mental illness

Network of Care for Mental Health is an online information place for individuals, families and agencies concerned with mental and emotional wellness. This online community provides critical information, communication and advocacy tools with a single point of entry. It ensures there is "No Wrong Door" for those navigating the system of mental health services, those working to avoid the need for formal services, and those ready to transition out of the mental health system.

Regardless of where you begin your search for assistance with mental health issues, Network of Care ensures you will find what you need. This Web site can greatly assist in our efforts to protect our greatest human asset - our beautiful minds.
