

Colorado River Commission of Nevada

NRS 704.787 Authority to sell electricity and provide transmission service and distribution service to certain customers without being subject to jurisdiction of Public Utilities Commission of Nevada; tariff for distribution service; duties of certain electric utility.

1. The Colorado River Commission of Nevada may sell electricity and provide transmission service or distribution service, or both, only to meet the existing and future requirements of:

(a) Any customer that the Colorado River Commission of Nevada on July 16, 1997, was serving or had a contract to serve; and

(b) The Southern Nevada Water Authority and its member agencies for their water and wastewater operations,

↳ without being subject to the jurisdiction of the Public Utilities Commission of Nevada.

2. The Public Utilities Commission of Nevada shall establish a just and reasonable tariff for such electric distribution service to be provided by an electric utility that primarily serves densely populated counties to the Colorado River Commission of Nevada for its sale of electricity or electric distribution services, or both, to any customer that the Colorado River Commission of Nevada on July 16, 1997, was serving or had a contract to serve, and to the Southern Nevada Water Authority and its member agencies to meet the existing and future requirements for their water and wastewater operations.

3. An electric utility that primarily serves densely populated counties shall provide electric distribution service pursuant to the tariff required by subsection 2.

4. As used in this section:

(a) "Electric utility that primarily serves densely populated counties" means an electric utility that, with regard to the provision of electric service, derives more of its annual gross operating revenue in this State from customers located in counties whose population is 400,000 or more than it does from customers located in counties whose population is less than 400,000.

(b) "Southern Nevada Water Authority" has the meaning ascribed to it in NRS 538.041.
