

Item IV. I. Approval of Early Session Hires for the 2021 Legislative Session

For past legislative sessions, the Legislative Commission has approved temporary positions in various Divisions of the Legislative Counsel Bureau for various durations. These positions have starting and ending dates depending on the duties assigned. A number of the positions will start in July and August of this year, while others do not start until closer to session. Subsequent requests for the remaining session positions will be presented at a future Legislative Commission meeting.

Following is the first request for approval of the Legislative Commission for early session hire positions for the 2021 Legislative Session:
