

Anyone who coerces any one to take the 'jab' is, and will be held to account for the deaths involved, and it's well known, life destroying side effects.

Absolutely no need for this insanity unless you ARE trying to euthanize your fellow human beings.

ABSOLUTELY no need for this insanity when there are prophylactics, etc many treatments that have been administered to billions worldwide with great success.

ABSOLUTELY is there no reason for these 'death shots' when they are far more deadly than the illness itself.

'We' know 'you muderers' are aware of this, so you are willing accomplices in this massive genocide.

WE WILL NOT COMPLY
