Thomas & Mack Center Sam Boyd Stadium COX Pavilion Parking Lot Information

Parking Lot Information

Thomas & Mack Center Sam Boyd Stadium COX Pavilion

- The Thomas & Mack Center currently has 58 handicap parking spaces
- Sam Boyd Stadium has 151 handicap parking spaces
- Guests using wheelchairs or needing other assistance may be dropped off by a companion at the front entrance of all 3 venues; the companion can then park the vehicle in a marked space
- When the handicap parking spaces fill up, we will do our best to find the closest parking spaces available for guests
- Our VIP lots at all 3 facilities are reserved for suiteholders, club seats holders, university administrators, and other working personnel; these parking spaces are not closer to the venues than the handicap parking spaces, yet they are closer in proximity than the general public; this lot also contains handicap spaces
- Through various contracts, we issue VIP Parking Passes for every event and are therefore obligated to have those spots available for sponsors, building partners, and university administrators
- Guests needing additional information about our facilities can call our Guest Services Information line at (702) 895-0974
