

Renewable Energy Development Efforts

University of Nevada, Reno

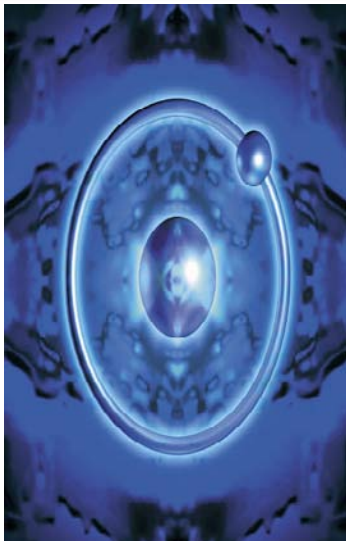

EXHIBIT D- ENERGY
Document consists of 9 pages.
Entire exhibit provided.
Meeting Date: 11-03-09

SCR 19, Legislative Interim Committee
Study of Production and Use
of Energy in Nevada

November 3, 2009

Outlook of Renewable Energy

“According to the NSF presentation in April 2009, ‘5 million new jobs by strategically investing \$150 billion will be created over the next 10 years to catalyze private efforts to build a clean energy future’.”

—Barbara H. Kenny, “Energy Infrastructure-NSF Perspective”, Program Director,
Engineering Education and Centers Division, National Science Foundation, April 23, 2009
