

Senate Bill No. 237—Senators Lee, Hardy and Beers

Joint Sponsor: Assemblyman Settlemeyer

CHAPTER.....

AN ACT relating to concealed firearms; authorizing a person who holds a permit to carry a concealed firearm issued by another state to carry a concealed firearm in this State under certain circumstances; revising various other provisions governing permits to carry concealed firearms; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law allows a person who is not a resident of the State of Nevada to apply to the sheriff of any county in this State for a permit to carry a concealed firearm in this State. (NRS 202.3657) **Section 2** of this bill allows a person who is not a resident of this State to carry a concealed firearm in this State if the person has a permit to carry a concealed firearm issued by a state included in the list prepared by the Department of Public Safety pursuant to **section 3** of this bill. In addition, a person who becomes a resident of this State and who possesses a permit issued by a state whose permits are recognized in this State may not carry a concealed firearm unless the person has been issued a permit from the sheriff of the county in which he resides within 60 days of becoming a resident of this State.

Section 3 of this bill requires the Department to prepare a list of states which have been determined, on or before July 1 of each year: (1) to have requirements for the issuance of a permit to carry a concealed firearm that are substantially similar to or more stringent than the requirements of this State; and (2) to have an electronic database which identifies each individual who holds a valid permit to carry a concealed firearm issued by the state and which a law enforcement officer of this State may access at any time. A state must not be included in the list unless the Nevada Sheriffs’ and Chiefs’ Association agrees with the Department that the state should be included in the list.

Under existing law, a person may obtain a permit to carry in a concealed manner one or more firearms of a specific make, model and caliber if the person meets certain requirements. (NRS 202.3657, 202.366) **Section 5** of this bill revises the manner in which a person may apply for a permit to carry a firearm in a concealed manner so that the person is only required to list on an application each specific semiautomatic firearm to which the permit will pertain, but may receive a permit for all revolvers owned by him without listing each revolver specifically. Similarly, **sections 5 and 6** of this bill provide that the permit issued will include a statement as to whether the permit authorizes a person to carry revolvers in a concealed manner. In addition, if the permit authorizes a person to carry any semiautomatic firearm in a concealed manner, the make, model and caliber of each semiautomatic firearm to which the permit pertains will be listed on the permit.

Existing law provides for the expiration of a permit to carry a concealed firearm. If the holder of the permit is a resident of this State, the permit expires on the fifth anniversary of the birthday of the holder which is nearest to the date of issuance or renewal. If the holder is a resident of another state, the permit expires on the third anniversary of the birthday of the holder which is nearest to the date of issuance or renewal. (NRS 202.366) **Section 6** of this bill provides that all permits to carry a concealed firearm expire 5 years after the date of issuance.

Section 7 of this bill revises existing law so that for the renewal of a permit to carry a concealed firearm a person is required to demonstrate competence with: (1) a revolver, if the permit authorizes the person to carry revolvers; (2) each semiautomatic firearm to which the application pertains, if the permit authorizes the person to carry any semiautomatic firearm; or (3) a revolver and each semiautomatic firearm to which the permit pertains, if the permit authorizes the person to carry both revolvers and specific semiautomatic firearms. (NRS 202.3677)
