

# Nevada Health Centers, Inc.

## **Mission**

*To provide access to quality health care services throughout Nevada.*

## **The Vision**

*Through advocacy, education and community outreach, all residents and visitors in Nevada have full access to affordable health care.*

## **Philosophy Statement**

*Nevada Health Centers, Inc. is founded on the principle that all people, regardless of where they live or their ability to pay, have the right to quality health care services.*

## Nevada Health Centers, Inc.

## National Average for Community Health Centers

# Rural Nevada Health Care Challenges

---

- Increasing Costs (salaries, supplies, etc)
  - Provider Salaries increased 30%+ in the last 24 months
- Decreasing Number of Primary Care Providers willing to work in rural and frontier areas
  - Eureka over a year without a permanent doctor
  - Wendover starting in June 2006 without a permanent doctor
  - Jackpot starting in July 2006 without a permanent doctor
- OB/GYN services in Elko
  - No services available to patients unable to pay
  - NVHC provides prenatal services but no referral options except to ID, UT, and Reno
