Prisoners sometimes talk about “doing time”. Lord, it seems like we have been here for a long time. I ask that Your presence with us and Your blessing over our work release us from feeling like captives and deliver us to complete the work that You and the people of Nevada have given us to do. We pray in the Name of the One who promises us true freedom.

AMEN.

Pledge of Allegiance to the Flag.

By previous order of the Senate, the reading of the Journal is dispensed with, and the President and Secretary are authorized to make the necessary corrections and additions.

GENERAL FILE AND THIRD READING

Senate Bill No. 69.
Bill read third time.
Remarks by Senator Kieckhefer.
Existing law requires at least a 6 month retirement period after the effective date of the retirement of a justice or judge for which he or she may accept reemployment. Senate Bill No. 69, as amended, reduces the minimum required period before the acceptance of employment from 6 months to 90 days after the effective date of the retirement of the justice or judge. Currently a justice or judge who accepts employment as a justice or judge in the Nevada court system forfeits all retirement allowances for the duration of that employment. Senate Bill 69 exempts a retired employee who accepts employment or an independent contract as a senior justice, senior judge, senior justice of the peace or senior municipal judge, from the disqualification of receiving retirement allowances under certain circumstances.

Additionally, S.B. 69 removes a sunset provision for a retired justice or judge who is reemployed and commissioned as a senior justice, senior judge, senior justice of the peace or senior municipal court judge is entitled to receive a retirement allowance in addition to compensation for his or her service and is entitled to receive additional service credit for actual time served if he or she is reenrolled in a retirement plan and makes the provision permanent.

Senate Bill No. 491.
Bill read third time.
Remarks by Senator Kieckhefer.
Senate Bill No. 491, as amended, requires the Department of Administration, in consultation with the Department of Education and the State Public Charter School Authority, to develop a request for proposals for a nonprofit organization incorporated in this State to recruit persons and charter management organizations to assume leadership roles in the formation and operation of high quality charter schools to serve pupils who live in poverty.
This bill, as amended, also requires a nonprofit organization that responds to the request for proposals to include evidence that the nonprofit organization has sufficient money to match a grant of up to $5.0 million per year for Fiscal Years 2015-2016 and 2016-2017.
Senate Bill 491, as amended, requires the Department of Administration to appoint a committee, including one representative from the Department of Education and one representative from the State Public Charter School Authority, to evaluate the responses to the request for proposals and recommend an applicant to the State Board of Examiners, who shall make the final decision on whether to award a grant of money. Bill read third time.
Remarks by Senator Kieckhefer.
Existing law requires a person who wishes to operate or maintain a facility for the dependent or a medical facility to obtain an annual license from the Division of Public and Behavioral Health (DPBH) of the Department of Health and Human Services and to pay an application fee for the license. S.B. 498, as amended, includes a community health worker pool within the definition of facility for the dependent, thereby requiring community health worker pools to obtain an annual license from the DPBH. S.B. 498 also exempts a holder of a license as a facility for the dependent or a medical facility and employs community health workers from the requirement to obtain an additional license as a community health worker pool. Additionally, S.B. 498 makes certain employees of a community health worker pool immune from civil liability for rendering emergency care or assistance in good faith in the course of his or her employment and extends certain mandatory reporting requirements to community health worker pools.
This act becomes effective upon passage and approval for the purposes of adopting regulations and performing any other preparatory administrative tasks, and on October 1, 2015, for all other purposes.

Senate Bill No. 509.
Bill read third time.
Remarks by Senator Kieckhefer.
Senate Bill No. 509, as amended, seeks to align Nevada Revised Statutes (NRS 386) with national best practices relating to charter school laws and policies and requires the State Public Charter School Authority to adopt regulations to implement revised policies and procedures. Additionally, S.B. 509, as amended, is intended to improve the quality and diversity of Nevada’s charter schools. To implement the national best practices, S.B. 509 includes the following provisions: revises provisions related to the composition of the State Public Charter School Authority; authorizes the Authority to adopt regulations related to the application and approval to form a charter school, and to enter into agreements with school districts and higher education institutions related to charter school sponsorship; revises existing procedures related to the application to form a charter school, and authorizes an application to be submitted by a nonprofit “charter management organization; revises actions that may be taken when a charter school persistently underperforms; revises the provisions regarding the revocation or termination of a charter school’s charter or written contract by a sponsor, as well as provisions relating to the reconstitution of a charter school’s board and the retention and/or termination of employees; and provides for the consolidation of charter schools.

Senate Bill No. 509 is effective upon passage and approval for the purpose of adopting regulations and performing preparatory administrative tasks, and for the application of certain provisions to a reconstituted charter school. It is effective on January 1, 2020, for purposes related to charter contracts, and on January 1, 2016, for all other purposes.

Senate Joint Resolution No. 13.
Resolution read third time.
Remarks by Senator Settelmeyer.
Senate Joint Resolution No. 13, in its first reprint, proposes to amend the Nevada Constitution to limit the total amount of certain property taxes that may be levied on real property to 1 percent of the base value of the property. Base value is defined, with certain exceptions, as the taxable value from which the assessed value for the Fiscal Year 2017-2018 was calculated.
The 1 percent limit on the amount of property taxes that may be levied does not apply to property taxes levied to pay the interest and principal of any bonded indebtedness or to pay any obligation under a contract made in connection with such bonded indebtedness.
The resolution provides, with certain exceptions, that the base value becomes the cash value of the property upon the transfer of at least one-half of the ownership interest in the property, an
improvement to the property increases the base value by the cash value of the improvement, and the base value cannot increase or decrease from year to year by more than 3 percent.

Pursuant to Article 16, Section 1 of the Nevada Constitution and Chapter 218D of the Nevada Revised Statutes, the provisions contained within this joint resolution must be approved by the Legislature during the 2015 and 2017 Sessions, followed by voter approval at the 2018 General Election, in order to be ratified.

UNFINISHED BUSINESS
CONSIDERATION OF ASSEMBLY AMENDMENTS

Senate Bill No. 5.
The following amendment was read.
Amendment No. 795.

AN ACT relating to elections; revising provisions governing elections for certain judicial offices; providing that candidates for certain nonpartisan offices who receive a majority of the votes cast in certain primary elections must be declared elected to office without being placed on the ballot at a general election; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law designates certain elective offices as nonpartisan offices, which include judicial offices, school offices, the office of county sheriff, the Board of Regents of the University of Nevada, city and town officers, the State Board of Education and members of boards of hospital trustees of public hospitals. (NRS 293.195) Existing law also establishes certain rules for determining whether candidates for nonpartisan offices appear on the ballot for a primary election or the general election. (NRS 293.260) This bill revises some of those rules.

Under existing law, if there is only one candidate for the nonpartisan office of judge of the Court of Appeals or justice of the Supreme Court, the name of the candidate is omitted from the primary election ballot and placed only on the general election ballot. (NRS 293.260) Section 1 of this bill applies the same rule to a candidate for the nonpartisan office of judge of a district court. Section 1 also provides that if there are not more than twice the number of candidates to be elected to any nonpartisan office, the names of the candidates are omitted from the primary election ballot and placed only on the general election ballot.

Except for nonpartisan offices in certain cities, existing law provides that if there are more candidates than twice the number of candidates to be elected
to a nonpartisan office: (other than a city office) (1) the names of the candidates must appear on the primary election ballot; (for a primary election) and (2) those candidates who receive the highest number of votes at (that) the primary election, not to exceed twice the number to be elected, must be declared nominees for the office (and their names must be placed on the general election ballot). (NRS 293.260) Section 1 (of this bill) modifies this rule for most nonpartisan offices and provides that if one candidate receives a majority of the votes cast in (that) such a primary election, the candidate is declared elected to the office and his or her name is not placed on the general election ballot. However, if one candidate receives a majority of the votes cast in such a primary election for the nonpartisan office of judge of a district court, judge of the Court of Appeals, or justice of the Supreme Court, the candidate is declared the only nominee for the office and his or her name is placed on the general election ballot.

For primary city elections conducted in certain general law cities, existing law provides that if one candidate receives “more than a majority” of the votes cast in such an election for the office for which he or she is a candidate, the candidate must be declared to be elected to the office and the candidate’s name must not be placed on the ballot for the general city election. (NRS 293C.175) Section 2 of this bill amends the statute to clarify that such a candidate need only receive a majority of the votes cast, not some greater number, to be declared to be elected. Section 3 of this bill makes a similar change to the Charter of Carson City.

For most charter cities that hold primary city elections, existing law provides that if one candidate receives a majority of votes cast in the primary city election for the office for which he or she is a candidate, the candidate must be declared elected to the office and the candidate’s name must not be placed on the ballot for the general city election. (Boulder City Charter § 96, Henderson City Charter § 5.010, Las Vegas City Charter § 5.010, North Las Vegas City Charter § 5.020) Section 3 amends the Charter of Carson City so that this rule applies to Carson City as well.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 293.260 is hereby amended to read as follows:

293.260 1. (Where) If there is no contest of election for nomination to a particular office, neither the title of the office nor the name of the candidate may appear on the ballot.

2. If more than one major political party has candidates for a particular office, the persons who receive the highest number of votes at the primary elections must be declared the nominees of those parties for the office.

3. If only one major political party has candidates for a particular office and a minor political party has nominated a candidate for the office or an independent candidate has filed for the office, the candidate who receives the highest number of votes in the primary election of the major political party
must be declared the nominee of that party and his or her name must be placed on the general election ballot with the name of the nominee of the minor political party for the office and the name of the independent candidate who has filed for the office.

4. If only one major political party has candidates for a particular office and no minor political party has nominated a candidate for the office and no independent candidate has filed for the office:
   (a) If there are more candidates than twice the number to be elected to the office, the names of the candidates must appear on the ballot for a primary election. Except as otherwise provided in this paragraph, the candidates of that party who receive the highest number of votes in the primary election, not to exceed twice the number to be elected to that office at the general election, must be declared the nominees for the office. If only one candidate is to be elected to the office and a candidate receives a majority of the votes in the primary election for that office, that candidate must be declared the nominee for that office and his or her name must be placed on the ballot for the general election.
   (b) If there are not more than twice the number of candidates to be elected to the office, the candidates must, without a primary election, be declared the nominees for the office.

5. If not more than the number of candidates to be elected have filed for nomination for:
   (a) Any partisan office or the office of judge of a district court, judge of the Court of Appeals or justice of the Supreme Court, the names of those candidates must be omitted from all ballots for a primary election and placed on all ballots for the general election;
   (b) Any nonpartisan office, other than the office of judge of a district court, judge of the Court of Appeals, justice of the Supreme Court or member of a town advisory board, the names of those candidates must appear on the ballot for a primary election unless the candidates were nominated pursuant to subsection 2 of NRS 293.165. If a candidate receives one or more votes at the primary election, the candidate must be declared elected to the office and his or her name must not be placed on the ballot for the general election. If a candidate does not receive one or more votes at the primary election, his or her name must be placed on the ballot for the general election; and
   (c) The office of member of a town advisory board, the candidate must be declared elected to the office and no election must be held for that office.

6. If there are not more than twice the number of candidates to be elected to a nonpartisan office, the candidates must, without a primary election, be declared the nominees for the office, and the names of the candidates must be omitted from all ballots for a primary election and placed on all ballots for the general election.

7. If there are more than twice the number of candidates to be elected to a nonpartisan office, the names of the candidates must appear
on the ballot for a primary election. Those candidates who receive the highest number of votes at the primary election, not to exceed twice the number to be elected, must be declared nominees for the office. If one candidate and the names of those candidates must be placed on the ballot for the general election, except that if one of those candidates receives a majority of the votes cast in the primary election for that office:

(a) The office of judge of a district court, judge of the Court of Appeals or justice of the Supreme Court, the candidate must be declared the only nominee for the office and only his or her name must be placed on the ballot for the general election.

(b) Any other nonpartisan office, the candidate must be declared elected to the office and his or her name must not be placed on the ballot for the general election.

Sec. 2. NRS 293C.175 is hereby amended to read as follows: 293C.175 1. Except as otherwise provided in NRS 293C.115, a primary city election must be held in each city of population category one, and in each city of population category two that has so provided by ordinance, on the first Tuesday after the first Monday in April of every year in which a general city election is to be held, at which time there must be nominated candidates for offices to be voted for at the next general city election.

2. Except as otherwise provided in NRS 293C.115, a candidate for any office to be voted for at the primary city election must file a declaration of candidacy with the city clerk not less than 60 days or more than 70 days before the date of the primary city election. The city clerk shall charge and collect from the candidate and the candidate must pay to the city clerk, at the time of filing the declaration of candidacy, a filing fee in an amount fixed by the governing body of the city by ordinance or resolution. The filing fees collected by the city clerk must be deposited to the credit of the general fund of the city.

3. All candidates, except as otherwise provided in NRS 266.220, must be voted upon by the electors of the city at large.

4. If, in a primary city election held in a city of population category one or two, one candidate receives a majority of votes cast in that election for the office for which he or she is a candidate, the candidate must be declared elected to the office and the candidate’s name must not be placed on the ballot for the general city election. If, in the primary city election, no candidate receives a majority of votes cast in that election for the office for which he or she is a candidate, the names of the two candidates receiving the highest number of votes must be placed on the ballot for the general city election.

If in the primary election no candidate receives a majority of votes cast in that election for the office for which he or she is a candidate, the names of the two candidates receiving the highest numbers of votes must be placed on the ballot for the general election.

Senate Bill No. 25.
The following amendment was read.
Amendment No. 654.
SUMMARY—Revises provisions relating to education.
AN ACT relating to education; revising provisions governing the membership of the State Board of Education; revising certain duties of the Superintendent of Public Instruction, the Department of Education and the
State Board; revising the membership of the Advisory Council on Parental Involvement and Family Engagement; revising provisions governing certain products used to clean in public schools; authorizing unused allocations for special education program units to be reallocated to a hospital or facility which is licensed by the Division of Public and Behavioral Health of the Department of Health and Human Services that operates a licensed private school in certain circumstances; revising provisions relating to certain programs of distance education; revising provisions governing standards of content and performance for foreign and world language and any other course of study requested by the Superintendent of Public Instruction; revising provisions relating to certain hearings concerning the suspension or revocation of a license to teach; revising provisions concerning minimum standards for the maintenance and operation of certain educational institutions; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 1 of this bill prohibits a person who is elected to serve as an officer of this State or any political subdivision thereof from also serving on the State Board of Education. Section 1 also prohibits a person who is appointed to serve for the unexpired term of such an office from continuing to serve on the State Board, with certain exceptions. Section 3 of this bill removes certain requirements regarding the use of environmentally sensitive cleaning and maintenance products in public schools and authorizes the board of trustees of a school district to use a product that is not an environmentally sensitive cleaning and maintenance product after posting a notice of the product to be used on the Internet website maintained by the school district. Sections 4, 10, 11-13, 15, 17 and 18 of this bill replace references to the terms “English” and “foreign language” with references to “English language arts” and “foreign or world language” for consistency with currently accepted terminology.

Existing law authorizes certain hospitals or other facilities that are licensed by the Division of Public and Behavioral Health of the Department of Health and Human Services and that operate a licensed private school to request reimbursement, under certain circumstances, from the Department of Education for the cost of providing educational services to a child who attends the licensed private school. (NRS 277.0655, 387.1225) Existing law also: (1) provides for the establishment of a basic support guarantee for special education program units for the purpose of allocating money from the State Distributive School Account; and (2) authorizes the Superintendent to reallocate any unused allocations for special education program units to a school district, charter school or university school for profoundly gifted pupils. (NRS 387.122, 387.1221) Section 4.5 of this bill authorizes the Superintendent to reallocate any unused allocations to a hospital or facility which is licensed by the Division of Public and Behavioral Health that operates a licensed private school.
Existing law requires the Superintendent of Public Instruction to apportion the State Distributive School Account in the State General Fund among the school districts, charter schools and university schools for profoundly gifted pupils in certain amounts based on a formula. This formula bases the State’s financial obligation to programs of instruction partially on the number of pupils involved in such programs. (NRS 387.121-387.126) Sections 5, 6, 8 and 9 of this bill provide that the apportionment for a pupil enrolled part-time in a program of distance education is paid to the school district in which the pupil resides, or the charter school in which the pupil is enrolled. The school district or charter school, as applicable, is required to allocate a percentage of that amount to the school district or charter school that provides the program of distance education in an amount which must be set out in an agreement between them.

Section 2.5 of this bill adds a member to the Advisory Council on Parental Involvement and Family Engagement to represent the Nevada Parent Teacher Association.

Because existing law gives the Governor authority over the budgets of the Department of Education, section 7 of this bill: (1) requires the Superintendent to submit certain recommendations of the Department to the Governor instead of to the State Board; and (2) removes the requirement that the State Board consider the biennial budgets of the Department. Sections 8 and 9 remove the requirement that certain pupils obtain written permission from the board of trustees of a school district or the governing body of a charter school before enrolling in certain part-time programs of distance education.

Section 12 requires the Council to Establish Academic Standards for Public Schools to establish standards of content and performance for foreign and world languages in addition to other subjects for which it is already required to do so. Section 13 requires the State Board to prescribe examinations that measure the achievement and proficiency of pupils for grades 9, 10, 11 and 12 in certain subjects to comply with federal law. (20 U.S.C. § 6311(b)(3)) Section 14 of this bill revises the manner in which the Department provides an informational pamphlet concerning end-of-course examinations and college and career readiness assessments so that the pamphlet is available electronically. Section 14.5 of this bill removes an incorrect reference to an organization.

Section 16 of this bill allows the parties in a hearing concerning the suspension or revocation of a license to teach to agree to extend the date by which the hearing must be held. Section 20 of this bill authorizes money in the Educational Trust Account to be expended as authorized by the Interim Finance Committee when the Legislature is not in session. Section 21 of this bill repeals the requirements that: (1) the State Board adopt and use an official seal in authentication of its acts; and (2) the Department approve or disapprove lists of books for use in public school libraries.

(b) Use any other environmentally sensitive cleaning and maintenance products in the public schools within the school district pursuant to subsection 9.

6. If the board of trustees of a school district determines that the costs associated with the purchase or use of environmentally sensitive cleaning and maintenance products for use in the cleaning of floor surfaces are unreasonable and would place an undue burden on the efficient operation of the school district or a particular school within the school district, the board of trustees may submit a written request to the Department for a waiver from purchasing and using environmentally sensitive cleaning and maintenance products for use in the cleaning of floor surfaces for the school district as a whole or for a particular school or schools within the school district.

7. If the board of trustees of a school district determines that an environmentally sensitive cleaning and maintenance product for use in the cleaning of floor surfaces which is not included in the sample list developed pursuant to subsection 2 is more economically feasible or is more effective environmentally sensitive cleaning and maintenance product, the board of trustees may submit a written request to the Department for a waiver to purchase and use such an environmentally sensitive cleaning and maintenance product that complies with the standards prescribed pursuant to subsection 1.
8. If a waiver is granted by the Department pursuant to subsection 6 or 7, the waiver is effective for 1 year after the date of its approval and a renewal may be requested on an annual basis in the manner set forth in subsection 6 or 7, as applicable.

The apportionment to a school district must be directly related to the district’s reimbursements for the Program as compared with the total amount of reimbursements for all school districts in this State that participate in the Program.

If such action is needed, the State Controller shall submit a report to the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau documenting reasons for the action.

The parent must be prepared to present the educational plan of instruction and proof of the identity of the child to a court of law if required by the court. This subsection does not require a parent to ensure that each subject area is taught each year that the child is homeschooled.

Amendment No. 740.

SUMMARY—Grants power to a board of county commissioners to perform address matters of local concern within certain acts which are not prohibited or limited by statute. (BDR 20-465)

AN ACT relating to county government; authorizing a board of county commissioners to exercise the powers necessary or proper to address matters of local concern for the effective operation of county government; providing that such powers do not apply to certain matters; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

In a case from 1868 and in later treatises on the law governing local governments, former Chief Justice John F. Dillon of the Iowa Supreme Court established developed a common-law rule of statutory
interpretation on local governmental power known as Dillon’s Rule, which defines and limits the powers of local governments. ([Merriam v. Moody’s Ex’rs, 25 Iowa 163 (Iowa 1868)]) Under Dillon’s Rule, a local government is authorized to exercise only those powers which are: (1) expressly granted; (2) necessarily or fairly implied in or incident to the powers expressly granted; or (3) essential to the accomplishment of the declared objects and purposes of the local government and not merely convenient but indispensable. Dillon’s Rule also provides that if there is any fair or reasonable doubt concerning the existence of a power, that doubt is resolved against the local government and the power is denied. ([Merriam v. Moody’s Ex’rs, 25 Iowa 163, 170 (1868); 1 John F. Dillon, Commentaries on the Law of Municipal Corporations § 237 (5th ed. 1911))

In Nevada’s jurisprudence, the Nevada Supreme Court has adopted and applied Dillon’s Rule to county, city and other local governments. ([Ronnow v. City of Las Vegas, 57 Nev. 332, 341-43 (1937); Hard v. Depaoli, 56 Nev. 19, 30 (1935); Lyon County v. Ross, 24 Nev. 102, 111-12 (1897); State ex rel. Rosenstock v. Swift, 11 Nev. 128, 140 (1876)) Thus, as a general rule under existing law, a board of county commissioners are authorized to exercise only those powers which are expressly granted to the board and those powers which are necessarily implied to carry out the express powers of the board. ([NRS 244.195; First Nat’l Bank v. Nye County, 38 Nev. 123, 134-39 (1914); Sadler v. Board of County Comm’rs, 15 Nev. 39, 42 (1880))

Sections 2-2.7, 7 and 7.5 of this bill authorize a board of county commissioners, with certain exceptions, to exercise all powers necessary or proper to address matters of local concern for the effective operation of county government, even if such a power is neither expressly nor implied, so long as the power whether or not the powers are expressly prohibited or limited by granted to the board, but such powers remain subject to all federal and state constitutional, statutory and regulatory provisions granted to another entity.

Section 2.7 defines the term “matter of local concern” as any matter that primarily affects or impacts areas located in the county, or persons who reside, work, visit or are otherwise present in areas located in the county, and that does not have a significant effect or impact on areas located in other counties. However, the term “matter of local concern” does not include any matter that is within the exclusive jurisdiction of another governmental entity or any matter that concerns: (1) a state interest that requires statewide uniformity of regulation; (2) the regulation of business activities that are subject to substantial regulation by a federal or state agency; or (3) any other federal or state interest that is committed by the Constitution, statutes or regulations of the United States or this State to federal or state regulation that preempts local regulation.
Sections 2 and 7 modify Dillon’s Rule as applied to the board of county commissioners so that if there is any fair or reasonable doubt concerning the existence of a power of the board to address a matter of local concern, it must be presumed that the board has the power unless the presumption is rebutted by evidence of a contrary intent by the Legislature. Section 2 also states that the provisions of this bill must not be interpreted to modify Dillon’s Rule with regard to: (1) any local governing body other than a board of county commissioners; or (2) any powers other than those powers necessary or proper to address matters of local concern for the effective operation of county government.

Section 7.7 of this bill provides that during the 2015-2017 interim between regular legislative sessions, the Nevada Association of Counties shall: (1) obtain information regarding the implementation of the provisions of this bill from each board of county commissioners; and (2) compile and report the information to the next regular session of the Legislature in 2017.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 244 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 7, inclusive, of this act.

Sec. 2. The Legislature hereby finds and declares that:

1. Historically under Nevada law, the exercise of powers by a board of county commissioners has been governed by a common-law rule on local governmental power known as Dillon’s Rule, which is named after former Chief Justice John F. Dillon of the Iowa Supreme Court who in a case from 1868 and in later treatises on the law governing local governments set forth the common-law rule defining and limiting the powers of local governments.

2. In Nevada’s jurisprudence, the Nevada Supreme Court has adopted and applied Dillon’s Rule to county, city and other local governments.

3. As applied to county government, Dillon’s Rule provides that a board of county commissioners possesses and may exercise only the following powers and no others:

   (a) Those powers granted in express terms by the Nevada Constitution or statute;

   (b) Those powers necessarily or fairly implied in or incident to the powers expressly granted; and

   (c) Those powers essential to the accomplishment of the declared objects and purposes of the county and not merely convenient but indispensable.

4. Dillon’s Rule also provides that if there is any fair or reasonable doubt concerning the existence of a power, that doubt is resolved against the board of county commissioners and the power is denied.

5. As a general rule on local governmental power, Dillon’s Rule serves an important function in defining the powers of county government and remains a vital component of Nevada law. However, with regard to matters of local concern, a strict interpretation and application of Dillon’s Rule...
unnecessarily restricts a board of county commissioners from taking appropriate actions that are necessary or proper to address matters of local concern for the effective operation of county government and thereby impedes the board from responding to and serving the needs of local citizens diligently, decisively and effectively.

6. To provide a board of county commissioners with the appropriate authority to address matters of local concern for the effective operation of county government, the provisions of sections 2 to 7, inclusive, of this act:
   (a) Expressly grant and delegate to the board of county commissioners all powers necessary or proper to address matters of local concern so that the board may adopt county ordinances and implement and carry out county programs and functions for the effective operation of county government; and
   (b) Modify Dillon’s Rule as applied to the board of county commissioners so that if there is any fair or reasonable doubt concerning the existence of a power of the board to address a matter of local concern, it must be presumed that the board has the power unless the presumption is rebutted by evidence of a contrary intent by the Legislature.

7. The provisions of sections 2 to 7, inclusive, of this act must not be interpreted to modify Dillon’s Rule with regard to:
   (a) Any local governing body other than a board of county commissioners; or
   (b) Any powers other than those powers necessary or proper to address matters of local concern for the effective operation of county government.

Sec. 2.1. As used in sections 2 to 7, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 2.5 and 2.7 of this act have the meanings ascribed to them in those sections.

Sec. 2.5. “County government” means any public body, agency, bureau, board, commission, department, division, office or other unit of county government, or any officer or employee thereof, within the jurisdiction of the board of county commissioners.

