Prayer by the Chaplain, Pastor Nick Emery.
In honor of May being Foster Care Awareness Month, let’s pray for the children of our community.

Today, we pray in the name of Jesus, for the children of our communities that we represent. May they know that a bright and glorious future is being prepared for them by these men and women, and by so many others, who desire to leave them with a lasting legacy. May we fight for the injustice that comes upon our children. We pray for their safety, we pray for their needs, we pray for them – our future. Give us wisdom this day, to lead and equip them, we pray, in the mighty name of Jesus.

God bless and may God bless Nevada.

Amen.

Pledge of Allegiance to the Flag.

By previous order of the Senate, the reading of the Journal is dispensed with, and the President and Secretary are authorized to make the necessary corrections and additions.

SECOND READING AND AMENDMENT

Senate Bill No. 292.
Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 881.
AN ACT relating to civil actions; providing immunity from civil actions for a board of trustees of a school district or the governing body of a charter school under certain circumstances; revising the applicability of certain provisions of existing law pertaining to certain civil actions involving
negligence; revising provisions governing the limitation on the amount of noneconomic damages that may be awarded in certain civil actions; [requiring a trier of fact to determine the percentage of responsibility for a plaintiff’s harm assigned to various parties in certain civil actions] making various other changes relating to certain actions involving negligence; and providing other matters properly relating thereto. Legislative Counsel’s Digest:

Section 1 of this bill provides that a board of trustees of a school district or the governing body of a charter school is not liable for any civil damages arising from any act or omission by a person employed by or volunteering at a school-based health center. Section 1 also defines “school-based health center” for such purposes.

Existing law defines “medical malpractice,” “dental malpractice” and “professional negligence” and contains various provisions relating to civil actions involving claims of medical malpractice, dental malpractice and professional negligence. (Chapter 41A of NRS) This bill removes references in existing law to medical malpractice and dental malpractice and replaces those references with references to professional negligence. Section 1.5 of this bill also revises the definition of professional negligence to incorporate provisions of the previously used definition of medical malpractice.

Existing law defines the term “provider of healthcare” for the purposes of certain civil actions involving professional negligence. (NRS 41A.017) Section 2 of this bill revises that definition to include certain other professionals who provide health care and to include clinics, surgery centers and other entities that employ physicians and other such persons.

Existing law limits the amount of noneconomic damages that may be awarded in an action for injury or death against a provider of health care based upon professional negligence. (NRS 41A.035) Section 3 of this bill limits the total noneconomic damages that may be awarded in such an action to $350,000, regardless of the number of plaintiffs, defendants or theories of liability.

[Existing law provides that in an action for injury or death against a provider of health care based upon professional negligence, each defendant is liable to the plaintiff for certain damages severally only, and not jointly. (NRS 41A.045) Section 4 of this bill: (1) requires the trier of fact in an action for professional negligence to determine the percentage of responsibility assigned to each person; and (2) authorizes a defendant to present certain evidence to establish the percentage of responsibility of any party or nonparty to such an action.]

Existing law establishes a rebuttable presumption in actions for negligence against providers of medical care that the personal injury or death was caused by negligence when certain injuries are sustained. (NRS 41A.100) Section 9 of this bill provides that the rebuttable presumption does not apply in an action in which: (1) a plaintiff submits an affidavit or designates an expert witness to establish that a provider of health care deviated from the accepted
standard of care; or (2) expert medical testimony is used to establish a claim of professional negligence.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 41 of NRS is hereby amended by adding thereto a new section to read as follows:

2. As used in this section, “school-based health center” means a health center located on or in school grounds, property, buildings or any other school district facilities for the purpose of rendering care or services to any person.

Sec. 2. NRS 41A.017 is hereby amended to read as follows:

The trier of fact shall consider the percentage of responsibility of any person who could have contributed to the alleged injury or death, regardless of whether the person was, or could have been, named as a party to the action. A determination of the percentage of responsibility for any nonparty:
    (a) May only be used as a vehicle for accurately determining the fault of the named parties;
    (b) Does not subject the nonparty to liability in the action or in any other action; and
    (c) May be introduced as evidence of liability in any action.
  3. To establish the percentage of responsibility of any party or nonparty, a defendant may present to the trier of fact:
    (a) An affidavit produced pursuant to NRS 41A.071;
    (b) A report prepared by an expert pursuant to the Nevada Rules of Civil Procedure; and
    (c) Testimony of an expert designated by any party, at any time, pursuant to the Nevada Rules of Civil Procedure.
  4. This section is intended to abrogate joint and several liability of a provider of health care in an action for injury or death against the provider of health care based upon professional negligence.] (Deleted by amendment.)

Sec. 5. NRS 41A.061 is hereby amended to read as follows:
41A.061  1. Upon the motion of any party or upon its own motion, unless good cause is shown for the delay, the court shall, after due notice to the parties, dismiss an action involving [medical malpractice or dental malpractice] professional negligence if the action is not brought to trial within:
    (a) Three years after the date on which the action is filed, if the action is filed on or after October 1, 2002, but before October 1, 2005.
    (b) Two years after the date on which the action is filed. [If the action is filed on or after October 1, 2005.]
  2. Dismissal of an action pursuant to subsection 1 is a bar to the filing of another action upon the same claim for relief against the same defendants.
3. Each district court shall adopt court rules to expedite the resolution of an action involving [medical malpractice or dental malpractice] professional negligence.

Sec. 6. NRS 41A.071 is hereby amended to read as follows:
41A.071 If an action for [medical malpractice or dental malpractice] professional negligence is filed in the district court, the district court shall dismiss the action, without prejudice, if the action is filed without an affidavit [ supporting] that:
1. Supports the allegations contained in the action [ ];
2. Is submitted by a medical expert who practices or has practiced in an area that is substantially similar to the type of practice engaged in at the time of the alleged [malpractice.] professional negligence;
3. Identifies by name, or describes by conduct, each [alleged] provider of health care [ ]; who is alleged to be negligent; and

2. The judge before whom the settlement conference is held:
(a) May, for good cause shown, waive the attendance of any party.
(b) Shall decide what information the parties may submit at the settlement conference.
3. The judge shall notify the parties of the time and place of the settlement conference.
4. The failure of any party, the party’s insurer or the party’s attorney to participate in good faith in the settlement conference is grounds for sanctions, including, without limitation, monetary sanctions, against the party or the party’s attorney, or both. The judges of the district courts shall liberally construe the provisions of this subsection in favor of imposing sanctions in all appropriate situations. It is the intent of the Legislature that the judges of the district courts impose sanctions pursuant to this subsection in all appropriate situations to punish for and deter conduct which is not undertaken in good faith because such conduct overburdens limited judicial resources, hinders the timely resolution of meritorious claims and increases the costs of engaging in business and providing professional services to the public.

Sec. 8. NRS 41A.085 is hereby amended to read as follows:
41A.085 1. In an action for damages for professional negligence in which the defendant is insured pursuant to a policy of insurance covering the liability of the defendant for a breach of the defendant’s professional duty toward a patient:

(a) At any settlement conference, the judge may recommend that the action be settled for the limits of the policy of insurance.

(b) If the judge makes the recommendation described in paragraph (a), the defendant is entitled to obtain from independent counsel an opinion letter explaining the rights of, obligations of and potential consequences to the defendant with regard to the recommendation. The insurer shall pay the independent counsel to provide the opinion letter described in this paragraph, except that the insurer is not required to pay more than $1,500 to the independent counsel to provide the opinion letter.

2. The section does not:

(a) Prohibit the plaintiff from making any offer of settlement.

(b) Require an insurer to provide or pay for independent counsel for a defendant except as expressly provided in this section.

Sec. 9. NRS 41A.100 is hereby amended to read as follows:

41A.100 1. Liability for personal injury or death is not imposed upon any provider of medical health care based on alleged negligence in the performance of that care unless evidence consisting of expert medical testimony, material from recognized medical texts or treatises or the regulations of the licensed medical facility wherein the alleged negligence occurred is presented to demonstrate the alleged deviation from the accepted standard of care in the specific circumstances of the case and to prove causation of the alleged personal injury or death, except that such evidence is not required and a rebuttable presumption that the personal injury or death was caused by negligence arises where evidence is presented that the provider of health care caused the personal injury or death occurred in any one or more of the following circumstances:

(a) A foreign substance other than medication or a prosthetic device was unintentionally left within the body of a patient following surgery;

(b) An explosion or fire originating in a substance used in treatment occurred in the course of treatment;

(c) An unintended burn caused by heat, radiation or chemicals was suffered in the course of medical care;

(d) An injury was suffered during the course of treatment to a part of the body not directly involved in the treatment or proximate thereto; or

(e) A surgical procedure was performed on the wrong patient or the wrong organ, limb or part of a patient’s body.

2. Expert medical testimony provided pursuant to subsection 1 may only be given by a provider of medical health care who practices or has practiced in an area that is substantially similar to the type of practice engaged in at the time of the alleged negligence.
3. [As used in this section, “provider of medical care” means a physician, dentist, registered nurse or a licensed hospital as the employer of any such person.] The rebuttable presumption pursuant to subsection 1 does not apply in an action in which:

4. Nothing in this section shall be construed to preclude any party to the suit from designating and presenting expert testimony as to the legal or proximate cause of any alleged personal injury or death.

Sec. 10. NRS 3.029 is hereby amended to read as follows:

3.029 1. The Supreme Court shall provide by court rule for mandatory appropriate training concerning the complex issues of [medical malpractice alleging professional negligence] for each district judge to whom actions involving [medical malpractice] professional negligence are assigned.

2. As used in this section, “professional negligence” has the meaning ascribed to it in NRS 41A.015.

Sec. 11. The amendatory provisions of this act apply to a cause of action that accrues on or after the effective date of this act.

Sec. 12. NRS 41A.004, 41A.009 and 41A.013 are hereby repealed.

Sec. 13. This act becomes effective upon passage and approval.

The amendment also deletes Section 4 of the bill, which sets forth provisions regarding how a trier of fact was to determine the percentage of responsibility assigned to all persons relating to the harm at question.

And, finally, it revises the definition of professional negligence to incorporate portions of the previous definition of medical malpractice.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.
Assembly Bill No. 173.
Bill read second time.
The following amendment was proposed by the Committee on Commerce, Labor and Energy:

Amendment No. 701.

AN ACT relating to private investigations; exempting the Private Investigator’s Licensing Board from certain administrative procedures governing professional licensing boards; exempting certain professionals who provide information security from regulation as a private investigator; deleting provisions requiring a licensee or applicant for a license to maintain a principal place of business in this State; authorizing the Board to revoke the registration of a registered employee under certain circumstances; revising certain provisions relating to licensure and registration by the Board; revising provisions relating to disciplinary actions by the Board; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the Private Investigator’s Licensing Board to comply with certain administrative procedures governing certain professional licensing boards. (Chapter 622A of NRS) Sections 1, 4 and 5 of this bill exempt the Board from complying with such procedures.

Existing law provides that a person engaging in the business of a private investigator must be licensed and is subject to regulation by the Board. (NRS 648.060) Existing law defines a private investigator to include a person who conducts an investigation through the review or analysis of computerized data not available to the public. (NRS 648.012) Section 1.3 of this bill defines the term “information security.” Section 2.5 of this bill revises the definition of “private investigator” to exclude from the definition certain professionals who provide information security. Section 3 of this bill exempts certain professionals who provide information security from the provisions of NRS governing private investigators.

Existing law prohibits a person from engaging in any business regulated by the Board or advertising such business unless the person is licensed by the Board. Existing law further prohibits the employment by a licensee of a person unless the person is a registered employee. Existing law requires the Board to assess certain administrative fines for violations of these provisions and specifies the amounts of such administrative fines. (NRS 648.060, 648.165) Section 14 of this bill authorizes rather than requires the Board to assess such administrative fines and provides the Board with discretion as to the amount of such administrative fines.

Sections 7, 8, 10 and 11 of this bill delete provisions requiring a licensee or an applicant for a license to maintain a principal place of business in Nevada.

Section 9 of this bill provides that each registered employee employed in this State by a licensee must be supervised by the licensee or his or her designated agent who is physically present in this State.
Under existing law, the Board is required to issue a registration to a person who, in addition to certain other requirements, has not been convicted of, or entered a plea of nolo contendere to, a felony or a crime involving moral turpitude or the illegal use or possession of a dangerous weapon. (NRS 648.1493) Existing law provides that a licensee may employ only persons who have not been convicted of a felony or a crime involving moral turpitude or the illegal use or possession of a dangerous weapon. (NRS 648.060) Sections 6 and 12 of this bill remove this prohibition, effectively providing the Board with the discretion to issue a registration to a person who is otherwise qualified to obtain a registration but has been convicted of such crimes.

Section 1.7 of this bill authorizes the Board to revoke the registration of a registered employee under certain circumstances. Section 13 of this bill expands the authority of the Board to investigate the actions of a person holding or claiming to hold a license to include investigations of the actions of a person holding or claiming to hold a registration. Section 13.5 of this bill provides that it is grounds for the suspension or revocation of a registration or application for registration that a registered employee or applicant for a registration fails to comply with a notice of violation issued by the Board. Sections 14.5 and 15 of this bill similarly expand provisions of existing law relating to disciplinary action by the Board to include disciplinary action with regard to registered employees.

648.174 If a licensee or registered employee, or an applicant for a license or registration, has engaged in repeated acts which would be grounds for disciplinary action, but has corrected the conditions resulting from those acts, the correction of those conditions does not preclude the Board or its authorized representative from taking action against the person pursuant to NRS 648.160.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 842.

SUMMARY—[Makes various changes to] Revises provisions relating to the solicitation of bids for a homeowners’ association project.

(BDR 10-808)

AN ACT relating to common-interest communities; revising provisions authorizing a homeowners’ association to direct the removal of vehicles from property owned or leased by the association; revising provisions governing eligibility to be a member of the executive board or an officer of a homeowners’ association; revising provisions relating to the solicitation of bids for a homeowners’ association project; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

[Existing law establishes the Uniform Common-Interest Ownership Act, which governs common interest communities. (Chapter 116 of NRS) Under existing law, a homeowners’ association is authorized, under certain circumstances, to direct the removal of a vehicle improperly parked on
property owned or leased by the association. Unless a vehicle is blocking a
certain area of the association property or the vehicle poses a threat to the
health, safety or welfare of the units’ owners or residents, an association must
provide certain written or oral notice to the owner or operator of a vehicle at
least 48 hours before the association may direct the removal of the vehicle.
(NRS 116.3102) Section 1 of this bill removes these requirements. Existing
law also provides that unless a person is appointed by the declarant, a person
may not be a member of the executive board or an officer of a homeowners’
association if the person or certain other persons perform the duties of a
community manager for that association. (NRS 116.31034) Section 1.5 of
this bill additionally excludes a person, other than a person appointed by the
declarant, from eligibility as a candidate for, or as a member of, the executive
board or an officer of a homeowners’ association if: (1) except under certain
circumstances, the person resides with, is married to or is related within the
third degree of consanguinity to a member of the board or an officer of the
association; (2) the person stands to gain any personal profit or compensation
from a matter before the board; or (3) the person is a business associate of, or
a co-owner of a business co-owned by, a person who is a member of the
executive board or is an officer of the association or who performs the duties
of a community manager for that association. Additionally, section 1.5
provides that if a person is not eligible to be a candidate for, or a member of,
an executive board or an officer of the association, the association: (1) must
not place the name of the person on any ballot as a candidate; and (2) must
prohibit the person from serving as a member of the executive board or as an
officer of the association.

Existing law requires a homeowners’ association to open and consider bids for an association project at a meeting of its executive board. (NRS 116.31086) This bill requires an association to solicit, whenever reasonably possible, at least three bids if the association project is expected to cost: (1) in a common-interest community that consists of less than 1,000 units, $2,500, or more of the annual budget of the association; or (2) in a common-interest community that consists of 1,000 or more units, $5,000, or more. This bill further specifies that the contents of bids which are opened at a meeting of the executive board must be read aloud.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 116.3102 is hereby amended to read as follows:

116.3102  1. Except as otherwise provided in this chapter, and subject
to the provisions of the declaration, the association:

(a) Shall adopt and, except as otherwise provided in the bylaws, may
amend bylaws and may adopt and amend rules and regulations.

(b) Shall adopt and may amend budgets in accordance with the
requirements set forth in NRS 116.31151, may collect assessments for
common expenses from the units’ owners and may invest funds of the association in accordance with the requirements set forth in NRS 116.31105.

