The following amendment was proposed by the Committee on Judiciary:
Amendment No. 842.
SUMMARY—[Makes various changes to] Revises provisions relating to
the solicitation of bids for a homeowners’ association project.
AN ACT relating to common-interest communities; [revising provisions
authorizing a homeowners’ association to direct the removal of vehicles from
property owned or leased by the association; revising provisions governing eligibility to be a member of the executive board or an officer of a homeowners’ association; revising provisions related to the solicitation of bids for a homeowners’ association project; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

[Existing law establishes the Uniform Common Interest Ownership Act, which governs common interest communities. (Chapter 116 of NRS) Under existing law, a homeowners’ association is authorized, under certain circumstances, to direct the removal of a vehicle improperly parked on property owned or leased by the association. Unless a vehicle is blocking a certain area of the association property or the vehicle poses a threat to the health, safety or welfare of the units’ owners or residents, an association must provide certain written or oral notice to the owner or operator of a vehicle at least 48 hours before the association may direct the removal of the vehicle. (NRS 116.3102) Section 1 of this bill removes these requirements. Existing law also provides that unless a person is appointed by the declarant, a person may not be a member of the executive board or an officer of a homeowners’ association if the person or certain other persons perform the duties of a community manager for that association. (NRS 116.31034) Section 1.5 of this bill additionally excludes a person, other than a person appointed by the declarant, from eligibility as a candidate for, or as a member of, the executive board or an officer of a homeowners’ association if: (1) except under certain circumstances, the person resides with, is married to or is related within the third degree of consanguinity to a member of the board or an officer of the association; (2) the person stands to gain any personal profit or compensation from a matter before the board; or (3) the person is a business associate of, or an owner of a business co-owned by, a person who is a member of the executive board or is an officer of the association or who performs the duties of a community manager for that association. Additionally, section 1.5 provides that if a person is not eligible to be a candidate for, or a member of, an executive board or an officer of the association, the association: (1) must not place the name of the person on any ballot as a candidate; and (2) must prohibit the person from serving as a member of the executive board or as an officer of the association.

Existing Under existing law, a homeowners’ association is required to open and consider bids for an association project at a meeting of its executive board. (NRS 116.31086) This bill requires an association to solicit, whenever reasonably possible, at least three bids if the association project is expected to cost: (1) in a common-interest community that consists of less than 1,000 units, $2,500 or more of the annual budget of the association; or (2) in a common-interest community that consists of 1,000 or more units, $5,000 or more of the annual budget of the association. This bill further specifies that the
contents of bids which are opened at a meeting of the executive board must be read aloud.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. [NRS 116.3102 is hereby amended to read as follows:
   116.3102  1. Except as otherwise provided in this chapter, and subject to the provisions of the declaration, the association:
   (a) Shall adopt and, except as otherwise provided in the bylaws, may amend bylaws and may adopt and amend rules and regulations.
   (b) Shall adopt and may amend budgets in accordance with the requirements set forth in NRS 116.31151, may collect assessments from the units’ owners and may invest funds of the association in accordance with the requirements set forth in NRS 116.311395.
   (c) May hire and discharge managing agents and other employees, agents and independent contractors.
   (d) May institute, defend or intervene in litigation or in arbitration, mediation or administrative proceedings in its own name on behalf of itself or two or more units’ owners on matters affecting the common-interest community.
   (e) May make contracts and incur liabilities. Any contract between the association and a private entity for the furnishing of goods or services must not include a provision granting the private entity the right of first refusal with respect to extension or renewal of the contract.
   (f) May regulate the use, maintenance, repair, replacement and modification of common elements.
   (g) May cause additional improvements to be made as a part of the common elements.
   (h) May acquire, hold, encumber and convey in its own name any right, title or interest to real estate or personal property, but:
   (1) Common elements in a condominium or planned community may be conveyed or subjected to a security interest only pursuant to NRS 116.3112; and
   (2) Part of a cooperative may be conveyed, or all or part of a cooperative may be subjected to a security interest, only pursuant to NRS 116.3112.
   (i) May grant easements, leases, licenses and concessions through or over the common elements.
   (j) May impose and receive any payments, fees or charges for the use, rental or operation of the common elements, other than limited common elements described in subsections 2 and 4 of NRS 116.2102, and for services provided to the units’ owners, including, without limitation, any services provided pursuant to NRS 116.310312.
   (k) May impose charges for late payment of assessments pursuant to NRS 116.3115.
—(i) May impose construction penalties when authorized pursuant to NRS 116.310305.

—(m) May impose reasonable fines for violations of the governing documents of the association only if the association complies with the requirements set forth in NRS 116.31031.

—(n) May impose reasonable charges for the preparation and recording of any amendments to the declaration or any statements of unpaid assessments, and impose reasonable fees, not to exceed the amounts authorized by NRS 116.4109, for preparing and furnishing the documents and certificate required by that section.

—(o) May provide for the indemnification of its officers and executive board and maintain directors and officers liability insurance.

—(p) May assign its right to future income, including the right to receive assessments for common expenses, but only to the extent the declaration expressly so provides.

—(q) May exercise any other powers conferred by the declaration or bylaws.

—(r) May exercise all other powers that may be exercised in this State by legal entities of the same type as the association.

—(s) May direct the removal of vehicles improperly parked on property owned or leased by the association, as authorized pursuant to NRS 487.038, or improperly parked on any road, street, alley or other thoroughfare within the common-interest community in violation of the governing documents. [In addition to complying with the requirements of NRS 487.038 and any requirements in the governing documents, if a vehicle is improperly parked as described in this paragraph, the association must post written notice in a conspicuous place on the vehicle or provide oral or written notice to the owner or operator of the vehicle at least 48 hours before the association may direct the removal of the vehicle, unless the vehicle:

—(1) Is blocking a fire hydrant, fire lane or parking space designated for the handicapped; or
—(2) Poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community.]

—(t) May exercise any other powers necessary and proper for the governance and operation of the association.

2. The declaration may not limit the power of the association to deal with the declarant if the limit is more restrictive than the limit imposed on the power of the association to deal with other persons.

3. The executive board may determine whether to take enforcement action by exercising the association's power to impose sanctions or commence an action for a violation of the declaration, bylaws or rules, including whether to compromise any claim for unpaid assessments or other claim made by or against it. The executive board does not have a duty to take enforcement action if it determines that, under the facts and circumstances presented:
(a) The association’s legal position does not justify taking any or further enforcement action;
(b) The covenant, restriction or rule being enforced is, or is likely to be construed as, inconsistent with current law;
(c) Although a violation may exist or may have occurred, it is not so material as to be objectionable to a reasonable person or to justify expending the association’s resources;
(d) It is not in the association’s best interests to pursue an enforcement action.

4. The executive board’s decision under subsection 3 not to pursue enforcement action under one set of circumstances does not prevent the executive board from taking enforcement action under another set of circumstances, but the executive board may not be arbitrary or capricious in taking enforcement action.

5. Notwithstanding any provision of this chapter or the governing documents to the contrary, an association may not impose any assessment pursuant to this chapter or the governing documents on the owner of any property in the common-interest community that is exempt from taxation pursuant to NRS 361.125. For the purposes of this subsection, “assessment” does not include any charge for any utility services, including, without limitation, telecommunications, broadband communications, cable television, electricity, natural gas, sewer services, garbage collection, water or for any other service which is delivered to and used or consumed directly by the property in the common-interest community that is exempt from taxation pursuant to NRS 361.125. (Deleted by amendment.)

Sec. 1.5. [NRS 116.31034 is hereby amended to read as follows:
116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant’s control, the units’ owners shall elect an executive board of at least three members, all of whom must be units’ owners. The executive board shall elect the officers of the association. Unless the governing documents provide otherwise, the officers of the association are not required to be units’ owners. The members of the executive board and the officers of the association shall take office upon election.
2. The term of office of a member of the executive board may not exceed 3 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.
3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:
(a) Members of the executive board who are appointed by the declarant; and
(b) Members of the executive board who serve a term of 1 year or less.
4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit’s owner of the unit’s owner’s eligibility to serve as a member of the executive board. Each unit’s owner who is qualified to serve as a member of the executive board may have his or her name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Before the secretary or other officer specified in the bylaws of the association causes notice to be given to each unit’s owner of his or her eligibility to serve as a member of the executive board pursuant to subsection 4, the executive board may determine that if, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board at the election, then the secretary or other officer specified in the bylaws of the association will cause notice to be given to each unit’s owner informing each unit’s owner that:

(a) The association will not prepare or mail any ballots to units’ owners pursuant to this section and the nominated candidates shall be deemed to be duly elected to the executive board unless:

(1) A unit’s owner who is qualified to serve on the executive board nominates himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection; and

(2) The number of units’ owners who submit such a nomination causes the number of candidates nominated for membership on the executive board to be greater than the number of members to be elected to the executive board.

(b) Each unit’s owner who is qualified to serve as a member of the executive board may nominate himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection.

6. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board, then:

(a) The association will not prepare or mail any ballots to units’ owners pursuant to this section;

(b) The nominated candidates shall be deemed to be duly elected to the executive board not later than 30 days after the date of the closing of the period for nominations described in subsection 5, and

(c) The association shall send to each unit’s owner notification that the candidates nominated have been elected to the executive board.
7. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is greater than the number of members to be elected to the executive board, then the association shall:

(a) Prepare and mail ballots to the units’ owners pursuant to this section; and

(b) Conduct an election for membership on the executive board pursuant to this section.

8. Each person who is nominated as a candidate for membership on the executive board pursuant to subsection 4 or 5 must:

(a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and

(b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in “good standing” if the candidate has any unpaid and past due assessments or construction penalties that are required to be paid to the association.

The candidate must make all disclosures required pursuant to this subsection in writing to the association with his or her candidacy information. Except as otherwise provided in this subsection, the association shall distribute the disclosures, on behalf of the candidate, to each member of the association with the ballot or, in the event ballots are not prepared and mailed pursuant to subsection 6, in the next regular mailing of the association. The association is not obligated to distribute any disclosure pursuant to this subsection if the disclosure contains information that is believed to be defamatory, libelous or profane.

9. Unless a person is appointed by the declarant:

(a) A person is not eligible to be a candidate for, or a member of, the executive board or an officer of the association if:

(1) Unless there is an insufficient number of candidates to fill one or more vacancies as a member of the executive board or as an officer of the association, the person resides with another person in a unit, is married to that other person or is related by blood or adoption within the third degree of consanguinity or affinity, and if the other person is also a member of the executive board or is an officer of the association;

(2) The person stands to gain any personal profit or compensation of any kind from a matter before the executive board of the association;

(3) The person is a business associate of, or a co-owner of a business co-owned by, a person who is a member of the executive board or is an officer of the association or who performs the duties of a community manager for that association; or
(4) The person, the person’s spouse or the person’s parent or child, by blood, marriage or adoption, performs the duties of a community manager for that association.

(b) A person may not be a member of the executive board of a master association or an officer of that master association if the person, the person’s spouse or the person’s parent or child, by blood, marriage or adoption, performs the duties of a community manager for:

(1) That master association; or

(2) Any association that is subject to the governing documents of that master association.

10. An officer, employee, agent or director of a corporate owner of a unit, a trustee or designated beneficiary of a trust that owns a unit, a partner of a partnership that owns a unit, a member or manager of a limited-liability company that owns a unit, and a fiduciary of an estate that owns a unit may be an officer of the association or a member of the executive board. In all events where the person serving or offering to serve as an officer of the association or a member of the executive board is not the record owner, the person shall file proof in the records of the association that:

(a) The person is associated with the corporate owner, trust, partnership, limited-liability company or estate as required by this subsection; and

(b) Identifies the unit or units owned by the corporate owner, trust, partnership, limited-liability company or estate.

11. Except as otherwise provided in subsection 6 or NRS 116.31105, the election of any member of the executive board must be conducted by secret written ballot in the following manner:

(a) The secretary or other officer specified in the bylaws of the association shall cause a secret ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit’s owner.

(b) Each unit’s owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit’s owner to return the secret written ballot to the association.

(c) A quorum is not required for the election of any member of the executive board.

(d) Only the secret written ballots that are returned to the association may be counted to determine the outcome of the election.

(e) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(f) The incumbent members of the executive board and each person whose name is placed on the ballot as a candidate for membership on the executive board may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association.
before those secret written ballots have been opened and counted at a
meeting of the association.

12. An association shall not adopt any rule or regulation that has the
effect of prohibiting or unreasonably interfering with a candidate in the
candidate’s campaign for election as a member of the executive board, except
that the candidate’s campaign may be limited to 90 days before the date that
ballots are required to be returned to the association.

13. A candidate who has submitted a nomination form for election as a
member of the executive board may request that the association or its agent
either:

(a) Send before the date of the election and at the association’s expense, to

and
(3) May be sent with the secret ballot mailed pursuant to subsection 11
or in a separate mailing;

delегates or representatives.
(II) The voting rights of those owners are not exercised by delegates
or representatives, the mailing address of the association established pursuant
to NRS 119A.520. If the mailing address of the association is provided to the
candidate pursuant to this sub-subparagraph, the association must send to
each owner of a time share within the time share plan the campaign material
provided by the candidate. If the campaign material will be sent by mail, the
candidate who provides the campaign material must provide to the
association a separate copy of the campaign material for each owner and
must pay the actual costs of mailing before the campaign material is mailed.
If the campaign material will be sent by electronic transmission, the
candidate must provide to the association one copy of the campaign material
in an electronic format.

The information provided pursuant to this paragraph must not include the
name of any unit’s owner or any tenant of a unit’s owner. If a candidate who
makes a request for the information described in this paragraph fails or refuses to provide a written statement signed by the candidate which states that the candidate is making the request to allow the candidate to communicate campaign material directly to units’ owners and that the candidate will not use the information for any other purpose, the association or its agent may refuse the request.

14. An association and its directors, officers, employees and agents are immune from criminal or civil liability for any act or omission which arises out of the publication or disclosure of any information related to any person and which occurs in the course of carrying out any duties required pursuant to subsection 12.

15. Each member of the executive board shall, within 90 days after his or her appointment or election, certify in writing to the association, on a form prescribed by the Administrator, that the member has read and understands the governing documents of the association and the provisions of this chapter to the best of his or her ability. The Administrator may require the association to submit a copy of the certification of each member of the executive board of that association at the time the association registers with the Ombudsman pursuant to NRS 116.31158.

16. If a person is not eligible to be a candidate for, or a member of, an executive board or an officer of the association pursuant to this section or any other provision of this chapter, the association:
   (a) Must not place the name of the person on any ballot as a candidate; and
   (b) Must prohibit the person from serving as a member of the executive board or as an officer of the association.

Assembly Bill No. 115 abolishes the Board of Hearing Aid Specialists and transfers the duties of the Board to a newly established Speech-Language Pathology, Audiology and Hearing Aid Dispensing Board. The measure makes other changes to the practice of these professions. First, it includes speech-language pathologists and audiologists in the definition of “provider of health care,” which subjects the two professions to various requirements of Nevada law including requirements for the retention of patient records, requirements for billing, standards for advertisements, and criminal penalties for acquiring certain debts. Next, the bill requires a speech-language pathologist to hold a current certificate of clinical competence issued by the American Speech-Language-Hearing Association or its successor organization; it also prescribes requirements concerning the practice of audiology or speech-language pathology using telemedicine. Finally, the measure revises the composition of the Board from eight members until July 1, 2017, when the number of members will decrease to seven.

The provision of the bill that reduces to seven the number of members of the Board is effective on July 1, 2017. Other provisions are effective upon passage and approval for the purposes of adopting regulations and performing preparatory administrative tasks, and on October 1, 2015, for all other purposes.

Assembly Bill No. 121 prohibits a school from disciplining a pupil enrolled in kindergarten or grades 1 through 8 who is simulating a firearm or other dangerous weapon while playing, or for possessing a toy firearm that is two inches or less in length, or a toy dangerous weapon made of plastic building blocks. In addition, pupils may not be disciplined for wearing clothing or accessories that depict weapons or for expressing an opinion about the constitutional right to keep and bear arms unless it substantially disrupts the educational environment. The bill specifies that discipline may be warranted if the simulation is significantly disruptive to the learning process, causes bodily harm to someone, or causes a person to have a reasonable fear of bodily harm. Assembly Bill No. 248 removes the requirement that a physician report all diagnosed cases of epilepsy to the State Board of Health who in turn reported such information to the Department of Motor Vehicles (DMV). Instead, when a physician determines a patient’s epilepsy severely impairs his or her ability to safely operate a motor vehicle, a physician is required to notify the patient and sign a statement attesting to the notification. The physician is required to provide a copy of the statement to the patient, include the statement in the patient’s health records, and provide a copy of the statement to the DMV within 15 days after making a determination.

The measure provides that a cause of action may be brought against a physician who 1) Fails to submit a copy of the statement to the DMV within the specified timeframe; or 2) Provides a copy of the statement to the DMV if the physician acted with malice, intentional misconduct, gross negligence, or intentional or knowing violation of the law.

A cause of action may not be brought against a physician who does not report a patient’s epilepsy to the DMV in any other circumstances. This bill is effective on October 1, 2015.

Amendment No. 917.

AN ACT relating to crimes; establishing the crime of unlawful dissemination of an intimate image of a person; prohibiting certain acts relating to an intimate image of another person; revising provisions relating to sexual assault and the abuse of a child; setting forth provisions relating to expert testimony in a prosecution for pandering or sex trafficking; revising provisions concerning acts of open or gross lewdness, open and indecent or obscene exposure, and lewdness with a child; revising provisions relating to statutory sexual seduction; revising provisions relating to sexual conduct between certain pupils and certain employees of or volunteers at a school and between certain students and certain employees of a college or university; setting forth various provisions relating to the admissibility of evidence and expert testimony in criminal and juvenile delinquency actions; prohibiting a court from ordering the victim of or a witness to a sexual offense to take or submit to a psychological or psychiatric examination in certain criminal or juvenile delinquency actions; authorizing the court to exclude in certain circumstances the testimony of a licensed psychologist, psychiatrist or clinical worker who performed a psychological or psychiatric examination on such a victim or witness providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Sections 1-6.5 of this bill establish the crime of unlawful dissemination of an intimate image of a person. Section 3 defines the term “intimate image” generally as a photograph, film, videotape or other recorded image, or any reproduction thereof, which depicts: (1) the fully exposed nipple of the female breast of another person; or (2) one or more persons engaged in sexual conduct. Section 3 also provides that an image which would otherwise constitute an intimate image is not an intimate image if the person depicted in the image: (1) is not clearly identifiable; (2) voluntarily exposed himself or herself in a public or commercial setting; or (3) is a public figure.
Section 5 provides that a person commits the crime of unlawful dissemination of an intimate image and is guilty of a category D felony when, with the intent to harass, harm or terrorize another person, the person electronically disseminates or sells an intimate image which depicts the other person and the other person: (1) did not give prior consent to the electronic dissemination or sale; (2) had a reasonable expectation that the intimate image would be kept private and would not be made visible to the public; and (3) was at least 18 years of age when the intimate image was created. Section 5 also sets forth certain exceptions regarding when an intimate image may be lawfully electronically disseminated. Under section 6, a person is guilty of a category D felony if he or she demands payment of money, property, services or anything else of value from a person in exchange for removing an intimate image from public view. Section 6.5 provides that the provisions of sections 1-6 must not be construed to impose liability on an interactive computer service, as that term is defined in federal law, for any content provided by another person.

Existing law provides that a person who forces another person under certain circumstances to make a sexual penetration on himself or herself or another, or on a beast, is guilty of sexual assault. (NRS 200.366) Section 8 of this bill additionally provides that a person who commits a sexual penetration upon a child under the age of 14 years or causes a child under the age of 14 years to make a sexual penetration on himself or herself or another, or on a beast, is guilty of sexual assault. Section 8 further provides that, except in certain circumstances, such provisions do not apply to a person who commits any such act upon a child under the age of 14 years if the person committing the act is less than 18 years of age and is not more than 2 years older than the person upon whom the act is committed.

Existing law also provides that a person who commits any act of open or gross lewdness or who makes any open and indecent or obscene exposure of his or her person, or of the person of another, is guilty of a gross misdemeanor for the first offense and a category D felony for any subsequent offense. (NRS 201.210, 201.220) Under sections 13 and 14 of this bill, if a person commits any such offense and he or she has previously been convicted of a sexual offense, or if the person commits any such offense in the presence of a child under the age of 18 years or a vulnerable person, the person is guilty of a category D felony.

Additionally, under existing law, a person who commits certain acts with a child under the age of 14 years is guilty of lewdness with a child and is guilty of a category A felony. (NRS 201.230) Section 15 of this bill provides that a person is guilty of lewdness with a child if the person: (1) is 18 years of age or older and commits certain acts with a child under the age of 16 years; or (2) is under the age of 18 years and commits certain acts with a child under the age of 14 years. Section 15 also provides that if a person commits lewdness with: (1) a child under the age of 14, he or she is guilty of a category A felony; and (2) a child who is 14 or 15,
he or she is guilty of a category B felony. [Section 15 also provides that, except in certain circumstances, such provisions do not apply to a person who commits any such act if the person is less than 18 years of age and is not more than 2 years older than the person upon whom the act is committed.]

Section 7 of this bill revises the definition of the term “statutory sexual seduction,” and section 8.5 of this bill revises the penalties imposed for the crime of statutory sexual seduction. [Section 15 provides that an act which constitutes the crime of statutory sexual seduction does not constitute lewdness with a child.]

Section 10 of this bill provides that certain persons are guilty of a category A felony if they willfully cause, permit or allow a child to suffer unjustifiable physical pain or mental suffering as a result of abuse or neglect or to be placed in a situation where the child may suffer physical pain or mental suffering as the result of abuse or neglect, and substantial bodily or mental harm results to the child which includes certain severe injuries.

Sections 18 and 19 of this bill revise the punishment imposed for: (1) certain employees of or volunteers at a school who engage in sexual conduct with certain pupils; and (2) certain employees of a college or university who engage in sexual conduct with certain students.

Sections 12, 23 and 24 of this bill revise various provisions relating to the admissibility of expert testimony and evidence in certain criminal and juvenile delinquency cases. Section 12 provides that in a prosecution for pandering or sex trafficking, certain expert testimony that is offered by the prosecution or defense is admissible for any relevant purpose, but certain other expert testimony cannot be offered against the defendant to prove the occurrence of an act which forms the basis of a criminal charge against the defendant. Under section 23, expert testimony offered by the prosecution or defense which concerns the behavior of a defendant in preparing a child under the age of 18 or a vulnerable person for sexual abuse by the defendant is admissible for any purpose. Section 24 prohibits a court in a criminal or juvenile delinquency action relating to the commission of a sexual offense from ordering a victim of or witness to a sexual offense to take or submit to a psychological or psychiatric examination. Section 24 also authorizes the court to exclude the testimony of a licensed psychologist, psychiatrist or clinical worker who performed a psychological or psychiatric examination on a victim or witness in certain circumstances.

Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 844.
AN ACT relating to securities; requiring broker-dealers and investment advisers to provide training to certain persons concerning identifying the suspected exploitation of an older person or vulnerable person; requiring
certain persons who work for broker-dealers and investment advisers to report the suspected or known exploitation of an older person or vulnerable person; authorizing the Administrator of the Securities Division of the Office of the Secretary of State to adopt regulations relating to the federal Jumpstart Our Business Startups Act; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law establishes the Uniform Securities Act which sets forth provisions governing the sale and purchase of securities in this State in a manner consistent with federal laws and regulations. (Chapter 90 of NRS) Sections 9.2-9.9 of this bill require broker-dealers and investment advisers to provide training to certain persons concerning the identification and reporting of suspected exploitation of older persons and vulnerable persons. “Older person” is defined in existing law as a person who is 60 years of age or older. “Vulnerable person” is defined in existing law as a person who is 18 years of age or older who: (1) suffers from a condition of physical or mental incapacity because of a developmental disability, organic brain damage or mental illness; or (2) has one or more physical or mental limitations that restrict the ability of the person to perform the normal activities of daily living. (NRS 200.5092) Section 9.8 specifies which sales representatives, representatives of an investment adviser and officers and employees of broker-dealers or investment advisers must receive the training, when the training must be provided and the content of the training. Section 9.8 further requires those persons to report incidents that reasonably appear to be exploitation of an older person or vulnerable person. Section 9.9 requires each broker-dealer and investment adviser to designate a person to whom such reports must be made. The person so designated is then responsible for determining when a formal report must be reported to the appropriate agency.

Existing law authorizes the imposition or granting of certain actions and penalties against a person who has violated any provision of state law or a regulation or order of the Administrator of the Securities Division of the Office of the Secretary of State relating to securities, including civil penalties, restitution and costs of investigation and prosecution of such a violation. (NRS 90.630, 90.640, 90.650) Sections 11-13 of this bill revise those provisions to include, if the violation was committed against an older person or vulnerable person, the imposition or granting of civil penalties, restitution and costs of investigation and prosecution in amounts equal to twice the amounts that would otherwise have been imposed or granted.

Section 10 of this bill authorizes the Administrator to adopt regulations consistent with the federal Jumpstart Our Business Startups Act (Pub. L. No. 112-106), including regulations relating to the creation and oversight of funding portals for the purchase of securities.

Sec. 11. NRS 90.630 is hereby amended to read as follows:

90.630 1. If the Administrator reasonably believes, whether or not based upon an investigation conducted under NRS 90.620, that:
   (a) The sale of a security is subject to registration under this chapter and the security is being offered or has been offered or sold by the issuer or another person in violation of NRS 90.460; or
(b) A person is acting as a broker-dealer or investment adviser in violation of NRS 90.310 or 90.330,

the Administrator, in addition to any specific power granted under this chapter and subject to compliance with the requirements of NRS 90.820, may issue, without a prior hearing, a summary order against the person engaged in the prohibited activities, directing the person to desist and refrain from further activity until the security is registered or the person is licensed under this chapter. The summary order to cease and desist must state the section of this chapter or regulation or order of the Administrator under this chapter which the Administrator reasonably believes has been or is being violated.

2. If the Administrator reasonably believes, whether or not based upon an investigation conducted under NRS 90.620, that a person has violated this chapter or a regulation or order of the Administrator under this chapter, the Administrator, in addition to any specific power granted under this chapter, after giving notice by registered or certified mail and conducting a hearing in an administrative proceeding, unless the right to notice and hearing is waived by the person against whom the sanction is imposed, may:

(a) Issue an order against the person to cease and desist;

(b) Censure the person if he or she is a licensed broker-dealer, sales representative, investment adviser or representative of an investment adviser;

(c) Bar or suspend the person from association with a licensed broker-dealer or investment adviser in this State;

(e) Initiate one or more of the actions specified in NRS 90.640.

3. If the person to whom the notice is addressed pursuant to subsection 2 does not request a hearing within 45 days after receipt of the notice, the person waives the right to a hearing and the Administrator shall issue a permanent order. If a hearing is requested, the Administrator shall set the matter for hearing not less than 15 days nor more than 60 days after the Administrator receives the request for a hearing. The Administrator shall promptly notify the parties by registered or certified mail of the time and place set for the hearing.

4. Imposition of the sanctions under this section is limited as follows:

(a) If the Administrator revokes the license of a broker-dealer, sales representative, investment adviser or representative of an investment adviser or bars a person from association with a licensed broker-dealer or investment adviser under this section or NRS 90.420, the imposition of that sanction precludes imposition of a civil penalty under subsection 2; and

(b) The imposition by the Administrator of one or more sanctions under subsection 2 with respect to a specific violation precludes the Administrator
from later imposing any other sanctions under paragraphs (a) to (d), inclusive, of subsection 2 with respect to the violation.

5. For the purposes of determining any sanction to be imposed pursuant to paragraphs (a) to (d), inclusive, of subsection 2, the Administrator shall consider, among other factors, the frequency and persistence of the conduct constituting a violation of this chapter, or a regulation or order of the Administrator under this chapter, the number of persons adversely affected by the conduct and the resources of the person committing the violation.

6. If a sanction is imposed pursuant to this section, reimbursement for the costs of the proceeding, including investigative costs and attorney’s fees incurred, may be ordered and recovered by the Administrator. Money recovered for reimbursement of the investigative costs and attorney’s fees must be deposited in the State General Fund for credit to the Secretary of State’s Operating General Fund Budget Account.

2. In determining the appropriate relief to grant, the court shall consider enforcement actions taken and sanctions imposed by the Administrator under NRS 90.630 in connection with the transactions constituting violations of this chapter or a regulation or order of the Administrator under this chapter. If a remedial action is imposed pursuant to this section, the costs of the proceeding, including investigative costs and attorney’s fees, may be recovered by the Administrator.

3. The court shall not require the Administrator to post a bond in an action under this section.

4. Upon a showing by the administrator or securities agency of another state that a person has violated the securities act of that state or a regulation or order of the administrator or securities agency of that state, the appropriate district court may grant, in addition to any other legal or equitable remedies, one or more of the following remedies:

(NRS 392.360) This bill authorizes a board of trustees to enter into a written agreement to lease school buses or vehicles belonging to the school district for special events when a commercial bus is not reasonably available under
certain circumstances. This bill further requires such an agreement to include certain provisions.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The board of trustees of a school district may authorize the school district to enter into a written agreement to lease school buses or vehicles belonging to the school district for special events so long as such an agreement will not interfere with or prevent the school district from providing transportation for pupils for the purposes described in NRS 392.300 and 392.360.

2. If a school district enters into an agreement pursuant to this section, the agreement must include, without limitation, a provision:

(h) Requiring the lessee to give preference to a driver of a school bus or vehicle who is employed by the school district before hiring a driver of a school bus or vehicle who is not employed by the school district.

3. Except as otherwise provided in this subsection, whenever any school bus or vehicle belonging to a school district is leased, any lettering on the school bus or vehicle designating the vehicle as a school bus or vehicle must be covered and concealed, no signs or wording may be affixed to the school bus or vehicle and any system of flashing red lights or a mechanical device attached to the front of the school bus or vehicle must not be used in the operation of the school bus or vehicle by the lessor except in the case of an emergency. DURABLE POWER OF ATTORNEY
FOR HEALTH CARE DECISIONS

WARNING TO PERSON EXECUTING THIS DOCUMENT

THIS IS AN IMPORTANT LEGAL DOCUMENT. IT CREATES A DURABLE POWER OF ATTORNEY FOR HEALTH CARE. BEFORE EXECUTING THIS DOCUMENT, YOU SHOULD KNOW THESE IMPORTANT FACTS:

1. THIS DOCUMENT GIVES THE PERSON YOU DESIGNATE AS YOUR AGENT THE POWER TO MAKE HEALTH CARE DECISIONS
FOR YOU. THIS POWER IS SUBJECT TO ANY LIMITATIONS OR STATEMENT OF YOUR DESIRES THAT YOU INCLUDE IN THIS DOCUMENT. THE POWER TO MAKE HEALTH CARE DECISIONS FOR YOU MAY INCLUDE CONSENT, REFUSAL OF CONSENT OR WITHDRAWAL OF CONSENT TO ANY CARE, TREATMENT, SERVICE OR PROCEDURE TO MAINTAIN, DIAGNOSE OR TREAT A PHYSICAL OR MENTAL CONDITION. YOU MAY STATE IN THIS DOCUMENT ANY TYPES OF TREATMENT OR PLACEMENTS THAT YOU DO NOT DESIRE.

2. THE PERSON YOU DESIGNATE IN THIS DOCUMENT HAS A DUTY TO ACT CONSISTENT WITH YOUR DESIRES AS STATED IN THIS DOCUMENT OR OTHERWISE MADE KNOWN OR, IF YOUR DESIRES ARE UNKNOWN, TO ACT IN YOUR BEST INTERESTS.

3. EXCEPT AS YOU OTHERWISE SPECIFY IN THIS DOCUMENT, THE POWER OF THE PERSON YOU DESIGNATE TO MAKE HEALTH CARE DECISIONS FOR YOU MAY INCLUDE THE POWER TO CONSENT TO YOUR DOCTOR NOT GIVING TREATMENT OR STOPPING TREATMENT WHICH WOULD KEEP YOU ALIVE.

4. UNLESS YOU SPECIFY A SHORTER PERIOD IN THIS DOCUMENT, THIS POWER WILL EXIST INDEFINITELY FROM THE DATE YOU EXECUTE THIS DOCUMENT AND, IF YOU ARE UNABLE TO MAKE HEALTH CARE DECISIONS FOR YOURSELF, THIS POWER WILL CONTINUE TO EXIST UNTIL THE TIME WHEN YOU BECOME ABLE TO MAKE HEALTH CARE DECISIONS FOR YOURSELF.

5. NOTWITHSTANDING THIS DOCUMENT, YOU HAVE THE RIGHT TO MAKE MEDICAL AND OTHER HEALTH CARE DECISIONS FOR YOURSELF SO LONG AS YOU CAN GIVE INFORMED CONSENT WITH RESPECT TO THE PARTICULAR DECISION. IN ADDITION, NO TREATMENT MAY BE GIVEN TO YOU OVER YOUR OBJECTION, AND HEALTH CARE NECESSARY TO KEEP YOU ALIVE MAY NOT BE STOPPED IF YOU OBJECT.

6. YOU HAVE THE RIGHT TO REVOKE THE APPOINTMENT OF THE PERSON DESIGNATED IN THIS DOCUMENT TO MAKE HEALTH CARE DECISIONS FOR YOU BY NOTIFYING THAT PERSON OF THE REVOCATION ORALLY OR IN WRITING.

7. YOU HAVE THE RIGHT TO REVOKE THE AUTHORITY GRANTED TO THE PERSON DESIGNATED IN THIS DOCUMENT TO MAKE HEALTH CARE DECISIONS FOR YOU BY NOTIFYING THE TREATING PHYSICIAN, HOSPITAL OR OTHER PROVIDER OF HEALTH CARE ORALLY OR IN WRITING.

8. THE PERSON DESIGNATED IN THIS DOCUMENT TO MAKE HEALTH CARE DECISIONS FOR YOU HAS THE RIGHT TO EXAMINE YOUR MEDICAL RECORDS AND TO CONSENT TO THEIR
DISCLOSURE UNLESS YOU LIMIT THIS RIGHT IN THIS DOCUMENT.

9. THIS DOCUMENT REVOKES ANY PRIOR DURABLE POWER OF ATTORNEY FOR HEALTH CARE.

10. IF THERE IS ANYTHING IN THIS DOCUMENT THAT YOU DO NOT UNDERSTAND, YOU SHOULD ASK A LAWYER TO EXPLAIN IT TO YOU.

1. DESIGNATION OF HEALTH CARE AGENT.

I, (insert your name) do hereby designate and appoint:

Name:
Address:
Telephone Number:
as my agent to make health care decisions for me as authorized in this document.

(Insert the name and address of the person you wish to designate as your agent to make health care decisions for you. Unless the person is also your spouse, legal guardian or the person most closely related to you by blood, none of the following may be designated as your agent: (1) your treating provider of health care; (2) an employee of your treating provider of health care; (3) an operator of a health care facility; or (4) an employee of an operator of a health care facility.)

2. CREATION OF DURABLE POWER OF ATTORNEY FOR HEALTH CARE.

By this document I intend to create a durable power of attorney by appointing the person designated above to make health care decisions for me. This power of attorney shall not be affected by my subsequent incapacity.

3. GENERAL STATEMENT OF AUTHORITY GRANTED.

In the event that I am incapable of giving informed consent with respect to health care decisions, I hereby grant to the agent named above full power and authority: to make health care decisions for me before or after my death, including consent, refusal of consent or withdrawal of consent to any care, treatment, service or procedure to maintain, diagnose or treat a physical or mental condition; to request, review and receive any information, verbal or written, regarding my physical or mental health, including, without limitation, medical and hospital records; to execute on my behalf any releases or other documents that may be required to obtain medical care and/or medical and hospital records, EXCEPT any power to enter into any arbitration agreements or execute any arbitration clauses in connection with admission to any health care facility including any skilled nursing facility; and subject only to the limitations and special provisions, if any, set forth in paragraph 4 or a properly executed End-of-Life Decisions Addendum.

4. SPECIAL PROVISIONS AND LIMITATIONS.

(Your agent is not permitted to consent to any of the following: commitment to or placement in a mental health treatment facility, convulsive
treatment, psychosurgery, sterilization or abortion. If there are any other types of treatment or placement that you do not want your agent’s authority to give consent for or other restrictions you wish to place on his or her agent’s authority, you should list them in the space below. If you do not write any limitations, your agent will have the broad powers to make health care decisions on your behalf which are set forth in paragraph 3, except to the extent that there are limits provided by law.)

In exercising the authority under this durable power of attorney for health care, the authority of my agent is subject to the following special provisions and limitations:

5. DURATION.
I understand that this power of attorney will exist indefinitely from the date I execute this document unless I establish a shorter time. If I am unable to make health care decisions for myself when this power of attorney expires, the authority I have granted my agent will continue to exist until the time when I become able to make health care decisions for myself.

(IF APPLICABLE)
I wish to have this power of attorney end on the following date:

6. STATEMENT OF DESIRES.
(With respect to decisions to withhold or withdraw life-sustaining treatment, your agent must make health care decisions that are consistent with your known desires. You can, but are not required to, indicate your desires below. If your desires are unknown, your agent has the duty to act in your best interests; and, under some circumstances, a judicial proceeding may be necessary so that a court can determine the health care decision that is in your best interests. If you wish to indicate your desires, you may INITIAL the statement or statements that reflect your desires and/or write your own statements in the space below.)

(If the statement reflects your desire, initial the box next to the statement.)

1. I desire that my life be prolonged to the greatest extent possible, without regard to my condition, the chances I have for recovery or long-term survival, or the cost of the procedures. [ ]

2. If I am in a coma which my doctors have reasonably concluded is irreversible, I desire that life-sustaining or prolonging treatments not be used. (Also should utilize provisions of NRS 449.535 to 449.690, inclusive.)
This subparagraph is initialed.)

3. If I have an incurable or terminal condition or illness and no reasonable hope of long-term recovery or survival, I desire that life-sustaining or prolonging treatments not be used. (Also should utilize provisions of NRS 449.535 to 449.690, inclusive, if this subparagraph is initialed.)

4. Withholding or withdrawal of artificial nutrition and hydration may result in death by starvation or dehydration. I want to receive or continue receiving artificial nutrition and hydration by way of the gastrointestinal tract after all other treatment is withheld.

5. I do not desire treatment to be provided and/or continued if the burdens of the treatment outweigh the expected benefits. My agent is to consider the relief of suffering, the preservation or restoration of functioning, and the quality as well as the extent of the possible extension of my life.

(If you wish to change your answer, you may do so by drawing an “X” through the answer you do not want, and circling the answer you prefer.)

Also, if the agent designated in paragraph 1 is your spouse, his or her designation as your agent is automatically revoked by law if your marriage is dissolved.)

If the person designated in paragraph 1 as my agent is unable to make health care decisions for me, then I designate the following persons to serve as my agent to make health care decisions for me as authorized in this document, such persons to serve in the order listed below:

A. First Alternative Agent

Sec. 7. This act becomes effective upon passage and approval.
Senator Brower moved that the amendment be not adopted.
Remarks by Senator Brower.
(Remarks will be entered in the Journal at a later date.)
Motion carried.
Bill ordered to third reading.

Assembly Bill No. 178.
Bill read second time.
The following amendment was proposed by the Committee on Education:
Amendment No. 937.
AN ACT relating to education; revising the circumstances under which a school is required to deem a pupil a habitual disciplinary problem; revising provisions governing the notice provided to a parent or legal guardian concerning a pupil who is deemed a habitual disciplinary problem and the discipline imposed on such a pupil; requiring such notice to be provided each time a pupil is suspended; revising provisions relating to a plan of behavior for a pupil; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law requires a school to suspend or expel a pupil for at least one semester if that pupil is deemed a habitual disciplinary problem under certain circumstances, and requires the pupil to enroll in a private school, a program of independent study or be homeschooled for the period of suspension or expulsion. (NRS 392.466) Existing law further requires a school to notify the parent or legal guardian of a pupil when the pupil is suspended for fighting or commits an act that may cause the pupil to be deemed a habitual disciplinary problem. (NRS 392.4655) Section 1 of this bill instead requires a school to notify the parent or legal guardian of a pupil when the pupil is suspended for any reason. Section 1 also revises the requirements of such notice.
Existing law authorizes a school to develop a plan of behavior for a pupil who may be deemed a habitual disciplinary problem. (NRS 392.4655) Section 1 authorizes a school to develop such a plan of behavior if a pupil is suspended for any reason.
Existing law requires a principal of a school to deem a pupil enrolled in the school a habitual disciplinary problem if the pupil: (1) has threatened or extorted, or attempted to threaten or extort, another pupil or employee of the
school; (2) has been suspended for initiating at least two fights on school property or in certain other circumstances; or (3) has a record of five suspensions from the school. (NRS 392.4655) Section 1 instead requires the principal of a school to designate a pupil as a habitual disciplinary problem if: (1) the pupil has threatened or extorted, or attempted to threaten or extort, another pupil or employee of the school two or more times, or the pupil has a record of five suspensions from the school; and (2) the pupil has not entered into and participated in a plan of behavior.

Section 2 of this bill removes the requirement that a pupil who is deemed a habitual disciplinary problem be suspended or expelled for at least one semester and instead authorizes the school to suspend the pupil from school for a period not to exceed one semester if the pupil is deemed a habitual disciplinary problem or expel the pupil from school under extraordinary circumstances. Section 2 further requires that a pupil enroll in a private school, a program of independent study or be homeschooled if the pupil is expelled or for the period of suspension only if the suspension is for one semester. (Section 1 of this bill revises the requirements of the written notice that a school must provide to the parent or legal guardian of a pupil relating to the possibility of suspension or expulsion if the pupil is deemed a habitual disciplinary problem. Section 1 also makes the designation of a pupil as a habitual disciplinary problem permissible rather than mandatory when the pupil commits certain acts.)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 392.4655 is hereby amended to read as follows:

392.4655 1. Except as otherwise provided in this section, a principal of a school shall [may] deem a pupil enrolled in the school a habitual disciplinary problem if the school has written evidence which documents that in 1 school year:

(a) The pupil has threatened or extorted, or attempted to threaten or extort, another pupil or a teacher or other personnel employed by the school;

(b) The pupil has been suspended for initiating at least two fights on school property, at an activity sponsored by a public school, on a school bus, if the fight occurs within 1 hour of the beginning or end of a school day, on the pupil’s way to or from school; or

(c) The pupil has a record of five suspensions from the school for any reason; and

(b) The pupil has not entered into and participated in a plan of behavior pursuant to subsection 3.

2. At least one teacher of a pupil who is enrolled in elementary school and at least two teachers of a pupil who is enrolled in junior high, middle school or high school may request that the principal of the school deem a pupil a habitual disciplinary problem. Upon such a request, the principal of the school shall meet with each teacher who made the request to review the pupil’s record of discipline. If, after the review, the principal of the school
determines that the provisions of subsection 1 do not apply to the pupil, a teacher who submitted a request pursuant to this subsection may appeal that determination to the board of trustees of the school district. Upon receipt of such a request, the board of trustees shall review the initial request and determination pursuant to the procedure established by the board of trustees for such matters.

