

EXHIBIT F

HEALTH EDUCATION TASK FORCE

The Board of Regents' ad hoc Health Education Committee will review matters related to health education programs in the UCCSN. During the course of its deliberations, the Committee will consider the following:

- Oversee the UCCSN's plan to double the capacity of the nursing programs within the System as presented to the 2003 Nevada Legislature;
- Review and make recommendations concerning the University of Nevada School of Medicine proposal to restructure its Practice Plans;
- Consider and make recommendations concerning the development of an Academic Medical Center; and
- Review and make recommendations regarding existing health care programs in the UCCSN and consider new programs and structures that may be needed to meet state needs.
