition, appointment, provision or nomination, means one under which the divorced person, at the time of the divorce or annulment, was alone empowered, by law or under the governing instrument, to cancel the designation in favor of the person’s former spouse or former spouse’s relative, whether or not the divorced person was then empowered to designate himself or herself in place of his or her former spouse or in place of his or her former spouse’s relative and whether or not the divorced person then had the capacity to exercise the power.

Sec. 4. Chapter 132 of NRS is hereby amended by adding thereto the provisions set forth as sections 5 to 9, inclusive, of this act.

Sec. 5. "Domestic partners" has the meaning ascribed to it in NRS 122A.030.

Sec. 6. "Foreign jurisdiction" means any jurisdiction other than this State.

Sec. 7. "Spouse" includes a domestic partner as set forth in NRS 122A.200.

Sec. 8. "Testamentary trust" means a trust created by the terms of the will of a person.

(8) Is a creditor of the settlor who has a claim which has been accepted by the trustee or who has asserted the trustee’s liability therefor in a probate proceeding or in a civil action under subsection 8 or 9 of NRS 111.779; or
(9) Is a creditor of the trust who has given the trustee written notice of its claim.

(d) A revocable trust that is the subject of a petition under NRS 164.015 relating to the validity of the trust or any trust-related document, if the person, after the death of the settlor, under the terms of any version of the trust documents in dispute, would be:
(1) A current beneficiary or a remainder beneficiary of that trust; or
(2) A trustee or a successor trustee, including, without limitation, a cotrustee.

2. A creditor whose claim has not been accepted by the personal representative, if the enforcement of the claim of the creditor is barred under the provisions of chapter 11 or 147 of NRS or any other applicable statute of limitations.

e) As to a trust:

1. The guardian of the person of an interested person, unless the guardian is expressly permitted to act for the interested person under the terms of the trust instrument;

2. A beneficiary or creditor whose right or claim is barred by any applicable statute of limitations, including, without limitation, the statute of limitations found in chapter 11 of NRS or NRS 164.021, 164.025 or 166.170;

3. Any beneficiary of a revocable trust, except as expressly provided in paragraph (d) of subsection 1; or

4. Any disclaimant as to a disclaimed interest, except with respect to the enforcement of the disclaimer.

3. As used in this section:

a) "Current beneficiary" has the meaning ascribed to it in NRS 165.128.

b) "Remainder beneficiary" has the meaning ascribed to it in NRS 165.132.

Sec. 10. NRS 132.025 is hereby amended to read as follows:

132.025 As used in this title, unless the context otherwise requires, the words and terms defined in NRS 132.030 to 132.370, inclusive, and sections 5 to 8, inclusive, of this act have the meanings ascribed to them in those sections.

benefits for Medicaid. The term includes a person having priority for appointment as a personal representative and other fiduciaries representing interested persons. The meaning as it relates to particular persons must be determined.

means a person whose right or interest under an estate or trust may be materially affected by a decision of a fiduciary or a decision of the court. The fiduciary or court shall determine who is an interested person according to the particular purposes of, and matter involved in, a proceeding.

The term does not include:

(a) After a will has been admitted to probate, an heir, child or spouse who is not a beneficiary of the will, except for purposes of NRS 133.110, 133.160 and 137.080.

(b) A person with regard to a motion, petition or proceeding that does not affect an interest of that person.

(c) A creditor whose claim has not been accepted by the personal representative if the enforcement of the claim of the creditor is barred under the provisions of chapter 11 or 147 of NRS or any other applicable statute of limitation.

Sec. 12. NRS 133.110 is hereby amended to read as follows:

133.110 1. If a person marries after making a will and the spouse survives the maker, the will is revoked as to the spouse, unless:

(a) Provision has been made for the spouse by marriage contract;

(b) The spouse is provided for in the will, or in such a way mentioned therein as to show an intention not to make such provision, including, without limitation, by a reference in the will to a future spouse by name; or

(c) The spouse is provided for by a transfer of property outside of the will and it appears that the maker intended the transfer to be in lieu of a testamentary provision.

2. When a will is revoked as to the spouse pursuant to subsection 1:

(a) The spouse is entitled to the same share in the estate of the deceased spouse as if the deceased spouse had died intestate; and

(b) The remaining provisions of the will remain intact to the extent those provisions are not inconsistent with paragraph (a), including, without limitation, any provision concerning the appointment of a personal representative.

Sec. 13. Chapter 136 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in this section, if a declaratory judgment is entered under subsection 2 of NRS 30.040 during the lifetime of a decedent, declaring a document to be the valid will of the decedent, the validity of that will is not subject to challenge after the death of the decedent.

2. Nothing in this section shall be construed to:

(a) Prevent the appeal of a declaratory judgment entered pursuant to subsection 1; or

(b) Prohibit evidence that the will has been revoked or that the decedent executed a valid later will.
Sec. 14.  NRS 138.020 is hereby amended to read as follows:

138.020  1. No person is qualified to serve as an executor who, at the
time the will is probated:

conviction should not disqualify the person from serving in the position of an

of executor by reason of conflict of interest, drunkenness, improvidence, [or]
lack of integrity or understanding [or] other compelling reason; or
(d) Is a bank not authorized to do business in the State of Nevada, unless it
associates as coexecutor a bank authorized to do business in this State. An
out-of-state bank is qualified to appoint a substitute executor, pursuant to
NRS 138.045, without forming such an association, but any natural person so
appointed must be a resident of this State.

2. If a disqualified person is named as the sole executor in a will, or if all
persons so named are disqualified or renounce their right to act, or fail to
appear and qualify, letters of administration with the will annexed must issue.

Sec. 15.  NRS 138.090 is hereby amended to read as follows:

138.090  1. [Administrators] Except as otherwise provided in this
section, administrators with the will annexed have the same authority as the
executor named in the will would have had if the executor had qualified, and
their acts are as effectual for every purpose. [ but if the] If a power or
authority conferred upon the executor is discretionary, and is not [conferred
by law,] expressly excluded by the will, it is [not] conferred upon an
administrator with the will annexed.

2. Except to the extent expressly provided for by the will, a provision of
the will waiving the bond of a personal representative does not apply to an
administrator with the will annexed.

3. Persons and their nominees and appointees are entitled to appointment
as administrators with the will annexed in the same order of priority as in the
appointment of administrators, except that [ as to foreign letters, an
interested person has priority over one who is not. ]:

(a) An heir who has been eliminated as a beneficiary or as a fiduciary
under the terms of the will is not qualified to serve as an administrator with
the will annexed; and

(b) The court has the discretion to disregard the order of priority set forth
in subsection 1 of NRS 139.040 to favor the appointment of a beneficiary of
the will who is given a larger share of the estate over a beneficiary, or his or
her nominee, who is given a lesser share, and the court may exercise this
discretion to appoint two or more beneficiaries, or their nominees, who have
similar interests in the estate of the decedent as coadministrators with the
will annexed.
Sec. 16. NRS 139.010 is hereby amended to read as follows:

139.010 No person is entitled to letters of administration if the person:
1. Is under the age of majority;
2. Has been convicted of a felony, unless the court determines that such a conviction should not disqualify the person from serving in the position of an administrator;
3. Upon proof, is adjudged by the court disqualified by reason of conflict of interest, drunkenness, improvidence, or other compelling reason;
4. Is not a resident of the State of Nevada, unless the person:
   (a) Associates as coadministrator a resident of the State of Nevada or a banking corporation authorized to do business in this State; or

5. Is a banking corporation that is not authorized to do business in this State, unless the banking corporation:
   (a) Associates as coadministrator a resident of the State of Nevada or a banking corporation authorized to do business in this State; or
   (b) Is named as personal representative in the will if the will is the subject of a pending petition for probate, and the court in its discretion believes it would be appropriate to make such an appointment.

Sec. 17. NRS 143.380 is hereby amended to read as follows:

143.380 1. Subject to the limitations and requirements of NRS 143.300 to 143.815, inclusive, when the personal representative exercises the authority to sell property of the estate after being granted full authority pursuant to NRS 143.300 to 143.815, inclusive, the personal representative may sell the property at public auction or private sale, and with or without notice, for cash or on credit, for such price and upon such terms and conditions as the personal representative may determine.
2. The requirements applicable to court confirmation of sales of real property referenced in subsection 1 include, without limitation:
   (a) Publication of the notice of sale;
   (b) Court approval of agents’ and brokers’ commissions;
   (c) The sale being not less than 90 percent of appraised value of the real property;
   (d) An examination by the court into the necessity for the sale of the real property, including, without limitation, any advantage to the estate and benefit to interested persons; and
   (e) The efforts of the personal representative to obtain the highest and best price for the property reasonably attainable.
3. The requirements applicable to court confirmation of sales of real
property and sales of personal property do not apply to a sale pursuant to this section.

Sec. 18. NRS 144.010 is hereby amended to read as follows:

144.010 1. Except as otherwise provided in this subsection, every personal representative shall make and file with the clerk, within 60 days after appointment, unless the court extends the time, a true inventory and appraisement or record of value of all the estate of the decedent that has come to the possession or knowledge of the personal representative. The requirement of filing an inventory or the requirement of filing an appraisement or verified record of value, or both, may be waived by the unanimous written consent of all interested persons.

2. The personal representative, within 10 days after filing the inventory with the clerk, shall mail a copy to all the interested heirs of an intestate estate, or to the devisees of a testate estate, or to both interested heirs and devisees, if a contest of the will of the decedent is pending. Proof of the mailing of the copies must be made and filed in the proceeding.

Sec. 19. NRS 144.020 is hereby amended to read as follows:

144.020 1. A personal representative may engage a qualified and disinterested appraiser to ascertain the fair market value, as of the decedent's death, of any asset the value of which is subject to reasonable doubt. Different persons may be engaged to appraise different kinds of assets included in the estate.

2. Any such appraiser is entitled to a reasonable compensation for the appraisal and may be paid the compensation by the personal representative out of the estate at any time after completion of the appraisal.

3. Except as otherwise provided in NRS 144.010, if there is no reasonable doubt as to the value of assets, such as money, deposits in banks or credit unions, bonds, policies of life insurance, or securities for money or evidence of indebtedness, and the asset is equal in value to cash, the personal representative shall file a verified record of value in lieu of the appraisement.

4. If it appears beyond reasonable doubt that there will be no need to sell assets of the estate to pay the debts of the estate or expenses of administration, or to divide assets for distribution in kind to the devisees or heirs, the personal representative may petition the court for an order allowing a verified record of value to be filed in lieu of the appraisement or, if no interested person is prejudiced thereby, an order waiving the requirement for filing an appraisal or verified record of value, and the court may enter such an order with or without notice.

Sec. 20. NRS 146.070 is hereby amended to read as follows:

146.070 1. If a person dies leaving an estate the gross value of which, after deducting any encumbrances, does not exceed $100,000, and there is a surviving spouse or minor child or minor children of the decedent, the estate must not be administered upon, but the whole estate, after directing such
payments as may be deemed just, must be, by an order for that purpose, assigned and set apart for the support of the surviving spouse or minor child or minor children, or for the support of the minor child or minor children, if there is no surviving spouse. Even if there is a surviving spouse, the court may, after directing such payments, set aside the whole of the estate to the minor child or minor children, if it is in their best interests.

2. If there is no surviving spouse or minor child of the decedent and the gross value of a decedent’s estate, after deducting any encumbrances, does not exceed $100,000, upon good cause shown, the court shall order that the estate not be administered upon, but the estate may be set aside without administration by the order of the court.

2. Except as otherwise provided in subsection 3, the whole estate must be assigned and set apart in the following order:
   
   (a) To the payment of the petitioner’s attorney’s fees and costs incurred relative to the proceeding under this section;
   
   (b) To the payment of funeral expenses, expenses of last illness, money owed to the Department of Health and Human Services as a result of payment of benefits for Medicaid and creditors, if there are any; and
   
   (c) To the payment of other creditors, if any; and
   
   (d) Any balance remaining to the claimant or claimants entitled thereto pursuant to a valid will of the decedent, and if there is no valid will, pursuant to intestate succession in accordance with chapter 134 of NRS.

3. If the decedent is survived by a spouse or one or more minor children, the court must set aside the estate for the benefit of the surviving spouse or the minor child or minor children of the decedent, subject to any reduction made pursuant to subsection 4 or 5. The court may allocate the entire estate to the surviving spouse, the entire amount to the minor child or minor children, or may divide the estate among the surviving spouse and minor children.

4. As to any amount set aside to or for the benefit of the surviving spouse or minor child or minor children of the decedent pursuant to subsection 3, the court must set aside the estate without the payment of creditors except as the court finds necessary to prevent a manifest injustice.

5. To prevent an injustice to creditors when there are nonprobate transfers that already benefit the surviving spouse or minor child or minor children of the decedent, the court has the discretion to reduce the amount set aside under subsection 3 to the extent that the value of the estate, when combined with the value of nonprobate transfers, as defined in NRS 111.721, from the decedent to or for the benefit of the surviving spouse or minor child or minor children of the decedent exceeds $100,000.

6. In exercising the discretion granted in this section, the court shall consider the needs and resources of the surviving spouse and minor child or minor children, including any assets received by or for the benefit of the
surviving spouse or minor child or minor children from the decedent by nonprobate transfers.

7. For the purpose of this section, a nonprobate transfer from the decedent to one or more trusts or custodial accounts for the benefit of the surviving spouse or minor child or minor children shall be considered a transfer for the benefit of such spouse or minor child or minor children.

8. Proceedings taken under this section [whether or not the decedent left a valid will] must not begin until at least 30 days after the death of the decedent and must be originated by a petition containing:

(a) A specific description of all property in the decedent’s [property] estate;

(b) A list of all [the] known liens and [mortgages of record] encumbrances against estate property at the date of the decedent’s death [; with a description of any that the petitioner believes may be unenforceable];

(c) An estimate of the value of the property [; together with an explanation of how the estimated value was determined];

(d) A statement of the debts of the decedent so far as known to the petitioner [;]

(e) The names and residences of the heirs and devisees of the decedent and the age of any who is a minor and the relationship of the heirs and devisees to the decedent, so far as known to the petitioner [;]

(f) If the decedent left a will, a statement concerning all evidence known to the petitioner that tends to prove that the will is valid.

9. If the petition seeks to have the estate set aside for the benefit of the decedent’s surviving spouse or minor child or minor children without payment to creditors, the petition must also contain:

(a) A specific description and estimated value of property passing by one or more nonprobate transfers from the decedent to the surviving spouse or minor child or minor children; or

(b) An allegation that the estimated value of the property sought to be set aside, combined with the value of all nonprobate transfers from the decedent to the surviving spouse or minor child or minor children who are seeking to receive property pursuant to this section is less than $100,000.

10. When property is distributed pursuant to an order granted under this section, the court may allocate the property on a pro rata basis or a non-pro rata basis.

11. Sec. 33. NRS 155.097 is hereby amended to read as follows:

155.097 1. Regardless of when a transfer instrument is made, to the extent the court finds that a transfer was the product of fraud, duress or undue influence, the transfer is void and each transferee who is found responsible for the fraud, duress or undue influence shall bear the costs of the proceedings, including, without limitation, reasonable attorney’s fees.

   (a) After the transferor’s death, unless the transfer instrument is made on or after October 1, 2015; or
   (b) During the transferor’s lifetime, unless the transfer instrument is made on or after October 1, 2015.

Sec. 34. NRS 155.0975 is hereby amended to read as follows:

155.0975 The presumption established by NRS 155.097 does not apply:

1. To the spouse of the transferor;

2. To a transfer of property which is triggered by the transferor’s death if the transferee is an heir of the transferor and the combined value of all transfers received by that transferee is not greater than the share the transferee would be entitled to pursuant to chapter 134 of NRS if the transferor had died intestate and the transferor’s estate included all nonprobate transfers which are triggered by the death of the transferor.

3. Except as otherwise provided in this subsection, if the court determines, upon clear and convincing evidence, that the transfer was not the product of fraud, duress or undue influence. 4. If the transfer instrument is reviewed by an independent attorney who:

(name of client), on the nature and consequences of the transfer or transfers of property to .............................. (name of transferee) contained in the transfer instrument. I am disassociated from the interest of the transferee to the extent that I am in a position to advise my client independently, impartially and confidentially as to the consequences of the transfer. On the basis of this counsel, I conclude that the transfer or transfers of property in the transfer instrument that otherwise might be invalid pursuant to NRS 155.097 are valid because the transfer or transfers are not the product of fraud, duress or undue influence.
(Name of Attorney) (Date)

5. To a transferee that is:
(a) A federal, state or local public entity; or
(b) An entity that is recognized as exempt under section 501(c)(3) or 501(c)(19) of the Internal Revenue Code, 26 U.S.C. 501(c)(3) or 501(c)(19), or a trust holding an interest for such an entity but only to the extent of the interest of the entity or the interest of the trustee of the trust.

6. To a transfer of property if the fair market value of the property does not exceed $3,000. The exclusion provided by this subsection does not apply more than once in each calendar year to transfers made during the transferor’s lifetime. For the purposes of this subsection, regardless of the number of transfer instruments involved, the value of property transferred to a transferee pursuant to a transfer that is triggered by the transferor’s death must include the value of all property transferred to that transferee or for such transferee’s benefit after the transferor’s death.

Sec. 35. NRS 155.165 is hereby amended to read as follows:

155.165 1. The court may find that a personal representative or trustee is a vexatious litigant if the personal representative or trustee has expended the funds of the estate or trust to unreasonably oppose the good faith efforts of an interested person to enforce his or her rights. In determining whether the person is a vexatious
litigant, the court may take into consideration whether the person has previously filed pleadings in a proceeding that were without merit, intended to harass or annoy a fiduciary or intended to unreasonably oppose or frustrate the efforts of an interested person who is acting in good faith to enforce his or her rights.

2. If a court finds that a person is a vexatious litigant pursuant to subsection 1, the court may impose sanctions on the person in an amount sufficient to reimburse the estate or trust for all or part of the expenses, including, without limitation, reasonable attorney’s fees, incurred by the estate or trust to respond to the petition, objection, motion or other pleading and for any other pecuniary losses which are associated with the actions of the vexatious litigant. If a court finds that a personal representative or trustee is a vexatious litigant, the court may remove the personal representative or trustee and any sanctions imposed by the court must be imposed against the personal representative or trustee personally and not against the estate or trust. The court may make an order directing entry of judgment for the amount of such sanctions.

3. The court may deny standing to an interested party to bring a petition or motion if the court finds that:
   (a) The subject matter of the petition or motion is unrelated to the interests of the interested party;
   (b) The interests of the interested party are minimal as it relates to the subject matter of the petition or motion; or
   (c) The interested party is a vexatious litigant pursuant to subsection 1.

4. If a court finds that a person is a vexatious litigant pursuant to subsection 1, that person does not have standing to:
   (a) Object to the issuance of letters; or
   (b) Request the removal of a personal representative or a trustee.

Sec. 35.1. Title 13 of NRS is hereby amended by adding thereto a new chapter to consist of the provisions set forth as sections 35.3, 35.5 and 35.7 of this act.

Sec. 35.5. "Domestic partners" has the meaning ascribed to it in NRS 122A.030.

Sec. 35.7. "Spouse" includes a domestic partner as set forth in NRS 122A.200.

Sec. 37. "Nontestamentary trust" means a trust that is created and takes effect during the lifetime of the settlor.

Sec. 38. "Testamentary trust" means a trust that is created by the terms of the will of a person.
Sec. 39. “Trust instrument” means a will, trust agreement, declaration, or other instrument that creates or defines the duties and powers of a trustee and shall include a court order or any instrument that modifies a trust instrument or, in effect, alters the duties and powers of a trustee or other terms of a trust instrument.

Sec. 40. 1. Except as otherwise provided by the terms of the trust instrument, a trustee may combine two or more trusts into a single trust or divide a trust into two or more separate trusts if the combination or division does not:
   
   (a) Impair the rights of any beneficiary;

   (b) Substantially affect the accomplishment of the purposes of the trust or trusts; or

   (c) Violate the rule against perpetuities applicable to the trust or trusts.

2. The combination or division of trusts must be made only after giving notice of the proposed action and following the procedure set forth in NRS 164.725. The notice of the proposed action must include a summary of the anticipated tax consequences, if any, of the proposed combination or division.

Sec. 41. Except as otherwise specifically provided in the trust instrument and except to the extent it would be materially detrimental to the administration of the trust or to the furtherance of its purposes, a trustee may change the name of an irrevocable trust or give a name to an irrevocable trust that does not have one.

Sec. 42. “Directing trust adviser” means a trust adviser, trust protector or other person designated in the trust instrument who has the authority to give directives that must be followed by the fiduciary. The term does not include a trust adviser, trust protector or other person who gives recommendations, counsel or advice that the fiduciary is not required to follow under the terms of the trust instrument.

Sec. 43. For the purposes of NRS 163.553 to 163.556, inclusive, and sections 42 and 43 of this act, a fiduciary is a “directed fiduciary” with respect to any action that the fiduciary:

1. Has no power to take under the terms of the governing instrument;

2. Is mandated by the governing instrument and for which the fiduciary has no discretion to act otherwise; and

3. Is directed to take or prohibited from taking by a directing trust adviser.

Sec. 44. 1. A public benefit trust must be administered in accordance with the terms of the trust instrument. Except to the extent otherwise provided for in the trust instrument:

   (a) Any person appointed by the terms of the trust instrument may enforce the terms of the public benefit trust or, if there is no such person or if such a person is no longer willing or able to serve as a person appointed to enforce the trust, the terms of the trust may be enforced by the Attorney General, the
district attorney of the county in which the trust is domiciled or a person appointed by the district court in the county in which the trust is domiciled.

(b) A petition for an order that appoints a person to enforce the terms of the public benefit trust or to remove the person who has been appointed to enforce the terms of the trust may be filed with the district court in the county in which the trust is domiciled by the Attorney General, by the district attorney in the county in which the trust is domiciled or by any person who has an interest, other than a general public interest, in the declared purpose of the trust.

c) The principal and income of the public benefit trust may be applied only to its intended use.

d) Upon the termination of the public benefit trust, any assets of the trust and any undistributed income must be distributed in accordance with the terms of the trust or, in the absence of such terms, to the estate of the settlor.

e) If a specific purpose of the public benefit trust becomes illegal under the United States Constitution or the Nevada Constitution, the trust must continue in force as if the illegal purpose was not included in the trust instrument. If no purpose of the public benefit trust is lawful, the district court in the county in which the trust is domiciled may, upon the petition of an interested person or upon its own motion, reform the trust to continue for lawful purposes similar to those intended by the settlor. If the court determines that a reformation of the public benefit trust is not practical or will not accomplish the objectives of the settlor, the trust must terminate and its assets and undistributed income must be distributed pursuant to paragraph (d).

(f) Except as ordered by the district court or required by the trust instrument, no filing, report, registration, periodic accounting, separate maintenance of funds, appointment or fee is required by reason of the existence of the fiduciary relationship of the trustee or trustees of the public benefit trust.

(g) If no trustee is designated or no designated trustee is willing or able to act, the district court in the county in which the trust is domiciled shall name one or more trustees and may make such other orders and determinations as are advisable to carry out the interest of the settlor and the purposes of the public benefit trust.

2. As used in this section, “public benefit trust” means a valid trust without identifiable beneficiaries that is not a charitable trust, but which:

(a) Is established to further one or more specifically declared religious, scientific, literary, educational, community development, personal improvement or philanthropic purposes that is not illegal or against public policy;

(b) Provides that the trust principal or income, or both, will provide a benefit, but not necessarily principal or income, to the general public or to one or more classes or groups of persons, including, without limitation, a
government, a governmental agency and any political subdivision of a
government, that are to be identified in the trustee’s discretion;
(c) Does not allow any benefit to the trustee or any cotrustee, except as to
the payment of reasonable compensation and the reimbursement of expenses
incurred for the benefit of the trust; and
(d) Does not violate the rule against perpetuities as set forth in NRS
111.103 to 111.1039, inclusive.
Sec. 45. If a trust has no serving trustee because of the death, incapacity
or resignation of the last serving trustee of the trust, and if the provisions of
the trust instrument do not include any provisions which can be effectively
used to appoint a successor trustee, then the current beneficiaries of the
trust, by unanimous vote, may name and appoint a successor trustee of the
trust without the approval of the court so long as the successor trustee of the
trust is not a person described in NRS 138.020 and is not a “related or
subordinate person” with respect to the settlor of the trust or any beneficiary
thereof within the meaning of section 672(c) of the Internal Revenue Code,
26 U.S.C. 672(c), as amended. If a current beneficiary is a minor, the
minor’s guardian or guardian ad litem may vote on the minor’s behalf. NRS
164.038 shall apply with respect to the appointment of a trustee under this
section. For the purposes of this section, the person entitled to vote with
respect to a beneficiary which is another trust, which has a serving trustee, is
the trustee or trustees of such trust.
Sec. 46. A fiduciary may take such actions as are necessary to cause
gains from the sale or exchange of trust assets, as determined for federal
income tax purposes, to be taxed for federal income tax purposes as part of a
distribution of income, including, without limitation, income which has been
increased by an adjustment from principal to income under NRS 164.795, a
unitrust distribution or a distribution of principal to a beneficiary.
Sec. 46.5. 1. After notice to the beneficiaries, the trustee of a trust that
consists of trust property having a total value of less than $100,000 or that is
uneconomical to administer may terminate the trust if the trustee concludes
that the value of the trust property is insufficient to justify the cost of
administration. This subsection does not apply to an interested trustee.
2. The court may modify or terminate a trust, in accordance with NRS
163.185, or remove the trustee and appoint a different trustee if the court
determines that the value of the trust property is insufficient to justify the cost
of administration.
3. On termination of a trust under this section, the trustee shall distribute
the trust property in a manner consistent with the purposes of the trust.
4. This section does not apply to a trust whose trust property includes an
easement for conservation.
5. As used in this section:
(a) “Easement for conservation” has the meaning ascribed to it in NRS
111.410.
(b) "Interested trustee" means:

(1) An individual trustee to whom the net income or principal of the trust can currently be distributed or would be distributed if the trust were then to terminate and be distributed.

(2) Any trustee who may be removed and replaced by an interested distributee.

(3) An individual trustee whose legal obligation to support a beneficiary may be satisfied by distributions of income and principal of the trust.

Sec. 47. NRS 163.001 is hereby amended to read as follows:

Sec. 48. NRS 163.002 is hereby amended to read as follows:

163.002 Except as otherwise provided by specific statute, a trust may be created by any of the following methods:

1. A declaration by the owner of property that he or she holds the property as trustee. In the absence of a contrary declaration by the owner of the property or of a transfer of the property to a third party and regardless of formal title to the property:
   (a) Property declared to be trust property, together with all income therefrom and the reinvestment thereof, must remain trust property; and
   (b) If the property declared to be trust property includes an account, contract, certificate, note, judgment, business interest, contents of a safe deposit box or other property interest that is subject to additions or contributions, all subsequent additions and contributions to the property are also trust property.

2. A transfer of property by the owner during his or her lifetime to another person as trustee.

3. A testamentary transfer of property by the owner to another person as trustee.

4. An exercise of a power of appointment in trust.

5. An enforceable promise to create a trust.

Sec. 49. NRS 163.004 is hereby amended to read as follows:

163.004 1. [A trust may be created for any purpose that is not illegal or against public policy.]

2. Except as otherwise provided by [a specific statute, federal law or common law], the terms of a trust instrument may expand, restrict, eliminate or otherwise vary the rights and interests of beneficiaries in any manner that is not illegal or against public policy, including, without limitation:
   (a) The right to be informed of the beneficiary’s interest for a period of time;
(b) The grounds for the removal of a fiduciary;

(c) The circumstances, if any, in which the fiduciary must diversify investments;

(d) A fiduciary’s powers, duties, standards of care, rights of indemnification and liability to persons whose interests arise from the trust instrument;

(e) The provisions of general applicability to trusts and trust administration.

2. A trust is irrevocable by the settlor except to the extent that a right to amend the trust or a right to revoke the trust is expressly reserved by the settlor.

3. Nothing in this section shall be construed to:

(a) Authorize the exculpation or indemnification of a fiduciary for the fiduciary’s own willful misconduct or gross negligence; or

(b) Preclude a court of competent jurisdiction from removing a fiduciary because of the fiduciary’s willful misconduct or gross negligence.

4. The rule that statutes in derogation of the common law are to be strictly construed has no application to this section. This section must be liberally construed to give maximum effect to the principle of freedom of disposition and to the enforceability of trust instruments.

Sec. 50. NRS 163.006 is hereby amended to read as follows:

163.006 A trust [other than a charitable trust] is created only if there is a beneficiary. This requirement is satisfied if the trust instrument provides for:

1. A beneficiary or class of beneficiaries that is ascertainable with reasonable certainty or that is sufficiently described so that it can be determined whether a person meets the description or is within the class;

2. A grant of power to the trustee or some other person to select the beneficiary based on a standard or in the discretion of the trustee or other person;

3. A charitable trust as defined in NRS 163.460;

4. A trust for the care of one or more animals created pursuant to NRS 163.0075; or

5. A public benefit trust as defined in section 44 of this act.

Sec. 51. NRS 163.020 is hereby amended to read as follows:

163.020 As used in NRS 163.010 to 163.200, inclusive, and sections 40, 41 and 46.5 of this act, unless the context or subject matter otherwise requires:

1. "Affiliate" means any person directly or indirectly controlling or controlled by another person, or any person under direct or indirect common control with another person. It includes any person with whom a trustee has
an express or implied agreement regarding the purchase of trust investments by each from the other, directly or indirectly, except a broker or stock exchange.

2. "Relative" means a spouse, ancestor, descendant, brother or sister.
3. "Trust" means an express trust only.
4. "Trustee" means the person holding property in trust and includes trustees, a corporate as well as a natural person and a successor or substitute trustee.

Sec. 52. NRS 163.4157 is hereby amended to read as follows:

163.4157 "Power of appointment" means an inter vivos or testamentary power [held by a person other than the settlor.] to direct the disposition of trust property, other than a distribution decision by a trustee to a beneficiary.

Sec. 53. NRS 163.419 is hereby amended to read as follows:

163.419 Except as otherwise provided in the trust instrument, with respect to a discretionary interest as described in NRS 163.4185:

1. A beneficiary who has a discretionary interest in a trust does not have an enforceable right to a distribution from the trust, and a court may review a trustee’s exercise of discretion concerning a discretionary interest only if the trustee acts dishonestly, with [improper motive or fails to act.] bad faith or willful misconduct.

2. A trustee given discretion in a trust instrument that is described as sole, absolute, uncontrolled, unrestricted or unfettered discretion, or with similar words, has no duty to act reasonably in the exercise of that discretion.

3. Absent express language in a trust to the contrary, if a discretionary interest permits unequal distributions between beneficiaries or to the exclusion of other beneficiaries, the trustee may distribute all of the undistributed income and principal to one beneficiary in the trustee’s discretion.

4. Regardless of whether a beneficiary has an outstanding creditor, a trustee of a discretionary interest may directly pay any expense on the beneficiary’s behalf and may exhaust the income and principal of the trust for the benefit of such beneficiary.

Sec. 54. NRS 163.553 is hereby amended to read as follows:

163.553 As used in NRS 163.553 to 163.556, inclusive, and sections 42 and 43 of this act, unless the context otherwise requires, the words and terms defined in NRS 163.5533 to 163.5547, inclusive, and section 42 of this act have the meanings ascribed to them in those sections.

Sec. 55. NRS 163.5549 is hereby amended to read as follows:

163.5549 1. [An excluded] A directed fiduciary is not liable, individually or as a fiduciary for any loss which results from:

(a) Complying with a direction of a directing trust adviser, custodial account owner or authorized designee of a custodial account owner, whether the direction is to act or to not act; or
(b) [A failure] Failing to take any action proposed by [an excluded] a directed fiduciary [which requires prior authorization of the trust adviser if the excluded fiduciary timely sought but failed to obtain such authorization; or
(c) Any action taken at the direction of a trust protector,] if the action:

(1) Required the approval, consent or authorization of a person who did not provide the approval, consent or authorization; or
(2) Was contingent upon a condition that was not met or satisfied.

2. [An excluded] A directed fiduciary is not liable for any obligation to perform an investment or suitability review, inquiry or investigation or to make any recommendation or evaluation with respect to any investment, to the extent that the investment is made by a directing trust adviser. [If the custodial account owner or authorized designee of a custodial account owner had authority to direct the acquisition, disposition or retention of such investment.]

3. The provisions of this section do not impose an obligation or liability on a custodian of a custodial account for providing any authorization.

Sec. 56. NRS 163.555 is hereby amended to read as follows:
163.555 If the instrument provides, [an excluded] a directed fiduciary may continue to follow the direction of a directing trust adviser upon the incapacity or death of the settlor of the trust.

Sec. 57. NRS 163.556 is hereby amended to read as follows:
163.556 1. [Unless] Except as otherwise provided in this section, unless the terms of a testamentary instrument or irrevocable trust provide otherwise, a trustee with discretion or authority to distribute trust income or principal to or for a beneficiary of the trust may exercise such discretion or authority by appointing the property subject to such discretion or authority by appointing the property subject to such discretion or authority in favor of a second trust [for the benefit of one or more of those beneficiaries] as provided in this section.

2. [Notwithstanding subsection 1, a] The second trust to which a trustee appoints property of the first trust may only have as beneficiaries one or more of the beneficiaries of the original trust:
   (a) To or for whom a distribution of income or principal may be made from the original trust;
   (b) To or for whom a distribution of income or principal may be made in the future from the original trust at a time or upon the happening of an event specified under the first trust; or
   (c) Both paragraphs (a) and (b).

For purposes of this subsection, a permissible appointee of a power of appointment exercised by a beneficiary of the second trust is not considered a beneficiary of the second trust.

3. A trustee may not appoint property of the original trust to a second trust if:
(a) The second trust includes a beneficiary who is not a beneficiary of the original trust. For purposes of this paragraph, a permissible appointee of a power of appointment exercised by a beneficiary of the second trust is not considered a beneficiary of the second trust.

(b) Appointing the property will reduce any [current fixed income interest [, annuity interest or unitrust interest of a beneficiary of the original trust,] of any income beneficiary of the original trust if the original trust is:

1. A trust for which a marital deduction has been taken for federal or state income, gift or estate tax purposes;
2. A trust for which a charitable deduction has been taken for federal or state income, gift or estate tax purposes; or
3. A grantor-retained annuity trust or unitrust under 27 C.F.R. 25.2702-3(b) and (c).

As used in this paragraph, “unitrust” has the meaning ascribed to it in NRS 164.700.

(c) A contribution made to the original trust qualified for a marital or charitable deduction for federal or state income, gift or estate taxes or qualified for a gift tax exclusion for federal or state tax purposes and the terms of the second trust include a provision which if included in the original trust would prevent the original trust from qualifying for the tax deduction or exclusion.

(d) The property to be appointed is subject to a power of withdrawal which is held by a beneficiary of the original trust and may be executed at the time of the proposed appointment, unless after the exercise of such appointment, the beneficiary of the original trust’s power of withdrawal is unchanged with respect to the trust property.

(e) Property specifically allocated for one beneficiary of the original trust is no longer allocated for that beneficiary under either or both trusts, unless the beneficiary consents in writing.

(f) Property held for the benefit of one or more beneficiaries under both the original and the second trust has a lower value than the value of the property held for the benefit of the same beneficiaries under only the original trust, unless:

1. The benefit provided is limited to a specific amount or periodic payments of a specific amount; and
2. The value of the property held in either or both trusts for the benefit of one or more beneficiaries is actuarially adequate to provide the benefit.

(g) Under the second trust:
1. Discretionary distributions may be made by the trustee to a beneficiary or group of beneficiaries of the original trust;
2. Distributions are not limited by an ascertainable standard; and
3. A beneficiary or group of beneficiaries has the power to remove and
replace the trustee of the second trust with a beneficiary of the second trust or with a trustee that is related to or subordinate to a beneficiary of the second trust.

---

4. A contribution made to the original trust qualified for a gift tax exclusion as described in section 2503(b) of the Internal Revenue Code, 26 U.S.C. 2503(b), by reason of the application of section 2503(c) of the Internal Revenue Code, 26 U.S.C. 2503(c), unless the second trust provides that the beneficiary’s remainder interest must vest not later than the date upon which such interest would have vested under the terms of the original trust.

---

4. Notwithstanding the provisions of subsection 1, a trustee who is a beneficiary of the original trust may not exercise the authority to appoint property of the original trust to a second trust if:

(a) Under the terms of the original trust or pursuant to law governing the administration of the original trust:

   (1) The trustee does not have discretion to make distributions to himself or herself;

   (2) The trustee’s discretion to make distributions to himself or herself is limited by an ascertainable standard, and under the terms of the second trust, the trustee’s discretion to make distributions to himself or herself is not limited by the same ascertainable standard; or

   (3) The trustee’s discretion to make distributions to himself or herself can only be exercised with the consent of a cotrustee or a person holding an adverse interest and under the terms of the second trust the trustee’s discretion to make distributions to himself or herself is not limited by an ascertainable standard and may be exercised without consent; or

(b) Under the terms of the original trust or pursuant to law governing the administration of the original trust, the trustee of the original trust does not have discretion to make distributions that will discharge the trustee’s legal support obligations but under the second trust the trustee’s discretion is not limited.

---

5. Notwithstanding the provisions of subsection 1, a trustee who may be removed by the beneficiary or beneficiaries of the original trust and replaced with a trustee that is related to or subordinate, as described in section 672 of the Internal Revenue Code, 26 U.S.C. 672(c), to a beneficiary, may not exercise the authority to appoint property of the original trust to a second trust to the extent that the exercise of the authority by such trustee would have the effect of increasing the distributions that can be made from the second trust to such beneficiary or group of beneficiaries that held the power to remove the trustee of the original trust and replace such trustee with a related or subordinate person, unless the distributions that may be made from the second trust to such beneficiary or group of beneficiaries described in paragraph (a) of subsection 4 are limited by an ascertainable standard.
6. The provisions of subsection 3, subsections 4 and 5 do not prohibit a trustee who is not a beneficiary of the original trust or who may not be removed by the beneficiary or beneficiaries and replaced with a trustee that is related to or subordinate to a beneficiary from exercising the authority to appoint property of the original trust to a second trust pursuant to the provisions of subsection 1. 

5. if the trustee:
   (a) Is not a beneficiary; or
   (b) May not be removed by the beneficiary or beneficiaries and replaced with a trustee that is related to or subordinate to a beneficiary.

7. Before appointing property pursuant to subsection 1, a trustee may give notice of a proposed action pursuant to NRS 164.725 or may petition a court for approval pursuant to NRS 153.031, 164.015 or 164.725. Any notice of a proposed action or a petition for a court’s approval must include the trustee’s opinion of how the appointment of property will affect the trustee’s compensation and the administration of other trust expenses.

8. The trust instrument of the second trust may:
   (a) Grant a general or limited power of appointment to one or more of the beneficiaries of the second trust who are proper objects of the exercise of the power in beneficiaries of the original trust. The power of appointment includes, without limitation, the power to appoint trust property to the holder of the power, the holder’s creditors, the holder’s estate, the creditors of the holder’s estate or any other person.
   (b) Provide that, at a time or occurrence of an event specified in the trust instrument, the remaining trust assets in the second trust must be held for the beneficiaries of the original trust upon terms and conditions that are substantially identical to the terms and conditions of the original trust.

9. The power to appoint the property of the original trust pursuant to subsection 1 must be exercised by a writing, signed by the trustee and filed with the records of the trust.

10. The exercise of the power to invade principal of the original trust pursuant to subsection 1 is considered the exercise of a power of appointment, other than power to appoint the property to the trustee, the trustee’s creditors, the trustee’s estate or the creditors of the trustee’s estate and the provisions of NRS 111.1031 apply to such power of appointment.

11. The provisions of this section do not abridge the right of any trustee who has the power to appoint property which arises under any other law.

12. The provisions of this section do not impose upon a trustee a duty to exercise the power to appoint property pursuant to subsection 1.

13. The power to appoint property to another trust pursuant to subsection 1 is not a power to amend the trust and a trustee is not prohibited from appointing property to another trust pursuant to subsection 1 if the original trust is irrevocable or provides that it may not be amended.
A trustee’s power to appoint property to another trust pursuant to subsection 1 is not limited by the existence of a spendthrift provision in the original trust.