(c) May hire and discharge managing agents and other employees, agents and independent contractors.

(d) May institute, defend or intervene in litigation or in arbitration, mediation or administrative proceedings in its own name on behalf of itself or two or more units’ owners on matters affecting the common-interest community.

(e) May make contracts and incur liabilities. Any contract between the association and a private entity for the furnishing of goods or services must not include a provision granting the private entity the right of first refusal with respect to extension or renewal of the contract.

(f) May regulate the use, maintenance, repair, replacement and modification of common elements.

(g) May cause additional improvements to be made as a part of the common elements.

(h) May acquire, hold, encumber and convey in its own name any right, title or interest to real estate or personal property, but:

(1) Common elements in a condominium or planned community may be conveyed or subjected to a security interest only pursuant to NRS 116.3112; and

(2) Part of a cooperative may be conveyed, or all or part of a cooperative may be subjected to a security interest, only pursuant to NRS 116.3112.

(i) May grant easements, leases, licenses and concessions through or over the common elements.

(j) May impose and receive any payments, fees or charges for the use, rental or operation of the common elements, other than limited common elements described in subsections 2 and 4 of NRS 116.2102, and for services provided to the units’ owners, including, without limitation, any services provided pursuant to NRS 116.310312.

(k) May impose charges for late payment of assessments pursuant to NRS 116.3115.

(l) May impose construction penalties when authorized pursuant to NRS 116.310305.

(m) May impose reasonable fines for violations of the governing documents of the association only if the association complies with the requirements set forth in NRS 116.31031.

(n) May impose reasonable charges for the preparation and recordation of any amendments to the declaration or any statements of unpaid assessments, and impose reasonable fees, not to exceed the amounts authorized by NRS 116.4109, for preparing and furnishing the documents and certificate required by that section.
(o) May provide for the indemnification of its officers and executive board and maintain directors and officers liability insurance.
(p) May assign its right to future income, including the right to receive assessments for common expenses, but only to the extent the declaration expressly so provides.
(q) May exercise any other powers conferred by the declaration or bylaws.
(r) May exercise all other powers that may be exercised in this State by legal entities of the same type as the association.
(s) May direct the removal of vehicles improperly parked on property owned or leased by the association or authorized pursuant to NRS 487.038, or improperly parked on any road, street, alley or other thoroughfare within the common-interest community in violation of the governing documents. In addition to complying with the requirements of NRS 487.038 and any requirements in the governing documents, if a vehicle is improperly parked as described in this paragraph, the association must post written notice in a conspicuous place on the vehicle or provide oral or written notice to the owner or operator of the vehicle at least 48 hours before the association may direct the removal of the vehicle, unless the vehicle:
   (1) Is blocking a fire hydrant, fire lane or parking space designated for the handicapped; or
   (2) Poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community.
(t) May exercise any other powers necessary and proper for the governance and operation of the association.
2. The declaration may not limit the power of the association to deal with the declarant if the limit is more restrictive than the limit imposed on the power of the association to deal with other persons.
3. The executive board may determine whether to take enforcement action by exercising the association's power to impose sanctions or commence an action for a violation of the declaration, bylaws or rules, including whether to compromise any claim for unpaid assessments or other claim made by or against it. The executive board does not have a duty to take enforcement action if it determines that, under the facts and circumstances presented:
   (a) The association's legal position does not justify taking any or further enforcement action;
   (b) The covenant, restriction or rule being enforced is, or is likely to be construed as, inconsistent with current law;
   (c) Although a violation may exist or may have occurred, it is not so material as to be objectionable to a reasonable person or to justify expending the association's resources; or
   (d) It is not in the association's best interests to pursue an enforcement action.
4. The executive board’s decision under subsection 3 not to pursue enforcement under one set of circumstances does not prevent the executive board from taking enforcement action under another set of circumstances, but the executive board may not be arbitrary or capricious in taking enforcement action.

5. Notwithstanding any provision of this chapter or the governing documents to the contrary, an association may not impose any assessment pursuant to this chapter or the governing documents on the owner of any property in the common-interest community that is exempt from taxation pursuant to NRS 361.125. For the purposes of this subsection, “assessment” does not include any charge for any utility services, including, without limitation, telecommunications, broadband communications, cable television, electricity, natural gas, sewer services, garbage collection, water or for any other service which is delivered to and used or consumed directly by the property in the common-interest community that is exempt from taxation pursuant to NRS 361.125. (Deleted by amendment.)

Sec. 1.5. [NRS 116.31034 is hereby amended to read as follows:]

116.31034  1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant’s control, the units’ owners shall elect an executive board of at least three members, all of whom must be units’ owners. The executive board shall elect the officers of the association. Unless the governing documents provide otherwise, the officers of the association are not required to be units’ owners. The members of the executive board and the officers of the association shall take office upon election.

2. The term of office of a member of the executive board may not exceed 3 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:

(a) Members of the executive board who are appointed by the declarant; and

(b) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit’s owner of the unit’s owner’s eligibility to serve as a member of the executive board. Each unit’s owner who is qualified to serve as a member of the executive board may have his or her name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association.
5. Before the secretary or other officer specified in the bylaws of the association causes notice to be given to each unit's owner of his or her eligibility to serve as a member of the executive board pursuant to subsection 4, the executive board may determine that if, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board at the election, then the secretary or other officer specified in the bylaws of the association will cause notice to be given to each unit's owner informing each unit's owner that:

(a) The association will not prepare or mail any ballots to units' owners pursuant to this section and the nominated candidates shall be deemed to be duly elected to the executive board unless:

(1) A unit's owner who is qualified to serve on the executive board nominates himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection; and

(2) The number of units' owners who submit such a nomination causes the number of candidates nominated for membership on the executive board to be greater than the number of members to be elected to the executive board.

(b) Each unit's owner who is qualified to serve as a member of the executive board may nominate himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection.

6. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board, then:

(a) The association will not prepare or mail any ballots to units' owners pursuant to this section;

(b) The nominated candidates shall be deemed to be duly elected to the executive board not later than 30 days after the date of the closing of the period for nominations described in subsection 5; and

(c) The association shall send to each unit's owner notification that the candidates nominated have been elected to the executive board.

7. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is greater than the number of members to be elected to the executive board, then the association shall:

(a) Prepare and mail ballots to the units' owners pursuant to this section; and
(b) Conduct an election for membership on the executive board pursuant to this section.

8. Each person who is nominated as a candidate for membership on the executive board pursuant to subsection 4 or 5 must:
   (a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and
   (b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in “good standing” if the candidate has any unpaid and past due assessments or construction penalties that are required to be paid to the association.

The candidate must make all disclosures required pursuant to this subsection in writing to the association with his or her candidacy information. Except as otherwise provided in this subsection, the association shall distribute the disclosure, on behalf of the candidate, to each member of the association with the ballot or, in the event ballots are not prepared and mailed pursuant to subsection 6, in the next regular mailing of the association. The association is not obligated to distribute any disclosure pursuant to this subsection if the disclosure contains information that is believed to be defamatory, libelous or profane.

9. Unless a person is appointed by the declarant:
   (a) A person is not eligible to be a candidate for, or a member of, the executive board or an officer of the association if:
      (1) Unless there is an insufficient number of candidates to fill one or more vacancies as a member of the executive board or as an officer of the association, the person resides with another person in a unit, is married to that other person or is related by blood or adoption within the third degree of consanguinity or affinity, and if the other person is also a member of the executive board or is an officer of the association;
      (2) The person stands to gain any personal profit or compensation of any kind from a matter before the executive board of the association;
      (3) The person is a business associate of, or a co-owner of a business co-owned by, a person who is a member of the executive board or is an officer of the association or who performs the duties of a community manager for that association;
      (4) The person, the person’s spouse or the person’s parent or child, by blood, marriage or adoption, performs the duties of a community manager for that association;
   (b) A person may not be a member of the executive board of a master association or an officer of that master association if the person, the person’s spouse or the person’s parent or child, by blood, marriage or adoption, performs the duties of a community manager for:
      (1) That master association; or
10. An officer, employee, agent or director of a corporate owner of a unit, a trustee or designated beneficiary of a trust that owns a unit, a partner of a partnership that owns a unit, a member or manager of a limited liability company that owns a unit, and a fiduciary of an estate that owns a unit may be an officer of the association or a member of the executive board. In all events where the person serving or offering to serve as an officer of the association or a member of the executive board is not the record owner, the person shall file proof in the records of the association that:

(a) The person is associated with the corporate owner, trust, partnership, limited liability company, or estate as required by this subsection; and

(b) Identifies the unit or units owned by the corporate owner, trust, partnership, limited liability company, or estate.

(b) Each unit’s owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit’s owner to return the secret written ballot to the association.

(c) A quorum is not required for the election of any member of the executive board.

(d) Only the secret written ballots that are returned to the association may be counted to determine the outcome of the election.

(e) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(f) The incumbent members of the executive board and each person whose name is placed on the ballot as a candidate for membership on the executive board may not possess, be given access to, or participate in the opening or counting of the secret written ballots that are returned to the association before these secret written ballots have been opened and counted at a meeting of the association.

12. An association shall not adopt any rule or regulation that has the effect of prohibiting or unreasonably interfering with a candidate in the candidate’s campaign for election as a member of the executive board, except that the candidate’s campaign may be limited to 90 days before the date that ballots are required to be returned to the association.
13. A candidate who has submitted a nomination form for election as a member of the executive board may request that the association or its agent either:

(a) Send before the date of the election and at the association's expense, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit's owner a candidate informational statement. The candidate informational statement:

(II) The voting rights of those owners are not exercised by delegates or representatives, the mailing address of the association established pursuant to NRS 119A.520. If the mailing address of the association is provided to the candidate pursuant to this sub-subparagraph, the association must send to each owner of a time share within the time share plan the campaign material provided by the candidate. If the campaign material will be sent by mail, the candidate who provides the campaign material must provide to the association a separate copy of the campaign material for each owner and must pay the actual costs of mailing before the campaign material is mailed. If the campaign material will be sent by electronic transmission, the candidate must provide to the association one copy of the campaign material in an electronic format.

The information provided pursuant to this paragraph must not include the name of any unit's owner or any tenant of a unit's owner. If a candidate who makes a request for the information described in this paragraph fails or refuses to provide a written statement signed by the candidate which states that the candidate is making the request to allow the candidate to communicate campaign material directly to units' owners and that the candidate will not use the information for any other purpose, the association or its agent may refuse the request.
14. An association and its directors, officers, employees and agents are immune from criminal or civil liability for any act or omission which arises out of the publication or disclosure of any information related to any person and which occurs in the course of carrying out any duties required pursuant to subsection 12.

The Administrator may require the association to submit a copy of the certification of each member of the executive board of that association at the time the association registers with the Ombudsman pursuant to NRS 116.31158.

16. If a person is not eligible to be a candidate for, or a member of, an executive board or an officer of the association pursuant to this section or any other provision of this chapter, the association:

(a) Must not place the name of the person on any ballot as a candidate; and

(b) Must prohibit the person from serving as a member of the executive board or as an officer of the association.

Sec. 2. NRS 116.31086 is hereby amended to read as follows:

116.31086  1. If an association solicits bids for an association project,

(a) The association must, whenever reasonably possible, solicit at least three bids if the association project is expected to cost:

(1) In a common-interest community that consists of less than 1,000 units, $2,500 or more of the annual budget of the association; or

Sec. 3. This act becomes effective on July 1, 2015.

Senator Brower moved the adoption of the amendment.

Remarks by Senators Brower, Harris and Hammond.

Senator Brower:

Amendment No. 842 to Senate Bill No. 238 deletes all provisions of the bill, except those addressing the bidding process for projects within a homeowner’s association, which are revised to provide that bids must be sought according to the following provisions: for an association of
less than 1,000 units, when the project is expected to cost 3 percent or more of the association’s annual budget; and for an association of 1,000 or more units, when the project is expected to cost 1 percent or more of the association’s annual budget.

SENATOR HARRIS:
I just had a quick question for clarification. It was my understanding in the hearing that the provisions relating to parking and the notice regarding to removing a vehicle were going to be retained. However, based on the statement that you just read it sounds like the only thing that is being retained are the percentages of budgets for HOA’s.

SENATOR BROWER:
Thank you Mr. President, I will defer to the Chairman of our Transportation Committee to answer that and if he can’t I suggest we give the Senator from Las Vegas a chance to read the amendment.

SENATOR HAMMOND:
It is my understanding, as I was talking to legal from the Judiciary Committee, that the language in regards to the parking portion of this particular bill, because we struck it in that part, then we go back to the original Statute that’s in law right now. That is the way that it is written in Statute right now. It states that there is going to be a 48 hour provision posted somewhere saying that you cannot park here. Also, it says that you cannot park by a fire hydrant or in certain areas in a common interest community. That’s my understanding.

SENATOR HARRIS:
I just texted the research analyst and he said that all that’s left in the bill are the percentages concerning bills.

Mr. President announced that if there were no objections, the Senate would recess subject to the call of the Chair.

Assembly Bill No. 159 provides that a public body, in any solicitation, contract, or other document related to a contract for a public work, shall not require or prohibit a bidder or contractor from entering into or adhering to any agreement with one or more labor organizations in regard to a public work, or discriminate against a bidder or contractor for entering or not entering into, or adhering or refusing to adhere to any agreement with one or more labor organizations in regard to a public work. Additionally, a public body shall not require the awardee of a grant, tax abatement, tax credit, or tax exemption to enter into any agreement with one or more labor organizations, or discriminate against a bidder or contractor for entering into or not entering into an agreement with a labor organization in regard to a project. A public body may exempt a particular public work or a grant, tax abatement, tax credit, or tax exemption from those restrictions if the public body makes a finding, after notice and a hearing, that: (1) special circumstances require such an exemption to avert an imminent threat to public health or safety; or (2) the public work or construction, improvement, maintenance, or renovation to real property that is the subject of the grant, tax abatement, tax credit, or tax exemption, as applicable, is a part of critical infrastructure for an airport or a water system. Remarks by Senator Roberson.
Assembly Bill No. 452, in its second reprint, makes various changes relating to the filing of property tax appeals to a county board of equalization or to the State Board of Equalization. The bill specifies that the written authorization to file the appeal on behalf of the owner of the property may be signed by the owner, or a person employed by the owner or an affiliate of the owner who is acting within the scope of his or her employment. The term “owner” is defined to include a person who owns or controls taxable property or possesses, in its entirety, taxable property.
The bill also requires that, if there is an objection to a written authorization, written notice specifying the grounds for the objection must be given to the person filing the appeal by either certified mail or by electronic mail, if an electronic mail address is provided.
Finally, if the person filing the appeal submits any documentation necessary to cure the objection within five business days after the receipt of the notice, the appeal must be deemed to have been filed in a timely manner. This bill becomes effective on July 1, 2015.

Another unanimously supported bill out of the Judiciary Committee. Assembly Bill No. 44 provides that a judgment by confession may be entered without action in any justice court. The measure requires a written statement, signed by the defendant, to accompany the judgment. Remarks by Senator Settelmeyer.
Assembly Bill 462 makes various changes relating to election administration. The bill
clarifies that election board officers are appointed for polling places in the county and not to
precincts and districts. The maximum number of registered voters in a precinct is increased
from the existing limit of 1,500 to 3,000 voters.

The measure also makes changes relating to electronic voter rosters and files. Election
officials may provide sample ballots electronically, if the option is available and if a registered
voter elects to receive a sample ballot by electronic means. The system may include electronic
mail (e-mail) or electronic access through a website. The measure provides that an e-mail
address provided by a registered voter is confidential and not a public record and may not be
disclosed by the county, city clerk, or voter registrar. The e-mail address may only be used to
distribute a sample ballot electronically and to communicate with the voter regarding the voting
process. The measure also provides that during the hours a polling place is open, alphabetical
listings of voters who have voted may be published online as well as posted in the polling place.
The measure provides, when signing the roster at a polling place, if a voter’s signature does
not match or if the voter cannot sign his or her name due to physical limitations, the voter must
provide personal data that verifies the identity of the voter or provide proof of identification as
set forth in Nevada’s existing voter registration provisions. If the voter’s signature has changed
in comparison to the application to register to vote, the bill also requires a voter to update his or
her signature using a form prescribed by the Secretary of State.
Assembly Bill 462 deletes the requirement that the county clerk publish the full text of a
statewide measure in a newspaper of general circulation. However, the condensation of a
statewide measure, its explanation, arguments, rebuttals, and fiscal note shall be published.
Finally, the bill provides the name of an independent candidate on ballots must be listed as “no
political party” with the abbreviation of “NPP,” rather than the current listing of “independent”
with the abbreviation of “IND.”
Provisions relating to adopting regulations and performing other preparatory administrative
tasks are effective upon passage and approval. All other provisions are effective on January 1,
2016.

