Agenda Item VI - Report on Grant Agreements Issued for FY07

Consideration of proposals to require additional information or assurances from grantees				
Carson Advocates for Cancer Care (3)	\$ 60,992	\$ 65,408	Funding for tobacco related cancer treatment	See below
Recommendations to improve program structure: 1) establish income and resource limit guidelines; 2) define eligibility criteria as cancer related to tobacco use or exposure and document levels of use or exposure; 3) require proof of income and resources, including application for SSI and Medicaid, for specified timeframe; 4) define what qualifies for continued assistance and length of assistance; 5) provide outcome measures on health improvement and/or acquisition of 3rd party payor; 6) stipulate repayment of benefits that are subsequently paid by a 3rd party payor; 7) document referrals to cessation programs; and 8) develop written policies and procedures for standard staff and client reference.				
Churchill Community Coalition (Tobacco)	\$ 10,496	\$ 14,504	Prevention/education & cessation treatment @ New Frontier	See below
\$8420.00 of grant is allocated to Personnel/Fringe for development of youth groups to work on tobacco prevention activities. Staffing change effective 6-30-06. \$2076.00 is allocated to New Frontier for products related to nicotine cessation.
