 **Touro
University
Nevada**

Educating caring
professionals to serve,
to lead, to teach.

Touro University Nevada

Center for Autism and Developmental Disabilities

The Center provides comprehensive evaluation and treatment services to children with autism and other developmental disabilities.

Neuropsychology
Occupational Therapy
Applied Behavior Analysis
Speech / Language Therapy
Cognitive-Behavioral Therapy
Social Skills Training Groups

Diagnoses treated include Autism, Asperger's Syndrome, PDD NOS, ADHD, Oppositional Defiant Disorder, Fetal Alcohol Spectrum Disorders, prenatal drug exposure effects, genetic conditions, specific learning disabilities, global developmental delays, and more.

Providers work as a team to plan treatment for each child. Parents, families, teachers and other care givers are involved with the individualized treatment plans that are based on evidence-proven methods.
