# Quality Measures

## ▶ Provider Qualifications

- Licensure or Certification from the Bureau of Health Care Quality and Compliance or the Aging and Disability Services Division
  - Includes background checks and training components

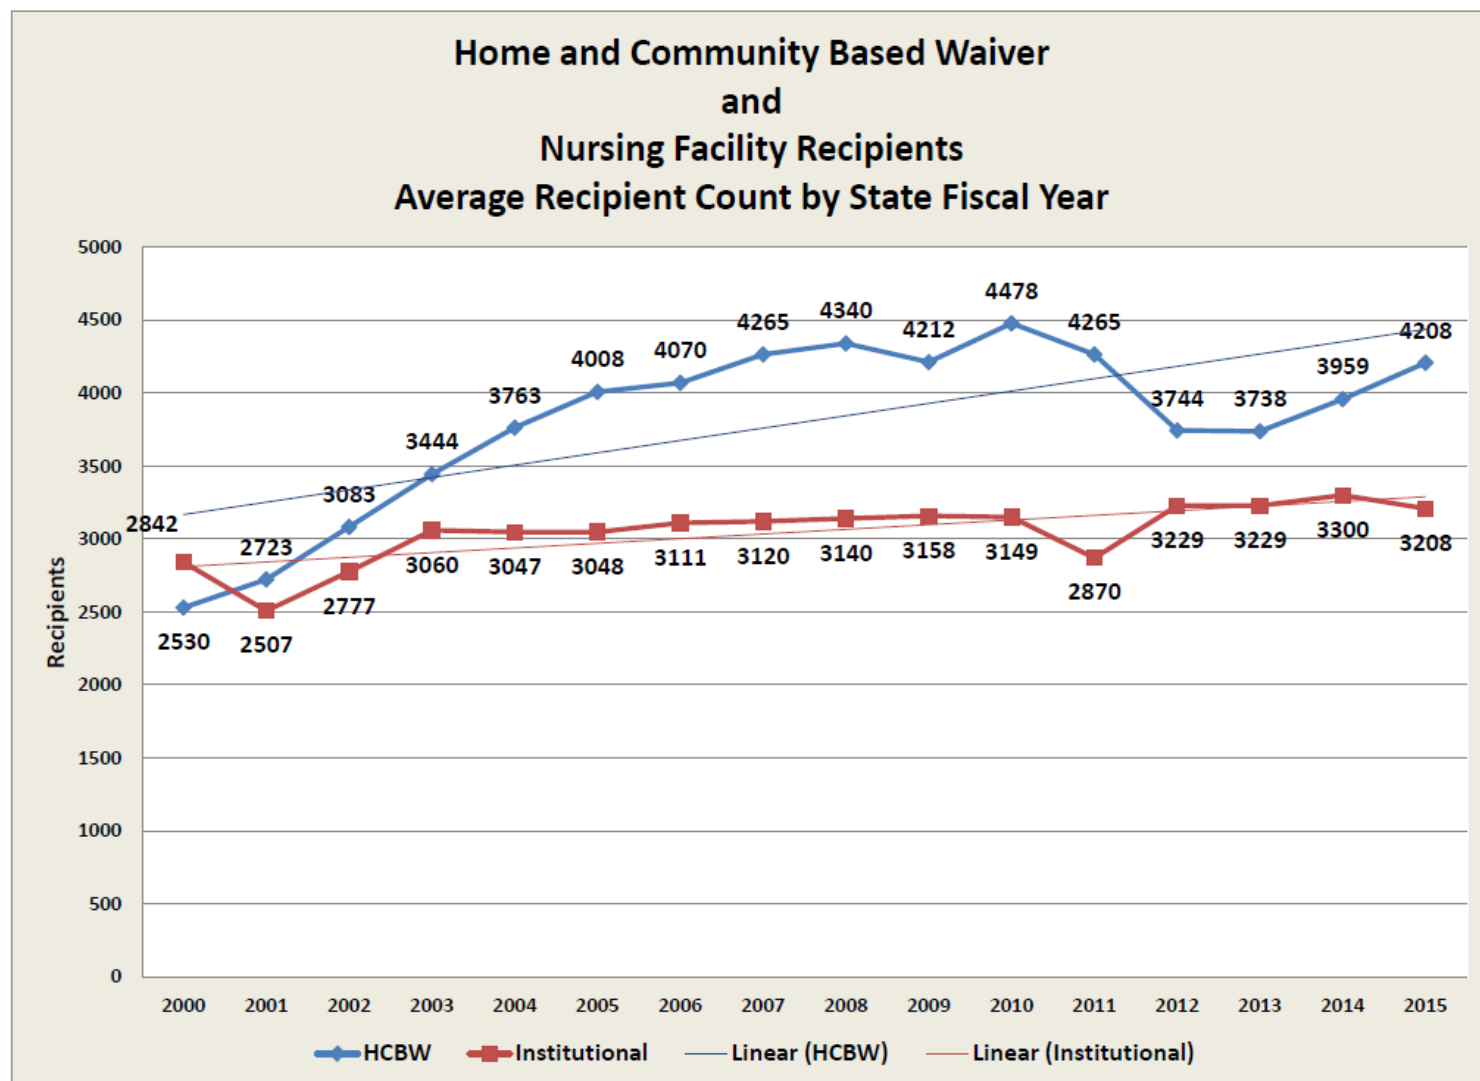

## ▶ Person Centered Planning/Health Safety and Wellness Assurances

- Driven by the recipients
- Includes individually identified goals and preferences related to relationships, community participation, employment, etc
- Includes risk factors and plans to minimize them

