The Rx Abuse Leadership Initiative (RALI) of Nevada is an organization of leaders from across our state working to combat prescription drug abuse and ensure communities have access to effective resources to fight addiction.

OUR PARTNERS

RALI NV LAUNCH

RALI Nevada launched in July with events in Las Vegas and Reno attended by partners and stakeholders. In Las Vegas, at Roseman University's School of Pharmacy, **State Senator Pat Spearman, Chair of the Senate Health and Human Services Committee**, spoke about the need for action and the importance of partnership in addressing the opioid crisis. In Reno, at the Nevada REALTORS® headquarters, **Assemblywoman Jill Tolles**, spoke about the importance of addressing opioid addiction, misuse, and disposal.

State Assemblywoman Jill Tolles speaking in Reno.

State Sen. Pat Spearman speaking in Las Vegas.

OPPORTUNITIES TO PARTNER

RALI Nevada will continue to work to change the reality of the opioid crisis in our state. We are:

- **Welcoming new partners:** If your organization is ready to help address Nevada's opioid crisis, join us today.
- **Available to speak at key events:** RALI Nevada representatives are available to speak at events to help raise awareness about opioid misuse and safe drug disposal options.
- **Distributing free drug disposal pouches:** Consumers can use the pouches at home to safely dispose of unused prescription medications.
- **Making grants to organizations that are addressing the crisis:** If your organization is working on education, prevention, safe disposal, or recovery options for addiction and needs support, let us know.
- **Working with partners and leaders to record public service announcements:** PSAs can help educate consumers about the dangers of addiction and create awareness of what can be done to prevent it.
- **Convening community forums:** We can work with you and your organization to bring members of communities together to raise awareness about this important topic.
- **Continuing our advertising and social media outreach:** If you have an idea for partnership, please get in touch.
