Tahoe Basin License Plate

Legislative Committee for the Review and Oversight of the Tahoe Regional Planning Agency and the Marlette Lake Water System

August 28, 2018

Agenda Item IV (TAHOE)
Meeting Date: 08-28-18

www.dcnr.nv.gov

Background

- The Lake Tahoe Basin license plate (LTLP) was established in 1998 and is codified in NRS 482.37933.
- The Program is administered by the Nevada Division of State Lands.
- License plate revenue (\$25 new/\$20 renewal) supports the preservation and restoration of the Lake Tahoe Basin through grants to public agencies.
- Third most popular plate, behind the Las Vegas Commemorative plate, and the limited 150th Sesquicentennial plate.

Deputy Director

Dominique
Etchegoyhen
Deputy Director

Plate Program

- According to the DMV there are approximately 19,400 active license plates
- Total revenue since inception is approximately \$8.1 million – funding over 145 projects to benefit the Lake Tahoe Basin
- The Program awards approximately \$350,000 in grant funding annually