Sec. 2.7. 1. “Matter of local concern” means any matter that:
   (a) Primarily affects or impacts areas located in the county, or persons who reside, work, visit or are otherwise present in areas located in the county, and does not have a significant effect or impact on areas located in other counties;
   (b) Is not within the exclusive jurisdiction of another governmental entity; and
   (c) Does not concern:
      (1) A state interest that requires statewide uniformity of regulation;
      (2) The regulation of business activities that are subject to substantial regulation by a federal or state agency; or
      (3) Any other federal or state interest that is committed by the Constitution, statutes or regulations of the United States or this State to federal or state regulation that preempts local regulation.
2. The term includes, without limitation, any of the following matters of local concern:
   (a) Public health, safety and welfare in the county.
   (b) Planning, zoning, development and redevelopment in the county.
   (c) Nuisances and graffiti in the county.
   (d) Outdoor assemblies in the county.
   (e) Contracts and purchasing by county government.
   (f) Operation, management and control of county jails and prisoners by county government.
   (g) Any public property, buildings, lands, utilities and other public works owned, leased, operated, managed or controlled by county government, including, without limitation:
      (1) Roads, highways and bridges.
      (2) Parks, recreational centers, cultural centers, libraries and museums.

3. The provisions of subsection 2:
   (a) Are intended to be illustrative;
   (b) Are not intended to be exhaustive or exclusive; and
   (c) Must not be interpreted as either limiting or expanding the meaning of the term “matter of local concern” as provided in subsection 1.

Sec. 3.  [Deleted by amendment.]

Sec. 4.  [Deleted by amendment.]

Sec. 5.  [Deleted by amendment.]
Sec. 6.  [1. If there is a constitutional or statutory provision requiring a specific manner for exercising a power, a board of county commissioners that wishes to exercise the power shall do so in that manner.

2. If there is no constitutional or statutory provision requiring a specific manner for exercising a power, a board of county commissioners that wishes to exercise the power shall adopt an ordinance prescribing a specific manner for exercising the power.] (Deleted by amendment.)

Sec. 7.  [1. Except as prohibited, limited or preempted by the Constitution, statutes or regulations of the United States or this State and except as otherwise provided in this section, a board of county commissioners has:

(a) All powers expressly granted to the board;

(b) All powers necessarily or fairly implied in or incident to the powers expressly granted to the board; and

(c) All other powers necessary or proper to address matters of local concern for the effective operation of county government, whether or not the powers are expressly granted to the board. If there is any fair or reasonable doubt concerning the existence of a power of the board to address a matter of local concern pursuant to this paragraph, it must be presumed that the board has the power unless the presumption is rebutted by evidence of a contrary intent by the Legislature.

2. If there is a constitutional or statutory provision requiring a board of county commissioners to exercise a power set forth in subsection 1 in a specific manner, the board may exercise the power only in that specific manner, but if there is no constitutional or statutory provision requiring the board to exercise the power in a specific manner, the board may adopt an ordinance prescribing a specific manner for exercising the power.

3. Except as expressly authorized by statute, a board of county commissioners shall not:

(a) Condition or limit its civil liability unless such condition or limitation is part of a legally executed contract or agreement between the county and another governmental entity or a private person or business entity.

(b) Prescribe the law governing civil actions between private persons or entities.

(c) Impose duties on another governmental entity unless the performance of the duties is part of a legally executed agreement between the county and another governmental entity.

(d) Impose a tax.

(e) Order or conduct an election.

4. Except as expressly authorized by statute or necessarily or fairly implied in or incident to powers expressly authorized by statute, a board of county commissioners shall not:

(a) Impose a service charge or user fee; or

(b) Regulate business activities that are subject to substantial regulation by a federal or state agency.
Sec. 7.5. NRS 244.195 is hereby amended to read as follows:

244.195. Except as otherwise provided in sections 2 to 7, inclusive, of this act, the boards of county commissioners shall have power and jurisdiction in their respective counties to do and perform all such other acts and things as may be lawful and necessary to the full discharge of the powers and jurisdiction conferred on the board.

Sec. 7.7. 1. During the 2015-2017 interim between the 78th and 79th Sessions of the Nevada Legislature, the Nevada Association of Counties shall obtain information regarding the implementation of the provisions of this act from each board of county commissioners in this State, and each such board shall cooperate and work collaboratively with the Nevada Association of Counties to provide that information.

2. On or before February 1, 2017, the Nevada Association of Counties shall compile and report the information obtained pursuant to this section to the Director of the Legislative Counsel Bureau for transmittal to the 79th Session of the Nevada Legislature.

Sec. 8. This act becomes effective on July 1, 2015.

Senator Goicoechea moved that the Senate concur in the Assembly Amendment No. 740 to Senate Bill No. 29.

Remarks by Senator Goicoechea.

The amendment replaces most of the bill and grants boards of county commissioners the powers necessary or proper to address matters of local concern, whether or not the powers are expressly granted to the board. If there is any fair or reasonable doubt concerning the existence of a power of the board to address a matter of local concern, it must be presumed that the board has the power unless the presumption is rebutted by evidence of a contrary intent by the Legislature.

The amendment defines the term “matter of local concern” as any matter that primarily affects or impacts areas located in the county, or persons who reside, work, visit the county, and that does not have a significant effect or impact on areas located in other counties.

The amendment requires the Nevada Association of Counties to compile and report on information regarding the implementation of the provisions of this bill to the next regular session of the Legislature in 2017.

Senate Bill No. 50.
The following amendment was read.
Amendment No. 722.

AN ACT relating to contractors; deleting the requirement that the State Contractors’ Board establish an advisory committee concerning the classification of licensure of persons who install or maintain building shell insulation or thermal system insulation; revising the circumstances under which a natural person may qualify on behalf of another for more than one active contractor’s license; requiring such a person to possess good character; expanding the acts which constitute cause for disciplinary action against a licensee to include certain international codes; expanding the circumstances under which an injured person is not eligible for recovery from the Recovery Fund; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law requires that the State Contractors’ Board establish an advisory committee to make recommendations to the Board concerning the licensure of persons who install and maintain building shell or thermal system installation. (NRS 624.100) Section 1 of this bill deletes this requirement.

Existing law requires an applicant for a license as a contractor to demonstrate certain experience or knowledge. Existing law also provides that an applicant may qualify in regard to such knowledge and experience by the appearance of another person on behalf of the applicant. (NRS 624.260) Section 2 of this bill authorizes the Board to inquire into and consider that other person’s previous experience and certain legal actions against them. Section 2 also allows a natural person to qualify on behalf of one licensee if the licensee is a corporation for public benefit.
Existing law requires that the Board establish the financial responsibility of an applicant or licensee seeking renewal. (NRS 624.236) Section 3 of this bill allows the Board to inquire into and consider the financial responsibility of a person who qualifies on behalf of the applicant or licensee in making a determination of financial responsibility. Existing law requires that the Board establish the good character of an applicant or licensee seeking renewal. (NRS 624.265) Section 4 of this bill allows the Board to request certain information from any person who qualifies on behalf of an applicant or licensee in making a determination of good character.

Existing law provides that workmanship by a licensee that is not commensurate with certain codified standards is grounds for disciplinary action. (NRS 624.3017) Section 5 of this bill adds certain international building codes to those standards.

Existing law provides that, subject to certain exceptions, certain persons who suffer actual damages as a result of the acts or omissions of a licensee may be eligible to recover damages from the Recovery Fund maintained by the Board. (NRS 624.510) Section 6 of this bill adds certain exceptions to the eligibility to recover from the Recovery Fund.

3. Advertising projects of construction beyond the scope of the license.

Sec. 6. NRS 624.510 is hereby amended to read as follows:

624.510 1. Except as otherwise provided in NRS 624.490 and subsection 2, an injured person is eligible for recovery from the account if the Board or its designee finds that the injured person suffered actual damages as a result of an act or omission of a residential contractor that is in violation of this chapter or the regulations adopted pursuant thereto.

2. An injured person is not eligible for recovery from the account if:
   (a) The injured person is [the spouse of] cohabitating with the licensee, is related to the licensee by marriage or by blood in the first or second degree of consanguinity, or is a personal representative of [the spouse of] a person cohabitating with the licensee or related to the licensee by marriage or by blood in the first or second degree of consanguinity;

   (d) The injured person:

The offering of the residence for rent, lease or sale within 1 year after that date creates a rebuttable presumption that the construction, remodeling, repair or improvement was performed with the intent to rent, lease or sell the residence.
3. If the Board or its designee determines that an injured person is eligible for recovery from the account pursuant to this section or NRS 624.490, the Board or its designee may pay out of the account:
   (a) The amount of actual damages suffered, but not to exceed $35,000; or
   (b) If a judgment was obtained as set forth in NRS 624.490, the amount of actual damages included in the judgment and remaining unpaid, but not to exceed $35,000.
4. The decision of the Board or its designee regarding eligibility for recovery and all related issues is final and not subject to judicial review.
5. If the injured person has recovered a portion of his or her loss from sources other than the account, the Board shall deduct the amount recovered from the other sources from the amount payable upon the claim and direct the difference to be paid from the account.
6. To the extent of payments made from the account, the Board is subrogated to the rights of the injured person, including, without limitation, the right to collect from a surety bond or a cash bond. The Board and the Attorney General shall promptly enforce all subrogation claims.
7. The amount of recovery from the account based upon claims made against any single contractor must not exceed $400,000.
8. As used in this section, “actual damages” includes attorney’s fees or costs in contested cases appealed to the appellate court of competent jurisdiction. The term does not include any other attorney’s fees or costs.

Sec. 7. 1. This section and section 1 of this act become effective upon passage and approval.
2. Sections 2 to 6, inclusive, of this act become effective on October 1, 2015.

Senate Bill No. 59.
The following amendment was read.
Amendment No. 691.
AN ACT relating to business; declaring certain records to be confidential; revising provisions governing the state business portal; revising provisions governing applications for certain authorizations to conduct a business in this State issued by state and local agencies and health districts; revising provisions governing the state business license; requiring the Secretary of State to issue unique business identification numbers under certain circumstances; revising provisions governing the issuance of certain licenses by incorporated cities and counties; removing the prohibition against a
county clerk refusing to accept for filing certain business certificates in certain circumstances; revising provisions governing the disclosure of certain information by the Employment Security Division of the Department of Employment, Training and Rehabilitation; repealing certain provisions relating to the collection of information from businesses seeking certain authorizations to conduct business in this State; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, the Secretary of State is required to establish the state business portal to facilitate interaction among businesses and governmental agencies in this State by allowing businesses to conduct necessary transactions with governmental agencies in this State through the state business portal. (NRS 75A.100) Section 4 of this bill requires the Secretary of State to: (1) establish common business registration information that is used by state and local agencies and health districts to conduct necessary transactions with businesses in this State; and (2) cause the state business portal to provide common business registration information to state and local agencies and health districts that conduct necessary transactions with businesses in this State. Section 4 further authorizes state and local agencies and health districts to: (1) integrate their electronic applications processes into the state business portal; (2) use the state business portal to accept and disseminate common business registration information that is needed by the state or local agency or health district to issue a license, certificate, registration, permit or similar type of authorization to conduct a business in this State or to engage in an occupation or profession in this State; (3) make available on the Internet applications for a license, certificate, registration, permit or similar type of authorization to conduct a business in this State or to engage in an occupation or profession in this State and to integrate such applications into the state business portal; and (4) meet certain other requirements related to participation in the state business portal. However, section 4 also specifies that a state or local agency or health district is not required to disseminate or release information if such action would result in the state or local agency or health district violating any provision of state or federal law relating to the confidentiality of the information. Section 3 of this bill deems that the records and files collected as common business registration information by the Secretary of State are confidential and privileged unless an exception applies.

Section 5 of this bill requires the Secretary of State to assign a unique business identification number to each business entity organized in this State and to each person who is issued a state business [license] registration or who claims to be excluded or exempt from the requirement to obtain a state business [license] registration. Under section 4: (1) the Secretary of State must cause the state business portal to interface with the system used by the Secretary of State to assign business identification numbers; and (2) state and local agencies and health districts that issue licenses, certificates,
registrations, permits or similar types of authorization to conduct a business in this State or to engage in an occupation or profession in this State must require an applicant for such a license, certificate, registration or permit to include the applicant’s business identification number on the application.

Sections 7 and 8 of this bill amend provisions governing city and county business licenses so that certain information regarding industrial insurance is provided through the state business portal. Section 9 of this bill removes the provision from existing law which prohibits a county clerk, in certain circumstances, from refusing to accept for filing a certificate or renewal certificate concerning persons doing business in this State under an assumed or fictitious name that is filed by a foreign artificial person or persons. Section 10 of this bill authorizes the Employment Security Division of the Department of Employment, Training and Rehabilitation to make certain information available to the Secretary of State for certain purposes related to operating and maintaining the state business portal. Section 12 of this bill repeals certain provisions relating to: (1) the coordination of the collection of certain information and forms from businesses by state agencies and local governments; and (2) the affidavit required to be filed by an applicant who wishes to obtain a local business license to sell certain retail merchandise. Sections 4.3, 4.6, 6.5 and 7.5 of this bill change the term “state business license” to “state business registration.”

Amendment No. 725.

SUMMARY—Includes certain alcohol and drug abuse counselors, problem gambling counselors, social workers and medical facilities in the definition of “provider of health care” for purposes of various provisions relating to healing arts and certain other provisions. (BDR 54-389)

AN ACT relating to health care providers; including certain alcohol and drug abuse counselors, problem gambling counselors, social workers and medical facilities in the definition of “provider of health care” for purposes of various provisions relating to healing arts and certain other provisions; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law defines the term “provider of health care” as used in various provisions relating to healing arts to mean a licensed physician, physician assistant, dentist, licensed nurse, dispensing optician, optometrist, practitioner of respiratory care, registered physical therapist, occupational therapist, podiatric physician, licensed psychologist, licensed marriage and family therapist, licensed clinical professional counselor, music therapist, chiropractor, athletic trainer, perfusionist, doctor of Oriental medicine, medical laboratory director or technician, pharmacist, licensed dietician or licensed hospital as the employer of such a person. (NRS 629.031) Existing law also defines the term “medical facility” to include certain centers, clinics and facilities, including facilities for skilled nursing and hospitals. (NRS 449.0151)

This bill expands the definition of “provider of health care” to include: (1) an associate in social work, a social worker, an independent social worker or a clinical social worker who is licensed pursuant to chapter 641B of NRS, an alcohol and drug abuse counselor or a problem gambling counselor who is certified pursuant to chapter 641C of NRS and an alcohol and drug abuse counselor who is licensed pursuant to that chapter; and (2) a medical facility as the employer of any of those persons.

Adding those persons and medical facilities to the list of providers of health care makes certain requirements that are currently applicable to other providers of health care applicable to those persons and medical facilities as well. Such requirements include, without limitation, retention of patient records, requirements for billing, standards for advertisements and criminal penalties for acquiring certain debts. (NRS 629.051, 629.071, 629.076, 629.078)
Existing law also includes the definition of “provider of health care” by reference in various other provisions. By expanding the definition, the bill expands the definition for those other provisions, thereby making those provisions include associates in social work, social workers, independent social workers, clinical social workers, alcohol and drug abuse counselors, problem gambling counselors, and medical facilities as employers of those persons as providers of health care. The term is referenced in provisions relating to various subjects including, without limitation, admissibility of the testimony of hypnotized witnesses, power of attorney, practice during declared emergencies, investigations conducted concerning facilities for long-term care, confidentiality of reports and referrals relating to maternal health, payments by insurance, release of the results of certain laboratory tests, drug donation programs, interpreters and realtime captioning providers and the Silver State Health Insurance Exchange. (NRS 41.141, 48.039, 162A.790, 415A.210, 427A.145, 442.395, 449.2475, chapter 453B of NRS, NRS 652.193, chapters 656A and 695I of NRS)

Senator Bill No. 144.
The following amendment was read
Amendment No. 820.
AN ACT relating to public safety; authorizing certain governing bodies and the Department of Transportation to designate pedestrian safety zones in certain circumstances; providing for enhanced penalties for certain traffic violations in pedestrian safety zones; revising provisions relating to vehicles and pedestrians in certain crosswalks and intersections; prohibiting a driver from making a U-turn or passing another vehicle in a school zone or a school crossing zone in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Section 1 of this bill authorizes the governing body of a local government or the Department of Transportation to designate pedestrian safety zones on a highway if certain findings are made. Section 1 also provides that a person who is convicted of a violation of a speed limit or of certain other violations may be subject to a doubling of the penalty if the violation occurs in a pedestrian safety zone that is appropriately marked with signs designating the pedestrian safety zone and providing notice that additional penalties may apply in such a zone. Such a doubling of the penalty is discretionary with the court. Sections 2-21 and 23-30 of this bill make conforming changes to indicate the possibility of the enhanced penalty.

Existing law requires the driver of a vehicle or a pedestrian to obey certain rules at an intersection or crosswalk that is controlled by a traffic light, depending on the particular color and symbol displayed on the traffic light. (NRS 484B.307) Section 18 of this bill provides such rules for an
intersection or crosswalk where the traffic light displays a flashing yellow
turn arrow, displayed alone or in combination with another signal.

Existing law provides that certain maximum speed limits are in effect in
school zones and school crossing zones at certain times. (NRS 484B.363)
Section 22 of this bill makes it unlawful for a driver to make a U-turn or to
overtake and pass another vehicle in a school zone or a school crossing zone
when the school speed limit is in effect and children are present.

(d) Upon any highway on which traffic is restricted to one direction of movement, where the highway is free from obstructions and of sufficient width for two or more lines of moving vehicles.

2. The driver of a vehicle may overtake and pass another vehicle upon the right only under conditions permitting such movement in safety.

3. The driver of a vehicle shall not overtake and pass another vehicle upon the right when such movement requires driving off the paved portion of the highway.

4. A person who violates any provision of this section may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.
Sec. 9. NRS 484B.213 is hereby amended to read as follows:

484B.213 1. A vehicle must not be driven to the left side of the center of a two-lane, two-directional highway and overtaking and passing another vehicle proceeding in the same direction, unless such left side is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit such overtaking and passing to be completely made without interfering with the safe operation of any vehicle approaching from the opposite direction or any vehicle overtaken.

2. A vehicle must not be driven to the left side of the highway at any time:
   (a) When approaching the crest of a grade or upon a curve in the highway where the driver’s view is obstructed within such distance as to create a hazard in the event another vehicle might approach from the opposite direction.
   (b) When approaching within 100 feet or traversing any intersection or railroad grade crossing.
   (c) When the view is obstructed upon approaching within 100 feet of any bridge, viaduct or tunnel.

3. Subsection 2 does not apply upon a one-way highway.

4. A person who violates any provision of this section may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 10. NRS 484B.217 is hereby amended to read as follows:

484B.217 1. The Department of Transportation with respect to highways constructed under the authority of chapter 408 of NRS, and local authorities with respect to highways under their jurisdiction, may determine those zones of highways where overtaking and passing to the left or making a left-hand turn would be hazardous, and may by the erection of official traffic-control devices indicate such zones. When such devices are in place and clearly visible to an ordinarily observant person, every driver of a vehicle shall obey the directions thereof.

2. Except as otherwise provided in subsections 3 and 4, a driver shall not drive on the left side of the highway within such zone or drive across or on the left side of any pavement striping designed to mark such zone throughout its length.

3. A driver may drive across a pavement striping marking such zone to an adjoining highway if the driver has first given the appropriate turn signal and there will be no impediment to oncoming or following traffic.

4. Except where otherwise provided, a driver may drive across a pavement striping marking such a zone to make a left-hand turn if the driver has first given the appropriate turn signal in compliance with NRS 484B.413, if it is safe and if it would not be an impediment to oncoming or following traffic.
5. A person who violates any provision of this section may be subject to 
any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 11. NRS 484B.223 is hereby amended to read as follows:
484B.223  1. If a highway has two or more clearly marked lanes for 
traffic traveling in one direction, vehicles must:
(a) be driven as nearly as practicable entirely within a single lane; and
(b) not be moved from that lane until the driver has given the appropriate 
turn signal and ascertained that such movement can be made with safety.
2. Upon a highway which has been divided into three clearly marked 
lanes, a vehicle must not be driven in the extreme left lane at any time. A 
vehicle on such a highway must not be driven in the center lane except:
(a) when overtaking and passing another vehicle where the highway is 
clearly visible and the center lane is clear of traffic for a safe distance;
(b) in preparation for a left turn; or
(c) when the center lane is allocated exclusively to traffic moving in the 
direction in which the vehicle is proceeding and a sign is posted to give 
notice of such allocation.
3. If a highway has been designed to provide a single center lane to be 
used only for turning by traffic moving in both directions, the following rules 
apply:
(a) a vehicle may be driven in the center turn lane only for the purpose of 
making a left-hand turn onto or from the highway.
(b) a vehicle must not travel more than 200 feet in a center turn lane 
before making a left-hand turn from the highway.
(c) a vehicle must not travel more than 50 feet in a center turn lane after 
making a left-hand turn onto the highway before merging with traffic.
4. If a highway has been designed to provide a single right lane to be 
used only for turning, a vehicle must:
(a) be driven in the right turn lane only for the purpose of making a right 
turn; and
(b) while being driven in the right turn lane, not travel through an 
intersection.
5. A person who violates any provision of this section may be subject to 
any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 12. NRS 484B.227 is hereby amended to read as follows:
484B.227  1. Every vehicle driven upon a divided highway must be 
driven only upon the right-hand roadway and must not be driven over, across 
or within any dividing space, barrier or section or make any left turn, 
semicircular turn or U-turn, except through an opening in the barrier or 
dividing section or space or at a crossover or intersection established by a 
public authority.
2. A person who violates any provision of this section may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 13. NRS 484B.280 is hereby amended to read as follows:
484B.280 1. A driver of a motor vehicle shall:
   (a) Exercise due care to avoid a collision with a pedestrian;
   (b) Give an audible warning with the horn of the vehicle if appropriate and when necessary to avoid such a collision; and
   (c) Exercise proper caution upon observing a pedestrian:
      (1) On or near a highway, street or road;
      (2) At or near a bus stop or bench, shelter or transit stop for passengers of public mass transportation or in the act of boarding a bus or other public transportation vehicle; or
      (3) In or near a school zone or a school crossing zone marked in accordance with NRS 484B.363 or a marked or unmarked crosswalk.
2. If, while violating any provision of this section, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.
3. A person who violates any provision of subsection 1 may be subject to the additional penalty set forth in section 1 of this act.

Sec. 14. NRS 484B.283 is hereby amended to read as follows:
484B.283 1. Except as otherwise provided in NRS 484B.287, 484B.290 and 484B.350:
   (a) When official traffic-control devices are not in place or not in operation, the driver of a vehicle shall yield the right-of-way, slowing down or stopping if need be so to yield, to a pedestrian crossing the highway within a crosswalk when the pedestrian is upon the half of the highway upon which the vehicle is traveling, or when the pedestrian is approaching so closely from the opposite half of the highway as to be in danger.
   (b) A pedestrian shall not suddenly leave a curb or other place of safety and walk or run into the path of a vehicle which is so close that it is impossible for the driver to yield.
   (c) Whenever a vehicle is stopped at a marked crosswalk or at an unmarked crosswalk at an intersection, the driver of any other vehicle approaching from the rear shall not overtake and pass the stopped vehicle until the driver has determined that the vehicle being overtaken was not stopped for the purpose of permitting a pedestrian to cross the highway.
   (d) Whenever signals exhibiting the words “Walk” or “Don’t Walk” are in place, such signals indicate as follows:
      (1) While the “Walk” indication is illuminated, pedestrians facing the signal may proceed across the highway in the direction of the signal and must be given the right-of-way by the drivers of all vehicles.
      (2) While the “Don’t Walk” indication is illuminated, either steady or flashing, a pedestrian shall not start to cross the highway in the direction of the signal, but any pedestrian who has partially completed the crossing
during the “Walk” indication shall proceed to a sidewalk, or to a safety zone if one is provided.

(3) Whenever the word “Wait” still appears in a signal, the indication has the same meaning as assigned in this section to the “Don’t Walk” indication.

(4) Whenever a signal system provides a signal phase for the stopping of all vehicular traffic and the exclusive movement of pedestrians, and “Walk” and “Don’t Walk” indications control pedestrian movement, pedestrians may cross in any direction between corners of the intersection offering the shortest route within the boundaries of the intersection when the “Walk” indication is exhibited, and when signals and other official traffic-control devices direct pedestrian movement in the manner provided in this section and in NRS 484B.307.

2. If, while violating paragraph (a) or (c) of subsection 1, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.

3. A person who violates any provision of subsection 1 may be subject to the additional penalty set forth in section 1 of this act.

Sec. 15. NRS 484B.287 is hereby amended to read as follows:

484B.287  1. Except as provided in NRS 484B.290:

(a) Every pedestrian crossing a highway at any point other than within a marked crosswalk or within an unmarked crosswalk at an intersection shall yield the right-of-way to all vehicles upon the highway.

(b) Any pedestrian crossing a highway at a point where a pedestrian tunnel or overhead pedestrian crossing has been provided shall yield the right-of-way to all vehicles upon the highway.

(c) Between adjacent intersections at which official traffic-control devices are in operation pedestrians shall not cross at any place except in a marked crosswalk.

(d) A pedestrian shall not cross an intersection diagonally unless authorized by official traffic-control devices.

(e) When authorized to cross diagonally, pedestrians shall cross only in accordance with the official traffic-control devices pertaining to such crossing movements.

2. A person who violates any provision of this section may be subject to the additional penalty set forth in section 1 of this act.

Sec. 16. NRS 484B.300 is hereby amended to read as follows:

484B.300  1. Except as otherwise provided in NRS 484B.307, it is unlawful for any driver to disobey the instructions of any official traffic-control device placed in accordance with the provisions of chapters 484A to 484E, inclusive, of NRS, unless at the time otherwise directed by a police officer.

