## ULAN History

The United Labor Agency of Nevada was founded in 1995 as a partnership between the Nevada State AFL-CIO and the United Way of Southern Nevada to assist labor families going through tough times. ULAN has expanded its services from referrals to a fully stocked food pantry program, rental and utility assistance\*, and diaper bank. ULAN has also expanded its community partnerships with Clark County Social Services and Albertsons Companies Foundation to expand services, especially for seniors in need.

**1 out of every 5 clients ULAN has served is over the age  
of 65.**

ULAN provides seniors with assistance through the Project Reach program which is for individuals 62 and over to assist with their past due electric bill.