A trustee exercising any power granted pursuant to this section may designate himself or herself or any other person permitted to act as a trustee as the trustee of the second trust.

The trustee of a second trust, resulting from the exercise of the power to appoint property to another trust pursuant to subsection 1, may also exercise the powers granted pursuant to this section with respect to the second trust.

For the purposes of this section, “second trust” means an irrevocable trust that receives trust income or principal appointed by the trustee of the original trust, and may be established by any person, including, without limitation, a new trust created by the trustee, acting in that capacity, of the original trust. If the trustee of the original trust establishes the second trust, then for purposes of creating the new second trust, the requirement of NRS 163.008 that the instrument be signed by the settlor shall be deemed to be satisfied by the signature of the trustee of the second original trust. The second trust may be a trust created under the same trust instrument as the original trust or under a different trust instrument.

As used in this section, “ascertainable standard” means a standard relating to an individual’s health, education, support or maintenance within the meaning of section 2041(b)(1)(A) or 2514(c)(1) of the Internal Revenue Code, 26 U.S.C. 2041(b)(1)(A) or 2514(c)(1), and any regulations of the United States Treasury promulgated thereunder.

This section applies to a trust that is governed by, situs in or administered under the laws of this State, whether the trust is initially governed by, situs in or administered under the laws of this State pursuant to the terms of the trust instrument or whether the governing law, situs or administration of the trust is moved to this State from another state or foreign jurisdiction.

Sec. 58. Chapter 164 of NRS is hereby amended by adding thereto the provisions set forth as sections 59 to 62, inclusive, of this act.

Sec. 59. 1. The laws of this State govern the validity and construction of a trust if:

(a) The trust instrument so provides;

(b) Designated by a person who, under the terms of the trust instrument, has the right to designate the laws that govern the validity and construction of the trust, at the time the designation is made; or

(c) The trust instrument does not provide for the law that governs the validity and construction of the trust, a person designated under the terms of the trust instrument to designate the law that governs the validity and construction of the trust, if any, has not made such a designation and the
settlor or the trustee of the trust was a resident of this State at the time the trust was created or at the time the trust became irrevocable.

2. A person not domiciled in this State may have the right to designate the laws that govern the validity and construction of a trust if properly designated under the trust instrument.

3. If the district court, as defined in NRS 132.116, determines that there is a clear and sufficient nexus between a trust and this State, the court may assume jurisdiction during a proceeding conducted pursuant to NRS 164.010 unless:

(a) Another court has properly assumed jurisdiction in accordance with the laws of that jurisdiction;
(b) The trust instrument expressly provides that the situs of the trust is outside of this State or that a court of a jurisdiction other than this State has jurisdiction over the trust; or
(c) A person has designated for the trust a situs or jurisdiction other than this State, if such person made the designation at a time during which he or she held the power to make such a designation under the express terms of the trust instrument.

4. For the purposes of this section, there is a clear and sufficient nexus between a trust and this State if:

(a) The trust owns an interest in real property located in this State;
(b) The trust owns personal property, wherever situated, if the trustee or cotrustee is:
   (1) A resident of this State;
   (2) Incorporated or authorized to do business in this State;
   (3) A trust company licensed under chapter 669 of NRS;
   (4) A family trust company, as defined in NRS 669A.080; or
   (5) A national association having an office in this State;
   (c) One or more beneficiaries of the trust reside in this State; or
   (d) At least part of the administration of the trust occurs in this State.

5. For paragraphs (c) and (d) of subsection 4 to apply with respect to a cotrustee, such cotrustee must have the authority to maintain records for the trust and to prepare income tax returns for the trust, even if such authority may also be exercised by another cotrustee.

6. Notwithstanding the provisions of this section, if a court of a jurisdiction other than this State has jurisdiction over a trust and grants an order authorizing a transfer of jurisdiction over the trust to this State, the district court has the power to assume jurisdiction over that trust and to otherwise supervise the administration of that trust in accordance with the procedures set forth in this title if the requirements of subsection 4 are satisfied.

7. A trust, the situs of which is outside this State, that moves its situs to this State is valid whether or not the trust complies with the laws of this State at the time of its creation or after its creation.
Sec. 60. 1. A provision in a will or trust instrument requiring the arbitration of disputes other than disputes of the validity of all or a part of a will or trust, between or among the beneficiaries and a fiduciary under the will or trust, or any combination of such persons or entities, is enforceable.

2. Unless otherwise specified in the will or trust, a will or trust provision requiring arbitration shall be presumed to require binding arbitration under NRS 38.206 to 38.248, inclusive. If an arbitration enforceable under this section is governed under NRS 38.206 to 38.248, inclusive, the arbitration provision in the will or trust shall be treated as an agreement for the purposes of applying the provisions of NRS 38.206 to 38.248, inclusive.

3. The court is authorized to appoint a guardian ad litem at any time during the arbitration procedure to represent the interests of a minor or a person who is incapacitated, unborn, unknown or unascertained, or a designated class of persons who are not ascertained or are not in being. If not precluded by a conflict of interest, a guardian ad litem may be appointed to represent several persons or interests. The guardian ad litem is entitled to reasonable compensation for services with such compensation to be paid from the principal of the estate or trust whose beneficiaries are represented. The provisions of NRS 164.038 and the common law relating to the doctrine of virtual representation apply to the dispute resolution procedure unless the common law rule or doctrine is inconsistent with the provisions of NRS 164.038, and any action taken by a court enforcing the judgment is conclusive and binding upon each person receiving actual or constructive notice or who is otherwise virtually represented.

4. Such arbitration in a provision in a will or trust may include, without limitation:
(a) The number, method of selection and minimum qualifications of arbitrators;
(b) The selection and establishment of arbitration procedures, including, without limitation, the incorporation of the arbitration rules for wills and trusts adopted by the American Arbitration Association;
(c) The county in which the dispute resolution will take place;
(d) The scope of discovery;
(e) The burden of proof;
(f) Confidentiality of the arbitration process and the evidence produced during arbitration and discovery;
(g) The awarding of attorney’s fees, expert fees and costs;
(h) The time period in which the arbitration must be conducted and deciding an award;
(i) The method of allocating the appointed person’s fees and expenses among the parties;
(j) The required appointment of guardians ad litem;
(k) The consequences to a party who fails to act in accordance with such provisions or contests such provisions; and
Sec. 61. 1. Except as otherwise provided in this section, a settlement agreement entered into by all indispensable parties, as described in subsection 1 of section 62 of this act is enforceable with respect to the administration of a trust without approval by the court, as defined in NRS 132.116.

2. A nonjudicial settlement agreement is void to the extent it violates a material purpose of the trust and to the extent it includes terms and conditions that could not be properly approved by the court, as defined in NRS 132.116, under the law governing the trust instrument.

3. Matters that may be resolved by a nonjudicial settlement agreement include, without limitation:
   (a) The investment or use of trust assets;
   (b) The lending or borrowing of money;
   (c) The addition, deletion or modification of a term or condition of the trust;
   (d) The interpretation or construction of a term of the trust;
   (e) The designation or transfer of the principal place of administration of the trust;
   (f) The approval of a trustee’s report or accounting;
   (g) The choice of law governing the construction of the trust instrument or administration of the trust, or both;
   (h) Direction to a trustee to perform or refrain from performing a particular act;
   (i) The granting of any necessary or desirable power to a trustee;
   (j) The resignation or appointment of a trustee and the determination of a trustee’s compensation;
   (k) The merger or division of trusts;
   (l) The granting of approval or authority, for a trustee to make charitable gifts from a noncharitable trust;
   (m) The transfer of a trust’s principal place of administration;
   (n) Negating the liability of a trustee for an action relating to the trust and providing indemnification therefor; and
   (o) The termination of the trust.

Sec. 62. 1. Except as otherwise provided in this section, a nonjudicial settlement agreement is effective when the agreement has been signed by all indispensable parties. A party who is represented by another person pursuant to NRS 164.038 shall be deemed to have signed an agreement when the person who represents that party has signed it.

2. Except as otherwise provided in this section, if an indispensable party neither signs the agreement nor provides the trustee with a written objection, the trustee may follow the procedure provided in NRS 164.725 by giving a notice of proposed action to all indispensable parties who have not signed
the settlement agreement, where the proposed action is to accept and comply with the nonjudicial settlement agreement.

3. Failure to object to the notice of proposed action constitutes acceptance of the settlement agreement. If the trustee is personally aware that an indispensable party, or a person representing that indispensable party under NRS 164.038, has not received the notice of proposed action, the trustee may not proceed to honor the agreement pursuant to subsection 6 of NRS 164.725, but may proceed under subsection 7 of NRS 164.725 as if that indispensable party had objected. Once all indispensable parties have agreed to a settlement agreement as provided in subsection 1 or 2, it is irrevocable.

4. Any indispensable party may petition the court for an order approving a nonjudicial settlement agreement under the procedure set forth in NRS 164.015. In order to approve a nonjudicial settlement, the court must find that the agreement complies with the requirements of this section and section 61 of this act.

5. For the purposes of this section, “indispensable parties” refers to all interested persons, as defined in NRS 132.185, whose consent would be required in order to achieve a binding settlement were the settlement to be approved by the court.

Sec. 63. NRS 164.010 is hereby amended to read as follows:

164.010 1. Upon petition of any person appointed as trustee of an express trust by any written instrument other than a will, or upon petition of a settlor or beneficiary of the trust, the district court of the county in which the trustee resides or conducts business, or in which the trust has been domiciled, shall consider the application to confirm the appointment of the trustee and specify the manner in which the trustee must qualify. Thereafter the court has assume jurisdiction of the trust as a proceeding in rem.

2. If the court grants the petition (the court may consider at the same time any petition for instructions filed with the petition for confirmation), the court:

(a) Has jurisdiction of the trust as a proceeding in rem;
(b) Shall be deemed to have personal jurisdiction over any person pursuant to section 59 of this act;
(c) May confirm at the same time the appointment of the trustee and specify the manner in which the trustee must qualify; and
(d) May consider at the same time granting orders on other matters relating to the trust, including, without limitation, matters that might be addressed in a declaratory judgment relating to the trust under subsection 2 of NRS 30.040 or petitions filed pursuant to NRS 153.031 or 164.015 whether such matters are raised in the petition to assume jurisdiction pursuant to this section or in one or more separate petitions that are filed concurrently with the petition to assume jurisdiction.

3. At any time, the trustee may petition the court for removal of the trust from continuing jurisdiction of the court.
4. For the purposes of this section, a trust is domiciled:
   (a) In this State if there is a clear and sufficient nexus between the trust and this State pursuant to subsection 4 of section 59 of this act.
   (b) In a county of this State that provides the nexus required pursuant to paragraph (a) giving preference:
      (1) First, to the situs or domicile most recently declared by a person granted the power to make such a declaration under the terms of the trust instrument;
      (2) Second, to the situs or domicile declared in the trust instrument; and
      (3) Finally, to the situs or domicile declared by the trustee in a certification of the trust which complies with subsection 2 of NRS 164.400 and subsection 2 of NRS 164.410 and which contains a declaration of the trust’s situs or domicile as authorized in subsection 1 of NRS 164.410.
5. As used in this section, “written instrument” includes, without limitation, an electronic trust as defined in NRS 163.0015. Sec. 64. NRS 164.015 is hereby amended to read as follows:
   164.015 1. The court has exclusive jurisdiction of proceedings initiated by the petition of an interested person concerning the internal affairs of a nontestamentary trust, including a revocable living trust while the settlor is still living if the court determines that the settlor cannot adequately protect his or her own interests or if the interested person shows that the settlor is incompetent or susceptible to undue influence. Proceedings which may be maintained under this section are those concerning the administration and distribution of trusts, the declaration of rights and the determination of other matters involving trustees and beneficiaries of trusts, including petitions with respect to a nontestamentary trust for any appropriate relief provided with respect to a testamentary trust in NRS 153.031 and petitions for a ruling that property not formally titled in the name of a trust or its trustee constitutes trust property pursuant to NRS 163.002.
   2. A petition under this section or subsection 2 of NRS 30.040 that relates to a trust may be filed in conjunction with a petition under NRS 164.010 or at any time after the court has assumed jurisdiction under that section.
   3. If an interested person contests the validity of a revocable nontestamentary trust, the interested person is the plaintiff and the trustee is the defendant. The written grounds for contesting the validity of the trust constitutes a pleading and must conform with any rules applicable to pleadings in a civil action. This subsection applies whether the person contesting the validity of the trust is the petitioner or the objector and whether or not the opposition to the validity of the trust is asserted under this section or subsection 2 of NRS 30.040.
   4. In a proceeding pursuant to subsection 3, the competency of the settlor to make the trust, the freedom of the settlor from duress, menace, fraud or
undue influence at the time of execution of the will, the execution and attestation of the trust instrument, or any other question affecting the validity of the trust is a question of fact and must be tried by the court, subject to the provisions of subsection 5.

5. A court may consolidate the cases if there is a contest of a revocable nontestamentary trust and a contest relating to a will executed on the same date. If a jury is demanded pursuant to NRS 137.020 for the contest of the will, the court may instruct the jury to render an advisory opinion with respect to an issue of fact pursuant to subsection 4 in the contest of the trust.

6. Upon the hearing, the court shall enter such order as it deems appropriate. The order is final and conclusive as to all matters determined and is binding in rem upon the trust estate and upon the interests of all beneficiaries, vested or contingent, except that appeal to the appellate court of competent jurisdiction pursuant to the rules fixed by the Supreme Court pursuant to Section 4 of Article 6 of the Nevada Constitution may be taken from the order within 30 days after notice of its entry by filing notice of appeal with the clerk of the district court. The appellant shall mail a copy of the notice to each person who has appeared of record. If the proceeding was brought pursuant to subsection 3, 4 or 5, the court must also award costs pursuant to chapter 18 of NRS.

7. Except as otherwise ordered by the court, a proceeding under this section does not result in continuing supervisory proceedings, and the administration of the trust must proceed expeditiously in a manner consistent with the terms of the trust, without judicial intervention or the order, approval or other action of any court, unless the jurisdiction of the court is invoked by an interested person or exercised as provided by other law.

8. As used in this section, “nontestamentary trust” has the meaning ascribed to it in section 37 of this act.

Sec. 65. NRS 164.025 is hereby amended to read as follows:

164.025 1. The trustee of a nontestamentary trust may after the death of the settlor of the trust cause to be published a notice in the manner specified in paragraph (b) of subsection 1 of NRS 155.020 and mail a copy of the notice to known or readily ascertainable creditors.

2. The notice must be in substantially the following form:

NOTICE TO CREDITORS

Notice is hereby given that the undersigned is the duly appointed and qualified trustee of the .......... trust. .........., the settlor of that trust died on .......... Sec. 67. NRS 164.725 is hereby amended to read as follows:

164.725 1. As used in this section, “action” includes a course of action and a decision on whether or not to take action.

2. A trustee may provide a notice of proposed action regarding any matter governed by NRS 163.556 or 164.700 to 164.925, inclusive. Except as otherwise provided in the trust instrument, a trustee, trust protector or trust adviser may provide a notice of proposed action regarding any aspect of the trust administration of the trust within his or her scope of authority.

3. If a trustee, trust protector or trust adviser provides a notice of proposed action, the trustee, trust protector or trust adviser shall mail the notice of proposed action to every adult beneficiary who, at the time the notice is provided, receives, or is entitled to receive, income under the trust or who would be entitled to receive a distribution of principal if the trust were terminated. A notice of proposed action need not be provided to a person who consents in writing to the proposed action. A consent to a proposed action may be executed before or after the proposed action is taken.

4. The notice of proposed action must state:
   (a) That the notice is provided pursuant to this section;
   (b) The name and mailing address of the trustee;

modification or deny the proposed action. A beneficiary who failed to object to the proposed action is not estopped from opposing the proposed action. The burden is on a beneficiary to prove that the proposed action should not be taken or should be modified. If the trustee, trust protector or trust adviser takes the proposed action as approved by the court, the trustee, trust protector or trust adviser is not liable to any beneficiary with respect to that action.

9. If the proposed action for which notice has been proved is an adjustment to principal and income pursuant to NRS 164.795 or 164.796, the sole remedy a court may order, pursuant to subsections 7 and 8, is to make the adjustment, to make the adjustment with a modification or to order the adjustment not to be made.

Sec. 69. NRS 164.950 is hereby amended to read as follows:

If two settlors who are married establish a nontestamentary trust jointly, and the trust provides for the pecuniary or fractional division of the community property held by the settlors upon the death of one of the settlors, the trustee has the authority to distribute the community property unless the trust instrument expressly provides otherwise. The trustee may distribute the community property on a non-pro rata basis so long as the fair market value of the distribution is, at the time of the distribution, the same as if the distribution were made pro rata. The provisions of this section do not affect the distribution of assets that are specifically allocated in the trust instrument to be distributed in kind.
2. As used in this section, “nontestamentary trust” has the meaning ascribed to it in section 37 of this act.

Sec. 70. Chapter 165 of NRS is hereby amended by adding thereto the provisions set forth as sections 71 to 77, inclusive, of this act.

Sec. 71. 1. Except as otherwise provided in this chapter, the provisions of section 72 of this act apply to a testamentary trust.

2. Except as otherwise provided by the will creating a testamentary trust or by a court order, until the termination of a testamentary trust, the trustee shall account for the income and principal of a testamentary trust in the same manner as required by a trustee of a nontestamentary trust pursuant to NRS 165.141 to 165.149, inclusive, and sections 72 and 73 of this act.

Sec. 72. 1. The trustee of a nontestamentary trust has a duty to account for the trust estate in accordance with the provisions of NRS 165.141 to 165.149, inclusive, and sections 72 and 73 of this act.

2. The trustee of a nontestamentary trust shall satisfy the duty to account by delivery of an account in the form, manner and to the persons as required by the terms and conditions stated in the trust instrument.

Sec. 73. 1. To the extent that the trust instrument does not provide otherwise, the trustee of a nontestamentary trust shall satisfy the duty to account for the nontestamentary trust estate by delivery of an account which conforms with the requirements of NRS 165.135, and pursuant to the following:

(a) Except as otherwise limited by paragraph (b), the trustee shall deliver an account, upon demand pursuant to NRS 165.141, to each current beneficiary, and to each remainder beneficiary of the trust. A trustee is not required to provide an account to a remote beneficiary pursuant to this section.

(b) Notwithstanding paragraph (a), a trustee may satisfy the duty to account in accordance with subparagraphs (1) to (6), inclusive, where applicable:

(1) While a trust is revocable by the settlor, the trustee is not required to deliver an account to any person other than the settlor except that a trustee of such a trust shall deliver an account if:

(I) A court-appointed guardian of the estate of the settlor or other person having the right of revocation demands an account on behalf of the settlor; or

(II) The court, in considering a petition filed under NRS 164.015, determines that the settlor or other person holding the right of revocation is incompetent or is susceptible to undue influence and orders the trustee to provide an account, specifying the nature and extent of the account to be provided and the person or persons who are entitled to receive the account.

(2) While the trust is irrevocable in its entirety, but is subject to a broad power of appointment, the trustee is not required to provide an account other
than to the power holder for the trust or portion of the trust that is subject to a broad power of appointment.

(3) The trustee is not required to provide an account to a person who has been eliminated as a beneficiary by the effective exercise of a power of appointment.

(4) The trustee is not required to provide an account of any portion of the trust estate to a beneficiary that does not affect the beneficiary’s interest in the trust, and the trustee may redact the account as to such portions that do not affect the beneficiary’s interest.

(5) A trustee is not required to provide an account to a beneficiary of an irrevocable trust while that beneficiary’s only interest in the trust estate is a discretionary interest, as described in NRS 163.4185.

(6) A trustee is not required to provide an account to any beneficiary who has waived or is deemed to have waived the right to receive an account in accordance with section 75 of this act. However, if the waiver is partial or only as to form of the account, the trustee shall satisfy the duty to account in accordance with the terms of the waiver.

2. Nothing in this section shall be interpreted to prohibit a trustee from petitioning the court for instructions as to the persons entitled to receive an account and the procedures required of the trustee to satisfy the requirements of this section pursuant to subsection 2 of section 77 of this act.

Sec. 74. 1. Notwithstanding any provision to the contrary in the trust instrument, but subject to the right of the trustee to petition the court for further instructions pursuant to subsection 2 of section 77 of this act, and subject to the exceptions set forth under paragraph (b) of subsection 1 of section 73 of this act, a trustee shall provide an account conforming with the requirements of NRS 165.135 to a beneficiary pursuant to a demand by such beneficiary pursuant to NRS 165.141.

The waiver may be a limited waiver as to the form of the account, of the right to seek a hearing on the account, or of the right to receive notice of a hearing on the account. Such waiver is applicable to the beneficiary and any other beneficiaries who are represented by the waiving beneficiary pursuant to NRS 164.038 or by order of the court.
Sec. 76. 1. Except as may otherwise be required pursuant to the terms of the trust instrument or by order of the court, the trustee shall deliver a required account within 90 days after the end of the period of account, which may be extended by consent of the beneficiary, or by order of the court for good cause shown.

2. The trustee shall be deemed to have provided an account to any person on whom the trustee delivers a copy of the account as directed by order of the court or, if not so ordered, pursuant to the following:

   (a) By mailing a copy of the account by certified, registered or ordinary first-class mail, or by overnight delivery through a recognized delivery service company, addressed to the person being served at the post office address or physical address given in the person’s demand for account, if any, or at the person’s last place of residence on file with the trustee, if known, or by personally delivering a copy thereof to the person; or

   (b) By electronic mail or through a secure website on the Internet. For purposes of this paragraph, a person shall be deemed to have received a copy of an account provided by the trustee to the beneficiary by electronic mail or through a secure website on the Internet if the trustee:

      (2) Attached the account to the electronic mail as an electronic record or included in the electronic mail a notice to the beneficiary indicating the availability of the account on the secure website.

3. Except as otherwise required by the trust instrument, a trustee is not required to provide an account more than once in any calendar year unless ordered by a court upon good cause shown.

4. An account must be deemed approved and final as follows:

   (a) By a beneficiary who received a copy of the account if no written objection is delivered to the trustee in accordance with subsection 2 within 90 days after the date on which the trustee provided the account to that beneficiary; or

   (b) By all beneficiaries who are not required to receive an account, such as nonvested and contingent beneficiaries, remote beneficiaries, minor beneficiaries, and unborn or unknown beneficiaries if the account is deemed approved and final by a beneficiary who has a similar, but preceding interest, in the trust estate, in conformance with NRS 164.038, or as to any beneficiary who has waived an account pursuant to section 75 of this act.

   Notwithstanding the foregoing, if an account is submitted to the court for approval under a petition pursuant to chapter 164 of NRS, the account must be deemed final and approved upon by order of the court, subject only to the right of an interested person to appeal.

5. Except as otherwise ordered by the court, the cost of preparing an account must be paid from the trust estate, and allocated to income and
principal as provided in the trust instrument, and if the trust instrument is otherwise silent, in accordance with NRS 164.780 to 164.925, inclusive.

The trustee shall not expend trust funds to satisfy the trustee's personal liability imposed under this subsection.

2. Notwithstanding subsection 1, if the trustee’s failure to account is based upon good cause due to the trustee’s reasonable uncertainty as to the beneficiary’s right to an account or by a provision in the trust instrument that specifically restricts or prohibits the trustee from providing an account to a beneficiary who is otherwise entitled to an account, then the trustee may, at the expense of the trust estate, bring a petition for instructions before the court to confirm:
   (a) The right of the beneficiary to receive an account;
   (b) The right of and sufficiency of a demand for an account by a beneficiary; or

3. At the hearing, as to each petitioner, the court may enter an order:

(a) Compelling the trustee to provide an account to the petitioner and specifying the nature and extent of the account to be provided;

(b) Declaring that the petitioner is not entitled to an account and setting forth the reason or reasons the petitioner is not so entitled; or

(c) Compelling the trustee to provide an account to the petitioner as described in paragraph (a) and authorizing an independent review of the account using the procedure set forth in NRS 165.145.

7. Except as otherwise provided in subsection 3 of NRS 153.031, each petitioner shall pay his or her own expenses, including, without limitation, attorney’s fees, that arise in conjunction with filing a petition pursuant to this section.
Sec. 83. NRS 165.145 is hereby amended to read as follows:

165.145 If, while considering a petition filed pursuant to NRS 165.143, the court finds that the beneficiary is entitled to an account pursuant to this section and that the trust instrument authorizes or directs the trustee not to provide the account, the court shall, upon the beneficiary’s request, compel the trustee to confidentially provide an account in accordance with the following procedure:

1. If the beneficiary has not been previously provided with a copy of the trust instrument, the court shall direct the trustee to provide the court and each reviewer selected pursuant to subsection 2 with a copy of the trust instrument, or such portions as the court deems to be pertinent to the determination of the adequacy of the trustee’s account and to the enforcement of the beneficiary’s rights under the trust instrument.

2. The court shall direct the account to be provided confidentially to the court and to one or more reviewers selected by the beneficiary. The court may direct that the account be filed with the court clerk under seal or delivered to the court for in camera review. The account provided must contain the information required by this section without regard to any trust provision restricting the information to be provided to the requesting beneficiary.

3. A reviewer must be either a certified public accountant or an attorney.

4. Subject to the provisions of paragraph (b) of subsection 5, the beneficiary requesting the account must pay for the services of each reviewer. The expense of preparing the account must be paid as an expense of the trust.

5. Each reviewer must agree that:
   (a) The account provided must be reviewed confidentially and must not be provided to the beneficiary except as otherwise provided in paragraph (b) or in an order of the court; and
   (b) The reviewer’s duty is to review the account and to prepare a written report, which must be filed with the court clerk under seal or submitted to the court for in camera review, informing the court if there is anything that would indicate that the trust, as it affects the beneficiary’s interest, has not been or may not have been properly administered or accounted for in accordance with applicable law, the trust instrument and generally accepted accounting principles applicable to trusts. At the same time a copy of the reviewer’s report is provided to the court, a copy of each reviewer’s report must be delivered to the trustee or to the trustee’s attorney of record.

6. The trustee may submit to the court and to each reviewer an objection to the report of a reviewer within 10 days after the trustee received the reviewer’s report. The trustee shall submit the objections to the court and to each reviewer in the same manner as the trustee provided the account. The court may consider each reviewer’s report and the objections of the trustee with or without a hearing. If the court, after considering the report of any reviewer and any objection submitted by the trustee, finds that the trust, as it
affects the beneficiary’s interest, has not been or may not have been properly administered or accounted for in accordance with applicable law, the trust instrument and generally accepted accounting principles applicable to trusts, in addition to any other relief granted by the court pursuant to NRS 153.031 or 165.143, the court shall enter an order granting the relief necessary to protect the beneficiary’s interests or to allow the beneficiary to enforce his or her rights under the trust.

7. An order granting relief described in subsection 6 may include one or more of the following:
   (a) A directive to the trustee to provide the beneficiary an account which complies with the provisions of [subsection 3 or 4 of] NRS 165.135, together with such additional information as the beneficiary may require to properly enforce his or her rights under the trust;
   (b) A directive to the trustee to provide further [annual] accounts required under this section without further court order;
   (c) A directive to the trustee to provide the court and each reviewer a more complete account or such additional information as the court deems necessary to determine if the trust is being properly administered in compliance with the trust instrument and applicable law;
   (d) A directive to the trustee to take action to remedy or mitigate the effects of any improper administration of the trust;
   (e) A declaration relieving each reviewer from any further obligation of confidentiality; and
   (f) Any such additional relief as the court deems proper to ensure the trustee’s compliance with the trust instrument and applicable law and to allow enforcement of the beneficiary’s rights.

8. If the beneficiary is granted any relief by the court on the basis that the trust was not properly administered or accounted for, the provisions of subsection 3 of NRS 153.031 [and subsection 4 of NRS 165.139] apply with regard to the reimbursement of costs incurred by the beneficiary.

Sec. 84. NRS 165.147 is hereby amended to read as follows:

165.147 1. Upon [request] demand by a beneficiary pursuant to NRS 165.141 who is entitled to receive an account pursuant to the terms of NRS [165.122] 165.030 to 165.149, inclusive, and sections 71 to 77, inclusive, of this act, a trustee shall provide a copy of the trust instrument to that beneficiary except as expressly provided otherwise in the trust instrument.

2. Notwithstanding the provisions of subsection 1 or any provision to the contrary in the trust instrument, the court may direct the trustee to provide a beneficiary who is entitled to receive an account pursuant to the terms of NRS [165.122] 165.030 to 165.149, inclusive, and sections 71 to 77, inclusive, of this act a copy of the trust instrument, or such portions as the court deems to be pertinent to the determination of the adequacy of the trustee’s account and to the enforcement of the beneficiary’s rights under the trust.
3. Except as otherwise provided in NRS 165.145 or by order of the court for good cause shown, the trustee must not be compelled to provide a copy of the trust instrument to a person who is not a beneficiary of the trust or a person who is not entitled to an account of the trust pursuant to the provisions of NRS 165.030 to 165.149, inclusive, and sections 71 to 77, inclusive, of this act.

Senator Brower moved the adoption of the amendment.

Remarks by Senator Brower.

Amendment No. 325 makes several technical corrections to the bill identified by the proponents such as correcting internal references, replacing erroneously repealed provisions, and revising certain effective dates; provides that, for the purposes of the bill, reference to a spouse is equally a reference to a domestic partner; and adds new provisions allowing for the modification or termination of an uneconomic trust by a trustee.

Amendment adopted.

The following amendment was proposed by the Committee on Education:
Amendment No. 497.

AN ACT relating to education; revising provisions relating to the employees and duties of the State Public Charter School Authority; authorizing and requiring certain sponsors of charter schools to make certain agreements with the Authority and other sponsors of charter schools; revising provisions governing applications to form a charter school; authorizing a charter management organization to apply for a waiver of requirements concerning the composition of the governing body of a charter school; revising provisions governing amendments to a written charter or charter contract; authorizing the consolidation of the operations of multiple charter schools under certain circumstances; revising the circumstances under which the sponsor of a charter school is authorized or required to revoke a written charter or terminate a charter contract; authorizing a sponsor to reconstitute the governing body of a charter school in such circumstances; authorizing the sponsor of a charter school whose written charter has been revoked or whose charter contract has been terminated to take certain measures to attempt to replace the charter school; revising certain other provisions governing the operation of a charter school; authorizing a charter school to receive certain money; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law establishes the State Public Charter School Authority, requires the Authority to appoint a Director and authorizes the Authority to sponsor charter schools. (NRS 386.490-386.515) Sections 10, 12-14 and 18 of this bill change the title of the Director of the Authority to “Executive Director,” and section 13 authorizes the Executive Director to pursue other businesses and hold other offices with the approval of the Authority. Section 11 of this bill requires the Authority to consist of persons who are experts on authorizing, developing and operating charter schools. Sections 15 and 16 of this bill revise provisions governing the staff of the Authority. Section 18 of this bill prohibits the Executive Director and the Authority from accepting any gift or donation from a charter management organization, a committee to form a charter school or the governing body of a charter school. Sections 32 and 33 of this bill require the Authority to adopt regulations that prescribe: (1) the process to apply to the Authority to form a charter school, renew a charter contract or amend a written charter or charter contract; (2) the contents of such applications; and (3) the procedure by which such applications will be evaluated. Sections 35, 45 and 46 of this bill revise certain other duties of the Authority.

In addition to the Authority, existing law also authorizes the board of trustees of a school district or a college or university within the Nevada System of Higher Education to sponsor a charter school with the approval of the Department of Education. (NRS 386.515) Sections 17, 19 and 20 of this
bill provide for a board of trustees of a school district or college or university within the System that sponsors a charter school to enter into certain agreements with the Authority. Sections 19 and 20 also revise the duties of the sponsor of a charter school, including the requirements of the policies and practices that a sponsor is required to adopt.

Existing law requires an application to form a charter school to be submitted by a committee to form a charter school. (NRS 386.520, 386.525) Sections 21 and 22 of this bill authorize a charter management organization to apply to form a charter school. Section 2 of this bill defines the term “charter management organization” to mean a nonprofit organization that operates multiple charter schools. Section 21 also revises the required contents of an application to form a charter school. Sections 21 and 36 of this bill authorize a charter management organization to request a waiver of requirements concerning the composition of a governing body. Section 22 revises the manner in which a sponsor is authorized to solicit and review applications to form a charter school.

Existing law authorizes the sponsor of a charter school to amend a written charter or charter contract upon the request of the governing body of a charter school. (NRS 386.527) Sections 4 and 53 of this bill require the sponsor of a charter school to hold a public hearing concerning requests to amend a written charter or charter contract to: (1) expand the grade levels served by the charter school; (2) significantly increase or decrease enrollment; (3) acquire additional facilities to expand the enrollment of the charter school; or (4) consolidate the operations of multiple charter schools. Such an amendment may not be made unless approved by the governing board of the sponsor. Sections 5 and 54 of this bill prescribe the circumstances under which the operations of multiple charter schools can be consolidated.

For any charter school approved before June 11, 2013, existing law requires the sponsor of the charter school to grant a written charter to the governing body. For any charter school approved on or after that date, existing law requires the sponsor to enter into a charter contract with the governing body. Because all written charters and charter contracts must be for terms of 6 years, all written charters will expire by June 11, 2019. (NRS 386.527) Sections 23 and 24 of this bill authorize a sponsor to require, as a condition of granting a request for an amendment, the replacement of a written charter with a charter contract for the period during which written charters may still be effective.

Existing law requires each charter contract to include a performance framework for the charter school. (NRS 386.528) Section 25 of this bill: (1) requires each sponsor to adopt a performance framework and incorporate it in the charter contract; [and] (2) allows a sponsor to aggregate and disaggregate data for reporting and accountability purposes; and (3) authorizes the State Board of Education to adopt regulations requiring a
sponsor to aggregate or disaggregate data. Section 26 of this bill revises the contents of an annual report submitted by a sponsor to a governing body.

Existing law authorizes a sponsor to revoke a written charter or terminate a charter contract under certain conditions and requires a sponsor to take such action if the charter school demonstrates persistent underachievement. (NRS 386.535, 386.5351) Sections 5 and 27-29 of this bill: (1) authorize a sponsor to reconstitute the governing body of a charter school in such situations; and (2) revise the conditions under which such action is authorized or required. Sections 6, 30 and 31 of this bill authorize the sponsor of a charter school whose written charter has been revoked or whose charter contract has been terminated to recruit a governing body of another charter school to replace the closed charter school with another campus of the other charter school. Sections 6 and 55 of this bill require a pupil who attended a charter school whose written charter has been revoked or whose charter contract has been terminated to be given priority in admission to the replacement charter school under such circumstances. Sections 6 and 56 provide that: (1) if the governing body of a charter school is reconstituted, the new governing body may terminate the employment of any employees of the charter school; and (2) if a written charter is revoked or a charter contract is terminated and a charter school is replaced, the governing body of the replacement charter school is not required to employ any employee of the previous charter school. Sections 52 and 53 of this bill exclude the rights of a governing body to terminate the employment of or refuse to reemploy employees at such schools from the scope of collective bargaining.

Sections 34 and 39 of this bill revise requirements concerning services, including transportation, provided by the board of trustees of a school district to pupils at a charter school.

Existing law: (1) prohibits a person who has been convicted of a felony relating to serving on the governing body of a charter school or any offense involving moral turpitude from serving on the governing body of a charter school; and (2) requires a member of a governing body to read and understand certain materials. (NRS 386.549) Section 37 of this bill requires a newly appointed member of a governing body to undergo a criminal background check and prohibits a person who has been convicted of a felony or an offense involving moral turpitude from serving as a member of a governing body. Sections 36 and 37 of this bill require a member of a governing body to receive training under certain circumstances.

Sections 40 and 41 of this bill prohibit a contract between a governing body and a person who assists with the operation, management and provision of educational services at a charter school from containing certain provisions. Section 45 of this bill authorizes a charter school to use higher standards for graduation than those required by the State or a school district in which the charter school is located. Section 46 of this bill requires a charter school to
notify the parent of a pupil who is under the age of 18 years before the pupil is suspended or expelled. Section 47 of this bill requires every teacher at a charter school, except for a vocational charter school, to possess certain qualifications, and section 51 of this bill makes a conforming change. Section 48 of this bill requires the Commission on Educational Technology to consider plans adopted by charter schools for the use of educational technology when establishing the plan for the use of educational technology in the public schools of this State. Sections 49 and 50 of this bill authorize a charter school to receive money from the Trust Fund for Educational Technology.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 386 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 8, inclusive, of this act.

Sec. 2. "Charter management organization" means (a):
   (a) A nonprofit organization that holds a written charter, charter contract or other equivalent agreement to operate more than one charter school in this State or another state;
   (b) A nonprofit organization incorporated in this State for the purpose of operating a charter school in cooperation with a charter management organization that holds a written charter, charter contract or other equivalent agreement to operate more than one charter school in another state.

Sec. 3. "Educational management organization" means a for-profit corporation, business, organization or other entity that provides services relating to the operation and management of charter schools and achievement charter schools.

Sec. 4. 1. The State Public Charter School Authority, the board of trustees of the school district or a college or university within the Nevada System of Higher Education, as applicable, which sponsors a charter school may hold a public hearing concerning any request to amend a written charter or a charter contract of the charter school it sponsors, including, without limitation, a request to amend a written charter or charter contract for the purpose of:
   (a) Expanding the charter school to offer instruction in grade levels for which the charter school does not already offer instruction.
   (b) Increasing the total enrollment of a charter school or the enrollment of pupils in a particular grade level in the charter school for a school year to more than 120 percent of the enrollment prescribed in the written charter or charter contract for that school year.
   (c) Reducing the total enrollment of a charter school or the enrollment of pupils in a particular grade level in the charter school for a school year to
less than 80 percent of the enrollment prescribed in the written charter or charter contract for that school year.

(d) [Acquiring] Seeking to acquire an additional facility in any county of this State to expand the enrollment of the charter school.

(e) Consolidating the operations of multiple charter schools pursuant to section 5 of this act.

(f) Any other type of amendment for which a public hearing is required by regulation of the State Board.

2. A written charter or charter contract may not be amended in any manner described in subsection 1 unless the amendment is approved by the State Public Charter School Authority, the board of trustees of the school district or a college or university within the Nevada System of Higher Education, as applicable.

3. The State Public Charter School Authority, the board of trustees of the school district or a college or university within the Nevada System of Higher Education, as applicable, must deny a request to amend a written charter or charter contract in the manner described in paragraphs (d) or (e) of subsection 1 if the State Public Charter School Authority, the board of trustees or a college or university within the Nevada System of Higher Education, as applicable, determines that:

(a) The charter school is not meeting the requirements of the performance framework concerning academics, finances or operation established pursuant to NRS 386.528; or

(b) The governing body does not have a comprehensive and feasible plan to operate additional facilities.

Sec. 5. The sponsor of a charter school may approve an amendment to a written charter or a charter contract to consolidate the operations of two or more charter schools if:

1. The sponsor of a charter school for which a written charter has been revoked or a charter contract has been terminated has approved a request by the governing body of the charter school requesting the amendment to negotiate with the owner, mortgagor or lienholder of the facilities in which the charter school has been operated for the purpose of operating an additional campus of the other charter school pursuant to section 6 of this act. If charter schools are consolidated under such conditions, the prior academic, operational and fiscal performance of the charter school whose written charter has been revoked or whose charter contract has been terminated will not be attributed to the consolidated charter school.

2. Two or more governing bodies submit a request for an amendment to consolidate their charter contracts, governing bodies and operations to form a single charter school operating one or more campuses under a new charter contract. If charter schools are consolidated under such conditions:

(a) The new charter contract will be in effect for the duration of the term of the written charter or charter contract which was closest to its date of expiration before consolidation; and
(b) The academic, operational and fiscal performances of all charter schools that have been consolidated will be attributed to the consolidated charter school.

Sec. 6. 1. If the sponsor of a charter school reconstitutes the governing body of a charter school pursuant to NRS 386.535 or 386.5351, the sponsor must appoint new members to the governing body who meet the qualifications for membership set forth in NRS 386.549. The sponsor shall not reappoint more than 40 percent of the members of the previous governing body. Before appointing new members to the governing body, the sponsor must consider:

(a) Input from members of the community in which the charter school is located and parents of pupils who attend the charter school.