2. No provision of chapters 484A to 484E, inclusive, of NRS for which such devices are required may be enforced against an alleged violator if at
the time and place of the alleged violation the device is not in proper position and sufficiently legible to be seen by an ordinarily observant person. Whenever a particular provision of chapters 484A to 484E, inclusive, of NRS does not state that such devices are required, the provision is effective even though no devices are erected or in place.

3. Whenever devices are placed in position approximately conforming to the requirements of chapters 484A to 484E, inclusive, of NRS, such devices are presumed to have been so placed by the official act or direction of a public authority, unless the contrary is established by competent evidence.

4. Any device placed pursuant to the provisions of chapters 484A to 484E, inclusive, of NRS and purporting to conform to the lawful requirements pertaining to such devices is presumed to comply with the requirements of chapters 484A to 484E, inclusive, of NRS unless the contrary is established by competent evidence.

5. A person who violates any provision of subsection 1 may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 17. NRS 484B.303 is hereby amended to read as follows:

484B.303 1. Whenever official traffic-control devices are erected indicating that no right or left turn is permitted, it is unlawful for any driver of a vehicle to disobey the directions of any such devices.

2. A person who violates any provision of this section may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 18. NRS 484B.307 is hereby amended to read as follows:

484B.307 1. Whenever traffic is controlled by official traffic-control devices exhibiting different colored lights, or colored lighted arrows, successively one at a time or in combination as declared in the manual and specifications adopted by the Department of Transportation, only the colors green, yellow and red may be used, except for special pedestrian-control devices carrying a word legend as provided in NRS 484B.283. The lights, arrows and combinations thereof indicate and apply to drivers of vehicles and pedestrians as provided in this section.

2. When the signal is circular green alone:

(a) Vehicular traffic facing the signal may proceed straight through or turn right or left unless another device at the place prohibits either or both such turns. Such vehicular traffic, including vehicles turning right or left, must yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time the signal is exhibited.

(b) Pedestrians facing such a signal may proceed across the highway within any marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

3. Where the signal is circular green with a green turn arrow:

(a) Vehicular traffic facing the signal may proceed to make the movement indicated by the green turn arrow or such other movement as is permitted by
the circular green signal, but the traffic must yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection at the time the signal is exhibited. Drivers turning in the direction of the arrow when displayed with the circular green are thereby advised that so long as a turn arrow is illuminated, oncoming or opposing traffic simultaneously faces a steady red signal.

(b) Pedestrians facing such a signal may proceed across the highway within any marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

4. Where the signal is a green turn arrow alone:
(a) Vehicular traffic facing the signal may proceed only in the direction indicated by the arrow signal so long as the arrow is illuminated, but the traffic must yield the right-of-way to pedestrians lawfully within the adjacent crosswalk and to other traffic lawfully using the intersection.

(b) Pedestrians facing such a signal shall not enter the highway until permitted to proceed by another device as provided in NRS 484B.283.

5. Where the signal is a green straight-through arrow alone:
(a) Vehicular traffic facing the signal may proceed straight through, but must not turn right or left. Such vehicular traffic must yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time the signal is exhibited.

(b) Pedestrians facing such a signal may proceed across the highway within the appropriate marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

6. Where the signal is a steady yellow signal alone:
(a) Vehicular traffic facing the signal is thereby warned that the related green movement is being terminated or that a steady red indication will be exhibited immediately thereafter, and such vehicular traffic must not enter the intersection when the red signal is exhibited.

(b) Pedestrians facing such a signal, unless otherwise directed by another device as provided in NRS 484B.283, are thereby advised that there is insufficient time to cross the highway.

7. Where the signal is a flashing yellow turn arrow, displayed alone or in combination with another signal:
(a) Vehicular traffic facing the signal is permitted to cautiously enter the intersection only to make the movement indicated by the arrow signal, or other such movement as is permitted by other signal indications displayed at the same time. Such vehicular traffic must yield the right-of-way to pedestrians lawfully within the intersection or an adjacent crosswalk and yield the right-of-way to other traffic lawfully within the intersection.

(b) Pedestrians facing such a signal, unless otherwise directed by another device as provided in NRS 484B.283, are thereby advised that there may be insufficient time to cross the highway, but may proceed across the highway within the appropriate marked or unmarked crosswalk.

8. Where the signal is a steady red signal alone:
(a) Vehicular traffic facing the signal must stop before entering the crosswalk on the nearest side of the intersection where the sign or pavement marking indicates where the stop must be made, or in the absence of any such crosswalk, sign or marking, then before entering the intersection, and, except as otherwise provided in paragraphs (c) and (d), must remain stopped or standing until the green signal is shown.

(b) Pedestrians facing such a signal shall not enter the highway, unless permitted to proceed by another device as provided in NRS 484B.283.

(c) After complying with the requirement to stop, vehicular traffic facing such a signal and situated on the extreme right of the highway may proceed into the intersection for a right turn only when the intersecting highway is two-directional or one-way to the right, or vehicular traffic facing such a signal and situated on the extreme left of a one-way highway may proceed into the intersection for a left turn only when the intersecting highway is one-way to the left, but must yield the right-of-way to pedestrians and other traffic proceeding as directed by the signal at the intersection.

(d) After complying with the requirement to stop, a person driving a motorcycle, moped or trimobile or riding a bicycle or an electric bicycle may proceed straight through or turn right or left if:
   (1) The person waits for two complete cycles of the lights or lighted arrows of the applicable official traffic-control device and the signal does not change because of a malfunction or because the signal failed to detect the presence of the motorcycle, moped, trimobile, bicycle or electric bicycle;
   (2) No other device at the place prohibits either or both such turns, if applicable; and
   (3) The person yields the right-of-way to pedestrians and other traffic proceeding as directed by the signal at the intersection.

(e) Vehicular traffic facing the signal may not proceed on or through any private or public property to enter the intersecting street where traffic is not facing a red signal to avoid the red signal.

9. Where the signal is a steady red with a green turn arrow:
(a) Except as otherwise provided in paragraph (b), vehicular traffic facing the signal may enter the intersection only to make the movement indicated by the green turn arrow, but must yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection. Drivers turning in the direction of the arrow are thereby advised that so long as the turn arrow is illuminated, oncoming or opposing traffic simultaneously faces a steady red signal.

(b) A person driving a motorcycle, moped or trimobile or riding a bicycle or an electric bicycle facing the signal may proceed straight through or turn in the direction opposite that indicated by the green turn arrow if:
   (1) The person stops before entering the crosswalk on the nearest side of the intersection where the sign or pavement marking indicates where the stop must be made or, in the absence of any such crosswalk, sign or marking, before entering the intersection;
(2) The person waits for two complete cycles of the lights or lighted arrows of the applicable official traffic-control device and the signal does not change because of a malfunction or because the signal failed to detect the presence of the motorcycle, moped, trimobile, bicycle or electric bicycle;
(3) No other device at the place prohibits the turn, if applicable; and
(4) The person yields the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.
(c) Pedestrians facing such a signal shall not enter the highway, unless permitted to proceed by another device as provided in NRS 484B.283.

10. If a person violates paragraph (d) of subsection 7 or paragraph (b) of subsection 8 and that violation results in an injury to another person, the violation creates a rebuttable presumption of all facts necessary to impose civil liability for the injury.

11. If a signal is erected and maintained at a place other than an intersection, the provisions of this section are applicable except as to those provisions which by their nature can have no application. Any stop required must be made at a sign or pavement marking indicating where the stop must be made, but in the absence of any such device the stop must be made at the signal.

12. Whenever signals are placed over the individual lanes of a highway, the signals indicate, and apply to drivers of vehicles, as follows:
(a) A downward-pointing green arrow means that a driver facing the signal may drive in any lane over which the green signal is shown.
(b) A red “X” symbol means a driver facing the signal must not enter or drive in any lane over which the red signal is shown.

13. A local authority shall not adopt an ordinance or regulation or take any other action that prohibits vehicular traffic from crossing an intersection when:
(a) The red signal is exhibited; and
(b) The vehicular traffic in question had already completely entered the intersection before the red signal was exhibited. For the purposes of this paragraph, a vehicle shall be considered to have “completely entered” an intersection when all portions of the vehicle have crossed the limit line or other point of demarcation behind which vehicular traffic must stop when a red signal is displayed.

14. A person who violates any provision of this section may be subject to the additional penalty set forth in section 1 of this act.

Sec. 19. NRS 484B.317 is hereby amended to read as follows:

484B.317 1. A person shall not, without lawful authority, attempt to or alter, deface, injure, knock down or remove any official traffic-control device or any railroad sign or signal or any inscription, shield or insignia thereon, or any other part thereof.

2. A person who violates any provision of this section may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.
Sec. 20. NRS 484B.320 is hereby amended to read as follows:

484B.320  1. Except as otherwise provided in this section:
(a) A person shall not operate a vehicle on the highways of this State if the vehicle is equipped with any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal.
(b) A person shall not operate any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal.

2. Except as otherwise provided in this subsection, a person shall not in this State sell or offer for sale any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal. The provisions of this subsection do not prohibit a person from selling or offering for sale:
(a) To a provider of mass transit, a signal prioritization device; or
(b) To a response agency, a signal preemption device or a signal prioritization device, or both.

3. A police officer:
(a) Shall, without a warrant, seize any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal; or
(b) May, without a warrant, seize and take possession of a vehicle equipped with any device or mechanism that is capable of interfering with or altering the signal of a traffic-control signal, including, without limitation, a mobile transmitter, if the device or mechanism cannot be removed from the motor vehicle by the police officer, and may cause the vehicle to be towed and impounded until:
(1) The device or mechanism is removed from the vehicle; and
(2) The owner claims the vehicle by paying the cost of the towing and impoundment.

4. Neither the police officer nor the governmental entity which employs the officer is civilly liable for any damage to a vehicle seized pursuant to the provisions of paragraph (b) of subsection 3 that occurs after the vehicle is seized but before the towing process begins.

5. Except as otherwise provided in subsection 9, the presence of any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal in or on a vehicle on the highways of this State constitutes prima facie evidence of a violation of this section. The State need not prove that the device or mechanism in question was in an operative condition or being operated.

6. A person who violates the provisions of subsection 1 or 2 is guilty of a misdemeanor.
7. A person who violates any provision of subsection 1 or 2 may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

8. A provider of mass transit shall not operate or cause to be operated a signal prioritization device in such a manner as to impede or interfere with the use by response agencies of signal preemption devices.

9. The provisions of this section do not:
   (a) Except as otherwise provided in subsection 8, prohibit a provider of mass transit from acquiring, possessing or operating a signal prioritization device.
   (b) Prohibit a response agency from acquiring, possessing or operating a signal preemption device or a signal prioritization device, or both.

10. As used in this section:
   (a) "Mobile transmitter" means a device or mechanism that is:
       (1) Portable, installed within a vehicle or capable of being installed within a vehicle; and
       (2) Designed to affect or alter, through the emission or transmission of sound, infrared light, strobe light or any other audible, visual or electronic method, the normal operation of a traffic-control signal.
   (b) "Provider of mass transit" means a governmental entity or a contractor of a governmental entity which operates, in whole or in part:
       (1) A public transit system, as that term is defined in NRS 377A.016; or
       (2) A system of public transportation referred to in NRS 277A.270.
   (c) "Response agency" means an agency of this State or of a political subdivision of this State that provides services related to law enforcement, firefighting, emergency medical care or public safety. The term includes a nonprofit organization or private company that, as authorized pursuant to chapter 450B of NRS:
       (1) Provides ambulance service; or
       (2) Provides the level of medical care provided by an advanced emergency medical technician or paramedic to sick or injured persons at the scene of an emergency or while transporting those persons to a medical facility.
   (d) "Signal preemption device" means a mobile transmitter that, when activated and when a vehicle equipped with such a device approaches an intersection controlled by a traffic-control signal, causes:
       (1) The signal, in the direction of travel of the vehicle, to remain green if the signal is already displaying a green light;
       (2) The signal, in the direction of travel of the vehicle, to change from red to green if the signal is displaying a red light;
       (3) The signal, in other directions of travel, to remain red or change to red, as applicable, to prevent other vehicles from entering the intersection; and
(4) The applicable functions described in subparagraphs (1), (2) and (3) to continue until such time as the vehicle equipped with the device is clear of the intersection.

(e) "Signal prioritization device" means a mobile transmitter that, when activated and when a vehicle equipped with such a device approaches an intersection controlled by a traffic-control signal, causes:

(1) The signal, in the direction of travel of the vehicle, to display a green light a few seconds sooner than the green light would otherwise be displayed;

(2) The signal, in the direction of travel of the vehicle, to display a green light for a few seconds longer than the green light would otherwise be displayed; or

(3) The functions described in both subparagraphs (1) and (2).

(f) "Traffic-control signal" means a traffic-control signal, as defined in NRS 484A.290, which is capable of receiving and responding to an emission or transmission from a mobile transmitter.

Sec. 21. NRS 484B.327 is hereby amended to read as follows:

1. It is unlawful for any person to remove any barrier or sign stating that a highway is closed to traffic.

2. It is unlawful to pass over a highway that is marked, signed or barricaded to indicate that it is closed to traffic. A person who violates any provision of this subsection may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Sec. 22. NRS 484B.363 is hereby amended to read as follows:

1. A person shall not drive a motor vehicle at a speed in excess of 15 miles per hour in an area designated as a school zone except:

(a) On a day on which school is not in session;

(b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;

(c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or

(d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone indicates that the speed limit is not in effect.

2. A person shall not drive a motor vehicle at a speed in excess of 25 miles per hour in an area designated as a school crossing zone except:

(a) On a day on which school is not in session;

(b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;

(c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or
(d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone indicates that the speed limit is not in effect.  

3. The driver of a vehicle shall not make a U-turn in an area designated as a school zone or school crossing zone except:
   (a) When there are no children present;
   (b) On a day on which school is not in session;
   (c) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;
   (d) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or
   (e) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone or school crossing zone indicates that the speed limit is not in effect.

4. The driver of a vehicle shall not overtake and pass another vehicle traveling in the same direction in an area designated as a school zone or school crossing zone except:
   (a) On a day on which the school is not in session;
   (b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;
   (c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or
   (d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone or school crossing zone indicates that the speed limit is not in effect.

5. The governing body of a local government or the Department of Transportation shall designate school zones and school crossing zones. An area must not be designated as a school zone if imposing a speed limit of 15 miles per hour would be unsafe because of higher speed limits in adjoining areas.

6. Each such governing body and the Department of Transportation shall provide signs to mark the beginning and end of each school zone and school crossing zone which it respectively designates. Each sign marking the beginning of such a zone must include a designation of the hours when the speed limit is in effect or that the speed limit is in effect when children are present.

7. With respect to each school zone and school crossing zone in a school district, the superintendent of the school district or his or her designee, in conjunction with the Department of Transportation and the governing body of the local government that designated the school zone or school crossing zone and after consulting with the principal of the school and the
agency that is responsible for enforcing the speed limit in the zone, shall
determine the times when the speed limit is in effect.

8. If, while violating any provision of subsections 1 to 4, inclusive, the driver of a motor vehicle is the proximate
cause of a collision with a pedestrian or a person riding a bicycle, the driver
is subject to the additional penalty set forth in subsection 4 of NRS
484B.653.

9. As used in this section, “speed limit beacon” means a device
which is used in conjunction with a sign and equipped with two or more
yellow lights that flash alternately to indicate when the speed limit in a
school zone or school crossing zone is in effect.

Sec. 23. NRS 484B.403 is hereby amended to read as follows:

484B.403 1. A U-turn may be made on any road where the turn can be

of NRS 484B.227, 484B.363 and 484B.407.

2. If an official traffic-control device indicates that a U-turn is prohibited,
the driver shall obey the directions of the device.

any additional penalty set forth in NRS 484B.130 or section 1 of this
act.

Sec. 25. NRS 484B.603 is hereby amended to read as follows:
1. The fact that the speed of a vehicle is lower than the prescribed limits does not relieve a driver from the duty to decrease speed when approaching and crossing an intersection, when approaching and going around a curve, when approaching a hill crest, when traveling upon any narrow or winding highway, or when special hazards exist or may exist with respect to pedestrians or other traffic, or by reason of weather or other highway conditions, and speed must be decreased as may be necessary to avoid colliding with any person, vehicle or other conveyance on or entering a highway in compliance with legal requirements and the duty of all persons to use due care.

2. Any person who fails to use due care as required by subsection 1 may be subject to any additional penalty set forth in NRS 484B.130 or section 1 of this act.

Amendment No. 742.

SUMMARY—Revises provisions governing eligibility to be a candidate for or member of the executive board or an officer of a unit-owners’ association. (BDR 10-617)

AN ACT relating to common-interest communities; revising provisions governing eligibility to be a candidate for or member of the executive board or an officer of a unit-owners’ association; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law provides that, unless a person is appointed by the declarant, a person may not be a member of the executive board or an officer of a unit-owners’ association if the person or certain other persons perform the duties of a community manager for that association. (NRS 116.31034) This bill additionally excludes a person, other than a person appointed by the declarant, from being a candidate for or member of the executive board or an officer of a unit-owners’ association if: (1) the person resides with, is married to or domestic partners with or is related within the third degree of consanguinity to a member of the board or an officer of the association; or (2) the person stands to gain any personal profit or compensation from a matter before the board. The exclusion does not apply: (1) to a person who owns 75 percent or more of the units in an association under certain circumstances; (2) to a candidate for the executive board if the number of candidates nominated for membership on the executive board is less than or equal to the number of members to be elected. Lastly, this bill provides that if a person is not eligible to be a candidate for or member of the executive board or an officer of an association, the association: (1) must not place the person’s name on the ballot; and (2) must prohibit such a person from serving as a member of the executive board or an officer of the association.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 116.31034 is hereby amended to read as follows:

116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant’s control, the units’ owners shall elect an executive board of at least three members, all
of whom must be units’ owners. The executive board shall elect the officers of the association. Unless the governing documents provide otherwise, the officers of the association are not required to be units’ owners. The members of the executive board and the officers of the association shall take office upon election.

2. The term of office of a member of the executive board may not exceed 3 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:
   (a) Members of the executive board who are appointed by the declarant; and
   (b) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit’s owner of the unit’s owner’s eligibility to serve as a member of the executive board. Each unit’s owner who is qualified to serve as a member of the executive board may have his or her name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Before the secretary or other officer specified in the bylaws of the association causes notice to be given to each unit’s owner of his or her eligibility to serve as a member of the executive board pursuant to subsection 4, the executive board may determine that if, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board at the election, then the secretary or other officer specified in the bylaws of the association will cause notice to be given to each unit’s owner informing each unit’s owner that:
   (a) The association will not prepare or mail any ballots to units’ owners pursuant to this section and the nominated candidates shall be deemed to be duly elected to the executive board unless:
       (1) A unit’s owner who is qualified to serve on the executive board nominates himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection; and
       (2) The number of units’ owners who submit such a nomination causes the number of candidates nominated for membership on the executive board to be greater than the number of members to be elected to the executive board.
(b) Each unit’s owner who is qualified to serve as a member of the executive board may nominate himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection.

6. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board, then:
   (a) The association will not prepare or mail any ballots to units’ owners pursuant to this section;
   (b) The nominated candidates shall be deemed to be duly elected to the executive board not later than 30 days after the date of the closing of the period for nominations described in subsection 5; and
   (c) The association shall send to each unit’s owner notification that the candidates nominated have been elected to the executive board.

7. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is greater than the number of members to be elected to the executive board, then the association shall:
   (a) Prepare and mail ballots to the units’ owners pursuant to this section; and
   (b) Conduct an election for membership on the executive board pursuant to this section.

8. Each person who is nominated as a candidate for membership on the executive board pursuant to subsection 4 or 5 must:
   (a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and
   (b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in “good standing” if the candidate has any unpaid and past due assessments or construction penalties that are required to be paid to the association.

The candidate must make all disclosures required pursuant to this subsection in writing to the association with his or her candidacy information. Except as otherwise provided in this subsection, the association shall distribute the disclosures, on behalf of the candidate, to each member of the association with the ballot or, in the event ballots are not prepared and mailed pursuant to subsection 6, in the next regular mailing of the association. The association is not obligated to distribute any disclosure pursuant to this subsection if the disclosure contains information that is believed to be defamatory, libelous or profane.
9. [Unless] Except as otherwise provided in subsections 10 and 11, unless a person is appointed by the declarant:
   (a) A person may not be a candidate for or member of the executive board or an officer of the association if:
      (1) The person resides in a unit with, is married to, is domestic partners with, or is related by blood, adoption or marriage within the third degree of consanguinity or affinity to another person who is also a member of the executive board or is an officer of the association;

AN ACT relating to motor vehicles; changing the word “accident” to “crash” in reference to motor vehicles; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law includes references to motor vehicle “accidents” in many sections, including, without limitation, sections dealing with the reporting of accidents, the investigation of an accident by certain law enforcement officers, the preparation of accident reports, the obligations of a party to an accident, the obligations of a garage or repair shop to the owner of a motor vehicle that has been involved in an accident, the requirements for the maintenance of liability insurance by the owner or operator of a motor vehicle, the obligations of certain motor carriers involved in an accident, and the obligations of the operator of a tow car upon towing a motor vehicle involved in an accident. (NRS 480.360, 483.400, 484A.710, 484E.050, 484E.070, 484E.100, 485.185, 706.251, 706.4479) This bill changes the word
“accident” in such sections to “crash.” In those sections of existing law where the term “accident” is intended to include both a motor vehicle crash and an accidental incident of some other type, the word “accident” is amended by adding “and motor vehicle crash” or “and crash.” Section 131.3 of this bill clarifies that, for the purposes of the Nevada Insurance Code, the term “crash” has the same meaning as previous uses of the term “accident,” when used in reference to motor vehicles. Section 150.5 of this bill provides that the amendatory provisions of this bill shall be construed as nonsubstantive and that it is not the intent of the Nevada Legislature to modify any existing application, construction or interpretation of any statute which has been so amended.

If the license plate is lost or destroyed, the Department may issue a replacement plate upon the payment of a fee of 50 cents. If the decal is lost or destroyed, the Department may, upon the payment of the fee specified in subsection 2, issue a replacement decal for the farm tractor or self-propelled implement of husbandry.

4. Notwithstanding any provision of chapter 445B of NRS to the contrary, an agricultural user is not required to obtain a certificate of

482.305 1. The short-term lessor of a motor vehicle who permits the short-term lessee to operate the vehicle upon the highways, and who has not complied with NRS 482.295 insuring or otherwise covering the short-term lessee against liability arising out of his or her negligence in the operation of the rented vehicle in limits of not less than $15,000 for any one person injured or killed and $30,000 for any number more than one, injured or killed in any one accident, crash, and against liability of the short-term lessee for property damage in the limit of not less than $10,000 for any one accident, crash, is jointly and severally liable with the short-term lessee for any damages caused by the negligence of the latter in operating the vehicle and for any damages caused by the negligence of any person operating the vehicle by or with the permission of the short-term lessee, except that the foregoing provisions do not confer any right of action upon any passenger in the rented vehicle against the short-term lessor. This section does not prevent the introduction as a defense of contributory negligence to the extent to which this defense is allowed in other cases.

2. The policy of insurance, surety bond or deposit of cash or securities inures to the benefit of any person operating the vehicle by or with the permission of the short-term lessee in the same manner, under the same conditions and to the same extent as to the short-term lessee.

3. The insurance policy, surety bond or deposit of cash or securities need not cover any liability incurred by the short-term lessee of any vehicle to any passenger in the vehicle; but the short-term lessor before delivering the vehicle shall give to the short-term lessee a written notice of the fact that such a policy, bond or deposit does not cover the liability which the short-term lessee may incur on account of his or her negligence in the operation of the vehicle to any passenger in the vehicle.

4. When any suit or action is brought against the short-term lessor under this section, the judge before whom the case is pending shall hold a preliminary hearing in the absence of the jury to determine whether the short-term lessor has provided insurance or a surety bond or deposit of cash or securities covering the short-term lessee as required by subsection 1. Whenever it appears that the short-term lessor has provided insurance or a surety bond or deposit of cash or securities covering the short-term lessee in the required amount, the judge shall dismiss as to the short-term lessor the action brought under this section.
Sec. 6. NRS 482.31525 is hereby amended to read as follows:

482.31525  "Estimated time for replacement" means the number of hours of labor, or a fraction thereof, needed to replace the damaged parts of a passenger car as set forth in a guide for estimating damage caused by a collision crash generally used in the business of repair of cars and commonly known as a "crash book."

(2) An impact; or

(3) Any other type of incident, that is caused by a deliberate or negligent act or omission on the part of the lessee.

(c) Loss resulting from theft of the car, up to and including its fair market value, except that the lessee is presumed to have no liability for any loss resulting from theft if an authorized driver:

(1) Has possession of the ignition key furnished by the lessor or establishes that the ignition key furnished by the lessor was not in the car at the time of the theft; and

(2) Files an official report of the theft with an appropriate law enforcement agency within 24 hours after learning of the theft and cooperates with the lessor and the law enforcement agency in providing information concerning the theft.

The lessor may rebut the presumption set forth in this paragraph by establishing that an authorized driver committed or aided and abetted the commission of the theft.

(d) Physical damage to the car, up to and including its fair market value, resulting from vandalism occurring after or in connection with the theft of the car, except that the lessee has no liability for any damage resulting from vandalism if the lessee has no liability for theft pursuant to paragraph (c).

(e) Physical damage to the car and loss of use of the car, up to $2,500, resulting from vandalism not related to the theft of the car and not caused by the lessee.

(f) Loss of use of the car if the lessee is liable for damage or loss.

(g) Actual charges for towing and storage and impound fees paid by the lessor if the lessee is liable for damage or loss.

(h) An administrative charge that includes the cost of appraisal and other costs incident to the damage, loss, loss of use, repair or replacement of the car.

