

SBC is committing significant resources to serve Northern Nevada customers

Our northern Nevada territory covers 48,000 square miles

- (see attached map)

To serve this area we ...

- Employ 856 Nevadans
- Maintain 43 central offices – 28 of the offices are in rural areas
- Maintain 30,000 miles of buried conduit
- Maintain 370,000 access lines – 55,000 of the lines are in rural areas

Each year we ...

- Invest \$50 million in new plant
- Pay salaries and pensions of \$121 million
- Purchase \$35 million of goods and services
- Pay \$9 million in taxes in Nevada

To provide broadband service to customers we ...

- Have installed additional electronics equipment and fiber optic cabling
- Broadband is available at 220,000 locations
- Over the next 6 months, SBC will deploy broadband service to eight new communities -

Pahrump - Hawthorne – Fernley -Verdi - Dayton - Lovelock –
Washoe Valley - Silver Springs

We currently serve ...

- 235,000 residential lines:
 - 11,000 lifeline customers at \$5.70 for monthly service
 - 55,000 rural customers
- 126,000 business lines
- 18,854 wholesale lines for CLECs
- CLECs have installed their own equipment in 14 of our central offices

We now offer one-stop shopping ...

Local, Toll, Long distance, Internet, Voice Mail, Wireless, Satellite TV

We also offer high-end business services ...

Giga-bit transmission services, ATM, Frame-Relay, WiFi, and other high bandwidth services