(b) Any relevant credentials, experience or other qualifications of a potential member, including, without limitation, whether the potential member resides in the geographic area served by the charter school or has experience in education.

2. If the sponsor of a charter school revokes a written charter or terminates a charter contract pursuant to 386.535 or 386.5351, the sponsor may:

(a) Petition the district court to appoint a receiver, to be paid from the funds of the charter school, to oversee and manage the charter school until other arrangements are made for pupils who attend the school.

(b) Issue a request for proposals inviting the governing body of another charter school to negotiate with the owner, mortgagor or lienholder of the facilities in which the charter school operated for the purpose of operating an additional campus of the other charter school under the sponsorship of either the sponsor of the charter school for which the written charter has been revoked or the charter contract has been terminated or the sponsor of the charter school that intends to operate an additional campus. If the governing body proposes to operate an additional campus of the other charter school under the sponsorship of:

(1) The sponsor of the charter school for which the written charter has been revoked or the charter contract has been terminated and the sponsor is not the sponsor of the charter school currently operated by the governing body, the governing body must, before the additional campus begins operating, also submit to the sponsor of the charter school for which the written charter has been revoked or the charter contract has been terminated and receive approval for an application to form a charter school pursuant to NRS 386.520.

(2) The sponsor of the charter school currently operated by the governing body, the governing body must, before the additional campus begins operating, also submit a request for and receive approval of an amendment to its written charter or charter contract to consolidate charter schools pursuant to NRS 386.527 and sections 4 and 5 of this act.
3. Before selecting a governing body to operate another campus of an existing charter school to replace a charter school whose written charter has been revoked or whose charter contract has been terminated pursuant to subsection 2, the sponsor must consider:
   (a) The performance record of the charter school in this State and other states;
   (b) The plan of the governing body for improving pupil achievement and school performance;
   (c) The suitability of the proposed academic program for pupils who were enrolled in the charter school before the revocation of the written charter or the termination of the charter contract; and
   (d) Input from members of the community in which the charter school is located and parents who were enrolled in the charter school before the revocation of the written charter or the termination of the charter contract, including, without limitation, the input described in subsection 4.

4. A sponsor that solicits proposals to operate an additional campus of an existing charter school shall allow parents of pupils who were enrolled in the charter school before the revocation of the written charter or the termination of the charter contract to interview governing bodies who submit proposals and, if three or more proposals are submitted pursuant to paragraph (b) of subsection 2, cast an advisory vote for the governing body they would prefer be given the opportunity to operate the campus.

5. If a governing body is selected pursuant to this section to operate another campus of an existing charter school to replace a charter school whose written charter has been revoked or whose charter contract has been terminated and any necessary amendments or applications are approved, the charter school must enroll pupils who were enrolled in the charter school whose written charter was revoked or whose charter contract was terminated before enrolling other pupils.

6. If the sponsor of a charter school reconstitutes the governing body of a charter school, the principal of the charter school shall:
   (a) Review each employee of the charter school to determine whether to retain the employee based on the needs of the school and the ability of the employee to improve pupil achievement and school performance at the charter school. The new governing body may terminate the employment of any teachers or other employees of the charter school or, if possible, may reassign teachers or other employees to another school.
   (b) Collaborate with the new governing body in making hiring determinations for the charter school.

7. If the sponsor of a charter school selects a governing body to operate another campus of an existing charter school to replace a charter school whose written charter has been revoked or whose charter contract has been terminated, the new governing body is not required to offer employment to any teacher or other employee of the charter school whose written charter has been revoked or whose charter contract has been terminated.
Sec. 7. 1. Within 10 days after being appointed to the governing body of a charter school, each member of a governing body, except a licensed teacher or other person licensed by the Superintendent of Public Instruction, must, as a condition to membership, submit to the governing body a complete set of the member's fingerprints and written permission authorizing the governing body to forward the fingerprints to the Central Repository for Nevada Records of Criminal History for its report on the criminal history of the applicant and for submission to the Federal Bureau of Investigation for its report on the criminal history of the member.

2. If the reports on the criminal history of the member indicate that the member has not been convicted of a felony or an offense involving moral turpitude, the member may continue to serve on the governing body.

3. If a report on the criminal history of a member indicates that the member has been convicted of a felony or an offense involving moral turpitude, the governing body of the charter school shall, upon the written authorization of the member, forward a copy of the report to the sponsor of the charter school. If the member refuses to provide his or her written authorization to forward a copy of the report pursuant to this subsection, the governing body must remove the member. The member shall not vote on any matter before the governing body until the sponsor has made a determination whether the member may continue to serve on the governing body pursuant to subsection 5.

4. The sponsor of the charter school shall promptly review the report to determine whether the conviction of the member is related or unrelated to membership on the governing body of a charter school. To remain a member of the governing body of the charter school, the member shall, upon the request of the sponsor, provide any further information that the sponsor determines is necessary to make the determination. If the governing body of the charter school desires the service of the member on the governing body, the governing body shall, upon the request of the sponsor, provide any further information that the sponsor determines is necessary to make the determination. The sponsor shall provide written notice of the determination to the member and to the governing body of the charter school.

5. If the sponsor determines that the conviction of the member is related to membership on the governing body of the charter school, the governing body of the charter school must remove the member. If the sponsor determines that the conviction of the member is not related to membership on the governing body of the charter school, the member may continue to serve on the governing body.

Sec. 8. 1. In a county in which more than five charter schools are located and the total number of pupils enrolled in the charter schools exceeds 25 percent of the combined enrollment of all public schools, including, without limitation, charter schools, the Department shall, in consultation with all sponsors of charter schools in the county, determine
whether holding a weighted lottery for admission to charter schools would improve diversity in charter schools that do not have a preference for at-risk pupils. If the Department determines that a weighted lottery for admission to charter schools would improve diversity in such charter schools, the Department shall, to the extent authorized by federal law, adopt regulations authorizing charter schools to establish a weighted lottery.

2. In a county in which more than ten charter schools are located and the total number of pupils enrolled in charter schools exceeds 50 percent of the combined enrollment of all public schools, including, without limitation, charter schools, the Department shall, in consultation with all sponsors of charter schools in the county:

   (a) Adopt regulations establishing a uniform enrollment calendar and process for enrolling pupils applicable to all charter schools in the county. The regulations must establish a lottery for admission to each charter school in the county. If a charter school does not have a preference for at-risk pupils, the lottery must, to the extent authorized by federal law, be a weighted lottery.

   (b) Allow the board of trustees of the school district to provide input regarding the enrollment calendar, processes for enrolling pupils and lotteries established pursuant to paragraph (a).

3. As used in this section, “weighted lottery” means a lottery that gives additional weight to pupils who are identified as being part of a specified group of pupils. The term does not include the reservation of seats in the charter school for specified pupils or groups of pupils.

A majority of the members of the governing body must reside in this State. If the membership of the governing body changes, the governing body shall provide written notice to the sponsor of the charter school within 10 working days after such change.

3. A person may serve on the governing body only if the person submits an affidavit to the sponsor of the charter school indicating that the person:
   (a) Has not been convicted of a felony relating to serving on the governing body of a charter school or any offense involving moral turpitude.
   (b) Has received training or read and understands material concerning the roles and responsibilities of members of governing bodies of charter schools and other training and material designed to assist the governing bodies of charter schools, if such training and material is provided to the person by the sponsor or an application to form a charter school or amend [a written charter or] charter contract provided that the member would receive such training or read and understand such material.
   (c) Complies with the requirements of section 7 of this act.
4. The governing body of a charter school is a public body. It is hereby
given such reasonable and necessary powers, not conflicting with the
Constitution and the laws of the State of Nevada, as may be requisite to attain
the ends for which the charter school is established and to promote the
welfare of pupils who are enrolled in the charter school.

5. The governing body of a charter school shall, during each calendar
quarter, hold at least one regularly scheduled public meeting in the county in
which a facility operated by the charter school where pupils receive
instruction is located. Upon an affirmative vote of a majority of the
membership of the governing body, each member is entitled to receive a

civil rights.
(b) Remain nonsectarian, including, without limitation, in its educational

schools located in the same school district as the charter school is located.
The governing body of a charter school may submit a written request to the
Superintendent of Public Instruction for a waiver from providing the days of
instruction required by this paragraph. The Superintendent of Public
Instruction may grant such a request if the governing body demonstrates to
the satisfaction of the Superintendent that:
(1) Extenuating circumstances exist to justify the waiver; and
(2) The charter school will provide at least as many hours or minutes of
instruction as would be provided under a program consisting of 180 days.
(g) Cooperate with the board of trustees of the school district in the administration of the examinations administered pursuant to NRS 389.550 and, if the charter school enrolls pupils at a high school grade level, the end-of-course examinations administered pursuant to NRS 389.805 and the college and career readiness assessment administered pursuant to NRS 389.807 to the pupils who are enrolled in the charter school.

This paragraph does not preclude a charter school from offering, or requiring the pupils who are enrolled in the charter school to take, other courses of study that are required by statute or regulation.

(j) If the parent or legal guardian of a child submits an application to enroll in kindergarten, first grade or second grade at the charter school, comply with NRS 392.040 regarding the ages for enrollment in those grades.

(k) Refrain from using public money to purchase real property or buildings without the approval of the sponsor.

(l) Hold harmless, indemnify and defend the sponsor of the charter school against any claim or liability arising from an act or omission by the governing body of the charter school or an employee or officer of the charter school. An action at law may not be maintained against the sponsor of a charter school for any cause of action for which the charter school has obtained liability insurance.

(m) Provide written notice to the parents or legal guardians of pupils in grades 9 to 12, inclusive, who are enrolled in the charter school of whether the charter school is accredited by the Commission on Schools of the Northwest Association of Schools and Colleges and Universities.

(n) Adopt a final budget in accordance with the regulations adopted by the Department. A charter school is not required to adopt a final budget pursuant to NRS 354.598 or otherwise comply with the provisions of chapter 354 of NRS.

(o) If the charter school provides a program of distance education pursuant to NRS 388.820 to 388.874, inclusive, comply with all statutes and regulations that are applicable to a program of distance education for purposes of the operation of the program.

2. A charter school shall not provide instruction through a program of distance education to children who are exempt from compulsory attendance authorized by the State Board pursuant to subsection 1 of NRS 392.070. As used in this subsection, “distance education” has the meaning ascribed to it in NRS 388.826.
Sec. 39. NRS 386.560 is hereby amended to read as follows:

386.560 1. The governing body of a charter school may contract with the board of trustees of the school district in which the charter school is located or in which a pupil enrolled in the charter school resides or with the Nevada System of Higher Education for the provision of facilities to operate the charter school or to perform any service relating to the operation of the charter school, including, without limitation, transportation, the provision of health services for the pupils who are enrolled in the charter school and the provision of school police officers. If the board of trustees of a school district or a college or university within the Nevada System of Higher Education is the sponsor of the charter school, the governing body and the sponsor must enter into a service agreement pursuant to NRS 386.561 before the provision of such services. If the board of trustees of a school district provides services to a charter school pursuant to this section, it shall not charge more than its cost for providing such services determined on a cost per pupil basis.

2. A charter school may use any public facility located within the school district in which the charter school is located. A charter school may use school buildings owned by the school district only upon approval of the board of trustees of the school district and during times that are not regular school hours.

3. The board of trustees of a school district may donate surplus personal property of the school district to a charter school that is located within the school district.

4. A charter school may:
   (a) Acquire by construction, purchase, devise, gift, exchange or lease, or any combination of those methods, and construct, reconstruct, improve, maintain, equip and furnish any building, structure or property to be used for any of its educational purposes and the related appurtenances, easements, rights-of-way, improvements, paving, utilities, landscaping, parking facilities and lands;
   (b) Mortgage, pledge or otherwise encumber all or any part of its property or assets;
   (c) Borrow money and otherwise incur indebtedness; and
   (d) Use public money to purchase real property or buildings with the approval of the sponsor.

5. Except as otherwise provided in this subsection, upon the request of a parent or legal guardian of a pupil who is enrolled in a charter school, the board of trustees of the school district in which the pupil resides shall authorize the pupil to participate in a class that is not available to the pupil at the charter school or participate in an extracurricular activity, excluding sports, at a public school within the school district if:
   (a) Space for the pupil in the class or extracurricular activity is available; and
(b) The parent or legal guardian demonstrates to the satisfaction of the board of trustees that the pupil is qualified to participate in the class or extracurricular activity.

If the board of trustees of a school district authorizes a pupil to participate in a class or extracurricular activity, excluding sports, pursuant to this subsection, the board of trustees is not required to provide transportation for the pupil to attend the class or activity. The provisions of this subsection do not apply to a pupil who is enrolled in a charter school and who desires to participate on a part-time basis in a program of distance education provided by the board of trustees of a school district pursuant to NRS 388.820 to 388.874, inclusive. Such a pupil must comply with NRS 388.858.

6. Upon the request of a parent or legal guardian of a pupil who is enrolled in a charter school, the board of trustees of the school district in which the pupil resides shall authorize the pupil to participate in sports at the public school that he or she would otherwise be required to attend within the school district, or upon approval of the board of trustees, any public school within the same zone of attendance as the charter school if:
   (a) Space is available for the pupil to participate; and
   (b) The parent or legal guardian demonstrates to the satisfaction of the board of trustees that the pupil is qualified to participate.

If the board of trustees of a school district authorizes a pupil to participate in sports pursuant to this subsection, the board of trustees is not required to provide transportation for the pupil to participate unless there is space available on the transportation provided by the board of trustees and the parent of the pupil or the charter school makes arrangements for the pupil to be at a designated place to be picked up at a designated time.

7. The board of trustees of a school district may revoke its approval for a pupil to participate in a class, extracurricular activity or sports at a public school pursuant to subsections 5 and 6 if the board of trustees or the public school determines that the pupil has failed to comply with applicable statutes, or applicable rules and regulations of the board of trustees, the public school or the Nevada Interscholastic Activities Association. If the board of trustees so revokes its approval, neither the board of trustees nor the public school is liable for any damages relating to the denial of services to the pupil.

Sec. 40. NRS 386.562 is hereby amended to read as follows:

386.562 1. A contract or a proposed contract between a charter school or a proposed charter school and a contractor or an educational management organization must not:

386.577 1. After deducting the costs directly related to administering the Account for Charter Schools, the State Public Charter School Authority may use the money in the Account for Charter Schools, including repayments of principal and interest on loans made from the Account, and interest and income earned on money in the Account, only to make loans at or below market rate to charter schools for the costs identified in the loan application for use:
   (a) In preparing a charter school to commence its first year of operation;
   (b) To improve a charter school that has been in operation;
   (c) To fund recruitment of teachers and pupils to new charter school facilities and enrollment of pupils in such facilities.

2. The total amount of a loan that may be made to a charter school pursuant to subsection 1 must not exceed the lesser of an amount equal to $500 per pupil enrolled or to be enrolled at the charter school or $200,000.

Sec. 43. NRS 386.578 is hereby amended to read as follows:

386.578 1. If the governing body of a charter school has a written charter issued or a charter contract executed pursuant to NRS 386.527, the governing body may submit an application to the State Public Charter School Authority for a loan from the Account for Charter Schools. An application must include a written description of the manner in which the loan will be used to prepare the charter school for its first year of operation or to improve a charter school that has been in operation.

2. The State Public Charter School Authority shall, within the limits of money available for use in the Account, make loans to charter schools whose applications have been approved. If the State Public Charter School Authority makes a loan from the Account, the State Public Charter School Authority shall ensure that the contract for the loan includes all terms and conditions for repayment of the loan.
3. The State [Board: Public Charter School Authority:]
   (a) Shall adopt regulations that prescribe the:
      (1) Annual deadline for submission of an application to the State Public Charter School Authority by a charter school that desires to receive a loan from the Account; and

   (b) May adopt such other regulations as it deems necessary to carry out the provisions of this section and NRS 386.576 and 386.577.

Sec. 44. NRS 386.580 is hereby amended to read as follows:

386.580 1. An application for enrollment in a charter school may be submitted to the governing body of the charter school by the parent or legal guardian of any child who resides in this State. Except as otherwise provided in this subsection and section 6 of this act, a charter school shall enroll pupils who are eligible for enrollment in the order in which the applications are received. If the board of trustees of the school district in which the charter school is located has established zones of attendance pursuant to NRS 388.040, the charter school shall, if practicable, ensure that the racial composition of pupils enrolled in the charter school does not differ by more than 10 percent from the racial composition of pupils who attend public schools in the zone in which the charter school is located. If a charter school is sponsored by the board of trustees of a school district located in a county whose population is 100,000 or more, except for a program of distance education provided by the charter school, the charter school shall enroll pupils who are eligible for enrollment who reside in the school district in which the charter school is located before enrolling pupils who reside outside the school district. Except as otherwise provided in subsection 2, if more pupils who are eligible for enrollment apply for enrollment in the charter school than the number of spaces which are available, the charter school shall determine which applicants to enroll pursuant to this subsection on the basis of a lottery system.

2. Before a charter school enrolls pupils who are eligible for enrollment, a charter school may enroll a child who:
   (a) Is a sibling of a pupil who is currently enrolled in the charter school;
   (b) Was enrolled, free of charge and on the basis of a lottery system, in a prekindergarten program at the charter school or any other early childhood educational program affiliated with the charter school;
   (c) Is a child of a person who is:
      (1) Employed by the charter school;
      (2) A member of the committee to form the charter school; or
      (3) A member of the governing body of the charter school;
(d) Is in a particular category of at-risk pupils and the child meets the eligibility for enrollment prescribed by the charter school for that particular category; or
(e) Resides within the school district and within 2 miles of the charter school if the charter school is located in an area that the sponsor of the charter school determines includes a high percentage of children who are at risk. If space is available after the charter school enrolls pupils pursuant to this paragraph, the charter school may enroll children who reside outside the school district but within 2 miles of the charter school if the charter school is located within an area that the sponsor determines includes a high percentage of children who are at risk.

If more pupils described in this subsection who are eligible apply for enrollment than the number of spaces available, the charter school shall determine which applicants to enroll pursuant to this subsection on the basis of a lottery system.

3. Except as otherwise provided in subsection 8, a charter school shall not accept applications for enrollment in the charter school or otherwise discriminate based on the:
   (a) Race;
   (b) Gender;
   (c) Religion;
   (d) Ethnicity; or
   (e) Disability,

of a pupil.

4. If the governing body of a charter school determines that the charter school is unable to provide an appropriate special education program and related services for a particular disability of a pupil who is enrolled in the charter school, the governing body may request that the board of trustees of the school district of the county in which the pupil resides transfer that pupil to an appropriate school.

5. Except as otherwise provided in this subsection, upon the request of a parent or legal guardian of a child who is enrolled in a public school of a school district or a private school, or a parent or legal guardian of a homeschooled child, the governing body of the charter school shall authorize the child to participate in a class that is not otherwise available to the child at his or her school or homeschool or participate in an extracurricular activity at the charter school if:
   (a) Space for the child in the class or extracurricular activity is available;
   (b) The parent or legal guardian demonstrates to the satisfaction of the governing body that the child is qualified to participate in the class or extracurricular activity; and
   (c) The child is a homeschooled child and a notice of intent of a homeschooled child to participate in programs and activities is filed for the
child with the school district in which the child resides for the current school year pursuant to NRS 392.705.

If the governing body of a charter school authorizes a child to participate in a class or extracurricular activity pursuant to this subsection, the governing body is not required to provide transportation for the child to attend the class or activity. A charter school shall not authorize such a child to participate in a class or activity through a program of distance education provided by the charter school pursuant to NRS 388.820 to 388.874, inclusive.

6. The governing body of a charter school may revoke its approval for a child to participate in a class or extracurricular activity at a charter school pursuant to subsection 5 if the governing body determines that the child has failed to comply with applicable statutes, or applicable rules and regulations. If the governing body so revokes its approval, neither the governing body nor the charter school is liable for any damages relating to the denial of services to the child.

7. The governing body of a charter school may, before authorizing a homeschooled child to participate in a class or extracurricular activity pursuant to subsection 5, require proof of the identity of the child, including, without limitation, the birth certificate of the child or other documentation sufficient to establish the identity of the child.

8. This section does not preclude the formation of a charter school that is dedicated to provide educational services exclusively to pupils:
   (a) With disabilities;
   (b) Who pose such severe disciplinary problems that they warrant a specific educational program, including, without limitation, a charter school specifically designed to serve a single gender that emphasizes personal responsibility and rehabilitation; or
   (c) Who are at risk.

If more eligible pupils apply for enrollment in such a charter school than the number of spaces which are available, the charter school shall determine which applicants to enroll pursuant to this subsection on the basis of a lottery system.

Sec. 45. NRS 386.584 is hereby amended to read as follows:

1. If a charter school provides instruction to pupils enrolled in a high school grade level and the charter school requires those pupils to satisfy requirements for graduation from high school that are less than the requirements imposed by the school district in which the charter school is located, the charter school shall not issue a high school diploma of the school district but may issue a high school diploma which clearly indicates that it is a diploma issued by a charter school. If a charter school requires its pupils to satisfy requirements for graduation from high school that meet or exceed the requirements of the school district in which the charter school is located, the charter school may issue a high school diploma of the school district or a high school diploma of the charter school.
2. A charter school shall submit the form for a diploma of the charter school to the Department for approval if the form differs from the form of the school district in which the charter school is located.

3. The provisions of this section do not authorize:

   (a) Authorize a charter school to impose requirements for graduation from high school that are less than the requirements of the applicable state statutes and regulations.

   (b) Require a charter school that imposes requirements for graduation from high school that are more stringent than the requirements of applicable state statutes and regulations and more stringent than the requirements of the school district in which the charter school is located to issue a high school diploma to a pupil who has not met the requirements for graduation from the charter school even if the pupil has met the requirements of applicable state statutes and regulations or the requirements of the school district in which the charter school is located.

Sec. 46. NRS 386.585 is hereby amended to read as follows:

386.585 1. A governing body of a charter school shall adopt:

   (a) Written rules of behavior required of and prohibited for pupils attending the charter school; and

   (b) Appropriate punishments for violations of the rules.

2. Except as otherwise provided in subsection 3, if suspension or expulsion of a pupil is used as a punishment for a violation of the rules, the charter school shall ensure that, before the suspension or expulsion, the pupil and, if the pupil is under 18 years of age, the parent or guardian of the pupil, has been given notice of the charges against him or her, an explanation of the evidence and an opportunity for a hearing. The provisions of chapter 241 of NRS do not apply to any hearing conducted pursuant to this section. Such a hearing must be closed to the public.

3. A pupil who poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process or who is selling or distributing any controlled substance or who is found to be in possession of a dangerous weapon as provided in NRS 392.466 may be removed from the charter school immediately upon being given an explanation of the reasons for his or her removal and pending proceedings, which must be conducted as soon as practicable after removal, for suspension or expulsion of the pupil.

4. A pupil who is enrolled in a charter school and participating in a program of special education pursuant to NRS 388.520, other than a pupil who is gifted and talented or who receives early intervening services, may, in accordance with the procedural policy adopted by the governing body of the charter school for such matters, be:

   (a) Suspended from the charter school pursuant to this section for not more than 10 days.
(b) Suspended from the charter school for more than 10 days or permanently expelled from school pursuant to this section only after the governing body has reviewed the circumstances and determined that the action is in compliance with the Individuals with Disabilities Education Act, 20 U.S.C. 1400 et seq.

5. A copy of the rules of behavior, prescribed punishments and procedures to be followed in imposing punishments must be:
   (a) Distributed to each pupil at the beginning of the school year and to each new pupil who enters school during the year.
   (b) Available for public inspection at the charter school.

6. The governing body of a charter school may adopt rules relating to the truancy of pupils who are enrolled in the charter school if the rules are at least as restrictive as the provisions governing truancy set forth in NRS 392.130 to 392.220, inclusive. If a governing body adopts rules governing truancy, it shall include the rules in the written rules adopted by the governing body pursuant to subsection 1.

Sec. 47. NRS 386.590 is hereby amended to read as follows:

Senate Bill No. 247.
Bill read third time.

Remarks by Senator Hardy.

Senate Bill No. 247 provides for the deposit of certain application fees collected by the Department of Health and Human Services from persons who apply for approval of certain projects and services to be used to administer the State administrative program relating to health planning and development. The fees revert to the State General Fund if the money received from the fees collected is not spent within two fiscal years after the fees were originally paid. The measure deletes the restriction against spending more than $2 million or an amount specified by the Department for new construction by or on behalf of a health facility in counties whose population is less than 100,000 and prohibits any such expenditure, without the approval of the Director, for new construction by or on behalf of a health facility unless the construction will occur in an incorporated city or unincorporated town whose population is 60,000 or more (currently the Cities of Henderson, Las Vegas, North Las Vegas, Reno, and Sparks) or meets one of the other currently listed exceptions. The bill also deletes the exception from this requirement for the construction of a hospital in certain large unincorporated towns that do not have a hospital. Finally, the measure requires the Director to consider certain criteria when deciding whether to approve a project. The measure is effective on July 1, 2015.
Senate Bill No. 247 having received a constitutional majority, Mr. President declared it passed, as amended.

Senate Bill No. 248.
Bill read third time.
Remarks by Senator Hardy.

Senate Bill No. 248 revises provisions regarding assistance in casting a ballot to a person with a disability or a person with an inability to read or write English. Specifically, the measure provides that such a person is entitled to assistance in casting a ballot if the need for such assistance is apparent or known to the election board and that the person may request assistance in voting in any manner.

In addition, the measure removes the discretion for an election board to require a person with a disability or an inability to read or write English to sign a statement under penalty of perjury swearing that he or she requires assistance in casting a ballot. The measure also eliminates the requirement that a person with a disability furnish a statement from a physician certifying that the individual is a person with a physical disability as a prerequisite to the person receiving an absent ballot. The measure is effective upon passage and approval.

Remarks by Senators Woodhouse and Lipparelli.

SENATOR WOODHOUSE:

Senate Bill 257 requires each person who is employed in a child care facility, other than a facility that provides care for ill children, to complete 24 hours of training annually. The bill also requires at least 12 hours of that training to be devoted to the care, education, and safety of children that is: specific to the age group served by the child care facility for which the person is employed; and approved by the State Board of Health by regulation. The measure further requires each person who is employed in a child care facility to complete an additional three hours of training in the recognition and reporting of child abuse and neglect.

A licensee of a child care facility is required to ensure that an employee of the child care facility is in the presence of an independent contractor retained by the child care facility during any period in which the independent contractor is performing any services at the child care facility when a child is present. The bill requires the Division of Public and Behavioral Health to conduct a background investigation of certain employees: not later than three days after the employee is hired and before the employee has any direct contact with any child at the child care facility; and every two rather than five years after the initial investigation. I would like to add that regarding the independent contractor, we are looking at these individuals as being ones that
the child care facility is bringing in to the facility to provide something special for the students such as an art or music program. The measure is effective upon passage and approval for the purposes of adopting regulations and performing any other preparatory tasks, and January 1, 2016, for all other purposes.

SENATOR LIPPARELLI:
As it relates to this bill, when we are talking about independent contractors, we mean both those that are brought in for training purposes and those the child care center may engage for the purpose of caring for the children themselves is that correct? I think we mean both. The Senator and I have had that conversation and I just want to make sure it is clear on the record.

SENATOR WOODHOUSE:
Yes, that is correct.

Senate Bill No. 285.
Bill read third time.
Remarks by Senator Parks.
Senate Bill No. 285 revises provisions relating to the powers and duties of constables and deputy constables. The bill allows the process, writs, or warrants of courts of justice, judicial officers, and coroners to be delivered directly to a constable who then must execute the orders. Certain fees to which constables are entitled for their services are increased, and a board of county commissioners is authorized to provide by ordinance for the fee to which a constable is entitled for providing a service authorized by law for which no fee is established by statute. A constable is authorized to accept payment of fees by credit card, debit card, or the electronic transfer of money and to charge and collect a convenience fee for the acceptance of such forms of payment under certain circumstances. A board of county commissioners is authorized to appoint a reasonable number of clerks for the constable of a township and to set their salaries.

The bill exempts from the licensure requirements in State law, relevant to intoxicating liquors, a sheriff or constable who sells or offers for sale liquor at a sale under execution and further allows a person licensed under State law to purchase liquor at such a sale under execution. This measure is effective upon passage and approval.

Senate Bill No. 286.
Bill read third time.
Remarks by Senator Settelmeyer.
Senate Bill No. 286 revises various provisions governing funeral and cemetery services. The measure authorizes the Nevada Funeral and Cemetery Services Board to issue permits for
the operation of direct cremation facilities and licenses to persons to engage in the business as a
funeral arranger. The bill establishes a two-year duration for most licenses and permits issued
by the Board and a continuing education requirement for licensed funeral directors and
embalmers. In addition, a person who holds a license, permit, or certificate issued by the Board
must comply with the requirements of the federal Occupational Safety and Health
Administration. An applicant for a funeral director’s license, who applies after January 1, 2016,
must have at least one year of active practice as a funeral arranger.

The measure revises the priority of persons who are authorized to order the burial or
cremation of a decedent. A person who is arrested for or charged with murder or voluntary
manslaughter may not act as the person authorized to order the burial or cremation of the
decedent who the person is accused of killing. Further, an operator of a crematory is required to
to ensure that any person operating crematory equipment has completed a crematory certification
program approved by the Board. This bill is effective upon passage and approval for purposes of
adopting regulations and performing any preparatory administrative tasks, and on January 1,

 Senate Bill No. 310.

Remarks by Senator Kieckhefer.
Senate Bill No. 310 extends the life of a tourism improvement district by five years, from
twenty to twenty-five years, if during the first five full fiscal years after the creation of the
district, the amount of the money pledged to the financing of projects in the district and received
by the municipality with respect to the district is equal to zero. The governing body of the municipality may provide financing or reimbursement to such a district from the proceeds of the local school support tax collected from retailers that locate within the district on or after July 1, 2013.

The bill deletes certain language to allow other agreements for reimbursement for tourism improvement projects that are not owned by the municipality or another governmental entity to be binding on the municipality beyond the fiscal year in which it was made. This measure is effective upon passage and approval.

This measure applies to the Tessera Tourism Improvement District located just south of the University of Nevada, Reno (UNR). Testimony indicated more than $28 million from private sources has been invested in this district since 2009, and it is part of an effort to promote general economic development and to reconnect UNR with the City of Reno.

SENATOR HARDY:

Senate Bill No. 373 provides for the licensure of a producer of limited lines travel insurance to allow such a producer to solicit, negotiate, and sell policies of travel insurance. Under the provisions of the bill, a producer of limited lines travel insurance may sell policies of travel insurance through certain travel retailers under certain circumstances. A travel retailer, whose insurance related activities are limited to offering and disseminating travel insurance on behalf of and under the direction of a producer of limited lines travel insurance, is authorized to receive related compensation. A producer of limited lines travel insurance is responsible for the acts of a travel retailer, and both are subject to the disciplinary provisions of Nevada law governing insurance trade practices and fraud.

Senate Bill No. 384 provides for the appointment of guardians for minors or incompetents who are family members or beneficiaries of a trust or estate represented by the family trust company. The measure also provides for the designation of a person to represent and bind a beneficiary of trust administered by a family trust. The bill provides that newly enacted duties of fiduciaries in other titles of Nevada Revised Statutes must not apply to family trust companies, and existing provisions only apply to the extent they are not incompatible with existing law governing family trusts or any terms of the trust. The measure provides for the confidentiality of certain trust documents in a court proceeding to protect their confidentiality. It also provides for a rebuttable presumption of good faith for the actions of certain fiduciaries. A licensed family trust is subject to the supervision of the Commissioner of Financial Institutions. Further, the bill provides that a family trust company enjoys a presumption of good faith in their transactions and dealings and certain transactions by such a company are presumed to not be conflicts of interest. Finally, the measure revises certain reporting requirements for family trust companies. This bill is effective upon passage and approval.

Senate Bill No. 394.
Bill read third time.
Remarks by Senators Hardy and Brower.

SENATOR HARDY:
This is Jill’s Bill as promised. Senate Bill No. 394 requires the Department of Education, in consultation with persons and organizations who possess knowledge and expertise in the personal safety of children, to develop age-appropriate curriculum standards for teaching personal safety to children. The Department must also develop recommendations to assist the school district, or a charter school, to develop and implement various programs related to the personal safety of children. The board of trustees of each school district, and the governing body of each charter school, is required to ensure that instruction on the personal safety of children is carried out as part of a course of study in health and is based on the standards developed by the Department.

The school district, or charter school, is required to determine the appropriate grade levels, course content and materials for such instruction, and the instruction must be provided by: (1) a licensed teacher; (2) an employee of the school district with special knowledge or training in the teaching of personal safety to children; (3) an employee of an agency that has as its primary purpose the teaching of personal safety to children; (4) an employee of a law enforcement agency; or (5) a volunteer of an agency, which has as its primary purpose the teaching of personal safety to children, who has undergone a background investigation and has special training in the teaching of personal safety. The measure also specifies that the parent or guardian of each pupil to whom such instruction will be provided must be notified of such instruction and provided with an opportunity to review the instructional materials to be used and to submit a written request that the pupil be excused from the instruction, unless the course in which the instruction is provided is required for graduation. The bill revises the information required to be included in a report to the Department for the preceding year regarding the personal safety instruction and certain personal safety incidents reported by pupils.
Finally, the measure removes the prohibition on a guardian ad litem receiving compensation and the requirement that a guardian ad litem be a volunteer. This measure is effective upon passage and approval for the purpose of adopting regulations and performing any other preparatory administrative tasks. Provisions requiring the Department to develop age-appropriate curriculum standards concerning the personal safety of children are effective on July 1, 2016, and provisions requiring schools to begin providing instruction in the personal safety of children are effective on July 1, 2020.

SENATOR BROWER:
I rise to commend our colleague from District 12 and everyone else in this effort, including Ms. Tolls who is here today and our fine professionals at the Department of Education’s Division of Child and Family Services. This effort started with the passage of Erin’s Law last session. It is very gratifying to see the effort moving forward. I am sure Erin is out there paying attention to how we are doing here in Nevada with respect to this excellent idea. I again want to thank all of those involved and urge our colleagues support.

Remarks by Senator Roberson.

Senate Bill No. 406 makes various changes to the Public Employees’ Retirement System (PERS), the Judicial Retirement Plan, and the Legislators’ Retirement System, for persons who become members on or after July 1, 2015, unless otherwise noted. Among other things, the bill:

Provides that if a member is convicted of or pleads guilty or nolo contendere to certain felonies arising directly out of his or her duties as an employee, the member forfeits, with limited exceptions, all rights and benefits under the relevant retirement system. Upon such a conviction, the relevant system must return to the member, without interest, all contributions which the member has made and which were credited to the member’s individual account;

Reduces the postretirement increases for retirees to 2.5 percent for the annual increase following the sixth, seventh, and eighth anniversaries; and to the lesser of 3 percent or the increase, if any, in the Consumer Price Index (All Items) for the preceding calendar year starting with the ninth anniversary;

Provides an additional benefit option for the spouse, or survivor beneficiary if the deceased member is unmarried on the date of the member’s death, of a member who is killed in the line of duty, the course of employment, the course of judicial service, or the course of legislative service, as applicable;

Changes the age of eligibility to receive retirement benefits for members, other than police officers or firefighters, to 65 years of age if he or she has at least 5 years of service; to 62 years of age if he or she has at least 10 years of service; to 55 years of age if he or she has at least 30 years of service; and to any age if he or she has at least 33 1/3 years of service;

Excludes any service credit purchased by the member or on behalf of the member from the calculation of the member’s years of service for the purpose of determining the age at which the member may retire with an unreduced benefit, with limited exceptions related to a family medical emergency;

Limits the amount of compensation used to determine a retirement benefit;

Provides that the monthly retirement allowance for each member of PERS, other than a police officer or firefighter, will be determined by multiplying the member’s average compensation by
2.25 percent for every year of service with the member’s eligibility for service credit ceasing at 33 1/3 years of service;  
Requires members of the Judicial Retirement Plan to pay 50 percent of the required contributions to the Plan;  
Provides that the monthly retirement allowance for each member of the Judicial Retirement Plan will be determined by multiplying the member’s average compensation by 3.1591 percent for every year of service;  
Clarifies that the term “spouse” includes a domestic partner for purposes of determining eligibility to receive survivor benefits from a public retirement system; and  
Repeals the June 30, 2015, expiration of certain provisions relating to retired public employees who fill positions for which there are critical labor shortages.

The measure is effective on July 1, 2015, for all purposes except that it is effective upon passage and approval for the purpose of repealing the expiration of certain provisions relating to retired public employees who fill positions for which there are critical labor shortages. Mr. President, this bill is conservatively estimated to save PERS approximately a billion dollars every decade once it is fully implemented.

Senate Joint Resolution No. 21.
Resolution read third time.
Remarks by Senators and Kihuen.

SENATOR DENIS: 
Senate Joint Resolution No. 21 urges Congress to enact comprehensive immigration reform that addresses earned legal residency with a clear path to citizenship, future immigration issues, improved enforcement and border security, and the fiscal impact of immigration on State government. The resolution is effective upon passage.

A similar resolution, Senate Joint Resolution No. 15 (File No. 29, Statutes of Nevada), was approved during the 2013 Legislative Session. We still do not have immigration reform and need to remind those in Washington DC and keep the pressure on so we can fix this important issue for our country.

SENATOR KIHUEN: 
Thank you, Mr. President. Thank you to my colleague from District 2 for reading a statement on this resolution. I rise in support of Senate Joint Resolution 21, urging congress to pass Comprehensive Immigration Reform. As most of you know, I am currently the only legislator serving in this body that is an immigrant. So the issue of immigration is near and dear to my heart. My family is a perfect example of what can happen when you give a hard-working immigrant family an opportunity to succeed in our great country.

It is no secret that our current immigration system is broken. You know it’s broken when people who are doing things the right way have to wait over 20 years for their application to be processed. You know it’s broken when families are being separated every day. You know it’s broken when hundreds of people sacrifice their lives every single day crossing the border illegally rather than go through an onerous and cumbersome immigration process.

But how do we fix it? Through a comprehensive immigration reform aimed at repairing this broken system. A comprehensive immigration reform would help stimulate the economy and create thousands of jobs, keep innocent families together and affording them a shot at the American Dream by offering a fair path to citizenship.
Some of the key elements of the comprehensive immigration reform package currently being negotiated would first make sure that our borders are protected, it would allow undocumented immigrants to come forward and register, pay and application fee and a fine, and—if they pass a criminal background check—earn legal status, and eventually, US citizenship. Applicants would also be required to learn English and pay any back taxes owed. And...they would have to stand in the back of the line.

If Congress were to pass legislation mandating comprehensive immigration reform utilizing the key elements I previously mentioned, the US Gross Domestic Product would increase by at least 0.84%. That amounts to a staggering $1.5 trillion in additional GDP over 10 years.

I would like to share some facts about immigrants in Nevada. Nevada would lose $9.7 billion in economic activity and about 45,533 jobs if all unauthorized immigrants were removed. Latino immigrants in Nevada paid roughly $2.6 billion in federal taxes and $1.6 billion in state and local taxes (including $500 million in sales taxes) in 2005. The money that Latino immigrants “earn and spend in Nevada accounts for about 25% of the State’s Gross State Product,” and Latino immigrant “employment, income and spending results in the creation of 108,380 jobs in Nevada,” according to a 2007 report from the Progressive Leadership Alliance of Nevada.

Latino immigrants comprised about 16% of the state’s entire workforce in 2005, and an even higher share in select industries: 81% of the agricultural workforce, 47% of the construction and mining workforce, and 22% of the entertainment and tourist services workforce, according to a 2007 report from the Progressive Leadership Alliance of Nevada. I urge this body to support this body. Hopefully Congress can get to work and pass immigration reform.

