

Assembly Bill No. 252—Assemblymen Titus, Wheeler, Oscarson, Ellison; Edwards, Hambrick, Hansen, Kramer, Krasner, Marchant, McArthur, Pickard, Tolles and Woodbury

CHAPTER.....

AN ACT relating to peace officers; authorizing a peace officer or retired peace officer to request the display of an alternate address on his or her driver's license, identification card, commercial driver's license or commercial learner's permit; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Department of Motor Vehicles to adopt regulations prescribing the information that must be contained on a driver's license. (NRS 483.340) Pursuant to that requirement, existing regulations require that a driver's license issued by the Department must contain the address of principal residence of the licensee. (NAC 483.040) **Section 2** of this bill authorizes a peace officer or a retired peace officer applying for a driver's license or renewing a driver's license to request from the Department a driver's license that displays an alternate address instead of the address of principal residence. A peace officer must use as an alternate address the address of his or her employer, and a retired peace officer must provide an alternate address at the time he or she submits the request. The peace officer or retired peace officer must provide the Department with his or her address of principal residence or mailing address, if different from the address of principal residence, for the purposes of Department records and mailing.

Existing law also requires the Department to adopt regulations prescribing the information that must be contained on an identification card. (NRS 483.840) **Section 3** of this bill authorizes a peace officer or a retired peace officer applying for an identification card or renewing an identification card to request from the Department an identification card that displays an alternate address instead of the address of principal residence, in the same manner as for a driver's license in **section 2**.

Existing law further requires the Department to adopt regulations providing for the issuance of commercial driver's licenses. (NRS 483.908) **Section 4** of this bill authorizes a peace officer or a retired peace officer applying for or renewing a commercial driver's license or a commercial learner's permit to request from the Department a commercial driver's license or a commercial learner's permit that displays an alternate address instead of the address of principal residence, in the same manner as for a driver's license or an identification card in **sections 2 and 3**.

Sections 5-7 of this bill make conforming changes.
