Re: Schedule of SOT Listening Tours

Thank you for your continued involvement in the Community Implementation Council. Pursuant to our discussion at the last CIC meeting, CCSD has arranged a series of meetings that they're calling the "SOT Listening Tour." At these meetings, members of SOTs will come together with Trustees and Deputy Superintendent Wooden to discuss the SOT experience. CCSD has already had three of these meetings, and they have set up seven more meetings in the near future.

For your reference, I have included the dates, times, and locations for upcoming SOT Listening Tour meetings. If you have any questions, please email Michael Vannozzi at michaelv@tsc2group.com.