AN ACT relating to elections; providing that a candidate for nonpartisan office who receives a majority of the votes cast in a primary election or certain primary city elections must be declared the winner and not be placed on the ballot at a general election; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law provides that if there are more candidates than twice the number to be elected to a nonpartisan office, other than a city office: (1) the names of the candidates must appear on the ballot for a primary election; and (2) those candidates who receive the highest number of votes at that election, not to exceed twice the number to be elected, must be declared nominees for the office. (NRS 293.260) Section 1 of this bill provides that if one candidate receives a majority of the votes cast in the primary election for the office for which he or she is a candidate, the candidate must be declared elected to the office and his or her name must not be placed on the ballot for the general election.

For primary city elections conducted in certain general law cities, existing law provides that if one candidate receives “more than a majority” of the votes cast in such an election for the office for which he or she is a candidate, the candidate must be declared to be elected to the office and the candidate’s name must not be placed on the ballot for the general city election. (NRS 293C.175) Section 2 of this bill amends the statute to clarify that such a candidate need only receive a majority of the votes cast, not some greater number, to be declared to be elected. Section 3 of this bill makes a similar change to the Charter of Carson City.

For most charter cities that hold primary city elections, existing law provides that if one candidate receives a majority of votes cast in the primary city election for the office for which he or she is a candidate, the candidate must be declared elected to the office and the candidate’s name must not be placed on the ballot for the general city election. (Boulder City Charter § 96, Henderson City Charter § 5.010, Las Vegas City Charter § 5.010, North Las Vegas City Charter § 5.020) (Sections 3, 4 and 6 of this bill amend) amends the [Charters] Charter of Carson City (and the Cities of Reno and Sparks) so that this rule applies to [all charter cities that hold primary city elections] Carson City as well.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 293.260 is hereby amended to read as follows:

   (b) Any nonpartisan office, other than the office of justice of the Supreme Court, office of judge of the Court of Appeals or the office of member of a town advisory board, the names of those candidates must appear on the ballot for a primary election unless the candidates were nominated pursuant to subsection 2 of NRS 293.165. Senator Settelmeyer moved the adoption of the amendment
Remarks by Senators Settelmeyer and Atkinson:

SENATOR SETTELMEYER:
Amendment No. 310 to Senate Bill 5: Deletes Sections 4 through 7 of the bill that proposed to amend the City Charters of Reno and Sparks since they requested to be removed from the bill.

SENATOR ATKINSON:
I am a little confused because I do not remember this section being discussed in the committee. On page 4, lines 2 through 5, it indicates if a candidate receives a majority of the vote cast in a primarily for an office, the candidate must be declared elected to office and his or her name must not be placed on the ballot. I did not think that was discussed. This is also in section 3 paragraph 5, lines 51 through 52. I think this should be corrected or looked into.

SENATOR SETTELMEYER:
Me and the Senator from District 4 had that discussion prior to beginning and this bill came through committee and neither one of us caught this. I tend to agree with you that it is a situation where the person should still have to appear on the ballot in the general election. Just as with us, if no one files against us, if you win your primary with 50.1 percent of the votes, I believe you still have to appear on the general election ballot. I need to clarify this with legal. I will correct this on the other side if I need to. I will check with legal to see if this needs to be further amended.

SENATOR ATKINSON:
I am sure this can be fixed by legal.

SENATOR SETTELMEYER:
I need to see if it follows the replication of our statute to know if this a current rule for us as well.

Senator Settelmeyer moved that Senate Bill No. 5 be taken from the Second Reading File and be placed on the bottom of the Second Reading File, this agenda.
Motion carried.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 452.

SUMMARY — [Makes various changes relating to county hospitals.]
Authorizes the board of hospital trustees of a county hospital to hold a closed meeting under certain circumstances. (BDR 40-475)

AN ACT relating to county hospitals; [providing for the confidentiality of certain records of a county hospital;] authorizing the board of hospital trustees of [such] a county hospital to hold a closed meeting under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
[Under existing law, all public books and public records must be open to inspection unless they are declared by law to be confidential. Sections 3 and 4 of this bill, respectively, define the terms “managed care” and “strategic plan.”] Section 6 of this bill makes a technical correction to the definition of the term “taxpayers” for the purposes of eligibility to sign certain petitions relating to county hospitals without changing the substance of the definition.

Sec. 5. [Except as otherwise provided in NRS 239.0115 and 450.140, the following records of a county hospital are confidential:

1. Any strategic plan of the board of hospital trustees of the county hospital if

(b) The strategic plan is not lawfully in the possession of, and possession of the strategic plan cannot lawfully be obtained by, a person in competition with the county hospital or members of the public generally.]
2. Any contract proposed to be entered into pursuant to a strategic plan described in subsection 1 or a proposed contract for the provision of health care services under managed care.

3. Any record relating to the negotiation of, or deliberation or action by the board of trustees of the county hospital concerning, a proposed contract described in subsection 2. (Deleted by amendment.)

4. The board of hospital trustees may close a meeting pursuant to subsection 3 upon a motion that specifies the nature of the business to be considered and the statutory authority pursuant to which the board is authorized to close the meeting. Nothing in subsection 3 shall be deemed to authorize the board to hold a closed meeting to discuss a change of management, change of ownership or the dissolution of the county hospital.

Existing law provides that certain promotional appointees who fail to attain permanent status in the position to which they were promoted, or who are dismissed for cause other than misconduct or delinquency, must be restored to the positions from which the appointees were promoted. (NRS 284.300) Section 1 of this bill requires the Personnel Commission to adopt regulations requiring that a
promotional appointee who fails to attain permanent status in the promoted position must be: (1) restored to the position from which he or she was appointed unless doing so would displace another employee with greater seniority; (2) placed in a comparable position for which a vacancy exists; or (3) if no such positions exist, appointed to an equal or lower position for which a vacancy exists or placed on an appropriate reemployment list.

Existing law authorizes the Commission to adopt regulations which provide for filling, under certain circumstances, positions in the classified service of the State without competition. (NRS 284.305) Section 2 of this bill authorizes the Commission to adopt regulations that provide for filling positions in the classified service without competition by the appointment of current employees with disabilities to certain positions.

Existing law requires an appointing authority to make continued efforts to retain an employee with a disability in state service by making reasonable accommodations. Existing law also requires an appointing authority to consider separation from service or disability retirement if an employee with a disability can no longer perform the essential functions of his or her position with or without reasonable accommodations. (NRS 284.379) Section 3 of this bill requires an appointing authority to also consider whether an employee with a disability can be appointed to a position at or below the grade level of the employee’s current position before considering separation from service or disability retirement.

If a classified employee is dismissed, involuntarily demoted or suspended, existing law requires the appointing authority to give the employee written notice of that fact, delivered personally or mailed to the employee. (NRS 284.385) Section 4 of this bill eliminates the requirement for delivery in person or by mail and requires the Commission to adopt regulations setting forth the procedures for properly notifying a classified employee of dismissal, involuntary demotion or suspension.

Existing law provides, with limited exception, that an employee who consumes or is under the influence of alcohol, a controlled substance or certain other drugs is subject to disciplinary action or required to be referred to an employee assistance program. (NRS 284.4062, 284.4063) Sections 5 and 6 of this bill authorize the Commission to adopt regulations setting forth the circumstances under which a person who holds a valid registry identification card to engage in the medical use of marijuana is subject to disciplinary action or required to be referred to an employee assistance program.

Existing law authorizes, under certain circumstances, an appointing authority to ask an employee who admits to consuming a controlled substance for the name of the person who prescribed the use of the controlled substance. (NRS 284.4064) Section 7 of this bill authorizes an appointing authority to ask an employee who admits to consuming marijuana for proof
that the employee holds a valid registry identification card to engage in the medical use of marijuana.

Existing law sets forth limited circumstances under which an appointing authority may request an employee to submit to a screening test for alcohol or drugs. (NRS 284.4065) Section 8 of this bill adds an additional circumstance to authorize an appointing authority to request that an employee submit to a screening test if the employee has or is involved in a work-related accident or injury. Section 8 also requires the Commission to define by regulation “work-related accident or injury.”

Existing law requires an appointing authority to screen an applicant for alcohol and drugs before hiring the applicant for any position of employment that affects public safety. (NRS 284.4066) Section 9 of this bill authorizes the Commission to adopt regulations relating to applicants for such positions whose screening test indicates the presence of marijuana and who hold valid registry identification cards to engage in the medical use of marijuana.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1.  NRS 284.300 is hereby amended to read as follows:

Sec. 2.  NRS 284.305 is hereby amended to read as follows:

284.305  1.  Except as otherwise provided in subsection 2, positions in the classified service may be filled without competition only as provided in NRS 284.155, 284.300, 284.307, 284.309, 284.310, 284.315, 284.320, 284.325, 284.327, 284.330, 284.375 and 284.3775.
2. The Commission may adopt regulations which provide for filling positions in the classified service without competition in cases involving:
   (a) The appointment, upon approval of the appointing authority, of a current employee with a disability to a position at or below the grade of his or her position if the employee:
       (1) Has successfully completed a probationary period for any class he or she has held during continuous classified service; and

Sec. 3. NRS 284.379 is hereby amended to read as follows:
284.379 In the employment of a person with a disability in the state service, continued efforts must be made to retain the person by making reasonable accommodations that enable the person to perform the essential functions of his or her current position and to enjoy the benefits and privileges of the position. An appointing authority shall consider separation or disability retirement if:
1. An employee can no longer perform the essential functions of the position with or without reasonable accommodations; and
2. Without undue hardship, as that term is defined pursuant to the Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101 et seq., the employee cannot be appointed to a position for which a vacancy exists and for which the employee is qualified at or below the grade of the employee’s current position.

2. Before a permanent classified employee is dismissed, involuntarily demoted or suspended, the appointing authority must consult with the Attorney General or, if the employee is employed by the Nevada System of Higher Education, the appointing authority’s general counsel, regarding the proposed discipline. After such consultation, the appointing authority may
take such lawful action regarding the proposed discipline as it deems necessary under the circumstances.

3. A dismissal, involuntary demotion or suspension does not become effective until the employee is notified in writing of the dismissal, involuntary demotion or suspension and the reasons therefor. The notice may be delivered personally to the employee or mailed to the employee at the employee's last known address by registered or certified mail, return receipt requested. If the notice is mailed, the effective date of the dismissal, involuntary demotion or suspension shall be deemed to be the date of delivery or if the letter is returned to the sender, 3 days after mailing. The Commission shall adopt regulations setting forth the procedures for properly notifying the employee of the dismissal, involuntary demotion or suspension and the reasons therefor.

4. No employee in the classified service may be dismissed for religious or racial reasons.

284.4062 1. Except as otherwise provided in subsection 3, subsections 3 and 4, an employee who:

2. The Commission may adopt regulations setting forth the circumstances under which a person who holds a valid registry identification card to engage in the medical use of marijuana pursuant to chapter 453A of NRS is subject to disciplinary action pursuant to this section.

(b) Informs the employee of the specific facts supporting its belief pursuant to paragraph (a), and prepares a written record of those facts; and

(c) Informs the employee in writing:

(1) Of whether the test will be for alcohol or drugs, or both;

(2) That the results of the test are not admissible in any criminal proceeding against the employee; and

(3) That the employee may refuse the test, but that the employee’s refusal may result in the employee’s dismissal or in other disciplinary action being taken against the employee.

2. An appointing authority may request an employee to submit to a screening test if the employee:

(a) Is a law enforcement officer and, during the performance of the employee’s duties, the employee discharges a firearm, other than by accident; or

(b) During the performance of the employee’s duties, drives a motor vehicle in such a manner as to cause bodily injury to the employee or another person or substantial damage to property; or

(c) Provide the employee with the written results of the employee’s screening test within 3 working days after it receives those results.

5. An employee is not subject to disciplinary action for testing positive in a screening test or refusing to submit to a screening test if the appointing authority fails to comply with the provisions of this section.

6. An appointing authority shall not use a screening test to harass an employee.

Sec. 9. NRS 284.4066 is hereby amended to read as follows:

Notice of the provisions of this section must be given to each applicant for such a position at or before the time of application.

2. An appointing authority shall consider the results of a screening test in determining whether to employ an applicant. If those results indicate the presence of a controlled substance other than marijuana, the appointing authority shall not hire the applicant unless the applicant provides, within 72 hours after being requested, proof that the applicant had taken the controlled substance as directed pursuant to a current and lawful prescription issued in the applicant’s name.

3. An appointing authority shall, at the request of an applicant, provide the applicant with the results of the applicant’s screening test.

4. If the results of a screening test indicate the presence of a controlled substance, the appointing authority shall:

(b) If applicable, inform the Administrator whether the applicant holds a valid registry identification card to engage in the medical use of marijuana pursuant to chapter 453A of NRS.

5. The Commission may adopt regulations relating to an applicant for a position which affects the public safety who tests positive for marijuana and holds a valid registry identification card to engage in the medical use of marijuana pursuant to chapter 453A of NRS.

Sec. 10. NRS 284.4068 is hereby amended to read as follows:

284.4068  Except as otherwise provided in NRS 239.0115 and

Senator Brower moved the adoption of the amendment.
Remarks by Senator Brower.
Amendment No. 312 to Senate Bill No. 62: Requires that regulations adopted by the State Personnel Commission provide that an employee who was a promotional appointee, but who failed to attain permanent status, must be restored to a vacant position in the same class that he or she held prior to the promotion, provided the employee does not displace any employee with greater seniority. If no such position is available, the employee must either be appointed to a vacant position in a comparable class or any lower class. After that, if no such position exists, the employee must be placed on any appropriate reemployment lists. Provides that the placement of an employee in a position at or below his or her current pay grade because of an inability to perform the essential job functions, is subject to the “approval of the appointing authority.” S.B. 62 specifies that if the employee can no longer perform his or her job functions due to a disability, the agency can consider separation or disability retirement, provided the employee cannot be appointed to another position at or below his or her grade level. The amendment clarifies that such an appointment would need to be into a vacant position for which he or she is qualified and that such an appointment must not cause “undue hardship” to the agency.

The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 466.

AN ACT relating to the use of water; revising provisions relating to the adjudication of vested water rights; revising provisions relating to applications, permits and certificates for the appropriation of public waters; revising provisions relating to underground water and wells; revising provisions relating to the planning and development of water resources; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law declares that the water of all sources of water within the boundaries of Nevada, whether above or below the surface of the ground, belongs to the public. (NRS 533.025) Subject to existing rights, water in the State may be appropriated only for beneficial use, which existing law declares to be a public use. (NRS 533.030, 533.050) The unauthorized use of water to which another person is entitled and the willful waste of water to the detriment of another is prohibited, as is causing, suffering or permitting any artesian well to discharge unnecessarily so that the waters of the well are lost for beneficial use. (NRS 533.460, 534.0165, 534.070) Sections 4, 67 and 75 of this bill revise the definition of, and prohibition on, wasting water. Under the provisions of this bill, “wasting” water includes causing or permitting water from any source to discharge or flow unnecessarily so that the water is lost for beneficial use, or misusing water such that it discharges or flows unnecessarily so that the water is lost for beneficial use.

Sections 5-8 and 12-44 of this bill revise provisions governing the adjudication of certain vested water rights. Under existing law, after receiving a petition requesting the determination of the relative rights of the various claimants to the waters of any stream or stream system, the State Engineer must enter an order granting the petition and proceed with the determination. The State Engineer then must prepare a notice of that order to be published in one or more newspapers of general circulation within the boundaries of the stream system. (NRS 533.090, 533.095) Section 13 requires the notice to also set forth the date on which the State Engineer will begin taking proofs of appropriation and the date by which such proofs must be filed and the date by which any additional maps must be filed. Section 13 also requires the State Engineer to provide the notice to each person whom the State Engineer knows or should know claims rights in or to the water.

Section 14 provides specifications for the information and documents that must accompany a proof of appropriation. Section 5 requires any proof of appropriation or accompanying map that is found to be defective to be
returned to the claimant with an explanation of why the proof or map is defective. A corrected proof or map must be refiled with the State Engineer within 60 days. Section 15 provides that [amendments to] proofs of appropriation may not, with certain exceptions, be received by or filed with the State Engineer after the date set forth in the notice by which proofs must be filed. Section 17 increases the amount of the fees that the State Engineer must collect for the filing of proofs of appropriation.

Section 6 requires the State Engineer, when investigating a [source of surface water or groundwater] stream or stream system for the purpose of adjudicating the vested rights of the water, to gather any essential data and information, compile a list of all proofs of appropriation filed for the area being adjudicated, conduct any necessary field investigations and verifications of the proofs and reduce his or her observations and measurements to writing. If the State Engineer causes a survey or map to be executed, the survey or map must be prepared by a licensed state water right surveyor and conform to certain specifications.

Existing law requires the State Engineer, after receiving the proofs of appropriation, to prepare a preliminary order of determination regarding the rights of claimants to the water and to deliver a copy of the preliminary order to each person who has filed a proof of appropriation. (NRS 533.140) Section 18 authorizes the State Engineer to make a copy of the preliminary order available online in lieu of sending a copy to each claimant. Any person claiming any interest in the water may file an objection to the preliminary order, and section 20 requires the hearing on objections to be held not less than 120 days after the date of the preliminary order. Section 20 also requires all testimony taken at such a hearing to be reported and transcribed by a certified court reporter, whose fees and expenses must be paid by the claimants objecting to the preliminary order.

Existing law requires the State Engineer to make an order of determination as soon as practicable after the hearing on objections to the preliminary order. (NRS 533.160) Section 21 authorizes the State Engineer to make a copy of the order of determination available online in lieu of sending a copy to each claimant. A copy of the order of determination must be filed with the district court of the county in which the stream system is located, after which a time is set for a hearing by the district court on the order. (NRS 533.165) Any parties aggrieved or dissatisfied with the order of determination may file with the clerk of the district court a notice of exception to the order. (NRS 533.170) [Section 22 authorizes parties affected by or having an interest in any exception to file a response to the exception. Existing law requires the] The district court, after the hearing on the order of determination, [to] must enter a decree affirming or modifying the order. (NRS 533.185) Section 8 authorizes the district court to require, under certain circumstances, that a
revised map which accurately reflects the decree and conforms with the rules and regulations of the State Engineer [12] be prepared and filed with the district court and the State Engineer. Under existing law, the district court’s decree may be appealed, and notice of the appeal must be served upon the attorneys of record for claimants who have filed exceptions to the final order of determination by the State Engineer. (NRS 533.200) Sections 28 and 29 require any notice of appeal and notice of intention to move for a new trial to be served upon claimants who have filed exceptions but for whom there is no attorney of record.

[Under existing law, after the filing of the order of determination in the district court, the distribution of adjudicated water is under the supervision and control of the district court. (NRS 533.220) Section 32 authorizes the State Engineer, under certain circumstances, to require certain water users to rotate in the use of the water to which they are entitled.]

Finally, section 37 amends provisions requiring the State Engineer to prepare an annual budget of the estimated expenses of administering and regulating each [adjudicated source of surface water or groundwater] stream system and water district. (NRS 533.280)

Sections 9 and 45-63 of this bill revise provisions regarding applications, permits and certificates for the appropriation of public waters. Existing law authorizes the State Engineer to extend the deadline by which construction related to such an appropriation must be completed. (NRS 533.380) Section 54 provides that the failure by an applicant to provide proof and evidence of the good faith and reasonable diligence with which the applicant is pursuing the perfection of [an application] a water appropriation is prima facie evidence of failure to proceed in good faith and with reasonable diligence. Section 54 also authorizes the State Engineer to approve or deny an extension if the water right in question lies within a basin that is an area of active management or has been designated as a critical management area. [Existing law authorizes the holder of a permit to appropriate water whose permit is cancelled to request a review of the cancellation. (NRS 533.305) Section 60 revises provisions governing the deadline by which such a request must be filed with the State Engineer.]

Existing law provides for the issuance by the State Engineer of certificates relating to the appropriation of water. (NRS 533.425) Section 62 prohibits the State Engineer from issuing certificates based on certain revocable permits to appropriate water [and requires the State Engineer to cancel a permit if the holder or holders of the permit do not pay the required fee for issuing and recording the certificate.] Section 9 requires the State Engineer to quantify in acre-feet the amount of water that has been beneficially used for certificates which express the amount of appropriation only in terms of cubic feet per second.
Section 64 of this bill amends provisions relating to certain fees collected by the State Engineer.

[Existing law governs the appropriation and use of groundwater. (Chapter 534 of NRS) Section 73 of this bill requires a person wishing to obtain a right to the use of groundwater from a basin to ensure that wildlife which customarily uses spring sources in the basin which could be impaired by any groundwater pumping will continue to have access to those sources. Section 76 of this bill authorizes the use of certain assessments levied by boards of county commissioners for the implementation of a groundwater management plan and the oversight of an area of active management or an area designated as a critical management area. Existing law authorizes the State Engineer to notify the owner of a right to underground water that has not been used for at least 4 consecutive years, but less than 5 consecutive years, that the owner has 1 year after the date of the notice in which to use the water beneficially and to provide proof of such use to the State Engineer to avoid forfeiting the water right. Upon request of the holder of the right, the State Engineer may extend the time necessary to work the forfeiture. (NRS 534.090) Section 77 of this bill provides that such an extension may not exceed 1 year from the expiration of the time otherwise necessary to work the forfeiture.]

Section 78 of this bill requires that a domestic well, the user of which is furnished water by an entity such as a water district or municipality, from using water from the well for the watering of a family garden or lawn or the watering of livestock or any domestic animals or household pets. Section 78 also requires such a well to be plugged in accordance with any applicable regulation of the State Engineer.

Sections 86 and 87 and 88 of this bill provide for the imposition of administrative fines against persons who violate certain provisions relating to the planning and development of water resources.

5. The State Controller shall keep separate accounts of the money for each stream system source of surface water or groundwater or water district received from the various counties within which the stream system source or water district is located, and shall not draw warrants against an account until the State Controller has been notified by the State Engineer that assessments have been filed with the board of county commissioners, as required by NRS 533.285, that will return to the State of Nevada money advanced by the State out of the Water Distribution Revolving Account provided for in NRS 532.210. 2. Upon the creation of a water district the State Engineer may appoint an advisory board of representative citizens within the district to assist the State Engineer in formulating plans and projects for the conservation of the water resources and the use thereof in the district.    (a) The date all transcripts of the hearing become available to the State Engineer; or

   (b) The date specified by the State Engineer for the filing of any additional information, evidence, studies or compilations requested by the State Engineer. The State Engineer may, for good cause shown, extend any applicable period.

7. The State Engineer shall adopt rules of practice regarding the conduct of a hearing held pursuant to subsection 4. The rules of practice must be adopted in accordance with the provisions of NRS 233B.040 to 233B.120,
inclusive, and codified in the Nevada Administrative Code. The technical rules of evidence do not apply at such a hearing.

Sec. 53. NRS 533.3703 is hereby amended to read as follows:

533.3703 1. The State Engineer may consider the consumptive use of a water right and the consumptive use of a proposed beneficial use of water in determining whether a proposed change in the point of diversion, manner of use or place of use complies with the provisions of subsection 2 of NRS 533.370.

2. The provisions of this section:
   (a) Must not be applied by the State Engineer in a manner that is inconsistent with any applicable federal or state decree concerning consumptive use.
   (b) Do not apply to any decreed, certified or permitted right to appropriate water which originates in the Virgin River or the Muddy River.

Sec. 54. NRS 533.380 is hereby amended to read as follows:

533.380 1. Except as otherwise provided in subsection 7, in an endorsement of approval upon any application, the State Engineer shall:
   (a) Set a time before which the construction of the work must be completed, which must be within 5 years after the date of approval.
   (b) Except as otherwise provided in this paragraph, set a time before which the complete application of water to a beneficial use must be made, which must not exceed 10 years after the date of the approval. The time set under this paragraph respecting an application for a permit to apply water to a municipal or quasi-municipal use on any land:
      (1) For which a final subdivision map has been recorded pursuant to chapter 278 of NRS;
      (2) For which a plan for the development of a project has been approved by the local government pursuant to NRS 278.010 to 278.460, inclusive; or
      (3) On any land for which a plan for the development of a planned unit development has been recorded pursuant to chapter 278A of NRS, must not be less than 5 years.

2. The State Engineer may limit the applicant to a smaller quantity of water, to a shorter time for the completion of work, and, except as otherwise provided in paragraph (b) of subsection 1, to a shorter time for the perfecting of the water appropriation.

3. Except as otherwise provided in subsection 1, subsections 5 and 6 and NRS 533.395 and 533.4377, the State Engineer may, for good cause shown, grant any number of extensions of time within which construction work must be completed, or water must be applied to a beneficial use under any permit issued by the State Engineer, but a single extension of time for a municipal or quasi-municipal use for a public water system, as defined in NRS 445A.235, must not exceed 5 years, and any other single extension of time must not exceed 1 year from the required date for filing proofs as established in the permit or in a previous
extension granted by the State Engineer. An application for the extension must in all cases be:

(a) Made within 30 days following notice by registered or certified mail that proof of the work is due as provided for in NRS 533.390 and 533.410; and

(b) Accompanied by proof and evidence of the good faith and reasonable diligence with which the applicant is pursuing the perfection of the application.

4. The failure to provide the proof and evidence required by subsection 3 is prima facie evidence that the holder is not proceeding in good faith and with reasonable diligence to perfect the application. The failure to provide the proof and evidence required pursuant to this subsection is prima facie evidence that the holder is not proceeding in good faith and with reasonable diligence to perfect the application. If the water right in question lies within a basin that is an area of active management or has been designated as a critical management area by the State Engineer, the State Engineer may consider the goals and progress of any approved groundwater management plan in determining whether to approve or deny an extension of time to effectuate the successful administration of the area of active management or critical management area. As used in this subsection, “area of active management” has the meaning ascribed to it in NRS 534.011.

5. Except as otherwise provided in subsection 7 and NRS 533.395, whenever the holder of a permit issued for any municipal or quasi-municipal use of water on any land referred to in paragraph (b) of subsection 1, or for any use which may be served by a county, city, town, public water district or public water company, requests an extension of time to apply the water to a beneficial use, the State Engineer shall, in determining whether to grant or deny the extension, consider, among other factors:

(a) Whether the holder has shown good cause for not having made a complete application of the water to a beneficial use;

(b) The number of parcels and commercial or residential units which are contained in or planned for the land being developed or the area being served by the county, city, town, public water district or public water company;

(c) Any economic conditions which affect the ability of the holder to make a complete application of the water to a beneficial use;

(d) Any delays in the development of the land or the area being served by the county, city, town, public water district or public water company which were caused by unanticipated natural conditions; and
(e) The period contemplated in the:

(1) Plan for the development of a project approved by the local government pursuant to NRS 278.010 to 278.460, inclusive; or

(2) Plan for the development of a planned unit development recorded pursuant to chapter 278A of NRS.

if any, for completing the development of the land.

7. The provisions of subsections 1 and 6 do not apply to an environmental permit or a temporary permit issued pursuant to NRS 533.436 or 533.504.

8. For the purposes of this section, the measure of reasonable diligence is the steady application of effort to perfect the application in a reasonably expedient and efficient manner under all the facts and circumstances. When a project or integrated system is composed of several features, work on one feature of the project or system may be considered in finding that reasonable diligence has been shown in the development of water rights for all features of the entire project or system.

Sec. 55. NRS 533.382 is hereby amended to read as follows:

533.382 Except as otherwise provided in NRS 533.387, every conveyance of an application or permit to appropriate any of the public waters, a certificate of appropriation, an adjudicated or unadjudicated water right or an application or permit to change the point of diversion, manner of use or place of use of water must be:

1. Made by deed;
2. Acknowledged in the manner provided in NRS 240.161 to 240.168, inclusive; and
3. Recorded in the office of the county recorder of each county in which the water is applied to beneficial use and in each county in which the water is diverted from its natural source.

Sec. 56. NRS 533.383 is hereby amended to read as follows:

533.383 1. The recording of a deed pursuant to NRS 533.382 shall be deemed to impart notice of the contents of the deed to all persons at the time the deed is recorded, and a subsequent purchaser or mortgagee shall be deemed to purchase and take with notice of the contents of the deed.

2. The deed of:

(a) An application or permit to appropriate any of the public waters;
(b) A certificate of appropriation;
(c) An adjudicated or unadjudicated water right; or
(d) An application or permit to change the point of diversion, manner of use or place of use of water,

that has not been recorded as required by NRS 533.382 shall be deemed void as against a subsequent purchaser who in good faith and for valuable consideration purchases the same application, right, certificate or permit, or any portion thereof, if the subsequent purchaser first records the deed in compliance with NRS 533.382.
Sec. 57.  NRS 533.384 is hereby amended to read as follows:

533.384  1. A person to whom is conveyed an application or permit to appropriate any of the public waters, a certificate of appropriation, an adjudicated or unadjudicated water right or an application or permit to change the [place] point of diversion, manner of use or place of use of water, shall:

(a) File with the State Engineer, together with the prescribed fee, a report of conveyance which includes the following information on a form to be provided by the State Engineer:

(1) An abstract of title;
(2) Except as otherwise provided in subsection 2, a copy of any deed, written agreement or other document pertaining to the conveyance; and
(3) Any other information requested by the State Engineer.

(b) If the place of use of the water is wholly or partly within the boundaries of an irrigation district, file with the irrigation district:

(1) An abstract of title; and
(2) Except as otherwise provided in subsection 2, a copy of any deed, written agreement or other document pertaining to the conveyance.

2. The governing body of any local government of this State and any public utility which is a purveyor of water within the State may submit an affidavit or other document upon oath in lieu of the documents otherwise required by subparagraph (2) of paragraphs (a) and (b) of subsection 1, if the State Engineer finds that:

(a) The affidavit clearly indicates that rights for diverting or appropriating water described in the affidavit are owned or controlled by the governing body or utility; and
(b) The affiant is qualified to sign the affidavit.

Sec. 58.  NRS 533.386 is hereby amended to read as follows:

533.386  1. The State Engineer shall confirm that the report of conveyance required by paragraph (a) of subsection 1 of NRS 533.384 includes all material required by that subsection and that:

(a) The report is accompanied by the prescribed fee;
(b) No conflict exists in the chain of title that can be determined by the State Engineer from the conveyance documents or other information on file in the Office of the State Engineer; and
(c) The State Engineer is able to determine the rate of diversion and the amount of water conveyed in acre-feet or million gallons from the conveyance documents or other information on file in the Office of the State Engineer.

2. If the State Engineer confirms a report of conveyance pursuant to subsection 1, the State Engineer shall in a timely manner provide a notice of the confirmation to the person who submitted the report of conveyance. The notice must include, without limitation:
(a) A statement indicating that neither the confirmation of the report of conveyance nor the report of conveyance, if the report sets forth the amount of water conveyed, guarantees that:

(1) The water right is in good standing with the Office of the State Engineer; or

(2) The amount of water referenced in the notice or in the report of conveyance is the actual amount of water that a person is entitled to use upon conveyance of the application or permit to appropriate any of the public waters, the certificate of appropriation, the adjudicated or unadjudicated water right, or the application or permit to change the [place] point of diversion, manner of use or place of use of water.

(b) A statement that the confirmation of the report of conveyance is not a determination of ownership and that only a court of competent jurisdiction may adjudicate conflicting claims to ownership of a water right.

3. If the State Engineer determines that the report of conveyance is deficient, the State Engineer shall reject the report of conveyance and return it to the person who submitted it, together with:

(a) An explanation of the deficiency; and

(b) A notice stating that the State Engineer will not confirm a report of conveyance that has been rejected unless the report is resubmitted with the material required to cure the deficiency. The notice must also include a statement of the provisions of subsection 5.

4. If, from the conveyance documents or other information in the Office of the State Engineer, it appears to the State Engineer that there is a conflict in the chain of title, the State Engineer shall reject the report of conveyance and return it to the person who submitted it, together with:

(a) An explanation that a conflict appears to exist in the chain of title; and

(b) A notice stating that the State Engineer will not take further action with respect to the report of conveyance until a court of competent jurisdiction has determined the conflicting claims to ownership of the water right and the determination has become final or until a final resolution of the conflicting claims has otherwise occurred. The notice must also include a statement of the provisions of subsection 5.

5. The State Engineer shall not consider or treat the person to whom:

(a) An application or permit to appropriate any of the public waters;

(b) A certificate of appropriation;

(c) An adjudicated or unadjudicated water right; or

(d) An application or permit to change the [place] point of diversion, manner of use or place of use of water,

is conveyed as the owner or holder of the application, right, certificate or permit for the purposes of this chapter, including, without limitation, all advisements and other notices required of the State Engineer and the granting of permits to change the [place] point of diversion, manner of use or place of use of water, until a report of the conveyance is confirmed pursuant to subsection 1.
6. If the State Engineer is notified that a court of competent jurisdiction has entered a judgment confirming ownership of a water right or resolving a conflict in a chain of title, and that the judgment has become final, the State Engineer shall take such administrative action as is appropriate or necessary to conform the records of the Office of the State Engineer with the judgment of the court, including, without limitation, amending or withdrawing a permit or certificate that was previously approved by the State Engineer.

Sec. 59. NRS 533.387 is hereby amended to read as follows:

533.387 The provisions of NRS 533.382 to 533.386, inclusive, do not apply to the conveyance of shares of stock in a ditch company which owns:

1. An application or permit to appropriate any of the public waters;
2. A certificate of appropriation;
3. An adjudicated or unadjudicated water right;
4. An application or permit to change the point of diversion, manner of use or place of use of water.

Sec. 60. NRS 533.395 is hereby amended to read as follows:

533.395 1. If, at any time in the judgment of the State Engineer, the holder of any permit to appropriate the public water is not proceeding in good faith and with reasonable diligence to perfect the appropriation, the State Engineer shall require the submission of such proof and evidence as may be necessary to show a compliance with the law. If, in the judgment of the State Engineer, the holder of a permit is not proceeding in good faith and with reasonable diligence to perfect the appropriation, the State Engineer shall cancel the permit and send notice to the holder of the permit advising the holder of its cancellation. The failure to provide the proof and evidence required pursuant to this subsection is prima facie evidence that the holder is not proceeding in good faith and with reasonable diligence to perfect the appropriation.

2. If any permit is cancelled under the provisions of this section or NRS 533.390 or 533.410, the holder of the permit may within 60 days of the cancellation of the permit file a written petition with the State Engineer requesting a review of the cancellation by the State Engineer at a public hearing. (For a permit cancelled under the provisions of this section, the petition must be filed within 60 days after the date the State Engineer sends notice to the holder of the permit advising the holder of its cancellation. For a permit cancelled under the provisions of NRS 533.390 or 533.410, the petition must be filed within 60 days after the date the State Engineer cancels the permit.)

3. The State Engineer may, after receiving and considering evidence, affirm, modify or rescind the cancellation.

4. If the decision of the State Engineer modifies or rescinds the cancellation of a permit, the effective date of the appropriation under the permit is vacated and replaced by the date of the filing of the written petition with the State Engineer.
5. The cancellation of a permit may not be reviewed or be the subject of any judicial proceedings unless a written petition for review has been filed and the cancellation has been affirmed, modified or rescinded pursuant to subsection 3.

6. For the purposes of this section, the measure of reasonable diligence is the steady application of effort to perfect the appropriation in a reasonably expedient and efficient manner under all the facts and circumstances. When a project or integrated system is comprised of several features, work on one feature of the project or system may be considered in finding that reasonable diligence has been shown in the development of water rights for all features of the entire project or system.

7. The appropriation of water or the acquisition or lease of appropriated water from any:
   (a) Stream system [Source of surface water or groundwater] as provided for in this chapter; or
   (b) Underground water as provided for in NRS 534.080,
   by a political subdivision of this State or a public utility, as defined in NRS 704.020, to serve the present or the reasonably anticipated future municipal, industrial or domestic needs of its customers for water, as determined in accordance with a master plan adopted pursuant to chapter 278 of NRS or a plan approved by the State Engineer, must be considered when reviewing an extension of time.

Sec. 61. NRS 533.400 is hereby amended to read as follows:
533.400 1. Except as otherwise provided in subsection 2, on or before the date set in the endorsement of a permit for the application of water to beneficial use, or on the date set by the State Engineer under a proper application for extension, any person holding a permit from the State Engineer to appropriate the public waters of the State of Nevada, to change the [place] point of diversion or the manner or place of use, shall file with the State Engineer a statement under oath, on a form prescribed by the State Engineer. The statement must include:
   (a) The name and [post-office] mailing address of the person making the proof.
   (b) The number and date of the permit for which proof is made.
   (c) The source of the water supply.
   (d) The name of the canal or other works by which the water is conducted to the place of use.
   (e) The name of the original person to whom the permit was issued.
   (f) The purpose for which the water is used.
   (g) If for irrigation, the actual number of acres of land upon which the water granted in the permit has been beneficially used, giving the same by 40-acre legal subdivisions when possible.
   (h) An actual measurement taken by a licensed state water right surveyor or an official or employee of the Office of the State Engineer of the water diverted for beneficial use.
(i) The capacity of the works of diversion.
(j) If for power, the dimensions and capacity of the flume, pipe, ditch or other conduit.
(k) The average grade and difference in elevation between the termini of any conduit.
(l) The number of months, naming them, in which water has been beneficially used.
(m) The amount of water beneficially used, taken from actual measurements, together with such other data as the State Engineer may require to become acquainted with the amount of the appropriation for which the proof is filed.

2. The provisions of subsection 1 do not apply to a person holding an environmental permit or a temporary permit issued pursuant to NRS 533.436 or 533.504.

Sec. 62. NRS 533.425 is hereby amended to read as follows:

533.425 1. Except as otherwise provided in subsection 3 and NRS 533.503, as soon as practicable after satisfactory proof has been made to the State Engineer that any application to appropriate water or any application for permission to change the place, point of diversion, manner or place of use of water already appropriated has been perfected in accordance with the provisions of this chapter, the State Engineer shall issue to the holder or holders of the permit a certificate setting forth:

(a) The name [and post office address] of each holder of the permit.
(b) The date, source, purpose and amount of appropriation.
(c) If for irrigation, a description of the irrigated lands by legal subdivisions, when possible, to which the water is appurtenant.
(d) The number of the permit under which the certificate is issued.

2. If the water is appropriated from an underground source, the State Engineer shall issue with the certificate a notice of the provisions governing the forfeiture and abandonment of such water rights. The notice must set forth the provisions of NRS 534.090.

3. The State Engineer shall not issue a certificate based on a revocable permit issued pursuant to paragraph (a) of subsection 3 of NRS 534.120.

Sec. 63. NRS 533.430 is hereby amended to read as follows:

533.430 1. Every permit to appropriate water, and every certificate of appropriation granted under any permit by the State Engineer upon any stream or stream system [source of surface water or groundwater] which shall have been adjudicated under the provisions of NRS 533.090 to 533.235,
inclusive, and sections 5 to 8, inclusive, of this act, shall be, and the same is hereby declared to be, subject to existing rights and to the decree and modifications thereof entered in such adjudication proceedings, and the same shall be subject to regulation and control by the State Engineer and the water commissioners in the same manner and to the same extent as rights which have been adjudicated and decreed under the provisions of this chapter. 4. When beneficial use has been completed and perfected under the secondary permit, and after the holder thereof shall have made proofs of the commencement and completion of his or her work, and of the application of water to beneficial use, as in the case of other permits, as provided in this chapter, a final certificate of appropriation shall issue as other certificates are issued, except that the certificate shall refer to both the works described in the secondary permit and the reservoir described in the primary permit.

Sec. 66. [NRS 533.455 is hereby amended to read as follows.]

533.455 1. Whenever a decree determining and adjudicating the relative rights of the claimants to the use of water of a [stream or stream system] source of surface water or groundwater has been entered in the district court pursuant to the provisions of this chapter, and the decree becomes final and the State Engineer has brought in that court any proceeding, either civil or of a criminal nature, concerning the administration of and for the enforcement of the provisions of the decree, and wherein the validity of the decree or any of its provisions is drawn in question by adversary parties and the decision or judgment of the court is that the decree or a part thereof is invalid, the State Engineer shall be deemed a party in interest with the right to take an appeal from such decision or judgment to the appellate court of competent jurisdiction pursuant to the rules fixed by the Supreme Court pursuant to Section 4 of Article 6 of the Nevada Constitution.

2. Such appeal may be taken in the same manner as appeals in civil cases. (Deleted by amendment.)

(b) Shall not possess or use [of such water without legal right, shall be prima facie evidence of the guilt of the person using or diverting it.]
2. A person who violates the provisions of subsection 1 is guilty of a misdemeanor. (Deleted by amendment.)

