BOARD SERVICES

Investigatory Process- Allows consumers to file complaints regarding actions a practitioner may have taken and obtain information they otherwise may not have access to regarding the care of their animals.

Outreach-Delivers educational information to both the public and licensees regarding best practices, community health issues, and communication advice.

Inspection- Displays consumer confidence that the licensees are performing their work in sanitary and safe conditions thus minimizing risks of infection and harm to patients.

Licensing- Ensuring standards of competency and consumer confidence in the training of the professional to whom they entrust their pets care

Complaints and Disciplinary Actions 2009-2019

**CONSUMER
COMPLAINTS**
