

NEVADA YOUTH LEGISLATURE APPLICATION 2021–2023

The Nevada Youth Legislature (NYL) was created by the Nevada Legislature during the 2007 Legislative Session. Legislators established the NYL to enable the state's most promising teenagers to learn *about* government by participating *in* government.

THE SELECTION PROCESS

Currently, Youth Legislators are serving two-year terms. On May 31, 2019, the terms of all Youth Legislators will expire. Therefore, all 2021 appointments will be for two-year terms.

Twenty-one Youth Legislators, selected by their State Senators, represent between 27,000 and 42,000 youth in their districts. They serve as a voice for the youth in their districts and constantly review and evaluate issues that affect our state's young people. Distinctive to the NYL, these Youth Legislators, as a group, have the statutory authority ([Nevada Revised Statutes \[NRS\] 219A.220](#)) to propose one legislative measure during each legislative session. This gives Youth Legislators the ability and opportunity to author a policy that can be passed by the Nevada Legislature and signed into law by the Governor.

Since the 2009 Legislative Session, the NYL has proposed eight legislative measures, five of which were passed and signed into law: (1) a measure proposing peer mentoring programs in schools; (2) requirements addressing curriculum standards in Nevada public schools; (3) a measure revising criminal penalties for the consumption or possession of an alcoholic beverage by a person under 21 years of age; (4) a bill requiring a study to determine the manner in which to include certain instruction relating to criminal law in the social studies curriculum for public high schools; and (5) a measure prohibiting the use in a criminal case of certain defenses based on the sexual orientation or gender identity or expression of the victim. Six legislative measures, which Youth Legislators requested Legislators to sponsor, were also successful: (1) providing certain safety measures on campuses of higher education; (2) allowing academic credit for certain high school internships; (3) creating the Silver State Opportunity Grant; (4) establishing an economics/financial literacy curriculum requirement in public schools; (5) revising provisions relating to the mental health of pupils; and (6) revising requirements for the operation of a motor vehicle by a young driver.

Applicants must be ninth to eleventh grade students during the first school year in which they will serve in the NYL. This application applies to School Year 2021–2022. Applicants must also either be residents of—OR attend school in—the state senatorial district from which they are appointed. A homeschooled or virtual school applicant must be a resident of—OR eligible to attend school in—the senatorial district of the Senator who would make the appointment.

ACTIVITIES AND DUTIES

Each NYL member will be responsible for performing the following duties:

- Serving as a liaison between the NYL and the youth of his/her State Senate district;
- Participating in NYL meetings, trainings, and teleconferences. These meetings/trainings typically occur once per month during each school year;
- Completing required outside assignments, as prescribed in statute or by the Board of Directors for Corporation for Public Benefit to Administer the NYL. During the two-year term, these assignments include: (1) preparing key questions and answers for messaging opportunities; (2) creating a plan to conduct a town hall meeting; (3) conducting at least one town hall meeting; (4) testifying at least once before a public decision-making body; (5) submitting a bill draft request [BDR]; and (6) writing and sending an outreach recruitment letter.
- Evaluating, reviewing, and commenting on issues that affect the state’s young people;
- Helping the NYL conduct youth-focused awareness and outreach campaigns; and
- Preparing for, selecting, and ultimately advocating for the NYL’s BDR during the 2021 Session of the Nevada Legislature.

MEETINGS

The NYL meets several times during its term, and Youth Legislators are expected—to the extent possible—to attend every meeting or activity. During these trainings Youth Legislators learn essential skills, such as: constituent outreach, listening, message accountability, negotiations, and presentations. Youth Legislators are responsible for arranging their own transportation to the nearest meeting location. Meetings are generally videoconferenced between Las Vegas and Carson City. If needed, special arrangements can be made to accommodate rural Youth Legislators.

Ordinarily, meetings/trainings involve half-day activities. Typically, meetings/trainings are held during the school week. Therefore, Youth Legislators must prepare to be absent from school for part of the day for these meetings.

The NYL holds two training programs that all Youth Legislators are required to attend. The first training program is conducted in Carson City, and the second training program is held in Las Vegas. The NYL covers the travel and lodging expenses for these programs. These training programs are planned for August 2021 and August 2022.

ATTENDANCE

Youth Legislators must attend all meetings, activities, and event days, as well as complete all outside assignments that are required by the NYL program. Absences that will be excused, when requested prior to an NYL meeting, activity, or event (not applicable to an outside assignment) are those that involve family or medical emergencies; unanticipated situations; or special, nonrecurring activities or events.

Excused absences will be approved retroactively, when requested following a required NYL meeting, activity, or event (not applicable to a required outside assignment) when the Youth Legislator has experienced a family or medical emergency or unanticipated situation that made attendance impossible.

If a Youth Legislator does not request an excused absence, either prior to or within a week following a required NYL meeting, activity, or event—or, if a request for an excused absence is declined—this will result in one unexcused activity credit. If a Youth Legislator does not submit a required outside assignment by a deadline day, this will result in a one-half unexcused activity credit.

If a Youth Legislator reaches three or more unexcused activity credits during his/her two-year term, [NRS 219A.150](#) requires the release of that Youth Legislator from the NYL program. If this occurs, both the Youth Legislator and the appointing State Senator will be notified about the vacancy.

OTHER ACTIVITIES

In addition to the meetings and trainings, Youth Legislators are encouraged to continue the NYL's work. A few of the ways they can grow through this experience include:

- Meeting with their State Senators and Assembly members, community leaders, and youth peers;
- Researching issues that are relevant to the state's youth;
- Preparing and delivering presentations to various audiences;
- Serving as media resources regarding youth issues; and
- Testifying before public decision-making bodies and other entities.

SHORT-ANSWER QUESTIONS

Please answer each of the following questions. Your answer to each question may not exceed 500 words and must be visible within the boundaries of the essay fields.

1. What does the phrase “fully engaged in the democratic process” mean to you, and how would you fully engage in the democratic process to accomplish specific goals of the NYL?

2. Every legislative session, the NYL has the ability to propose one piece of legislation to the Nevada Legislature. All 21 Youth Legislators submit a bill proposal as part of the selection process. In your opinion, what is the top issue facing Nevada's youth? How would you address this issue through legislation? What key points would you advocate to your NYL colleagues to persuade them to support your proposal?

NOTICE: If you submit the application *electronically*, please print this page, obtain the signatures needed, scan the completed page, and attach it to the form you filled out online.