Senate Bill No. 303.
The following amendment was read.
Amendment No. 673.

AN ACT relating to the protection of children; revising provisions relating to the circumstances under which a child is considered to be in need of protection; revising provisions concerning proceedings related to the termination of parental rights; revising the powers and duties of the Legislative Committee on Child Welfare and Juvenile Justice; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law sets forth the circumstances under which a child is or may be in need of protection. (NRS 432B.330) Those circumstances are considered, without limitation, by: (1) an agency which provides child welfare services to determine whether to file a petition in juvenile court alleging that a child is in need of protection; and (2) the juvenile court in an adjudicatory hearing to determine whether a child was in need of protection at the time the child was removed from the home. (NRS 62A.180, 432B.050, 432B.340, 432B.410, 432B.490, 432B.510, 432B.530) Under existing law, a child may be in need of protection if the person responsible for the welfare of the child is responsible for the abuse or neglect of another child who resided with that person. (NRS 432B.330) Section 1 of this bill provides that a child is, rather than may be, in need of protection if the child is in the care of a person responsible for the welfare of the child and another child has been subjected to abuse by that person, unless the person has successfully completed a plan for services that was recommended by an agency which provides child welfare services to address the abuse of the other child. Section 1 also provides that a child may be in need of protection if the child is in the care of a person responsible for the welfare of the child and another child has been subjected to abuse by that person, regardless of whether the person has successfully completed such a plan for services.

Existing law sets forth the grounds necessary to terminate parental rights, including, without limitation, conduct of a parent or parents that demonstrates a risk of serious physical, mental or emotional injury to the child if the child were returned to, or remains in, the home of his or her parent or parents. (NRS 128.105) Section 3 of this bill requires a court to consider certain factors if the child has been out of the care of his or her parent or guardian for at least 12 consecutive months, before making a finding that parental conduct satisfies that provision. Section 4 of this bill revises the conditions a court is required to consider in determining neglect...
by or unfitness of a parent for the purpose of proceedings regarding the
termination of parental rights.

Sections 4.3 and 4.5 of this bill add: (1) reviewing issues relating to the
provision of foster care; and (2) proposing recommended legislation
concerning that issue to the powers and duties of the Legislative Committee
on Child Welfare and Juvenile Justice.

Sec. 3. NRS 128.105 is hereby amended to read as follows:

An order of the court for the termination of parental rights must be made in light of the considerations set forth in this section and NRS 128.106 to 128.109, inclusive, and based on evidence and include a finding that:

(a) The best interests of the child would be served by the termination of parental rights; and
(b) The conduct of the parent or parents was the basis for a finding made pursuant to subsection 3 of NRS 432B.393 or demonstrated at least one of the following:

(1) Abandonment of the child;
(2) Neglect of the child;
(3) Unfitness of the parent;
(4) Failure of parental adjustment;
(5) Risk of serious physical, mental or emotional injury to the child if the child were returned to, or remains in, the home of his or her parent or parents;
(6) Only token efforts by the parent or parents:

To support or communicate with the child;
- 42 [(2)] (II) To prevent neglect of the child;
[(3)] (III) To avoid being an unfit parent; or
[(4)] (IV) To eliminate the risk of serious physical, mental or emotional
injury to the child; or
[(g)] (7) With respect to termination of the parental rights of one parent,
the abandonment by that parent.
2. Before making a finding pursuant to subparagraph (5) of paragraph
(b) of subsection 1, if the child has been out of the care of his or her parent
or guardian for at least 12 consecutive months, the court shall consider,
without limitation:
(a) The placement options for the child;
(b) The age of the child; and
(c) The developmental, cognitive and psychological needs of the child . [;
(d) Whether the child has formed a strong positive attachment or bond
with the substitute caregiver; and
(e) Whether the removal of the child from the care of the substitute
caregiver is likely to result in psychological harm to the child.]
Sec. 4. NRS 128.106 is hereby amended to read as follows:
128.106 In determining neglect by or unfitness of a parent, the court
shall consider, without limitation, the following conditions which may
diminish suitability as a parent:
1. Emotional illness, mental illness or mental deficiency of the parent
which renders the parent consistently unable to care for the immediate and
continuing physical or psychological needs of the child for extended periods
of time. The provisions contained in NRS 128.109 apply to the case if the
child has been placed outside his or her home pursuant to chapter 432B of
NRS.
2. Conduct toward a child of a physically, emotionally or sexually cruel
or abusive nature.
3. Conduct that violates any provision of NRS 200.463, 200.4631,
200.464 or 200.465.
4. Excessive use of intoxicating liquors, controlled substances or
dangerous drugs which renders the parent consistently unable to care for the
child.
5. Repeated or continuous failure by the parent, although physically and
financially able, to provide the child with adequate food, clothing, shelter,
education or other care and control necessary for the child’s physical, mental
and emotional health and development, but a person who, legitimately
practicing his or her religious beliefs, does not provide specified medical
treatment for a child is not for that reason alone a negligent parent.
6. Conviction of the parent for commission of a felony, if the facts of the
crime are of such a nature as to indicate the unfitness of the parent to provide
adequate care and control to the extent necessary for the child’s physical,
mental or emotional health and development.


7. Whether the child, a sibling of the child or another child in the care of the parent suffered a physical injury resulting in substantial bodily harm, a near fatality or fatality for which the parent has no reasonable explanation and for which there is evidence that such physical injury or death would not have occurred absent abuse or neglect of the child by the parent.

8. Inability of appropriate public or private agencies to reunite the family despite reasonable efforts on the part of the agencies.

9. As used in this section, “near fatality” has the meaning ascribed to it in NRS 432B.175.

Sec. 4.5. NRS 128.109 is hereby amended to read as follows:

128.109 1. If a child has been placed outside of his or her home pursuant to chapter 432B of NRS, the following provisions must be applied to determine the conduct of the parent:

(a) If the child has resided outside of his or her home pursuant to that placement for 14 months of any 20 consecutive months, it must be presumed that the parent or parents have demonstrated only token efforts to care for the child as set forth in subparagraph (6) of paragraph (f) of subsection 1 of NRS 128.105.

(b) If the parent or parents fail to comply substantially with the terms and conditions of a plan to reunite the family within 6 months after the date on which the child was placed or the plan was commenced, whichever occurs later, that failure to comply is evidence of failure of parental adjustment as set forth in subparagraph (4) of paragraph (d) of subsection 1 of NRS 128.105.

2. If a child has been placed outside of his or her home pursuant to chapter 432B of NRS and has resided outside of his or her home pursuant to that placement for 14 months of any 20 consecutive months, the best interests of the child must be presumed to be served by the termination of parental rights.

3. The presumptions specified in subsections 1 and 2 must not be overcome or otherwise affected by evidence of failure of the State to provide services to the family.

Sec. 4.7. NRS 218E.715 is hereby amended to read as follows:

218E.715  The Committee shall evaluate and review issues relating to:

   (d) Overrepresentation and disparate treatment of minorities in the juvenile justice system, including, without limitation, a review of the various places where bias may influence decisions concerning minorities;
   (e) Gender-specific services, including, without limitation, programs for female juvenile offenders which consider female development in their design and implementation and which address the needs of females, including issues relating to:
      (1) Victimization and abuse;

Sec. \(5\). This act becomes effective on July 1, 2015.

Senator Hardy moved that the Senate concur in the Assembly Amendment No. 673 to Senate Bill No. 303.

Remarks by Senators Hardy and Hammond.

SENATOR HARDY:
The Assembly made this bill to their liking and Senator Hammond has further comments on the Bill.

SENATOR HAMMOND:
The only thing that the amendment does is take out two of the six considerations that were contemplated in the original bill. It takes out Section 3, subsection D and E. It takes out the provisions D) whether the child has formed a strong, positive attachment or bond with a substitute caregiver and E) whether the removal of the child from the care of the substitute caregiver is likely to result in psychological harm to the child. That's the only two things that it really does that were put in there.

Motion carried by a constitutional majority

SECOND READING AND AMENDMENT

Assembly Bill No. 115.
Bill read second time.

The following amendment was proposed by the Committee on Commerce, Labor and Energy:
Amendment No. 829.

AN ACT relating to occupations; making certain provisions concerning providers of health care applicable to audiologists and speech-language pathologists; establishing the Speech-Language Pathology, Audiology and Hearing Aid Dispensing Board by expanding the existing Board of Examiners for Audiology and Speech Pathology and abolishing the existing Board of Hearing Aid Specialists; prescribing the requirements for the licensure of audiologists, speech-language pathologists and hearing aid specialists; prescribing the requirements to engage in telepractice by an audiologist or a speech-language pathologist; prescribing the requirements for the licensure and practice of an apprentice hearing aid specialist; prescribing the requirements for the practice of a hearing aid specialist; making certain provisions applicable to hearing aid specialists; imposing certain fees; providing that certain acts are grounds for disciplinary action by the Board; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law defines “provider of health care” as a person who practices any of certain health-related professions. (NRS 629.031) Existing law imposes certain requirements upon providers of health care, including requirements for the retention of patient records, requirements for billing, standards for advertisements and criminal penalties for acquiring certain debts. (NRS 629.051, 629.071, 629.076, 629.078) Section 1 of this bill includes speech-language pathologists and audiologists in the definition of “provider of health care,” which has the effect of making these requirements applicable to speech-language pathologists and audiologists. Existing law also includes the definition of “provider of health care” by reference in various other provisions. By expanding the definition, the bill expands the definition for those other provisions, thereby making those provisions include speech-language pathologists and audiologists as providers of health care. The term is referenced in provisions relating to various subjects including, without limitation, admissibility of the testimony of hypnotized witnesses, power of attorney, practice during declared emergencies, investigations conducted concerning facilities for long-term care, confidentiality of reports and referrals relating to maternal health, payments by insurance, release of the results of certain laboratory tests, drug donation programs, interpreters and realtime captioning providers and the Silver State Health Insurance Exchange. (NRS 41.141, 48.039, 162A.790, 415A.210, 427A.145, 442.395, 449.2475, chapter 453B of NRS, NRS 652.193, chapters 656A and 695I of NRS)

Existing law establishes the Board of Hearing Aid Specialists to license and oversee hearing aid specialists and the Board of Examiners for Audiology and Speech Pathology to license and oversee audiologists and speech pathologists. (Chapters 637A and 637B of NRS) Section 72 of this bill repeals provisions establishing the Board of Hearing Aid Specialists, and
section 44 of this bill establishes the Speech-Language Pathology, Audiology and Hearing Aid Dispensing Board to license and oversee audiologists, speech-language pathologists and hearing aid specialists. Under sections 44 and 44.5 of this bill, the Board consists of eight members until July 1, 2017, on which date the membership of the Board will decrease to seven members. Section 45 of this bill requires the Board to elect a Chair and a Vice Chair and to comply with certain provisions of NRS governing meetings of state and local agencies. Section 46 of this bill authorizes the Board to employ certain persons and provides for compensation of the members and employees of the Board. Section 16 of this bill authorizes the Board to select certain persons as advisory members, and sections 17, 18, 25 and 28 of this bill prescribe the responsibilities of the Board.

Sections 19, 26, 47 and 48 of this bill prescribe certain requirements for applicants for licenses to engage in the practice of audiology, speech-language pathology or fitting and dispensing hearing aids. Section 20 of this bill requires a speech-language pathologist who does not have a provisional license to have a current certificate of clinical competence issued by the American Speech-Language-Hearing Association or a successor organization approved by the Board. Sections 21, 22 and 50 of this bill authorize the Board to issue limited, provisional and temporary licenses to certain applicants. Section 23 of this bill prescribes requirements for an audiologist or an applicant for a license to engage in the practice of audiology to obtain an endorsement of his or her license to also engage in the practice of fitting and dispensing hearing aids.

Section 24 of this bill prescribes requirements concerning telepractice by an audiologist or a speech-language pathologist.

Sections 25-35 of this bill enact requirements for the licensing and practice of hearing aid specialists in chapter 637B of NRS, and section 72 repeals those requirements in chapter 637A of NRS. Section 27 authorizes the Board to issue an apprentice license to an applicant who has not yet completed the education or training requirements for a hearing aid specialist, and sections 29-31 prescribe requirements concerning the practice of an apprentice. Section 32 authorizes a hearing aid specialist or dispensing audiologist to make an audiogram upon request by a physician or member of a related profession specified by the Board. Section 33 requires a hearing aid specialist or apprentice to display his or her license conspicuously in each place where he or she conducts business as a hearing aid specialist or apprentice. Section 34 requires a hearing aid specialist or apprentice to update the address of his or her place of business on file with the Board within 10 days after the date on which the address changes.

Federal law prohibits a state from enacting requirements for the sale of a hearing aid that are different from or in addition to federal requirements, and federal regulations allow a person to waive a medical examination when purchasing a hearing aid. (21 U.S.C. 360k; 21 C.F.R. 801.421) Section 35 of this bill requires certain examinations to be performed on a person before
the person purchases a hearing aid by catalog, mail or the Internet unless the person waives the examinations.

Section 43 of this bill revises exemptions from the provisions of chapter 637B of NRS for certain government employees and other persons who do not engage in the private practice of audiology, speech-language pathology or fitting and dispensing hearing aids. Section 49 of this bill authorizes the Board to issue a license without an examination to persons who hold certain certifications. Sections 48, 50, 53, 54 and 56-59 of this bill make certain provisions governing audiologists and speech-language pathologists applicable to hearing aid specialists as well. Section 51 of this bill imposes fees for certain tasks relating to licensing. Section 53 provides that certain acts are grounds for disciplinary action.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 716.
AN ACT relating to public administrators; setting forth certain qualifications for deputy public administrators; authorizing the board of county commissioners in smaller counties to impose certain duties on the public administrators of the county; revising the circumstances under which a public administrator may secure the property of a deceased person; authorizing a board of county commissioners to take certain action concerning complaints received by the board against the public administrator; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law requires a public administrator to meet certain qualifications for office. (NRS 253.010) Existing law also authorizes a public administrator to appoint as many deputy public administrators as he or she deems necessary and authorizes a deputy public administrator to perform all duties required of the public administrator. (NRS 253.025) Section 1 of this bill requires a deputy public administrator, like a public administrator, to: (1) be a qualified elector of the county; (2) be 21 years of age or older; (3) not have been convicted of a felony for which his or her civil rights have not been restored by a court of competent jurisdiction; and (4) not have been found liable in a civil action involving fraud, misrepresentation, material omission, misappropriation, theft or conversion.

Existing law authorizes a public administrator, without procuring letters of administration and upon filing with the court an affidavit of his or her right to do so, to administer an estate in which the gross value of the decedent’s property does not exceed $20,000. (NRS 253.0403) Section 1.5 of this bill increases this threshold amount to $25,000.
Under existing law, a public administrator may secure the property of a deceased person before the issuance of letters of administration for the estate of the decedent, before filing an affidavit to administer the estate or before petitioning to have the estate set aside without administration if the public administrator finds that there are no relatives of the decedent who are able to protect the property or that the failure to secure the property could endanger the property. (NRS 253.0405) Section 1.7 of this bill instead authorizes a public administrator to act on behalf of the estate of a deceased person to identify and secure all tangible and intangible assets of the estate before the issuance of letters of administration, before filing the affidavit, before petitioning to have the estate set aside without administration and without giving notice to next of kin if the public administrator finds that there are no relatives of the decedent who are able to protect the property or that the failure to secure the property could endanger the property.

Section 1.7 also prohibits a public administrator from distributing, liquidating or otherwise administering the assets of an estate before a court has issued letters of administration for the estate or otherwise authorized the public administrator to act as administrator of the estate. Additionally, section 1.7 authorizes a public administrator who has identified and secured the assets of an estate to authorize a relative of the decedent, a named executor or trustee of the estate or an attorney or other natural person designated by the next of kin of the decedent to access the real and personal property of the estate.

