

To Whom this may concern:

I am opposed to mandatory vaccines, passports etc.

"Totalitarianism is the modern phenomenon of total centralized state power coupled with the obliteration of individual human rights: in the totalized state there are those in power, and there are the objective masses, the victims" Arthur Versluis

Demanding people to give up their inalienable rights goes against everything that this Republic stands for. The government should not be legislating what I put into my body.

Please familiarize yourself with the Constitution of the United States of America and the Nuremberg code.