Sec. 68. NRS 533.481 is hereby amended to read as follows:

533.481  1. (a) Pay an administrative fine not to exceed $10,000 per day for each violation as determined by the State Engineer.

(b) In the case of an unauthorized possession or use of water without legal right or willful waste of water in violation of NRS 533.460, an unlawful diversion of water in violation of NRS 533.463, or any other violation of this chapter that, as determined by the State Engineer, results in an unlawful use, waste or diversion of water, replace not more than 200 percent of the water used, wasted or diverted.

2. If an administrative fine is imposed against a person pursuant to subsection 1 or the person is ordered to replace any water pursuant to that subsection, the State Engineer may require the person to pay the costs of the proceeding, including investigative costs and attorney's fees.

3. An order imposing an administrative fine or requiring the replacement of water or the payment of costs or fees pursuant to this section may be reviewed by a district court pursuant to NRS 533.450. (Deleted by amendment.)

Sec. 69. NRS 533.492 is hereby amended to read as follows:

533.492  1. A subsisting right to water livestock may be proven by an owner of livestock by one or more of the following items of evidence for the number of livestock and date of priority:

(a) As to water rights on open range, whether public lands or unfenced private lands or a combination of these:

(1) A statement of priority of use submitted to the Taylor Grazing Service, predecessor to the Bureau of Land Management, to show the numbers of livestock grazed upon the open range, for years from 1928 to 1934, inclusive, if accompanied by evidence of changes or absence of change since the date of the statement;

(2) A license issued by the Taylor Grazing Service for use upon the open range;

(3) A statement of priority of use, or a license, issued by the United States Forest Service for the grazing of livestock before 1950.

(b) As to water rights on other privately owned land:

(1) An affidavit concerning the number and kind of livestock by a person familiar with the use made of the lands;

(2) A record of livestock assessed to the claimant of the right, or the claimant's predecessor, by a county assessor;
A count of livestock belonging to the claimant or the claimant’s predecessor made by a lender; or

An affidavit of a disinterested person.

2. The location of a subsisting right to water livestock and its extent along a stream may be shown by marking upon a topographic map whose scale is not less than [1:100,000] or a map prepared by the United States Geological Survey covering a quadrangle of 7 1/2 minutes of latitude and longitude and by further identifying the location or extent by one-sixteenth sections within a numbered section, township and range, [as certified by a registered state water right surveyor.]

Sec. 70. NRS 533.515 is hereby amended to read as follows:

533.515 1. No permit for the appropriation of water or application to change the point of diversion, manner of use or place of use under an existing water right may be denied because of the fact that the point of diversion described in the application for the permit, or any portion of the works in the application described and to be constructed for the purpose of storing, conserving, diverting or distributing the water are situated in any other state; but in all such cases where the place of intended use, or the lands, or part of the lands to be irrigated by means of the water, are situated within this state, the permit must be issued as in other cases, pursuant to the provisions of NRS 533.324 to 533.450, inclusive, and chapter 534 of NRS.

2. The permit must not purport to authorize the doing or refraining from any act or thing, in connection with the system of appropriation, not properly within the scope of the jurisdiction of this state and the State Engineer to grant.

Sec. 71. [Chapter 534 of NRS is hereby amended by adding thereto the provisions set forth as sections 72 and 73 of this act.] (Deleted by amendment.)

Sec. 72. [“Perennial yield” means the maximum amount of groundwater available for appropriation from a hydrographic basin on an annual basis for an indefinite period of time, as determined by the State Engineer.] (Deleted by amendment.)

Sec. 73. [Before a person may obtain a right to the use of groundwater from a basin, the person must ensure that wildlife which customarily uses spring sources in the basin which could be impaired by any groundwater pumping in the basin will continue to have access to those sources.] (Deleted by amendment.)

Sec. 74. [NRS 534.010 is hereby amended to read as follows:

534.010 1. As used in this chapter, unless the context otherwise requires, the words and terms defined in NRS 534.0105 to 534.0175, inclusive, and section 72 of this act have the meanings ascribed to them in those sections.]
As used in this chapter, the terms “underground water” and “groundwater” are synonymous. (Deleted by amendment.)

Sec. 75. NRS 534.0165 is hereby amended to read as follows:
534.0165 "Waste" means causing or permitting any [artesian] well [water] to discharge water unnecessarily for flow:
1. Unnecessarily above or below the surface of the ground so that the waters thereof are lost for beneficial use or in any canal or ditch conveying water from a well where the loss of water in transit is more than 20 percent of the amount of the water discharged from the well. (b) In any canal or ditch conveying water from a well where the loss of water in transit is more than 20 percent of the amount of the water discharged from the well.

Sec. 76. [NRS 534.040 is hereby amended to read as follows:
534.040 1. Upon the initiation of the administration of this chapter in any particular basin, and where the investigations of the State Engineer have shown the necessity for the supervision over the waters of that basin, the State Engineer may employ a well supervisor and other necessary assistants, who shall execute the duties as provided in this chapter under the direction of the State Engineer. The salaries of the well supervisor and assistants must be fixed by the State Engineer. The well supervisor and assistants are exempt from the provisions of chapter 284 of NRS.
2. The board of county commissioners shall levy a special assessment annually, or at such time as the assessment is needed, upon all taxable property situated within the confines of the area designated by the State Engineer to come under the provisions of this chapter in an amount as is necessary to pay those salaries, together with necessary expenses, including the compensation and other expenses of the Well Drillers’ Advisory Board if the money available from the license fees provided for in NRS 534.140 is not sufficient to pay those costs. The assessments may be also used to pay for any services required in the area designated by the State Engineer to come under the provisions of this chapter, including, without limitation, the implementation of a groundwater management plan and oversight of an area of active management or an area designated as a critical management area by the State Engineer. In designated areas within which the use of groundwater is predominantly for agricultural purposes the levy must be charged against each water user who has a permit to appropriate water or a
perfected water right, and the charge against each water user must be based upon the proportion which his or her water right bears to the aggregate water rights in the designated area. The minimum charge is $1.

3. The salaries and expenses may be paid by the State Engineer from the Water Distribution Revolving Account pending the levy and collection of the assessment as provided in this section.

4. The proper officers of the county shall levy and collect the special assessment as other special assessments are levied and collected, and the assessment is a lien upon the property.

5. The assessment provided for, when collected, must be deposited with the State Treasurer for credit to the Water District Account to be accounted for in basin well accounts.

6. Upon determination and certification by the State Engineer of the amount to be budgeted for the current or ensuing fiscal year for the purpose of paying the per diem and travel allowances of the groundwater board and employing consultants or other help needed to fulfill its responsibilities, the State Controller shall transfer that amount to a separate operating account for that fiscal year for the groundwater basin. Claims against the account must be approved by the groundwater board and paid as other claims against the State are paid. The State Engineer may use money in a particular basin well account to support an activity outside the basin in which the money is collected if the activity bears a direct relationship to the responsibilities or activities of the State Engineer regarding the particular groundwater basin.

(NRS 534.070 is hereby amended to read as follows:

Sec. 76.5. NRS 534.070 is hereby amended to read as follows:

534.070  1. No person controlling an artesian well in any basin in Nevada shall suffer the waters therefrom to flow to waste, unless, and as far as reasonably necessary in the judgment of the State Engineer, to prevent the obstruction thereof, or to flow or be taken therefrom except for beneficial purposes.

2. The owner of any artesian well from which water is being unnecessarily wasted shall be guilty of a misdemeanor.

Sec. 77. NRS 534.090 is hereby amended to read as follows:

534.090  1. Except as otherwise provided in this section, failure for 5 successive years after April 15, 1967, on the part of the holder of any right, whether it is an adjudicated right, an unadjudicated right or a right for which a certificate has been issued pursuant to NRS 533.425, and further whether the right is initiated after or before March 25, 1939, to use beneficially all or any part of the underground water for the purpose for which the right is acquired or claimed, works a forfeiture of both undetermined rights and determined rights to the use of that water to the extent of the nonuse. If the records of the State Engineer or any other documents specified by the State
Engineer indicate at least 4 consecutive years, but less than 5 consecutive years, of nonuse of all or any part of a water right which is governed by this chapter, the State Engineer shall notify the owner of the water right, as determined in the records of the Office of the State Engineer, by registered or certified mail that the owner has 1 year after the date of the notice in which to use the water right beneficially and to provide proof of such use to the State Engineer or apply for relief pursuant to subsection 2 to avoid forfeiting the water right. If, after 1 year after the date of the notice, proof of resumption of beneficial use is not filed in the Office of the State Engineer, the State Engineer shall, unless the State Engineer has granted a request to extend the time necessary to work a forfeiture of the water right, declare the right forfeited. [within 30 days.] Upon the forfeiture of a right to the use of groundwater, the water reverts to the public and is available for further appropriation, subject to existing rights. If, upon notice by registered or certified mail to the owner of record whose right has been declared forfeited, the owner of record fails to appeal the ruling in the manner provided for in NRS 533.450, and within the time provided for therein, the forfeiture becomes final. The failure to receive a notice pursuant to this subsection does not nullify the forfeiture or extend the time necessary to work the forfeiture of a water right.

2. The State Engineer may, upon the request of the holder of any right described in subsection 1, extend the time necessary to work a forfeiture under that subsection if the request is made before the expiration of the time necessary to work a forfeiture. The State Engineer may grant, upon request and for good cause shown, any number of extensions, but [a] any single extension must not exceed 1 year from the expiration of the time otherwise necessary to work a forfeiture. In determining whether to grant or deny a request, the State Engineer shall, among other reasons, consider:

(a) Whether the holder has shown good cause for the holder’s failure to use all or any part of the water beneficially for the purpose for which the holder’s right is acquired or claimed;

(b) The unavailability of water to put to a beneficial use which is beyond the control of the holder;

(c) Any economic conditions or natural disasters which made the holder unable to put the water to that use;

(d) Any prolonged period in which precipitation in the basin where the water right is located is below the average for that basin or in which indexes that measure soil moisture show that a deficit in soil moisture has occurred in that basin;

(e) Whether a groundwater management plan has been approved for the basin pursuant to NRS 534.037; and

(f) Whether the holder has demonstrated efficient ways of using the water for agricultural purposes, such as center-pivot irrigation.

The State Engineer shall notify, by registered or certified mail, the owner of the water right, as determined in the records of the Office of the State
Engineer, of whether the State Engineer has granted or denied the holder’s request for an extension pursuant to this subsection. If the State Engineer grants an extension pursuant to this subsection and, before the expiration of that extension, proof of resumption of beneficial use or another request for an extension is not filed in the Office of the State Engineer, the State Engineer shall declare the water right forfeited [within 30 days] after the expiration of the extension granted pursuant to this subsection.

3. If the failure to use the water pursuant to subsection 1 is because of the use of center-pivot irrigation before July 1, 1983, and such use could result in a forfeiture of a portion of a right, the State Engineer shall, by registered or certified mail, send to the owner of record a notice of intent to declare a forfeiture. The notice must provide that the owner has at least 1 year after the date of the notice to use the water beneficially or apply for additional relief pursuant to subsection 2 before forfeiture of the owner’s right is declared by the State Engineer.

4. A right to use underground water whether it is vested or otherwise may be lost by abandonment. If the State Engineer, in investigating a groundwater source, upon which there has been a prior right, for the purpose of acting upon an application to appropriate water from the same source, is of the belief from his or her examination that an abandonment has taken place, the State Engineer shall so state in the ruling approving the application. If, upon notice by registered or certified mail to the owner of record who had the prior right, the owner of record of the prior right fails to appeal the ruling in the manner provided for in NRS 533.450, and within the time provided for therein, the alleged abandonment declaration as set forth by the State Engineer becomes final.

Sec. 78. NRS 534.120 is hereby amended to read as follows:

534.120 1. Within an area that has been designated by the State Engineer, as provided for in this chapter, where, in the judgment of the State Engineer, the groundwater basin is being depleted, the State Engineer in his or her administrative capacity may make such rules, regulations and orders as are deemed essential for the welfare of the area involved.

2. In the interest of public welfare, the State Engineer is authorized and directed to designate preferred uses of water within the respective areas so designated by the State Engineer and from which the groundwater is being depleted, and in acting on applications to appropriate groundwater, the State Engineer may designate such preferred uses in different categories with respect to the particular areas involved within the following limits:

(a) Domestic, municipal, quasi-municipal, industrial, irrigation, mining and stock-watering uses; and

(b) Any uses for which a county, city, town, public water district or public water company furnishes the water.
3. Except as otherwise provided in subsection 5, the State Engineer may:
   (a) Issue [temporary] revocable permits to appropriate groundwater which can be limited as to time and which may, except as limited by subsection 4, be revoked if and when water can be furnished by an entity such as a water district or a municipality presently engaged in furnishing water to the inhabitants thereof.
   (b) Deny applications to appropriate groundwater for any use in areas served by such an entity.
   (c) Limit the depth of domestic wells.
   (d) Prohibit the drilling of wells for domestic use, as defined in NRS 534.013, in areas where water can be furnished by an entity such as a water district or a municipality presently engaged in furnishing water to the inhabitants thereof.
   (e) In connection with the approval of a parcel map in which any parcel is proposed to be served by a domestic well, require the dedication to a city or county or a designee of a city or county, or require a relinquishment to the State Engineer, of any right to appropriate water required by the State Engineer to ensure a sufficient supply of water for each of those parcels, unless the dedication of the right to appropriate water is required by a local ordinance.

4. The State Engineer may revoke a [temporary] revocable permit issued pursuant to subsection 3 for residential use, and require a person to whom groundwater was appropriated pursuant to the permit to obtain water from an entity such as a water district or a municipality engaged in furnishing water to the inhabitants of the designated area, only if:
   (a) The distance from the property line of any parcel served by a well pursuant to a [temporary] revocable permit to the pipes and other appurtenances of the proposed source of water to which the property will be connected is not more than 180 feet; and
   (b) The well providing water pursuant to the [temporary] revocable permit needs to be redrilled or have repairs made which require the use of a well-drilling rig.

5. The State Engineer may [in an area in which have been issued temporary permits pursuant to subsection 3] limit the depth of a domestic well [pursuant to paragraph (c) of subsection 3] or prohibit repairs from being made to a well, and may require the person proposing to deepen or repair the well to obtain water from an entity such as a water district or a municipality engaged in furnishing water to the inhabitants of the designated area, only if:
   (a) The distance from the property line of any parcel served by the well to the pipes and other appurtenances of the proposed source of water to which the property will be connected is not more than 180 feet; and
(b) The deepening or repair of the well would require the use of a well-drilling rig.

6. For good and sufficient reasons, the State Engineer may exempt the provisions of this section with respect to public housing authorities.

7. If a user of a domestic well is furnished water by an entity such as a water district or a municipality:
   
   (a) The water from the domestic well must not be used for the watering of a family garden or lawn or the watering of livestock or any domestic animals or household pets; and
   
   (b) That the domestic well must be plugged pursuant to the provisions of any applicable regulations adopted by the State Engineer.

8. The provisions of this section do not prohibit the State Engineer from revoking a revocable permit issued pursuant to this section if any parcel served by a well pursuant to the revocable permit is currently obtaining water from an entity such as a water district or a municipality engaged in furnishing water to the inhabitants of the area.

Sec. 79. NRS 534.125 is hereby amended to read as follows:

534.125 If the State Engineer issues a revocable permit pursuant to NRS 534.120 or if a well for domestic use is drilled in an area in which the State Engineer has issued such a revocable permit, the State Engineer shall file a notice with the county recorder of the county in which the permit is issued or the well is drilled. The notice must include a statement indicating that, if and when water can be furnished by an entity such as a water district or a municipality engaged in furnishing water to the inhabitants of the designated area:

1. A revocable permit may be revoked;

2. The owner of a domestic well may be prohibited from deepening or repairing the well; and

3. The owner of the property served by the well may be required to connect to this water source at his or her own expense.

Sec. 80. NRS 534.130 is hereby amended to read as follows:

534.130 The State Engineer, or the assistants or authorized agents of the State Engineer, [and the Artesian Well Supervisor, or the assistants of the Artesian Well Supervisor, shall have the right to] may enter the land of any owner or proprietor where any well mentioned in this chapter is situated or where water is being used at any reasonable hour of the day for the purpose of investigating and carrying out the duties in the administration of the State Engineer pursuant to this chapter.

Sec. 81. NRS 534.140 is hereby amended to read as follows:

534.140 1. Every well driller, before engaging in the physical drilling of a well in this State for development of water, must annually apply to the State Engineer for a license to drill.
2. The applications for those licenses and all licenses issued for the drilling of wells must be in the form prescribed by the State Engineer.

3. All well-drilling licenses expire on June 30 following their issuance and are not transferable.

4. A fee of $100 must accompany each application for a license and a fee of $60 must be paid each year for renewal of the license.

5. Those license fees must be accounted for in the State Engineer’s Water License Account and used to pay costs pertaining to licensing, the adoption and enforcement of regulations for well drilling and the compensation of the members of the Well Drillers’ Advisory Board and their expenses.

6. The State Engineer, after consulting with the Well Drillers’ Advisory Board, shall adopt regulations relating to continuing education for well drillers.

7. The State Engineer shall prepare and keep on file in the Office of the State Engineer regulations for well drilling.

8. Before engaging in the physical drilling of a well in this State for the development of water, every well driller who is the owner of a well-drilling rig, or who has a well-drilling rig under lease or rental, or who has a contract to purchase a well-drilling rig, must obtain a license as a well driller from the State Contractors’ Board.

Sec. 82. NRS 534.180 is hereby amended to read as follows:

534.180 1. Except as otherwise provided in subsection 2 and as to the furnishing of any information required by the State Engineer, this chapter does not apply in the matter of obtaining permits for the development and use of underground water from a well for domestic purposes where the draught does not exceed 2 acre-feet per year.

2. The State Engineer may designate any groundwater basin or portion thereof as a basin in which the registration of a well is required if the well is drilled for the development and use of underground water for domestic purposes. A driller who drills such a well shall register the information required by the State Engineer within 10 days after the completion of the well. The State Engineer shall make available forms for the registration of such wells and shall maintain a register of those wells.

3. The State Engineer may require the plugging of a domestic well [which is drilled on or after July 1, 1981] at any time not sooner than 1 year after water can be furnished to the site by:

(a) A political subdivision of this State; or

(b) A public utility whose rates and service are regulated by the Public Utilities Commission of Nevada, but only if the charge for making the connection to the service is less than $200.
4. If the development and use of underground water from a well for an accessory dwelling unit of a single-family dwelling, as defined in an applicable local ordinance, qualifies as a domestic use or domestic purpose:
   (a) The owner of the well shall:
       (1) Obtain approval for that use or purpose from the local governing body or planning commission in whose jurisdiction the well is located;
       (2) Install a water meter capable of measuring the total withdrawal of water from the well; and
       (3) Ensure the total withdrawal of water from the well does not exceed 2 acre-feet per year;
   (b) The local governing body or planning commission shall report the approval of the accessory dwelling unit on a form provided by the State Engineer;
   (c) The State Engineer shall monitor the annual withdrawal of water from the well; and
   (d) The date of priority for the use of the domestic well to supply water to the accessory dwelling unit is the date of approval of the accessory dwelling unit by the local governing body or planning commission.

Sec. 83. [NRS 534.193 is hereby amended to read as follows:

534.193 1. Except as otherwise provided in NRS 534.280, 534.310 and 534.330 and in addition to any other penalty provided by law, the State Engineer may, after notice and opportunity for a hearing, require a person who violates any provision of this chapter or any permit, order or decision issued or regulation adopted by the State Engineer pursuant to this chapter or NRS 532.120 to:
   (a) Pay an administrative fine not to exceed $10,000 per day for each violation as determined by the State Engineer.
   (b) In the case of [an unlawful waste of water in violation of NRS 534.070 or] any [other] violation of this chapter that, as determined by the State Engineer, results in an unlawful use, waste or diversion of water, replace not more than 200 percent of the water used, wasted or diverted.
   2. In determining violations of this chapter relating to the unauthorized use of water yielded from a well that is used pursuant to a permit issued by the State Engineer and that has 16 or fewer connections, the State Engineer has the burden of proving which user is withdrawing water in excess of the portion of water allotted to the connection of that user. The State Engineer may require any or all users of the well to install and maintain, at their own expense, a meter that measures the amount of water withdrawn from the well by each connection.
   3. If an administrative fine is imposed against a person pursuant to subsection 1 or the person is ordered to replace any water pursuant to that subsection, the State Engineer may require the person to pay the costs of the proceeding, including investigative costs and attorney’s fees.
4. An order imposing an administrative fine or requiring the replacement of water or payment of costs or fees pursuant to this section may be reviewed by a district court pursuant to NRS 533.450. (Deleted by amendment.)

Sec. 84. [NRS 536.115 is hereby amended to read as follows:]
536.115 1. In a county whose population is less than 100,000, the State Engineer shall, upon request of the owner of a ditch or a local governmental entity in whose jurisdiction a ditch is located, investigate a complaint involving a possible violation of the provisions of NRS 536.120 which involves the ditch if the ditch is located:
(a) Within the boundaries of an adjudicated [stream system] source of surface water or groundwater for which the State Engineer has appointed an engineer to work in a supervisory capacity pursuant to NRS 533.275; and
(b) Outside the boundaries of an irrigation district organized pursuant to chapter 539 of NRS.
2. For any complaint investigated pursuant to subsection 1, the State Engineer shall:
(a) Prepare a report concerning the investigation, including, without limitation, the condition of the ditch; and
(b) Make the report available to the person or local governmental entity that requested the investigation.
3. A person or local governmental entity that obtains a report pursuant to subsection 2 may submit a copy of the report with any report of a violation of the provisions of NRS 536.120 that is reported to a law enforcement agency.
4. As used in this section, “source of surface water or groundwater” has the meaning ascribed to it in section 3 of this act. (Deleted by amendment.)

Sec. 85. NRS 538.171 is hereby amended to read as follows:
538.171 1. The Commission shall receive, protect and safeguard and hold in trust for the State of Nevada all water and water rights, and all other rights, interests or benefits in and to the waters described in NRS 538.041 to 538.251, inclusive, and to the power generated thereon, held by or which may accrue to the State of Nevada under and by virtue of any Act of the Congress of the United States or any agreements, compacts or treaties to which the State of Nevada may become a party, or otherwise.
2. Except as otherwise provided in this subsection, applications for the original appropriation of such waters, or to change the place point of diversion, manner of use or place of use of water covered by the original appropriation, must be made to the Commission in accordance with the regulations of the Commission. In considering such an application, the Commission shall use the criteria set forth in subsection 3 of NRS 533.370. The Commission’s action on the application constitutes the recommendation of the State of Nevada to the United States for the purposes of any federal action on the matter required by law. The provisions of this subsection do not apply to supplemental water.
3. The Commission shall furnish to the State Engineer a copy of all agreements entered into by the Commission concerning the original appropriation and use of such waters. It shall also furnish to the State Engineer any other information it possesses relating to the use of water from the Colorado River which the State Engineer deems necessary to allow the State Engineer to act on applications for permits for the subsequent appropriation of these waters after they fall within the State Engineer’s jurisdiction.

4. Notwithstanding any provision of chapter 533 of NRS, any original appropriation and use of the waters described in subsection 1 by the Commission or by any entity to whom or with whom the Commission has contracted the water is not subject to regulation by the State Engineer.

5. Any use of water from the Muddy River or the Virgin River for the creation of any developed shortage supply or intentionally created surplus does not require the submission of an application to the State Engineer to change the point of diversion, manner of use or place of use. As used in this subsection:
   (a) "Developed shortage supply" has the meaning ascribed to it in NRS 533.030.
   (b) "Intentionally created surplus" has the meaning ascribed to it in NRS 533.030.

Sec. 86. Chapter 540 of NRS is hereby amended by adding thereto the provisions set forth as sections 87 and 88 of this act.

Sec. 87. 1. In addition to any other penalty provided by law, the State Engineer may, after notice and opportunity for a hearing, require a person who violates any provision of this chapter or any order or decision issued or regulation adopted by the State Engineer pursuant to this chapter or NRS 532.120 to pay an administrative fine not to exceed $10,000 per day for each violation as determined by the State Engineer.

2. If an administrative fine is imposed against a person pursuant to subsection 1, the State Engineer may require the person to pay the costs of the proceeding, including investigative costs and attorney’s fees.

3. An order imposing an administrative fine or payment of costs pursuant to this section may be reviewed by a district court pursuant to NRS 533.450.

Sec. 88. 1. The State Engineer may seek injunctive relief in any court of competent jurisdiction to prevent the continuance or occurrence of any act or practice which violates any provision of this chapter, or any order or decision issued or regulation adopted by the State Engineer pursuant to this chapter or NRS 532.120.

2. On a showing by the State Engineer that a person is engaged, or is about to engage, in any act or practice which violates or will violate any provision of this chapter, or any order or decision issued or regulation adopted by the State Engineer pursuant to this chapter or NRS 532.120, the court may issue, without a bond, any prohibitory or mandatory injunction
that the facts may warrant, including a temporary restraining order issued ex parte or, after notice and hearing, a preliminary or permanent injunction.

3. The failure to establish the lack of an adequate remedy at law or irreparable harm is not a ground for denying a request for a temporary restraining order or injunction.

4. The court may require the posting of a sufficient performance bond or other security to ensure compliance with the court order within the period prescribed.

5. Any proceeding conducted or injunction or order issued pursuant to this section is in addition to, and not in lieu of, any other penalty or remedy available for a violation of this chapter.

Sec. 89. NRS 540.141 is hereby amended to read as follows:

540.141  1. A plan or joint plan of water conservation submitted to the Section for review must include provisions relating to:
(a) Methods of public education to:
   (1) Increase public awareness of the limited supply of water in this State and the need to conserve water.
   (2) Encourage reduction in the size of lawns and encourage the use of plants that are adapted to arid and semiarid climates.
(b) Specific conservation measures required to meet the needs of the service area, including, but not limited to, any conservation measures required by law.
(c) The management of water to:
   (1) Identify and reduce leakage in water supplies, inaccuracies in water meters and high pressure in water supplies; and
   (2) Where applicable, increase the reuse of effluent.
(d) A contingency plan for drought conditions that ensures a supply of potable water.
(e) A schedule for carrying out the plan or joint plan.
(f) In addition to the requirements of subsection 1, a plan or joint plan of water conservation submitted by a supplier of water providing service for 500 or more connections must include provisions relating to:
   (a) Measures to evaluate the effectiveness of the plan or joint plan.
   (b) For each conservation measure specified in the plan or joint plan, an estimate of the amount of water that will be conserved each year as a result of the adoption of the plan or joint plan, stated in terms of gallons of water per person per day.

3. A plan or joint plan submitted for review must be accompanied by an analysis of:
(a) The feasibility of charging variable rates for the use of water to encourage the conservation of water.
(b) How the rates that are proposed to be charged for the use of water in the plan or joint plan will maximize water conservation, including, without

Senator Goicoechea moved the adoption of the amendment.

Remarks by Senator Goicoechea.

This is a very long bill that I worked on with about 25-30 interested parties in addition to the staff of the Division of Water Resources. Several sections that we couldn’t reach agreement on were deleted. Some of the other changes proposed by the amendment are: Revises what type of map must be filed with a proof of appropriation in the Office of the State Engineer to reflect current practices; Requires the State Engineer, unless the claimants waive certain time limitations, to set a time and place for a hearing on objections to a preliminary order of determination regarding the claimants of water rights not less than 120 days after the date of the preliminary order to allow sufficient time for the claimants to prepare; Imposes a fee of $410 for filing proof of beneficial use and increases the fee for issuing and recording a certificate upon approval of the proof of beneficial use from $350 to $410; and Amends certain language that triggers a requirement for the State Engineer to conduct an inventory of the basin from which the water is to be exported before approving an application or a group of applications for certain inter-basin transfers.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Senate Bill No. 70.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 108.

AN ACT relating to public bodies; making various changes relating to meetings of public bodies; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The Open Meeting Law only applies to meetings of a quorum of the members of certain public bodies. (NRS 241.016) “Quorum” is defined in existing law as “a simple majority of the constituent membership of a public body or another proportion established by law.” Section 2 of this bill deletes the extraneous word “constituent” from this definition, thereby clarifying that a quorum consists of a simple majority of the members of the public body unless a different number is prescribed in law.

The Open Meeting Law specifies a certain number of working days by which a public body is mandated to comply with certain requirements with respect to its meetings, such as providing notice of its meetings and making available minutes or audio recordings of its meetings. (NRS 241.020, 241.033-241.035) Section 2 defines “working day” for purposes of these requirements as every day of the week except Saturday, Sunday and legal holidays prescribed in existing law. Therefore, if an agency has a 4-day workweek and is closed on Fridays, for example, Friday would nevertheless count as a working day for that agency for purposes of the requirements of the Open Meeting Law unless a particular Friday is a legal holiday.
Under existing law, any provision of law which provides that a meeting, hearing or other proceeding is not subject to the Open Meeting Law or otherwise authorizes or requires a closed meeting, hearing or proceeding prevails over the general provisions of the Open Meeting Law. (NRS 241.016) Section 3 of this bill lists examples of other such provisions of law that prevail over the general provisions of the Open Meeting Law.

Under existing law, if a public body will consider whether to take administrative action against a person during a public meeting, the agenda for the meeting is required to include the name of the person against whom the public body may take administrative action. (NRS 241.020) Section 4 of this bill broadens this requirement for agendas to apply to other types of administrative action that a public body may take that are not adverse to a person, such as, for example, appointment of the person to a position.

The Open Meeting Law sets forth the minimum public notice required for meetings of public bodies subject to the Open Meeting Law. (NRS 241.020) Section 4 of this bill requires such a public body to document in writing its compliance with the requirement for minimum public notice to post a copy of the public notice at required locations for each of its meetings.

Under the Open Meeting Law, a member of a public body is prohibited from designating a person to attend a meeting of the public body in the place of the member unless the designation is expressly authorized by the legal authority pursuant to which the public body was created. (NRS 241.025) Section 5 of this bill extends this prohibition to the public body itself, thereby prohibiting a public body from designating a person to attend a meeting of the public body in the place of a member of the public body without specific legal authority.

Under the Open Meeting Law, a public body is required to keep written minutes of each of its meetings. (NRS 241.035) Section 6 of this bill requires a public body to approve the minutes of a meeting of the public body within 45 days after the meeting or at the next meeting of the public body, whichever occurs later, unless good cause for delay is shown.

With certain exceptions, the Attorney General is required under existing law to investigate and prosecute violations of the Open Meeting Law. (NRS 241.039) Section 7 of this bill authorizes the filing of a complaint alleging a violation of the Open Meeting Law with the Office of the Attorney General. Section 7 also makes all documents and other information obtained by the Attorney General during the investigation of a violation of the Open Meeting Law confidential until the investigation is closed except: (1) the complaint; (2) findings of fact and conclusions of law made by the Attorney General relating to the complaint; and (3) any document or information compiled as a result of the investigation that may be requested for inspection or copying from a governmental entity other than the Office of the Attorney General.

Any such copies, abstracts or memoranda may be used to supply the general public with copies, abstracts or memoranda of the records or may be used in any other way to the advantage of the governmental entity or of the general public. This section does not supersede or in any manner affect the federal laws governing copyrights or enlarge, diminish or affect in any other manner the rights of a person in any written book or record which is copyrighted pursuant to federal law.

2. A governmental entity may not reject a book or record which is copyrighted solely because it is copyrighted.

3. A governmental entity that has legal custody or control of a public book or record shall not deny a request made pursuant to subsection 1 to inspect or copy or receive a copy of a public book or record on the basis that the requested public book or record contains information that is confidential if the governmental entity can redact, delete, conceal or separate the confidential information from the information included in the public book or record that is not otherwise confidential.

4. A person may request a copy of a public record in any medium in which the public record is readily available. An officer, employee or agent of a governmental entity who has legal custody or control of a public record:

   (a) Provides that any meeting, hearing or other proceeding is not subject to the provisions of this chapter; or
   (b) Otherwise authorizes or requires a closed meeting, hearing or proceeding,

4. The exceptions provided to this chapter, and electronic communication, must not be used to circumvent the spirit or letter of this chapter to deliberate or act, outside of an open and public meeting, upon a matter over which the public body has supervision, control, jurisdiction or advisory powers.

Sec. 4. NRS 241.020 is hereby amended to read as follows:

241.020 1. Except as otherwise provided by specific statute, all meetings of public bodies must be open and public, and all persons must be permitted to attend any meeting of these public bodies. A meeting that is closed pursuant to a specific statute may only be closed to the extent specified in the statute allowing the meeting to be closed. All other portions of the meeting must be open and public, and the public body must comply with all other provisions of this chapter to the extent not specifically precluded by the specific statute. Public officers and employees responsible for these meetings shall make reasonable efforts to assist and accommodate persons with physical disabilities desiring to attend.
2. Except in an emergency, written notice of all meetings must be given at least 3 working days before the meeting. The notice must include:
   (a) The time, place and location of the meeting.
   (b) A list of the locations where the notice has been posted.
   (c) The name and contact information for the person designated by the public body from whom a member of the public may request the supporting

(d) An agenda consisting of:

(1) A clear and complete statement of the topics scheduled to be considered during the meeting.

(2) A list describing the items on which action may be taken and clearly denoting that action may be taken on those items by placing the term “for possible action” next to the appropriate item or, if the item is placed on the agenda pursuant to NRS 241.0365, by placing the term “for possible corrective action” next to the appropriate item.

(3) Periods devoted to comments by the general public, if any, and discussion of those comments. Comments by the general public must be taken:

   (I) At the beginning of the meeting before any items on which action may be taken are heard by the public body and again before the adjournment of the meeting; or
   (II) After each item on the agenda on which action may be taken is discussed by the public body, but before the public body takes action on the item.

   The provisions of this subparagraph do not prohibit a public body from taking comments by the general public in addition to what is required pursuant to sub-subparagraph (I) or (II). Regardless of whether a public body takes comments from the general public pursuant to sub-subparagraph (I) or (II), the public body must allow the general public to comment on any matter that is not specifically included on the agenda as an action item at some time before adjournment of the meeting. No action may be taken upon a matter raised during a period devoted to comments by the general public until the matter itself has been specifically included on an agenda as an item upon which action may be taken pursuant to subparagraph (2).

(4) If any portion of the meeting will be closed to consider the character, alleged misconduct or professional competence of a person, the name of the person whose character, alleged misconduct or professional competence will be considered.

(5) If, during any portion of the meeting, the public body will consider whether to take administrative action [against] regarding a person, the name of [the] that person [against whom administrative action may be taken].

   (I) Items on the agenda may be taken out of order;
   (II) The public body may combine two or more agenda items for consideration; and
   (III) The public body may remove an item from the agenda or delay discussion relating to an item on the agenda at any time.

(7) Any restrictions on comments by the general public. Any such restrictions must be reasonable and may restrict the time, place and manner of the comments, but may not restrict comments based upon viewpoint.
3. Minimum public notice is:
   (a) Posting a copy of the notice at the principal office of the public body
   or, if there is no principal office, at the building in which the meeting is to be
   held, and at not less than three other separate, prominent places within the
   jurisdiction of the public body not later than 9 a.m. of the third working day
   before the meeting;
   (b) Posting the notice on the official website of the State pursuant to NRS
   232.2175 not later than 9 a.m. of the third working day before the meeting is
   to be held, unless the public body is unable to do so because of technical
   problems relating to the operation or maintenance of the official website of
   the State; and
   (c) Providing a copy of the notice to any person who has requested notice
   of the meetings of the public body. A request for notice lapses 6 months after
   it is made. The public body shall inform the requester of this fact by
   enclosure with, notation upon or text included within the first notice sent.
   The notice must be:
      (1) Delivered to the postal service used by the public body not later than
   9 a.m. of the third working day before the meeting for transmittal to the
   requester by regular mail; or

   receive the public notice by electronic mail, transmitted to the requester by
   electronic mail sent not later than 9 a.m. of the third working day before the
   meeting.

4. For each of its meetings, a public body shall [certify document in
   writing (on a form prescribed by the Attorney General)] that the public
   body complied with the minimum public notice required by [this paragraph
   (a) of subsection for the meeting.

3. The documentation must be prepared by every person who posted a
   copy of the public notice and include, without limitation:
   (a) The date and time when the person posted the copy of the public
   notice;
   (b) The address of the location where the person posted the copy of the
   public notice; and
   (c) The name, title and signature of the person who posted the copy of the
   notice.

5. If a public body maintains a website on the Internet or its successor,
   the public body shall post notice of each of its meetings on its website unless
   the public body is unable to do so because of technical problems relating to

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 113.

AN ACT relating to vehicles; authorizing a person to apply for [a letter of abandonment for an] title to an abandoned recreational vehicle in certain circumstances; providing that a person who owns or occupies private property on which a recreational vehicle has been abandoned has a lien on the recreational vehicle; requiring a municipal solid waste landfill to accept a recreational vehicle for disposal under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law [sets forth the procedure for disposal of an abandoned vehicle. (NRS 487.205-487.300) Section] provides that certain persons who store, maintain, keep, repair or furnish facilities or services for certain vehicles have a lien on such a vehicle. After providing notice to the owner of a vehicle on which such a lien is held, the vehicle may be sold to satisfy the lien. Any proceeds from such a sale in excess of those necessary to satisfy the lien must be returned to the owner of the vehicle. (NRS 108.270-108.367) Section 1.4 of this bill provides that a person who owns or occupies private property on which a recreational vehicle is abandoned has a lien on the recreational vehicle. Sections 1 and 1.2 of this bill [authorize an owner of
occupant of private property who discovers an abandoned recreational vehicle on the property to apply for a letter of abandonment for the recreational vehicle. Section 1 also sets forth a procedure by which a person may obtain title to a recreational vehicle discovered abandoned on private property after attempting to provide notice to the owner.

Existing law sets forth the procedure for disposal of an abandoned vehicle. (NRS 487.205-487.300) Section 2 of this bill requires a municipal solid waste landfill to accept a recreational vehicle for disposal if: (1) the person disposing of the recreational vehicle pays any applicable fee and provides the title to the recreational vehicle which indicates that he or she is the owner of the vehicle, or has obtained a letter of abandonment from the Department of Motor Vehicles; and (2) accepting the recreational vehicle for disposal does not violate any applicable federal or state law concerning the operation of the municipal solid waste landfill.

Amendment No. 76.

AN ACT relating to controlled substances; allowing certain law enforcement officers to access the database of the computerized program to track prescriptions of controlled substances developed by the State Board of Pharmacy and the Investigation Division of the Department of Public Safety for certain purposes; providing immunity from liability to certain persons and governmental entities for certain actions relating to the collection, transmission and maintenance of information included in the database in certain circumstances; requiring the Board and the Division to use such information for certain purposes; or a law enforcement agency to notify a person of any unauthorized access to the information in the database; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Board of Pharmacy and the Investigation Division of the Department of Public Safety to cooperatively develop a computerized program to track prescriptions for certain controlled substances that are filled by a pharmacy or dispensed by a practitioner that is registered with the Board. This program is required to be designed to provide certain information concerning the use of controlled substances, including data relating to the use of controlled substances that is not specific to a particular patient. The Board and Division use the program to identify any suspected fraudulent or illegal activity related to the dispensing of controlled substances and are required to report such activity to the appropriate law enforcement agency or occupational licensing board. (NRS 453.1545) This Section 1 of this bill expands the information that this computerized system is required to be designed to provide to also include data relating to the prescribing of controlled substances that is specific to a particular patient. This bill also requires the Board and the Division to monitor the prescription activity of prescribing practitioners for certain controlled substances and notify a practitioner if he or she has written a certain comparatively high number of such prescriptions. and meets the requirements of subsection 1. Such certification must be made on a form provided by the Board and renewed annually.

3. When a law enforcement officer accesses the database of the computerized program pursuant to this section, the officer must enter a unique user name assigned to the officer and the case number corresponding to the investigation being conducted by the officer.

4. A law enforcement officer who is given access to the database of the computerized program pursuant to subsection 1 may access the database to investigate a crime related to prescription drugs and for no other purpose.

