Our vision for Nevada:

The people of Nevada enjoy a magnificent natural landscape and caring, inviting communities. We are diverse, independent, optimistic, entrepreneurial, and determined to succeed.

Every Nevadan receives encouragement and the opportunity to attain the highest level of educational excellence.

Our business climate:

- Encourages innovation and broad-based economic resiliency and vitality;
- Leverages our unique market strengths;
- Attracts investment and talent; and
- Balances sustainable growth with responsible use and conservation of our natural assets.

Nevadans of all ages—from children to seniors—are able to meet their needs for food, shelter, health, and culture and to enjoy our recreational resources. They are safe and connected—through communications and transportation—to their communities and the rest of the world.

Our governance is efficient, effective, inclusive, and accountable. We monitor results and demonstrate measurable progress. We respect each others' points of view.

*"Home" means Nevada, "Home" means the hills,
"Home" means the sage and the pines.
Out by the Truckee's silvery rills. Out where the sun always shines.
There is a land that I love the best, Fairer than all I can see.
Right in the heart of the golden west
"Home" means Nevada to me.*

In 1933, the Legislature adopted **"Home Means Nevada"** as the official state song.
Mrs. Bertha Raffetto of Reno wrote the song to honor the state.
