

LEGISLATIVE REVIEW OF ADOPTED REGULATIONS--NRS 233B.066
Informational Statement
LCB File No. R094-15

1. A clear and concise explanation of the need for the adopted regulation.

One purpose of this action is to update the language relative to a number of fuels, simplifying language and updating prices for the purchase of specifications. A second purpose is to clarify the dispenser labeling for diesel fuel.

2. Description of how public comment was solicited, a summary of public response, and an explanation of how other interested persons may obtain a copy of the summary.

Copies of the proposed regulations, notices of workshop and notices of intent to act upon the regulation were sent by U.S. mail and email to persons who were known to have an interest in the subject of fuel regulations, as well as any persons who had specifically requested such notice. These documents were also made available at the website of the Nevada Department of Agriculture (NDA) www.agri.nv.gov, mailed to all county libraries in Nevada and posted at the following locations:

5. **A description of how comment was solicited from affected businesses, a summary of their response and an explanation of how other interested persons may obtain a copy of the summary.**

Among the stakeholders who were contacted about the changes proposed in LCB File R094-15 were: Regulatory Affairs Officers with refiners; the Western States Petroleum Association (WSPA), which represents the larger refiners and retailers, as well as WSPA's Nevada representative; the Nevada representative of the Petroleum Marketers Association, which represents smaller retailers; and a representative of the Retail Association of Nevada.

There were no comments submitted either in person or in writing for any of the changes and updates within R094-15.

6. **If the regulation was adopted without changing any part of the proposed regulation, a summary of the reasons for adopting the regulation without change.**

Does not apply.

7. **The estimated economic effect of the regulation on the business which it is to regulate and on the public.**

(a) **Estimated economic effect on the businesses which they are to regulate.**

(b) **Estimated economic effect on the public which they are to regulate.**

The updating of language will be invisible to business, having neither a beneficial or adverse effect; the diesel dispenser labeling section will have little effect on business, but that effect will be beneficial.

The updating of language will be invisible to the public as well, having neither a beneficial or adverse effect; the diesel dispenser labeling section will have little to no effect on the public, and any effect will be neither beneficial nor adverse.

8. **The estimated cost to the agency for enforcement of the proposed regulation:**

Does not apply.

9. **A description of any regulations of other State or governmental agencies which the regulation overlaps or duplicates and a statement explaining why the duplication or**

overlap is necessary. If the regulation overlaps or duplicates a federal regulation, the name of the regulating federal agency.

Does not apply.

- 10. If the regulation includes provisions that are more stringent than a federal regulation that regulates the same activity, a summary of such provisions.**

Does not apply.

- 11. If the regulation provides a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used.**

Does not apply.
