Re: Request to the Legislative Commission for list of recommended candidates to fill vacancy on the Nevada Commission for Nuclear Projects

Dear Director Erdoes:

As Executive Director of the Nevada Agency for Nuclear Projects, my duties include providing staff support for the Nevada Commission on Nuclear Projects. As mentioned to you recently, a vacancy on the Nuclear Commission is anticipated. The upcoming vacancy is one that is filled from a list of three names provided to the Governor by the Legislative Commission under provisions found in NRS 459.0091(2)(b). You will note that the vacancy is actually filled by the Governor following submission by the Legislative Commission of the list of names.

Through this letter, I respectfully request that the Legislative Commission forward the following list to Governor Sisolak so that he can make the final appointment. The recommended names with contact information are:

1. Frankie Sue Del Papa: 775-830-5566/ renofsdp@aol.com
2. Joseph C. Strolin: 775-720-4938/ jstrolin@gmail.com
3. John Walker: 775-815-4462/ jwalker.nv@gmail.com

I understand that the Legislative Commission will meet in late July, 2021. I ask that the Legislative Commission consider this letter to be my request that this list is forwarded to Governor Sisolak for his consideration. While all of the above-named individuals are highly qualified to fill the Nuclear Commission vacancy, it is my preference that former Attorney General Del Papa receive priority consideration.

Thank you in advance for your assistance. Please let me know at your earliest convenience if you have any questions, comments or concerns.

Sincerely,
