Tracking Individual and Groups of Students in Real Time

Mastery Connect: This system tracks student mastery of learning targets and common unit assessments

Data Matrix: Pass fail by course and by school track number of passing and failing grades

Graduation Tracker: Tracks number of credits earned by student and student groups

Intervention tracker: tracks interventions targeting credit recovery

Early wins

- ▶ Shift in organizational beliefs
- ▶ Intrinsic motivation for students and teachers is growing
- ▶ Quality of collaboration up significantly
- ▶ Alignment with NEPF (Teacher and Administrator Evaluation) - Leverage
- ▶ Robust data systems -
- ▶ Elevated curriculum (All Content) - Biology - Algebra I
- ▶ Pass rates in Algebra I up from 72% to 88%
- ▶ # Credits earned up significantly...
- ▶ Moving more students into advanced tracks
- ▶ System is easily replicable and can provide same impact on districts that choose to make these changes.