Existing law sets forth the duties of a public administrator in administering the estate of an intestate decedent. (NRS 253.0415) Section 2 of this bill authorizes the board of county commissioners, in a county whose population is less than 100,000, to require by ordinance, the public administrator, if he or she has been made an administrator of the estate of an intestate decedent who resides in the county, to notify or obtain permission from the board before taking any property belonging to the decedent out of the county.

Existing law authorizes a board of county commissioners to investigate any complaint received by the board against the public administrator. (NRS 253.091) Section 3 of this bill authorizes the board to take any appropriate action that it deems is necessary to resolve such a complaint. Section 3 also authorizes the board of county commissioners, in a county whose population is less than 100,000, to require, by ordinance, a public administrator to submit an independent audit report to the board on an annual basis, which covers the records and office of the public administrator.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 253.025 is hereby amended to read as follows:

253.025 1. A public administrator may appoint as many deputies as the public administrator deems necessary to perform fully the duties of his or her office. A deputy so appointed may perform all duties required of the public administrator and has the corresponding powers and responsibilities.
entering upon the discharge of his or her duties each deputy must take and subscribe to the constitutional oath of office. The appointment of a deputy must not be construed to confer upon that deputy policymaking authority for the office of the county public administrator or the county by which the deputy is employed.

2. Each appointment must be in writing and recorded with the oath of office of that deputy in the office of the county recorder. Any revocation or resignation of an appointment must be recorded in the office of the county recorder.

3. The public administrator is responsible on his or her official bond for any official malfeasance or nonfeasance of his or her deputies and may require a bond for the faithful performance of the official duties of his or her deputies.

4. Every deputy appointed pursuant to this section must:
   (a) Be a qualified elector of the county;
   (b) Be at least 21 years of age;
   (c) Not have been convicted of a felony for which his or her civil rights have not been restored by a court of competent jurisdiction; and
   (d) Not have been found liable in a civil action involving a finding of fraud, misrepresentation, material omission, misappropriation, theft or conversion.

Sec. 1.5. NRS 253.0403 is hereby amended to read as follows:

253.0403 1. When the gross value of a decedent’s property situated in this State does not exceed $25,000, a public administrator may, without procuring letters of administration, administer the estate of that person upon filing with the court an affidavit of his or her right to do so.

2. The affidavit must provide:
   (a) The public administrator’s name and address, and his or her attestation that he or she is entitled by law to administer the estate;

   (j) The name of each person to whom the affiant intends to distribute the decedent’s property.
3. Before filing the affidavit with the court, the public administrator shall take reasonable steps to ascertain whether any of the decedent’s heirs or next of kin exist. If the administrator determines that heirs or next of kin exist, the administrator shall serve each of them with a copy of the affidavit. Service must be made personally or by certified mail.

4. If the affiant:
   (a) Submits an affidavit which does not meet the requirements of subsection 2 or which contains statements which are not entirely true, any money or property the affiant receives or distributes is subject to all debts of the decedent, based on the priority for payment of debts and charges specified in NRS 147.195.
   (b) Fails to give notice to heirs or next of kin as required by subsection 3, any money or property the affiant holds or distributes to others shall be deemed to be held in trust for those heirs and next of kin who did not receive notice and have an interest in the property.

5. A person who receives an affidavit containing the information required by subsection 2 is entitled to rely upon such information, and if the person relies in good faith, he or she is immune from civil liability for actions based on that reliance.

6. Upon receiving proof of the death of the decedent, an affidavit containing the information required by this section and the written approval of the public administrator to do so:
   (a) A transfer agent of any security shall change the registered ownership of the security claimed from the decedent to the person claiming to succeed to ownership of that security.
   (b) A governmental agency required to issue certificates of title, ownership or registration to personal property shall issue a new certificate of title, ownership or registration to the person claiming to succeed to ownership of the property.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 805.

AN ACT relating to schools; requiring school districts to enter into contracts with charter schools for the provision of school police officers in certain circumstances; requiring a charter school or private school to provide certain notice to the primary law enforcement agency where the school is located; requiring a chief of school police to supervise a school police officer who provides services to a charter school under certain circumstances; clarifying that the jurisdiction of school police officers extends to all charter school property, buildings and facilities that have contracted with the board of trustees of the school district; requiring a law enforcement agency that is contacted for assistance by a public school or private school which does not have school police to respond according to certain protocols; requiring a local law enforcement agency to consider notifying public schools or private schools when responding to certain situations or when notifying another school regarding a crisis or emergency; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law authorizes the governing body of a charter school to contract with the board of trustees of the school district in which the charter school is located to provide school police officers. (NRS 386.560) Section 1.2 of this bill requires the board of trustees of a school district to enter into a contract to provide school police officers to a charter school if the governing body of a charter school makes a request for the provision of school police officers. Sections 3 and 4 of this bill make conforming changes.

Section 5 of this bill authorizes the principal or a teacher at a public school, including a charter school, and a school police officer, to notify the primary law enforcement agency in the city or county where the school is located when: (1) certain offenses have been committed in the presence of the principal, teacher or officer; (2) the principal, teacher or officer has reasonable cause to believe certain offenses have been committed; or (3) the principal, teacher or officer believes that a serious threat to commit such an offense has been made which may be carried out if no action is taken. Section 5 also requires a primary law enforcement agency to respond when it receives such notice of an alleged offense or threat, regardless of whether the school has school police officers.

Section 1.4 of this bill requires a charter school to notify the primary law enforcement agency where the charter school is located of: (1) the location of the charter school; (2) the names of authorized contact persons for the charter school; (3) the number of pupils enrolled in the charter school; and (4) the maximum number of pupils that may enroll in the charter school. Section 1.4 also requires a charter school to notify the primary law enforcement agency if the charter school relocates and if the name of any authorized contact person changes. Section 7.4 of this bill requires a private school to provide notice containing the same information to the primary law enforcement agency where the private school is located. Section 8.5 of this bill requires each charter school and each private school in this State to provide such notice as soon as practicable after July 1, 2015, but before the first day of the 2015-2016 school year regardless of when the school commenced operation.

Existing law requires the board of trustees of a school district to employ a law enforcement officer to serve as the chief of school police and supervise each person employed as a school police officer. (NRS 391.100) Section 6 of this bill requires a chief of school police to supervise any school police officer that provides services to a charter school pursuant to a contract between the governing body of a charter school and the board of trustees of the school district in which the charter school is located to provide police officers.

Existing law authorizes the board of trustees of a school district in a county that has a metropolitan police department to contract with the metropolitan police department for the provision and supervision of police services in the public schools within the jurisdiction of the metropolitan police department. Existing law also authorizes the board of trustees of a school district in a county that does not have a metropolitan police department to contract with
the sheriff of that county for the provision of police services in the public schools within the school district. (NRS 391.100) Section 6 also clarifies that the board of trustees of a school district may contract with the metropolitan police department or the sheriff of the county, as applicable, for the provision and supervision of police services in a charter school.

Existing law extends the jurisdiction of school police officers to all school property, buildings and facilities for the purpose of protecting personnel, pupils and property. (NRS 391.275) Section 7 of this bill clarifies that the jurisdiction of school police officers extends to all charter school property, buildings and facilities that have contracted with the board of trustees of the school district for police services. Section 7 also requires a law enforcement agency that is contacted for assistance by a public school or private school which does not have school police to respond according to the protocol of the law enforcement agency established for responding to calls for assistance from the general public.

Existing law requires the principal of a public school or private school to contact all appropriate local agencies to respond to a crisis or emergency that occurs at a public school or private school. (NRS 392.648, 394.1696) Sections 7.2 and 7.6 of this bill, respectively, require a local law enforcement agency to consider whether it is necessary and appropriate to notify any other public school or private school of the crisis or emergency under certain circumstances. Sections 7.2 and 7.6 require this notification to include any information necessary for the school to appropriately respond to the crisis or emergency.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 386 of NRS is hereby amended by adding thereto the provisions set forth as follows:

Sec. 1.2. 1. If the governing body of a charter school makes a request to the board of trustees of the school district in which the charter school is located for the provision of school police officers pursuant to NRS 386.560, the board of trustees of the school district must enter into a contract with the governing body for that purpose. Such a contract must provide for payment by the charter school for the provision of school police officers by the school district which must be in an amount not to exceed the actual cost to the school district of providing the officers, including, without limitation, any other costs associated with providing the officers. If the school district is the sponsor of the charter school, the contract entered into pursuant to this section must be separate from any other contract or agreement with the sponsor.

2. Any contract for the provision of school police officers pursuant to this section must be entered into between the governing body of the charter school and the board of trustees of the school district by not later than
March 15 for the next school year and must provide for the provision of school police officers for not less than 3 school years.

3. A school district that enters into a contract pursuant to this section with a charter school for the provision of school police officers is immune from civil and criminal liability for any act or omission of a school police officer that provides services to the charter school pursuant to the contract.

Sec. 1.4. 1. As soon as practicable after commencing operation, but before the first day of the school year, a charter school shall notify the primary law enforcement agency where the charter school is located of:

   (c) The number of pupils enrolled in the charter school; and
   (d) The maximum number of pupils that may enroll in the charter school.

3. As used in this section, “primary law enforcement agency” means, as applicable:

Sec. 3.  NRS 386.560 is hereby amended to read as follows:

386.560 1. If the board of trustees of a school district or a college or university within the Nevada System of Higher Education is the sponsor of the charter school, the governing body and the sponsor must enter into a service agreement pursuant to NRS 386.561 before the provision of such services, other than for the provision of school police officers when the provisions of section 1.2 of this act apply.

2. A charter school may use any public facility located within the school district in which the charter school is located. A charter school may use
school buildings owned by the school district only upon approval of the board of trustees of the school district and during times that are not regular school hours.

3. The board of trustees of a school district may donate surplus personal property of the school district to a charter school that is located within the school district.

4. A charter school may:
   (a) Acquire by construction, purchase, devise, gift, exchange or lease, or any combination of those methods, and construct, reconstruct, improve, maintain, equip and furnish any building, structure or property to be used for any of its educational purposes and the related appurtenances, easements, rights-of-way, improvements, paving, utilities, landscaping, parking facilities and lands;

   (a) Space for the pupil in the class or extracurricular activity is available; and
   (b) The parent or legal guardian demonstrates to the satisfaction of the board of trustees that the pupil is qualified to participate in the class or extracurricular activity.

If the board of trustees of a school district authorizes a pupil to participate in a class or extracurricular activity, excluding sports, pursuant to this subsection, the board of trustees is not required to provide transportation for the pupil to attend the class or activity.    (a) Space is available for the pupil to participate; and
(b) The parent or legal guardian demonstrates to the satisfaction of the board of trustees that the pupil is qualified to participate.

If the board of trustees of a school district authorizes a pupil to participate in sports pursuant to this subsection, the board of trustees is not required to provide transportation for the pupil to participate.

7. The board of trustees of a school district may revoke its approval for a pupil to participate in a class, extracurricular activity or sports at a public school pursuant to subsections 5 and 6 if the board of trustees or the public school determines that the pupil has failed to comply with applicable statutes, or applicable rules and regulations of the board of trustees, the public school or the Nevada Interscholastic Activities Association. If the board of trustees so revokes its approval, neither the board of trustees nor the public school is liable for any damages relating to the denial of services to the pupil.

Sec. 4. NRS 386.563 is hereby amended to read as follows:

386.563 1. Unless otherwise authorized by specific statute, it is unlawful for a member of the board of trustees of a school district or an employee of a school district to solicit or accept any gift or payment of money on his or her own behalf or on behalf of the school district or for any other purpose from a member of a committee to form a charter school, the governing body of a charter school, or any officer or employee of a charter school.

2. This section does not prohibit the payment of a salary or other compensation or income to a member of the board of trustees or an employee of a school district for services provided in accordance with a contract made pursuant to NRS 386.560 or section 1.2 of this act.

       no action is taken.

2. If notified pursuant to subsection 1 of an alleged offense or threat to
   commit an offense, the primary law enforcement agency must respond, even
   if the school has school police officers. The provisions of subsection 1 do not
   prohibit a principal, teacher or school police officer from

...
(a) Contacting a primary law enforcement agency for assistance with any other offense or threatened offense that does not involve serious bodily harm; or
(b) Responding to any offense until the appropriate primary law enforcement agency arrives at the school. Such a response may include, without limitation, taking any appropriate action to provide assistance to a victim, to apprehend the person suspected of committing or attempting or threatening to commit the offense, to secure the location where the offense was allegedly committed or attempted and to protect the life and safety of any person who is present.

Sec. 8.5. As soon as practicable after July 1, 2015, but before the first day of the 2015-2016 school year, each charter school and each private school in this State must comply with the requirements of sections 1.4 and 7.4 of this act, respectively, regardless of when the charter school or private school commenced operation.

Sec. 9. This section and section 5 of this act become effective upon passage and approval.

Senator Harris moved the adoption of the amendment.

Remarks by Senator Harris.

The amendment clarifies the costs that may be passed along from a school district to a charter school; limits the liability of a school district that contracts with a charter school; deletes Section 5 related to notification of, and interaction with, the primary local law enforcement agency; requires a law enforcement agency, contacted for assistance by a public or private school without school police, to respond as it would to a call for assistance from the general public; requires all charter and private schools, after they begin operating but before the first day of school, to notify local law enforcement of certain key information; adds a transitory provision to require existing charter and private schools to also inform local law enforcement as just described; and if there is an incident for which local law enforcement notifies a public school, the amendment requires that the law enforcement agency consider whether it is necessary and appropriate to notify any other public or private school. Such notification must include any information necessary for the school to respond appropriately.

That’s a really long way of saying that we are going to allow charter schools to contract with local school districts to provide for school police. Should they not, the local law enforcement agencies will respond to an emergency. Also, that charter schools and public schools have a responsibility to notify local law enforcement of their existence so that local law enforcement can take that into account when they are preparing for emergency situations and that kind of thing so that we can preserve the safety and integrity of our schools.

Legislative Counsel’s Digest:

Existing law sets forth procedures for the removal of a person who is guilty of forcible entry, forcible detainer or unlawful detainer. (NRS 40.230, 40.240, 40.280-40.420) Section 23 of this bill revises provisions governing the service of a notice to surrender by: (1) providing for different posting and mailing requirements; (2) eliminating the requirement that a witness be present for service if notice is served by a sheriff, constable or licensed process server; and (3) revising the contents of proof of service that must be filed with a court.

Existing law authorizes and sets forth a summary procedure for eviction of a tenant of certain types of properties who is guilty of unlawful detainer for: (1) continuing in possession of real property after the expiration of a specific term; (2) continuing in possession after expiration of a notice to surrender; (3) waste, nuisance, violation of certain lease terms and committing certain unlawful activities; and (4) failure to perform lease or agreement conditions or covenants. (NRS 40.254) Section 20 of this bill revises this summary procedure as it relates to the contents of certain notices served upon a tenant and the commencement and conduct of court proceedings in contested cases.

Existing law provides that a tenant’s neglect or failure to perform any condition or covenant of the lease or agreement under which property is held constitutes unlawful detainer and warrants the commencement of proceedings to remove the tenant. (NRS 40.2516) Section 17 of this bill revises the types of property to which these provisions apply and specifies the regular and summary procedures, if applicable, by which a landlord may remove a tenant from the property.

Existing law describes conduct which constitutes forcible entry and forcible detainer. (NRS 40.230, 40.240) Sections 11 and 12 of this bill revise the definitions of “forcible entry” and “forcible detainer,” establish requirements relating to a notice to surrender that must be served upon a person who commits forcible entry or forcible detainer and authorize the entry of judgment for three times the amount of actual damages for such offenses under certain circumstances. Section 2 of this bill establishes a procedure by which an owner of a dwelling that is the object of a housebreaking or unlawful occupancy may retake possession of and change the locks on the dwelling. Section 4 of this bill establishes a procedure by which an occupant who has been locked out of a dwelling may seek to recover possession of the dwelling.

Sections 45-48 of this bill set forth the acts which constitute the criminal offenses of housebreaking, unlawful occupancy and unlawful reentry and the
penalties that attach upon conviction. Section 3 of this bill establishes a procedure by which the owner of a dwelling that was subject to forcible entry or forcible detainer may seek to recover possession of the dwelling.

Section 56 of this bill repeals a provision that authorizes treble damages in a recovery for a forcible or unlawful entry to certain types of real property.

The unlawful or unauthorized occupant must pay the owner, authorized representative of the owner or occupant for the reasonable and actual costs of inventory, moving and storage of the personal property before the personal property will be released to the unlawful or unauthorized occupant.