485.230 1. The license, all registrations and the nonresident’s operating privilege suspended as provided in NRS 485.190 must remain so suspended and may not be renewed nor may any license or registration be issued to any such person until:

(a) The person deposits or there is deposited on his or her behalf the security required under NRS 485.190;
(b) Two years have elapsed following the date of the accident crash and evidence satisfactory to the Department has been filed with it that during that period no action for damages arising out of the accident crash has been instituted; or
(c) Evidence satisfactory to the Department has been filed with it of a release from liability, or a final adjudication of nonliability, or an acknowledged written agreement, in accordance with NRS 485.190.

2. Upon any default in the payment of any installment under any acknowledged written agreement, and upon notice of the default, the Department shall suspend the license and all registrations or the nonresident’s operating privilege of the person defaulting, which may not be restored until:

(a) The person deposits and thereafter maintains security as required under NRS 485.190 in such an amount as the Department may then determine; or
(b) One year has elapsed following the date of default, or 2 years following the date of the accident crash, whichever is greater, and during that period no action upon the agreement has been instituted in a court in this State.

3. Proof of financial responsibility, as set forth in NRS 485.307, is an additional requirement for reinstatement of the operator’s license and registrations under this section. The person shall maintain proof of financial responsibility for 3 years after the date of reinstatement of the license in accordance with the provisions of this chapter. If the person fails to do so the Department shall suspend the license and registrations.

Sec. 52. NRS 485.240 is hereby amended to read as follows:

485.240 1. If the operator or the owner of a motor vehicle involved in an accident crash within this State has no license or registration, or is a nonresident, the operator or owner must not be allowed a license or registration until the operator or owner has complied with the requirements of NRS 485.190 to 485.300, inclusive, to the same extent that would be necessary if, at the time of the accident crash, the operator or owner had held a license and registration.

2. When a nonresident’s operating privilege is suspended pursuant to NRS 485.190 or 485.230, the Department shall transmit a certified copy of the record of that action to the officer in charge of the issuance of licenses and registration certificates in the state in which the nonresident resides, if
the law of that state provides for action in relation thereto similar to that provided for in subsection 3.

3. Upon receipt of a certification that the operating privilege of a resident of this State has been suspended or revoked in any other state pursuant to a law providing for its suspension or revocation for failure to deposit security for the payment of judgments arising out of a motor vehicle [accident] crash, under circumstances which would require the Department to suspend a nonresident’s operating privilege had the [accident] crash occurred in this State, the Department shall suspend the license of the resident if the resident was the operator, and all of his or her registrations if the resident was the owner of a motor vehicle involved in that [accident] crash. The suspension must continue until the resident furnishes evidence of compliance with the law of the other state relating to the deposit of that security.

Sec. 53. NRS 485.250 is hereby amended to read as follows:

485.250 The Department may reduce the amount of security ordered in any case within 6 months after the date of the [accident] crash if, in its judgment, the amount ordered is excessive. In case the security originally ordered has been deposited, the excess deposited over the reduced amount ordered must be returned to the depositor or his or her personal representative forthwith, notwithstanding the provisions of NRS 485.270.

Sec. 54. NRS 485.270 is hereby amended to read as follows:

485.270 Security deposited in compliance with the requirements of this chapter is applicable only to the payment of a judgment or judgments rendered against the person or persons on whose behalf the deposit was made for damages arising out of the [accident] crash in question in an action at law, begun not later than 2 years after the date of the [accident] crash or within 1 year after the date of deposit of any security under NRS 485.230, whichever period is longer, or to the payment in settlement, agreed to by the depositor, of a claim or claims arising out of the [accident] crash.

Sec. 55. NRS 485.280 is hereby amended to read as follows:

485.280 A deposit or any balance thereof must be returned to the depositor or his or her personal representative:

1. When evidence satisfactory to the Department has been filed with it that there has been a release from liability, a final adjudication of nonliability or an acknowledged agreement, in accordance with paragraph (h) of subsection 1 of NRS 485.200; or

2. If 2 years after the date of the [accident] crash or 1 year after the date of deposit of any security under NRS 485.230, whichever period is longer, the Department is given reasonable evidence that there is no action pending and no judgment rendered in such an action left unpaid.

Sec. 56. NRS 485.301 is hereby amended to read as follows:

485.301 1. Whenever any person fails within 60 days to satisfy any judgment that was entered as a result of [an accident] a crash involving a motor vehicle, the judgment creditor or the judgment creditor’s attorney may

certified copy of the judgment.

2. If the defendant named in any certified copy of a judgment that was
entered as a result of a crash involving a motor vehicle and reported to the
Department is a nonresident, the Department shall transmit a

certified copy of the judgment to the officer in charge of the issuance of
licenses and registration certificates of the state in which the defendant is a
resident.

Sec. 57. NRS 485.304 is hereby amended to read as follows:

485.304 Judgments must for the purpose of this chapter only, be deemed

2. When, subject to the limit of $15,000 because of bodily injury to or
death of one person, the sum of $30,000 has been credited upon any
judgment or judgments rendered in excess of that amount because of bodily
injury to or death of two or more persons as the result of any one crash;

3. When $10,000 has been credited upon any judgment or judgments
rendered in excess of that amount because of injury to or destruction of
property of others as a result of any one crash,

but payments made in settlement of any claims because of bodily injury,
death or property damage arising from a motor vehicle crash must be credited in reduction of the amounts provided for in this section.

Sec. 58. NRS 485.307 is hereby amended to read as follows:

485.307 1. Proof of financial responsibility, when required pursuant to
this title, may be given by filing:

(a) A certificate of financial responsibility as provided in NRS 485.308 or
485.309; or

(b) A certificate of self-insurance, as provided in NRS 485.380,
supplemented by an agreement by the self-insurer that, with respect to

occuring while the certificate is in force, the self-insurer

will pay the same judgments and in the same amounts that an insurer would
have been obligated to pay under an owner’s policy of liability insurance if it
had issued such a policy to the self-insurer.

2. Whenever the Department restores a license, permit or privilege of
driving a vehicle in this State which has been revoked, no motor vehicle may
be or continue to be registered in the name of the person whose license,
permit or privilege was revoked unless proof of financial responsibility is
furnished by that person.

Sec. 59. NRS 485.309 is hereby amended to read as follows:

485.309 1. The nonresident owner of a motor vehicle not registered in
this State or a nonresident operator of a motor vehicle may give proof of
financial responsibility by filing with the Department a written certificate of an insurance carrier authorized to transact business:

(a) If the insurance provides coverage for the vehicle, in the state in which the motor vehicle described in the certificate is registered; or
(b) If the insurance provides coverage for the operator only, in the state in which the insured resides,

if the certificate otherwise conforms to the provisions of this chapter.

2. The Department shall accept the proof upon condition that the insurance carrier complies with the following provisions with respect to the policies so certified:

(a) The insurance carrier shall execute a power of attorney authorizing the Director to accept service on its behalf of notice or process in any action arising out of a crash involving a motor vehicle in this State; and
(b) The insurance carrier shall agree in writing that the policies shall be deemed to conform with the laws of this State relating to the terms of liability policies for owners of motor vehicles.

3. If any insurance carrier not authorized to transact business in this State, which has qualified to furnish proof of financial responsibility, defaults in any undertakings or agreements, the Department shall not thereafter accept as proof any certificate of that carrier whether theretofore filed or thereafter tendered as proof, as long as the default continues.

Sec. 60. NRS 485.3091 is hereby amended to read as follows:

485.3091 1. An owner’s policy of liability insurance must:

(a) Designate by explicit description or by appropriate reference all motor vehicles with respect to which coverage is thereby to be granted; and
(b) Insure the person named therein and any other person, as insured, using any such motor vehicle with the express or implied permission of the named insured, against loss from the liability imposed by law for damages arising out of the ownership, maintenance or use of such motor vehicle within the United States of America or the Dominion of Canada, subject to limits exclusive of interest and costs, with respect to each such motor vehicle, as follows:

1. Because of bodily injury to or death of one person in any one crash, $15,000;
2. Subject to the limit for one person, because of bodily injury to or death of two or more persons in any one crash, $30,000; and
3. Because of injury to or destruction of property of others in any one crash, $10,000.

2. An operator’s policy of liability insurance must insure the person named as insured therein against loss from the liability imposed upon the person by law for damages arising out of the person’s use of any motor vehicle within the same territorial limits and subject to the same limits of liability as are set forth in paragraph (b) of subsection 1.
3. A motor vehicle liability policy must state the name and address of the named insured, the coverage afforded by the policy, the premium charged therefor, the period of effectiveness and the limits of liability, and must contain an agreement or be endorsed that insurance is provided thereunder in accordance with the coverage defined in this chapter as respects bodily injury and death or property damage, or both, and is subject to all the provisions of this chapter.

4. A motor vehicle liability policy need not insure any liability under any workers’ compensation law nor any liability on account of bodily injury to or death of an employee of the insured while engaged in the employment, other than domestic, of the insured, or while engaged in the operation, maintenance or repair of any motor vehicle owned by the insured nor any liability for damage to property owned by, rented to, in charge of or transported by the insured.

5. Every motor vehicle liability policy is subject to the following provisions which need not be contained therein:
   (a) The liability of the insurance carrier with respect to the insurance required by this chapter becomes absolute whenever injury or damage covered by the policy occurs. The policy may not be cancelled or annulled as to such liability by any agreement between the insurance carrier and the insured after the occurrence of the injury or damage. No statement made by the insured or on behalf of the insured and no violation of the policy defeats or voids the policy.
   (b) The satisfaction by the insured of a judgment for injury or damage is not a condition precedent to the right or duty of the insurance carrier to make payment on account of the injury or damage.
   (c) The insurance carrier may settle any claim covered by the policy, and if such a settlement is made in good faith, the amount thereof is deductible from the limits of liability specified in paragraph (b) of subsection 1.
   (d) The policy, the written application therefor, if any, and any rider or endorsement which does not conflict with the provisions of this chapter constitute the entire contract between the parties.

6. Any policy which grants the coverage required for a motor vehicle liability policy may also grant any lawful coverage in excess of or in addition to the coverage specified for a motor vehicle liability policy, and the excess or additional coverage is not subject to the provisions of this chapter.

7. Any motor vehicle liability policy may provide for the prorating of the insurance thereunder with other valid and collectible insurance.

8. The requirements for a motor vehicle liability policy may be fulfilled by the policies of one or more insurance carriers, which policies together meet those requirements.

9. Any binder issued pending the issuance of a motor vehicle liability policy shall be deemed to fulfill the requirements for such a policy.

Sec. 66. NRS 7.045 is hereby amended to read as follows:

The Director of the Department of Motor Vehicles shall keep a record of all service of process, including the day and hour of service.

Sec. 68. NRS 41.200 is hereby amended to read as follows:

41.200 1. If an unemancipated minor has a disputed claim for money against a third person, either parent, or if the parents of the minor are living separate and apart, then the custodial parent, or if no custody award has been made, the parent with whom the minor is living, or if a general guardian or guardian of the estate of the minor has been appointed, then that guardian, has the right to compromise the claim. Such a compromise is not effective until it is approved by the district court of the county where the minor resides, or if the minor is not a resident of the State of Nevada, then by the district court of the county where the claim was incurred, upon a verified petition in writing, regularly filed with the court.

2. The petition must set forth:
   (a) The name, age and residence of the minor;
   (b) The facts which bring the minor within the purview of this section, including:
      (1) The circumstances which make it a disputed claim for money;
      (2) The name of the third person against whom the claim is made; and
      (3) If the claim is the result of an accident or motor vehicle crash, the date, place and facts of the accident;
   (c) The names and residence of the parents or the legal guardian of the minor;
   (d) The name and residence of the person or persons having physical custody or control of the minor;
   (e) The name and residence of the petitioner and the relationship of the petitioner to the minor;
   (f) The total amount of the proceeds of the proposed compromise and the apportionment of those proceeds, including the amount to be used for:
      (1) Attorney’s fees and whether the attorney’s fees are fixed or contingent fees, and if the attorney’s fees are contingent fees the percentage of the proceeds to be paid as attorney’s fees;
      (2) Medical expenses; and
      (3) Other expenses,
   and whether these fees and expenses are to be deducted before or after the calculation of any contingency fee;
   (g) Whether the petitioner believes the acceptance of this compromise is in the best interest of the minor; and
(h) That the petitioner has been advised and understands that acceptance of the compromise will bar the minor from seeking further relief from the third person offering the compromise.

3. If the claim involves a personal injury suffered by the minor, the petitioner must submit all relevant medical and health care records to the court at the compromise hearing. The records must include documentation of:
   (a) The injury, prognosis, treatment and progress of recovery of the minor; and
   (b) The amount of medical expenses incurred to date, the nature and amount of medical expenses which have been paid and by whom, any amount owing for medical expenses and an estimate of the amount of medical expenses which may be incurred in the future.

4. If the court approves the compromise of the claim of the minor, the court must direct the money to be paid to the father, mother or guardian of the minor, with or without the filing of any bond, or it must require a general guardian or guardian ad litem to be appointed and the money to be paid to the guardian or guardian ad litem, with or without a bond, as the court, in its discretion, deems to be in the best interests of the minor.

5. Upon receiving the proceeds of the compromise, the parent or guardian to whom the proceeds of the compromise are ordered to be paid, shall establish a blocked financial investment for the benefit of the minor with the proceeds of the compromise. Money may be obtained from the blocked financial investment only pursuant to subsection 6. Within 30 days after receiving the proceeds of the compromise, the parent or guardian shall file with the court proof that the blocked financial investment has been established. If the balance of the investment is more than $10,000, the parent, guardian or person in charge of managing the investment shall annually file with the court a verified report detailing the activities of the investment during the previous 12 months. If the balance of the investment is $10,000 or less, the court may order the parent, guardian or person in charge of managing the investment to file such periodic verified reports as the court deems appropriate. The court may hold a hearing on a verified report only if it deems a hearing necessary to receive an explanation of the activities of the investment.

6. The beneficiary of a block financial investment may obtain control of or money from the investment:
   (a) By an order of the court which held the compromise hearing; or
   (b) By certification of the court which held the compromise hearing that the beneficiary has reached the age of 18 years, at which time control of the investment must be transferred to the beneficiary or the investment must be closed and the money distributed to the beneficiary.

7. The clerk of the district court shall not charge any fee for filing a petition for leave to compromise or for placing the petition upon the calendar to be heard by the court.
8. As used in this section, the term “blocked financial investment” means a savings account established in a depository institution in this state, a certificate of deposit, a United States savings bond, a fixed or variable annuity contract, or another reliable investment that is approved by the court.

2. This section does not prohibit a law enforcement agency in a county whose population is 100,000 or more from entering into agreements for cooperation with agencies in other jurisdictions for the investigation of motor vehicle [accidents] crashes in which a peace officer of the law enforcement agency is involved.

Sec. 82. NRS 360.740 is hereby amended to read as follows:
360.740 1. The governing body of a local government or special district that is created after July 1, 1998, and which provides police protection and at least two of the following services:

   may, by majority vote, request the Nevada Tax Commission to direct the Executive Director to allocate money from the Account to the local government or special district pursuant to the provisions of NRS 360.680 and 360.690.

2. On or before December 31 of the year immediately preceding the first fiscal year that the local government or special district would receive money from the Account, a governing body that submits a request pursuant to subsection 1 must:
   (a) Submit the request to the Executive Director; and
   (b) Provide copies of the request and any information it submits to the Executive Director in support of the request to each local government and special district that:

If the new local government or special district will provide a service that was provided by another local government or special district before the creation of the new local government or special district, the amount allocated to the local government or special district which previously provided the service must be decreased by the amount allocated to the new local government or special district; and
   (b) Consider:
      (1) The effect of the distribution of money in the Account, pursuant to the provisions of NRS 360.680 and 360.690, to the new local government or special district on the amounts that the other local governments and special districts that are located in the same county will receive from the Account; and
      (2) The comparison of the amount established to be allocated pursuant to the provisions of NRS 360.680 and 360.690 for the new local government or special district to the amounts allocated to the other local governments and special districts that are located in the same county.

4. The Committee on Local Government Finance shall review the findings submitted by the Executive Director pursuant to subsection 3. If the Committee determines that the distribution of money in the Account to the new local government or special district is appropriate, it shall submit a
recommendation to the Nevada Tax Commission. If the Committee determines that the distribution is not appropriate, that decision is not subject to review by the Nevada Tax Commission.

5. The Nevada Tax Commission shall schedule a public hearing within 30 days after the Committee on Local Government Finance submits its recommendation. The Nevada Tax Commission shall provide public notice of the hearing at least 10 days before the date on which the hearing will be held. The Executive Director shall provide copies of all documents relevant to the recommendation of the Committee on Local Government Finance to the governing body of each local government and special district that is located in the same county as the new local government or special district.

6. If, after the public hearing, the Nevada Tax Commission determines that the recommendation of the Committee on Local Government Finance is appropriate, it shall order the Executive Director to distribute money in the Account to the new local government or special district pursuant to the provisions of NRS 360.680 and 360.690.

7. 4. The per diem deduction from the salary of an employee because of absence from service for reasons other than those specified in this section is that proportion of the yearly salary which is determined by the ratio between the duration of the absence and the total number of contracted workdays in the year.

The amount of sick leave so transferred may not exceed the maximum amount of sick leave which may be carried forward from one year to the next according to the applicable negotiated agreement or the policy of the district or charter school into which the employee transferred. Unless the applicable negotiated agreement or policy of the employing district or charter school provides otherwise, such an employee:
   (a) Shall first use the sick leave credited to the employee from the district or charter school into which the employee transferred before using any of the transferred leave; and
   (b) Is not entitled to compensation for any sick leave transferred pursuant to this subsection.

7. Subject to the provisions of subsection 8:
   (a) If an intermission of less than 6 days is ordered by the board of trustees of a school district or the governing body of a charter school for any good reason, no deduction of salary may be made therefor.
   (b) If, on account of sickness, epidemic or other emergency in the community, a longer intermission is ordered by the board of trustees of a school district, the governing body of a charter school or a board of health and the intermission or closing does not exceed 30 days at any one time, there may be no deduction or discontinuance of salaries.
8. If the board of trustees of a school district or the governing body of a charter school orders an extension of the number of days of school to compensate for the days lost as the result of an intermission because of those reasons contained in paragraph (b) of subsection 7, an employee may be required to render his or her services to the school district or charter school during that extended period. If the salary of the employee was continued during the period of intermission as provided in subsection 7, the employee is not entitled to additional compensation for services rendered during the extended period.

The installation of such a mechanical device is not required for a school bus which is used solely to transport pupils with special needs who are individually loaded and unloaded in a manner which does not require them to walk in front of the bus. The provisions of this paragraph do not prohibit a school district from upgrading or replacing such a mechanical device with a more efficient and effective device that is approved by the State Board.

1. Subsection 1 of NRS 392.405 if the bus is purchased on or after January 1, 2016; and
2. Subsection 2 or 3 of NRS 392.405 if the bus is purchased on or after July 1, 2016.

4. The agents and employees of the Department of Motor Vehicles shall inspect school buses to determine whether the provisions of this section concerning equipment and identification of the school buses have been
complied with, and shall report any violations discovered to the superintendent of schools of the school district wherein the vehicles are operating.

5. If the superintendent of schools fails or refuses to take appropriate action to correct any such violation within 10 days after receiving notice of it from the Department of Motor Vehicles, the superintendent is guilty of a misdemeanor, and upon conviction must be removed from office.

6. Any person who violates any of the provisions of this section is guilty of a misdemeanor.

Sec. 88. NRS 408.100 is hereby amended to read as follows:

408.100  Recognizing that safe and efficient highway transportation is a matter of important interest to all the people of the State, and that an
adequate highway system is a vital part of the national defense, the Legislature hereby determines and declares that:

1. An integrated system of state highways and roads is essential to the general welfare of the State.

2. Providing such a system of facilities, its efficient management, maintenance and control is recognized as a problem and as the proper prospective of highway legislation.

3. Inadequate highways and roads obstruct the free flow of traffic, resulting in undue cost of motor vehicle operation, endangering the health and safety of the citizens of the State, depreciating property values, and impeding general economic and social progress of the State.

4. In designating the highways and roads of the State as provided in this chapter, the Legislature places a high degree of trust in the hands of those officials whose duty it is, within the limits of available funds, to plan, develop, operate, maintain, control and protect the highways and roads of this state, for present as well as for future use.

5. To this end, it is the express intent of the Legislature to make the Board of Directors of the Department of Transportation custodian of the state highways and roads and to provide sufficiently broad authority to enable the Board to function adequately and efficiently in all areas of appropriate jurisdiction, subject to the limitations of the Constitution and the legislative mandate proposed in this chapter.

6. The Legislature intends:
   (a) To declare, in general terms, the powers and duties of the Board of Directors, leaving specific details to be determined by reasonable regulations and declarations of policy which the Board may promulgate.
   (b) By general grant of authority to the Board of Directors to delegate sufficient power and authority to enable the Board to carry out the broad objectives contained in this chapter.

7. The problem of establishing and maintaining adequate highways and roads, eliminating congestion, reducing crash frequency and taking all necessary steps to ensure safe and convenient transportation on these public ways is no less urgent.

8. The Legislature hereby finds, determines and declares that this chapter is necessary for the preservation of the public safety, the promotion of the general welfare, the improvement and development of facilities for transportation in the State, and other related purposes necessarily included therein, and as a contribution to the system of national defense.

9. The words “construction,” “maintenance” and “administration” used in Section 5 of Article 9 of the Constitution of the State of Nevada are broad enough to be construed to include and as contemplating the construction, maintenance and administration of the state highways and roads as established by this chapter and the landscaping, roadside improvements and planning surveys of the state highways and roads.

Sec. 89. NRS 408.210 is hereby amended to read as follows:
408.210 1. Except as otherwise provided in NRS 484D.655, the Director of the Department of Transportation may restrict the use of, or close, any highway whenever the Director considers the closing or restriction of use necessary:
   (a) For the protection of the public.
   (b) For the protection of such highway from damage during storms or during construction, reconstruction, improvement or maintenance operations thereon.
   (c) To promote economic development or tourism in the best interest of the State or upon the written request of the Executive Director of the Office of Economic Development or the Director of the Department of Tourism and Cultural Affairs.

2. The Director of the Department of Transportation may:
   (a) Divide or separate any highway into separate roadways, wherever there is particular danger to the traveling public of crashes between vehicles proceeding in opposite directions or from vehicular turning movements or cross-traffic, by constructing curbs, central dividing sections or other physical dividing lines, or by signs, marks or other devices in or on the highway appropriate to designate the dividing line.
   (b) Lay out and construct frontage roads on and along any highway or freeway and divide and separate any such frontage road from the main highway or freeway by means of curbs, physical barriers or by other appropriate devices.

3. The Director may remove from the highways any unlicensed encroachment which is not removed, or the removal of which is not commenced and thereafter diligently prosecuted, within 5 days after personal service of notice and demand upon the owner of the encroachment or the owner’s agent. In lieu of personal service upon that person or agent, service of the notice may also be made by registered or certified mail and by posting, for a period of 5 days, a copy of the notice on the encroachment described in the notice. Removal by the Department of the encroachment on the failure of the owner to comply with the notice and demand gives the Department a right of action to recover the expense of the removal, cost and expenses of suit, and in addition thereto the sum of $100 for each day the encroachment remains beyond 5 days after the service of the notice and demand.

4. If the Director determines that the interests of the Department are not compromised by a proposed or existing encroachment, the Director may issue a license to the owner or the owner’s agent permitting an encroachment on the highway. Such a license is revocable and must provide for relocation or removal of the encroachment in the following manner. Upon notice from the Director to the owner of the encroachment or the owner’s agent, the owner or agent may propose a time within which he or she will relocate or remove the encroachment as required. If the Director and the owner or the owner’s agent agree upon such a time, the Director shall not himself or herself remove the encroachment unless the owner or the owner’s agent has
failed to do so within the time agreed. If the Director and the owner or the owner’s agent do not agree upon such a time, the Director may remove the encroachment at any time later than 30 days after the service of the original notice upon the owner or the owner’s agent. Service of notice may be made in the manner provided by subsection 3. Removal of the encroachment by the Director gives the Department the right of action provided by subsection 3, but the penalty must be computed from the expiration of the agreed period or 30-day period, as the case may be.

Sec. 90. NRS 408.561 is hereby amended to read as follows:

408.561 1. The Department may establish at centers a toll-free telephone system for members of the traveling public to make reservations at hotels, motels, campgrounds and other places of public accommodation. The cost of this system, reduced pursuant to subsection 2 if applicable, must be apportioned among the hotels, motels, campgrounds and other businesses that participate in the system.

2. If the Department uses the telephone system established pursuant to subsection 1 as a method for members of the public to report fires, accidents, motor vehicle crashes or other emergencies or to receive information concerning the conditions for driving on certain highways, the Department shall pay a proportionate share of the cost of the system.

Sec. 91. NRS 408.569 is hereby amended to read as follows:

408.569 The Department shall establish along one or more frequently traveled highways of this state a system of communication for members of the general public to report fires, accidents, motor vehicle crashes or other emergencies and to receive information concerning the conditions for driving on certain highways.

The foster care agency shall provide a written report to the licensing authority or its designee as soon as practicable after notifying the licensing authority or its designee. 3. A foster care agency shall report any potential violation of the provisions of this chapter or any regulations adopted pursuant thereto relating to licensing to the licensing authority within 24 hours after an employee of the foster care agency becomes aware of the potential violation. A foster care
agency shall cooperate with the licensing authority in its review of such reports and support each foster home with which the foster care agency has a contract for the placement of children in completing any action required to correct a violation.

4. A foster care agency shall fully comply with any investigation of a report of the abuse or neglect of a child pursuant to NRS 432B.220.

As used in this subsection:
   (a) "Designated agent" means a person who renders service to a licensee on a contract basis and is not an employee of the licensee.

Sec. 131.3. Chapter 679A of NRS is hereby amended by adding a new section to read as follows:

The term "crash" has the same meaning as an incident or event previously referred to as an "accident" when used in reference to motor vehicles.

Sec. 132. NRS 687B.145 is hereby amended to read as follows:

687B.145 1. Any policy of insurance or endorsement providing coverage under the provisions of NRS 690B.020 or other policy of casualty insurance may provide that if the insured has coverage available to the insured under more than one policy or provision of coverage, any recovery or benefits may equal but not exceed the higher of the applicable limits of the respective coverages, and the recovery or benefits must be prorated between the applicable coverages in the proportion that their respective limits bear to the aggregate of their limits. Any provision which limits benefits pursuant to this section must be in clear language and be prominently displayed in the policy, binder or endorsement. Any limiting provision is void if the named insured has purchased separate coverage on the same risk and has paid a premium calculated for full reimbursement under that coverage.

2. Except as otherwise provided in subsection 5, insurance companies transacting motor vehicle insurance in this State must offer, on a form approved by the Commissioner, uninsured and underinsured vehicle coverage in an amount equal to the limits of coverage for bodily injury sold to an insured under a policy of insurance covering the use of a passenger car. The insurer is not required to reoffer the coverage to the insured in any
replacement, reinstatement, substitute or amended policy, but the insured may purchase the coverage by requesting it in writing from the insurer. Each renewal must include a copy of the form offering such coverage. Uninsured and underinsured vehicle coverage must include a provision which enables the insured to recover up to the limits of the insured’s own coverage any amount of damages for bodily injury from the insured’s insurer which the insured is legally entitled to recover from the owner or operator of the other vehicle to the extent that those damages exceed the limits of the coverage for bodily injury carried by that owner or operator. If an insured suffers actual damages subject to the limitation of liability provided pursuant to NRS 41.035, underinsured vehicle coverage must include a provision which enables the insured to recover up to the limits of the insured’s own coverage any amount of damages for bodily injury from the insured’s insurer for the actual damages suffered by the insured that exceed that limitation of liability.

3. An insurance company transacting motor vehicle insurance in this State must offer an insured under a policy covering the use of a passenger car, the option of purchasing coverage in an amount of at least $1,000 for the payment of reasonable and necessary medical expenses resulting from an accident. The offer must be made on a form approved by the Commissioner. The insurer is not required to reoffer the coverage to the insured in any replacement, reinstatement, substitute or amended policy, but the insured may purchase the coverage by requesting it in writing from the insurer. Each renewal must include a copy of the form offering such coverage.

4. An insurer who makes a payment to an injured person on account of underinsured vehicle coverage as described in subsection 2 is not entitled to subrogation against the underinsured motorist who is liable for damages to the injured payee. This subsection does not affect the right or remedy of an insurer under subsection 5 of NRS 690B.020 with respect to uninsured vehicle coverage. As used in this subsection, “damages” means the amount for which the underinsured motorist is alleged to be liable to the claimant in excess of the limits of bodily injury coverage set by the underinsured motorist’s policy of casualty insurance.

5. An insurer need not offer, provide or make available uninsured or underinsured vehicle coverage in connection with a general commercial liability policy, an excess policy, an umbrella policy or other policy that does not provide primary motor vehicle insurance for liabilities arising out of the ownership, maintenance, operation or use of a specifically insured motor vehicle.

6. As used in this section:
   (a) "Excess policy" means a policy that protects a person against loss in excess of a stated amount or in excess of coverage provided pursuant to another insurance contract.
   (b) "Passenger car" has the meaning ascribed to it in NRS 482.087.
(c) "Umbrella policy" means a policy that protects a person against losses in excess of the underlying amount required to be covered by other policies.

Sec. 133. NRS 690B.020 is hereby amended to read as follows:

690B.020 1. Except as otherwise provided in this section and NRS 690B.035, no policy insuring against liability arising out of the ownership, maintenance or use of any motor vehicle may be delivered or issued for delivery in this State unless coverage is provided therein or supplemental thereto for the protection of persons insured thereunder who are legally entitled to recover damages, from owners or operators of uninsured or hit-and-run motor vehicles, for bodily injury, sickness or disease, including death, resulting from the ownership, maintenance or use of the uninsured or hit-and-run motor vehicle. No such coverage is required in or supplemental to a policy issued to the State of Nevada or any political subdivision thereof, or where rejected in writing, on a form furnished by the insurer describing the coverage being rejected, by an insured named therein, or upon any renewal of such a policy unless the coverage is then requested in writing by the named insured. The coverage required in this section may be referred to as “uninsured vehicle coverage.”

2. The amount of coverage to be provided must be not less than the minimum limits for liability insurance for bodily injury provided for under chapter 485 of NRS, but may be in an amount not to exceed the coverage for bodily injury purchased by the policyholder.

3. For the purposes of this section, the term “uninsured motor vehicle” means a motor vehicle:

(a) With respect to which there is not available at the Department of Motor Vehicles evidence of financial responsibility as required by chapter 485 of NRS;

(b) With respect to the ownership, maintenance or use of which there is no liability insurance for bodily injury or bond applicable at the time of the [accident] crash or, to the extent of such deficiency, any liability insurance for bodily injury or bond in force is less than the amount required by NRS 485.210;

(c) With respect to the ownership, maintenance or use of which the company writing any applicable liability insurance for bodily injury or bond denies coverage or is insolvent;

(d) Used without the permission of its owner if there is no liability insurance for bodily injury or bond applicable to the operator;

(e) Used with the permission of its owner who has insurance which does not provide coverage for the operation of the motor vehicle by any person other than the owner if there is no liability insurance for bodily injury or bond applicable to the operator;

(f) The owner or operator of which is unknown or after reasonable diligence cannot be found if:

(1) The bodily injury or death has resulted from physical contact of the automobile with the named insured or the person claiming under the named
insured or with an automobile which the named insured or such a person is occupying; and

(2) The named insured or someone on behalf of the named insured has reported the accident crash within the time required by NRS 484E.030, 484E.040 or 484E.050 to the police department of the city where it occurred or, if it occurred in an unincorporated area, to the sheriff of the county or to the Nevada Highway Patrol.

4. For the purposes of this section, the term “uninsured motor vehicle” also includes, subject to the terms and conditions of coverage, an insured other motor vehicle where:

(a) The liability insurer of the other motor vehicle is unable because of its insolvency to make payment with respect to the legal liability of its insured within the limits specified in its policy;

(b) The occurrence out of which legal liability arose took place while the uninsured vehicle coverage required under paragraph (a) was in effect; and

(c) The insolvency of the liability insurer of the other motor vehicle existed at the time of, or within 2 years after, the occurrence.

Nothing contained in this subsection prevents any insurer from providing protection from insolvency to its insureds under more favorable terms.

5. If payment is made to any person under uninsured vehicle coverage, and subject to the terms of the coverage, to the extent of such payment the insurer is entitled to the proceeds of any settlement or recovery from any person legally responsible for the bodily injury as to which payment was made, and to amounts recoverable from the assets of the insolvent insurer of the other motor vehicle.

6. A vehicle involved in a collision crash which results in bodily injury or death shall be presumed to be an uninsured motor vehicle if no evidence of financial responsibility is supplied to the Department of Motor Vehicles in the manner required by chapter 485 of NRS within 60 days after the collision crash occurs.

Sec. 134. NRS 690B.029 is hereby amended to read as follows:

690B.029 1. A policy of insurance against liability arising out of the ownership, maintenance or use of a motor vehicle delivered or issued for delivery in this State to a person who is 55 years of age or older must contain a provision for the reduction in the premiums for 3-year periods if the insured:

(a) Successfully completes, after attaining 55 years of age and every 3 years thereafter, a course of traffic safety approved by the Department of Motor Vehicles; and

(b) For the 3-year period before completing the course of traffic safety and each 3-year period thereafter:

1. Is not involved in an accident crash involving a motor vehicle for which the insured is at fault;

2. Maintains a driving record free of violations; and
(3) Has not been convicted of, or entered a plea of guilty, guilty but mentally ill or nolo contendere to, a moving traffic violation or an offense involving:
   (I) The operation of a motor vehicle while under the influence of intoxicating liquor or a controlled substance; or
   (II) Any other conduct prohibited by NRS 484C.110, 484C.120, 484C.130 or 484C.430 or a law of any other jurisdiction that prohibits the same or similar conduct.
2. The reduction in the premiums provided for in subsection 1 must be based on the actuarial and loss experience data available to each insurer and must be approved by the Commissioner. Each reduction must be calculated based on the amount of the premium before any reduction in that premium is made pursuant to this section, and not on the amount of the premium once it has been reduced.
3. A course of traffic safety that an insured is required to complete as the result of moving traffic violations must not be used as the basis for a reduction in premiums pursuant to this section.
4. The organization that offers a course of traffic safety approved by the Department of Motor Vehicles shall issue a certificate to each person who successfully completes the course. A person must use the certificate to qualify for the reduction in the premiums pursuant to this section.
5. The Commissioner shall review and approve or disapprove a policy of insurance that offers a reduction in the premiums pursuant to subsection 1. An insurer must receive written approval from the Commissioner before delivering or issuing a policy with a provision containing such a reduction.

Sec. 135. NRS 695B.220 is hereby amended to read as follows:
695B.220 Blanket hospital or blanket medical or dental service contracts may be issued to a college or school or to the head or principal thereof or to the governing board of any school district providing for services to pupils of such schools when such services are required as the result of accident or motor vehicle crash to such pupils while they are required to be in or on buildings or other premises of the school or district during the time they are required to be therein or thereon by reason of their attendance upon a college or regular day school or any regular day school of a school district or while being transported to and from school or other place of instruction. No pupil shall be compelled to accept such service without the consent of a parent or guardian of the pupil.

Sec. 136. NRS 704.140 is hereby amended to read as follows:
704.140 1. It is unlawful for any person engaged in business as a public utility to give or furnish to any state, district, county or municipal officer of this State, or to any person other than those named herein, any pass, frank, free or reduced transportation, or for any state, district, county or municipal officer to accept any pass, frank, free or reduced transportation.
2. This section does not prevent the carriage, storage or hauling of property free or at reduced rates for the United States, the State of Nevada or any political subdivision thereof for charitable purposes.

3. This chapter does not prohibit a public utility from giving free or reduced rates for transportation of:
   (a) Its own officers, commission agents, employees, attorneys, physicians and surgeons and members of their families, and pensioned ex-employees and ex-employees with disabilities, their minor children or dependents, or witnesses attending any legal investigation in which such carrier is interested.
   (b) Inmates of hospitals or charitable institutions and persons over 65 years of age.
   (c) Persons with physical or mental disabilities who present a written statement from a physician to that effect.
   (d) Persons injured in accidents or motor vehicle crashes and physicians and nurses attending such persons.
   (e) Persons providing relief in cases of common disaster, or for contractors and their employees, in carrying out their contract with such carrier.
   (f) Peace officers when on official duty.
   (g) Attendants of livestock or other property requiring the care of an attendant, including return passage to the place of shipment, if there is no discrimination among such shippers of a similar class.
   (h) Employees of other carriers subject to regulation in any respect by the Commission, or for the officers, agents, employees, attorneys, physicians and surgeons of such other carriers, and the members of their families.

4. This chapter does not prohibit public utilities from giving reduced rates for transportation to:
   (a) Indigent, destitute or homeless persons, when under the care or responsibility of charitable societies, institutions or hospitals, and the necessary agents employed in such transportation.
   (b) Students of institutions of learning.

5. "Employees," as used in this section, includes furloughed, pensioned and superannuated employees, and persons who have become disabled or infirm in the service of any such carrier, and persons traveling for the purpose of entering the service of any such carrier.

6. Any person violating the provisions of this section shall be punished by a fine of not more than $500.

Sec. 137. NRS 704.190 is hereby amended to read as follows:

704.190 1. Every public utility operating in this State shall, whenever an accident or motor vehicle crash occurs in the conduct of its operation causing death, give prompt notice thereof to the Commission, in such manner and within such time as the Commission may prescribe. If, in its judgment, the public interest requires it, the Commission may cause an investigation to be made forthwith of any accident or crash, at such place and in such manner as the Commission deems best.
2. Every such public utility shall report to the Commission, at the time, in the manner and on such forms as the Commission by its printed rules and regulations prescribes, all accidents or crashes happening in this State and occurring in, on or about the premises, plant, instrumentality or facility used by any such utility in the conduct of its business.

3. The Commission shall adopt all reasonable rules and regulations necessary for the administration and enforcement of this section. The rules and regulations must require that all accidents or crashes required to be reported pursuant to this section be reported to the Commission at least once every calendar month by such officer or officers of the utility as the Commission directs.

4. The Commission shall adopt and utilize all accident and crash report forms, which must be so designed as to provide a concise and accurate report of the accident or crash. The report must show the true cause of the accident or crash. The accident report forms adopted for the reporting of railroad accidents must, as near as practicable, be the same in design as the railroad accident report forms provided and used by the Surface Transportation Board.

5. If any accident or crash is reported to the Commission by the utility as being caused by or through the negligence of an employee and thereafter the employee is absolved from such negligence by the utility and found not to be responsible for the accident or crash, that fact must be reported by the utility to the Commission.

6. Each accident report required to be made by a public utility pursuant to this section must be filed in the office of the Commission and there preserved. Each accident or crash report required to be made by a public utility pursuant to this chapter and each report made by the Commission pursuant to its investigation of any accident or crash:

(a) Except as otherwise provided in subsection 2 of NRS 703.190, must be open to public inspection; and

(b) Notwithstanding any specific statute to the contrary, must not, in whole or in part, be admitted as evidence or used for any purpose in any suit or action for damages arising out of any matter mentioned in:

   (1) The accident or crash report required to be made by the public utility; or

   (2) The report made by the Commission pursuant to its investigation.

Sec. 138. NRS 704.300 is hereby amended to read as follows:

704.300 1. After an investigation initiated either upon the Commission's own motion or as the result of the filing of a formal application or complaint by the Department of Transportation, the board of county commissioners of any county, the town board or council of any town or municipality, or any railroad company, the Commission may order for the safety of the traveling public:
(a) The elimination, alteration, addition or change of a highway crossing or crossings over any railroad at grade, or above or below grade, including its approaches and surface.
(b) Changes in the method of crossing at grade, or above or below grade.
(c) The closing of a crossing and the substitution of another therefor.
(d) The removal of obstructions to the public view in approaching any crossing.
(e) Such other details of use, construction and operation as may be necessary to make grade-crossing elimination, changes and betterments for the protection of the public and the prevention of accidents and motor vehicle crashes effective.

2. The Commission shall order that the cost of any elimination, removal, addition, change, alteration or betterment so ordered must be divided and paid in such proportion by the State, county, town or municipality and the railroad or railroads interested as is provided according to the circumstances occasioning the cost in NRS 704.305.

3. If the Commission chooses to conduct a hearing before issuing an order pursuant to subsection 1, all costs incurred by reason of the hearing, including, but not limited to, publication of notices, reporting, transcripts and rental of hearing room, must be apportioned 50 percent to the governmental unit or units affected and 50 percent to the railroad or railroads.

Sec. 139. NRS 705.090 is hereby amended to read as follows:

705.090 1. No railway corporation engaged in the transportation of horses, sheep, cattle, swine or other animals between points situated within this state shall confine or cause the same to be confined in cars or other vehicles of any description for a period longer than 28 consecutive hours without unloading the same for rest, water and feeding during 5 consecutive hours, unless prevented by storm, motor vehicle crash or inevitable accident.

2. In estimating such confinement, the time during which the animals have been confined without rest on connecting roads from which they are received must be computed.

3. The time of confinement prescribed in this section may be extended to 36 hours upon the written request of the owner or the person in custody of a particular shipment of livestock, which written request shall be separate and apart from any printed bill of lading or other railroad form. The request for extension of time shall be made to the conductor of the train, the agent or other authorized agent of the railroad company over which the livestock is being transported.

Sec. 140. NRS 706.246 is hereby amended to read as follows:

706.246 1. A common or contract motor carrier shall not permit or require a driver to drive or tow any vehicle revealed by inspection or operation to be in such condition that its operation would be hazardous or likely to result in a breakdown of the vehicle, and a driver shall not drive or tow any vehicle which by reason of its mechanical condition is so imminently hazardous to
operate as to be likely to cause \(\text{an accident}\) a crash or a breakdown of the vehicle. If, while any vehicle is being operated on a highway, it is discovered to be in such an unsafe condition, it may be continued in operation, except as further limited by subsection 2, only to the nearest place where repairs can safely be effected, and even that operation may be conducted only if it is less hazardous to the public than permitting the vehicle to remain on the highway.

2. A common or contract motor carrier or private motor carrier shall not permit or require a driver to drive or tow, and a driver shall not drive or tow, any vehicle which:

(a) By reason of its mechanical condition is so imminently hazardous to operate as to be likely to cause \(\text{an accident}\) a crash or a breakdown; and

(b) Has been declared “out of service” by an authorized employee of the Authority, the Department of Motor Vehicles or the Department of Public Safety.

When the repairs have been made, the carrier shall so certify to the Authority or the department that declared the vehicle “out of service,” as required by the Authority or that department.

Sec. 141. NRS 706.251 is hereby amended to read as follows:

706.251 1. Every person operating a vehicle used by any motor carrier under the jurisdiction of the Authority shall forthwith report each \(\text{accident}\) crash occurring on the public highway, wherein the vehicle may have injured the person or property of some person other than the person or property carried by the vehicle, to the sheriff or other peace officer of the county where the \(\text{accident}\) crash occurred. If the \(\text{accident}\) crash immediately or proximately causes death, the person in charge of the vehicle, or any officer investigating the \(\text{accident}\) crash, shall furnish to the Authority such detailed report thereof as required by the Authority.

2. All \(\text{accident}\) crash reports required in this section must be filed in the office of the Authority and there preserved. \(\text{An accident}\) A crash report made as required by this chapter, or any report of the Authority made pursuant to any \(\text{accident}\) crash investigation made by it, is not open to public inspection and must not be disclosed to any person, except upon order of the Authority. The reports must not be admitted as evidence or used for any purpose in any action for damages growing out of any matter mentioned in the \(\text{accident}\) crash report or report of any such investigation.

Sec. 142. NRS 706.303 is hereby amended to read as follows:

706.303 The Authority shall adopt regulations requiring all operators of horse-drawn vehicles subject to its regulation and supervision to maintain a contract of insurance against liability for injury to persons and damage to property for each such vehicle. The amounts of coverage required by the regulations:

1. Must not exceed a total of:

(a) For bodily injury to or the death of one person in any one \(\text{accident}\) crash, $250,000;
(b) Subject to the limitations of paragraph (a), for bodily injury to or death of two or more persons in any one [accident] crash, $500,000; and
(c) For injury to or destruction of property in any one [accident] crash, $50,000; or
2. Must not exceed a combined single-limit for bodily injury to one or more persons and for injury to or destruction of property in any one [accident] crash, $500,000.

Sec. 143. NRS 706.305 is hereby amended to read as follows:
706.305 The Authority shall adopt regulations requiring all operators of taxicabs subject to its regulation and supervision to maintain a contract of insurance against liability for injury to persons and damage to property for each taxicab. The amounts of coverage required by the regulations:
1. Must not exceed a total of:
   (a) For bodily injury to or the death of one person in any one [accident] crash, $250,000;
   (b) Subject to the limitations of paragraph (a), for bodily injury to or death of two or more persons in any one [accident] crash, $500,000; and
   (c) For injury to or destruction of property in any one [accident] crash, $50,000; or
2. Must not exceed a combined single-limit for bodily injury to one or more persons and for injury to or destruction of property in any one [accident] crash, $500,000.

Sec. 144. NRS 706.3056 is hereby amended to read as follows:
706.3056 1. In lieu of the insurance against liability required by the regulations adopted pursuant to NRS 706.305, an operator of a taxicab may deposit with the Department:
   (a) Any security in the amount of $500,000; or
   (b) An amount equal to 110 percent of the average annual costs of claims incurred by the operator for [accidents] crashes involving motor vehicles during the immediately preceding 3 years, whichever is less, but in no event may the deposit be less than $250,000.
The security deposited may be in any form authorized by NRS 706.3058. The Department shall not accept a deposit unless it is accompanied by evidence that there are no unsatisfied judgments of any character against the depositor in the county where the depositor resides.
2. An operator of a taxicab depositing money with the Department pursuant to subsection 1, shall authorize payments from the deposit in the amounts and under the same circumstances as would be required in a contract of insurance against liability which is in compliance with the regulations adopted pursuant to NRS 706.305.
3. Any security deposited must be used to satisfy any judgment obtained against the depositor which is final and has not been paid within 30 days after the date of the judgment, unless otherwise ordered by the court issuing the judgment. A depositor, within 24 hours after receiving notice that the security has been used to satisfy a judgment obtained against the depositor,
shall deposit with the Department an amount which is necessary to maintain
with the Department the amount required by subsection 1. The failure to
maintain the full amount required by subsection 1 is a ground for the
cancellation of the depositor’s certificate of self-insurance.

4. Any money collected by the Department pursuant to subsection 1 must
be deposited with the State Treasurer for credit to a separate account in the
State General Fund and used for payments authorized pursuant to subsection
2 or to refund money paid by an operator of a taxicab who is no longer
participating in a program of self-insurance.

Sec. 145. NRS 706.351 is hereby amended to read as follows:
706.351 1. It is unlawful for:
(a) A fully regulated carrier to furnish any pass, frank, free or reduced
rates for transportation to any state, city, district, county or municipal officer
of this State or to any person other than those specifically enumerated in this
section.
(b) Any person other than those specifically enumerated in this section to
receive any pass, frank, free or reduced rates for transportation.
2. This section does not prevent the carriage, storage or hauling free or at
reduced rates of passengers or property for charitable organizations or
purposes for the United States, the State of Nevada or any political
subdivision thereof.
3. This chapter does not prohibit a fully regulated common carrier from
giving free or reduced rates for transportation of persons to:
(a) Its own officers, commission agents or employees, or members of any
profession licensed under title 54 of NRS retained by it, and members of their
families.
(b) Inmates of hospitals or charitable institutions and persons over 60
years of age.
(c) Persons with physical or mental disabilities who present a written
statement from a physician to that effect.
(d) Persons injured in accidents or motor vehicle crashes and
physicians and nurses attending such persons.
(e) Persons providing relief in cases of common disaster.
(f) Attendants of livestock or other property requiring the care of an
attendant, who must be given return passage to the place of shipment, if there
is no discrimination among shippers of a similar class.
(g) Officers, agents, employees or members of any profession licensed
under title 54 of NRS, together with members of their families, who are
employed by or affiliated with other common carriers, if there is an
interchange of free or reduced rates for transportation.
(h) Indigent, destitute or homeless persons when under the care or
responsibility of charitable societies, institutions or hospitals, together with
the necessary agents employed in such transportation.
(i) Students of institutions of learning, including, without limitation, homeless students, whether the free or reduced rate is given directly to a student or to the board of trustees of a school district on behalf of a student.

(j) Groups of persons participating in a tour for a purpose other than transportation.

4. This section does not prohibit common motor carriers from giving free or reduced rates for the transportation of property of:

(b) If the identity of the registered and legal owner is not known or readily available, make every reasonable attempt and use all resources reasonably necessary, as evidenced by written documentation, to obtain the identity of the owner and any other necessary information from the agency charged with the registration of the motor vehicle in this State or any other state within:

The operator shall attempt to notify the owner of the vehicle by certified mail as soon as possible, but in no case later than 15 days after identification of the owner is obtained for any motor vehicle.

Sec. 147. NRS 706.4487 is hereby amended to read as follows:

706.4487 The Legislature hereby finds and declares that:

1. Towing a vehicle, either after an accident or a crash or after the vehicle is stolen and subsequently recovered, to a vehicle storage lot designated by the insurer of the vehicle will result in the placement of vehicle storage lots in more locations, as insurance companies will designate as many vehicle storage lots as are necessary to provide coverage throughout the county, thus enhancing safety by limiting both the time and distance that a tow car is traveling with a towed vehicle.
2. Authorizing insurance companies to designate vehicle storage lots will enhance safety by ensuring that the vehicles towed thereto are stored in locations which:
   (a) Guarantee safe access to the vehicles by their owners; and
   (b) Protect the property of the owners of the vehicles, including, without limitation, the vehicles themselves.

3. The provisions of NRS 706.4489 constitute an exercise of the safety regulatory authority of this State with respect to motor vehicles.

   Sec. 148. NRS 706.4489 is hereby amended to read as follows:

   706.4489  1. An insurance company may designate one or more vehicle storage lots to which all vehicles that are towed at the request of a law enforcement officer:
      (a) Following a crash; or
      (b) Following recovery after having been stolen,
      and which are insured by that insurance company must be towed pursuant to subsection 2. The designation of a vehicle storage lot must be provided in writing by the insurance company, its representative or the owner or operator of the vehicle storage lot to all providers of towing services that have obtained a certificate of public convenience and necessity and operate in the same geographical area in which the designated vehicle storage lot is situated.

2. If a law enforcement officer requests that an operator of a tow car tow a vehicle following a crash or following recovery after having been stolen and the vehicle is not otherwise subject to impoundment, the law enforcement officer shall make a good faith effort to determine the identity of the insurance company that provides coverage for the owner of the vehicle. If the law enforcement officer determines the identity of the insurance company, he or she shall inform the operator of the tow car of the identity of the insurance company. If the operator of the tow car:
   (a) Is informed by a law enforcement officer of the identity of the insurance company that provides coverage for the owner of the vehicle; or
   (b) Otherwise determines the identity of the insurance company that provides coverage for the owner of the vehicle,
   and the insurance company has designated a vehicle storage lot pursuant to subsection 1, the operator of the tow car shall tow the vehicle to the designated vehicle storage lot unless the owner of the vehicle or a representative of the insurance company has directed otherwise.

3. If an operator of a tow car fails to tow a vehicle to the designated vehicle storage lot pursuant to subsection 2, the operator of the tow car shall:
   (a) Forfeit the charge for towing and storage of the vehicle; and
   (b) Tow the vehicle free of charge to the vehicle storage lot designated by the insurance company or its representative not later than 24 hours after receiving a demand, which must be made in writing or by electronic mail, from the insurance company or its representative.
4. The owners of a vehicle storage lot designated by an insurance company pursuant to subsection 1 shall agree in writing to indemnify the relevant law enforcement agencies and their officers, employees, agents and representatives from any liability relating to the towing of a vehicle insured by the designating insurance company and to the storing of the vehicle at the vehicle storage lot if the law enforcement officer who requested the towing of the vehicle made a good faith effort to comply with the provisions of subsection 2.

5. A vehicle storage lot must:
   (a) Maintain adequate, accessible and secure storage within the State of Nevada for any vehicle that is towed to the vehicle storage lot;
   (b) Comply with all standards a law enforcement agency may adopt pursuant to NRS 706.4485 to protect the health, safety and welfare of the public;
   (c) Comply with all local laws and ordinances applicable to that business, including, without limitation, local laws and ordinances relating to business licenses, zoning, building and fire codes, parking, paving, lights and security; and
   (d) If the vehicle storage lot is a salvage pool as that term is defined in NRS 487.400, comply with all applicable requirements imposed pursuant to NRS 487.400 to 487.510, inclusive.

6. If a vehicle storage lot has rates and charges that have been approved by the Authority for the storage of a vehicle, the vehicle storage lot is not required to assess those rates and charges for the storage of a vehicle that is towed to the vehicle storage lot in accordance with this section, but may not assess a rate or charge in excess of those approved rates and charges. If a vehicle storage lot does not have rates and charges that have been approved by the Authority, it may not assess a rate or charge in excess of the rates and charges for the storage of a vehicle that have been approved by the law enforcement agency that requested the tow. If the requesting law enforcement agency does not have approved rates and charges, the vehicle storage lot may not assess a rate or charge in excess of the rates and charges for the storage of a vehicle that have been approved by the largest law enforcement agency in the county. An operator of a tow car who tows a vehicle to a vehicle storage lot pursuant to this section:
   (a) Shall assess the rates and charges approved by the Authority for towing the vehicle.
   (b) Is entitled to payment from the operator of the vehicle storage lot at the time the vehicle is towed to the vehicle storage lot.

7. Before designating a vehicle storage lot pursuant to subsection 1, an insurance company must obtain the approval of the Authority. The Authority shall approve the designation if the Authority determines that the vehicle storage lot has:
   (a) Executed an indemnification agreement that meets the requirements of subsection 4;
(b) Satisfied the requirements of subsection 5; and
(c) Otherwise satisfied the requirements of this section.
8. The provisions of this section apply only to a county whose population is 700,000 or more.
9. As used in this section:
   (a) "Boat" means any vessel or other watercraft, other than a seaplane, used or capable of being used as a means of transportation on the water.
   (b) "Vehicle" has the meaning ascribed to it in NRS 706.146 and includes all terrain vehicles and boats.
   (c) "Vehicle storage lot" means a business which, for a fee, stores vehicles that are towed at the request of a law enforcement officer following a crash or following recovery after having been stolen and includes, without limitation, a salvage pool, as that term is defined in NRS 487.400, which operates a vehicle storage lot in accordance with the provisions of this section. The term does not include a salvage pool that has not elected to operate a vehicle storage lot in accordance with the provisions of this section and is operating within the scope of its authority pursuant to NRS 487.400 to 487.510, inclusive.

Sec. 149. NRS 706.8828 is hereby amended to read as follows:
706.8828 1. Except as otherwise provided in subsection 4, a certificate holder shall file with the Administrator, and keep in effect at all times, a policy of insurance with an insurance company licensed to do business in the State of Nevada.
   2. The insurance policy specified in subsection 1 must:
      (a) Provide the following coverage:
         For injury to one person in any one crash $100,000
         For injury to two or more persons in any one crash 300,000
         For property damage in any one crash 10,000
      (b) Contain a clause which states substantially that the insurance carrier may only cancel the policy upon 30 days’ written notice to the certificate holder and Administrator; and
      (c) Contain such other provisions concerning notice as may be required by law to be given to the certificate holder.
   3. If an insurance policy is cancelled, the certificate holder shall not operate or cause to be operated any taxicab that was covered by the policy until other insurance is furnished.
   4. A certificate holder to whom the Department of Motor Vehicles has issued a certificate of self-insurance may self-insure the coverage required by subsection 2.

Sec. 150. 1. When the next reprint of the Nevada Revised Statutes is prepared by the Legislative Counsel, the Legislative Counsel shall revise any provisions of any bill or resolution enacted during the 78th Regular Session of the Nevada Legislature which uses the term “accident” as that term is replaced or amended pursuant to the provisions of this act to cause the term to be replaced or amended in the manner provided in this act.
2. The Legislative Counsel shall, in preparing supplements to the Nevada Administrative Code, make such changes as necessary so that the term “accident” is replaced with the term “crash” or “motor vehicle crash,” or the term “accident” is amended by adding the term “or motor vehicle crash,” as applicable, as provided for in this act.

Sec. 150.5. 1. This act shall be construed as making amendments to provisions of state law for the purpose of substituting the term “crash,” or a variation of that term, for the term “accident,” or a variation of that term, when used in reference to motor vehicles without any intent of the Nevada Legislature to change the coverage, eligibility, liability, penalties, rights or responsibilities conferred by or otherwise resulting from the amendatory provisions of this act.

2. Any judicial interpretation of a state law that is rendered, issued or entered before January 1, 2016, and which includes an interpretation of the term “accident,” or a variation of that term, which is amended by or as a result of this act to refer instead to the term “crash,” or a variation of that term, shall be deemed to have the same meaning as though the term had remained unchanged.

Sec. 151. This act becomes effective:
1. Upon passage and approval for the purpose of adopting regulations or performing any preparatory administrative tasks that are necessary to carry out the provisions of this act; and
2. On January 1, 2016, for all other purposes.

Senator Hammond moved that the Senate concur in the Assembly Amendment No. 808 to Senate Bill No. 188.

Remarks by Senator Settelmeyer.

Basically, this Amendment No. 808 makes two changes to Senate Bill No. 188. First, it provides that, for purposes of the Nevada Insurance Code (title 57 of NRS), the terms “accident” and “crash,” as they are used in reference to motor vehicles, have the same meaning. Secondly, it provides that the amendatory provisions of the bill shall be construed as non-substantive, and clarifies that it is not the intent of the Nevada Legislature to modify any existing application, construction, or interpretation of any statute which has been so amended.

Furthermore, I would like to add there was some confusion on this bill. I just wanted to clarify for the record that it is our understanding that the bill does not require insurers to print any new documents, including but not limited to policies of insurance or filings with the Division of Insurance.

Motion carried by a constitutional majority.

Amendment No. 855.

AN ACT relating to crimes; providing that certain employees of or volunteers at a school who are convicted of engaging in sexual conduct with certain pupils are subject to various statutory provisions relating to sex offenders; providing that certain employees of a college or university who are convicted of engaging in sexual conduct with certain students are also

Existing law: (1) requires a court to include a special sentence of lifetime supervision for any person convicted of certain sexual offenses; and (2) provides certain conditions of lifetime supervision. (NRS 176.0931, 213.1243) Sections 1 and 12 of this bill add to the list of sexual offenses that require a sentence of lifetime supervision and for which certain conditions of lifetime supervision apply: (1) an offense involving sexual conduct between certain employees of or volunteers at a school and certain pupils; and (2) an offense involving sexual conduct between certain employees of a college or university and certain students.

Existing law also: (1) requires a person convicted of certain sexual offenses to undergo a psychosexual evaluation as part of the presentence investigation and report prepared by the Division of Parole and Probation of the Department of Public Safety; and (2) prohibits the court from granting probation to or suspending the sentence of a person convicted of certain sexual offenses, unless the person who conducts the psychosexual evaluation certifies that the person convicted of the sexual offense does not represent a high risk to reoffend. (NRS 176.133, 176.135, 176A.110) Sections 2 and 3 of this bill add to the list of sexual offenses which require a psychosexual evaluation as part of the presentence investigation and report and a certification that the person convicted does not represent a high risk to reoffend before the person may be granted probation or have his or her sentence suspended: (1) an offense involving sexual conduct between certain employees of or volunteers at a school and certain pupils; and (2) an offense involving sexual conduct between certain employees of a college or university and certain students.

Existing law also defines the term “sexual offense” for the purpose of requiring persons convicted of certain sexual offenses to register as a sex offender, to comply with certain mandatory conditions of probation or parole and to fulfill certain other requirements. (NRS 118A.335, 176A.410, 179D.097, 213.1099, 213.1245) Section 6 of this bill revises the list of sexual offenses to which these statutory provisions apply to include: (1) an offense involving sexual conduct between certain employees of or volunteers at a school and certain pupils; and (2) an offense involving sexual conduct between certain employees of a college or university and certain students.

Existing law requires the Department of Corrections to assess each prisoner who has been convicted of a sexual offense to determine the prisoner’s risk to reoffend in a sexual manner. The State Board of Parole Commissioners must consider the assessment before determining whether to grant or revoke the parole of a person convicted of a sexual offense. (NRS 213.1214) Section 13 of this bill adds to the list of sexual offenses which require such an assessment: (1) an offense involving sexual conduct between certain employees of or volunteers at a school and certain pupils; and (2) an offense involving sexual conduct between certain employees of a college or university and certain students.

SENATE IN SESSION

At 1:22 p.m.
President Hutchison presiding.
Quorum present.

Senator Brower moved that the Senate concur in the Assembly Amendment No. 855 to Senate Bill No. 192.
Remarks by Senator Brower.
This original bill sponsored by our colleague from Senate District 9 prohibited certain employees or volunteers at a school from engaging in sexual conduct with certain pupils. The Assembly amendment simply allows for this law to apply to pupils of any age as long as they are still in high school. Therefore, even if pupils who for certain reasons are still in high school beyond the age of 18 will still be subject to this law. That means any employee of that school who has a sexual relationship with such a pupil will be violating the law.
Motion carried by a constitutional majority.
Bill ordered enrolled.

Senate Bill No. 209.
The following amendment was read.
Amendment No. 809.
AN ACT relating to drivers’ licenses; revising provisions governing the submission of documents required to declare veteran status when applying for or renewing an instruction permit, driver’s license, commercial driver’s license or identification card; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Under existing law, a veteran who has been honorably discharged from the Armed Forces of the United States may have a designation of that veteran status placed on his or her instruction permit, driver’s license or identification card. Such a veteran must, upon application for initial issuance
or renewal of the permit or license, submit to the Department of Motor Vehicles a copy of his or her DD Form 214, “Certificate of Release or Discharge from Active Duty,” issued by the United States Department of Defense, indicating that he or she has been honorably discharged from the Armed Forces of the United States. (NRS 483.292, 483.852)

Sections 1.1 and 1.3 of this bill remove the requirement to specifically provide a DD Form 214 and instead provide that the veteran must submit evidence satisfactory to the Department that he or she has been honorably discharged from the Armed Forces of the United States to have a designation of that veteran status placed on his or her instruction permit, license, or identification card. Section 1 of this bill provides that an applicant for or a holder of a commercial driver’s license may have a designation of veteran status placed on his or her commercial driver’s license under the same protocol as provided for an instruction permit, driver’s license or identification card.

The following amendment was read.
Amendment No. 721.
AN ACT relating to contractors; revising provisions relating to the liability of a prime contractor for indebtedness incurred by a subcontractor for labor costs; revising provisions governing the statute of limitations to bring an action against a prime contractor for the recovery of wages or benefits due to an employee of a subcontractor; revising provisions relating to mechanics’ and materialmen’s lien claimants; requiring an administrator of a Taft-Hartley trust that does not receive a benefit payment required to be made to the trust by a contractor or subcontractor to provide notice to the contractor and subcontractor that the benefit payment has not been received; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law makes an original contractor liable for any indebtedness incurred by a subcontractor for labor costs, including benefits payable to a trust established by a collective bargaining unit. (NRS 608.150) Sections 1 and 3 of this bill provide that a prime contractor is not liable for the labor costs of a subcontractor to the extent those costs are: (1) interest, liquidated
damages, attorney’s fees or costs resulting from a subcontractor’s failure to pay contributions or other payments to, or on behalf of, an employee; or (2) any amounts for which the prime contractor did not receive adequate notice in the manner that section 5 of this bill requires. Section 2 of this bill reduces the statute of limitations period applicable to commencing an action against a prime contractor for the recovery of wages or benefits due to an employee of a subcontractor.

Existing law also provides that a mechanics’ or materialmen’s lien claimant must provide a notice of right to lien to an owner of property upon which work has been performed unless the claimant is a person who only performed labor on the project. (NRS 108.245) Section 4 of this bill requires a prime contractor or subcontractor who participates in a health or welfare fund, or other plan for the benefit of employees, to provide to the fund or plan notice of the name and location of the project upon the commencement of work on a project. In addition, section 4 excludes from the exemption to the notice provisions of NRS 108.245 an express benefit trust which receives a portion of the compensation paid to a laborer.

Section 5 requires an administrator of a Taft-Hartley trust that does not receive a benefit payment required to be made to the trust by a general contractor or subcontractor, within 75 days after the required payment is deemed delinquent, to provide notice to the general contractor and subcontractor that the benefit payment has not been received.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 608.150 is hereby amended to read as follows:

608.150  1. Except as otherwise provided in subsections 2 and 3, every prime contractor making or taking any contract in this State for the erection, construction, alteration or repair of any building or structure, or other work of improvement, shall assume and is liable for the indebtedness for labor incurred by any subcontractor or any contractors acting under, by or for the prime contractor in performing any labor, construction or other work included in the subject of the prime contract, for labor, and for the requirements imposed by chapters 616A to 617, inclusive, of NRS.

2. The provisions of subsection 1 do not require a prime contractor to assume or be liable for any liability of a subcontractor or other contractor for any penalty, including, without limitation, interest, liquidated damages, attorney’s fees or costs for the failure of the subcontractor or other contractor to make any contributions or other payments under any other law or agreement, including, without limitation, to a health or welfare fund or any other plan for the benefit of employees in accordance with a collective bargaining agreement.

3. The provisions of subsection 1 do not require a prime contractor to assume or be liable for any liability of a subcontractor or other contractor
for any amount for which the prime contractor did not receive proper notice in accordance with section 5 of this act.

4. It is unlawful for any prime contractor [or any other person] to fail to comply with the provisions of subsection 1, or to attempt to evade the responsibility imposed thereby, or to do any other act or thing tending to render nugatory the provisions of this section.

5. The district attorney of any county wherein the defendant may reside or be found shall institute civil proceedings against any such prime contractor failing to comply with the provisions of this section in a civil action for the amount of all wages and [damage] benefits that may be owing or have accrued as a result of the failure of any subcontractor acting under the prime contractor, and any property of the prime contractor, not exempt by law, is subject to attachment and execution for the payment of any judgment that may be recovered in any action under the provisions of this section.

6. As used in this section, “prime contractor” has the meaning ascribed to it in NRS 108.22164.

Sec. 2. NRS 11.209 is hereby amended to read as follows:

11.209 1. No action against a [principal] prime contractor for the recovery of wages due an employee of a subcontractor or contributions or premiums required to be made or paid on account of the employee may be commenced more than:

(a) Two years, One year, if the principal prime contractor is located in Nevada, or

(b) Three years, One hundred eighty days, if the principal prime contractor is located outside this state,

after the date the employee should have received those wages from or those contributions or premiums should have been made or paid by the subcontractor.

2. No action against a [principal] prime contractor for the recovery of benefits due an employee of a subcontractor may be commenced more than:

(a) Three years, if the prime contractor is located in Nevada, or

(b) Four years, if the prime contractor is located outside this state,

after the date the employee should have received those benefits from the subcontractor.

3. As used in this section, “prime contractor” has the meaning ascribed to it in NRS 108.22164.

Sec. 3. NRS 108.2214 is hereby amended to read as follows:

108.2214 1. “Lien claimant” means any person who provides work, material or equipment with a value of $500 or more to be used in or for the construction, alteration or repair of any improvement, property or work of improvement. The term includes, without limitation, every artisan, builder, contractor, laborer, lessor or renter of equipment, materialman, miner, subcontractor or other person who provides work, material or equipment, and
any person who performs services as an architect, engineer, land surveyor or geologist, in relation to the improvement, property or work of improvement.

2. As used in this section, “laborer” includes, without limitation, an express trust fund to which any portion of the total compensation of a laborer, including [without limitation] any fringe benefit, must be paid pursuant to an agreement with that laborer or the collective bargaining agent of that laborer. For the purposes of this subsection, “fringe benefit” does not include any interest, liquidated damages, attorney’s fees, costs or other penalties that may be incurred by the employer of the laborer for failure to pay any such compensation under any law or contract.

Sec. 4. NRS 108.245 is hereby amended to read as follows:

108.245 1. Except as otherwise provided in subsection 5, every lien claimant, other than one who performs only labor, who claims the benefit of NRS 108.221 to 108.246, inclusive, shall, at any time after the first delivery of material or performance of work or services under a contract, deliver in person or by certified mail to the owner of the property a notice of right to lien in substantially the following form:

NOTICE OF RIGHT TO LIEN
To:

(Owner’s name and address)

The undersigned notifies you that he or she has supplied materials or equipment or performed work or services as follows:

(General description of materials, equipment, work or services)

for improvement of property identified as (property description or street address) under contract with (general contractor or subcontractor). This is not a notice that the undersigned has not been or does not expect to be paid, but a notice required by law that the undersigned may, at a future date, record a notice of lien as provided by law against the property if the undersigned is not paid.

(Claimant)

A subcontractor or equipment or material supplier who gives such a notice must also deliver in person or send by certified mail a copy of the notice to the prime contractor for information only. The failure by a subcontractor to deliver the notice to the prime contractor is a ground for disciplinary proceedings against the subcontractor under chapter 624 of NRS but does not invalidate the notice to the owner.

2. Such a notice does not constitute a lien or give actual or constructive notice of a lien for any purpose.

3. No lien for materials or equipment furnished or for work or services performed, except labor, may be perfected or enforced pursuant to NRS 108.221 to 108.246, inclusive, unless the notice has been given.

4. The notice need not be verified, sworn to or acknowledged.

5. A prime contractor or other person who contracts directly with an owner or sells materials directly to an owner is not required to give notice pursuant to this section.
6. A lien claimant who is required by this section to give a notice of right to lien to an owner and who gives such a notice has a right to lien for materials or equipment furnished or for work or services performed in the 31 days before the date the notice of right to lien is given and for the materials or equipment furnished or for work or services performed anytime thereafter until the completion of the work of improvement.

7. Upon commencement of work on a project, any prime contractor or subcontractor participating in a health or welfare fund or any other plan for the benefit of employees is required to notify such fund or plan of the name and location of the project so that the fund or plan may protect potential lien rights under NRS 108.221 to 108.146, inclusive.

8. As used in this section, “one who performs only labor” does not include an express trust fund to which any portion of the total compensation of a laborer, including, without limitation, any fringe benefit, must be paid pursuant to an agreement with that laborer or the collective bargaining agent of that laborer.

Sec. 5. Chapter 338 of NRS is hereby amended by adding thereto a new section to read as follows:

1. If an administrator of a Taft-Hartley trust which is formed pursuant to 29 U.S.C. § 186(c)(5) does not receive a benefit payment owed to the trust within 60 days after the date on which the payment is deemed delinquent, the administrator shall provide a notice of the delinquency to the general contractor and, if applicable, the subcontractor, who is responsible for the benefit payment. The notice of delinquency must be provided in the manner set forth in subsections 2, 3 and 4.

2. The notice required pursuant to subsection 1 must be given to the general contractor and, if applicable, the subcontractor, who is responsible for the delinquent benefit payment, within 15 days after the expiration of the 60-day period described in subsection 1.

3. The notice required pursuant to subsection 1 must be given to the general contractor and, if applicable, the subcontractor, who is responsible for the delinquent benefit payment, by electronic mail, telephone and:
   (a) Personal delivery; or
   (b) Registered or certified mail, return receipt requested, to the last known address of the general contractor and, if applicable, the subcontractor.

   (a) The amount owed;
   (b) The name and address of the general contractor and, if applicable, the subcontractor, who is responsible for the delinquent benefit payment; and
   (c) A demand for full payment of the amount not paid.

5. For the purposes of this section, “general contractor” includes a prime contractor.

Amendment No. 790.

AN ACT relating to public safety; requiring a court to transmit within 5
business days certain records of adjudication concerning a person’s mental
health to the Central Repository for Nevada Records of Criminal History for
certain purposes relating to the purchase or possession of a firearm;
authorizing the inclusion, correction and removal of the information in such
records in each appropriate database of the National Crime Information Center; requiring each agency of criminal justice to submit information relating to records of criminal history within 60 days after the date of the conviction; requiring the Central Repository, upon request, to conduct a background check without charge on a person who wishes to acquire a firearm; prohibiting certain persons from having possession, custody or control of a firearm; prohibiting certain persons from selling a firearm under certain circumstances; revising the functions of the Department of Health and Human Services; requiring a mental health professional to apply for the emergency admission of a patient to a mental health facility or notify certain persons when a patient makes certain explicit threats of imminent serious physical harm or death; revising the applicability of certain provisions pertaining to the regulation of firearms by local governments; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires a court to transmit to the Central Repository for Nevada Records of Criminal History a record of any court order, judgment, plea or verdict concerning the involuntary admission of a person to a mental health facility, the appointment of a guardian for a person with a mental defect, a finding that a person is incompetent to stand trial, a verdict acquitting a defendant by reason of insanity or a plea or finding of guilty but mentally ill, along with a statement that the record is being transmitted for inclusion in all appropriate databases of the National Instant Criminal Background Check System. (NRS 159.0593, 174.035, 175.533, 175.539, 178.425, 433A.310) Sections 1-4, 13 and 17 of this bill require such records to be transmitted to the Central Repository within 5 business days.

Existing law requires the inclusion, correction and removal of information in records of criminal history in each appropriate database of the National Instant Criminal Background Check System. (NRS 179A.163, 179A.165, 179A.167, 433A.310) Sections 8-10 [and 12] of this bill also authorize or require, as appropriate, the inclusion, correction and removal of such information in each appropriate database of the National Crime Information Center. Section 5 of this bill defines “National Crime Information Center” to mean the computerized information system created and maintained by the Federal Bureau of Investigation pursuant to 28 U.S.C. § 534.

Existing law requires each agency of criminal justice to submit information relating to records of criminal history within the period described by the Director of the Department of Public Safety. (NRS 179A.075) Section 7 of this bill requires the submission of such information within 60 days after the date of the conviction.

Existing law authorizes a private person who wishes to transfer a firearm to another person to request the Central Repository to perform a background check on the person who wishes to acquire the firearm. (NRS 202.254) Section 14 of this bill prohibits the Central Repository from charging a fee to perform a background check for such a transfer. Section 14 further provides
Immunity from civil and criminal liability to a person who does not request a background check or who requests a background check for any act or omission that was taken in good faith and without malicious intent. Finally, section 14 allows the Director of the Department of Public Safety to request an allocation from the Contingency Account in the State General Fund if necessary to cover the cost of providing background checks without the imposition of a fee.

Existing law prohibits a person who has been adjudicated as mentally ill, has been committed to any mental health facility or is illegally or unlawfully in the United States from possessing or having custody or control of a firearm. (NRS 202.360) Section 15 of this bill also prohibits a person who has entered a plea of guilty but mentally ill, has been found guilty but mentally ill or has been acquitted by reason of insanity from possessing or having custody or control of a firearm.

Existing law prohibits a person from selling or otherwise disposing of any firearm or ammunition to another person if he or she has actual knowledge that the other person: (1) is under indictment for, or has been convicted of, a felony; (2) is a fugitive from justice; (3) has been adjudicated as mentally ill or has been committed to a mental health facility; or (4) is illegally or unlawfully in the United States. (NRS 202.362) Section 16 of this bill prohibits a person from selling, transferring or otherwise disposing of any firearm or ammunition to another person or purchasing a firearm on behalf of or for another person with the intent to transfer the firearm to that person if he or she has reasonable cause to believe that the other person meets any of those listed conditions, if the other person is otherwise prohibited from possessing a firearm or if the other person is a member of a criminal gang.

Existing law provides that, except as otherwise provided by specific statute, the Legislature reserves for itself all such rights and powers as are necessary to regulate the transfer, sale, purchase, possession, ownership, transportation, registration and licensing of firearms and ammunition in this State, and further provides that no county, city or town may infringe upon those rights and powers. (NRS 244.364, 268.418, 269.222) Sections 16.3-16.7 of this bill expand such rights and powers of the Legislature to include those necessary to: (1) regulate the carrying and storage of firearms, firearm accessories and ammunition; and (2) define all such terms. Sections 16.3-16.7 provide that certain ordinances or regulations which are inconsistent with these rights and powers of the Legislature are null and void and require the governing bodies of certain political subdivisions of this State to repeal any such ordinance or regulation. Sections 16.3-16.7 also authorize any person who is adversely affected by the enforcement of any such ordinance or regulation on or after the effective date of these sections to file suit in the appropriate court for declarative and injunctive relief and damages. Such a person is entitled to certain damages depending on whether and when the relevant governing body of a political subdivision repeals such an ordinance or a regulation.
Existing law also requires certain political subdivisions of this State in a county whose population is 700,000 or more (currently Clark County), which adopted ordinances or regulations before June 13, 1989, that require the registration of firearms capable of being concealed, to make certain amendments to such registration provisions. (NRS 244.364, 268.418, 269.222) Sections 16.3-16.7 additionally delete the provisions requiring certain political subdivisions of this State to make such amendments.

Existing law provides that a patient has a privilege to refuse to disclose and to prevent any other person from disclosing confidential communications between the patient and the patient’s psychologist or doctor. (NRS 49.209, 49.225) Sections 11 and 12 of this bill provide exceptions to the privilege for certain determinations which are now required pursuant to this bill.

Existing law: (1) designates the Department of Health and Human Services as the official state agency for developing and administering outpatient mental health services; and (2) requires the Department to perform certain functions relating to mental health. (NRS 433C.130) Section 18 of this bill requires the Department to also assist and consult with local governments and all local law enforcement agencies in this State in providing community mental health services.

Existing law imposes various requirements and duties on certain health care professionals. (Chapter 629 of NRS) Section 19 of this bill provides that if a patient of a mental health professional makes an explicit threat of imminent serious physical harm or death to a person, and the mental health professional believes the patient has the intent and ability to carry out the threat, the mental health professional must: (1) apply for the emergency admission of the patient to a mental health facility; or (2) notify the threatened person and the appropriate law enforcement agency. A mental health professional who exercises reasonable care in determining whether or not to provide notice of such a threat is not subject to civil or criminal liability or disciplinary action by a professional licensing board for disclosing confidential or privileged information or for any damages caused by the actions of a patient.

Assembly Bill No. 147 of the 1989 Legislative Session (A.B. 147) reserved for the Legislature the rights and powers necessary to regulate the transfer, sale, purchase, possession, ownership, transportation, registration and licensing of firearms and ammunition in this State. (Chapter 308, Statutes of Nevada 1989, p. 652) However, section 5 of A.B. 147 provided that the preemptive effect of the bill applied only to ordinances or regulations adopted by certain political subdivisions on or after June 13, 1989. Section 20 of this bill amends section 5 of A.B. 147 to include and preempt ordinances or regulations adopted by certain political subdivisions before June 13, 1989.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 174.035 is hereby amended to read as follows:
174.035 1. A defendant may plead not guilty, guilty, guilty but mentally ill or, with the consent of the court, nolo contendere. The court may refuse to accept a plea of guilty or guilty but mentally ill.

2. If a plea of guilty or guilty but mentally ill is made in a written plea agreement, the agreement must be in substantially the form prescribed in NRS 174.063. If a plea of guilty or guilty but mentally ill is made orally, the court shall not accept such a plea or a plea of nolo contendere without first addressing the defendant personally and determining that the plea is made voluntarily with understanding of the nature of the charge and consequences of the plea.

3. With the consent of the court and the district attorney, a defendant may enter a conditional plea of guilty, guilty but mentally ill or nolo contendere, reserving in writing the right, on appeal from the judgment, to a review of the adverse determination of any specified pretrial motion. A defendant who prevails on appeal must be allowed to withdraw the plea.

4. A plea of guilty but mentally ill must be entered not less than 21 days before the date set for trial. A defendant who has entered a plea of guilty but mentally ill has the burden of establishing the defendant’s mental illness by a preponderance of the evidence. Except as otherwise provided by specific statute, a defendant who enters such a plea is subject to the same criminal, civil and administrative penalties and procedures as a defendant who pleads guilty.

A plea of not guilty by reason of insanity must be entered not less than 21 days before the date set for trial. A defendant who has not so pleaded may offer the defense of insanity during trial upon good cause shown. Under such a plea or defense, the burden of proof is upon the defendant to establish by a preponderance of the evidence that:
   (a) Due to a disease or defect of the mind, the defendant was in a delusional state at the time of the alleged offense; and
   (b) Due to the delusional state, the defendant either did not:
      (1) Know or understand the nature and capacity of his or her act; or
      (2) Appreciate that his or her conduct was wrong, meaning not authorized by law.

6. If a defendant refuses to plead or if the court refuses to accept a plea of guilty or guilty but mentally ill or if a defendant corporation fails to appear, the court shall enter a plea of not guilty.

   (a) Probation is not allowed; or
   (b) The maximum prison sentence is more than 10 years,

unless the plea bargain is set forth in writing and signed by the defendant, the defendant’s attorney, if the defendant is represented by counsel, and the prosecuting attorney.
8. If the court accepts a plea of guilty but mentally ill pursuant to this section, the court shall cause, *within 5 business days after acceptance of the plea*, on a form prescribed by the Department of Public Safety, a record of that plea to be transmitted to the Central Repository for Nevada Records of Criminal History along with a statement indicating that the record is being transmitted for inclusion in each appropriate database of the National Instant Criminal Background Check System.

   (b) The defendant has established by a preponderance of the evidence that due to a disease or defect of the mind, the defendant was mentally ill at the time of the commission of the offense; and
   (c) The defendant has not established by a preponderance of the evidence that the defendant is not guilty by reason of insanity pursuant to subsection 5 of NRS 174.035.

2. Except as otherwise provided by specific statute, a defendant who is found guilty but mentally ill is subject to the same criminal, civil and administrative penalties and procedures as a defendant who is found guilty.

3. If the trier of fact finds a defendant guilty but mentally ill pursuant to subsection 1, the court shall cause, *within 5 business days after the finding*, on a form prescribed by the Department of Public Safety, a record of the finding to be transmitted to the Central Repository for Nevada Records of Criminal History, along with a statement indicating that the record is being transmitted for inclusion in each appropriate database of the National Instant Criminal Background Check System.

Sec. 3. NRS 175.539 is hereby amended to read as follows:

175.539 1. Where on a trial a defense of insanity is interposed by the defendant and the defendant is acquitted by reason of that defense, the finding of the jury pending the judicial determination pursuant to subsection 2 has the same effect as if the defendant were regularly adjudged insane, and the judge must:
(a) Order a peace officer to take the person into protective custody and transport the person to a forensic facility for detention pending a hearing to determine the person’s mental health;

(b) That there is clear and convincing evidence that the person is a person with mental illness, the court must order that the person be committed to the custody of the Administrator of the Division of Public and Behavioral Health of the Department of Health and Human Services until the person is discharged or conditionally released therefrom in accordance with NRS 178.467 to 178.471, inclusive.

The court shall issue its finding within 90 days after the defendant is acquitted.
3. The Administrator shall make the reports and the court shall proceed in the manner provided in NRS 178.467 to 178.471, inclusive.
4. If the court accepts a verdict acquitting a defendant by reason of insanity pursuant to this section, the court shall cause, within 5 business days after accepting the verdict, on a form prescribed by the Department of Public Safety, a record of that verdict to be transmitted to the Central Repository for Nevada Records of Criminal History, along with a statement indicating that the record is being transmitted for inclusion in each appropriate database of the National Instant Criminal Background Check System.

and the physicians’ certificate, if any, into the custody of the Administrator or the Administrator’s designee for detention and treatment at a division facility that is secure. The order may include the involuntary administration of medication if appropriate for treatment to competency.

2. The defendant must be held in such custody until a court orders the defendant’s release or until the defendant is returned for trial or judgment as provided in NRS 178.450, 178.455 and 178.460.

3. If the court finds the defendant incompetent but not dangerous to himself or herself or to society, and finds that commitment is not required for a determination of the defendant’s ability to receive treatment to competency and to attain competence, the judge shall order the defendant to report to the Administrator or the Administrator’s designee as an outpatient for treatment, if it might be beneficial, and for a determination of the defendant’s ability to receive treatment to competency and to attain competence. The court may require the defendant to give bail for any periodic appearances before the Administrator or the Administrator’s designee.

4. Except as otherwise provided in subsection 5, proceedings against the defendant must be suspended until the Administrator or the Administrator’s designee or, if the defendant is charged with a misdemeanor, the judge finds the defendant capable of standing trial or opposing pronouncement of judgment as provided in NRS 178.400.

Senator Brower moved that the Senate concur in the Assembly Amendment No. 790 to Senate Bill No. 240.

Remarks by Senators Brower, Roberson and Ford.

Senator Brower:
Amendment No. 790 to Senate Bill 240 essentially does three things. In Section 19, it changes the language to provide that a mental health professional shall apply for the emergency admission of the patient to a mental health facility pursuant to NRS 433A.160.

Secondly, in Section 19 of the bill, the amendment proposes an expansion of the definition of mental health professional to include certain licensed or certified persons beyond the categories in the original bill.

Finally, at the end of the bill, in Section 21, the bill mirrors another bill that was passed this session by adding in an elimination of the so-called blue card system currently in existence in Clark County.

Senator Roberson:
This is my bill and I would like to mention the last point made by my colleague from Washoe County with regard to the blue card, is entirely duplicative language that has already in S.B. 175 that has passed both houses. At this point, it is redundant, but it is in the bill for reasons that can be explained by those on the other side of the building. I do want everyone to know that has already been passed by both houses.

Senator Ford:
While we concur with most of these amendments coming out, it is the punitive pre-emption portion that many of us will disagree with on this particular amendment.

Senator Roberson:
To which I will say again, is already in the other bill that has passed both houses.
Motion carried by a constitutional majority.
Bill ordered enrolled.

Senate Bill No. 254.
The following amendment was read.
Amendment No. 823.
AN ACT relating to construction; amending the amount of retainage authorized on public works; amending the retention amount and certain conditions relating to that amount authorized on private works of improvement; extending existing provisions related to retainage; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law requires a public body undertaking a public work to withhold as a retainage at least 5 percent from progress payments made to a contractor during the first half of the project. After completion of half of the project, the amount of the retainage becomes optional and any remaining progress payments or withheld retainage may be paid. (NRS 338.515) Section 2 of this bill requires the amount of the retainage to be 5 percent.
Existing law provides that in private construction projects, not more than 10 percent of progress payments may be withheld from such payments as a retention amount by an owner to a contractor and from a contractor to a subcontractor, and that such funds must be paid upon satisfaction of certain criteria including the issuance of a certificate of occupancy by a building inspector. (NRS 624.609, 624.620, 624.624) Sections 3 and 5 of this bill reduce the retention amount allowed on private construction projects from 10 percent to 5 percent. (after completion of 50 percent of the project, except for horizontal construction projects, such as highways and bridges, which are subject to the 10 percent retainage limit throughout the duration of the project. Section 2.7 of this bill provides that an owner or higher-tiered contractor may increase the reduced retainage back to not more than 10 percent under certain circumstances.) Section 4 of this bill requires that retained funds be paid upon the issuance of a temporary certificate of occupancy. Finally, section 6 of this bill repeals the expiration of certain provisions of existing law pertaining to retainage in public works which are set to expire on July 1, 2015. (NRS 338.515, 338.530, 338.555, 338.560, 338.595)
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (Deleted by amendment.)
Sec. 2. NRS 338.515 is hereby amended to read as follows:

Except as otherwise provided in NRS 338.525, a public body and its officers or agents awarding a contract for a public work shall pay or cause to be paid to a contractor the progress payments due under the contract within 30 days after the date the public body receives the progress bill or within a shorter period if the provisions of the contract so provide.
Ninety-five percent of the amount of any progress payment may be paid and 5 percent withheld as retainage until 50 percent of the work required by the contract has been performed.

2. After 50 percent of the work required by the contract has been performed, the public body may pay to the contractor:
   (a) Any of the remaining progress payments without withholding additional retainage; and
   (b) Any amount of any retainage that was withheld from progress payments pursuant to subsection 1, if, in the opinion of the public body, satisfactory progress is being made in the work.

3. After determining in accordance with subsection 2 whether satisfactory progress is being made in the work, the public body may pay to the contractor an amount of any retainage that was withheld from progress payments pursuant to subsection 1 if:
   (a) A subcontractor has performed a portion of the work;
   (b) The contractor has determined that satisfactory progress is being made in the work under the subcontract with the subcontractor pursuant to NRS 338.555;
   (c) The public body determines that the portion of the work has been completed in compliance with all applicable plans and specifications;
   (d) The subcontractor submits to the contractor:
      (1) A release of the subcontractor’s claim for a mechanic’s lien for the portion of the work; and
      (2) From each of the subcontractor’s subcontractors and suppliers who performed work or provided material for the portion of the work, a release of his or her claim for a mechanic’s lien for the portion of the work; and
   (e) The amount of the retainage which the public body pays is in proportion to the portion of the work which the subcontractor has performed.

4. If, after determining in accordance with subsection 2 whether satisfactory progress is being made in the work, the public body continues to withhold retainage from remaining progress payments:
   (a) If the public body does not withhold any amount pursuant to NRS 338.525:
      (1) The public body may not withhold more than 2.5 percent of the amount of any progress payment; and
      (2) Before withholding any amount pursuant to subparagraph (1), the public body must pay to the contractor 50 percent of the amount of any retainage that was withheld from progress payments pursuant to subsection 1; or
   (b) If the public body withholds any amount pursuant to NRS 338.525:
      (1) The public body may not withhold more than 5 percent of the amount of any progress payment; and
      (2) The public body may continue to retain the amount of any retainage that was withheld from progress payments pursuant to subsection 1.
5. Except as otherwise provided in NRS 338.525, a public body shall identify in the contract and pay or cause to be paid to a contractor the actual cost of the supplies, materials and equipment that:
   (a) Are identified in the contract;
   (b) Have been delivered and stored at a location, and in the time and manner, specified in a contract by the contractor or a subcontractor or supplier for use in a public work; and

If the amount due to a contractor pursuant to this subsection for any quarter is less than $500, the public body may hold the interest until:
   (a) The end of a subsequent quarter after which the amount of interest due is $500 or more;
   (b) The end of the fourth consecutive quarter for which no interest has been paid to the contractor; or
   (c) The amount withheld under the contract is due pursuant to NRS 338.520, whichever occurs first.

7. If the Labor Commissioner has reason to believe that a worker is owed wages by a contractor or subcontractor, the Labor Commissioner may require the public body to withhold from any payment due the contractor under this section and pay the Labor Commissioner instead, an amount equal to the amount the Labor Commissioner believes the contractor owes to the worker. This amount must be paid by the Labor Commissioner to the worker if the matter is resolved in the worker’s favor, otherwise it must be returned to the public body for payment to the contractor.

(Deleted by amendment.)

Sec. 2.7. 1. If, at the time 50 percent of the work required by the contract has been performed, a prime contractor has, through any act or omission, materially deviated from any contractually defined condition or obligation or has performed work that is in violation of any building code, law or regulation, an owner may increase the retention amount withheld pursuant to subparagraph (2) of paragraph (a) of subsection 2 of NRS 624.609 to not more than 10 percent.

2. If, at the time 50 percent of the work required by the contract has been performed, a lower-tiered subcontractor has, through any act or omission, materially deviated from any contractually defined condition or obligation or has performed work that is in violation of any building code, law or regulation, a higher-tiered contractor may increase the retention amount withheld pursuant to subsection 2 of NRS 624.624 to not more than 10 percent.

3. If, pursuant to subsection 1 or 2, an owner or higher-tiered contractor intends to increase the retention amount withheld, he or she must, at the time 50 percent of the work required by the contract has been performed, provide a written notice to the prime contractor or lower-tiered subcontractor responsible for the deficiency. 5. An owner or higher-tiered contractor shall only increase the retention amount pursuant to this section in good faith and based upon a bona fide and material deficiency.

6. A prime contractor who believes that an owner has increased the retention amount in violation of subsection 5 may bring a civil action against the owner. If the court finds that the owner increased the retention amount in violation of subsection 5, the court shall order the owner to return the wrongfully withheld amount and to pay interest on the amount withheld to the prime contractor at the rate determined pursuant to NRS 624.630. The court shall also award attorney’s fees and costs to the party who prevails.

7. A lower-tiered subcontractor who believes that a higher-tiered contractor has increased the retention amount in violation of subsection 5 may file a complaint with the Board. (a) Pay the amount withheld by the owner for that condition or reason for the withholding; or

(b) Object to the scope and manner of the correction of the condition or reason for the withholding in a written statement that sets forth the reason for the objection and complies with subsection 3. The following amendment was read.
Amendment No. 739.
AN ACT relating to local law enforcement agencies; revising provisions relating to the powers and duties of constables and deputy constables; exempting from certain provisions the sale of liquor by a sheriff or constable
at a sale under execution; authorizing a constable to accept payment of certain fees by credit card, debit card or electronic transfer of money; authorizing a constable to require the payment to the constable of a convenience fee for the acceptance of payments by credit card, debit card or electronic transfer of money; revising the amount of certain fees which a constable is entitled to charge and collect; authorizing the appointment of clerks for the constable of a township; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, the sheriff of a county may authorize a constable to receive and execute the process, writs or warrants of courts of justice, judicial officers and coroners that have been delivered to the sheriff. (NRS 248.100) Sections 1-8 of this bill provide that such orders may be delivered directly to a constable who then must execute the orders.

Existing law requires the constable and each deputy constable in a township whose population is 15,000 or more, or a township that has within its boundaries a city whose population is 15,000 or more, to be certified as a category I or II peace officer by the Peace Officers’ Standards and Training Commission. (NRS 258.007, 258.060, 258.070) Existing law also requires each constable to be a peace officer in his or her township and prohibits a constable or deputy constable from arresting any person while carrying out the duties of the officer of a constable unless the constable or deputy is certified by the Commission as a category I or category II peace officer. Sections 10 and 12 of this bill instead require certification as a category II peace officer of the constable and each deputy constable of a township whose population: (1) is 100,000 or more, if the township is in a county whose population is 700,000 or more (currently Clark County); and (2) is 250,000 or more, if the township is in a county whose population is less than 700,000 (currently all counties other than Clark County).

Section 12.5 of this bill authorizes a board of county commissioners to appoint for the constable of a township a reasonable number of clerks and to fix the compensation of any clerks so appointed.

Section 13 of this bill provides that a constable or deputy constable has the powers of a peace officer: (1) for the discharge of duties that are prescribed by law; (2) for the purpose of arresting a person in certain circumstances who has committed or attempted to commit a public offense in the presence of the constable or deputy constable; (3) in an area that is within the limits of an incorporated city, for the additional purposes authorized by and with the consent of the chief of police of the city; and (4) in an area that is not within the limits of an incorporated city, for the additional purposes authorized by and with the consent of the sheriff of the county. Additionally, section 13 prohibits a constable or deputy constable from carrying a firearm in the performance of his or her duties unless: (1) the constable has adopted a written policy on the use of deadly force; and (2) a copy of the policy has been filed in the office of the appropriate county recorder; and (3) the
constable and each deputy constable has received training regarding the policy. A constable or deputy constable authorized to carry a firearm pursuant to section 13 must receive training approved by the Commission in the use of firearms at least once every 6 months. Section 13 also requires a constable or deputy constable who wears a uniform in the performance of his or her duties to display prominently as part of that uniform a badge or nameplate clearly displaying the name or an identification number of the constable or deputy.

Existing law authorizes a constable who determines that a motor vehicle is not properly registered to issue a citation to the owner or driver, as appropriate, of the vehicle, and to charge and collect a fee of $100 from the owner or driver. (NRS 258.070) Section 13 authorizes a constable to charge and collect the fee only upon the imposition of punishment pursuant to NRS 482.385 on the person to whom the citation is issued.

Section 15 of this bill increases certain fees to which constables are entitled for their services. Section 15 also authorizes a board of county commissioners to provide by ordinance for the fee to which a constable is entitled for providing a service authorized by law for which no fee is established by statute.

Existing law provides that the amount of certain fees which a constable is entitled to charge and collect must be calculated on the basis of the miles necessarily and actually traveled in providing a service. (NRS 258.125) Section 15 authorizes a board of county commissioners to provide by ordinance for a constable to charge and collect, at the option of the person paying the fee, a flat fee for those travel costs instead of a fee calculated on the basis of the miles traveled.

Section 9 of this bill authorizes a constable to accept payment of fees by credit card, debit card or the electronic transfer of money and authorizes a constable to charge and collect a convenience fee for the acceptance of such forms of payment under certain circumstances.

Existing law generally authorizes the sale of liquor only under certain circumstances and only by a person who holds the appropriate license issued by the Department of Taxation. (Chapter 369 of NRS) Sections 20-25 of this bill exempt from the licensure requirements of chapter 369 of NRS a sheriff or constable who sells or offers for sale liquor at a sale under execution. Sections 20-25 also provide that a person licensed under chapter 369 of NRS is not prohibited from purchasing liquor at such a sale under execution.

Senate Bill No. 401.

The following amendment was read.

Amendment No. 733.

AN ACT relating to public affairs; authorizing certain persons to file complaints relating to notaries public or document preparation services with the Secretary of State; revising provisions relating to the requirements for an application for appointment as a notary public or document preparation service; revising provisions relating to the advertising of services as a notary public or document preparation service; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes the Secretary of State to appoint notaries public. (NRS 240.010) In addition, existing law provides that it is unlawful for a person: (1) to represent themselves as a notary public if they have not been appointed by the Secretary of State; (2) to submit an application for appointment as a notary public that contains a material misrepresentation or omission of fact; and (3) if the person is a notary public, to use the term “notario” or “notario publico” on any advertisement if the person is not also an attorney licensed in this State. (NRS 240.010, 240.085) Existing law sets forth similar prohibitions with respect to a document preparation service. (NRS 240A.100, 240A.240, 240A.260)

Sections 8 and 13 of this bill authorize any person who is aware of a violation of existing law governing notaries public and document preparation services to file a complaint with the Secretary of State. Sections 9 and 11 of this bill require an applicant for appointment as a notary public or registration as a document preparation service to provide with his or her application a declaration under penalty of perjury stating that the applicant has never had an appointment as a notary public, or certificate or license as a document preparation service, as applicable, revoked or suspended in this State or any other state or territory. Section 10 of this bill adds the term “licenciado” to the list of terms prohibited to be used in an advertisement if a notary public is not also an attorney licensed in this State. Section 12 of this bill similarly prohibits document preparation services from using terms that may mislead a consumer into believing that a document preparation service is a licensed attorney, if such is not the case.

Senate Bill No. 419.
The following amendment was read.
Amendment No. 674.

AN ACT relating to persons with disabilities; creating the Nevada ABLE Savings Program as a qualified ABLE program under the federal Achieving a Better Life Experience Act of 2014; authorizing the creation of a program within the Aging and Disability Services Division of the Department of Health and Human Services to provide services of independent living and assistive technology for persons with disabilities who need independent living services; revising the terms of members of the Nevada Commission on Services for Persons with Disabilities; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Recently enacted federal law allows for the creation of tax-advantaged savings accounts for persons who have certain qualifying disabilities. Under the program, any person, including family members, may make a contribution to the account of a person with a qualified disability. Any interest or other growth in the value of the account and distributions taken from the account are tax free. The maximum amount that can be contributed tax free to the account of a qualified person is $14,000 per year. Distributions from the account may only be used to pay expenses related to living a life with a disability and may include such things as education, housing, transportation and employment training and support. Money in the account or distributions from the account do not affect the eligibility of a person for certain public benefits such as Social Security disability payments, Supplemental Nutrition Assistance Program benefits and Medicaid. To qualify for these benefits, the savings account into which contributions are made on behalf of a qualified person must be established and maintained by the qualified person’s state of residence. If a state chooses not to establish its own program, it may contract with another state that has adopted a qualified program. (Achieving a Better Life Experience Act of 2014, 26 U.S.C. § 529A) Sections 2-15 of this bill require the Aging and Disability Services Division of the Department of Health and Human Services, in cooperation with the State Treasurer, to establish the Nevada ABLE Savings Program as a qualified program pursuant to 26 U.S.C. § 529A.

Existing law creates the Aging and Disability Services Division within the Department of Health and Human Services and requires the Division to work with persons with disabilities, persons interested in matters relating to persons with disabilities and state and local governmental agencies to
develop and improve policies of this State concerning programs and services for persons with disabilities. (NRS 427A.040) Sections 18 and 19 of this bill authorize the Division to establish a program to provide services of independent living and assistive technology for a person with a disability who needs independent living services.

Existing law creates the Nevada Commission on Services for Persons with Disabilities, which consists of 11 members appointed by the Director of the Department of Health and Human Services. (NRS 427A.1211) Sections 21 and 22 of this bill make revisions to the terms of the members of the Commission to ensure that the terms of the members of the Commission are staggered.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Amendment No. 794.

AN ACT relating to persons with disabilities; creating the Nevada ABLE Savings Program as a qualified ABLE program under the federal Achieving a Better Life Experience Act of 2014; authorizing the creation of a program within the Aging and Disability Services Division of the Department of Health and Human Services to provide independent living services and assistive technology for persons with disabilities who need independent living services; revising the terms of members of the Nevada Commission on Services for Persons with Disabilities; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Recently enacted federal law allows for the creation of tax-advantaged savings accounts for persons who have certain qualifying disabilities. Under the program, any person, including family members, may make a contribution to the account of a person with a qualified disability. Any interest or other growth in the value of the account and distributions taken from the account are tax free. The maximum amount that can be contributed tax free to the account of a qualified person is $14,000 per year. Distributions
from the account may only be used to pay expenses related to living a life with a disability and may include such things as education, housing, transportation and employment training and support. Money in the account or distributions from the account do not affect the eligibility of a person for certain public benefits such as Social Security disability payments, Supplemental Nutrition Assistance Program benefits and Medicaid. To qualify for these benefits, the savings account into which contributions are made on behalf of a qualified person must be established and maintained by the qualified person’s state of residence. If a state chooses not to establish its own program, it may contract with another state that has adopted a qualified program. (Achieving a Better Life Experience Act of 2014, 26 U.S.C. § 529A) Sections 2-15 of this bill require the State Treasurer, in cooperation with the Aging and Disability Services Division of the Department of Health and Human Services, to establish or otherwise ensure the establishment of the Nevada ABLE Savings Program as a qualified program pursuant to 26 U.S.C. § 529A.

Existing law creates the Aging and Disability Services Division within the Department of Health and Human Services and requires the Division to work with persons with disabilities, persons interested in matters relating to persons with disabilities and state and local governmental agencies to develop and improve policies of this State concerning programs and services for persons with disabilities. (NRS 427A.040) Sections 18 and 19 of this bill authorize the Division to establish a program to provide independent living services and assistive technology for a person with a disability who needs independent living services.

Existing law creates the Nevada Commission on Services for Persons with Disabilities, which consists of 11 members appointed by the Director of the Department of Health and Human Services. (NRS 427A.1211) Sections 21 and 22 of this bill make revisions to the terms of the members of the Commission to ensure that the terms of the members of the Commission are staggered.

Senator Hardy moved that the Senate concur in the Assembly Amendment Nos. 674; 794 to Senate Bill No. 419.

Remarks by Senator Hardy:
Amendment No. 674 tells the State Treasurer that they may adopt regulations to allow for the ABLE Act which allows for people who are disabled to have a savings account and not have it count against their Medicaid or any or SSI, or any disability. Nor can it be used for any other purposes than what the person needs it to be such as living expenses and/or education.

Legislative Counsel’s Digest:
Under existing law, a conservation district may be organized as a political subdivision of the State, with various powers and duties regarding the conservation of natural resources within the district. (Chapter 548 of NRS)

In section 2 of this bill, the Legislature declares that conservation districts may be recognized as having special expertise regarding local conditions, conservation of renewable natural resources and the coordination of local programs which makes the districts suited to serve as [coordinating] cooperating agencies for the purposes of the federal National Environmental Policy Act (42 U.S.C. §§ 4321 et seq.) and to provide local government

Section 4 of this bill requires a board of county commissioners to impose an annual fee, not to exceed $25, on each parcel in a conservation district, if the imposition of the fee is approved at an election. Under section 5 of this bill, a board of county commissioners must submit to the voters the question of whether to impose the fee upon receipt of a petition signed by either a majority of the supervisors of the conservation district or at least 10 percent of the registered voters of the conservation district. Section 5.5 of this bill provides that the required election may be conducted at a mass meeting of electors held in a public meeting place within the conservation district. Under section 6 of this bill, the fee may not be increased, decreased or eliminated except according to the same procedures for imposing the fee. Sections 8 and 9 of this bill add the Forest Service of the United States Department of Agriculture and the Bureau of Land Management and the Fish and Wildlife Service of the United States Department of the Interior to the definitions of “United States” and “agencies of the United States” for the purposes of provisions regarding cooperation between conservation districts and those agencies of the United States.

In section 10 of this bill, the Legislature recognizes the importance of locally led efforts for the conservation of natural resources and pledges to strive to provide appropriations to conservation districts at levels comparable to the appropriations provided to similar districts in other western states.

Existing law authorizes the creation of weed control districts, which are governed by a board of directors appointed by the applicable board of county commissioners. (NRS 555.203, 555.207) Section 15 of this bill authorizes a board of county commissioners and the supervisors of a conservation district to enter into an agreement under which the supervisors of the conservation district serve, ex officio, as the directors of a weed control district that lies entirely within the conservation district. The supervisors must ensure that the money of the weed control district is expended only for the purposes of the statutory provisions relating to weed control districts.

Legislative Counsel’s Digest:

Under existing law, a conservation district may be organized as a political subdivision of the State, with various powers and duties regarding the conservation of natural resources within the district. (Chapter 548 of NRS)

(43 U.S.C. §§ 1701 et seq.)

Section 4 of this bill requires a board of county commissioners to impose an annual fee, not to exceed $25, on each parcel in a conservation district, if the imposition of the fee is approved at an election. Under section 5 of this

In section 10 of this bill, the Legislature recognizes the importance of locally led efforts for the conservation of natural resources and pledges to strive to provide appropriations to conservation districts at levels comparable to the appropriations provided to similar districts in other western states.

Existing law authorizes the creation of weed control districts, which are governed by a board of directors appointed by the applicable board of county commissioners. (NRS 555.203, 555.207) Section 15 of this bill authorizes a board of county commissioners and the supervisors of a conservation district to enter into an agreement under which the supervisors of the conservation district serve, ex officio, as the directors of a weed control district that lies entirely within the conservation district. Amendment No. 837.
SUMMARY—Revises provisions governing the admission of persons
with certain mental conditions to and the release of such persons from certain
facilities. (BDR 39-64)
AN ACT relating to mental health; expanding the list of persons
authorized to file an application for the emergency admission of a person
alleged to be a person with mental illness and a petition for the involuntary
court-ordered admission of such a person to certain facilities or programs;
expanding the list of persons authorized to complete certain certificates
concerning the mental condition of another under certain circumstances;
and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law defines “person with mental illness” as a person whose
capacity to exercise self-control, judgment and discretion in the conduct of
the person’s affairs and social relations or to care for his or her personal
needs is diminished, as a result of mental illness, to the extent that the person
presents a clear and present danger of harm to himself or herself or others.
(NRS 433A.115) Existing law authorizes certain persons to file an
application for the emergency admission of a person alleged to be a person
with mental illness to certain facilities. (NRS 433A.160) Section 1.5 of this
bill expands the list of persons who are authorized to file such an application
to include a physician assistant.
With certain exceptions, existing law requires an application for the
emergency admission of a person alleged to be a person with a mental illness
to be accompanied by a certificate of a psychiatrist or licensed psychologist
or, if neither is available, a physician, stating that the person has a mental
illness and, because of that mental illness, is likely to harm himself or herself
or others if (not admitted to certain facilities or programs) allowed his or her
liberty. (NRS 433A.170 [433A.001]) Section 1.7 of this bill also
authorizes a physician to complete the certificate regardless of whether a
psychiatrist or psychologist is available. If a person is in an emergency room
of a hospital, section 1.7 also authorizes a physician assistant under the
supervision of a psychiatrist, a clinical social worker with certain psychiatric
training and experience and an advanced practice registered nurse with
certain psychiatric training and experience to examine such a person and
complete such a certificate after conducting the examination. Existing law
further requires a psychiatrist, psychologist or physician to examine the
person before the person is admitted to a mental health facility or hospital on
an emergency basis and a psychiatrist to approve each such admission. (NRS
433A.160) These requirements remain.
Under existing law, a licensed physician on the medical staff of certain
facilities may release a person alleged to be a person with mental illness who
has been admitted on an emergency basis if a licensed physician on the
medical staff of the facility completes a certificate stating that the person admitted is not a person with a mental illness. (NRS 433A.195) Sections 2, 3, and 4 of this bill also authorize any physician, a psychiatrist, a physician assistant under the supervision of a psychiatrist, a psychologist, a clinical social worker with certain psychiatric training and experience, or an advanced practice registered nurse with certain psychiatric training and experience to examine a person alleged to be a person with mental illness in a hospital emergency room and complete such a certificate while still requiring a licensed physician on the medical staff of the facility to release the person.

Sections 4.2 and 4.7 of this bill require the State Board of Nursing and the Board of Examiners for Social Workers to adopt regulations prescribing the psychiatric training and experience necessary before an advanced practice registered nurse or clinical social worker, as applicable, may complete a certificate stating whether a person examined in a hospital emergency room has a mental illness that makes it likely that he or she would harm himself or herself or others if allowed his or her liberty.

Existing law prohibits a person who is related by blood or marriage within the first degree of consanguinity or affinity to a person alleged to be a person with mental illness from completing: (1) an application for the emergency admission of such a person to a mental health facility; (2) a certificate stating that a person has a mental illness and, because of that mental illness, is likely to harm himself or herself or others if not admitted to a mental health facility on an emergency basis; or (3) a certificate stating that a person is not a person with mental illness. (NRS 433A.197) Section 3 also prohibits a person who is related by blood or marriage within the second degree of consanguinity or affinity to a person alleged to be a person with mental illness from completing such an application or certificate.

Existing law authorizes the spouse or a parent, adult child or legal guardian of a person and certain other persons to file a petition for the involuntary court-ordered admission of a person alleged to be a person with mental illness to a mental health facility or to a program of community-based or outpatient services. (NRS 433A.200) Section 4 further authorizes a physician assistant to file such a petition.

The following amendment was read.
Amendment No. 904.
SUMMARY—Revises provisions relating to certain postconviction petitions for writs of habeas corpus. (BDR 3-156)

AN ACT relating to criminal procedure; requiring an incarcerated person to exhaust all available administrative remedies before filing a postconviction
petition for a writ of habeas corpus challenging the computation of time the person has served pursuant to a judgment of conviction; revising provisions concerning the withdrawal of certain pleas after sentence is imposed or imposition of sentence is suspended; requiring a court to dismiss [such] a postconviction petition for a writ of habeas corpus upon determining that the petitioner has not exhausted all available administrative remedies; requiring the Department of Corrections to establish procedures for the expedited resolution of a challenge to the computation of time that an offender has served under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes a person convicted of a crime and under sentence of death or imprisonment who claims that the time the person has served pursuant to the judgment of conviction has been improperly computed to file a postconviction petition for a writ of habeas corpus to challenge the computation of time that the person has served. (NRS 34.724) Section 1 of this bill requires a person to exhaust all available administrative remedies available for resolving a challenge to the computation of time that he or she has served as set forth in regulations adopted by the Department of Corrections before the person may file such a petition. Section 2 of this bill requires a court to dismiss such a petition if the court determines that the petitioner has not exhausted all available administrative remedies. Section 2.5 of this bill requires the Department to establish procedures for the expedited resolution of a challenge to the computation of time that an offender has served that is brought by the offender within 180 days before the offender’s projected discharge date as determined by the Department. Section 3 of this bill provides that the amendatory provisions of this bill do not apply to a postconviction petition for a writ of habeas corpus which challenges the computation of time that a petitioner has served that is filed on or before the effective date of this bill.

Existing law also authorizes a person convicted of a crime and under sentence of death or imprisonment to file a postconviction petition for a writ of habeas corpus to challenge the conviction or sentence as having been obtained or imposed in violation of state law or a constitutional right. Existing law provides that, with the exception of a direct appeal or a remedy which is incident to the proceedings in the trial court, the petition for a writ of habeas corpus replaces all other common law, statutory or other remedies which have been available for challenging the validity of the conviction or sentence and must be used exclusively in place of them. (NRS 34.724) Existing law also authorizes a criminal defendant to withdraw a plea of guilty, guilty but mentally ill or nolo contendere at any time before sentencing, and also permits the withdrawal of such a plea after sentencing, but only to correct a manifest injustice. (NRS 176.165)

In 2000, the Nevada Supreme Court held that a postconviction motion to withdraw a guilty plea to correct a manifest injustice was a remedy incident
to the proceedings in the trial court. Accordingly, the motion had not been replaced by the petition for a writ of habeas corpus and was not subject to the various procedural requirements that govern such petitions. (Hart v. State, 116 Nev. 558 (2000)) The Nevada Supreme Court recently overruled Hart. The Court held that a postconviction petition for a writ of habeas corpus provides the exclusive remedy for a challenge to the validity of a guilty plea made after sentencing for persons in custody on the conviction being challenged and overruled Hart to the extent that it concluded otherwise. (Harris v. State, 130 Nev. Adv. Op. 47, 329 P.3d 619 (2014))

Section 1 expressly provides that a motion to withdraw a plea of guilty, guilty but mentally ill or nolo contendere pursuant to NRS 176.165 that is made after sentence is imposed or imposition of sentence is suspended is a remedy which is incident to the proceedings in the trial court.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Sec. 1. NRS 34.724 is hereby amended to read as follows:

34.724 1. [Any] Except as otherwise provided in subsection 3, any person convicted of a crime and under sentence of death or imprisonment who claims that the conviction was obtained, or that the sentence was imposed, in violation of the Constitution of the United States or the Constitution or laws of this State, or who claims that the time the person has served pursuant to the judgment of conviction has been improperly computed, may, without paying a filing fee, file a postconviction petition for a writ of habeas corpus to obtain relief from the conviction or sentence or to challenge the computation of time that the person has served.

2. Such a petition:
   (a) Is not a substitute for and does not affect any remedies which are incident to the proceedings in the trial court or the remedy of direct review of the sentence or conviction.
   (b) Comprehends and takes the place of all other common-law, statutory or other remedies which have been available for challenging the validity of the conviction or sentence, and must be used exclusively in place of them.
   [(c) Is the only remedy available to an incarcerated person to challenge]

3. Before a person may file a petition pursuant to this section that challenges the computation of time that the person has served pursuant to a judgment of conviction , the person must exhaust all administrative remedies available for resolving a challenge to the computation of time that the person has served as set forth in regulations adopted by the Department of Corrections.

4. For the purposes of this section, a motion to withdraw a plea of guilty, guilty but mentally ill or nolo contendere pursuant to NRS 176.165 that is made after sentence is imposed or imposition of sentence is suspended is a remedy which is incident to the proceedings in the trial court.

Sec. 2. NRS 34.810 is hereby amended to read as follows:

34.810 1. The court shall dismiss a petition if the court determines that:
(a) The petitioner’s conviction was upon a plea of guilty or guilty but mentally ill and the petition is not based upon an allegation that the plea was involuntarily or unknowingly entered or that the plea was entered without effective assistance of counsel.

(b) The petitioner’s conviction was the result of a trial and the grounds for the petition could have been:

1. Presented to the trial court;
2. Raised in a direct appeal or a prior petition for a writ of habeas corpus or postconviction relief; or
3. Raised in any other proceeding that the petitioner has taken to secure relief from the petitioner’s conviction and sentence,

unless the court finds both cause for the failure to present the grounds and actual prejudice to the petitioner.

2. A second or successive petition must be dismissed if the judge or justice determines that it fails to allege new or different grounds for relief and that the prior determination was on the merits or, if new and different grounds are alleged, the judge or justice finds that the failure of the petitioner to assert those grounds in a prior petition constituted an abuse of the writ.

3. Pursuant to subsections 1 and 2, the petitioner has the burden of pleading and proving specific facts that demonstrate:

(a) Good cause for the petitioner’s failure to present the claim or for presenting the claim again; and
(b) Actual prejudice to the petitioner.

The petitioner shall include in the petition all prior proceedings in which the petitioner challenged the same conviction or sentence.

4. The court shall dismiss a petition that challenges the computation of time which a petitioner has served pursuant to a judgment of conviction if the court determines that the petitioner has not exhausted all administrative remedies available for resolving a challenge to the computation of time which the petitioner has served as required pursuant to subsection 3 of NRS 34.724.

5. The court may dismiss a petition that fails to include any prior proceedings of which the court has knowledge through the record of the court or through the pleadings submitted by the respondent.

Sec. 2.5. Chapter 209 of NRS is hereby amended by adding thereto a new section to read as follows:

The Department shall adopt regulations to establish procedures for the expedited resolution of a challenge to the computation of time that an offender has served that is brought by the offender within 180 days before the offender’s projected discharge date as determined by the Department.

Sec. 2.7. NRS 209.432 is hereby amended to read as follows:

209.432 As used in NRS 209.432 to 209.451, inclusive, and section 2.5 of this act, unless the context otherwise requires:

1. “Offender” includes:
(a) A person who is convicted of a felony under the laws of this State and sentenced, ordered or otherwise assigned to serve a term of residential confinement.

(b) A person who is convicted of a felony under the laws of this State and assigned to the custody of the Division of Parole and Probation of the Department of Public Safety pursuant to NRS 209.4886 or 209.4888.

2. "Residential confinement" means the confinement of a person convicted of a felony to his or her place of residence under the terms and conditions established pursuant to specific statute. The term does not include any confinement ordered pursuant to NRS 176A.530 to 176A.560, inclusive, 176A.660 to 176A.690, inclusive, 213.15105, 213.15193 or 213.152 to 213.1528, inclusive.

Sec. 3. 1. The amendatory provisions of this act do not apply to a postconviction petition for a writ of habeas corpus that challenges the computation of time which a petitioner has served pursuant to a judgment of conviction that is filed on or before the effective date of this act.

2. The amendatory provisions of subsection 4 of section 1 of this act apply to any motion to withdraw a plea of guilty, guilty but mentally ill or nolo contendere pursuant to NRS 176.165 that is made after sentence is imposed or imposition of sentence is suspended that is pending on or after June 12, 2014.

Sec. 4. This act becomes effective upon passage and approval.

Senate Bill No. 376.

The following amendment was read.

Amendment No. 810.

AN ACT relating to motor carriers; revising provisions concerning an appeal of certain decisions of the Nevada Transportation Authority; revising provisions concerning an appeal of a final decision of the Taxicab Authority; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, any person who is aggrieved by a final decision of the Nevada Transportation Authority in an administrative hearing is entitled to judicial review. (NRS 233B.130, 706.2885, 706.771, 706.775) Section 1 of this bill provides that any decision or action by the Nevada Transportation Authority which has the effect of substantially impairing, restricting or rescinding the ability or authorization of a fully regulated carrier to operate in this State or which refuses an applicant the ability or authorization to operate
in this State as a fully regulated carrier is a final decision, and may be appealed directly to a court of competent jurisdiction for judicial review.

The Nevada Transportation Authority has regulatory authority over taxicab motor carriers in any county whose population is less than 700,000 (currently all counties except for Clark). (NRS 706.151, 706.881) In any county whose population is 700,000 or more (currently Clark County), the Taxicab Authority has regulatory authority over taxicab motor carriers. (NRS 706.881) Any person who is aggrieved by a final decision of the Taxicab Authority must appeal to the Nevada Transportation Authority. (NRS 706.8819) Sections 3 and 8 of this bill provide that any person aggrieved by a final decision of the Taxicab Authority is entitled to judicial review, rather than requiring such a person to appeal to the Nevada Transportation Authority.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 706 of NRS is hereby amended by adding thereto a new section to read as follows:

Any decision or action by the Authority which:
1. Has the effect of substantially impairing, restricting or rescinding the ability or authorization of a fully regulated motor carrier to operate in this State; or
2. Refuses an applicant the ability or authorization to operate as a fully regulated motor carrier in this State,

is a final decision for the purpose of chapter 233B of NRS and may be appealed directly to a court of competent jurisdiction for judicial review.

Sec. 2. NRS 706.011 is hereby amended to read as follows:

706.011 As used in NRS 706.011 to 706.791, inclusive, and section 1 of this act, unless the context otherwise requires, the words and terms defined in NRS 706.013 to 706.146, inclusive, have the meanings ascribed to them in those sections.

Sec. 3. NRS 706.166 is hereby amended to read as follows:

706.166 The Authority shall:
1. Subject to the limitation provided in NRS 706.168 and to the extent provided in this chapter, supervise and regulate:
   (a) Every fully regulated carrier and broker of regulated services in this State in all matters directly related to those activities of the motor carrier and broker actually necessary for the transportation of persons or property, including the handling and storage of that property, over and along the highways.
   (b) Every operator of a tow car concerning the rates and charges assessed for towing services performed without the prior consent of the operator of the vehicle or the person authorized by the owner to operate the vehicle and pursuant to the provisions of NRS 706.011 to 706.791, inclusive. and section 1 of this act.
2. Supervise and regulate the storage of household goods and effects in warehouses and the operation and maintenance of such warehouses in accordance with the provisions of this chapter and chapter 712 of NRS.

3. Enforce the standards of safety applicable to the employees, equipment, facilities and operations of those common and contract carriers subject to the Authority or the Department by:
   (a) Providing training in safety;
   (b) Reviewing and observing the programs or inspections of the carrier relating to safety; and
   (c) Conducting inspections relating to safety at the operating terminals of the carrier.

4. To carry out the policies expressed in NRS 706.151, adopt regulations providing for agreements between two or more fully regulated carriers or two or more operators of tow cars relating to:
   (a) Fares of fully regulated carriers;
   (b) All rates of fully regulated carriers and rates of operators of tow cars for towing services performed without the prior consent of the owner of the vehicle or the person authorized by the owner to operate the vehicle;
   (c) Classifications;
   (d) Divisions;
   (e) Allowances; and
   (f) All charges of fully regulated carriers and charges of operators of tow cars for towing services performed without the prior consent of the owner of the vehicle or the person authorized by the owner to operate the vehicle, including charges between carriers and compensation paid or received for the use of facilities and equipment.

5. These regulations may not provide for collective agreements which restrain any party from taking free and independent action.

[5. Review decisions of the Taxicab Authority appealed to the Authority pursuant to NRS 706.8819.]

Sec. 4. NRS 706.2885 is hereby amended to read as follows:

706.2885 1. A certificate of public convenience and necessity, permit or license issued in accordance with this chapter is not a franchise and may be revoked.

2. The Authority may at any time, for good cause shown, after investigation and hearing and upon 5 days’ written notice to the grantee, suspend any certificate, permit or license issued in accordance with the provisions of NRS 706.011 to 706.791, inclusive, and section 1 of this act for a period not to exceed 60 days.

3. Upon receipt of a written complaint or on its own motion, the Authority may, after investigation and hearing, revoke any certificate, permit or license. If service of the notice required by subsection 2 cannot be made or if the grantee relinquishes the grantee’s interest in the certificate, permit or license by so notifying the Authority in writing, the Authority may revoke the certificate, permit or license without a hearing.
4. Except as otherwise provided in section 1 of this act, the proceedings thereafter are governed by the provisions of chapter 233B of NRS. Sec. 5. NRS 706.321 is hereby amended to read as follows:

706.321 1. Except as otherwise provided in subsection 2, every common or contract motor carrier shall file with the Authority:
   (a) Within a time to be fixed by the Authority, schedules and tariffs that must:
      (1) Be open to public inspection; and
      (2) Include all rates, fares and charges which the carrier has established and which are in force at the time of filing for any service performed in connection therewith by any carrier controlled and operated by it.
   (b) As a part of that schedule, all regulations of the carrier that in any manner affect the rates or fares charged or to be charged for any service and all regulations of the carrier that the carrier has adopted to comply with the provisions of NRS 706.011 to 706.791, inclusive, and section 1 of this act.

2. Every operator of a tow car shall file with the Authority:
   (a) Within a time to be fixed by the Authority, schedules and tariffs that must:
      (1) Be open to public inspection; and
      (2) Include all rates and charges for towing services performed without the prior consent of the owner of the vehicle or the person authorized by the owner to operate the vehicle which the operator has established and which are in force at the time of filing.
   (b) As a part of that schedule, all regulations of the operator of the tow car which in any manner affect the rates charged or to be charged for towing services performed without the prior consent of the owner of the vehicle or the person authorized by the owner to operate the vehicle and all regulations of the operator of the tow car that the operator has adopted to comply with the provisions of NRS 706.011 to 706.791, inclusive, and section 1 of this act.

3. No changes may be made in any schedule, including schedules of joint rates, or in the regulations affecting any rates or charges, except upon 30 days’ notice to the Authority, and all those changes must be plainly indicated on any new schedules filed in lieu thereof 30 days before the time they are to take effect. The Authority, upon application of any carrier, may prescribe a shorter time within which changes may be made. The 30 days’ notice is not applicable when the carrier gives written notice to the Authority 10 days before the effective date of its participation in a tariff bureau’s rates and tariffs, provided the rates and tariffs have been previously filed with and approved by the Authority.

4. The Authority may at any time, upon its own motion, investigate any of the rates, fares, charges, regulations, practices and services filed pursuant
to this section and, after hearing, by order, make such changes as may be just and reasonable.

5. The Authority may dispense with the hearing on any change requested in rates, fares, charges, regulations, practices or service filed pursuant to this section.

6. All rates, fares, charges, classifications and joint rates, regulations, practices and services fixed by the Authority are in force, and are prima facie lawful, from the date of the order until changed or modified by the Authority.

7. All regulations, practices and service prescribed by the Authority must be enforced and are prima facie reasonable unless suspended or found otherwise in an action brought for the purpose, or until changed or modified by the Authority itself upon satisfactory showing made.

Sec. 6. NRS 706.771 is hereby amended to read as follows:

706.771  1. Any person or any agent or employee thereof, who violates any provision of this chapter, any lawful regulation of the Authority or any lawful tariff on file with the Authority or who fails, neglects or refuses to obey any lawful order of the Authority or any court order for whose violation a civil penalty is not otherwise prescribed is liable to a penalty of not more than $10,000 for any violation. The penalty may be recovered in a civil action upon the complaint of the Authority in any court of competent jurisdiction.

2. If the Authority does not bring an action to recover the penalty prescribed by subsection 1, the Authority may impose an administrative fine of not more than $10,000 for any violation of a provision of this chapter or any rule, regulation or order adopted or issued by the Authority or Department pursuant to the provisions of this chapter. Except as otherwise provided in section 1 of this act, a fine imposed by the Authority may be recovered by the Authority only after notice is given and a hearing is held pursuant to the provisions of chapter 233B of NRS.

3. All administrative fines imposed and collected by the Authority pursuant to subsection 2 are payable to the State Treasurer and must be credited to a separate account to be used by the Authority to enforce the provisions of this chapter.

4. A penalty or fine recovered pursuant to this section is not a cost of service for purposes of rate making.

Sec. 7. NRS 706.775 is hereby amended to read as follows:

706.775  1. In addition to any criminal penalty, any person who violates any provision of this chapter, or any lawful regulation, rule or order adopted or issued by the Department pursuant thereto is liable to the Department for an administrative fine as follows:

(a) For a first offense, a fine of $500.

(b) For a second offense, a fine of $1,000 or the total cost paid by the person for registration fees pursuant to NRS 482.480 and 482.482 and governmental services taxes pursuant to NRS 371.050 during the calendar
year in which the offense was committed, whichever is greater, except that the amount of the fine must not exceed $2,500.

(c) For a third offense, a fine of $1,500 or the total cost paid by the person for registration fees pursuant to NRS 482.480 and 482.482 and governmental services taxes pursuant to NRS 371.050 during the calendar year in which the offense was committed for the vehicle in which the offense was committed, whichever is greater, except that the amount of the fine must not exceed $2,500.

(d) For a fourth and any subsequent offense, a fine of $2,500.

2. Except as otherwise provided in section 1 of this act, the Department shall afford to any person fined pursuant to subsection 1 an opportunity for a hearing pursuant to the provisions of NRS 233B.121.

3. All administrative fines collected by the Department pursuant to subsection 1 must be deposited with the State Treasurer to the credit of the State Highway Fund.

Sec. 8. NRS 706.8819 is hereby amended to read as follows:
