

AB 321 is a radical leftist Democrat Election Law to forever cheat and steal Nevada elections. These proposed Regs will further fine tune Nevada's leftist radical Democrat Election law, AB 321. Ask our Republicans to "Just vote No!"

Please vote No and AB 321

We need our legislators to do the will of the people you represent!

I witnessed the fraud with my own eyes and you can call me to talk about the duplicate votes I personally saw on our Washoe County voter website.
