ASSEMBLY JOINT RESOLUTION—Proposing to amend the Nevada Constitution to require that an initiative petition which would create, generate or increase any public revenue in any form receive not less than a certain percentage of affirmative votes for approval at an election.

Legislative Counsel's Digest:

The Nevada Constitution currently provides that an initiative petition which proposes a statute or an amendment to a statute must, after verification by the Secretary of State of the number of signatures affixed to the petition, be transmitted to the Legislature, which may enact or reject the statute or amendment or take no action thereon. If the statute or amendment is rejected by the Legislature or if no action is taken thereon within 40 days, the Secretary of State is required to submit the question of approval or disapproval of the statute or amendment to a vote of the voters at the next succeeding general election. If a majority of the voters voting on the question at the election votes to approve the statute or amendment, it becomes law and takes effect upon completion of the canvass of votes by the Supreme Court. (Nev. Const. Art. 19, § 2)

This resolution proposes an amendment to the Nevada Constitution to provide that if an initiative petition proposes a statute, an amendment to a statute, the repeal of a statute or an amendment to the Nevada Constitution which would create, generate or increase any public revenue in any form, including, but not limited to, taxes, fees, assessments and rates, or increases in the computation bases for taxes, fees, assessments and rates, the approval of the petition requires the affirmative vote of not fewer than two-thirds of the voters voting on the question at each election required for the petition. If greater than one-third of the voters voting on

20 the question at any such election vote to disapprove the petition, no further action
21 may be taken on the petition.

1 RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF
2 NEVADA, JOINTLY, That a new section, designated Section 7, be
3 added to Article 19 of the Nevada Constitution to read as follows:

4 *Sec. 7. If an initiative petition proposes a statute, an
5 amendment to a statute, the repeal of a statute or an
6 amendment to this Constitution which would create,
7 generate or increase any public revenue in any form,
8 including, but not limited to, taxes, fees, assessments and
9 rates, or increases in the computation bases for taxes, fees,
10 assessments and rates, the petition requires an affirmative
11 vote of not fewer than two-thirds of the voters voting on the
12 question to approve the petition at each election required for
13 the petition. If greater than one-third of the voters voting on
14 the question at any such election vote disapproval of the
15 petition, no further action shall be taken on the petition.*

17 RESOLVED, That Section 2 of Article 19 of the Nevada
18 Constitution be amended to read as follows:

19 Sec. 2. 1. Notwithstanding the provisions of Section 1
20 of Article 4 of this Constitution, but subject to the limitations
21 of **[Section 6] Sections 6 and 7** of this Article, the people
22 reserve to themselves the power to propose, by initiative
23 petition, statutes and amendments to statutes and amendments
24 to this Constitution, and to enact or reject them at the polls.

25 2. An initiative petition shall be in the form required by
26 Section 3 of this Article and shall be proposed by a number of
27 registered voters equal to 10 percent or more of the number of
28 voters who voted at the last preceding general election in not
29 less than 75 percent of the counties in the State, but the total
30 number of registered voters signing the initiative petition
31 shall be equal to 10 percent or more of the voters who voted
32 in the entire State at the last preceding general election.

33 3. If the initiative petition proposes a statute or an
34 amendment to a statute, the person who intends to circulate it
35 shall file a copy with the Secretary of State before beginning
36 circulation and not earlier than January 1 of the year
37 preceding the year in which a regular session of the
38 Legislature is held. After its circulation, it shall be filed with
39 the Secretary of State not less than 30 days prior to any
40 regular session of the Legislature. The circulation of the
41 petition shall cease on the day the petition is filed with the

Secretary of State or such other date as may be prescribed for the verification of the number of signatures affixed to the petition, whichever is earliest. The Secretary of State shall transmit such petition to the Legislature as soon as the Legislature convenes and organizes. The petition shall take precedence over all other measures except appropriation bills, and the statute or amendment to a statute proposed thereby shall be enacted or rejected by the Legislature without change or amendment within 40 days. If the proposed statute or amendment to a statute is enacted by the Legislature and approved by the Governor in the same manner as other statutes are enacted, such statute or amendment to a statute shall become law, but shall be subject to referendum petition as provided in Section 1 of this Article. If the statute or amendment to a statute is rejected by the Legislature, or if no action is taken thereon within 40 days, the Secretary of State shall submit the question of approval or disapproval of such statute or amendment to a statute to a vote of the voters at the next succeeding general election. ~~If~~ Except as otherwise provided in Section 7 of this Article, if a majority of the voters voting on such question at such election votes approval of such statute or amendment to a statute, it shall become law and take effect upon completion of the canvass of votes by the Supreme Court. An initiative measure so approved by the voters shall not be amended, annulled, repealed, set aside or suspended by the Legislature within 3 years from the date it takes effect. ~~If~~ Except as otherwise provided in Section 7 of this Article, if a majority of such voters votes disapproval of such statute or amendment to a statute, no further action shall be taken on such petition. If the Legislature rejects such proposed statute or amendment, the Governor may recommend to the Legislature and the Legislature may propose a different measure on the same subject, in which event, after such different measure has been approved by the Governor, the question of approval or disapproval of each measure shall be submitted by the Secretary of State to a vote of the voters at the next succeeding general election. If *each of* the conflicting provisions submitted to the voters ~~are both~~ is approved by ~~a majority of~~ the *number of* voters voting on ~~such measures,~~ the measure as required by this Constitution, the measure which receives the largest number of affirmative votes shall thereupon become law. If at the session of the Legislature to which an initiative petition proposing an amendment to a statute is presented which the Legislature rejects or upon which it takes no action, the

1 Legislature amends the statute which the petition proposes to
2 amend in a respect which does not conflict in substance with
3 the proposed amendment, the Secretary of State in submitting
4 the statute to the voters for approval or disapproval of the
5 proposed amendment shall include the amendment made by
6 the Legislature.

7 4. If the initiative petition proposes an amendment to the
8 Constitution, the person who intends to circulate it shall file a
9 copy with the Secretary of State before beginning circulation
10 and not earlier than September 1 of the year before the year in
11 which the election is to be held. After its circulation it shall
12 be filed with the Secretary of State not less than 90 days
13 before any regular general election at which the question of
14 approval or disapproval of such amendment may be voted
15 upon by the voters of the entire State. The circulation of the
16 petition shall cease on the day the petition is filed with the
17 Secretary of State or such other date as may be prescribed for
18 the verification of the number of signatures affixed to the
19 petition, whichever is earliest. The Secretary of State shall
20 cause to be published in a newspaper of general circulation,
21 on three separate occasions, in each county in the State,
22 together with any explanatory matter which shall be placed
23 upon the ballot, the entire text of the proposed amendment.
24 ~~If~~ Except as otherwise provided in Section 7 of this Article,
25 if a majority of the voters voting on such question at such
26 election votes disapproval of such amendment, no further
27 action shall be taken on the petition. ~~If~~ Except as otherwise
28 provided in Section 7 of this Article, if a majority of such
29 voters votes approval of such amendment, the Secretary of
30 State shall publish and resubmit the question of approval or
31 disapproval to a vote of the voters at the next succeeding
32 general election in the same manner as such question was
33 originally submitted. ~~If~~ Except as otherwise provided in
34 Section 7 of this Article, if a majority of such voters votes
35 disapproval of such amendment, no further action shall be
36 taken on such petition. ~~If~~ Except as otherwise provided in
37 Section 7 of this Article, if a majority of such voters votes
38 approval of such amendment, it shall, unless precluded by
39 subsection 5 or 6, become a part of this Constitution upon
40 completion of the canvass of votes by the Supreme Court.

41 5. If two or more measures which affect the same
42 section of a statute or of the Constitution are finally approved
43 pursuant to this Section ~~and~~ and Section 7 of this Article, or an
44 amendment to the Constitution is finally so approved and an

1 amendment proposed by the Legislature is ratified which
2 affect the same section, by the voters at the same election:

3 (a) If all can be given effect without contradiction in
4 substance, each shall be given effect.

5 (b) If one or more contradict in substance the other or
6 others, the measure which received the largest favorable vote,
7 and any other approved measure compatible with it, shall be
8 given effect. If the one or more measures that contradict in
9 substance the other or others receive the same number of
10 favorable votes, none of the measures that contradict another
11 shall be given effect.

12 6. If, at the same election as the first approval of a
13 constitutional amendment pursuant to this Section ~~H~~ and
14 *Section 7 of this Article*, another amendment is finally
15 approved pursuant to this Section ~~H~~ and *Section 7 of this*
16 *Article*, or an amendment proposed by the Legislature is
17 ratified, which affects the same section of the Constitution but
18 is compatible with the amendment given first approval, the
19 Secretary of State shall publish and resubmit at the next
20 general election the amendment given first approval as a
21 further amendment to the section as amended by the
22 amendment given final approval or ratified. If the amendment
23 finally approved or ratified contradicts in substance the
24 amendment given first approval, the Secretary of State shall
25 not submit the amendment given first approval to the voters
26 again.
