Legislative Counsel’s Digest:

- 1 Under existing law, a person may not engage in activity as a homeopathic
- 2 physician, advanced practitioner of homeopathy or homeopathic assistant unless the
- 3 person is licensed or certified by the Board of Homeopathic Medical Examiners.
- 4 (Chapter 630A of NRS) The term “homeopathy” generally means to treat a patient
- 5 using certain substances of animal, vegetable, chemical or mineral origin in
- 6 accordance with the principle that a substance which produces symptoms in a
- 7 healthy person may eliminate those symptoms in an ill person. (NRS 630A.040)
- 8 The Board has numerous duties and powers relating to the practice of homeopathy,

9 including, without limitation, the authority to adopt regulations and to commence
10 disciplinary proceedings against persons who are licensed or certified by the Board.
11 (NRS 630A.200, 630A.480-630A.555)

12 **Section 129** of this bill repeals the existing provisions of NRS governing the
13 practice of homeopathy. **Sections 3-84** of this bill enact entirely new provisions
14 governing the practice of complementary integrative medicine and create a new
15 board designated the Board of Complementary Integrative Medical Examiners. The
16 new board has generally the same powers and duties as the abolished Board of
17 Homeopathic Medical Examiners.

18 **Section 34** of this bill provides that a homeopathic physician who is licensed
19 under the Board of Homeopathic Medical Examiners may continue to practice
20 using his current license to practice homeopathic medicine. However, **section 34**
21 also gives the homeopathic physician the option to apply to the Board of
22 Complementary Integrative Medical Examiners for the issuance of a license as a
23 complementary integrative medical physician without any further requirements.

24 **Sections 35-46** of this bill authorize a person to become licensed or certified by
25 the Board of Complementary Integrative Medical Examiners to be a
26 complementary integrative medical physician, an advanced practitioner of
27 complementary integrative medicine, a complementary integrative medical
28 assistant or a complementary integrative medical nutritionist. **Section 52** of this bill
29 authorizes the Board to issue certain temporary, emeritus, special and restricted
30 licenses to engage in practice as a complementary integrative medical physician.
31 **Section 55** of this bill sets forth the fees for the issuance or renewal of a license or
32 certificate that is issued or renewed by the Board. **Section 84** of this bill provides
33 for the imposition of a felony against a person who practices complementary
34 integrative medicine or homeopathic medicine without a license or provides
35 services as an advanced practitioner of complementary integrative medicine, a
36 complementary integrative medical assistant or a complementary integrative
37 medical nutritionist without a certificate issued by the Board.

38 **Sections 119 and 120** of this bill add new provisions to the Nevada Insurance
39 Code, including provisions requiring a provider of insurance to use ABC coding in
40 its business transactions with providers of health care. (Title 57 of NRS)
