SUBJECT: **SECOND REVISION - Solicitation of Recommendations**

The Committee to Conduct an Interim Study Concerning the Costs of Prescription Drugs ([Senate Bill 276 \[2019\]](#)) will hold a work session to consider certain recommendations at one of its upcoming meetings. Committee staff will review meeting materials and testimony received at prior meetings to develop a list of recommendations for review by the chair and possible consideration by the Committee during the work session phase of the meeting.

All interested parties may provide recommendations for possible consideration during the work session. The Committee has a limited allocation of bill draft requests (BDRs) for the 2021 Legislative Session. In addition to BDRs, the Committee may write letters to specific individuals and organizations urging certain action or include positional statements in the Committee's final report. Submission of a recommendation to the Committee does not guarantee its consideration during the work session. Please follow these guidelines:

- Explain in detail the policy you recommend; and
- Include any background information supporting or explaining the recommendation.

Committee staff must receive recommendations no later than Wednesday, June 10, 2020.
