Dear Ms. Young:

The Sky Tavern Board of Directors is writing to formally cancel our request for a specialty license plate designation for our organization.

When we originally petitioned for this license plate, we were part of a national effort by the U.S. Olympic Committee to seek plates in a variety of states. A few years ago, the USOC decided to halt their efforts, so we lost the potential for a statewide campaign.

We no longer believe our efforts would be successful since our organization does not have a strong statewide presence.

Thank you for contacting us about this.

Sincerely,

A handwritten signature in black ink that reads "Randi Thompson".