3. If a pupil is suspended, if initiating a fight described in paragraph (b) of subsection 1 and the fight is the first such fight that the pupil has initiated during that school year, or if a pupil receives one suspension on the pupil’s record, the school in which the pupil is enrolled shall provide written notice to the parent or legal guardian of the pupil that contains:

(a) A description of the act committed by the pupil and the date on which the act was committed;

(b) An explanation that if the pupil receives five suspensions on his or her record during the current school year and has not entered into and participated in a plan of behavior pursuant to subsection 5, the pupil will be deemed a habitual disciplinary problem;

(c) An explanation that, pursuant to subsection 3 of NRS 392.466, a pupil who is deemed a habitual disciplinary problem may be:

(1) Suspended from school for a period not to exceed one school semester as determined by the seriousness of the acts which were the basis for the discipline; or

(2) Expelled from school under extraordinary circumstances as determined by the principal of the school;

7. A pupil may, pursuant to the provisions of this section, enter into one plan of behavior per school year.

8. The parent or legal guardian of a pupil who has entered into a plan of behavior with a school pursuant to this section may appeal to the board of trustees of the school district a determination made by the school concerning the contents of the plan of behavior or action taken by the school pursuant to the plan of behavior. Amendment No. 843.
SUMMARY—Enacts and revises provisions relating to guardians.
(BDR 54-976)
AN ACT relating to guardians; requiring licensing for certain persons engaged in the business of a private professional guardian; establishing the requirements for the licensing and operation of a private professional guardian company; amending provisions relating to the appointment of a guardian under certain circumstances; adding provisions governing the appointment of certain preferred persons as guardians for adult wards; revising provisions relating to the appointment of a guardian for a minor; providing penalties; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law provides for the court appointment of a private professional guardian to act as a fiduciary for a person or estate, but does not require the private professional guardian to be licensed. (NRS 159.0595) This bill requires the licensing of certain persons engaging in the business of a private professional guardian and authorizes the Commissioner of Financial Institutions to adopt regulations relating to the licensing of those persons.
Sections 15-17 of this bill make it unlawful for a person to act as a private professional guardian without being licensed. Section 12 of this bill provides certain exceptions to the licensing and other regulatory requirements. Sections 18-26 of this bill establish the requirements and application process to obtain a license to transact the business of a private professional guardian. Section 28 of this bill sets forth requirements relating to the change of ownership or transfer of assets of a private professional guardian company. Section 29 of this bill establishes the process for the renewal of a license. Section 30 of this bill establishes the process for surrender of a license.
Section 31 of this bill requires a licensee to keep a principal office in this State. Section 32 of this bill establishes procedures for the Commissioner to approve an out-of-state office of a private professional guardian company. Section 33 of this bill requires a licensee to maintain certain types and levels of bonds and insurance.
Section 35 of this bill establishes the rights and authority of a licensee. Section 36 of this bill prohibits certain activities by a licensee. Sections 37-
41 of this bill establish requirements for accounting, reporting and auditing of a private professional guardian company and authorize the Commissioner or a designee to inspect certain records of a private professional guardian company.

Sections 42-46 of this bill establish procedures for the Commissioner to take administrative action against licensees. Sections 47 and 48 of this bill establish procedures for handling a complaint against a private professional guardian company. Sections 49 and 50 of this bill provide administrative and criminal penalties for violating certain provisions of this bill.

Existing law requires that, subject to certain exceptions, a person must be a resident of this State to be appointed as a guardian. (NRS 159.059) Existing law also requires a court to appoint as guardian for an incompetent the qualified person who is most suitable and is willing to serve as a guardian. (NRS 159.061) Sections 50.5 and 51.5 of this bill require a court to appoint as guardian for an incompetent a person who, regardless of whether the person is a resident of this State, has been requested to be appointed as guardian in a written instrument executed by the incompetent while he or she was competent, if that person is willing to serve and is otherwise determined to be qualified and suitable. (Chapter 159 of NRS) Existing law provides for the appointment, qualifications and duties of guardians for certain minor and adult wards. (Chapter 159 of NRS) Existing law prohibits a nonresident of Nevada from being appointed as a guardian for a minor or adult ward unless the person has associated a co-guardian who is a resident of Nevada or a banking corporation whose principal place of business is in Nevada. (NRS 159.059) Existing law also gives preference to certain persons to be appointed as a guardian for a minor ward but does not give preference to any persons to be appointed as a guardian for an adult ward. (NRS 159.061)

Sections 50.2 and 52.7 of this bill revise the circumstances under which a court is authorized to appoint a nonresident as a guardian for an adult ward. Section 52.5 eliminates existing limitations on the authority of a court to appoint a nonresident as a guardian for a minor ward. Section 50.2 also requires the court to give preference in appointing a guardian for an adult ward to the following persons in the following order, whether or not the person is a nonresident: (1) a nominated person, who is a person the adult ward specifically nominated or requested as a guardian in a will, trust or other written document executed by the adult ward while competent; or (2) a relative. If two or more nominated persons are qualified and suitable to be appointed as a guardian, section 50.2 authorizes the court to appoint two or more co-guardians or generally requires the court to give preference to the nominated person named in a will, trust or other written document that is part of the adult’s established estate plan, but there are certain exceptions for extraordinary circumstances.

In selecting a guardian, section 50.2 does not allow the court to give preference to a resident over a nonresident if the court determines that the nonresident would be a more qualified and suitable guardian and the adult
would receive continuing care and supervision under the guardianship of the nonresident. If the court selects a nonresident guardian, section 50.2 requires the court to order the nonresident guardian to designate a registered agent in this State.

Section 51.5 of this bill revises the existing list of persons who are preferred for appointment as a guardian to a minor to include any person recommended by: (1) an agency which provides child welfare services, an agency which provides child protective services or a similar agency; or (2) a guardian ad litem or court appointed special advocate who represents the minor.

Sections 51-51.9 and 52.5 of this bill make conforming changes to reflect the changes made by the other sections of this bill.

(5) Has not been a sole proprietor or an officer or member of the board of directors for an entity whose license as a private professional guardian company which was issued by any other state, district or territory of the United States or any foreign country suspended or revoked within the 10 years immediately preceding the date of the application if, in the reasonable judgment of the Commissioner, there is evidence that the sole proprietor, officer or member materially contributed to the actions resulting in the suspension or revocation of the license.

(6) Has not violated any of the provisions of this chapter or any regulations adopted pursuant thereto.

(b) That the financial status of each sole proprietor, partner, member or director and officer of the corporation and person acting in a managerial or case manager capacity indicates fiscal responsibility consistent with his or her position.

(c) That the name of the proposed business complies with all applicable statutes.

(d) That, except as otherwise provided in section 33 of this act, the initial surety bond is not less than the amount required by NRS 159.065.

2. In rendering a decision on an application for a license, the Commissioner shall consider, without limitation:

(a) The proposed markets to be served and, if they extend outside this State, any exceptional risk, examination or supervision concerns associated with those markets;

(b) Whether the proposed organizational and equity structure and the amount of initial equity or fidelity and surety bonds of the applicant appear adequate in relation to the proposed business and markets, including, without limitation, the average level of assets under guardianship projected for each of the first 3 years of operation; and

(c) Whether the applicant has planned suitable annual audits conducted by qualified outside auditors of its books and records and its fiduciary activities under applicable accounting rules and standards as well as suitable internal audits.

Sec. 23. 1. After conducting an investigation pursuant to section 22 of this act, if the Commissioner finds grounds for the denial of the application,
the Commissioner shall provide to the applicant written notice of such grounds by personal service or certified mail.

2. The applicant may cure any defect or deficiency in the application and, not more than 30 days after receipt of the notice pursuant to subsection 1, resubmit the application for approval.

3. If an application is not approved, the Commissioner shall:
   (a) Enter an order denying the application and provide to the applicant written notice of the denial by personal service or certified mail.
   (b) Send a copy of the order denying the application to each district court in each county where the applicant proposed to do business based on the information provided in the application.

4. If the Commissioner enters an order denying an application, the applicant may request a hearing before the Commissioner, but if no such request is made within 30 days after the entry of the order denying the application, the Commissioner shall enter a final order.

5. A final order of the Commissioner denying an application is a final order for the purposes of judicial review.

Sec. 24. The Commissioner shall approve the application for a license, keeping on file his or her findings of fact pertaining thereto, if the Commissioner finds that the applicant has met all the requirements of this chapter pertaining to the applicant's qualifications and application.

Sec. 25. 1. If the Commissioner approves an application pursuant to section 24 of this act and the applicant pays the required fees, the Commissioner shall issue to the applicant a license to engage in the business of a private professional guardian.

2. A license issued pursuant to subsection 1 must contain:
   (a) The name of the licensee.
   (b) The locations by street and number where the licensee is authorized to engage in business.

   (e) The expiration date of July 1 of the next year.

Sec. 26. 1. The Commissioner shall maintain in the Office of the Commissioner, in a suitable record provided for that purpose, each application for a license and all bonds required to be filed pursuant to this chapter. The record must state the date of issuance or denial of the license and the date and nature of any action taken relating to an application.

2. Each license issued by the Commissioner must be sufficiently identified in the record.
3. Each renewal of a license must be recorded in the same manner as the original license, and the number of the preceding license issued must be recorded.

Sec. 27. Each license issued pursuant to this chapter must be conspicuously displayed in the place of business designated in the license.

Sec. 28. 1. A license issued pursuant to this chapter is not transferable or assignable, but upon the approval of the Commissioner and any applicable court of jurisdiction, a licensee may merge or consolidate with, or transfer its assets and control to, another person who holds a license pursuant to this chapter. In determining whether to grant the approval, the Commissioner may consider the factors set forth in section 22 of this act.

2. If a change in the control of a private professional guardian company occurs, the chief executive officer or managing member of the company shall report the change in control and the name of the person obtaining control to the Commissioner within 5 business days after obtaining knowledge of the change.

3. A private professional guardian company shall, within 5 business days after a change in the chief executive officer, managing member or a majority of the directors or managing directors of the company occurs, report the change to the Commissioner. The company shall include in its report to the Commissioner a statement of the past and current business and professional affiliations of each new chief executive officer, managing member, director or managing director. A new chief executive officer, managing member, director or managing director shall furnish to the Commissioner a complete financial statement on a form prescribed by the Commissioner.

4. A person who intends to acquire control of a private professional guardian company shall submit an application to the Commissioner. The application must be submitted on a form prescribed by the Commissioner. The Commissioner shall conduct an investigation pursuant to section 22 of this act to determine whether the person has a good reputation for honesty, trustworthiness and integrity and is competent to control the private professional guardian company in a manner which protects the interests of the general public.

5. The private professional guardian company of which the applicant intends to acquire control shall pay the nonrefundable cost of the investigation as required by the Commissioner. If the Commissioner denies the application, the Commissioner may prohibit or limit the applicant’s participation in the business.

6. As used in this section, “control” means the possession, directly or indirectly, of the authority to direct or cause the direction of the management and policy of a private professional guardian company, or a change in the ownership of at least 25 percent of the outstanding voting stock of, or participating members’ interest in, the company.

Sec. 29. 1. A private professional guardian company wishing to renew a license to engage in the business of a private professional guardian shall
file in the Office of the Commissioner, on or before the June 1 of the year after the year of the original issuance of the license, an application, which must contain, without limitation, the number of the license being renewed. The application for renewal must be accompanied by a renewal fee of not more than $1,500 and all information required to complete the application.

2. The Commissioner shall issue a renewal license to the applicant, which must be dated July 1 next ensuing the date of the application, in form and text similar to the original except that, in addition, the renewal must include the date and number of the earliest license issued.

3. All requirements of this chapter with respect to original licenses and bonds apply to all renewal licenses and bonds, except as otherwise provided in this section.

4. The Commissioner shall refuse to renew a license if at the time of application a proceeding to revoke or suspend the license is pending.

5. The Commissioner shall adopt regulations establishing the amount of the fee required pursuant to this section. All money collected under the provisions of this section must be deposited in the State Treasury pursuant to the provisions of NRS 658.091.

Sec. 30. 1. If any private professional guardian company wishes to discontinue its business, the company shall furnish to the Commissioner satisfactory evidence of the release and discharge from all obligations which the company has assumed or which have been imposed by law. Thereafter, the Commissioner shall enter an order cancelling the license of the private professional guardian company.

2. If the Commissioner enters an order cancelling a license pursuant to this section, the Commissioner shall send a copy of the order to each district court in this State.

Sec. 31. 1. A private professional guardian company licensed pursuant to this chapter shall maintain its principal office in this State.

2. To qualify as the principal office for the purposes of subsection 1, an office of the private professional guardian company must:

(a) Have a verifiable physical location in this State at which the private professional guardian company conducts such business operations in this State as are necessary to administer private professional guardianships in this State;

(b) Have available at the office a private professional guardian who is licensed pursuant to this chapter, a permanent resident of this State and at least 21 years of age;

(c) Have any license issued pursuant to this chapter conspicuously displayed;

(d) Have available at the office originals or true copies of all material business records and accounts of the private professional guardian company, which must be readily available to access and readily available for examination by the Division;
(e) Have available to the public written procedures for making claims against the surety bond required to be maintained pursuant to section 33 of this act;

(f) Have available all services to residents of this State which are consistent with the business plan of the private professional guardian company included with the application for a license; and

(g) Comply with any other requirements specified by the Commissioner.

Sec. 32. 1. It is unlawful for any person licensed pursuant to this chapter to engage in the business of a private professional guardian at any office outside this State without the prior approval of the Commissioner.

2. Before the Commissioner will approve a branch to be located outside this State, the private professional guardian must:

(a) Obtain from that state any required license as a private professional guardian; or

(b) Provide proof satisfactory to the Commissioner that the private professional guardian company has met all the requirements to engage in the business of a private professional guardian in that state pursuant to its laws, including, without limitation, written documentation from the appropriate court or state agency that the private professional guardian company is authorized to do business in that state.

3. For each branch location of a private professional guardian company organized under the laws of this State, and every branch location in this State of a foreign private professional guardian company authorized to do business in this State, a request for approval and licensing must be filed with the Commissioner on forms prescribed by the Commissioner. A nonrefundable fee of not more than $500, as provided by the Commissioner, must accompany each request. In addition, a fee of not more than $200, to be prorated on the basis of the licensing year as provided by the Commissioner, must be paid at the time of making the request. Money collected pursuant to this section must be deposited in the Investigative Account for Financial Institutions created by NRS 232.545.

4. A foreign corporation or limited-liability company wishing to engage in the business of a private professional guardian in this State must use a name that distinguishes it from any other private professional guardian in this State.

Sec. 33. 1. The Commissioner may require a private professional guardian company to maintain equity, fidelity and surety bonds in amounts that are more than the minimum required initially or at any subsequent time based on the Commissioner’s assessment of the risks associated with the business plan of the private professional guardian or other information contained in the application, the Commissioner’s investigation of the application or any examination of or filing by the private professional guardian company thereafter, including, without limitation, any examination before the opening of the business. In making such a determination, the Commissioner may consider, without limitation:
(a) The nature and type of business to be conducted by the private professional guardian company;
(b) The nature and liquidity of assets proposed to be held in the account of the private professional guardian company;
(c) The amount of fiduciary assets projected to be under the management or administration of the private professional guardian company;
(d) The type of fiduciary assets proposed to be held and any proposed depository of such assets;
(e) The complexity of the fiduciary duties and degree of discretion proposed to be undertaken by the private professional guardian company;
(f) The competence and experience of the proposed management of the private professional guardian company;
(g) The extent and adequacy of proposed internal controls;
(h) The proposed presence of annual audits by an independent certified public accountant, and the scope and frequency of such audits, whether they result in an opinion of the accountant and any qualifications to the opinion;
(i) The reasonableness of business plans for retaining or acquiring additional equity capital;
(j) The adequacy of fidelity and surety bonds and any additional insurance proposed to be obtained by the private professional guardian company for the purpose of protecting its fiduciary assets;
(k) The success of the private professional guardian company in achieving the financial projections submitted with its application for a license; and
(l) The fulfillment by the private professional guardian company of its representations and its descriptions of its business structures and methods and management set forth in its application for a license.

2. The director or manager of a private professional guardian company shall require fidelity bonds in the amount of at least $25,000 on the sole proprietor or each active officer, manager, member acting in a managerial or case manager capacity and employee, regardless of whether the person receives a salary or other compensation from the private professional guardian company, to indemnify the company against loss due to any dishonest, fraudulent or criminal act or omission by a person upon whom a bond is required pursuant to this section who acts alone or in combination with any other person. A bond required pursuant to this section may be in any form and may be paid for by the private professional guardian company.

3. A private professional guardian company shall obtain suitable insurance against burglary, robbery, theft and other hazards to which it may be exposed in the operation of its business.

4. A private professional guardian company shall obtain suitable surety bonds in accordance with NRS 159.065, as applicable.

5. The surety bond obtained pursuant to subsection 4 must be in a form approved by a court of competent jurisdiction and the Division and conditioned that the applicant conduct his or her business in accordance with the requirements of this chapter. The bond must be made and executed
by the principal and a surety company authorized to write bonds in this State.

6. A private professional guardian company shall at least annually prescribe the amount or penal sum of the bonds or policies of the company and designate the sureties and underwriters thereof, after considering all known elements and factors constituting a risk or hazard. The action must be recorded in the minutes kept by the private professional guardian company and reported to the Commissioner.

7. The bond must cover all matters placed with the private professional guardian company during the term of the license or a renewal thereof.

8. An action may not be brought upon any bond after 2 years from the revocation or expiration of the license.

9. After 2 years, all liability of the surety or sureties upon the bond ceases if no action is commenced upon the bond.

Sec. 34. 1. The Commissioner shall revoke the license of a private professional guardian company if:
(a) Fails to open for business within 6 months after the date the license was issued, or within an additional 6-month extension granted by the Commissioner upon written application and for good cause shown; or
(b) Fails for more than 30 consecutive days to maintain regular business hours or otherwise conduct the business of a private professional guardian.

2. If the Commissioner enters an order revoking a license pursuant to this section, the Commissioner shall send a copy of the order to each district court in this State.

Sec. 35. Each private professional guardian company which is licensed pursuant to this chapter may, in the conduct of its business activities, within and outside this State, as applicable:
1. Act under the order or appointment of any court as guardian.
2. Accept and execute any activities and duties relating to the business of a private professional guardian as permitted by any law.
3. Exercise the powers of a corporation, partnership or limited-liability company organized or qualified as a foreign corporation, partnership or limited-liability company under the laws of this State and any incidental powers that are reasonably necessary to enable it to exercise, in accordance with commonly accepted customs and usages, a power conferred by this chapter.
4. Perform any act authorized by this chapter and any other applicable laws of this State.

Sec. 36. 1. The fiduciary relationship which exists between a private professional guardian and the ward of the private professional guardian may not be used for the private gain of the guardian other than the remuneration for fees and expenses. A private professional guardian may not incur any
obligation on behalf of the guardianship that conflicts with the discharge of the duties of the private professional guardian.

2. Unless prior approval is obtained from a court of competent jurisdiction, a private professional guardian shall not:
   (a) Have any interest, financial or otherwise, direct or indirect, in any business transaction or activity with the guardianship.
   (b) Acquire an ownership, possessory, security or other pecuniary interest adverse to the ward.
   (c) Be knowingly designated as a beneficiary on any life insurance policy, pension or benefit plan of the ward unless such designation was validly made by the ward before the adjudication of the person’s incapacity.
   (d) Directly or indirectly purchase, rent, lease or sell any property or services from or to any business entity in which the private professional guardian, or the spouse or relative of the guardian, is an officer, partner, director, shareholder or proprietor or in which such a person has any financial interest.

3. Any action taken by a private professional guardian which is prohibited by this section may be voided during the term of the guardianship or by the personal representative of the ward’s estate. The private professional guardian is subject to removal and imposition of personal liability through a proceeding for discharge, in addition to any other remedies otherwise available.

4. A court shall not appoint a private professional guardian that is not licensed pursuant to this chapter as the guardian of a person or estate. The court must review each guardianship involving a private professional guardian on the anniversary date of the appointment of the private professional guardian. If a private professional guardian does not hold a current license, the court must replace the guardian until such time as the private professional guardian obtains the necessary license.

5. The provisions of NRS 159.076 regarding summary administration do not apply to a private professional guardian.

6. A licensee shall file any report required by the court in a timely manner.

Sec. 37. 1. Except as otherwise provided in NRS 159.076, a licensee shall maintain a separate guardianship account for each ward into which all money received for the benefit of the ward must be deposited. Each guardianship account must be maintained in an insured bank or credit union located in this State, be held in a name which is sufficient to distinguish it from the personal or general checking account of the licensee and be designated as a guardianship account. Each guardianship account must at all times account for all money received for the benefit of the ward and account for all money dispersed for the benefit of the ward, and no disbursement may be made from the account except as authorized under chapter 159 of NRS or as authorized by court order.
2. Each licensee shall keep a record of all money deposited in each guardianship account maintained for a ward, which must clearly indicate the date and from whom the money was received, the date the money was deposited, the dates of withdrawals of money and other pertinent information concerning the transactions. Records kept pursuant to this subsection must be maintained for at least 6 years after the completion of the last transaction concerning the account. The records must be maintained at the premises in this State at which the licensee is authorized to conduct business.

3. The Commissioner or his or her designee may conduct an examination of the guardianship accounts and records relating to wards of each private professional guardian company licensed pursuant to this chapter at any time to ensure compliance with the provisions of this chapter.

4. During the first year a private professional guardian is licensed in this State, the Commissioner or his or her designee may conduct any examinations deemed necessary to ensure compliance with the provisions of this chapter.

5. If there is evidence that a private professional guardian company has violated a provision of this chapter, the Commissioner or his or her designee may conduct additional examinations to determine whether a violation has occurred.

6. Each licensee shall authorize the Commissioner or his or her designee to examine all books, records, papers and effects of the private professional guardian company.

7. If the Commissioner determines that the records of a licensee are not maintained in accordance with subsections 1 and 2, the Commissioner may require the licensee to submit, within 60 days, an audited financial statement prepared from the records of the licensee by a certified public accountant who holds a certificate to engage in the practice of public accounting in this State. The Commissioner may grant a reasonable extension of time for the submission of the financial statement if an extension is requested before the statement is due.

8. Upon the request of the Division, a licensee must provide to the Division copies of any documents reviewed during an examination conducted by the Commissioner or his or her designee pursuant to subsection 4, 5 or 6. If the copies are not provided, the Commissioner may subpoena the documents.

9. For each examination of the books, papers, records and effects of a private professional guardian company that is required or authorized pursuant to this chapter, the Commissioner shall charge and collect from the private professional guardian company a fee for conducting the examination and preparing a report of the examination based upon the rate established by regulation pursuant to NRS 658.101. Failure to pay the fee within 30 days after receipt of the bill is grounds for revoking the license of the private professional guardian company.
10. All money collected under this section must be deposited in the State Treasury pursuant to the provisions of NRS 658.091.

Sec. 38. 1. After an examination is conducted pursuant to section 37 of this act, the person who conducted the examination shall prepare a written report of the results of the examination which must be signed by the Commissioner or his or her designee.

2. The written report must contain a true and detailed statement of the financial condition of the private professional guardian company and, if applicable, a full statement of any violations of the provisions of this chapter.

Sec. 39. 1. The Commissioner shall provide a copy of a report prepared pursuant to section 38 of this act to the president or secretary of the board of directors of the private professional guardian company if the company is a corporation, or to a manager or owner of the private professional guardian company if the company is not a corporation, and may make a copy available to each member of the board of directors or each manager or owner, as applicable. If, in the judgment of the Commissioner, the report discloses any violation of the provisions of this chapter committed by the private professional guardian company, or if it appears from the report that there are certain conditions existing which should be corrected by the private professional guardian company, the Commissioner may, in writing, call the matter to the attention of each member of the board of directors or each manager or owner, with instructions to correct the condition.

2. Upon the preparation of the report as provided in section 38 of this act, the Commissioner shall also serve a copy thereof to the court having jurisdiction of each ward of the private professional guardian company.

Sec. 40. 1. The Commissioner may require a licensee to submit an annual financial statement or an audited financial statement prepared by an independent certified public accountant licensed to do business in this State, dependent upon the size and complexity of the private professional guardian company.

2. If applicable, on or before the fourth Monday in January of each year, each licensee shall submit to the Commissioner the stock ledger of stockholders of the corporation required to be maintained pursuant to paragraph (c) of subsection 1 of NRS 78.105 or the list of each member and manager required to be maintained pursuant to paragraph (a) of subsection 1 of NRS 86.241, verified by the president or a manager, as appropriate.

3. A list of each member and manager submitted pursuant to subsection 2 must include the percentage of each member’s interest in the company, in addition to the requirements set forth in NRS 86.241.

4. If a licensee fails to submit the ledger or list required pursuant to this section within the prescribed period, the Commissioner may impose and collect a fee of not more than $10 for each day the report is late.

5. The Commissioner shall adopt regulations establishing the amount of the fee that may be imposed pursuant to this section.
Sec. 41. Except as otherwise provided in NRS 239.0115, any application and personal or financial records submitted to the Division pursuant to the provisions of this chapter and any personal or financial records or other documents obtained by the Division pursuant to an examination conducted by the Commissioner or his or her designee or in response to a subpoena are confidential and may be disclosed only to:

1. The Division, any authorized employee or representative of the Division and any state or federal agency investigating the activities covered under the provisions of this chapter; and

2. Any person if the Commissioner, in his or her discretion, determines that the interests of the public that would be protected by disclosure outweigh the interest of any person in the confidential information not being disclosed.

Sec. 42. 1. The Commissioner may require the immediate removal from office of any officer, director, manager or employee of any private professional guardian company doing business under this chapter who is found to be dishonest, incompetent or reckless in the management of the affairs of the private professional guardian company, or who persistently violates the laws of this State or the lawful orders, instructions and regulations issued by the Commissioner.

2. An officer, director, manager or employee of a private professional guardian company who is required to be removed from office pursuant to subsection 1 may appeal his or her removal by filing a written request for a hearing with the Commissioner within 10 days after the effective date of his or her removal. The Commissioner shall conduct the hearing after providing at least 5 days’ written notice to the private professional guardian company and the officer, director, manager or employee who is appealing his or her removal from office. Within 5 days after the conclusion of the hearing, the Commissioner shall enter an order affirming or disaffirming the removal of the person from office. An order of the Commissioner entered pursuant to this subsection is final for the purposes of judicial review.

Sec. 43. 1. The Commissioner may take administrative action against a licensee, including, without limitation, revoking or suspending the license, or initiate proceedings as provided in section 46 of this act if the company:

(a) Has violated this chapter or any other state or federal laws applicable to the business of a private professional guardian.
(b) Is conducting the business in an unauthorized or unsafe manner.
(c) Is in an unsafe or unsound condition to transact business.
(d) Has an impairment of the surety bonds held by the company.
(e) Has an impairment of the fidelity bonds held by the company.
(f) Has become insolvent.
(g) Has neglected or refused to comply with the terms of a lawful order of the Commissioner.
(h) Has refused, upon proper demand, to submit its records, affairs and concerns for inspection and examination of an appointed or authorized examiner of the Commissioner.

(i) Has refused to provide copies to the Division upon request, and in cooperation with any investigation, inspection or examination, of any and all documents reviewed by the Division during any such investigation, inspection or examination.

(j) Has failed to pay any state or local taxes as required.

(k) Has materially and willfully breached its fiduciary duties to a ward.

(l) Has failed to properly disclose all fees, interest and other charges to the court and the public.

(m) Has willfully engaged in material conflicts of interest regarding a ward.

(n) Has made intentional material misrepresentations regarding any aspect of the services performed or proposed to be performed by the private professional guardian company.

2. The Commissioner also may initiate such proceedings to take possession of the business and property of any private professional guardian company if an officer, partner, member or sole proprietor of the private professional guardian company refuses to be examined upon oath regarding its affairs.

Sec. 44. 1. If the Commissioner has reason to believe that grounds for the revocation or suspension of a license exist, the Commissioner shall give at least 20 days’ written notice to the licensee stating the contemplated action and, in general, the grounds therefor and set a date for a hearing.

2. At the conclusion of a hearing, the Commissioner shall:

(a) Enter a written order dismissing the charges, revoking the license or suspending the license for a period of not more than 60 days, which period must include any prior temporary suspension. The Commissioner shall send a copy of the order to the licensee by registered or certified mail.

(b) Impose upon the licensee an administrative fine of not more than $10,000 for each violation by the licensee of any provision of this chapter or any regulation adopted pursuant thereto.

(c) If a fine is imposed pursuant to this section, enter such order as is necessary to recover the costs of the proceeding, including investigative costs and attorney’s fees.

3. The grounds for revocation or suspension of a license are that:

(a) The licensee has failed to pay the annual license fee;

(b) The licensee has violated any provision of this chapter or any regulation adopted pursuant thereto or any lawful order of the Commissioner;

(c) The licensee has failed to pay any applicable state or local tax as required;
(d) Any fact or condition exists which would have justified the Commissioner in denying the original application for a license pursuant to the provisions of this chapter; or

(e) The licensee:

(1) Failed to open an office for the conduct of the business authorized by his or her license within 180 days after the date the license was issued; or

(2) Has failed to remain open for the conduct of the business for a period of 30 consecutive days without good cause therefor.

4. An order suspending or revoking a license becomes effective 5 days after being entered unless the order specifies otherwise or a stay is granted.

5. If the Commissioner enters an order suspending or revoking a license pursuant to this section, the Commissioner shall send a copy of the order to each district court in this State.

Sec. 45. 1. If the Commissioner finds that probable cause for the revocation of any license exists and that the public interest requires the immediate suspension of the license pending an investigation, the Commissioner may, upon 5 days’ written notice offering the opportunity for a hearing, enter an order suspending the license for a period of not more than 20 days, pending a hearing upon the revocation of the license unless the opportunity for a hearing is waived by the licensee.

2. If the Commissioner enters an order suspending a license pursuant to this section, the Commissioner shall send a copy of the order to each district court in this State.

Sec. 46. 1. If the Commissioner has reasonable cause to believe that any person is violating or is threatening to or intends to violate any provision of this chapter, the Commissioner may, in addition to any action provided for in this chapter and chapter 233B of NRS and without prejudice thereto, enter an order requiring the person to cease and desist or to refrain from such violation. If the Commissioner enters such an order pursuant to this subsection, the Commissioner shall send a copy of the order to each district court in this State.

2. The Commissioner may bring an action to enjoin a person from engaging in or continuing a violation or from doing any act or acts in furtherance thereof. In any such action, irreparable harm and lack of an adequate remedy at law will be presumed and an order or judgment may be entered awarding a preliminary or final injunction as may be deemed proper. The findings of the Commissioner shall be deemed to be prima facie evidence and sufficient grounds, in the discretion of the court, for the issuance ex parte of a temporary restraining order.

3. In addition to all other means provided by law for the enforcement of a restraining order or injunction, the court in which an action is brought may impound, and appoint a receiver for, the property and business of the person, including books, papers, documents and records pertaining thereto, or so much thereof as a court may deem reasonably necessary to prevent violations of this chapter through or by means of the use of property and
business, whether such books, papers, documents and records are in the
possession of the person, a registered agent acting on behalf of the person or
any other person. If a receiver is appointed and qualified, the receiver has
such powers and duties relating to the custody, collection, administration,
winding up and liquidation of such property and business as may be
conferred upon the receiver by the court.

4. If a receiver is appointed pursuant to subsection 3, the receiver shall
remit to the owners, members or shareholders of the private professional
guardian company any amount of equity of the private professional guardian
company remaining after the discharge of the liabilities and payment of the
normal, prudent and reasonable expenses of the receivership.

Sec. 47. 1. Upon the filing with the Commissioner of a verified
complaint against a private professional guardian company, the
Commissioner shall investigate the alleged violation of the provisions of this
chapter.

2. If the Commissioner determines that a complaint filed pursuant to
subsection 1 warrants further action, the Commissioner shall send a copy of
the complaint and notice of the date set for an informal hearing to the subject of
the complaint and the Attorney General.

3. The Commissioner may require the private professional guardian
company that is the subject of a complaint to file a verified answer to the
complaint within 10 days after receipt of the complaint unless, for good
cause shown, the Commissioner extends the time required for filing an
answer for a period not to exceed 60 days.

4. If at the hearing the complaint is not explained to the satisfaction of
the Commissioner, the Commissioner may take such action against the private professional guardian company as authorized by the provisions of
this chapter.

Sec. 48. 1. Except as otherwise provided in this section and NRS
239.0115, a complaint filed with the Commissioner, all documents and other
information filed with the complaint and all documents and other
information compiled as a result of an investigation conducted to determine
whether to initiate disciplinary action are confidential.

2. The complaint or other documents filed by the Commissioner to
initiate disciplinary action and all documents and information considered by
the Commissioner when determining whether to impose discipline are public
records.

Sec. 49. 1. In addition to any other remedy or penalty, the
Commissioner may impose an administrative fine of not more than $10,000
per violation upon a person who violates any provision of this chapter or any
regulation adopted pursuant thereto.

2. The maximum total fine that the Commissioner may impose on any
person pursuant to this section with respect to the same or similar actions or
series of actions which constitute the violations must not exceed the greater
of $250,000 or 125 percent of the monetary value of all losses incurred by
the private professional guardian company and its wards as the direct or indirect result of such violations.

Sec. 50. 1. A licensee who knowingly or willfully neglects to perform any act or duty required by this chapter or other applicable law, or who knowingly or willfully fails to satisfy any material lawful requirement made by the Commissioner is guilty of a category D felony and shall be punished as provided in NRS 193.130.

   (d) Whether the nominated person, relative or other person is incompetent or has a disability; and
   (e) Whether the nominated person, relative or other person has been convicted in this State or any other jurisdiction of a felony, unless the court determines that any such conviction should not disqualify the person from serving as guardian for the adult.

Amendment No. 806.

AN ACT relating to education; authorizing the State Board of Education to provide for evaluations of certain licensed educational personnel and determine the manner in which to measure the performance of such personnel; revising provisions relating to pupil achievement data used as a part of the statewide performance evaluation system; delaying the implementation of certain provisions relating to the policy for evaluations of counselors, librarians and other licensed educational personnel; revising the
evaluation of teachers and administrators under the statewide performance evaluation system (for the 2015-2016 school year); requiring the State Board to designate assessments that may be used to determine pupil achievement and prescribe the evaluation system and tools to be used by a school district for measuring of an employee’s performance; authorizing a school district to apply to the State Board to use an evaluation system and tools and assessments that are different from those prescribed by the State Board; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law requires the State Board of Education to establish a statewide performance evaluation system which incorporates multiple measures to evaluate the overall performance of certain employees. (NRS 391.465) Section 10 of this bill requires the State Board to prescribe the tools to be used by a school district for obtaining such measures. Section 10 also allows a school district to apply to the State Board to use an evaluation system and tools that are different than the evaluation system and tools prescribed by the State Board.

Existing law requires the statewide performance evaluation system to: (1) prescribe the pupil achievement data that must be used as a part of the evaluation system; and (2) require that pupil achievement data account for at least 50 percent of the evaluation of certain employees. (NRS 391.465) Sections 10 and 16 of this bill remove the requirement that pupil achievement data must be used as a part of the evaluation system for the 2015-2016 school year. Sections 11 and 16 of this bill reinstate the requirement that pupil achievement data must be used as a part of the evaluation system and provides that, for the 2016-2017 school year: (1) pupil achievement data derived from statewide examinations and assessments must account for at least 10 percent of the evaluation of a teacher when applicable; and (2) pupil achievement data derived from assessments approved by the board of trustees of the school district that employs the teacher must account for at least 10 percent of the evaluation. Section 11 also: (1) requires the State Board to designate the assessments that may be used by a school district to determine pupil achievement; and (2) authorizes the board of trustees of a school district to apply to the Superintendent of Public Instruction for approval to use a different assessment. Sections 12 and 16 of this bill provide that, beginning with the 2017-2018 school year: (1) pupil achievement data derived from statewide examinations and assessments must account for at least 20 percent of the evaluation of a teacher when applicable; and (2) pupil achievement data derived from assessments approved by the board of trustees of the school district that employs the teacher must account for at least 20 percent of the evaluation.

Existing law requires the board of trustees of each school district to develop a policy for objective evaluations of teachers and administrators that
Section 1. NRS 391.465 is hereby amended to read as follows:

Existing law requires this policy to include an evaluation of counselors, librarians and other licensed personnel. [commencing with the 2015-2016 school year.] (NRS 391.3123, 391.3125) [Section 22 of chapter 406, Statutes of Nevada 2012, p. 3169] Section 2 of this bill [instead delays implementation until the 2016-2017 school year. Section 2 of this bill provides that the evaluation of teachers, administrators and other licensed personnel under the statewide performance evaluation system must not include an evaluation of the performance of pupils enrolled in the school for the 2015-2016 school year.] authorizes the State Board to provide for the evaluation of counselors, librarians and other licensed educational personnel and determine the manner in which to measure the performance of such personnel. Sections 6 and 8-12 of this bill require this policy to provide for the evaluation of administrators at a district level who provide direct supervision of the principal of a school.

Existing law requires each probationary teacher or administrator to receive three evaluations during each school year of his or her probationary employment. (NRS 391.3127, 391.3129) Sections 5 and 6 of this bill require a probationary teacher or administrator to instead receive one evaluation during the first school year of his or her probationary employment that must be based in part upon at least three scheduled observations of the teacher or administrator. Sections 5 and 6 also: (1) reduce the number of observations required for a probationary teacher or administrator during his or her second and third years of probationary employment whose performance is designated as highly effective or effective; and (2) require a probationary teacher or administrator whose performance is designated as minimally effective or ineffective to continue to receive three observations.

Existing law also requires each postprobationary teacher or administrator who receives an evaluation designating his or her overall performance as minimally effective or ineffective to be evaluated three times. (NRS 391.3125, 391.3127) Sections 5 and 6 instead require such a teacher or administrator to receive one evaluation which must be based in part upon at least three scheduled observations.    (1) Pupil achievement data derived from statewide examinations and assessments must account for 25 percent of the evaluation of a teacher when applicable; and
   (2) Pupil achievement data derived from assessments approved by the board of trustees of the school district that employs the teacher and the Superintendent of Public Instruction must account for 25 percent of the evaluation.

(e) Include an evaluation of whether the teacher, or administrator who provides primarily administrative services at the school level and who does not provide primarily direct instructional services to pupils, regardless of whether the probationary administrator is licensed as a teacher or administrator, including, without limitation, a principal and vice principal, employs practices and strategies to involve and engage the parents and families of pupils.

(f) Include a process for peer evaluations of teachers by qualified educational personnel which is designed to provide assistance to teachers in meeting the standards of effective teaching, and includes, without limitation, conducting observations, participating in conferences before and after observations of the teacher and providing information and resources to the teacher about strategies for effective teaching. The regulations must include the criteria for school districts to determine which educational personnel are qualified to conduct peer reviews pursuant to the process. (Deleted by amendment.)

Amendment No. 948.

AN ACT relating to medical marijuana; revising provisions relating to the allocation of medical marijuana establishment registration certificates; authorizing the transfer of a medical marijuana establishment registration certificate in certain circumstances; authorizing a medical marijuana establishment to move to a new location under certain circumstances; revising provisions governing the registration of certain medical marijuana establishments; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law limits, by the size of the population of each county, the number of certain medical marijuana establishments that may be certified in each county, and also limits the Division of Public and Behavioral Health of the Department of Health and Human Services to accepting applications for the certification of such establishments to not more than 10 days in any calendar year. (NRS 453A.324) Section 1 of this bill requires the Division to reallocate the certificates provided for a county which has no qualified applicants to the other counties of this State. Section 5 of this bill provides for the reallocation and issuance of such currently unused certificates.

Existing law prohibits the transfer of a medical marijuana establishment agent registration card or a medical marijuana establishment registration certificate. (NRS 453A.334) Section 2 of this bill allows the transfer of ownership in a medical marijuana establishment and the transfer of a medical marijuana establishment registration certificate if the new owner: (1) meets the requirements of existing law relating to liquid assets; (2) submits certain information to allow the Division to perform certain background checks; and (3) proves that its acquisition of the establishment will not violate certain restrictions on holding multiple establishments.

Existing law establishes certain requirements for the location of a medical marijuana establishment. (NRS 453A.350) Section 3 of this bill allows an establishment to move to a new location under the jurisdiction of the same local government if, after a public hearing, the local government approves the new location. Section 4 of this bill requires the Division to revise its regulations to conform with the provisions of section 3.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 453A.324 is hereby amended to read as follows:

453A.324 1. Except as otherwise provided in this section and NRS 453A.326, the Division shall issue medical marijuana establishment registration certificates for medical marijuana dispensaries in the following quantities for applicants who qualify pursuant to NRS 453A.322:

(b) In a county whose population is 100,000 or more but less than 700,000, ten certificates;
(c) In a county whose population is 55,000 or more but less than 100,000, two certificates; and
(d) In each other county, one certificate.

2. Notwithstanding the provisions of subsection 1, the Division [shall not]:
   (a) Shall not issue medical marijuana establishment registration certificates for medical marijuana dispensaries in such a quantity as to cause the existence within the applicable county of more than one medical marijuana dispensary for every ten pharmacies that have been licensed in the county pursuant to chapter 639 of NRS. The Division may issue medical marijuana establishment registration certificates for medical marijuana dispensaries in excess of the ratio otherwise allowed pursuant to this subsection if to do so is necessary to ensure that the Division issues at least one medical marijuana establishment registration certificate in each county of this State in which the Division has approved an application for such an establishment to operate.
   (b) Shall, for any county for which no applicants qualify pursuant to NRS 453A.322, within 2 months after the end of the period during which the Division accepts applications pursuant to subsection 4, reallocate the certificates provided for that county pursuant to subsection 1 to the other counties specified in subsection 1 in the same proportion as provided in subsection 1.

3. With respect to medical marijuana establishments that are not medical marijuana dispensaries, the Division shall determine the appropriate number of such establishments as are necessary to serve and supply the medical marijuana dispensaries to which the Division has granted medical marijuana establishment registration certificates.

(a) Evidence satisfactory to the Division that the party has complied with the provisions of sub-subparagraph (III) of subparagraph (2) of paragraph (a) of subsection 3 of NRS 453A.322 for the purpose of operating the medical marijuana establishment.

A local government may approve a new location pursuant to this subsection only in a public hearing for which written notice is given at least 7 working days before the hearing.

Sec. 4. 1. The provisions of any regulation adopted by the Division of Public and Behavioral Health of the Department of Health and Human Services which conflict with the provisions of NRS 453A.350, as amended by section 3 of this act, are void and must not be given effect to the extent of the conflict.

