Format Points	4	4	5	4.33	No page numbers, single spaced
Importance and Impact	1	1	6	2.67	proposal states 4,000+ residents with mobility impairment or disabilities and already serving 2,000 yet plan to serve 3,000 new clients(1,000 over stated unmet need)
Meeting Unmet Needs	3	3	9	5.00	No documentation of waiting list or additional need over what is already being served. Goal 2 of timeline proposes nutritional supplements and diabetic supplies - not within the Proposed service to 1,000 over what is stated as need.
Population to be Served	5	5	5	5.00	
Documenting Outcomes	4	6	8	6.00	Goal 2 Objective A has nothing to do with equipment recycling. How does one qualify for program and what will be utilized to assess and evaluate the measures in proposal.
Cost Effectiveness	5	3	8	5.33	It is unclear as to why a program would need so much administrative personnel to manage an equip. recycling program. Budget shows in-kind contribution of \$25,000 for
Sustainability	5	5	6	5.33	Few resources - no apparent plan.
Collaboration	6	3	6	5.00	Small community with few agencies to collaborate with. Mentions obtaining volunteers from churches. Collaboration
Leverage	3	4	6	4.33	Leverage of property for bldg. - no other secured funding for