5. The employer of a law enforcement officer who is provided access to the database of the computerized program pursuant to this section shall monitor the use of the database by the law enforcement officer and establish appropriate disciplinary action to take against an officer who violates the provisions of this section.

7. As used in this section, “law enforcement officer” means any person upon whom some or all of the powers of a peace officer are conferred pursuant to NRS 289.150 to 289.360, inclusive.

[NRS 453.1545] Sec. 2. NRS 453.1545 is hereby amended to read as follows:

453.1545 1. The Board and the Division shall cooperatively develop a computerized program to track each prescription for a controlled substance listed in schedule II, III or IV that is filled by a pharmacy that is registered with the Board or that is dispensed by a practitioner who is registered with the Board. The program must:

(a) Be designed to provide information regarding:

(1) The inappropriate use by a patient of controlled substances listed in schedules II, III and IV to pharmacies, practitioners and appropriate state and local governmental agencies, including, without limitation, law enforcement agencies and occupational licensing boards, to prevent the improper or illegal use of those controlled substances; and

(2) Statistical data relating to the use of those controlled substances that is not specific to a particular patient;

(b) Be administered by the Board, the Investigation Division, the Division of Public and Behavioral Health of the Department and various practitioners, representatives of professional associations for practitioners, representatives of occupational licensing boards and prosecuting attorneys selected by the Board and the Investigation Division.
(c) Not infringe on the legal use of a controlled substance for the management of severe or intractable pain.

(d) Include the contact information of each person who elects to access the database of the program pursuant to subsection 2, including, without limitation:

1. The name of the person;
2. The physical address of the person;
3. The telephone number of the person; and
4. If the person maintains an electronic mail address, the electronic mail address of the person.

2. The Board shall provide Internet access to the database of the program established pursuant to subsection 1 to each practitioner who is authorized to write prescriptions for and each person who is authorized to dispense controlled substances listed in schedule II, III or IV who:

(a) Elects to access the database of the program; and
(b) Completes the course of instruction described in subsection 7.

3. A practitioner who is provided Internet access to the database of the program pursuant to subsection 2 must, for the purposes of complying with the provisions of subsection 5, be provided access to information specific to the prescriptions for controlled substances listed in schedule II, III or IV written by the practitioner, including, without limitation, the name of each patient for whom the practitioner has written such a prescription and, for each such patient:

(a) The date on which the prescription was written by the practitioner;
(b) The name, dosage and amount of the controlled substance prescribed by the practitioner; and
(c) The number of refills authorized and filled for the controlled substance.

4. The Board and the Division must have access to the program established pursuant to subsection 1 to identify any suspected fraudulent or illegal activity related to the dispensing of controlled substances.

5. The Board and the Division shall access the program established pursuant to subsection 1 to monitor the prescription activity of practitioners authorized to write prescriptions for controlled substances listed in schedule II, III or IV, and to tabulate and compare the number of such prescriptions written monthly by each practitioner in a particular medical specialty or other category established by the Board for this purpose. When the number of such prescriptions written in a month by any practitioner exceeds the monthly average of 95 percent of the other practitioners in that specialty or category, the Board shall notify the practitioner in writing and via electronic mail, if available. Within 10 days after receiving such notice from the Board, the practitioner shall:

(a) Review the information described in subsection 2 to determine the accuracy of the information; and
6. The Board or the Division shall report any activity it reasonably suspects may be fraudulent or illegal to the appropriate law enforcement agency or occupational licensing board and provide the law enforcement agency or occupational licensing board with the relevant information obtained from the program for further investigation.

5. The Board and the Division may cooperatively enter into a written agreement with an agency of any other state to provide, receive or exchange information obtained by the program with a program established in that state which is substantially similar to the program established pursuant to subsection 1, including, without limitation, providing such state access to the database of the program or transmitting information to and receiving information from such state. Any information provided, received or exchanged as part of an agreement made pursuant to this section may only be used in accordance with the provisions of this chapter.

6. Information obtained from the program relating to a practitioner or a patient is confidential and, except as otherwise provided by this section and NRS 239.0115, must not be disclosed to any person. That information must be disclosed:

(a) Upon the request of a person about whom the information requested concerns or upon the request on behalf of that person by his or her attorney; or

(b) Upon the lawful order of a court of competent jurisdiction.

7. The Board and the Division shall cooperatively develop a course of training for persons who elect to access the database of the program pursuant to subsection 2 and require each such person to complete the course of training before the person is provided with Internet access to the database pursuant to subsection 2.

8. A practitioner who is authorized to write prescriptions for and each person who is authorized to dispense controlled substances listed in schedule II, III or IV who makes a good faith effort to comply with applicable laws and regulations when transmitting to the Board or the Division a report or information required by this section or a regulation adopted pursuant thereto is immune from civil and criminal liability relating to such action.

9. The Board, the Division and each employee thereof are immune from civil and criminal liability for any action relating to the collection, maintenance and transmission of information pursuant to this section if a good faith effort is made to comply with applicable laws and regulations.

10. The Board and the Division may apply for any available grants and accept any gifts, grants or donations to assist in developing and maintaining the program required by this section.
11. If the Board, the Division or a law enforcement agency determines that the database of the program has been intentionally accessed by a person or for a purpose not authorized pursuant to this section or section 1 of this act, the Board, Division or law enforcement agency, as applicable, must notify any person whose information was accessed by an unauthorized person or for an unauthorized purpose.

Sec. 3. NRS 453.552 is hereby amended to read as follows:

453.552 1. Any penalty imposed for violation of NRS 453.011 to 453.551, inclusive, and section 1 of this act is in addition to, and not in lieu of, any civil or administrative penalty or sanction otherwise authorized by law.

2. Any violation of the provisions of NRS 453.011 to 453.551, inclusive, and section 1 of this act where no other penalty is specifically provided, is a misdemeanor.

Senator Hardy moved the adoption of the amendment. Remarks by Senators Hardy and Denis.

Senator Hardy:

Amendment No. 76 to Senate Bill 114 replaces the current provisions of the measure with the following provisions. The amendment first requires the State Board of Pharmacy to allow a law enforcement officer to have Internet access to the database of the program if the employer of the officer approves and submits certification to the Board that the officer meets certain requirements. The officer is limited to accessing the database to investigate a crime related to prescription drugs. The employer is required to monitor the use of the database by the office, and establish appropriate disciplinary action for any misuse by an officer.

It next specifies that a violation of the requirement for accessing the system by law enforcement may be subject to a misdemeanor, which is similar to violating certain provisions relating to controlled substances.

Next, it requires the Board, the Division, or a law enforcement agency to notify any person whose information has been intentionally accessed by an improper person or for an improper purpose.

It specifies that practitioners authorized to write prescriptions and dispense controlled substances are immune from civil and criminal liability only if they make a good faith effort to comply with applicable laws and regulations.

It further specifies that the State Board of Pharmacy, or the Investigation Division, and employees thereof are immune from criminal and civil liability concerning the collection, transmission, and maintenance of information for purposes relating to the database if a good faith effort is made to comply with applicable law.

Senator Denis:

I have a question. What I heard was this will allow if they have an active investigation to be able to go in and search the database but they can’t go out fishing for stuff.

Senator Hardy:

Yes, you’re absolutely right. You can’t fish.

AN ACT relating to controlled substances; requiring the State Board of Pharmacy and the Investigation Division of the Department of Public Safety to provide access to the computerized program to track prescriptions of controlled substances developed by the State Board of Pharmacy and the Investigation Division of the Department of Public Safety to include certain information; authorizing access to such information for certain purposes; occupational licensing boards; requiring the Board and the Division to provide information concerning the inappropriate use of a controlled substance by a patient to the occupational licensing board of a practitioner who prescribes the controlled substance to the patient; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the State Board of Pharmacy and the Investigation Division of the Department of Public Safety to cooperatively develop a computerized program to track prescriptions for certain controlled substances that are filled by a pharmacy or dispensed by a practitioner that is registered with the Board. This program is required to be designed to provide certain information concerning the use of controlled substances, including data relating to the use of controlled substances that is not specific to a particular patient. The Board and Division use the program to identify any suspected fraudulent or illegal activity related to the dispensing of controlled substances and are required to report such activity to the appropriate law enforcement agency or occupational licensing board. (NRS 453.1545) This bill expands the information that this computerized system is required to be designed to provide to also include data relating to the prescribing of controlled substances that is specific to a particular patient. This bill also requires the Board and the Division to monitor the prescription activity of prescribing practitioners for certain controlled substances and notify a practitioner if he or she has written a certain comparatively high number of such prescriptions. Finally, this bill authorizes access to information concerning particular patients to: (1) the Board and the Division for the purpose of such monitoring; and (2) a practitioner who has received such notice from the Board for the purpose of confirming the accuracy of information contained in the notice. This bill also requires the Board and the Division to report to the occupational licensing board of a practitioner who prescribes a controlled substance to a patient any activity that may indicate that the patient is using the controlled substance inappropriately. This bill also requires the Board and the Division to give access to the database of the program to the occupational licensing boards of practitioners for the purpose of investigating such inappropriate use, if the occupational licensing board determines that an investigation is warranted.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
Section 1. NRS 453.1545 is hereby amended to read as follows:

453.1545 1. The Board and the Division shall cooperatively develop a computerized program to track each prescription for a controlled substance listed in schedule II, III or IV that is filled by a pharmacy that is registered with the Board or that is dispensed by a practitioner who is registered with the Board. The program must:

(a) Be designed to provide information regarding:

   (3) Data relating to the prescribing of those controlled substances that is specific to a particular patient, access to which must be restricted to persons who are authorized to access such information for the purposes set forth in subsections 3, 4 and 5.

(b) Be administered by the Board, the Investigation Division, the Division of Public and Behavioral Health of the Department and various practitioners, representatives of professional associations for practitioners, representatives of occupational licensing boards and prosecuting attorneys selected by the Board and the Investigation Division.

(c) Not infringe on the legal use of a controlled substance for the management of severe or intractable pain.

(d) Include the contact information of each person who elects to access the database of the program pursuant to subsection 2, including, without limitation:
   (1) The name of the person;
   (2) The physical address of the person;
   (3) The telephone number of the person; and
   (4) If the person maintains an electronic mail address, the electronic mail address of the person.

2. The Board shall provide Internet access to the database of the program established pursuant to subsection 1 to:

(a) Each practitioner who is authorized to write prescriptions for and each person who is authorized to dispense controlled substances listed in schedule II, III or IV who:
   (1) Elects to access the database of the program; and
   (2) Completes the course of instruction described in subsection 7.

(b) An occupational licensing board that licenses any practitioner who is authorized to write prescriptions for controlled substances listed in schedule II, III or IV.
3. A practitioner who is provided Internet access to the database of the program pursuant to subsection 2 must, for the purposes of complying with the provisions of subsection 5, be provided access to information specific to the prescriptions for controlled substances listed in schedule II, III or IV written by the practitioner, including, without limitation, the name of each patient for whom the practitioner has written such a prescription and, for each such patient:

(a) The date on which the prescription was written by the practitioner;
(b) The name, dosage and amount of the controlled substance prescribed by the practitioner; and
(c) The number of refills authorized and filled for the controlled substance.

4. The Board and the Division must have access to the program established pursuant to subsection 1 to identify any suspected fraudulent or illegal activity related to the dispensing of controlled substances.

(b) Indicate the inappropriate use by a patient of a controlled substance to the occupational licensing board of each practitioner who has prescribed the controlled substance to the patient. The occupational licensing board may access the database of the program established pursuant to subsection 1 to determine which practitioners are prescribing the controlled substance to the
patient. The occupational licensing board may use this information for any purpose it deems necessary, including, without limitation, alerting a practitioner that a patient may be fraudulently obtaining a controlled substance or determining whether a practitioner is engaged in unlawful or unprofessional conduct. This paragraph shall not be construed to require an occupational licensing board to conduct an investigation or take any action against a practitioner upon receiving information from the Board or the Division.

5. The Board and the Division may cooperatively enter into a written agreement with an agency of any other state to provide, receive or exchange information obtained by the program with a program established in that state which is substantially similar to the program established pursuant to subsection 1, including, without limitation, providing such state access to the database of the program or transmitting information to and receiving information from such state. Any information provided, received or exchanged as part of an agreement made pursuant to this section may only be used in accordance with the provisions of this chapter.

   (b) Upon the lawful order of a court of competent jurisdiction.

7. The Board and the Division shall cooperatively develop a course of training for persons who elect to access the database of the program pursuant to subsection 2 and require each such person to complete the course of training before the person is provided with Internet access to the database pursuant to subsection 2.

8. A practitioner who is authorized to write prescriptions for and each person who is authorized to dispense controlled substances listed in schedule II, III or IV who acts with reasonable care when transmitting to the Board or the Division a report or information required by this section or a regulation adopted pursuant thereto is immune from civil and criminal liability relating to such action.

using the controlled substance inappropriately; 2) provide access to the prescription drug monitoring program database to the occupational licensing board of practitioners for the purpose of investigating such inappropriate use, if the occupational licensing board determines that an investigation is warranted.

SENATOR KIECKHEFER:
Does this substantively change anything in the bill as amended by Amendment No. 76 that we just adopted?

SENATOR HARDY:
It envelops all of it into one.

SENATOR DENIS:
Since this is similar to the other one I have the same question. Does this allow them to go fishing?

SENATOR HARDY:
No fishing allowed.

SENATOR DENIS:
Because they have access to it, will they also be required to do the training and the other things that are required of those who prescribe?

SENATOR HARDY:
A sheriff’s office might have specific people who are designated to look at certain crimes. Those people who are designated to look at certain crimes will be the ones who are allowed, and no one else, so they will be specifically identified. If they are not specifically identified, and they go fishing or even look at a specific crime, they are guilty of a misdemeanor. This allows the Pharmacy Board to find out if there is a patient who looks like they are using more than the normal course of a patient. This would allow the Pharmacy Board to then notify the Board of Medical, the Board of Osteopathic Medicine, the Physician Assistant or the APRN. Those people can then see if they need to investigate other than just notifying the primary care provider that there may be a problem in which the primary care provider could say to him or herself there may be a problem and a person is using too much. There is not an investigation triggered necessarily until there is something identified. There is no fishing allowed.

SENATOR DENIS:
You mentioned the Pharmacy Board in that description. Would they be the ones to report to one of these other people if they think there is a problem?

SENATOR HARDY:
That is correct, with the caveat that if there is a crime being investigated, the specific people identified by the Sheriff’s Department would have access to the database.

SECOND READING AND AMENDMENT

Senate Bill No. 125.

Bill read second time.

The following amendment was proposed by the Committee on Revenue and Economic Development:

Amendment No. 264.

AN ACT relating to economic development; creating the Nevada Air Service Development Commission; setting forth the duties of the Commission; creating the Nevada Air Service Development Fund; requiring the Commission to administer the Fund; establishing the criteria for awarding grants to certain [airports] air carriers from the Fund; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The Nevada Constitution contains a provision commonly known as a “gift clause” which restricts the State, under certain circumstances, from donating or loaning the State’s money or credit to any company, association or corporation, except corporations formed for educational or charitable purposes. (Nev. Const. Art. 8, § 9) The State does not donate, loan or “gift” its money in violation of this constitutional provision when the State dispenses state funds for a public purpose and the State receives a valuable benefit or fair consideration in exchange for the dispensation of such funds. (Lawrence v. Clark County, 127 Nev. Adv. Op. 32, 254 P.3d 606, 616 (2011)) In most cases, the courts generally will give great weight and due deference to the Legislature’s finding that a particular dispensation of state funds serves a public purpose and the State receives a valuable benefit or fair consideration in exchange for the dispensation. (Washoe County Water Conserv. Dist. v. Beemer, 56 Nev. 104, 115 (1935); Cauble v. Beemer, 64 Nev. 77, 82-85 (1947); McLaughlin v. Hous. Auth. of Las Vegas, 68 Nev. 84, 93 (1951); State ex rel. Brennan v. Bowman, 89 Nev. 330, 332-33 (1973); Lawrence v. Clark County, 127 Nev. Adv. Op. 32, 254 P.3d 606, 612 (2011))

Sections 2-10 of this bill create the: (1) Nevada Air Service Development Commission, which consists of the Executive Director of the Office of Economic Development within the Office of the Governor and the members of the Commission on Tourism of the Department of Tourism and Cultural Affairs; and (2) Nevada Air Service Development Fund. The Commission will administer the Fund and award grants to [the operators of] air carriers who will serve, or enhance service to, small airports in this State for the purpose of recruiting, retaining, stabilizing and expanding regional air service in this State. [Airports that receive grants] Grants from the Fund must
be used to pay the costs associated with an agreement entered into between the Commission and an air carrier for the air carrier to commence or continue air service to the airport in exchange for a guarantee of receiving certain revenue or subsidies from the Commission. Section 10 of this bill requires that: (1) a grant from the Commission must pay 80 percent of the cost of the guarantee; and (2) a local air service development entity, an airport receiving service or increased service or the governing body of the local government having jurisdiction over such an airport must pay 20 percent of the cost of such a guarantee, but does not indicate how such costs will be apportioned. Therefore, the governing body of such a local government could be required to pay for up to 20 percent of the cost of a guarantee even if the governing body did not consent to the application for or the acceptance of a grant, in the form of in-kind contributions.

Section 11 of this bill makes an appropriation to the Nevada Air Service Development Fund.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The Legislature hereby finds and declares that:

(a) Section 9 of Article 8 of the Nevada Constitution contains a provision commonly known as a “gift clause” which restricts the State under certain circumstances from donating or loaning the State’s money or credit to any company, association or corporation, except corporations formed for educational or charitable purposes.

(b) In Employers Insurance Company of Nevada v. State Board of Examiners, 117 Nev. 249, 258 (2001), the Nevada Supreme Court held that the State loans its credit in violation of Section 9 of Article 8 of the Nevada Constitution only when the State acts as a surety or guarantor for the debts of a company, corporation or association.

(c) In Lawrence v. Clark County, 127 Nev. Adv. Op. 32, 254 P.3d 606, 616 (2011), the Nevada Supreme Court held that the State does not donate, loan or “gift” its money in violation of Section 9 of Article 8 of the Nevada Constitution when the State dispenses state funds for a public purpose and the State receives a valuable benefit or fair consideration in exchange for the dispensation of the state funds.

(d) In McLaughlin v. Housing Authority of the City of Las Vegas, 68 Nev. 84, 93 (1951), and Lawrence v. Clark County, 127 Nev. Adv. Op. 32, 254 P.3d 606, 616 (2011), the Nevada Supreme Court held that when the Legislature authorizes a state agency to dispense state funds:

(1) The courts will carefully examine whether the Legislature made an informed and appropriate finding that dispensation of the state funds serves a public purpose and the State receives a valuable benefit or fair consideration in exchange for the dispensation;
The courts will give great weight and due deference to the Legislature’s finding, and the courts will uphold the Legislature’s finding unless it clearly appears to be erroneous and without reasonable foundation; and

(3) The courts will closely examine whether the dispensing state agency reviews all facts, figures and necessary information when making the dispensation, and when the state agency has done so, it will not be second-guessed by the courts.

2. The Legislature further finds and declares that:

(a) The state program developed and carried into effect pursuant to this act will not result in the State acting as a surety or guarantor of the debts of an air carrier receiving a grant.

(b) The purpose of this act is to develop and carry into effect a state program to encourage air carriers to resume, retain or enhance the provision of commercial air service to and from small hub airports and nonhub airports that serve rural communities in this State.

(c) The provisions of this act are intended to serve an important public purpose and ensure that the State receives valuable benefits and fair consideration in exchange for each grant from the program because:

(1) The program requires the dispensing state agency to review all facts, figures and necessary information when making each grant from the program to determine whether the grant will provide economic benefit to this State;

(2) The provision of air transportation service to and from small hub airports and nonhub airports enables the citizens and businesses of this State to travel more efficiently and at lower cost, to and from the rural communities in this State; and

(3) The dispensing state agency may not make a grant from the program unless the agency receives a commitment from the air carrier receiving the grant to commence or continue air service to a designated small hub airport or nonhub airport.

[Section 1.] Sec. 1.5. Chapter 231 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 10, inclusive, of this act.

Sec. 2. As used in sections 2 to 10, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 3 and 4 to 5.7, inclusive, of this act have the meanings ascribed to them in those sections.

Sec. 3. “Air carrier” means a person who provides commercial air transportation to passengers.

Sec. 4. “Commission” means the Nevada Air Service Development Commission created by section 6 of this act.

Sec. 5. “Fund” means the Nevada Air Service Development Fund created by section 8 of this act.
Sec. 5.3. 1. “Local air service development entity” means a regional development authority, an organization formed to encourage increased air service for small communities in this State or any other person who receives the benefit of increased air service for small communities in this State.

Senator Goicoechea moved the adoption of the amendment.

Remarks by Senators Goicoechea and Ford.

SENATOR GOICOECHEA:
Amendment No. 264 to Senate Bill 125 removes the potential for an unfunded mandate to be imposed on a local government and restructures the bill to allow the Nevada Air Service Development Commission, rather than an airport, to provide up to 80 percent of the cost of a guarantee in the form of a grant directly to an air transportation company.

The remaining 20 percent of the cost of the guarantee must be paid by either a local air service development entity, the airport designated in the application required pursuant to the bill, or the governing body of the local government that has jurisdiction over the airport.

The term “local air service development entity” is defined as either a regional development authority, an organization formed to encourage increased air service for small communities in this State, or any other person who receives the benefit of increased air service for small communities in this State.

The amendment clarifies that the contribution to the cost of the guarantee made by an airport or the governing body of a local government must not violate federal law or any regulations or guidelines adopted by the FAA and must be in the form of an in-kind contribution.

Finally, the amendment provides a legislative declaration to establish that the provisions of the bill are intended to serve an important public purpose and ensure that the State receives valuable benefits and fair consideration in exchange for each grant from the program. This relates to small hub airports which includes Reno.

SENATOR FORD:
Do I understand the sponsor to say this amendment removes the unfunded mandate? I believe this may be inaccurate as the amendment, on the front page, says it maintains the unfunded mandate. Would you please clarify that for me.

SENATOR GOICOECHEA:
The bottom line is the government is responsible for the 20 percent, the 80 percent comes in the form of a grant and that would be acquired through an appropriation from the State.

It requires the Council, in cooperation with the Department, to develop and implement a program to educate the general public on the history of wildlife in Nevada, the benefits of wildlife and wildlife management, and wildlife recreation opportunities in this State.

The bill provides that the Council will prepare a request for proposals, establish criteria for selecting a marketing or advertising agency, and conduct surveys to determine effectiveness of program.
Finally, it provides that the activities of the Council are to be funded by allocations from the Wildlife Heritage Trust Account and provides limits on the expenditure that may be made annually by the Department to fund the activities of the Council.

(NRS 293.205-293.207) Existing law prohibits a person from applying for or receiving a ballot at any election precinct or district other than the one at which the person is entitled to vote. (NRS 293.730)

Section 2 of this bill authorizes a county clerk to establish, with the approval of the board of county commissioners, one or more polling places in the county where any person entitled to vote in the county by personal appearance may do so on the day of a primary or general election. Section 5 and 52 of this bill authorize the county and city clerk to prepare an election board register for any such polling place. Section 6 of this bill sets forth the procedure for a person to vote in person at any such polling place.

Sections 49-53 of this bill set forth corresponding provisions authorizing city clerks to establish polling places where any person who is entitled to vote in the city by personal appearance may do so on the day of a primary city or general city election.

Under existing law, registration for any primary, primary city, general or general city election closes on the third Tuesday before the election. Existing law designates the offices of certain governmental entities, including the Department of Motor Vehicles, as voter registration agencies which are required to offer applications to register to vote to persons who apply for or receive services from the agency, to assist applicants in completing the applications and to forward the applications to the county clerk. (NRS 293.504) Sections 8-13 and 77-82 of this bill establish procedures by which a person applying for or receiving services from a voter registration agency who meets the qualifications to vote in this State will have his or her information electronically transmitted to the Secretary of State, and subsequently to county clerks, for the purpose of registering the person to vote or updating his or her voter registration information unless the person affirmatively declines to have his or her information transmitted. The procedures must be implemented by the Department of Motor Vehicles effective January 1, 2016, and by all other voter registration agencies effective January 1, 2017. Sections 31 and 32 of this bill require each county clerk to collect, for submission to the Secretary of State, certain information regarding persons who apply to register to vote or update their voter registration information through a voter registration agency, a roster for early voting in an electronic format.
Existing law requires the Secretary of State to maintain a website on the Internet for public information maintained, collected or compiled by the Secretary of State that relates to elections. Existing law defines the terms “election board register,” “roster” and “sample ballot” for the purposes of elections. (NRS 293.053, 293.095, 293.097) Sections 16, 16.5 and 17 of this bill clarify that such items may be electronic. Sections 25 and 58 make conforming changes.

Existing law requires: (1) the preparation of an election board register for each precinct or district that contains certain information from applications to register to vote; and (2) a voter to sign an election board register when he or she applies to vote at a polling place. (NRS 293.053, 293.275, 293.277, 293.285, 293.287, 293.510) Sections 16, [24, 26, 27, 34, 35, 43, 57, 59, 60] 60 and 65 of this bill make various changes to provide that an election board register [must] may be prepared in an electronic format and a person who applies to vote in person [must] may sign the register electronically.

(b) On January 1, 2017, for all other purposes.] Senator Farley moved the adoption of the amendment.

Remarks by Senator Farley.

Amendment No. 525 to Senate Bill 203 authorizes local election officials to incorporate electronic practices into early voting. The intent would be to authorize "vote center" style voting for early voting at permanent early voting locations, rather than at each primary and general election, and authorize the use of electronic practices as part of the early voting process.

The bill deletes provisions of the bill relating to registering to vote at the DMV. A similar voter registration model was already approved in an amendment to S.B.331, which was adopted earlier today.

It amends Section 14 of the bill to provide that persons 17 years of age, rather than 16 years of age, may preregister to vote and it deletes provisions in the bill that would have allowed registering to vote on Election Day.

It amends provisions that relate to the electronic distribution of sample ballots in a manner identical to the First Reprint of Assembly Bill 94, which already contains these provisions that authorizes election officials to establish systems for registered voters to choose to receive sample ballots by electronic means.

Finally, it deletes Section 68 as it relates to the use of the federal postcard application to register to vote or request for a military-overseas ballot if the application or request is received no later than 7 days prior to the election.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 630.

SUMMARY—Revises provisions relating to [inspections of certain] medical facilities and [offices] facilities for the dependent. (BDR 40-1132)

AN ACT relating to public health; requiring the Division of Public and Behavioral Health of the Department of Health and Human Services to [extend the period between periodic inspections under certain
circumstances;] adopt regulations to establish a grading system for medical
facilities and facilities for the dependent; requiring the Division, under
certain circumstances, to reduce certain fees for [certain] those facilities;
[and offices regulated by the Division]; and providing other matters properly
relating thereto.

Legislative Counsel’s Digest:
Existing law authorizes the Division of Public and Behavioral Health of
the Department of Health and Human Services to charge and collect a fee for
a license to operate a medical facility or facility for the dependent in this
State [and to charge and collect a fee for a permit which authorizes certain
facilities and offices to offer to patients the service of general anesthesia,
conscious sedation or deep sedation]. Existing law also authorizes the
Division to inspect and investigate such facilities to ensure that the facilities
are in compliance with certain federal and state laws, regulations and
standards. [Furthermore, existing law requires facilities and offices that offer
patients the service of general anesthesia, conscious sedation or deep
sedation and surgical centers for ambulatory patients to be inspected annually
by the Division.] (NRS 449.0307, 449.050, 449.080, 449.089, 449.131,
449.132) [449-449.448]  If a medical facility or facility for the
dependent passes a periodic inspection by the Division that is required by
existing law, section 2 Section 1 of this bill requires the Division [1] to
conduct the next consecutive periodic inspection of the facility after the
expiration of a period which is equal to one and one-half times the usual
period between inspections that is required by state law or which is equal to
the period that is required by federal law or regulation, whichever is shorter,
and (2) to establish a grading system for medical facilities and facilities for
the dependent. Section 1 also provides that the regulations must require the
Division to reduce by 25 percent the fee for the next consecutive renewal of
the license of the facility. Section 3 of this bill sets forth similar provisions
for a surgical center for ambulatory patients, an office of a physician or a
facility which is required to obtain a permit to offer patients the service of
general anesthesia, conscious sedation or deep sedation, if the facility
receives a grade of A on two consecutive inspections by the Division.

Senator Farley moved the adoption of the amendment.
Remarks by Senator Farley.

Senate Bill 328 requires the Commissioner of Insurance to adopt regulations creating a standardized format for the online posting of drug formularies and to post links to certain drug formularies and other information on his or her Internet website. An insurer’s Internet website must provide the ability to search formulary data by specific drug, if possible, and display consumer cost-sharing amounts in dollar ranges and plan tiers. If an insurer is not able to comply with these requirements, the insurer must display customer cost-sharing amounts in
dollar ranges and plan tiers on the identification card of each insured. The measure requires certain public and private policies to make certain information regarding mental health services coverage and services available online. The Silver State Health Insurance Exchange must provide links on its Internet website to the drug formularies of qualified individual health insurance plans offered for sale through the Exchange.

This bill is effective upon passage and approval for the purpose of adopting any regulations and performing any other preparatory administrative tasks, and on July 1, 2016, for all other purposes. The Commissioner of Insurance must, for the 2017 plan year, adopt the regulations not later than February 1, 2016.

SECOND READING AND AMENDMENT

Senate Bill No. 370.

Bill read second time.

The following amendment was proposed by the Committee on Commerce, Labor and Energy:

Amendment No. 483.

AN ACT relating to barbering; revising provisions relating to the examination for a license as an instructor of the practice of barbering; requiring a barber school to be owned and operated by a certain number of instructors to obtain licensure of the barber school; revising the ratio of enrolled students to instructors at a barber school; revising the number of barber’s chairs required to be on the premises of a barber school; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 1 of this bill requires the State Barbers’ Health and Sanitation Board to oversee the examination for a license as an instructor of the practice of barbering but prohibits the Board from administering any aspect of the examination. Section 1 also provides that the examination for a license as an instructor must include a practical demonstration and a written test. Finally, section 1 requires the Board to: (1) contract with a national organization, with limited exceptions, to administer the examination for a license as an instructor; (2) include a specific term in any such contract entered into by the Board; and (3) use only proctors who are licensed as instructors of barbering in this State and approved by a national organization to administer the practical demonstration portion of the examination.
Sections 2.5, 5.5 and 6 of this bill require, on or after July 1, 2017, an applicant for a license to operate a barber school to submit information to the Board demonstrating that the barber school will be owned and operated by at least two instructors.

Existing law requires an applicant for a license as an instructor who fails to pass the examination for licensure to complete not more than 250 hours of further study before he or she is authorized to retake the examination. (NRS 643.110) Section 2 of this bill provides that such an applicant may fail to pass the examination three times before he or she is required to complete the requisite 250 hours of further study.

Section 4 of this bill: (1) revises the ratio of students enrolled in a barber school to instructors required to be on the premises of the barber school; and (2) requires a barber school to have at least one barber’s chair for each student enrolled present during instruction in the barber school.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

3. An applicant for a license as an apprentice who fails to pass the examination provided for in NRS 643.080 must complete further study as prescribed by the Board in a barber school approved by the Board before he or she may retake the examination for a license as an apprentice.

Senator Settelmeyer moved the adoption of the amendment.

Remarks by Senator Settelmeyer.

Amendment No. 483 makes eight changes to Senate Bill 370. First, it allows the State Barbers’ Health and Sanitation Board to oversee, but not administer, any aspect of the examination for a license as an instructor.

Next, it requires the Board to use a licensed instructor to proctor the practical examination for a license as an instructor.

It provides that an applicant may fail to pass the examination two times before he or she is required to complete the requisite hours of further study. If the applicant fails to pass the examination two or more times, the applicant must complete 250 hours of further study in a barber school approved by the Board each time before he or she may retake the examination for a license as an instructor.

It increases the fee for the instructor examination to $100.

It increases the fee for the issuance and renewal of an instructor’s license to $250.

It retains the existing language regarding the number of instructors required to be on the premises of a barber school.

It requires a barber school to have at least one barber’s chair available for use by each student present during instruction.

Finally, it requires that in order to own or operate any barber school opened after the effective date of this bill, the applicants must be two persons licensed by the Board as instructors. This would become effective on July 1, 2017.

The following amendment was proposed by the Committee on Revenue and Economic Development:
Amendment No. 274

AN ACT relating to taxation; enacting provisions relating to the imposition, collection and remittance of sales and use taxes by retailers located outside this State; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The Commerce Clause of the United States Constitution prohibits a state from requiring a retailer to collect sales and use taxes unless the activities of the retailer have a substantial nexus with the taxing state. (Quill Corp. v. North Dakota, 504 U.S. 298 (1992)) Existing law requires every retailer whose activities create such a nexus with this State to impose, collect and remit the sales and use taxes imposed in this State. (NRS 372.724, 374.724)

This bill provides that a retailer who engages in certain specified activities is required to collect and remit the sales and use taxes imposed in this State.

Section 1 of this bill requires the Department of Taxation to submit a report to the Director of the Legislative Counsel Bureau concerning each finding, ruling or agreement by the Department or the Nevada Tax Commission which provides that the provisions of existing law requiring a retailer to impose, collect and remit sales and use taxes do not apply to the retailer even though the retailer or an affiliate owns or operates a warehouse, distribution center, fulfillment center or other similar facility in this State.

Sections 2 and 5 of this bill enact provisions based on a Colorado law which creates a presumption that a retailer is required to impose, collect and remit sales and use taxes if the retailer is: (1) part of a controlled group of business entities that has a component member who has physical presence in this State; and (2) the component member with such physical presence engages in certain activities in this State that relate to the ability of the retailer to make retail sales to residents of this State. (Ch. 364, Colo. Session Laws 2014, at p. 1740) Under sections 2 and 5, a retailer may rebut this presumption by providing proof that the component member with physical presence in this State did not engage in any activity in this State that would constitute a sufficient nexus under the United States Constitution that was significantly associated with the retailer’s ability to establish or maintain a market in this State for the retailer’s products or services.

Sections 3 and 6 of this bill enact a provision based on a New York law which creates a presumption that a retailer is required to impose, collect and remit sales and use taxes if: (1) the retailer enters into an agreement with a resident of this State under which the resident receives certain consideration for referring potential customers to the retailer through a link on the resident’s Internet website or otherwise; and (2) the cumulative gross receipts from sales by the retailer to customers in this State through all such referrals exceeds a certain amount during the preceding four quarterly periods. A retailer may rebut this presumption by providing proof that each resident with whom the retailer has an agreement did not engage in any solicitation...
in this State on behalf of the retailer that would satisfy the nexus requirement of the United States Constitution. A activity that was significantly associated with the retailer’s ability to establish or maintain a market in this State for the retailer’s products or services during the preceding four quarterly periods. In Overstock.com v. New York State Department of Taxation and Finance, 987 N.E.2d 621 (2013), the New York Court of Appeals held that the New York law is facially constitutional because, through these agreements with New York residents, a retailer may establish a sufficient nexus with the State of New York to satisfy the requirements of the United States Constitution.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 360 of NRS is hereby amended by adding thereto a new section to read as follows:

Not later than 30 days after the Department or the Nevada Tax Commission makes a finding or ruling, or enters into an agreement with a retailer providing, that the provisions of chapters 372 and 374 of NRS relating to the imposition, collection and remittance of the sales tax, and the collection and remittance of the use tax, do not apply to the retailer, despite the presence in this State of an office, distribution facility, warehouse or storage place or similar place of business which is owned or operated by the retailer or an affiliate of the retailer, whether the finding, ruling or agreement is written or oral and whether the finding, ruling or agreement is express or implied, the Department shall submit a report of the finding, ruling or agreement to the Director of the Legislative Counsel Bureau for transmittal to:

1. If the Legislature is in session, the Legislature; or
2. If the Legislature is not in session, the Legislative Commission.

Sec. 1.5. Chapter 372 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. 1. Except as otherwise provided in this section, it is presumed that the provisions of this chapter relating to the imposition, collection and remittance of the sales tax, and the collection and remittance of the use tax, apply to a retailer if:

(a) The retailer is part of a controlled group of corporations that has a component member, other than a common carrier, acting in its capacity as such, that has physical presence in this State; and

(b) The component member with physical presence in this State:

(1) Sells a similar line of products or services as the retailer and does so under a business name that is the same or similar to that of the retailer;

(2) Maintains an office, distribution facility, warehouse or storage place or similar place of business in this State to facilitate the delivery of tangible personal property sold by the retailer to the retailer’s customers;

(3) Uses trademarks, service marks or trade names in this State that are the same or substantially similar to those used by the retailer;
(4) Delivers, installs, assembles or performs maintenance services for the retailer’s customers within this State; or

(5) Facilitates the retailer’s delivery of tangible personal property to customers in this State by allowing the retailer’s customers to pick up tangible personal property sold by the retailer at an office, distribution facility, warehouse, storage place or similar place of business maintained by the component member in this State; or

(6) Conducts any other activities in this State that are significantly associated with the retailer’s ability to establish and maintain a market in this State for the retailer’s products or services.

2. A retailer may rebut the presumption set forth in subsection 1 by providing proof satisfactory to the Department that, during the calendar year in question, the activities of the component member with physical presence in this State did not engage in any activity in this State on behalf of the retailer that would constitute a sufficient nexus to satisfy the requirements of the United States Constitution. A retailer has the burden of establishing that the requirements of this subsection are satisfied are not significantly associated with the retailer’s ability to establish or maintain a market in this State for the retailer’s products or services.

3. In administering the provisions of this chapter, the Department shall construe the terms “seller,” “retailer” and “retailer maintaining a place of business in this State” in accordance with the provisions of this section.

4. As used in this section:

(a) “Component member” has the meaning ascribed to it in section 1563(b) of the Internal Revenue Code, 26 U.S.C. § 1563(b), and includes any entity that, notwithstanding its form of organization, bears the same ownership relationship to the retailer as a corporation that would qualify as a component member of the same controlled group of corporations as the retailer.

(b) “Controlled group of corporations” has the meaning ascribed to it in section 1563(a) of the Internal Revenue Code, 26 U.S.C. § 1563(a), and includes any entity that, notwithstanding its form of organization, bears the same ownership relationship to the retailer as a corporation that would qualify as a component member of the same controlled group of corporations as the retailer.

Sec. 3. 1. Except as otherwise provided in this section, it is presumed that the provisions of this chapter relating to:

(a) The imposition, collection and remittance of the sales tax; and

(b) The collection and remittance of the use tax,

apply to every retailer who enters into an agreement with a resident of this State under which the resident, for a commission or other consideration based upon the sale of tangible personal property by the retailer, directly or indirectly refers potential customers, whether by a link on an Internet website or otherwise, to the retailer, if the cumulative gross receipts from sales by the retailer to customers in this State who are referred to the retailer
by all residents with this type of an agreement with the retailer is in excess of $10,000 during the preceding four quarterly periods ending on the last day of March, June, September and December.

2. A retailer may rebut the presumption set forth in subsection 1 by providing proof satisfactory to the Department that each resident with whom the retailer has an agreement did not engage in any solicitation activity in this State that was significantly associated with the retailer’s ability to establish or maintain a market in this State for the retailer’s products or services during the preceding four quarterly periods ending on the last day of March, June, September and December. Such proof may consist of the sworn written statements of each resident with whom the retailer has an agreement stating that the resident did not engage in any solicitation in this State on behalf of the retailer that would constitute a sufficient nexus to satisfy the requirements of the United States Constitution. A retailer has the burden of establishing that the requirements of this subsection are satisfied during the preceding four quarterly periods ending on the last day of March, June, September and December, if the statements were obtained from each resident and provided to the Department in good faith.

3. In administering the provisions of this chapter, the Department shall construe the terms “seller,” “retailer” and “retailer maintaining a place of business in this State” in accordance with the provisions of this section.

Sec. 4. Chapter 374 of NRS is hereby amended by adding thereto the provisions set forth as sections 5 and 6 of this act.