2. The Division of Public and Behavioral Health shall amend or repeal any of its existing regulations that conflict or are inconsistent with the provisions of NRS 453A.350, as amended by section 3 of this act, as soon as practicable after the effective date of this section.
Sec. 5. 1. (1) The medical marijuana establishment is in compliance with paragraph (a) of subsection 4; and

(b) May, at any time, after receiving an application to operate a medical marijuana establishment:

(2) Issue a medical marijuana establishment registration certificate to the applicant.

(c) Shall, on or after the effective date of this act and before September 1, 2015, regardless of the Division’s ranking of the applications to operate a medical marijuana establishment, issue a medical marijuana establishment registration certificate for the total number of certificates allocated unless the Division determines that the applicant is not qualified.

Legislative Counsel’s Digest:
Sections 1 and 2 of this bill set forth new provisions relating to the employment of veterans. Section 1 requires the Administrator of the Employment Security Division of the Department of Employment, Training and Rehabilitation to gather aggregate unemployment data concerning veterans and report such data to the Interagency Council on Veterans Affairs on a quarterly basis. Section 2 authorizes a private employer to adopt an
employment policy that gives preference in hiring to a veteran or the spouse of a veteran. Section 2 also authorizes the Nevada Equal Rights Commission to review the uniform application of such an employment policy upon receiving a written complaint from a prospective employee of the employer and requires the employer, upon a finding by the Commission that the policy has not been applied uniformly, to revise his or her employment policy in accordance with the recommendations of the Commission. Existing law generally provides for preferential employment in public employment and the construction of public works for certain veterans. (NRS 281.060, 284.260, 338.130)

Under existing law, before a person can be issued a commercial driver’s license by this State, the person is required, among other things, to pass a driving skills test for driving a commercial motor vehicle. (NRS 483.928) Section 5 of this bill provides an exemption to this requirement for certain persons who have experience driving a commercial motor vehicle because of their service in the Armed Forces of the United States.

Existing law also generally provides for the regulation of professions in this State. (Title 54 of NRS) Section 9 of this bill authorizes certain qualified professionals who are licensed in another state or territory of the United States and who are active members of, or the spouse of an active member of, the Armed Forces of the United States, a veteran or the surviving spouse of a veteran to apply for and receive a license by endorsement to practice their respective profession in this State. Section 9 also provides that a person who meets such requirements and receives a license by endorsement in certain professions is entitled to at least a 50 percent reduction in the fee for an examination required as a prerequisite to licensure or for initial issuance of a license. Similarly, section 40.3 of this bill authorizes certain hearing aid specialists who are licensed in another state or territory of the United States and who are active members of, or the spouse of an active member of, the Armed Forces of the United States, a veteran or the surviving spouse of a veteran to apply for and receive a license by endorsement to practice as a hearing aid specialist in this State. Section 10 of this bill requires a regulatory body to develop opportunities for reciprocity of licensure for such persons who hold a professional license that is not recognized by this State. Section 11 of this bill requires a regulatory body in certain circumstances to prepare and submit to the Interagency Council on Veterans Affairs an annual report providing information on the number of veterans who have applied for a license, have been issued a license or have renewed a license.

Section 12 of this bill authorizes certain regulatory bodies of this State to enter into a reciprocal agreement with the corresponding regulatory authority of another state or territory of the United States for the purposes of authorizing and regulating the practice of certain professions concurrently in this State and another jurisdiction. Section 12 provides that such a reciprocal agreement must not authorize a person to practice his or her profession concurrently in this State unless the person meets certain credentialing
requirements. Sections 13, 30.5 and 33 of this bill authorize certain qualified physicians and certain qualified podiatrists to obtain an expedited license by endorsement to practice in this State if the physician or podiatrist meets certain requirements. Section 14 of this bill authorizes the Board of Medical Examiners to issue a license to practice medicine to certain persons who receive postgraduate education in certain approved residency programs in Canada.

Sections 20-27 of this bill revise various provisions relating to dentists and dental hygienists. Section 22.5 authorizes the Executive Director of the Board of Dental Examiners of Nevada to issue a license to a qualified applicant without further review of the Board under certain circumstances. Sections 23 and 25 revise provisions relating to the licensing requirements for dentists and dental hygienists, and section 27 establishes a fee for the inspection of a facility required by the Board to ensure compliance with infection control guidelines.

Additionally, existing law authorizes the Board of Examiners for Social Workers to grant a license without examination to a person who holds a current license to engage in the practice of social work in a state whose licensing requirements at the time the license was issued are deemed by the Board to be substantially equivalent to the requirements set forth in the statutory provisions governing social workers in this State. (NRS 641B.270) Section 36 of this bill authorizes the Board to grant a provisional license to engage in social work as an independent social worker or a clinical social worker to an active member of or the spouse of an active member of the Armed Forces of the United States who applied for such a license if the Board deems that the other state’s licensing requirements are not substantially equivalent to the requirements set forth in the statutory provisions governing social workers in this State. Section 3 of this bill adds the Board to the list of persons and governmental entities to whom records of criminal history must be disseminated by an agency of criminal justice upon request.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The following amendment was proposed by the Committee on Transportation:

Amendment No. 780.

AN ACT relating to tow cars; prohibiting operators of tow cars from towing certain vehicles to any location other than a designated vehicle storage lot under certain circumstances; revising provisions relating to operators of tow cars; providing civil and criminal penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes an insurance company to designate vehicle storage lots to which certain vehicles insured by the insurance company must be towed under certain circumstances. Existing law also requires an operator of a tow car who fails to tow a vehicle to a vehicle storage lot designated by an insurance company to forfeit the charge for towing and storage of the vehicle and tow the vehicle free of charge to the designated lot. (NRS 706.4489) Section 3 of this bill prohibits an operator of a tow car from: (1) towing a vehicle to a location other than a vehicle storage lot designated by the insurance company that provides coverage for the vehicle unless the owner or operator of the vehicle directs the operator of the tow car to tow the vehicle to a location that is not a vehicle storage lot pursuant to section 16 of this bill; or (2) seeking authorization from an owner or operator of a vehicle to tow the vehicle to a location other than the designated vehicle storage lot. Section 3 also imposes civil penalties on an operator of a tow car who fails to tow certain vehicles to certain vehicle storage lots designated by an insurance company.

Existing law requires a law enforcement officer to make a good faith effort to determine the identity of the insurance company that provides coverage for the vehicle before the vehicle is towed. (NRS 706.4489) Section 16 requires the operator of a tow car to make a good faith effort to determine the identity of the insurance company that provides coverage for the vehicle if the law enforcement officer does not communicate that information to the operator. Section 16 also requires the operator of a tow car to: (1) retain any documents provided by a law enforcement officer indicating the identity of the insurance company that provides coverage for the vehicle; and (2)
provide copies of such documents to a vehicle storage lot upon delivery of
the vehicle to the vehicle storage lot.

Section 16 additionally prohibits an owner or operator of a vehicle from
directing an operator of a tow car to tow the vehicle to a vehicle storage lot
other than the vehicle storage lot designated by the insurance company, but
authorizes an owner or operator of a vehicle to direct an operator of a tow car
to tow the vehicle to a location other than a vehicle storage lot. If an owner or
operator of a vehicle directs an operator of a tow car to tow the vehicle to
such a location, the owner or operator of the vehicle, if one is on the scene, must confirm in writing that:

(a) the owner or operator of the vehicle directed the operator of the tow car
to tow the vehicle to such a location; and

(b) the operator of the tow car did not solicit the owner or operator of the vehicle
to tow the vehicle to such a location. The law enforcement officer must also note the decision of
the owner or operator of the vehicle in any report of the incident. If no law
enforcement officer is on the scene, the operator of the tow car must have the
owner or operator of the vehicle confirm in writing that he or she directed the
towing of the vehicle to a location other than a vehicle storage lot and that
the operator of the tow car did not solicit the owner or operator of the vehicle
to tow the vehicle to such a location. The operator of the tow car is required
to retain a copy of any documentation provided by the law enforcement officer or agency or any written confirmation obtained from the
owner or operator of the vehicle.

Existing law requires an operator of a tow car to maintain a dispatcher’s
log identifying certain information for each vehicle towed. (NRS 706.4465)
Section 13 of this bill requires an operator to record the insurance company
of each vehicle towed if such information is known.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 706 of NRS is hereby amended by adding thereto the
provisions set forth as sections 2 and 3 of this act.

Sec. 2. As used in NRS 706.445 to 706.453, inclusive, and sections 2 and
3 of this act, “insurance company” means any entity authorized to provide
insurance for motor vehicles in this State, including, without limitation, a
captive insurer, as defined in NRS 694C.060, and a person qualified as a self-insurer, pursuant to NRS 485.380.

Sec. 3. 1. Except as otherwise provided in NRS 706.4489, an operator
of a tow car who is required to tow a vehicle to a designated vehicle storage
lot pursuant to that section shall not tow the vehicle to another location. If an
operator of a tow car fails to tow a vehicle to the designated vehicle storage
lot when required pursuant to NRS 706.4489, the operator of the tow car must:
(a) Forfeit the charge for towing and storage of the vehicle; and
(b) Tow the vehicle free of charge to the vehicle storage lot designated by
the insurance company or its representative not later than 24 hours after
receiving a demand, which must be made in writing or by electronic mail, from the insurance company or its representative.

2. An operator of a tow car who is required to tow a vehicle to a designated vehicle storage lot pursuant to NRS 706.4489 shall not solicit the owner or operator of the vehicle to divert the towing of the vehicle to a location other than the designated vehicle storage lot or solicit or market other services performed by a third party. Towing services performed pursuant to a request or demand by the owner or operator of a vehicle that the vehicle be towed to a location other than the designated vehicle storage lot does not relieve the operator of a tow car of any obligation relating to towing services performed without the prior consent of the owner or operator of a vehicle.

3. If an operator of a tow car violates the provisions of subsection 1 or 2, the Authority may:
   (a) For a first offense, impose an administrative fine of not more than $5,000.
   (b) For a second offense within a period of 24 consecutive months, impose an administrative fine of not more than $10,000.
   (c) For a third offense within a period of 24 consecutive months, impose an administrative fine of not more than $15,000.
   (d) For a fourth or subsequent offense within a period of 24 consecutive months, impose an administrative fine of not more than $20,000.

4. Before imposing a fine pursuant to subsection 3, the Authority shall provide notice to the holder of the certificate of public convenience and necessity and conduct a hearing pursuant to the provisions of chapter 233B of NRS and NRS 706.286.

5. All administrative fines imposed and collected by the Authority pursuant to this section are payable to the State Treasurer and must be credited to a separate account to be used by the Authority to enforce the provisions of this chapter.

Sec. 4. NRS 706.011 is hereby amended to read as follows:

706.4464  1. The application must include a complete set of fingerprints of each natural person who is identified by the Authority as a significant principal, partner, officer, manager, member, director or trustee of the transferee and written permission authorizing the Authority to forward the fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its report. No transfer of stock of a corporate operator of a tow car subject to the jurisdiction of the Authority is valid without the prior approval of the Authority if the effect of the transfer would be to change the corporate control of the operator of a tow car or if a transfer of 15 percent or more of the common stock of the operator of a tow car is proposed.

2. The Authority shall approve an application filed with it pursuant to subsection 1 if it determines that the transferee:

3. The Authority may hold a hearing concerning an application submitted pursuant to this section only if:
(a) Upon the expiration of the time fixed in the notice that an application for transfer of a certificate of public convenience and necessity is pending, a petition to intervene has been granted by the Authority; or
(b) The Authority finds that after reviewing the information provided by the applicant and inspecting the operations of the applicant, it cannot make a determination as to whether the applicant has complied with the requirements of subsection 2.

4. The Authority shall not hold a hearing on an application submitted pursuant to this section if the application is made to transfer the certificate of public convenience and necessity from a natural person or partners to a corporation whose controlling stockholders will be substantially the same person or partners.

5. The approval by the Authority of an application for transfer of a certificate of public convenience and necessity of an operator of a tow car is not valid after the expiration of the term for the transferred certificate.

Sec. 15. NRS 706.4487 is hereby amended to read as follows:

706.4487 The Legislature hereby finds and declares that:

1. Towing a vehicle, either after an accident or after the vehicle is stolen and subsequently recovered, to a vehicle storage lot designated by the insurer of the vehicle will result in the placement of vehicle storage lots in more locations, as insurance companies will designate as many vehicle storage lots as are necessary to provide coverage throughout the county, thus enhancing safety by limiting both the time and distance that a tow car is traveling with a towed vehicle.

2. Authorizing insurance companies to designate vehicle storage lots will enhance safety by ensuring that the vehicles towed thereto are stored in locations which:
   (a) Guarantee safe access to the vehicles by their owners; and
   (b) Protect the property of the owners of the vehicles, including, without limitation, the vehicles themselves.

3. The provisions of NRS 706.4489 and section 3 of this act constitute an exercise of the safety regulatory authority of this State with respect to motor vehicles.

Sec. 16. NRS 706.4489 is hereby amended to read as follows:

706.4489 1. An insurance company may designate one or more vehicle storage lots to which all vehicles that are towed at the request of a law enforcement officer:
   (a) Following an accident; or
   (b) Following recovery after having been stolen,
   and which are insured by that insurance company must be towed pursuant to subsection 2. The designation of a vehicle storage lot must be provided in writing by the insurance company, its representative or the owner or operator of the vehicle storage lot to all providers of towing services that have obtained a certificate of public convenience and necessity and operate in the same geographical area in which the designated vehicle storage lot is situated.

2. If a law enforcement officer requests that an operator of a tow car tow a vehicle following an accident or following recovery after having been stolen and the vehicle is not otherwise subject to impoundment, the law enforcement officer shall make a good faith effort to determine the identity of the insurance company that provides coverage for the vehicle. If the law enforcement officer determines the identity of the insurance company, he or she shall inform the operator of the tow car of the identity of the insurance company. If the law enforcement officer does not inform the operator of the tow car of the identity of the insurance company, the operator of the tow car shall make a good faith effort to determine the identity of the
insurance company from the law enforcement officer and the owner or operator of the vehicle. If the operator of the tow car:

(a) Is informed by a law enforcement officer of the identity of the insurance company that provides coverage for the vehicle; or

(b) Otherwise determines the identity of the insurance company that provides coverage for the vehicle,

and the insurance company has designated a vehicle storage lot pursuant to subsection 1, the operator of the tow car shall tow the vehicle to the designated vehicle storage lot unless the owner or operator of the vehicle, pursuant to subsection 4, or a representative of the insurance company has directed otherwise. The owner or operator of the vehicle shall be deemed to have consented to towing the vehicle to the vehicle storage lot designated by the insurance company that provides coverage for the vehicle.

3. [If an operator of a tow car fails to tow a vehicle to the designated vehicle storage lot pursuant to subsection 2, the operator of the tow car shall:

(a) Forfeit the charge for towing and storage of the vehicle; and

(b) Tow the vehicle free of charge to the vehicle storage lot designated by the insurance company or its representative not later than 24 hours after receiving a demand, which must be made in writing or by electronic mail, from the insurance company or its representative.] The operator of a tow car shall retain any documents provided by a law enforcement officer pursuant to subsection 2 indicating the identity of the insurance company that provides coverage for a vehicle that is towed at the request of the law enforcement officer. The operator of a tow car shall provide copies of such documents to a vehicle storage lot upon delivery of the vehicle to the vehicle storage lot.

4. An owner or operator of a vehicle shall not direct an operator of a tow car to tow the vehicle to a vehicle storage lot other than the vehicle storage lot designated by the insurance company pursuant to subsection 1, but may direct an operator of a tow car to tow the vehicle to a location other than a vehicle storage lot. If an owner or operator of a vehicle directs an operator of a tow car to tow the vehicle to such a location, the operator of the tow car shall require the owner or operator of the vehicle to confirm in writing that he or she, a law enforcement officer, if one is on the scene, shall confirm that the owner or operator of the vehicle directed the operator of the tow car to tow the vehicle to a location other than the designated vehicle storage lot and that the operator of the tow car did not solicit the owner or operator of the vehicle in violation of subsection 2 of section 3 of this act, and shall note the decision of the owner or operator of the vehicle in any report of the incident. If a law enforcement officer is not on the scene, the operator of the tow car shall require the owner or operator of the vehicle to confirm in writing on a form prescribed by the Authority that he or she directed the operator of the tow car to tow the vehicle to a location other than the designated vehicle storage lot and that the operator of the tow car did not solicit the owner or operator of the vehicle in violation of subsection 2 of section 3 of this act. The operator of the tow car shall retain such written
a copy of any documentation provided by the law enforcement officer or agency and any form signed by the owner or operator of the vehicle.

5. The owners of a vehicle storage lot designated by an insurance company pursuant to subsection 1 shall agree in writing to indemnify the relevant law enforcement agencies and their officers, employees, agents and representatives from any liability relating to the towing of a vehicle insured by the designating insurance company and to the storing of the vehicle at the vehicle storage lot if the law enforcement officer who requested the towing of the vehicle made a good faith effort to comply with the provisions of subsection 2.

§ 6. A vehicle storage lot must:
(a) Maintain adequate, accessible and secure storage within the State of Nevada for any vehicle that is towed to the vehicle storage lot;
(b) Comply with all standards a law enforcement agency may adopt pursuant to NRS 706.4485 to protect the health, safety and welfare of the public;
(c) Comply with all local laws and ordinances applicable to that business, including, without limitation, local laws and ordinances relating to business licenses, zoning, building and fire codes, parking, paving, lights and security; and
(d) If the vehicle storage lot is a salvage pool as that term is defined in NRS 487.400, comply with all applicable requirements imposed pursuant to NRS 487.400 to 487.510, inclusive.

§ 7. If a vehicle storage lot has rates and charges that have been approved by the Authority for the storage of a vehicle, the vehicle storage lot is not required to assess those rates and charges for the storage of a vehicle that is towed to the vehicle storage lot in accordance with this section, but may not assess a rate or charge in excess of those approved rates and charges. If a vehicle storage lot does not have rates and charges that have been approved by the Authority, it may not assess a rate or charge in excess of the rates and charges for the storage of a vehicle that have been approved by the law enforcement agency that requested the tow. If the requesting law enforcement agency does not have approved rates and charges, the vehicle storage lot may not assess a rate or charge in excess of the rates and charges for the storage of a vehicle that have been approved by the largest law enforcement agency in the county. An operator of a tow car who tows a vehicle to a vehicle storage lot pursuant to this section:
(a) Shall assess the rates and charges approved by the Authority for towing the vehicle.
(b) Is entitled to payment from the operator of the vehicle storage lot at the time the vehicle is towed to the vehicle storage lot.

§ 8. Before designating a vehicle storage lot pursuant to subsection 1, an insurance company must obtain the approval of the Authority. The
Authority shall approve the designation if the Authority determines that the vehicle storage lot has:

(a) Executed an indemnification agreement that meets the requirements of subsection [4];

(b) Satisfied the requirements of subsection [5]; and

(c) Otherwise satisfied the requirements of this section.

In any county whose population is 700,000 or more, an ordinance adopted pursuant to subsection 1 may authorize the city to request the operator of a tow car to abate a condition by towing abandoned or junk vehicles which are not concealed from ordinary public view by means of inside storage, suitable fencing, opaque covering, trees, shrubbery or other means if the governing body or its designee has directed the abatement of the condition pursuant to subsection 4. The operator of a tow car requested to tow a vehicle by a city pursuant to this section must comply with the provisions of NRS 706.445 to 706.453, inclusive [4], and sections 2 and 3 of this act.
4. The governing body or its designee may direct the city to abate the condition on the property and may recover the amount expended by the city for labor and materials used to abate the condition or request abatement by the operator of a tow car pursuant to subsection 3 if:

   (b) After a hearing in which the owner did not prevail, the owner has not filed an appeal within the time prescribed in the ordinance adopted pursuant to subsection 1 and has failed to abate the condition within the period specified in the order; or
   (c) The governing body or a court of competent jurisdiction has denied the appeal of the owner and the owner has failed to abate the condition within the period specified in the order.

5. In addition to any other reasonable means for recovering money expended by the city to abate the condition and, except as otherwise provided in subsection 6, for collecting civil penalties imposed pursuant to the ordinance adopted pursuant to subsection 1, the governing body or its designee may make the expense and civil penalties a special assessment against the property upon which the condition is or was located. The special assessment may be collected at the same time and in the same manner as ordinary county taxes are collected, and is subject to the same penalties and the same procedure and sale in case of delinquency as provided for ordinary county taxes. All laws applicable to the levy, collection and enforcement of county taxes are applicable to such a special assessment.

6. Any civil penalties that have not been collected from the owner of the property may not be made a special assessment against the property pursuant to subsection 5 by the governing body or its designee unless:

8. As used in this section, “dangerous structure or condition” means a structure or condition that may cause injury to or endanger the health, life, property, safety or welfare of the general public or the occupants, if any, of the real property on which the structure or condition is located. Amendment No. 932.
AN ACT relating to crimes; establishing the crime of unlawful dissemination of an intimate image of a person; prohibiting certain acts relating to an intimate image of another person; revising provisions relating to sexual assault and the abuse of a child; setting forth provisions relating to expert testimony in a prosecution for pandering or sex trafficking; revising provisions concerning acts of open or gross lewdness, open and indecent or obscene exposure, lewdness with a child and statutory sexual seduction; revising provisions relating to sexual conduct between certain pupils and certain employees of or volunteers at a school and between certain students and certain employees of a college or university; setting forth various provisions relating to the admissibility of evidence and expert testimony in criminal and juvenile delinquency actions; prohibiting a court from ordering the victim of or a witness to a sexual offense to take or submit to a psychological or psychiatric examination in certain criminal or juvenile delinquency actions; authorizing the court to exclude in certain circumstances the testimony of a licensed psychologist, psychiatrist or clinical worker; providing penalties; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Sections 1-6.5 of this bill establish the crime of unlawful dissemination of an intimate image of a person. Section 3 defines the term “intimate image” generally as a photograph, film, videotape or other recorded image, or any
reproduction thereof, which depicts: (1) the fully exposed nipple of the female breast of another person; or (2) one or more persons engaged in sexual conduct. Section 3 also provides that an image which would otherwise constitute an intimate image is not an intimate image if the person depicted in the image: (1) is not clearly identifiable; (2) voluntarily exposed himself or herself in a public or commercial setting; or (3) is a public figure.

