TRAINING & EDUCATION

Online Courses

The Bureau of Health Care Quality and Compliance (HCQC) is working to make training courses available online through the State of Nevada Online Professional Development Center. In order to participate in these courses, you must create an account with log-in user name and password to the NEATS system. Use the links below to create the account; there is also a video with instructions on creating your account.

- [Links to create a NEATS account for the State of Nevada Online Professional Development Center](#)
 - [Create a log-in and password to access NEATS](#)
 - [Instructions for creating a user name and password](#)
 - [Video instructions will download automatically](#)
- [Available courses](#)
 - [Personal Care Agencies Introductory Tutorial](#)
 - [New Operator Training for Residential Facilities for Groups \(AGC\) and Homes for Individual Residential Care \(HIRC\)](#)
 - [Elder Abuse](#)
 - [Tuberculosis Testing](#)
 - [Nevada Automated Background Check System \(NABS\) - Fingerprinting and background checks](#)

Self-Directed Training

Select from one of these available trainings available in PDF. This information is not mandatory for licensing but provides guidance that can help avoid issues that can lead to sanctions or revocation of your license.