Sec. 5. 1. Except as otherwise provided in this section, it is presumed that the provisions of this chapter relating to the imposition, collection and remittance of the sales tax, and the collection and remittance of the use tax, apply to a retailer if:

(a) The retailer is part of a controlled group of corporations that has a component member, other than a common carrier, acting in its capacity as such that has physical presence in this State; and

(b) The component member with physical presence in this State:

(1) Sells a similar line of products or services as the retailer and does so under a business name that is the same or similar to that of the retailer;

(2) Maintains an office, distribution facility, warehouse or storage place or similar place of business in this State to facilitate the delivery of tangible personal property sold by the retailer to the retailer’s customers;

(3) Uses trademarks, service marks or trade names in this State that are the same or substantially similar to those used by the retailer;

(4) Delivers, installs, assembles or performs maintenance services for the retailer’s customers within this State;

(5) Facilitates the retailer’s delivery of tangible personal property to customers in this State by allowing the retailer’s customers to pick up tangible personal property sold by the retailer at an office, distribution facility, warehouse, storage place or similar place of business maintained by the component member in this State; or
(6) Conducts any other activities in this State that are significantly associated with the retailer’s ability to establish and maintain a market in this State for the retailer’s products or services.

2. A retailer may rebut the presumption set forth in subsection 1 by providing proof satisfactory to the Department that, during the calendar year in question, the activities of the component member with physical presence in this State did not engage in any activity in this State on behalf of the retailer that would constitute a sufficient nexus to satisfy the requirements of the United States Constitution. A retailer has the burden of establishing that the requirements of this subsection are satisfied, are not significantly associated with the retailer’s ability to establish or maintain a market in this State for the retailer’s products or services.

3. In administering the provisions of this chapter, the Department shall construe the terms “seller,” “retailer” and “retailer maintaining a place of business in this State” in accordance with the provisions of this section.

4. As used in this section:

(a) “Component member” has the meaning ascribed to it in section 1563(b) of the Internal Revenue Code, 26 U.S.C. § 1563(b), and includes any entity that, notwithstanding its form of organization, bears the same ownership relationship to the retailer as a corporation that would qualify as a component member of the same controlled group of corporations as the retailer.

(b) “Controlled group of corporations” has the meaning ascribed to it in section 1563(a) of the Internal Revenue Code, 26 U.S.C. § 1563(a), and includes any entity that, notwithstanding its form of organization, bears the same ownership relationship to the retailer as a corporation that would qualify as a component member of the same controlled group of corporations as the retailer.

Sec. 6. 1. Except as otherwise provided in this section, it is presumed that the provisions of this chapter relating to:

(a) The imposition, collection and remittance of the sales tax; and

(b) The collection and remittance of the use tax,

apply to every retailer who enters into an agreement with a resident of this State under which the resident, for a commission or other consideration based upon the sale of tangible personal property by the retailer, directly or indirectly refers potential customers, whether by a link on an Internet website or otherwise, to the retailer, if the cumulative gross receipts from sales by the retailer to customers in this State who are referred to the retailer by all residents with this type of an agreement with the retailer is in excess of $10,000 during the preceding four quarterly periods ending on the last day of March, June, September and December.

2. A retailer may rebut the presumption set forth in subsection 1 by providing proof satisfactory to the Department that each resident with whom the retailer has an agreement did not engage in any solicitation activity in this State that was significantly associated with the retailer’s ability to
establish or maintain a market in this State for the retailer’s products or services during the preceding four quarterly periods ending on the last day of March, June, September and December. Such proof may consist of the sworn written statements of each resident with whom the retailer has an agreement stating that the resident did not engage in any solicitation in this State on behalf of the retailer [that would constitute a sufficient nexus to satisfy the requirements of the United States Constitution. A retailer has the burden of establishing that the requirements of this subsection are satisfied] during the preceding four quarterly periods ending on the last day of March, June, September and December; if such statements were obtained from each resident and provided to the Department in good faith.

3. In administering the provisions of this chapter, the Department shall construe the terms “seller,” “retailer” and “retailer maintaining a place of business in this State” in accordance with the provisions of this section.

Sec. 6.5. Notwithstanding the provisions of section 7 of this act, in determining whether, pursuant to sections 3 and 6 of this act a retailer has rebutted the presumption that the provisions of chapters 372 and 374 of NRS relating to the imposition, collection and remittance of the sales tax, and the collection and remittance of the use tax, apply to the retailer, any quarterly periods preceding October 1, 2015, may be considered.

Sec. 7. [This] 1. This section and sections 1, 1.5, 2, 4 and 5 of this act [become] become effective on July 1, 2015.

2. Sections 3, 6 and 6.5 of this act become effective on October 1, 2015.

Senator Ford moved the adoption of the amendment.

Remarks by Senator Ford.

Amendment No. 274 to Senate Bill 382 specifies that a retailer may rebut the presumption that it is required to impose, collect, and remit Nevada sales and use tax based on the activities of a component member with physical presence in the state or of residents of the state who refer potential customers to the retailer through an Internet website link, if it provides proof that the component member or resident did not engage in any activities in Nevada that were significantly associated with the retailer’s ability to establish or maintain a market in the state for that retailer’s products or services.

The amendment additionally requires the Department of Taxation to report to the Director of the Legislative Counsel Bureau any finding or ruling that the provisions of Chapters 372 or 374 relating to the imposition, collection, and remittance of the sales and use tax does not apply to a retailer no later than 30 days after the finding or ruling was made by the Department.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 415.

AN ACT relating to motor vehicles; [removing] revising the speed limit that is specific to school buses that are transporting pupils; making a
conforming change in the provisions governing pupils who have a restricted driver’s license; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law provides that it is unlawful for any person to drive or operate a vehicle of any kind at a rate of speed that: (1) is greater than is reasonable or proper considering all the relevant conditions; (2) endangers the life, limb or property of any person; or (3) is greater than that posted by a public authority for the particular portion of highway being traversed. (NRS 484B.600) Existing law also provides that a school bus shall not exceed a speed of 55 miles per hour when transporting pupils to and from school or any activity which is properly a part of a school program. (NRS 484B.360) Section 2 of this bill replaces that restriction for a school bus when transporting pupils to and from those school activities with a requirement that the school bus not exceed the speed limit posted by a public authority for the portion of highway upon which the school bus is traveling.

Existing law also limits the speed at which a pupil between the ages of 14 and 18 years who has a restricted license may travel to the same maximum speed established for a school bus. Section 1 of this bill replaces the reference to the speed limit set by law for school buses, which was revised by section 2 with a reference to the actual maximum speed of 55 miles per hour.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 483.270 is hereby amended to read as follows:

483.270 1. The Department may issue a restricted license to any pupil between the ages of 14 and 18 years who is attending:
(a) A school in a district in this State in a county whose population is less than 55,000 or in a city or town whose population is less than 25,000 when transportation to and from school is not provided by the board of trustees of the school district, if the pupil meets the requirements for eligibility adopted by the Department pursuant to subsection 5; or
(b) A private school meeting the requirements for approval under NRS 392.070 when transportation to and from school is not provided by the private school, and it is impossible or impracticable to furnish such pupil with private transportation to and from school.

2. An application for the issuance of a restricted license under this section must:
(a) Be made upon a form provided by the Department.
(b) Be signed and verified as provided in NRS 483.300.
(c) Include a written statement signed by the:
(1) Principal of the public school in which the pupil is enrolled or by a designee of the principal and which is provided to the applicant pursuant to NRS 392.123; or
(2) Parent or legal guardian of the pupil which states that the pupil is excused from compulsory school attendance pursuant to NRS 392.070.

(d) Contain such other information as may be required by the Department.

3. Any restricted license issued pursuant to this section:

(a) Is effective only for the school year during which it is issued or for a more restricted period.

(b) Authorizes the licensee to drive a motor vehicle on a street or highway only while going to and from school, and at a speed not in excess of [the speed limit set by law for school buses.] 55 miles per hour.

(c) May contain such other restrictions as the Department may deem necessary and proper.

(d) May authorize the licensee to transport as passengers in a motor vehicle driven by the licensee, only while the licensee is going to and from school, members of his or her immediate family, or other minor persons upon written consent of the parents or guardians of such minors, but in no event may the number of passengers so transported at any time exceed the number of passengers for which the vehicle was designed.

4. No restricted license may be issued under the provisions of this section until the Department is satisfied fully as to the applicant’s competency and fitness to drive a motor vehicle.

5. The Department shall adopt regulations that set forth the requirements for eligibility of a pupil to receive a restricted license pursuant to paragraph (a) of subsection 1.

Sec. 2. NRS 484B.360 is hereby [repealed.] amended to read as follows:

484B.360 A school bus shall not exceed:

1. A speed of 55 miles per hour when transporting pupils to and from school;

2. The speed limit posted by a public authority for the portion of highway being traversed when transporting pupils to and from any activity which is properly a part of a school program.

Sec. 3. This act becomes effective on July 1, 2015.

TEXT OF REPEALED SECTION

484B.360 Maximum speed of school bus. A school bus shall not exceed a speed of 55 miles per hour when transporting pupils to and from school or any activity which is properly a part of a school program.

Senator Hammond moved the adoption of the amendment.

Remarks by Senator Hammond.

Amendment No. 415 to Senate Bill 410 retains the maximum school bus speed limit at 55 miles per hour when transporting students to and from school, but allows a school bus to travel at the posted speed limit when transporting students to and from school-related activities.

Amendment adopted.

Senate Bill No. 436.
Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 625.

AN ACT relating to elections; [providing that an inactive voter must provide proof of residence or a written affirmation before voting; providing that certain absent ballots received after the day of an election must be counted; extending the deadline for counties and cities to canvas election returns;] making various changes relating to the registration of voters for elections; requiring certain persons conducting a voter registration drive to register with the Secretary of State [; increasing the penalty for certain crimes related to a person who registers to vote] and the county clerk and to provide and update a list of voter registration workers; requiring such persons and workers to comply with certain rules and regulations; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

[Existing law requires that an absent ballot, including a military-overseas ballot, must be received by the county clerk or city clerk by the close of the polls on the day of the election to be valid. (NRS 293.316, 293.317, 293D.400) Sections 3, 4 and 19 of this bill provide that an absent ballot received after the day of election will be counted if the absent ballot is (1) returned by mail; (2) postmarked on or before the day of the election; and (3) received by the county clerk or city clerk not later than 7 days after the election. Sections 5-8 and 15-17 of this bill revise the procedures for counting such ballots and make conforming changes.]

Under existing federal law, the states have the power to regulate the voter registration and election processes, except that Congress has the power to preempt state election laws concerning federal elections. (U.S. Const. Art. I, § 4; Foster v. Love, 522 U.S. 67, 69 (1997); Arizona v. Inter Tribal Council of Ariz., Inc., 133 S. Ct. 2247, 2251-54 (2013)) In 1993, Congress enacted the National Voter Registration Act (NVRA) to: (1) establish procedures to increase voter registration for federal elections; (2) make it possible for federal, state and local agencies to enhance voter participation in federal elections; (3) protect the integrity of the election process; and (4) ensure that accurate and current voter registration rolls are maintained. (52 U.S.C. § 20501) Although the NVRA regulates certain aspects of the voter registration process, it does not broadly preempt all state election laws but preempts only those laws that are in conflict with the federal provisions. (Arizona v. Inter Tribal Council of Ariz., Inc., 133 S. Ct. 2247, 2253-54 (2013); Charles H. Wesley Educ. Found., Inc. v. Cox, 408 F.3d 1349, 1354-55 (11th Cir. 2005))

The NVRA requires the states to make voter registration forms available for distribution through governmental and private entities, with particular emphasis on making them available for organized voter registration programs. (52 U.S.C. § 20505) The NVRA also establishes certain
requirements for voter registration forms and states that the forms may require only such identifying information and other information as is necessary to enable state election officials to assess the eligibility of the applicant and to administer voter registration and other parts of the election process. (52 U.S.C. § 20508) Federal courts have held that the NVRA does not preempt the states from regulating private organizations seeking to conduct voter registration drives or requiring such organizations to: (1) register with state election officials before conducting the voter registration drives; or (2) place information identifying the organization on the voter registration forms collected by the organization during the voter registration drives. (Am. Ass’n of People with Disabilities v. Herrera, 690 F. Supp. 2d 1183, 1224-26 (D.N.M. 2010); League of Women Voters of Fla. v. Browning, 863 F. Supp. 2d 1155, 1165-66 (N.D. Fla. 2012))

Under existing law, the Secretary of State and local election officials administer and regulate the voter registration process, and existing law: (1) directs the Secretary of State to prescribe the forms used in this State for applications to register to vote; (2) requires certain information to be included on the voter registration forms; and (3) allows the county clerks to provide the voter registration forms to candidates, political parties or other persons who intend to conduct voter registration drives. (NRS 293.507, 293.509) Sections 8.1-8.8 of this bill enact provisions which further regulate certain voter registration organizations, voter registration workers and voter registration drives and which are intended to protect against fraud, incompetence, negligence and mistakes in the voter registration process and to help safeguard the public’s faith and confidence in the integrity and reliability of the election process.
Section 9 of this bill requires that any person who intends to conduct a voter registration drive and attempt to register or attempt to register, in the aggregate, more than 50 potential voters in this State during a calendar year. Section 8.8 provides that before conducting any voter registration drive in any county, a voter registration organization must: (1) register with the Secretary of State. Section 9 also requires the Secretary of State to prescribe methods for such registration that include registration online and by mail.

Existing law provides that a registered voter who has changed residence and failed to return or did not receive a postcard from the county clerk and been designated as inactive must provide an oral or written affirmation before voting. (NRS 293.525) Sections 10, 11 and 18 of this bill provide that such a voter must provide proof of residence or a written affirmation before the voter may vote. Sections 1, 2, 13 and 14 of this bill make conforming changes.

Existing law provides that a person is guilty of a category E felony if that person: (1) provides or encourages another person to provide false information in connection with an application to register to vote; or (2) registers to vote or aids another person in registering to vote knowing that he or she will not be a qualified elector at the next election. (NRS 293.800) Section 12 of this bill increases the penalty for such crimes to a category D felony and the county clerk; and (2) submit a list containing the name and signature of any paid or unpaid voter registration worker who will be acting on behalf of the organization as part of a voter registration drive. Thereafter, the organization must update the list periodically, within the times prescribed by the Secretary of State, to add or remove workers from the list and to specify the date on which each worker was added to or removed from the list.

Section 8.8 further requires each worker who collects or assists in the completion of any voter registration form to include the worker’s name and signature and the name of the organization on or with the form in a manner prescribed by the Secretary of State. If any worker violates this requirement, the worker is subject to a civil penalty in an amount not to exceed $500 for each violation, but the worker is not subject to any criminal penalty.

Finally, after receiving a voter registration form from the organization or a worker, section 8.8 requires the Secretary of State and county clerk to verify that the name and signature of the worker and the name of the organization included on or with the form are consistent with the information provided on the organization’s list of workers. If the name or signature of the worker is not included on the organization’s list of workers, the organization is subject to a civil penalty in an amount not to exceed $1,000 for each violation, and the organization is also subject to any criminal penalty provided by law.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
Section 1. [NRS 293.277 is hereby amended to read as follows:

293.277  1. 2. The county clerk of each county shall maintain a special polling place in the county clerk’s office and at such other locations as he or she deems necessary during each election. The ballots voted at the special polling place must be kept separate from the ballots of voters who have not been so challenged or who have provided [an] proof of residence or a written affirmation pursuant to NRS 293.525 in a special sealed container if the ballots are ballots which are voted on a mechanical recording device which directly records the voter electronically.

If the county clerk determines that the absent voter is entitled to cast a ballot, the county clerk shall deposit the ballot in the
proper ballot box or place the ballot, unopened, in a container that must be securely locked or under the control of the county clerk at all times. 3. Not earlier than 4 working days before the election, the appropriate board shall, in public, count the votes cast on the absent ballots.

4. If paper ballots are used, the results of the absent ballot vote in each precinct must be certified and submitted to the county clerk who shall have the results added to the regular votes of the precinct. The returns of absent ballots must be reported separately from the regular votes of the precinct, unless reporting the returns separately would violate the secrecy of a voter's ballot. The county clerks shall develop a procedure to ensure that each ballot is kept secret.

5. Any person who disseminates to the public in any way information pertaining to the count of absent ballots before the polls close is guilty of a misdemeanor.

6. On the eighth day after the election, the appropriate board shall, in public, count the votes cast on the absent ballots properly received in accordance with subsection 2 of NRS 293.317. (Deleted by amendment.)

2. In making its canvass, the board shall:
   (a) Note separately any clerical errors discovered; and
   (b) Take account of the changes resulting from the discovery, so that the result declared represents the true vote cast.

3. The county clerk shall, as soon as the result is declared, enter upon the records of the board an abstract of the result, which must contain the number of votes cast for each candidate. The board, after making the abstract, shall cause the county clerk to certify the abstract and, by an order made and entered in the minutes of its proceedings, to make:
   (a) A copy of the certified abstract; and
   (b) A mechanized report of the abstract in compliance with regulations adopted by the Secretary of State,

and transmit them to the Secretary of State not more than [7] 11 working days after the election.

4. The Secretary of State shall, immediately after any primary election, compile the returns for all candidates voted for in more than one county. The Secretary of State shall make out and file in his or her office an abstract thereof, and shall certify to the county clerk of each county the name of each person nominated, and the name of the office for which the person is nominated. 3. The county clerk shall make out a certificate of election to each of the persons having the highest number of votes for the district, county and township offices.

4. Each certificate must be delivered to the person elected upon application at the office of the county clerk. (Deleted by amendment.)

Remarks by Senator Brower.

Amendment No. 625 to Senate Bill 436 deletes all sections of the bill except for Section 9. In doing so it clarifies in several new sections that a person or organization that intends to conduct a voter registration drive to register 50 or more people must register with both the Secretary of State and the appropriate county clerk.

It provides, when registering with the Secretary of State and the county clerks, that any group must provide a list of those who will be registering voters. This list must be regularly updated.

It also provides that a person who collects a voter registration form or assists a person to register to vote on behalf of an organization conducting a voter registration drive must include his or her name and signature on or with the form. These names and signatures will be used by the Secretary of State and the county clerks to match those found on the lists filed.

Finally, it authorizes the Secretary of State to adopt regulations concerning these provisions.

Under existing law, certain health care professionals may prescribe, dispense or otherwise furnish an opioid antagonist to a person at risk of experiencing an opioid-related drug overdose. (Chapter 454 of NRS) Section 7 of this bill authorizes certain physicians, physician assistants and advanced practice registered nurses to prescribe and dispense an opioid antagonist to a family member, friend or other person who is in a position to assist a person at risk of experiencing an opioid-related drug overdose and provides immunity from civil and criminal liability and professional discipline for doing so. Section 8 of this bill authorizes the storage and dispensing of opioid antagonists by certain persons who are not registered or licensed by the State Board of Pharmacy. Section 9 of this bill provides for the development of standardized procedures and protocols under which a registered pharmacist may furnish an opioid antagonist.
Existing law establishes criminal liability for various activities relating to controlled substances. (Chapter 453 of NRS) Section 12 of this bill provides that a person who, in good faith, seeks medical assistance for a person who is experiencing a drug or alcohol overdose or other medical emergency or who seeks such assistance for himself or herself, or who is the subject of a good

(NRS 453.226) Section 14 of this bill requires each person who is registered by the Board to receive annual training concerning the misuse and abuse of controlled substances. Section 15 of this bill authorizes the Board to suspend or revoke a registration upon a finding that the registrant has failed to receive the required training. Sections 15.1-15.9 of this bill authorize the professional licensing boards of the various practitioners who are eligible for such registration to: (1) require their licensees who are registered to dispense a controlled substance to periodically complete certain training concerning the misuse and abuse of controlled substances; and (2) impose disciplinary action on a practitioner who fails to do so.

Existing law requires the State Board of Pharmacy and the Investigation Division of the Department of Public Safety to cooperatively develop a computerized program to track each prescription for a controlled substance. Persons who prescribe or dispense controlled substances can choose to access the database of the program and are given access to the database after receiving a course of training developed by the Board and the Division. (NRS 453.1545) Section 13 of this bill requires each person who dispenses a controlled substance to upload certain information to the database of the program within 24 hours not later than the end of the next business day after dispensing the controlled substance.

Existing law requires a practitioner to obtain a patient utilization report regarding a patient before writing a prescription for a controlled substance if the patient is a new patient or a current patient who has not received a prescription for a controlled substance from the practitioner in the preceding 12 months. (NRS 639.23507) Section 16 of this bill : (1) requires a practitioner to obtain a patient utilization report before initiating a prescription for a controlled substance ; (2) exempts from liability a practitioner who fails to obtain such a report under certain circumstances; and (3) requires the Board to adopt regulations to provide alternative methods of complying with the requirement to obtain such a report for a physician who provides services in a hospital emergency department.

Senator Hardy moved the adoption of the amendment.

Remarks by Senator Hardy.
This authorizes the professional licensing boards of various practitioners to require their State Board of Pharmacy registered licensees who dispense controlled substances to periodically complete specific training concerning the misuse and abuse of controlled substances.

It clarifies that certain information be uploaded by no later than the end of the next business day, rather than within 24 hours, after dispensing the controlled substance.

Under certain circumstances (i.e. the system is down or not accessible), it exempts a practitioner from liability if he or she fails to obtain a patient utilization report before initiating a prescription.

Finally, it requires the State Board of Pharmacy to adopt regulations to provide alternative methods of complying with the requirement to obtain such a report for a physician who provides services in a hospital emergency department.

Amendment adopted.

Senator Gustavson moved the adoption of the amendment.
Remarks by Senator Gustavson.

Amendment No. 339 to Senate Bill 495 does several things, first of all it deletes the language of the original bill and replaces it with new language. Specifically, the amendment: 1) provides that a license issued by the State Department of Agriculture is required to manufacture, distribute, or act as a guarantor of commercial feed, and establishes requirements to obtain such a license; 2) authorizes the Department to perform certain inspections related to commercial feed and creates the Commercial Feed Account in the State General Fund for deposit of licensing fees; 3) provides that the Account may only be expended by the Department for certain costs of administration, including costs of inspection, sampling, and analysis of commercial feed; 4) sets forth labeling requirements and prohibits misbranding, adulteration, and reuse of packaging of commercial feed; and 5) imposes a civil penalty on a person who violates the provisions of the measure and provides that 50 percent of penalties collected must be used to fund a program to provide loans to persons engaged in agriculture who are 21 years of age or less; and the other 50 percent must be deposited in the Account for the Control of Weeds.

This is a Department of Administration bill and is a great bill.

Revises certain deadlines relating to elections. (BDR 24-1149)

AN ACT relating to elections; [creating a modified blanket primary election system for partisan offices; authorizing any person who files a declaration or acceptance of candidacy and pays a filing fee to be a candidate for a partisan office at a primary election; providing, with limited exceptions, that the two candidates at a primary election for a partisan office who receive the highest number of votes must be declared nominees and have their names placed on the ballot for the general election; providing, with limited exceptions, that the two nominees on the ballot for the general election must not be affiliated with the same political party unless all of the candidates at the primary election are affiliated with the same political party; providing that the two nominees on the ballot for the general election may not be independent candidates unless all of the candidates at the primary election are independent candidates; eliminating provisions that prohibit a voter from casting a ballot in a primary election for partisan office for a candidate with a
political affiliation different than that of the voter; making various
conforming changes; revising deadlines by which certain signature petitions
of minor political parties and independent candidates for office must be
submitted and filed; revising deadlines by which signatures of certain
signature petitions must be verified; revising deadlines by which certain
vacancies in nominations for office must be filled; revising deadlines by
which certain challenges to candidacies must be filed; and providing other
matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, major party candidates for a partisan office are
nominated at a primary election. (NRS 293.175) Any person who files a
declaration or acceptance of candidacy and pays a required filing fee may be
named on a primary election ballot as a major party candidate for a partisan
office. (NRS 293.177) The names of candidates for a partisan office of a
minor political party do not appear on the ballot at a primary election.
Instead, if the minor political party has qualified as such, either by receiving
a certain percentage of votes at the preceding election or by collecting a
certain number of signatures, the party can name one candidate for each
partisan office, and the name of each such candidate must appear on the
general election ballot. (NRS 293.1715) The names of independent
candidates for a partisan office also do not appear on the ballot at a primary
election. Instead, a person wishing to run as an independent candidate can be
named as such on the general election ballot if he or she files a petition with a
certain number of signatures. (NRS 293.200)

This bill changes the nominating process for partisan office to create a
modified “blanket” primary system in which the names of all candidates
appear on the primary election ballot and any registered voter may vote for a
candidate, regardless of affiliation with any political party. Under section 11
of this bill, any person, regardless of party affiliation or lack thereof, may
become a candidate for partisan office at a primary election by filing a
declaration or acceptance of candidacy and paying the required fee. Under
section 17 of this bill, the two candidates who receive the highest number of
votes in the primary election are declared the nominees, and their names are
placed on the general election ballot. However, if both of those candidates
are affiliated with the same major or minor political party, the candidate who
receives the second highest number of votes is not declared a nominee.
Instead, the candidate who receives the next highest number of votes and
who is not affiliated with the same major or minor political party is declared
a nominee, and his or her name is placed on the general election ballot.
Similarly, if the two candidates with the highest number of votes at a primary
election are independent candidates, the candidate with the second highest
number of votes is not declared a nominee. Instead, the candidate who
receives the next highest number of votes and who is not an independent
candidate is declared a nominee, and his or her name is placed on the general
election ballot. The prohibition on the two nominees being affiliated with the
same political party or both being independent candidates does not apply if
all of the candidates at the primary election are affiliated with the same
political party or are all independent candidates. Sections 110, 12-16 and 18-
21 of this bill make conforming changes.] deadlines by which those petitions
for minor political parties and independent candidates must be filed and the
deadlines for verifying the signatures on those petitions.

Under existing law, if a minor political party wishes to place a candidate
on the ballot for a general election by collecting a certain number of
signatures, it must file the petition with the signatures with the Secretary of
State not later than the third Friday in May before the general election. (NRS
293.1715) It must also have submitted the petition with the signatures to the
applicable county clerk not later than 25 days before that May deadline.
(NRS 293.172) A person wishing to run as an independent candidate must
file a petition with the requisite number of signatures not later than the
second Friday after the first Monday in March, and must have submitted a
copy of the petition not later than 25 days before that March deadline. (NRS
293.200) A county clerk who receives those petitions must verify the
signatures on the petitions within 25 days. (NRS 293.1276, 293.1277,
293.1279)

Sections 8 and 15.5 of this bill change the deadlines for minor political
parties and independent candidates, respectively, to file their petitions with
signatures to the third Friday in June before the general election. Sections 9
and 15.5 of this bill change the deadlines for submitting those petitions to the
county clerk to not later than 10 days before the filing deadline. Sections 2-4
of this bill change the deadline for a county clerk to verify the signatures on
each petition from 25 days to 10 days.

Under existing law, certain vacancies in nominations must be filled not
later than the fourth Friday in June of an election year. (NRS 293.165,
293.166, 293.368) Sections 5, 6 and 21 of this bill change that deadline to the
fourth Friday in July of an election year.

Existing law requires a challenge to the qualification of a minor political
candidate to place the names of candidates on the ballot to be filed in a district
court not later than the third Friday in June of an election year. (NRS
293.174) Section 10 of this bill changes that deadline to the fourth Friday in
June. A challenge to the candidacy of an independent candidate must also be
filed in district court not later than the third Friday in June. (NRS 293.200)
Section 15.5 of this bill requires that any challenge to the sufficiency of a
petition of an independent candidate must be filed in district court also not
later than the fourth Friday in June of an election year.
Under existing law, in certain situations in which only one major political party has candidates for a partisan office and there are no minor political party or independent candidates for the office, a primary election is not held and the names of the candidates of the major political party all appear on the ballot at the general election. (NRS 293.260) Section 17 of this bill provides that, if a major political party has two or more candidates for an office, there must be a primary election regardless of whether there are any minor political party or independent candidates for the office.

The People of the State of Nevada, Represented in Senate and Assembly, Do Enact as Follows:

Section 1. [NRS 293.127565 is hereby amended to read as follows:]

293.127565  1. At each building that is open to the general public and occupied by the government of this State or a political subdivision of this State or an agency thereof, other than a building of a public elementary or secondary school, an area must be designated for the use of any person to gather signatures on a petition at any time that the building is open to the public. The area must be reasonable and may be inside or outside of the building. Each public officer or employee in control of the operation of a building governed by this subsection shall:
   (a) Designate the area at the building for the gathering of signatures; and
   (b) On an annual basis, submit to the Secretary of State and the county clerk for the county in which the building is located a notice of the area at the building designated for the gathering of signatures on a petition. The Secretary of State and the county clerks shall make available to the public a list of the areas at public buildings designated for the gathering of signatures on a petition.

2. Before a person may use an area designated pursuant to subsection 1, the person must notify the public officer or employee in control of the operation of the building governed by subsection 1 of the dates and times that the person intends to use the area to gather signatures on a petition. The public officer or employee may not deny the person the use of the area.

3. Not later than 3 working days after the date of the decision that aggrieved the person, a person aggrieved by a decision made by a public officer or employee pursuant to subsection 1 or 2 may appeal the decision to the Secretary of State. The Secretary of State shall review the decision to determine whether the public officer or employee violated subsection 1 or 2. If the Secretary of State determines a public officer or employee violated subsection 1 or 2 and that a person was denied the use of a public building for the purpose of gathering signatures on a petition, the Secretary of State shall order that the deadline for filing the petition provided pursuant to NRS 293.128, 293.172, 293.200, 295.056, 298.109, 306.035 or 306.110 must be extended for a period equal to the time that the person was denied the use of a public building for the purpose of gathering signatures on a petition, but in no event may the deadline be extended for a period of more than 5 days.
4. The decision of the Secretary of State is a final decision for the purposes of judicial review. Not later than 7 days after the date of the decision by the Secretary of State, the decision of the Secretary of State may only be appealed in the First Judicial District Court. If the First Judicial District Court determines that the public officer or employee violated subsection 1 or 2 and that a person was denied the use of a public building for the purpose of gathering signatures on a petition, the Court shall order that the deadline for filing the petition provided pursuant to NRS 293.128, 293.172, 295.056, 298.109, 306.035 or 306.110 must be extended for a period equal to the time that the person was denied the use of a public building for the purpose of gathering signatures on a petition, but in no event may the deadline be extended for a period of more than 5 days.

5. The Secretary of State may adopt regulations to carry out the provisions of subsection 3. (Deleted by amendment.)

Sec. 2. NRS 293.1276 is hereby amended to read as follows:

Sec. 2. NRS 293.1276 is hereby amended to read as follows:

293.1276 1. Within 4 days, excluding Saturdays, Sundays and holidays, after the submission of a petition containing signatures which are required to be verified pursuant to NRS 293.128, 295.056, 298.109, 306.035 or 306.110, and within 2 days, excluding Saturdays, Sundays and holidays, after the submission of a petition containing signatures which are required to be verified pursuant to NRS 293.172 or 293.200, the county clerk shall determine the total number of signatures affixed to the documents and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, shall tally the number of signatures for each petition district contained fully or partially within the county and forward that information to the Secretary of State.

2. If the Secretary of State finds that the total number of signatures filed with all the county clerks is less than 100 percent of the required number of registered voters, the Secretary of State shall so notify the person who submitted the petition and the county clerks and no further action may be taken in regard to the petition. If the petition is a petition to recall a county, district or municipal officer, the Secretary of State shall also notify the officer with whom the petition is to be filed.

3. After the petition is submitted to the county clerk, it must not be handled by any other person except by an employee of the county clerk’s office until it is filed with the Secretary of State.

4. The Secretary of State may adopt regulations establishing procedures to carry out the provisions of this section.

Sec. 3. NRS 293.1277 is hereby amended to read as follows:

293.1277 1. If the Secretary of State finds that the total number of signatures submitted to all the county clerks is 100 percent or more of the
number of registered voters needed to declare the petition sufficient, the
Secretary of State shall immediately so notify the county clerks. [Within 9
days, excluding Saturdays, Sundays and holidays, after] After the
notification, each of the county clerks shall determine the number of
registered voters who have signed the documents submitted in the county
clerk’s county and, in the case of a petition for initiative or referendum
proposing a constitutional amendment or statewide measure, shall tally the
number of signatures for each petition district contained or fully contained
within the county clerk’s county. This determination must be completed
within 9 days, excluding Saturdays, Sundays and holidays, after the
notification pursuant to this subsection regarding a petition containing
signatures which are required to be verified pursuant to NRS 293.128,
295.056, 298.109, 306.035 or 306.110, and within 3 days, excluding
Saturdays, Sundays and holidays, after the notification pursuant to this
subsection regarding a petition containing signatures which are required to
be verified pursuant to NRS 293.172 or 293.200. For the purpose of
verification pursuant to this section, the county clerk shall not include in his
or her tally of total signatures any signature included in the incorrect petition
district.
2. Except as otherwise provided in subsection 3, if more than 500 names
have been signed on the documents submitted to a county clerk, the county
clerk shall examine the signatures by sampling them at random for
verification. The random sample of signatures to be verified must be drawn
in such a manner that every signature which has been submitted to the county
clerk is given an equal opportunity to be included in the sample. The sample
must include an examination of at least 500 or 5 percent of the signatures,
whichever is greater. If documents were submitted to the county clerk for
more than one petition district wholly contained within that county, a
separate random sample must be performed for each petition district.
3. If a petition district comprises more than one county and the petition is
for an initiative or referendum proposing a constitutional amendment or a
statewide measure, and if more than 500 names have been signed on the
documents submitted for that petition district, the appropriate county clerks
shall examine the signatures by sampling them at random for verification.
The random sample of signatures to be verified must be drawn in such a
manner that every signature which has been submitted to the county clerks
within the petition district is given an equal opportunity to be included in the
sample. The sample must include an examination of at least 500 or 5 percent
of the signatures presented in the petition district, whichever is greater. The
Secretary of State shall determine the number of signatures that must be
verified by each county clerk within the petition district.
4. In determining from the records of registration the number of
registered voters who signed the documents, the county clerk may use the
signatures contained in the file of applications to register to vote. If the county clerk uses that file, the county clerk shall ensure that every application in the file is examined, including any application in his or her possession which may not yet be entered into the county clerk’s records. Except as otherwise provided in subsection 5, the county clerk shall rely only on the appearance of the signature and the address and date included with each signature in making his or her determination.

5. If:
(a) Pursuant to NRS 293.506, a county clerk establishes a system to allow persons to register to vote by computer; or
(b) A person registers to vote pursuant to NRS 293D.230 and signs his or her application to register to vote using a digital signature or an electronic signature,
the county clerk may rely on such other indicia as prescribed by the Secretary of State in making his or her determination.

6. In the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, when the county clerk is determining the number of registered voters who signed the documents from each petition district contained fully or partially within the county clerk’s county, he or she must use the statewide voter registration list available pursuant to NRS 293.675.

7. Except as otherwise provided in subsection 9, upon completing the examination, the county clerk shall immediately attach to the documents a certificate properly dated, showing the result of the examination, including the tally of signatures by petition district, if required, and transmit the documents with the certificate to the Secretary of State. In the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, if a petition district comprises more than one county, the appropriate county clerks shall comply with the regulations adopted by the Secretary of State pursuant to this section to complete the certificate. A copy of this certificate must be filed in the clerk’s office. When the county clerk transmits the certificate to the Secretary of State, the county clerk shall notify the Secretary of State of the number of requests to remove a name received by the county clerk pursuant to NRS 295.055 or 306.015.

8. A person who submits a petition to the county clerk which is required to be verified pursuant to NRS 293.128, 293.172, 293.200, 295.056, 298.109, 306.035 or 306.110 must be allowed to witness the verification of the signatures. A public officer who is the subject of a recall petition must also be allowed to witness the verification of the signatures on the petition.

9. For any petition containing signatures which are required to be verified pursuant to the provisions of NRS 293.200, 306.035 or 306.110 for any county, district or municipal office within one county, the county clerk shall not transmit to the Secretary of State the documents containing the signatures of the registered voters.
10. The Secretary of State shall by regulation establish further procedures for carrying out the provisions of this section.

Sec. 4. NRS 293.1279 is hereby amended to read as follows:

293.1279 1. If the statistical sampling shows that the number of valid signatures filed is 90 percent or more, but less than the sum of 100 percent of the number of signatures of registered voters needed to declare the petition sufficient plus the total number of requests to remove a name received by the county clerks pursuant to NRS 295.055 or 306.015, the Secretary of State shall order the county clerks to examine the signatures for verification. The county clerks shall examine the signatures for verification until they determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid. If the county clerks received a request to remove a name pursuant to NRS 295.055 or 306.015, the county clerks may not determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid until they have removed each name as requested pursuant to NRS 295.055 or 306.015.

2. Except as otherwise provided in this subsection, if the statistical sampling shows that the number of valid signatures filed in any county is 90 percent or more but less than the sum of 100 percent of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county plus the total number of requests to remove a name received by the county clerk in that county pursuant to NRS 295.055 or 306.015, the Secretary of State may order the county clerk in that county to examine every signature for verification. If the county clerk received a request to remove a name pursuant to NRS 295.055 or 306.015, the county clerk may not determine that 100 percent or more of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county are valid until the county clerk has removed each name as requested pursuant to NRS 295.055 or 306.015. In the case of a petition for initiative or referendum that proposes a constitutional amendment or statewide measure, if the statistical sampling shows that the number of valid signatures in any petition district is 90 percent or more but less than the sum of 100 percent of the number of signatures of registered voters required for that petition district pursuant to NRS 295.012 plus the total number of requests to remove a name received by the county clerk or county clerks, if the petition district comprises more than one county, pursuant to NRS 295.055, the Secretary of State may order a county clerk to examine every signature for verification.

3. [Within 12 days, excluding Saturdays, Sundays and holidays, after] After the receipt of such an order, the county clerk or county clerks shall determine from the records of registration what number of registered voters have signed the petition and, if appropriate, tally those signatures by petition district. This determination must be completed within 12 days, excluding
Saturdays, Sundays and holidays, after the receipt of an order regarding a petition containing signatures which are required to be verified pursuant to NRS 293.128, 295.056, 298.109, 306.035 or 306.110, and within 5 days, excluding Saturdays, Sundays and holidays, after the receipt of an order regarding a petition containing signatures which are required to be verified pursuant to NRS 293.172 or 293.200. If necessary, the board of county commissioners shall allow the county clerk additional assistants for examining the signatures and provide for their compensation. In determining from the records of registration what number of registered voters have signed the petition and in determining in which petition district the voters reside, the county clerk must use the statewide voter registration list. The county clerk may rely on the appearance of the signature and the address and date included with each signature in determining the number of registered voters that signed the petition.

4. Except as otherwise provided in subsection 5, upon completing the examination, the county clerk or county clerks shall immediately attach to the documents of the petition an amended certificate, properly dated, showing the result of the examination and shall immediately forward the documents with the amended certificate to the Secretary of State. A copy of the amended certificate must be filed in the county clerk’s office. In the case of a petition for initiative or referendum to propose a constitutional amendment or statewide measure, if a petition district comprises more than one county, the county clerks shall comply with the regulations adopted by the Secretary of State pursuant to this section to complete the amended certificate.

5. For any petition containing signatures which are required to be verified pursuant to the provisions of NRS 293.200, 306.035 or 306.110 for any county, district or municipal office within one county, the county clerk shall not forward to the Secretary of State the documents containing the signatures of the registered voters.

6. Except for a petition to recall a county, district or municipal officer, the petition shall be deemed filed with the Secretary of State as of the date on which the Secretary of State receives certificates from the county clerks showing the petition to be signed by the requisite number of voters of the State.

7. If the amended certificates received from all county clerks by the Secretary of State establish that the petition is still insufficient, the Secretary of State shall immediately so notify the petitioners and the county clerks. If the petition is a petition to recall a county, district or municipal officer, the Secretary of State shall also notify the officer with whom the petition is to be filed.

8. The Secretary of State shall adopt regulations to carry out the provisions of this section.
Sec. 5. NRS 293.165 is hereby amended to read as follows:

293.165 1. Except as otherwise provided in NRS 293.166, a vacancy occurring in a major or minor political party nomination for a partisan office and the candidate originally nominated for the office is affiliated with a political party, the vacancy may be filled by a candidate designated by the party central committee of the county or State, as the case may be, of the major political party or by the executive committee of the minor political party subject to the provisions of subsections 3, 4, and 5.

