NOVEMBER 12 (SATURDAY)

El Dorado Canyon near Dayton. Hike along riparian habitat of El Dorado Canyon with its year-round stream. Lunch at the natural arches. Learn some history of the area. Hike is apx. 12 mi. and 900' elev. gain. ND. Leader: T A Taro (5302935). Moderate.

NOVEMBER 13 (SUNDAY)

Tule Peak Day Hike. Tule Peak is the highest peak in the heart of the Virginia Mountains. Hike includes both trail and off-trail areas, so boots are required. Outing will take all day at 12 miles, 4000+ ft. elev. gain. Learn about our efforts to preserve this area for future generations. Must be in excellent physical shape. DL. Leaders: Holly Coughlin (331-7488), Kurt Kuznicki (745-3119). Moderately strenuous.

NOVEMBER 19 (SATURDAY)

Red Rocks Service Trip. We will perform some badly needed cleanup and maintenance at the Red Rocks Conservation area north of Reno. BLM will assist in our project in the morning. After lunch, we will take a hike through the conservation area, all off-trail, about 2 miles, 1000 ft. gain. Call for more information. Leader: David von Seggern (323-4835). Leisurely.

NOVEMBER 20 (SUNDAY)

Leader's Choice Day Hike. Join me for a late fall day hike somewhere near the Truckee Meadows. Weather will help determine destination. About 6-8 miles, 1000 ft. gain expected. Learn about flora and fauna of the area we visit. Desserts optional. DL. Leader: Holly Coughlin (331-7488). Leisurely.

NOVEMBER 24 (THURSDAY)

Third Annual Pre-turkey Dinner Hike. Join us and work up an appetite on a short hike in the local hills before the big feast. 5 miles, 1500 ft. gain. Great alternative to football and parades. Learn what is happening with Wilderness in Nevada and how you can get involved. DOK. NT (No Turkeys). We will start at 9:00 am and hike for 2 – 2 1/2 hours. Moderate pace, few breaks, dress for temps; bad weather will cancel. Leader: Kurt Kuznicki (745-3119).

NOVEMBER 26 (SATURDAY)

Silver Peak 8,424 to Squaw Valley. This hike or snowshoe will be about 15 miles and at least 2500 ft. elev. gain. The hikes are limited to 8. Bring the 10 essentials, 3 quarts water, lunch and snacks. Call leader for meeting time and place. Participants must be in very good shape. DL. Leader: Ted Lenzie (916-985-6144, or Mon.-Thurs. at Clubted@Backpacker.com). Strenuous.

NOVEMBER 26 (SUNDAY)

Historic Virginia City Flume to McClellan Peak. Hike along a portion of the route of the circa 1870's wood box flume which brought water from the Carson Range to Virginia City. Learn about some history of this area. Apx. 14 mi. and 1,500' elev. gain. ND. Leader: T A Taro (530-2935). Moderately Strenuous.

NOVEMBER 27 (SUNDAY)

Beginners' Day Hike. Our outing will be oriented for new hikers and the weather at the time. Learn about the 10 essentials for hiking. Please call for details. About 5 miles, 600 ft. gain. DL. Leader: Grace Blaylock (677-9257). Moderately easy.

SOUTHERN NEVADA GROUP CALENDAR NOVEMBER, 2005

All phone numbers are 702 unless otherwise noted

November 9 (Wednesday) Conservation Meeting

From 6:00 p.m. to 7:00 p.m., before the General Membership Meeting. All are welcome.

November 9 (Wednesday) November General Membership Meeting

Program: "*Climate Change and Global Warming: a Scientific Perspective*," a PowerPoint presentation by Stan Smith, Ph.D., UNLV Dept. of Biological Sciences.

November 12 (Saturday) Bitter Springs, LMNRA

A long 8 -10 mi. loop hike across varied terrain. What kind of bugs reside in surface water and what is the most effective drinking water treatment? Dogs OK. Leader: Bill Marr (433-0743)

November 13 (Sunday) Valley of Fire

We will do one of the loops in this colorful area. Slot canyons and interesting rock formations. What makes these features in the Valley of Fire? Leader: David Hardy (875-4549) Level 2.

November 19 (Saturday) Bowl of Fire Loop, LMNRA

10 mi. RT in among the beautiful red rock formations. What invasive plant species do we see along the trail: red brom? cheat grass? Which indigenous species can not compete? Dogs OK. Leader: Bill Marr (433-0743) Level 4.

November 20 (Sunday) Sandstone Quarry to Brownstone Canyon

Nine mile loop hike with fantastic scenery of Red Rock Canyon, Spring Mountains. Along the way we'll see petroglyphs and pictographs — what's the difference? Narrow canyons and much interesting scenery. Hike rain or shine. Leader: Dennis Hayes (280-2424) **November 24**

(Thursday) Red Mountain/River Mountains

Thanksgiving hike up a Red Mountain wash and onto a primitive trail to have your turkey sandwich on Red Mountain overlook. Then down the River Mountains Trail to be home in time for some real turkey and cranberries. (What edible plants grow on the River Mountains?) Moderate. About 6 mi. RT; elevation 2415' to 3654' Leader: Lee Schultz (294-1404) Level 3.

November 24 (Thursday) Gateway Canyon

A 5 mile hike through a variety of land forms including colorful rock and narrow canyons. What is an overthrust fault? Should be done in time to get to Thanksgiving dinner. Some rock scrambling. Leader: David Hardy (875-4549) Level 2.

November 25 (Friday) Loop hike on Blue Diamond Hill

About 10 miles. Good views of Red Rock and Las Vegas. Includes a narrow canyon. What geologic forces formed Blue Diamond Hill? Leader: David Hardy (875-4549) **November 26**

(Saturday) Valley of Fire

Another loop hike with narrow canyons and colorful formations. Why is this a desert? Leader: David Hardy (875-4549) Level 2.

November 27 (Sunday) Blue Diamond Trails to Velvet Canyon

A 10 mile hike in the lower end of Red Rock, about 1500' total elevation gain. What geologic formations make up this area? Leader: David Hardy (875-4549) Level 2.

November 27 (Sunday) Indian Canyon Overlook, LMNRA, AZ

Need 4WD. Hike down a sandy wash to scramble up onto a steep ridge to overlook Lake Mead and the canyon. Sheep maybe looking down on you. Moderately strenuous. 7-8 mi. RT; low elevation. Leader: Lee Schultz (294-1404) Level 4.