Section 5 provides that a person commits the crime of unlawful dissemination of an intimate image and is guilty of a category D felony when, with the intent to harass, harm or terrorize another person, the person electronically disseminates or sells an intimate image which depicts the other person and the other person: (1) did not give prior consent to the electronic dissemination or sale; (2) had a reasonable expectation that the intimate image would be kept private and would not be made visible to the public; and (3) was at least 18 years of age when the intimate image was created. Section 5 also sets forth certain exceptions regarding when an intimate image may be lawfully electronically disseminated. Under section 6, a person is guilty of a category D felony if he or she demands payment of money, property, services or anything else of value from a person in exchange for removing an intimate image from public view. Section 6.5 provides that the provisions of sections 1-6 must not be construed to impose liability on an interactive computer service, as that term is defined in federal law, for any content provided by another person.

Existing law provides that a person who forces another person under certain circumstances to make a sexual penetration on himself or herself or another, or on a beast, is guilty of sexual assault. (NRS 200.366) Section 8 of this bill additionally provides that a person who commits a sexual penetration upon a child under the age of 14 years or causes a child under the age of 14 years to make a sexual penetration on himself or herself or another, or on a beast, is guilty of sexual assault. Section 8 further provides that, except in certain circumstances, such provisions do not apply to a person who commits any such act upon a child under the age of 14 years if the person committing the act is less than 18 years of age and is not more than 2 years older than the person upon whom the act is committed.

Existing law also provides that a person who commits any act of open or gross lewdness or who makes any open and indecent or obscene exposure of his or her person, or of the person of another, is guilty of a gross misdemeanor for the first offense and a category D felony for any subsequent offense. (NRS 201.210, 201.220) Under sections 13 and 14 of this bill, if a person commits any such offense and he or she has previously been convicted of a sexual offense, or if the person commits any such offense in the presence of a child under the age of 18 years or a vulnerable person, the person is guilty of a category D felony.

Additionally, under existing law, a person who commits certain acts with a child under the age of 14 years is guilty of lewdness with a child and is guilty of a category A felony. (NRS 201.230) Section 15 of this bill provides that a
person is guilty of lewdness with a child if the person: (1) is 18 years of age or older and commits certain acts with a child under the age of 16 years; or (2) is under the age of 18 years and commits certain acts with a child under the age of 14 years. Section 15 also provides that if a person commits lewdness with: (1) a child under the age of 14, he or she is guilty of a category A felony; and (2) a child who is 14 or 15, he or she is guilty of a category B felony.

Section 7 of this bill revises the definition of the term “statutory sexual seduction,” and section 8.5 of this bill revises the penalties imposed for the crime of statutory sexual seduction.

Section 10 of this bill provides that certain persons are guilty of a category A felony if they willfully cause, permit or allow a child to suffer unjustifiable physical pain or mental suffering as a result of abuse or neglect or to be placed in a situation where the child may suffer physical pain or mental suffering as the result of abuse or neglect, and substantial bodily or mental harm results to the child which includes certain severe injuries.

Sections 12, 23 and 24 of this bill revise various provisions relating to the admissibility of expert testimony and evidence in certain criminal and juvenile delinquency cases. Section 12 provides that in a prosecution for pandering or sex trafficking, certain expert testimony that is offered by the prosecution or defense is admissible for any relevant purpose, but certain other expert testimony cannot be offered against the defendant to prove the occurrence of an act which forms the basis of a criminal charge against the defendant. Under section 23, expert testimony offered by the prosecution or defense which concerns the behavior of a defendant in preparing a child under the age of 18 or a vulnerable person for sexual abuse by the defendant is admissible for any purpose. Section 24 prohibits a court in a criminal or juvenile delinquency action relating to the commission of a sexual offense from ordering a victim of or witness to a sexual offense to take or submit to a psychological or psychiatric examination. Section 24 also authorizes the court to exclude the testimony of a licensed psychologist, psychiatrist or clinical worker who performed a psychological or psychiatric examination on a victim or witness in certain circumstances.

The following amendment was proposed by Senator Harris:
Amendment No. 913.
SUMMARY—Revises provisions governing [lien of a unit-owners' association] common-interest communities. (BDR 10-821)
AN ACT relating to common-interest communities; requiring the establishment of an impound account for the payment of certain assessments under certain circumstances; providing for the payment of assessments for common expenses from the impound account; revising provisions relating to the nonjudicial foreclosure of a unit-owners' association's lien; authorizing a right of redemption after the foreclosure of an association's lien by sale under certain circumstances; authorizing the Commission for Common-Interest Communities and Condominium Hotels to adopt regulations to carry out the requirement for impound accounts; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Under existing law, a unit-owners' association has a lien on a unit for certain amounts due to the association. Generally, the association's lien is prior to all other liens on a unit, except: (1) liens recorded before the recordation of the declaration; (2) the first security interest on the unit; and (3) liens for real estate taxes and other governmental assessments or charges against the unit. However, the association’s lien is prior to the first security interest on the unit to the extent of certain maintenance and abatement charges and a certain amount of assessments for common expenses. The portion of the association’s lien that is prior to the first security interest is commonly referred to as the “super-priority lien.” (NRS 116.3116) Existing law authorizes a unit-owners’ association to foreclose its lien through a nonjudicial foreclosure process. (NRS 116.31162-116.31168)
Under existing law, the holder of the first security interest on the unit may establish an impound account for advance contributions for the payment of assessments, if the unit’s owner and the holder of the first security interest consent to the establishment of such an account. (NRS 116.3116) Section 3.5 of this bill provides that if there is an impound account established for the payment of property taxes or insurance premiums, the holder of the first security interest, if other than a credit union, is required to establish such an impound account for advance contributions for the payment of certain
assessments. Section 3.5 requires payments to be made from the account for assessments for common expenses in accordance with the same due dates as apply to the payment of assessments by a unit’s owner or in quarterly installments that are due on the first day of each calendar quarter. Under section 3.5, if the assessments for common expenses are paid in quarterly installments from the impound account, the due date of the assessments is deemed to be the first day of the calendar quarter. Section 3.5 provides that: (1) if payments for assessments are timely made to an impound account, the super-priority lien does not arise; and (2) if an impound account is established, the association must provide notice of delinquency in the payment of assessments to the holder of the first security interest.

Section 4.7 of this bill provides that after a sale of a unit to enforce the association’s lien, the unit’s owner or a holder of a security interest on the unit may redeem the unit by paying certain amounts to the purchaser within 60 days after the sale. If the unit’s owner redeems the unit, the unit’s owner is restored to his or her ownership of the unit. If a holder of a security interest on the unit redeems the unit, that holder is entitled to a deed without warranty which conveys to the holder all title of the unit’s owner to the unit. Section 4.7 further provides that upon expiration of the redemption period, any failure to comply with the requirements of existing law for the foreclosure of the association’s lien does not affect the rights of a bona fide purchaser or encumbrancer for value.

Section 7.5 of this bill authorizes the Commission for Common-Interest Communities and Condominium Hotels to adopt regulations to carry out the provisions of section 3.5 relating to impound accounts, including, without limitation, requirements for bonding, servicing costs and conflicts of interest for entities servicing such accounts.

Section 8 of this bill provides that: (1) the requirement to establish an impound account applies only to a holder of a first security interest on a unit that is recorded on or after January 1, 2016; and (2) the amendatory provisions [of this bill] related to the right of redemption apply only to a sale to enforce an association’s lien that occurs on or after July 1, 2015.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

6. If an escrow account, loan trust account or other impound account is established pursuant to subsection 3, not later than 30 days after a payment of an assessment described in subsection 3 is delinquent, the association must provide the holder of the security interest described in paragraph (b) of subsection 2 with a notice of delinquent assessment which states the amount of the assessments which are due, a description of the unit against which the assessment is imposed and the name of the record owner of the unit.

7. Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority.

8. Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required.

9. A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within 3 years after the full amount of the assessments becomes due.

10. This section does not prohibit actions to recover sums for which subsection 1 creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

11. A judgment or decree in any action brought under this section must include costs and reasonable attorney’s fees for the prevailing party.

12. The association, upon written request, shall furnish to a unit’s owner a statement setting forth the amount of unpaid assessments against the unit. If the interest of the unit’s owner is real estate or if a lien for the unpaid
assessments may be foreclosed under NRS 116.31162 to 116.31168, inclusive, the statement must be in recordable form. The statement must be furnished within 10 business days after receipt of the request and is binding on the association, the executive board and every unit’s owner.

13. In a cooperative, upon nonpayment of an assessment on a unit, the unit’s owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and:
   (a) In a cooperative where the owner’s interest in a unit is real estate under NRS 116.1105, the association’s lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.
   (b) In a cooperative where the owner’s interest in a unit is personal property under NRS 116.1105, the association’s lien:
       (1) May be foreclosed as a security interest under NRS 104.9101 to 104.9709, inclusive; or
       (2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

14. In an action by an association to collect assessments or to foreclose a lien created under this section, the court may appoint a receiver to collect all rents or other income from the unit alleged to be due and owing to a unit’s owner before commencement or during pendency of the action. The receivership is governed by chapter 32 of NRS. The court may order the receiver to pay any sums held by the receiver to the association during pendency of the action to the extent of the association’s common expense assessments based on a periodic budget adopted by the association pursuant to NRS 116.3115.

Sec. 4. (Deleted by amendment.)

Sec. 4.3. NRS 116.31164 is hereby amended to read as follows:

116.31164 1. The sale must be conducted in the county in which the common-interest community or part of it is situated, and may be conducted by the association, its agent or attorney, or a title insurance company or escrow agent licensed to do business in this State, except that the sale may be made at the office of the association if the notice of the sale so provided, whether the unit is located within the same county as the office of the association or not. The association or other person conducting the sale may from time to time postpone the sale by such advertisement and notice as it considers reasonable or, without further advertisement or notice, by proclamation made to the persons assembled at the time and place previously set and advertised for the sale.

2. On the day of sale originally advertised or to which the sale is postponed, at the time and place specified in the notice or postponement, the person conducting the sale may sell the unit at public auction to the highest cash bidder. Unless otherwise provided in the declaration or by agreement, the association may purchase the unit and hold, lease, mortgage or convey it. The association may purchase by a credit bid up to the amount of the unpaid
assessments and any permitted costs, fees and expenses incident to the enforcement of its lien.

3. After the sale, the person conducting the sale shall:

   (a) Make, execute and, after payment is made, deliver to the purchaser, or his or her successor or assign, a deed without warranty which conveys to the grantee all title of the unit’s owner to the unit; and

   (b) Deliver a copy of the deed to the Ombudsman within 30 days after the deed is delivered to the purchaser, or his or her successor or assign; and

   (c) Comply with the provisions of subsection 2 of NRS 116.31166; and

   (b) Apply the proceeds of the sale for the following purposes in the following order:

   1. The reasonable expenses of sale;

   2. The reasonable expenses of securing possession before sale, holding, maintaining, and preparing the unit for sale, including payment of taxes and other governmental charges, premiums on hazard and liability insurance, and, to the extent provided for by the declaration, reasonable attorney’s fees and other legal expenses incurred by the association;

   3. Satisfaction of the association’s lien;

   4. Satisfaction in the order of priority of any subordinate claim of record; and

   5. Remittance of any excess to the unit’s owner.

Sec. 4.7. NRS 116.31166 is hereby amended to read as follows:

116.31166  1. Every sale of a unit pursuant to NRS 116.31162 to 116.31168, inclusive, vests in the purchaser the title of the unit’s owner subject to the right of redemption provided by this section.

2. After the sale conducted pursuant to NRS 116.31164, the person conducting the sale shall:

   (a) Give to the purchaser a certificate of the sale containing:

    1. A particular description of the unit sold;

    2. The price bid for the unit;

    3. The whole price paid; and

    4. A statement that the unit is subject to redemption; and

   (b) Record a copy of the certificate in the office of the county recorder of the county in which the unit or part of it is located.

3. A unit sold pursuant to NRS 116.31162 to 116.31168, inclusive, may be redeemed by the unit’s owner whose interest in the unit was extinguished by the sale, or his or her successor in interest, or any holder of a recorded security interest that is subordinate to the lien on which the unit was sold, or that holder’s successor in interest. The unit’s owner whose interest in the unit was extinguished, the holder of the recorded security interest on the unit or a successor in interest of those persons may redeem the property at any time within 60 days after the sale by paying:

   (a) The purchaser the amount of his or her purchase price, with interest at the rate of 1 percent per month thereon in addition, to the time of redemption, plus:
(1) The amount of any assessment paid to the association by the purchaser before the redemption;

(2) The amount of any assessment, taxes or payments toward liens which were created before the purchase and which the purchaser may have paid thereon after the purchase, and interest on such amount;

(3) If the purchaser is also a creditor having a prior lien to that of the redemptioner, other than the association’s lien under which the purchase was made, the amount of such lien, and interest on such amount; and

(4) Any reasonable amount expended by the purchaser which is reasonably necessary to maintain and repair the unit in accordance with the standards set forth in the governing documents, including, without limitation, any provisions governing maintenance, standing water or snow removal.

(b) The association the amount of any assessments not paid to the association after the purchase and before the redemption.

(c) If the redemptioner is the holder of a recorded security interest on the unit or the holder’s successor in interest, the amount of any lien before his or her own lien, with interest, but the association’s lien under which the unit was sold is not required to be so paid as a lien.

4. Notice of redemption must be served by the person redeeming the unit on the person who conducted the sale and on the person from whom the unit is redeemed, together with:

(a) If the person redeeming the unit is the unit’s owner whose interest in the unit was extinguished by the sale or his or her successor in interest, a certified copy of the deed to the unit and, if the person redeeming the unit is the successor of that unit’s owner, a copy of any document necessary to establish that the person is the successor of the unit’s owner.

(b) If the person redeeming the unit is the holder of a recorded security interest on the unit or the holder’s successor in interest:

(1) An original or certified copy of the deed of trust securing the unit or a certified copy of any other recorded security interest of the holder.

(2) A copy of any assignment necessary to establish the claim of the person redeeming the unit, verified by the affidavit of that person, or that person’s agent, or of a subscribing witness thereto.

(3) An affidavit by the person redeeming the unit, or that person’s agent, showing the amount then actually due on the lien.

5. If the unit’s owner whose interest in the unit was extinguished by the sale redeems the property as provided in this section:

(a) The effect of the sale is terminated, and the unit’s owner is restored to his or her interest in the unit, subject to any security interest on the unit that existed at the time of sale; and

(b) The person to whom the redemption amount was paid must execute and deliver to the unit’s owner a certificate of redemption, acknowledged or approved before a person authorized to take acknowledgments of conveyances of real property, and the certificate must be recorded in the
office of the recorder of the county in which the unit or part of the unit is situated.

6. If the holder of a recorded security interest redeems the unit as provided in this section and the period for a redemption set forth in subsection 3 has expired, the person conducting the sale shall:

(a) Make, execute and, if the amount required to redeem the unit is paid to the person from whom the unit is redeemed, deliver to the person who redeemed the unit or his or her successor or assign, a deed without warranty which conveys to the person who redeemed the unit all title of the unit’s owner to the unit; and

(b) Deliver a copy of the deed to the Ombudsman within 30 days after the deed is delivered to the person who redeemed the unit, or his or her successor or assign.

7. If no redemption is made within 60 days after the date of sale, the person conducting the sale shall:

(a) Make, execute and, if payment is made, deliver to the purchaser, or his or her successor or assign, a deed without warranty which conveys to the purchaser all title of the unit’s owner to the unit; and

(b) Deliver a copy of the deed to the Ombudsman within 30 days after the deed is delivered to the purchaser, or his or her successor or assign.

8. The recitals in a deed made pursuant to NRS 116.31164 subsection 6 or 7 of:

(a) Default, the mailing of the notice of delinquent assessment, and the mailing and recording of the notice of default and election to sell;

(b) The elapsing of the 90-day period set forth in paragraph (c) of subsection 1 of NRS 116.31162; and

(c) The giving of notice of sale,

are conclusive proof of the matters recited.

9. A deed containing the recitals set forth in subsection 8 is conclusive against the unit’s former owner, his or her heirs and assigns, and all other persons. The receipt for the purchase money contained in such a deed is sufficient to discharge the purchaser from obligation to see to the proper application of the purchase money.

10. Upon the expiration of the redemption period set forth in subsection 3, any failure to comply with the provisions of NRS 116.3116 to 116.31168, inclusive, does not affect the rights of a bona fide purchaser or bona fide encumbrancer for value.

Assembly Bill No. 263.
Bill read third time.

The following amendment was proposed by Senator Brower:
Amendment No. 958.

AN ACT relating to domestic relations; repealing certain provisions relating to the custody of children and enacting certain similar provisions relating to the custody of children; prohibiting a parent who has primary or joint physical custody of a child pursuant to an order, judgment or decree of a court from relocating with the child outside this State or to certain locations within this State without the written consent of the [noncustodial] other parent or the permission of the court as the circumstances require; authorizing [a non-relocating parent to recover] an award of reasonable attorney’s fees and costs to a parent in certain circumstances; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law sets forth provisions concerning the custody of children as it relates to the dissolution of marriage. (NRS 125.450-125.520) Section 19 of this bill repeals almost all of these provisions. Sections 3-12 of this bill add such repealed provisions, with certain revisions, to chapter 125C of NRS, which concerns custody and visitation of children generally. The addition of such provisions to chapter 125C of NRS expands their applicability to the custody of all children regardless of whether they were born to parents who were married or unmarried.

Section 4 provides that absent a determination by a court regarding the custody of a child, each parent has joint legal custody and joint physical custody of the child until otherwise ordered by a court. Sections 5 and 6 provide that if a parent has demonstrated, or has attempted to demonstrate but has had his or her efforts frustrated by the other parent, an intent to establish a meaningful relationship with a child, such a demonstration or attempted demonstration creates a presumption that joint legal and physical custody, respectively, is in the best interest of the child. Section 7 authorizes a court to award primary physical custody to a parent if the court determines that joint physical custody is not in the best interest of a child, and sets forth circumstances in which an award of joint physical custody is presumed not to be in the best interest of a child. Section 7 also sets forth the circumstances in which a court may award primary physical custody to a mother or father of a child born out of wedlock.

Existing law requires a parent with primary physical custody of a child who intends to move outside this State with the child to: (1) obtain the written consent of the noncustodial parent; or (2) if the noncustodial parent
refuses to give such consent, petition the court for permission to move with
the child. (NRS 125C.200) Section 16 of this bill additionally requires a
parent with primary physical custody of a child to take such actions if the
parent intends to relocate to a place within this State that is at such a distance
that would substantially impair the ability of the other parent to maintain a
meaningful relationship with the child. Section 13 of this bill requires a
parent who has joint physical custody of a child pursuant to an order,
judgment or decree of a court and wants to relocate outside this State or to a
place within this State that is at such a distance that would substantially
impair the ability of the other parent to maintain a meaningful relationship
with the child to: (1) obtain the written consent of the non-relocating parent;
or (2) if the non-relocating parent refuses to give such consent, petition the
court for primary physical custody of the child for the purpose of relocating.
Sections 13 and 16 also authorize the court to award reasonable attorney’s
fees and costs to a relocating parent or custodial parent, respectively, if the
non-relocating parent or noncustodial parent refused to give consent to the
relocation: (1) without having reasonable grounds for such refusal; or (2) for
the purpose of harassing the relocating or custodial parent.

Section 14 of this bill requires a parent who files a petition for permission
to relocate with a child to demonstrate to the court certain reasons and
benefits relating to the relocation. Section 14 also requires the court to
consider certain factors in determining whether to allow a parent to relocate
with a child. Under section 18 of this bill, a parent who relocates with a child
without the required written consent of the noncustodial other parent or the
permission of the court or before the court enters an order granting the
parent primary physical custody of the child and permission to relocate with
the child, as applicable, is guilty of a category D felony unless the parent:
(1) demonstrates a compelling excuse for the relocation; or (2) relocated to
protect the child or the parent from danger. Additionally, section 15 of this
bill provides that if a parent relocates with a child in violation of section 18:
(1) the court cannot consider any post-relocation facts or circumstances
regarding the welfare of the child or the relocating parent in making any
determination; and (2) the non-relocating parent can recover reasonable
attorney’s fees and costs incurred as a result of the relocating parent’s
violation.

Section 18 further provides that a parent who, pursuant to section 4, has
joint legal and physical custody of a child because a court has not made a
determination regarding the custody of the child is prohibited from willfully
concealing or removing the child from the custody of the other parent with
the specific intent to frustrate the efforts of the other parent to establish or
maintain a meaningful relationship with the child. Unless a parent who takes
such actions can demonstrate to the satisfaction of the court that he or she
was protecting the child or himself or herself from an act that constitutes
domestic violence, the parent is guilty of a category D felony.
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 125.040 is hereby amended to read as follows:

125.040 1. In any suit for divorce the court may, in its discretion, upon
application by either party and notice to the other party, require either party
to pay moneys necessary to assist the other party in accomplishing one or
more of the following:
   (a) To provide temporary maintenance for the other party;
   (b) To provide temporary support for children of the parties; or
   (c) To enable the other party to carry on or defend such suit.

2. The court may make any order affecting property of the parties, or
either of them, which it may deem necessary or desirable to accomplish the
purposes of this section. Such orders shall be made by the court only after
taking into consideration the financial situation of each of the parties.

3. The court may make orders pursuant to this section concurrently with
orders pursuant to [NRS 125.470.] section 12 of this act.

Sec. 2. Chapter 125C of NRS is hereby amended by adding thereto the
provisions set forth as sections 3 to 15, inclusive, of this act.

Sec. 3. The Legislature declares that it is the policy of this State:

1. To ensure that minor children have frequent associations and a
continuing relationship with both parents after the parents have ended their
relationship, become separated or dissolved their marriage;

2. To encourage such parents to share the rights and responsibilities of
child rearing; and

3. To establish that such parents have an equivalent duty to provide their
minor children with necessary maintenance, health care, education and financial support. As used in this subsection, “equivalent” must not be
construed to mean that both parents are responsible for providing the same
amount of financial support to their children.

Sec. 4.

1. The parent and child relationship extends equally to every
child and to every parent, regardless of the marital status of the parents.

2. If a court has not made a determination regarding the custody of a
child, each parent has joint legal custody and joint physical custody of the
child until otherwise ordered by a court of competent jurisdiction.

Sec. 5.

1. When a court is making a determination regarding the legal
custody of a child, there is a presumption, affecting the burden of proof, that
joint legal custody would be in the best interest of a minor child if:
   (a) The parents have agreed to an award of joint legal custody or so agree
in open court at a hearing for the purpose of determining the legal custody of
the minor child; or
   (b) A parent has demonstrated, or has attempted to demonstrate but has
had his or her efforts frustrated by the other parent, an intent to establish a
meaningful relationship with the minor child.

2. The court may award joint legal custody without awarding joint
physical custody.
Sec. 6. 1. When a court is making a determination regarding the physical custody of a child, there is a preference that joint physical custody would be in the best interest of a minor child if:
   (a) The parents have agreed to an award of joint physical custody or so agree in open court at a hearing for the purpose of determining the physical custody of the minor child; or
   (b) A parent has demonstrated, or has attempted to demonstrate but has had his or her efforts frustrated by the other parent, an intent to establish a meaningful relationship with the minor child.

2. For assistance in determining whether an award of joint physical custody is appropriate, the court may direct that an investigation be conducted.

Sec. 7. 1. A court may award primary physical custody to a parent if the court determines that joint physical custody is not in the best interest of a child. An award of joint physical custody is presumed not to be in the best interest of the child if:
   (a) The court determines by substantial evidence that a parent is unable to adequately care for a minor child for at least 146 days of the year;
   (b) A child is born out of wedlock and the provisions of subsection 2 are applicable; or
   (c) Except as otherwise provided in subsection 6 of section 8 of this act or NRS 125C.210, there has been a determination by the court after an evidentiary hearing and finding by clear and convincing evidence that a parent has engaged in one or more acts of domestic violence against the child, a parent of the child or any other person residing with the child. The presumption created by this paragraph is a rebuttable presumption.

2. A court may award primary physical custody of a child born out of wedlock to:
   (a) The mother of the child if:
      (1) The mother has not married the father of the child;
      (2) A judgment or order of a court, or a judgment or order entered pursuant to an expedited process, determining the paternity of the child has not been entered; and
      (3) The father of the child:
         (I) Is not subject to any presumption of paternity under NRS 126.051;
         (II) Has never acknowledged paternity pursuant to NRS 126.053; or
         (III) Has had actual knowledge of his paternity but has abandoned the child.
   (b) The father of the child if:
      (1) The mother has abandoned the child; and
      (2) The father has provided sole care and custody of the child in her absence.

3. As used in this section:
   (a) "Abandoned" means that a mother or father has:
1. Failed, for a continuous period of not less than 6 months, to provide substantial personal and economic support to the child; or
2. Knowingly declined, for a continuous period of not less than 6 months, to have any meaningful relationship with the child.

(b) “Expedited process” has the meaning ascribed to it in NRS 126.161.

Sec. 8. 1. In any action for determining physical custody of a minor child, the sole consideration of the court is the best interest of the child. If it appears to the court that joint physical custody would be in the best interest of the child, the court may grant physical custody to the parties jointly.

2. Preference must not be given to either parent for the sole reason that the parent is the mother or the father of the child.

3. The court shall award physical custody in the following order of preference unless in a particular case the best interest of the child requires otherwise:
   (a) To both parents jointly pursuant to section 6 of this act or to either parent pursuant to section 7 of this act. If the court does not enter an order awarding joint physical custody of a child after either parent has applied for joint physical custody, the court shall state in its decision the reason for its denial of the parent’s application.
   (b) To a person or persons in whose home the child has been living and where the child has had a wholesome and stable environment.
   (c) To any person related within the fifth degree of consanguinity to the child whom the court finds suitable and able to provide proper care and guidance for the child, regardless of whether the relative resides within this State.
   (d) To any other person or persons whom the court finds suitable and able to provide proper care and guidance for the child.

4. In determining the best interest of the child, the court shall consider and set forth its specific findings concerning, among other things:
   (a) The wishes of the child if the child is of sufficient age and capacity to form an intelligent preference as to his or her physical custody.
   (b) Any nomination of a guardian for the child by a parent.
   (c) Which parent is more likely to allow the child to have frequent associations and a continuing relationship with the noncustodial parent.
   (d) The level of conflict between the parents.
   (e) The ability of the parents to cooperate to meet the needs of the child.
   (f) The mental and physical health of the parents.
   (g) The physical, developmental and emotional needs of the child.
   (h) The nature of the relationship of the child with each parent.
   (i) The ability of the child to maintain a relationship with any sibling.
   (j) Any history of parental abuse or neglect of the child or a sibling of the child.
   (k) Whether either parent or any other person seeking physical custody has engaged in an act of domestic violence against the child, a parent of the child or any other person residing with the child.
(l) Whether either parent or any other person seeking physical custody has committed any act of abduction against the child or any other child.

5. Except as otherwise provided in subsection 6 or NRS 125C.210, a determination by the court after an evidentiary hearing and finding by clear and convincing evidence that either parent or any other person seeking physical custody has engaged in one or more acts of domestic violence against the child, a parent of the child or any other person residing with the child creates a rebuttable presumption that sole or joint physical custody of the child by the perpetrator of the domestic violence is not in the best interest of the child. Upon making such a determination, the court shall set forth:

(a) Findings of fact that support the determination that one or more acts of domestic violence occurred; and

(b) Findings that the custody or visitation arrangement ordered by the court adequately protects the child and the parent or other victim of domestic violence who resided with the child.

6. If after an evidentiary hearing held pursuant to subsection 5 the court determines that each party has engaged in acts of domestic violence, it shall, if possible, then determine which person was the primary physical aggressor. In determining which party was the primary physical aggressor for the purposes of this section, the court shall consider:

(a) All prior acts of domestic violence involving either party;

(b) The relative severity of the injuries, if any, inflicted upon the persons involved in those prior acts of domestic violence;

(c) The likelihood of future injury;

(d) Whether, during the prior acts, one of the parties acted in self-defense; and

(e) Any other factors which the court deems relevant to the determination.

In such a case, if it is not possible for the court to determine which party is the primary physical aggressor, the presumption created pursuant to subsection 5 applies to both parties. If it is possible for the court to determine which party is the primary physical aggressor, the presumption created pursuant to subsection 5 applies only to the party determined by the court to be the primary physical aggressor.

7. A determination by the court after an evidentiary hearing and finding by clear and convincing evidence that either parent or any other person seeking physical custody has committed any act of abduction against the child or any other child creates a rebuttable presumption that sole or joint physical custody or unsupervised visitation of the child by the perpetrator of the abduction is not in the best interest of the child. If the parent or other person seeking physical custody does not rebut the presumption, the court shall not enter an order for sole or joint physical custody or unsupervised visitation of the child by the perpetrator and the court shall set forth:

(a) Findings of fact that support the determination that one or more acts of abduction occurred; and
(b) Findings that the custody or visitation arrangement ordered by the court adequately protects the child and the parent or other person from whom the child was abducted.

8. For the purposes of subsection 7, any of the following acts constitute conclusive evidence that an act of abduction occurred:
   (a) A conviction of the defendant of any violation of NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct;
   (b) A plea of guilty or nolo contendere by the defendant to any violation of NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct; or
   (c) An admission by the defendant to the court of the facts contained in the charging document alleging a violation of NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct.

9. If, after a court enters a final order concerning physical custody of the child, a magistrate determines there is probable cause to believe that an act of abduction has been committed against the child or any other child and that a person who has been awarded sole or joint physical custody or unsupervised visitation of the child has committed the act, the court shall, upon a motion to modify the order concerning physical custody, reconsider the previous order concerning physical custody pursuant to subsections 7 and 8.

10. As used in this section:
   (a) “Abduction” means the commission of an act described in NRS 200.310 to 200.340, inclusive, or 200.359 or a law of any other jurisdiction that prohibits the same or similar conduct.
   (b) “Domestic violence” means the commission of any act described in NRS 33.018.

Sec. 9. 1. Before the court makes an order awarding custody to any person other than a parent, without the consent of the parents, it shall make a finding that an award of custody to a parent would be detrimental to the child and the award to a nonparent is required to serve the best interest of the child.

2. No allegation that parental custody would be detrimental to the child, other than a statement of that ultimate fact, may appear in the pleadings.

3. The court may exclude the public from any hearing on this issue.

Sec. 10. 1. In any action for determining the custody of a minor child, the court may, except as otherwise provided in this section and NRS 125C.0601 to 125C.0693, inclusive, and chapter 130 of NRS:
   (a) During the pendency of the action, at the final hearing or at any time thereafter during the minority of the child, make such an order for the custody, care, education, maintenance and support of the minor child as appears in his or her best interest; and
(b) At any time modify or vacate its order, even if custody was determined pursuant to an action for divorce and the divorce was obtained by default without an appearance in the action by one of the parties.

The party seeking such an order shall submit to the jurisdiction of the court for the purposes of this subsection. The court may make such an order upon the application of one of the parties or the legal guardian of the minor.

2. Any order for joint custody may be modified or terminated by the court upon the petition of one or both parents or on the court’s own motion if it is shown that the best interest of the child requires the modification or termination. The court shall state in its decision the reasons for the order of modification or termination if either parent opposes it.

3. Any order for custody of a minor child entered by a court of another state may, subject to the provisions of NRS 125C.0601 to 125C.0693, inclusive, and to the jurisdictional requirements in chapter 125A of NRS, be modified at any time to an order of joint custody.

4. A party may proceed pursuant to this section without counsel.

5. Any order awarding a party a limited right of custody to a child must define that right with sufficient particularity to ensure that the rights of the parties can be properly enforced and that the best interest of the child is achieved. The order must include all specific times and other terms of the limited right of custody. As used in this subsection, “sufficient particularity” means a statement of the rights in absolute terms and not by the use of the term “reasonable” or other similar term which is susceptible to different interpretations by the parties.

6. All orders authorized by this section must be made in accordance with the provisions of chapter 125A of NRS and NRS 125C.0601 to 125C.0693, inclusive, and must contain the following language:

**PENALTY FOR VIOLATION OF ORDER: THE ABDUCTION, CONCEALMENT OR DETENTION OF A CHILD IN VIOLATION OF THIS ORDER IS PUNISHABLE AS A CATEGORY D FELONY AS PROVIDED IN NRS 193.130. NRS 200.359 provides that every person having a limited right of custody to a child or any parent having no right of custody to the child who willfully detains, conceals or removes the child from a parent, guardian or other person having lawful custody or a right of visitation of the child in violation of an order of this court, or removes the child from the jurisdiction of the court without the consent of either the court or all persons who have the right to custody or visitation is subject to being punished for a category D felony as provided in NRS 193.130.**

7. In addition to the language required pursuant to subsection 6, all orders authorized by this section must specify that the terms of the Hague Convention of October 25, 1980, adopted by the 14th Session of the Hague Conference on Private International Law, apply if a parent abducts or wrongfully retains a child in a foreign country.

8. If a parent of the child lives in a foreign country or has significant commitments in a foreign country:
(a) The parties may agree, and the court shall include in the order for custody of the child, that the United States is the country of habitual residence of the child for the purposes of applying the terms of the Hague Convention as set forth in subsection 7.

(b) Upon motion of one of the parties, the court may order the parent to post a bond if the court determines that the parent poses an imminent risk of wrongfully removing or concealing the child outside the country of habitual residence. The bond must be in an amount determined by the court and may be used only to pay for the cost of locating the child and returning the child to his or her habitual residence if the child is wrongfully removed from or concealed outside the country of habitual residence. The fact that a parent has significant commitments in a foreign country does not create a presumption that the parent poses an imminent risk of wrongfully removing or concealing the child.

9. Except where a contract providing otherwise has been executed pursuant to NRS 123.080, the obligation for care, education, maintenance and support of any minor child created by any order entered pursuant to this section ceases:

(a) Upon the death of the person to whom the order was directed; or
(b) When the child reaches 18 years of age if the child is no longer enrolled in high school, otherwise, when the child reaches 19 years of age.

10. As used in this section, a parent has “significant commitments in a foreign country” if the parent:

(a) Is a citizen of a foreign country;
(b) Possesses a passport in his or her name from a foreign country;
(c) Became a citizen of the United States after marrying the other parent of the child; or
(d) Frequently travels to a foreign country.

Sec. 11. 1. The court may, when appropriate, require the parents to submit to the court a plan for carrying out the court’s order concerning custody.

2. Access to records and other information pertaining to a minor child, including, without limitation, medical, dental and school records, must not be denied to a parent for the reason that the parent is not the child’s custodial parent.

Sec. 12. 1. If, during any action for determining the custody of a minor child, either before or after the entry of a final order concerning the custody of a minor child, it appears to the court that any minor child of either party has been, or is likely to be, taken or removed out of this State or concealed within this State, the court shall forthwith order such child to be produced before it and make such disposition of the child’s custody as appears most advantageous to and in the best interest of the child and most likely to secure to him or her the benefit of the final order or the modification or termination of the final order to be made in his or her behalf.
2. If, during any action for determining the custody of a minor child, either before or after the entry of a final order concerning the custody of a minor child, the court finds that it would be in the best interest of the minor child, the court may enter an order providing that a party may, with the assistance of the appropriate law enforcement agency, obtain physical custody of the child from the party having physical custody of the child. The order must provide that if the party obtains physical custody of the child, the child must be produced before the court as soon as practicable to allow the court to make such disposition of the child’s custody as appears most advantageous to and in the best interest of the child and most likely to secure to him or her the benefit of the final order or the modification or termination of the final order to be made in his or her behalf.

3. If the court enters an order pursuant to subsection 2 providing that a party may obtain physical custody of a child, the court shall order that party to give the party having physical custody of the child notice at least 24 hours before the time at which he or she intends to obtain physical custody of the child, unless the court deems that requiring the notice would likely defeat the purpose of the order.

4. All orders for a party to appear with a child issued pursuant to this section may be enforced by issuing a warrant of arrest against that party to secure his or her appearance with the child.

5. A proceeding under this section must be given priority on the court calendar.

Sec. 13. 1. If joint physical custody has been established pursuant to an order, judgment or decree of a court and one parent intends to relocate his or her residence to a place outside of this State or to a place within this State that is at such a distance that would substantially impair the ability of the other parent to maintain a meaningful relationship with the child, and the relocating parent desires to take the child with him or her, the relocating parent shall, before relocating:

(a) Attempt to obtain the written consent of the non-relocating parent to relocate with the child; and

(b) If the non-relocating parent refuses to give that consent, petition the court for primary physical custody for the purpose of relocating.

2. The court may award reasonable attorney’s fees and costs to the relocating parent if the court finds that the non-relocating parent refused to consent to the relocating parent’s relocation with the child:

(a) Without having reasonable grounds for such refusal; or

(b) For the purpose of harassing the relocating parent.

3. A parent who relocates with a child pursuant to this section before the court enters an order granting the parent primary physical custody of the child and permission to relocate with the child is subject to the provisions of NRS 200.359.
Sec. 14. 1. In every instance of a petition for permission to relocate with a child that is filed pursuant to NRS 125C.200 or section 13 of this act, the relocating parent must demonstrate to the court that:
(a) There exists a sensible, good-faith reason for the move, and the move is not intended to deprive the non-relocating parent of his or her parenting time;
(b) The best interests of the child are served by allowing the relocating parent to relocate with the child; and
(c) The child and the relocating parent will benefit from an actual advantage that currently exists or is certain to exist before the time as a result of the relocation.
(d) If the parents currently share joint custody of the child, the child will do substantially better in the new location than the child would if he or she remained in this State with the non-relocating parent.
2. If a relocating parent demonstrates to the court the provisions set forth in subsection 1, the court must then weigh the following factors and the impact of each on the child, the relocating parent and the non-relocating parent, including, without limitation, the extent to which the compelling interests of the child, the relocating parent and the non-relocating parent are accommodated:
(a) The extent to which the relocation is likely to improve the quality of life for the child and the relocating parent;
(b) Whether the motives of the relocating parent are honorable and not designed to frustrate or defeat any visitation rights accorded to the non-relocating parent;
(c) Whether the relocating parent will comply with any substitute visitation orders issued by the court if permission to relocate is granted;
(d) Whether the motives of the non-relocating parent are honorable in resisting the petition for permission to relocate or to what extent any opposition to the petition for permission to relocate is intended to secure a financial advantage in the form of ongoing support obligations or otherwise;
(e) Whether there will be a realistic opportunity for the non-relocating parent to maintain a visitation schedule that will adequately foster and preserve the parental relationship between the child and the non-relocating parent if permission to relocate is granted; and
(f) Any other factor necessary to assist the court in determining whether to grant permission to relocate.
3. A parent who desires to relocate with a child pursuant to NRS 125C.200 or section 13 of this act has the burden of proving that relocating with the child is in the best interest of the child.

Sec. 15. If a parent with primary physical custody or joint physical custody relocates with a child in violation of NRS 200.359:
1. The court shall not consider any post-relocation facts or circumstances regarding the welfare of the child or the relocating parent in making any determination.
2. If the non-relocating parent files an action in response to the violation, the non-relocating parent is entitled to recover reasonable attorney's fees and costs incurred as a result of the violation.

Sec. 16. NRS 125C.200 is hereby amended to read as follows:

125C.200 1. If primary physical custody has been established pursuant to an order, judgment or decree of a court and the custodial parent intends to relocate his or her residence to a place outside of this State or to a place within this State that is at such a distance that would substantially impair the ability of the other parent to maintain a meaningful relationship with the child, and the custodial parent desires to take the child with him or her, the custodial parent must, as soon as possible and before the planned move, attempt shall as soon as possible and before relocating:

(a) Attempt to obtain the written consent of the noncustodial parent to relocate with the child from this State. If

(b) If the noncustodial parent refuses to give that consent, the custodial parent shall, before leaving this State with the child, petition the court for permission to relocate with the child. The failure of a parent to comply with the provisions of this section may be considered as a factor if a change of custody is requested by the noncustodial parent.

2. The court may award reasonable attorney's fees and costs to the custodial parent if the court finds that the noncustodial parent refused to consent to the custodial parent's relocation with the child:

(a) Without having reasonable grounds for such refusal; or

(b) For the purpose of harassing the custodial parent.

3. A parent who relocates with a child pursuant to this section without the written consent of the noncustodial parent or the permission of the court is subject to the provisions of NRS 200.359.

Sec. 17. NRS 146.010 is hereby amended to read as follows:

146.010 Except as otherwise provided in this chapter or in section 10 of this act, if a person dies leaving a surviving spouse or a minor child or minor children, the surviving spouse, minor child or minor children are entitled to remain in possession of the homestead and of all the wearing apparel and provisions in the possession of the family, and all the household furniture, and are also entitled to a reasonable provision for their support, to be allowed by the court.

Sec. 18. NRS 200.359 is hereby amended to read as follows:

200.359 1. A person having a limited right of custody to a child by operation of law or pursuant to an order, judgment or decree of any court, including a judgment or decree which grants another person rights to custody or visitation of the child, or any parent having no right of custody to the child, who:

(a) In violation of an order, judgment or decree of any court willfully detains, conceals or removes the child from a parent, guardian or other person having lawful custody or a right of visitation of the child; or
(b) In the case of an order, judgment or decree of any court that does not specify when the right to physical custody or visitation is to be exercised, removes the child from the jurisdiction of the court without the consent of either the court or all persons who have the right to custody or visitation, is guilty of a category D felony and shall be punished as provided in NRS 193.130.

2. Except as otherwise provided in this subsection, a parent who has joint legal and physical custody of a child pursuant to section 4 of this act shall not willfully conceal or remove the child from the custody of the other parent with the specific intent to frustrate the efforts of the other parent to establish or maintain a meaningful relationship with the child. A person who violates this subsection shall be punished as provided in subsection 1 unless the person demonstrates to the satisfaction of the court that he or she violated this subsection to protect the child or himself or herself from an act that constitutes domestic violence pursuant to NRS 33.018.

3. If the mother of a child has primary physical custody pursuant to subsection 2 of section 7 of this act, the father of the child shall not willfully conceal or remove the child from the physical custody of the mother. If the father of a child has primary physical custody pursuant to subsection 2 of section 7 of this act, the mother of the child shall not willfully conceal or remove the child from the physical custody of the father. A person who violates this subsection shall be punished as provided in subsection 1.

4. A parent who has joint physical custody of a child pursuant to an order, judgment or decree of a court shall not relocate with the child pursuant to section 13 of this act without the written consent of the non-relocating parent or before the court enters an order granting the parent primary physical custody of the child and permission to relocate with the child, as applicable. A person who violates this subsection shall be punished as provided in subsection 1.

5. A parent who has primary physical custody of a child pursuant to an order, judgment or decree of a court shall not relocate with the child pursuant to NRS 125C.200 without the written consent of the non-relocating parent or the permission of the court. A person who violates this subsection shall be punished as provided in subsection 1.

6. Before an arrest warrant may be issued for a violation of this section, the court must find that:
(a) This is the home state of the child, as defined in NRS 125A.085; and
(b) There is cause to believe that the entry of a court order in a civil proceeding brought pursuant to chapter 125, 125A or 125C of NRS will not be effective to enforce the rights of the parties and would not be in the best interests of the child.
7. Upon conviction for a violation of this section, the court shall order the defendant to pay restitution for any expenses incurred in locating or recovering the child.

8. The prosecuting attorney may recommend to the judge that the defendant be sentenced as for a misdemeanor and the judge may impose such a sentence if the judge finds that:
   (a) The defendant has no prior conviction for this offense and the child has suffered no substantial harm as a result of the offense; or
   (b) The interests of justice require that the defendant be punished as for a misdemeanor.

9. A person who aids or abets any other person to violate this section shall be punished as provided in subsection 1.

10. In addition to the exemption set forth in subsection 11, subsections 4 and 5 do not apply to a person who demonstrates a compelling excuse, to the satisfaction of the court, for relocating with a child in violation of NRS 125C.200 or section 13 of this act.

11. This section does not apply to a person who detains, conceals, removes or relocates with a child to protect the child from the imminent danger of abuse or neglect or to protect himself or herself from imminent physical harm, and reported the detention, concealment, removal or relocation to a law enforcement agency or an agency which provides child welfare services within 24 hours after detaining, concealing, removing or relocating with the child, or as soon as the circumstances allowed. As used in this subsection:
   (a) "Abuse or neglect" has the meaning ascribed to it in paragraph (a) of subsection 4 of NRS 200.508.
   (b) "Agency which provides child welfare services" has the meaning ascribed to it in NRS 432B.030.

Sec. 19. NRS 125.460, 125.465, 125.470, 125.480, 125.490, 125.500, 125.510, 125.520 and 126.031 are hereby repealed.

The following amendment was proposed by Senator Brower:
Amendment No. 964.
AN ACT relating to crimes; establishing the crime of unlawful dissemination of an intimate image of a person; prohibiting certain acts relating to an intimate image of another person; revising provisions relating to sexual assault and the abuse of a child; setting forth provisions relating to expert testimony in a prosecution for pandering or sex trafficking; revising provisions concerning acts of open or gross lewdness, open and indecent or obscene exposure, lewdness with a child and statutory sexual seduction; setting forth various provisions relating to the admissibility of evidence and expert testimony in criminal and juvenile delinquency actions; prohibiting a court from ordering the victim of or a witness to a sexual offense to take or submit to a psychological or psychiatric examination in certain criminal or juvenile delinquency actions; authorizing the court to exclude in certain
circumstances the testimony of a licensed psychologist, psychiatrist or clinical worker; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Sections 1-6.5 of this bill establish the crime of unlawful dissemination of an intimate image of a person. Section 3 defines the term “intimate image” generally as a photograph, film, videotape or other recorded image, or any reproduction thereof, which depicts: (1) the fully exposed nipple of the female breast of another person; or (2) one or more persons engaged in sexual conduct. Section 3 also provides that an image which would otherwise constitute an intimate image is not an intimate image if the person depicted in the image: (1) is not clearly identifiable; (2) voluntarily exposed himself or herself in a public or commercial setting; or (3) is a public figure.

Section 5 provides that a person commits the crime of unlawful dissemination of an intimate image and is guilty of a category D felony when, with the intent to harass, harm or terrorize another person, the person electronically disseminates or sells an intimate image which depicts the other person and the other person: (1) did not give prior consent to the electronic dissemination or sale; (2) had a reasonable expectation that the intimate image would be kept private and would not be made visible to the public; and (3) was at least 18 years of age when the intimate image was created. Section 5 also sets forth certain exceptions regarding when an intimate image may be lawfully electronically disseminated. Under section 6, a person is guilty of a category D felony if he or she demands payment of money, property, services or anything else of value from a person in exchange for removing an intimate image from public view. Section 6.5 provides that the provisions of sections 1-6 must not be construed to impose liability on an interactive computer service, as that term is defined in federal law, for any content provided by another person.

Existing law provides that a person who forces another person under certain circumstances to make a sexual penetration on himself or herself or another, or on a beast, is guilty of sexual assault. (NRS 200.366) Section 8 of this bill additionally provides that a person who commits a sexual penetration upon a child under the age of 14 years or causes a child under the age of 14 years to make a sexual penetration on himself or herself or another, or on a beast, is guilty of sexual assault. Section 8 further provides that, except in certain circumstances, such provisions do not apply to a person who commits any such act upon a child under the age of 14 years if the person committing the act is less than 18 years of age and is not more than 2 years older than the person upon whom the act is committed.

Existing law also provides that a person who commits any act of open or gross lewdness or who makes any open and indecent or obscene exposure of his or her person, or of the person of another, is guilty of a gross misdemeanor for the first offense and a category D felony for any subsequent offense. (NRS 201.210, 201.220) Under sections 13 and 14 of this bill, if a
person commits any such offense and he or she has previously been convicted of a sexual offense, or if the person commits any such offense in the presence of a child under the age of 18 years or a vulnerable person, the person is guilty of a category D felony.

Additionally, under existing law, a person who commits certain acts with a child under the age of 14 years is guilty of lewdness with a child and is guilty of a category A felony. (NRS 201.230) Section 15 of this bill provides that a person is guilty of lewdness with a child if the person: (1) is 18 years of age or older and commits certain acts with a child under the age of 16 years; or (2) is under the age of 18 years and commits certain acts with a child under the age of 14 years. Section 15 also provides that if a person commits lewdness with: (1) a child under the age of 14, he or she is guilty of a category A felony; and (2) a child who is 14 or 15, he or she is guilty of a category B felony.

Section 7 of this bill revises the definition of the term “statutory sexual seduction,” and section 8.5 of this bill revises the penalties imposed for the crime of statutory sexual seduction.

Section 10 of this bill provides that certain persons are guilty of a category A felony if they willfully cause, permit or allow a child to suffer unjustifiable physical pain or mental suffering as a result of abuse or neglect or to be placed in a situation where the child may suffer physical pain or mental suffering as the result of abuse or neglect, and substantial bodily or mental harm results to the child which includes certain severe injuries.

Sections 12, 23 and 24 of this bill revise various provisions relating to the admissibility of expert testimony and evidence in certain criminal and juvenile delinquency cases. Section 12 provides that in a prosecution for pandering or sex trafficking, certain expert testimony that is offered by the prosecution or defense is admissible for any relevant purpose, but certain other expert testimony cannot be offered against the defendant to prove the occurrence of an act which forms the basis of a criminal charge against the defendant. Under section 23, expert testimony offered by the prosecution or defense which concerns the behavior of a defendant in preparing a child under the age of 18 or a vulnerable person for sexual abuse by the defendant is admissible for any purpose. Section 24 prohibits a court in a criminal or juvenile delinquency action relating to the commission of a sexual offense from ordering a victim of or witness to a sexual offense to take or submit to a psychological or psychiatric examination. Section 24 also authorizes the court to exclude the testimony of a licensed psychologist, psychiatrist or clinical worker who performed a psychological or psychiatric examination on a victim or witness in certain circumstances.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 200 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 6.5, inclusive, of this act.
Sec. 2. As used in sections 2 to 6.5, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 3 and 4 of this act have the meanings ascribed to them in those sections.

Sec. 3. "Intimate image":

1. Except as otherwise provided in subsection 2, includes, without limitation, a photograph, film, videotape or other recorded image which depicts:
   (a) The fully exposed nipple of the female breast of another person, including through transparent clothing; or
   (b) One or more persons engaged in sexual conduct.

2. Does not include an image which would otherwise constitute an intimate image pursuant to subsection 1, but in which the person depicted in the image:
   (a) Is not clearly identifiable;
   (b) Voluntarily exposed himself or herself in a public or commercial setting; or
   (c) Is a public figure.

Sec. 4. "Sexual conduct" has the meaning ascribed to it in NRS 200.700.

(c) Unless excluded by NRS 50.090, evidence of the character of a witness, offered to attack or support his or her credibility, within the limits provided by NRS 50.085.

2. Evidence of other crimes, wrongs or acts is not admissible to prove the character of a person in order to show that the person acted in conformity therewith. It may, however, be admissible for other purposes, such as proof of motive, opportunity, intent, preparation, plan, knowledge, identity, or absence of mistake or accident.

3. Nothing in this section shall be construed to prohibit the admission of evidence in a criminal prosecution for a sexual offense that a person committed another crime, wrong or act that constitutes a separate sexual offense. As used in this subsection, “sexual offense” has the meaning ascribed to it in NRS 179D.097.

Sec. 22. Chapter 50 of NRS is hereby amended by adding thereto the provisions set forth as sections 23 and 24 of this act.

Sec. 23. 1. In any criminal or juvenile delinquency action, expert testimony offered by the prosecution or defense which concerns the behavior of a defendant in preparing a child under the age of 18 years or a vulnerable person as defined in NRS 200.5092 for sexual abuse by the defendant is admissible for any relevant purpose. Such expert testimony may concern, without limitation:

(a) The effect on the victim from the defendant creating a physical or emotional relationship with the victim before the sexual abuse; and

(b) Any behavior of the defendant that was intended to reduce the resistance of the victim to the sexual abuse or reduce the likelihood that the victim would report the sexual abuse.
2. As used in this section, “sexual abuse” has the meaning ascribed to it in NRS 432B.100.

Sec. 24. 1. In any criminal or juvenile delinquency action relating to the commission of a sexual offense, a court may not order the victim of or a witness to the sexual offense to take or submit to a psychological or psychiatric examination.

2. The court may exclude the testimony of a licensed psychologist, psychiatrist or clinical worker who performed a psychological or psychiatric examination on the victim or witness if:
   (a) There is a prima facie showing of a compelling need for an additional psychological or psychiatric examination of the victim or witness by a licensed psychologist, psychiatrist or clinical worker; and
   (b) The victim or witness refuses to submit to an additional psychological or psychiatric examination by a licensed psychologist, psychiatrist or clinical worker.

3. In determining whether there is a prima facie showing of a compelling need for an additional psychological or psychiatric examination of the victim or witness pursuant to subsection 2, the court must consider whether:
   (a) There is a reasonable basis for believing that the mental or emotional state of the victim or witness may have affected his or her ability to perceive and relate events relevant to the criminal prosecution; and
   (b) Any corroboration of the offense exists beyond the testimony of the victim or witness.

4. If the court determines there is a prima facie showing of a compelling need for an additional psychological or psychiatric examination of the victim or witness, the court shall issue a factual finding that details with particularity the reasons why an additional psychological or psychiatric examination of the victim or witness is warranted.

5. If the court issues a factual finding pursuant to subsection 4 and the victim or witness consents to an additional psychological or psychiatric examination, the court shall set the parameters for the examination consistent with the purpose of determining the ability of the victim or witness to perceive and relate events relevant to the criminal prosecution.

6. As used in this section, “sexual offense” includes, without limitation:
   (a) Sexual assault pursuant to NRS 200.366;
   (b) Statutory sexual seduction pursuant to NRS 200.368;

(j) Sexual penetration of a dead human body pursuant to NRS 201.450;
(k) An offense involving the administration of a drug to another person with the intent to enable or assist the commission of a felony pursuant to NRS 200.405, if the felony is an offense listed in this section;
(l) An offense involving the administration of a controlled substance to another person with the intent to enable or assist the commission of a crime of violence pursuant to NRS 200.408, if the crime of violence is an offense listed in this section;
(m) Luring a child or a person with mental illness pursuant to NRS 201.560;
(n) An offense that is found to be sexually motivated pursuant to NRS 175.547 or 207.193;
(o) Pandering of a child pursuant to NRS 201.300;
(p) Any other offense that has an element involving a sexual act or sexual conduct with another person; or
(q) Any attempt or conspiracy to commit an offense listed in this subsection.

Sec. 25. NRS 50.260 is hereby amended to read as follows:

50.260 As used in NRS 50.260 to 50.345, inclusive, and section 23 of this act, unless the context otherwise requires, “prohibited substance” has the meaning ascribed to it in NRS 484C.080.

Legislative Counsel’s Digest:

Section 1 of this bill: (1) requires the regional transportation commission in a county whose population is 700,000 or more (currently Clark County) to establish and administer the Nevada Yellow Dot Program in coordination with each regional transportation commission in this State; (2) requires the regional transportation commission in a county whose population is 700,000 or more (currently Clark County) to disseminate information about the Program to the public and to public safety agencies; (3) authorizes that commission to obtain grants or sponsorships for the Program; and (4) provides that first responders are immune from civil liability for damages as a result of any act or omission taken by the first responder relating to a collision or other emergency in connection with the Program.

Sections 3-46 of this bill provide for the permitting by the Nevada Transportation Authority of transportation network companies and the regulation by the Authority of the provision of transportation services. Section 19 of this bill defines a “transportation network company” as an entity that uses a digital network or software application service to connect passengers to drivers who can provide transportation services to passengers. Section 20 of this bill defines “transportation services” as the transportation by motor vehicle of one or more passengers between points chosen by the passenger or passengers and prearranged with a driver through the use of the digital network or software application service of a transportation network company. Section 21 of this bill provides that it is the purpose and policy of the Legislature in enacting this bill to ensure the safety, reliability and cost-effectiveness of the transportation services provided by drivers affiliated with transportation network companies in this State.

Sections 4-14 of this bill establish certain requirements concerning the provision of insurance for the payment of tort liabilities arising from the operation of a motor vehicle by a driver who provides transportation services.

Section 25 of this bill prohibits any person from doing business in this State as a transportation network company unless the person holds a valid permit issued by the Authority pursuant to the provisions of sections 4-14 and 16-46 of this bill. Section 25 also: (1) empowers the Authority to regulate, pursuant to the provisions of this bill, all transportation network companies and drivers who operate or wish to operate within this State; and (2) prohibits the Authority from applying any provision of chapter 706 of NRS, relating to motor carriers, to a transportation network company or driver who operates within the provisions of sections 4-14 and 16-46 of this bill. Section 26 of this bill provides for the submission to the Authority of an application for a permit. Section 27 of this bill requires the Authority to issue a permit to an applicant upon a determination by the Authority that the
applicant meets all the applicable requirements for the issuance of the permit.

Section 27 of this bill further provides that a permit issued by the Authority authorizes a transportation network company to: (1) connect passengers to a driver who can provide transportation services through the use of a digital network or software application service; and (2) make its digital network or software application service available to one or more drivers to receive connections from the company. Section 27 of this bill provides that a permit issued by the Authority does not authorize a transportation network company to engage in any activity regulated pursuant to chapter 706 of NRS, relating to motor carriers. Additionally, section 27 provides that a person who is regulated pursuant to chapter 706 of NRS may be issued a permit to operate a transportation network company if the person meets the requirements for the issuance of a permit.

Section 29 of this bill authorizes a transportation network company to enter into agreements with one or more drivers to receive connections to potential passengers from the company. Section 29 also establishes the minimum qualifications for drivers and requires a transportation network company to conduct an investigation of the background of each driver, which must include a criminal background check, a search of a database containing information from the sex offender website maintained by each state and a review of the complete driving history of the driver. Further, section 29 sets forth the conditions for which a transportation network company must terminate an agreement with a driver.

Section 30 of this bill: (1) provides that a transportation network company may, on behalf of a driver, charge a fare for the provision of transportation services by the driver; and (2) places certain requirements on the company concerning the fares and the information which must be provided to passengers concerning the amount and the calculation of fares.

Section 31 of this bill: (1) prohibits a transportation network company from allowing any driver who operates a motor vehicle that is not in compliance with all federal, state and local laws governing the operation and maintenance of a motor vehicle to be connected to potential passengers; and (2) requires annual inspections of each motor vehicle operated by a driver.

Section 32 of this bill prohibits discrimination on account of national origin, religion, age, disability, sex, race, color, sexual orientation or gender identity or expression by a transportation network company or driver. Section 33 of this bill requires a transportation network company to provide to passengers certain information relating to the identification of a driver. Section 34 of this bill requires a transportation network company to provide an electronic receipt to each passenger. Section 35 of this bill allows a transportation network company to enter into certain contracts with the Department of Health and Human Services. Section 36 of this bill imposes on transportation network companies certain recordkeeping requirements. Section 37 of this bill imposes on transportation network companies certain reporting requirements.
Section 38 of this bill establishes certain requirements relating to the provision of transportation services by a driver. Section 38 also prohibits a driver from soliciting passengers or providing transportation services except to persons who have arranged for such transportation services through the digital network or software application service of a transportation network company. Section 39 of this bill prohibits a driver from consuming, using or being under the influence of any intoxicating liquor or controlled substance during any period when the driver is providing transportation services or is logged into the digital network or software application service of a transportation network company. With certain exceptions, section 40 of this bill prohibits a transportation network company from releasing the personally identifiable information of passengers.

Section 41 of this bill provides for the investigation of complaints against a transportation network company or driver. Section 42 of this bill: (1) authorizes the Authority to impose certain penalties for any violation of the provisions of sections 4-14 and 16-46 of this bill by a transportation network company or driver; and (2) provides that a person who violates any provision of sections 4-14 and 16-46 of this bill is not subject to a criminal penalty.

Section 43 of this bill provides that this bill does not exempt any person from any other laws governing the operation of a motor vehicle upon the highways of this State, except that a transportation network company or a driver who provides transportation services within the scope of a permit issued by the Authority is not subject to the provisions of existing law governing motor carriers or public utilities.

Section 44 of this bill prohibits a local government from: (1) imposing any tax or fee on a transportation network company, a driver who has entered into an agreement with such a company or a vehicle operated by such a driver or for transportation services provided by such a driver; (2) requiring a transportation network company or driver to obtain from the local government any certificate, license or permit to provide transportation services; or (3) imposing any other requirement on the operation of a motor vehicle by a transportation network company or driver which is not of general applicability. Section 44 does not prohibit a local government from requiring a transportation network company or driver to obtain from the local government a business license or to pay any business license fee in the same manner that is generally applicable to any other business that operates within the jurisdiction of the local government. Section 44 does not prohibit an airport from requiring a transportation network company or driver to obtain a permit or certification to operate at the airport, pay a fee to operate at the airport or comply with any other requirement to operate at the airport. Section 44 also states that sections 4-14 and 16-46 of this bill do not exempt any person from the requirement to obtain a state business license and requires a transportation network company to notify each driver of the requirement.
Section 45 of this bill requires each transportation network company to provide the Authority with reports at certain times containing certain information about damages resulting from accidents involving drivers who are providing transportation services or logged into the digital network or software application service of the company and available to receive requests for transportation services. Section 45 also requires the Authority to collect these reports, determine whether the limits of coverage required pursuant to section 11 of this bill are sufficient and report to the Legislative Commission or Director of the Legislative Counsel Bureau.

Sections 47-53 and 58 of this bill revise the provisions of Assembly Bill No. 175 of this session to make the Authority, rather than the Public Utilities Commission of Nevada, responsible for carrying out the provisions of that bill relating to fees, assessments and excise taxes for transportation network companies.

Section 54 of this bill provides that: (1) a transportation network company may commence operations within this State immediately upon being issued a permit; (2) any regulation adopted by the Authority pursuant to sections 4-14 and 16-46 of this bill on or before July 1, 2017, shall not be effective for at least 30 days after filing with the Secretary of State; (3) the Authority must begin to accept applications for permits within 30 days after the effective date of section 26 of this bill; and (4) the Authority shall not issue a permit until July 1, 2015.

Section 55 of this bill requires the Nevada Transportation Authority to investigate and compare specific types of background checks to determine the efficacy, efficiency and effect on public safety and report the results of its investigation to the Legislative Commission.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

In carrying out that campaign, that commission shall disseminate information concerning the Program to public safety agencies in this State.

A first responder is not liable for any civil damages as a result of any act or omission taken by the first responder relating to a collision or other emergency, not amounting to gross negligence, including, without limitation, failure to observe a decal, failure or inability to locate an information card, or reliance on incomplete, incorrect or outdated information on an information card.

8. As used in this section, “first responder” means any police, fire or emergency medical personnel acting in the normal course of duty.

Sec. 2. (Deleted by amendment.)

Sec. 2.5. NRS 239.010 is hereby amended to read as follows:

Any such copies, abstracts or memoranda may be used to supply the general public with copies, abstracts or memoranda of the records or may be used in any other way to the advantage of the governmental entity or of the general public. This section does not supersede or in any manner affect the federal laws governing copyrights or enlarge, diminish or affect in any other manner the rights of a person in any written book or record which is copyrighted pursuant to federal law.

2. A governmental entity may not reject a book or record which is copyrighted solely because it is copyrighted.

3. A governmental entity that has legal custody or control of a public book or record shall not deny a request made pursuant to subsection 1 to inspect or copy or receive a copy of a public book or record on the basis that the requested public book or record contains information that is confidential if the governmental entity can redact, delete, conceal or separate the confidential information from the information included in the public book or record that is not otherwise confidential.

4. A person may request a copy of a public record in any medium in which the public record is readily available. An officer, employee or agent of a governmental entity who has legal custody or control of a public record:
