

CHAPTER.....

AN ACT relating to governmental financial administration; prohibiting certain governmental entities, under certain circumstances, from contracting with companies that boycott Israel; requiring the Public Employees' Retirement Board to identify and prepare a report concerning investments of money from the Public Employees' Retirement System in certain companies that boycott Israel; requiring the State Treasurer to prepare similar reports with respect to investments of money from public funds administered by the State Treasurer; limiting the ability of the State Treasurer, under certain circumstances, to invest in companies that boycott Israel; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes contracts between governing bodies of a local government or state agencies within the Executive Branch of the State Government and private contractors and sets forth requirements for the procurement of goods and services by those governing bodies and state agencies. (Chapters 332 and 333 of NRS) **Sections 5 and 11** of this bill prohibit the governing body of a local government and the Administrator of the Purchasing Division of the Department of Administration from entering into certain contracts with a company unless the contract includes a written certification that the company is not engaged in, and agrees for the duration of the contract, not to engage in, a boycott of Israel.

Sections 20 and 30 of this bill define a "scrutinized company" as a company that engages in a boycott of Israel. **Section 31** of this bill requires the State Treasurer to identify scrutinized companies in which a public fund administered by the State Treasurer has either direct or indirect holdings. **Section 32** of this bill further requires the State Treasurer to prepare an annual report of investment of money from such a public fund in those scrutinized companies. The report must be submitted to the Governor and the Legislature on or before February 1 of each year. **Section 33** of this bill requires, with certain exceptions, that the State Treasurer: (1) divest all direct holdings of scrutinized companies from the assets under his or her management; and (2) request the manager of the indirect holdings of a public fund administered by the State Treasurer to consider divesting from such a scrutinized company. The State Treasurer is not required to take any action described in **section 33** unless he or she determines that the action is consistent with the fiduciary responsibilities of the State Treasurer.

Sections 21 and 22 of this bill similarly require the Public Employees' Retirement Board to identify scrutinized companies and to prepare an annual report of investment of money from the Public Employees' Retirement System in those scrutinized companies. However, the identification and report of such scrutinized companies by the Board only applies to companies in which the System has direct holdings.

WHEREAS, The Nevada Legislature finds and declares that boycotts and related tactics have become a tool of economic warfare that threaten the sovereignty and security of key allies and trade partners of the United States; and

WHEREAS, The State of Israel is the most prominent target of such boycott activity, beginning with the Arab League Boycott adopted in 1945, even before Israel’s declaration of independence as the reestablished national state of the Jewish people; and

WHEREAS, Companies that refuse to deal with United States trade partners such as Israel, or entities that do business with or in such countries, make discriminatory decisions on the basis of national origin that impair those companies’ commercial soundness; and

WHEREAS, It is the public policy of the United States, as enshrined in several federal acts, including 50 U.S.C. § 4607, to oppose such boycotts, and Congress has concluded as a matter of national trade policy that cooperation with Israel materially benefits United States companies and improves American competitiveness; and

WHEREAS, Israel in particular is known for its dynamic and innovative approach in many business sectors, and a company’s decision to discriminate against Israel, Israeli entities or entities that do business with Israel or in Israel is an unsound business practice making the company an unduly risky contracting partner or vehicle for investment; and

WHEREAS, The State of Nevada seeks to implement the policy proposed in H.R. 825, which is pending before the 114th Session of Congress, of “examining a company’s promotion or compliance with unsanctioned boycotts, divestment from or sanctions against Israel as part of its consideration awarding grants and contracts and supports the divestment of State assets from companies that support or promote actions to boycott, divest from, or sanction Israel”; now, therefore,