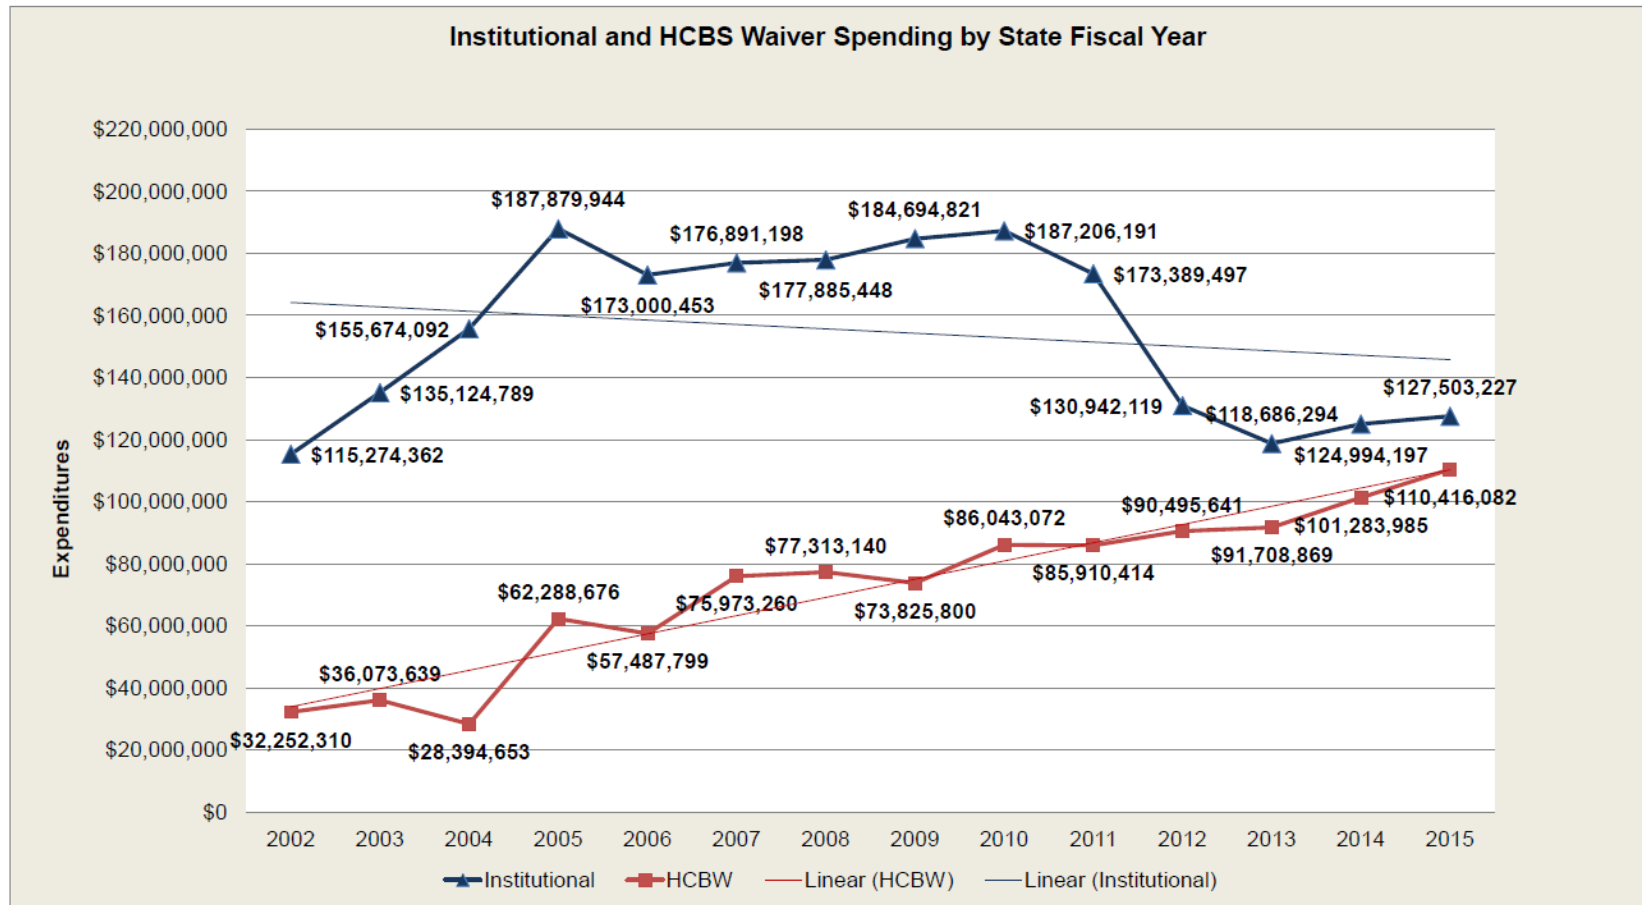

## ▶ Participant Experience Surveys

- Face to face visit by an individual trained in the survey, with the recipient of services to evaluate the persons perception of the quality of services being provided

# Nursing Facility vs. HCBS Recipients

# Institutional & HCBS Waiver Spending by State Fiscal Year

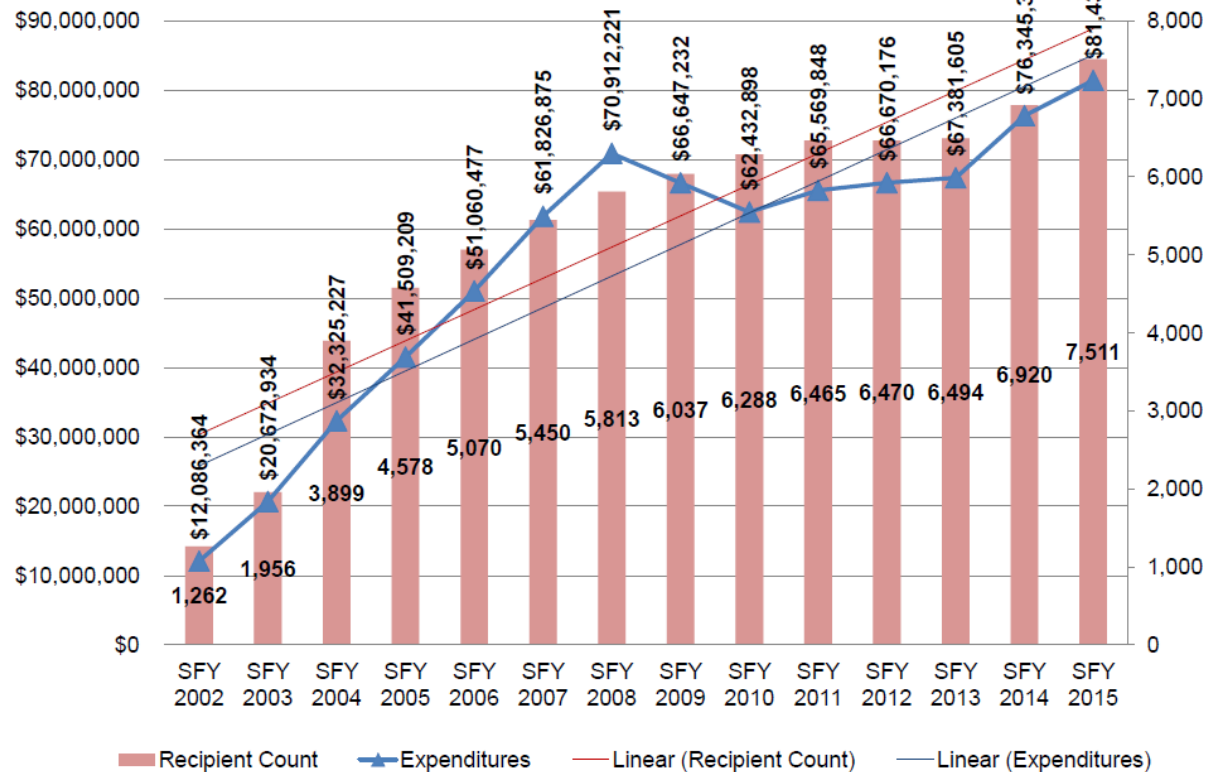

# Personal Care Services (PCS)

- ▶ In 2003 the PCS program was added as an expanded State Plan service
- ▶ Recipient assessments:
  - Functional assessment and service plan (FASP) completed in the recipient's home by licensed PTs and OTs.
- ▶ Services provided by:
  - Qualified individual who is not a legally responsible individual
  - Personal Care Services Agencies (108)
  - Intermediary Service Organizations (14)

**Katie Beckett Eligibility Option  
Expenditures and Recipient Count  
State Fiscal Year**

# Money Follows the Person (MFP) Grant

- ▶ The MFP Grant is helping to further rebalance and redesign the long-term care system. We will do the following:
  - Create innovative long-term care services focused on self-direction.
  - Build on the considerable success of FOCIS.
  - Develop a single, coordinated quality system
  - Collect and analyze data
  - **Transition 524 individuals over the grant term**
  - Partnership of Medicaid and Aging and Disability Services.
- ▶ Grant total: \$9.9M

# MFP Status – Participant Enrollments
