Dr. Robert Malone: Mass Formation Psychosis - The World Is Being Hypnotized

There are therapeutics in use that are saving lives. Those who force an EUA vaccination, (that is a non vaccination), namely the Covid 19 vaccination or SARS COV2 Vaccination which is actually a gene therapy, are guilty of CRIMES AGAINST HUMANITY. The survival rate for the named virus above has a 99.9plus % survival rate. The inventor of the MRNA Vaccine tells you a story above on what is happening to the public and well as government officials. BUT it is not an excuse from what the REAL SCIENCE IS TELLING YOU, THAT IS A CHOICE. "THE DEVIL IS IN THE DETAILS."

AS YOUR BOSS I SUGGEST YOU CEASE AND DESIST NOW.