2. A vacancy occurring in a nonpartisan office or nomination for a nonpartisan office after the close of filing and before 5 p.m. of the fourth Friday in July of the year in which the general election is held must be filled by the person who receives or received the next highest vote for the nomination in the primary election if a primary election was held for that nonpartisan office. If no primary election was held for that nonpartisan office or if there was not more than one person who was seeking the nonpartisan nomination in the primary election, a person may become a candidate for the nonpartisan office at the general election if the person files a declaration of candidacy or acceptance of candidacy, and pays the fee required by NRS 293.193, on or after 8 a.m. on the third Monday in June and before 5 p.m. on the fourth Friday in July.

3. If a vacancy occurs in a major political party nomination for a partisan office after the primary election and before 5 p.m. on the fourth Friday in July of the year in which the general election is held, the candidate originally nominated for the office is affiliated with a political party and:
   (a) The vacancy occurs because the nominee dies or is adjudicated insane or mentally incompetent, the vacancy may be filled by a candidate designated by the party central committee of the county or State, as the case may be, of the major political party.
   (b) The vacancy occurs for a reason other than the reasons described in paragraph (a), the nominee’s name must remain on the ballot for the general election and, if elected, a vacancy exists.

4. If a vacancy occurs in a nomination for a partisan office after the primary election and before 5 p.m. on the fourth Friday in June of the year in which the general election is held, the candidate originally nominated for the office is an independent candidate and:
   (a) The vacancy occurs because the nominee dies or is adjudicated insane or mentally incompetent:
      (1) If a primary election was held for that partisan office, the vacancy must be filled by the person who received the next highest vote for the nomination in the primary election and who is an independent candidate.
      (2) If no primary election was held for that partisan office or if there
was not more than one person who was seeking the partisan nomination in the primary election, a person may become a candidate for the partisan office at the general election if, on or after the third Monday in June and before 5 p.m. on the fourth Friday in June, the person:

(I) Files a declaration of candidacy or acceptance of candidacy on a form prescribed by paragraph (b) of subsection 2 of NRS 293.177 indicating that the person is an independent candidate and

(II) Pays the fee required by NRS 293.193.

(b) The vacancy occurs for a reason other than the reasons described in paragraph (a), the nominee’s name must remain on the ballot for the general election and, if elected, a vacancy exists.

Sec. 5. No change may be made on the ballot for the general election after 5 p.m. on the fourth Friday in July of the year in which the general election is held. If, after that time and date:

(a) A nominee dies or is adjudicated insane or mentally incompetent; or

(b) A vacancy in the nomination is otherwise created,

the nominee’s name must remain on the ballot for the general election and, if elected, a vacancy exists.

Sec. 6. All designations provided for in this section must be filed on or before 5 p.m. on the fourth Friday in July of the year in which the general election is held. In each case, the statutory filing fee must be paid and an acceptance of the designation must be filed on or before 5 p.m. on the date the designation is filed.

Sec. 6. NRS 293.166 is hereby amended to read as follows:

293.166 1. A vacancy occurring in a party nomination for the office of State Senator, Assemblyman or Assemblywoman from a legislative district comprising more than one county may be filled as follows, subject to the provisions of subsections 2, 3 and 4. The county commissioners of each county, all or part of which is included within the legislative district, shall meet to appoint a person who is of the same political party as the former nominee and who actually, as opposed to constructively, resides in the district to fill the vacancy, with the chair of the board of county commissioners of the county whose population residing within the district is the greatest presiding. Each board of county commissioners shall first meet separately and determine the single candidate it will nominate to fill the vacancy. Then, the boards shall meet jointly and the chair on behalf of the boards shall cast a proportionate number of votes according to the percent, rounded to the nearest whole percent, which the population of its county is of the population of the entire district. Populations must be determined by the last decennial census or special census conducted by the Bureau of the Census of the United States Department of Commerce. The person who receives a plurality of these votes is appointed to fill the vacancy. If no person receives a plurality of the votes, the boards of county commissioners of the respective counties shall each as a group select one
candidate, and the nominee must be chosen by drawing lots among the persons so selected.

2. If a vacancy occurs in a party nomination for the office of State Senator, Assemblyman or Assemblywoman from a legislative district comprising more than one county after the primary election and before 5 p.m. on the fourth Friday in [June] July of the year in which the general election is held and:
   
   (a) The vacancy occurs because the nominee dies or is adjudicated insane or mentally incompetent, the vacancy may be filled pursuant to the provisions of subsection 1.
   
   (b) The vacancy occurs for a reason other than the reasons described in paragraph (a), the nominee’s name must remain on the ballot for the general election and, if elected, a vacancy exists.

3. No change may be made on the ballot for the general election after 5 p.m. on the fourth Friday in [June] July of the year in which the general election is held. If, after that time and date:
   
   (a) A nominee dies or is adjudicated insane or mentally incompetent; or
   
   (b) A vacancy in the nomination is otherwise created,
   
   the nominee’s name must remain on the ballot for the general election and, if elected, a vacancy exists.

4. The designation of a nominee pursuant to this section must be filed with the Secretary of State on or before 5 p.m. on the fourth Friday in [June] July of the year in which the general election is held, and the statutory filing fee must be paid with the designation.

Sec. 7. NRS 293.171 is hereby amended to read as follows:

293.171  1. To be organized as a minor political party, an organization must file with the Secretary of State a certificate of existence which includes the:

   (a) Name of the political party;
   
   (b) Names of its officers;
   
   (c) Names of the members of its executive committee; and
   
   (d) Name of the person authorized to file the list of its candidates for partisan office with the Secretary of State.

   2. A copy of the constitution or bylaws of the party must be affixed to the certificate.

   3. A minor political party shall file with the Secretary of State an amended certificate of existence within 5 days after any change in the information contained in the certificate.

   4. [The constitution or bylaws of a minor political party must provide a procedure for the nomination of its candidates in such a manner that only one candidate may be nominated for each office.

   5.] A minor political party whose candidates for partisan office do not appear on the ballot for the [general] primary election must file a notice of continued existence with the Secretary of State not later than the second Friday in August preceding the general election.
[6.] A minor political party which fails to file a notice of continued existence as required by subsection 5. of NRS 293.1715 ceases to exist as a minor political party in this State. (Deleted by amendment.)

Sec. 8. NRS 293.1715 is hereby amended to read as follows:

293.1715 1. The names of the candidates for partisan office of a minor political party must not appear on the ballot for a primary election.

2. The names of the candidates for partisan office of a minor political party [wish to place on the ballot for the offices of President and Vice President of the United States] must be placed on the ballot for the general election if the minor political party is qualified. Remarks by Senator Settelmeyer.

Amendment No. 529 to Senate Bill 499 amends the bill in its entirety by removing the proposal for a modified blanket primary elections. It instead moves the deadline for minor party and independent candidates to file their petitions for ballot access to the third Friday in June. In relation to this change, the deadlines by which petition signatures are verified are moved up to accommodate this later petition filing.

It also makes petition timeline adjustments to allow enough time for court challenges relating to the sufficiency of the petitions filed by minor party or independent candidates.

Finally, it modifies the primary election rules to require a primary election any time there are 2 or more major party candidates, regardless of whether a minor party or independent candidate has filed.

Amendment No. 581.
SENATE JOINT RESOLUTION—Proposing to amend Section 17 of Article 5 of the Nevada Constitution to provide for the Lieutenant Governor to be elected jointly with the Governor.
Legislative Counsel’s Digest:
This resolution proposes to amend Section 17 of Article 5 of the Nevada Constitution to provide for the Lieutenant Governor to be elected jointly with the Governor in the manner provided by law so that each qualified elector who votes will cast a single vote for a candidate for Governor and a candidate for Lieutenant Governor running together. This resolution requires a candidate for Governor to designate the candidate for Lieutenant Governor who would be elected with that candidate for Governor not later than the first Tuesday after the primary election or, if there is no primary election held for the Office of Governor, not later than 7 days after the deadline for filing candidacy papers. Additionally, this resolution prohibits a person from
accepting contributions to a campaign for election to the Office of Lieutenant Governor unless the person has been designated as a candidate for Lieutenant Governor. This resolution also provides that, for the purposes of the limitations on campaign contributions in Section 10 of Article 2 of the Nevada Constitution, the Office of Governor and the Office of Lieutenant Governor are one office, and a contribution to a candidate for either office constitutes a contribution to his or her running mate. The final provision of the resolution requires the Legislature to provide by law for a candidate for Governor and a candidate for Lieutenant Governor running together to report jointly the contributions made to and expenditures made by each candidate.

RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF NEVADA, JOINTLY, That Section 17 of Article 5 of the Nevada Constitution be amended to read as follows:

{Sec:} Sec. 17. 1. A Lieutenant Governor shall be elected [at the same time and places and in the same manner as] jointly with the Governor [and his] by each qualified elector who votes casting a single vote for a candidate for Governor and a candidate for Lieutenant Governor running together, as provided by law.
2. A candidate for Governor shall, in the manner provided by law, designate the candidate for Lieutenant Governor who would be elected jointly with that candidate for Governor:
   (a) If there is a primary election held for the Office of Governor, not later than the first Tuesday after the primary election; or
   (b) If there is not a primary election held for the Office of Governor, not later than 7 days after the deadline provided by law for filing candidacy papers for the Office of Governor.
3. No person may accept a contribution to a campaign for election to the Office of Lieutenant Governor unless the person has been designated as a candidate for Lieutenant Governor pursuant to subsection 2.
4. For the purposes of Section 10 of Article 2 of this Constitution:
   (a) The Office of Governor and the Office of Lieutenant Governor are one office;
   (b) A contribution to a candidate for Governor also constitutes a contribution to the candidate for Lieutenant Governor designated by that candidate for Governor pursuant to subsection 2, regardless of whether the candidate for Governor has yet designated a candidate for Lieutenant Governor pursuant to subsection 2; and
   (c) A contribution to a candidate for Lieutenant Governor also constitutes a contribution to the candidate for Governor who designated that candidate for Lieutenant Governor pursuant to subsection 2.
5. The Legislature shall provide by law for a candidate for Governor and a candidate for Lieutenant Governor running together to report jointly the contributions made to and expenditures made by each candidate.
6. The term of Office [and his] eligibility [of the Lieutenant Governor] shall [also] be the same [as for the Governor] as for the Governor.
7. The Lieutenant Governor shall be President of the Senate, but shall only have a casting vote therein.

8. If during a Vacancy of the office of Governor, the Lieutenant Governor shall be impeached, displaced, resign, die, or become incapable of performing the duties of the office, or be absent from the State, the President pro-tempore of the Senate shall act as Governor until the vacancy be filled or the disability cease.

Senator Atkinson moved the adoption of the amendment.

Remarks by Senator Atkinson.

Amendment No. 581 to Senate Joint Resolution No. 3 provides that, if a primary election is held, successful candidates for Governor at the primary election will have no more than seven days to announce his or her selection for Lieutenant Governor. If no primary election is held, candidates for Governor would be required to announce their respective selections for Lieutenant Governor no later than the 7 days after the candidate filing deadline.

It prohibits a person from accepting contributions to a campaign for election to the Office of Lieutenant Governor unless the person has been designated as a candidate for Lieutenant Governor.

It specifies that for the purposes of the campaign contribution caps in the Nevada Constitution, the Office of Governor and the Office of Lieutenant Governor are considered one office and that a contribution to a candidate for either office constitutes a contribution to his or her running mate; and it provides that contributions and expenditures for both the Governor and Lieutenant Governor must be reported jointly.

SECOND READING AND AMENDMENT

Senate Joint Resolution No. 5.

Resolution read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 572.

SENATE JOINT RESOLUTION—Expressing support for the 2014 Nevada Greater Sage-Grouse Conservation Plan developed by the Sagebrush Ecosystem Council and urging the United States Fish and Wildlife Service not to list the greater sage-grouse as an endangered or threatened species under the Endangered Species Act of 1973.

WHEREAS, The greater sage-grouse (Centrocercus urophasianus) is a species of bird that inhabits much of the sagebrush habitat in Nevada as well as other western states; and

WHEREAS, In 2010, the United States Fish and Wildlife Service determined that the greater sage-grouse warranted listing as endangered or threatened under the Endangered Species Act of 1973, 16 U.S.C. §§ 1531 et seq., largely due to what was determined to be a lack of regulatory
mechanisms, and a decision on this listing is scheduled for September 2015; and

WHEREAS, The listing of the greater sage-grouse as an endangered or threatened species would have a devastatingly negative impact on Nevada’s land development, land use, water use, mining, recreational activities and local economies; and

WHEREAS, In 2011, the Bureau of Land Management and the United States Forest Service began a process to amend the agencies’ land use plans to incorporate greater sage-grouse conservation measures as regulatory mechanisms; and

WHEREAS, In 2011, the United States Secretary of the Interior invited those states impacted by the potential listing of the greater sage-grouse to develop state-specific regulatory mechanisms to conserve the species; and

WHEREAS, In 2012, Governor Brian Sandoval strengthened the State of Nevada’s commitment to sage-grouse conservation by issuing Executive Order 2012-09, establishing the Governor’s Greater Sage-grouse Advisory Committee, which led to Executive Order 2012-19, creating the Sagebrush Ecosystem Council; and

WHEREAS, In 2013, the Nevada Legislature enacted the provisions of Assembly Bill No. 461, which created the Sagebrush Ecosystem Council within the State Department of Conservation and Natural Resources and required the Council to establish and carry out strategies for managing the greater sage-grouse and sagebrush ecosystems in this State; and

WHEREAS, In 2014, the Sagebrush Ecosystem Council directed the preparation of and adopted the 2014 Nevada Greater Sage-Grouse Conservation Plan, which combines the best available scientific information and stakeholder input into a conservation and management plan to ameliorate the primary threats to greater sage-grouse in the State of Nevada and which is intended to be the alternative for management of greater sage-grouse in Nevada by the Bureau of Land Management, the United States Forest Service and any other land management agency; and

WHEREAS, The Draft Environmental Impact Statement for the Bureau of Land Management and the United States Forest Service Land Use Plan Amendment outline measures under the agencies’ preferred alternative that are not the provisions of the State’s Conservation Plan and could prove as detrimental to Nevada’s economy and way of life as an Endangered Species Act listing of the greater sage-grouse; and

WHEREAS, The State’s Conservation Plan was not outlined as the alternative to be adopted by the Bureau of Land Management and the United States Forest Service for management of greater sage-grouse in Nevada; and

WHEREAS, Based on [this the State’s Conservation Plan, the State of Nevada is currently developing a Nevada Sage-Grouse Strategic Action Plan to carry out the recommendations of] poised and ready to implement the State’s Conservation Plan and achieve landscape-scale conservation of greater sage-grouse and the sagebrush ecosystem; now, therefore, be it
RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF NEVADA, JOINTLY, That the members of the 78th Session of the Nevada Legislature express their confidence in and support of the 2014 Nevada Greater Sage-Grouse Conservation Plan and the ability of the State of Nevada to conserve greater sage-grouse and the sagebrush ecosystem effectively; and be it further RESOLVED, That the members of the 78th Session of the Nevada Legislature exhort and strongly request the Bureau of Land Management and the United States Forest Service to adopt the State’s Conservation Plan as the management alternative for greater sage-grouse in Nevada; and be it further RESOLVED, That the members of the 78th Session of the Nevada Legislature urge and strongly request the United States Fish and Wildlife Service to not list the greater sage-grouse as endangered or threatened under the Endangered Species Act of 1973 and allow the State of Nevada to implement the State’s Conservation Plan to demonstrate the effectiveness of the Plan as an adequate regulatory mechanism in conserving the greater sage-grouse; and be it further RESOLVED, That if the Bureau of Land Management and the United States Fish and Wildlife Service choose not to follow the guidance and exhortations of this resolution, the members of the 78th Session of the Nevada Legislature urge and strongly request the United States Congress to intervene and enact federal legislation to provide an extension of time, for a period of 10 years through and including Fiscal Year 2025, before the United States Secretary of the Interior can consider, write or issue pursuant to Section 4 of the Endangered Species Act of 1973 a finding or proposed federal endangered species regulation in order to allow the State’s Conservation Plan to be implemented and demonstrate the effectiveness of the Plan as an adequate regulatory mechanism in conserving the greater sage-grouse; and be it further RESOLVED, That the Secretary of the Senate prepare and transmit a copy of this resolution to the Vice President of the United States as presiding officer of the United States Senate, the Speaker of the House of Representatives, each member of the Nevada Congressional Delegation, the United States Secretary of the Interior, the Director of the United States Fish and Wildlife Service and the Governor of the State of Nevada; and be it further RESOLVED, That this resolution becomes effective upon passage.

Senator Goicoechea moved the adoption of the amendment.

Remarks By Senator Goicoechea.

Amendment No. 572 to Senate Joint Resolution No. 5 adds language to the resolution to clarify that the BLM and U.S. Forest Service has embarked on land use plans to incorporate sage grouse conservation measures.

It adds language noting that the “preferred alternative” of the draft environmental impact statement of the BLM and Forest Service does not take into account the State’s Sage Grouse Conservation Plan and urges the BLM and Forest Service to adopt the Plan as its preferred alternative; and it adds language urging Congress to intervene if the BLM and Forest Service do not follow the guidance of the resolution and, if so, urges Congress to enact legislation to extend, for a period of 10 years, a decision on a sage grouse listing to allow the implementation of the Conservation Plan.

Legislative Counsel’s Digest:

Existing law provides that if there are more candidates than twice the number to be elected to a nonpartisan office, other than a city office: (1) the names of the candidates must appear on the ballot for a primary election; and (2) those candidates who receive the highest number of votes at that election, not to exceed twice the number to be elected, must be declared nominees for the office. (NRS 293.260) Section 1 of this bill provides that if one candidate receives a majority of the votes cast in the primary election for the office for which he or she is a candidate, the candidate must be declared elected to the office and his or her name must not be placed on the ballot for the general election. For primary city elections conducted in certain general law cities, existing law provides that if one candidate receives “more than a majority” of the votes cast in such an election for the office for which he or she is a candidate, the candidate must be declared elected to the office and the candidate’s name must not be placed on the ballot for the general city election. (NRS 293C.175) Section 2 of this bill amends the statute to clarify that such a candidate need only receive a majority of the votes cast, not some greater number, to be declared to be elected. Section 3 of this bill makes a similar change to the Charter of Carson City.

For most charter cities that hold primary city elections, existing law provides that if one candidate receives a majority of votes cast in the primary city election for the office for which he or she is a candidate, the candidate must be declared elected to the office and the candidate’s name must not be placed on the ballot for the general city election. (Boulder City Charter § 96, Henderson City Charter § 5.010, Las Vegas City Charter § 5.010, North Las Vegas City Charter § 5.020) [Sections] Section 3 [(4 and 6 of this bill amend)] amends the [Charters] Charter of Carson City [and the Cities of Reno and Sparks] so that this rule applies to [all charter cities that hold primary city elections] Carson City as well.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
Section 1. NRS 293.260 is hereby amended to read as follows:

293.260 1. Where there is no contest of election for nomination to a particular office, neither the title of the office nor the name of the candidate may appear on the ballot.

4. If only one major political party has candidates for a particular office and no minor political party has nominated a candidate for the office and no independent candidate has filed for the office:

Except as otherwise provided in this paragraph, the candidates of that party who receive the highest number of votes in the primary election, not to exceed twice the number to be elected to that office at the general election, must be declared the nominees for the office. 5. Where no more than the number of candidates to be elected have filed for nomination for:

(a) Any partisan office, the office of judge of the Court of Appeals or the office of justice of the Supreme Court, the names of those candidates must be omitted from all ballots for a primary election and placed on all ballots for a general election;

(b) Any nonpartisan office, other than the office of justice of the Supreme Court, office of judge of the Court of Appeals or the office of member of a town advisory board, the names of those candidates must appear on the ballot for a primary election unless the candidates were nominated pursuant to subsection 2 of NRS 293.165. If a candidate receives one or more votes at the primary election, the candidate must be declared elected to the office and his or her name must not be placed on the ballot for the general election. If a
candidate does not receive one or more votes at the primary election, his or her name must be placed on the ballot for the general election; and
(c) The office of member of a town advisory board, the candidate must be declared elected to the office and no election must be held for that office.
6. If there are more candidates than twice the number to be elected to a nonpartisan office, the names of the candidates must appear on the ballot for a primary election. Except as otherwise provided in this subsection, those candidates who receive the highest number of votes at that election, not to exceed twice the number to be elected, must be declared nominees for the office. If one candidate receives a majority of the votes cast in the primary election for that office, the candidate must be declared elected to the office and his or her name must not be placed on the ballot for the general election.

Except as otherwise provided in NRS 293C.115, a candidate for any office to be voted for at the primary city election must file a declaration of candidacy with the city clerk not less than 60 days or more than 70 days before the date of the primary city election. The city clerk shall charge and collect from the candidate and the candidate must pay to the city clerk, at the time of filing the declaration of candidacy, a filing fee in an amount fixed by the governing body of the city by ordinance or resolution. The filing fees collected by the city clerk must be deposited to the credit of the general fund of the city.
3. All candidates, except as otherwise provided in NRS 266.220, must be voted upon by the electors of the city at large.
4. If, in a primary city election held in a city of population category one or two, one candidate receives a majority of votes cast in that election for the office for which he or she is a candidate, the candidate must be declared elected to the office and the candidate’s name must not be placed on the ballot for the general city election. If, in the primary city election, no candidate receives a majority of votes cast in that election for the office for which he or she is a candidate, the names of the two candidates receiving the highest number of votes must be placed on the ballot for the general city election.

Sec. 3. Section 5.010 of the Charter of Carson City, being chapter 213, Statutes of Nevada 1969, as last amended by chapter 100, Statutes of Nevada 1999, at page 271, is hereby amended to read as follows:

Senator Settelmeyer moved the adoption of the amendment.

Remarks by Senator Settelmeyer.

Amendment No. 310 to Senate Bill 5: Deletes Sections 4 through 7 of the bill that proposed to amend the City Charters of Reno and Sparks, because they had not requested to be in the bill, they requested to be removed. The other point that came up earlier, asking about still appearing on the election, that is the current way it works for primary city elections and everything lower does not apply as Senator from District 4 indicated on Assembly or up races. However, on the local level that is the way it occurs. If you win the primary by 50.1 you do not appear on the general city election and that’s what this is consistent with.

Amendment adopted.

Senate Bill No. 125.

Bill read second time.

The following amendment was proposed by the Committee on Revenue and Economic Development:

Amendment No. 264.

AN ACT relating to economic development; creating the Nevada Air Service Development Commission; setting forth the duties of the Commission; creating the Nevada Air Service Development Fund; requiring the Commission to administer the Fund; establishing the criteria for awarding grants to certain [airports] air carriers from the Fund; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The Nevada Constitution contains a provision commonly known as a “gift clause” which restricts the State, under certain circumstances, from donating or loaning the State’s money or credit to any company, association or corporation, except corporations formed for educational or charitable purposes. (Nev. Const. Art. 8, § 9) The State does not donate, loan or “gift” its money in violation of this constitutional provision when the State dispenses state funds for a public purpose and the State receives a valuable benefit or fair consideration in exchange for the dispensation of such funds. (Lawrence v. Clark County, 127 Nev. Adv. Op. 32, 254 P.3d 606, 616 (2011)) In most cases, the courts generally will give great weight and due deference to the Legislature’s finding that a particular dispensation of state funds serves a public purpose and the State receives a valuable benefit or fair consideration in exchange for the dispensation. (Washoe County Water Conserv. Dist. v. Beemer, 56 Nev. 104, 115 (1935); Cauble v. Beemer, 64 Nev. 77, 82-85 (1947); McLaughlin v. Hous. Auth. of Las Vegas, 68 Nev. 84, 93 (1951); State ex rel. Brennan v. Bowman, 89 Nev. 330, 332-33 (1973); Lawrence v. Clark County, 127 Nev. Adv. Op. 32, 254 P.3d 606, 612 (2011))
Sections 2-10 of this bill create the: (1) Nevada Air Service Development Commission, which consists of the Executive Director of the Office of Economic Development within the Office of the Governor and the members of the Commission on Tourism of the Department of Tourism and Cultural Affairs; and (2) Nevada Air Service Development Fund. The Commission will administer the Fund and award grants to air carriers who will serve or enhance service to small airports in this State for the purpose of recruiting, retaining, stabilizing and expanding regional air service in this State. Grants from the Fund must be used to pay the costs associated with an agreement entered into between the Commission and an air carrier to commence or continue air service to the airport in exchange for a guarantee of receiving certain revenue or subsidies from the Commission. Section 10 of this bill provides that: (1) a grant from the Commission must pay 80 percent of the cost of the guarantee; and (2) a local air service development entity, an airport receiving service or increased service from the Commission, must pay 20 percent of the cost of such a guarantee, but does not indicate how such costs will be apportioned. Therefore, the governing body of such a local government could be required to pay for up to 20 percent of the cost of a guarantee even if the governing body did not consent to the application for or the acceptance of a grant, in the form of in-kind contributions.

Section 11 of this bill makes an appropriation to the Nevada Air Service Development Fund.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The Legislature hereby finds and declares that:

(a) Section 9 of Article 8 of the Nevada Constitution contains a provision commonly known as a “gift clause” which restricts the State under certain circumstances from donating or loaning the State’s money or credit to any company, association or corporation, except corporations formed for educational or charitable purposes.

(b) In Employers Insurance Company of Nevada v. State Board of Examiners, 117 Nev. 249, 258 (2001), the Nevada Supreme Court held that the State loans its credit in violation of Section 9 of Article 8 of the Nevada Constitution only when the State acts as a surety or guarantor for the debts of a company, corporation or association.

(c) In Lawrence v. Clark County, 127 Nev. Adv. Op. 32, 254 P.3d 606, 616 (2011), the Nevada Supreme Court held that the State does not donate, loan or “gift” its money in violation of Section 9 of Article 8 of the Nevada Constitution when the State dispenses state funds for a public purpose and the State receives a valuable benefit or fair consideration in exchange for the dispensation of the state funds.
(d) In McLaughlin v. Housing Authority of the City of Las Vegas, 68 Nev. 84, 93 (1951), and Lawrence v. Clark County, 127 Nev. Adv. Op. 32, 254 P.3d 606, 616 (2011), the Nevada Supreme Court held that when the Legislature authorizes a state agency to dispense state funds:

(1) The courts will carefully examine whether the Legislature made an informed and appropriate finding that dispensation of the state funds serves a public purpose and the State receives a valuable benefit or fair consideration in exchange for the dispensation;

(2) The courts will give great weight and due deference to the Legislature’s finding, and the courts will uphold the Legislature’s finding unless it clearly appears to be erroneous and without reasonable foundation; and

(3) The courts will closely examine whether the dispensing state agency reviews all facts, figures and necessary information when making the dispensation, and when the state agency has done so, it will not be second-guessed by the courts.

2. The Legislature further finds and declares that:

(a) The state program developed and carried into effect pursuant to this act will not result in the State acting as a surety or guarantor of the debts of an air carrier receiving a grant.

(b) The purpose of this act is to develop and carry into effect a state program to encourage air carriers to resume, retain or enhance the provision of commercial air service to and from small hub airports and nonhub airports that serve rural communities in this State.

(c) The provisions of this act are intended to serve an important public purpose and ensure that the State receives valuable benefits and fair consideration in exchange for each grant from the program because:

(1) The program requires the dispensing state agency to review all facts, figures and necessary information when making each grant from the program to determine whether the grant will provide economic benefit to this State;

(2) The provision of air transportation service to and from small hub airports and nonhub airports enables the citizens and businesses of this State to travel more efficiently and at lower cost, to and from the rural communities in this State; and

(3) The dispensing state agency may not make a grant from the program unless the agency receives a commitment from the air carrier receiving the grant to commence or continue air service to a designated small hub airport or nonhub airport.

Sec. 12. The provisions of NRS 354.599 do not apply to any additional expenses of a local government that are related to the provisions of this act.

Sec. 13. This act becomes effective upon passage and approval.

Senator Goicoechea moved the adoption of the amendment.

Remarks by Senator Goicoechea:

Clearly the intent of the amendment is local government will have an unfunded mandate of 20 percent. They would be on the hook to provide 20 percent of the gift or grant. However, the law prohibits local government or the airport from directly contributing to an airline so that is why we created the Nevada Air Service Development Commission. So that does in fact then take away 80 percent of the unfunded mandate. I have talked with my colleague from Senate District 11 and I think is as clear as we can get it as it gets redrafted. I think the intent is clear but the language is a little confusing. One says maintain, one says not maintain but the bottom line is it is 20 percent to local government and 80 percent to the new Nevada Air Service Development Commission and it makes it legal. We have a lot of case law in the amendment that allows for that.

Amendment adopted.

AN ACT relating to education; requiring certain providers of electronic applications used for educational purposes to provide written disclosures concerning personally identifiable information that is collected; requiring such a provider to allow certain persons to review and correct personally identifiable information about a pupil maintained by the provider; limiting the circumstances under which such a provider may collect, use, allow access to or transfer personally identifiable information concerning a pupil; requiring such a provider to establish and carry out a detailed plan for the security of data concerning pupils; requiring teachers and other licensed personnel employed by a school district or charter school to complete certain professional development; requiring certain disciplinary action against a teacher or administrator for breaches in security or confidentiality of certain examinations; providing a civil penalty for certain violations; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 1.25 of this bill declares that: (1) the educational records of a pupil, including the personally identifiable information contained in such records, belong to the pupil and his or her parent or legal guardian; and (2) it is the public policy of this State to protect [the educational] such records [of pupils, including the personally identifiable] and information [contained in}
such records], and [that] (3) the provisions of this bill are intended to provide greater protection over such records and information.

Section 5 of this bill requires a school service provider to provide to the board of trustees of a school district or the governing body of a school, as applicable, and a teacher who uses a school service, a written disclosure of: (1) the types of personally identifiable information collected by the school service provider; (2) the manner in which such information is used; (3) a description of the plan for security of data concerning pupils which has been established by the school service provider; and (4) any material change to such a plan. Section 3 of this bill defines the term “school service” to mean an Internet website, online service or mobile application that: (1) collects or maintains personally identifiable information concerning a pupil; (2) is used primarily for educational purposes; (3) is designed and marketed for use in public schools; and (4) is used at the direction of teachers and other educational personnel. Section 5 requires a school service provider to: (1) allow certain pupils or the parent or guardian of a pupil to review personally identifiable information about the pupil maintained by the school service provider; and (2) establish a process for making any corrections to such information.

Section 6 of this bill limits the circumstances under which a school service provider may collect, use, allow access to or transfer personally identifiable information concerning a pupil. Section 6 requires a school service provider to delete personally identifiable information concerning a pupil at the request of the board of trustees of the school district or the governing body of the school, as applicable. Section 6 requires any agreement entered into by a school service provider that provides for the disclosure of personally identifiable information to limit the circumstances under which the person or governmental entity to whom the information is disclosed may collect, use or transfer such information to circumstances authorized by law. Section 6 also subjects any school service provider that violates these requirements to a civil penalty.

Section 7 of this bill requires a school service provider to establish and carry out a detailed plan for the security of any data concerning pupils that is collected or maintained by the school service provider. Section 8 of this bill requires each school district and the governing body of a charter school or university school for profoundly gifted pupils, as applicable, to annually provide professional development regarding the use of school service providers and the security of data concerning pupils. Section 8 also requires teachers and other licensed personnel employed by a school district or charter school to annually complete professional development regarding school service providers and the security of data concerning pupils.

Section 8.3 of this bill authorizes a school service provider to use and disclose information derived from personally identifiable information to demonstrate the effectiveness of the products or services of the school service provider. Section 8.5 of this bill prohibits a person or governmental
entity from waiving or modifying any right, obligation or liability provided by the provisions of sections 1.5-8.5. Section 8.5 also provides that any condition, stipulation, or provision in a contract that conflicts with the provisions of sections 1.5-8.5 is void and unenforceable.

Existing law authorizes a teacher to be suspended, dismissed or not reemployed and an administrator to be demoted, suspended, dismissed or not reemployed for breaches in security or confidentiality of the questions and answers of certain examinations. (NRS 391.3127) Section 9 of this bill instead requires a teacher to be suspended, dismissed or not reemployed and an administrator to be demoted, suspended, dismissed or not reemployed for such breaches.

SECOND READING AND AMENDMENT

Senate Bill No. 114.
Bill read second time.
The following amendment was proposed by Senator Hardy:
Amendment No. 164.
AN ACT relating to controlled substances; requiring the State Board of Pharmacy and the Investigation Division of the Department of Public Safety to provide access to the computerized program to track prescriptions of controlled substances developed by the Board of Pharmacy and the Investigation Division of the Department of Public Safety to include certain information; authorizing access to such information for certain purposes; occupational licensing boards; requiring the Board and the Division to provide information concerning the inappropriate use of a controlled substance by a patient to the occupational licensing board of a practitioner who prescribes the controlled substance to the patient; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law requires the State Board of Pharmacy and the Investigation Division of the Department of Public Safety to cooperatively develop a computerized program to track prescriptions for certain controlled substances that are filled by a pharmacy or dispensed by a practitioner that is registered with the Board. This program is required to be designed to provide certain information concerning the use of controlled substances, including data relating to the use of controlled substances that is not specific to a particular patient. The Board and Division use the program to identify any suspected fraudulent or illegal activity related to the dispensing of controlled substances and are required to report such activity to the appropriate law enforcement agency or occupational licensing board. (NRS 453.1545) This bill expands the information that this computerized system is required to be designed to provide to also include data relating to the prescribing of controlled substances that is specific to a particular patient. This bill also requires the Board and the Division to monitor the prescription activity of prescribing practitioners for certain controlled substances and notify a practitioner if he or she has written a certain comparatively high number of such prescriptions. Finally, this bill authorizes access to information concerning particular patients to: (1) the Board and the Division for the purpose of such monitoring; and (2) a practitioner who has received such notice from the Board for the purpose of confirming the accuracy of information contained in the notice. This bill also requires the Board and the Division to report to the occupational licensing board of a practitioner who prescribes a controlled substance to a patient any activity that may indicate that the patient is using the controlled substance inappropriately. This bill also requires the Board and the Division to give access to the database of the program to the occupational licensing boards of practitioners for the purpose of investigating such inappropriate use, if the occupational licensing board determines that an investigation is warranted.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 453.1545 is hereby amended to read as follows:
453.1545 1. The Board and the Division shall cooperatively develop a computerized program to track each prescription for a controlled substance listed in schedules II, III or IV that is filled by a pharmacy that is registered with the Board or that is dispensed by a practitioner who is registered with the Board. The program must:
(a) Be designed to provide information regarding:
   (1) The inappropriate use by a patient of controlled substances listed in schedules II, III and IV to pharmacies, practitioners and appropriate state agencies and occupational licensing boards to prevent the improper or illegal use of those controlled substances; and
   (2) Statistical data relating to the use of those controlled substances that is not specific to a particular patient;
   (3) Data relating to the prescribing of those controlled substances that is specific to a particular patient, access to which must be restricted to persons who are authorized to access such information for the purposes set forth in subsections 1, 4 and 5;
(b) Be administered by the Board, the Investigation Division, the Division of Public and Behavioral Health of the Department and various practitioners, representatives of professional associations for practitioners, representatives of occupational licensing boards and prosecuting attorneys selected by the Board and the Investigation Division.
(c) Not infringe on the legal use of a controlled substance for the management of severe or intractable pain.
(d) Include the contact information of each person who elects to access the database of the program pursuant to subsection 2, including, without limitation:
   (1) The name of the person;
   (2) The physical address of the person;
   (3) The telephone number of the person; and
   (4) If the person maintains an electronic mail address, the electronic mail address of the person.

2. The Board shall provide Internet access to the database of the program established pursuant to subsection 1 to:
   (a) Each practitioner who is authorized to write prescriptions for and each person who is authorized to dispense controlled substances listed in schedule II, III or IV who:
      (1) Elects to access the database of the program; and
      (2) Completes the course of instruction described in subsection 7;
   (b) An occupational licensing board that licenses any practitioner who is authorized to write prescriptions for controlled substances listed in schedule II, III or IV.

3. A practitioner who is provided Internet access to the database of the program pursuant to subsection 2 must, for the purposes of complying with the provisions of subsection 5, be provided access to information specific to
the prescriptions for controlled substances listed in schedule II, III, or IV, written by the practitioner, including, without limitation, the name of each patient for whom the practitioner has written each prescription and, for each such patient:

(a) The date on which the prescription was written by the practitioner;

(b) The name, dosage and amount of the controlled substance prescribed by the practitioner; and

(c) The number of refills authorized and filled for the controlled substance.

4. The Board and the Division must have access to the program established pursuant to subsection 1 to identify any suspected fraudulent or illegal activity related to the dispensing of controlled substances.

5. The Board and the Division shall access the program established pursuant to subsection 1 to monitor the prescription activity of practitioners authorized to write prescriptions for controlled substances listed in schedule II, III, or IV, and to tabulate and compare the number of such prescriptions written monthly by each practitioner in a particular medical specialty or other category established by the Board for this purpose. When the number of such prescriptions written in a month by any practitioner exceeds the monthly average of 95 percent of the other practitioners in that specialty or category, the Board shall notify the practitioner in writing and via electronic mail, if available. Within 10 days after receiving such notice from the Board, the practitioner shall:

(a) Review the information described in subsection 2 to determine the accuracy of the information; and

(b) Submit a written report to the Board, on a form approved by the Board, of the accuracy of the information or identifying any inaccuracies in the information.

6. The Board or the Division shall report any activity it reasonably suspects may:

(a) Be fraudulent or illegal to the appropriate law enforcement agency or occupational licensing board and provide the law enforcement agency or occupational licensing board with the relevant information obtained from the program for further investigation.

(b) Indicate the inappropriate use by a patient of a controlled substance to the occupational licensing board of each practitioner who has prescribed the controlled substance to the patient. The occupational licensing board may access the database of the program established pursuant to subsection 1 to determine which practitioners are prescribing the controlled substance to the patient. The occupational licensing board may use this information for any purpose it deems necessary, including, without limitation, alerting a practitioner that a patient may be fraudulently obtaining a controlled substance or determining whether a practitioner is engaged in unlawful or unprofessional conduct. This paragraph shall not be construed to require an occupational licensing board to conduct an investigation or take any action.
against a practitioner upon receiving information from the Board or the Division.

5. The Board and the Division may cooperatively enter into a written agreement with an agency of any other state to provide, receive or exchange information obtained by the program with a program established in that state which is substantially similar to the program established pursuant to subsection 1, including, without limitation, providing such state access to the database of the program or transmitting information to and receiving information from such state. Any information provided, received or exchanged as part of an agreement made pursuant to this section may only be used in accordance with the provisions of this chapter.

6. Information obtained from the program relating to a practitioner or a patient is confidential and, except as otherwise provided by this section and NRS 239.0115, must not be disclosed to any person. That information must be disclosed:

(a) Upon the request of a person about whom the information requested concerns or upon the request on behalf of that person by his or her attorney; or

(b) Upon the lawful order of a court of competent jurisdiction.

7. The Board and the Division shall cooperatively develop a course of training for persons who elect to access the database of the program pursuant to subsection 2 and require each such person to complete the course of training before the person is provided with Internet access to the database pursuant to subsection 2.

8. A practitioner who is authorized to write prescriptions for and each person who is authorized to dispense controlled substances listed in schedule II, III or IV who acts with reasonable care when transmitting to the Board or the Division a report or information required by this section or a regulation adopted pursuant thereto is immune from civil and criminal liability relating to such action.

9. The Board and the Division may apply for any available grants and accept any gifts, grants or donations to assist in developing and maintaining the program required by this section.

Senator Hardy moved the adoption of the amendment.

Remarks by Senator Hardy.

I would repeat the remarks but the bottom line is this amendment does not allow fishing. This amendment allows occupational licensing boards to do something. Because there are two amendments proposed to this bill, the first amendment has to be approved before the second is adopted. They then have to be put together. Legal is putting the two together. There is a draft of this that has assuaged the worries of one of my colleagues.