4. Upon service of the written notice to surrender pursuant to subsection 3, the unlawful or unauthorized occupant shall:

Such a hearing must be held within 7 judicial days after the filing of the affidavit of complaint.

court, stay such order for a period sufficient to allow the unlawful or 
unauthorized occupant to vacate and remove his or her personal property.
This period may not exceed 20 days.

7. The owner of the real property, an authorized representative of the 
owner or the occupant who is authorized by the owner to be in possession of 
the real property may, without incurring any civil or criminal liability,

and storage before releasing the abandoned personal property to the 
unlawful or unauthorized occupant or his or her authorized representative 
rightfully claiming the property within that period. The owner or the 
occupant is liable to the unlawful or unauthorized occupant only for 
negligent or wrongful acts in storing the abandoned personal property.

(b) After the expiration of the 21-day period, the owner of the real 
property, an authorized representative of the owner or the occupant who is 
authorized by the owner to be in possession of the real property may dispose 
of the abandoned personal property and recover his or her reasonable costs 
out of the personal property or the value thereof.

NRS for abandoned vehicles.

(d) Any dispute relating to the amount of the costs claimed by the owner of 
the real property, an authorized representative of the owner or the occupant 
who is authorized by the owner to be in possession of the real property 
pursuant to paragraph (a) may be resolved by the court pursuant to a motion 
filed by the unlawful or unauthorized occupant and the payment of the 
appropriate fees relating to the filing and service of the motion. The motion 
must be filed within 14 calendar days after the removal of the unlawful or 
unauthorized occupant or the surrender of the real property in compliance 
with a written notice to surrender, whichever comes first. Upon the filing of a 
motion by the unlawful or unauthorized occupant pursuant to this paragraph, 
the court shall schedule a hearing on the motion. The hearing must be held 
within 10 judicial days after the filing of the motion. The court shall affix the 
date of the hearing to the motion and mail a copy to the owner, an authorized 
representative of the owner or the occupant at the address on file with the 
court.

the owner locks an occupant out of the dwelling pursuant to section 2 of this
act, the occupant may recover possession of the dwelling as provided in this
section.
2. The occupant must file with the justice court of the township in which
the dwelling is located a verified complaint for reentry, specifying:
   (a) The facts of the lockout by the owner of the dwelling or the authorized
representative of the owner; and
   (b) The legal basis upon which reentry into the dwelling is warranted.
3. The court shall, after notice to both parties, hold a trial on the
occupant’s verified complaint for reentry not later than 10 judicial days after
the date on which the occupant files the verified complaint for reentry.
4. If the court finds that an unjustified lockout has occurred, the court
must issue a writ of restitution, restoring possession of the dwelling to the
occupant.
5. A party may appeal from the court’s judgment at the trial on the
verified complaint for reentry in the same manner as a party may appeal a
judgment in an action for forcible detainer.
6. If the owner of the dwelling or the person on whom a writ of
restitution is served fails to immediately comply with the writ or later
disobeys the writ, the failure is grounds for contempt of court against the
owner or the person on whom the writ was served, under chapter 22 of NRS.
7. This section does not affect:
   (a) The right of any party to pursue a separate cause of action under this
chapter or chapter 118A of NRS if the court finds that a landlord and tenant
relationship exists between the parties; or
   (b) The rights of an owner or occupant in a forcible detainer, unlawful

NOTICE TO TENANTS OF THE PROPERTY
Foreclosure proceedings against this property have started, and a notice of
sale of the property to the highest bidder has been issued.
You may either: (1) terminate your lease or rental agreement and move out;
or (2) remain and possibly be subject to eviction proceedings under chapter
40 of the Nevada Revised Statutes. Any subtenants may also be subject to
eviction proceedings.
Between now and the date of the sale, you may be evicted if you fail to pay
rent or live up to your other obligations to the landlord.
After the date of the sale, you may be evicted if you fail to pay rent or live up
to your other obligations to the successful bidder, in accordance with chapter
118A of the Nevada Revised Statutes.
Under the Nevada Revised Statutes, eviction proceedings may begin against
you after you have been given a notice to quit.

If the property is sold and you pay rent by the month or any other period of time that is 1 month or longer, you should generally receive notice at least 60 days in advance.

Under Nevada Revised Statutes 40.280, notice must generally be served on you pursuant to chapter 40 of the Nevada Revised Statutes and may be served by:

1. Delivering a copy to you personally in the presence of a witness unless service is accomplished by a sheriff, constable or licensed process server, in which case the presence of a witness is not required;
2. If you are absent from your place of residence or usual place of business, leaving a copy with a person of suitable age and discretion at either place and mailing a copy to you at your place of residence or business and to the place where the leased property is situated, if different;
3. If your place of residence or business cannot be ascertained, or a person of suitable age or discretion cannot be found there, posting a copy in a conspicuous place on the leased property and delivering a copy to a person residing there, if a person can be found, and mailing a copy to you at the place where the leased property is situated.

If the property is sold and a landlord, successful bidder or subsequent purchaser files an eviction action against you in court, you will be served with a summons and complaint and have the opportunity to respond. Eviction actions may result in temporary evictions, permanent evictions, the awarding of damages pursuant to Nevada Revised Statutes 40.360 or some combination of those results.

Under the Justice Court Rules of Civil Procedure:

1. You will be given at least 10 days to answer a summons and complaint;
2. If you do not file an answer, an order evicting you by default may be obtained against you;
3. A hearing regarding a temporary eviction may be called as soon as 11 days after you are served with the summons and complaint; and
4. A hearing regarding a permanent eviction may be called as soon as 20 days after you are served with the summons and complaint.

5. As used in this section, “residential foreclosure” means the sale of a single family residence pursuant to NRS 40.430. As used in this subsection, “single family residence” means a structure that is comprised of not more than four units.

   2. In addition to the requirements of NRS 107.084, the notices must not be defaced or removed until the transfer of title is recorded or the property becomes occupied after completion of the sale, whichever is earlier.
   3. A separate notice must be posted in a conspicuous place on the property and mailed, with a certificate of mailing issued by the United States Postal Service or another mail delivery service, to any tenant or subtenant, if any, other than the grantor or the grantor’s successor in interest, in actual occupation of the premises not later than 15 days before the date of sale.    Under the Nevada Revised Statutes eviction proceedings may begin against you after you have been given a notice to [quit] surrender.

   If the property is sold and you pay rent by the week or another period of time that is shorter than 1 month, you should generally receive notice after not less than the number of days in that period of time.
   If the property is sold and you pay rent by the month or any other period of time that is 1 month or longer, you should generally receive notice at least 60 days in advance.

   Under Nevada Revised Statutes 40.280, notice must generally be served on you pursuant to chapter 40 of the Nevada Revised Statutes and may be served by:
(1) Delivering a copy to you personally in the presence of a witness, unless service is accomplished by a sheriff, constable or licensed process server, in which case the presence of a witness is not required;

(2) If you are absent from your place of residence or usual place of business, leaving a copy with a person of suitable age and discretion at either place and mailing a copy to you at your place of residence or business and to the place where the leased property is situated, if different; or

(3) If your place of residence or business cannot be ascertained, or a person of suitable age or discretion cannot be found there, posting a copy in a conspicuous place on the leased property, delivering a copy to a person residing there, if a person can be found, and mailing a copy to you at the place where the leased property is situated.

If the property is sold and a landlord, successful bidder or subsequent purchaser files an eviction action against you in court, you will be served with a summons and complaint and have the opportunity to respond. Eviction actions may result in temporary evictions, permanent evictions, the awarding of damages pursuant to Nevada Revised Statutes 40.360 or some combination of those results.

Under the Justice Court Rules of Civil Procedure:

(1) You will be given at least 10 days to answer a summons and complaint;

(2) If you do not file an answer, an order evicting you by default may be obtained against you;

(3) A hearing regarding a temporary eviction may be called as soon as 11 days after you are served with the summons and complaint; and

(4) A hearing regarding a permanent eviction may be called as soon as 20 days after you are served with the summons and complaint.

4. The posting of a notice required by this section must be completed by a process server licensed pursuant to chapter 648 of NRS or any constable or sheriff of the county in which the property is located.

5. As used in this section, “residential foreclosure” has the meaning ascribed to it in NRS 107.080.

Sec. 33. NRS 116.4112 is hereby amended to read as follows:

116.4112 1. A declarant of a common-interest community containing converted buildings, and any dealer who intends to offer units in such a common-interest community, shall give each of the residential tenants and any residential subtenant in possession of a portion of a converted building notice of the conversion and provide those persons with the public offering statement no later than 120 days before the tenants and any subtenant in possession are required to vacate. The notice must set forth generally the rights of tenants and subtenants under this section and must be hand-delivered to the unit or mailed by prepaid United States mail to the tenant and subtenant at the address of the unit or any other mailing address provided by a tenant. No tenant or subtenant may be required to vacate upon less than 120 days' notice, except by reason of nonpayment of rent, waste or conduct that
disturbs other tenants’ peaceful enjoyment of the premises, and the terms of the tenancy may not be altered during that period. Failure to give notice as required by this section is a defense to an action for possession. If, during the 6-month period before the recording of a declaration, a majority of the tenants or any subtenants in possession of any portion of the property described in such declaration has been required to vacate for reasons other than nonpayment of rent, waste or conduct that disturbs other tenants’ peaceful enjoyment of the premises, a rebuttable presumption is created that the owner of such property intended to offer the vacated premises as units in a common-interest community at all times during that 6-month period.

2. For 60 days after delivery or mailing of the notice described in subsection 1, the person required to give the notice shall offer to convey each unit or proposed unit occupied for residential use to the tenant who leases that unit. If a tenant fails to purchase the unit during that 60-day period, the offeror may not offer to dispose of an interest in that unit during the following 180 days at a price or on terms more favorable to the offeree than the price or terms offered to the tenant. This subsection does not apply to any unit in a converted building if that unit will be restricted exclusively to nonresidential use or the boundaries of the converted unit do not substantially conform to the dimensions of the residential unit before conversion.

3. If a seller, in violation of subsection 2, conveys a unit to a purchaser for value who has no knowledge of the violation, the recordation of the deed conveying the unit or, in a cooperative, the conveyance of the unit, extinguishes any right a tenant may have under subsection 2 to purchase that unit if the deed states that the seller has complied with subsection 2, but the conveyance does not affect the right of a tenant to recover damages from the seller for a violation of subsection 2.

4. If a notice of conversion specifies a date by which a unit or proposed unit must be vacated and otherwise complies with the provisions of NRS 40.251 and 40.280, the notice also constitutes a notice to [vacate] surrender specified by those sections.

5. This section does not permit termination of a lease by a declarant in violation of its terms.

Sec. 40. NRS 118B.190 is hereby amended to read as follows:

118B.190 1. A written agreement between a landlord and tenant for the rental or lease of a manufactured home lot in a manufactured home park in this State, or for the rental or lease of a lot for a recreational vehicle in an area of a manufactured home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 8 of NRS 40.215, must not be terminated by the landlord except upon notice in writing to the tenant served in the manner provided in NRS 40.280:

(a) Except as otherwise provided in paragraph (b), 5 days in advance if the termination is because the conduct of the tenant constitutes a nuisance as defined in NRS 40.140 or violates a state law or local ordinance.

(b) Three days in advance upon the issuance of temporary writ of restitution pursuant to NRS 40.300 on the grounds that a nuisance as defined in NRS 40.140 has occurred in the park by the act of a tenant or any guest, visitor or other member of a tenant's household consisting of any of the following specific activities:

(1) Discharge of a weapon.
(2) Prostitution.
(3) Illegal drug manufacture or use.
(4) Child molestation or abuse.
(5) Property damage as a result of vandalism.
(6) Operating a vehicle while under the influence of alcohol or any other controlled substance.
(7) Elder molestation or abuse.

(c) Except as otherwise provided in subsection 6, 10 days in advance if the termination is because of failure of the tenant to pay rent, utility charges or reasonable service fees.

(d) One hundred eighty days in advance if the termination is because of a change in the use of the land by the landlord pursuant to NRS 118B.180.

(e) Forty-five days in advance if the termination is for any other reason.

2. The landlord shall specify in the notice the reason for the termination of the agreement. The reason relied upon for the termination must be set forth with specific facts so that the date, place and circumstances concerning the reason for the termination can be determined. The termination must be in accordance with the provisions of NRS 118B.200 and reference alone to a provision of that section does not constitute sufficient specificity pursuant to this subsection.

3. The service of such a notice does not enhance the landlord's right, if any, to enter the tenant's manufactured home. Except in an emergency, the landlord shall not enter the manufactured home of the tenant served with
such a notice without the tenant’s permission or a court order allowing the entry.

4. If a tenant remains in possession of the manufactured home lot after expiration of the term of the rental agreement, the tenancy is from week to week in the case of a tenant who pays weekly rent, and in all other cases the tenancy is from month to month. The tenant’s continued occupancy is on the same terms and conditions as were contained in the rental agreement unless specifically agreed otherwise in writing.

5. The landlord and tenant may agree to a specific date for termination of the agreement. If any provision of this chapter specifies a period of notice which is longer than the period of a particular tenancy, the required length of the period of notice is controlling.

6. Notwithstanding any provision of NRS 40.215 to 40.425, inclusive, and sections 2 to 7, inclusive, of this act, if a tenant who is not a natural person has received three notices for nonpayment of rent in accordance with subsection 1, the landlord is not required to give the tenant a further 10-day notice in advance of termination if the termination is because of failure to pay rent, utility charges or reasonable service fees.

Sec. 41. NRS 118B.200 is hereby amended to read as follows:

118B.200 1. Notwithstanding the expiration of a period of a tenancy or service of a notice pursuant to subsection 1 of NRS 118B.190, the rental agreement described in NRS 118B.190 may not be terminated except on one or more of the following grounds:

(a) Failure of the tenant to pay rent, utility charges or reasonable service fees within 10 days after written notice of delinquency served upon the tenant in the manner provided in NRS 40.280;

(b) Failure of the tenant to correct any noncompliance with a law, ordinance or governmental regulation pertaining to manufactured homes or recreational vehicles or a valid rule or regulation established pursuant to NRS 118B.100 or to cure any violation of the rental agreement within a reasonable time after receiving written notification of noncompliance or violation;

(c) Conduct of the tenant in the manufactured home park which constitutes an annoyance to other tenants;

(d) Violation of valid rules of conduct, occupancy or use of park facilities after written notice of the violation is served upon the tenant in the manner provided in NRS 40.280;

(e) A change in the use of the land by the landlord pursuant to NRS 118B.180;

(f) Conduct of the tenant which constitutes a nuisance as defined in NRS 40.140 or which violates a state law or local ordinance, specifically including, without limitation:

(1) Discharge of a weapon;
(2) Prostitution;
(3) Illegal drug manufacture or use;
(4) Child molestation or abuse;
(5) Elder molestation or abuse;
(6) Property damage as a result of vandalism; and
(7) Operating a motor vehicle while under the influence of alcohol or any other controlled substance; or
(g) In a manufactured home park that is owned by a nonprofit organization or housing authority, failure of the tenant to meet qualifications relating to age or income which:
   (1) Are set forth in the lease signed by the tenant; and
   (2) Comply with federal, state and local law.
2. A tenant who is not a natural person and who has received three or more 10-day notices to quit for failure to pay rent in the preceding 12-month period may have his or her tenancy terminated by the landlord for habitual failure to pay timely rent.

Senator Brower moved the adoption of the amendment.
Remarks by Senator Brower.
The amendment does two minor things. It changes the word “entry” to “occupancy” in
Section 2.5(b) of the bill to clarify a definition. And deletes an unnecessary internal reference in
Section 30(a) of the bill to clarify the amount of a fee charged pursuant to the bill’s provisions.

Assembly Joint Resolution No. 10.
Resolution read second time.
The following amendment was proposed by the Committee on Legislative
Operations and Elections:
Amendment No. 867.

ASSEMBLY JOINT RESOLUTION—Proposing to amend the Nevada
Constitution to provide a citizens’ commission to establish the [salaries]
compensation of certain elected officers.

