Touro University - Nevada

**Making a
Difference in the
Healthcare of
Nevada**

Touro University - Nevada

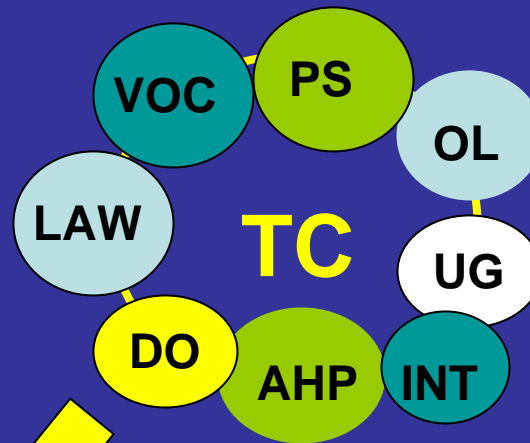

- Documented evidence from the INNOVA study of shortage of Primary Care Physicians
 - PCPs are focus of D.O. colleges
- NV 50th in nation in # nurses/100,000 pop.
- No P.A. Program in NV
- Allied Health Professionals (PAs, NPs) are increasingly in demand
- No O. T. School in NV
 - Hosp, Rehab facilities & schools have decades of open positions for OT

Touro University - Nevada

- College of Osteopathic Medicine
 - School of Physician Assistant Studies
- College of Health & Human Services

Major Areas of Concern

- Raising CAP on Residency Slots
- Encouraging Hospitals to:
 - Expand partnerships to train Medical, P.A. & Nursing Students
 - Work to develop Residency & Fellowship Programs
 - Develop Dual - Accredited Residencies
- Nursing Board Restrictions

Major Areas of Concern

- Facilitate Medical & PA Student rotations in rural communities
- Financial incentives for students to remain in NV
- Need for the public sector, including the NV Higher Educ. Syst. & Legislature, to acknowledge the role the private sector will increasingly play in the development of health care personnel for NV