Legislative Counsel’s Digest:
Existing law establishes the salaries of the various constitutional officers of
this State, members of the Senate and Assembly, justices of the Supreme
Court, judges of the Court of Appeals and district judges. (NRS 2.050,
2A.080, 3.030, 218A.630, 218A.635, 223.050, 224.050, 225.050, 226.090,
227.060, 228.070) Existing law also creates an advisory Commission to
Review the Compensation of Constitutional Officers, Legislators, Supreme
Court Justices, Judges of the Court of Appeals, District Judges and Elected
County Officers which is empowered to review and make recommendations
to the Legislature concerning the salary of the various offices within its
purview. (NRS 281.157-281.1575) This resolution proposes to revise the Nevada Constitution to reserve to a Citizens’ Commission on Compensation for Certain Elected Officers the power to establish salaries and benefits for various offices within this State, including members of the Senate and Assembly, the Governor, Lieutenant Governor, Secretary of State, State Treasurer, State Controller, Attorney General, justices of the Supreme Court, judges of the Court of Appeals and judges of the District Court, and to establish salaries for various other offices within this State, including county commissioners, district attorneys, sheriffs, county clerks, county assessors, county recorders, county treasurers and public administrators. This resolution also authorizes the Commission to: (1) fix the compensation of the members of the Legislature for each calendar day of service during any regular or special session of the Legislature; and (2) provide compensation to members of the Legislature for the performance of duties as a member of the Legislature outside of a regular or special session.

WHEREAS, The Nevada Legislature established the Commission to Review the Compensation of Constitutional Officers, Legislators, Supreme Court Justices, Judges of the Court of Appeals, District Judges and Elected County Officers in 1993; and

WHEREAS, While the Commission is empowered by law to review compensation, hold public hearings and make recommendations for revisions to compensation for the various offices within its purview, it serves a purely advisory function and its recommendations have no effect unless enacted by the Legislature; and

WHEREAS, A constitutional amendment is required to fully empower such a commission to engage in a comprehensive review of the compensation given to various officers within this State and put into effect its findings; now, therefore, be it

RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF NEVADA, JOINTLY, That a new section, designated Section 33A, be added to Article 4 of the Nevada Constitution to read as follows:

Senate Bill No. 253.
Bill read third time.
Remarks by Senator Kieckhefer.

Senate Bill No. 253, as amended, provides for the sale of guaranteed asset protection waivers, which are defined in this bill as contracts pursuant to which a creditor agrees to waive part or all of the amount owed to the creditor pursuant to a finance agreement in the event of a total physical damage loss or unrecovered theft of the vehicle covered by the finance agreement. This bill provides that the marketing, issuance, sale, offering for sale, making, proposing to make and administration of guaranteed asset protection waivers are exempt from the provisions of the Nevada Insurance Code, except for those provisions that give the Commissioner of Insurance the authority to regulate and conduct investigations and hearings on violations of the law. Guaranteed asset protection waivers do not apply to a debt cancellation or debt suspension agreement regulated by federal laws or to a policy of insurance. The costs of the guaranteed asset protection waiver must be separately stated as part of the amount financed and must not be considered a finance charge or interest.

Senate Bill No. 253, as amended, also requires certain information to be disclosed, and requires a free-look period in which a borrower may cancel the guaranteed asset protection waiver and receive a full refund. If the request is made outside of the free-look period, a borrower must provide a written request for a refund. It also authorizes a creditor to apply any refund owed to the borrower because of the cancellation of the guaranteed asset protection waiver to the finance agreement.

The following amendment was proposed by Senator Kieckhefer:
Amendment No. 781.
AN ACT relating to charter schools; revising the requirements for a project that is financed through bonds to benefit a charter school; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law authorizes the Director of the Department of Business and Industry to issue bonds and other obligations to finance the acquisition, construction, improvement, restoration or rehabilitation of property, buildings and facilities for charter schools if certain criteria are met. Existing law requires a charter school for whose benefit a project is being financed to have received, within the immediately preceding 3 consecutive school years, one of the two highest ratings of performance pursuant to the statewide system of accountability for public schools. (NRS 386.630, 386.632, 386.634) Section 1.8 of this bill instead requires a charter school for whose benefit a project is being financed to have received, within the immediately preceding 2 consecutive school years, one of the three highest ratings of performance pursuant to the statewide system of accountability for public schools. Sections 1-1.4 and 2.2-2.8 of this bill clarify that the Director of the Department of Business and Industry has the authority to administer the Charter School Financing Law. (NRS 386.612-386.649)
Under existing law, the State pledges not to repeal, amend or modify the Charter School Financing Law in a way that impairs any outstanding bonds until all the bonds have been discharged in full or provisions for their payment and redemption have been fully made. (NRS 386.646) Section 3.3 of this bill clarifies that such a pledge must not be construed to bind the State or the Legislature to continue to apportion funds to charter schools or to maintain such apportionments at any existing levels.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 386.616 is hereby amended to read as follows:
386.616 "Director of the Department of Business and Industry” means the Director of the Department of Business and Industry or any person within
the Department of Business and Industry designated by the Director of the Department of Business and Industry to perform duties in connection with a project or the issuance of bonds pursuant to NRS 386.612 to 386.649, inclusive.

Sec. 1.2. NRS 386.619 is hereby amended to read as follows:

386.619 "Financing agreement" means an agreement by which the Director of the Department of Business and Industry agrees to issue bonds pursuant to NRS 386.612 to 386.649, inclusive, to finance one or more projects and the obligor agrees to:
1. Make payments directly or through notes, debentures, bonds or other secured or unsecured debt obligations of the obligor executed and delivered by the obligor to the Director of the Department of Business and Industry or his or her designee or assignee, including a trustee, sufficient to pay the principal of, premium, if any, and interest on the bonds;
2. Pay other amounts required by NRS 386.612 to 386.649, inclusive; and
3. Comply with all the applicable provisions of NRS 386.612 to 386.649, inclusive.

Sec. 1.4. NRS 386.630 is hereby amended to read as follows:

386.630 When the Director of the Department of Business and Industry has received requests from one or more charter schools, lessees, purchasers or other obligors, the Director of the Department of Business and Industry may issue revenue bonds to obtain money to fulfill the requests. Title to or in a project may at all times remain in the obligor or the obligor’s designee or assignee and, in that case, the bonds must be secured by a pledge of one or more notes, debentures, bonds or other secured or unsecured debt obligations of the obligor.

Sec. 1.8. NRS 386.632 is hereby amended to read as follows:

386.632 Except as otherwise provided in NRS 386.639, the Director of the Department of Business and Industry shall not finance a project unless, before financing the project, the Director finds and the State Board of Finance approves the findings of the Director that:
1. The project consists of any land, building or other improvement, and all real and personal properties necessary in connection therewith, which is suitable for new construction, improvement, restoration or rehabilitation of charter school facilities;
2. The charter school for whose benefit the project is being financed is not in default under the written charter or charter contract, as applicable, granted by its sponsor, as determined by the sponsor;
3. The charter school for whose benefit the project is being financed has received, within the immediately preceding 2 consecutive school years, one of the highest ratings of performance pursuant to the statewide system of accountability for public schools, or has received
equivalent ratings in another state, as determined by the Department of Education;
4. There are sufficient safeguards to ensure that all money provided by the Director of the Department of Business and Industry will be expended solely for the purposes of the project;
5. There are sufficient safeguards to ensure that the Director of the Department of Business and Industry will have the ability to monitor compliance with the provisions of NRS 386.612 to 386.649, inclusive, on an ongoing basis with respect to the project;
6. Through the advice of counsel or other reliable source, the project has received all approvals by the local, state and federal governments which may be necessary to proceed with construction, improvement, rehabilitation or redevelopment of the project; and
7. There has been a request by a charter school, lessee, purchaser or other obligor to have the Director of the Department of Business and Industry issue bonds to finance the project.
Sec. 2. (Deleted by amendment.)
Sec. 2.2. NRS 386.633 is hereby amended to read as follows:
386.633 1. Except as otherwise provided in NRS 386.639, before financing a project pursuant to NRS 386.632, the Director of the Department of Business and Industry and the State Board of Finance must:
   (a) Determine the total amount of money necessary to be provided by the Director of the Department of Business and Industry for financing the project.
   (b) Except as otherwise provided in this subsection, receive a 5-year operating history from the contemplated charter school, lessee, purchaser or other obligor that will make or guarantee the payment of the principal, premium, if any, and interest on any bond issued. An operating history is not required if the bonds:
      (1) Are to be sold only to qualified institutional buyers, as defined in Rule 144A of the Securities and Exchange Commission, 17 C.F.R. § 230.144A, in minimum denominations of at least $100,000; or
      (2) Will receive a rating within one of the top four rating categories of Moody’s Investors Service, Inc., Standard and Poor’s Rating Services or Fitch IBCA, Inc.
   (c) Consider whether the contemplated charter school, lessee, purchaser or other obligor that will make or guarantee the payment of the principal, premium, if any, and interest on any bonds issued has received within the 12 months immediately preceding the date of the findings of the Director of the Department of Business and Industry, or then has or has not in effect, a rating within one of the top four rating categories of Moody’s Investors Service, Inc., Standard and Poor’s Rating Services or Fitch IBCA, Inc.
   (d) Consider the extent to which the project is affected by any federal, state or local governmental action, activity, program or development.
(e) Consider the length of time the charter school, lessee, purchaser or other obligor of the project has maintained facilities appropriate to the community in this State.

2. The Director of the Department of Business and Industry may adopt regulations to set forth additional factors to be considered by the Director of the Department of Business and Industry and the State Board of Finance before financing a project pursuant to NRS 386.632.

Sec. 2.4. NRS 386.634 is hereby amended to read as follows:

386.634  1. The Director of the Department of Business and Industry may provide financing for a project pursuant to NRS 386.612 to 386.649, inclusive, if:

(a) The financing is limited in amount and purpose to the payment of the costs associated with:

(1) The acquisition, construction, improvement, restoration or rehabilitation of the project; and

(2) The cost of the project;

(b) The Director of the Department of Business and Industry makes the findings required by NRS 386.632; and

(c) The Director of the Department of Business and Industry complies with the guidelines established by the Director of the Department of Business and Industry pursuant to subsection 2.

2. The Director of the Department of Business and Industry shall establish guidelines for the provision of financing for a project pursuant to NRS 386.612 to 386.649, inclusive.

Sec. 2.6. NRS 386.637 is hereby amended to read as follows:

386.637  1. Any bonds issued pursuant to NRS 386.612 to 386.649, inclusive, must be authorized by an order of the Director of the Department of Business and Industry and must:

(a) Be in denominations;

(b) Bear the date or dates;

(c) Mature at the time or times, not exceeding 40 years after their respective dates;

(d) Bear interest at a rate or rates;

(e) Be in the form;

(f) Carry the registration privileges;

(g) Be executed in the manner;

(h) Be payable at the place or places within or without the State; and

(i) Be subject to the terms of redemption, as provided by the order authorizing their issuance.

2. Any bonds issued pursuant to NRS 386.612 to 386.649, inclusive, may be sold in one or more series at par, or below or above par, in the manner and for the price or prices which the Director of the Department of Business and Industry determines in his or her discretion, and are not required to obtain a credit rating. As an incidental expense to any project to be financed by the bonds, the Director of the Department of Business and Industry may employ
financial and legal consultants in regard to the financing of the project on an ongoing basis.

3. Any bonds issued pursuant to NRS 386.612 to 386.649, inclusive, are fully negotiable under the terms of the Uniform Commercial Code—Investment Securities.

Sec. 2.8. NRS 386.639 is hereby amended to read as follows:

386.639  1. Any bonds issued pursuant to NRS 386.612 to 386.649, inclusive, may be refunded by the Director of the Department of Business and Industry by the issuance of refunding bonds in an amount which the Director of the Department of Business and Industry determines necessary to refund the principal of the bonds to be so refunded, any unpaid interest thereon and any premiums and incidental expenses necessary to be paid in connection with refunding.

2. Refunding may be carried out whether the bonds to be refunded have matured or thereafter mature, either by sale of the refunding bonds and the application of the proceeds to the payment of the bonds to be refunded, or by exchange of the refunding bonds for the bonds to be refunded. The holders of the bonds to be refunded must not be compelled, without their consent, to surrender their bonds for payment or exchange before the date on which they are payable by maturity, option to redeem or otherwise, or if they are called for redemption before the date on which they are by their terms subject to redemption by option or otherwise.

3. All refunding bonds issued pursuant to this section must be payable solely from revenues and other money out of which the bonds to be refunded thereby are payable or from revenues out of which bonds of the same character may be made payable under this or any other law then in effect at the time of the refunding.

4. The Director of the Department of Business and Industry shall not issue refunding bonds unless, before the refinancing, the Director of the Department of Business and Industry finds that issuance of refunding bonds will provide a lower cost of financing for the obligor or provide some other public benefit, but the findings, determinations and approval required by NRS 386.632 are not required with respect to refunding bonds issued pursuant to this section.

Sec. 3. (Deleted by amendment.)

Sec. 3.3. NRS 386.646 is hereby amended to read as follows:

386.646  1. Except as otherwise provided in subsection 2, the faith of the State is hereby pledged that NRS 386.612 to 386.649, inclusive, will not be repealed, amended or modified to impair any outstanding bonds or any revenues pledged to their payment, or to impair, limit or alter the rights or powers vested in a charter school to acquire, finance, improve and equip a project in any way that would jeopardize the interest of any lessee, purchaser or other obligor, or to limit or alter the rights or powers vested in the Director of the Department of Business and Industry to perform any agreement made with
any lessee, purchaser or other obligor, until all bonds have been discharged in full or provisions for their payment and redemption have been fully made.

2. The provisions of subsection 1 must not be construed so as to bind the State, the Legislature or any agency of the foregoing to continue to apportion funds to charter schools or to maintain such apportionments at any existing levels.

Sec. 3.7. NRS 386.647 is hereby amended to read as follows:

386.647  1. NRS 386.612 to 386.649, inclusive, without reference to other statutes of this State, constitute full authority for the exercise of powers granted in those sections, including, without limitation, the authorization and issuance of bonds.

2. No other act or law with regard to the authorization or issuance of bonds that provides for an election, requires an approval, or in any way impedes or restricts the carrying out of the acts authorized by NRS 386.612 to 386.649, inclusive, to be done, applies to any proceedings taken or acts done pursuant to those sections, except for laws to which reference is expressly made in those sections or by necessary implication of those sections.

3. The provisions of no other law, either general or local, except as provided in NRS 386.612 to 386.649, inclusive, apply to the doing of the things authorized in those sections to be done, and no board, agency, bureau, commission or official not designated in those sections has any authority or jurisdiction over the doing of any of the acts authorized in those sections to be done, except as otherwise provided in those sections.

4. A project is not subject to any requirements relating to public buildings, structures, ground works or improvements imposed by the statutes of this State or any other similar requirements which may be lawfully waived by this section, and any requirement of competitive bidding or other restriction imposed on the procedure for award of contracts for such purpose or the lease, sale or other disposition of property is not applicable to any action taken pursuant to NRS 386.612 to 386.649, inclusive. [except that the provisions of NRS 338.013 to 338.090, inclusive, apply to any contract for new construction, repair or reconstruction for which tentative approval for financing is granted on or after July 1, 2013, by the Director of the Department of Business and Industry for work to be done on a project.]

5. Any bank or trust company located within or without this State may be appointed and act as a trustee with respect to bonds issued and projects financed pursuant to NRS 386.612 to 386.649, inclusive, without the necessity of associating with any other person or entity as cofiduciary, but such an association is not prohibited.

6. The powers conferred by NRS 386.612 to 386.649, inclusive, are in addition and supplemental to, and not in substitution for, and the limitations imposed by those sections do not affect, the powers conferred by any other law.
7. No part of NRS 386.612 to 386.649, inclusive, repeals or affects any other law or part thereof, except to the extent that those sections are inconsistent with any other law, it being intended that those sections provide a separate method of accomplishing its objectives, and not an exclusive one.

8. The Director of the Department of Business and Industry or a person designated by the Director of the Department of Business and Industry may take any actions and execute and deliver any instruments, contracts, certificates and other documents, including the bonds, necessary or appropriate for the sale and issuance of the bonds or accomplishing the purposes of NRS 386.612 to 386.649, inclusive, without the assistance or intervention of any other officer.

SECOND READING AND AMENDMENT

Senate Bill No. 276.
Bill read second time.
The following amendment was proposed by the Committee on Finance:
Amendment No. 864.
SUMMARY—Revises provisions governing (the registration of certain) medical marijuana establishments. (BDR [S-996] 40-996)
AN ACT relating to medical marijuana; revising provisions relating to the allocation of medical marijuana establishment registration certificates; authorizing the transfer of a medical marijuana establishment registration certificate in certain circumstances; authorizing a medical marijuana establishment to move to a new location under certain circumstances; revising provisions governing the registration of certain medical marijuana establishments; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law limits, by the size of the population of each county, the number of certain medical marijuana establishments that may be certified in each county, and also limits the Division of Public and Behavioral Health of the Department of Health and Human Services to accepting applications for the certification of such establishments to not more than 10 days in any calendar year. (NRS 453A.324) [This bill establishes a one-time increase in the number of registration certificates that may be issued by the Division to medical marijuana dispensaries.] Section 1 of this bill requires the Division to reallocate the certificates provided for a county which has no qualified applicants to the other counties of this State. Section 5 of this bill provides for the reallocation and issuance of such currently unused certificates.

Existing law prohibits the transfer of a medical marijuana establishment agent registration card or a medical marijuana establishment registration certificate. (NRS 453A.334) Section 2 of this bill allows the transfer of ownership in a medical marijuana establishment and the transfer of a medical marijuana establishment registration certificate if the new owner: (1) meets the requirements of existing law relating to liquid assets; (2) submits certain information to allow the Division to perform certain background checks; and (3) proves that its acquisition of the establishment will not violate certain restrictions on holding multiple establishments.

Existing law establishes certain requirements for the location of a medical marijuana establishment. (NRS 453A.350) Section 3 of this bill allows an establishment to move to a new location under the jurisdiction of the same local government if, after a public hearing, the local government approves the new location. Section 4 of this bill requires the Division to revise its regulations to conform with the provisions of section 3.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 453A.324 is hereby amended to read as follows:

453A.324 1. Except as otherwise provided in this section and NRS 453A.326, the Division shall issue medical marijuana establishment registration certificates for medical marijuana dispensaries in the following quantities for applicants who qualify pursuant to NRS 453A.322:

(a) In a county whose population is 700,000 or more, 40 certificates;
(b) In a county whose population is 100,000 or more but less than 700,000, ten certificates;
(c) In a county whose population is 55,000 or more but less than 100,000, two certificates; and
(d) In each other county, one certificate.

2. Notwithstanding the provisions of subsection 1, the Division shall not:

   (a) Shall not issue medical marijuana establishment registration certificates for medical marijuana dispensaries in such a quantity as to cause the existence within the applicable county of more than one medical marijuana dispensary for every ten pharmacies that have been licensed in the county pursuant to chapter 639 of NRS. The Division may issue medical marijuana establishment registration certificates for medical marijuana dispensaries in excess of the ratio otherwise allowed pursuant to this subsection if to do so is necessary to ensure that the Division issues at least one medical marijuana establishment registration certificate in each county of this State in which the Division has approved an application for such an establishment to operate.

   (b) Shall, for any county for which no applicants qualify pursuant to NRS 453A.322, within 2 months after the end of the period during which the Division accepts applications pursuant to subsection 4, reallocate the certificates provided for that county pursuant to subsection 1 to the other counties specified in subsection 1 in the same proportion as provided in subsection 1.

3. With respect to medical marijuana establishments that are not medical marijuana dispensaries, the Division shall determine the appropriate number of such establishments as are necessary to serve and supply the medical marijuana dispensaries to which the Division has granted medical marijuana establishment registration certificates.

4. The Division shall not, for more than a total of 10 business days in any 1 calendar year, accept applications to operate medical marijuana establishments.

Sec. 2. NRS 453A.334 is hereby amended to read as follows:

SUMMARY—Requires the Attorney General to establish the Safe-to-Tell Program to enable the anonymous reporting of dangerous, violent or unlawful activity. Revises provisions relating to safety in or at a public school. (BDR 34-870)
AN ACT relating to public schools; requiring the Director of the Office for a Safe and Respectful Learning Environment within the Department of Education to establish the Safe-to-Tell Program to enable the anonymous reporting of dangerous, violent or unlawful activity, or threats thereof, in or at a public school; prohibiting the release of records or information of the Program except under certain circumstances; creating and providing for the expenditure of money from the Safe-to-Tell Program Account; creating and providing duties for the Safe-to-Tell Program Advisory Committee; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 4 of this bill requires the Director of the Office for a Safe and Respectful Learning Environment appointed pursuant to section 4 of Senate Bill No. 504 of this Session to establish the Safe-to-Tell Program within the Office. The Safe-to-Tell Program must enable any person to anonymously report any dangerous, violent or unlawful activity which is being conducted or threatened to be conducted on the property of a public school, at an activity sponsored by a public school or on a school bus of a public school. Section 4 provides that any information received by the Program is confidential and further provides that the Program must include methods and procedures to ensure that: (1) information reported to the Program is promptly forwarded to appropriate public safety agencies and appropriate public school administrators; and (2) the identity of a person who reports information to the Program is not known by persons operating the Program and is not disclosed to any person. Additionally, section 4 authorizes the Director of the Office to enter into agreements with organizations to operate a hotline or call center to receive initial reports made to the Program and forward the information contained in the reports in the required manner. Section 4 provides that the identity of a person who reports information to the Program must remain unknown to persons employed by, contracting with, volunteering with or otherwise assisting such organizations in operating any such hotline or call center.

Under section 5 of this bill, a person must not be compelled to produce or disclose any record or information provided to the Program except upon the motion of a defendant in a criminal action or as authorized pursuant to section 4. If a criminal defendant makes a motion to compel production or disclosure of a record or information provided to the Program, the motion must be supported by an affidavit stating that the record or information includes evidence that could be offered by the defendant to exculpate the defendant or to impeach the testimony of a witness. Section 5 requires that the identity of any person who made a report to the Program be redacted from any record or information subsequently provided to the defendant, and provides that the court may subject the record or information to a protective order further redacting or otherwise limiting the use of the record or information.
Section 6 of this bill provides that any person who unlawfully discloses the willful disclosure of a record or information of the Safe-to-Tell Program or the willful neglect or refusal to obey a court order relating to the Program, is punishable as criminal contempt.

Section 6.5 of this bill creates the Safe-to-Tell Program Account in the State General Fund. The Account must be administered by the Director and money in the Account may be used only to implement and operate the Safe-to-Tell Program.

Section 7.5 of this bill establishes the Safe-to-Tell Program Advisory Committee within the Office. The Committee is required to submit a report to the Governor and the Legislature which includes information regarding the number of reports received by the Safe-to-Tell Program and any recommendations for the improvement of the Program. Section 8 of this bill provides for the dissolution of the Committee on December 31, 2016.

The following amendment was proposed by Senator Hardy:

Amendment No. 877.

AN ACT relating to occupations; making certain provisions concerning providers of health care applicable to audiologists and speech-language pathologists; establishing the Speech-Language Pathology, Audiology and Hearing Aid Dispensing Board by expanding the existing Board of Examiners for Audiology and Speech Pathology and abolishing the existing Board of Hearing Aid Specialists; prescribing the requirements for the licensure of audiologists, speech-language pathologists and hearing aid specialists; prescribing the requirements to engage in telepractice by an audiologist or a speech-language pathologist; prescribing the requirements for the licensure and practice of an apprentice hearing aid specialist; prescribing the requirements for the practice of a hearing aid specialist; making certain provisions applicable to hearing aid specialists; imposing certain fees; providing that certain acts are grounds for disciplinary action by the Board; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law defines “provider of health care” as a person who practices any of certain health-related professions. (NRS 629.031) Existing law imposes certain requirements upon providers of health care, including requirements for the retention of patient records, requirements for billing, standards for advertisements and criminal penalties for acquiring certain debts. (NRS 629.051, 629.071, 629.076, 629.078) Section 1 of this bill
includes speech-language pathologists and audiologists in the definition of “provider of health care,” which has the effect of making these requirements applicable to speech-language pathologists and audiologists. Existing law also includes the definition of “provider of health care” by reference in various other provisions. By expanding the definition, the bill expands the definition for those other provisions, thereby making those provisions include speech-language pathologists and audiologists as providers of health care. The term is referenced in provisions relating to various subjects including, without limitation, admissibility of the testimony of hypnotized witnesses, power of attorney, practice during declared emergencies, investigations conducted concerning facilities for long-term care, confidentiality of reports and referrals relating to maternal health, payments by insurance, release of the results of certain laboratory tests, drug donation programs, interpreters and realtime captioning providers and the Silver State Health Insurance Exchange. (NRS 41.141, 48.039, 162A.790, 415A.210, 427A.145, 442.395, 449.2475, chapter 453B of NRS, NRS 652.193, chapters 656A and 695I of NRS)

Existing law establishes the Board of Hearing Aid Specialists to license and oversee hearing aid specialists and the Board of Examiners for Audiology and Speech Pathology to license and oversee audiologists and speech pathologists. (Chapters 637A and 637B of NRS) Section 72 of this bill repeals provisions establishing the Board of Hearing Aid Specialists, and section 44 of this bill establishes the Speech-Language Pathology, Audiology and Hearing Aid Dispensing Board to license and oversee audiologists, speech-language pathologists and hearing aid specialists. Under sections 44 and 44.5 of this bill, the Board consists of eight members until July 1, 2017, on which date the membership of the Board will decrease to seven members. Section 45 of this bill requires the Board to elect a Chair and a Vice Chair and to comply with certain provisions of NRS governing meetings of state and local agencies. Section 46 of this bill authorizes the Board to employ certain persons and provides for compensation of the members and employees of the Board. Section 16 of this bill authorizes the Board to select certain persons as advisory members, and sections 17, 18, 25 and 28 of this bill prescribe the responsibilities of the Board.

Sections 19, 26, 47 and 48 of this bill prescribe certain requirements for applicants for licenses to engage in the practice of audiology, speech-language pathology or fitting and dispensing hearing aids. Section 20 of this bill requires a speech-language pathologist who does not have a provisional license to have a current certificate of clinical competence issued by the American Speech-Language-Hearing Association or a successor organization approved by the Board. Sections 21, 22 and 50 of this bill authorize the Board to issue limited, provisional and temporary licenses to certain applicants. Section 23 of this bill prescribes requirements for an audiologist or an applicant for a license to engage in the practice of audiology to obtain
an endorsement of his or her license to also engage in the practice of fitting and dispensing hearing aids.

Section 24 of this bill prescribes requirements concerning telepractice by an audiologist or a speech-language pathologist.

Sections 25-35 of this bill enact requirements for the licensing and practice of hearing aid specialists in chapter 637B of NRS, and section 72 repeals those requirements in chapter 637A of NRS. Section 27 authorizes the Board to issue an apprentice license to an applicant who has not yet completed the education or training requirements for a hearing aid specialist, and sections 29-31 prescribe requirements concerning the practice of an apprentice. Section 32 authorizes a hearing aid specialist or dispensing audiologist to make an audiogram upon request by a physician or member of a related profession specified by the Board. Section 33 requires a hearing aid specialist or apprentice to display his or her license conspicuously in each place where he or she conducts business as a hearing aid specialist or apprentice. Section 34 requires a hearing aid specialist or apprentice to update the address of his or her place of business on file with the Board within 10 days after the date on which the address changes.

Federal law prohibits a state from enacting requirements for the sale of a hearing aid that are different from or in addition to federal requirements, and federal regulations allow a person to waive a medical examination when purchasing a hearing aid. (21 U.S.C. § 360k; 21 C.F.R. § 801.421) Section 35 of this bill requires certain examinations to be performed on a person before the person purchases a hearing aid by catalog, mail or the Internet unless the person waives the examinations.

Section 43 of this bill revises exemptions from the provisions of chapter 637B of NRS for certain government employees and other persons who do not engage in the private practice of audiology, speech-language pathology or fitting and dispensing hearing aids. Section 49 of this bill authorizes the Board to issue a license without an examination to persons who hold certain certifications. Sections 48, 50, 53, 54 and 56-59 of this bill make certain provisions governing audiologists and speech-language pathologists applicable to hearing aid specialists as well. Section 51 of this bill imposes fees for certain tasks relating to licensing. Section 53 provides that certain acts are grounds for disciplinary action.

Senator Hardy moved the adoption of the amendment.
Remarks by Senator Hardy.

Assembly Bill No. 115 with the Amendment No. 877 addresses some small things that recognize the reality of audiologists and what they do. When they use a scope to look in the nose or the mouth they are actually participating in something that is imaging and visualization and helping in the diagnosis in a participatory way.

This bill pertains to public administrators. It was a good bill that makes changes to a number of the requirements on public administrators and the last amendment requires that the public administrator act on behalf of the estate of a deceased person to identify and secure all assets of the estate. It’s a good bill that it’s a clean-up for some of the rural counties and their public administrators.

Bill read third time.
Remarks by Senator Liparelli.
Assembly Bill No. 321 requires the board of trustees of a school district to enter into a contract to provide school police officers to a charter school, if the governing body of a charter school makes such a request. The contract must be entered into on or before March 15 for services to be provided for the next school year and must be for at least three years. The contract requires a chief of school police to supervise any school police officer providing services to a charter school. The board of trustees of a school district may also contract with the metropolitan police department or the sheriff of the county, as applicable, for the provision and supervision of police services in a charter school.
This bill requires all charter and private schools to notify local law enforcement of certain key information about the school. A law enforcement agency, contacted for assistance by a public or private school without school police, must respond as it would to a call for assistance from the general public. If the occurrence of a crisis or an emergency prompts a local law enforcement agency to notify a public or private school, the law enforcement agency must consider whether it is necessary and appropriate to notify any other public or private school of the crisis or emergency. This bill is effective on July 1, 2015.

Assembly Bill No. 351 revises the criteria to be met before the Department of Business and Industry may issue a bond or other obligation to finance the acquisition, construction, improvement, restoration, or rehabilitation of property, buildings, or facilities of a charter school. The bill requires the charter school to have received, within the immediately preceding two consecutive school years, one of the three highest performance ratings pursuant to the statewide system of accountability for public schools.

This bill also: provides the Director of the Department of Business and Industry with the authority to administer the Charter School Financing Law; removes the requirement that charter school facility projects be subject to prevailing wages; and clarifies that the statutory pledge to not repeal, amend, or modify the Charter School Financing Law must not be construed to bind the State or the Legislature to continue to apportion funds to charter schools, or to maintain such apportionments at any existing levels. SECOND READING AND AMENDMENT
Assembly Bill No. 70.
Bill read second time.
The following amendment was proposed by the Committee on Finance:
Amendment No. 863.
SUMMARY—Provides for the administration and enforcement of [excise taxes on] various provisions relating to medical marijuana. (BDR 32-322)

AN ACT relating to [taxation] medical marijuana; providing for the administration and enforcement of taxes on the sale of marijuana, edible marijuana products and marijuana-infused products by medical marijuana establishments; eliminating certain duties of the Department of Taxation relating to the rates of such taxes; providing for the collection of a fee by an agency of a local government from a medical marijuana establishment for certain costs of the agency; authorizing an independent contractor to provide labor to a medical marijuana establishment in certain circumstances; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law imposes taxes on: (1) the sale of controlled substances, which are defined to exclude marijuana, edible marijuana products and marijuana-infused products; and (2) the wholesale and retail sales of marijuana, edible
marijuana products and marijuana-infused products by medical marijuana establishments. (NRS 372A.070, 372A.075) Sections 4-21 of this bill generally provide for the administration and enforcement of the taxes imposed on sales by medical marijuana establishments. Section 10 adopts by reference provisions of general applicability relating to the payment, collection, administration and enforcement of taxes. Sections 11 and 12 require that a taxpayer maintain certain records and provide for the inspection of those records by the Department of Taxation or its authorized representative. Sections 1 and 2 of this bill and sections 13-15 adopt provisions governing penalties for failure to pay, claims for refunds and credits, and the payment of interest on any overpayment of the tax on medical marijuana. Section 16 sets forth the procedure by which the denial of a claim for a refund or credit may be appealed to the Nevada Tax Commission and provides that the Commission’s final decision on an appeal is a final decision for the purposes of judicial review pursuant to the Nevada Administrative Procedure Act. Section 17 denies standing to commence or maintain a proceeding for judicial review to anyone other than the person who made the disputed payment. If judgment is rendered for the claimant in such a proceeding, section 18 provides for the allowance and computation of interest on the amount found to have been erroneously or illegally collected. Section 19 prohibits proceedings to prevent or enjoin the collection of the tax and requires that a timely claim for a refund or credit be made as a prerequisite to any proceeding for the recovery of a refund. Section 20 makes it a gross misdemeanor for any person to file a false or fraudulent return or engage in other conduct with intent to defraud the State or evade payment of the tax. Section 21 provides that the remedies of the State relating to the administration of the tax are cumulative, meaning that the pursuit of one remedy by the Department or the Attorney General does not preclude the pursuit of any other authorized remedy.

Under existing law, the Department is required regularly to review the rates of the taxes imposed on sales by medical marijuana establishments and make recommendations to the Legislature regarding adjustments of those rates. (NRS 372A.075) Section 23 of this bill eliminates that requirement. With that exception, sections 22-28 of this bill reflect a reorganization of the provisions of chapter 372A of NRS, but make no substantive changes.

Under existing law, an applicant for the issuance or renewal of a medical marijuana establishment registration certificate must submit proof that it has complied with the zoning restrictions and applicable building requirements of the local governmental authority for the place it will be located. (NRS 453A.322) Additionally, in a local governmental jurisdiction that issues business licenses, the issuance of a medical marijuana establishment registration certificate is provisional until the establishment complies with all applicable local governmental ordinances or rules and receives a business license. (NRS 453A.326) Section 29 of this bill requires an agency of a local government that performs inspections, reviews or other tasks related to
ensuring that a medical marijuana establishment complies with all applicable local governmental ordinances or rules to maintain records of: (1) the hours its employees spend on these inspections, reviews and tasks; (2) the rate of pay of such employees; and (3) the share of any costs for equipment for the agency attributable to the establishment. Section 29 requires the agency to provide these records to the establishment within 30 days after performing such inspections, reviews or tasks and requires the establishment to pay a fee to the agency equal to the actual costs of the agency to perform the inspections, reviews and tasks. Section 29 requires that the proceeds of such a fee be expended only to pay the costs to perform such inspections, reviews and tasks and prohibits the proceeds from supplanting other support for the agency.

Under existing law, a person must register with the Division of Public and Behavioral Health of the Department of Health and Human Services as a medical marijuana establishment agent before volunteering or working at a medical marijuana establishment. (NRS 453A.332) Sections 30, 31 and 33 of this bill allow an independent contractor and its employees to register as medical marijuana establishment agents and provide labor to a medical marijuana establishment.

Legislative Counsel’s Digest:

Sections 1 and 2 of this bill set forth new provisions relating to the employment of veterans. Section 1 requires the Administrator of the Employment Security Division of the Department of Employment, Training and Rehabilitation to gather aggregate unemployment data concerning veterans and report such data to the Interagency Council on Veterans Affairs on a quarterly basis. Section 2 authorizes a private employer to adopt an employment policy that gives preference in hiring to a veteran or the spouse of a veteran. Section 2 also authorizes the Nevada Equal Rights Commission to review the uniform application of such an employment policy upon receiving a written complaint from a prospective employee of the employer and requires the employer, upon a finding by the Commission that the policy has not been applied uniformly, to revise his or her employment policy in accordance with the recommendations of the Commission. Existing law generally provides for preferential employment in public employment and the construction of public works for certain veterans. (NRS 281.060, 284.260, 338.130)

Under existing law, before a person can be issued a commercial driver’s license by this State, the person is required, among other things, to pass a driving skills test for driving a commercial motor vehicle. (NRS 483.928)

Section 5 of this bill provides an exemption to this requirement for certain persons who have experience driving a commercial motor vehicle because of their service in the Armed Forces of the United States.

Existing law also generally provides for the regulation of professions in this State. (Title 54 of NRS) [Section 9 of this bill authorizes certain qualified professionals who are licensed in another state or territory of the United States and who are active members of, or the spouse of an active member of, the Armed Forces of the United States, a veteran or the surviving spouse of a veteran to apply for and receive a license by endorsement to practice their respective profession in this State. Section 9 also provides that a person who meets such requirements and receives a license by endorsement in certain professions is entitled to at least a 50 percent reduction in the fee for an examination required as a prerequisite to licensure or for initial issuance of a license.] Sections 13.6, 27.2, 27.3, 28.3, 36.5, 41, 45, 46, 52, 55, 59, 63, 64, 69, 74 and 78-82 of this bill authorize certain qualified physicians, podiatrists and other providers of health care and professionals to obtain an expedited license by endorsement to practice their respective professions in this State if the physician, podiatrist or other provider of health care or professional: (1)
holds a valid and unrestricted license to practice in the District of Columbia or another state or territory of the United States; (2) is an active member or veteran of, the spouse of an active member or veteran of, or the surviving spouse of a veteran of, the Armed Forces of the United States; and (3) meets certain other requirements. Specifically, an expedited license by endorsement may be obtained from the Board of Medical Examiners, the State Board of Nursing, the State Board of Osteopathic Medicine, the State Board of Podiatry, the State Board of Optometry, the Board of Examiners for Audiology and Speech Pathology, the State Board of Pharmacy, the State Board of Physical Therapy Examiners, the Board of Occupational Therapy, the Board of Massage Therapists, the Board of Psychological Examiners, the Board of Examiners for Marriage and Family Therapists and Clinical Professional Counselors, the Board of Examiners for Social Workers and the Board of Examiners for Alcohol, Drug and Gambling Counselors.

Section 10 of this bill requires a regulatory body to develop opportunities for reciprocity of licensure for such persons who hold a professional license that is not recognized by this State. Section 11 of this bill requires a regulatory body in certain circumstances to prepare and submit to the Interagency Council on Veterans Affairs an annual report providing information on the number of veterans who have applied for a license, have been issued a license or have renewed a license.

Section 12 of this bill authorizes certain regulatory bodies of this State to enter into a reciprocal agreement with the corresponding regulatory authority of another state or territory of the United States for the purposes of authorizing and regulating the practice of certain professions concurrently in this State and another jurisdiction. Section 12 provides that such a reciprocal agreement must not authorize a person to practice his or her profession concurrently in this State unless the person meets certain credentialing requirements. Sections 13, 30.5 and 33 of this bill authorize certain qualified physicians and certain qualified podiatrists to obtain an expedited license by endorsement to practice in this State if the physician or podiatrist meets certain requirements. Section 14 of this bill authorizes the Board of Medical Examiners to issue a license to practice medicine to certain persons who receive postgraduate education in certain approved residency programs in Canada.

Sections 20-27 of this bill revise various provisions relating to dentists and dental hygienists. Section 22.5 authorizes the Executive Director of the Board of Dental Examiners of Nevada to issue a license to a qualified applicant without further review of the Board under certain circumstances. Sections 23 and 25 revise provisions relating to the licensing requirements for dentists and dental hygienists, and section 27 establishes a fee for the inspection of a facility required by the Board to ensure compliance with infection control guidelines.

Additionally, existing law authorizes the Board of Examiners for Social Workers to grant a license without examination to a person who holds a
current license to engage in the practice of social work in a state whose licensing requirements at the time the license was issued are deemed by the Board to be substantially equivalent to the requirements set forth in the statutory provisions governing social workers in this State. (NRS 641B.270)

Section 36 of this bill authorizes the Board to grant a provisional license to engage in social work as an independent social worker or a clinical social worker to an active member of or the spouse of an active member of the Armed Forces of the United States who applied for such a license if the Board deems that the other state’s licensing requirements are not substantially equivalent to the requirements set forth in the statutory provisions governing social workers in this State.

Section 3 of this bill adds the Board of Examiners for Social Workers to the list of persons and governmental entities to whom records of criminal history must be disseminated by an agency of criminal justice upon request.

Amendment No. 911.

AN ACT relating to education; creating the Silver State Opportunity Grant Program; providing for the calculation and award of grants under the Program to qualified students enrolled in community colleges and state colleges of the Nevada System of Higher Education; requiring the Board of Regents of the University of Nevada to submit to the Legislature a biennial report on the Program; [making an appropriation] and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

This bill creates the Silver State Opportunity Grant Program. Under the Program, the Board of Regents of the University of Nevada is required to award grants to eligible students who are enrolled in community colleges and state colleges that are part of the Nevada System of Higher Education to pay for a portion of the cost of education at such institutions. Section 3 of this bill sets forth the criteria for eligibility for such a grant. Section 4 of this bill requires the Board of Regents or a designee of the Board to: (1) calculate the maximum amount of the grant which a student is eligible to receive; (2) determine the actual amount each eligible student will receive; and (3) make grants to all eligible students. Section 4 provides that any money awarded under the Program must be used only to pay the cost of education of a student and not for any other purpose. Section 5 of this bill requires the Board of Regents to adopt regulations prescribing the procedures and standards for determining eligibility, the methodology for calculating the
financial need of a student and the process by which a student may meet certain requirements for eligibility for a grant. Section 6 of this bill authorizes the Board of Regents to accept gifts, grants, bequests and donations to fund grants awarded under the Program.

Section 7 of this bill requires the Board of Regents to submit a biennial report on the Program to the Legislature. The report must include information regarding: (1) the number of grants awarded under the Program; (2) the average amount of each grant; and (3) the percentage of students awarded grants who remained in school and who eventually earned a degree or certificate.

Finally, section 9 of this bill includes appropriations from the State General Fund to the Board of Regents for the award of grants in the amount of $5 million per year for Fiscal Years 2015-2016 and 2016-2017.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 396 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 7, inclusive, of this act.

Sec. 2. As used in sections 2 to 7, inclusive, of this act, unless the context otherwise requires, “Program” means the Silver State Opportunity Grant Program created by section 3 of this act.

Sec. 3. 1. The Silver State Opportunity Grant Program is hereby created for the purpose of awarding grants to eligible students to pay for a portion of the cost of education at a community college or state college within the System.

2. The Board of Regents shall administer the Program.

3. In administering the Program, the Board of Regents shall for each semester, subject to the limits of money available for this purpose, award a grant to each eligible student to pay for a portion of the cost of education at a community college or state college within the System.

4. To be eligible for a grant awarded under the Program, a student must:

(a) Be enrolled, or accepted to be enrolled, during a semester in at least 15 credit hours at a community college or state college within the System;

(b) Be enrolled in a program of study leading to a recognized degree or certificate;

(c) Demonstrate proficiency in English and mathematics sufficient for placement into college-level English and mathematics courses pursuant to regulations adopted by the Board of Regents for such placement;

(d) Be a bona fide resident of the State of Nevada for the purposes of determining pursuant to NRS 396.540 whether the student is assessed a tuition charge; and

(e) Complete the Free Application for Federal Student Aid provided for by 20 U.S.C. § 1090.

Sec. 4. 1. For each eligible student, the Board of Regents or a designee thereof shall:
(a) Calculate the maximum amount of the grant which the student is eligible to receive. The maximum amount of such a grant must not exceed the amount equal to the cost of education of the student minus the amounts determined for the student contribution, family contribution and federal contribution to the cost of education of the student.

(b) Determine the actual amount of the grant which will be awarded to each student, which amount must not exceed the maximum amount calculated pursuant to paragraph (a), but which may be in a lesser amount if the Board of Regents or a designee thereof, as applicable, determines that the amount of money available for all grants for any semester is insufficient to award to all eligible students the maximum amount of the grant which each student is eligible to receive.

(c) Award to each eligible student a grant in the amount determined pursuant to paragraph (b).

2. Money received from a grant awarded under the Program must be used by a student only to pay for the cost of education of the student at a community college or state college within the System and not for any other purpose.

Sec. 5. 1. The Board of Regents:

(a) Shall adopt regulations prescribing the procedures and standards for determining the eligibility of a student for a grant from the Program.

(b) Shall adopt regulations prescribing the methodology by which the Board of Regents or a designee thereof will calculate:

(1) The cost of education of a student at each community college and state college within the System, which must be consistent with the provisions of 20 U.S.C. § 1087ll.

(2) For each student, the amounts of the student contribution, family contribution and federal contribution to the cost of education of the student.

(3) The maximum amount of the grant for which a student is eligible.

(c) Shall adopt regulations prescribing the process by which each student may meet the credit-hour requirement described in paragraph (a) of subsection 4 of section 3 of this act for eligibility for a grant awarded under the Program.

(d) May adopt any other regulations necessary to carry out the Program.

2. The regulations prescribed pursuant to this section must provide that:

(a) In determining the student contribution to the cost of education, the student contribution must not exceed the amount that the Board of Regents determines the student reasonably could be expected to earn from employment during the time the student is enrolled at a community college or state college within the System, including, without limitation, during breaks between semesters. This paragraph and any regulations adopted pursuant to this section must not be construed to require a student to seek or obtain employment as a condition of eligibility for a grant under the Program.
(b) Determination of the family contribution to the cost of education must be based on the family resources reported in the Free Application for Federal Student Aid submitted by the student.

(c) Determination of the federal contribution to the cost of education must be equal to the total amount that the student and his or her family are expected to receive from the Federal Government as grants.

Sec. 6. In addition to any direct legislative appropriation from the State General Fund, the Board of Regents may accept gifts, grants, bequests and donations to fund grants awarded under the Program.

Sec. 7. On or before February 1 of each odd-numbered year, the Board of Regents shall submit to the Director of the Legislative Counsel Bureau for transmittal to the next regular session of the Legislature a written report on the Program which must include, without limitation, information regarding:
1. The number of students during the immediately preceding school year who were awarded grants under the Program.
2. The average amount of each grant awarded under the Program for the immediately preceding school year.
3. The success of the Program, including, without limitation, information regarding the percentage of students awarded grants since the creation of the Program who have remained enrolled at a community college or state college within the System and the percentage of students awarded grants since the creation of the Program who have been awarded a degree or certificate.

Sec. 8. The provisions of subsection 1 of NRS 218D.380 do not apply to any provision of this act which adds or revises a requirement to submit a report to the Legislature.

Sec. 9. [There is hereby appropriated from the State General Fund to the Board of Regents of the University of Nevada for the award of grants pursuant to the Silver State Opportunity Grant Program created by section 3 of this act:
For the Fiscal Year 2015-2016 $5,000,000
For the Fiscal Year 2016-2017 $5,000,000] (Deleted by amendment.)

Sec. 10. [Any balance of the sums appropriated by section 9 of this act remaining at the end of the respective fiscal years must not be committed for expenditure after June 30 of the respective fiscal years by the Board of Regents of the University of Nevada or any entity to which money from the appropriation is granted or otherwise transferred in any manner, and any portion of the appropriated money remaining must not be spent for any purpose after September 16, 2016, and September 15, 2017, respectively, by either the Board of Regents of the University of Nevada or the entity to which the money was subsequently granted or transferred, and must be reverted to the State General Fund on or before September 16, 2016, and September 15, 2017, respectively.] (Deleted by amendment.)

Sec. 11. This act becomes effective:
1. Upon passage and approval for the purpose of adopting regulations and performing any other preparatory administrative tasks necessary to carry out the provisions of this act; and
2. On July 1, 2015, for all other purposes.

Senator Kieckhefer moved the adoption of the amendment.

Remarks by Senator Kieckhefer.

This amendment strips out the appropriation contained in the bill making it a pure policy matter. Hopefully, we can get some money put back in the language of the budget to fund it.

Senate Bill No. 292.

Bill read third time.

Remarks by Senators Roberson and Segerblom.

SENATOR ROBERSON:

Senate Bill 292 revises the statutory definition of the term “professional negligence” to include medical malpractice and dental malpractice. The bill also revises the definition of “provider of health care” to include a broader range of practitioners. The bill provides that the total noneconomic damages that can be awarded to the injured plaintiff in a civil action brought against a provider of health care claiming injury or death for professional negligence is $350,000, regardless of the number of plaintiffs, defendants, or theories upon which liability may be based.

Two items are added to the list of elements in an affidavit, the absence of which will require a district court to dismiss without prejudice an action for professional negligence. First, the supporting affidavit must identify by name or describe by conduct each alleged provider of health care who is alleged to be negligent. Second, the affidavit must set forth in concise and direct terms the specific act or acts of alleged negligence committed by each defendant.

The bill provides that a rebuttable presumption of professional negligence does not apply in an action where the plaintiff submits an affidavit, or otherwise provides for an expert witness or expert testimony to establish the claim of negligence.

Finally, S.B. 292 provides to a school board of trustees or governing body of a charter school immunity from a civil action arising from an alleged act or omission committed by an employee or volunteer of a school-based health center. This bill is effective upon passage and approval.

SENATOR SEGERBLOM:

In the spirit of cooperation and all the great things that the majority leader has done tonight I won’t say that his bill is really terrible and that it really takes from the poor and gives to the rich and is in favor of insurance companies. I would just say I oppose it instead.
